

## Zongwu 1071

### Chapter 1071

Su Ying was very confused about Yan Nantian seeking revenge on Yao Yue.

She learned from the news that the death of Xiao Yu'er's parents more than ten years ago had nothing to do with Yihua Palace.

Even more than half of the Twelve Stars who killed Xiao Yu'er's parents were killed by Yi Hua Gong. Xiao Yu'er now not only does not thank Yi Hua Gong, but also thinks that Yi Hua Gong was involved in the death of his parents. This makes Su Ying He was very disdainful of Xiao Yuer's statement.

If Yihua Palace killed Xiao Yu'er's parents, would they deny it?

Xiao Yu'er has Yan Nantian, a terrestrial god in the heaven and human realm, here. Will Yaoyue from Yihua Palace be afraid of Yan Nantian in the heaven and human realm?

Su Ying knew that there were many land gods in the Heavenly Realm in the Xuantian Empire.

She had heard about what happened in the Ming Dynasty Palace a few years ago. Even Emperor Ye, who was half-stepping into the Golden Core realm, was killed by people from the Xuantian Empire.

Will Yan Nantian, who has just been promoted to the Heavenly Realm, be afraid of Yao Yue from Yihua Palace?

Will Xuantian Empire care about Yan Nantian?

"Su Ying, you are using strong words to make sense!" Xiao Yu'er got confused after hearing Su Suying's words.

He didn't want to talk to Su Ying about these things anymore.

Today his Uncle Yan arrived. Yaoyue and Lianxing from Yihua Palace are also dead today. His His brother Hua Wuque will also be rescued by him.

Even if Yihua Palace Yaoyue and Lianxing are really the concubines of the Xuantian Emperor, he will be the first person in the anti-Soviet alliance to kill Su Chen's woman.

Although His strength is not very good, but he has a terrestrial immortal in the heavenly realm as his backing, and his status in the anti-Soviet alliance will become higher and higher in the future.

Su Ying shook her head when she heard Xiao Yu'er's words, she just She had not known Xiao Yu'er for long, and she didn't want to continue arguing with Xiao Yu'er like this. It was unnecessary and meaningless.

They fell silent.

Su Ying didn't stay with Xiao Yu'er either. She didn't want to be implicated by Xiao Yu'er and be massacred by Xuantian Empire's troops and masters.

When Tie Xinlan saw Su Ying leaving, she wanted to keep her, but they had only known each other for a few days, and Tie Xinlan didn't know how to keep her. Su Ying.

She just heard the conversation between Su Ying and Xiao Yu'er and felt that Su Ying was right.

However,

Xiao Yu'er was her savior after all, and

Tie Xinlan didn't want to say anything that would embarrass Xiao Yu'er.

Xiao Yu'er Regardless of Su Ying's departure, although Su Ying was very beautiful and smart, he had business to do today, as long as his favorite Tie Xinlan stayed with him.

At almost noon,

Yan Nantian and the villain The people from the valley arrived.

After the Jianghu people outside Xiuyu Valley saw Yan Nantian's arrival, thousands of Jianghu people mobilized to look at Yan Nantian. The war was about to break out. The few days of waiting for the Jianghu people here were not in vain..In the open space outside Xiuyu Valley, the villains from the Valley of Evil quickly came to the open space outside Xiuyu Valley. They looked at the Jianghu people around them with arrogance, and they didn't even care about the black-armored army outside Xiuyu Valley.

"Yihua Palace invites the poisonous woman of the moon, the hero Yan Nantian has arrived, why don't you come out and die soon?"

"Is Yihua Palace scared? Yaoyue poisonous woman, even if you hide in Yihua Palace today and don't come out, we will break into Yihua Palace. This time we will kill all the chickens and dogs in Yihua Palace."

"Haha, you are right, Yihua Palace should not exist"

"After a while, Hero Yan Nantian destroyed Yihua Palace, and we went to kill those little girls in Yihua Palace."

Dozens of villains from the Villain Valley kept saying insulting words to Yihua Palace outside Xiuyu Valley, as if they were afraid of Yihua Palace Yaoyue and dared not come out to fight Yan Nantian. They just wanted to provoke Yihua Palace. Yao Yue came out. When the people around Jianghu heard the insults of the evil people outside Xiuyu Valley, they all retreated in fright.

These ignorant evil people were simply looking for death.

Yao Yue from Yihua Palace was very powerful. , not to mention that Yaoyue is still the imperial concubine of the Xuantian Empire.

The Jianghu people here are very worried that they will be implicated by these evil people and be killed by the black-armored cavalry army here. The black-armored army guarding Xiuyu Valley They all looked at those evil people angrily. If it weren't for the military orders, the black armored cavalry here would have killed dozens of evil people outside Xiuyu Valley.

"punish!"

At this moment,

Yao Yue's low and cold voice suddenly came from the Xiuyu Valley.

The word "诛" was not only heard by all the Jianghu people outside the Xiuyu Valley, but even the faces of these Jianghu people changed drastically.

Here The Jianghu people did not expect that Yao Yue's strength would be so strong.

A single word [kill] could make them feel frightened and even very scared in their hearts.

The villains in the Valley of the Evil were also frightened by Yao Yue's strength, but they thought With Yan Nantian, a terrestrial immortal in the heavenly realm, behind them, they calmed down and were no longer afraid.

"Prepare the Qi-Breaking Crossbow!"

After hearing Yaoyue's order, the commander of the Seventh Cavalry Corps of the Eastern Combat Legion, Wan Feng, immediately waved his hand and shouted an order to the black-armored cavalry regiment.

Ten thousand black-armored cavalymen rode forward one after another, and each of them took out a broken weapon. The Qi Army crossbow was aimed at the dozens of villains in Xiuyu Valley.

The villains outside Xiuyu Valley were frightened when they saw that the army was going to shoot them.

They didn't know why the army wanted to kill them. Could it be because of Yao Yue? Say the word [kill]? Are the troops here going to kill them?

How could the Xuantian Empire's army obey Yihua Palace Yao Yue's order?

"Anyone who insults the imperial concubine will be killed without mercy! put!"

"kill! kill! kill!"

Swish swish swish.....

Tens of thousands of arrows from the Qi-breaking crossbows shot down dozens of villains outside the Xiuyu Valley. The dense rain of arrows in the sky made the people around them feel numb just by looking at them.

How can this be stopped?

Even if they blocked a round of arrows

, the black-armored cavalry regiment kept shooting at those evil people. It was impossible for even the Grand Master to escape such a dense rain of arrows.

Puff puff puff puff.....

Dozens of evildoers in the Valley of the Evildoers were hit by arrows and fell to the ground after just one round of arrows.

These were Qi-breaking crossbows. Even if the evildoers in the Valley of the Evildoers were powerful, it was useless to use their body-protecting evil energy to resist the arrows. of.

The Poqi Army Crossbow is a military crossbow specially designed to deal with Jianghu people. All the body-protecting evil spirits cannot withstand the attack of the Poqi Army Crossbow.

After three rounds of attacks by the Black Armored Cavalry Corps, the villains outside the Xiuyu Valley were now like hedgehogs, each one of them fell to the ground dead with their bodies covered with crossbow arrows. The villains in the Valley of the Villains had no ability to resist at all and just fell to the ground one after another. Shot instantly.

The entire open space outside Xiuyu Valley is also filled with arrows. It is also very quiet outside Xiuyu Valley. Thousands of Jianghu people are stunned to see the evil people who were shot.

The Jianghu people here are all thinking at this moment. If these arrows attack them, can they escape such arrow attacks?

The answer is definitely impossible.

This is not an attack by dozens of arrows, but an attack by thousands of arrows.

"Li Dazui, Bai Kaixin, Tu Jiaojiao.....how so? Why are they all dead? Invite the moon! I, Xiao Yuer, are at odds with you."

Chapter 1072

Xiao Yu'er saw that the villains in the Valley of the Evil were all shot and killed, and he quickly came to the open space outside the Xiuyu Valley.

He looked sadly at the evil people who died tragically one by one. These were all his relatives. It was these evil people who raised him since he was a child. Now these evil people are dead, which makes Xiao Yu'er very sad.

At this moment,

Yan Nantian also came to Xiao Yu'er.

Yan Nantian had no intention of rescuing these evil people who were killed just now. These evil people were all worthy of death. If these evil people hadn't raised Xiao Yu'er, he himself would destroy the evil people in the Valley of the Evil Ones and bring harm to the world.

Moreover, Yao Yue of Yihua Palace is, after all, a master of martial arts who has been famous for decades, and he is also a palace master with powerful power in the martial arts world.

He cannot bear to see the villains insulting Yao Yue like this.

"Uncle Yan, if you want to kill Yao Yue, you must kill that poisonous woman Yao Yue." When Xiao Yu'er saw Yan Nantian's arrival, his eyes turned red and he shouted,

"You go back, I will deal with Yao Yue." Yan Nantian touched Xiao Yu'er's head and said comfortingly,

"! Uncle Yan, I understand." Xiao Yu'er nodded when he heard Yan Nantian's words. He knew that Yan Nantian was going to take action. As long as Yan Nantian takes action, the poisonous woman Yao Yue will definitely die without a burial place.

