Chapter 1081

Su Chen checked Lianxing's injuries and felt relieved.

He looked at Ming Yuexin and Bai Yunxuan fighting in the air and shook his head. Ming Yuexin and Bai Yunxuan would probably fight to the death in the future.

From today on, they will definitely continue to fight like this.

Gong Ziyu is really good at dealing with women, and he can make Ming Yuexin and Bai Yunxuan surrender to his control.

Gong Ziyu is also really cunning.

In the plot, although Gong Ziyu pretended to be innocent and did not kill anyone, his actions killed many people. How could such a villain be cleared in the end?

Su Chen was very confused when he saw the final plot.

In the end, the villain actually left without incident.

Gongzi Yu returned to the mountains and forests?

What kind of fucking bullshit plot is this?

The screenwriter is simply a complete imbecile.

Fu Hongxue in the plot is also a complete fool. He was chased and assassinated by Gong Ziyu for so long, but in the end he didn't have the motivation to kill Gong Ziyu. Was he kidding?

At this time, Gong Ziyu might not live long, but is it really okay to just let a complete villain go?

Su Chen thought that Fu Hongxue and Gong Ziyu had no intersection in the mixed martial arts world, but he was still very angry when he thought about it.

It seemed that Hua Baifeng would have to beat up her son Fu Hongxue's idiot more in the future.

Just when Su Chen was thinking about the plot of Tianya Mingyue Knife,

Yaoyue suddenly discovered that Xiao Yuer was hiding from Yu Bo in the battle between Mingyue Xin and Bai Yunxuan everywhere in Xiuyu Valley.

She looked at Xiao Yu'er with murderous intent.

Xiao Yu'er had joined the anti-Soviet alliance, so it was impossible for Yao Yue to keep this reckless Xiao Yu'er. but!

She thought that Xiao Yu'er was Hua Wuque's twin brother after all, and

Hua Wuque was the child she raised.

Yao Yue also didn't want Hua Wuque to hate her for killing Xiao Yu'er.

Yao Yue's eyes flashed with murderous intent and she said to Su Chen, "Husband, look, that one should be Xiao Yu'er."

"Little fish? A fool who doesn't know the heights of heaven and earth. Madam, please let Hua Wuque give Xiao Yu'er a ride. After all, they are twin brothers."

Su Chen looked at Xiao Yu'er in Xiuyu Valley and didn't care at all.

A Xiao Yu'er who was causing trouble everywhere and with low cultivation level made Su Chen look down on him very much. Even after Xiao Yu'er joined the anti-Soviet alliance, he didn't care. I never cared about it that much.

Now that the villains in the Valley of the Evil and Yan Nantian are dead, with Xiao Yu'er's ability to cause trouble, even if he doesn't kill Xiao Yu'er,

Xiao Yu'er's enemies won't be able to let him go.

"Um!"

Yao Yue's eyes lit up when she heard Su Chen's words, and asked Hua Wuque to kill Xiao Yu'er, so that she wouldn't have to be embarrassed.

Hua Wuque knew exactly what Xiao Yu'er had done, and she also believed that Hua Wuque would kill Xiao Yu'er in the end. I will definitely kill Xiao Yu'er with my own hands.

Yao Yue pulled Lian Xing and smiled and said, "I will take Lian Xing back to Yihua Palace, and then let Hua Wuque come over and kill Xiao Yu'er."

"Husband, be careful!"

Lianxing nodded gently to Su Chen and said.

Su Chen took out three red fruits from the system space and handed them to Lianxing, "I will be careful. You and your sister will eat one after you return to Yihua Palace. Zhu Guo, don't delay your injury"

"hehe! I know!"

After Yao Yue flew back to the Flower Palace with Lian Xing,

Su Chen's eyes lit up when she looked at Ming Yue Xin and Bai Yun Xuan who were still fighting fiercely.

Now Ming Yue Xin and Bai Yun Xuan are in a very embarrassed state. The clothes are now very torn, and patches of snow-white skin are exposed. The blood matches the sad and beautiful looks of the two girls, Ming Yue Xin and Bai Yun Xuan. Their current sad and beautiful looks are very attractive. In the sky of Xiuyu Valley,

Ming Yue Xin and Bai Yun Xuan The battle between Bai Yunxuan and Bai Yunxuan has become fierce now. Both women are seriously injured now, but they have no intention of stopping at all. It seems that they are determined not to give up until they kill each other.

Boom!

Ming Yuexin and Bai Yunxuan quickly exchanged words with each other again. After a slap in the face, both women fell from the air while vomiting blood.

Puff!

Cough cough cough!

"Mingyue Xin, you are dead this time, Gong Ziyu will only like me from now on." Bai Yunxuan stood up from the ground. She took off her veil and wiped the blood from the corner of her mouth before shouting fiercely,

"Feel free to come over here!" Ming Yuexin adjusted her revealing dress and said expressionlessly.

She has given up on Gong Ziyu, but!

Bai Yunxuan's attitude made her very unhappy.

Ming Yuexin doesn't mind stimulating Bai Yunxuan, just when she was very angry when she saw that bastard Su Chen leisurely watching her and Bai Yunxuan fight to death. Ming Yuexin originally wanted this bastard to use her lost bet, but she never thought that she would be plotted by this bastard..Damn bastard, she will never honor that bet again.

"Die!"

"kill!"

Boom boom boom.....

Ming Yuexin and Bai Yunxuan started fighting again quickly.

The two women's fast figures kept attacking each other. Rocks and dust flew up around them. The people outside Xiuyu Valley could not see Ming Yuexin and Bai Yun at all now. Xuan's battle situation

"It's time to deal with these two stupid women, otherwise they will be in trouble if both of them die." Su Chen saw Ming Yuexin and Bai Yunxuan fighting fiercely in the air, regardless of life and death, and shook his head and said,

Whoosh!

Su Chen instantly moved to Ming Yuexin and Bai Yunxuan. When they were all concentrating on dealing with each other, Su Chen quickly tapping their acupuncture points, in the frightened eyes of Ming Yuexin and Bai Yunxuan,

Su Chen hugged them and disappeared into Xiuyu Valley.

In Xiuyu Valley, as Su Chen disappeared with Ming Yuexin and Bai Yunxuan, Xiu Chen The sound of fighting in the Jade Valley also disappeared, and the people here didn't know what happened. It was just that the dust was flying everywhere in the Xiuyu Valley, and they couldn't see clearly what was going on inside. At this time

,

Qin Mengyao's women and the Bai Feifei and the others also killed those Qing Dragon Society assassins. More than ten Grand Master Qing Dragon Society assassins were quickly killed by these women without even escaping.

After killing these Qing Dragon Society assassins,

Qin Mengyao and the other girls looked at Bai Feifei and Ning Yuxi and An Biru were very confused. They had never seen these women before, but why did they help Yihua Palace? Are these women also related to Su Chen?

"who are you?"

Qin Mengyao looked at Bai Feifei and asked with a frown.

Bai Feifei turned her head aside when she heard Qin Mengyao's words.

Her identity is very embarrassing.

The relationship between that bastard Su Chen and her mother is complicated.

How should she answer Qin Mengyao's words?

Could it be that she is Bai Jing's daughter?

Then who is Su Chen's?

Adopted daughter?

Pfft!

Bai Feifei wanted to kill that bastard when he thought of this.

How could she have an adoptive father who was one or two years older than her?

What if Qin Mengyao's daughter After knowing that I am Bai Jing's daughter, I'm afraid they will look at me very strangely.

"Su Chen's friend." Ning Yuxi saw that Bai Feifei had no intention of answering, so she opened her mouth and said to Qin Mengyao,

"Um? Thank you very much this time. Since you are friends of the young master, then come with us to Yihua Palace."

Chapter 1082

Qin Mengyao nodded when she heard Ning Yuxi's words.

She knew Su Chen's romantic nature. These three women were all beautiful beauties. Qin Mengyao thought that the relationship between these women and Su Chen might not be clear, and there might even be Su Chen's woman among them.

When Qin Mengyao and the other girls took Ning Yuxi and the others and flew towards Yihua Palace, the entire Xiuyu Valley became completely quiet.

When the dust in Xiuyu Valley dissipated, everyone here found that there was no one in Xiuyu Valley. No one was there, the two terrifying women disappeared, and even the masked man in the sky disappeared without knowing when. oh!

