### Chapter 1041

Su Chen watched Mei Sanniang and Ding Peng fight and didn't care.

With him and Dongfang Bubai beside him, even if Mei Sanniang lost to Ding Peng, nothing would happen.

What's more, Mei Sanniang is no longer what she used to be. She won't necessarily lose in a battle with Ding Peng, who is in the semi-celestial realm. Mei Sanniang's supreme strength and cross-border skills are invulnerable. At most, she will be repelled by Ding Peng and fly away.

Boom boom boom!

Mei Sanniang kept hitting Ding Peng with punches and kicks, and Ding Peng also punched and kicked Mei Sanniang at each other. The fight between them caused the people around them to avoid.

The Jianghu people here did not expect that the battle in the Hengshan Sect Square had not yet decided, but another fight broke out here. The battle between the two people here was more powerful and fierce than the battle between Yue Buqun and Zuo Lengchan in the square.

"So powerful, who are these two people? Why do I feel stronger than Yue Buqun and Zuo Lengchan in the square?"

"Yeah, I feel the same way"

"Grandmaster? They are both great masters, and these two are also powerful great masters."

"Holy shit! The people sent by the Five Mountains Sword Sect this time are really Crouching Tiger, Hidden Dragon. I have never heard of these two great masters."

"Yes, but why did the two of them start fighting? Are they enemies?"

In the Hengshan Sect Square, the Jianghu people here looked at the battle between Mei Sanniang and Ding Peng and started talking. The fight between two strange grand masters made them Jianghu people very curious. At this moment,

Wuyue in the square The people of the Sword Sect also discovered the situation here. Although the people of the Five Mountains Sword Sect didn't know why the two great masters were fighting.

But they didn't care.

As long as the affairs of the Five Mountains Sword Sect were not involved, they were still paying attention. Yue Buqun and Zuo Lengchan were fighting in the square. After all, the future of the Five Mountains Sword Sect depends on the outcome of the battle between Yue Buqun and Zuo Lengchan.

At this moment, Gongsun Liji and Master Mieji also discovered Su Chen , they looked at each other and prepared to go find Su Chen, but they were worried that Su Chen was causing trouble and causing trouble again.

"Little beauties, who are you?"Su Chen asked curiously when he came to Qing Qing.

Su Chen was also very curious about Ding Peng's origin.

A strong man who is half a step into the heavenly realm is already very powerful in the world, and can even be a He is the head of a powerful sect, but why does he have no impression of this person?

There does not seem to be such a person among the masters in the southeast region that the secret guards told him. Could it be that this master came from other places?

Qingqing heard that Su Chen When asked, he said arrogantly,

"Why should I tell you? Su

Chen thought for a moment and then stretched out his hand to threaten,"Little beauty, no one is protecting you now. Aren't you afraid of what I will do to you?""

"Haha, it's so funny. You are just an ordinary person, and I am an innate master. Do you think you can beat me?"Qingqing looked at Su Chen and laughed.

This playboy is really interesting.

She is a Jianghu person. Is this ordinary rich young man so lustful that he doesn't care about life and death?

Su Chen shook his head and pointed to the east. Bubai said,"Little beauty, you seem to have forgotten the big beauty next to me, please smile again!"

"Forehead!"

Qingqing looked at Dongfang Bubai and took a few steps back in fright. The cold and arrogant beauty next to her was at the peak of a grandmaster's strength. She was not a match for this beautiful beauty.

"Don't come here, or I will take action."When Qingqing saw Su Chen walking towards her, she clenched her fist nervously and threatened.

Su Chen continued to walk towards Qingqing without caring and threatened,"Haha! If you dare to take action, I will let my woman catch you, and then I will take off your clothes and show you to the public here."

"You are shameless. Let me tell you who we are. My name is Qingqing and that one is Ding Peng."

Qingqing was scared.

This bastard was a shameless pervert.

She was really afraid that this bastard would do that.

Holy shit!

Ding Peng?

That person turned out to be Ding Peng?

Ding Peng from the Full Moon Scimitar?

Just Ding Peng's Full Moon Where is the scimitar?

Has the Full Moon Scimitar been deceived by Liu Songyan?

Su Chen looked at Ding Peng who was fighting with Mei Sanniang and was very speechless. Previously, he said that Mei Sanniang was not the opponent of Ding Peng and Dongfang Bubai. Unexpectedly, in a blink of an eye, not only Dongfang Invincible appeared, but Ding Peng from the Scimitar of the Moon also appeared.

There was also Qing Qing from this demon sect.

Qing Qing now appeared next to Ding Peng, which meant that Ding Peng had already been to overseas demon sects.

Qing Qing's grandfather may have taught Ding Peng the magic sword technique [Divine Sword Slash], and the internal power of the magic skill [Heaven and Earth Interchange Yin Yang Great Compassion] to Ding Peng. No wonder Ding Peng is so strong now.

Qing Qing may have fallen in love with Ding Peng.

At this time,

Gongsun Liji and Master Miejie arrived. They looked at Qing Qing and Dongfang Bubai beside Su Chen and frowned. They did not expect that short In a short period of time, this bastard Su Chen found two more beautiful beauties

"Husband!"

Gongsun Liji looked at Su Chen and shouted softly,

"Li Ji!"

When Su Chen heard Gongsun Liji's cry, he turned around and saw Gongsun Liji and Master Mijie arriving.

Su Chen didn't expect Master Mijie to come too, and it seemed that Master Mijie and Gongsun Liji were already familiar with each other. Yes,

"Forehead! Master Mijie, you are here too"

"You shouldn't be here."

Master Jue looked at Su Chen and said angrily.

Su Chen touched his head and said helplessly,

"Master, I really have something to do when I come here this time. The world of the Western Continent is getting more and more uneasy. The Sun Moon God Sect and the Five Mountains Sword Sect, the reappearance of Yang Dingtian of the Ming Sect, the Good and Evil Reward and Punishment Order, Qingyi Tower, and... There are those Jianghu people who are hiding to cause trouble, and these need to be dealt with."

Master Jue nodded when she heard Su Chen's words.

She also knew about the chaos in the rivers and lakes of the Western Continent.

However, this bastard has so many powerful subordinates.

Does this need him to come forward in person?

Master Jue's face was expressionless. He reminded Su Chen, "But you don't have to come in person, don't you care about your own safety?"

"Don't worry, I have a bodyguard to protect me, nothing will happen to me"

"Forget it, you're already here anyway, it's useless for me to say anything more."

When Gongsun Liji saw that Su Chen had finished talking to Master Miejie, she took Su Chen's hand and asked in confusion, "Husband, why did Sanniang get into a fight with that person? Who is that person?"

"An arrogant person." Su Chen touched Gongsun Liji's hair and said with a smile,

"who are you?"

Dongfang Bubai looked at Su Chen and asked coldly.

The conversation between this bastard and the Emei Sect's Miejie Shitai shocked Dongfang Bubai.

From the conversation just now, Dongfang Bubai discovered the identity of this bastard. It's not simple, and this bastard also has a blue bird jade pendant. This is definitely not the blue bird jade pendant given to him by the imperial concubine Zinu.

This bastard may have been deceiving her from beginning to end.

He even knew his identity a long time ago.

This time this I'm afraid that the bastard's arrival is also to deal with the Sun Moon God Sect. Could it be that he has been being played by this bastard?

Dongfang Bubai became very angry when he thought of this.

Chapter 1042

Su Chen patted his head when he heard Dongfang Bubai's words. He had forgotten that Dongfang Bubai didn't know his identity yet. It was going to be over this time. Dongfang Bubai looked so angry now that he really wanted to kill someone.

At this moment, Qingqing was also looking at Su Chen with great curiosity. From what Su Chen and Master Jue said just now, she felt that this dandy had an extraordinary background. Could this dandy have a great background?

Gongsun Liji and Master Mijie looked at Dongfang Bubai and were very confused.

Isn't this beautiful girl Su Chen's new love?

Why does it look like Su Chen deceived this beauty?

"tell me? What is your identity?" Dongfang Bubai looked at Su Chen angrily and cursed.

Su Chen said to Dongfang Bubai in embarrassment, "Ahem! Dongfang Invincible, this is not the time, I will tell you later when there is no one else around."

Dongfang Bubai heard Su Chen call her name, which made Dongfang Bubai even more angry.

This bastard really knew her identity.

She was so angry that she wanted to kill this shameless person, "You bastard, you really know me. How dare you deceive me about your identity! Go to hell!"

"Wait, don't you want to know about your sister?" Su Chen didn't expect that Dongfang Bubai was really going to take action. He hurriedly told Dongfang Bubai's sister. Only in this way could he divert Dongfang Bubai's anger. When

Dongfang Bubai heard Su Chen's words, he grabbed him. Arms asked hurriedly, "Do you know my sister? Where is she now?"

Su Chen looked around and winked at Dongfang Bubai and said, "We'll talk about it later, we'll talk about it later, I can't run away anyway."

"Damn it, you're a shameless bastard." Dongfang Bubai also knew that people here were talkative. She glared at Su Chen and shook her sleeves angrily.

