

The Yun Family's Ninth Child is an Imp! Chapter 615

Yun Chujiu did not return to her dormitory. Instead, she activated the concealment talisman and headed straight for the Spirit Beast Garden at Middle Peak.

Early in the morning, the Spirit Beast Garden was very quiet. There was not a single disciple present. Yun Chujiu went to the area where the Mighty Elephant was located and opened a small gap in the array formation before jumping down.

Yun Chujiu usually goes to the Spirit Beast Garden to wander around. When the disciples of the Spirit Beast Garden opened the gap in the array formation to feed them, Yun Chujiu secretly wrote down the method. She did not expect it to be used that day.

An Feng followed behind her with a confused look on his face. 'What is Miss Jiu doing? Why didn't she ask Master Xuanyuan for help? Why did she jump into the nest of the Mighty Elephants?! Has she lost her mind?!'

After Yun Chujiu entered the nest of the Mighty Elephants, she removed the concealment talisman and revealed herself. She whispered to the few Mighty Elephants, "My dears, I'm in big trouble. I need your help! Don't worry. As long as you help me, I will send you to the Demonic Beast Forest and return your freedom! If you agree, then nod. If not, I will leave immediately."

The few Mighty Elephants saw Yun Chujiu and were about to greet her excitedly. When they heard Yun Chujiu's words, they were stunned. Although they did not know how to speak, they could understand. The two ninth-grade Mighty Elephants discussed for a while and then nodded in agreement.

This kind of opportunity might only happen once in their lives. Last time, the little girl had enlightened them, and their spiritual power had improved by leaps and bounds. This time, they would listen to her again. If they succeeded, then they would not have to be trapped in this small Spirit Beast Garden anymore.

“Good! Thank you very much! I’ll put you into my Spirit Beast Pouch. Do not resist and don’t worry. My Spirit Beast Pouch is a bit special. You can enter it without acknowledging me as your master.” After Yun Chujiu finished speaking, she put the five Mighty Elephants and the baby elephants into the beast pouch, and then flew up through the gap.

“An Feng, come with me, but don’t show yourself!” Yun Chujiu knew An Feng must be at her side.

“Yes, Miss Jiu!” An Feng answered, and followed Yun Chujiu to the Mountain Gate of the Spirit Radiance Sect.

After Yun Chujiu left the Mountain Gate and removed the concealment talisman, she found Gold Face. Gold Face’s injuries had healed a lot after taking the pill, and he could not help but click his tongue in wonder. The pill that Miss Jiu gave him was too heaven-defying. It actually had an immediate effect. It was truly miraculous.

Seeing that Yun Chujiu was alone, Gold Face said worriedly, “Miss Jiu, is the Spirit Radiance Sect not willing to help? Why don’t you follow me back to the league to gather manpower first, and then we’ll look for the murderer?”

Yun Chujiu shook her head. “We don’t have enough time to go back to call for reinforcements. We’ll head to the Yun residence first to take a look and then make our plans.”

When Yun Chujiu and Gold Face arrived outside the Yun residence, they could smell the stench of blood wafting from inside. Yun Chujiu took a deep breath and pushed open the main door of the Yun residence.

There were several corpses lying on the ground, and the stone slabs on the ground were stained red with blood. Yun Chujiu found the bodies of the servant girl, Chun Yu, and Housekeeper Ji at the door of Yun Xiaotian’s study.

Yun Chujiu squatted down, her tears falling like rain. In her previous life, she had no other relationship other than a good friend called Yun Qi, so she had never experienced the feeling of losing someone close to her. At that moment, her heart felt like it was being cut by a knife.

Yun Chujiu sobbed and said, "Chun Yu, Housekeeper Ji, I'll put you in my storage ring first. After I help you get revenge, I'll find a place with beautiful scenery and bury you."

After saying that, Yun Chujiu planned to put the two of them into her storage ring, but she did not manage to do so!

Yun Chujiu was stunned at first, then she was ecstatic. Living things could not be put into storage rings. Could it be that the two of them were still alive?!