No!

There are two people in Xiuyu Valley.

A man is looking for something in Xiuyu Valley, and there is a beautiful woman who is walking towards that man in Xiuyu Valley.

"Where are people? What about those two beautiful and powerful women? Why are they all gone?"

"Yes, there is also the masked man in the sky. When did he disappear?"

"Could it be that the masked man captured those two terrifying women?"

"Um? It is possible that those two terrifying women were both seriously injured, and the masked man must have taken the opportunity to capture those two powerful women."

"Who do you think that masked man is? What is his relationship with Yaoyue and Lianxing of Yihua Palace?"

"It's unclear, but that powerful masked man must be a strong man sent by Xuantian Empire, otherwise, he would not be able to help Yihua Palace"

"Yihua Palace has become famous all over the world after what happened today. Yao Yue was able to kill Yan Nantian in the Heavenly Realm with the strength of a great master. From now on, Yihua Palace will be the top power in the world."

The Jianghu people here saw that Ming Yuexin and Bai Yunxuan were no longer in Xiuyu Valley, and even Su Chen had disappeared.

They all started talking one by one.

The Jianghu people here today were eye-opening, although the final battle was a bit anticlimax, but what I saw and heard today made the Jianghu people here not come in vain.

Four land gods from the heaven and human realm appeared!

Yan Nantian from the heaven and human realm was killed by the peerless and graceful Yao Yue with a sword! The mysterious masked man!

The assassination of Yao Yue by two beautiful beauties in the Heavenly Realm!

These made the people here worthwhile, and they even kept excitedly recounting everything they saw today.

When night fell,

Xiuyu Valley The Jianghu people outside also retreated.

At this time, the Black Armored Cavalry Legion arrived. After the arrival of the 50,000 Black Armored Cavalry Legion, they set up camp in the open space outside Xiuyu Valley. The Black Armored Cavalry Legion did not receive an order to retreat. They were It was impossible to leave Xiuyu Valley.

In Yihua Palace,

Yaoyue nodded after seeing the girls brought by Qin Mengyao.

She knew about these girls.

Zhu Qiqi, who was still in seclusion, had told her about Bai Feifei beforehand. The matter with Ning Yuxi.

As for the charming and beautiful woman An Biru,

Yao Yue didn't care.

A great master's later cultivation state would not be able to make any big waves in Yihua Palace.

In a luxurious room in Yihua Palace ,

Yao Yue and Qin Mengyao and other women were sitting together drinking tea.

Yao Yue did not treat Qin Mengyao and the other girls like servants. Except for Hua Yue Nu and Hua Xing Nu who were the maids of Yihua Palace, there were few other women here. I'm afraid the girl might be taken in by that bastard Su Chen in the future.

When Qin Mengyao saw that it was getting late and Su Chen hadn't come back yet, she worriedly said to Yao Yue, "Madam, will something happen to the young master?"

Yao Yue shook her head while drinking tea and said,

"Don't worry, Su Chen may have other plans for those two women. The Qinglong Society will have to deal with them sooner or later. However, the Qinglong Society is very mysterious. It may be difficult to find the dragon heads of the Qinglong Society. Su Chen may use those two. A woman came to find out where the Azure Dragon Society was hiding."

Bai Feifei next to her curled her lips when she heard Yao Yue's words and said, "That bastard must have fallen in love with Ming Yue Xin and Bai Yunxuan. Master Yao Yue, are you going to ignore your husband?"

"Bai Feifei, you can ask your mother Bai Jing to take care of that bastard!" Yao Yue looked at Bai Feifei and smiled strangely and said,

"I.....you....." Bai Feifei looked embarrassed and panicked and didn't know what to say. She didn't expect Yao Yue to say this, which made Bai Feifei very embarrassed when she looked at the others.

"Bai Jing? Bai Feifei? Are you actually Bai Jing's daughter?" Qin Mengyao looked at Bai Feifei and exclaimed.

Qin Mengyao knew about Bai Jing's existence.

Bai Jing was currently practicing in seclusion in Xuanniao Palace, and the relationship between Bai Jing and Su Chen was unclear. She had guessed that Bai Jing I'm afraid they are the same as those women in Jellyfish Yinji.

Otherwise, how could Bai Jing be allowed to practice in the Fusang Tree Garden?

You must know that the Fusang Tree Garden is now a holy land for cultivation. The Fusang Tree Garden is rich in spiritual energy. Every day when practicing in it, There have been huge changes, and the level of cultivation has skyrocketed like a rocket. If

Qin Mengyao and her shadow team had not had a mission, they would have been practicing in seclusion in the hibiscus tree garden.

At this time,

Fu Junzhuo and the other girls looked at Bai Feifei. It's weird.

They also know about Bai Jing's situation. This Bai Feifei is about the same age as Su Chen. If Su Chen and Bai Jing get together in the future, won't Su Chen have an extra daughter who is about the same age as him?

Uh!

Su Chen seems to have a son who is about the same age,

Fu Hongxue!

Hua Baifeng is Su Chen's wife now, so shouldn't Hua Baifeng's adopted son Fu Hongxue be called Su Chen's adoptive father? A Fu Hongxue who is older than Su Chen, from now on they It would be very embarrassing if they met.

Ning Yuxi and An Biru were confused when they saw other women looking at Bai Feifei's strange eyes.

They didn't understand why Bai Feifei was embarrassed when they just mentioned Bai Feifei's mother ? Why were other women embarrassed?

Looking at Bai Feifei strangely?

Yao Yue broke the temporary calm and said, "Okay, everyone is tired today. I have asked someone to arrange a room for you. You all go and rest.""

Yao Yue also saw that the atmosphere here was very embarrassing now.

She didn't want to worry about Bai Feifei's affairs.

From now on, it was Su Chen and Bai Feijing's responsibility to worry about. She also didn't want Bai Feifei to feel uncomfortable here.

Qin Mengyao and Bai Feifei They nodded when they heard Yao Yue's words. Under the leadership of the maid from Yihua Palace, they all went to their rooms to rest. In

Xiuyu Valley,

Hua Wuque had already caught Xiao Yu'er and Tie Xinlan. After Yu'er and Tie Xinlan were brought to a small river not far from Xiuyu Valley, he unlocked their acupoints

"Come out, you've been following me all this way." Hua Wuque untied Xiao Yu'er and Tie Xinlan's acupuncture points and looked behind him.

Xiao Yu'er and Tie Xinlan had just moved their bodies when they heard Hua Wuque's words. They hurriedly looked behind to know who was there. Follow Hua Wuque.

At this time, a woman in white slowly walked out of the darkness,"The young master of Yihua Palace is really not simple."

"Who are you?"

"Su Ying!"

Chapter 1083

After Hua Wuque caught Xiao Yu'er and Tie Xinlan, he sensed that a woman had been following him, but the woman never showed any malice, and Hua Wuque did not kill her.

Hua Wuque frowned and asked Su Ying,"Su Ying? Why do you keep following us?"

"I have a relationship with Xiao Yu'er and Tie Xinlan. I want to know how you want to treat them."Su Ying looked at Xiao Yu'er and Tie Xinlan and said with a sweet smile.

Although Su Ying was not worried about Xiao Yu'er's safety, she couldn't care less about Tie Xinlan.

Xiuyugu Tie Xinlan came to Yihua Palace this time to take care of her. Following her all the way, if Hua Wuque killed Xiao Yu'er and Tie Xinlan, she would take action to save Tie Xinlan, a kind-hearted woman. When

Hua Wuque heard Su Ying's words, he nodded and said,"So that's it! Don't worry, Xiao Yu'er is my younger brother, I won't kill them"

"younger brother? No wonder you look so similar."Su Ying was very surprised when she heard Hua Wuque's words.

She didn't expect that Hua Wuque, the young master of Yihua Palace, and Xiao Yu'er were brothers. No wonder they looked very familiar.

If Xiao Yu'er hadn't looked like They looked like scoundrels, and Su Ying probably couldn't tell who they were.

Tie Xinlan was also very surprised.

She looked at Hua Wuque and then at Xiao Yu'er.

They did look very similar, but their temperaments were too different. , one was wearing gorgeous clothes like a handsome young man, and the other was wearing rustic coarse linen clothes like a little gangster.