She had no choice now.

This bastard actually knew the whereabouts of her sister.

This made her unable to do anything no matter how angry she was. Take action against this bastard.

Su Chen was relieved when he saw that Dongfang Bubai would not take action. Dongfang Bubai was a bit difficult to deal with. This time she knew that he had deceived her. I am afraid it will be even more difficult to deal with in the future.

"Master, why are you here?"

Master Mijie gave Su Chen a white look and said speechlessly,

"I was invited here by Master Dingxian of the Hengshan Sect. The Hengshan Sect does not agree with the merger of the Five Sacred Sword Sects. However, the Hengshan Sect is weak and cannot resist the threat of the Songshan Sect. I can only help Hengshan of Dingxian. group."

Master Mijie didn't expect that this bastard Su Chen could actually take down Dongfang Bubai of the Sun Moon God Sect. She felt that Dongfang Bubai would be the woman of this bastard in the future. This shameless pervert is a scourge that harms women everywhere.

"So this is ah!"

Su Chen thought about it and it was not surprising. The Emei sect and the Hengshan sect are both nuns. There must be a connection between the two sects. It is natural for the Hengshan sect to ask for help from the Emei sect.

Boom boom boom boom!

"Who are you?"

The more Ding Peng and Mei Sanniang fought, the more shocked they became.

No matter how he dealt with this tough woman, it was of no use. Every time he fought back Mei Sanniang, she was not hurt. This woman was like an iron wall. The first blow to this woman's body was like hitting a steel plate

"I am your ancestor!"

Mei Sanniang panted and looked at Ding Peng and cursed.

Although Mei Sanniang was not injured, she is very tired now, and her internal strength is about to be exhausted. If she hadn't practiced the most powerful Kung Fu, I'm afraid she would She had been defeated by Ding Peng long ago

"court death!"

Ding Peng heard Mei Sanniang's words and punched Mei Sanniang again. If his weapon, the Full Moon Scimitar, had not been deceived, this powerful woman would have been killed by him.

Boom!

Su Chen suddenly appeared in Ding Peng's eyes. Next to him, when Ding Peng attacked Mei Sanniang, he kicked him away. But he saw that Mei Sanniang could no longer hold on. Su Chen did not want his woman to be injured. Su Chen came to Mei Sanniang The person next to me asked with concern, "Sanniang, are you okay?"

"I'm fine, it's just that my internal energy consumption is a bit high." Mei Sanniang shook her head and said to Su Chen with gentle eyes,

"That's good, you take a rest and I'll deal with this arrogant Ding Peng"

"Um!"

In the distance,

Ding Peng, who had been kicked by Su Chen, stood up from the ground.

When he looked at Su Chen, he was very wary. This playboy turned out to be at the level of a great master. This made him very confused about Su Chen. This He also misunderstood what secret skills the bastard had practiced.

Ding Peng wiped the blood from the corner of his mouth and coughed, "Cough! You actually hid your cultivation realm? Who are you?"

"Want to know? Let's talk about it after we win!"

"asshole!"

Su Chen didn't give Ding Peng a chance. He teleported and appeared behind Ding Peng, raised his foot and continued to kick him.

Touch!

"Want to make a sneak attack? Die to me!"

Boom!

Touch!"

"Idiot!"

Su Chen dodged Ding Peng's attack and kicked him away again. Su Chen's teleportation ability was uncanny. Ding Peng could sense and resist his own attack, but could he be faster than his own speed? The following time Here,

Su Chen was playing tricks on Ding Peng. He kept teleporting back and forth and kicking Ding Peng away. Ding Peng was kicked back and forth by Su Chen like a rubber ball. If he hadn't deliberately caused trouble this time, Ding Peng would have been kicked. I'm afraid he would have been killed a long time ago.

Su Chen's rogue style of play made the girls next to him unable to stand it. No matter how powerful Ding Peng is this time, it will probably be of no avail. This bastard's teleportation ability is simply impossible to guard against. They can't stand it anymore. They all sympathized with Ding Peng who was beaten by Su Chen.

Qingqing looked at Su Chen in confusion.

Her mind was very confused.

Isn't this shameless pervert a playboy?

But why is this bastard so powerful?

Ding Peng But Ding Peng, who is half a step above the realm of heavenly beings, has no ability to resist in the hands of this bastard.

This makes Qingqing even more afraid of Su Chen. This bastard is so lustful and shameless. She will worry about this bastard for a while. What would he do to her? She was so flustered that she didn't know what to do.

At this moment, the people in the Jianghu around were surprised to see Su Chen beating Ding Peng. The people in the Jianghu here were also very surprised. The great masters came one after another. The appearance of one made the low-strength Jianghu people retreat in fear. They didn't want to get involved in the battle between the great masters.

Su Chen looked at Ding Peng, who had been beaten by him with a bruised nose and face, and asked with a smile. road,

"Ding Peng, are you convinced?"

"I'm going to kill you bastard!" Ding Peng wiped the blood on his face and cursed angrily.

"It seems you haven't been taught enough yet"

"I must....." boom!

"What did you say?"

## Chapter 1043

Ding Peng was confused now.

Although he was very embarrassed, he was not seriously injured, but this made him even more angry than being seriously injured. He would rather be seriously injured and fall to the ground and be killed. Don't be embarrassed like this again

"stop! Uh, no, stop!"Qing Qing can't stand watching anymore. Ding Peng has taken care of her for several months no matter what. She doesn't want this bastard to continue humiliating Ding Peng.

Qing Qing can also see that this bastard has no intention of killing Ding Peng, otherwise Ding Peng was instantly killed by this bastard.

Boom!

Su Chen kicked Ding Peng away again and smiled at Qing Qingzhu and said,"Little beauty, as long as you agree to be my maid, I will let Ding Peng go.""

"Don't even think about it!"

Qingqing heard Su Chen's words and refused without thinking.

This bastard is a shameless pervert.

She doesn't dare to agree to this bastard's maid.

If she becomes this bastard's maid, I'm afraid she will be punished by this bastard. The shameless pervert ate so much that he couldn't even leave any bones.

Su Chen took out a long sword and pointed it at Ding Peng expressionlessly, threatening,

"Then I will kill Ding Peng"

"you.....You are shameless!"Qing Qing was very anxious when she saw Su Chen's cold look. She was very worried that Su Chen would really kill Ding Peng. Ding

Peng, who was lying on the ground in the distance with a bruised nose and face, hurriedly shouted to Qing Qing after hearing Su Chen's words. He said,"Qingqing, don't agree to that lecher, I won't be able to let anything happen to you even if I die."

Su Chen didn't even look at Ding Peng. He smiled and said shamelessly to Qing Qing,"Hey, I am a shameless person. If you don't agree, I will kill Ding Peng with one sword."

"shameless!"

"What a shame!"

"shameless!"

"Doesn't this bastard have no face at all?"

Gongsun Liji, Mei Sanniang, Dongfang Bubai and even Master Jue looked at Su Chen and turned their heads and cursed, they don't want to stand with this bastard now, or even have anything to do with this bastard, this bastard It was so embarrassing and shameless. Standing here, they felt that Su Chen had thrown all their faces into it.

Qingqing had no choice now.

This bastard was sure to kill her.

But she couldn't just watch Ding Peng being raped. Kill.

She knew that Ding Peng was going to take revenge on Liu Songyan. Ding Peng died without avenging his revenge. Ding Peng would probably die without a trace of peace.

Forget it,

Qingqing thought about it and repaid Ding Peng for these few things. She must take care of her for months.

Qingqing looked at Ding Peng complicatedly and said helplessly to Su Chen, "I.....I said yes, you fucking bastard"

"Um? I didn't hear clearly. What did you call me just now?"

"few.....Master, I just called you Master"

"You can teach me, Qingqing, you are very talented in being a girl.

Shameless pervert! shameless bastard!

Damn bastard!

When Qingqing heard Su Chen's words, she kept cursing in her heart.

She was helpless when she met this bastard. This bastard didn't look like a rich young man at all. He was simply a ruffian.

"Qingqing?"

Ding Peng cried out heartbroken when he heard Qingqing's words.

Qingqing thought that these few months had also dragged down Ding Peng. The permission to leave Ding Peng this time would be good for both her and Ding Peng, "Brother Ding, please leave quickly. There is still much to do, don't delay what you have to do for me. Ding

Peng looked at Qingqing, clenched his fists and said angrily, "Qingqing, I will not leave you alone." Qingqing shook her head and persuaded, "Brother Ding, I will be fine. You should do what you want to do. We will meet again when we have the opportunity."

"I.....Qingqing, I will come to save you, just wait for me."

Ding Peng looked at Qing Qing with an ugly face, and he glared at Su Chen angrily. He will definitely not let go of this person who humiliated him in the future. As long as he gets back his magic sword, the Full Moon Scimitar, he will definitely Come and kill this shameless bastard.

Ding Peng glanced at Qing Qing for the last time and then flew towards the Hengshan faction. When Qing Qing saw Ding Peng leaving, she sat on the ground weakly. She was now letting Su Chen She was slaughtered, and with her level of cultivation, there was no way she could escape from this bastard's grasp.

