

The Yun Family's Ninth Child is an Imp! Chapter 987

Di Beiming raised his eyebrows. "I heard that you had a dispute with the Yin Family?"

"Prince Charming, that is not my fault. I originally wanted to lay low, but it was too infuriating. I couldn't hold it in. You won't blame me, right?" Yun Chujiu said angrily.

"You don't like them. I'll help you kill them. The Yin family is nothing." Di Beiming said lightly.

Yun Chujiu's heart skipped a beat. Such words were more tempting than "I love you". The gigolo was getting better at flirting!

"No need, no need. I will take care of it myself. Besides, isn't the Yin family a big family? They're not that easy to get rid of. Prince Charming, you only need to instruct your secret guards to protect my grandfather. As for me, they won't dare to do anything to me in the Tianyuan Academy," Yun Chujiu said with a smile, she knew that the various forces in the Tianyuan Continent could not be eliminated just like that.

Di Beiming nodded. "Don't worry. I've already sent more people. By the way, I heard from An Feng that your group name suddenly turned gray. That's why I rushed here. What's going on?"

"Humph! Yin Sulian and Yin Xuecheng forced senior brother Feng Ming into the forbidden area. In order to save senior brother Feng Ming, I had to bring Geng Yi and Shi Xuan in as well. Guess what's inside!"

"What is it?" Di Beiming's eyes darkened. Damn the Yin family. It seemed like he had to teach them a lesson.

"There is a monster with black hair locked inside. It says that it is a Nightmare Beast."

“A Nightmare Beast? There are records in the ancient books. That is a famous ferocious beast. It can enter a person’s spiritual sense and weave dreams. In the end, the person’s spiritual sense will be exhausted and they die. How did you escape?” Although Di Beiming knew that Yun Chujiu and the others were safe and sound, he still asked nervously.

“Hehe, although that Curly Hair is quite powerful, he is really too stupid! He told me all about his background and was tricked by me into swearing an Inner Demon Oath. He said that he will obey me in the future. Hahaha, he is really stupid!” When Yun Chujiu thought of the Nightmare Beast’s stupid and cute appearance, she laughed uncontrollably.

When Di Beiming heard the whole story, the corner of his eyes twitched. This Nightmare Beast was really too stupid. However, it was also possible that being locked up for 10,000 years had made it turn stupid.

When Di Beiming saw Yun Chujiu’s blushing face, his heart softened. “Little Jiu?”

“Ah? Prince Charming, what’s the matter?” Yun Chujiu stopped laughing and looked at Di Beiming curiously.

Di Beiming did not say anything. Instead, he stood up and walked closer to Yun Chujiu. Yun Chujiu’s heart pounded non-stop. The Pretty Boy was definitely going to kiss her. Should she hide or make the first move?

While she was struggling internally on what to do, Di Beiming had already carried her to the bed and leaned over to kiss her.

The moment lingered for a while. Di Beiming managed to resist the urge to go further and forced his gaze away from Yun Chujiu’s slightly red and swollen lips.

Yun Chujiu also felt the changes in Di Beiming’s body. She grinned and said, “Prince Charming, I’m hungry. Let’s have lunch!”

Di Beiming's mind was filled with unholy thoughts and half of it disappeared. He stood up awkwardly and prepared lunch for Yun Chujiu.

Di Beiming took out some food from his storage ring and placed it on the table. "Come eat. It's all your favorite food."

"Prince Charming, you are too virtuous! TSK TSK, if those three beauties knew that you're serving me like this, wouldn't they be so angry that they would bang their heads against the wall? Hahaha!" Yun Chujiu looked at the table full of food and said smugly..
