

## The Yun Family's Ninth Child is an Imp! Chapter 601

If it weren't for Little Black Rat's warning, Yun Chujiu would definitely have planned this. She would plunder all the supreme-grade Spirit Stones, and the array board would naturally end. Then, she would be able to leave happily.

However, Little Black Rat's words didn't seem like a lie. If the array board really ended, something big might happen. If that happened, she might have to give up her life.

F\*ck!

Were they going to be trapped here for ten years?!

No matter what, they could still go out to mine but now that there were ten Single-horned Demon Lizards guarding the area, they would not be able to leave for a while. Moreover, now that they had already discovered this place, they would definitely not leave for a while.

Feng Ming and the other two were still breaking through. Yun Chujiu jumped down from the formation plate and hopped on the ground in boredom.

The green stone slabs were placed one by one, making it a perfect place to play. Little Black Rat and Little Black Bird also hopped around together. The three of them were having a great time.

As they hopped around, Yun Chujiu realized that the lotus flowers looked the same. However, if one looked carefully, one would notice that there were slight differences. Some of the petals were slightly rounder and some of them were sharper, could it be that the person who carved these green stone slabs was doing it on purpose?

"Mickey, are there any secrets to this green stone slab?" Yun Chujiu asked Little Black Rat.

Little Black Rat's eyes flickered. "Master, how could there be any secrets? Isn't it just an ordinary green stone slab?!"

Yun Chujiu was very smart. She saw Little Black avoiding her gaze so there must be something!

"Mickey Mouse, if you don't tell me the truth, I will pry open all these green stone slabs!" Yun Chujiu took out a large kitchen knife and was about to make a move.

Little Black Rat was anxious. "Master! Master! I'll tell you! Actually, underneath these green stone slabs is the real array board. The big one up there is a trap. If it is destroyed, it will fall into the Nine Evils Yama array and will die."

Yun Chujiu was stunned. No matter who came in and saw the huge formation disk, they would not suspect that it was fake. They would operate or destroy it. The person who designed this formation core was really despicable!

"You black-hearted rat, if I didn't discover this, you would definitely continue to deceive me! Tell me! What are your intentions? Do you not want us to get out?!" Yun Chujiu glared at Little Black Rat and said.

Little Black Rat blinked his eyes guiltily, "Yes... yes, I don't want you to go out."

"You little heartless rat! If you don't give me a good reason today, I will let you find out what bamboo shoot stir-fried meat is!"

Little Black Bird stared at the side with his pea-sized eyes and said excitedly, "Master! Is bamboo shoot stir-fried meat a dish? Isn't it delicious?"

"Get lost! Bamboo shoot stir-fried meat is like using a bamboo pole to spank your butt! Although I don't have a bamboo pole, I have a rolling pin. Mickey Mouse, quickly tell me the truth!"

Little Black Rat blinked its eyes and its tears fell. “Wuuu, master, I’m afraid. I’m afraid that if I go out, you won’t let me play with brother Little Black Bird anymore. You wouldn’t like me anymore because... because I can’t do anything except eat ore.”

Yun Chujiu’s eyes flashed. This Mickey Mouse must be lying to her again. The few little things that she took in all looked stupid and cute on the surface but were actually cunning in their hearts. Sooner or later, she would make it obediently take the initiative to confess!

Although Yun Chujiu thought so in her heart, her face showed a kind smile like a wolf’s grandmother. “Mickey Mouse, I’m very kind. How can I not like you?! Obediently tell me how we can get out. When we get out, the master will reward you with Hibiscus ore.”
