Chapter 1031

Su Chen didn't expect that Dongfang Bubai would take action before he could finish his words, and saw countless embroidery needles being thrown out by Dongfang Bubai in an instant.

Su Chen hurriedly teleported away.

The items in the room were indeed damaged. Tables, chairs, candlesticks, beds, etc. were all smashed to pieces by the embroidery needles.

"Damn bastard, I'm going to kill you!" Dongfang Bubai didn't expect that Su Chen could dodge her attack. She looked at Su Chen with cold beautiful eyes and cursed angrily. When Su Chen saw that Dongfang Bubai was about to take action again, he hurriedly said, "Wait a minute, beauty. , you let me finish, you are killing!"

"explain!"

Dongfang Bubai stretched out her white palm and was about to kill Su Chen. After she heard Su Chen's words, she thought for a moment and shouted.

When Su Chen saw Dongfang Bubai stopped, he exhaled and said, "Huh! Beauty, I didn't expect you to know martial arts. Who are you?"

Su Chen pretended to be very surprised when Dongfang Bubai used martial arts. He didn't want to expose Dongfang Bubai now, so he could only pretend to be surprised so that Dongfang Bubai wouldn't doubt him.

"It's none of your business! Tell me quickly. Dongfang Bubai glared at Su Chen and said angrily.

Dongfang Bubai breathed a sigh of relief when he saw that this bastard did not suspect that she was a member of the Sun and Moon God Sect.

Fortunately, this idiot did not suspect that she was a member of the Sun and Moon God Sect.

If this bastard doubts her,

Dongfang Bubai can only quickly kill this bastard.

Her identity cannot be exposed now, especially with the arrival of the Six Gates, she must deal with it even more carefully.

The masters in the Xuantian Empire are very powerful. If Zhuge Zhengwo from the Six Gates arrives, she has no chance of defeating Zhuge Zhengwo. Zhuge Zhengwo is equal in strength to her. Zhuge Zhengwo also has four famous arresters and four secret spies under his command, including the God of the Sun and the Moon. The teachings really couldn't stop the attack of the Six Doors, let alone the powerful masters like Lu Xiaofeng.

Seeing the angry expression on Dongfang Bubai's cold face, Su Chen hurriedly said,

"Well, I just came back from the Eastern Continent. I really don't know anything about the Governor of the Western Continent. I really know Lu Xiaofeng, and I also know Xiaoyao King Ximen Chuixue, Ye Gucheng, Sikong Zhaixing, Huamanlou, etc. They are also our friends."

Dongfang Bubai's beautiful eyes glanced coldly at Su Chen and said arrogantly, "I don't believe what you said. I don't believe every word you say now."

"What about this one?" Su Chen took out a spare blue bird jade pendant from the system space and shook it, saying,

"Blue Bird Jade Pendant? this.....Isn't this the blue bird jade pendant that symbolizes the status of the imperial concubine of the Xuantian Empire? How come you have this blue bird jade pendant?" Dongfang Bubai was very surprised when he saw the purple and gold jade pendant in Su Chen's hand.

The intelligence she collected contained information about this jade pendant. This was a status symbol for the woman given to him by the Emperor of the Xuantian Empire.

The Blue Bird Jade Pendant can not only command Xuan Tian All the officials in the Xuantian Empire can even mobilize the 100,000 elite troops in the Xuantian Empire. Why does this bastard have a blue bird jade pendant? Is he related to the princess of the Xuantian Empire?

Or is this bastard from the Xuantian Empire ? That relative of the princess?

"Zi Nu and I are relatives in the Eastern Continent. This blue bird jade pendant was given to me by Zi Nu. You won't doubt me this time, right?" Su Chen took the Blue Bird Jade Pendant and smiled and said to Dongfang Bubai,

Zi Nu is his woman, and it is true that his women are his relatives.

Aren't family members equal to relatives?

"Purple girl? Concubine Li, the four great concubines of the empire, I never thought that you are related to Concubine Li."

"It's a relative"

"Tell me, what exactly are the six doors going to do this time?"

"cough! I am thirsty!" bump!

"Holy shit, I'm not thirsty anymore." Su Chen saw Dongfang Bubai smashing the table in front of him with his palm and quickly changed his words,

Damn it!

This girl is too fierce.

Dongfang Bubai will also be a hot-tempered tigress from now on.

At this moment, the time flies. Lao Ya knocked on the door outside the room and asked, "Girl, what happened?"

"Get away!"

Dongfang Bubai heard the sound and yelled outside the room.

The old crow outside the door was frightened and trembled and said hurriedly, "Yes, girl, but the people from Time Past have already arrived, girl, do you want to see her? guest?"

"Tell them that I am not feeling well today and will talk about it later. Today's drinks will be free for those people."

"Yes, girl!"

Su Chen looked at Dongfang Bubai and smiled.

Dongfang Bubai is really unkind and cruel to her men. No wonder everyone in the Sun Moon God Sect will betray her in the future.

However,

Dongfang Bubai seems to be right. The Sun Moon God Sect doesn't seem to care too much. The survival of the Sun Moon God Sect is not as important as her sister.

Otherwise!

After the former director of the Sun Moon God Sect, Wo Xing, reappeared, Dongfang Bubai still didn't care at all.

Even After the Sun Moon God Sect was regained control by Ren Woxing, Dongfang Bubai did not want to kill the Sun Moon God Sect.

If Ren Woxing had not always wanted to kill Dongfang Bubai,

Dongfang Bubai would not have been able to kill Ren Wo. Okay.

When Su Chen saw Dongfang Bubai glaring at him again, he said speechlessly, "Hey, don't look at me like this, I didn't offend you. Dongfang

Bubai asked Su Chen arrogantly, "Are the Six Sects really going to deal with the Sun Moon Sect and Dongfang Bubai this time?"

Su Chen looked at Dongfang Bubai's noble look as a queen and shook his head, "That.....that.....I don't know either. I just arrived from the Eastern Continent. I have no idea what happened to the Sun Moon God Sect and the Five Mountains Sword Sect."

"Bastard, you actually lied to me?" Dongfang Bubai suddenly appeared next to Su Chen and shouted as if he was about to take action.

"Cough cough cough! Didn't I see that you are extremely beautiful and want to be friends with you? Don't be offended by that."

"Shameless pervert!"

Dongfang Bubai is helpless with this bastard.

This bastard is just a shameless and lustful playboy.

He doesn't even know what is happening here. It seems that he can't find anything out by asking this bastard.

"Hand over the Blue Bird Jade Pendant." Dongfang Bubai suddenly thought of the blue bird jade pendant in Su Chen's hand, and his eyes lit up.

She thought that if she had the blue bird jade pendant, people from the six gates would definitely not dare to attack her, and they would even be able to obey her orders. As for the future She didn't care whether she would be hunted down by people from the Xuantian Empire.

When Su Chen heard that Dongfang Bubai asked for the Blue Bird Jade Pendant, he was surprised and asked, "You want the Blue Bird Jade Pendant?" You know what the blue bird jade pendant

represents and still dare to ask for it? Aren't you afraid of being chased by Xuantian Empire's masters? Dongfang

Bubai said with a look of helplessness in his eyes,

"The six gates of the Xuantian Empire will definitely take action against the Sun and Moon Sect when they arrive this time. I don't care whether the Sun and Moon Sect is destroyed or not, but I still have things to do, and I don't want to be surrounded and killed by the masters of the six gates. Die, hand over the Blue Bird Jade Pendant, and I won't kill you."

"I believe you. If I give you the Blue Bird Jade Pendant, you will kill people and silence them. I am not a fool."

Chapter 1032

Su Chen didn't believe Dongfang Bubai's words.

The ruthless Dongfang Bubai couldn't believe it now. This girl was ruthless. Although the Blue Bird Jade Pendant didn't matter to him, he didn't want to be chased by Dongfang Bubai.

"If you don't give it to me, you're dead. Dongfang

Bubai looked at Su Chen and shouted fiercely.

Su Chen looked at Dongfang Bubai helplessly and thought for a while and asked, "Beauty, do you have the best of both worlds?"

"No!"

"I have it!"

"Um?"

"you can be my daughter.....Damn it, I mean pretend to be my woman, so you can use my blue bird jade pendant." Su Chen looked at Dongfang Bubai with a smile and said shamelessly, but before he could finish speaking,

Dongfang Bubai's embroidery needles attacked him again. Countless embroidery needles killed Su Chen instantly like a goddess scattering flowers.

Su Chen hurriedly teleported to avoid the attacks of these embroidery needles.

When he appeared behind Dongfang Bubai, he looked at this fierce girl and was very speechless. This Dongfang Bubai was too cruel. He would fight and kill if he disagreed. It seemed that From now on, Dongfang Bubai must be taught a lesson to change her character.

"Shameless pervert!" Dongfang Bubai cursed angrily when he saw Su Chen dodge her attack again.

She didn't expect that this bastard's reaction ability was so strong, and he could quickly dodge her embroidery needle attack at such a close distance, although she didn't use it. With all his strength, Dongfang Bubai was also very surprised by this bastard's teleportation.

Su Chen showed his hands to Dongfang Bubai and said helplessly, "This is the only way I can do it. Do you want to pretend to be my woman?"

"you....." Dongfang Bubai looked at Su Chen with a slightly changed expression. Su Chen's method was good, but when she thought about pretending to be this bastard woman, she felt very uncomfortable. She even looked at Su Chen with hatred.