After Yan Nantian saw Xiao Yu'er leave , , he looked at the black-armored cavalry regiment outside Xiuyu Valley.

He did not expect that Yao Yue would order the troops of the Xuantian Empire. This made Yan Nantian worried that it might not be easy to kill Yao Yue this time. He shouted loudly,"Yao Yue, Yan Nantian has arrived, it's time to understand the grudges between us.""

"I have been waiting for you for a long time, Sword God Yan Nantian!"

At this time,

Yao Yue's figure suddenly appeared opposite Yan Nantian.

The appearance of Yao Yue in a white palace robe made the people outside Xiuyu Valley look at Yao Yue and Yan Nantian in the air without blinking. A terrestrial god in the heavenly realm and an ultimate grand master were about to fight. They all wanted to know who would win in the end.

Yan Nantian looked at Yao Yue and said expressionlessly,"Yao Yue, you are not at a loss. She is a proud daughter of heaven, but you should not kill my adopted brother."

Yan Nantian didn't expect that Yao Yue's cultivation realm would be so powerful.

Yao Yue was only one step away from being able to break through to the Heavenly Realm. She was even stronger than him. If he hadn't encountered some unexpected encounters, I'm afraid he really wouldn't be. Yao Yue's opponent in Yihua Palace.

Yao Yue looked at Yan Nantian with a cold face and said,"It's useless to talk more, Yan Nantian, you can't leave alive this time.""

"Um? Do you want to use the army to kill me?"When Yan Nantian heard Yao Yue's words, he looked at the 50,000 black armored cavalry outside Xiuyu Valley.

He is now very wary of the black armored cavalry.

Although he is powerful, the black armored cavalry here does not pose a threat to him.

After all, he If he wants to escape, the black-armored cavalry cannot stop him, but after all, Yao Yue is here. As long as Yao Yue entangles him, if he is surrounded by the black armored cavalry, he may not be able to escape.

Yan Nantian will be massacred.

He will also be killed by most of the black armored cavalry here.

He can see from the eyes of the black armored cavalry army that even if there is only one soldier left, he will not be killed by him. The rout of the massacre, these black-armored cavalry are all dead soldiers.

"Ha ha.....! Wanfeng!"Yao Yue laughed when she heard Yan Nantian's words, and she shouted directly to Wan Feng, the commander of the Black Armored Cavalry Corps,

"Princess!"

"Order your army to retreat five miles outside Xiuyu Valley."

"Yes, Princess!"

The black-armored cavalry regiment began to retreat under Yao Yue's order.

This made the people here very puzzled. Yao Yue did not use the army to kill Yan Nantian. They all guessed that Yao Yue had her own dignity. , Yao Yue is going to have a life-and-death showdown with Yan Nantian.

Yao Yue is indeed a strange woman of her generation.

Just because of Yao Yue's courage, the people here admire her very much.

Outside Xiuyu Valley,

Ming Yuexin looked at the sky. Yao Yue said to herself in admiration, "That bastard woman is indeed not an ordinary person. Yao Yue, I do underestimate you."

Ming Yuexin originally thought that Yao Yue was going to use the army to kill Yan Nantian. After all, Yao Yue's cultivation level was not as good as Yan Nantian's, but she didn't expect that Yao Yue would appear and order the army to retreat outside Xiuyu Valley.

This made her look at Yao Yue. I feel that she underestimated Yao Yue.

At this moment, Bai Feifei, Ning Yuxi, and An Biru also praised Yao Yue very much. Such a woman is the real strange woman, and Yao Yue of Yihua Palace is indeed well-deserved.

Today Yao Yue will die after losing to Yan Nantian, and

Yao Yue from Yihua Palace will also become famous all over the world.

A great master who dares to face the land gods in the heaven and human realm to invite battle has already made the world's Jianghu people very admire, not to mention Yao Yue did not use her status as a royal concubine to order the army to surround and kill Yan Nantian

"Yao Yue, I admire your magnanimity. You are indeed a wonderful woman." Yan Nantian looked at Yao Yue and nodded in praise.

He did not expect that Yao Yue was actually the imperial concubine of the Xuantian Empire.

It was just that Yao Yue asked the army to withdraw.

This made Yan Nantian very surprised when he looked at Yao Yue.

However,

Jianghu people do not need the help of the imperial army to solve Jianghu affairs. Yan Nantian also admires Yaoyue very much because Yao Yue can fight him to the death as a Jianghu person.

Yan Nantian continued,

"However, I have to avenge my sworn brother Jiang Feng. I have killed all the remaining people in the Twelve Stars. Now you and your Yihua Palace are the only ones left. You'd better ask your sister Lianxing to come too. You No one is my opponent"

"I am enough for one person!"

At this time,

Ming Yuexin also took a step forward and came to the side of Yan Nantian and Yao Yue.

She looked at Yao Yue and said with a cold face,"Yao Yue, are you too arrogant? What if you add me?"

Yao Yue was not surprised at all when she saw Ming Yue Xin coming.

After all, Su Chen offended Ming Yue Xin to death last night. Ming Yue Xin would definitely not let go of Su Chen who bullied her.

Yao Yue said with a smile on her cold face,"Ming Yuexin, do you also want to get involved in this matter? You don't want to go back to being a seven-leaf lotus, do you?"

"Where's that bastard? Let him come out quickly, or you will be dead this time."Ming Yuexin was very angry when she heard Yao Yue's words.

She was very unwilling to have the Seven-leaf Lotus taken away by that bastard, and she would never let go of the bastard's humiliation to her. Yan Nantian looked at it He was very surprised when the Celestial Realm appeared. He had not sensed the arrival of the Celestial Realm land gods just now. Could it be that this Celestial Realm woman was higher than his cultivation level? It just seemed that this Celestial Realm woman The woman also had a grudge against Yao Yue, and even this woman in the heavenly realm was still suffering at the hands of Yao Yue. This made Yan Nantian look at Yao Yue and start to take her seriously. In Yihua Palace, Su Chen held Lian Xing in his arms. After seeing Ming Yue Xin appear, she was very helpless,"That little girl Ming Yue Xin did appear.

"

"Husband, shall I deal with Mingyue Xin?"Lianxing smiled when she heard Su Chen's words.

She also knew about Su Chen teasing Ming Yue Xin last night, but now it's her sister's life and death battle between Yu Yue and Yan Nantian. Lian Xing doesn't want anyone to disturb her at this time. To invite the moon

"It's better for me to deal with that little bitch. You and the Shadow Team should be careful that someone else comes to attack Yao Yue."

## Chapter 1073

Su Chen looked at Ming Yue Xin in the sky and thought,

Ming Yue Xin could not be the only one coming from the Qinglong Society this time. Gong Ziyu was suspicious. He ordered Ming Yue Xin to come and kill Yao Yue and Lian Xing this time. There must be something else secretly there. layout.

Su Chen will not underestimate Gong Ziyu, a very smart person. Gong Ziyu has the ability to re-establish the Qinglong Society after the previous generation of Qinglong Society fell apart. This is not something that ordinary people can do. Although there was help from Bai Xiaosheng, the leader of the three dragons of the previous generation of Qinglong Society, Gong Ziyu's ability was also obvious to all. Lianxing leaned into Su Chen's arms and asked doubtfully,"Husband, are you worried that someone from the Qinglong Society is hiding here?" Su Chen touched Lianxing's pretty face and nodded.

"This possibility cannot be ruled out. That little old man Gong Ziyu is a very careful person. With his suspicious character and careful mind, it is impossible for him to send just one dragon head

here. After all, you and Yao Yue are my women. Gong Ziyu has no choice but to deal with you. Be careful again and again"

"Um! I understand, I will take the Shadow Team to pay attention to my sister's battle."Lianxing said hurriedly after hearing Su Chen's words.

She is also worried that when Yao Yue and Yan Nantian are fighting, Yao Yue will be attacked by people from the Qinglong Society.

She is not worried about her sister Yao Yue's fighting with Yan Nantian.

If When her sister was fighting against Yan Nantian with all her strength, she was attacked by someone. This would probably make Yaoyue unable to resist, and she might even be killed by the masters of the Qinglong Society who attacked her. This was not what Lianxing wanted to see.

Over the Xiuyu Valley,

Mingyue's heart was in her heart. After waiting for a while but not seeing the bastard appear, she angrily yelled at Yaoyue,"Yaoyue, why doesn't that bastard come out? Is he scared?"

Yao Yue glanced at Ming Yue Xin and said mockingly,"You can't wait to see him so much? Could it be that what he did to you last night made you fall in love?"

"Damn it, are you looking for death?"Ming Yuexin's face became hot when she heard Yao Yue's words. She burst out with powerful aura and pressure and wanted to kill Yao Yue first.

That bastard kicked her PG last night, and

Yao Yue also saw it.

And An Biru and Zhu Yiwu would have known that they would have killed An Biru and Zhu Yiyi last night. She did not want such a shameful thing to be spread.

The people outside Xiuyu Valley were now confused.

They They didn't expect that another powerful woman would appear, and the aura erupted from this woman's body was even more powerful than Yan Nantian's. This made everyone here very surprised. This was another powerful master of the Heavenly Realm.

And it seems that she also has a grudge against Yihua Palace.

But who is the bastard this powerful woman is talking about? This makes the people here unable to guess.

