

The Yun Family's Ninth Child is an Imp! Chapter 99

The disciple took the token and sized up Yun Chujiu. He frowned. This black girl obviously didn't have any spiritual power. How could she have a registration token? Forget it. It's better to be less troublesome. Anyway, with the token, it's not my fault.

"Go There and get the test jade token!" The disciple said impatiently.

"Okay! Brothers and sisters, let's Go and get the test jade token!" Yun chujiu waved her little claws, signaling Yun Chuwu and the others to come over.

Yun Chuwu and the others were a little confused, but they still walked over.

The disciple was anxious. "Hey, I said I'll let you get the test jade token alone. Do they have a jade token? If not, come and test it."

Yun chujiu widened her eyes. "Senior brother, my situation is the same as the brother and sister from before! Why can they do it, but we can't?"

That disciple choked and said angrily out of embarrassment, "Their token was given by elder Xiao. Elder Xiao is the most fair, so he naturally won't cheat."

"Aiyo, I don't like what you're saying. You're obviously looking at others to make a dish! The token given by elder Xiao is fine, but why can't the token given by our Middle Peak's Sun Bo Zhong and elder Sun Be Fine?" Yun chujiu shouted at the top of her voice.

Yun Chujiu had a stomach full of evil thoughts. This fellow had the idea of taking advantage of the situation. Previously in the Demon Beast Forest, it was obvious that the five peaks of the Ling Hua sect were secretly competing with each other. Today, I've grasped this point. I don't believe that there wouldn't be someone from the middle peak standing up for me.

The disciple in charge of the registration was angered by Yun Chujiu's retort. His face was red and his neck was thick. "You, you're spouting nonsense! No, in short, it's no good!"

Yun Chuwu and the others were already scared silly!

This Little Jiu's guts were simply too big!

She actually dared to challenge the disciples of the Linghua sect!

Yun chuwu tugged at Yun chujiu, meaning that it was fine if she couldn't register her name.

She didn't expect Yun chujiu to be even more agitated, she stomped her feet and started to scold. "If you say it's no good, then it's no good? Who Do you think you are? ! At worst, I'll go and ask Elder Sun. Why is his token not as useful as that elder Xiao? ! Could it be that our middle peak is half a level lower than the West Peak?"

That disciple almost fainted from anger. Originally, it was a good job to be in charge of registration. How could he have met such a little girl who was pestering him? A small matter actually went to the point of being between the two peaks. If this were to happen, he would not be able to do anything!

Just as the situation was in a stalemate, a clear voice came from the sky, "Qi Hua, I didn't expect your West Peak to be so selfish! This is really an eye-opener!"

Everyone looked up and saw a man dressed in the Linghua sect's inner sect disciple uniform riding a sword over. The man was tall and straight, slender like a bamboo. His long ink-colored hair fluttered slightly in the wind. He was handsome, and his pair of amorous peach blossom eyes were slightly raised at this moment, there was a sneer on his face.

Yun Chujiu's focus was on the Sword Tassel. What the hell was that tender Pink Sword Tassel? It seemed that this person was definitely a flirtatious guy!

The disciple who was in charge of registering felt his heart tighten. Feng Ming? ! Oh No, why did this evil ancestor come? !

"Senior brother Feng Ming, don't listen to this little girl's nonsense. There's some misunderstanding here." The disciple hurriedly went forward to explain.

Yun chujiu blinked her eyes. When this flirtatious guy said "Your West Peak" just now, it was obvious that he didn't like the West Peak. Perhaps he was from the middle peak., i had to work harder. "This must be senior brother Feng Ming, right? ! I've long heard that senior brother Feng Ming from the Ling Hua sect is not only extremely handsome, but he's also magnanimous and the most upright. After seeing him today, it's as I expected."

Feng Ming jumped down from the flying sword. After hearing Yun Chujiu's words, he was very satisfied. "You Little Girl, you really know how to talk. Even though what you said is the truth, there's no need for you to be so direct! "