"Agree?"

"I.....I agreed! May I have your name?"

"The old man next door.....cough! My name is Zichen"

"Zichen? purple? It seems that you and Zi Nu are really related." When Dongfang Bubai heard Su Chen's words, he glanced at him and said with enlightenment,

I guess!

Is this all fooled over?

Is it related to Zi Nu?

Of course we are related, and the relationship is very close, and we even talk often. Let's rest together. I will still be Zi Girl's father in the future.

Such a relationship is something Dongfang Bubai would never have imagined.

Su Chen laughed when he thought of the child.

After Yan Fei had a child,

Mingzhu and Zi Girl who wanted a child. Women are very much looking forward to having a child, but they are all very strong. Wanting a child also depends on opportunities. Of all the women in Su Chen, only Concubine Yan has a child. His strength is comparable to that of Zi Nu and others. As he becomes more and more powerful, it may be very difficult to have a child in the future.

Su Chen handed the Blue Bird Jade Pendant to Dongfang Bubai, which was considered a symbol of female status given to him in advance. Anyway, Dongfang Bubai, a cold and arrogant beauty, also not prepared to let it go.

Dongfang Bubai took the Blue Bird Jade Pendant and threatened with a sweet smile, "Is this for me? Aren't you afraid that I will regret it and kill you?"

Su Chen's heart tightened when he heard Dongfang Bubai's threat, "Haha! Beauty, you can't kill me. You will be my woman after accepting the Blue Bird Jade Pendant."

"Inglorious bastard, you are just pretending!" The invincible beauty of the East stared at Su Chen and said fiercely,

"Goodbye!"

Su Chen waved at Dongfang Bubai and then disappeared with a smile.

He was afraid that Dongfang Bubai would suddenly turn against him and kill him. Su Chen couldn't figure out Dongfang Bubai's moodiness.

However,

Dongfang Bubai's tragic fate Su Chen needs to change, and that bastard Linghu Chong had better not show up, otherwise he will torture Linghu Chong to death with his own hands.

Seeing Su Chen disappear suddenly, Dongfang Bubai hurriedly checked around, but she still couldn't find Su Chen's aura.

This made Dongfang Bubai was very shocked.

That bastard was clearly at the late-stage cultivation level of a grandmaster. Why did he disappear all of a sudden?

He couldn't even detect the aura of that bastard?

Did that shameless bastard hide his cultivation level?

Damn you bastard,

Isn't his name also fake? But why does he have the Blue Bird Jade Pendant? Is he really related to the Purple Girl of the Xuantian Empire?

Dongfang Bubai's face turned slightly red when he thought about kissing that bastard today. This time Fortunately, no one else knew, otherwise she would have killed someone and silenced her again.

In the small town inn,

Gongsun Liji and Mei Sanniang were still waiting for Su Chen to come back, but they were both lying listlessly on the table, and Su Chen was not here , they were as spiritless as if they were missing their souls.

Mei Sanniang lay on the table and looked at Gongsun Liji and suddenly said, "Liji, that bastard must have gone to find other beauties. Do you believe it or not?"

Gongsun Liji shook her head and said with a smile, "Sanniang, Su Chen doesn't know anyone here. How could he find a beautiful woman? Also, are there any beauties prettier than us in this town? "

Pah!

"Mei Sanniang slammed her palm on the table and laughed, "Haha!" That's right. We are all top-notch beauties. That bastard must not look down on those vulgar fans in this small town."

"hehe! Sanniang, do you also like Su Chen?" Gongsun Liji smiled and shook her head.

She saw that Mei Sanniang had feelings for Su Chen.

In Shengjing City,

Gongsun Liji knew that Hai Lanzhu and Dayu'er were both Su Chen's Women, that bastard has women everywhere. There are several imperial concubines in the Black Bird Palace. There are those women from the Yin Yang family in the Eastern Continent. There must be women like this bastard in other continents. That bastard is just a shameless pervert.

"No, no way, I don't like that bastard." Mei Sanniang became nervous after what Gongsun Liji said.

Mei Sanniang blushed when she thought about what happened to the Western Continent.

That bastard is a shameless bastard. He will kick women when there is a fight. PG, that bastard must have done it on purpose, but why do I still miss that bastard? Is this really because I like him?

"Who doesn't like me?"

"Su Chen, you are back"

"You fucking bastard is finally back."

Su Chen appeared in the room, and he saw Gongsun Liji and Mei Sanniang asking him questions one by one.

He smiled and stepped forward to hug Gongsun Liji and Mei Sanniang. He had only been away for more than an hour, and then Su Chen felt a little sorry for Gongsun Liji and Mei Sanniang for worrying these two beauties. After all, he had gone to date other beauties just now.

"Bastard, let me go, who asked you to hug me?" Mei Sanniang leaned in Su Chen's arms and yelled fiercely at Su Chen, but she didn't struggle at all when she leaned in Su Chen's arms, and even leaned in Su Chen's arms weakly.

"Ha ha!"

Su Chen hugged Mei Sanniang and Gongsun Liji tightly without letting go.

He could also feel Mei Sanniang's friendship for him. He didn't expect that this tiger girl also had a weak side.

Gongsun Liji looked at Su Chen's rogue. He smiled and asked, "Su Chen, have you found out what's going on here?"

"After finding out clearly, we will rush to the Hengshan Sect outside Hengyang City tomorrow. Liu Zhengfeng's Jinpen Washing Conference is also a conference of the Wuyue Sword Sect. Tomorrow we will go to the Hengshan Sect to watch the excitement."

Chapter 1033

The Hengshan Sect is located on Hengshan Mountain forty miles away from Hengyang City.

At the moment, Hengshan Mountain is full of Jianghu people coming and going. Tomorrow is the Golden Basin Washing Ceremony held by Liu Zhengfeng, the second figure of the Hengshan Sect. It is also the meeting of the merger of the Five Sacred Sword Sects. Jianghu people from the southeast are coming to Hengshan Mountain to watch the excitement..

Liu Zhengfeng's Golden Basin Washing the Hands Conference was nothing, but the merger of the Five Sacred Sword Sects was about to cause trouble.

In addition to the Taishan and Songshan sects of the Wuyue Sword Sect, the Hengshan sect, the Huashan sect and the nun's Hengshan sect are all opposed to the merger. This time the Wuyue Sword sect's merging conference will definitely break out into conflicts.

Gongsun Liji held Su Chen's arm. She looked at the beautiful scenery on Mount Heng and said with a smile, "The scenery on Mount Heng is still very beautiful. Su Chen, do you think we should go to other mountains of the Five Mountains Sword Sect in the future?" landscape?"

"I will take you to see it when I have the chance."

Looking at Hengshan Mountain shrouded in clouds and mist, Su Chen also felt that the scenery here is very good. No wonder those sects and sects are built on famous mountains. Not only is it easy to practice martial arts on such a beautiful mountain, but the beautiful scenery here is also pleasing to the eye

"Haha, this is what you said, you can't go back on it"

"I won't go back on what I said."

Mei Sanniang glanced at her and said sarcastically, "You won't regret it, but when the time comes, you won't know how to take that beauty to go sightseeing. By then, I'm afraid we will have been completely forgotten."

Pah!

" Su Chen raised his hand and slapped Mei Sanniang on the PG, "Mei Sanniang, do you want to be beaten again?" Mei

Sanniang looked at Su Chen with an unkind expression and shouted angrily, "You bastard, are you hitting me again?"

"Oh, I missed it, I'm used to it." Su Chen touched his nose and said awkwardly,

"Go to hell, you bastard!"

"Come on, don't make trouble, there are many Jianghu people watching here, and hide your strength from me,"

Su Chen hurriedly hugged Mei Sanniang and reminded, this time Su Chen and Mei Sanniang both hid After reaching the realm of cultivation, both Su Chen and Mei Sanniang hid their cultivation realm to the master realm, and Gongsun Liji was the master's realm of cultivation, but she did not hide her cultivation realm.

Gongsun Liji smiled and said," Sanniang, Su Chen also forgot, so don't blame him. Mei

Sanniang gestured at Su Chen with her fist and threatened,"Damn it, I will let you go this time, but I will settle the score with you in the future.""

Su Chen touched Mei Sanniang's hair and smiled.

Mei Sanniang will not take action against him now. She is only threatening herself. But if Mei Sanniang is angry, I am afraid she will really ignore him. Everything was done to him.

The hot-tempered Mei Sanniang and Su Chen also had a way to deal with her.

As long as Su Chen hugged the angry Mei Sanniang,

Mei Sanniang would immediately become as gentle as a kitten.

At this moment, in the Hengshan Sect,

Yue Buqun of the Huashan Sect, Master Dingxian of the Hengshan Sect, and Mr. Mo Da of the Hengshan Sect, the leaders of these sword sects are all discussing the merger of the Five Sacred Sword Sects tomorrow.

Master Dingxian and Mr. Mo Da looked at Yinrou Yue Buqun is very strange.

No matter how he looks at the Gentleman Sword, Yue Buqun looks like a eunuch in the palace. Moreover,

Yue Buqun can actually be promoted to the Grand Master, and he is even at the later stage of the Grand Grandmaster. This is what makes the Hengshan Sect Mr. Mo Da and Master Dingxian of the Hengshan School were very surprised.

