

## Zongwu 1011

### Chapter 1011

In the general tent of the princes, the princes became more relaxed after Su Yan helped them figure out a way to attack Hulao Pass.

As long as Hulao Pass can be captured.

These princes will not be laughed at by the people of the world, and their coalition of princes also won the first battle.

Su Yan smiled and said to these princes while drinking tea, "Everyone, how are you going to deal with Lu Bu? If you don't defeat Lu Bu, Dong Zhuo's first general, can you still capture Hulao Pass?"

Cao Cao looked at Su Yan. He laughed and said,

"Haha, don't worry, Miss Yan, a slave with the surname of the third family is nothing to worry about. This time, there are several powerful generals in our coalition of princes. No matter how powerful Lu Bu is, it is useless. Our generals are also very powerful."

"Yes, a slave with a third family name is nothing to worry about." Yuan Shao also said loudly and energetically that the powerful generals hidden by these powerful princes were not originally planned to be used at this time, but the situation is compelling. If they still hide their strength, I am afraid that this war will really end in vain..

Su Yan looked at the princes in surprise after hearing this. She did not expect that these princes were not going to hide their strength. She saw that these princes had been tortured by Hulao Pass in the past few days.

At this time, a The soldiers came in and reported to Yuan Shao, "Report to the leader of the alliance, there is a person from Wushuang City who wants to see the leader of the alliance."

Yuan Shao heard the guarding soldiers' words and said doubtfully, "People from Wushuang City? Why did the Wushuang City of the four major forces in the rivers and lakes come to our coalition of princes? Is it because Tianxiahui?"

"Leader, the people in Wushuang City must know about the alliance between Dong Zhuo and Tianxiahui. The city lord of Wushuang City is probably also worried that Tianxia will continue to grow bigger. This time the people from Wushuang City came uninvited. They must be here to ask for cooperation."

"cooperate? What qualifications does a Jianghu force have to cooperate with us?"

"That is, we are all dignified court officials and princes, and those reckless Jianghu people are not qualified to cooperate with us."

"Leader, we don't need to pay attention to those Jianghu people. Although Wushuang City is one of the four major forces in Jianghu, it is incomparable to us. Jianghu people are all reckless people and lack discipline."

"Yes, the imperial court and the Jianghu people are inherently antagonistic. The Jianghu people do whatever they want regardless of the law. If not for the rebellion of the Yellow Turban bandits in our Han Empire and His Majesty the Emperor's inaction, these Jianghu forces would have been eradicated by the imperial army long ago."

Some of the princes in the big tent were talking with disdain when they heard the people from Wushuang City coming. They are all nobles and princes of the Han Empire. They all look down on the people of Jianghu. Cao Cao heard this. Some of the princes looked very ugly when they saw it. Some of the princes here were not successful enough and failed more than they were. Dong Zhuo would be even more powerful with the help of the masters of the world. They princes had to contact the masters of Wushuang City before, but some The princes actually looked down on Jianghu forces for the sake of noble face, which made Cao Cao want to drive these arrogant princes out of the general's tent.

Cao Cao took a deep breath and said with an ugly face,

"Everyone, be quiet. Everyone, Dong Zhuo and the Tianxiahui have cooperated. There are many masters of the Tianxiahui. We must and need the Jianghu forces to help us fight against the masters of the Tianxiahui. Otherwise, we will not be able to assassinate us by those masters of the Jianghu. It's also hard to guard against."

Sun Jian stood up directly and said to the princes who had just objected, "Yes, don't we also need to contact the people in Wushuang City at the beginning? The forces of Jianghu fight against the forces of Jianghu, we need the help of Wushuang City"

"Yes, to deal with the masters of martial arts, we need the help of Wushuang City." Kong Rong touched his beard and said to the princes who had just objected.

Yuan Shao looked at the princes in the big tent and said decisively, "Okay, we need the help of Jianghu people. Wushuang City comes to the opponent this time. We have an advantage, we can't abandon it, people from Wushuang City come in"

"Yes, leader!"

The princes all became quiet after hearing Yuan Shao's words. Although they looked down on the Jianghu people, they were also afraid of the Jianghu people's assassinations.

Although it was impossible for the Jianghu masters in the coalition of princes to assassinate them, But what if the coalition of princes disbands? Will they have to worry about being assassinated all day long after returning to their respective territories?

Su Yan did not expect the people from Wushuang City to arrive. It seems that the city lord of Wushuang City is also afraid that the world will continue to be a big threat. Come to them.

This time there is a good show to watch, the world will meet!

Unparalleled City!

Jianghu forces versus Jianghu forces!

It seems that the war in Hulao Pass is really changing, and I don't know what changes will happen in the future.

Su Yan laughed as she thought about it.

None of this mattered to her.

She wanted to watch the show.

Three of the four major forces in the Northern Continent's arena have now appeared. Huanyinfang and Dong Zhuo Alliance are around her. The Tianxiahui, Wushuang City, and the princes are now cooperating, so there is only one Xuanming Sect that has not yet appeared.

Su Yan thought about it and was no longer interested in reading any more.

The person who came to Wushuang City must be a pawn.

The Tianxiahui People have already appeared at Hulao Pass, and the masters from Wushuang City are probably also near Hulao Pass. The people from Wushuang City came this time to test whether the princes would cooperate with Wushuang City.

Then Su Yan took Huang Zhong and the others left.

The princes didn't say anything when they saw Su Yan leaving. They didn't dare to stop Su Yan. They didn't dare to offend this cruel little girl. If this little girl went crazy again, they, the princes, would probably also be Unable to stop it.

Southern Continent, Gusu City,

Xuanniao Palace.

In the Fusang Tree Garden, this place has been designated as a forbidden area by Queen Yanfei. No one is allowed to come in here except Su Chen's women.

Su Chen is in the garden After planting the spiritual fruit seedlings and burying the spiritual stones, the spiritual energy in the hibiscus tree garden is very rich, even richer and more abundant than the spiritual energy in some secret places.

Powerful women such as Jellyfish Yin Ji and Shi Guanyin are in retreat here. , even women such as Hu Ji, Zhu Yuyan, and Fan Qinghui will not return to the forces and sects they manage.

This is a holy land for cultivation.

If you can practice here for a year at will, some of them with strong strength can break through.  
Realm of Heaven and Humanity

"who?" The Shadow Assassins were responsible for guarding the Fusang Tree Garden, but a strange aura suddenly appeared here, which made the Shadow Assassins who were hiding here appear one by one to look for the intruder.

"Hahaha!"

A woman's laughter suddenly came out.

This woman did not expect that she would be discovered as soon as she arrived here. It seems that the Xuantian Empire is very powerful. The guards here are really very strict. This is still some The guards discovered her. If those powerful women had not retreated, she might not even be able to enter the Black Bird Palace.

After the shadow assassins discovered a woman in white standing on the high wall, the shadow assassins immediately surrounded the woman one by one. The woman who broke into the Black Bird Palace.

The captain of the Shadow Assassin looked at this powerful woman and asked coldly,

"Who are you? This is the Xuantian Palace of the Xuantian Empire. It's not a place you can come in at will."

"Haha, no one can stop me from where I want to go. Although you are good at it, your strength cannot stop me."

Chapter 1012

In the Black Bird Palace, the intruder looked at the Shadow Assassins and shook his head disdainfully.

Although these Shadow Assassins were all powerful, with the lowest level of cultivation being that of a Grandmaster, she was a terrestrial immortal in the Celestial Realm. , these shadow assassins pose no threat to her.

Boom, boom, boom!

"Catch the assassin. An assassin breaks in. Catch the assassin!"

In Xuannio Palace, after this woman appeared, the secret guards, Xuannio Guards, and even the Six Swordsmen who guarded Xuannio Palace, Li Xuemei, Black and White Siming and other masters appeared around the Fusang Tree Garden one by one.

"oh? The guards of Black Bird Palace are indeed extraordinary, their reaction speed and ability to gather are really powerful." This veiled woman looked at guards, troops, and even powerful masters who kept appearing.

This made her feel the power of the Black Bird Empire.

The Black Bird Palace was indeed heavily guarded. If she hadn't been in the Heavenly Realm, Land fairy, I'm afraid she can't even enter the Black Bird Palace.

Her eyes lit up when she looked at the Fusang Tree Garden.

The aura there had a fatal attraction for her.

She didn't expect that there would be such a person in the Black Bird Palace. A place with rich spiritual energy, which is much richer than the spiritual energy in her secret place.

Boom!

Bang!

At this moment, a woman wearing purple and white-striped slim-fitting clothes and a battle uniform like fish scales suddenly appeared. Take action against this intruder

"Very good, who are you?" After the veiled woman and the woman who attacked her exchanged palms, she looked at the woman who suddenly attacked her and asked curiously.

She didn't expect that this woman who suddenly appeared could palm her and not retreat, although she didn't use her full strength, but she also used six points of her power, which surprised her very much.

She was a terrestrial immortal in the heavenly realm, and the person who attacked her was just a peak grandmaster. She could use six points of her power. It is enough to seriously injure a master at the peak of Grand Master.

No!

This woman is not a master at the peak of Grand Master.

This woman is actually a terrestrial fairy who is half a step into the heaven and human realm.

This makes her interested in this woman.

"See empress!"