Su Chen looked at Qing Qing's devastated look and shook his head. He saved Qing Qing's life this time. If Qing Qing continued to follow Ding Peng will die, her kindness will not be rewarded!

"Husband, why are you doing this?" Gongsun Liji asked suspiciously when she came to Su Chen.

She didn't believe that Su Chen had fallen in love with this Qingqing. Su Chen's woman was much prettier than Qingqing. Su Chen probably did this because of him. Plan, but she didn't understand it after thinking about it

"I said I saved her life by doing this, do you believe it?" Su Chen hugged Gongsun Liji and said with a smile.

Mei Sanniang heard Su Chen's words and scolded with disdain, "Believe it or not, you are a shameless scumbag."

Although Mei Sanniang believes what Su Chen said, she just can't stand Su Chen's ideas of other beauties. This bastard is a shameless pervert. He must also be interested in this beauty named Qingqing. Master Taihe of

Jue She shook her head and didn't want to care about these things.

She also didn't think that Su Chen would threaten women.

Su Chen was an emperor, and his woman was not a peerless beauty.

This bastard just wanted beauties. I'm afraid there would be many beauties in just one sentence. They were sent to her door automatically, which probably included her disciples.

Dongfang Bubai had a cold and arrogant expression, as if she hadn't seen these things. She didn't care about any of this. She wanted to know the identity of this bastard right now. And the whereabouts of her sister.

Gongsun Liji smiled when she heard Mei Sanniang's words, but she felt that Su Chen would not do anything to threaten a woman, "Xin, how could I not believe what my husband said?"

"ha! My wife still believes in me." Su Chen hugged Gongsun Liji and kissed her and laughed.

Master Miejie suddenly found Yue Buqun in the square and defeated Zuo Lengchan, and even killed several masters of the Songshan sect who wanted to save Zuo Lengchan.

She hurriedly said to Su Chen and the others, "Let's go over there. Yue Buqun of the Huashan Sect has already won."

"Huh? That ladyboy was so powerful that even Zuo Lengchan was defeated by him." Su Chen looked at the square when he heard Master Miejie's words. At this time, Yue Buqun was very arrogant.

He stepped on Zuo Lengchan's body while laughing and slaughtering Songshan who came to save Zuo Lengchan. Sect disciples, evil-proof swordsmanship greatly improved Yue Buqun's strength. None of the disciples of the Songshan Sect were Yue Buqun's opponents.

"Don't look at us. Let's go quickly. I don't want the Hengshan police to get into trouble."

"Okay, let's go there!"

Just after Su Chen, Miejie Shitai and the other girls left,

Qingqing looked at the people leaving in confusion.

Those people seemed to have forgotten her, which made Qingqing not sure whether to take advantage of this moment to escape.

But she After thinking about it, she gave up.

Where could she go if she escaped now? Ding Peng had already left, and she was not familiar with the Central Plains area. Where could she go to find Ding Peng?

Chapter 1044

Here at the Hengshan Sect,

Master Miejie arrived with Su Chen, Gongsun Liji and the others.

The nuns of the Emei sect bowed down and saluted Su Chen, and Su Chen also waved and smiled and said hello to the nuns of the Emei sect. These female disciples of the Emei sect, Su Chen, were all familiar with them, especially Ji Xiaofu and Ding Minjun

"Master, drink tea!" When Ding Minjun saw Su Chen sitting down, he hurriedly poured a cup of tea for Su Chen and said,

"Little beauty, have you ever thought about me, young master?" Su Chen directly hugged Ding Minjun's small waist and lifted her chin and asked.

Ding Minjun's face turned red when Su Chen hugged her and she didn't know what to do.

Although Su Chen didn't hold her less, this was a public place after all. Next, there were thousands of people here in the Hengshan School Square. She was worried that Su Chen would do that to her at this time.

Ding Minjun lowered his head and said shyly, "Master, we have only been separated for two months. Do you think I will miss you?" ?"

"Ding Minjun, you are not good, you are becoming more and more naughty now." Su Chen looked at Ding Minjun's shy look and smiled.

Ding Minjun The fate of the mixed martial arts world has also changed.

However,

Ding Minjun in the mixed martial arts world is much more beautiful. Her pretty face, tall figure, especially the pair of undulating mountains, make Su Chen feel very comfortable.

Master Mijie looked at Su Chen with a black face and wanted to strangle this bastard to death.

This place was full of nuns, and this bastard did whatever he wanted regardless of the occasion. Although this bastard had always done this in the Xuantiao Palace, but here after all Not the Black Bird Palace.

This is the martial arts conference of the five mountain sword sects.

Doesn't this bastard know how to restrain himself?

The disciples of the Hengshan Sect and Dingxian next to him stared at this bastard Su Chen in shock.

Master Mijie coughed slightly and reminded, "Uh-huh! You bastard, be more honest and let go of my disciples.""

"You bastard has some ideas, I'm really impressed by you." Mei Sanniang patted Su Chen on the shoulder and said helplessly.

Gongsun Liji looked at Su Chen holding a nun and rubbed her head and said, "Husband, don't do this nonsense."

Su Chen reluctantly let go of Ding Minjun.

He also knew that this was not a place for flirting. It was just that the people in the square were beautiful. Besides, he felt like vomiting when he saw Yue Buqun's current shemale appearance. This was also a way to divert his attention.

"Senior sister, this....."The head of the Hengshan Sect saw Su Chen teasing a disciple of the Emei Sect, but Master Mijie did not get angry and kill the shameless person. This made Dingxian look at Master Mijie very puzzled.

Master Mijie was in a dilemma and said to Dingxian,"Dingxian, it's okay, just pretend you didn't see anything."

She didn't know how to explain it to Dingxian now, so she could only explain it to Dingxian later. It's the same thing. Fortunately, the Emei sect can't help but marry. Otherwise, the reputation of the Emei sect would be ruined by this bastard.

"ah!"

Master Dingxian was stunned when he heard Master Jue's words. Just pretend that he didn't see anything?

Hundreds of disciples of the Emei Sect and Hengshan Sect all saw it with their eyes open. Do they think that all of us are blind? ?

And who is this man?

Why is Master Mijie so tolerant to this young man?

Is this young man the son of Master Mijie?

Dingxian shook his head hurriedly when he thought of this, but she had not heard about Master Mijie Marrying a man and having no children.

At this time, more than ten disciples of the Songshan Sect had fallen around Yue Buqun. These were the masters of the Songshan Sect. The remaining disciples of the Songshan Sect were all timid. Retreat and dare not move forward.

The leader of the Songshan Sect was trampled under the feet of Yue Buqun and was already dying, and all the masters and masters of the Songshan Sect were dead and injured. If the Songshan Sect is not destroyed this time, I am afraid that it will not recover in the future.

Yue Buqun The crowd looked around wildly and laughed, "Haha! Who else is against me? Who else disagrees with the merger of the Five Sacred Sword Sects? I, Yue Buqun of the Huashan Sect, will be the leader of the Five Sacred Sword Sect from today onwards. Which of you agrees with this? Who objects?"

"The Taishan Sect has met the leader of the Five Mountains Sword Sect!"

"I've met the leader!"

The declining Taishan Sect saw that Yue Buqun had defeated Zuo Lengchan and even massacred the masters of the Songshan Sect. The leaders and disciples of the Taishan Sect, who had taken advantage of the situation, saluted Yue Buqun one after another.

Yue Buqun saw that When the Taishan sect learned about the current affairs, he shouted loudly, "Okay, okay, the Taishan sect is good, everyone, get up!"

"Thank you, Alliance Leader!"

"Hengshan Sect, what's your decision?" Yue Buqun looked at Mr. Mo Da and asked expressionlessly,

"well! The Hengshan faction has met the leader of the Five Mountains Alliance!"

"I've met the leader!"

Mr. Mo Da looked around and lowered his head to salute Yue Buqun. The disciples of the Hengshan Sect also saluted Yue Buqun.

Mr. Mo Da was also very helpless now.

He didn't expect to get rid of a wolf and another one came. Tiger, he had to bow his head for the future of the Hengshan Sect.

The reputation of their Hengshan Sect was completely ruined this time.

Liu Zhengfeng's family was killed and he did not try to save him. All the disciples of the Hengshan Sect also did not save him. The Hengshan Sect's reputation was completely ruined. Now he is just a lone wolf without teeth, and there is no blood left. I am afraid that the Hengshan Sect will also completely decline in the future, no!

I am afraid that Yue Buqun will not allow the Hengshan Sect to exist anymore in the future.

Su Chen looked at the square Yue Buqun forced the Hengshan Sect and said disdainfully, "There is no need for the Hengshan Sect to exist in the future."

Su Chen looked down on the Hengshan sect very much when he was watching Swordsman.

Liu Zhengfeng was still the second in command of the Hengshan sect, no, he should be the first.

Mr. Mo Da, the leader of the Hengshan sect, hugged his erhu all day long and kept playing. Stop, the Hengshan Sect was managed by Liu Zhengfeng, but when Liu Zhengfeng was in trouble, no one from the Hengshan Sect helped Liu Zhengfeng.

