### Chapter 1061

Su Chen guessed what An Biru guessed from the conversation between Hua Wuque and herself just now.

However, it was impossible for An Biru to guess his identity.

Although she didn't know what An Biru could guess, her guess was definitely wrong.

Su Chen also wanted to play tricks on An Biru.

As long as An Biru agreed to the bet with him,

Su Chen could take advantage of An Biru at will in the future.

"What to bet on?"

An Biru was very surprised when she heard Su Chen's words.

She didn't expect that this noble young man would want to bet with her. Could it be that her guess was wrong?

This is impossible.

Hua Wuque from Yihua Palace looked respectful to this bastard. It seems fake, her guess is not wrong.

Su Chen looked at An Biru's charming face and said with a smile, "Bet you, what if you obey my orders after losing?" You dare?"

"Why don't you dare? It's a gamble. However, if you lose, then little brother, you will obey my orders from now on. You will do whatever I ask you to do from now on." An Biru laughed when she heard Su Chen's bet.

This shameless pervert seemed to want to take advantage of her.

However, this was also a chance.

As long as she could defeat this bastard this time, then this bastard would She will be controlled by herself in the future, which is very beneficial to her Miao territory, and is even more reliable than the shady Qinglong Society she cooperates with.

"It's a deal!"

"It's a deal!"

Su Chen and An Biru high-fived each other and confirmed the bet.

They both laughed with evil intentions, as if they were going to win the bet.

Su Chen showed off to An Biru He waved his hand and said with a smile, "Let's start now, An Biru, what is my identity? You can tell it"

"Ha ha! You are Su Chen, the emperor of the Xuantian Empire, right?" An Biru said with a smile and whispered in Su Chen's ear. An Biru also guessed Su Chen's identity when she heard that Su Chen was coming to marry Yao Yue and Lian Xing. You must know that Yao Yue and Lian Xing Xingke has an ambiguous relationship with Su Chen, the emperor of the Xuantian Empire. If this bastard is a noble and official of the Xuantian Empire, would he dare to have ideas about Yaoyue and Lianxing? And this bastard can command Mu Guiying's Western Combat Legion. He Her status must be higher than that of Mu Guiying. Mu Guiying is the imperial concubine of the Xuantian Empire. There are not many people with higher status than the imperial concubine. Apart from the four concubines and the empress, there is only the emperor. Well, besides, this bastard's surname is Su, and the emperor of the Xuantian Empire is called Su Chen. This bastard! She didn't expect that he would be His Majesty the Emperor of the Xuantian Empire. Su Chen looked at An Biru in surprise. He didn't expect An Biru. Biru was able to guess his identity. Damn it! How could An Yaojie guess his identity? How could he be exposed? This is impossible! From beginning to end, he didn't reveal any information about his identity. How could An Biru? Maybe he can guess his identity? Is this Fairy An a spirit? Su Chen will not admit that An Biru's guess is right. Now he can

only shamelessly mess around,"An Biru, you guessed wrong, I How could you be the emperor of the Xuantian Empire? You will be used by me from now on.

"

"impossible! I can't possibly guess wrong. Are you trying to be lazy?" An Biru didn't believe what Su Chen said.

She now suspected that this bastard didn't want to admit his debt.

An Biru looked at Su Chen angrily.

She felt that this bastard must not want to fulfill the bet.

"I'm really not the emperor of Xuantian Empire, I'm just Mu Guiying's cousin. Can't you afford to lose?"

"this.....How can this be? You are Mu Guiying's cousin and you dare to take advantage of Yao Yue and Lian Xing. Aren't you afraid that the Emperor of Xuantian Empire will kill you?"

"I'm just talking, have you seen me take action?"

"You lied to me, right? You, an imperial emperor, dare to do something and dare not admit it. Are you still an imperial emperor?"

"An Biru, if I were the emperor of the empire, do you think I would come to the Western Continent just a few months after the empire was established?"

"this.....Are you really not the emperor of the Xuantian Empire?"

An Biru is right when she thinks about it.

The Xuantian Empire has just been established for more than two months.

If this bastard were the emperor, there is no way he would come to the Western Continent at this time. The emperor should be very busy now. For the Xuantian Empire How could the emperor of the empire come here far away from the imperial capital of Gusu City?

Su Chen was relieved to see that he had managed to frighten An Biru.

He did not expect that An Biru would be so smart.

It seems that he should be more careful with his words in the future.

He just casually said that he wanted to marry Yaoyue and Lianxing and go home, but An Biru guessed his identity. It seems that there are many smart people in the world. He can't be so careless again in the future.

"Ann Fairy.....Ahem, An Biru, if you lose, you must be obedient from now on, otherwise I will serve you with a whip."Su Chen said with a evil smile when he saw An Biru's surprised expression.

This time he finally managed to scare An Biru temporarily, but his identity may be discovered by An Biru in the future.

Su Chen can't control it now. There are many. One loses and one wins in today's bet. Although she won Bai Feifei and Ning Yuxi, she just didn't expect to lose to this An Yao Fairy. An Yao Fairy was indeed An Yao Fairy.

"you? You bastard, you haven't proven your identity yet. As long as you can prove your identity, I will honor the bet."An Biru looked at Su Chen helplessly, rolled her eyes and said nonchalantly,

"How about I ask Mu Guiying to write a letter of certification?"

"I will find the answer myself"

"Let me tell you, are you planning to default on your debt?"

An Biru touched Su Chen's handsome face and teased, "How can you say this is a repudiation? Although you may be telling the truth, if I am not sure, how will I know whether you have deceived me or not?" This is just in case you cheat on me."

Su Chen pretended to be angry and opened An Biru's hand and said,

"Forget it, even witches can't be trusted. An Biru, the bet is cancelled. However, if you don't give me an answer after the competition between Yao Yue and Yan Nantian, then there is no need for the Miao people in Miao territory to exist."

Su Chen wished that An Biru would default on the debt so that he could cancel the bet. In the future, An Biru would discover his identity, and An Biru would be so angry that she had nothing to say.

Huh?

An Biru looked at Su Chen She raised her eyebrows.

Why did she feel that this bastard seemed eager to cancel the bet?

Is this her own illusion?

What was this bastard planning?

While Su Chen was waiting for An Biru's answer, he suddenly discovered An acquaintance appeared outside Xiuyu Valley, and he was a rather special acquaintance.

Huh?

Why did Zhu Wuwu appear here?

After the Ming Dynasty was destroyed, Zhu Wuwu was not found again. Why did Zhu Wuwu appear near Yihua Palace this time? ?Did Zhu Wuli not go to Tianchi to accompany Su Xin who was frozen?

Chapter 1062

Su Chen felt that Zhu Wuli had some agenda for appearing here this time, and who were the people next to him?

Those people are all masters of the Grand Master. Zhu Wuwu does not have such a powerful master in his hands. Has Zhu Wuwu joined some powerful force?

Su Chen felt that he had to hide, but Zhu Wuwu knew him, and he didn't want his identity to be exposed at this time.

"Do you know Zhu Wuwu?"

An Biru saw Su Chen staring to one side and frowning.

She also looked over, but when she saw Zhu Wuwu, she understood that this bastard must know the iron courage god Hou Zhuwu. The only royal family in the Ming Dynasty is Zhu Zhuwu. Wu Wu ran away. This bastard wouldn't take advantage of this moment to arrest Zhu Wu Wu, right?

She had seen Zhu Wu Wu before, and Zhu Wu Wu was also found by people from the Qinglong Society. It seemed that the Qinglong Club promised to give Zhu Wu Wu a piece of something. Zhu Wuwu worked for the Qinglong Society.

Su Chen looked at An Biru in surprise and asked, "You also know Zhu Wuwu?"

"Of course, the iron courageous god Hou Zhu ignored me, how could I not know." An Biru said with a smile.

Su Chen took one look and felt that An Biru was not telling the truth. An Biru may have heard of Zhu Wuwu, but it is absolutely impossible to have met Zhu Wuwu. Could it be that she is cooperating with An Biru? The forces also cooperated with Zhu Wuwu?

Su Chen thought about it and said to An Biru,

"Zhu Wuwu is just a lost dog now. An Biru, go back. I want to disguise myself. Zhu Wuwu may know me. I can't reveal my identity now. I want to see what Zhu Wuwu will do when he comes this time."