When the powerful masters here such as the Dark Guard, Shadow Assassin, Black Bird Guard, and even the Six Sword Slaves saw the arrival of the Jing Salamander, they all saluted the Jing Salamander. The

Jing Salamander held the Jing Salamander Sword and looked at the intruder expressionlessly. She didn't expect that anyone would dare to break into the Xuantiao Palace. You must know that there are several powerful masters in the Xuantiao Palace.

Just because this woman in the Heavenly Realm dared to break into the Xuantiao Palace, could she? Tired of living?

The veiled woman looked at Jing Salamander and asked in surprise, "Empress? It turns out you are Emperor Xuantian's woman"

"Who are you?" Jing Salamander looked at the veiled woman expressionlessly and asked coldly,

"I want to see the jellyfish Yinji"

"Want to see Jellyfish Yin Ji? But your behavior is a challenge to the empire and my husband, and you have to pay the price."

"oh? Just because you can't take me down"

"Yeah? I don't think so."

The Jing Salamander looked at the veiled woman with cold eyes, and she ordered to the surrounding shadow assassins, secret guards, black bird guards, and Six Sword Slave masters,

"Everybody stand down!"

"Yes, empress!"

The surrounding shadow assassins suddenly disappeared one by one, and the masters such as the Dark Guard, Black Bird Guard, and Six Sword Slave Li Xuemei also bowed and retreated.

Whoosh!

The Jing Salamander took the Jing Salamander Sword and quickly dodged towards the veiled woman to kill her. passed

"court death!"

Boom!

The veiled woman did not expect that Jing Salamander would dare to fight her alone, and even attack her first.

This made her look at Jing Salamander and wave her palm angrily.

Jing Salamander and the veiled woman were in the sky above the Black Bird Palace. They fought quickly, and their fighting figures were so fast that the Black Bird Guards could not see clearly. Even the masters of the Secret Guards and Six Sword Slaves could not clearly see the fight between the Frightened Salamander and the Veiled Woman. A building in the Black Bird Palace In the pavilion, Changsun Wuchu, Concubine Yan, Murong Qiuci, Madam Mingzhu, and Zinu looked at the two fighting people above Xuanniiao Palace, and they had no intention of going to help Jingshao.

Changsun Wuchuan looked at Jingsha during the fight. Salamander said worriedly, "Can sister Jing salamander defeat that veiled woman? Concubine Yan smiled when she heard Changsun Wuchuan's words and said, "Haha, Wuchuan, you don't have to worry, I'm afraid Jing Salamander will be promoted to the heavenly realm this time when he fights this veiled woman in the heavenly realm.""

"What? Sister Jingyu is going to advance to the Heavenly Realm?" Chang Sun Wuchu looked at Concubine Yan in surprise and asked.

Concubine Yan looked at Jing Salamander in the battle and was very emotional.

Jing Salamander can be said to be Su Chen's first wife and the earliest woman to follow Su Chen.

Although Jing salamander has always been hiding in the dark, she not only did not manage the former Wu Xiangjun's mansion, but even after Su Chen became the emperor of the empire, she did not let Su Chen make her a concubine, or even compete with her for the position of queen.

It can be said that Jing Salamander has been silently paying for Su Chen, which also made Concubine Yan very grateful to Jing Salamander.

Concubine Yan looked at Jing Salamander in the battle and said, "Well! Jing Salamander is already halfway to the realm of Celestial Realm. This battle with this Celestial Realm terrestrial god should be an opportunity to break through to the Celestial Realm. Murong

Qiuci smiled enviously and said, "Yes, Jing Salamander is very likely to advance to the Heavenly Realm this time, and we people actually let Jing Salamander take the lead." Madam

Mingzhu poured tea for Concubine Yan and the others and said with a smile, "Qiuci, you are about to advance. I'm afraid you will be able to advance to the Heavenly Realm in less than a year."

Murong Qiuci looked at Concubine Yan, Mingzhu and the others and said helplessly,

"Am I still early? well! If I don't deal with state affairs, I can advance to the Heavenly Realm within a year, but if my husband doesn't take care of things, I'm just as busy as you all day long, and I don't have much time to practice. It's impossible for me to advance to the Heavenly Realm as soon as possible."

"That's right, we haven't practiced properly in a long time." Zi Nu nodded and agreed.

Women like them have to deal with state affairs every day. They are so busy every day that they don't have time to practice. If it weren't for the rich spiritual energy in the hibiscus tree garden, they could spend time in the hibiscus tree garden.

After practicing there for a while, they might not even care about what Su Chen asked them to practice.

Boom boom boom boom!

Touch!

"You are no match for us!" The veiled woman said disdainfully, knocking back the Frightened Salamander with one palm.

"That's impossible to say!"

The surprised salamander had a cold expression and just dodged and attacked the veiled woman.

"Are you really planning to die? I won't show any mercy."

"Just take action!"

"court death!"

Boom, boom, boom!

In mid-air, the veiled woman showed no mercy this time. During the battle with Jing Salamander, the veiled woman fought with all her strength against Jing Salamander.

And Jing Salamander also fought with all his strength against this veiled woman. Her body The aura on her body became stronger and stronger, and a smile appeared on the face of the frightened salamander with a perfect figure and a cold face.

She knew she was about to break through.

"Um? You actually use me as a whetstone? You deserve to die!"The veiled woman suddenly felt the breath of Jing Salamander and became very angry.

She did not expect that Jing Salamander would use her as a celestial being as a whetstone.

Whetstone?

This damn woman!

The veiled woman stepped forward quickly in anger. Chu appeared in front of Jing Salamander, and when Jing Salamander was defenseless, he hit Jing Salamander on the back.

Boom! Cough, cough, cough!

Jing Salamander was knocked away by the veiled woman with a palm, and before Jing SalamanderAfter being knocked into the air and smashing several houses, the Frightened Salamander stood up and wiped the blood from her mouth. She was injured and coughing and looked at the veiled woman, her eyes filled with excitement.

"Just a little bit close."

Chapter 1013

The Frightened Salamander took one step back into the air and looked at the veiled woman, then raised her Frightening Salamander Sword.

She was just about to advance to the Heavenly Realm.

In order to be able to help Su Chen and protect Su Chen in the future, she must advance to the Heavenly Realm as a land fairy this time.

The veiled woman must have seen the Frightened Salamander in front of her again, which made her look at the Frightened Salamander and say threateningly,

"Aren't you afraid of death?"

"You have to be careful this time, I'm going to make a killing move."Jing Salamander held up the Jing Salamander sword and said expressionlessly.

When the veiled woman heard Jing Salamander's words, she sneered,"Hi! Just let me come here, but I, a land god in the heavenly realm, am still afraid of you."

"Be careful!"

Jing Salamander looked at the veiled woman and began to gather her skills. This time she was going to use the Royal Sword Art, the Divine Sword Control Thunder Art, hoping that she could use this opportunity to break through to the terrestrial realm of gods and humans.

Boom boom boom!

"The Nine Heavens Mysterious Temple turned into divine thunder! The brilliant power of heaven, lead it with the sword!"

The veiled woman opened her sexy little mouth in shock when she saw the sword technique performed by Jing Salamander.

She did not expect that Jing Salamander would issue such a powerful sword technique.

"How can it be? How could this cause strange phenomena in heaven and earth? Is this an imperial martial arts technique?"

Boom, boom, boom!

There are dark clouds in the sky above Xuannian Palace, and black thunder and lightning are roaring in the sky.

Xuanniao Palace!

No!

The people of this Gusu Imperial City looked at the two people above Xuanniao Palace in surprise. The hazy figures, they didn't know what happened to the Xuannian Palace, but the two hazy figures in the sky above the Xuannian Palace made the people of Gusu City guess that a master had invaded the Xuanniao Palace.

"kill!"

Boom, boom, boom!"

"Damn it, how could this happen? How could these black thunder and lightning be controlled by that woman."

The veiled woman resisted the attack of black thunder and lightning, and looked at the Jingli with great vigilance.

The Emperor-level Sword Art!

This has never appeared in Tianxuan Continent. The King-level Sword Art can tempt those old martial arts monsters. Well, if those old monsters know about the emperor-level sword skills, I'm afraid Xuannian Palace will be bustling in the future.

No!

In Xuannian Palace, there is that pervert Jellyfish Yin Ji, and there are also powerful women like Shi Guanyin, those old Even if a monster comes, it never comes back.

"If you dare to be distracted, you will really die."Jing Salamander saw that the veiled woman was distracted and thinking about other things. This made Jing Salamander increase his attack when he saw the veiled woman.

Boom boom boom!

The black thunder and lightning in the air was as thick as a bucket and struck at the veiled woman.

Puff!!

After resisting several lightning attacks, the veiled woman was hit by black lightning from all directions. The veiled woman also vomited a lot of blood, and her face was very pale.

Whoosh!

The veiled woman knew that she could no longer resist these black lightning attacks. Thunder and lightning, these are not mortals who can deal with lightning attacks.

"How can it be? Why can't I escape from here?"

"Don't waste your efforts, it's impossible for people locked by the Divine Sword and Thunder Control Technique to escape."

"hateful!"

The veiled woman is a little anxious now.

She didn't expect that today she would be used as a whetstone by a woman who is half a step into the heavenly realm. She was even forced to run away by this woman. Now she can't even escape.