"Brother Yue, since you have advanced to the late stage of Grand Master, you will have to rely on Brother Yue to fight Zuo Lengchan of the Songshan Sect tomorrow."

"hehe! Brother Mo, don't worry, I will teach Zuo Lengchan of the Songshan Sect tomorrow." Yue Buqun said with a smile to Mr. Mo Da in a sissy voice, but!

Yue Buqun also wants to merge the Five Sacred Sword Sects.

He also wants to be the leader of the Five Sacred Sword Sects, and even wants to unify the Five Sacred Sword Sects. The Five Mountains Sword Sect merged into a powerful sect. If the Sun Moon God Sect is destroyed again, the entire southeastern region of the Western Continent will be his world.

Master Dingxian frowned when she looked at Yue Buqun.

She felt that Yue Buqun Something was very wrong. Yue Buqun, who had lost his arm, was becoming more and more feminine. Could it be that Yue Buqun's heart was distorted after experiencing the loss of his arm? She felt that she should be on guard against Yue Buqun, who had changed so much.

Under the Hengshan faction, the six-door chase Ming, Tie Shou, Duan Tianya, Gui Hai Yi Dao and the four of them hid on Hengshan Mountain with dozens of six-door masters.

Since the Xuantian Empire destroyed the Ming Empire, the Shenhou Mansion, Hulong Villa, and Jinyiwei were merged into A government organization that manages the six sects of Jianghu forces. Zhuge Zhengwo is a second-grade court official and is in charge of the six sects. He is responsible for the full management of the Jianghu forces that do evil and evil in the Jianghu.

Zhuge Zhengwo also belongs to an official organization under the Jing Salamander Secret Guard and directly obeys orders. Yu Jingluo, this is the same as Luo Wang, but Luo Wang will only be responsible for assassinations in the future, while Liumen is a government agency on the surface of the Xuantian Empire.

Tie Shou looked at the Jianghu people in the Hengshan faction and asked Duan Tianya next to him. He said, "Duan Tianya, is there really going to be an accident this time when the Five Mountains Sword Sect merges?"

Duan Tianya said to the people here with a solemn face,

"Um"

"News came from the secret guard that Zuo Lengchan of the Songshan Sect would forcefully merge the five sects this time, and Yue Buqun, the leader of the Huashan Sect, was now promoted to the late stage of Grand Master."

"Yue Buqun has practiced evil-fighting swordsmanship. Now he is neither male nor female, just like a eunuch. I am afraid Yue Buqun will cause trouble at this time."

"We are going to kill Yue Buqun this time. After all, the eldest princess broke off Yue Buqun's arm, and leaving Yue Buqun behind is also a disaster."

Tie Shou and the others nodded when they heard what Duan Tianya said.

In addition to observing the affairs of the Five Mountains Sword Sect, they also wanted to launch an extermination attack on the Sun and Moon Sect. The Sun and Moon Sect had done great harm to the people in the southeast region. It is impossible for the Xuantian Empire to leave behind such a huge hidden danger

"So you are here"

"who?"

Suddenly a woman's voice sounded in Tie Shou's ears, which made Tie Shou and the others look around nervously. The six masters around them also observed the surroundings with vigilance.

"It's me!" A stunning beauty wearing a big red robe appeared in front of Tie Shou and the others.

"Who are you?"

Duan Tianya asked vigilantly as he looked at the sudden appearance of a beautiful woman.

None of them noticed the sudden appearance of this peerless beauty. This shows that this beautiful woman is stronger than them all, even much more powerful.

"I, the East is undefeated."The masters of Dongfang Bubai Six Sects nodded and said, the masters of the six sects are really strong.

These four people are all at the peak of their master strength.

I am afraid that they will be able to break through to the grand master in a few years.

Iron Hand They were very alert when they heard that this beautiful beauty was Dongfang Bubai. They did not expect that Dongfang Bubai would appear in front of them.

Guihai glanced at Dongfang Bubai and asked seriously,"Dongfang Bubai?" Why are you here?"

Dongfang Bubai said to Guihai and the others with a cold expression,"Don't you six sects want to destroy my Sun and Moon God Sect? Why do you think I should appear here?"

Gui Hai Yi Dao held his weapon and said threateningly,"You want to fight with us? Dongfang is undefeated, Xuantian Empire is not something you can shake."

"Haha, look at this."Dongfang Bubai took out the Blue Bird Jade Pendant, shook it at Duan Tianya and the others and said with a smile,

"six doors,End of the World (Iron Hand, Chasing Life, Returning to the Sea with a Sword) See Princess"

"See Princess!"

Chapter 1034

Dongfang Bubai was also very nervous when he took out the Blue Bird Jade Pendant.

She was taking a huge risk by pretending to be the imperial concubine of the Xuantian Empire this time, but she had to do this. In order to find her sister in the future, Dongfang Bubai had no choice. method.

As for the Sun and Moon God Sect,

Dongfang Bubai doesn't care anymore. Anyway, Ren Woxing has been rescued by Ren Yingying. It may not be long before Ren Woxing will regain control of the Sun and Moon God Sect. Dongfang Bubai also plans to give up the Sun and Moon God Sect. God taught.

At this moment,

Duan Tianya and others are very confused.

The Sun and Moon Sect they want to destroy is actually a sect controlled by the Xuantian Empire's imperial concubine. Does this still need to be destroyed? And why did Dongfang Bubai become the concubine of His Majesty the Emperor? Why didn't the secret guards send news about these things?

"Get up, everyone!" Dongfang Bubai looked at the people kneeling at the six doors and waved and said,

"Thank you, Princess."

After Duan Tianya and the others stood up,

Dongfang Bubai continued to say to them,

"Duan Tianya, the Sun Moon God Sect can do whatever they want. Ren Woxing has reappeared in the world. Although his strength has not been completely restored, his star-absorbing method is not easy to deal with. You all must be careful. This is the organization defense plan of the Sun Moon God Sect."

Duan Tianya took the defense plan from the Sun Moon God Sect and hurriedly saluted, "Thank you, Princess, for your help. We have His Majesty's bodyguard, the Black Widow, to help us this time. There is no need to worry about what we do."

"Well, as long as you have backup plans, don't expose my identity." Dongfang Bubai felt nervous when he heard Duan Tianya's words.

The bodyguard of His Majesty the Emperor of the Xuantian Empire?

If the bodyguard of His Majesty the Emperor arrives, his false identity will definitely be exposed. She doesn't dare to stay here anymore.

"Yes, the imperial concubine." Dongfang Bubai heard Duan Tianya's answer and disappeared in a flash.

Duan Tianya and the others looked at each other and laughed bitterly.

They all felt that the emperor had too many women, and It was too powerful, and they did not expect that the leader of the Sun Moon God Sect to be destroyed was also the Emperor's woman. Dongfang Bubai did not object to the destruction of the Sun Moon God Sect, and even handed over the Sun Moon God Sect's organs and defense plans. Gave it to them.

Duan Tianya looked at the defense plan of the Sun Moon God Sect and ordered, "Whoever comes, please notify Master Black Widow immediately and tell Master Black Widow what's going on here.""

"Yes, my lord!"

A man with six doors hurriedly saluted and left in a hurry.

"Tianya, isn't the imperial concubine not allowed to reveal her information?" Gui Hai glanced at Duan Tianya and said worriedly.

Tie Shou and Zhui Ming looked at Duan Tianya and were also very worried. If the imperial concubine knew about Duan Tianya's exposure of the imperial concubine in the future, maybe Duan Tianya would really be raped. Severe punishment.

Tie Shou patted Duan Tianya on the shoulder and said hurriedly, "Yes, Tianya, if you do this and let the imperial concubine know about it, might you be punished?"

"It doesn't matter, I just doubt Dongfang Bubai's identity. Princess Yao Yue is the governor of the Western Continent, but Princess Yao Yue did not object to the destruction of the Sun Moon God Sect, and even sent the Black Widow over. Don't you think it's strange?"

"Are you saying that Dongfang Bubai is not His Majesty the Emperor's concubine? Is Dongfang Invincible deceiving us?"

"No, the blue bird jade pendant is not fake. We can all feel the smell of the blue bird jade pendant. I just suspect that the blue bird jade pendant in Dongfang Bubai's hand may not be hers."

Tie Shou looked at Duan Tianya with a toothache and said in disbelief,

"hiss!"

"Are you saying that Dongfang Bubai robbed other imperial concubines of their blue bird jade pendants?"

"is it possible?"

"Dongfang Bubai is the peak strength of a grand master. She simply has no ability to snatch the Blue Bird Jade Pendant from other princesses. Even if the Blue Bird Jade Pendant of other princesses is robbed, I am afraid that the masters in the Xuandiao Palace would have already taken it away. The East is not defeated or captured."

After Duan Tianya talked with Tie Shou and the others,

Tie Shou and the others exclaimed when they heard Duan Tianya's speculation, could the Blue Bird Jade Pendant be robbed again?

This is simply impossible. The strength of the imperial concubines is stronger than the last. Powerful, there were even several imperial concubines above the Heavenly Realm and Heavenly Realm. They didn't believe that Dongfang Bubai could snatch the Blue Bird Jade Pendant.

The next day, people from the Hengshan Sect and the Five Mountains Sword Sect had already appeared.

There are even many small sects appearing in the square of Hengshan Sect.

