

The Yun Family's Ninth Child is an Imp! Chapter 908

Elder Sun threw his head back and laughed. "Du Guyi, you can't hide. Today, I will drag you down with me."

Elder Sun used all his strength to leap forward. Just as he was about to self-destruct his Dantian, a burst of clear laughter rang out in the air. "Little Uncle Zhong, your life is so precious. How can you waste it on these scumbags?! Watch as I avenge you!"

Little ancestor?

Elder Sun was instantly dumbfounded!

F*ck!! No one had called him that for hundreds of years, right?! Who had the guts to call him that?

The other people in the Southern Jade Square also heard the voices in the air. They looked up and immediately burst into cheers, "Little Ancestor Yun, Little Ancestor Yun is here!"

"The time of death for the Godly Devil Hall has come!"

"Little Ancestor Yun! Kill these shameless scum!"

Elder Sun was dumbfounded when he saw a beautiful girl riding a sword from the sky. He was puzzled. Little Ancestor Yun? Where did little ancestor Yun come from? Moreover, these people called her little

ancestor Yun regardless of their sect. Could it be that this was her name?! Why did she come up with such a weird name?!

After Yun Chujiu landed on the ground, she glared fiercely at Elder Sun. “Trash dim sum! Can’t you tell the good from the bad? Why are you trying to self-destruct like it’s no big deal?! Get lost!”

Elder Sun was dumbfounded. If not for his serious injuries, he would have wanted to slap this little girl to death. Who were you?! How dare you lecture him in such a tone! How rude!

At that moment, everyone stopped their attacks and gathered around Yun Chujiu. For some reason, when they saw Yun Chujiu, they felt confident and felt that there was no difficulty that they could not defeat despite their precarious situation.

Yun Chujiu ignored Elder Sun and glanced at the situation in front of her, then, she curled her lips and said, “The Godly Devil Hall is really well-known. Let me see, isn’t it just a nest of wild cats and beasts? If you want me to say, don’t call it the Godly Devil Hall, just call it the Hall of Beasts!”

Hahaha, hearing Yun Chujiu’s words, everyone burst into a burst of mocking laughter. When they saw this little girl, their hearts instantly calmed down.

Du Guyi said sinisterly, “Stinky girl, You’ve ruined the affairs of our Godly Devil Hall time and time again. Prepare to die!”

Du Guyi saw that Yun Chujiu was only at the first level of the Spirit Emperor Realm. Although he heard that this little girl was a little strange, he did not take it seriously. He raised his sword and stabbed toward her. He also had the intention to contribute to the cause. If he could capture or kill Yun Chujiu, it would be a huge win for them.

Su Yanran stood at the side and did not stop him. She also wanted to assess Yun Chujiu’s current strength. Anyway, with Yun Xiaotian in hand, she would not be able to escape from her hands.

At that moment, Du Guyi was already busy fighting with Yun Chujiu. He thought that if he would be able to take Yun Chujiu down in less than fifteen minutes. He never expected that although Yun Chujiu dodged his attacks every time, she was not injured at all, moreover, she was running her mouth the entire time.

“Du Guyi, do you think you are going back to your old self?! You are a sect leader, but you are shameless enough to be someone else’s lackey. You’re so cheap!”

“Su Yanran was originally your disciple, but now you are actually calling her lord. You are the model of shamelessness and disgrace!”

“Du Guyi, you have forgotten your ancestors. For a so-called meteoric rise, you even abandoned your ancestors! I think you should stop calling yourself Du Guyi in the future and just call yourself Wang Ba Yi!”