Xiao Yuer laughed when he saw another enemy of Yihua Palace appearing. Come to think of it, Yihua Palace Yaoyue and Lianxing are destined to die this time. Two masters of the heavenly realm have come to Yihua Palace to seek revenge. Yihua Palace is going to be destroyed this time.

Bai Feifei and Ning Yuxi , An Biru, and the others changed their expressions when they saw the powerful woman appearing.

Bai Feifei and Ning Yuxi were worried about Yao Yue and Su Chen. Yan Nantian, who was originally in the heavenly realm, made them worry that Yao Yue would not be Yan Nantian's. Opponent.

Now there is another enemy of the terrestrial immortal in the heavenly realm.

And it is also the enemy of Yihua Palace.

This makes Bai Feifei and Ning Yuxi want to go to help Yao Yue immediately.

But Su Chen and Lian Xing have not appeared yet. They She could only hold on to her thoughts of helping Yao Yue.

An Biru's expression changed when she saw Ming Yue Xin appeared, but!

She was not worried about Su Chen and Yao Yue, after all, Su Chen teased Ming Yue Xin last night.

Su Although Chen's strength is not as strong as Ming Yue Xin's, that bastard's teleportation ability is very powerful. No matter how strong Ming Yue Xin's strength is, he can't do anything to that bastard.

And on a big tree outside Xiuyu Valley, a man in black and masked Hidden here, she looked motionless at Yao Yue in the sky, but the cold light in her eyes was enough to kill Yao Yue with one blow.

But after Ming Yue Xin appeared, she also looked at Ming Yue Xin with a cold light in her eyes. He also had murderous intentions towards Ming Yue Xin, which even surpassed the murderous intention to kill Yao Yue at one time.

"Ming Yue Xin, Gong Ziyu is mine, you are just a good-for-nothing woman, you will be completely disgusted by Gong Ziyu after this incident, and I will kill you with my own hands when you are disgusted by Gong Ziyu."

At this moment,

Ming Yue Xin in the sky has murderous intentions towards Yao Yue, but Yao Yue doesn't even look at Ming Yue Xin.

Although Ming Yue Xin wants to kill her, she is not worried at all.

Yao Yue only has Yan Nantian in her eyes now , this time she is fighting Yan Nantian in a life and death battle. She will not be distracted by Ming Yue Xin. Yao Yue also knows that Su Chen will not let her be disturbed behind enemy lines.

"Damn it, Yaoyue, you are looking for death!"Ming Yue Xin saw that Yao Yue didn't care about her threat at all, and even treated her as if she didn't exist, which made Ming Yue Xin even more angry.

Suddenly,

Su Chen appeared next to Ming Yue Xin and said teasingly,"Ming Yue Xin, you Has the scar healed and the pain forgotten?"

"Asshole, you finally showed up."

When Ming Yuexin heard Su Chen's words, she hurriedly dodged and fled.

She was worried that the bastard would kick her unexpectedly again, but she was very helpless with this bastard's teleportation ability.

"Ming Yuexin, do you miss me that much?"

"Go to hell!"

Boom!

Su Chen saw Ming Yuexin attacking him with a palm.

He hurriedly teleported away and yelled, "What the hell, Ming Yuexin, is this your meeting gift?"

Ming Yue Xin saw this bastard dodged her attack again.

After she blasted a hill out of a big crater with one palm,

Ming Yue Xin looked at Su Chen and her face was livid.

This bastard's reaction ability was too fast. She If you can't keep up with this bastard, I'm afraid there's still nothing you can do against this bastard today.

Yan Nantian is very confused now.

He's here to kill Yao Yue and Lian Xing today. Why are things happening one after another? He was very surprised when a terrestrial fairy woman from the human realm appeared, but then an ordinary person with no strength appeared.

Uh!

Can ordinary people stand in the air?

Can ordinary people avoid attacks from the heavenly realm?

Yan Nantian can't Sensing any internal fluctuations in Su Chen, how did this man do it? Does this young man have any level of cultivation? Yan Nantian has not noticed it until now. Yao

Yue saw Su Chen entangled with Mingyue Xin , she said coldly to Yan Nantian,"Yan Nantian, no one will bother us now, aren't you going to kill me? Now you can do it"

"kill!"

Chapter 1074

When Yan Nantian heard Yao Yue's words, he pulled out his long sword and struck at Yao Yue.

With the sword out, a powerful and earth-shattering killing intent enveloped Yao Yue.

Yan Nantian's sword moves are unparalleled in the world, and he is unparalleled in dominance. His earth-shattering Divine Sword Technique can be said to be the only one that can be used. Once it is released, it is an earth-shattering killing move.

"Transfer flowers and jade!"

Boom, boom, boom!

Yao Yue's expression changed when she saw Yan Nantian take action.

Yan Nantian is indeed the sword god Yan Nantian.

It's just a random move that has such killing power. This makes Yao Yue also treat Yan Nantian Nantian didn't dare to be careless.

Yao Yue directly used Huahua Jade to deflect Yan Nantian's attack to the side. After she deflected Yan Nantian's attack, Yan Nantian's sword struck directly on the mountain of Xiuyu Valley, a piece of rock. It was immediately smashed to pieces by Yan Nantian.

"Divine Sword Jue, Kuai Zi Jue!"

When Yan Nantian saw that Yao Yue had moved his attack, he began to take it seriously.

Divine Sword Technique [Quickly] , 【slow】 , 【attack】 , 【Guard】 The four key points, nameless and shocking, killing people and destroying things ten feet away This is the supreme sword art that Yan Nantian realized. Even the Divine Sword Art was once considered a king-level sword art.

"The phantom is unreal!"

Yao Yue dodged when she saw Yan Nantian's shocking attack.

She immediately transformed into three clones. Each of the clones was exactly the same as Yao Yue. Every one of Yao Yue was stunningly beautiful. Even Lai Qing Leng's expressions were exactly the same.

Boom boom boom!

What secret technique is this?

How could a clone appear?

Or is Yao Yue too fast? These are all illusory shadows?

Yan Nantian saw Yao Yue dodge his attack again, and even Yaoyue also transformed into three clones, which made Yan Nantian wonder whether these clones were real or illusory.

"Transfer flowers and jade!"

Yao Yue and the three clones surrounded Yan Nantian and shouted at the same time.

The virtual clones that Yao Yue is using are the phantoms improved by Jellyfish Yinji and Madam Ye Di using the king-level transformed clones of the Shadow Assassin. Six Illusions, this is almost an emperor-level martial arts. If you practice to the highest level, you can create six illusory clones.

These illusory clones have half the strength of the original body, but they will collapse after being attacked.

This The shortcomings of Jellyfish Yinji and the others have not been solved yet. As long as this shortcoming is eliminated, Phantom Six Phantom will be a truly royal level martial arts technique.

"Divine Sword Technique, Word Keeping Technique!"

Boom boom boom boom.....

The four Yao Yues attacking Xiang Yan Nantian together were thrilling, and their powerful palm techniques even shattered a mountaintop into pieces.

Although Yan Nantian blocked Yao Yue's attack, he was still shocked by Yao Yue's attack. He felt that those illusory clones also had attack power.

Yan Nantian had no hope that he could kill Yao Yue this time.

He did not expect that Yao Yue had practiced other superior techniques besides the Mingyu Technique. Such techniques should also be the most powerful among the king-level techniques.

While Yao Yue and Yan Nantian were fighting,

Su Chen and Mingyue Xin were much more peaceful here. Except for the fact that they were fighting at the beginning, now they were both looking at each other in the air.

Su Chen saw that Ming Yue Xin did not attack him, and he was too lazy to fight Ming Yue Xin.

As long as Ming Yue Xin did not disturb the battle between Yao Yue and Yan Nantian, Su Chen thought it would be good to look at the beautiful Ming Yue Xin like this, especially since Ming Yue Xin was constantly The change of expression made Su Chen almost laugh when he saw it.

Ming Yuexin is very helpless now.

She has tried many times but can't keep up with the speed of this bastard. Her face is very ugly now. All the dignified celestial beings can't defeat this bastard. This is what makes Ming Yuexin look like this. Sometimes it turns white and sometimes it turns black.

Ming Yuexin asked Su Chen with a gloomy face, "What level of cultivation are you at? Why didn't I feel any fluctuations in your internal energy?"

Ming Yuexin didn't feel any internal fluctuations in Su Chen's body now.

Last night She could still tell that this bastard was a great master, but today this bastard was just like an ordinary person, with no internal energy fluctuations at all. He even felt like an ordinary person from him.

"I'm just an ordinary, ordinary person." Su Chen looked at Ming Yuexin and smiled and said,

Su Chen is currently using the Sixth Form of the Navy.

The combination of Moon Step and Shave can allow Su Chen to stay in the air.

Su Chen also doesn't want to let the Jianghu people here know. With his level of cultivation, from now on the Yin people will be counted one by one. When

Mingyue Xin heard Su Chen's words, her angry eyes were about to burst into flames.

Damn you bastard!

Is it possible that he is an ordinary person?

Is there any ordinary person who can make her helpless in the Heavenly Realm?

Moreover, this bastard is standing in the air without any internal energy fluctuations. This makes Ming Yuexin very wary of this bastard.

"Damn it, you dare to tease me? Go to hell!"

