

The Yun Family's Ninth Child is an Imp! Chapter 683

Although the name of Chimeric Plains had the word 'plains', it was in fact, not the only type of terrain there. There were high mountains, forests, and rivers. It was more like a hidden world isolated from the rest of the globe.

After Yun Chujiu and An Feng landed, An Feng put away the flying spirit tool.

"An Feng, from now on, no matter whether you encounter demon beasts or cultivators, unless my life is in danger, don't help me," Yun Chujiu said to An Feng after adjusting her spiritual power level to the second level of spirit cultivator.

An Feng nodded. He took out a hidden spirit ring from his storage ring and put it on. After thinking for a while, he also adjusted his spiritual power level to the second layer of the spirit cultivator realm. An Feng had long wanted to experience the feeling of pretending to be a pig to eat a tiger. He finally had the chance.

The outer area of the Chimeric Plains was still relatively calm. There were only some low-level demonic beasts. Yun Chujiu couldn't be bothered to pay attention to them and continued to walk inside.

The weather of the Chimeric Plains was indeed strange. The two of them had walked less than ten miles when suddenly, heavy snowfall started to fall from the sky.

This was the first time Yun Chujiu had seen snow since she transmigrated, and she couldn't help but feel a little excited. Along the way, she jumped up and down happily.

The plants of the Chimeric Plains had also adapted to such unpredictable weather. The plants bloomed, and the fruits that were supposed to bear fruit were not affected by the snow at all.

Yun Chujiu was not afraid of being poisoned to death. When she saw wild fruits, she plucked them and stuffed them into her mouth. She felt that coming out to gain real-world experience was much better than staying in the Spirit Radiance Sect.

Yun Chujiu also released Little Black Bird and Little Black Rat, letting them play outside. It was also a good opportunity for them to gain some experience against the enemy.

When the Flaming Three-Tailed Fox King saw that the two had been released, it implored Yun Chujiu, "Master, this king also wants to go out for a walk!"

"Little Red, your three tails are too eye-catching. What if they attract high-level cultivators?"

Every time the three-tailed Fox King heard the name Little Red, it felt its balls shrink. It took a deep breath and said, "Master, I can hide one of my tails. That way, people will think that I'm a Two-Tailed Fox and won't care."

"Oh, you have that ability? It turns out that the three beats that I took in are all fakes!" Yun Chujiu said as she released the Flaming Three-Tailed Fox King.

As expected, the Flaming Three-Tailed Fox King only had two tails left. It was just that the color of its fur was a little brighter than the usual Two-tailed Scarlet Flame Fox. There was no difference in other things. Moreover, its spiritual power level had also become a corresponding level four.

The Flaming Three-Tailed Fox King looked down on Little Black Rat and Little Black Bird. It simply could not understand why its master wanted to take in these two idiots!

One was an ugly tier 3 Fire-Breathing Crow, while the other was a tier 3 Stone-Eating Rat that only knew how to chew on ores. It was simply too weak! It could not even be compared to 1/10,000 of this king's power.

Little Black Bird had long disliked this smelly fox. It clearly looked down on him. 'Just you wait, I'll let you know how powerful I am is sooner or later!'

After Yun Chujiu advanced, Little Black Bird also broke through to become a Tier 8 Demon Beast. However, he was the same as Yun Chujiu. Others could not see its true spiritual power level, so he lowered himself to a tier 3 Fire-Breathing Crow.

Little Black Rat looked like a tier 3 demonic beast, but it was very low-key, Little Black Rat secretly said to Little Black Bird, "Little Black Bird ge ge, that stinky fox is nothing special. It barks so much every day. You better teach it a lesson! Don't worry, I will help you! I will support you spiritually!"

Little Black Bird...
