Chapter 1091

The Emei Sect, the Emei Sect in the world of comprehensive martial arts is divided into one sect and one view. Master Miejie leads the authentic Emei Sect, and Dugu Yihe's Xuanzhen view is also the Emei sect, but Dugu Yihe is a man, and he was in Emei at the beginning. On one side of the mountain, the Xuanzhen view of the Emei School was founded.

Although the sects and sects on Mount Emei belong to the same lineage, differences have emerged over time.

The disciples of the Emei sect look down on the Xuanzhen sect. They think they are the real Emei sect, and the Xuanzhen sect has not done anything for the Emei sect at all. What contribution have you made?

The disciples of Xuanzhenguan believed that the nuns of the Emei Sect were of low strength and were not worthy of occupying the Emei Sect's mountain gate.

In this way, the contradiction between the Emei Sect and the Emei Sect's Xuanzhen View became increasingly intensified.

However, before the Emei sect led by Master Miejie met Su Chen, the nuns of the Emei sect had been defeated by Dugu Yihe's Xuanzhen Temple time and time again. None of the Emei sect's nuns could compete with the disciples of Xuanzhen Temple.

However, in the past year or so, the Emei Sect has undergone earth-shaking changes.

The Emei Sect has never had a grand master, and now it has four grand masters, including Master Miejie, and there are more than 20 grand masters. Well, the Emei Sect is now much more powerful than Xuanzhenguan.

Ding Minjun doesn't care about Xuanzhenguan at all now.

With her strength, she can defeat all the disciples of Xuanzhenguan. As long as the old and immortal Dugu Yihe of Xuanzhenguan doesn't appear, there will be no one in Xuanzhenguan. People are her opponents.

The Three Heroes and Four Shows of Xuan Zhen Guan looked at Ding Minjun with helplessness.

Ding Minjun was stronger than them all, and they couldn't be Ding Minjun's opponent together.

This time, their master Dugu Yihe was getting married to the Emei Sect's Master Miejie, and he saw how powerful the Emei Sect was.

The Emei Sect now has four great masters, and even more than twenty masters.

This made Dugu Yihe very surprised when he learned about it, especially the Emei Sect's skills and martial arts, those powerful martial arts skills. He's never had one.

Dugu Yihe wanted to get those powerful secrets of skills and martial arts from the Emei Sect. He also wanted to rely on his original engagement to get those powerful secrets of skills and martial arts from Master Miejie.

After the people around the world heard the exchanges between Yan Renying and Ding Minjun, they also understood that it was Dugu Yihe from Xuanzhen Temple of the Emei Sect who wanted to marry the Master Jue of the Emei Sect, and none of the disciples of the Master Jue of the Emei Sect had. agree. but!

People here all thought, how could the old Dugu Yihe be worthy of the beautiful Master Miejie?

Dugu Yihe didn't pay much attention to his appearance. Now that Dugu Yihe is very old, his hair and beard are all gray, he still wants to get a wife. This makes the people here feel very shameless towards Dugu Yihe.

Although Dugu Yihe has an engagement with Master Miejie, decades have passed, and

Dugu Yihe only thinks of the engagement now?

What did he do decades ago?

Now they are all in their decades.

Did Dugu Yihe bring this up this time to embarrass himself?

"This Dugu Yihe is too shameful. He still wants to marry a wife at his old age. This is really embarrassing to us Jianghu people."

"Yes, although Dugu Yihe and Master Mijie were engaged, why didn't Dugu Yihe marry Master Mijie when he was young?"

"hiss! Everyone, have you noticed that the Emei Sect is all master masters, and there are even two great masters. When did the Emei Sect become so powerful?"

"So that's it. I thought about it, did Dugu Yihe see that the Emei sect was getting stronger, so he wanted to marry Master Jue, so that his Xuanzhen view could annex the Emei sect. What a good plan Dugu Yihe had!"

"That makes sense. No wonder it took decades for Dugu Yihe to make trouble with the engagement. Dugu Yihe is really shameless!"

After the Jianghu people here heard the whole story of the internal strife between the Emei Sect and the Emei Sect's Xuanzhen Temple, they all talked and denounced Dugu Yihe. This is really shameless. It's really shameless for Dugu Yihe to propose an engagement at this time. Good plan.