Boom boom boom boom!

The entire sky is now pitch black.

Except for the light bursting out from the flashing black thunder and lightning, not even the figures of the Jing Salamander and the veiled woman in the air can be seen.

The Jing Salamander is a half-step cultivation realm of the Heavenly Realm. She uses The Divine Sword Controlling Thunder True Art was countless times more powerful than the Divine Sword Thunder Controlling True Art used by Su Chen. If she hadn't fought with this veiled woman in the sky, the

Black Bird Palace!

No!

Even the entire Gusu City They will all be razed to the ground by Jing Salamander's Divine Sword Controlling Thunder Art.

Boom!

Ahhhhhhhhhh.....

Suddenly, the screaming sound of the Frightened Salamander was heard in the air. As the Frightened Salamander screamed, a powerful aura suddenly erupted from the Frightened Salamander's body. bump!

As a powerful aura erupted from the body of the Frightened Salamander, a crashing sound suddenly came from the Frightened Salamander's body. boom!

Jing Salamander's body erupted with powerful aura and pressure. This was the powerful aura of the Celestial Realm. Jing Salamander succeeded in breaking through. Her current strength is that of a land fairy in the Celestial Realm.

"The Amazing Salamander breaks through successfully"

"yes! Really congratulations to the amazing salamander"

"Huh? What about the veiled woman? Why can't I feel her breath? The veiled woman won't be killed by the Salamander, right?"

"Impossible, the Amazing Salamander will not kill the veiled woman. The veiled woman is an acquaintance of the Jellyfish Yinji. The Amazing Salamander will not kill the veiled woman just for the sake of the Jellyfish Yinji."

"Could it be that the veiled woman escaped the salamander's attack?"

Concubine Yan and Murong Qiuci were very happy when they saw Jing Salamander successfully breaking through. They talked and looked into the air one after another, but after not sensing the aura of the veiled woman, these women frowned and couldn't figure it out.

When The Frightened Salamander reappeared behind the Black Bird Palace, and the sky slowly lit up again, and the terrifying black thunder and lightning also slowly disappeared.

Swish, swish, swish!

Concubine Yan and Murong Qiuci quickly appeared one by one. In front of Jing Salamander, they first wanted to congratulate the land immortal who had been promoted to the heavenly realm, and secondly, they wanted to know what happened to the veiled woman.

Was she dead?

Or had she escaped?

"Sister Jingyu, congratulations!"

"Sister, congratulations on your promotion to the Heavenly Realm!"

"Congratulations!"

"Jing Salamander, you are the first among us women to advance to the Heavenly Realm. Congratulations."

"Haha, congratulations to Jing Salamander for being promoted to the Heavenly Realm."

Five concubines Yan looked at Jing Salamander and congratulated him with smiles.

"Congratulations to Madam for being promoted to the Heavenly Realm!"

"Congratulations to Madam for being promoted to the Heavenly Realm!"

"Congratulations to Madam for being promoted to the Heavenly Realm!"

Xuanniao Guards, Secret Guards, Shadow Assassins, and even Li Xuemei, the masters who guard Xuannio Palace, all saluted Jing salamander.

Although Jing Salamander is not a queen or a concubine, Xuannio Palace Everyone here knows the important position of Jing Salad in His Majesty the Emperor's heart.

Not to mention that the eldest princess Su Yan is Jing Sala's biological daughter. Jing Sala has the same status in their hearts as Queen Yanfei.

"Thank you so many sisters."Jing Salamander showed a smile and said to Murong Qiuci and the others.

Changsun Wuchu took Jing Salamander's hand and asked with a smile,"Sister Jing Salamander, where is the veiled woman? Was he killed? Or escaped?"

"The veiled woman was taken away by Sister Jellyfish Yin Ji."Jing Salamander looked at the hibiscus tree garden and said with a frown.

Jing Salamander did not expect that Jellyfish Yinji would come out of seclusion.

Although she did not want to kill the veiled woman, she did not think that Jellyfish Yinji suddenly came out of seclusion this time. Thinking about it, isn't it true that Jellyfish Yinji's release from seclusion will have an impact on her promotion to the Golden Core Realm? Or is this veiled woman very important to Jellyfish Yinji?

"oh! It turned out that she was rescued by Sister Yinji, a jellyfish. No wonder we didn't feel the aura of the veiled woman."

Chapter 1014

Concubine Yan and the others suddenly realized what they were saying.

No wonder they couldn't sense the aura of the veiled woman. It turned out that they were saved by Jellyfish Yinji. So was Jellyfish Yinji forced to leave seclusion? Or is Jellyfish Yinji about to advance to the Golden Core Realm?

At this time, in the hibiscus tree garden, in front of a stone table.

Jellyfish Yinji and Veiled Woman are sitting here looking at each other.

Jellyfish Yinji is dressed in luxurious clothes, and her noble and mature temperament makes the veiled woman very surprised. Jellyfish Yinji used to be very noble and beautiful, but now Jellyfish Yin Ji looks even more mature, noble and beautiful.

She thought that Jellyfish Yinji would not really have an affair with Emperor Xuantian, right?

Otherwise, why would Jellyfish Yin Ji's Yuan Yin be broken?

Jellyfish Yin Ji looked at the veiled woman and sighed, "Luo Xian, why did you come to the Black Bird Palace? And broke into the Black Bird Palace directly?"

Luo Xian was a man she rescued in the Northern Continent more than ten years ago. Little girl, after she brought this Luo Xian from the Northern Continent to the Western Continent, Luo Xian has been practicing in a secret place.

Jellyfish Yinji was originally planning to treat Luo Xian like Shi Guanyin.

She never found Shi Guanyin in those years, and Luo Xian was also very beautiful, so Jellyfish Yinji was ready to let Luo Xian replace Shi Guanyin.

But after meeting Su Chen, she was no longer interested in other women.

This time Luo Xian arrived and caused such a big thing, which made Jellyfish Yinji very helpless.

Luo Xian recovered from his physical injuries and then said helplessly, "Sister, I have now advanced to the Heavenly Realm. I went to Shenshui Palace to find you and was told that you were in Xuantian Empire's Xuandiao Palace, so I came here to find you. You."

Jellyfish Yinji tapped Luo Xian's forehead and said speechlessly,

"Is this how you came to me? Do you think that the world of heaven and humans can be lawless? If Frightened Salamander hadn't had the intention to kill you this time, even you, a land god in the Heavenly Realm, would have been killed by the Imperial Sword Technique."

"Forehead! Amazing salamander? That woman's name is Jing Salamander? How could she have the Imperial Sword Technique? Even that old pervert Di Shitian doesn't have the Imperial Sword Technique!" Luo Xian gritted his teeth when he heard Jellyfish Yinji's words.

She was tricked by that woman,

Whetstone!

She even almost killed her!

This made her hate the Jingyu very much.

Jellyfish Yinji looked at Looking at Luo Xian, he also knew how she felt now. She had been tricked by a woman whose cultivation level was lower than hers, and was also used as a whetstone. Jellyfish Yinji also felt sad for Luo Xian.

"You don't need to worry about this. Since you have advanced to the Heavenly Realm, you will have the ability to protect yourself in the future. As long as you don't appear in the Northern Continent, Emperor Shitian of Tianmen will not dare to come out of the Northern Continent to catch you. Luo

Xian's eyes brightened when he heard Jellyfish Yinji's words, "Does Emperor Shizhen really dare not leave the Northern Continent?"

She was very worried that her master, Di Shitian, would come to arrest her. Luo Xian was full of fear for Di Shitian. Even if she advanced to the realm of gods, she would probably be killed instantly when facing Di Shitian. Jellyfish Yin Ji nodded and said with a smile,

"With the warning from the future, Emperor Shitian of the Golden Core Realm would not dare to leave the Northern Continent unless he was absolutely sure of defeating the future. Luo

Xian breathed a sigh of relief and said happily after hearing Jellyfish Yinji's words,

"call! Then I can rest assured, eldest sister, I want to stay in Xuannio Palace. The aura here is much richer than the aura in the secret place you found for me. I want to stay here to practice."

"No, you can go to Shenshui Palace to practice. You have a special status. I don't want you to bring trouble to my husband. Emperor Shitian of Tianmen is not something my husband can deal with."

"Sister, wouldn't Emperor Shitian not be able to leave the Northern Continent? You don't have to worry."

Jellyfish Yin Ji shook her head and drank tea and said to Luo Xian,

"But my husband will go to the Northern Continent. My husband wants to unify the Tianxuan Continent, and the Northern Continent also needs to be conquered. If the people from Tianmen know that you are in the Xuantiao Palace, then my husband may have to face you in the Northern Continent in the future. Against an enemy in the Golden Core realm."

Jellyfish Yin Ji will not let Luo Xian stay here.

As Luo Xian, she has learned Emperor Shitian's martial arts from her.

It is impossible for Emperor Shitian to let Luo Xian go.

If Luo Xian is in the Xuantiao Palace The incident was discovered by Emperor Shitian. I am afraid that it will be much more difficult for her husband Su Chen to conquer the Northern Continent in the future, and he will even have to face the threat of a strong man in the Golden Core Realm at all times. When

Luo Xian heard the words of Jellyfish Yinji, he was like She looks pitiful.