"Um? Do you want to deal with Zhu Wuli?" An Biru asked suspiciously after hearing Su Chen's words.

Su Chen nodded and replied, "Of course, Zhu Wuwu is a wanted criminal in the Xuantian Empire. I want to catch him and go back to collect the reward this time."

An Biru didn't expect that Su Chen wanted to catch Zhu Wuwu.

She was worried that this bastard would capsize in the gutter.

She knew very well how powerful the Qinglong Society was. Although the Qinglong Society only exposed the tip of the iceberg, those exposed were powerful. This person also made her very frightened.

An Biru thought about it and reminded Su Chen expressionlessly, "Then you have to be careful. Zhu Wuwu has joined a powerful force, and there are people in that force. Land gods in the heavenly realm, don't capsize in the gutter, little man."

"What force?"

Su Chen asked hurriedly after hearing An Biru's reminder,

"I won't tell you this. Goodbye, little man. I hope you won't be killed by Zhu Wuwu." An Biru smiled at Su Chen and walked away.

She had already reminded Su Chen that if Su Chen still wanted to deal with Zhu Wuliang regardless of life and death, then this bastard would not be able to blame her even if he died.

I'll do it!

Why did An Biru leave before he agreed to terminate the bet?

It's him!

How will he deal with that female seductress An Biru in the future?

Su Chen didn't care about Zhu Yilan at all, but he didn't terminate the bet with An Biru. He was very helpless, and why did An Biru not cancel the bet before leaving? Is An Biru willing to lose to herself like this?

What will he do in the future?

At night,

Su Chen was talking to Bai Feifei, Ning Yuxi explained and disappeared into the carriage with Zhu Qiqi and Xiaoya in his arms.

This time he was going to Yihua Palace to see Yao Yue and Lian Xing.

Some other forces had arrived this time, so he wanted to prepare some invitations. Something unexpected happened when Yue and Yan Nantian were fighting.

In the carriage,

Ning Yuxi saw Su Chen disappearing into the carriage with Zhu Qiqi and the little girl Xiaoya.

This surprised her very much.

She felt Su Chen had no inner strength at all, and now she knew that she had made a mistake. Su Chen must be very powerful.

Ning Yuxi asked the angry Bai Feifei next to her in confusion, "What exactly is Mr. Su?"

"She is a shameless bastard!"

Bai Feifei is very angry now.

She didn't expect that bastard Su Chen took Zhu Qiqi and Xiaoya away without caring about her.

Damn bastard, she now wants to kill that bastard.

Bai Feifei also knows that Ning Yuxi suspects

But she couldn't tell Su Chen 's identity.

She didn't dare to say that bastard's identity casually, otherwise if something unexpected happened to Su Chen in the Western Continent, her mother Bai Jing might not be able to tell her. Let her go easily, let alone those other powerful and terrifying women.

Ning Yuxi frowned, shook her head, and stopped asking.

She also saw that Bai Feifei could not tell her Su Chen's true identity, but!

Just now! She also heard some of the conversation between Su Chen and An Biru. She was also very curious about Su Chen's identity.

The emperor of Xuantian Empire?

Or Mu Guiying's cousin?

Three days later, in Yihua Palace,

Su Chen Holding Yao Yue in his arms, he was drinking tea and resting by the small lake in Yihua Palace.

Su Chen could enjoy the tenderness of Yao Yue and Lian Xing for a while, but no one disturbed them this time.

Zhu Qiqi and the little girl Xiaoya was driven into a secret room to practice by Su Chen. Su Chen gave Zhu Qiqi and Xiaoya a red fruit each, and they also switched to Mingyu Gong, the king-level skill of Yihua Palace.

Yaoyue leaned against Su Chen's arms Li handed Su Chen a cup of tea and asked with a smile, "Husband, do you really not need to send experts here this time?"

Su Chen took the tea and took a sip and said, "No, with you, me and Lian Xing, those people don't have anything to worry about. It's impossible for all the masters of the Qinglong Society to show up. You just need to kill Yan Nantian with all your strength. Lian Xing and I will handle the rest."

Yaoyue stretched her perfect figure and said with a smile, "Yeah! I will kill Yan Nantian, but do you plan to kill the people from the Qinglong Club this time? Or are you planning to lure the snake out of the cave and destroy the Qinglong Society in one fell swoop?"

Su Chen touched Yaoyue's hair and shook his head.

Su Chen just didn't expect the appearance of the Qinglong Club.

If Yaoyue and the others hadn't discovered the traces of the Qinglong Club, he would have forgotten about the famous Qinglong Club in the world.

Gong Ziyu is Shen Lang's apprentice in the original work, but they have nothing to do with each other in the world of mixed martial arts.

And does Gong Ziyu look like an old man now?

Or is Gong Ziyu already a hundred-year-old man?

Su Chen still doesn't understand this. I don't know anything about it, but Gong Ziyu's strength must be that of a land god in the heavenly realm, otherwise he would not be able to become the great dragon head of the Qinglong Society.

There are also several other dragon heads of the Qinglong Society,

Ming Yue Xin, Bai Xiaosheng, Xiao Siwu, Zhi'er, Baiyunxuan, Chunyu Weidi, among these people, probably only Ming Yuexin and Bai Xiaosheng are land gods in the heaven-human realm, and the others should be in the realm of great masters.

Su Chenqian He hugged Yao Yue tightly and said with a smile.

"Madam, I know everything about the Qinglong Club. I also know the seven dragon heads clearly. The Qinglong Club is now not what it used to be. The Qinglong Club in Bai Yujing's era is different from the Qinglong Club in Gongziyu's era now. Gongziyu The Qinglong Society led by me is already in great decline. It would be very easy for me to destroy the Qinglong Society."

"You'd better be careful, after all, you don't have a master from the Heavenly Realm to protect you this time."

Chapter 1063

At night, on a hill outside Xiuyu Valley, dozens of powerful masters stood upright and alert. On this hill, a beautiful beauty was leisurely drinking tea, but there was some sadness on her face. Kind thoughts.

At this time, a masked man in black appeared in front of this beautiful beauty and saluted, "Second Dragon Head, An Biru and Zhu Wuwu have arrived."

"Let them come!"

"Yes, Dragon Head!"

After a while, a coquettish and beautiful woman and a handsome middle-aged man came to this beautiful woman. The coquettish and beautiful woman was An Biru, the witch who had been separated from Su Chen for three days, and the middle-aged man was the Iron God of the Ming Dynasty. Hou Zhu ignored

"Please take a seat, both of you!"

After Zhu Wuwu and An Biru sat down,

An Biru looked at Zhu Wuwu who came with her and smiled. She knew that Su Chen wanted to deal with Zhu Wuwu, but Zhu Wuwu didn't know that he had been captured by the Xuantian Empire. People were targeted.

There was also Mingyue Xin, the second dragon leader of the Blue Dragon Society. This beautiful woman was so powerful that An Biru had no ability to resist in front of her. This made An Biru feel very unhappy. Comfortable

Zhu Wuwu asked this beautiful woman expressionlessly, "Er Longshou, why did you ask me to come this time?"

Ming Yuexin smiled and said coldly,

"Zhu ignores"

"This time we have to deal with Yaoyue and Lianxing from Yihua Palace"

"As long as Yao Yue and Yan Nantian start fighting, you will lead my men to kill Lian Xing. With your late-stage cultivation as a grand master and your cooperation with more than a dozen of my masters, Lian Xing will definitely not be you. I will give you a piece of Tianxiang Beanjiao when the matter is accomplished."

"What? Are you going to deal with Yihua Palace?" When Zhu Mingwu heard Ming Yuexin's words, he stood up in fright.

He didn't expect that the Qinglong Society would actually deal with Yihua Palace. Where is Yihua Palace? Who are Yao Yue and Lianxing? Doesn't the Qinglong Society even exist? Should we take action against Yao Yue and Lian Xing if we find out clearly?

Yao Yue and Lian Xing of Yihua Palace are the imperial concubines of the Xuantian Empire.

Is the Qing Dragon Society seeking death?

There are several celestial beings in the Qing Dragon Society. Immortals can do whatever they want? There are many powerful land immortals in the Heavenly Realm in the Xuantian Empire.

Even the ancestor of the Ming Dynasty, Emperor Ye, a strong man who was half a step into the Golden Core Realm, died at the hands of the woman who was the Emperor of the Xuantian Empire. In his hand.

