

The Yun Family's Ninth Child is an Imp! Chapter 356

The next day, Yun Chujiu and Di Beiming had just finished their breakfast when Yun Chusi and the others arrived.

Yun Chusi and the others were busy cleaning up their new residence the day before and only heard news about Yun Chujiu at night. That she had gotten involved with a handsome man, and something about how all the good cabbages had been eaten by pigs [1].

They even encountered conflict with a few female disciples who were gossiping. At that time, they wanted to find Yun Chujiu and ask her about it. In the end, they saw that it was already late, and they believed that Little Jiu would not act rashly. That was why they decided to go over and clarify in the morning.

“Good morning, brothers and sisters!” Yun Chujiu hopped to the entrance and welcomed the six people into the courtyard.

Yun Chusi and the others were shocked when they saw Yun Chujiu. ‘How did Little Jiu suddenly become so beautiful?’

“Little Jiu, you... How did you become beautiful?” Yun Chuqi asked in surprise.

Yun Chujiu immediately began to show off. “Have I? Natural beauty is hard to give up! Gold will shine eventually! I’ve always been very low-key to hide my beauty, but I didn’t expect you to find out!”

The corners of Yun Chusi and the others’ eyes twitched, and then they saw Di Beiming standing in the middle of the courtyard.

They finally understood why those female disciples were so crazy to slander Little Jiu. Such an outstanding man indeed had the ability to make other men feel inferior and make women go crazy for him!

However, when the woman who went crazy for him was her sister, it did not feel good at all.

Even though she was intimidated by Di Beiming's aura, Yun Chusi still asked Yun chujiu seriously, "Who is he? Why is he in your courtyard so early in the morning?"

Yun Chujiu rolled her eyes and said with a smile, "He is the master I mentioned! However, we fell in love at first sight. Now... Hehe! He's mine!"

'What the hell?'

Yun Chusi and the others were dumbfounded!

'Master?'

'Fell in love at first sight?'

'He's yours?'

Yun Chuwu immediately exploded, "Little Jiu, what did you say? Have you already done it?"

Seeing that the misunderstanding was getting deeper, Yun Chujiu quickly said, "No! No! We've always practiced manners over lust. I'm still young. How can I do that kind of thing?!"

This lady silently added in her heart, 'We've only held each other's hands, hugged each other's waists, and kissed each other on the lips...'

“Little Jiu, come out. We have something to tell you!” Yun Chuwu dragged Yun Chujiu out of the courtyard, and Yun Chusi and the others surrounded her.

“Little Jiu, you’re still young. Marriage is no child’s play. Don’t be willful!” Yun Chuwu said seriously.

“Don’t worry! Only I can cheat others. No one can cheat me! Moreover, you have to act early. You’ve seen that those women are like wolves and tigers. If I don’t watch them closely, my Prince Charming will definitely be eaten by them!” Yun Chujiu said with a smile.

Yun Chuwu and the others tried to persuade her for a while. Seeing that Yun Chujiu was determined to be with that Young Master Di, they had no choice but to give up trying to persuade her. Little Jiu’s idea was pretty good. In any case, Young Master Di seemed to be more reliable than that Bai Moyu, so they could only let her be!

“Little Jiu, if you really like that Young Master Di, we won’t stop you. However, you’re still young now, so you mustn’t do that kind of thing! Firstly, it’s not good for your body. Secondly, since ancient times, to become someone’s wife is to become a concubine. You mustn’t be willful about it!” Yun Chuwu said seriously.

Yun Chujiu’s heart warmed. ‘Only those who truly cared about me would think so extensively.’ “Fifth sister, don’t worry. I know what to do! I’m still young. The most important thing now is to improve my spiritual power. As for the love between a man and a woman... Just let it be!”

“Little Jiu, I heard that Young Master Di is staying at your place tonight?” Yun Chusi asked with a frown.

Yun Chujiu blinked and concocted a lie. “Yes, he’s staying at my place because... Because he wants to teach me some cultivation methods. You guys know that I have thunder spirit root and that my cultivation method is different from yours! Did you guys see the heavenly thunder yesterday? They were all here to strike me. If it wasn’t for my Prince Charming protecting me, I would’ve long choked on my farts!”