This time is a reshuffle of the southeastern forces in the Western Continent. These small sects also want to know who will lead the southeastern forces in the future. What kind of force would take action against a small sect like them?

On the seat of the Hengshan Sect, a beautiful nun sat next to Master Dingxian, the leader of the Hengshan Sect.

This was Master Jue, the leader of the Emei Sect in the Western Continent. This time she came for the Hengshan sect. The Emei sect and the Hengshan sect, which are both nun sects, are in the same sect alliance and watch each other.

Master Dingxian looked at Master Jue who was sitting next to her and said with a smile, "Senior Sister Jue, I'm going to trouble you this time."

Master Jiejie waved her hand to Dingxian and said with a smile, "Dingxian, you don't have to be so polite. Hengshan Sect is Hengshan Sect. What is the merger of Wuyue Sword Sect? This is to destroy the roots of Hengshan Sect. We are both Jingshan Sect. I will not just sit idly by and watch the nun sect."

Master Jue is now a master in the later stage of Grand Master, and she has also practiced powerful king-level skills.

When the Xuantian Empire was founded,

Master Jue and her disciples practiced under the fusang tree for more than half a month. , the rich spiritual energy made her and the Emei disciples greatly improve their strength.

Their Emei sect plus her had four great masters, Zhou Zhiruo, Ji Xiaofu, and Ding Minjun, they were all promoted to great masters.

"Thank you, senior sister"

"You're welcome, Xiaofu, you'll protect the disciples of the Hengshan sect in a moment. Minjun, you go check to see if any powerful masters from those small sects have arrived."

"Yes, master!"

Master Dingxian was very envious when he saw Master Jue's disciples.

The dozen or so disciples from the Emei Sect who came this time all had the lowest cultivation level of Grandmaster, which was much stronger than their Hengshan Sect.

They The Hengshan sect does not have a single great master, but the Emei sect has four great masters.

The most outstanding disciple of Master Jue, Zhou Zhiruo, was not here, but even Ji Xiaofu and Ding Minjun were stronger than her.

This is really a comparison of people, and it is so annoying. Dead people.

In the square of the Hengshan Sect, the heads of various sects and their disciples were already seated, and the most eye-catching among these sects was the Huashan Sect.

Yue Buqun's aura of a great master was exposed without reservation, and His disciple Lin Pingzhi is also a master at the peak of his strength, which is already at the same level of cultivation as the leader of the Five Mountains Sword Sect.

Lin Pingzhi had a fierce look in his eyes when he saw the Qingcheng Sect appear, if not for Now is not the time.

No one from the Qingcheng Sect should think about leaving alive.

On the roof of an attic next to the square,

Su Chen, Gongsun Liji, and Mei Sanniang were sitting on the attic watching the Jianghu in the square of the Hengshan Sect. Gongsun

Liji checked the strength of each sect in the square and said doubtfully, "Su Chen, the strength of these sects are not very good, are they?"

"Li Ji, these are all small sects. Real masters will not care about these small sects. I don't know if those masters will come this time?"

Chapter 1035

Su Chen looked at the various sects in the square and shook his head.

The strength of the Five Sacred Sword Sect was really not that good, but Yue Buqun and Lin Pingzhi of the Huashan Sect surprised Su Chen. In the world of mixed martial arts, Yue Buqun and Lin Pingzhi were surprised. Buqun and Lin Pingzhi still came together, and they even practiced the evil-fighting sword manual.

However,

Ning Zhongze and Yue Lingshan don't have to face tragedy this time.

Ning Zhongze is his maid and is still practicing in the Black Bird Palace, while Yue Lingshan is in Su Yan's Black Bird Army. After Su Yan took away those women, I'm afraid the commanders of the various subordinate armies of the Black Bird Legion are all pretty beauties.

【Huh?】

【Why did that beautiful nun from Extinction appear here?】

【Even sat with the Hengshan sect】

【Did the Hengshan sect invite the Emei sect?】

【However, the Emei sect practices with hair, while the Hengshan sect all have bald nuns. If the nuns of the Hengshan sect all wore little nun hats, it would be very shocking to see dozens of bald women here. 】

Su Chen suddenly discovered that the Emei Sect's Master Miejie appeared at the Hengshan Sect with her disciples. This made Su Chen rub his chin and guess.

"Are there any experts in the southeast region?" Mei Sanniang looked at Su Chen and asked very expectantly.

Mei Sanniang hasn't had a good fight for a long time.

She was very bored during this time.

Although she and Su Chen fought every day, That bastard is a scoundrel. Every time he uses his teleportation to kick his PG and kick her away, he never has an upright fight with her. When

Su Chen heard Mei Sanniang's words, he thought about it and said, "A master? Feng Qingyang from Huashan Sect, Dongfang Bubai and Let Me Go from Sun Moon God Sect, and another master is Ding Peng from Yuanyue Villa. I only know these powerful people."

"So who among them is the most powerful?" Mei Sanniang asked excitedly when she heard that there were these masters.

"Dongfang Invincible and Ding Peng!"

"I want to challenge them"

"you? Forget it, you are no match for Dongfang Bubai and Ding Peng." Su Chen shook his head and said disapprovingly.

Dongfang Bubai has practiced the Sunflower Book. Mei Sanniang's fight with Dongfang Bubai is just looking for abuse. Dongfang Bubai's movement is very fast. Mei Sanniang is simply not good

at it. If he can't keep up with Dongfang Bubai's body skills, I'm afraid Dongfang Bubai will kick Mei Sanniang around just like he did.

Although Su Chen didn't know Ding Peng's strength, with the magic sword Yuan Yue Scimitar [Xiaolou Yiye listened Feng Yu] His strength is probably not low, even similar to that of Xie Xiaofeng and Li Xunhuan.

Mei Sanniang is probably no match against Ding Peng when fighting.

Mei Sanniang did not expect that Su Chen would say this, which made her look very ugly. , "You look down on me? Su

Chen said angrily when he heard Mei Sanniang call me my mother again, "What the hell, Mei Sanniang, you are talking about me, I think your PG will be broken into eight pieces by me." "

Mei Sanniang glared at Su Chen confidently and said unceremoniously,

"Don't you, bastard, also say rude things? Why aren't I allowed to say it?"

Su Chen pulled Mei Sanniang and pointed at her forehead and explained, "I am a man and you are a woman. When you see that woman calling you an old lady like you? You can learn from Li Ji. Haven't you seen how gentle and considerate Li Ji is?"

Mei Sanniang leaned in Su Chen's arms and said disdainfully, "Bah! If I were like Li Ji, then I wouldn't have been bullied to death by you, a bastard. I know exactly what you and Li Ji did last night, which meant that Li Ji could endure the casual bullying of you, a bastard."

She accidentally discovered the incident between Su Chen and Gongsun Liji last night.

This bastard bullied Gongsun Liji like that, which made Mei Sanniang very angry. Especially Gongsun Liji started shouting, but this bastard didn't stop. Come on, this almost made her go in and beat up this bastard.

When Su Chen heard Mei Sanniang's words, he asked in confusion, "I'll do it!" You actually spied on us?"

"Did I spy on you? I look at it openly." Mei Sanniang said with some discomfort on her face.

At this moment, Gongsun Liji was blushing and didn't know what to do. She also didn't expect that Mei Sanniang would spy on her and Su Chen. This made Gongsun Liji so embarrassed that she just lay on Su Chen's body and didn't dare to see anyone.

Su Chen touched Mei Sanniang's charming face and shook his head. Mei Sanniang was just a mixed woman. It was useless to reason with her. She was so heroic. Mei Sanniang, who was fighting, could only defeat her before she could admit defeat.

Su Chen suddenly felt a powerful aura coming towards Hengshan Mountain. He hurriedly used his mental power to sense it and found that it was Feng Qingyang and Linghu Chong from the Huashan Sect.

Su Chen looked at Mei Sanniang and wanted her to vent, "Sanniang, Feng Qingyang from the Huashan Sect is here, let's go find them to cause trouble."

When Mei Sanniang heard Su Chen's words, she immediately stood up and started to pull him away, "Okay, okay, let's go now."

"Wait, let me arrange Li Ji first." Su Chen held down Mei Sanniang and said helplessly.

Gongsun Liji waved her hand with a blush on her face and said, "Su Chen, you don't have to worry about me. I'm not weak either. I'll be fine."

Now she wants Su Chen and Mei Sanniang to leave here as soon as possible. What happened just now makes her feel ashamed. She has no face to see Mei Sanniang who peeped at her last night.

Su Chen thought about it and nodded at Gongsun Liji. He nodded. Gongsun Liji is not weak now. Besides, as long as he keeps an eye on Gongsun Liji, he can teleport over even if something happens to her.

"Then be careful, we're leaving." Su Chen hugged Mei Sanniang and said to Gongsun Liji before disappearing.

When Gongsun Liji saw Su Chen and Mei Sanniang disappear, she clenched her fists and wanted to vent.

Mei Sanniang went too far, that kind of thing How can you peek at something and say it so righteously? Then do you want to peek at Su Chen and Mei Sanniang in the future?

Halfway up the Hengshan Mountain,

Feng Qingyang and Linghu Chong are rushing towards the Hengshan Sect. I came a little late this time. Liu Zhengfeng's Jinpen Washing Ceremony and the Five Mountains Sword Sect's Merger Conference were about to begin. They would not let Yue Buqun destroy the Huashan Sect.