Qinglonghui wants to die, but don't drag him with it.

"good!"

Ming Yuexin nodded and replied.

Zhu Wuwu waved his hand to Ming Yuexin and refused,

"Second Dragon Head, you can do it by yourselves this time. I will not deal with Yihua Palace. Besides, when I agreed to cooperate with your Qinglong Society, I already stated that I will not be involved in the affairs of the Xuantian Empire. I have not lived enough. I don't want to seek death and offend the Xuantian Empire"

"Zhu Wuli, are you scared?"Ming Yue Xin didn't expect Zhu Wu Wu to refuse. She looked at Zhu Wu Wu and asked with cold eyes.

Zhu Wu Wu looked at Ming Yue Xin who was exuding chills and still refused,"Yes, I'm scared. You Qinglong Club won't do it at all." I don't know how powerful the Xuantian Empire is. If you want to die, don't involve me."

An Biru looked at Zhu Wuwu and was very confused.

Why is Zhu Wuwu so afraid of the Xuantian Empire?

Is the Xuantian Empire really so terrifying?

Even Zhu Wuwu, a descendant of the Ming Dynasty royal family, dare not provoke the Xuantian Empire.

An Biru thought After thinking about it, he asked Zhu Wuwu,"Zhu Wuwu, is the Xuantian Empire really that terrifying? Zhu

Wulan nodded and said seriously when he heard An Biru's words,

"fear?"

"Hahaha....."

"The horror of the Xuantian Empire is beyond your imagination. A strong man with half a step to the Golden Core Realm can be killed easily. Do you think it is terrifying or not?"

"A terrestrial immortal in the heavenly realm? I can tell you that Su Chen, the emperor of the Xuantian Empire, has at least five or six land gods in the celestial realm among his women, and each one is more powerful than the last."

An Biru was very shocked when she heard Zhu Wuwu's words.

Su Chen, the emperor of the Xuantian Empire, actually has five or six women in the celestial realm?

How could that bastard have so many powerful women?

An Biru didn't care about Su Chen. Her suspicion has not been lifted, otherwise she would not have canceled the bet when she left Su Chen. She is even more interested in Su Chen now.

No wonder that bastard dares to face her alone. It turns out that bastard has a human realm. The master is protecting him.

Mingyue never thought that the Xuantian Empire actually has five or six land gods in the heaven and human realm. Their Qinglong Association only found out that Su Chen has two or three land gods in the heaven and human realm.

Shi Guanyin, Jellyfish Yin Ji , Bai Ruobing, these powerful Celestial Realm masters and the Qinglong Club all know about them.

But who are the remaining Celestial Realm masters?

Ming Yuexin looked at Zhu Wuwu and asked expressionlessly, "Zhu Wuwu, Xuantian Empire Who are the masters of Heaven and Human Realm?"

Zhu Mongli thought for a while and decided to tell Ming Yuexin.

He was worried that the people of the Qinglong Society would drag him into the water. Although the Xuantian Empire had been hunting him, they did not send out experts to hunt him down. Zhu Mingwu didn't want this. This time he provoked the masters of Xuantian Empire to chase him.

Zhu Wuwu picked up a cup of tea and drank it and said,

"The female demon Shi Guanyin of the desert, the jellyfish Yin Ji from the Shenshui Palace, the Eastern Emperor Taiyi of the Yin Yang family, the Marquis Bai Ruobing of the Eastern Continent, Fu Hongxue's mother Hua Baifeng, and the famous female demon Fairy Yunmeng. , these are what I know. I don't know if there are other land gods in the heaven and human realm."

Suddenly!

Next to Ming Yuexin, An Biru, and Zhu Wuwu, a strange voice reached their ears.

"Zhu ignored it. He didn't expect you to know so many things. It seems that you have found out a lot of information during your escape."

Ming Yuexin, An Biru, and Zhu Wuwen hurriedly looked around when they heard the unfamiliar voice and shouted,

"who is it!"

"who?"

"Um? who?"

At this time,

Su Chen appeared next to Ming Yue Xin and the others with Yao Yue in his arms.

Su Chen looked at Zhu Wuwu and An Biru, then looked at Ming Yue Xin. Ming Yue Xin was indeed very beautiful, but it was a pity that she married But it seems that Ming Yuexin and Fu Hongxue are also connected in the original drama. The mixed martial arts world is getting more and more chaotic.

Su Chen was having a heart-to-heart talk with Yao Yue when he suddenly sensed the situation here. , he brought Yao Yue over to see who was coming from the Qinglong Society this time, but he did not expect that the Qinglong Society would come to kill Yao Yue and Lian Xing in Yihua Palace. This angered Su Chen's Ni Lin.

"It's you."

An Biru exclaimed when she saw Su Chen,

"Su....Su Chen, are you here like this?"

Chapter 1064

Zhu Wuwu was very frightened when he saw Su Chen.

He did not expect that Su Chen, the emperor of the Xuantian Empire, would come in person. He was very afraid of Su Chen. He still remembered what happened in the Daming Palace, otherwise he would not have After the incident, Hui fled from Daming without caring about Daming's life or death.

Ming Yue Xin was very surprised when she saw a man and a woman appearing here. She was a terrestrial immortal in the heavenly realm. She didn't even notice the arrival of these two people, which made Ming Yue Xin feel incredible.

And she knew the beautiful woman who came this time,

Yao Yue, the master of Yihua Palace, but why was she being held by a man?

Isn't Yao Yue the woman of the Emperor of Xuantian Empire?

Ming Yuexin looked at Su Chen and Yaoyue and asked with a cold face, "Yihua Palace Yaoyue, who are you?"

"Didn't Zhu Wuwu say my name just now? Mingyue Xin, your memory is not very good!"

"Um? Suchen? Are you Su Chen, the emperor of the Xuantian Empire?" Ming Yuexin suddenly thought of Zhu Wuwang's exclamation just now. She looked at Su Chen and was very shocked.

The emperor of the Xuantian Empire actually came in person.

How is this possible?

Has the plan of the Qinglong Society been discovered by the Xuantian Empire?

Su Chen Looking at Ming Yuexin, she smiled and said,

"You are not stupid!"

"Su Chen, you bastard actually lied to me?" An Biru looked at Su Chen with a livid face and yelled angrily.

She was very angry now. She had clearly won a bet a few days ago, but this bastard actually fooled her around. Fortunately, she didn't Cancel the bet, otherwise she will lose money to death.

Su Chen said to An Biru with some embarrassment, "Uh! An Yaoji, we'll talk about your business later. An

Biru stared at Su Chen and wanted to strangle this shameless bastard, "Damn it, if you don't give me an explanation, I won't let you go, you bastard."

When Yao Yue heard An Biru's words, she pinched Su Chen's waist. Why is this bastard still looking lecherous? He came to her Yihua Palace and still provoked women everywhere. Yao Yue said to Su Chen that he was provoking women again. Very angry.

Su Chen hurriedly grabbed Yao Yue's hand and said with a dark face,

"Damn it, An Yaoji, can you speak more clearly? You are now talking as if I am a person who always gives up, isn't it because I lost a bet? Don't cause trouble here"

"snort!"

Ming Yuexin looked at Su Chen and said with murderous intent, "Su Chen, Emperor of the Xuantian Empire, there is a way to heaven. If you don't take it, there is no door to hell. You break in, and you are here, so just stay. Su

Chen looked at Ming Yue Xin, who was full of murderous intent, and asked with a smile, "Ming Yue Xin, are you really sure to keep me?"

"I am a terrestrial god in the heavenly realm. Do you think Yaoyue can stop me from killing you?" Ming Yuexin looked at Su Chen with disdain and waved her hands.

Dozens of masked masters from the Qinglong Society gathered around them.

As long as Ming Yuexin gave the order, they would immediately surround and kill these two uninvited people. People who come here

"Zhu ignored, An Biru, what about you? Do you want to kill me too?" Su Chen looked at Zhu Wuwu and An Biru and asked.

Zhu Wuwu hurriedly said after hearing Su Chen's words,

"Su Chen, I don't want to go against you. You should know that I just want to find a way to save Su Xin. I don't know that Qinglong will deal with Palace Master Yaoyue this time, so I won't take action."

Zhu Wuwu didn't dare to take action against Su Chen. He also hoped that Su Chen would cancel the pursuit of him because he didn't take action. He just wanted to save Su Xin and he didn't care about the dynasty's hegemony.

