

The Yun Family's Ninth Child is an Imp! Chapter 3485

Liao Yuan shouted fiercely, "Little Treasure, don't Go Too Far! Although your brother's skills are not bad, you are not a match for so many of us."

"Get lost! Did I ask you? I Don't care if you want to submit to me. Other than this idiot, do you want to submit or not?"

Think about it, is there anyone more suitable than me? "As long as you follow me, I promise to lead you to kill Deng Qianyuan." Hei Xinjiu said with a smile.

Most of the children thought that the "Kill" Yun Chujiu said was to annex Deng Qianyuan's forces. Only little fatty shivered. This little pervert was not going to kill Deng Qianyuan, right?

The little fatty did not quite understand. What exactly did Deng Qianyuan do to provoke this little pervert? Although they had only been together for a few days, the little fatty finally understood that this little pervert was very lazy. If he did not take the initiative to provoke her, she would not take the initiative to deal with him.

He did not know that Hei Xinjiu had accidentally seen Deng Qianyuan and Liao Yuan whispering together last night. She had not paid much attention to it.

But looking at the situation today, he knew that everything that Liao Yuan had done was instigated by Deng Qianyuan. Since Deng Qianyuan was seeking his own death, she would fulfill his wish.

Most of those children were originally fence-sitters. It didn't matter who was the leader. In any case, whoever was stronger would submit to whoever was stronger. Now that Liao Yuan was no match for da Bao, he immediately submitted to Hei Xinjiu.

Liao Yuan nearly fainted from anger!

He had originally brought people to deal with that little thing, but now, all his subordinates had become that Little Thing's lackeys. It was simply infuriating!

When a few of Liao Yuan's competitors saw that Liao Yuan had lost power, they immediately began to mock and ridicule him, directly pushing him out.

Liao Yuan gnashed his teeth in hatred and immediately went to Deng Qianyuan to discuss countermeasures.

Deng Qianyuan had originally thought that victory was within his grasp. As long as Liao Yuan subdued the people of the fourth group, he would indirectly control everyone. This way, the chances of him remaining in the Li hate palace would be very high.

Who would have thought that not only did Liao Yuan fail to subdue the fourth group, but his subordinates also defected to that Little Treasure? He was truly a good-for-nothing!

Deng Qianyuan's thoughts were much deeper than Xuanyuan Zhuo's. Otherwise, he would not have been able to recruit so many people. He comforted Liao Yuan, telling him not to act rashly.

Unexpectedly, just as the two of them were talking, the dormitory door was kicked open and Hei Xinjiu walked in with a bunch of brats.

Liao Yuan's competitors immediately cursed Liao Yuan for being a traitor and Shameless. If it weren't for Yun Chujiu not saying anything, they would definitely go over and give Liao Yuan a good beating.

Liao Yuan's face was pale. He never thought that these people would come over to eavesdrop.

Yun chujiu laughed coldly in her heart. No matter how deep these devilish children's thoughts were, they were just a bunch of idiots in front of her.

Deng Qianyuan, on the other hand, was much calmer than Liao Yuan, he looked at Yun chujiu and said, "Little Treasure, what do you want? Don't tell me you want to fight with us? We have two more people than you. If we fight, you won't be able to gain any advantage."

Yun Chujiu didn't have the patience to play any more tricks with these brats. She jumped forward and directly beat Deng Qianyuan up.

Then, this guy stepped on Deng Qianyuan and directly asked his followers, "Do you want to submit to this king, or do you want to be beaten up by this king?"