Ming Yuexin can't stand this bastard anymore. This bastard is a shameless person. What kind of ordinary person is he? Was this bastard's cultivation realm eaten by this bastard last night? When

Su Chen saw Ming Yuexin wave her palms and attacked him, he dodged Ming Yue Xin's attack with one foot in the air.

After Su Chen dodged Ming Yue Xin's attack, he was ready to fight back.

Su Chen was not a character who couldn't fight back, although this time he wouldn't. Maybe he would kick Ming Yue Xin's PG in front of so many people in the world, but he also wanted to let Ming Yue Xin know how powerful he was.

"Finger Gun [Ten Finger Gun]"

Su Chen directly used the Ten Finger Gun from the pirate Gabra to attack Mingyue Xin.

He also improved the Ten Finger Gun.

Now the Ten Finger Gun is like a pistol for long-distance attacks, unlike the Pirates' Ten Finger Gun. Riga doesn't close in to attack the enemy.

Swish, swish, swish....

Ming Yuexin saw Su Chen's fingers pretending to be white light and wanted to dodge, but Su Chen's attack was too fast. Before Ming Yuexin could dodge, Su Chen's attack had already hit her side.  
bump bump bump bump.....

Um?

Ming Yue Xin didn't expect that Su Chen's attack didn't even break through her body-protecting evil spirit.

This made Ming Yue Xin look at Su Chen and feel that this bastard was teasing her.

Is Su Chen's ability to attack like this?

Was she tickling her?

Can't even break through her body-protecting evil spirit?

How is this possible?

Su Chen also looked at Ming Yuexin in confusion.

He rubbed his eyes and found that nothing happened to Ming Yuexin, which made Su Chen's face darken.

He did not expect that the finger gun in the Sixth Marine Style could not even break through Ming Yue Xin's body-protecting evil spirit. Skills like the Sixth Marine Style were considered useless in the world of mixed martial arts. Apart from dealing with some small minions, the Sixth Marine Style was probably useless. It is of no use against people with strong cultivation realms.

Seeing Ming Yuexin's puzzled expression, Su Chen hurriedly said awkwardly, "That.....I just made a little joke, do you believe it?"

Ming Yuexin glared at Su Chen angrily and yelled, "Go away, you bastard, are you humiliating me?"

I'm so fucking humiliated!

How do I know that the Sixth Marine Style is so ineffective against powerful people?

It's useless! It's useless!

Izaya can only use the Sixth Marine Style to show off.

## Chapter 1075

Outside Xiuyu Valley, the Jianghu people here were very shocked when they saw the two pairs of people fighting in the air, especially the three clones transformed by Yao Yue. This made the Jianghu people here almost scream in surprise.

With the ultimate strength of the Grand Master, Yao Yue was able to fight on a par with Yan Nantian, which already surprised the people here.

But after Yao Yue used the Six Phantoms, everyone here felt that it would be impossible for Yan Nantian to kill Yao Yue this time.

This Phantom Six Fantasy seems to the Jianghu people here to be a powerful king-level skill. It is probably impossible for Yao Yue Yan Nantian to defeat Yao Yue with king-level skills.

After all, the power of skills is sometimes more effective than strength. There are many examples of people who kill people beyond their level in the world. Those who use the power of skills can kill enemies who are stronger than them.

The battle between Su Chen and Ming Yue Xin made it difficult for the people here to understand.

Ming Yue Xin was a terrestrial immortal in the heavenly realm, but Su Chen didn't have any strength at all?

This made thousands of people here feel incredible, but they didn't think Su Chen was a person without strength.

Is it possible to stand in the air without a state of cultivation?

Don't you have the strength to dodge attacks from the Heavenly Realm?

After Ming Yue Xin and Su Chen started fighting, everyone here felt that Ming Yue Xin and Su Chen were flirting. They even thought that Ming Yue Xin came to find Su Chen after Su Chen was confused and finally abandoned Ming Yue Xin. To settle the score, it's not like they are fighting a life and death battle.

"That shameless pervert is messing with beautiful women again." Bai Feifei looked at Su Chen in the air with a dark face and cursed angrily.

She had been paying attention to the battle between Su Chen and Ming Yue Xin.

That bastard Su Chen had been avoiding Ming Yue Xin's attack at the beginning and did not fight back.

How about that bastard? It's easy to fight back, but is such an attack tickling Ming Yue Xin?

Su Chen's attack seems powerful, but it can't even break through Ming Yue Xin's body-protecting evil spirit.

Is this an attack?

Ning Yuxi looked at it Su Chen was also very speechless.

She didn't understand why Su Chen didn't take Ming Yue Xin seriously.

Now she heard Bai Feifei's words and understood.

That bastard Su Chen was sympathetic to her. Even as Bai Feifei said, that bastard fell in love with Mingyue. She was heartbroken.

An Biru was helplessly watching the battle in the air, but her current skills were blocked by Ning Yuxi, so she could not see clearly the battle in the air.

She did not understand the battle between Yao Yue and Yan Nantian. She couldn't clearly see the battle between them.

She could see the battle on Su Chen's side clearly, but was Su Chen really fighting to the death with Ming Yue Xin?

How could Su Chen and Ming Yue Xin keep chatting ? Get up? Is it possible to rest for a while before fighting in a life-and-death battle?

An Biru thinks Bai Feifei is right, Su Chen is a shameless pervert, and that bastard must have taken a liking to Ming Yue Xin.

Otherwise, with that bastard's strength, he was You can kill Ming Yuexin without anyone noticing at night.

Su Ying was very interested in watching the battle in the air, especially when she saw how powerful Yao Yue was, which made her even more impressed.

Su Ying now She regards Yao Yue as her idol. She will also follow Yao Yue as an example in the future. She will also be a strange woman in Tianxuan Continent, and even surpass her idol Yao Yue in the future.

But when she looked at Su Chen, Zou raised his eyebrows.

Who is this man who came out of Yihua Palace?

Why can an ordinary person with no internal strength appear in the air out of thin air?

Could it be that this man has hidden his cultivation realm?

But now that he appears in the air, she is not allowed to Discovering a trace of internal energy fluctuation, how did this man do it?

Xiao Yu'er was very anxious now. He did not expect that Yan Nantian's strength in the Heavenly Realm could not kill Yao Yue for so long. This made Xiao Yu'er now She was very worried that Yan Nantian couldn't kill Yao Yue.

Tie Xinlan, who was next to Xiao Yu'er, didn't think much.

She just watched the battle in the air and didn't care who would win in the end. Like Xiao Bai, Tie Xinlan didn't notice that Xiao Yu'er next to her looked ugly. Look.

In the air of Xiuyu Valley, the battle between Yao Yue and Yan Nantian was very fierce. The mountains around Xiuyu Valley were pitted by them, and even a mountain top was flattened by their battle.

Bump!

Yao Yue's again An illusory clone was broken up by Yan Nantian.

This was already more than a dozen illusory clones of Yao Yue that Yan Nantian had broken up. However, after Yao Yue's illusory clone was broken up, she would create another illusory clone. This cycle continues. This makes Yan Nantian very uncomfortable. Yan Nantian is now fighting four Yao Yues. Although the other three Yao Yues are not very strong, Yao Yue's Mingyu

Kung Fu is very good.

[Conquer hardness with softness] , 【The skill of "Post-strike" can even restrain and deflect the enemy's martial arts. Many of his attacks were bounced and moved elsewhere by the illusory clones.

This made Yan Nantian very helpless and angry.

After Yao Yue re-imagined a dispersed clone, she took out the long sword from the space ring. She could no longer fight like this. If she could create clones without limit, her internal energy would be consumed. Very fast.

Although Mingyue Kung Fu can replenish internal energy endlessly, it cannot be as fast as it is consumed.

After Yao Yue took out her blue blood shining sword, the other three clones also had the same blue blood shining sword in their hands.

After Yao Yue recalled her clones, the three clones stood with her in the air and looked at Yan Nantian coldly, "Yan Nantian, let's fight to the death. I only use one sword. Life or death depends on your fate."

Yan Nantian looked at Yao Yue in the sky and said expressionlessly, "Yao Yue, although you are very powerful, you can't kill me with just one sword."

Yao Yue looked at people still beside her and Mingyue. Su Chen, who was heartbroken, smiled and said,

"Yeah? This sword technique of mine was taught to me by my husband, and I have never used it against an enemy. Yan Nantian, today I will let you know that my sword technique is more powerful than my palm technique."

Yan Nantian laughed disdainfully when he heard Yao Yue's words and said, "Haha! I am the sword god Yan Nantian, and you actually said that your swordsmanship is powerful. This is really his biggest joke."

After the Jianghu people outside Xiuyu Valley heard what Yao Yue said, they didn't believe that Yao Yue could kill Yan Nantian with one sword.

But they also heard that Yao Yue's sword skills were more powerful than her palm skills. This was Everyone here is very surprised.

The Mingyu Gong practiced by Yao Yue is very powerful, especially the transfer of flowers and jade in Mingyu Gong. With the help of strength, it can move any martial arts, and even rebound any martial arts. Martial arts.

Such a powerful technique is not Yao Yue's most powerful attack.

Is Yao Yue's sword technique really stronger than palm technique?

