

## The Yun Family's Ninth Child is an Imp! Chapter 988

Di Beiming curled his lips but did not say anything. Instead, he helped Yun Chujiu to get a bowl of rice.

“Oh right, Prince Charming, why did your mother give me the title of an old friend's daughter? Could it be that she's moved on? Does she think that I'm not that bad as a daughter-in-law?” Yun Chujiu was puzzled by this.

Di Beiming's face stiffened. “Little Jiu, I think my mother should be... She thinks that doing this will bring you trouble!”

Yun Chujiu was slightly stunned before she smiled. “She is really reserved. If she wants to bring me trouble, I just need to kiss you in front of everyone. There will definitely be many of your admirers who would want to kill me!”

Di Beiming could not help but laugh. Although that mother of his was not forgiving, she was not that ruthless in her heart. Otherwise, she would not have been tricked by Little Jiu time and time again.

Yun Chujiu ate her lunch and yawned. “Prince Charming, I haven't slept well these few days. I need to catch up on my sleep. However, I feel that the time I spend with you is too precious. I can't bear to sleep anymore.”

Di Beiming's heart softened. “I'll sleep with you. Don't worry. I won't leave until you wake up.”

Yun Chujiu then took off her coat and lay on the bed. “Prince Charming, come over quickly. I want to hug you to sleep!”

Di Beiming nodded, took off his coat, and lay on the outside of the bed.

Yun Chujiu hugged Di Beiming's arm and fell into a deep sleep very quickly.

Di Beiming sighed. He could see but he could not eat. This was really torture. Little Jiu was already seventeen years old, why could she not grow up faster?!

Yun Chujiu slept until the next morning. The first thing he did when he opened his eyes was to kiss Di Beiming on the face.

The consequence of that was that he was pressed under Di Beiming's body and they kissed for a while. She was so dizzy that he almost fainted.

Damn, the Prince Charming was too fierce! If he could go further in the future, he would make me unable to get out of bed all day long...

In her mind, she imagined a lot of inappropriate scenes, and a wretched smile appeared on her lips.

Di Beiming raised his eyebrows. "Little Jiu, what are you thinking about?"

"I'm thinking that you will be very fierce in bed in the future... Ah! Ah! I'm not thinking about anything. I meant that your spiritual power is very strong. Yes, that's what I meant." Yun Chujiu almost bit her tongue. Damn, it was so embarrassing!

Di Beiming believed her and felt the feelings in her words. He curled his lips. "Little Jiu, don't worry. I will let you experience it properly when the time comes."

Experience? Experience what? F\*ck! You! You actually know how to say things that are inappropriate for children!

Yun Chujiu's face turned red from embarrassment. She replied nonchalantly, "Humph! Who doesn't know how to boast?! When the time comes, we can do it for 300 rounds, and you might still not even be able to win!"

Di Beiming's eyes darkened. "Little Jiu, why don't we practice now?"

Yun Chujiu jumped out of bed from fright. This guy was too aggressive! She laughed awkwardly. "We'll talk about it later. We'll talk about it later. I still haven't blossomed yet!"

Di Beiming just teased her. When he saw that she was shy, he did not say anything more.

The two of them washed up and went out for breakfast, Yun Chujiu sighed. "If only there were something that can change your appearance. You could go out with me openly. Now you're like a spy. Although it's exciting, we can't be seen in the open."