Mr. Mo Da only pretended to be sad after Liu Zhengfeng's entire family died.

Su Chen really can't stand everyone in the Hengshan sect.

"The Hengshan sect are all villains without any backbone." Master Mijie nodded her head when she heard Su Chen's words.

Master Dingxian sighed after hearing what Su Chen and Master Mijie said,

"well! Mr. Mo Da really did something wrong this time. Liu Zhengfeng worked hard for the Hengshan Sect all his life, but in the end no one from the Hengshan Sect saved Liu Zhengfeng's family. The people of the Hengshan Sect are all cold-blooded people."

Dongfang Bubai said coldly with a cold face, "Survival of the fittest, survival of the fittest, the Hengshan Sect will be destroyed sooner or later."

Su Chen leaned back and said to Dongfang Bubai with a smile, "Xiaobai, you are right. How about you kill Yue Buqun and everyone in the Hengshan sect later? This is a piece of cake for you"

"Go away, my name is not Xiaobai. If you call me like that again, I will kill you."

"I'll do it! tigress!"

"I'll kill you bastard!"

Chapter 1045

Dongfang Bubai heard that Su Chen actually called her Xiaobai.

Even after he warned this bastard, the bastard still acted like a shameless pervert. This made Dongfang Bubai look at Su Chen and couldn't bear to teach this shameless pervert a lesson.

Seeing Dongfang Bubai was about to take action, Su Chen hurriedly shouted to her,

"Yilin!"

"What Yilin?"

"Young Master, have you seen my disciple?"

When Dongfang Bubai and Master Dingxian heard Su Chen say Yilin's name, they all asked Su Chen hurriedly.

Dongfang Bubai also forgot to settle the score with this bastard.

She guessed that Yilin might be her. Sister's name, otherwise this bastard would not be able to say this name when she wants to teach him a lesson.

She is very nervous now.

The sister she has been looking for for more than ten years now hopes to see her very much.

Depends Master Xian was very excited when she heard Su Chen say Yilin's name. Her apprentice had been missing for several months, and since this young man knew Yilin's name, he must also know Yilin's whereabouts.

Master Miejie and Master Gongsun Liji also looked at Su Chen curiously.

They didn't know why Su Chen suddenly said a woman's name, while Master Dongfang Bubai and Master Dingxian looked so fussy. They looked at each other and didn't know what Su Chen was up to.

Su Chen looked at Dongfang Bubai and Dingxian and said to them, "Yilin is your sister Dongfang Lin, and she is also the master of Dingxian of the Hengshan School. Disciple Yilin"

"My sister's name is Dongfang Lin, where's Yilin? Who is Yilin among the disciples of the Hengshan Sect?" Dongfang Bubai looked at the disciples of the Hengshan Sect and asked excitedly.

She really wants to know what her sister looks like now.

Has she suffered any hardships?

"This benefactor, Yilin, disappeared within a few months. Master Dingxian shook her head at Dongfang Bubai and sighed. She quickly looked at Su Chen and asked, Master, do you know where my disciple Yi Lin is?"

"Bastard, is my sister at your place? What did you do to my sister?" Dongfang Bubai directly grabbed Su Chen's clothes and asked.

Dongfang Bubai is now very worried that this bastard has ruined her sister. This bastard is a shameless pervert. If this bastard does anything to her sister, she will definitely kill her. This bastard.

Su Chen could also hide it from Dongfang Bubai and Dingxian,"Yilin is now in the Black Bird Legion and is my daughter's subordinate. Now the Black Bird Legion is no longer in the Western Continent. You can't see Yilin for the time being.""

"Blackbird Legion? Princess Xuantian's private army? you.....Who are you.....woo woo woo woo. Dongfang Bubai looked at Su Chen in surprise and asked hurriedly, but before she could finish speaking, Su Chen covered her mouth.

"I rely on you to know it, no need to say it" When Su Chen heard Dongfang Bubai's words, she hurriedly covered her mouth.

Su Chen didn't want to expose his identity at this time, otherwise those evil forces and sects in the arena of the Western Continent would know that she had fallen. Those forces and sects would definitely have guarded against.

Dongfang Bubai pushed Su Chen away in shame and yelled at him,"Bah! You damn bastard, who asked you to cover my mouth?" Dongfang Bubai was very shocked now.

The eldest princess of the Heavenly Empire's private army, and her daughter turned out to be the eldest princess of the empire.

So could this bastard be the Emperor of the Xuantian Empire, Su Chen?

No wonder this bastard was able to take out the Blue Bird Jade Pendant, no wonder this bastard was able to handle her pretending to be the imperial concubine, no wonder the Emei faction took this bastard so calmly.

Master Dingxian was very shocked when she heard Dongfang Bubai's words nearby.

She looked at Su Chen and trembled, not knowing what to say.

This young man was actually the emperor of the Xuantian Empire. This made her, the Hengshan. The leader of the faction couldn't guess it.

She looked at the calm and composed Master Mie, and she guessed that Master Mie must have known that this man was His Majesty the Emperor of the Empire, and even everyone in the Emei Sect knew that this young man was His Majesty the Emperor of the Empire.

But when did the Emei sect meet His Majesty the Emperor?

And the relationship between them seems very unusual.

Master Miejie shook her head at Dingxian.

She knew that Dingxian had also guessed Su Chen's identity, but she believed that Dingxian would not talk nonsense, and even Dingxian did not dare to talk nonsense everywhere.

Su Chen took a sip of tea and smiled and said, "I made a mistake in desperation, Xiaobai, don't take it too seriously, besides, didn't you kiss us twice?"

"Inglorious bastard, you are a damn liar."

"Haha, we are each other, didn't you also cheat on me? Xiaobai, please stop worrying about everything."

"asshole! Shameless! Color embryo!"

"Damn it, Xiaobai, if you scold me again, will I be rude?"

"you try?"

"Damn it, you are awesome, give me back the Blue Bird Jade Pendant!" Su Chen looked at the aggressive Dongfang Bubai and shook his head.

He did not intend to argue with this arrogant woman.

Su Chen thought of the blue bird jade pendant and reached out to Dongfang Bubai to ask for it.

Although Dongfang Bubai would sooner or later take it. But this girl is too difficult to deal with, and Dongfang Bubai doesn't know what he will do with his blue bird jade pendant. Su Chen doesn't want Dongfang Bubai to mess around with his blue bird jade pendant.

"laugh! Do you think that's possible?"

Dongfang Bubai looked at Su Chen and mocked disdainfully.

Now that Dongfang Bubai knows that this bastard is the emperor of the Xuantian Empire, it is even more impossible for her to return the Blue Bird Jade Pendant to this bastard.

She has the Blue Bird Jade Pendant, which is equivalent to many With a protective umbrella, she can walk sideways in the Xuantian Empire in the future, not to mention that the Blue Bird Jade Pendant can also command officials in various prefectures, counties, and even mobilize 100,000 black-armored elite troops.

"What the hell! Dongfang is undefeated, is he Pixiu? Why are the items in your hands not returned?"

"roll! You are Pixiu."

At this time, after Yue Buqun conquered the Hengshan Sect, only the Songshan Sect and Hengshan Sect nuns were left in the Five Mountains Sword Sect. The Songshan Sect has been abolished, and Zuo Lengchan's life and death is in his hands. He is now As long as the Hengshan Sect is defeated, the Five Mountains Sword Sect will be unified. Yue Buqun looked at the nuns of the Hengshan Sect and shouted arrogantly, "Hengshan Sect, the only remaining Five Mountains Swordsman School is the Hengshan Sect. Master Dingxian, do you agree or disagree with the Five Mountains Sword Sect?" Factions and factions? Will you submit to me, Yue Buqun, from now on?"

"roll!"

Master Jue looked at the disgusting Yue Buqun and shouted angrily.

Master Jue did not forget that she came here to help the Hengshan Sect. She couldn't stand Yue Buqun, this disgusting guy who is neither male nor female. What kind of gentleman's sword? This disgusting thing is not even bullshit

"court death!"

Boom!

Just when Yue Buqun struck Master Mijie with a sword,

Master Mijie just waved his hand casually, and a powerful momentum directly knocked Yue Buqun away.

【I'll do it!】

【This is Mingyu Gong, the king-level skill of Yihua Palace.】

【Unexpectedly, Master Mijie would reach great success in cultivation. 】

Chapter 1046

Su Chen did not expect Master Mijie to have mastered the Mingyu Kung Fu to great perfection.

The Mingyu Kung Fu was upgraded to a king-level technique by Su Chen, and the difficulty of training was very powerful.

Su Chen thought of the rich spiritual energy in the Fusang Tree Garden. Master Jue could get twice the result with half the effort by practicing under the fusang tree. Master Jue was able to practice the Mingyu Kung Fu to perfection. I am afraid that Yao Yue and Lian Xing had to give Master Jue a lot of guidance.

Dongfang Bubai and Mei Sanniang did not expect that Master Mijie would use his aura to blow away a late-stage Grand Master master. This made them very surprised when they looked at Master Mijie.

