

The Yun Family's Ninth Child is an Imp! Chapter 525

Seeing that Yun Chujiu spoke very confidently and did not stutter, the gold-masked man could not help but believe her. He then asked, "Then who are the two people in the Linghua sect who are gay?"

"I'm so thirsty. Pour me a cup of tea! I'll moisten my throat before continuing." Yun Chujiu did not have the self-awareness of being a hostage at all.

The Man with the Golden Mask gestured for his subordinate to pour Yun Chujiu a cup of tea. Yun Chujiu gulped down the tea and said, "Give me a few more snacks. My stomach is growling."

The Man with the Golden Mask endured it for a while, but he still got someone to bring a plate of snacks for Yun Chujiu. After Yun Chujiu ate it slowly, she then said, "The ones who are gay in the Linghua sect are none other than elder Xiao and elder Qu!"

"What? You mean Xiao Panshi and Qu Buli? The two of them are actually in that kind of relationship?" The Man with the Gold Face Mask stood up from his chair in shock!

"Yeah, why are you so agitated? Do you know them?" Yun Chujiu asked in confusion.

"Who in the Qing Xuan continent doesn't know elder Xiao and elder Qu?! The two of them are well-known in the Qing Xuan continent! How can the two of them be in that kind of relationship?! You must be spouting nonsense!" The Man with the Gold Face Mask felt that this was too absurd.

Yun Chujiu thought to herself, 'Humph, it's this kind of absurd and impossible thing that aroused your curiosity. Little Panshi, Little Qu, I'm sorry! But as your elder, it's not a big deal for me to make up a few words about you!'

"Alright! It seems that if I don't give you some concrete evidence, you won't believe me! Did the two of them not get married and have children?" Yun Chujiu said with a confident expression.

Gold Face nodded. "It's true that the two of them didn't get married and have children. However, many cultivators have never gotten married. This doesn't prove anything."

"Did you notice a specific detail? Elder Xiao and Elder Qu would go everywhere together if the Linghua sect had any missions that required them to go out and train! Why was this so? It was because Master Xuanyuan knew about their relationship, so he was creating a chance for them to be alone! Our Master Xuanyuan is very understanding!"

Gold Face still felt that this wasn't substantial evidence, so he said, "This doesn't mean that the two of them have a special relationship, right?"

"If you don't believe it, then forget it. In any case, the two of them are always flirting with each other. I think it's just not normal!"

"Let me tell you guys about that old fellow, Du Guyi now! Tsk tsk, that old fellow embarrassed himself in the Wuwei Tower a few days ago..." Yun Chujiu blabbered on and on about Du Guyi.

Yun Chujiu's expression was lively. Moreover, she was talking about some things that aroused people's curiosity. The people of the League of Assassins were all listening with great interest. One of the assassins saw Yun Chujiu mentioning cards repeatedly and asked, "Little girl, what are the cards you're talking about?"

"Cards are a good thing. You'll get addicted after playing it once. Now, the people of the Linghua sect all like to play cards. It's a pity that I don't have spiritual power now. Otherwise, I'll take them out from my storage ring and let you guys have a look! How about this? You guys get me some wooden cards, and I'll make one for you guys on the spot. I'll save it for when you guys go out on missions in the future to kill time," Yun Chujiu said with a smile.

Gold Face was also a little curious. Since the mission this time had been successfully completed, it was inevitable for them to relax a little. Therefore, he did not stop his team.
