

The Yun Family's Ninth Child is an Imp! Chapter 498

Xue Wuji cursed as he flew, "It's all because of that stone-faced Di Beiming! If it wasn't for him, Little Sister Jiu and I would have been having a great time!"

"Little Sister Jiu is smart and good at talking. The roasted meat was so delicious. That stone face doesn't deserve Little Sister Jiu at all!"

"He still bullies Little Sister Jiu all the time. How shameless! He even wants to spar with me! Bah! If I didn't see Little Sister Jiu getting angry, I would have beaten him up!"

...

Behind him, Secret Agent Huahua had a worried look on her face. It was over. The young master still refused to admit it. It was obvious that he was already emotionally affected! Why else would he be so angry?! What did it have to do with how Di Beiming treated Yun Chujiu?! Do you still want to fight for justice?! Do you still want to beat Di Beiming up? It was still uncertain who would beat who?!

While Secret Agent Huahua was cursing in her heart, Xue Wuji turned around and flew back!

"Young master, where are you going?"

"Humph! Little Sister Jiu must be very sad right now. Since Di Beiming's stone face is gone, I will go and comfort Little Sister Jiu. She will surely be very touched! Humph! How can that blockhead Di Beiming be as good as me in picking up girls?!" Xue Wuji said proudly.

"Young master, are you tempted?" Secret Agent Huahua braced herself and asked.

"Tempted? Why would I be tempted? This young master just couldn't stand Di Beiming treating Little Sister Jiu like this! The thing this young master was most willing to do was to make Di Beiming unhappy!"

Huahua, is it because this young master won't punish you recently that you think this young master is too easy to talk to? Do I need you to ask about my matters?!" said Xue Wuji unhappily with a gloomy face.

"Young master, I have crossed the line. Please punish me!" If they were not in the air, Secret Agent Huahua would have knelt and apologized!

"Humph! I'll overlook it this time. It won't happen again!" Xue Wuji was in a hurry to comfort Yun Chujiu. After saying this, he quickly flew toward Mount Wuwei.

Secret Agent Huahua wiped the cold sweat on her head and sighed in her heart. Young master is just being stubborn. Di Beiming and Yun Chujiu are in love with each other. If you interfere, Di Beiming will definitely attack our Blood Devil sect. You are just looking for trouble!

On the other side, Di Beiming's face was ashen. He flew hundreds of Li away in one breath and landed in a desolate area. With a casual palm, he smashed a huge mountain rock into powder. Bai Li and Yun Chujiu were already dead.

Di Beiming felt that if he did not vent the anger in his heart, it was as if his entire body would explode! When he saw Hei Xi and Xue Wuji chatting and laughing, he wished he could slap Xue Wuji to death! Damn Xue Wuji. If it was not for him, Hei Xi would not be angry with his original body!

After Di Beiming smashed the surrounding mountain rocks into pieces, he thought to himself, no! He had to go back! Although Xue Wuji had also left, there was no guarantee that he would secretly go back. He had to hurry back as soon as possible.

When Di Beiming thought of this, he rode his sword and flew back to the Wuwei Tower's camp. From afar, he saw Xue Wuji coming towards him!

Xue Wuji also saw Di Beiming and could not help but curse in his heart. This expressionless man had actually returned. He must have the same idea as this young master. He definitely could not let him

succeed! This young master wanted to rush in front of Little Sister Jiu to gain a good impression of her!
Xue Wuji thought of this and sped up!

Seeing this, Di Beiming also sped up. The two of them flew like two meteors towards the Linghua Faction Camp!

However, when the two of them saw the scene in front of them, they were dumbfounded!