Dingxian and the disciples of the Hengshan Sect were even more shocked when they looked at Master Miejie.

They did not expect that Yue Buqun, who was so imposing just now, would be knocked away by the evil aura of Master Miejie.

Master Miejie's cultivation strength is also too strong.

The leaders and disciples of the Wuyue Sword Sect and the people around the square looked at Master Miejie in great surprise. They did not expect that the Hengshan Sect would have a powerful master.

"How can this be? How could there be such a powerful master in the Hengshan Sect?"

"It seems that we have all underestimated the Hengshan Sect."

"yes!"

"The merger of the Five Sacred Sword Sects is getting more and more interesting."

"Not bad, I don't know what else will happen."

"It seems that the Hengshan faction will have the last laugh in the end."

Yue Buqun vomited a few mouthfuls of blood after being knocked away.

He looked at Master Jue with a horrified expression and asked, "Why are you so powerful? who are you?"

Master Miejie glanced at Yue Buqun in the distance and said coldly, "Poor nun, the Emei sect is extinct.""

"Emei sect? Madam Kill-all? Master Mijie, this is the matter of our Five Mountains Sword Sect. Do you, the Emei Sect, want to interfere in the affairs of our Five Mountains Sword Sect?" Yue Buqun was very surprised when he heard that it was Master Jiejie from the Emei Sect.

Emei Sect is one of several powerful sects in the southwest region of the Western Continent.

The arrival of Master Jiejie was unexpected to Yue Buqun.

This time the Five Mountains Sword Sect I'm afraid the matter of parallel dispatch will be troublesome.

Master Jue sat down again and said,

"Yue Buqun, the Hengshan sect and the Emei sect are both Buddhist meditation sects. Why can't we, the Emei sect, come to help the Hengshan sect? Do we want to watch you shameless villains annex the Hengshan Sect?"

"Master, this is a misunderstanding, this is a misunderstanding."

Yue Buqun hurriedly explained to Master Jue that he was now afraid that Master Jue would kill him. Master Jue was too powerful and she could hurt him with her aura. If Master Jue tried to kill him, he would I'm afraid I won't be able to survive no matter what.

Looking at Yue Buqun, who looked like a villain, Master Jue was very disdainful. This Yue Buqun is really a complete hypocrite,"Did I misunderstand that you know in your heart, Yue Buqun, The Hengshan Sect is not something you can touch, do you understand?"

Master Jue didn't want to kill Yue Buqun.

She should leave this Yue Buqun to Su Chen, a bastard. She thought she would get her hands dirty by killing Yue Buqun.

Yue Buqun hurriedly nodded and replied,"Understood. Understand, I will not be embarrassed by the Hengshan Sect in the future."

Although Yue Buqun said this, the hatred in his eyes has not diminished at all.

He is not the opponent of Master Jue now, but in the future he will definitely go to the Emei sect to slaughter these hateful nuns.

Su Chen saw Yue Buqun shook his head with a fierce look in his eyes.

This Yue Buqun is really a villain.

After Yue Buqun became a eunuch, his mind was also distorted. Anyone who offended him would probably be resented by him, but ,

Master Mijie didn't take any action to kill this scourge?

Dong Dong Dong Dong Dong Dong.....

"Quick, hurry up and surround this place, no one can be let go."

At this moment, many troops suddenly appeared at the gate of the Hengshan Sect Square. As soon as these troops entered the square, they quickly entered the square. Each of these troops raised their crossbows and weapons and faced all the Jianghu people here.

"Is it the imperial army? Why did the imperial army appear here?"

"Sorry, the court doesn't want to kill us Jianghu people, right?"

"what to do? what to do? This time nearly 10,000 imperial troops arrived, and we couldn't escape."

"Damn it, we won't be wiped out by the imperial court, right?"

"Impossible, we have not violated the imperial law, how could the imperial court come to exterminate us?"

The Jianghu people in the square looked at the appearance of the imperial army and started talking cautiously. They didn't know why the imperial army appeared here, and they didn't know whether the imperial army wanted to surround and kill the Jianghu people here, or to deal with the Wuyue Sword. The Wuyue Sword Sect's sect.

And the people of the Wuyue Sword Sect were even more worried. If the imperial army appeared here, it would definitely take action against their Wuyue Sword Sect, otherwise there would be no army to surround this place.

Dingxian of the Hengshan Sect looked at Miejie Master Tai and Su Chen shook their heads. She knew that these troops were summoned by Master Jue from her disciples, and she was not worried that the imperial army would take action against her Hengshan troops.

Su Chen was very surprised when he saw the army appear. The Gate was originally supposed to deal with the affairs of the Five Mountains Sword Sect and the Sun Moon God Sect, but why did the army show up this time? Could it be that the Six Gates were going to destroy the Five Mountains Sword Sect?

At this time,

Tie Shou and Zhui Ming took them with them The experts from the six doors came in one by one, but among them there was a nun who came with Tie Shou and the others.

After Tie Shou, Duan Tianya and the others arrived at the Hengshan Sect Square, they saw Su Chen from the Hengshan Sect. Su Chen was the only man in the Hengshan faction, and it was difficult for them not to pay attention.

Tie Shou and Duan Tianya looked at each other and hurriedly led people from six doors towards Su Chen. They were worried about His Majesty the Emperor's comfort. , if something happens to His Majesty the Emperor here, it will be a big deal.

"Six gates, iron hands, (Chasing Life, Duan Tianya, Gui Hai Yi Dao), I have seen the young master"

"I've seen the young master!"

Tie Shou and the others came to the Hengshan sect with experts from the six sects and hurriedly knelt down and saluted Su Chen, saying,

"Get up, everyone!"

Su Chen saw Jingxuan of the Emei Sect among Tie Shou and the others, and he knew why Tie Shou and the others had brought the army this time. This must be Master Jue who informed the people of the Six Gates that he was here.

"Thanks, sir!"

Qing Qing saw the court officials saluting Su Chen behind the Hengshan faction, which made her guess come true. The shameless pervert was indeed a dandy. I am afraid his family background is very powerful in the court.

She He felt lucky that he didn't escape, otherwise he would be caught by this bastard again.

That bastard didn't know how to torture and humiliate him.

Su Chen looked at Tie Shou and ordered expressionlessly, "Tie Shou, apart from the Hengshan sect, there is no one in the Five Mountains Sword Sect." Do not stay"

"Yes, sir!"

Tie Shou immediately saluted.

Su Chen looked at Dongfang Bubai again and said with a smile, "Xiao Bai, I'll leave Yue Buqun to you."

"Why should I obey your orders?" Dongfang Bubai said arrogantly when he heard Su Chen's words.

She would not obey this bastard's order. She was not his subordinate. She had not yet settled the account with this bastard for cheating her. What did this bastard think? It's too natural

"Blue Bird Jade Pendant!"

"you.....You are such an shameless bastard!"

## Chapter 1047

In the square of the Hengshan Sect,

Tie Shou and the others directly commanded the army to surround and kill everyone in the Wuyue Sword Sect after receiving Su Chen's order. They also discovered Dongfang Bubai next to Su Chen. This time they did not suspect that Dongfang Bubai was a fake. The people of the imperial concubine, with Su Chen by Dongfang Bubai's side, did not think that Dongfang Bubai would pretend to be the imperial concubine.

Duan Tianya looked at the many people watching the excitement around him and shouted loudly,"People in the Jianghu on Hengshan Mountain, please pay attention. Everyone who is not a member of the Five Mountains Sword Sect should leave here quickly, otherwise they will be killed without mercy."

The Jianghu people on the Hengshan Sect Square After hearing Duan Tianya's words, they all quickly left the Hengshan faction.

They did not want to be accidentally killed by the imperial army.

It seems that this time the imperial court is going to destroy the Five Mountains Sword Sect that caused the dispute. However, I am afraid that the Sun and Moon God Sect will also be destroyed. The Sun and Moon God Sect is even more disobedient to the court's laws than the Five Mountains Sword Sect.

When Duan Tianya saw the Jianghu people leaving one after another, he ordered a general next to him,"General Duan, order the army to prepare. All the Wuyue Sword Sects, except the Hengshan Sect, will be killed without mercy.""

"! "

"Crossbows and archers are ready!"

The rest of the Wuyue Sword Sect except the Hengshan Sect were panicked, especially when they saw the army preparing to shoot them. This made the people of the Wuyue Sword Sect feel even

worse. The leader of the Hengshan Sect, Mr. Mo Da, is now very He was so frightened that he regretted taking refuge in Yue Buqun as soon as the Emei sect's Mijie Shitai arrived. If he had known about the arrival of the Emei sect's Mijie Shitai, how could he have taken refuge in that hypocrite Yue Buqun?

But this time the imperial army arrived. He wanted to destroy his Hengshan Sect and the other Three Swordsmen Sect.

Mr. Mo Da didn't want the Hengshan Sect to be destroyed in his hands.

"Sir, our Five Mountains Sword Sect has always respected the imperial court, why do we do this?"

