

The Yun Family's Ninth Child is an Imp! Chapter 450

It Was Actually Him

Just as Yun Chujiu was puzzled, a person walked out from the forest in front of her. Yun Chujiu took a look. Who the f*ck was this Yun Chuling? Wasn't this the head of a black chicken?!

"Little Sister Jiu! Big Brother is here to see you!" Xue Wuji slowly walked towards the mountain gate. It was originally an extremely ordinary bluestone road, but it made him feel as if he had walked out of the throne room!

Feng Ming turned pale with fright. "Isn't this, isn't this the red-clothed pervert who stole the Witch Hazel grass?"

Geng Yi and the others had also seen the portrait that Yun Chujiu drew, and they couldn't help but be on guard! What did this person want? Just now, the guards said that his name was Yun Chujiu? Yun Chujiu's brother? Wasn't he a medicine thief?

Yun Chujiu felt a bit of a headache. She didn't know what this black chicken was up to. Fortunately, the guards at the gate hadn't seen the portrait, or else it would have been chaotic!

Yun Chujiu said to Feng Ming and the others, "Things are a little complicated. I will go over there and have a few words with him. Please wait for me for a moment!"

Feng Ming grabbed Yun Chujiu's arm. "Little Sister Jiu, his spiritual power is unfathomable. You..."

"Don't worry, it's fine! If he wanted to kill me, he would have done it long ago!"

Feng Ming saw Yun Chujiu's firm attitude, so he had to let go and looked at Xue Wuji in the distance warily!

Yun Chujiu walked in front of Xue Wuji and frowned. "Brother Wuji, what are you doing? Why don't I remember that I have a brother named Yun Chuling?!"

"Little Sister Jiu, the last time I did something wrong, I thought about it and decided to make it up to you! So I've decided to stay in the Linghua faction from now on! If anyone dares to bully you, I'll help you beat them up!" Xue Wuji said affectionately and flipped his hair.

Yun Chujiu only felt thunder rolling in the sky. What was wrong with this Black Chicken's head?!

"Stay in the Linghua faction? You don't want to do anything else? The Blood Demon faction doesn't care anymore? Besides, even if you're my brother, you can't say that you'll stay in the Linghua faction just because you want to?"

"I'll leave if I have something to do, and I'll stay with you if I have nothing to do!" "As for how to convince the sect leader of the Linghua faction, I have my own ways. I'm just here to ask for little sister Jiu's opinion. If you don't agree, I'll immediately leave." Xue Wuji thought about it and felt that he had to have a chance to get close to Yun Chujiu first, only then could he find out the reason for Di Beiming's great increase in cultivation strength. Thus, he thought of such a good (bad) idea!

Yun Chujiu was just about to refuse when Xue Wuji said, "If I stay in the Linghua sect for one day, I'll pay little sister Jiu 10,000 low-grade spirit stones, and I promise I won't do anything to harm the Linghua sect!"

"10,000? Brother Wuji, I think you'd better be the sect leader of your blood demon sect!"

"50,000!"

"I don't need a brother. My fourth, sixth and eighth brothers are all in the Ling Hua sect!"

“100,000!”

“Big Brother! You’re finally here! Little Jiu missed you so much!”

Xue Wuji gritted his teeth. This guy was really greedy! 100,000 a day, 3,000,000 a month. My heart hurts so much!

Yun Chujiu thought to herself that even if she didn’t agree, this Wuji would come up with some other scheme. He could not be convinced once he made up his mind. Why not make some money to spend!

“Brother black chicken, there’s something I have to tell you. The last time you stole the Witch Hazel grass, I drew a portrait of you. Cough! Cough! “So, now that the four great sects are looking for you, I’m afraid your situation will be dire once you show up!” Yun Chujiu said gloatingly.

Xue Wuji suddenly remembered that he had been yelled at several times when he showed up. It turned out that it was this wretched girl’s fault!