The gap between their brothers was too big.

Xiao Yuer pointed at Hua Wuque angrily and shouted, "We are not Brother, I am not your brother either. Hua Wuque, my parents were killed by Yao Yue and Lian Xing from Yihua Palace. Not only did you not take revenge, you even considered the thief as your father. I, Xiao Yuer, don't have a brother like you."

"Xiao Yu'er, my father and mother were killed by Twelve Stars. How can you say that it was Aunt Yaoyue and Lianxing who killed them?"

"I don't believe that my father and mother were killed in Xiuyu Valley. Xiuyu Valley is a forbidden area of Yihua Palace. Without Yaoyue and Lianxing's permission, would Twelve Stars dare to kill our parents in Xiuyu Valley?"

"Xiao Yu'er, I have investigated clearly what happened back then. The Twelve Constellations did not enter Xiuyu Valley to kill our parents at all. Our parents were also killed outside Xiuyu Valley. These were father's bookboy Jiang Biehe who wanted to swallow them up. His father's family property colluded with the twelve constellations to kill people and seize wealth."

"Hua Wuque, you are the young palace master of Yihua Palace. Do you think I will believe you? Besides, if Yao Yue and the others hadn't killed our parents, why would Uncle Yan come to kill Yao Yue to avenge our parents?"

Xiao Yu'er was very unkind to Hua Wuque.

He grew up suffering in the Valley of the Wicked, but Hua Wuque actually grew up in Yihua Palace with no worries about food and clothing, and even became the famous Young Palace Master of Yihua Palace. Brother, why does he have to suffer?

Hua Wuque can have good food and clothing?

Hua Wuque looked at Xiao Yu'er and explained helplessly,

"It was the evil people in the Valley of Evil who tricked Yan Nantian into killing my aunt Yaoyue. In order to return to the world, they used Yan Nantian's power to suppress the people in the world who wanted to deal with them. You don't understand this, right?"

Hua Wuque is also in a dilemma now.

He knows exactly what Xiao Yu'er did. This time Yao Yue wants him to deal with Xiao Yu'er, and he also knows what Yao Yue wants him to do.

Xiao Yu'er joins the anti-Soviet alliance.

He is now risking being punished by Yao Yue to send Xiao Yu'er away.

As for how he will be punished in the future, he doesn't care. Xiao Yu'er looked at Hua Wuque and said angrily ,

"I don't know. I don't want to know either, Hua Wuque, if you still recognize me as your brother, then you will kill Yao Yue and Lian Xing."

Hua Wuque waved his hand and said with an ugly face,

"This is impossible, Xiao Yu'er, go ahead. It's best to leave the Western Continent and the Southern Continent in the future. Your joining the anti-Soviet alliance to assassinate His Majesty the Emperor has been exposed. There will be no place for you in the Western Continent and the Southern Continent in the future.."

Xiao Yu'er was very shocked when he heard Hua Wuque's words.

He didn't expect that his joining the anti-Soviet alliance would be exposed, which made Xiao Yu'er very panic.

Now that the Xuantian Empire is at its peak, if the Xuantian Empire will be in the future He started to be wanted. I am afraid that with his strength, he will not be able to escape the pursuit of the Xuantian Empire.

At this moment,

Su Chen and Ming Yue Xin were on a tree looking at the Hua Wuque people below.

Su Chen also took care of Ming Yue Xin. ,

Bai Yunxuan was let go accidentally by him, and the shadow assassin was also sent by him to secretly monitor Bai Yunxuan's every move.

When Su Chen came back with Ming Yue Xin, he happened to find Hua Wuque and Xiao Yu'er. When he and Tie Xinlan came here, he took Ming Yue Xin to see what Hua Wuque was going to do.

As for what Su Chen did to Ming Yue Xin and Bai Yunxuan, only Ming Yue Xin and Bai Yunxuan knew, but Bai Yunxuan escaped. At that time, she was not walking normally, and Ming Yue Xin's face was flushed next to Su Chen. On the big tree, after hearing Hua Wuque's words, Ming Yue Xin asked Su Chen doubtfully, "Su Chen, Hua Wuque is this I want to let Xiao Yu'er go, don't you care?"

Ming Yuexin doesn't dare to yell at Su Chen anymore.

This time she was severely punished by this bastard. Now she still feels PG is in great pain. This bastard really doesn't care about the severity. She is a peerless person. Beauty, this damn bastard, also killed her.

This made Ming Yuexin want to kill this bastard at that time. If she didn't really have nowhere to go now, she wouldn't stay with this bastard.

No!

Yes Forced by this bastard to stay with him.

Ming Yue Xin was so shamelessly threatened by this shameless bastard that she really didn't dare to run away. Her Qinggong skills could not escape this bastard, and the bastard's elusive ability also frightened her.

Ming Yue Xin was also worried that she would be caught by that bastard again after escaping. She would really be stripped naked by this shameless pervert.

She, a majestic celestial being, was so threatened that she did not dare to escape?

This made Ming Yuexin both angry and angry. It was helpless.

Su Chen's eyes flashed with cold light and he said disdainfully, "Don't worry, Xiao Yu'er can't escape, he is dead this time."

Su Chen has no intention of letting Xiao Yu'er go.

Although Xiao Yu'er is nothing to worry about, if he doesn't kill Xiao Yu'er, will he have to leave Ge Ying behind?

Since Xiao Yu'er didn't escape to the Northern Continent, then he should Thinking of the consequences of the Dongchuang Incident,

Ming Yuexin nodded when she heard Su Chen's words.

Su Chen was the emperor of an empire after all. Since Xiao Yu'er wanted to assassinate the emperor, he couldn't be let go. But she thought that Hua Wuque was the one who invited him after all. Yue He Lianxing's direct disciple.

How would Su Chen treat Hua Wuque?

"What about Hua Wuque? Hua Wuque is your wife Yao Yue's disciple. Do you want to kill him too?"

"That depends on Hua Wuque's attitude. If Hua Wuque lets Xiao Yu'er go this time, Yao Yue will destroy Hua Wuque's cultivation and expel Hua Wuque from Yihua Palace without me doing anything."

Chapter 1084

Su Chen was very disappointed with Hua Wuque's decision this time.

Even if Hua Wuque begged Yao Yue for mercy after catching Xiao Yu'er,

Su Chen would not say anything and would even spare him after destroying Xiao Yu'er's martial arts. However,

Hua Wuque actually wanted to let Xiao Yu'er leave without permission. This made Su Chen very dissatisfied with Hua Wuque. Hua Wuque's behavior violated Su Chen's taboo.

Ming Yuexin understood after hearing Su Chen's words that Yao Yue was testing Hua Wuque. If Hua Wuque really let Xiao Yu'er go this time, I'm afraid Hua Wuque, the young master of Yihua Palace, would also be deposed. He might even be killed by Yao Yue himself.

Ming Yue Xin now admires Yao Yue very much.

Yao Yue is not only beautiful, graceful and noble, but also very cruel and ruthless. She also gave up on Hua Wuque who raised her since childhood. Yao Yue is very fond of Su Chen. The feelings are sincere.

Just like she was infatuated with Gong Ziyu at the beginning, but she trusted wrong people, and will Yao Yue trust wrong people like her in the future? It all depends on how this shameless pervert will treat Yao Yue in the future.

Ming Yue thought of the way Yao Yue looked at Su Chen today, and guessed that Yao Yue was probably focused on Su Chen.

Ming Yue Xin felt sorry that Su Chen had a wife like Yao Yue.

This bastard was just a shameless pervert.

Yao Yue's true feelings for Su Chen, a bastard, would be ignored by this bastard with a wolf-hearted attitude. Having such a graceful wife like Yao Yue A gorgeous and infatuated woman, this bastard shows mercy everywhere.

Yao Yue was really blind to fall in love with this bastard.

At this time, the argument between Hua Wuque and Xiao Yu'er became more and more intense.

Su Ying and Tie Xinlan next to them were very speechless now.

Xiao Yu'er dared to assassinate the emperor. This was a heinous crime. Hua Wuque wanted to let Xiao Yu'er go, but Xiao Yu'er was still chirping with Hua. There was no shortage of arguments, which made them both dislike Xiao Yuer.