"who?"

Just as Feng Qingyang and Linghu Chong were walking quickly, Yang suddenly found a man and a woman suddenly appearing in front of them. The powerful aura of these two people made him immediately alert.

"Kill your people." Su Chen said coldly and arrogantly in a hoarse voice while wearing a devil mask,

"court death!"

"Sanniang, that old guy is Feng Qingyang from the Huashan sect, go kill him." Su Chen took out Mei Sanniang's huge scythe from the system space and handed it to her and said,

"Well, that old guy is dead this time." Mei Sanniang said with an excited expression on her face, holding her weapon.

"kill!"

"Broken sword style!"

Ding! Boom!

Mei Sanniang wielded her huge scythe to kill Feng Qingyang.

Feng Qingyang did not dare to be careless this time.

Mei Sanniang did not hide her strength now.

Feng Qingyang looked like he had the late-stage strength of a great master. Mei Sanniang was extremely careful, and he was only a grand master at the peak of his strength, but Feng Qingyang felt that this woman posed a particularly great threat to him.

"Linghu Chong, how do you plan to die?"

Chapter 1036

Su Chen looked at Linghu Chong after Mei Sanniang and Feng Qingyang started fighting.

Linghu Chong, who was wearing a green shirt and had a cold face, also looked at Su Chen.

If Su Chen hadn't heard the conversation between Feng Qingyang and Linghu Chong, he wouldn't have thought that this one-armed man who had gone through many years of life was Linghu Chong of the Huashan Sect.

The handsome and handsome Linghu Chong turned into an old and cruel man with a broken arm.

Su Chen didn't know what Linghu Chong had gone through, but no matter what, Linghu Chong was dead this time.

In the plot, Su Chen despised Linghu Chong's actions. He became a brother-in-law with a flower picker, and even absolved the flower picker Tian Boguang.

Didn't Linghu Chong think about the women who were harmed by the flower picker Tian Boguang?

You must know that the fate of women who were insulted by flower pickers in ancient times was very bad. Those insulted women either committed suicide or died of being invaded into pig cages. Did Linghu Chong really not think of this?

Also, since Linghu Chong learned Feng Qingyang's Dugu Nine Swords, why didn't he tell his master Yue Buqun? At that time, Yue Buqun was determined to revitalize the Huashan Sect, and he had not yet turned into an unscrupulous villain.

Yue Buqun was the master who raised him since he was a child.

Was it because Feng Qingyang didn't want him to reveal it?

Could it be that Yue Buqun's more than ten years of upbringing were not as good as Feng Qingyang, who taught him martial arts after only knowing him for a few days?

This shows that Linghu Chong is an ungrateful villain

"who are you? Why do you want to rob and kill us?"Linghu Chong drew out his sword and looked at Su Chen and asked expressionlessly,

"Why do dying people ask so many questions?"

"Can you, a master, with your late cultivation level be able to kill me? I am one....." bump!

"Nonsense. Really, what's so great about being a master? Linghu Chong, a cripple like you, thinks too highly of yourself."Su Chen quickly kicked Linghu Chong away without waiting for him to finish.

Su Chen didn't bother to say anything more to this shameless villain. It would be better to kill this ungrateful person earlier.

The villain died from talking too much.

Su Chen Although Chen didn't think he was a villain, he was still afraid that something unexpected would happen and Linghu Chong would escape.

"Damn bastard, broken palm style!"

Bang!

Just as Linghu Chong was charging toward Su Chen with a sword, Su Chen teleported and kicked Linghu Chong away again.

This time, Linghu Chong was kicked more than ten meters away and vomited blood. He fell to the ground and looked at Su Chen in horror. He didn't expect that he wouldn't be able to deal with a master's later cultivation level, but he was a master at the peak of his strength.

Could this masked man be hiding his cultivation level?

"Broken sword style!"

"Breaking knife style!"

"Breaking gun style!"

Linghu Chong took the long sword and rushed towards Su Chen's constant attacks. He knew that if he couldn't kill the masked man, he would probably die here. He didn't want to die yet, and his hatred had not been avenged. The eldest princess of the Xuantian Empire, Su Yan, Yue Buqun, Lin Pingzhi, and Ning Zhongze who refused to save him, these people have not been killed by him yet. Even if he died, he would die with his eyes open.

Su Chen appeared next to Linghu Chong in an instant, before Linghu Chong had time to react. When he was doing this, he grabbed his neck.

Under Linghu Chong's frightened eyes,

Su Chen smiled at Linghu Chong and said,

"goodbye!"

Kacha!

Linghu Chong's neck was broken by Su Chen and he fell to the ground. Linghu Chong, who died with his eyes wide open, really refused to die with his eyes open this time.

Su Chen looked at Linghu Chong who was killed by him and shook his head in disdain.

With the strength of a master at the peak, he can kill him in an instant.

At this moment, the battle between Mei Sanniang and Feng Qingyang is still going on.

Mei Sanniang is very excited this time. Feng Qingyang is a peak master. With her cultivation level in the late stage of a grand master, she could fight Feng Qingyang happily today.

With the hardening skills she cultivated, she could make Feng Qingyang even stronger with the help of an iron shirt. Yang was helpless against him, and Mei Sanniang also gave up her huge scythe. She punched and kicked Feng Qingyang without any defense, making Feng Qingyang dodge everywhere.

"How can this be? Have you practiced the power of indestructibility?" Feng Qingyang saw that his long sword stabbing Mei Sanniang's body was of no avail. Every time he stabbed Mei Sanniang with his sword, he did not hurt her.

Mei Sanniang's body was like an iron wall, and he was completely against Mei Sanniang. Sanniang was helpless.

Mei Sanniang punched Feng Qingyang and shouted disdainfully, "I have not practiced the indestructible power of the Vajra. You are Feng Qingyang, hurry up and use your strongest strength to fight I'll fight, or you'll die"

"Qi-breaking style!" bump!

"Is that all you have the ability to do?"

"Damn you are a monster!"

"court death!"

Mei Sanniang heard that Feng Qingyang dared to call her a monster.

This made her very angry.

You must know that the bastard Su Chen is still around. If Su Chen hears these words, I am afraid that bastard will look at her differently.

She is a woman with a hot temper and a strong personality. She was originally worried that Su Chen would not like a woman like her.

If Su Chen heard such words again, that bastard might really not like a woman like her.

Mei Sanniang clenched her fist angrily and attacked Feng Qingyang desperately.

Feng Qingyang was completely helpless now. His attack was useless. His long sword struck Mei Sanniang's body like it was struck on a stone. The same, it couldn't cause any harm to Mei Sanniang at all.

Feng Qingyang was beaten so hard that he vomited blood after being punched by Mei Sanniang a few times. He knew that if he didn't escape, he would probably die here, and Linghu Chong couldn't care about him now. So much

"Want to escape? Did you escape?" Mei Sanniang knew that Feng Qingyang wanted to escape when she saw Feng Qingyang's expression.

She was not worried that Feng Qingyang could escape. Although she could not stop Feng Qingyang from escaping, with the pervert Su Chen here, Su Chen's moment Due to his mobility, Feng Qingyang could not escape no matter what.

Boom!

Just when Feng Qingyang was about to escape, he was suddenly kicked back by a woman wearing a red dress. Feng Qingyang vomited blood and fell to the ground. Looking at this beautiful woman who suddenly appeared.

Su Chen was very confused when he saw Dongfang Bubai appearing from a big tree.

He originally wanted to prevent Feng Qingyang from escaping, but just when Feng Qingyang was about to escape, Before he could stop him, Dongfang Bubai appeared and even kicked Feng Qingyang back.

Su Chen felt that he had been careless.

He had been paying attention to Gongsun Liji and did not expect that Dongfang Bubai was hiding Around me, it seems that I can no longer be careless in the future.

"Who are you?"

Mei Sanniang asked warily when she saw the beautiful woman who suddenly appeared.

Although Mei Sanniang knew that this beautiful woman had just stopped Feng Qingyang from escaping, the appearance of this beautiful woman made her feel very wrong.

She guessed that this The beautiful woman may be related to that bastard Su Chen, otherwise this beautiful woman would not help her prevent Feng Qingyang from escaping.

"Aren't you coming down yet?" Dongfang Bubai didn't even look at Mei Sanniang. She looked at the big tree next to her and shouted expressionlessly,

"Why are you here?" Su Chen suddenly appeared next to Dongfang Bubai and asked doubtfully,

"Something happened, the Black Widow, the bodyguard of Emperor Xuantian Empire, has arrived. The blue bird jade pendant you gave me may make her discover that I am a fake."

Chapter 1037

Dongfang Invincible is very anxious now.

She didn't expect the arrival of the Xuantian Emperor's guards. Originally, she thought she could use the blue bird jade pendant to impersonate the Xuantian Empire's imperial concubine so that the Six Gates would not target her in the future, but she didn't expect to be discovered so soon.

If she is discovered by the guards of the Emperor of Xuantian Empire, she will definitely be hunted down by the experts of Xuantian Empire.

"Black Widow? Black Widow has arrived?" Su Chen asked in surprise when he heard Dongfang Bubai's words.

