

The Yun Family's Ninth Child is an Imp! Chapter 436

At that moment, Xu Yan's appearance was indeed like that of a madman. Not only did the hairpin on her head fall off, but there were also two bright palm prints on her face. However, she was dressed lightly as well. With that kind of fall, the two lumps of flesh on her chest almost popped out of her clothes. The surrounding male disciples had a feast for their eyes. Their eyes seemed to have grown hooks as they stared intently at Xu Yan's chest.

Xu Yan was usually very glamorous. She had never been bullied like that. At that moment, she did not care about the rules of the sect. She threw five wind blades at Yun Chujiu.

Zhuo Piaoyu was shocked. Yun Chujiu was only at the fourth level of the Spirit Enhancement realm. She definitely could not dodge all five wind blades. She would end up either dead or injured. However, it may be good if she died so that she would not be able to pester Senior Brother Feng Ming anymore! Her master usually doted on her the most, but she did not expect that when he returned, eight out of ten of the ten sentences he spoke were complimenting Yun Chujiu! Was she not just glib-tongued trash?! What was there to praise?!

Moreover, even if Yun Chujiu died or was injured, the sect would still hold that idiot Xu Yan responsible, and it had nothing to do with her! However, it was better for her to put on an act!

Thus, Zhuo Piaoyu pretended to take a few steps forward as if she was going to help Yun Chujiu block the five wind blades. When the onlookers saw that something was going to happen, some of them wanted to step forward to help, but when they saw that Zhuo Piaoyu had made a move, they retreated. After all, Zhuo Piaoyu was a second level Spirit Cultivator, so her spiritual power was much higher than theirs.

By the time everyone realized that Zhuo Piaoyu had not made a move, Xu Yan's five wind blades were already about to hit Yun Chujiu's body! Yun Chujiu, on the other hand, looked as if she had been scared silly. She actually stood still on the spot!

It was over!

Everyone could not help but scream!

Only Yun Chushan and a few others there wanted Yun Chujiu to die. Most of them only disliked Yun Chujiu and did not want Yun Chujiu to lose her life just like that.

What everyone did not expect was that just as the five wind blades were about to land on Yun Chujiu's body, Yun Chujiu actually leaped up more than ten feet off the spot. After landing on the ground, she directly kicked at the crazy Xu Yan.

"F*ck! You actually tried to kill me! I'll kick you to death! I'll let you taste my Little Jiu's Shadowless Kick!"

"You're actually still coveting my Prince Charming! You're really shameless! I told you not to spout nonsense! I told you not to slander me! I'll kick you to death!"

"You're always gossiping. If you don't know how to converse, then shut the f*ck up! I'll let you learn your lesson!"

...

The crowd felt as if Yun Chujiu was kicking them from left to right. They recalled what they had said about Yun Chujiu and could not help but feel a little afraid. This Yun Chujiu was too valiant! Even if she was at the ninth level of the Spirit Enhancement realm, she could still beat her up! It was really strange. Was she not at the fourth level of the Spirit Enhancement realm? ! How could she be so fast?!

Yun Chujiu kicked a dozen times and saw that Xu Yan had already fainted from the kick, only then did she walk in front of the somewhat dazed Zhuo Piaoyu. "Zhuo Piaoyu, don't think that everyone else is a fool. Your white lotus facade won't work on me! It looks like you're trying to mediate the fight, but every word is filled with anger. You can't wait for the two of us to fight!

“The reason why I dodged the wind blades so late was to see if you would come to my rescue. I didn’t expect you to be so vicious to such an extent that you really didn’t save me! It’s fine if you didn’t save me, but you made it seem like you wanted to save me to mislead everyone and make them give up on saving me. How vicious! I’ll let you off this time for the sake of Peak Master Yuan. The next time you play tricks in front of me, I won’t let you off!”

After Yun Chujiu finished speaking, she walked away. This fellow thought to herself, ‘No wonder the gigolo kept saying that he wouldn’t let me off. This sentence was indeed very flashy, wasn’t it?! I even dared to scold that old thing Du Guyi. You, a white lotus flower, are showing off in front of me. You’re really looking for trouble!’
