

The Yun Family's Ninth Child is an Imp! Chapter 451

"Little Sister Jiu, take me to your sect leader. I have my own way to stay in the Spirit Radiance Sect!" Xue Wuji suppressed the urge to strangle Yun Chujiu and said with a smile.

"I don't have the right to bring outsiders into the Spirit Radiance Sect. Wait a moment, I'll go ask for instructions!"

Yun Chujiu returned to the crowd and said, "This person has something important to say and would like to see the sect leader. I'll go ask for instructions! Let's meet again another day!"

Having seen Yun Chujiu said that, and that red-clothed pervert did not seem to have any intention of provoking them, Feng Ming and the rest entered the sect.

Yun Chujiu sat on the chopping board and slowly made her way to the meeting hall. When she saw Master Xuanyuan, she shouted, "Master Xuanyuan! The red-clothed pervert who stole the herbs is here!"

"What?! Where is he? Where is he??" Master Xuanyuan was shocked!

"Master Xuanyuan, calm down! Listen to me. This black-headed chicken actually has some grudges with my Prince Charming. However, he was scared by my Prince Charming, so he doesn't dare to kill me now! However, I don't know what's wrong with him. Now, he wants to pretend to be my brother and calls himself Yun Chuling! He even wants to enter our Spirit Radiance Sect to be a disciple and wants to meet you now. Do you want to see him?"

Master Xuanyuan was confused when he heard that. What nonsense! However, with this red-clothed pervert's spiritual power, even if he sneaked in, he would not be able to do anything about it. Since he wanted to go through the right path, then he should not do anything too extreme. There was no harm in meeting him!

“Alright, let him in!” Master Xuanyuan decided to meet him first.

Yun Chujiu once again exited the mountain gate. After showing Master Xuanyuan’s token, she brought Xue Wuji into Spirit Radiance Sect.

Xue Wuji’s bewitching temperament, handsome face, and superb spirit energy instantly became the focus of everyone’s attention! However, some people who had seen the portrait very quickly recognized it. ‘Isn’t this the medicine thief?! Why is he walking with Yun Chujiu and swaggering into Spirit Radiance Sect?’

When Xue Wuji met Master Xuanyuan, he only cupped his hands slightly. “Greetings, Master Xuanyuan. I am Yun Chuling, Yun Chujiu’s long-lost elder brother! The last time I came to your sect to borrow the witch hazel grass fruit, I found out that I had family! Therefore, I’ve decided to join your sect and make up for my mistakes!”

The corner of Master Xuanyuan’s eyes twitched violently. ‘Please, even if you’re making up a lie, can’t you make a better one?! Why does your story sound like a joke?!’

“Master Xuanyuan, in order to express my regret, I’m willing to compensate your sect with ten earth-grade, high quality herbs. Moreover, they all have living roots and can be cultivated on the spot! Moreover, I guarantee that I will absolutely not do anything to harm your sect!”

Master Xuanyuan’s furrowed brows immediately relaxed. A smile bloomed across his old face. “So this is Little Jiu’s brother. Since that’s the case, we’ll make a special exception. You can also be Elder Sun Bozhong disciple! If you pay a little extra, I will remove the arrest warrant tomorrow and explain the reason to everyone!”

Xue Wuji finally understood why this stinky girl was doing so well in the Spirit Radiance Sect! Master Xuanyuan was simply as greedy and shameless as that stinky girl, Yun Chujiu!

In the end, the two of them bargained, and Xue Wuji paid another one million low-grade Spirit Stones to clear his name!

Xue Wuji asked for the courtyard next to Yun Chujiu to be his dormitory and was prepping to benefit from being close with someone influential. Unfortunately, before he could live there, that courtyard caught fire! Not only was the courtyard burned down, but the next, and the next, and the next courtyards were all burned down!

Xue Wuji had no choice but to find a courtyard a few miles away from Yun Chujiu to live in!

An Feng and shadow agent Huahua looked at each other in the corner. Although their goals were different, they arrived at the same destination with different routes!