"I won't take action either. After all, you lost a bet to me. You have to solve the Miao border issues for me in the future." An Biru smiled and raised an eyebrow at Su Chen and said,

An Biru has a big backer this time, the emperor of the Xuantian Empire!

As long as she relies on this bastard in the future, the safety of Miao Jiang can be solved instantly , she no longer has to worry about Miao territory being destroyed by the Xuantian Empire.

Su Chen nodded when she heard Zhu Wuwu and An Biru's statements. She looked at Ming Yuexin's men and shouted,

"You Ruo!"

"Owner!"

A woman in black appeared silently beside Su Chen and saluted.

Ming Yuexin, An Biru, and Zhu Jingli were very shocked when they saw the woman suddenly appearing again.

They were not aware of the appearance of Su Chen and Yao Yue just now. , but they are all highly concentrated now, and they are still not aware of the appearance of this woman in black, which makes them very wary of the masters protecting Su Chen around them.

"The men in black around you will be killed without mercy!"

"Yes, master!"

Youruo saluted and replied to Su Chen before disappearing, and the surrounding masters of the Qinglong Society became nervous. They all heard Su Chen's order just now clearly, but how would

the woman in black who suddenly disappeared kill them? ? This made them all look around with vigilance.

Tear! Tear! Tear!

Just when the surrounding Qinglong Society was on guard, shadow assassins suddenly appeared one after another and quickly cut their throats and killed some masters of the Qinglong Society. Suddenly disappearing, in just a moment, more than ten masters of the Qinglong Society were killed, and these people did not resist even until their death.

Su Chen's shadow assassins are now all great masters, especially the leader Youruo, She is now a half-step master in the Celestial Realm. She is also a land fairy in the Celestial Realm. If she is not careful, she may be assassinated by Youruo.

"I also went to kill these masters of the Azure Dragon Society." Yaoyue saw that the masters of the Qinglong Club were all panic-stricken, so she told Su Chen that the people from the Qinglong Club came this time to kill her and her sister Lianxing. Yaoyue was not a kind-hearted person; A cruel woman, if she didn't kill these people, I'm afraid she would be very upset.

"Go for it!"

Su Chen knew that Yao Yue was angry, and he had no intention of stopping Yao Yue from killing the people from the Qinglong Club here.

When Su Chen saw that Ming Yue Xin wanted to stop Yao Yue, he reminded Ming Yue Xin, "Ming Yue Xin, you are the most important person. It's better not to act rashly, otherwise my sword will poke a hole in your beautiful and plump body."

Ming Yuexin said disdainfully when she heard Su Chen's threat, "You dare to warn me even though you have no power to restrain a chicken. It seems that you are really tired of living."

"Ignorant woman!"

An Biru suddenly discovered that there was a long sword behind Ming Yue Xin, and the long sword was pointing at Ming Yue Xin's back in the air.

She hurriedly reminded,

"Mingyue Xin, seeing a sword pointing at you from behind, you must not act rashly."

An Biru was also very surprised.

She didn't expect that Su Chen actually had a spiritual sword, and she didn't even notice when the spiritual sword appeared. She looked at the unconscious Ming Yuexin and worried about her. After all, Ming Yue Xin was kind to her back then, and she didn't want Ming Yue Xin to die like this.

Zhu Wuwu looked at the spiritual sword behind Ming Yue Xin in shock.

He thought that if Su Chen wanted to kill him, he might not be able to resist. Either he was killed by those shadow assassins, or he was killed silently by this spiritual sword. Now he is even more afraid of Su Chen.

"this....."

Ming Yuexin turned around and saw a cold spirit sword appearing behind her.

This made her stunned.

She didn't expect that a spirit sword appeared behind her, and she didn't even notice it. If this was a spirit sword If he attacks her suddenly, I'm afraid she will really be pierced through the heart by this spiritual sword and die.

"Mingyue Xin, now I declare that you are captured, don't resist, otherwise I will destroy the flower with my own hands."

"you wanna die!"

Chapter 1065

When Ming Yuexin heard Su Chen's words, she dodged towards Su Chen.

Although there was a spiritual sword threatening her behind her, she was a terrestrial immortal in the heavenly realm.

It was very easy for her to escape the attack of the spiritual sword. That bastard actually thought that a spiritual sword could make her surrender.

That bastard is overthinking

"Su Chen, be careful!"

An Biru regretted reminding Ming Yuexin. If Ming Yuexin killed Su Chen, I'm afraid all her ideas would not be realized. Even she and the Miao people in her Miao territory would be hunted down and slaughtered by Su Chen's masters and troops.

"I'll do it!"

Su Chen hurriedly teleported aside when he saw Ming Yue Xin coming to kill him. He didn't expect that Ming Yue Xin didn't care about the existence of Spirit Sword Luoxue at all. It seems that Ming Yue Xin wanted to give Ming Yue Xin a taste of the power of Spirit Sword Luoxue.

"Luoxue, kill!" Su Chen appeared on the other side of the hill, and he commanded the spirit sword Luo Xue to kill Mingyue Xin.

Boom!

Touch!

"Eighteen swords!"

Boom!

Ming Yuexin didn't expect that the spirit sword would automatically send out sword moves, which made her not care about chasing Su Chen and hurriedly dealt with the attack of the spirit sword.

"Feiyu!"

"Nineteen swords!"

Boom! Bump!

Spirit Sword Luoxue and Ming Yue Xin's long swords collided directly, and Spirit Sword Luoxue was directly thrown away by Ming Yue Xin's sword.

However!

Spirit Sword Luoxue was under Su Chen's control.

Spirit Sword Luoxue In an instant, he will appear next to Ming Yue Xin and attack her.

Although the spiritual sword Luoxue controlled by Su Chen is not Ming Yue Xin's opponent,

Luo Xue is a spiritual sword. It is impossible for Ming Yue Xin to destroy the spiritual sword Luoxue, and she can only Knock the spirit sword Luoxue away.

In this way, although the spirit sword is constantly being beaten away by Ming Yue Xin, the spirit sword Luo Xue keeps appearing next to Ming Yue Xin and attacks her.

This is a kind of stalking,

Ming Yue Xin Although she had enough real energy, such a stalking style made her feel very disgusted.

The next moment, after Yao Yue joined the masters of the Qing Dragon Society in killing them, each of the masters of the Qing Dragon Society was slapped by Yu Yue. Killed by one, Yao Yue's terrifying strength is not something that the masters of the Qinglong Society can deal with.

"Transfer flowers and jade!"

Boom!

When Yaoyue was massacring these masters of the Qinglong Club, the Shadow Assassin was also constantly assassinating the masters of the Qinglong Club. Once the Shadow Assassin assassinated him, he would never fail. He didn't even need to take action twice. Every time the Shadow Assassin took action, he would He can kill with one strike, leaving his opponent with no ability to resist.

An Biru looked at Su Chen controlling the spirit sword to attack Ming Yue Xin and said doubtfully, "Can this bastard Su Chen know martial arts? Why didn't I feel any internal fluctuations in that bastard?"

"Su Chen knows martial arts, and his strength is not low, but I don't know how he hides his cultivation level." Zhu Wuwu heard An Biru's words and said to her.

Zhu Wuwu had seen Su Chen take action in the Daming Palace at that time, but he still doesn't know how powerful Su Chen is.

He himself is definitely not Su Chen. opponent

"Shameless! Can't you have a fair fight with me?" Ming Yuexin looked at Su Chen and glared at Su Chen angrily and cursed.

Ming Yuexin really has nothing to do with Su Chen now. As long as she chases this bastard, the bastard will suddenly disappear again, and the spirit sword is Continuously attacking her, she was now furious with the Spirit Sword and Su Chen.

"Let's go!"

Boom!

Su Chen suddenly appeared behind Ming Yue Xin and kicked her PG when Ming Yue Xin was attacking the spirit sword.

Touch!

"Damn it, I'm going to tear you into pieces." After Ming Yue Xin was kicked away by Su Chen, she looked at Su Chen with anger and shouted.

Ming Yue Xin took out her trump card from her arms, and she was going to kill that shameless person, that bastard with one blow. How dare you kick her own PG? She will definitely tear this bastard into pieces.

"Seven-leaf lotus!" boom!

"I'll do it!"