The environment here is beautiful and the spiritual energy is very rich.

She is unwilling to leave here.

If she practices here, I am afraid that within a year, she will be able to advance to the middle stage of the Heavenly Realm. In such a treasured Feng Shui land, she But reluctant to leave

"No! If I don't go back to Shenshui Palace, eldest sister, I will always hide in Xuanniao Palace and won't go out. I don't think it is possible for Emperor Shitian to find me here. Besides, the aura here is so rich and abundant that it is even better than your Shenshui Palace. It's a hundred times richer. I don't want to leave such a feng shui treasure."

Jellyfish Yin Ji was very helpless when she heard Luo Xian's words.

It's okay for Luo Xian to stay as long as she doesn't show up. But with Luo Xian's restless personality, can she practice here safely? If Luo Xian sneaks out. Being discovered by Tianmen's disciples, wouldn't that bring big trouble to Su Chen?

Jellyfish Yinji didn't want anything to happen to Su Chen, but she was very helpless when she saw Luo Xian's pitiful look.

Luo Xian looked at When she reached the tea table on the stone table, she poured a cup of tea and started drinking it.

However, she was shocked as soon as she took a sip.

She felt that not only was the spiritual energy washing through her meridians, but it even gave her an understanding of the martial arts she practiced. The feeling became even more profound. She hurriedly sat here to comprehend the martial arts skills she practiced.

Jellyfish Yinji patted her forehead when she saw Luo Xian's condition.

I'm afraid Luo Xian will not leave this time.

These spiritual teas are Su Chen's. It was prepared for women like them. They were the only women in the hibiscus tree garden, so the spiritual tea had not been put away.

Now that Luo Xian knew about the spiritual tea, she might not be able to drive away Luo Xian even if she did.

Jellyfish Yin Ji looked at Luo Xian and disappeared in a flash. She wanted to talk to Concubine Yan and Jing salamander about Luo Xian. Whether Luo Xian can stay here depends on the decision of Concubine Yan and Jing salamander.

In Jellyfish Yin Ji Half an hour after leaving,

Luo Xian woke up from her trance.

When she saw that Jellyfish Yinji was not here, she looked at the tea on the stone table and said doubtfully, "Huh? What kind of tea is this? How could she help me understand the true meaning of the exercises, and even make me understand the exercises I practiced before more deeply. Luo

Xian checked the tea for a while and found no secrets, but she felt that the tea should be the legendary spiritual tea, just like the enlightenment tea in the myth. She looked at the remaining tea and wanted to keep it for herself.

However, she thought that this was the training place of Jellyfish Yinji, and it might even be prepared by Jellyfish Yinji's husband for Jellyfish Yinji. She also looked at it and shook her head with regret and had no intention of touching these spiritual teas.

Fuso tree!

Sakura tree!

There are also these exotic flowers and plants!

The environment here is really pleasant and makes people forget to leave.

Huh?

What kind of tree saplings are these?

"stop! Never touch that seedling."

Chapter 1015

Luo Xian looked at the exotic flowers and plants in the hibiscus tree garden, including precious trees and flowers that she had never seen before. This made her even more satisfied with the place. She couldn't leave even if she was driven away by the jellyfish Yin Ji.

When Luo Xian saw a sapling not far from the hibiscus tree, she was very surprised.

The aura emanating from the sapling frightened her.

"Stop, don't touch that seedling."

Just when Luo Xian was about to take a closer look at the seedling tree, a voice shouted in her ear.

"Who are you? I'm just checking out this seedling tree. Luo Xian said in shock when he saw a beautiful and powerful woman appearing next to him.

It was Donghuang Taiyi who appeared here at this moment.

Oh no!

It was Ji Ruxihe.

She was also Xuan Xuan who returned to Gusu City five days ago. In the Bird Palace, she finally killed Gui Guzi after chasing him for thousands of miles. Originally, she was going to Jiuyuan City to find Su Chen, but when she met the Taoist Bei Mingzi on the road and knew that Su Chen had left, she turned around. Return to the Black Bird Palace in the Southern Continent.

She is not worried about the safety of that bastard Su Chen.

That cunning little bastard is very naughty.

Only he can scheme against others, but no one can scheme against that bastard.

She also saw what happened today. It was clear that if she hadn't taken this opportunity for Jing Salamander to break through to the Heavenly Realm, she would have slapped this rampant female thief to death for daring to break into the Black Bird Palace.

Now this female thief actually wants to touch Su Chen's soul. Fruit tree seedlings, this made Ji Ruxihe very angry.

Su Chen was very precious to this spiritual fruit seedling. Women like them also knew that this spiritual fruit seedling was very precious. Even the spiritual fruit seedling Su Chen buried under the tree. They also know about the spirit stone.

If the spirit fruit seedling tree grows in the future, then they can all eat spirit fruits that are a hundred times better than the red fruit.

How could Ji Ruxihe let Luo Xian mess with this spirit fruit tree seedling casually?

"Stay away from this seedling fruit tree. If it weren't for the fact that you are an old friend of Jellyfish Yinji, you would have died here."

Luo Xian looked at this woman with an unworldly temperament, aloof and refined, even cold, and said timidly, "You.....I'm just looking at it without destroying it. Why are you so unhuman?"

Luo Xian can see that this woman is at the peak of the Heavenly Realm. If this cold woman attacks her, she is no match. She may even be killed by this cold woman in less than ten moves.

Ji Ruxi and Yi He put up his sleeves and said coldly and arrogantly, "Humph! You should be grateful that I didn't kill you when you trespassed into Xuannian Palace, and stay away from here in the future."

Ji Ruxi disappeared after saying that.

This woman is a jellyfish Yin Ji, so she can't teach her a lesson. If she doesn't know what to do in the future, it won't be too late for her to teach her a lesson.

"OMG!"

"Why are there so many powerful beings in the Black Bird Palace? It seems that the maid of Jellyfish Yin Ji is right. There are many people in the Black Bird Palace who are stronger than herself."

"There are also those Shi Guanyin, Bai Ruobing and others whom I have not seen. This is a real dragon's pond and tiger's den!"

Luo Xian returned to the stone table under the fusang tree and muttered helplessly to herself with her chin raised.

She finally understood why Xuanniao Palace was called the safest and most dangerous place in Tianxuan Continent..At this moment, in Shengjing City in the Western Continent.

In the early morning,

Su Chen came out of the room with a confused expression.

He thought that he had clearly entered Hai Lanzhu's room, but why was Dayu'er by his side so early in the morning? Could it be that she fell asleep and entered the wrong room after going out at night?

In the pavilion,

Gongsun Liji smiled when she saw Su Chen coming over and asked, "Su Chen, why did you get up so early?"

"I've rested for half a day and a night, and I'm afraid I won't be able to wake up if I go to sleep again." Su Chen took the tea that Gongsun Liji poured for him and said casually in a depressed tone.

When Gongsun Liji heard Su Chen's words, she hurriedly covered his mouth and shouted, "Bah! What are you talking nonsense about? How can you say those words?"

"Hahaha! Li Ji, are you in love with me?"

"ha? Am I in love with you? Just dream! Even if I'm in love with a pig, I can't possibly be in love with you, a bastard." When Gongsun Liji heard Su Chen's words, her face turned red and she lowered her head and cursed.

She didn't expect this bastard to say this, damn bastard!

Although she had a good impression of this bastard and was even emotionally attracted to him, but She has never forgotten the death of her senior brother Jing Ke. Although she did not blame this bastard for Jing Ke's death, he could not escape his involvement.

Su Chen took a sip of tea and said to Gongsun Liji, "Liji, inform Mei Sanniang, We will leave for Guannai at noon"

"So urgent? Have you finished all your matters?" Gongsun Liji looked at her confusedly and was very puzzled.

This bastard took more than ten days to arrive in Shengjing City, but he only stayed for one night and was about to leave.

This bastard couldn't be playing tricks on them. Bar?

"Everything has been dealt with. The world in the twelve states of the Western Continent is now in a mess. I'd better deal with it as soon as possible."

Su Chen smiled helplessly and drank tea.

He didn't want to leave so early.

But the things he did last night made him not know how to face Hai Lanzhu and Dayu'er. After all, he had broken Dayu'er. Su Chen's innocence.

It's not that Su Chen wanted to give up on Dayu'er.

It's just that it would be awkward if they met again.

He didn't think about what to say to Dayu'er. He thought it would be better to talk about it later. Dayu'er couldn't run away anyway.

"oh! I understand. I will inform Mei Sanniang immediately."

Su Chen shook his head when he saw Gongsun Liji leaving. He thought of the system prompt last night and communicated with the system,

"System, I want to receive this month's gift pack"

"Ding, congratulations to the host for getting a one-month gift pack"

"System, open the monthly gift package!"

"Ding, the moon gift package is open. Congratulations to the host for getting: World Passage (remnant), ten sets of wide-sleeved flowing fairy skirts (fake), ten sets of pleated Ruyi Moon Skirts (fake), ten laurel fruits, and one hundred primary spiritual stones. Ten intermediate spiritual stones, twenty red fruits, and one hundred shadow assassins (grandmaster level)"

"I'll do it! This time it was a big hit again, but why are there two types of women's dresses? There are also ten sets of each."

Su Chen looked at the items in the system space and smiled.

