

Signing In For Eight Years, I Was Exposed As A Zillionaire!

Chapter 10

Big Sister Ye Wan

Meanwhile, Ye Xuan was also looking at the Patek Philippe watches on the official website, ranking the watches from top to bottom according to the price.

The first one was a Patek Philippe Duke Men's Watch!

...

It was worth 20 million!

Ye Xuan looked at the watch and felt that it was not bad. He paid the deposit and looked at it. He realized that there was a shop in Huaxing Plaza where he could pick up the goods from. Hence, he decided to pick up the goods at the Patek Philippe watch shop in Huaxing Plaza.

This way, he could wait until tomorrow to take a look.

Then, an engine roared outside the villa.

The door of the villa opened and a beautiful figure walked in.

Ye Xuan looked towards the door.

[Name: Ye Wan]

[Height: 173cm]

[Appearance: 97]

[Figure: C!]

[Affinity: 95]

“Big Sister, you’re back? Have you eaten?” Ye Xuan looked at the girl at the door, who was wearing the outfit of an office lady. She wore silk stockings, high heels, a leather skirt, a professional suit, and had a face that could topple cities. This was simply the temptation of the work uniform. Just by standing there, many people couldn’t control themselves.

Ye Wan looked at Ye Xuan and said, “Little brother, you’re still awake.”

Ye Wan came over and hugged Ye Xuan. The fatigue on her face dissipated.

“I was waiting for you guys. Fourth Sister just finished her live-stream and is already asleep.”

Then, Ye Xuan asked again, “Have you eaten?”

“Yes, I’ve eaten. Alright, you don’t have to wait anymore. Your Second Sister has an emergency surgery in the hospital tonight. I’m afraid she won’t be able to come back tonight. I’ll take a shower. Give me a massage later.”

“Go ahead.”

Ye Xuan waved his hand.

A while later.

“Brother, bring me a towel and everything else.”

Ye Xuan carried a towel over and looked at the stockings on the ground. He picked them up as he said, “Big Sister, I’ve told you so many times. You have to hang your clothes up or they’ll get wrinkled the next day. Also...”

In the mist, Ye Xuan looked at his Big Sister Ye Wan in front of him...

“What are you looking at?”

Ye Wan put on a towel and tapped Ye Xuan's head as she spoke.

Ye Xuan was speechless.

Then, Ye Wan lay on the mat beside the bathtub. "Come, little brother, step on Big Sister's back."

"Big Sister, why do I feel like you are treating me like a tool?" Ye Xuan muttered as he stepped on her back.

"Heh, we have such a good masseuse at home, How can we not make good use of him?" Ye Wan asked as she enjoyed Ye Xuan's massage. It was too comfortable, and every massage could relieve her fatigue.

"Boss, how's my footwork? Do you want me to add more pressure?" Ye Xuan smiled.

"Not bad, not bad. Press your foot again."

"That'll cost more!"

Ye Xuan was annoyed. This was pushing his luck. Did she really treat him as a tool? Ever since he signed in for this Divine Massage Technique in his Second Sister's room and displayed it, Ye Xuan could tell that he was now a tool in the family.

Ye Wan said, "You're my closest friend and brother, and you still want me to pay more?"

"It's useless to say anything. Pay more!"

Ye Xuan said angrily.

Ye Wan was speechless. Would love disappear?

"Little brother, why aren't you saying anything?"

"Big Sister, to be honest, I feel like you've gained some weight," said Ye Xuan. Then, Ye Wan hugged Ye Xuan's face and laughed coldly, "Little

brother, what did you say just now? Your Big Sister didn't hear you clearly. Say it again, okay?"

Ye Xuan was silent. Was she threatening him?

The next day, early in the morning, Ye Wan woke up and saw Ye Xuan, who was already awake and looking at his phone.

"Little brother, you're up early."

Ye Wan's lazy voice sounded.

"Big Sister, don't you know what time it is? Why aren't you getting up? Bring me to Huaxing Plaza today."

"What are you going to do at Huaxing Plaza?"

"I'm going to play with my friends."

After Ye Xuan finished speaking, he got off the bed. Ye Wan looked at her phone and sighed. Then, she washed up and dressed up. Meanwhile, Ye Xuan woke up early and had put on his overalls. Then, he looked at himself in the mirror and couldn't help but sigh. His Fourth Sister seemed to be useful. After he obtained 20 appearance points from her, he was practically the nation's younger brother.

"Are you not going to care about Fourth Sister today?"

Ye Xuan followed Ye Wan, who had dressed up, out and headed towards the Ferrari 812 parked on the other side.

Ye Wan looked upstairs. "Don't you know your Fourth Sister? It's still two hours before she wakes up. I've already called the owner's breakfast service for her. Buckle up and let's go."

As the engine roared, they soon arrived at Huaxing Plaza.

"Big Sister, hoping that your work goes well. I'm leaving."

“You know where my office is, right? It’s in the office building area of Huaxing Plaza. If you want to find me, just come and find me.”

Huaxing Plaza was too big, so it was divided into the office and business districts. Meanwhile, the Southeast Securities Securities, where his Big Sister was working, was at Huaxing Plaza.

However, Ye Xuan did not think much of it. He headed straight for Patek Philippe. After all, there was still a while before the appointed time with Liu Yun and the others, so he might as well get his watch first.

Even in the morning, there were still many people in Huaxing Plaza.

“Oh? This little boy is so cute.”

“That’s right. Whose child is this?”

“He looks like he’s having fun.”

“Really.”

Along the way, Ye Xuan caused many people to turn their heads.

Turning the corner, Ye Xuan looked at the mirror.

The next moment, he was stunned.

Huh???

What the f*ck!

He was wondering why people were looking at him so much.

There was a lipstick mark on his forehead. It was too obvious.

Ye Xuan was silent. Big Sister!!!