And Yao Yue said that this sword technique was taught by her husband.

Could it be that Xuantian Empire Is the emperor a master of swordsmanship?

Yao Yue asked with a rare serious expression on her cold face, "You will know in a moment if this is a joke, Yan Nantian, do you dare to take a blow from me?"

Although Yan Nantian guessed that Yao Yue's sword might not be simple, his pride as a sword god did not allow him to back down, "It doesn't matter if I take your sword, Yao Yue, just come here."

"good! My name is [Slaying Ghosts and Gods]! Yan Nantian, you will die if you can't catch it, so be careful."

## Chapter 1076

The Ghost-Slaying God Sword Technique is one of Su Chen's four major sword techniques. The Ghost-Slaying God-Slaying Technique, which is released from the system gift pack, can be used as a secondary move without the Dragon-Slaying Sword, and there is no need to expend a huge amount of energy to use the Ghost-Slaying God-Slaying Technique. Sword tactics.

At this moment, the people around her, even Su Chenhe and Mingyue Xin, were looking at Yao Yue.

The unrivaled Yao Yue stood in the air with a cold face, and the three illusory clones around her were also the same as Yao Yue.

The three illusory clones were wearing the same white dresses as Yao Yue. Their beautiful faces all had a cold look, and their bulging figures were exactly the same as Yao Yue's body.

If you don't know this, you might think that Yao Yue has three identical sisters.

I'll do it!

Yao Yue is going to go against the grain!

Phantom Six Phantom Yao Yue actually cultivated three illusory clones. If Yao Yue and the three illusory clones used the Ghost Slaying Sword Technique together, could Yan Nantian be able to block such power?

Su Chen was very surprised when he saw the three illusory clones beside Yao Yue, especially since the three illusory clones and Yao Yue were almost carved out of the same mold. This made Su Chen's eyes flash when he looked at Yao Yue.

Invite the moon?

Three illusory clones of Yueyue?

Su Chen touched his chin and smiled excitedly.

These were not quadruplets.

Although there was a quadruplet in his shadow team, they were still Mei Lan Zhuju, the maid of Tianshan Child Elder Wu Xingyun. but!

Su Chen was fascinated by Yao Yue's quadruplets who were not quadruplets. They had exactly the same jagged figure, the same beautiful face, and the same cold expression.

This is more like quadruplets than Mei, Lan, Zhuju and the others.

At this time, Ming Yuexin was very shocked.

She had been thinking about how to deal with that hateful bastard Su Chen, and she didn't even notice Yao Yue's current state. Now she saw the three clones beside Yao Yue. To her great surprise,

"How can this be? How could Yao Yue create three imaginary clones?"

Su Chen folded his arms and shook his head and mocked, "Oh, what a fuss, you are just a stupid woman."

"Are you looking for death? asshole!" Ming Yue Xin was very angry when she heard Su Chen's words. Will this bastard die if he doesn't laugh at her for a while?

What kind of stupidity?

Ming Yue Xin belongs to her heart and obeys the words of the person she likes.

This damn shameless bastard will Don't know how to use words?

Su Chen continued to ask,"Ming Yuexin, do you think Gong Ziyu trusts you very much?"

Ming Yuexin looked happy and replied arrogantly,"Of course, I am Gongziyu's woman. If Gongziyu doesn't trust me, will he trust you, a bastard?"

Su Chen looked at Ming Yuexin and said seductively,"Oh! That means that this time you came to assassinate Yao Yue and Lian Xing on Gong Ziyu's order. Will Gong Ziyu send other dragon heads from the Blue Dragon Society?"

Su Chen could see that Ming Yue Xin was still a virgin.

How could Ming Yue Xin be Gong Zi Yu's woman?

However!

In the original drama, Ming Yue Xin was indeed Gong Zi Yu's wife, but why hasn't Ming Yue Xin lost her virginity yet? Could it be? Is Gong Ziyu aging prematurely because of excessive use of his brain? Isn't it possible that he can't get enough of a peerless beauty like Ming Yue Xin?

Su Chen thought about it and decided to save Ming Yue Xin from the Qinglong Society, ahem!

Although he was also greedy for Ming Yue Xin,

But as long as Ming Yue Xin is dealt with this time, the secret of the Blue Dragon Society will no longer be a secret to him.

"good!"

"Ming Yue Xin, how about we make a bet!"

"Um? What to bet on?"

Su Chen saw that Mingyue Xin was about to take the bait and continued,

"If Gong Ziyu of the Qinglong Club does not send other dragon heads or even other masters of the Qinglong Club to come this time, even if you win, I will fight you openly and openly, and I will not use teleportation."

"Do you keep your word?"

Ming Yuexin's eyes lit up when she heard Su Chen's words.

Su Chen's teleportation left her helpless. If this bastard loses the bet with her, and this bastard doesn't have to use that disgusting teleportation in the future, Ming Yuexin should kill this bastard. It was very easy.

Su Chen immediately patted his chest and said with a vow, "Of course, a gentleman's words can't be followed by a horse.""

"What if I lose the bet?" Ming Yue was very happy when she saw Su Chen's promise, but she thought about this bastard's bet and what he would ask of her? This made Ming Yue worried and continued to ask Su Chen, Su

Chen pretended to be lewd. He looked Ming Yuexin up and down, and said with a malicious smile, "Hey! You should understand what I would do?"

"Shameless, you shameless pervert!" Ming Yuexin saw Su Chen looking like a pervert and disgusted. She was so angry that she wanted to kill this shameless pervert immediately.

Su Chen didn't pay attention to Ming Yuexin's insults.

This little girl Ming Yuexin is scolding me happily now, but she will be there in the future. When she feels uncomfortable, Su Chen's eighteen kinds of torture must be tried over and over again by Ming Yue Xin.

"Bet or not? Ming Yuexin, aren't you Gong Ziyu's woman? Don't you believe Gong Ziyu's trust in you?"

"I bet, you shameless pervert, I hope you won't admit it if you lose."

"each other! each other! I also hope you won't deny it if you lose. My one hundred and first concubine will be you from now on."

"Shameless pervert, I haven't lost yet, you bastard is overthinking"

"Hahaha....."

Su Chen laughed when he saw Ming Yuexin agreeing.

Although Su Chen was not sure whether Gong Ziyu would send other dragon heads and masters from the Blue Dragon Society, what could Ming Yuexin do to him even if he lost and regretted it?

Su Chen also didn't believe that Ming Yue Xin would fulfill the bet if he lost. He also wanted to leave a deep impression on Ming Yue Xin this time, so that he would get twice the result with half the effort if he attacked Ming Yue Xin in the future.

Ming Yuexin blushed very much when she saw Su Chen laughing.

She never thought that she would agree to this bastard's shameless bet. Although she knew that she would definitely win this time, such a bet made her still Feeling very ashamed and angry.

But at this moment, on the big tree outside Xiuyu Valley, the masked woman in black saw Ming Yue Xin talking to Su Chen in the sky. Ming Yue Xin actually blushed and even acted like a shy woman.

This made her very angry.

Ming Yuexin actually fell in love with someone else?

The masked woman in black had cold eyes and wanted to immediately kill Ming Yue Xin for betraying Gong Zi Yu, but when she thought about this mission, she looked at Yao Yue in the sky again.

Yao Yue and Lian Xing are her top priorities.

She must complete the tasks assigned to her by Gong Ziyu.

That little bitch Ming Yue Xin will let her live one more day.

After the masked woman in black made a gesture to the side, she activated her skills and prepared to kill Yaoyue in the air of Xiuyu Valley with one blow.

Over the Xiuyu Valley,

Yao Yue saw that Yan Nantian promised to take her sword.

She immediately raised the green blood-shining painting sword in her hand, and the three illusory clones also raised the green blood-shining painting sword in their hands at the same time. An identical Yao Yue used his skills at the same time to prepare to launch the Ghost Slaying God Sword Technique.

Chapter 1077

Outside Xiuyu Valley, the people around Jianghu saw that the final battle was about to begin. They opened their eyes wide and prepared to see who would win in the end, Yao Yue or Yan Nantian.

Can the sword god Yan Nantian kill Yao Yue?

Or can the one who invites the moon kill Yan Nantian?

Boom boom boom boom.....

When Yao Yue and the three illusory clones began to gather their skills to kill Yan Nantian, bursts of roaring sounds appeared in the sky above Xiuyu Valley. Although the Ghost Slaying Divine Sword

Technique had not yet been used, the heaven and earth phenomena of the Imperial Level Sword Technique had already begun. Revealed.

Yan Nantian saw that before Yao Yue launched a sword move, a strange phenomenon of heaven and earth appeared in the sky above Xiuyu Valley. This made him very surprised.

He looked at Yao Yue and hurriedly gathered the attack power of the wedding dress magic skill. He wanted to use the magic power of the wedding dress. The most powerful move of the sword technique is used to kill Yao Yue.

Yao Yue's momentum is getting stronger and stronger now, and

Yan Nantian is very cautious about the sword technique used by Yao Yue this time.

When the people in the surrounding arena saw that Yao Yue and Yan Nantian were about to unleash powerful moves at the same time, they all hurriedly retreated.

The strong momentum of Yao Yue and Yan Nantian made them, the Jianghu people, feel that they would be affected if they stayed here. The Jianghu people here did not want to be accidentally killed by the battle between Yao Yue and Yan Nantian.