Su Chen saw Ming Yue Xin's lotus-like hidden weapon and hurriedly teleported to avoid it. He forgot that Ming Yue Xin was a member of the Tang Sect, and the Tang Sect's hidden weapons were hard to guard against.

Su Chen had to avoid Ming Yue Xin's hidden weapon. He shouted hurriedly, "Ming Yuexin, you actually used a hidden weapon? Tang Lan, aren't you afraid that people from the Tang Sect will come to arrest you?"

Ming Yue Xin was very surprised when she heard Su Chen call her name.

Her previous name was impossible to be known by others, but how could this bastard know her name?

But!

It's impossible for Ming Yue Xin not to kill this asshole,

"laugh! I have no relationship with the Tang Sect for a long time. How do you, a bastard, know my name?" boom!

"Damn it, you bastard, you dare to sneak attack." Ming Yuexin didn't expect that she was waiting for Su Chen's answer, but what she was waiting for was that this bastard kicked her out again, and he kicked her on her PG, which made Ming Yue Xin angrily kill this bastard quickly.

Su Chen taunted Ming Yue Xin while avoiding Ming Yue Xin's attack,

"Why should I answer you idiot woman?"

"When Gongzi Yu obviously went to your house to steal things, you, a prodigal daughter, not only didn't stop it, but also helped Gong Ziyu steal his own items. In the end, you even lost the money. Do you think you are a fool?"

"In recent years, you have helped Gong Ziyu do many unethical things, right?"

Ming Yuexin's heart ached when she heard Su Chen's words.

Although what she did was wrong at the beginning.

But she doesn't regret it.

Now she has someone she likes by her side. She doesn't care what she did before or what she did. Is the matter unreasonable?

Ming Yuexin looked at Su Chen and yelled angrily, "What does this have to do with you, you bastard? That was of my own free will"

"Idiot woman, if my daughter dares to do this, I will break her legs"

"Then go and break your daughter's legs"

"Forehead! I can't bear it. Besides, my daughter is not an idiot like you."

"Go to hell!" boom!

"Seven-leaf lotus!"

Swish swish swish.....

After Mingyue Xin threw the seven-leaf lotus in the air, countless silver needles shot from the seven-leaf lotus towards Su Chen.

"What the hell! How can the seven-leaf lotus still attack? Can he reload automatically?" Su Chen teleported behind Ming Yue Xin and looked at the seven-leaf lotus in the sky and said in surprise.

Ming Yue Xin didn't expect that this bastard had dodged her hidden weapon attack again. She looked at Su Chen who appeared behind her with an ugly face. , and cursed angrily, "Damn it, what kind of footwork are you using, you bastard? Why is it so fast?"

"none of your business!"

"hateful! Die!" boom!

"Ha ha! The seven-leaf lotus belongs to me." Su Chen instantly appeared next to the Seven-leaf Lotus and grabbed it with one hand. He was very interested in this Seven-leaf Lotus. He had never seen a hidden weapon that could reload automatically.

"Put it down, you bastard, and give me back my seven-leaf lotus." Ming Yuexin yelled nervously when she saw Su Chen catching her flying seven-leaf lotus.

It took her more than ten years to make the seven-leaf lotus, but she didn't want to be taken away by this bastard.

"You're eating farts!"

"Ahhhh! I'm going to kill you, this shameless person!"

Chapter 1066

Ming Yuexin was going crazy with this bastard Su Chen.

This bastard not only kicked her twice, but also took away her hidden weapon Seven-leaf Lotus. Not only was she unable to do anything with this bastard, she was even beaten by this bastard. The

bastard humiliated and insulted her, and Ming Yuexin was so angry that she would not give up until she killed this bastard.

Boom boom boom!

Ming Yuexin faced Su Chen and continued to kill the bastard with one palm strike. The powerful true energy burst out from her palm like a missile, blasting the hill into big craters.

Zhu Wuwu and An Biru, who were watching from the side, were frightened and hurriedly backed away for hundreds of meters. They did not want to be accidentally killed by this crazy woman Ming Yuexin.

"I guess, is Mingyue Xin crazy?"

Su Chen didn't expect Ming Yue Xin to be so crazy. It seems that the seven-leaf lotus hidden weapon he took away from Ming Yue Xin completely pissed off Ming Yue Xin.

Outside Xiuyu Valley, thousands of Jianghu people around were also disturbed by the fighting here. Awakened, the Jianghu people here did not expect that the battle between Yan Nantian and Yao Yue had not started yet, but a battle broke out outside Xiuyu Valley. From the powerful aura that erupted, the Jianghu people here guessed that the masters of the Heavenly Realm were fighting..

Some masters outside Xiuyu Valley rushed here quickly.

They all wanted to know who was fighting outside Xiuyu Valley.

"Who is at war? Such a terrifying fighting atmosphere is too scary"

"In the Celestial Realm, the land gods in the Celestial Realm are fighting. Do we want to go and see it?"

"Forget it, we are all low-strength Jianghu people here. We don't have the cultivation realm of a great master. Even if we go there, we will be accidentally injured by the battle in the heaven-human realm."

"That's right. All the great masters here have rushed over one by one, so we shouldn't join in the fun. Otherwise, the land gods in the Heavenly Realm will kill people and silence them, and we won't be able to escape."

"well! It would be great if the battle took place during the day. We Jianghu people can also see the battle in the Heavenly Realm, but we can't see anything here at night."

"yes! I really feel a little unwilling to not be able to see the battle in the heaven and human realm."

The Jianghu people outside Xiuyu Valley gathered in twos and threes. They looked at the hills in the distance and talked one after another.

At this moment,

Ning Yuxi and Bai Feifei were also awakened by the huge noise outside Xiuyu Valley. They got out of the carriage. When they came out, they looked at the fighting atmosphere in the distance, but the powerful fighting power made them all know that the land gods in the heavenly realm were fighting.

Bai Feifei saw many masters flying away quickly towards the fighting place, and she turned to Ning Yu beside her. Xi said, "Let's go over and see who is fighting."

"good!"

Ning Yuxi nodded and replied.

She also wanted to know who was fighting, and battles in the Heavenly Realm were rare. Being able to see the battles in the Heavenly Realm was a big deal for those of them who had not yet advanced. The Heavenly Realm is a rare and valuable experience for masters.

Bai Feifei and Ning Yuxi nodded to each other, and they disappeared one by one beside the carriage.

At this time, on the hill,

Su Chen teleported to avoid Mingyue Xin. While attacking, he recalled the spirit sword Luoxue. The commotion here was too big now. Su Chen was worried that someone from Jianghu would arrive and find out that he had the spirit sword.

"Ming Yue Xin, that's almost it. Your attacks can't hurt me."

"Die!"

Boom, boom, boom!

Su Chen originally wanted to persuade Ming Yue Xin to give up the attack, but the answer to Su Chen was Ming Yue Xin's constant attacks. After the powerful attack, the hill was cratered. It seemed that Ming Yue Xin had vowed not to kill herself. Don't give up.

Damn it, this crazy woman is really crazy.

We can't go on like this, but how to catch this crazy woman?

Land gods in the heavenly realm are not easy to catch.

Ming Yue Xin's current The body-protecting evil spirit was fully activated.

She was trying to prevent herself from kicking her PG again regardless of the consumption of her true energy.

This woman was really crazy.

Su Chen couldn't do anything about Ming Yue Xin now, but he didn't want to explode with all his strength here. , and Yan Nantian's stubborn idea was about to come, and Su Chen didn't want to invite Yue to deal with Ming Yue Xin.

Su Chen thought about it and said loudly to Ming Yue Xin, "Ming Yue Xin, you can play here by yourself, I want to go back. rest

"Damn you bastard, if you dare to escape, I will kill everyone in Yihua Palace."Ming Yuexin immediately threatened after hearing Su Chen's words.

She will not give up until she kills this bastard today, but this bastard's teleportation makes her really helpless.

This bastard is not only very fast, but also has great reflexes. This was something she didn't expect.

Ming Yue Xin's several attack traps were easily seen through by this bastard. This bastard has not been harmed so far.

This makes Ming Yue Xin very unwilling.

"Holy shit! You crazy woman, the Jianghu people outside Xiuyu Valley are coming, are you sure you don't want to stop?"

"Um?"

Ming Yuexin was stunned when she heard Su Chen's words.

Ming Yuexin also sensed that many Jianghu people were coming. Although she was not afraid of the arrival of those Jianghu people, she couldn't expose it yet.

