

The Yun Family's Ninth Child is an Imp! Chapter 921

Yun Chujiu raised her eyebrows. "Old man, I thought you had already run away, why did you come back to save me?"

The old man smiled bitterly. "Miss, although I am old, I am not blind. You are helping us, but it is obvious that you are a foreigner. Those are people from Cape Star Island. You can not afford to offend them. Leave quickly!"

"If I leave, what will you do?"

"Us?" The old man smiled bitterly. "We're already used to it. At worst, it'll be another round of extortions and beatings. They won't kill us. They rely on us to earn Spirit Stones."

"Old man, what are you talking about?! What extortion? If it weren't for our protection, with your weak spirit energy, would you be able to survive in this Sea of Stars? I'm afraid you would have been annexed by the other islands long ago! Ungrateful old man! Hurry up and hand over the treasure you found, and then get lost. Otherwise, I will destroy your Big Dipper Island." A man with a scarred face said fiercely.

"Island Lord Wu, we will hand over this bead to you. Can you release us together with this lady?" The old man said with a bead in his hand.

"F*ck you! You still dare bargain with me?! Hand over the bead and get lost!" Scarface saw the bead and his eyes revealed a greedy light.

When Yun Chujiu saw the bead in the old man's hand, but she felt very puzzled. The bead in the old man's hand was a waterproof bead. It was really strange. Were waterproof beads not only available in the Endless Sea? How did the old man get it in the Sea of Stars?

Forget it. I'll deal with those bastards first and then ask for details later.

“Little Loach, you overturned the boat in front of you. You bit everyone to death, not leaving a single one alive.” Yun Chujiu was anxious to find out the origin of the waterproof bead. Moreover, it was obvious that those people from Cape Star Island were usually up to no good. They deserved to die.

When Scarface heard Yun Chujiu’s words, he could not help but laugh out loud. “Although this girl is beautiful, her brain must be malfunctioning. What nonsense is she talking about? Little loach, you’ve even overturned our boat? What nonsense are you talking about? However, it doesn’t matter if her brain isn’t working properly. Once she’s on the bed, she’ll be obedient. hahaha!”

His underlings also agreed with foul language as they stared at Yun Chujiu with lewd expressions.

The old man from Big Dipper Island sighed. It seemed that there was indeed something wrong with this lady’s brain. Who or what was this Little Loach?!

At this moment, the large ship from Big Dipper Island was suddenly overturned. A huge sea beast with a bloody mouth swallowed the people who had fallen into the water.

There were some screams from the capsized boat and then abrupt silence. The large ship had also sunk to the bottom of the sea. If it were not for the huge sea beast that kept fawning in front of the young lady, everything would have seemed like an illusion.

The old man and the people on the ship rubbed their eyes and stared in disbelief.

That... that was a level 13 Illusionary Electric Eel, right?!

Oh god, this was a sea beast that only existed in the deepest part of the Sea of Stars, and it was rarely seen because the people who saw it did not make it back alive. Why would this Illusionary Electric Eel listen to this little girl? This was too unbelievable!

Yun Chujiu praised the Illusionary Electric Eel a few times and then asked the old man, “Old Man, is that a waterproof bead in your hand?”

The old man was stunned. He thought that Yun Chujiu had taken a fancy to this waterproof bead, so he said with a trembling voice, “This... This is indeed a waterproof bead. Fairy, if you like it, I’ll give it to you!”

Yun Chujiu smiled and shook her head. “Old Man, you’ve misunderstood. I don’t want this bead. I’m just a little curious.. Isn’t this waterproof bead only available in the Endless Sea? How did you find one in the Sea of Stars?”