On a tree by the small lake, after Mingyue Xin heard the whole story about the Emei Sect and Xuanzhen Temple, she also looked down on Dugu Yihe very much, "Interesting, it turns out that there is such a thing in the Emei Sect, but Why didn't Dugu Yihe and Master Mijie show up? Didn't they come this time?"

Ming Yue Xinyou looked around but did not notice Su Chen's arrival. This made her very curious. What is Su Chen going to do at this time? Does he still know anyone in Xikang City? Or is that bastard there? Looking for other beauties?

At this moment,

Ding Minjun drew his sword and pointed at Yan Renying and threatened, "Yan Renying, you'd better stop spreading nonsense about my master, otherwise you won't blame us for being rude."

After Sun Qingxiu, one of the four masters of Xuanzhen Temple of the Emei School, heard Ding Minjun's words, she stood up and said with frowning eyebrows, "Senior Sister Ding Minjun, my master is engaged to your master, can you still make the decision for your master? ?"

Ding Minjun looked at Sun Qingqing and sneered, "An engagement? The engagement was canceled decades ago. I can't make the decision for my master. But without my master's permission, you just spread random rumors about our master and your master. Do you think that's okay?"

Ding Minjun has a grudge against Sun Qingxiu.

At first, Ding Minjun was defeated by Sun Qingxiu many times, but now it's the other way around.

She is now at the level of Grand Master, while Sun Qingxiu is still at the level of Grandmaster. Ding Minjun can now beat Sun Qingxiu ten times by himself. , and it can be defeated without any effort.

The martial arts skills that Ding Minjun is practicing now are the best, and the Xuan-level secrets and earth-level secrets of Xuanzhen Temple cannot be compared.

"Yes, our master has not given permission, and none of you disciples of Xuanzhen Guan are allowed to spread the word indiscriminately."

"That is, you Xuanzhen looked down on our Emei sect before, and you never thought about fulfilling the engagement, but now you want to fulfill it? It's been decades and it's still a piece of shit"

"Xuanzhenguan are all villains. If you dare to spread rumors about our master again, we will kill you all."

"Senior sister, teach these Xuanzhenguan disciples a lesson, otherwise they will spread rumors about our master."

After the disciples of the Emei Sect heard Ding Minjun's words, they all shouted angrily at the disciples of Xuanzhen Guan.

They had been angry with the disciples of Xuanzhen Guan in the past, but now their Emei sect has become stronger.

Xuanzhen Guan Guan shamelessly talked about the marriage contract?

This is simply insulting their Emei sect and their master, Master Jue.

They, the disciples, will not just watch helplessly..

Sun Qingxiu was also very helpless. After all, their master wanted them to spread the word about the engagement. She also thought that the master was wrong to do so, but she was only an apprentice and was not qualified to control the master Dugu Yihe's decision.

Suddenly,

Xiaohu suddenly heard that There was a strong breath, and an old man with gray hair and beard appeared in front of the Xuanzhenguan disciples at some point.

He looked at the disciples of the Emei Sect and said majestically,

"What about extinction? Let her come out to see me"

"Are you Dugu Yihe, the master of Xuanzhen Temple of Emei Sect?"

Chapter 1092

Ding Minjun was on full alert when she saw the old man who suddenly appeared.

Ji Xiaofu also came to Ding Minjun at this time. She felt that the old man was very familiar when she looked at him. After the old man asked her master expressionlessly.

Ji Xiaofu knew who he was, but she was not sure

"I am alone!" Dugu Yihe glanced at Ji Xiaofu arrogantly and said, turning to look at his disciples.

Dugu Yihe didn't want to appear at this time, but his disciples are no match for the disciples of the Emei Sect's Mijie Shitai. He was forced to reveal himself.

He originally wanted to go to the Mingjiao to seize the Great Shifting Technique.

This time, the Mingjiao rebelled and was not favored by the world.

The Xuantian Empire was too powerful, and it was only a matter of time before the Mingjiao was destroyed. The Jianghu people also want to take the opportunity to snatch the Mingjiao's heaven-level skills, the Great Shift of Heaven and Earth, and the Holy Fire Order.

Dugu Yihe needs the help of Master Mijie, and he also needs to tie Master Mijie tightly to his side. That engagement contract is a very useful contract, originally he looked down upon Master Mijie at all.