She was responsible for Gongziyu's plan. She doesn't want to be known by the Jianghu people here.

And Su Chen knows that she is a member of the Qinglong Society. If this bastard exposes the Qinglong Society at this time, then all the forces in the Jianghu will be wary of the Qinglong Society. This will destroy the young master. Yu's plan.

Seeing Ming Yuexin stop attacking, Su Chen coughed hurriedly and said,"Cough! Ming Yuexin, let's not fight now. We will decide the outcome later. You don't reveal my identity, and I won't reveal your identity. What do you think?"

"not so good!"

Ming Yuexin looked at Su Chen coldly and said coldly and proudly,

"Yes, little girl, does that little old man Gong Ziyu really want you to work for him so wholeheartedly?"

Boom!

Mingyue Xin quickly hit Su Chen with her palm and warned,

"Bastard, give me some ideas."

Su Chen teleported to avoid Ming Yue Xin's attack and cursed,

"What the hell! You crazy woman, I won't play with you anymore, so you should go find your little old man to love me."

Su Chen said and prepared to leave with Yao Yue. Anyway, all of Ming Yue Xin's subordinates have been killed. Su Chen will have ways to deal with her even if Ming Yue Xin troubles him again in the future.

"stop!"

"Goodbye, to be honest, your PG is really very soft."

Su Chen said and instantly appeared next to Yao Yue. He hugged Yao Yue and disappeared on the hill.

Su Chen had already felt that some Jianghu people were coming.

Before Yan Nantian was dealt with,

Su Chen still He doesn't want the Jianghu people here to discover him

"Damn shameless bastard, I must kill you."

## Chapter 1067

Ming Yuexin was very angry when she saw Su Chen and Yao Yue disappear, but there was nothing she could do against that bastard.

Ming Yuexin looked around and saw that all her men were dead.

Her face became even uglier. She hadn't started to assassinate Yao Yue and Lian Xing this time.

Dozens of her powerful men were all dead. These masters of the Qinglong Society were dispatched by Gong Ziyu from various branches. Now these masters If they were all lost here, Gong Ziyu would definitely be very angry.

She didn't know how to explain it to Gong Ziyu.

Do you want to tell Gong Ziyu that Emperor Xuantian and Yao Yue killed these men?

Gong Ziyu will definitely not believe it, and even Gong Ziyu will doubt why she did not kill the emperor of the Xuantian Empire.

She just told Gong Ziyu that Su Chen is powerful. I am afraid that Gong Ziyu will not believe it even more. A person in the heavenly realm cannot kill a person. Grandmaster?

How could Gong Ziyu believe this?

Although Gong Ziyu is very smart, he is also very suspicious. The suspicious and overused Gong Ziyu has aged rapidly many years ago and even turned into a little old man.

Ming Yuexin rubbed her swollen head and felt very helpless.

"Why haven't you left yet?"Ming Yuexin looked at An Biru and Zhu Wuwu next to her and asked angrily.

Ming Yuexin also knew that An Biru and Zhu Wuwu could no longer cooperate with the Qinglong Society.

Zhu Wuwu was timid and afraid of death, and An Biru has a relationship with Su Chen. Having that bastard Su Chen is a problem in Miao territory is not a problem at all. She will never cooperate with the Qinglong Society again.

"Erlongshou, farewell"

"Farewell!"

Zhu Wuwu and An Biru left here quickly after hearing Ming Yue Xin's words.

It wasn't that they didn't want to leave just now, but without Ming Yue Xin's approval, they didn't dare to leave at all, in case Ming Yue Xin got angry and wanted to kill them. Silence, they would both be killed on the spot by Ming Yuexin.

An Biru kept nagging Su Chen after leaving. The bastard did not take her with him when he left, but it made her very angry. Could it be that that bastard Aren't you afraid that Ming Yuexin will kill you?

"Damn bastard!"

"Son of a bitch!"

"Heartless man!"

An Biru cursed angrily while beating the trees next to her.

If Su Chen were here now, she would definitely stab that bastard a few times. After Su Chen and Yaoyue came back from

Yihua Palace , Lianxing asked hurriedly What happened this time? Su Chen and Yao Yue also smiled and told Lian Xing what had just happened. After hearing what Su Chen and Yao Yue said, Lian Xing worriedly said, "Since the Qinglong Society has appeared, what happened to my sister?"

Will the battle with Yan Nantian be used by the Qinglong Society?" Su Chen shook his head while drinking tea and said,

"The Qinglong Society originally planned to destroy Yihua Palace while your sister was fighting with Yan Nantian. I don't know what the Qinglong Society was going to do? Doesn't the Qinglong Society know the relationship between Yihua Palace and me? The Qinglong Society still has a huge plot."

Yao Yue thought for a moment and then said viciously, "The Qinglong Society has seven dragon heads, the Twelve Moon Hall, and three hundred and sixty-five sub-rudders. Is the Qinglong Society planning to plot the world? Or do you want to plot the world? Husband, the Qinglong Club cannot stay. We must eliminate the hidden danger of the Qinglong Club as soon as possible. Lian

Xing also hurriedly said to Su Chen, "Yes, husband, we can't let go of this hidden danger, so don't be careless.""

Su Chen hugged Yao Yue and Lian Xing and smiled.

Yao Yue and Lian Xing are both the proud girls of heaven. It is a great blessing for him to get them.

And now Yao Yue and Lian Xing are thinking about him wholeheartedly.

This is even more important. It made Su Chen feel that he owed Yao Yue and Lian Xing. The time they spent together could be said to be more separation and less time together. Su Chen felt that he should spend more time with the women who loved him deeply in the future.

"I know, but the Qinglong Society is very hidden. We can only use the people of the Qinglong Society to destroy the Qinglong Society. The Qinglong Society only has two backbones, Gong Ziyu and Bai Xiaosheng. As long as we kill Gong Ziyu and Bai Xiaosheng, The Qinglong Club will be defeated without any attack, and it will be easy to kill the remaining Qinglong Club dragon heads and sub-rudders one by one."

Yao Yue looked at Su Chen and said angrily, "Husband, you are not planning on Ming Yue Xin, the second leader of the Blue Dragon Society, are you? I saw you hit Ming Yuexin with PG, and you said it was very soft."

Yaoyue is very helpless towards this bastard.

This bastard is a shameless pervert.

She doesn't know how she could fall in love with such a lustful and shameless person. But now it's too late. She can no longer leave this shameless pervert. Is this something that is destined to be unchangeable?

Destined marriage!

Is this the fate between herself and this bastard in this life?

Yao Yue smiled when she thought of this, what is destiny?

What cannot be changed?

She is all these She doesn't care, as long as she is with the person she likes, and they will be together for the rest of their lives, she will die without regrets.

Su Chen was a little embarrassed and pretended to cough and said, "Ahem, I was just teasing that Ming Yue Xin, how could I Madam, you are too worried about your idea of Ming Yue Xin."

"Haha, husband, do you believe this?" Lianxing leaned into Su Chen's arms and said with a sweet smile,

"You are just a shameless pervert, and what about An Biru, that woman?"

"Anbiru is the Miao territory in the southern continent....." Su Chen didn't want Yao Yue and Lian Xing to misunderstand anymore, so he hurriedly told Yao Yue and Lian Xing about An Biru.

This time, he really didn't have any plans for Ming Yuexin and An Biru, but!

Su Chen couldn't tell what would happen in the future. After all, An Biru and Ming Yuexin were both peerless beauties. If they really had a relationship with him, Su Chen wouldn't be able to introduce two peerless beauties to others.

Yaoyue and Lianxing nodded when they heard Su Chen's words.

And when they looked at Su Chen, they didn't believe that Su Chen would let An Biru and Ming Yuexin go. They knew exactly what kind of character this bastard had. but!

Yao Yue and Lian Xing also knew that Su Chen was not someone who liked the new and disliked the old.

Although they were far apart and seldom together,

Su Chen would write love letters to them whenever he had time. Those love letters that made them blush after reading them made them both happy and helpless.

Moreover, whenever Su Chen gets any secret treasures, even some heavenly materials and earthly treasures will be sent to them, such as Zhuguo, Zhuyan Dan, Lingcha, etc. They have many in Yihua Palace.

Yihua Palace is very powerful now.

She and Lian Xing will soon advance to the Heavenly Realm, and there are at least a dozen great masters in Yihua Palace.