He got a lot of items this time, especially the world passage (remnant).

This is already the third fragment of the world passage he got. If he gets two more pieces The fragments of the world passage can be combined into a complete world passage. I don't know which big world this world passage leads to.

"System, please introduce to me this wide-sleeved flow fairy skirt and pleated Ruyi moon skirt. Why do these women's dresses have the word"pseudo" in them?"

Chapter 1016

On the grasslands of the Western Continent, under the control of the Xuantian Empire, groups of Jurchen female cavalry were galloping on the grasslands. Each of them carried an edict written by Hai Lanzhu. The edict was stamped by Su Chen as the Xuantian Empire. After sealing, these female cavalry announced war recruitment orders to various tribes on the grassland.

Among the grassland Linhu tribe, the Linhu tribe is a large tribe with a population of more than 100,000. However, after the Xuantian Empire controlled the eastern grassland, the Linhu tribe did not dare to annex other weak tribes at will, otherwise the Linhu tribe would suffer The black armored troops who went to Shanhaiguan and Shengjing City were annihilated.

The Xuantian Empire's black-armored cavalry is very powerful. Not only are there 200,000 elite black-armored cavalry from the Eastern Combat Legion in Shanhaiguan, but the more than 200,000 Jurchen women's black-armored cavalry in Shengjing City are also very powerful.

The armor is sharp!

The army is strong!

There were many unruly alien tribes on the grassland that were wiped out by the black-armored army. Even the entire tribe was completely destroyed. The men were all slaughtered as tall as a

wheel, and all the women were demoted to slaves and escorted to Shanhaiguan and Shengjing. Think about those alien tribes. The woman's fate will not be easy in the future.

In a luxurious tent among the Linhu tribe, a Linhu cavalryman ran over on horseback and shouted,

"Report, first order, a messenger came from Shengjing City"

"Take me to the messenger quickly!" After hearing this, the leader of the Linhu tribe hurriedly ordered the Linhu cavalry.

The leader of the Linhu tribe did not dare to neglect the envoys coming from Shengjing City.

If he angered the envoys from Shengjing City,

I am afraid that the powerful black ones will come next time. Army A

"Yes, leader."

In the Linhu tribe, tens of thousands of Linhu people looked at the arriving group of black-armored female cavalry with great respect.

These foreign tribes knew the origins of these black-armored female cavalry. These were the black-armored women from Shengjing City. Army, it is said that Hai Lanzhu, the controller of Shengjing City, is the woman of the Emperor of Xuantian Empire.

Although the Linhu tribe is very powerful among the grassland tribes and is a large tribe with a population of more than 100,000, it is not at all the same as the Xuantian Empire. It may be comparable.

The huge Xuantian Empire controls two of the four continents in the Tianxuan Continent. There are millions of elite black-armored troops, and there are millions of servants. Any one of the Xuantian Empire The fighting legions were able to easily destroy their Linhu tribe.

The leader of the Linhu tribe hurriedly came to the priest of the Linhu tribe. When he saw a group of black-armored Jurchen female cavalry in front of the priest, the leader of the Linhu tribe came

The black-armored female cavalry saluted and said,"Aji Taikang, the leader of the Linhu tribe, has met the envoy from Shengjing City."

"Aji Taikang, leader of the Linhu tribe, and His Majesty the Emperor of the Xuantian Empire issued an order!"A female cavalry captain took out a black black bird scroll and held it up high, saying,

"Aji Taikang of the Linhu tribe respectfully welcomes the imperial edict!"The leader of the Linhu tribe immediately knelt down and saluted.

Tens of thousands of people from the Linhu tribe around him also knelt down.

They were frightened.

This was an edict from the Emperor of Xuantian Empire!

Xuantian Empire's How could the Bird Edict issue an order to a small tribe like them? The Linhu tribe is loyal to the Xuantian Empire and has not violated any of the Xuantian Empire's orders. The people here are worried that His Majesty the Emperor will order their massacre. tribe.

The black-armored female cavalry captain saw that the people of the Linhu tribe around her were kneeling, so she opened the black bird scroll and read loudly,

"Xuantian Empire, His Majesty the Emperor declares!"

"Zhaoling: The Linhu tribe will assemble 30,000 elite tribesmen from now on and assemble in Shengjing City within half a month. For example, they will not obey the order, delay their arrival in Shengjing City, and use the old, weak, sick and disabled as elite troops to exterminate the tribe!"

"His Majesty the Emperor decrees!"

"Tianxuan Continent, Xuanniao Calendar, the first day of the second lunar month of the first year"

"The Linhu tribe accepts the order! The Linhu tribe obeyed His Majesty the Emperor's orders."The leader of the Linhu tribe respectfully took the Black Bird scroll with both hands and said hurriedly,

"Linhu tribe, then we won't stay any longer. We have to go to other tribes to announce His Majesty's decree."

"Messenger, can you tell me why His Majesty the Emperor wants to assemble the army?"

"The leader of the Linhu tribe is about to launch a war to destroy the country. I hope you, the Linhu tribe, can perform well this time. Farewell!"

"A war to destroy the country? His Majesty the Emperor wants to destroy those countries again?" When the leader of the Linhu tribe saw the female black-armored cavalry leaving in a hurry, he muttered to himself in confusion.

A Linhu general came to the tribe leader and asked directly, "Chief! Should our Linhu tribe gather an army?"

The bearded leader of the Linhu tribe shouted excitedly and ordered, "Gather, assemble immediately, gather all the elite troops of our Linhu tribe."

"Are we, Lin Hu, all of our strong troops assembled?" The general of the Linhu tribe was surprised when he heard what the leader said.

His Majesty the Emperor's edict stated that 30,000 Linhu tribe troops should be gathered, but how could the leader gather all the strong Linhu troops? If all the strong Linhu people were gathered, that can gather an army of almost 50,000.

The leader of the Linhu tribe looked at his general and said seriously,

"Yes, this war is an opportunity for our Linhu tribe. As long as our Linhu tribe performs well in the war, the commander of the Hailanzhu Army will definitely reward our Linhu tribe with fine wine, fried tea, soap, and even snow salt and Food, by then our Linhu tribe will be able to get it."

The leader of the Linhu tribe is very much looking forward to the luxury jewelry in Shengjing City, but their tribe has never performed meritorious service, and the nobles who can exchange for the luxury jewelry every time are not enough. General Linhu asked very worriedly, "But The strong troops of our Linhu tribe have left, what will happen to the tribe? What should we do if we are attacked by other tribes and take away the women and children of our tribe?"

The leader of the Linhu tribe patted his general on the shoulder and said with a smile,

"Ha ha! Don't worry, the tribes on the grassland dare not do this at this time. The war call order was personally issued by His Majesty the Emperor. No matter which tribe dares to cause trouble during the war, the commander of the Hailanzhu Army will massacre their entire tribe."

"Leader, then I will immediately assemble my clan's army"

"Go for it!"

At this moment, other tribes on the grassland began to assemble their troops to assemble in Shengjing City, whether they wanted to or not. These foreign tribes did not dare to disobey His Majesty the Emperor's orders.

They did not obey orders from Shengjing City and Shanhaiguan. If they listen, they will be massacred. They dare not object to His Majesty's orders at all. If these foreign tribes violate His Majesty's orders, I am afraid that what awaits them is a crueler punishment than massacre. In

Shengjing City,

Su Chen looked at Looking at the beautiful women's dresses in the system space, he asked the system, "System, please introduce to me this wide-sleeved flowing fairy skirt and pleated Ruyi moon skirt. Why do these women's dresses have a fake word in them?"

"Ding, the wide-sleeved flowing fairy skirt and the pleated Ruyi Moon Skirt: they were originally the dresses of powerful fairies in the fairy world. These dresses only have 5% of their original abilities in the world of comprehensive martial arts, so they are fake fairy dresses in the fairy world."

"This is a woman's dress that can change its appearance and color at will. It can automatically remove dust without washing. It can even withstand three fatal attacks from the Celestial Realm. Attacks below the Celestial Realm can weaken half of the attacks."

Su Chen was stunned when he heard the introduction of the system and said, "Damn it! Five percent have such abilities, aren't these dresses too powerful? What would happen if it was 100%? Can it withstand Daluo Jinxian's fatal attack?"

Chapter 1017

Su Chen was embarrassed when looking at these beautiful dresses. Not only were these dresses stunning, but they also had very strong protective capabilities.

But who are these clothes for?

He only has twenty such dresses in his hand, which is not enough!

Su Chen felt a headache after patting his forehead.

"System, Laurel Guo, please introduce it to me." Su Chen shook his head and looked at the bay fruit in the system space and asked,

"Ding, bay fruit: the spiritual fruit produced by the spiritual tree laurel. Eating bay fruit can not only improve the cultivation qualifications and expand the meridians, but also remove dirt and impurities from the body, completely transforming the body of the eater into a body without any traces."

"This is similar to the function of spiritual tea, but what is the body of Wuyu?"

"Ding, the body of Wuyu: also called the innate body, the meridians are naturally smooth. There will be no bottlenecks in the early and middle stages of cultivation, and it will be smoother when comprehending the artistic conception."

"I go! Doesn't this turn a fool into a genius?" Su Chen was very shocked when he saw the bay fruit.

