

## The Yun Family's Ninth Child is an Imp! Chapter 543

Seeing that Yun Chujiu insisted, Gold Face could not say anything more. After chatting for a while, Yun Chujiu and Di Beiming left the League of Assassins alongside their men.

Di Beiming asked An Feng to deliver the letter to the Linghua sect and An Yin to bring a dozen of his men to Longping Mountain to guard it. He then brought the rest of his men and Yun Chujiu back to the Yun family via flying spirit tools.

“Little Jiu, before Gold Face and the others arrive, I will leave a few men to guard the Yun family. However, the spirit energy in Ye city is very thin. You’d better suggest that your grandfather move the Yun family to Linghua City. Linghua city is rich in spiritual energy and is also under the influence of the Linghua faction. It will be safer there,” Di Beiming suggested.

Yun Chujiu blinked her starry eyes and looked at Di Beiming. “My Prince Charming, I admire you so much now! Not only did you stop me from falling into the abyss of self-satisfaction, but you also considered so much for me. I love you so much!”

Di Beiming’s secret guards were all dumbfounded and shocked!

Oh my god!

This Miss Jiu is really bold and unrestrained!

We are too embarrassed to listen to these words! She is really too passionate!

No wonder our revered one has been single for so many years. It turns out that she likes this bold behavior. None of the young ladies in the Tian Yuan continent are this fierce!

Di Beiming's ears were sharp as he scolded, "Speak properly, what nonsense are you spouting?! Hurry up and cultivate! Have you forgotten what you said?"

Yun Chujiu pouted and said, "I know! Hmph, I'll definitely cultivate properly. It won't be long before I surpass you. When that time comes, I'll teach you a lesson!"

The Shadow Agents secretly curled their lips. Miss Jiu overestimated herself. They were at the fifth level of the Exalted Spiritual Realm, and you? The fourth level of the Spiritual Enhancement Realm! There's a huge difference between heaven and earth. Doesn't your face hurt when you say that?!

Yun Chujiu started to meditate and cultivate while mumbling. She was used to being undisciplined. It was really difficult for her to just sit there all of a sudden!

However, to not be bullied by others anymore, she had to go all out!

Di Beiming saw Yun Chujiu had started to cultivate obediently and felt a little gratified in his heart. The Black Thing's talent was amazing. As long as she cultivated diligently, she would be able to enter the Tian Yuan continent very soon. When that time comes, we will be able to get along day and night...

When Di Beiming thought of something, his face turned hot. He could not help but look at Yun Chujiu. When he saw her, he was so angry that his nose almost went crooked!

He saw Yun Chujiu's little head slowly falling asleep!

The only person who could fall asleep during cultivation was Yun Chujiu, this heartless person!

Di Beiming thought about it. Black Thing was exhausted from the day. She should not be in a hurry to succeed. She should take it slow!

Di Beiming took out a blanket from his storage ring and spread it out. After that, he gently carried Yun Chujiu and placed her on it.

The next morning, Yun Chujiu and Di Beiming arrived at the Yun family home.

The Yun family was in a state of misery. Yun Xiaotian's white hair turned white overnight, and he seemed to have aged ten years!

"Grandfather! Grandfather! Little Jiu, I'm Back!"

Yun Xiaotian thought he was hallucinating and asked Housekeeper Ji in a trembling voice, "Old Ji, did you hear Little Jiu's voice?"

"I heard it! I heard it too! Miss Jiu, Miss Jiu must have returned safely!" Housekeeper Ji said excitedly.

"Quick! Quick! Follow me out to take a look!"

Just as Yun Xiaotian finished speaking, the door was pushed open, and a bright and beautiful little person jumped in. "Grandfather! Little Jiu is back!"
