

The Yun Family's Ninth Child is an Imp! Chapter 867

The man's heart trembled at the sound of Yun Chujiu sharpening her knife. He was on the verge of breaking down from the torture.

"I'll talk! I'll talk! I beg you, stop sharpening that knife!" Finally, the man could not stand it anymore.

Only then did Yun Chujiu stop. "If you want to talk, just say whatever you have to say. If you don't, I'll continue sharpening!"

"I'm just following orders! I don't know much either, but the higher-ups once said that you're our number one enemy. That we'd kill you without mercy. So, I just wanted to sow discord. If I can get you killed as a result, it'd be a great achievement!"

Yun Chujiu could not help but laugh. Number one enemy? She did not expect that she would be so highly regarded in the Godly Devil Hall. However, it made sense. Her training trips out to train had always resulted in her inadvertently spoiling their plans. Even a lightning bolt could destroy their evil formation. It would be strange if they did not hate her!

"Tell me everything you know. Did you tamper with the Elixir Valley formation? How are you going to deal with us in the end?" Yun Chujiu pointed the kitchen knife at the man's left hand.

The man quickly answered, "The formation was tampered with by the higher-ups. It is said that in another month, this place would sink into the ground again. At that time, you'd all be trapped here forever."

"What about you? How will you escape at the last moment? You won't be trapped here with us, right?"

"The higher-ups said that they'd get me out at the last moment."

Yun Chujiu sneered, "You are really naive! You are not Gold Face's messenger, are you? You don't know how to use the secret technique of the Red Spider Lily, do you? How can they get you out? They are obviously just using you, you idiot! Are there people doing the same at the East Elixir Valley?"

The man was completely caught off guard by Yun Chujiu's words. He was stunned for a while before he said, "I... I don't know! Impossible! That's Impossible! The higher-ups would not lie to me! The Lord will not be so heartless! I still want to ascend!

"Hahaha! You are lying! The Lord is a god, and the Lord is omnipotent! He will be able to save me!

"You Idiots, all of you will die. Only I will survive in the end. The Lord will save me, he will save me!"

...

The man's spiritual sense had already been damaged when Yun Chujiu wiped the spiritual sense from his storage ring. Now, under the huge psychological, he had gone crazy!

Yun Chujiu deliberately looked at the man's pupils. He was absent-minded and did not seem to be faking it. His willpower was too poor, right? He went crazy just from that? However, fortunately, she did not have anything further to ask. If he went crazy, then so be it!

"Come here. This person is from your Heavenly Gates Sect. You can deal with him yourself!" Yun Chujiu pointed at the Heavenly Gates Sect disciple who had testified to going to the Eupatorium Valley just now.

That disciple was so regretful that his intestines turned green. He wished he could give himself two slaps and place a sign on his forehead saying 'Gullible'! Call him 'Mr. Gullible'! There was no need for him to say anything. This time, they could count on him to do this simple task!

That disciple walked in front of the man and hit the back of the man's neck with his palm. Then, like dragging a dead dog, he dragged the man to the center of the Heaven Sect's disciples.

Everyone looked at each other and asked Yun Chujiu shamelessly, "Yun, Fairy Yun, we were fooled by that b*stard previously. We are sorry! Please accept our apologies!"

Yun Chujiu laughed coldly in her heart. She was arrogant but respectful. Such a person was not welcomed by others. However, she had a dignified expression on her face. "Everyone, there is no need to be so polite. It was all instigated by that villain. You were also fooled by him."

"Fairy Yun is indeed magnanimous.. One look and you can tell that she is a person who has achieved great things! Fairy Yun, what do you think we should do now? Is there nothing to do but wait here for death?"