If he had gotten it earlier, These laurel fruits,

I'm afraid he is now a terrestrial immortal in the heavenly realm.

This collection is very large. The World Passage (remnant) and laurel fruits alone are a big collection.

There are also these beautiful fake fairy clothes.

Although these fairy clothes made it difficult for him to distribute them, he had to say that these clothes were very beautiful and powerful.

There are also shadow assassins with master strength. With these powerful shadow assassins, you will be able to deal with ordinary people in the world more easily in the future.

It's just that he didn't get the army this time, which surprised Su Chen very much.

He didn't get the army this time, and he didn't get the army supplies and equipment. Could it be that the system thought that the number of his troops was enough?

Or did you get too many good items this time, so you didn't open up any more elite troops and supplies?

At this time,

Hai Lanzhu, who was dressed in gorgeous clothes, came over with a smile and asked, "Husband, are you leaving after noon today?"

Su Chen nodded and said to Hai Lanzhu, "Yes! In the Western Continent, People from all walks of life have appeared. I have to deal with it as soon as possible, otherwise it will be very detrimental to the rule of our Xuantian Empire."

Hai Lanzhu sat next to Su Chen and said suspiciously, "Then you don't have to go there in person. You're not going to take advantage of those beauties again, are you?"

Snap!

When Su Chen heard Hai Lanzhu, he picked her up and taught her a lesson.

He hadn't settled the accounts with Hai Lanzhu yet, but Hai Lanzhu actually suspected that he was looking for flowers again.

Su Chen already had enough women now, although he didn't have those The emperor has many women, but not too many. He will not have three palaces, six courtyards and seventy-two concubines like those emperors.

"Damn it, I haven't settled the score with you yet. What happened to your cousin Dayu'er? Why is she in your room? Don't tell me you don't know"

"Husband.....you.....I....."Hailanzhu's face turned red after being beaten by Su Chen in front of the surrounding maids, and she didn't know what to say. There was also something about Da Yu'er, and she had no choice.

Da Yu'er kept begging her, and

Hai Lanzhu didn't want to Let Dayu'er miss Su Chen.

Since Da Yu'er already fell in love with Su Chen and she asked him for help, how could she refuse? Besides, if they Jurchens like a man, they won't drag their mother around, and there's nothing wrong with Da Yu'er doing that.

Su Chen looked at the blushing Hai Lanzhu and asked funnyly,"What are you? Have you ever given up on your husband like this?"

Hai Lanzhu said apologetically with a blushing face,"Husband, Da Yu'er has treated you badly. I'm in love, otherwise I wouldn't have swapped rooms with me at night. Don't blame Da Yu'er for doing that because she's greedy for wealth."

"Can I be unclear? You should have informed me of these things in advance? As a result, I don't know how to face Da Yuer now."Su Chen touched Hai Lanzhu's hair and said helplessly,

"hehe! Now Da Yu'er doesn't dare to face you, you bastard. Now Da Yu'er is still bedridden. You, bastard, were too cruel last night."

"I'll do it! I thought she was you last night"

"You are so shameless. Is my figure the same as Da Yuer's?"

"Forehead!"

Su Chen was speechless.

He also felt at that time that the woman in his arms was not Hai Lanzhu. Hai Lanzhu's figure was convex and a little thin, while Da Yu'er's figure was bumpy and even very plump.

But the scene at that time No man would stop. Su Chen also made mistakes. Anyway, it was Da Yu'er who brought it to his door automatically. If you don't eat it, you won't get it for free, and if you eat it, you won't suffer any loss.

Su Chen took out three red fruits from the system space and handed them to him. Hailanzhu said,

"By the way, you and your two cousins eat these fruits, so that your strength can at least be promoted to the master level, and the martial arts you practiced in the Xuannio Palace Martial Pavilion will also be taught to your two cousins. , their strength is somewhat poor."

Hai Lanzhu smiled and took the two red fruits and said,

"Zhu Guo, I have one. Sister Yan Fei gave me one. I haven't had time to eat it yet. I want to cultivate to the peak of the Xiantian realm before eating it. In this way, I won't be able to reach the level of a great master."

"It's up to you. You can keep the remaining Zhu Guo. If you are injured in the future, you can use the Zhu Guo to recover from the injury."

"Um! I know."

Su Chenyou then handed over thirty shadow assassins to Hailanzhu. The three teams of shadow assassins will be more than enough to protect Hailanzhu and Dayu'er in the future. They will not fight against the Jianghu people. There are shadow assassins with them in the war. To protect Su Chen, there is no need to worry about their safety.

Su Chen did not give the fake fairy clothes to Hailanzhu and the others.

After all, they will either be in Shengjing City or Xuannio Palace in the future. They don't have to deal with that martial arts master.

These fairy clothes should still be given to them. Women in need, like Jellyfish Yin Ji and Jing Salamander, are in great need of such protection. In the northern continent, in front of Hulao Pass,

Lu Bu led an army of 100,000 to appear in front of the coalition of princes, and arrogantly cursed the coalition of princes. Get up.

Yuan Shao and the princes also led more than 200,000 troops to confront Lu Bu.

However, the allied forces of the princes were killed by Lu Bu for more than ten generals in a row.

The princes also knew how powerful Lu Bu was. He was a great general.

They Even if these princes used their hidden generals, it was of no use. They were all killed by Lu Bu in three or five blows.

"They are all trash, anyone dares to fight me?" Lu Bu, riding the red rabbit, immediately looked around at the generals he had killed and shouted wildly.

Yuan Shao looked at the princes with an ugly face and said, "What should we do? Lu Bu is really too powerful, and none of our generals can be a match for Lu Bu."

Yuan Shao lost three powerful generals this time.

He suffered a big loss this time. These generals were all powerful masters that he paid heavily to buy. , he originally wanted to use these powerful generals to unify Yizhou, but now they were all defeated in front of Hulao Pass. When

Cao Cao saw Yuan Shao looking at him, he also knew that he should try his best.

More than ten generals from the princes died one after another. , Cao Cao's generals haven't sent out any of his generals yet. If he doesn't send out his generals, these princes will have objections to him.

"Xia Houyuan, go kill Lu Bu"

"Lord, I am no match for Lu Bu. Lu Bu is at the level of a great master, and his strength can be exploded several times while riding on a horse. I am only at the level of a grandmaster. Even if I fight Lu Bu, I will probably be killed within ten moves. Die."

Chapter 1018

Cao Cao looked at his generals and didn't know who to abandon. These were all brothers of his own clan.

But if he doesn't make a choice now, I'm afraid the princes here will have objections to him, and he may even offend all the princes.

Xia Houyuan! Xiahou Dun! Cao Ren! Cao Hong! Cao Chun! He didn't want to give up any of these, but he could only choose one of them to fight Lu Bu, hoping that his brothers of the same race could escape with their lives.

In the end, Cao Cao chose Xia Houyuan, a reckless man, but Xia Houyuan didn't say anything. If he asked him to fight, Xia Houyuan would definitely refuse, and then he would be able to step down.

Xia Houyuan was stunned when he heard Cao Cao's words. He was only at the level of a grandmaster. Although his strength was good, Lu Bu had killed several masters in a row. Wouldn't he also be killed if he went up?

Did Cao Cao ask him to die like this?

Does Cao Cao not care about the feelings of the same clan at all?

When Xia Houyuan said those words, the princes nearby looked at Xia Houyuan, Cao Cao, with contempt, but Cao Cao quietly gave Xia Houyuan a thumbs up.

Xia Houyuan saw Cao Cao's gesture and understood that Cao Cao was not asking him to die, but was asking him to cowardly refuse to fight in a humiliating way, and the resentment in Xia Houyuan's heart was wiped away.

Cao Cao offered his services to the surrounding princes and said with a serious face,

"Everyone, what should we do now? My generals, like all your generals, will be killed even if they fight Lu Bu, which will definitely affect the morale of the army even more."

The princes nodded after hearing Cao Cao's words. They all felt that Lu Bu should not be allowed to continue killing. In this case, the coalition of princes would be completely afraid of Lu Bu. They all talked about how to deal with Lu

Bu. huge obstacle

"Meng De is right, we can't let Lu Bu be arrogant anymore"

"Lu Bu is very powerful in martial arts, but none of our generals can match us. What should we do?"

"Aren't the people from Wushuang City in the camp? We can't let the people from Wushuang City take action."

"No, the people from Wushuang City have to deal with the masters from the Tianxiahui. If the people from Wushuang City appear on the battlefield, the masters from the Tianxiahui will also appear on the battlefield."

"Let the people from Wushuang City take action, otherwise we princes will not even be able to capture a Hulao Pass, and the people of the world will not know how to laugh at our alliance of princes."

"Yes, let Wushuang City take action. We can't delay any longer. We have been blocked at Hulao Pass for more than half a month, and the army's food and grass may not last long."

Yuan Shao looked at the majestic Lu Bu on the battlefield and nodded, "Come here, please invite people from Wushuang City to come."

"Yes, leader! Yuan

Shu suddenly looked around and said to the princes, "By the way, where is Miss Yan?" Why didn't I see Miss Yan here? Kong

Rong touched his beard and shook his head and said, "Miss Yan has not been here these days, nor has she participated in the war. I don't know what Miss Yan is doing."