Dongfang Bubai couldn't wait and said to Su Chen in a hurry, "Yes, the emperor's bodyguard Black Widow is also here. I came from the six doors. Got the news. Su

Chen was surprised when he heard Dongfang Bubai's words and asked, "Have you gone to meet the people from Liumen?"

"I....."

Dongfang Bubai was no longer as arrogant as before.

When she looked at Su Chen, she felt very uneasy. This time the matter was too serious. Impersonating the Xuantian Empire's imperial concubine was a serious crime. The Xuantian Empire's masters would definitely spare no effort to hunt her down..

Su Chen looked at Dongfang Bubai and asked doubtfully, "You're not pretending to be the woman of the Emperor of Xuantian Empire, are you?"

"I just wanted to test whether the Blue Bird Jade Pendant was real. People from the Six Gates thought I was the imperial concubine of the Xuantian Empire, but I didn't admit it. Dongfang Bubai looked at Su Chen and said awkwardly. She could only let this bastard help her this time. After all, this bastard was a relative of Zi Nu, the four great concubines of the Xuantian Empire.

She believed that this bastard could help her. She solves this crisis, otherwise she would not be able to come to this bastard.

At this time,

Mei Sanniang was very angry when she heard what Su Chen and Dongfang Bubai said.

When did this bastard Su Chen deceive a beautiful woman again?

What ? The woman pretending to be the emperor of the Xuantian Empire?

What kind of blue bird jade pendant?

These must be this bastard fooling this beautiful girl.

And this beautiful girl doesn't know Su Chen's identity yet.

She just heard that this beautiful girl pretended to be Su Chen's woman. Mei Sanniang looked at Dongfang Bubai with great hostility.

Mei Sanniang looked ugly and walked up to Su Chen and asked loudly, "Who is she?" What is your relationship? Su

Chen looked at Mei Sanniang's angry look and patted her shoulder to comfort her, "Sanniang, go kill Feng Qingyang. This woman is my friend."

"You bastard won't show mercy again, will you?" Mei Sanniang shook off Su Chen's hand and cursed angrily.

When Su Chen heard Mei Sanniang's words, he looked at Dongfang Bubai with a cold face. He was worried that Dongfang Bubai and Mei Sanniang would fight. "cough! Stop talking nonsense and kill Feng Qingyang quickly, otherwise he will escape again soon"

"You are just a shameless bastard. I will settle the score with you later." Mei Sanniang glanced at Su Chen and said threateningly.

Then,

Mei Sanniang looked at Feng Qingyang who was lying on the ground next to her and quickly went over to kill him. She would not let Feng Qingyang escape again.

And she She wanted to kill Feng Qingyang as soon as possible so that she could keep an eye on that bastard Su Chen. She didn't trust that bastard being with this beautiful woman.

After Mei Sanniang left, Dongfang Bubai looked at Su Chen and said sarcastically, "You pick women. A woman with good taste, fiery temper and strong personality is quite suitable for you."

Although Mei Sanniang is somewhat beautiful and has a curvy figure, her resolute appearance and fiery temper made Dongfang Bubai even surprised that there is such a woman. Such a woman Su Chen Can you bear it? Can Su Chen tame such a strong-willed woman?

"Ahem, Sanniang is pretty nice, but her temper is a bit bad."

"I don't care about your love affairs. You need to quickly resolve the matter of the Six Doors and the matter of the Emperor guarding the Black Widow, otherwise we will all be in big trouble."

"What does this have to do with me? You solve the troubles you cause yourself."

"Bastard, don't forget that you gave me the Blue Bird Jade Pendant. If something happens to me, don't think about it."

Su Chen was very speechless when he looked at Dongfang Bubai.

If Dongfang Bubai hadn't gone to show off the Blue Bird Jade Pendant, would something like this have happened?

She would have been found to be a fake and would be hunted down by people from the Six Doors.

At this time, she was anxious again.

Who was to blame?

"come over!"

Su Chen waved to Dongfang Bubai and said with a smile.

Dongfang Bubai was a little confused and walked up to Su Chen and asked,

"do what?"

"Kiss me again and I will help you."

"You shameless pervert!"

"hehe! Are you willing? Dongfang

Bubai clenched his fist tightly and looked at Su Chen angrily and asked, "You bastard, why don't you die? Your woman is right next to you. Aren't you afraid of her misunderstanding?"

"This is nothing for you to worry about."

Su Chen looked at Mei Sanniang in the distance and shook his head with a smile.

Dongfang Bubai grabbed the clothes on Su Chen's chest and cursed angrily, "Damn shameless pervert."

"It's not like I've never been kissed before, so what are you afraid of?"

"Shameless!"

Dongfang Bubai quickly kissed Su Chen on the face, and she wiped her mouth vigorously, as if she had just kissed a pig, which made her very sick.

"Hahaha!"

Su Chen laughed when he saw Dongfang Bubai wiping his mouth.

He didn't expect that Dongfang Bubai also had a cute side.

This arrogant woman who has always been majestic and arrogant is still a woman no matter how you say it, otherwise the plot would be Dongfang Bubai wouldn't change that much for Linghu Chong.

When Dongfang Bubai heard Su Chen's laughter, he stared at him and shouted, "I've kissed you, what should I do next?"

"You stay with me from now on, I will deal with the Six Doors and Black Widow." Su Chen thought about it and decided to let Dongfang Bubai follow him.

Although this would reveal his identity, it is better than Dongfang Bubai running around.

If Dongfang Bubai fights with the people from Liumen, then But it's lively

"You want me to follow you? What are you going to do you bastard?" Dongfang Bubai took a few steps back warily after hearing Su Chen's words. This bastard is just a pervert, and she was afraid that this bastard would have his way with her.

Su Chen saw that Dongfang Bubai, who had always been strong, was actually afraid of herself, which made him He looked at Dongfang Bubai and smiled and said, "What are you afraid of? As long as you follow me, no matter it's the Six Gates or the Emperor's bodyguard Black Widow, they won't take action against you. Do you understand now?"

Dongfang Bubai thought about it and felt that this was good. As long as the Six Gates and the emperor's guards no longer doubted her, she could leave this bastard at any time. She might as well stay with this bastard this time.

At this time,

Mei Sanniang had already beaten Feng Qingyang into a state of disgrace. All the bones in Feng Qingyang's body were broken by Mei Sanniang.

Mei Sanniang took Feng Qingyang as Su Chen to vent her anger.

Su Chen was messing around with women everywhere. She was very angry. She had been with this bastard for a long time, but that bastard had accepted Gongsun Liji. Why had she never been accepted by that bastard?

Didn't that bastard like herself like this?

Chapter 1038

In the square of the Hengshan Sect,

Liu Zhengfeng's Golden Pen Washing Ceremony had already begun.

Just when Liu Zhengfeng was about to ask for the Jinpen Washing Hands and announce his withdrawal from the world, the Songshan

Sect began to attack.

There is evidence that Fei Bin, a master of the Songshan Sect, used his martial arts skills to kick Fei Bin's golden basin away, making it impossible for Liu Zhengfeng to wash his hands in the golden basin.

Fei Bin from the Songshan Sect looked at the angry Liu Zhengfeng and said with a sinister smile, "Liu Zhengfeng, you'd better honestly tell me about your collusion with the Demonic Cult, otherwise you, the Hengshan Sect, will be considered to be in collusion with the Demonic Cult."

"I have nothing to do with the Demon Cult at all. I only made friends with Qu Yang because we have the same hobbies. Fei Bin, don't talk nonsense here."

"Yeah?"

Fei Bin looked at Zuo Lengchan, the leader of the Songshan Sect. After Zuo Lengchan nodded to him, Fei Bin waved his hand and said,

"Bring Liu Zhengfeng's family with you."

As Fei Bin finished speaking, people from the Songshan Sect escorted a group of men, women, old and young to the Hengshan Sect Square.

"Master, save us!"

"Dad, I'm scared!"

"Husband, what's going on?"

After Liu Zhengfeng's family members were brought up, they all cried miserably towards Liu Zhengfeng.

Liu Zhengfeng looked at Fei Bin and Zuo Lengchan angrily and cursed, "Fei Bin, Zuo Lengchan, what do you want to do? Why were my family arrested? Zuo

Lengchan stood up and said expressionlessly, "Liu Zhengfeng, as long as you tell the story of your association with the Demon Cult, I will let your family go unscathed.""

Although the other sects of Wuyue Sword Sect were disdainful when they saw this situation, it is an indisputable fact that Liu Zhengfeng colluded with the Demon Sect.

Besides, even Mr. Mo Da of Hengshan Sect did not come forward to speak for Liu Zhengfeng, and they did not intend to speak.

After all, the Songshan Sect has sufficient evidence.

They don't want to be implicated for a person who colludes with the Demon Sect. The Xuantian Empire wants to rectify the evil forces in the world. At this time, anyone who colludes with the Demon Sect will probably be in bad luck.

With that, The Songshan sect massacred Liu Zhengfeng's family, and the arrival of Demon Cult Qu Yang also confirmed the relationship between Liu Zhengfeng and Qu Yang. After Liu Zhengfeng and Qu Yang died one after another, no one from the Hengshan sect stood up for Liu Zhengfeng, and no one even stood up for Liu Zhengfeng. Scolding the Songshan Sect.

Dingxian of the Hengshan Sect saw Liu Zhengfeng and his family dead.

She was very angry.

If Master Mijie hadn't been holding her back, she would have gone to save Liu Zhengfeng's family.