If we add in the four masters of the late stage of Grand Master Hua Yuenu and Hua Xingnu who have joined the Shadow Team, the number of Grand Masters in Yihua Palace has exceeded twenty. This is the most powerful sect in the Western Continent..

Su Chen picked up Yao Yue and Lian Xing and said with a smile,"It's very late, let's go and rest. Yan Nantian may arrive tomorrow. I'm afraid it will be very lively outside Xiuyu Valley tomorrow."

"Um!"

Yao Yue and Lian Xing both nodded shyly to Su Chen.

Late at night, outside Xiuyu Valley,

Ming Yuexin's expression kept changing when she looked at Xiuyu Valley.

She now wanted to break into Yihua Palace and kill that bastard, but She also knew that even if she broke into Yihua Palace, she would not be able to kill that shameless bastard with strong escape ability.

"Shameless pervert, when Yan Nantian arrives tomorrow, you will regret your insult to me today."

Chapter 1067

Ming Yuexin was very angry when she saw Su Chen and Yao Yue disappear, but there was nothing she could do against that bastard.

Chapter 1069

In Zhu Qiqi's luxurious carriage,

Bai Feifei, Ning Yuxi and An Biru, who was controlled by acupoints, were sitting in the carriage to rest respectively. It was just that An Biru looked at Bai Feifei and Ning Yuxi and was very worried. Helpless, she didn't expect that Ning Yuxi would rather not know Su Chen's identity than let her leave. Even after she said those unpleasant words, Ning Yuxi actually sealed her mute point. This made An Biru really have no idea. Way to leave.

And Ning Yuxi is very restless now.

What An Biru said made her think about Su Chen all the time.

For so many years, she had ignored any man, but the appearance of Su Chen made her calm heart no longer calm.

After she was rescued by Su Chen, she also noticed the way Su Chen looked at her.

Although Su Chen looked at her with lust in his eyes, it was more out of curiosity, as if Su Chen had known her a long time ago.

Moreover, Su Chen did not hesitate to feed her the spirit fruit to detoxify her, which also made Ning Yuxi have a good impression of Su Chen. After all, the heaven and earth spirit fruit is a rare treasure.

Suchen!

What kind of person are you?

What is your identity again?

Although Bai Feifei and Zhu Qiqi knew Su Chen's identity, it was impossible for them to tell it depending on the situation. Bai Feifei even wanted to silence An Biru because he wanted to reveal Su Chen's identity. This made Ning Yuxi even more dissatisfied with Su Chen. More curious.

The sky is gradually getting brighter, and a new day has arrived.

Today is the day when Yan Nantian arrives.

The battle between Yaoyue and Yan Nantian in Yihua Palace is about to begin.

People outside Xiuyu Valley have all gotten up early in the morning to wait for Yan Nantian. The arrival of Nan Tian, a battle between a land immortal in the heavenly realm and a great master, would not have attracted so many people from the world to watch.

However, Yao Yue of Yihua Palace was the woman of the Emperor of Xuantian Empire, and it was heard that Yao Yue's strength was close to the realm of heaven and humans, which attracted people from all over the Western Continent to come and watch.

Will the Xuantian Empire come to stop Yan Nantian from killing Yihua Palace and inviting the moon this time?

If Yao Yue accepted Yan Nantian's life and death fight, would Yan Nantian dare to kill Yao Yue?

These people in the world are very curious about this, no!

It should be said that it is curiosity about the Xuantian Empire.

Will the powerful Xuantian Empire be slapped in the face by Yan Nantian this time?

Will the arrogant Yan Nantian be killed on the spot by the masters of the Xuantian Empire? This also caused people here to speculate.

Dong Dong Dong Dong Dong.....

Just after the sky brightened, the sound of huge horseshoes vibrated outside Xiuyu Valley. The sound of tens of thousands of horses running was very shocking.

"It's the black black bird flag. The Xuantian Empire's army has arrived. It seems that Yihua Palace Yaoyue and Lianxing are really the imperial concubines of the Xuantian Empire."

"this.....I'm afraid 50,000 troops are coming?"

"hiss! I didn't expect that the Xuantian Empire would dispatch the Eastern Combat Legion. This is the Eastern Combat Legion, one of the four major legions!"

"Yao Yue and Lian Xing, two former beauties on the martial arts beauty list, actually committed themselves to the emperor of the empire. The emperor of Xuantian Empire is really very enviable."

"You are so jealous. Emperor Xuantian has many beauties on the martial arts beauties list. Queen Yanfei is also a peerless beauty on the martial arts beauties list."

"Well said"

"This time the army arrived, it seems that Yan Nantian returned without success."

"Whether Yan Nantian can survive this time is still unprepared."

With the arrival of a legion of the Eastern Combat Legion, thousands of Jianghu people outside Xiuyu Valley started talking. At this time,

50,000 black-armored cavalry arrived and lined up neatly outside Xiuyu Valley.

The black-armored cavalry The six beautiful women inside rode towards Xiuyu Valley. They were another shadow team sent by Concubine Yan.

Although Yao Yue and Lian Xing did not ask Concubine Yan and Jing Salamander to come over for support, Concubine Yan and Jing Salamander came to support them. It is impossible for Salamander to be indifferent to what happened here in Yihua Palace. Concubine Yan personally ordered Li Xiuning to send a legion, and the arrival of the Shadow Team was also to deal with emergencies.

Xiuyu Valley,

Yao Yue appeared in the sky above Xiuyu Valley, and she also felt The black-armored cavalry came over to take a look, but Su Chen and Lian Xing were still chatting with each other and did not get up. Yao Yue came over without paying attention to them.

When the girls of the Shadow Team saw Yu Yue appearing in the air, they all He immediately dismounted his horse and saluted Yaoyue, saying,

"Shadow Team 2, captain Qin Mengyao, has met Imperial Concubine Yao Yue!"

"Shadow Team, Fu Junzhuo (Fu Junyu, Fu Junqiang, Huayuenu, Huaxingnu) meets the imperial concubine."

The cavalry commander of the Eastern Combat Legion immediately dismounted and knelt down to Yaoyue and saluted,"Wan Feng, Commander of the Seventh Cavalry Legion of the Eastern Combat Legion, please see the imperial concubine."

The 50,000 black-armored cavalry dismounted neatly, knelt down and saluted Yao Yue, and said,

"See Princess!"

"No gift required."

Yao Yue waved her hands and said after seeing the Shadow Team and the 50,000 black armored cavalry coming.

"Thank you, Princess! Yao

Yue looked at Qin Mengyao and the girls and asked doubtfully, "Qin Mengyao, why are you here this time?"

Yao Yue knew that Su Chen had formed several shadow teams. The shadow team was joined by four girls from Yihua Palace, Huayue Nu, Hua Xingnu, Hua Helu, and Hua Heshuang.

These four girls are now big The master's later cultivation state.

Qin Mengyao saluted Yao Yue and said, "Princess, we were sent here by Queen Yan Fei. The Queen was worried about something happening here, so she asked us to protect the two princesses."

"So that's it"

"Princess Yaoyue, Madam Jingyu asked me to bring a thousand secret guards and three hundred shadow assassins, all of which must be handed over to the princess's men."

"Well, I understand. I can wait until I kill Yan Nantian to talk about this." Yao Yue did not expect that Concubine Yan and Jing Salamander still did not trust her.

This moved Yao Yue somewhat.

Although she and Concubine Yan Jing Salamander did not have much communication, they did not treat her and Lian Xing differently.

Yihua Palace should Concubine Yan and Jing Salamander, some and others, were sent here. Yihua Palace was like the epitome of Xuannio Palace. In addition to the imperial-level secrets controlled by her and Lianxing, the martial arts inside also included king-level secrets and heaven-level secrets. The following secret books are all backed up in Yihua Palace, and even the cultivation resources are piled up in Yihua Palace.

And if Yan Nantian is looking for trouble this time, if it is not too far away from Gusu City,

I am afraid that Concubine Yan and Jing salamander will Come here

"Yes, Princess"

"Wan Feng, order the army to station on the spot"

"Yes, Princess!"

"Qin Mengyao, come with me to Yihua Palace"

"Yes, Princess!"

Outside Xiuyu Valley, the Jianghu people here were very surprised when they saw the noble temperament and beautiful appearance of Yao Yue.