"What? Miss Yan did not participate in the war? Then why did Miss Yan's people ask for a lot of food, grass and weapons for me?"

Yuan Shu was confused when he heard Kong Rong's words.

He was responsible for managing the food, fodder and logistics of the coalition of princes. How could Miss Yan need so many weapons and food and fodder when she had not participated in the war these days?

How could weapons and armor be damaged without fighting?

There is a daily ration of food and grass, and an army that is not fighting cannot receive extra meals.

When Sun Jian heard Yuan Shu's words, he shouted angrily, "Huh?" Well, Yuan Shu, when I ask for food and grass for you, I either refuse or say I don't have it. Then why do you give it to Miss Yan whenever she asks for it?"

Sun Jian's army can only eat one meal a day, and they fight hungry all day long.

Every time he asks for food and grass for Yuan Shu, Yuan Shu keeps refusing to give him food and grass. Now he hears that Yuan Shu keeps giving him food and grass. Miss Yan provided food and grass, how could this not make her angry?

"I do not know what you're talking about"

"Yuan Shu, you are a despicable person"

"Okay, everyone, shut up. People from Wushuang City will be here soon. We don't want those Jianghu people to see the jokes of our princes. Yuan Shu will allocate food and grass to Sun Jian later."

"this.....It's the leader!"Yuan Shu looked at the surrounding princes who were all angry at him. He was also afraid of provoking public anger, so he hurriedly nodded and agreed.

After Yuan Shu agreed, he glared at Sun Jian fiercely.

It was all his fault for this stupid reckless man.

If it weren't for Sun Jian, He will not be embarrassed here.

Besides, can Sun Jian be compared with Miss Yan?

In the past half a month, the princes have clearly inquired about the affairs of Jingzhou.

Miss Yan really controls the entire Jingzhou. He even controlled more than 200,000 troops in Jingzhou. Miss Yan was an out-and-out big prince. How could Sun Jian, a useless person, be compared to Miss Yan?

A messenger ran over and hurriedly saluted Yuan Shao,

"To inform the leader, the people from Wushuang City have all gone to Miss Yan. When I went over to invite the people from Wushuang City, the people from Wushuang City said that they didn't care about the affairs between the imperial courts, they were just experts in dealing with the world."

After hearing this, a prince said angrily,"Asshole, Wushuang City has already formed an alliance with our princes, how can they say this? Zhang Yang , the deceived eunuch, also stood up and said angrily,"These Jianghu people are just unreliable. I think we should let Miss Yan's men take action. Don't Miss Yan's men have masters from Huanyinfang?" We can go ask Miss Yan!"

"Yes, we still need our own people. Miss Yan is more reliable than those people in the world."Xiliang Prefect Ma Teng looked at the surrounding princes and nodded.

Miss Yan previously only wanted a beautiful woman for each prince, so she sent one of her men to deal with Hua Xiong.

This time, if Miss Yan goes too far, will she still do it? Do you want ten or eight beauties?

"I'll put up my no-war sign today. Let's go, let's go find Miss Yan."

"Okay, go find Miss Yan."

At this time, in the Jingzhou Army camp,

Su Yan was a little annoyed when he saw the people from Wushuang City arriving every day. She must have ordered the people from the Shadow Team to drive these people away because Ming Yue was such a delicate beauty. People left her barracks.

Mingyue looked at Su Yan and felt very helpless. This little girl was too ghostly. No matter what she said, she was cleverly rejected by this little girl. Her lips were almost worn out in the past few days. But this little girl just didn't say anything.

Mingyue also didn't expect that there was a person like Miss Yan in the coalition of princes, and Miss Yan had too many powerful people, even stronger than the masters she brought this time. There were seven big ones in total. Grandmaster, this is a bit scary to her. There are four great masters coming from the Tianxiahui this time, and they only have two great masters from Wushuang City.

If she wants to destroy the masters of the Tianxiahui, she can only rely on this word Miss, otherwise all the men she brought this time will be dead, and they won't be able to kill the masters of the Tianxiahui.

"Miss Yan, just agree to let the masters from Huanyinfang help me. If I can kill the masters from Tianxiahui this time, I, Mingyue, owe you a favor. No matter what you ask me to do in the future, I can do it."

"Is it okay for you to marry someone else?"

Su Yan looked at Mingyue and felt very funny.

What Mingyue said sounded nice. No matter what he asked her to do in the future, she could do anything. Whoever believed this was a fool. Did she really think that she would be deceived as a child?

In the big tent, whether it was Xuan Jingtian and the others from Huanyinfang or Le Bingyun and the Shadow Team, they all looked at Mingyue with great disdain.

Although the eldest princess Su Yan is only a child, the eldest princess is very smart and intelligent. How could Mingyue in Wushuang City deceive the eldest princess? I am afraid that Mingyue will be tricked by the eldest princess in a short time and she will not be able to tell the difference between east, west and north.

After Su Yan said that Mingyue should get married, everyone in the big tent looked at Mingyue. They all wanted to see Mingyue's answer.

Cai Yan and Zhen Mi also looked at Mingyue, but they knew that Su Yan was not joking.

Mingyue is very beautiful, especially Mingyue's slender body and long legs. This makes Cai Yan and Zhen Mi very envious, but they don't have Mingyue's long body and height.

"Miss Yan, are you kidding me?"

"Am I kidding?"

"picture!"

Su Yan looked at Mingyue's expression and said mockingly, "Tsk! Miss Mingyue, I know exactly what you are thinking. Don't waste your time. I can't help you for no reason."

Ming Yue was completely speechless for this little girl.

How could she agree to this little girl?

She was about to cancel an engagement. How could she jump into another fire pit before the engagement was cancelled?

The origin of this little girl is very terrifying. She If I deceive this little girl, I am afraid that I will be retaliated by this little girl in the future.

At this time, a soldier came into the tent and saluted Su Yan and said, "Miss, the princes have arrived."

"oh? Aren't the princes at war today? Why are you here? Was he abused by that Lu Bu again today? Let them all come." Su Yan didn't expect that the princes would come to her. She touched her chin and thought for a while before guessing that today's war would also be very unsatisfactory.

"Yes, miss!"

"I've met Miss Yan!"

"Everyone, please take a seat!"

"Thank you, Miss Yan."

The princes all looked at Mingyue of Wushuang City next to them and ignored her. They were very dissatisfied with this ally now.

After Yuan Shao sat down, he touched his beard and said with a smile,

"Miss Yan, this time we are here to hope that Miss Yan will take action again. None of the generals under Lu Bu are our opponents. Now we can only hope that Miss Yan will help this time. On the condition that Miss Yan starts"

"Is Lu Bu really that powerful?" Su Yan looked at the princes and asked curiously. In the past few days, the princes have been defeated by Lu Bu every day, and many troops and generals have died. Su Yan is somewhat interested in this Lu Bu.

Cao Cao said seriously:"I He said seriously to Su Yan,"Yes, although Lu Bu is only a great master, his momentum on the battlefield is very powerful, and his strength is several times stronger than usual."

Sun Jian thought about his subordinates being beaten by Lu Bu. He said helplessly when Zhao was killed,

"Yes, the generals in our coalition of princes are all at the level of masters. They are not Lu Bu's opponents in the first place. However, Lu Bu may have the power of ghosts and gods on the battlefield, and his strength has increased too much. But Lu Bu is really Lu Bu among men. , horse red rabbit"

"Mingyue, can your Wushuang city help get rid of that Lu Bu?"Su Yan looked at Mingyue and smiled and said.

Mingyue looked at Su Yan, her eyes flashed and she smiled and said,"Miss Yan, Lu Bu is very powerful. We have no confidence in killing Lu Bu."

"oh! What use do you have? Why don't you just leave on your own? It's very annoying for useless people to stay here."

Su Yan doesn't believe that Mingyue can't kill that Lu Bu, who is just a mere general.

With Mingyue's peak strength, it should be effortless for Mingyue to kill Lu Bu.

This Mingyue probably wants to bargain with him, or even want his help. She removed those people from the Tianxiahui.

The princes nodded their heads when they heard Su Yan's words.

They were all dissatisfied with the people in Wushuang City. Although they had promised the people in Wushuang City that they would only deal with the masters from the Tianxiahui, they still couldn't. It was said that the people of Wushuang City would help these princes solve some problems at the critical moment.

The princes are now encountering difficulties, and the people of Wushuang City are standing idly by. This makes them, the princes, not optimistic about forming an alliance with the people of Wushuang City.

Mingyue heard Su Yan's face changed slightly when she said this. She looked at the princes around her and felt helpless. These princes were obviously supporting Miss Yan. A bitter smile appeared on Mingyue's face. Su Yan said,

"Miss Yan, it's not that I don't want to deal with that general Lu Bu. You should know that if I help, people from the Tianxiahui will also take action. When the war breaks out, our Wushuang City will not be the opponent of the four great masters of the Tianxiahui."

"hehe! I don't believe you, nor do I believe that these masters will only come to Wushuang City. You are the future young lady of the young city lord of Wushuang City. I'm afraid the young city lord of Wushuang City won't let you take risks here, right?"

"Miss Yan, Shaocheng of Wushuang City.....

