

Signing In For Eight Years, I Was Exposed As A Zillionaire!

Chapter 20

Talking Against My Conscience

After all, after being beaten down by Ye Xuan for so many years, she should have such awareness.

After so many years, not only did Ye Xuan take revenge for the spanking, he even asked for a lot of “interest”.

...

Until now, her Second Sister had never felt that her reaction was this natural.

However, this slap stunned Ye Xuan.

[Congratulations to the host for obtaining a chance to sign in. Please complete the sign-in.]

“Hm?”

He could get a chance to sign in just by slapping his Second Sister?

He signed in!

[Congratulations to the host for obtaining the Divine First Aid Skill!]

The Divine First Aid Skill?

This was just average.

“Second Sister, do you want to turn over again?”

Ye Ying didn't know what Ye Xuan wanted to do, but she said "oh" and turned over.

Pa!

There was another slap.

Ye Ying was dumbfounded.

Huh???

She gradually felt that something was wrong.

She thought, "Young man, there's something wrong with you."

[Congratulations to the host for obtaining a chance to sign in. Please complete the sign-in.]

Ye Xuan was surprised!!!

Damn, he signed in!

[Congratulations to the host for obtaining the Divine Heart Disease Treatment Skill.]

At this moment, Ye Ying had already turned over vigilantly. Then, she looked at her younger brother with a puzzled expression. "Little brother, what are you doing?"

"I'm fine, Second Sister. I just obtained a new massage technique." Ye Xuan smiled. "Why are you so vigilant? I'm a child. What bad intentions can a child have, right?"

Huh???

Haha!

No!

She felt that he just wanted to take the opportunity to spank her!

Ye Xuan saw that something was wrong with Ye Ying's expression and immediately jumped off the bed before running outside.

"Fourth Sister, Fourth Sister, save me. Second Sister is going to hit me!"

Ye Xuan shouted as he ran, but Ye Ying chased after him. "Stop! Don't run!"

"You hit me twice. Don't run. I want to hit you back!"

"Hey, hey, hey, hey, hey. Second Sister, Second Sister, don't be so petty."

Ye Ying was dumbfounded.

Petty?

Was this young man joking with her?

Then, she picked up a feather duster from the side and wrapped herself in a towel as she chased after Ye Xuan. Ye Xuan would turn his head back from time to time to look at his Second Sister. His eyes trembled as his Second Sister ran. After all, there was nothing he could do.

"What are you doing?"

Then, Big Sister Ye Wan walked in leisurely. When she saw the scene in front of her, Ye Xuan hid behind her and pulled her clothes, "Big Sister, help."

These four words were concise.

"Stop, stop. What's going on?"

Ye Wan stood there and looked at Ye Ying. When the latter heard her Big Sister speak, she pointed at Ye Xuan and said, "He hit my butt on purpose."

"Then I'll help you hit him."

Then, Ye Wan hugged Ye Xuan and slapped him twice.

Ye Ying was silent. She was about to do it herself. You, you!

Big Sister, you don't care about morals!

Big Sister Ye Wan spread her hands at Ye Ying. "Look, is this okay?"

"Fine."

Upstairs, Ye Chan had just logged off and walked out of her room. Ye Xuan saw the drama.

Fourth Sister Ye Chan looked at the time. "Big Sister, why are you back so late?"

"I should have gotten off work earlier. You also know that our company's office building is in Huaxing Plaza, right? Recently, when it was time to renew the contract, we had already agreed, but the boss of Huaxing Plaza suddenly changed."

"Huh?"

Ye Chan and Ye Ying were stunned at this. They knew that Huaxing Plaza was the largest plaza in Jinling. It occupied more than tens of thousands of square meters.

Furthermore, the foundation was good. The entire Huaxing Square was like a chicken that could lay golden eggs.

In this year, just the rent alone was worth hundreds of millions or even billions!

Thus, the change in the ownership of such a large square was a huge shock.

"So what?"

"Therefore, the CEO asked me to renegotiate with the manager of Huaxing Plaza tomorrow. I don't know how it will go. In any case, I think

the renewal price can't be lower. After all, a new official will make drastic changes upon taking charge."

Ye Wan sat there. She sat up and poured herself a cup of tea. She had a headache about this matter. It would depend on the meeting tomorrow. It would be good if they could negotiate, but if they couldn't, it would be difficult. After all, it was a mission given to her by the CEO.

Meanwhile, Fourth Sister Ye Chan and Second Sister Ye Ying were still in shock.

"Big Sister, do you know who the boss is? Who is so generous as to cause a change in the ownership of Huaxing Plaza?"

Fourth Sister asked curiously.

Ye Wan shrugged her shoulders. "How would I know? What, do you still have ideas? However, those with such wealth must be old. Don't even think about it."

When Ye Chan heard this, she picked Ye Xuan up. "I don't have any thoughts. I just have my little brother."

Then, she rubbed Ye Xuan's face.

Ye Xuan listened to her. "Big Sister, I don't think so. Maybe a young man bought Huaxing Plaza?"

"A young man?"

Big Sister Ye Wan chuckled. "In that case, how much is Huaxing Plaza? It's worth tens of billions. How can a young man buy it? In my opinion, it might be some greasy uncle."

Ye Xuan was speechless.

He thought, "Big Sister, can't you think of me in a better light?"

"I'm your biological brother."

After a while, his Big Sister took on the task of cooking while Ye Xuan played with his phone. He looked at the supervisor of Huaxing Plaza, who had added him as a friend after he had signed in yesterday, and said a few words.

Of course, there was no need to talk about the content. He simply waived the rent for Big Sister and the others. As for the other tenants, they did not have such special privileges. He would still increase the rent when it was necessary. After all, as his Big Sister had said, a new official would make things difficult for them.

After a while, his Big Sister made a table of delicious food.

There were onion oil prawns.

There was garlic abalone.

There were also a few stir-fried dishes.

It was considered a home-cooked meal with good ingredients.

However, this made them very satisfied.

“Big Sister, your cooking is still the best.” Ye Xuan sighed as he ate. Then, he saw his Fourth Sister’s hopeful gaze.

Ye Xuan was silent. Fourth Sister, it wasn’t that he didn’t want to praise her. However, he really didn’t want to go against his conscience.
