

The Yun Family's Ninth Child is an Imp! Chapter 497

The group chatted for a while longer until it was time for dinner. Originally, Master Xuanyuan wanted to hold a banquet, but Yun Chujiu suggested that it would be better if everyone barbecued meat. It would be more lively as they ate and chatted.

Master Xuanyuan was in a good mood, so he agreed to Yun Chujiu's suggestion.

Yun Chujiu was afraid that Di Beiming and Xue Wuji would fight again, so she was like a hardworking bee. She busied herself non-stop to avoid becoming the focus of the conflict.

Yun Chujiu personally roasted a Wind-edge rabbit. She brushed the top of it with Eupatorium Honey, and a strange fragrance assailed her nose!

Xue Wuji sniffed and came up to her. "Little Sister Jiu, your cooking is really good! The smell of this rabbit is overflowing. It's crispy on the outside and tender on the inside. It must be very delicious! Can you let me try a rabbit leg?"

Yun Chujiu did not think too much. She broke off a rabbit leg and handed it to Xue Wuji. Xue Wuji was not afraid of the heat, so after taking a bite, he looked at Di Beiming provocatively. "Tsk tsk, the rabbit meat that little sister Jiu baked personally is really delicious. I have eaten so many delicacies, but none of them are as delicious as this rabbit leg!"

Yun Chujiu wanted to strangle this idiot. Het must have done it on purpose!

Di Beiming's manner grew cold. Yun Chujiu felt a bone-piercing chill beside the bonfire, she quickly broke off a rabbit leg and handed it to Di Beiming. "Prince Charming, brother Wuji's leg is the front leg. It has little meat, but yours is just the back leg. It has more meat. Try my cooking. How is it?"

When Di Beiming heard Yun Chujiu's words, the cold air surrounding him faded a little. He took the rabbit leg and took a bite. He said coldly, "It's okay."

“Di Beiming, how did your tongue grow? Is it just for decoration? How can you say it’s okay with such delicious rabbit meat?! I think you should go see a doctor for your tongue!” Xue Wuji said provocatively, he did not know what was going on with him. Anyway, he was extremely displeased when he saw Little Sister Jiu treating Di Beiming. He wanted to stab Di Beiming a few times!

Di Beiming threw the rabbit leg on the ground and suddenly stood up. “Xue Wuji, come over with me!”

“Humph! If you want to go over there, then go! Do you think I’m afraid of you?! I just want to stretch my limbs!” Xue Wuji also threw the rabbit leg in his hand and said provocatively.

The two of them were at daggers drawn. The strong smell of gunpowder caused the scene to fall into a strange silence!

Just as Master Xuanyuan and the others were about to stop them, Yun Chujiu picked up the two rabbit legs on the ground and threw them at Xue Wuji and Di Beiming!

“F*ck! Are you two done? I worked so hard to roast the rabbit legs and you threw it on the ground just like that? Don’t you know what it means to respect the results of other people’s work?! If you want to fight, then get lost and fight. Don’t treat me like a maid!

“Also, I don’t belong to anyone. I didn’t belong to anyone in the past, I don’t belong to anyone now, and I don’t belong to anyone in the future! If anyone wants to threaten me with power, feelings, or benefits, get the F*ck out of Here! At worst, I’ll just die. You two just have to kill me!”

After saying that, Yun Chujiu kicked over the bonfire and returned to the female disciple’s shed in a huff!

Everyone was dumbfounded!

Oh my God, this Yun Chujiu was really scary!

She actually used a rabbit's leg to smash these two malefic stars! She even scolded them!

These two malefic stars must be enraged! We should stay far away to avoid being implicated!

Di Beiming and Xue Wuji also did not expect Yun Chujiu to suddenly lose her temper. Their faces were filled with astonishment!

Both of them glared at each other. They rode their swords and left. However, they went in opposite directions.
