

The Yun Family's Ninth Child is an Imp! Chapter 660

The Flaming Three-Tailed Fox King did not hesitate at all. She could not wait to nod her head.

Yun Chujiu was even more puzzled. Oh my god, what on earth is going on? Although the level seven Demonic Beasts in the demonic beast forest did not have a particularly high level of spiritual power, it was not a problem for them to hunt for food. Moreover, these Flaming Three-Tailed Foxes had a natural talent for seduction. How could they have fallen to such a state?

Yun Chujiu fed the Flaming Three-Tailed Foxes two Wind-edge Oxen. The foxes all had satisfied expressions on their faces, and the way they looked at Yun Chujiu was much gentler.

It was not that Yun Chujiu had not thought of tampering with the corpses of the demonic beasts, but the current situation was a little strange. These Flaming Three-Tailed Foxes were aborigines, so it was better to observe the situation first.

Yun Chujiu took advantage of the time when the foxes were eating and drinking to size up the cave. The cave meandered into the distance, and there seemed to be light shooting in. She didn't know where it led to.

"Brother Fox, you guys have been hungry for a long time?" Yun Chujiu probed the Flaming Three-Tailed Fox King.

The Flaming Three-Tailed Fox King nodded. Its originally fiery red fur became even redder. It was obvious that it had been embarrassed at its situation. A magnificent exotic beast was actually going to starve to death. If word got out, it would be laughed at to death by the other demonic beasts!

Although Yun Chujiu wanted to laugh in her heart, her face was solemn. "Brother Fox, how is this possible? You guys are so powerful, how can you starve?"

The fur on the Fox King's body was an even darker blood-like red. It struggled for a moment before turning around and running towards a bright spot, indicating for Yun Chujiu to follow.

Yun Chujiu inexplicably followed the Fox King. The other foxes also followed, surrounding Yun Chujiu in the middle and escorting her.

Yun Chujiu cursed in her heart. No wonder foxes were said to be the most cunning. These foxes were afraid that she would escape, so they never let down their guard.

After walking for more than an hour, they finally walked out of the cave. When Yun Chujiu saw the scene in front of her, she could not help but be stunned.

After being stunned for a while, she almost burst into laughter!

Oh God! I will never scold you again!

So my previous bad luck was all for this moment of brilliance!

Hahaha! I'm rich! I'm rich!

In front of her was a huge mineral vein. On the surface, one could see all kinds of colorful precious ores, just like a rainbow in the sky.

Meta-ore!

This was the Hui Cui mine that those men in black were talking about!

Oh my God, my mouth is wide open now! Whatever I wish for is coming true!

With this Hui Cui Mine, Little Black Rat no longer had to worry about its rations!

That old witch even said that I was going for the Pretty Boy's money. In the future, I will use these ores to smash her to death! I will show her how rich a person can be!

Yun Chujiu had a pickaxe in her storage ring. She had completely forgotten about the current situation. She took out the pickaxe and started to dig. First, she would recover the losses that the men in Black had taken away from her. Then, she would start to profit from the rest!

The Flaming Three-Tailed Foxes were stunned. 'Are you really ignoring our existence? When did we ask you to start mining?'

The Flaming Three-Tailed Fox King cried out a few times. It was only then that Yun Chujiu, who was immersed in her dream of making a fortune, was awakened. She laughed dryly, "Brother Fox, please forgive me. I am someone that dies for money just like birds die for food. It is in my nature. Please forgive me! Please forgive me!"

The Flaming Three-Tailed Fox King looked at Yun Chujiu with disdain. Stupid human. Although this broken stone was pretty, what use was it?! Could it be eaten? Could it be drunk?! It was good-looking but useless!