Yao Yue's cold face held up the blue blood-shine sword and locked it with Queen Yan Nan, and then she said,

"The righteousness of heaven and earth will last forever! Not seeking to kill immortals, but killing ghosts and gods!"

At this time, Yao Yue's three illusory clones also recited the sword formula for killing ghosts and gods together with Yao Yue.

"The righteousness of heaven and earth will last forever! Not seeking to kill immortals, but killing ghosts and gods!"

After the four identical Yaoyues recited the formula of the Ghost-Slaying Divine Sword Art at the same time, they quickly slashed at Yan Nantian with their blue-blooded swords.

"cut! ghost! god!"

Boom boom boom boom.....

The four sword lights burst out with powerful light like sword blades and struck Yan Nantian in an instant.

The Ghost-Slaying Divine Sword Technique is the most powerful and powerful sword technique.

Using the Demon-Slaying Sword Technique can replace attack with defense and move forward indomitably!

Powerful.

When a sword is used, it carries with it the unruly and disobedient spirit that has existed since ancient times. It shows no respect for heaven and earth, no worship of ghosts and gods

, and looks down upon the world. If it does not kill the enemy, it will not flinch even if it is shattered into pieces.

In the sky above Xiuyu Valley, after Yao Yue and three illusory clones burst out with the Ghost-Slaying Divine Sword Technique, the sky above the entire Xiuyu Valley also darkened.

Four sword rays struck Yan Nantian in the air like lightning. It was like a divine attack. Just like killing all the evil spirits in the world, Yan Nantian must be killed

" 【Quick】 【Slow】 【Attack】 【Defense】 The four tactics are combined into one, kill!" When Yan Nantian saw Yao Yue's attack, he hurriedly used the most powerful move of the Divine Sword Technique.

He was very frightened by Yao Yue now.

He was very clear about the power of the Ghost Slaying Divine Sword Technique.

At this time, he wanted to There is no way to escape.

Yan Nantian, who is locked by the Ghost-Slaying Sword Art, cannot escape.

After the sword lights of Yao Yue and the three illusory clones merged into one, the powerful sword intent that Yan Nantian burst out has not yet combined with the sword light. The sword light that burst out from Yao Yue completely collapsed when it met.

Boom boom boom boom.....

After a loud noise, the sky above Xiuyu Valley gradually became brighter, and Yao Yue was left alone in the sky. Three illusory clones disappeared from beside her, and Yan Nantian disappeared from the sky..

The surrounding rivers and lakes looked at the scene in Xiuyu Valley in stunned silence.

From the sky where Yan Nantian stood to the hill below, a huge deep ditch appeared in the eyes of all the people in the rivers and lakes. This deep ditch was wider than the average small river. , even the hill below Yan Nantian was split into two.

"Damn it, it's too scary. Why is Yao Yue so powerful?"

"More than scary, this is simply unprecedented horror"

"Yaoyue's sword technique is indeed more powerful than her palm technique. Is this still sword technique? Yaoyue's swordsmanship is just like that of a god"

"hiss! Yao Yue is going to be invincible. Now Yao Yue is not in the Celestial Realm yet, but she is so powerful. If Yao Yue is promoted to the Celestial Realm, I am afraid that Yao Yue will also be the most powerful being in the Celestial Realm."

"Where is Yan Nantian? Will the sword god Yan Nantian be dead?"

"There was no way Yan Nantian could survive, and no one could survive such a terrifying swordsmanship."

The Jianghu people in Xiuyu Valley all looked at the huge ravine carved by Yao Yue with pale faces. They all started talking in horror.

In the air,

Yao Yue also put away her sword with a pale face.

Her current internal strength was also consumed very much, otherwise her illusory clone would not have disappeared. However!

Yan Nantian was still killed by her.

The sword god Yan Nantian ended up with no body left this time.

She can't blame her for this. Yan

Nantian, who is stubborn, strong and arrogant, is coming to kill her this time.

Naturally, Yao Yue cannot let go of Yan Nantian who wants to kill her.

Outside Xiuyu Valley,

Bai Feifei and Ning Yuxi are here Their faces were flushed. They had lost a bet with Su Chen. Thinking of that bastard Su Chen's malicious expression, they were very worried about what rude demands the bastard would make.

Su Chen was a lustful and shameless person.

If Su Chen's request was unacceptable to them.

Should the two of them break the bet?

Or should they obey that bastard?

Over the Xiuyu Valley,

Su Chen and Ming Yuexin also looked at Yao Yue in shock.

This time Yao Yue made a mistake. Su Chen was very surprised.

Yao Yue and her illusory clone used the Ghost-Slaying Sword Technique. Such power was something even Su Chen could not imagine.

Su Chen twitched the corner of his mouth when he looked at the huge deep groove in Xiuyu Valley. , Yao Yue's power made Su Chen very worried that he would not be able to defeat her in the future.

Su Chen originally wanted to try playing with Yao Yue's illusory clone, but this time he did not dare to mention it to Yao Yue. For such a request, I'm afraid Yao Yue will be severely punished. Have a meal for yourself.

Ming Yuexin was very shocked.

She might not be able to resist a sword technique like Yao Yue's.

Only Gong Ziyu in the late Tianren realm could block such a powerful sword technique attack. However, even if Gong Ziyu could block it, I'm afraid Gong Ziyu would not be able to resist it. Yu will also be seriously injured

"Uncle Yan! Uncle Yan!....."Xiao Yu'er reacted from the shock and hurriedly screamed and ran towards the deep ditch cut by Yao Yue.

He was now worried that Yan Nantian would be killed by Yao Yue.

Yan Nantian was Xiao Yu'er's only support.

Valley of the Evil Those evil people are all dead, if Yan Nantian dies again.

It is probably impossible for Xiao Yu'er to let go of the people he has offended over the years. He is just a little scumbag in the Xiantian realm. The enemies he has offended over the years are all very powerful. He has offended both masters and grand master enemies.

Tie Xinlan saw Xiao Yu'er running towards Xiuyu Valley crazily.

She frowned and hurriedly followed.

Although Tie Xinlan was also a scumbag in terms of strength, Xiao Yu'er had saved her after all, so she wouldn't look at her. Xiao Yu'er was killed by people from Yihua Palace. Although it was silly and foolish, she did not regret doing so.

## Chapter 1078

Outside Xiuyu Valley, thousands of people in the Jianghu fell silent after discussing. Although they speculated that Yan Nantian could not survive Yao Yue's powerful sword technique, they also wanted to confirm whether Yan Nantian was true. He died like this without any bones left.

Just when everyone in the world was looking at Xiao Yu'er running towards Xiuyu Valley, a black shadow quickly rushed towards Yao Yue in the air, and the aura erupted from this black shadow was at the cultivation level of the Heavenly Realm.

In this black shadow When Ying moved quickly, the Jianghu people affected by her aura vomited blood and fell to the ground. There were even some Jianghu people with low strength who were directly killed by her aura.

When the shadow attacked and assassinated Yao Yue,

Lian Xing from Yihua Palace had been alert to her surroundings.

She had heard from Su Chen that Ming Yuexin could not be the only master who would come to the Qinglong Conference this time. When this shadow appeared, At that moment, Lian Xing hurriedly appeared and attacked the black shadow.

"court death! Transfer flowers and jade!"

Bang! Boom!

Cough cough cough.....

Although Lianxing blocked the man in black from assassinating Yao Yue, she was also knocked away.

Lianxing coughed up blood after breaking several big trees and looked at the man in black who was stopped by her. Lianxing's strength She was not as good as this assassin in black. If it weren't for the king-level skill Mingyu Gong she practiced, she would have been killed by this assassin in black this time.

"act recklessly!"The woman in black saw Lianxing stopping her sneak attack, which made her look at Lianxing who was knocked away by her and taunted

"Come on, kill Lian Xing!"

"yes!"

Under the order of the woman in black, more than ten powerful Grand Master masters appeared outside Xiuyu Valley. These Grand Masters quickly killed Lianxing one by one. The woman in black was not in a hurry to kill Yaoyue at this time. Yue is now in her possession. No one here is her opponent.

She looked at Yao Yue and said arrogantly,"Yao Yue, you are dead this time. No one can save you.""

"Oh, I don't think so."Yao Yue smiled when she heard the words of the woman in black and said,

"Um? You are so brazen even when you are about to die, Yao Yue, what other means do you have to stop me from killing you?"

"Look behind you and tell me if you can kill me. Hahaha....."

"Behind you?"

When the woman in black heard Yao Yue's words, she immediately turned around.

At this time,

Su Chen, who had appeared behind the woman in black, kicked the woman in black quickly and shouted,

"Let's go!"

Touch!

Whoosh!

Su Chen kicked the woman in black away with one kick. He was not merciful with this kick. I am afraid that the woman in black will be completely swollen by Su Chen's kick. At this time, Ming Yuexin's face was very expression Angry, she had been confused since the appearance of this veiled woman in black.

She knew who this veiled woman was. It turned out that Gong Ziyu had never trusted her.

Ming Yuexin thought of the previous tasks and guessed why she let go Will those women and children she passed by be killed after she left?