Master Mijie's cultivation qualifications were too poor, and he had no intention of getting married to Master Mijie.

In the past decades, Master Mijie's cultivation level has always been that of a master, even worse than some of his disciples.

It's just that over the past year or so, Master Mijie's cultivation level has improved like a rocket. He met Master Mijie once a year later and found out that she said that her cultivation level was about to catch up with his. At that time, he was very worried. He was surprised.

And this time to seize the Mingjiao's protective magical power, there may be many martial arts masters competing for it. Although his strength is strong, there are many masters in the martial arts world who are crouching tigers, hidden dragons, and Dugu Yihe is not the same. Can be careless.

Although Dugu Yihe's strength is only one step away from being able to break through to the land immortal in the Heavenly Realm, he has been practicing that last step for almost twenty years, and he still can't break through.

Dugu Yihe had no choice but to make a desperate move to steal the secret book of the Ming Cult's Great Movement of the Universe.

The Great Shift of the Universe can stimulate the maximum potential in the body. If he can successfully practice the Great Shift of the Universe, it will be very easy for him to break through to the realm of celestial beings and land gods.

"See the master!"

After Dugu Yihe turned around, the disciples of Sanying Sixiu and Emei Sect's Xuanzhen Temple saluted Dugu Yihe one after another.

Ding Minjun and Ji Xiaofu looked at each other and saluted Dugu Yihe. "Emei Ji Xiaofu (Ding Minjun) led the Emei disciples to meet their seniors."

Dugu Yihe is, after all, a member of the same generation as the Emei Sect and Master Miejie. As disciples of the Emei Sect, they must bend down and salute Dugu Yihe.

"I've met seniors!"

More than a dozen disciples of the Emei Sect also bent down and saluted Dugu Yihe.

The people in the rivers and lakes by the small lake did not expect that Dugu Yihe actually appeared. Dugu Yihe had not appeared in the rivers and lakes for many years. Could it be that this Did Dugu Yihe also want to get a share of the Mingjiao pie this time?

Dugu Yihe touched his beard and said arrogantly, "No courtesy, Ji Xiaofu, where is your master?"

"The master is not here, and we don't know where we are going." Ji Xiaofu looked at Dugu Yihe and said with a smile.

Dugu Yihe didn't expect that Master Jue was not here.

He thought that Xikang City was more than a hundred miles away from Qilian City controlled by the Ming Cult. They could rush there in a day at a high speed..

But Master Mijie was not here, so he lacked a strong helper.

However, his eyes lit up when he looked at Ji Xiaofu and Ding Minjun. Ji Xiaofu and Ding Minjun were also great masters, and they were also But the masters in the middle stage of the Grand Master can do it with the help of the two of them.

And the remaining disciples of the Emei Sect are all master masters, which are much stronger than his disciples.

Dugu Yihe looked at Ji Xiaofu He and Ding Minjun said expressionlessly, "Then you will obey my orders from now on. There are many dangers in going to Mingjiao this time. If your master doesn't come, I will protect you!"

Ding Minjun said with an ugly face when he heard Dugu Yihe's words, "Thank you, senior, but no need, our master has already arranged the tasks, and we have to complete the tasks assigned by the master."

When Dugu Yihe saw Ding Minjun's refusal, he burst out with a powerful aura and threatened, "Huh? How dare you disobey me? After all, I am also your uncle. My orders are orders of extermination. You must obey my orders."

At this time,

Su Chen walked out from the crowd in the distance.

He had just arrived, but he was very unhappy when he heard Dugu Yihe pretending to be cool.

Even the emperor of the Xuantian Empire was not that big. His airs, a small concept of Xuanzhen made Dugu Yihe fly to the sky. No wonder Dugu Yihe would be angry to death in some plots. This is really a heart higher than the sky and a life thinner than paper.

Su Chen pretended to be a dandy. He also yelled coaxingly, "So what if I threaten you? Old man, the beauties from the Emei sect are here to protect me. Are you trying to steal my young master's beautiful escorts?"

"Ding Minjun (Ji Xiaofu) meets the young master."When Ding Minjun and Ji Xiaofu saw Su Chen's arrival, they knelt down and saluted happily, saying,

"See Young Master!"

The disciples of the Emei Sect also knelt down and saluted Su Chen excitedly.