"Hua Wuque, I will not leave. If you want to kill you, kill me now."Xiao Yu'er roared at Hua Wuque.

Xiao Yu'er didn't dare to leave.

The Xuantian Empire already knew about his joining the anti-Soviet alliance.

He would definitely be wanted by the Xuantian Empire and even be sent by the Xuantian Empire. Six gates and secret guards were chasing him.

He might still have a chance to survive if he stayed with Hua Wuque. After all, Hua Wuque was the young palace master of Yihua Palace. If he left Hua Wuque's side now, I'm afraid he would really be in trouble. There is no life anymore

"You'll die if you don't leave!" Seeing Xiao Yu'er's resolute attitude, Hua Wuque reminded helplessly,

"I won't leave even if I die." Xiao Yu'er looked at Hua Wuque, rolled his eyes, and continued hurriedly, "Hua Wuque, we are brothers after all. I won't force you to kill Yaoyue and Lianxing now, but you have to teach me the martial arts skills of Yihua Palace. , I want to kill Yao Yue and Lian Xing myself after my cultivation becomes stronger."

Hua Wuque refused with an ugly face when he heard Xiao Yu'er's words,

"No, I can't pass on the martial arts of Yihua Palace to you without my aunt Yaoyue's order."

Xiao Yu'er was very anxious when he saw Hua Wuque's rejection.

He neither wanted to be chased by the masters of the Xuantian Empire, nor did he want to survive in obscurity in the future.

Xiao Yu'er had no one to rely on, and now he could only rely on Hua Wuque, if Hua Wuque still cares about brotherhood, he can use Hua Wuque to enhance his strength.

As long as he becomes stronger in the future, he will kill Yaoyue and Lianxing, and even the emperor of the Xuantian Empire can also kill

"You don't want to pass it on to me, right? You are the young palace master of Yihua Palace, and the future master of Yihua Palace. You are the one who passed down the martial arts of Yihua Palace to me. Who will report you? And you can also secretly teach me the martial arts skills of Yihua Palace. You can teach me the Mingyu Kung Fu of Yihua Palace first."

"this....."

Hua Wuque was very embarrassed when he heard Xiao Yu'er's words.

He didn't want to teach Xiao Yu'er the martial arts of Yihua Palace, but he and Xiao Yu'er were biological brothers after all, and he couldn't just watch Xiao Yu'er's future. Being killed,

Xiao Yu'er has many enemies. In the past, they were frightened by the Valley of Evil and Yan Nantian. Now, all the villains in Valley of Evil have been wiped out by the army. Yan Nantian has also been killed by Yao Yue. Xiao Yu'er Now I am helpless.

As Xiao Yu'er's brother, does he really want to see Xiao Yu'er killed in the future?

Su Ying despised Xiao Yu'er when she saw Xiao Yu'er's shameless look.

Xiao Yu'er refused to leave because he was worried about being wanted by the Xuantian Empire and would be killed. However, it was very safe to stay here with Hua Wuque, with the help of Yihua Palace. Cover, who in the Xuantian Empire dares to come to Yihua Palace to search Xiao Yuer?

And this shameless Xiao Yu'er even had the idea of changing Hua Gong's martial arts, which made Su Ying look down on Xiao Yu'er as a gangster.

Yihua Palace's Ming Yu Kung Fu is a king-level martial arts technique. From the battle between Yao Yue and Yan Nantian, it can be seen that Yi Hua Palace's Ming Yu Kung Fu is very powerful. Xiao Yu'er wants to take advantage of his brother Hua No shortage of.

And at this time.

Tie Xinlan opened her mouth to persuade Xiao Yu'er to give up the idea, but she was not Xiao Yu'er, and she was not qualified to say these things to Xiao Yu'er.

Tie Xinlan lowered her head and said nothing. She didn't want to look at Xiao Yu'er anymore. This little Yu'er had become very strange to her.

After all, Hua Wuque was his brother, and this time Hua Wuque risked his life to let Xiao Yu'er escape, but Xiao Yu'er heard that the Xuantian Empire really knew about his joining the anti-Soviet alliance. Tie Xinlan couldn't bear to take advantage of his brother Hua Wuque. On the big tree, Mingyue Xin said with disdain when she heard this situation, "Huh? This little Yu'er is really shameless, but! Yao Yue's apprentice is really ignorant. Xiao Yu'er is so obviously using Hua. Wuque, this Hua Wuque couldn't even see it. It would be useless to have such a successor after Yihua Palace.

"

"Hua Wuque is stupid enough."

Su Chen was also speechless about Hua Wuque.

He knew that Hua Wuque was very honest, but he didn't expect him to be so brainless.

Su Chen now has no hope that Hua Wuque will succeed Yihua Palace in the future. Being succeeded by Hua Wuque, I am afraid that Yihua Palace will become a third-rate force in a few years, and may even be planned to be destroyed or annexed by other Jianghu forces.

Huh?

Why should Hua Wuque succeed Yihua Palace?

What if he and Hua Wuque succeed him in the future ? Yao Yue has a child.

Can't Yihua Palace be succeeded by their children?

Su Chen is also confused. Why didn't he think of such a simple thing? Moreover, he and Yao Yue's children will definitely be very smart in the future. He won't be as stupid as Hua Wuque

"What are you going to do? Kill the little fish now?"

"No! Let Yaoyue handle these matters! As for Hua Wuque, alas! I'm afraid Yao Yue will destroy him this time."

Chapter 1085

Su Chen didn't want to deal with Hua Wuque personally. After all, this was a matter of Yihua Palace, so he thought it was better to handle it with Yue Yue.

As for Xiao Yu'er,

Su Chen also planned to leave it to Yao Yue to deal with it. He guessed that Yao Yue would definitely kill Xiao Yu'er. Yao Yue would not let go of anyone who was threatening or hostile to him. Yue is not a kind-hearted person.

Before Yao Yue from Yihua Palace met him, she was a ruthless person. Over the decades, Yao Yue had killed countless people.

"Let's go down!"

"good!"

Su Chen and Ming Yuexin flew down from under the big tree. They no longer needed to hide at this time. It was time to hear. They all heard it. Su Chen also made a decision on what to do.

"who!"

At this time,

Hua Wuque suddenly felt someone coming suddenly, which made him nervous and hurriedly alert.

Xiao Yu'er and Su Ying also looked around one by one. They were not as powerful as Hua Wuque, and they didn't notice anyone. Someone had arrived, but Hua Wuque's nervous look also let them know that someone had really arrived.

Bang!

When Su Chen and Ming Yuexin appeared next to Hua Wuque and Xiao Yu'er, Hua Wuque knelt down directly. He didn't expect that Su Chen would appear here, which made him worry about Xiao Yu'er.

Hua Wuque knelt on the ground and hurriedly saluted Su Chen,

"Hua Wuque has met the young master!"

Xiao Yu'er and Su Ying saw Hua Wuque knelt down and saluted a young master, which made them feel incredible.

Who is this man who just appeared?

Hua Wuque is the young palace master of Yihua Palace. The disciples of Yue and Lianxing, and even the disciples of the Xuantian Emperor, were right, but Hua Wuque actually saluted the young master who had just appeared.

What was the origin of this young master?

It was just when they saw the young master behind Su Chen Mingyue Xinhou was even more surprised.

Tie Xinlan and Su Ying knew that this beautiful woman was the enemy who assassinated Yao Yue, and she was also a powerful celestial being. But why are she with this young master now?

Young master?

Mask. Man?

This young master couldn't be the masked man who appeared in Xiuyu Valley, right?

Could it be that this masked man captured Ming Yue Xin?

A terrestrial immortal in the heavenly realm was actually captured?

How powerful is this man?

Su Chen saw Hua Wuque kneeling on the ground and asked expressionlessly, "Hua Wuque, will you punish me?"

"If you are not guilty, please spare your brother Xiao Yu'er's life." Hua Wuque pleaded to Su Chen with a pale face.

Hua Wuque knew that Xiao Yu'er might not be able to protect himself if Su Chen appeared here, but for the sake of Xiao Yu'er's life, he could only plead with Su Chen to forgive Xiao Yu'er. Life.

Xiao Yuer looked at Su Chen and pretended to be arrogant and shouted, "Who are you? Hua Wuque is the young palace master of Yihua Palace and the apprentice of Palace Master Yaoyue. How dare you treat Hua Wuque like this?"