Although they knew that Yao Yue was a peerless beauty, they had never seen Yao Yue before. I'm afraid there are not many Yue, but being able to see Yao Yue's peerless appearance this time has already made these Jianghu people very proud.

Not to mention that tens of thousands of powerful troops knelt down and saluted Yao Yue, which was very shocking. Now no one dares to question the Xuantian Empire's imperial concubine Yao Yue.

"I didn't expect that bastard woman to be so noble and beautiful. She really took advantage of that shameless bastard."

Chapter 1070

Ming Yuexin was very surprised when she saw Yao Yue appearing in the sky in Xiuyu Valley.

It was getting late last night and she didn't see Yao Yue's face clearly. But this time she saw it clearly. She didn't expect that Yao Yue would have any appearance. With such a noble temperament and beautiful face, Ming Yuexin, who always thought she was the most beautiful, was a little bit shocked.

Ming Yue's face turned even uglier when she thought that Yao Yue was the woman of that shameless bastard Su Chen. That bastard bullied and humiliated her last night, and she would not let that shameless bastard go.

However,

Yan Nantian will come to kill Yao Yue today.

She has to prepare to cooperate with Yan Nantian to deal with Su Chen and Yao Yue. These two idiots must die here this time.

But Ming Yuexin felt helpless when she saw the 50,000 elite black-armored cavalry outside Xiuyu Valley.

With these troops here, could she and Yan Nantian kill those shameless bastards Yao Yue and Su Chen?

Ming Yue Xin's face kept changing as she looked at Xiu Yu Gu, and the aura around her was also constantly increasing. If she hadn't known that now was not the time to be impulsive, Ming Yue Xin would have wanted to kill Su Chen's corpse at Yihua Palace. Thousands of sections.

At this time,

Bai Feifei, Ning Yuxi, and An Biru also saw Yao Yue over the Xiuyu Valley. Even the scene of the army saluting Yao Yue made them feel the nobility and beauty of Yao Yue.

"Damn it, how could that bastard have such a beautiful woman." Bai Feifei looked at Yao Yue and felt very helpless.

Although she had met several of Su Chen's women, those women did not have such a noble temperament as Yao Yue.

Even her mother Bai Jing did not have such a noble temperament.

Yao Yue was extremely beautiful. With her beautiful face, curvy figure, and cool and noble temperament,

Yao Yue can be said to be one of the few most beautiful, beautiful, and elegant women in the world.

"What did you say? An

Biru next to her asked when she heard Bai Feifei's muttering.

Bai Feifei glanced at An Biru and shouted expressionlessly, "It's none of your business, prisoner!"

An Biru was very speechless when she heard Bai Feifei's words.

Do prisoners have no human rights?

Can't prisoners speak?

Of course!

She was just thinking about these in her heart. Bai Feifei's current expression is very unkind, but she doesn't know how to do this. It's time to ask for trouble.

Ning Yuxi looked thoughtful when she saw Bai Feifei. She felt that she had discovered something extraordinary. She could clearly hear Bai Feifei's muttering just now.

That bastard?

Bai Feifei should have said Mr. Su. Morning, right?

And that bastard woman Bai Feifei was talking about, does it mean that Yao Yue from Yihua Palace is the woman of Mr. Su Chen?

But isn't Yao Yue the concubine of the Emperor of the Xuantian Empire?

Su Chen? Su Chen? Su Chen?

The emperor of the Xuantian Empire seems to be also named Su Chen?

Ning Yuxi looked at Bai Feifei in surprise and wanted to know more clearly, if Su Chen's identity is really the emperor of the Xuantian Empire.

Then all this makes sense, no wonder Bai Feifei can To prevent An Biru from telling Su Chen's identity, no wonder Su Chen would come to Yihua Palace.

After Yao Yue disappeared, people here started talking about it.

Today, not only the black armored cavalry regiment of the Xuantian Empire arrived Even the peerless and alluring Palace Master Yao Yue appeared. Even Palace Master Yao Yue was the imperial concubine of the Xuantian Empire. This confirmed their previous speculations.

At this time, not far from Yihua Palace,

A downcast middle-aged man holding a long sword is rushing towards Yihua Palace, and beside this middle-aged man there are dozens of Jianghu people following him.

This middle-aged man is known as the best swordsman in the world in the Western Continent. Sword God Yan Nantian, and those behind are all evil people who came out of the Valley of Evil.

Although the evil people in the Valley of Evil are not very strong, their hateful faces are very scary, and each of them has a fierce look. He looks like a villain who came out of the valley of the wicked.

"I don't know if that bastard Xiao Yu'er has arrived at Yihua Palace? That kid doesn't know what he's doing all day long"

"We should go to Yihua Palace. Didn't we receive his letter yesterday?"

"After seeing that little bastard, I have to teach him a lesson this time. He actually wants to go to the Northern Continent. Is Xiaoyu, who is at the peak of his cultivation level, going to die?"

"Yes, I heard that the princes are currently fighting in the Northern Continent, and that little bastard didn't even look at the time. Fortunately, we stopped him. Otherwise, the little bastard really ran away to the Northern Continent. I'm afraid we would have traveled thousands of miles to capture him. Western Continent"

"What to do about Hua Wuque? It seems that he continues to stay in Yihua Palace?"

"Hua Wuque recognized a thief as his father. His parents were killed by Yao Yue and Lian Xing. Hua Wuque definitely didn't want to abandon his identity as the young master of Yihua Palace. He was used to enjoying the glory and wealth. Hua Wuque definitely didn't want to live in the rivers and lakes."

The villains in the Valley of the Villains followed Yan Nantian one by one while talking about Xiao Yu'er and Hua Wuque.

Yan Nantian in front frowned when he heard the conversation between the people in the Valley of the Villains.

He sworn to his brother Jiang Feng. There are two children, one named Xiao Yu'er, who grew up in the Valley of the Evil One, and the other named Hua Wuque, who is now the young palace master of Yihua Palace.

They are one in the sky and the other in the earth.

There is no comparison at all, but Yihua Palace does not exist in him. He became famous when he became a vegetative state, and what kind of place is the Valley of Evil? It is a place where people of the three religions and nine streams stay.

Yan Nantian also feels that these two children are the same person but have different fates.

This time he must kill Yihua Palace Yaoyue To avenge his sworn brother, Hua Wuque must also be taken away.

At this moment,

Xiao Yuer, Su Ying, and Tie Xinlan had arrived outside Xiuyu Valley. They saw thousands of Jianghu people here. They were all very surprised, and when they saw tens of thousands of black-armored cavalry, they were even more shocked.

They were a little late this time. If they knew that Yao Yue was from the Xuantian Empire, I'm afraid they will be even more surprised.

Xiao Yu'er looked around and said in surprise, "My darling, why are there so many Jianghu and imperial troops here? Are they all here to watch?" Did I, Uncle Yan Nantian, come to kill Yao Yue from Yihua Palace?"

Su Ying knew that this time Yan Nantian came to Yihua Palace to seek revenge, it had been publicized everywhere by those in the Valley of the Evil. Although she was shocked that so many Jianghu people would come, she was not so surprised after thinking about some rumors..

And there is actually an army of the Xuantian Empire here.

I'm afraid those rumors must be true.

Yaoyue and Lianxing of Yihua Palace may really be the concubines of the Emperor of the Xuantian Empire.

Su Ying looked at Xiao Yu'er and turned away. He curled his lips and said, "Xiao Yu'er, isn't this what those people in the Valley of the Evil are promoting everywhere? Why are you so surprised?"

Xiao Yu'er touched the back of his head and smiled awkwardly and said, "Haha, it's true. This time these Jianghu people come to see the battle in the heaven and human realm, and their trip is worthwhile.

Tie Xinlan thought for a while and then asked Xiao Yu'er doubtfully, "Xiao Yu'er, your parents' death didn't care about Yihua Palace at all. Why did your uncle Yan Nantian ask the master of Yihua Palace to invite Yue?" Seeking revenge?

Xiao Yu'er exclaimed when he heard Tie Xinlan's words, "Why don't you care about Yihua Palace?" My parents were killed in Xiuyu Valley. Xiuyu Valley is a forbidden area of Yihua Palace. My parents' death is closely related to Yihua Palace."

"Sigh, you are really arrogant. If a relative of yours died in the Xuantian Empire, would you still seek revenge from the Emperor of the Xuantian Empire?"