Just now they were very worried that Dugu Yihe would use force on their disciples of the Emei Sect. Although the current disciples of the Emei Sect are very powerful, they are not at all He is no match for the old great master Dugu Yihe.

Now that His Majesty the Emperor of the Xuantian Empire has arrived, Dugu Yihe is nothing. If Dugu Yihe angers His Majesty the Emperor, His Majesty the Emperor may directly kill Dugu Yihe.

When Su Chen came to Ding Minjun and Ji Xiaofu, he stretched out his arms and hugged them both, and said with a smile,"Get up, we don't have to be so polite!"

Ji Xiaofu and Ding Minjun blushed when Su Chen hugged them. Although Su Chen hugged them whenever he saw them, there are a lot of people here, and they are not as thick-skinned as Su Chen.

"Thanks! Young Master!"

The other disciples of the Emei Sect also smiled slightly when they saw this situation.

The Emei Sect was said by Su Chen to be his harem, and Zhou Zhiruo of the Emei Sect was also Su Chen's wife.

The disciples of the Emei Sect were also divided into batches every year. The first time I went to Xuanniao Palace to practice, it was not an exaggeration to say that the disciples of the Emei sect were Su Chen's subordinates. Dugu

Yihe frowned when he saw Su Chen hugging Ding Minjun and Ji Xiaofu of the Emei sect. Although marriage is not prohibited among the disciples, this dandy boy openly hugged the disciples of the Emei sect in public, which made him very unhappy.

And the disciples of the Emei sect were all displeased with this dandy boy. Kneel down and salute.

The disciples of the Emei Sect just bowed down and saluted him.

Who is this dandy?

After Dugu Yihe heard Su Chen call him an old man, he glared at Su Chen and taunted,

"Pretty boy, who are you?"

"Damn it, you old man, no one has dared to call me a pretty boy for a long time, you are so brave!"

Chapter 1093

Su Chen is very angry now, pretty boy?

Damn old bastard!

This is a title that no one has dared to call him in a long time. Dugu Yihe, an old bastard with a higher ambition than paper, is dead this time.

When Dugu Yihe heard Su Chen yelling and scolding, he puffed his beard and glared, wanting to kill the bastard who insulted him with a sword. However, he thought that the origin of this playboy was unknown, so he could only hold back his anger and figure it out first. The origin of the dandy.

At this time, the disciples of Xuanzhenguan were all angry.

Their master was a powerful master, and he was only one step away from being a land god in the heavenly realm. However, the pretty boy who had just arrived dared to call their master an old bastard. This made them angry. The disciples of Xuanzhen Temple all shouted and cursed at Su Chen,

"presumptuous!"

"you wanna die!"

"Be bold!"

"Kill this pretty boy!"

"If you dare to insult the master, we cannot let him go!"

The Jianghu people around the small lake are all surprised now.

The appearance of Dugu Yihe had already surprised them.

Even when Dugu Yihe was about to order the nuns of the Emei sect, the Jianghu people here were all surprised. I feel something is going to happen.

Just now, the nuns of the Emei Sect were at war with the disciples of Xuanzhenguan.

Dugu Yihe actually wanted to order the disciples of the Emei Sect?

Is Dugu Yihe crazy?

Or is he too self-righteous?

And the one who just arrived The dandy young man even cursed Dugu Yihe rudely, which made everyone watching here feel that something was going to happen.

"Who is that dandy? How dare he hug the disciples of the Emei Sect?"

"I don't know, but the disciples of the Emei Sect knelt down and saluted him. It seems that the young master's status is not low."

"Hey! Do you think that handsome young man could be the son of Master Jue?"

"puff! Damn it, you're overthinking it. Master Miejie doesn't have a son, but this dandy is even more arrogant than Dugu Yihe. Who knows if there will be a fight soon?"

"Yes, it seems that the Emei Sect and the Xuanzhen Temple are incompatible, and Dugu Yihe actually wants to order the Emei Sect. Does Dugu Yihe really think that he can take the Emei Sect as his own with just a marriage contract?"

"I think Dugu Yihe is too arrogant, and I can't stand his arrogance."

The Jianghu people around the small lake, they heard the disciples of Xuanzhenguan scolding Su Chen one after another, and these Jianghu people started talking one after another.

"Shameless pervert!"

