

The Yun Family's Ninth Child is an Imp! Chapter 536

The leader of the League of Assassins was about to dodge Yun Chujiu's lightning, but he did not expect his shoes to stick to the ground!

Seeing this, Yun Chujiu shot another round of lightning at him. Unfortunately, the man had a defensive spirit tool on him, so Yun Chujiu's attack was blocked outside the spiritual energy shield.

"Master, run! Let's run now!" Furry shouted.

Yun Chujiu gritted her teeth. She could only wait for the gigolo to come and save Gold Face and the others! She would have to flee first!

As soon as Yun Chujiu ran out of the cave, she saw hundreds of assassins waiting not far away. Just as Yun Chujiu was about to activate the concealment talisman, the man was already on her tail.

Furry threw another sticky silk net at him. The leader took out a sword that was shining with a faint blue light and hacked at the sticky silk net on the ground!

The sticky silk net was instantly cut into two pieces. Furry cried out in heartache, "Ah, my sticky silk net, I spent a long time weaving it! You old bastard, I'll scratch you to death!"

Furry jumped up and scratched the leader's face!

He waved his hand, and Furry was sent flying with a whizz and fell to the ground with a crash!

Seeing this, Little Black glared at the man and threw a fireball at him. How dare he bully Little Black's underling? He was courting death!

The leader's patience was running out and he did not hold back anymore. He threw a palm at Little Black!

Little Black could not dodge in time and was sent flying too. It landed heavily on the ground! It then fainted after a choking sound!

Seeing that Furry and Little Black were still alive, Yun Chujiu quickly ran over to check. How could the leader of the League of Assassins let go of such a good opportunity? He slapped Yun Chujiu on the back and she spat out a mouthful of blood!

"Little girl, those trash and these two little things are already dead. Let me see what else you have up your sleeves!" The man laughed wildly. 'This little girl is about to be mine.'

Yun Chujiu put the little black bird and the ball of wool into the Spirit Beast Pouch. She stood up and wiped the blood from the corner of her mouth with her hand. Her eyes were full of ruthlessness. "Old bastard, do you think I'm finished just like that? Let's see who will die in the end!"

The man could not help but laugh strangely. "Little girl, are you talking nonsense? Your defensive spirit tools have been exhausted, and your spirit pet is also finished. What other abilities do you have?"

"Heaven's punishment! God will take care of you for me!! If you don't believe me, just wait and see if God will strike you down with lightning!! If you don't do justice, you will die. You old bastard, not only do you look down on human lives, but you don't treat your subordinates as human beings too. Not only do you make them take poison pills, but you also kill them as you please. People like you don't deserve to live in this world!"

Yun Chujiu stood proudly, her small face full of determination.

The leader of the League of Assassins threw his head back and laughed. "Heaven's punishment? This little girl said heaven's punishment. Do you think that's funny?"

The assassins also laughed, but there was a trace of pity in some of their eyes. The words of this little girl really hit the nail on the head. 'The leader didn't treat us as human beings at all. Heaven's punishment.. If the heaven's really killed him, then the heavens were really just!

The leader continued, "What a big joke! If there's retribution, I would've already died thousands of times! Little girl, don't struggle fearlessly. Obediently submit to me, and you will suffer less. Otherwise, I will make you beg for death!"