At that time, she thought it was those enemies, but now she understands that

Gongziyu sent people to follow her secretly in all the tasks she did before. Those women and children she let go They were also killed by those from the Gongzi Yu faction.

Ming Yuexin said to herself sadly,

"Since you don't trust me? Why do I still pretend to say that I did a good job and lived up to his expectations?"

"Since you never trusted me? Why do you still need to take me out from Tangmen?"

"Am I just a tool in your hands?"

"Still a poor tool that is doubted and even trusted."

Ming Yue's heart is filled with despair now.

She has always been deeply in love with Gong Ziyu and didn't mind Gong Zi Yu's old face at all. She even filled her hands with blood and tried her best to do things like murder and arson for Gong Zi Yu.

But in the end, she was just A tool of Gong Ziyu was even a tool that could not be trusted.

At this moment, after Su Chen kicked her away, the veiled woman in black vomited a mouthful of blood, and she looked at Su Chen in the air with shame and anger.

She didn't She didn't even notice that this person came to her, and even this bastard kicked her PG? Now she felt that her PG was swollen, which showed that the bastard showed no mercy at all.

"Are you okay?" Su Chen didn't look at the woman in black clothes and veil. He looked at Yaoyue's pale face and asked with concern,

"I'm fine, I'm just exhausted." Yao Yue looked at Su Chen and smiled and said, if it weren't for the large number of people here, she would have wanted to rest in Su Chen's arms to recover.

Seeing Yao Yue's lack of energy, Su Chen said angrily, "You idiot, why don't you eat Zhu Guo? Didn't I tell you that you should eat a red fruit as soon as possible after using the Demon Slayer Sword Technique?"

Yao Yue saw Su Chen's angry look and hurriedly smiled and said, "Hahaha! With you and Lianxing here, I don't want to waste a Zhu Guo."

Yao Yue really doesn't want to waste a red fruit.

A red fruit can create a master or a great master.

Although she has five red fruits given by Su Chen in her hand, the maid in her Yihua Palace is very strong. There were thousands of maids from Yihua Palace, and Yao Yue wanted to make those maids stronger.

When Su Chen heard Yao Yue's words, he was speechless and said, "I have plenty of Zhu Guo, eat one quickly, I don't want anything to happen to you."

He knows what Yao Yue wants to do with those red fruits, but is this more important than Yao Yue's safety?

He can get the red fruits every month, and even after the spiritual fruit tree under the hibiscus tree begins to bloom and bear fruit, the heaven and earth spiritual fruits He will have inexhaustible supplies from now on

"I see!"

Yao Yue didn't want Su Chen to worry.

After she saw Lian Xing being injured, she also decided to eat a red fruit to restore her internal strength. The female assassin who sneaked up on her was a terrestrial immortal in the realm of heaven, even more powerful than Yan Nantian was even stronger, and she was also worried that Su Chen and Lian Xing would not be able to deal with this female assassin.

After the black-clothed and veiled woman quickly arrived next to Su Chen and Yao Yue, she looked at the masked Su Chen and asked angrily road,

"who are you?"

This shameless bastard dared to kick her PG, which made her very angry.

She has never been bullied like this in her whole life. No man has even been so close to her body, not even Gong Ziyu, whom she likes. Pass her hand.

This damn bastard, she must cut this bastard into pieces this time.

Su Chen turned to look at the woman in black and veiled and guessed, "Baiyunxuan of Tianxiang Valley? The five dragon heads of the Blue Dragon Society?"

"You actually know me?"

The woman in black clothes and veil did not expect that Su Chen would guess her identity.

This surprised her very much.

Only Gong Ziyu in the Qinglong Club knew her identity. Even that old bastard Bai Xiaosheng also knew her identity. How could this bastard know her true identity if he only knew a little bit?

"Sure enough, it's you, Bai Yunxuan, who has a deep love for Gong Ziyu. You are so infatuated with Gong Ziyu, even more stupid than Ming Yue Xin. What's so good about that little old man Gong Ziyu? He will make such a proud woman like you and Ming Yuexin fall in love with him."

Chapter 1079

Su Chen did not expect that Bai Yunxuan would come this time. In the Qinglong Club,

Su Chen thought that the cruel and ruthless leader of the Four Dragons, Xiao Siwu, would come this time. However, Su Chen did not expect Bai Yunxuan's appearance.

There are three women among the seven dragon heads of the Qinglong Society, and they are all more beautiful than the last. Ming Yuexin, Bai Yunxuan, and Zhi'er, who is extremely accomplished in casting and puppetry.

"who are you?"

Bai Yunxuan asked in shock when she heard Su Chen's words.

She didn't expect that this bastard knew her so well. He even knew that she liked Gong Ziyu. Only Bai Xiaosheng in the Qinglong Club could tell that she liked her. Gong Ziyu, but this was the first time she had met this bastard. How could he know her so well?

Su Chen looked at Bai Yunxuan expressionlessly and replied, "It doesn't matter who I am, Bai Yunxuan, you can leave."

Bai Yunxuan looked at Su Chen and sneered, "Tsk!" This time I'm here to kill Yao Yue and Lian Xing. I won't leave until they both die."

"You can't kill them"

"Just you?"

"Just me!"

"Do you think you can stop me from killing Yao Yue and Lian Xing?"

"Ha ha! Bai Yunxuan, if you are not afraid of being seen by all the Jianghu people here and I kick you away again, can you try?"

"Inglorious bastard, I'll kill you!"

Bai Yunxuan heard Su Chen's shameless words and attacked Su Chen angrily. She wanted to tear this damn bastard into pieces.

Boom!

When Su Chen saw Bai Yunxuan's attack, he quickly teleported and disappeared. The same place.

Bang bang bang!

After Su Chen teleported behind Bai Yunxuan and patted her shoulder, he hurriedly teleported to the side again.

He wanted to warn Bai Yunxuan this time, if he hadn't been free now To deal with the affairs of the Qinglong Club, he will not let Bai Yunxuan leave this time.

Moreover, keeping Bai Yunxuan in the Qinglong Club will also gain a lot.

Su Chen plans to let the shadow assassin secretly monitor Bai Yunxuan. Bai Yunxuan at least He is also a person whom Gong Ziyu trusts more. Monitoring Bai Yunxuan may yield unexpected gains, and he may even be able to find out where the Qinglong Society is hiding and where other dragon heads are hiding.

"Um? Damn bastard." Bai Yunxuan was patted on the shoulder a few times by Su Chen and disappeared in a flash.

She didn't expect that Su Chen would be so fast. No wonder Ming Yuexin couldn't do anything against this bastard. It seemed that she had wronged Ming Yuexin just now.

Su Chen did not expect that Bai Yunxuan did not turn around and attack him, and even frightened Bai Yunxuan and fled away.

This made Su Chen feel that it was unnecessary for him to escape from Bai Yunxuan.

At this time, more than ten great masters of the Qinglong Society quickly They were about to kill Lian Xing, but just when they were about to kill Lian Xing, six beautiful women suddenly appeared in front of them and blocked their way.

"Transfer flowers and jade!"

"The sword rules the world!"

"Yi swordsmanship!"

After Qin Mengyao, Hua Yuenu and the other girls appeared in front of these Qinglonghui assassins, they started to use powerful moves to attack these Qinglonghui assassins one by one without any nonsense.

Boom boom boom boom.....

Although there are more than a dozen Grand Masters in the Qing Dragon Society, they are generally masters in the early stage of Grand Masters. These Grand Masters in the Qing Dragon Society have no power to fight back against Qin Mengyao and the girls.

At this time,

Bai Feifei and Ning Yuxi arrived, and even An Biru, whose acupoints were unlocked by Ning Yuxi, also arrived. Bai

Feifei and the others were originally going to rescue Lian Xing from Yihua Palace, but they didn't expect that six powerful people would appear. The beautiful women stopped these Qinglonghui assassins. Bai Feifei and the others looked at each other and took action against the Qinglonghui assassins.

The people outside Xiuyu Valley are all confused now. The life and death battle between Yao Yue and Yan Nantian has been full of twists and turns, and now there are three land gods in the heavenly realm.

Although Yan Nantian might have been killed by Yao Yue from Yihua Palace, there were still land gods from the Heavenly Realm who tried to assassinate Yao Yue.

What force did Yihua Palace offend?

Why are there people who are constantly being assassinated by land gods in the heavenly realm?

"What force wants to assassinate Yao Yue of Yihua Palace? Yao Yue is the princess of the Xuantian Empire, isn't that force afraid of angering the Xuantian Empire?"

"hiss! Now that two celestial realm land gods have appeared, that force seems not to be underestimated. I wonder if there will be other celestial realm land gods appearing?"

"It's so terrible. Are the land gods in the heavenly realm worthless now? Why are all the terrestrial gods from the heavenly realm popping up?"

"yes! In the past, we probably would never see a land immortal in the heaven and human realm. Now there are three land gods in the heaven and human realm in Xiuyu Valley. Is there something big going on in heaven and earth?"

"We are just little people, we can't control these things, but who is that masked man? He just kicked the PG of the female assassin in the Celestial Realm. That man is probably very powerful."

"fart! That man has no inner strength at all!"

"Damn it, you have inner strength, can you kick a terrestrial god in the heavenly realm with one kick?"

