

## The Yun Family's Ninth Child is an Imp! Chapter 438

Zhuo Piaoyu was confused. As a successor disciple, she naturally would not pay attention to Yun Chujiu, who was a handyman back then. Later on, she went out to train, so she did not know about these things.

Seeing the determined attitude of these patrolling disciples, Zhuo Piaoyu said gently, "In that case, I won't make things difficult for you. I'll bring Junior Sister Xu Yan to the West Peak Law Enforcement Agency and wait for Elder Xiao to decide whether to arrest her or not."

Hearing Zhuo Piaoyu's words, the patrolling disciples of the Law Enforcement Agency were grateful for Zhuo Piaoyu's understanding and took their leave.

Zhuo Piaoyu helped Xu Yan to the West Peak Law Enforcement Agency and went to the manager, Qian Chong, to tell him about the matter.

When Qian Chong heard that it was about Yun Chujiu, his head hurt. He still remembered the incident with Liu Qingzhen. This little girl was not to be trifled with. She might even bite him back!

"You guys go inside and rest for a while. I'll report to Elder Xiao and ask him to make a decision!" Qian Chong decided to shift the responsibility to Elder Xiao. 'I can't afford to offend that little demoness, Yun Chujiu!'

Elder Xiao was really in the courtyard. After hearing Qian Chong's report, he rubbed his forehead. 'This Yun Chujiu is really troublesome! She causes trouble all day long! Although she has made great contributions to the sect, one should also be careful! Even if you secretly punish her, best not to let her catch you!'

Elder Xiao was suddenly shocked when he thought of this. 'It's over!! How could I have been led astray by that little girl, Yun Chujiu?!'

As a result, Elder Xiao fell into self-denial and self-doubt, and his entire person was in a bad state! 'There are no rules that let us achieve a square with a circle. As an elder of the Law Enforcement Agency, how could I have fallen for such a wrong way of thinking?'

Qian Chong saw that Elder Xiao seemed to be in a meditative state and did not dare to go forward to disturb him. He sat on a chair and waited.

Zhuo Piaoyu and Xu Yan waited in the West Peak Law Enforcement Agency until the sun set and Qian Chong did not return. The disciples of the Law Enforcement Agency avoided them as if they were avoiding a plague. They were afraid that they would be urged to catch Yun Chujiu!

Zhuo Piaoyu's hatred toward Yun Chujiu dialed up ten points! She had never received such cold treatment before. She did not expect that because of Yun Chujiu, not only did she almost destroy the image that she had built for so many years in front of everyone, she was also given such cold treatment in the Law Enforcement Agency! She had to destroy this b\*tch, Yun Chujiu. Otherwise, not only would she snatch away Senior Brother Feng Ming, she would also sooner or later snatch away the glory that originally belonged to her!

Xu Yan was already beaten black and blue. After starving for an entire afternoon, she felt that she was going to faint again. "Senior Sister Zhuo, let's go back first. We'll come back tomorrow!"

"Alright, Junior Sister Xu, I'll send you back. You go home and rest well. I believe that the Law Enforcement Agency will definitely make a decision for you!" Although Zhuo Piaoyu despised this big-breasted and brainless idiot, in order to punish Yun Chujiu, she could only use her for the time being!

Xu Yan was very touched. Aside from thanking her, she used vicious words to curse Yun Chujiu!

At that time, Yun Chujiu had just finished her dinner. She happily placed the luminous pearl that she had scammed from Xue Wuji in the room and lit it up. Then, she took out the remaining two storybooks and started reading them!

“Sigh, I don’t know when I’ll have the chance to go out again. These two books are too boring! My amateur cultural life is really too monotonous! Fifth sister and the others cultivate every day, and no one plays with me! That’s true. After all, there are only a handful of people with such heaven-defying talent like me! I’m as lonely as snow!”

Just when Yun Chujiu was bored and wanted to bang her head against the wall, her eyes lit up. She had a voice transmission talisman, so she could tease the gigolo!
