

The Yun Family's Ninth Child is an Imp! Chapter 518

Xue Wuji was stunned at first, then he said to Yun Chujiu with deep affection, "Little sister Jiu, brother is doing this for you! Even if the Demon Blood Sect suffers from this facial paralysis's revenge, brother will always help you!"

Yun Chujiu saw that Xue Wuji's expression was different from his usual pretense, but his true feelings were revealed. She was slightly stunned. She had always thought that Xue Wuji was trying to curry favor with her just to cause trouble for Di Beiming, she did not expect him to have such a good impression of her.

Yun Chujiu had always been straightforward and decisive when doing things. Since she did not like Xue Wuji, then she should not give him any false hope.

Yun Chujiu was silent for a moment. After she took out the isolation disk and activated it, her face turned serious. "Brother Wuji, although we were not happy before, after these few days, I have already treated you as a friend. However, we are only friends. There is no other possibility."

Yun Chujiu did not continue. Although Xue Wuji looked a little silly, his mind was very clear. She believed that he understood what she meant.

When Xue Wuji heard Yun Chujiu's words, the light in his eyes instantly dimmed. His heart felt sour as if it was even worse than losing a lot of Spirit Stones!

When Di Beiming saw Yun Chujiu say this, he felt extremely relieved! The shadow that had been lingering in his heart for so many days had finally disappeared! As I said, with Xue Wuji's stupid appearance, he still wanted to compete with me for the Black Thing. He was simply overestimating himself!

Hmph! Damn you, Xue Wuji. Do you think you can snatch the Black Thing? You must be dreaming! However, seeing that you have suffered such a blow, I'll temporarily withhold any action against the Demon Blood Sect.

Seeing that Xue Wuji looked like he had nothing left to live for, Yun Chujiu felt guilty. However, since she did not him, she had to nip the bud before things escalated. If she were to play flirtatious games, it would be harmful to others and herself.

Xue Wuji was silent for a moment, then, he smiled evilly. "Aiyo, it seems that this young master's charm is limited to Little Sister Jiu. Little Sister Jiu, don't worry. This young master has always been able to take things easy. Since you have made it so clear, then you will be my little sister from now on. If anyone bullies you, Big Brother will beat them up until they find their teeth all over the floor!"

When Yun Chujiu saw that Xue Wuji had returned to his carefree self, she felt relieved and said with a smile, "Thank you, Brother Wuji!"

Di Beiming frowned. Xue Wuji gave up so easily? This was not like his personality at all. However, since Black Thing did not have him in his heart, he was relieved.

Yun Chujiu put away the isolation disk and continued to read the book in her hand.

At this moment, Di Beiming and Xue Wuji who were beside her were in a state of ice and fire! The gloominess on Di Beiming's face was swept away. He suddenly felt that Black Thing did not mind reading these messy books. At the very least, he did not have the time to deal with an idiot like Xue Wuji. Should he get more of these books for Black Thing?

On the other side, Xue Wuji suffered a huge blow!

Little Sister Jiu, is your eyesight bad?

How can you like Di Beiming's facial paralysis and not me? I am more gentle and considerate than that facial paralysis. Moreover, I am so good to you. Why do you like him and not me?

Xue Wuji secretly gritted his teeth. This young master will not give up so easily. Little Sister Jiu will understand sooner or later that he is more suitable for her than Di Beiming's facial paralysis!