"The people of the Songshan sect are simply inhuman, and there are also the people of the Hengshan sect. Liu Zhengfeng is the second-in-command of the Hengshan sect after all. Not one of the hundreds of people from the Hengshan sect here stood up for Liu Zhengfeng, and not even one person said anything to plead for Liu Zhengfeng."

Master Jue shook her head at Dingxian and said comfortingly,

"Dingxian, this is Jianghu, and you are also the leader of a sect. There is no need to be angry about such things. It is an indisputable fact that Liu Zhengfeng colluded with the Demon Cult. The imperial court is now going to rectify the Jianghu in the Western Continent. Even if the Songshan Sect did not kill Liu Zhengfeng this time, Liu Zhengfeng will definitely be arrested and brought to justice by the court"

"But this can't involve family members! Master Dingxian said with an indignant look.

Master Jue sighed and persuaded Master Dingxian,

"well! Are you just going to save Liu Zhengfeng's family? The Songshan sect is much stronger than your Hengshan sect. Even if all the disciples of the Hengshan sect tried to save Liu Zhengfeng's family, it would be impossible to save them."

"Senior sister, why don't you take action? Aren't you always jealous of evil? Don't you care if the Songshan sect does this?"

"It's not that I don't care, it's just that I don't want to care. The Xuantian Empire has a close relationship with me. I don't want to care about these things involving the Xuantian Empire."

"Senior sister, are you actually related to the Xuantian Empire? Don't we Jianghu people always have no contact with the imperial court?"

"You will understand it later, I can't explain it right now." Jie Shitai shook her head when she thought of that bastard Su Chen and said with a smile.

She knew Su Chen before he established the empire, and their Emei sect became so much stronger than before thanks to that bastard.

Although she had to pay for it. A disciple, but she has no complaints.

If her disciple Zhou Zhiruo can advance to the Heavenly Realm in the future, then her Emei Sect will definitely develop into the most powerful sect in Tianxuan Continent. Not to mention her other two disciples are now also At the level of the Grand Master's cultivation, they will go to the martial arts pavilion and the Fusang Tree in the Black Bird Palace to practice more in the future. Master Miejie believes that Ji Xiaofu and Ding Minjun will also improve in strength, but she is also worried about Ji Xiaofu and Ding Minjun. They were also seduced by that shameless pervert.

When Dingxian saw that Mrs. Miejie was unwilling to say anything more, she did not ask any more questions.

After all, this was a private matter of the Emei Sect, and it was beyond the control of her Hengshan Sect.

At this time,

Ding Minjun quickly came to Master Miejie and whispered excitedly, "Master, I noticed that that person has arrived!"

"Who has arrived?"

Master Jue asked in confusion after hearing Ding Minjun's words,

"Su!"

"Why is that bastard here? Where is he now?" Master Miejie started to fight fiercely and asked hurriedly.

Master Miejie didn't expect that Su Chen would come to the Western Continent.

How did he, the emperor, do it?

He just ran out not long after the founding of the country. Could it be that he didn't care at all? Is it a state matter?

What if something happens to that bastard?

What will happen to the Xuantian Empire?

Are you going to let the eldest princess Su Yan become the queen at a young age?

Ding Minjun hurriedly grabbed Master Jue and said, "Master, he is leaving with a woman now. He went to the Hengshan School Square, but the other woman who came with him is still here. I believe he will come back soon."

Master Jue sat down calmly after hearing Ding Minjun's words. After thinking about it, she hurriedly ordered another disciple, "Damn it, Jingxuan, go and notify the people at the six gates of Hengshan City immediately. Let them send all the experts over and let them also notify the secret guards."

"Yes, master."

Jingxuan saluted Master Miejie and left in a hurry.

She also heard who came to the Hengshan sect.

Su Chen, the emperor of the Xuantian Empire, actually appeared in the Hengshan sect.

This also shocked her.

They were from the Emei sect. The elite disciples have all met Su Chen and know that the Emei Sect has some connection with Su Chen.

Every year, the Emei Sect has disciples who go to the Xuannio Palace to learn martial arts. This is only allowed by Su Chen, the emperor of the Xuantian Empire, for the sake of her master. , not to mention that her junior sister Zhou Zhiruo is still the imperial concubine of the Xuantian Empire, and the Emei Sect has a prosperous relationship with the Xuantian Empire.

After seeing Jingxuan leave, Master Jue immediately ordered Ding Minjun, "Minjun, go and take care of her That woman invited me over, and I wouldn't worry about her staying there alone."

"Yes, master!"

Chapter 1039

Master Dingxian, the leader of the Hengshan Sect, looked at Master Miejie in bewilderment. She had never seen Master Miejie look so flustered. Who was the person who arrived?

Why is Master Miejie so worried about that person's safety?

She even asked her disciples to inform the people of the Six Sects. Can the people of the Six Sects obey the orders of Master Miejie?

What kind of organization is the secret guard?

This all confused her.

After a while,

Ding Minjun came to Master Miejie with a very beautiful woman.

At this time, Gongsun Liji was also very curious. She did not expect that someone would discover Su Chen and even invite her to come over and talk.

Gongsun Liji thought for a while and came over. The people the bastard knew wouldn't attack her anyway, and this time it was the nuns from the Emei sect who invited her, which made her don't have to worry.

"The poor nun has never seen the benefactor."

When Master Miejie saw Gongsun Liji, she was very slanderous about that bastard Su Chen. She had never seen this beautiful beauty in Xuannio Palace. This must be another beauty that the bastard found.

Gongsun Liji looked at Meiyan The Master Jue said with a smile, "Gongsun Liji has met the Master Jue."

Although she was confused about the relationship between Master Jue and Su Chen, it was not something she should care about.

That bastard Su Chen was a playboy. She knew a lot of women, and she knew that bastard in other continents. It's not surprising that she is a beautiful woman.

Master Jue pulled Gongsun Liji and asked with concern, "Liji, where did you and that bastard come to the Western Continent from?"

Gongsun Liji looked at the close look of Master Jue, which made her even more confused. Could it be that this beautiful Master Jue is also that bastard woman? "We came from the Eastern Continent, Master, what are you and my husband like? relation?"

"Eastern Continent? Why did he go to the Eastern Continent?"

With that said,

Master Miejie hurriedly explained to Gongsun Liji, "I have nothing to do with that bastard, it's just that his daughter is my future disciple, and my disciple Zhou Zhiruo is also the shameless and perverted wife."

Master Mijie was very speechless when she saw Gongsun Liji looking at her in confusion.

Gongsun Liji must have misunderstood something. She and that bastard have no relationship between men and women.

Gongsun Liji is a little embarrassed now.

She misunderstood just now. Master Mijie, but Su Chen didn't take action against this beautiful nun, Mrs. Mijie. Could it be that Su Chen was really not interested in this plump and beautiful nun, Mrs. Mijie?

"Master, my husband is going to the Eastern Continent to resolve some issues. Haha, Yan'er will have you as her master to discipline her in the future. Now Yan'er is so lawless that she even secretly ran away to the Northern Continent."

"What? Yan'er ran away to the Northern Continent. What did that bastard do for food? What should Yan'er do if she encounters danger?" Master Jiejie couldn't sit still when she heard Gongsun Liji's words.

That bastard Su Chen promised her that Su Yan would become her teacher when Su Yan was ten years old, even though he couldn't teach Su Yan any martial arts. , but at least Su Yan is her apprentice in name.

Now that Su Yan sneaks away to the Northern Continent, this makes Master Mijie very worried. That girl Su Yan is only seven years old. What if something happens to her in the Northern Continent? What should she do? Now she is complaining very hard about that bastard Su Chen.

Su Chen and Su Yan are very troublesome when they are young and old. Both father and daughter are very capable of causing trouble.

Gongsun Liji reacted so much when she saw Master Mijie. He hurriedly grabbed her and persuaded her, "Master, don't worry. Yan'er's mother sent people to capture her. Besides, there are shadow assassins around Yan'er to protect her, so nothing will happen to Yan'er."

"well! Yan'er has learned bad things from his father. After this incident, I am going to personally take care of Yan'er. I can't let Yan'er act recklessly in the future."

Master Jue thought that no matter how anxious she was now, there was nothing she could do. However, Su Yan was protected by the elusive Shadow Assassin, so there was no need to worry about her safety.

Master Jue also decided to solve the problem after the Wuyue Sword Sect incident was over. Regarding the matter of Mingjiao, she planned to stay in Xuanniao Palace to watch over Su Yan. She had to correct Su Yan's bad habits, otherwise Su Yan would be even more difficult to discipline when he grew up. Later,

Master

Miejie introduced Gongsun Liji to Gongsun Liji. Master Dingxian of the Hengshan Sect, they were also here to watch the merger of the Five Sacred Sword Sects that was about to begin.

At this time, people from the Songshan Sect had begun to threaten the Huashan Sect and the Hengshan Sect.

Although Yue Buqun was a big Grandmaster, but Zuo Lengchan, the head of Songshan Sect, didn't care at all.

He is now also a mid-term master of Grandmaster, and his martial arts Ice Qi has been cultivated to perfection. Even if Yue Buqun is a Grandmaster, he has not turned Yue Buqun into a master. Zuo Lengchan is not in the eyes of others.