"Forehead! That man must have hidden his level of cultivation, and he must also be a powerful land immortal in the Heavenly Realm."

"hiss! So there are four land gods in the heavenly realm here?"

The rivers and lakes outside Xiuyu Valley started talking.

I am afraid that today's scene will be rare for them to encounter in their lifetime.

Three, no!

Four land gods in the heaven and human realm appeared.

This is an unprecedented scene.

At this time,

Su Chen looked at Bai Yunxuan who was fleeing and said mockingly, "Bai Yunxuan, aren't you very arrogant? So what are you hiding from?"

"shameless bastard!"

Bai Yunxuan looked at Su Chen with anger and wanted to peel off this bastard's skin.

She was also very scared of Su Chen now.

This bastard moved too fast. If this bastard kicked him again in front of everyone in the world, Fei her, I'm afraid she really won't have the face to see anyone in the future, and she won't even have the face to see Gong Ziyu again in the future. After all, she was so insulted by this bastard.

Even if she sees Gong Ziyu in the future, she will feel that her body is unclean.

And At this time,

Ming Yuexin suddenly appeared next to Su Chen. She looked at Bai Yunxuan and said to Su Chen expressionlessly, "What if Bai Yunxuan and I join forces? Do you think you can deal with us two land gods in the heavenly realm?"

Damn it!

Didn't Ming Yuexin hear what she just said?

Bai Yunxuan likes Gong Ziyu, but you are rivals in love!

Why does Ming Yuexin want to join hands with Bai Yunxuan now? Did she just tell them that Are all those words in vain? Does Ming Yuexin not care at all about Gong Ziyu's distrust of her?

Su Chen looked at Ming Yuexin and threatened, "Ming Yuexin, please stop causing trouble here, or my bet will cost you." Strip naked in public"

"You shameless pervert, I'm going to kill you"

"What the hell!"

Chapter 1080

Ming Yuexin didn't really want to help Bai Yunxuan kill Su Chen this time.

She heard what Su Chen said, but she didn't expect that Bai Yunxuan would be deeply devoted to Gongzi Yu.

She didn't notice it at all in the Qinglong Club.

It seemed that Gong Ziyu and Bai Yunxuan had been treating her like a fool.

Ming Yuexin originally wanted Su Chen to use the bet she had just lost, so that she would not only repay Su Chen's bet, but also not help this hateful woman Bai Yunxuan. She had planned this to kill two birds with one stone.

But she didn't expect that such a bastard such as Su Chen would say such shameless words.

This made Ming Yuexin couldn't help but take action against Su Chen.

Boom boom boom boom.....

Ming Yuexin kept attacking Su Chen and that bastard. She kept chasing him no matter where he was hiding. If she didn't hurt the bastard this time, she would probably continue to be angry.

"go to hell!"

When Bai Yunxuan saw this situation, she flew towards Su Chen and attacked.

She is more interested in killing Su Chen than killing Yaoyue. This damn bastard kicked her PG in public. She is In order to be innocent, he had to kill this bastard first.

Su Chen was very depressed at this time.

While avoiding the attacks of Bai Yunxuan and Ming Yue Xin, he waved to Yao Yue to tell her not to get involved. Ming Yue Xin and Bai Yun Xin Although they are all land gods in the heavenly realm, it is probably very difficult for them to kill themselves.

Su Chen has full mental strength now.

He can predict any attack in Xiuyu Valley in advance.

Su Chen's teleportation Not that Bai Yunxuan and Ming Yue Xin could catch up. As long as Su Chen, who had teleportation, was not imprisoned by a powerful master, he could easily avoid the attacks of Ming Yue Xin and Bai Yun Xuan.

Yao Yue was helpless when she saw Su Chen's gestures. She shook her head.

She guessed that this bastard was going to tease Ming Yuexin and Bai Yunxuan.

She knew all of Su Chen's abilities. Although Su Chen's strength was not very good, his ability to escape was the best in the world. I'm afraid no one in Xuan Continent can catch this bastard.

Yao Yue didn't bother to pay attention to what Su Chen was going to do.

She was going to see Lian Xing's injury.

Lian Xing was beaten with all his strength by a land god in the middle stage of the Heavenly Realm. With one palm, although Lianxing's Mingyu Skill diverted part of the attack power, the powerful attack from the Heavenly Realm is not something Lianxing can bear now. Xiuyu Valley was badly damaged today. It was originally full of spring flowers and the scenery was blooming everywhere. The pleasant Xiuyu Valley is now in a state of dilapidation, with potholes everywhere, and even several hills are broken and about to fall. In the air at this time,

Su Chen was either hiding behind Ming Yuexin or hurriedly teleporting to Baiyunxuan Behind them, Ming Yuexin and Bai Yunxuan didn't care about each other's life or death at all. They still launched a powerful attack on Su Chen.

Su Chen teleported behind Bai Yunxuan at this time.

He smiled strangely when he saw Ming Yuexin not stopping. Laughed.

Boom!

Ming Yue Xin's attack did not care about Bai Yunxuan's life or death. She directly hit Bai Yunxuan and Su Chen with a palm.

Bai Yunxuan saw Ming Yue Xin's attack and hurriedly resisted it.

"Mingyue Xin, how dare you attack me?"

When Ming Yuexin saw Su Chen running away again, she rolled her eyes at Bai Yunxuan and said, "Bai Yunxuan, didn't you also take action against me?"

Bai Yunxuan saw that Ming Yuexin attacked her and felt confident. This made her look at Ming Yuexin and taunted, "You stone girl, no wonder Gongzi Yu doesn't like you. It's your fault that Gongzi Yu doesn't trust you all the time."

Bai Yunxuan has learned something about Ming Yue Xin.

Although Ming Yue Xin and Gong Zi Yu are husband and wife, they have never lived together. They have always lived in different places.

Even when Ming Yue Xin and Gong Zi Yu were together , they didn't even hold hands.

Later,

Bai Yunxuan asked some noble ladies what the situation was.

It turned out that there was a stone girl in the world. Although

Ming Yuexin liked Gongzi Yu,

Her body was very repulsive.

After Bai Yunxuan received the analysis from the noble ladies, she understood that there was something wrong with Ming Yue Xin's body. This made Bai Yunxuan very excited when she got the news.

Ming Yue Xin listened. When she arrived at Bai Yunxuan, she was very confused,

Stone Girl?

What is this?

Although Ming Yuexin didn't know why Bai Yunxuan called herself Stone Girl, she knew when she saw Bai Yunxuan's mocking expression that it must be a curse word.

Ming Yuexin originally She thought it was Bai Yunxuan's fault that Gong Ziyu didn't trust her. Now she was insulted by Bai Yunxuan again, which made Ming Yuexin take action against Bai Yunxuan angrily.

"Bai Yunxuan, you stupid woman is looking for death!"

Boom!

After Ming Yue Xin quickly struck Bai Yun Xin with a palm,

Bai Yun Xuan had already been on guard against Ming Yue Xin.

At the same time, she also attacked Ming Yue Xin with a palm. The two powerful land gods in the middle stage of the Celestial Realm were in full swing. The fight started.

This was even more intense than the battle they had just fought to kill Su Chen.

You slapped me and I punched you.

Every attack they made carried the aura of destruction.

The fighting between Ming Yuexin and Bai Yunxuan became more and more intense. The more intense it became, their speed was so fast that those Jianghu people with low cultivation levels could not see clearly at all. Most of the Jianghu people here could only look at the white and black shadows that kept flashing in the sky.

"I'll do it! Such a love rival is a true love rival. Are love rivals who will join forces still love rivals?"

Su Chen saw Ming Yuexin and Bai Yunxuan fighting, which reassured him.

He hoped that Ming Yuexin and Bai Yunxuan would kill both sides, so that the crisis in Yihua Palace would be resolved, and they could be captured first. Ming Yuexin, let go of another bait Bai Yunxuan, and it will be very easy to destroy Qinglonghui in the future.

As for why he wanted to capture Ming Yue Xin and let Bai Yunxuan go, this is just that Su Chen thinks Ming Yue Xin is more beautiful and mature than Bai Yunxuan.

Ming Yue Xin, with her body bulging forward and backward, is more attractive than the slightly childish Bai Yun Xuan.

Ming Yue Xin and Bai Yun Xuan fought without mercy in the air.

After fighting for a quarter of an hour, both

Ming Yue Xin and Bai Yun Xuan were both Injured, there was almost no difference in strength between them, and in this battle they both used deadly strikes.

Ming Yue Xin spit out a few mouthfuls of blood due to Bai Yun Xuan's palm, while Bai Yun Xuan Yu felt uncomfortable, she was kicked by Ming Yue Xin The kick was serious, and there was even a

footprint of Mingyue Xin left on her chest. The veil she was wearing was stained red by the blood spurting from her mouth.

Bai Yunxuan's expression became very serious when he saw the footprints on his chest. It was so ugly that she suddenly thought about being kicked by Su Chen. She was now worried that there was a footprint on the back of her dress. If there was really a footprint on the back of her dress, she might be seeking death.

Yao Yue brought Lian Xing to Su Chen and asked in confusion, "Why did they kill each other?"

"They are love rivals! It can even be said that they are enemies of life and death. Ming Yuexin and Bai Yunxuan now want to kill each other."
