

Signing In For Eight Years, I Was Exposed As A Zillionaire!

Chapter 17

Don't Want to Live Anymore

Liu Yanran originally thought that Ye Xuan would give her an advantage even if he didn't let her be the last, but now...

If Ye Xuan knew what Liu Yanran was thinking, he would be speechless. After all, he had seen too many beauties.

...

Just any one of his nine sisters would be a peerless beauty. They were simply too beautiful. Liu Yanran was only about the same level as them.

Even with his sisters Ye Xuan would do what he wanted, let alone with Liu Yanran.

Haha.

Meanwhile, many Presidents couldn't help but laugh when they saw Liu Yanran's expression. They were simply overjoyed. They looked at Liu Yanran. Who asked her to come early and ignore virtues? Now, wasn't it good? The first to arrive would speak first. She would go ahead and speak. In any case, the others would have the chance to kill her no matter what she said.

"Mr. Ye, you're right. Whether it's first come, first served or first served, Director Liu should speak first. We don't have this chance."

"That's right, Director Liu. You're the smartest. We didn't expect you to wait for Mr. Ye so early."

"Sigh, Director Liu, please show us mercy on account of the past."

“Director Liu, quickly state your conditions.”

...

Voices came out of the mouths of the Presidents, one after another. Then, they looked at Liu Yanran in front of them. Although they sighed and felt sorry, they had gloating expressions on their faces. It was simply too funny.

They had been competing with Liu Yanran for so long. Most of the time, it was Liu Yanran who made them suffer. Now that they could see Liu Yanran suffer, it was simply a huge joy.

At this moment, Liu Yanran heard them adding insult to injury. Then, she looked at the expressions on their faces and almost exploded in anger. These old foxes. When they first came in, they were simply about to skin her alive. But now, they were smiling again and starting to pretend.

Great, you guys were great!

However, there was nothing Liu Yanran could do. She could only look at them fiercely. Since they were kicking her when she was down, there was no need to be polite. If she could not get it, she would not let them get it easily.

Liu Yanran heaved a sigh of relief. Then, she looked back at them and sneered.

It was this sneer that silenced all the Presidents. A bad premonition instantly arose in their hearts. Then, they saw Liu Yanran walking forward. She said slowly, “Mr. Ye, to express the Huaxia Bank’s greatest respect to you, I’ll state the following conditions.”

“Firstly, the annual interest rate is 9%. Furthermore, you can make an appointment one day in advance and withdraw the money the next day.”

“Secondly, the Huaxia Bank will give you a black card exclusive to the Huaxia Bank. This black card is a limited edition of the Huaxia Bank. There are less than two people who own it. The Huaxia Bank has many

collaborations with large brands and various industries. If you show your black card, you will receive the treatment of a Super VIP...”

Boom!

After a few words, the gloating and insulting expressions on the other Presidents' faces froze. They looked at Liu Yanran. This woman!

This woman must be crazy!

Had she started to self-destruct?

An annual interest rate of 9%? And a Huaxia Bank black card?

She was going all out against them.

Even if she couldn't get it, she couldn't let them get it easily.

How despicable and shameless!

It was as if a bomb directly had blown up the Presidents. They were all dumbfounded.

Liu Yanran, Director Liu! As expected of the legend of Huaxia Bank!

What a good method!

This was fierce enough!

They finally understood what Liu Yanran's gaze just now meant.

At this moment, Liu Yanran looked at their expressions. Although the Presidents were disappointed, they were still thinking about it. In other words, with the conditions she offered now, they still had room to go beyond her conditions.

Then, she rolled her eyes. Since they could still raise their conditions, she would do Mr. Ye a favor.

“Mr. Ye, I was wrong just now. Huaxia Bank will offer you an annual interest rate of 10%. Moreover!”

Liu Yanran looked at Ye Xuan and said, “Mr. Ye, if you deposit 60 billion into the Huaxia Bank, I will be your personal secretary at your beck and call.”

“I have a lot of connections in the investment field, the finance industry, and the banking industry. I have an extremely good understanding of them. I can help you manage your funds in the future. What do you think?”

After saying that.

Zhang Tianxing of East Sea Bank was silent.

The Presidents were speechless.

F*ck!

This!

What the f*ck!

This was not right!

Mr. Ye, she, she broke the rules!!!

Weren't they talking seriously about the conditions? Then, Liu Yanran had just given herself away!

This young person didn't care about morals!

They had never seen such a shameless person!

Good lord. This was a fair competition, but Liu Yanran did this. What would they do with this?

She was as beautiful as a flower. How could she give herself away?

If they offered themselves as well, Mr. Ye would have kicked them out with two kicks. After all, all of them were old men and could not say such words.

At that moment, they could only suffer the losses and raise the conditions.

They looked at Liu Yanran. Originally, everyone could have made profits, but now, she had done this. Alright, even if one of them obtained the money, they would not make much profit at all. They worked hard to get this deposit just to weaken the other banks.

Both sides were injured.

Meanwhile, Liu Yanran looked at them and sneered in her heart. She thought, "Since you guys were kicking me when I was down, we don't have to live anymore!"

At that moment, Zhang Tianxing also stepped forward. "Director Liu is indeed generous. She's even given herself away. Let me tell you about the conditions of the East Sea Bank. Mr. Ye, the East Sea Bank can give you an annual interest rate of 11%. Moreover, East Sea Bank also has a black card. It's also an extremely honorable symbol..."

The Presidents at the side looked at Zhang Tianxing and Liu Yanran. Alright, that was enough. That was enough. One of them offered themselves, while the other offered even more money. Was this really a life and death struggle?

Alright, since they were going all out, then no one wanted to live anymore!

Then, the Presidents of the various banks began to propose the conditions they could offer.

Meanwhile, the young masters and young ladies trembled when they heard the conditions offered by the Presidents one by one. They were crazy. These people were crazy and murderous.

Gong Xiaohan was silent. She thought, “Mommy, we just wanted to go out. I’m like a husky among a group of wolf kings. What should I do now? I’m waiting online. It’s quite urgent.”