Xiao Yu'er also knows how powerful this young master is, but in order to let Hua Wuque teach him the martial arts of Yihua Palace, he has to be more arrogant this time. It is best if this young master can teach him a lesson. Anyway, there is Hua Wuque. Even if Wu Que were there, it was impossible for this young master to kill him.

Xiao Yu'er also wanted Hua Wu Que to sympathize with his brother, so that Hua Wu Que would agree to his request.

Bang!

Su Chen heard what Xiao Yu'er said He slapped him in the face with his backhand, and Xiao Yu'er was slapped away by Su Chen.

Su Chen looked at Xiao Yu'er who didn't know whether to live or die and said with disdain,

"Do you have a say here?"

Xiao Yu'er fell to the ground and looked at Su Chen angrily. He touched his swollen face and stood up quickly, punching Su Chen to kill him.

"you wanna die!"

Boom!

Touch!

Ming Yuexin quickly kicked the little fish who was about to kill Su Chen. She didn't want to dirty this bastard's hands. She would teach this bastard Su Chen a lesson this time. She blocked it for this bastard.

Ming Yuexin kicked Xiao Yu'er away and shook her head.

She thought that Xiao Yu'er was so angry that he was so angry that he was so angry.

Didn't he see himself next to this bastard?

The two women next to him seemed to have guessed that Su Chen was the masked man from before. Did Xiao Yuer not think of it or was he pretending not to know?

"Little fish!"

When Hua Wuque saw the little fish being kicked away, he hurriedly used Qing Gong to save him.

"Who are you?" Su Chen ignored Xiao Yu'er who was kicked away. He knew that Mingyue Xin would not kill Xin Xiao Yu'er, but he looked at Su Ying and Tie Xinlan and asked with a frown,

"The younger daughter Su Ying (Tie Xinlan) met the young master." Su Ying and Tie Xinlan hurriedly replied after hearing Su Chen's words.

They all knew that this young master was a powerful master, and they would not be as arrogant and arrogant as Xiao Yu'er to anger this powerful master.

Su Ying ?

Tie Xinlan?

Su Chen didn't expect that these two girls were actually Su Ying and Tie Xinlan.

No wonder they were so beautiful. They turned out to be the most beautiful heroines.

Su Chen didn't pay attention to Tie Xinlan, the pretty girl.

He was interested in Su Ying was very interested.

Su Ying's temperament was as aloof and cold as Yao Yue's, and she was so gorgeous. She was such a cold, aloof, solitary and peerless beauty.

Su Chen was also a little attracted to her.

Su Chen looked at Su Ying and smiled. She smiled and said, "Su Ying, the adopted daughter of Wei Wuya, the leader of the twelve zodiac signs, I didn't expect that you would actually get together with Xiao Yu'er."

Su Ying was very surprised when she looked at Su Chen.

She didn't expect that Su Chen knew her past events, but!

These are all old events.

Wei Wuya has nothing to do with her anymore.

"Young Master, you are wrong. I am not Wei Wuya's adopted daughter. I escaped from Wei Wuya's control ten years ago. If it weren't for my superb medical skills and disguise skills, I might have been caught and killed by Wei Wuya."

"oh? Yeah?"

Su Chen was confused when he heard Su Ying's words.

Su Ying actually escaped from Wei Wuya's control more than ten years ago. This was beyond Su Chen's expectation. However, this is a mixed martial arts world, and Su Chen also had some changes in the plot. I had already thought of it.

But now that

Su Ying has appeared, is there Murong Jiu?

Su Ying and Murong Jiu are repeated characters in some plots, and different versions of the characters are different. Now that Su Ying has appeared, Murong Jiu may be gone, or even Su Ying is Murong Jiu.

Su Ying nodded with a cold face and said, "Of course, this is not a secret. You will know after a little investigation."

"What's your relationship with Xiao Yu'er?"

"Young Master, please don't get me wrong. Xiao Yu'er and I only met on the way to Xiuyu Valley. If I hadn't saved Tie Xinlan, I wouldn't have appeared here."

When Su Chen heard Su Ying's words, he thought that Xiao Yu'er and Su Ying might not have a relationship yet, but that's fine.

Su Chen didn't worry about killing Xiao Yu'er in the future. Su Ying, who was good at treating poisons, The strange woman will take revenge on him

"You can leave now"

"Sir, can you tell me your name?"

Chapter 1087

On the hill outside Xiuyu Valley, after Hua Wuque exposed Su Chen's identity.

Everyone here looked at Su Chen in shock.

Even Xiao Yuer forgot to save Hua Wuque who was kicked out by Su Chen. They were all shocked when they looked at Su Chen.

The emperor of the Xuantian Empire actually appeared here, which was beyond their imagination.

After knowing that the Xuantian Empire had only been established for a few months, wouldn't the emperor of the Xuantian Empire handle state affairs?

Su Ying opened her little cherry mouth and looked at Su Chen in surprise and asked, "Are you actually Su Chen, the emperor of the Xuantian Empire?"

Su Ying had guessed Su Chen's identity before, but the identity of this bastard was really scary..

This bastard turned out to be the emperor of the Xuantian Empire.

The Xuantian Empire was the most powerful empire in the Tianxuan Continent. Su Chen was the most powerful emperor and the youngest and most powerful emperor.

Su Chen was thinking about how to deal with Su Ying and Tie Xinlan. After hearing Su Ying's words, he thought about it and smiled, "I am Su Chen, Su Ying, don't you think our names match well? Su Chen? Su Ying? People who don't know think we are brother and sister"

"Nonsense, I don't have brothers and sisters like you."

"Tsk, I am the emperor of the empire. Do you think you are worthy of being my sister?"

"You are so shameless!"

"Shameless? Maybe!"

Su Ying thinks that Su Chen, the emperor of the empire, is quite good. At least he is not as superior to others as the previous emperors, nor does he look down on them. It's just that he is too shameless. However!

Su Ying suddenly thought that these people knew about Su Chen. identity, and it seemed that Su Chen didn't want to reveal his identity, otherwise Su Chen wouldn't have kicked Hua Wuque away after he revealed his identity.

Su Ying didn't know that Su Chen concealed his identity and came to the Western Continent this time. What to do, but now that they know Su Chen's identity, I'm afraid they will be imprisoned if they are not killed by Su Chen.

Su Ying looked at Su Chen and said coldly and expressionlessly, "Your Majesty the Emperor, what are you going to do? Deal with us?"

"What do you think?" Su Chen said to Su Ying with a malicious smile, and then looked at the pale Xiao Yu'er.

Su Chen also felt strange that since Xiao Yu'er was a member of the Anti-Soviet Alliance, he didn't even know what he looked like. ? Is there no portrait of himself in the anti-Soviet alliance? Bai Yifei can't be so stupid that he doesn't have a portrait of himself, right?

Xiao Yu'er is frightened now.

If he had known that the emperor of the Xuantian Empire was here, he would have escaped long ago , and he didn't even read the message Duan Yu and the others gave him about Su Chen, which made Xiao Yuer regret it very much now. He now wanted to die.

Su Chen suddenly shouted to the people around him,

"You Ruo!"

The shadow assassin Youruo suddenly appeared next to Su Chen and saluted,

"people!"

"Capture Xiao Yuer and Hua Wuque back to Yihua Palace and hand them over to Yao Yue"

"Yes, master!"

Youruo waved after answering Su Chen, and more than a dozen shadow assassins appeared around them. After these shadow assassins appeared, they immediately controlled Xiao Yu'er and Hua Wuque.

After Xiao Yu'er was caught by the shadow assassins , He screamed in horror, "No, let me go, His Majesty the Emperor, I was forced by Bai Yifei and Xie Xiaofeng. I am not strong enough to resist them.""

Hua Wuque lowered his head and did not resist at all.

He knew that even resisting would be useless.

He could not match the power of the Shadow Assassin. He was no match for any of the Shadow Assassins here. Moreover, there is also the leader of the Shadow Assassins, Youruo. Now, if You Ruo wanted to kill him, it would probably only happen in an instant.

Su Chen ignored Xiao Yu'er's cry. He waved his hand and asked the shadow assassin to escort Xiao Yu'er and Hua Wuque back to Yihua Palace.