Duan Tianya shook his head when he heard the words of Mr. Mo Da, the head of the Hengshan Sect.

They had already investigated what the Wuyue Sword Sect was doing when they came to the Hengshan Sect. It can be said that the Wuyue Sword Sect, except for the pure-minded Hengshan Sect, There can be one good person among the other Siyue Sword Sects.

The Jianghu Sect not only occupies fertile land, but even kills people with violence at every turn.

This is against the laws of the Xuantian Empire.

"Respect the court? Why don't I see you respecting the imperial court? Your Hengshan sect not only occupies the fields around Hengshan, but you have also been killing people and committing crimes for many years in Hengshan City. Who of the people in Hengshan City don't hate you, the Hengshan sect?"

Mr. Mo Da's face changed drastically when he heard Duan Tianya's words.

Jianghu sects kill people at every turn and even occupy fertile land.

This had already started when the Ming Empire ruled the Western Continent. The court did not care about Jianghu people, and Jianghu people did not interfere with the court's affairs. , this is already a tacit understanding formed between the court and the Jianghu people.

And the Xuantian Empire is not only powerful, but also very powerful.

It seems that the Xuantian Empire is going to break the tacit understanding formed by the Jianghu people and the court.

Mr. Mo Da said to Duan Tianya with a pale face They hurriedly saluted and said, "Sir, I will control the disciples of the Hengshan Sect from now on, and please give the Hengshan Sect a chance."

"late!"

Duan Tianya refused expressionlessly.

This is an order from His Majesty the Emperor. This is not something he can decide privately. Besides, the other members of the Siyue Sword Sect have all died innocently. Duan Tianya will not let these Jianghu people continue to do evil.

"Master, if we fight with the imperial army, we will all die anyway, and we cannot make it easier for the imperial army."

"I don't want to die, I don't want to die!"

"Sir, don't kill me. I'm quitting the Hengshan sect. I'm quitting the Hengshan sect now."

"I also quit the Hengshan Sect. The Hengshan Sect violated the laws of the imperial court for some reason or another. I will no longer be a disciple of the Hengshan Sect."

"I also quit the Taishan sect and beg you to be kind and let us go."

"Sir, I was forced by Yue Buqun. I also quit the Huashan sect. Please let me live."

"Yes, we were all forced by Yue Buqun, please have mercy.".....

The disciples of the Siyue Sword Sect in the Hengshan Sect Square are now anxious to distance themselves from their relationship with their sect. Some of them even give up their face and dignity in order to survive.

"Crossbow archers are ready, let go!"

Swish swish swish" .....

Ahhhhh.....

"I don't want to die! help me!"

"Pfft, save.....I!"

"ah! What a ruthless court! I....."

"Go up and fight with the imperial army.....ah!"

After a round of shooting by military crossbows and archers, the entire Hengshan Sect Square was filled with shot and injured Jianghu people.

Thousands of disciples of the Siyue Sword Sect suffered heavy casualties, but this It was just the beginning. The army's crossbows and archers had no intention of stopping. Round after round of crossbows and archers continued to kill the disciples of the Siyue Sword Sect of the Hengshan Sect.

Various people in the square The masters of the Sword Sect tried to avoid being shot by crossbows and archers, and even used other disciples of the Siyue Sword Sect as shields to resist the shooting of archers.

"Military shield prepared, kill!"

Dong dong dong.....

Huge military shields were erected in front of the army and they began to advance neatly towards the square. Behind the military shields, the troops holding Changge were ready to kill the besieged disciples of the Siyue Sword Sect.

"Get everyone from the six doors to me!" Tie Shou saw the army begin to advance towards the square, and he ordered to hundreds of masters with six doors.

"Yes, my lord!"

When Tie Shou and the others rushed into the square with six masters,

Dongfang Bubai was furious now.

She was about to be driven crazy by that bastard Su Chen.

This bastard not only threatened to take back the Blue Bird Jade Pendant, but even He threatened her that if she disobeyed, she would not be able to see her sister for the rest of her life. This made Dongfang Bubai want to tear this bastard into pieces.

Su Chen saw Dongfang Bubai's angry chest rising and falling, so he smiled and said, "Xiaobai, I'm just Yue Buqun. This is just a piece of cake for you."

"Don't call me Xiaobai, you damn shameless bastard!" Dongfang Bubai's face turned blue and he cursed at Su Chen,

"cough! So do you like me to call you Dabai? Or do you like me to call you Xiaobaibai?"

"Shameless!"

Dongfang Bubai stared at Su Chen with a cold look.

She knew she had to listen to this bastard this time.

Otherwise, even if she had the Blue Bird Jade Pendant, this bastard might make the Xuantian Empire officials and the army disobey her with just one word. Order, she might even never see her sister Dongfang Lin in the future.

Su Chen looked at Dongfang Bubai's angry and helpless look and laughed, "Hahaha! Xiaobai, go and kill that disgusting bastard Yue Buqun. From now on, we will travel around the world and fly together."

"Shameless pervert."

Dongfang Bubai didn't want to listen to this bastard's nonsense anymore.

She jumped and quickly attacked Yue Buqun.

The bastard Su Chen's nonsense was so disgusting to her that it even gave her goosebumps. Come out.

Why are you wandering around the world with him?

What kind of two nights and two nights?

That bastard is a shameless pervert.

Chapter 1048

In the square of the Hengshan Sect, as the army advanced, the remaining disciples of the Siyue Sword Sect were surrounded and killed by the army.

The disciples of the Siyue Sword Sect in the square were not surrounded by military shields and stabbed to death by Chang Ge. He was directly shot to death by the crossbow archers, while the masters of the Six Gates began to surround and kill the masters of the Hengshan Sect, Huashan Sect, and Taishan Sect.

The masters of the Emei Sect were also sent out by Master Jiejie.

They, the masters of the Emei Sect, cooperated with the army and the Six Gates to massacre other disciples of the Siyue Sword Sect.

Ji Xiaofu and Ding Minjun faced Hengshan respectively. Mr. Mo Da and the head of the Taishan sect, Ji Xiaofu and the others are both powerful masters. It would only take a matter of minutes to kill Mr. Mo Da and the head of the Taishan sect who are at the master level.

Mei Sanniang even ran rampant in the square with a huge scythe.

The disciples of the Siyue Sword Sect she killed were more cruel than those killed by the army.

Every disciple of the Siyue Sword Sect was either cut in half or cut off by her. Split in half by her, even the black-armored army stayed away from this cruel and crazy woman when they saw Mei Sanniang's killing methods.

"I want to escape, I can't die here." Yue Buqun panicked when he saw the disciples of the Siyue Sword Sect being killed one after another. The court was determined to destroy the Siyue Sword Sect this time, but he didn't want to die here.

"Yue Buqun, die!"

Just when Yue Buqun was about to fight out, Dongfang Bubai flew up and waved his hand, shooting countless embroidery needles at Yue Buqun, whoosh whoosh whoosh..... clang clang clang clang.....

Ahhhh!

"Who are you?"

Yue Buqun was hit by several embroidery needles and looked at the beautiful woman in horror. This beautiful woman's cultivation level was actually stronger than him. He didn't even dodge these hidden weapons of embroidery needles.

"I, the East is undefeated!"

"Leader of the Sun Moon God Cult? Why are you colluding with the imperial court? Dongfang Bubai, you defected to the imperial court?"

"Die, you will understand when you go to hell."

Boom!

When Yue Buqun saw Dongfang Bubai attacking with his palm, he quickly blocked it. Although the attack of the evil sword technique was also very fast, it was still far behind Dongfang Bubai's Sunflower Book.

Yue Buqun was attacked by Dongfang Bubai. Bubai flew away with a palm. This time Dongfang Bubai used all his strength to kill Yue Buqun. The anger Su Chen brought to him was now vented towards Yue Buqun.

Ahem!

Yue Buqun was killed After being blasted away, he vomited blood and coughed hurriedly. He also felt the murderous intention of Dongfang Bubai. If he didn't want to die, he had to escape from here, otherwise Dongfang Bubai would definitely not let him go.

"Damn it, why is Dongfang Invincible so powerful? Why are all women so powerful?"

"Want to escape? No one can escape from me."

Whoosh!

Boom!"

"ah!"

Dongfang Bubai appeared in the air in a flash and kicked Yue Buqun who was about to escape. She would not let Yue Buqun escape. For the sake of her sister Dongfang Lin, Dongfang Bubai must kill Yue Buqun this time.

"Damn it, evil-proofing swordsmanship!"

Boom!

Dongfang Bubai was surprised when he saw Yue Buqun's sword attack.

It's interesting, evil-proofing swordsmanship?

This should be the martial arts swordsmanship in the Sunflower Book. No wonder Yue Buqun is very feminine no matter how you look at it. It seems that Yue Buqun is very feminine. Buqun actually became a eunuch

"kill!"

"Really looking for death!"

Boom!

Yue Buqun was blown away by Dongfang Bubai's palm again.

But this time Yue Buqun saw Dongfang Bubai flying towards him and quickly stepped on his head. This made Yue Buqun He was so panicked that he didn't dare to make any move. He knew that if he struggled even slightly, Dongfang Bubai would probably crush his head immediately.

