

The Yun Family's Ninth Child is an Imp! Chapter 528

Ten hours later, the flying spirit tool flew into a mountain hollow.

An Feng wanted to follow it in, but he found that the entire mountain hollow had activated a protective shield.

Damn! What should he do now? He could not enter at all!

He could only wait for his excellency to come over. Miss Jiu, you must hold on!

Yun Chujiu was brought into a room by Gold Face. After sending someone to guard the entrance, she left to report to the chief of the League of Assassins about the journey.

Yun Chujiu sat on the chair in a daze. Ever since she transmigrated, she had always been able to turn a bad situation into a good one with her sharp tongue and clever little brain. It was also because of this that she was a little lazy. In this world, the strong were respected. She was only at the second level of the spirit cultivator realm. It seemed that she had to cultivate diligently in the future.

Just as Yun Chujiu was in a daze, Gold Face walked in with a trace of joy. "Little girl, our chief wants to see you. Whether you can live or not depends on this one time!"

"Thank you, Brother Gold Face. I will seize this opportunity!"

Yun Chujiu followed Gold Face to a luxurious palace. Yun Chujiu could not help but curse in her heart. What kind of bullsh*t leader is he trying to be? A local emperor? He even built a palace!

After the guard reported their arrival, Gold Face brought Yun Chujiu into the palace.

The palace was decorated very luxuriously. Yun Chujiu was a little envious. Tsk tsk, the League of Assassins must be very rich. How awesome would it be if I could take control of it!

A man wearing a black mask sat on the throne in front of her. He sized up Yun Chujiu with a pair of malicious eyes and cackled, "Little girl, you are quite good-looking. I heard that you have some suggestions to share with me?"

Yun Chujiu's heart sank. As the saying goes, appearances come from the heart. The League leader's eyes were full of bloodlust and ambition. He was not a person who was easy to get along with. The theory that she had mentioned would not be accepted, moreover, there was a hint of lust and evil in his eyes. It was better for her to escape as soon as possible.

Yun Chujiu said with a smile, "Greetings to the league leader! The league leader is indeed a peerless hero. My suggestions were not worth talking about. Initially, I thought that the League of Assassins was just trying to make money. Now that I saw the leader, I knew that I was wrong. The league's leader was obviously a person who did great things. Why would he care about mere money! Brother Gold Face, you should hurry up and take me to the client!"

Gold Face was stunned. Why did the little girl change her mind so quickly?!

"Killer Five, you can leave now! I will have a good talk with this little girl!" The leader of the League said gloomily.

Gold Face agreed and was about to leave. Yun Chujiu was anxious. This damn league leader of the murderous gang did not have good intentions, she grabbed Golden Face's arm and said, "Well, leader, I have nothing to talk to you about. Brother Gold Face, please send me away!"

The Man with the Golden Mask saw the pleading look in Yun Chujiu's eyes. Although he was a little confused, he also felt a little reluctant. "Leader, how about..."

Before The Man with the Golden Mask could finish his sentence, the leader of the murderous alliance slapped the man's chest. "Who are you to question my decisions?! Get lost!"

"I admit my mistake. I will take my leave!" Gold Face spat out a mouthful of blood and retreated.

"Little girl, I didn't expect you to win the hearts of people in just half a day. No wonder that person wanted to take your life! You are so smart. Do you want to keep your life? Why don't you stay and be my slave girl?" The leader of the League of Assassins said with a lewd smile.