Su Chen She looked at Ming Yue Xin, who was watching the show next to her, and shouted, "Ming Yue Xin, take Su Ying and Tie Xinlan back to Yihua Palace."

"knew!"

Ming Yuexin nodded and replied after hearing Su Chen's words.

She also knew that Su Ying and Tie Xinlan knew Su Chen's identity. Su Chen, a shameless bastard, could not let them go.

Ming Yuexin is now But like Su Ying and Tie Xinlan, they share the same destiny.

After learning the identity of this bastard, it is impossible for them to escape from this bastard's control.

Ming Yuexin regretted not revealing Su Chen's identity to Bai Yunxuan today. If Bai Yunxuan Knowing Su Chen's identity, I'm afraid this bastard wouldn't be able to just teach Bai Yunxuan a lesson and let her escape on purpose.

Su Ying took Tie Xinlan's hand and looked at Su Chen without resisting. She had already guessed that this bastard was not He might have asked them to leave, but it seemed like this bastard was pretty good and didn't want to kill them to silence them.

Ten days later, in Yihua Palace,

Su Chen was preparing to leave with Ming Yue Xin.

The matter in Yihua Palace had been resolved, and he accompanied him. Yaoyue and Lianxing have been in the sky for ten days, and Yang Dingtian of the Mingjiao has appeared in Guangmingding, and the old members of the Mingjiao have also returned to Guangmingding. Su Chen also wants to know why Yang Dingtian faked his death? What is the intention of the Mingjiao

?

?

You must know that the Ming Cult has hundreds of thousands of believers in the northwest of the Western Continent. This huge force poses a huge threat to the northwest of the Western Continent.

Bai Feifei, Su Ying, and Tie Xinlan were left in Yihua Palace by Su Chen, and Ning Yuxi and An Biru returned to the Southern Continent together.

Su Chen had promised An Biru not to do anything to the Miao people in the Miao border, but the Miao people must surrender to the Xuantian Empire, and the Miao people in the southwest of the Southern Continent must also cooperate with the west in fighting. The legion under the legion, the South Vietnam Mountain Jungle Legion conquered all the foreign races in the southwest.

Moreover, An Biru's White Lotus Sect must also be wiped out, and

An Biru also agreed to Su Chen.

However!

Su Chen also asked Ning Yuxi to supervise An Biru,

It's not that Su Chen is afraid that An Biru will go back on his word, but that Ning Yuxi can't arrange it well.

The Yang Dingtian he has to deal with this time is a land god in the heavenly realm. Ning YuxiXi couldn't help much even by following him, so Su Chen simply arranged something for Ning Yuxi that she was very willing to do.

He hasn't appreciated the Pure Land of Ultimate Bliss yet, and

Su Chen doesn't intend to let Ning Yuxi go like this.

As for the brothers Xiao Yu'er and Hua Wuque, after the shadow assassin escorted them to Yihua Palace,

Yao Yue directly executed Xiao Yu'er, and Hua Wuque was also imprisoned by Yao Yue after her cultivation level was abolished. Yao Yue misses Hua Wuque's old love, and Lianxing doesn't want Yao Yue to kill Hua Wuque.

Hua Wuque might also have been directly executed by Yao Yue.

On the road leading to the northwest,

Su Chen and Ming Yuexin were riding horses on the official road.

They were now rushing to Guangmingding in the northwest. The Ming Cult had gathered more than 100,000 followers in Guangmingding. Li Xiuning's Dongfang Although the combat corps had been paying attention to the situation of the Ming Cult, Su Chen wanted to know what confidence Yang Dingtian had to launch a rebellion.

Ming Yuexin couldn't bear it anymore.

She looked at Su Chen and said, "Bastard Su, we don't need to be in such a hurry. Isn't your confidante Zhao Min ready to go?" To deal with the Mingjiao? Li Xiuning of the Eastern Combat Corps also secretly deployed troops. I think you are just worrying about it."

"You know nothing, just teach those peasant soldiers that they dare to rebel? I'm a little worried that other forces or alien races will join forces with the Mingjiao, otherwise they won't dare to rebel even if I give the Mingjiao a hundred courages."

Chapter 1088

Su Chen didn't want to rush off in such a hurry, but in the past few days, he had received news that the Ming Cult was becoming more and more active, and had even formed an army of 100,000 people.

Although the combat effectiveness of those peasant armies is insignificant, there are more than 100,000 Mingjiao followers. If hundreds of thousands of Mingjiao followers gather, there will probably be hundreds of thousands of troops.

But where did the peasant army get their weapons, equipment, and food?

Su Chen was puzzled by this.

Could it be that Yang Dingtian had secretly prepared these for decades?

Su Chen didn't believe this.

He didn't believe that Yang Dingtian had the ability to secretly collect weapons and food for hundreds of thousands of people after pretending to be dead for more than ten years.

When Ming Yuexin heard Su Chen's words, she glared at him and cursed, "You bastard, can't you speak in a more civilized manner?"

"Don't ogle me, I don't do that." Su Chen saw Ming Yuexin staring at him and smiled and teased,

"Shameless!"

Ming Yuexin didn't expect Su Chen to say this, what about ogling?

Even if she died, she couldn't wink at this shameless bastard.

Damn bastard!

Ming Yuexin still looked very beautiful when she was angry, but she was just a tigress.

Su Chen didn't want to provoke this tigress now. He still had to use Ming Yue Xin to deal with Yang Dingtian. After all, he didn't use a master in the heaven and human realm in vain.

"Ha ha! Speed up, Xikang City is ahead, we can have a good night's rest in Xikang City"

"good!" In the evening, in an inn room in

Xikang City , Bai Yunxuan stood expressionlessly by the window and looked at the people coming and going on the street. Since she escaped from that bastard Su Chen, Bai Yunxuan has been sending People were monitoring Yihua Palace. After Su Chen and Ming Yue Xin came out of Yi Hua Palace, Bai Yunxuan had been keeping track of their whereabouts. This time she came to Xikang City in advance to wait for Su Chen and Ming Yue Xin to arrive. She was She must secretly assassinate that bastard. She has not forgotten what Su Chen did to her. That bastard actually got down on her skirt and beat her. Damn bastard, if you don't kill that shameless pervert, she will never have a face in the future. Goodbye Gong Ziyu. Bai Yunxuan can't sleep when she thinks of these things every night. Even after falling asleep, she will be awakened by nightmares. Su Chen has become her inner demon. If she doesn't kill Su Chen, Bai Yunxuan will live in this world for the rest of her life. In the nightmare. At the same time, in this inn, some Jianghu people also came in one after another today. In the lobby of the inn, the Jianghu people here were chatting about what happened in Mingjiao while eating their meals.

"Have you heard that the Mingjiao has gathered more than 100,000 troops? This is obviously a rebellion. How can the Mingjiao have the courage to fight against the Xuantian Empire?"

"No one in the northwest knows what happened to the Ming Cult. It's strange to say that the former leader of the Ming Cult, Yang Dingtian, faked his death. What is Yang Dingtian's conspiracy?"

"What's there to guess? There are hundreds of thousands of Mingjiao followers, and Yang Dingtian may have been planning to rebel."

"Yes, if it were still the Ming Empire, Yang Dingtian might really succeed in his rebellion. However, now that the Xuantian Empire has replaced the Ming Empire, Yang Dingtian's rebellion is unlikely to succeed."

"Yes, the Xuantian Empire is too powerful. The Mingjiao may be wiped out by the Xuantian Empire this time."

"You think, if the current leader Wuji meets the former leader Yang Dingtian, who will the Mingjiao listen to?"

"Needless to say, he must be obeying Yang Dingtian. Yang Dingtian is probably already a land god in the heavenly realm. Zhang Wuji is just a great master, and he was beaten by Princess Zhao Min of Dayuan to hide everywhere. Zhang Wuji, the leader of the Ming Cult, is not a big deal. The prestige is gone."

At this time,

Su Chen and Ming Yuexin also came to the inn. Su Chen looked at the more than ten Jianghu people in the inn and was very depressed. Why did he feel that he would meet so many Jianghu people wherever he went?

Su Chen After sitting down at a table with Ming Yuexin,

Su Chen called to the waiter, "Waiter, open two rooms and prepare some good wine and food for us."