Yue Buqun looked at Dongfang Bubai in horror and begged for mercy, "I am the leader of the Five Mountains Sword Sect. You can't kill me! I can take refuge in you, Dongfang Bubai, I can be your dog from now on, please let me go"

"Dry tongue!"

Pfft! Hit!

Dongfang Bubai stepped on Yue Buqun's head with an expressionless kick.

Yue Buqun, who had been so high-spirited just now, was killed by Dongfang Bubai. From the beginning to the end, Yue Buqun never gave Dongfang Buqun any trouble. Defeat poses too great a threat, and he is even an insignificant enemy to Dongfang Bubai.

At this moment,

Qingqing has come to Su Chen.

When she looks at Su Chen, she feels very unbelievable. What is the identity of this playboy? ?

She thought about it and felt that the Six Gates and the army here would not obey the orders of a playboy.

Even if this playboy had a prominent family background, why would the people of the Six Gates be so respectful to this bastard? Six Gates The masters of the door were respectful to this bastard from the bottom of their hearts, which made Qing Qing very confused.

Su Chen discovered Qing Qing's arrival while chatting with Master Jue.

Su Chen also couldn't understand Qing Qing's arrival. , he just gave this beautiful beauty a chance to escape.

But why didn't she escape?

After Ding Peng left,

Su Chen planned to let this beautiful beauty leave. As long as Qingqing was not with Ding Peng, she would not have any accidents. With Qingqing's level of cultivation, she will live well as long as she doesn't cause trouble.

"Little beauty? Why didn't you take the opportunity to escape?"

"I.....I don't know where to go."Qing Qing lowered her head and whispered, not daring to look at Su Chen.

Su Chen shook his head speechlessly.

This Qing Qing is really honest and gentle.

Isn't Qing Qing afraid that he is really a shameless pervert?

Su Chen took it from the system space. He handed some money to Qingqing and said, "Here, here is a hundred taels of gold. As long as you don't look for Ding Peng in the future, you can go anywhere in the world. Okay, you can leave.""

"You don't want me to be your maid?" Qingqing took the gold from Su Chen and asked in surprise.

She didn't expect that this bastard would let her go?

Could this bastard be testing herself?

"Can you be a maid?"

"Won't!"

"Leave, you'd better not look for Ding Peng again. Ding Peng's enemy is a sinister and cunning person. You may die if you are with Ding Peng." Su Chen looked at Qing Qing and said speechlessly.

Master Jue never thought that Su Chen would let a beautiful woman go.

However, she understood after hearing Su Chen's words that

Ding Peng's enemy was definitely not an ordinary person.

Su Chen also wanted to save her. This beautiful beauty forced her to leave Ding Peng, otherwise I am afraid that this beautiful beauty will be killed by Ding Peng's enemies, or caught and tortured to death.

Qingqing was very surprised when she heard Su Chen's words.

Is this bastard forcing herself? Do you really want to save yourself?

She also knows about Ding Peng's enemy. She also told her about Ding Peng's full-moon scimitar being cheated away. She also knows that Ding Peng's enemy must be a sinister and cunning person.

Qingqing sees Xiang Suchen thought for a while and said, "I.....I have nowhere to go. I came from overseas. I have no relatives or friends in China."

"Your name is Qingqing, right?"

Master Mijie's eyes lit up when she heard Qingqing's words.

This gentle and elegant beautiful woman did not have any ulterior motives. Moreover, this woman was in the advanced stage of innate cultivation, which made Master Mijie have the intention of accepting a disciple.

Master Mijie didn't want this bastard Su Chen to harm this beautiful woman again, so she decided to take away this beautiful and gentle Qingqing first.

"Yes, Master!"

"Qingqing, are you willing to be my disciple? I am the master of the Emei sect, the exterminator."

Chapter 1049

Qingqing was dumbfounded when she heard what Master Jue said. She didn't expect that Master Jue of the Emei sect would accept her as his disciple, but she didn't want to be a nun! She couldn't stand the nun's strict rules and regulations.

Su Chen didn't expect Master Mijie to take Qingqing as her disciple, but that was fine.

Qingqing would have the care of Master Mijie in the future, so she wouldn't have any accidents.

But why did Su Chen feel that Master Jue was trying to steal a woman from her?

Qingqing was a little embarrassed and refused Master Mijie, "That....Master, I have no intention of becoming a nun. Thank you very much for your kindness. Master

Mijie didn't expect that Qingqing would refuse. She explained to Qingqing with a kind face, "Qingqing, the nuns of the Emei sect are practicing monks and don't have so many rules and regulations. Do you really not want to be my disciple?"

"Master, forget it, I have no intention of becoming a disciple. Qingqing shook her head at Master Jue.

Qingqing thought it would be better to follow Su Chen.

She now knew that Su Chen was not trying to trick her. He asked her to leave Ding Peng for her safety, and even to protect her. She will not be harmed.

Now she is given money to leave on her own.

Qingqing feels that Su Chen is pretty good.

"No matter what, it was me who was forcing it too much."

"Sorry, Master"

"Haha, I have nothing to apologize for. If you are willing to be my disciple in the future, you can always find a poor nun."

"Thank you, Master!"

Qingqing bowed down and saluted Master Jue in gratitude.

She had never expected that Master Jue would be so kind to her. Although she rejected Master Jue this time, she was not angry at all. Even the gate of the Emei Sect would not be angry at all in the future. She opened up, which made Qingqing respect Master Mijie even more.

Su Chen saw Qingqing standing next to him and said nothing.

Qingqing didn't want to leave so he let her go, but Ding Peng wanted to deal with him.

Although Ding Peng and himself There is no grudge, but after what happened today, Ding Peng will definitely hate himself in the future.

People can't help themselves in the world, this is a true portrayal.

In order not to cause trouble in the future, Ding Peng must kill him, but Ding Peng's He is also very interested in the Full Moon Scimitar. I don't know if Ding Peng has engraved this sentence on the Full Moon Scimitar. I don't know if Ding Peng has engraved this sentence on the Full Moon Scimitar. It is better to wait for Ding Peng to get the Full Moon Scimitar before killing him. Right.

They are either friends or enemies.

Once you enter the rivers and lakes, you are as deep as the sea.

Once you step into the rivers and lakes, you can't help yourself. Life and death should be taken lightly. Although he is not a rivers and lakes person, he is still half a rivers and lakes person. Ding Peng wants to It's just his bad luck.

Why does Su Chen think he is becoming more and more like a villain?

Most of the protagonists in the mixed martial arts world were either killed by him, or they hid themselves to kill themselves. It seems that he has become a villain. Potential.

At this time, the disciples and leaders of the Siyue Sword Sect in the square of Hengshan Sect were all killed one after another. Corpses were left on the square. There were six sects and masters of the Emei Sect to help. Black-armored There were not many casualties in the army.

Su Chen stood up and walked to the square.

He wanted to explain to Tie Shou and the others before leaving. The Sun Moon God Sect and the Five Mountains Sword Sect were just having a small fight here. Yihua Palace and Xia Ke The real battle is on the island, and there will probably not only be one or two strong men in the Heavenly Realm.

Su Chen came to the square and looked at the troops cleaning the battlefield and nodded. Although these troops are not as powerful as the combat legions, But as a city guard, it is more than enough.

"Young Master!"

When Tie Shou and the others saw Su Chen's arrival, they all saluted.

Su Chen waved his hands and ordered Tie Shou and the others, "Tie Shou, Huashan Sect, Hengshan Sect, Taishan Sect, Songshan Sect, no disciples of these sects are left behind. , all the property owned by the sect will be confiscated, and it will be left to you, the Six Sects, to do this."

"Yes, sir!"

"Also, the Sun Moon God Sect has also been destroyed, and Dongfang Invincible will stay to help you."

"Yes, sir. Dongfang Bubai , who was next to him, heard Su Chen's words and cursed angrily,"Su Chen, you bastard, when did I say I would help you?""

She doesn't care whether this bastard is the emperor or not.

Ever since she met this bastard, she has become very angry.

This bastard is simply her nemesis.

This time, this bastard arranged for her to do things for him without notifying her. This makes Dongfang even more unhappy. very angry

"cough! Isn't helping me just helping you?" Su Chen looked at Dongfang Bubai's beautiful face with an angry expression and smiled and said.

Dongfang Bubai clenched his fist and roared angrily at Su Chen, "You shameless bastard!"

Tie Shou and the others beside them listened awkwardly to the conversation between Su Chen and Dongfang Bubai. They looked at each other and hurried away from here. They didn't want Dongfang Bubai to wear small shoes for them in the future.

Su Chen came to Dongfang Bubai. He said with a smile, "Xiao Bai, as long as your Sun and Moon God Sect is solved this time, I will reunite your sisters, and I will also be able to promote you to the land immortal in the heavenly realm."

Dongfang Bubai glanced at Su Chen coldly and arrogantly and said disdainfully, "I don't believe what you say, you bastard. I've seen how shameless you are."

