

The Yun Family's Ninth Child is an Imp! Chapter 740

Di Beiming was a little dazed. When did the Black Thing become so beautiful?!

Under the moonlight, Yun Chujiu's skin was as white as jade while seemingly being as smooth as cream. Her pair of bright and lively eyes looked around. Her lips were slightly red and swollen, but they looked sweeter and more alluring.

Yun Chujiu saw that Di Beiming did not react. She leaned on the bed and waved her hand. "Prince Charming, do you think that I'm too beautiful and that's why you're speechless? Hehe!"

Di Beiming's ears were sharp. "HMPH! I just think that this dress is very good-looking. As a person, you're just okay!"

Yun Chujiu pouted. "Prince Charming, if you're lying, be careful that your nose will grow longer and longer! I'm a beauty that can topple countries and cities, and I'm as beautiful as a flower. Yet, you went against your conscience and said that it's just okay, HMPH!"

Di Beiming subconsciously touched his nose and coughed dryly. "Alright, it's getting late. Stop showing off and go to sleep!"

Yun Chujiu pouted, took off her clothes, and climbed onto the bed, "Prince Charming, it's a virtue to know how to praise others. I always praise you, can't you praise me too for once?"

Di Beiming was silent for a moment, then said faintly, "Little Jiu, I think you don't need to be praised by others. You should praise yourself."

Yun Chujiu was stunned for a moment, then she was angry, "Prince Charming, what do you mean?! Are you saying that I'm always shamelessly boasting? When did I praise myself? Isn't it appropriate to describe me as devastatingly beautiful?"

“HMPH! If you’re not boasting, then forget it! Why do you have so many excuses?! Normally, I don’t ask others for anything that I can do on my own! If that’s seen as boasting, then it’s boasting! I feel that I’ve perfectly explained what it means to be peerless and magnificent, simply beautiful to the extreme!”

Di Beiming...

All the positive words that Yun Chujiu knew about women were applied to herself, then, she yawned, “Forget it, I’m too outstanding. Words can’t even describe it. In short, it’s just a sentence. Prince Charming, you’ve picked up a rare treasure. You’re fortunate to have met me. It’s a blessing worth eight lifetimes of cultivation.”

Di Beiming stretched out his arm and held Yun Chujiu in his embrace. He said word by word, “That’s right. It’s my greatest fortune to have met you.”

Yun Chujiu was just showing off when she was suddenly caught off guard by Di Beiming’s words. Her little heart started thumping violently. Damn, this pretty boy’s flirting skills were really good!

Yun Chujiu was usually very cocky, but at that critical moment, she was silent. She stammered out the words, “Me too.”

Di Beiming curled the corners of his mouth. He felt that the rarely shy Black Thing was really cute. He wished that he could accompany her at all times. It would be great if she could break through to the peak of the ninth level of the Spirit Emperor realm as soon as possible.

“Little Jiu, how was your training this time?”

“It was pretty good! However, because I met those people from the Goshawk sect, my training plan was partially hampered. When the matter with the Red Spider Lily Jade Token comes to an end, I’m prepared to go out and train.”

Di Beiming nodded. "The faction behind the Red Spider Lily Jade Token has always been hidden behind the scenes. The people who show themselves are just some people who have been bribed by the medicinal pills. Moreover, it seems that they have been planning things for several years. I'm afraid that there won't be any progress in the short term."

Yun Chujiu's eyes lit up. "Prince Charming, you've just reminded me of something. Tomorrow, I'll let Elder Qi see just what that so-called magical medicinal pill is. Liu Qian described it as having some unique properties."