"Sir, we only have one upper room left in our inn. I'm so sorry."

"Just one room, let's serve some good wine and food first"

"OK, guest!"

Ming Yuexin heard that Su Chen made the decision in just a few seconds without even asking her, which made her very dissatisfied with Su Chen's decision.

Moreover, there was only one upper room left and this bastard decided to stay. How will the two of them stay at night? Is this shameless pervert going to attack her?

"What are you looking at? I'm not food, aren't you hungry?" Su Chen said curiously when he saw Ming Yue Xin staring at him.

Ming Yue Xin hurriedly said after hearing Su Chen's words, "I want to sleep in the room tonight, you bastard, find a place to sleep by yourself."

"Why?"

"Because I am a woman!"

"Yes, you are a woman, an old woman of several decades!"

"Bastard Su, how old am I? I'm so beautiful, are you blind, you bastard?" Ming Yuexin yelled at Su Chen with anger on her face.

She didn't expect that this bastard would actually say that she was an old woman.

Did she look older?

This damn bastard.

Su Chen took a sip. Jiu smiled and said, "Are you beautiful? If you didn't notice it, you just look average."

"You are really blind, and your blindness is not light." Ming Yuexin glanced at Su Chen and shouted softly.

Ming Yuexin also noticed that the people around her were looking here. She didn't want to be stared at by the people in the inn, and she was a woman. She was in the inn. Even yelling is very unladylike.

"Say whatever you want!" Su Chen shook his head and ignored Ming Yuexin. He observed the Jianghu people here and wanted to know why so many Jianghu people appeared in Xikang City?

There are no Jianghu sects around Xikang City.

Why? There were Jianghu people everywhere on the way here and in Xikang City.

Did something happen in Xikang City?

"What are you looking at?"

Ming Yue Xin saw that Su Chen didn't eat vegetables.

He was looking around and didn't know what he was trying to find out.

If it weren't for the fact that there were no beautiful beauties here,

Ming Yue Xin must have suspected that this bastard was looking at beautiful women.

Su Chen turned around and was confused about Ming Yue Xin. Said, "Mingyue Xin, Xikang City is just a small town, don't you find it strange why there are so many Jianghu people here?"

Ming Yuexin laughed when she heard Su Chen's words.

She thought Su Chen had discovered something. It turned out that she just saw that there were so many people in the arena and thought something big had happened. This bastard was making too much of a fuss.

"laugh! What's so strange about this? These Jianghu people must also be going to the Mingjiao. The Mingjiao is so arrogant and ruthless now. Isn't Qilian City occupied by the Mingjiao? These quacks are definitely trying to fish in troubled waters. It is not surprising that quacks exist wherever there are fights."

At this moment, a Jianghu man suddenly ran into the inn and shouted to the Jianghu people at a table, "Something has happened. There is internal strife among the Emei faction, and a fight is about to start now."

Chapter 1089

The Jianghu in the inn were very curious when they heard about the internal strife in the Emei Sect.

This rebellion of the Mingjiao attracted many Jianghu people to go to Qilian City. Even the well-known and decent sects in the Jianghu sent many masters to Qilian City..

Emei Sect, Wudang Sect, Tianshan Sect and many other Jianghu sects who had enmity with Mingjiao rushed to Qilian City, and even many Hu masters from outside the Great Wall came to the Central Plains to go to Qilian City.

Su Chen and Ming Yuexin also looked over and wanted to know why the Emei sect was in internal strife.

Su Chen was also very puzzled now.

Didn't Master Miejie escort Gongsun Liji and Mei Sanniang to the Black Bird Palace in the Southern Continent? Why did the Emei Sect also come to Xikang City? Could it be that Master Miejie sent Gongsun Liji and the others back to Xuanniao Palace so quickly and then rushed back?

But this was too fast, it only took more than half a month to go back and forth?

It's impossible to go this fast even if you're running fast? Could it be that Master Miejie embezzled his own Zhu Guo and did not give it to Gongsun Liji and Mei Sanniang?

"Senior brother, a disciple of the Emei Sect's Master Jue and a disciple of Emei Mountain's Xuanzhen Temple Dugu Yihe had a dispute. I'm afraid there will be a big fight soon. Senior brother, let's go outside the city and have a look."

"Come on, this is a great show, we can't miss it"

"yes! I heard that the Emei Sect's Miejie Shitai and Dugu Yihe were still engaged, but they were both older and it seemed that the matter had been settled. How could there be internal strife this time?"

"cough! Dugu Yihe is a bad old man, and Master Miejie is very beautiful. Do you think it's because Dugu Yihe has fallen in love with Master Miejie as he gets older?"

"It is possible that Master Miejie is very beautiful, and her plump figure is very attractive."

"Come on, let's go outside the city and meet the charming Master Mie Mie."

The Jianghu people in the inn said one after another and quickly left the inn. These Jianghu people all wanted to know why the Emei sect had internal strife, and even whether the old man Dugu Yihe of the Emei sect had a romantic interest.

"Shall we go and have a look too?" Ming Yuexin asked with great interest after hearing what these Jianghu people said.

Su Chen looked at the upstairs of the inn and said with a smile, "You go over first, I will find you later."

"Um? Aren't you afraid that I'll run away?" Ming Yuexin didn't expect that Su Chen would let her leave alone. Isn't Su Chen afraid that she would just leave? Or is this bastard deliberately testing her?

Su Chen reached out and touched Ming Yuexin's smooth little face and smiled. Then he said, "Beauty, do you dare?"

"Shameless, let go!" Ming Yue Xin was stunned when Su Chen touched her face. She didn't expect Su Chen to touch her face. Ming Yue Xin reacted and slapped Su Chen's hand away and cursed,

Now Ming Yue Xin She was very panicked in her heart.

Although this bastard had also photographed her, they were fighting to the death at that time. It was Su Chen, the shameless pervert, who was teasing her.

But in the ten days since she was with Su Chen,

Su Chen Although this bastard has been teasing her with words, he has never touched her. Today, this bastard actually touched her face. This made Ming Yue's heart beat very fast, and she didn't even dare to look at this bastard. Such a feeling This made Ming Yue Xin very uncomfortable.

Su Chen looked at the charming Ming Yue Xin and threatened, "Haha! Ming Yue Xin, don't have any bad intentions. If you dare to run away, you can't afford the consequences of running away."

"Damn you bastard, I'm going to run away." Ming Yue Xin stroked her hair and shouted to Su Chen with a blush on her face.

Ming Yue Xin didn't eat any food.

She glared at Su Chen fiercely and left the inn quickly.

Ming Yue Xin was now facing Su Chen. Chen felt that her heartbeat was very fast. This feeling had happened to her before.

But!

That was many years ago.

This feeling actually happened when facing Su Chen. This made Mingyue She was very surprised, even a little unbelievable.

In the sky of Xikang City,

Mingyue Xin flew towards Qinggong outside the city.

She was very uneasy now.

She thought about how Su Chen had touched her face gently just now. Blushing, she quickly ran out of the city while thinking wildly.

She couldn't possibly fall in love with that shameless bastard.

How could that shameless bastard possibly fall in love with him?

But why did her heart beat faster when facing that bastard?

Is it because that bastard touched her face?

In the inn, after Ming Yuexin left, Su Chen looked up at the inn and shook his head. He didn't expect that he just used his mental power to check the inn and found Bai Yun. Xuan is that infatuated woman.

Su Chen severely humiliated Bai Yunxuan last time. If Bai Yunxuan couldn't think of a way to deal with him, she shouldn't dare to appear in front of him.

Is this an accidental encounter?

So what about Bai Yunxuan this time ? What are you going to do when you come to Xikang City?

Su Chen thought about it and suddenly disappeared on the first floor of the inn.

At this moment,

Bai Yunxuan was walking around anxiously in the guest room on the second floor of the inn.

She found that Su Chen and When Ming Yuexin arrived, she didn't expect that Su Chen and Ming Yuexin would also live in this inn. This made Bai Yunxuan very worried that Su Chen, that bastard, would find out that she was also in this inn. Bai Yunxuan held the hand with an ugly expression. Fist said to himself angrily, "Damn, how could such a coincidence happen? That bastard is just haunting me, what should I do? Want to change a hotel?"