"this is for you." Su Chen thought about it after hearing Dongfang Bubai's words. He took out a jade box from the system space and handed it to Dongfang Bubai.

There were five primary spirit stones in it.

Su Chen was now very wealthy. He had There are hundreds of primary spirit stones and dozens of intermediate spirit stones.

Dongfang Bubai will always be his woman no matter what. Sooner or later, these spirit stones will be used for Dongfang Bubai's cultivation. This time Su Chen will treat them as Invested in advance.

Dongfang Bubai took the jade box handed to her by Su Chen and asked doubtfully,

"What's this?"

"A token of love!" Su Chen teased Dongfang Bubai with a smile.

When Dongfang Bubai heard Su Chen's teasing words, she glared at Su Chen in shame and anger and threatened, "Do you want to die?"

Su Chen looked at Dongfang Bubai who was blushing and even wanted to beat himself in shame. He hurriedly pretended to cough and said, "Cough! This is a spiritual stone. The spiritual energy inside is crucial to your future cultivation realm."

"Spiritual stone? Reiki?"

Dongfang Bubai was very surprised when he heard Su Chen's words.

After she reached the peak of Grand Master cultivation, she felt that it would be very difficult to practice in the future. It turned out that future cultivation requires spiritual energy to advance to the heavenly realm.

She looked at her hand The jade box inside had a complicated expression. These spiritual stones were probably very precious. This bastard Su Chen was willing to give her such precious spiritual stones. This bastard didn't really want to do anything against her, right?

"By the way, there are also these spiritual teas that you can drink before practicing. These spiritual teas are also crucial to your future cultivation." Su Chen took out another jade box and handed it to Dongfang Bubai.

These are spiritual teas that can increase cultivation talents, expand meridians, and even deepen the understanding of skills. Su Chen also gave some to Dongfang Bubai. After all, his woman cannot Favoring one over the other.

Dongfang Bubai took the spirit tea generously and said proudly, "I won't be your woman. No matter how much you pay for me, it's useless."

"Then you give it back to me, and I'm going to give it to my other women"

"Dream on you."

Chapter 1050

On the official road leading to Yihua Palace in Xiuyu Valley,

Su Chen was riding a horse in boredom. This time, Su Chen did not take anyone with him to Yihua Palace. After all, there will be battles in the heaven and human realm in the future. Gongsun Liji He and Mei Sanniang couldn't help even if they went there.

Mei Sanniang and Gongsun Liji, Su Chen also asked Master Miejie to take them back to Gusu City in the southern continent. Qingqing originally wanted to come to Yihua Palace with him, but Su Chen disliked Qingqing's low strength, so he Send her, Gongsun Liji and the others to the Black Bird Palace in Gusu City.

Secondly,

Su Chen was blackmailed by Master Jue for three elementary spirit stones. However, Su Chen thought that those beautiful nuns from the Emei sect would also be his own in the future, so he did not argue too much with Master Jue.

As for Dongfang Bubai,

Su Chen had nothing to do with her.

Although Dongfang Bubai promised to help Liumen destroy her Sun and Moon Sect, Su Chen did not take advantage of Dongfang Bubai.

The arrogant and domineering Dongfang Bubai is a bit difficult to deal with.

It seems that it will be very difficult to win over the Dongfang girl in the future.

In the early spring of the Western Continent, the scenery was still very pleasant.

The ancient vegetation and trees were very lush. Su Chen also enjoyed the scenery of the revival of everything.

"I have a little donkey that I never ride. One day I rode it on a whim.....I'll do it!"

Su Chen was bored and singing on the road.

"Struggle and follow quickly, don't let her escape."

Suddenly a person leaped over his head, and behind him there were more than ten men in black on horseback chasing the fleeing person in front.

Su Chen looked at the people who were coming and leaving in a hurry and guessed, "These are all Who is he? A master's late-stage cultivation realm, and the people he was chasing were all at the master's cultivation realm. Could it be that something big happened in the world?"

Su Chen thought about it and didn't meddle in other people's business. There were a lot of fighting and killings in the world, and he couldn't handle it, so he just let nature take its course.

Su Chen had been on the road for a few more hours. Not meeting the same people again, Su Chen also dismounted from his horse in a tea shop next to the official road and wanted to take a rest and drink some tea. As soon as

Su Chen came to the tea shop and sat down, a waiter from the tea shop ran over. He wiped the table and asked, "Sir, would you like some tea?"

"Well, bring me a nice pot of tea." Su Chen looked at the dozen or so tea guests around him and nodded.

"Okay, sir, please wait a moment."

Su Chen frowned after the waiter left.

The dozen or so people in the tea shop were all together, and they were all Jianghu people. However, the strength of these people was not very good. The most talented people were innate and late-stage cultivation. Realm.

Who was in that luxurious carriage?

These people seemed to be very concerned about the safety of the people in the carriage.

Su Chen was too lazy to use his mental power to detect who was in the carriage.

He drank the tea after it was delivered. As long as these don't offend him, there is no need for him to interact with these people.

"Have you heard about it? The Eastern Legion of the Xuantian Empire is going to attack Japan. This time, the Eastern Combat Legion has dispatched 200,000 troops and more than 300 warships. The Xuantian Empire is going to conquer the Japanese country on the sea."

"Those Japanese people should have destroyed them long ago. During the Ming Empire, the Japanese people often harassed the coastal areas. Now that the powerful Xuantian Empire has replaced the Ming Empire, those Japanese countries will be in trouble."

"Ha ha! That's right. The Eastern Combat Army under Commander Li is second only to the Southern Combat Army under Huang Rong. It will be difficult for Japan to survive this time."

"I hope that the Eastern Combat Corps commanded by Li Xiuning can massacre those pirates, just like the Southern Combat Corps commanded by Huang Rong massacred the grassland aliens. Now we Central Plains people are supreme on the grassland, and no grassland aliens dare to attack us Central Plains people."

"Yes, that's right. The more powerful the Xuantian Empire becomes, the more our merchants will no longer be afraid of encountering robberies and assassinations from foreign races when doing business everywhere."

The Jianghu people in the tea shop were drinking tea and talking one after another. They are now very proud to have a powerful empire to protect them.

Su Chen smiled when he heard these people talking, being able to do this for the people of the Central Plains of China. Things, he did not come to this world of comprehensive martial arts in vain. It was very difficult for the people of the Central Plains in ancient times to live. Natural disasters, plagues, internal wars, and invasions of alien races all caused great harm to the civilization of the Central Plains.

At this time,

A little girl came to the tea shop and said to a rough man, "Guard Li, the lady wants you to come over!"

"Oh, I know, Miss Xiaoya."After hearing this, the rough man quickly stood up and saluted,"

Huh?

A little girl has the cultivation level of a master.

It seems that the lady in the carriage is not an ordinary person.

Su Chen was very excited when he saw the little girl coming. Curious, although this little girl is very beautiful and beautiful, she is too young and has not grown up at all. However, this little girl is a master at such a young age, which makes Su Chen very surprised.

At this time,

Cha Many armed Jianghu people came to the shop. The arrival of these Jianghu people made the guards guarding the carriage nervous.

These people did not care about drinking tea and resting.

They all hurriedly guarded the carriage.

It seems that these Jianghu people who arrived are all vicious people.

And this time the Jianghu people who came looked at the guards guarding the carriage, and they did not pay attention to the guards who were afraid of them. These Jianghu people sat down one by one and drank tea. started talking to each other

"Did you hear that? The best swordsman in the world, Yan Nantian, is going to Yihua Palace. This time I heard that Yan Nantian went to Yihua Palace to avenge Yulang Jiang Feng."

"Wasn't Yulang Jiang Feng killed by the Twelve Constellations? How could the hero Yan Nantian seek revenge from Yihua Palace and Yao Yue?"

"Who knows, maybe Yulang Jiang Feng's death may have something to do with Yihua Palace"

"Do we want to go and see? The battle between the best swordsman in the world and Yao Yue, the master of Yihua Palace, must be watched by many people in the world. Do we want to go and see the world?"

"Well, yes, although we are all ordinary Jianghu people, we cannot miss the battle between Yihua Palace Yaoyue and Yan Nantian. This battle may let us know how powerful the powerful masters in the Jianghu are."

At this moment, a very beautiful beauty came out of the carriage. After this beautiful beauty came out of the carriage, she took the little maid just now to the tea shop.

She looked at the people here and asked curiously. He said, "Everyone, can you tell me the time when Yihua Palace invited the Lord of Moon Palace to fight Yan Nantian, the best swordsman in the world?"

A young Jianghu man saw this beautiful lady arriving, and he stood up quickly and replied, "Miss, we all heard this from hearsay, but the specific time should be in half a month, you rush over now to move the flowers. The palace time is more than enough"

"Thank you all, I will pay for the tea this time."

"Ha ha! Thank you very much, Miss."

Su Chen was confused at this time.

He didn't expect to meet this little witch here. How could the lady in the carriage be her? How could this little witch be here? I'm afraid this witch also saw him.

Su Chen left Taking one look at this little witch, he felt that his luck was really bad.