Zuo Lengchan is just worried about the Hengshan Sect. There are several great masters in the Hengshan Sect, and there are almost twenty masters. This makes Zuo Lengchan very surprised. He doesn't understand why. How could the obscure Hengshan Sect have so many masters?

At this time,

Yue Buqun of the Huashan Sect looked like a humble gentleman and said loudly, "Zuo Lengchan, I agree with the merger of the Five Sacred Sword Sects, but you are not qualified. Be the leader of the Five Mountains Sword Sect."

Yue Buqun's appearance of a humble gentleman made everyone around him raise their eyebrows. If it weren't for Yue Buqun's sharp voice and feminine appearance, people here might think that Yue Buqun is a gentleman. But now

Yue Buqun Buqun's feminine look makes people want to vomit.

He is no different from the eunuchs in the palace now.

If Yue Buqun puts on a woman's coat again, a transvestite will be born.

Zuo Lengchan Seeing Yue Buqun's disgusted look, he frowned and said, "Yue Buqun, do you want to be the leader of the Five Mountains Sword Sect?"

"Only those with talent and virtue can take the position of leader. I don't think you, Zuo Lengchan, who kills innocent people indiscriminately, can take the position of leader of the Five Mountains Sword Sect."

"Yue Buqun, you, a disgusting guy who is both male and female, wants to be the leader of the Five Mountains Sword Sect. Stop being disgusting here. We, the Five Mountains Sword Sect, cannot afford to disgrace you."

"court death!"

Bang! Boom!

After hearing Zuo Lengchan's words, Yue Buqun quickly drew his sword to kill Zuo Lengchan, and Zuo Lengchan also quickly slapped Yue Buqun with his palm.

The two great masters started fighting like this.

The people in the surrounding arena hurriedly retreated after Zuo Lengchan and Yue Buqun started fighting. The fight between two great masters was not something they could watch from a distance.

On the edge of the Hengshan Sect Square, a man and a woman were also watching. During the battle in the square of the Hengshan School, the man was handsome and the woman was gentle and beautiful. Standing together, they were like golden boys. The beautiful woman in a white dress asked the expressionless man next to her,

"Ding Peng, who do you think is more powerful in martial arts between Yue Buqun of the Huashan Sect and Zuo Lengchan of the Songshan Sect?"

"Qingqing, I haven't seen it yet, but Yue Buqun's swordsmanship is sharp and slanted, and Zuo Lengchan's ice energy is also very good. Who is stronger or weaker can only depend on whether they still have it. other means."

Chapter 1040

At the edge of the Hengshan Sect Square, the man and woman are Ding Peng from the Full Moon Villa and Qing Qing from the Overseas Demon Sect.

They also want to seek revenge on Qingsong Swordsman Liu Songyan in the Western Continent this time. However, they learned about the merger of the Five Sacred Sword Sects in the southeastern region of the Western Continent. They also came to see the excitement.

Ding Peng was so eager for revenge that he didn't want to come, but he couldn't resist Qingqing's pleas.

Qingqing was his savior. Although this beautiful woman was born in an overseas demon sect, since the demon sect was destroyed, Qingqing had no one to rely on, so Ding Peng could only Take care of this kind-hearted woman.

Suddenly,

Qingqing saw that the Hengshan Sect had always been peaceful, and she also discovered the difference between the Hengshan Sect. Although her cultivation level was not high, she could still distinguish the auras of the great masters and master masters.

There are at least three great masters in the Hengshan sect, and there are about twenty master masters.

This makes Qingqing feel very strange.

"Brother Ding, do you think those nuns from the Hengshan Sect are so powerful? Is the Hengshan Sect so powerful?"

Ding Peng looked at the Hengshan Sect, frowned, shook his head and said, "I don't know either. I have been away from the Central Plains of the Western Continent for three or four years. I can't tell what the current situation is in the Western Continent."

"Brother Ding, can you defeat Yue Buqun and Zuo Lengchan with your strength?" Qingqing nodded and pointed at Yue Buqun and Zuo Lengchan who were fighting in the square and asked.

Ding Peng looked at Qingqing with disdain and said, "Okay, I am now at the half-step cultivation level of the heavenly realm. Yue Buqun and Zuo Lengchan Even if Zuo Lengchan and the others were together, I could easily kill them."

Although Ding Peng lost the Full Moon Scimitar, he could kill Yue Buqun and Zuo Lengchan easily with his strength.

The two leaders are middle-aged and are not as advanced as himself in cultivation. , Ding Peng didn't even bother to regard Yue Buqun and Zuo Lengchan as opponents.

At this time,

Su Chen, Mei Sanniang, and Dongfang Bubai also arrived.

They all now hide their cultivation realm.

Su Chen came here Just hearing Ding Peng's disdainful tone made Su Chen interested in these two people. One of the men and one woman was at the half-step heavenly realm, and the other was at the late innate realm. What were these two people like? Who is he?

Su Chen pretended to be a playboy, holding Mei Sanniang in his arms and said to Ding Peng, "You braggart, go and kill me and let me see.""

"Who is Xiongtai? I don't seem to have offended you, right?" When Ding Peng heard Su Chen's words, he turned around and looked at the people behind him and asked with a frown.

He didn't expect that there were a man and two women behind him. Moreover, the two women were more beautiful than the other, and their strength was at the peak of a grandmaster. The man next to these two beauties turned out to be an ordinary person with no cultivation.

He looked at the man's arrogance and couldn't stand it.

This man looked like a young master from a wealthy family.

Such a dandy Ding Peng has always been very Hate

"I can't stand the way you talk nonsense," Su Chen shouted arrogantly when he walked to Ding Peng.

Qingqing looked at Su Chen with great contempt.

An ordinary person with no cultivation is still so arrogant. Everyone here is Jianghu people are Jianghu people who kill people at every turn.

Has he lived enough?

You must know that Ding Peng is a master of half-step heaven and human realm. If this bastard angers Ding Peng, Ding Peng will probably kill him in anger. Damn this dandy young master.

Qingqing put her hands on her hips and kindly reminded Su Chen, "Hey, you don't have to watch it if you don't like it. We're not begging you to listen. You'll lose your life if you meddle in other people's business."

Su Chen looked at Qing Qing and smiled and said, "Beauty, I'm just talking about the facts. I'm not meddling in other people's business. I just can't stand what this country bumpkin says."

Mei Sanniang was very angry when she saw that this bastard wanted to flirt with this beautiful girl again. As soon as this bastard found a beautiful girl, he was determined to chat with another beautiful girl.

Mei Sanniang was right This bastard was really helpless.

Mei Sanniang reached out and grabbed Su Chen's waist and pinched her hard, saying, "Be honest with me. Why do you want to get a beautiful woman when you see her?" Will your bastard's body be able to handle the food in the future?"

"I'll do it! Sanniang, do you want to murder your husband?" Su Chen hurriedly took Mei Sanniang's hand and said hastily.

Su Chen didn't expect that Mei Sanniang would be so jealous. This is not like the careless Mei Sanniang. Could it be that Mei Sanniang can't wait to be him? Madam? Or are all women like this?

"snort!"

Mei Sanniang leaned in Su Chen's arms and glanced at this bastard and snorted coldly.

She was too lazy to talk to this bastard.

I'm afraid that even if she talked or beat this bastard hard, she wouldn't be able to change his lust.

However, Mei

Sanniang was very happy when she heard Su Chen talk about murdering her husband, otherwise she would not let this pervert easily go this time.

Dongfang Bubai looked at Su Chen expressionlessly , she didn't know why Su Chen wanted to provoke a powerful person. Dongfang Bubai didn't believe that this bastard didn't see Ding Peng's strength. This bastard made her increasingly confused now.

And neither did this bastard. Asking his name, not asking why he is so powerful, and not seeming to care about his identity. Could it be that this bastard already knew his identity?

But if he knew his identity, why would he? Help yourself?

This shameless pervert can't really have his own ideas, right?

Dongfang Bubai looked at Su Chen with a very complicated expression. Her character has become weaker and weaker since she met this bastard. If she had been herself in the past This bastard had been killed by her palm a long time ago.

Qingqing looked at Su Chen's movements of rubbing his waist and said with a smile, "Haha! Have you been taught a lesson? This is retribution in this world"

"Little beauty, don't mess with me, or I will make you my concubine." Su Chen threatened Qingqing when he saw Qingqing gloating about his misfortune,

"shameless bastard!"

Qingqing's face turned red with anger when she heard Su Chen's dirty words. She had kindly reminded this bastard just now, but she didn't expect that this bastard not only didn't appreciate it, but also dared to take her ideas. This made Qingqing very ashamed and angry.

"court death!" Ding Peng was very angry when he heard Su Chen teasing Qing Qing. Qing Qing was his savior. If it weren't for Qing Qing, he would have died long ago. Ding Peng struck Su Chen with a palm without thinking, He couldn't bear to see people bullying Qingqing. This dandy young master must die this time. Boom! When Ding Peng suddenly attacked, Mei Sanniang stepped forward to resist Ding Peng's attack. Mei Sanniang fought back. After being attacked by Ding Peng, he yelled angrily, "How dare you take action? If you are tired of living, go to hell!" Mei Sanniang clenched her fist and quickly attacked Ding Peng. She didn't dare who the other person was. Anyone who threatened Su Chen was her enemy, and Su Chen could only be bullied by her. Uh! And that bastard's other women, no one else can hurt this bastard.