"I know, I know that the young city lord of Wushuang City is a dandy who is good at eating, drinking, prostitution and gambling, but he seems to be obsessed with beautiful women like you. You don't know this, right? She took out a secret letter and handed it to Mingyue and continued,"The young city lord of Wushuang City has already arrived at Hulao Pass. Take a look at this letter.""

"I....."

Su Yan waved to Mingyue and then stood up and ordered Yuan Shao,"Leader Yuan, we will have a decisive battle with Lu Bu tomorrow. All the troops will be dispatched. Also, send troops to bypass Hulao Pass tonight and attack from both sides to capture Hu Lao Pass tomorrow." Lao Pass."

Yuan Shao nodded when he heard Su Yan's words,"Okay, with Miss Yan's help, we will definitely successfully capture Hulao Pass tomorrow."

He knew that as long as Miss Yan's men kill Lu Bu tomorrow, Hulao Pass will be destroyed. There is nothing to be afraid of. If you attack Hulao Pass from behind, you will definitely win this first pass in the world.

"Each of you princes will add one beautiful woman to me. After the war, you will find two beauties for me."

"No problem, we all agreed"

"Don't worry, Miss Yan, we will definitely do it."

"Just two beauties, we will definitely send them to Miss Yan"

"Haha, Miss Yan, I, Yuan Shu, promise to find you one more beautiful woman."

The princes all smiled at Su Yan in a relaxed manner and said, with the help of Su Yan's masters from Huanyinfang, they will definitely win this war, and Hulao Pass, the first pass in the world, will definitely be broken by them tomorrow.

Among the princes After they left,

Su Yan looked at Mingyue who was still here and shook her little head. Mingyue must have had a headache for the upcoming young city lord of Wushuang City.

"Mingyue, if you agree with what I said before, I will solve the problem for you as the young city lord of Wushuang City. Do you agree or not?"

Chapter 1020

Mingyue did not give Su Yan an accurate answer in the end.

She just said that she would think about it before returning to Su Yan.

Mingyue was very confused in her tent. The origin of this girl Su Yan was mysterious, and Huanyinfang, who had never been involved in political affairs, actually helped Su Yan and even obeyed Su Yan's orders.

Could it be that this girl is the daughter of the Empress of Huanyinfang?

The Empress of Huanyinfang secretly gave birth to a daughter?

Who did the empress have a child with?

The empress asked her daughter to control the seven counties of Jingzhou. Did she really want to be a real empress?

The more Mingyue thinks about it, the more likely it is that the empress may really want to control the world. The empress has now sent her daughter to control Jingzhou, and has even established a relationship with these princes. It will be beneficial to her to control the world in the future. , this time the princes attacked Dong Zhuo, but it was very important to their reputation.

The empress's daughter, Miss Yan, will definitely gain both fame and fortune this time.

The empress has really good plans! This is much more powerful than Wushuang City, Tianxiahui, and even the Xuanming Sect, which has been plotting and plotting. Fortunately, she is the empress of Huanyinfang. If she doesn't take action, it will be shocking.

"Do you want to cooperate with Miss Yan and the Empress? If he agreed to that Miss Yan, if she really let him get married in the future, then he would really have no ability to resist."

"By the way, why is that Miss Yan searching for beautiful women everywhere? Is Huanyinfang planning to use beautiful women to control the princes here?"

Mingyue held her chin up while thinking about these troublesome things, and she guessed to herself that she really couldn't make a decision now. The playboy's fiancé was coming tomorrow, and she didn't know whether she should agree or not. That Miss Yan.

She was worried that she had just escaped from the wolf's den and entered the tiger's den again, and there was no way she could escape from this tiger's den.

The next day, more than 600,000 princes' coalition forces were dispatched, and a dark army was deployed outside Hulao Pass. The military formation was opened, and Dong Zhuo's army at Hulao Pass was also looking eagerly at the coalition of princes under the city.

Lu Bu stood on the city wall and took a breath of air when he looked at the dark and heavy coalition of princes outside Hulao Pass.

More than 600,000 troops appeared. At Hulao Pass.

This is very shocking.

Although he is powerful, he does not think he can survive among hundreds of thousands of troops.

Siege ladders, battering rams, catapults, these siege weapons appear densely in the Hulao Pass was not far away, which frightened Lu Bu even more.

Lu Bu looked at the hundreds of thousands of troops under Hulao Pass and asked in confusion, "What's going on today?" Why did Yuan Shao send out all his troops to attack Hulao Pass?"

Zhang Liao looked at the coalition of princes at Hulao Pass with a solemn face and said seriously,

"General, don't worry, Hulao Pass is easy to defend but difficult to attack. Even if all the princes' coalition forces are dispatched, Hulao Pass and the others will not be able to attack it."

"But something is wrong! The princes of Yuan Shao were so frightened by the news that I had killed them in the past few days that they did not even dare to send their generals to fight me. How could they make such a big move today?" Lu Bu looked at the coalition of princes at Hulao Pass and was still very confused.

Today's coalition of princes made him feel a little uneasy, but he couldn't tell specifically what made him uneasy.

Hou Cheng shook his head when he heard Lu Bu's words. He said, "General, maybe the princes are afraid of the general, so the princes want to send a large army to attack directly."

Lu Bu looked at Hou Chengcheng and thought he was right.

He had killed tens of thousands of troops from the coalition forces of the princes in the past few days. He even killed more than ten generals of the princes. I am afraid that the princes really want to use the sea of human beings. Tactics to destroy yourself

"It makes sense, the armies and generals of those princes are vulnerable, and they can only rely on the human sea tactics."

Beside the Hulao Gate,

Bu Jingyun and his masters from the Tianxiahui also appeared here. They also discovered the arrival of the masters from Wushuang City, and the masters from Wushuang City who arrived this time were much better than the information they had received a few days ago. It's a world of difference.

There were supposed to be two masters from Wushuang City, but now six masters appeared.

This made Nie Feng and the others look at each other very cautiously. The masters from Wushuang City appeared but In order to kill them, if they are not careful this time, they may be in danger of falling.

"The information is wrong, everyone should be careful"

"Well, there are four more Grand Masters. It seems that the people in Wushuang City hid the arrival of the four Grand Masters."

"laugh! The Grand Masters of Wushuang City are just ordinary Grand Masters. It would be effortless for us to kill them."

"Don't be careless, I feel that two of the great masters in Wushuang City pose a big threat to us."

Nie Feng and Bu Jingyun looked at the masters in Wushuang City one by one and said, they have also been fooled by the people in Wushuang City these days. The people in Wushuang City have six great masters coming. Wow. woo woo woo woo.....

Dong dong dong dong dong dong dong.....

At this time, the sound of horns and war drums from the coalition of princes came over, and the princes also appeared one by one in front of the coalition of princes.

Yuan Shao and the other princes also put on a suit of armor. One by one, they rode on war horses and looked at Hulao Pass in front of the coalition of princes.

The masters of Wushuang City have already appeared on the side of the coalition of princes. The hundreds of masters of Wushuang City looked at Hulao Pass with calm expressions. This time they have six masters of the Grand Master. People from the Tianxiahui will die as long as they show up. deal.

At this time,

Su Yan, protected by the Shadow Assassin Team and Xuan Jingtian from Huanyinfang, also appeared in front of the coalition of princes. Cai Yan and Zhen Mi were left by Su Yan in the Jingzhou army, and they were led by Huang Zhong and others. protected by the army

"Let your general call a formation to see if Lu Bu will come out of Hulao Pass. If Lu Bu dares not to show up, order the trebuchets to start attacking Hulao Pass." Su Yan looked at Hulao Pass and ordered the princes next to him,

"Okay, Miss Yan." When Cao Cao heard Su Yan's words, he waved to Xiahou Dun next to him.

When Xiahou Dun saw Cao Cao's gesture, he immediately galloped towards Hulao Pass. Not far from Hulao Pass, Xiahou Dun shouted to Hulao Pass. , "Slaves from three families dare to go out to Hulao Pass to fight?"

Lü Bu was very angry when he heard the voice at Hulao Pass."

Three families with the surname of slaves?"

This damn name, he was very angry with this title. All the princes and generals who had previously called him "three families with the surname of slaves" were all beaten by him one by one. He was beheaded, and he was not going to let this damn general go.

"Damn you bastard, Cao Xing, give me a whole army of 100,000 Xiliang cavalry and follow me out of Hulao Pass to rub the spirit of the coalition of princes."

"Yes, General!"

When Zhang Liao saw that Lu Bu was about to leave Hulao Pass for a battle, he hurriedly saluted Lu Bu and said, "General, the situation at Hulao Pass is not right. Miss Yan from Jingzhou has appeared. I'm afraid there is a conspiracy this time. General, it is better not to leave Hulao Pass. Off to fight."

When Lu Bu heard Zhang Liao's words, he nodded and mocked disdainfully,

"I saw it, it was a little girl. There is nothing scary about a little girl, but the maids next to the little girl were pretty good-looking, with all their figures bulging forward and backward. After a while, I captured all those maids alive. Got it"

"General, none of those maids are simple. General, don't be careless." Gao Shun, who was next to Lu Bu, looked at the maids beside Su Yan with a serious face and cautiously reminded Lu Bu.

Lu Bu smiled without caring at all and said,

"I can see that those maids all have the realm of cultivation, but the realm of cultivation is hidden. However, those maids are at best the strength of a master, so you don't need to make a fuss."