"What to replace? I think this inn is still very good." Su Chen suddenly appeared next to Bai Yunxuan, hugged her and said with a smile,

"you.....you....."

Bai Yunxuan was stunned when Su Chen hugged her.

She even forgot to resist.

Bai Yunxuan was trembling all over and looked at Su Chen, trembling and speechless.

Su Chen didn't expect that Bai Yunxuan would be so afraid of him. When he felt Bai Yunxuan's trembling body, he was very speechless.

A terrestrial god in the heavenly realm would be so afraid of him.

Could it be that he did too much last time?

Su Chen touched Bai Yunxuan's forehead to know if she had a fever, but when he touched Bai Yunxuan's forehead, he saw Bai Yunxuan's face was flushed and she hurriedly lowered her head.

I'll do it!

What is going on with this woman Bai Yunxuan?

Su Chen just took off her clothes once and beat her several times. Isn't this Bai Yunxuan a masochist? Or is that just her physique?

Snapped!

"ah!"

Su Chen patted Bai Yunxuan again. He didn't expect that Bai Yunxuan screamed and fell into his arms. This made Su Chen look at Bai Yunxuan's watery eyes, delicate face, and delicate lips. obsessed

"Let me go, you shameless bastard!"

"Bai Yunxuan, you are leaning in my arms now. You are a wicked person who complained first and then bit me back!"

Chapter 1090

Bai Yunxuan was very panicked as she leaned against Su Chen helplessly.

This damn bastard hit her again this time, which made her body tremble very strongly. Why did she expect this bastard to hit her?

Bai Yunxuan thought she was sick, or had been poisoned by this shameless bastard.

Otherwise, how could she feel so ashamed?

However, this was also an opportunity to kill Su Chen. As long as this bastard saw her current state, he would definitely let down his guard, so Bai Yunxuan decided to use her weakness to assassinate this bastard.

Bai Yunxuan took a heavy breath and shouted in shame and anger, "Let me go, you shameless bastard!"

Su Chen touched Bai Yunxuan's delicate face and said with a smile, "Bai Yunxuan, you are leaning on me now. In my arms, you are an evil person who complained first and then bit me back!"

Why does Su Chen feel that Bai Yunxuan is getting more and more beautiful? Fortunately, Bai Yunxuan is not the ugly woman in Tianya Mingyue Knife, otherwise Su Chen would not be in the mood to tease this Baiyunxuan

"You are so shameless!" This bastard hugged her when she came over, and now he still slanders her. She has never seen such a shameless bastard.

Su Chen hugged Bai Yunxuan and sat on the bed and asked with a smile, "Xiao Baibai, come to Xikang What does the city do?"

"Who am I to tell you?" Bai Yunxuan stared at Su Chen and yelled angrily.

Su Chen stretched out a hand and patted it in the air. He then looked at Bai Yunxuan and said with a smile, "Oh? Are you really not going to say it?"

Bai Yunxuan panicked when she saw Su Chen's gesture. She felt that Su Chen was going to hit her again. This made Bai Yunxuan speak incoherently and hurriedly asked, "You.....What are you going to do you bastard?"

"What do you think? Bai

Yunxuan panicked and hurriedly said to Su Chen, "I said, I said, I am here to assassinate you. I have sent people to follow you since you left Yihua Palace.""

Bai Yunxuan has no choice now.

Since she wants to pretend to assassinate this bastard, she can't let this bastard take advantage of her again. Moreover, her own weakness was also exposed by this bastard. Bai Yunxuan is very ashamed of her weakness.

Su Chen now feels that Bai Yunxuan is a woman with abnormal heart.

In the plot, Bai Yunxuan is a kind-hearted woman who loves Gong Ziyu to the death, and even helps Gong Ziyu regardless of the consequences. Bai Yunxuan even silently said to Gong Ziyu [If necessary, let them be driven], it can be seen how much Bai Yunxuan loves Gong Ziyu.

But why is Bai Yunxuan like a little rabbit now?

How come Ming Yuexin and Bai Yunxuan are the same, they are both giants in the heaven and human realm. Land gods, powerful martial arts masters, and they are all dozens of years old women, how come they all look like innocent little girls.

Su Chen pinched Bai Yunxuan's delicate little face and threatened, "Bai Yunxuan Xuan, you actually dare to come and assassinate me. How do you think I will punish you?"

Bai Yunxuan immediately pretended to be scared and said hurriedly, "No!" I won't dare to assassinate you anymore. Really, I won't assassinate you anymore."

Bai Yunxuan secretly rolled his eyes while Su Chen wasn't paying attention.

This bastard really regarded her as a little ignorant girl.

Damn bastard!

I will tear you bastard into pieces soon.

"I don't believe you unless you kiss me"

"Don't even think about it!"

"uh-huh! Can you say that again?"

"I....."

Su Chen didn't wait for Bai Yunxuan to finish speaking and kissed her delicate red lips directly.

Bai Yunxuan felt dizzy after being kissed by Su Chen and looked at Su Chen with wide eyes.

After a while,

Bai Yunxuan reacted and hurriedly slapped Su Chen with his palm. boom!

Su Chen left and disappeared when Bai Yunxuan took out his palm.

This time he was careless.

He didn't want to kiss Bai Yunxuan. It was just that Bai Yunxuan was blushing, shy and panicked, and Su Chen couldn't control it. Fortunately, he was energetic. Li has always been on guard against Bai Yunxuan, otherwise he would fall into Bai Yunxuan's hands this time.

After Su Chen teleported out, he planned to go outside the city to see what was going on with the Emei sect. Anyway, he didn't suffer a loss this time, but he needed to practice more concentration in the future.

He has many wives who are extremely beautiful, but why can't he resist the temptation because of his determination?

"Damn shameless pervert, I won't let you go." Bai Yunxuan was very angry when she saw that she failed to attack Su Chen again this time.

She pretended to be a timid little woman this time, but after being taken advantage of by that bastard, she did not hurt that bastard. A trace of it made Bai Yunxuan so embarrassed and angry that he wanted to kill himself directly.

"Bah bah bah....., Shameless pervert, damn bastard, woo woo woo woo...." Bai Yunxuan wiped her mouth and started crying with red eyes. She was bullied by that bastard again this time, and it was more and more extreme every time, but she really couldn't do anything against that bastard.

Outside Xikang City, the afterglow of the setting sun shines on the small lake outside the city, which makes the spring scenery more pleasant. Hundreds of Jianghu people are standing around the small lake, and there are dozens of people holding swords in the open space beside the lake. of men and women.

Beside the small lake, on one side were more than a dozen female disciples of the Emei Sect's Master Jue, and on the other side were dozens of disciples of the Emei Sect's Xuanzhen Monastery Dugu Yihe. They were all at war with each other, yelling at each other, and might start fighting with each other at any time.

A young man pointed at a beautiful nun opposite and yelled angrily, "Ding Minjun, don't be arrogant. Your master, Master Jue, is engaged to our master. My master is now very powerful and wants to marry your master. You, a junior, Why can you stop it?"

Ding Minjun of the Emei faction laughed when he heard the words of Yan Renying, one of the three heroes, "Bah! Yan Renying, that bad old man of your master is just a toad who wants to eat swan meat, engagement? What have you done since there is an engagement? ?"

Yan Renying's eyes were a little dodged and she said, "That's because my master has been practicing in seclusion and has not had time to fulfill the engagement."

Ding Minjun was very angry when she heard Yan Renying's shameless words.

She also didn't expect that decades had passed. Emei The master of the Xuanzhen Temple of the sect actually attracted the attention of her master, Master

Jue. Dugu Yihe, the old man, didn't even look at his ugly appearance.

He looked like a twilight old man. How could he be worthy of her master?

Ding Minjun didn't care. Those disciples of Xuan Zhen Guan.

Dugu Yihe's disciples don't have a single great master, or even a few great masters. Their Emei sect has two great masters this time, and the remaining ten or so junior sisters are all master masters.

Ding Minjun is also merciless. He said sarcastically,

"I almost believed what you said, practicing in seclusion? Could it be that your master has been practicing in seclusion for decades? Are you all self-taught in martial arts? Are you Xuanzhenguan disciples so shameless?"

"you....."

"You bastard, you are a little scumbag in the Xiantian realm. If you dare to talk nonsense again, I will destroy you."