After Ming Yuexin saw Su Chen holding Ding Minjun and Ji Xiaofu, she wanted to strangle that bastard to death with a livid expression on her face.

As expected, this bastard was surrounded by beauties everywhere, and those women in Yihua Palace were all She had deep feelings for this bastard, but the nuns of the Emei sect were also like this, which made Mingyue Xin very dissatisfied with Su Chen's promiscuity.

Dugu Yihe asked Su Chen coldly and arrogantly with his hands on his back,

"who are you?"

Su Chen curled his lips and said disdainfully after hearing Dugu Yihe's words, "What? Are you, old bastard, no longer arrogant? Tell you old bastard, the disciples of the Emei Sect are now my people. You'd better not make any more crooked ideas, otherwise you will not be able to bear the consequences."

"snort! Pretty boy, telling lies will get you killed." Dugu Yihe looked at this pretty boy and really didn't know whether to live or die. He exploded with a powerful aura and threatened,

Boom!

" Dugu Yihe burst out with a powerful aura and rushed toward the Emei faction. For a moment, a strong wind blew by the small lake. The wind was blowing, the dust was flying, and the strong breath made the originally calm lake no longer calm.

"Form a sword formation to protect the young master!"

Ding Minjun ordered hurriedly when she saw Dugu Yihe wanted to use his momentum to overwhelm Su Chen. She and Ji Xiaofu immediately used their skills to resist Dugu Yihe's momentum.

Ding ding ding.....

The disciples of the Emei Sect also saw that Dugu Yihe was about to take action.

After hearing Ding Minjun's order, they drew out their swords one by one and formed a sword formation to protect Su Chen in the center. The disciples of the Emei Sect formed a sword formation. It also burst out with a powerful momentum.

Boom boom boom.....

At this moment,

Dugu Yihe's aura and pressure collided with the Emei Sect's sword array aura.

The two powerful momentums collided together and erupted with a huge roar. Even the surrounding trees were shaken and swayed, and the water in the small lake was also shaken by waves.

Dugu Yihe did not expect that the disciples of the Emei Sect could actually block his aura and pressure.

This made his face look ugly.

His disciples were all knocked back by the aura exploded by him and the disciples of the Emei Sect, which made him I feel that not only is he embarrassed here, but his disciples are also embarrassing him here.

The Three Heroes and Four Shows of Xuanzhen Temple were shocked when they saw that the aura erupted by the disciples of the Emei Sect was evenly matched with that of their master.

How did the Emei Sect become so powerful?

Why is the sword formation formed by the nuns of the Emei Sect so powerful?

Sun Qingxiu looked at Ding Minjun and bit her lip. She used to pinch Ding Minjun at will, but now, she felt that she might not be the perfect match for Ding Minjun. Ding Minjun was now much more powerful than her.

The disciples of the Emei Sect also did not expect that their sword array could withstand Dugu Yihe's momentum and pressure, which made them all have excited expressions on their faces.

【The Xing Ling Sword Formation】is indeed powerful.

This is the [Xing Ling Sword Formation] formed by more than ten of them. It can block Dugu Yihe's momentum and pressure. If hundreds of Emei Sect disciples all form the [Xing Ling Sword Formation] according to the astrology, Zero Sword Formation], they all wanted to know if they could suppress Dugu Yihe.

Dugu Yihe drew out his long sword and cursed with a gloomy face,

"Disciples of the Emei Sect, you actually committed the following crime? This time I must teach you a lesson for those rebellious people who don't know the dignity of others."

Lonely Yihe took a long sword and walked towards the nuns of the Emei Sect step by step.

He was embarrassed today. A dignified elder of the Emei Sect was actually unable to step down by the disciples of the Emei Sect. This made him embarrassed. He couldn't help but want to kill these disciples of Master Mijie

"The stars are shining!"

When Ding Minjun saw that Dugu Yihe was about to take action, she directed the disciples of the Emei Sect to activate the Xingling Sword Formation.

After the disciples of the Emei Sect heard Ding Minjun's words, they quickly changed positions with their long swords.

At this time,

The Emei Sect disciples in the sword formation all had their skirts fluttering, and the long swords in their hands were all glowing with stars.

When all the Emei Sect disciples changed their positions and their long swords were all pointing in the same direction, a light curtain emerged. Suddenly appeared in front of them.

Su Chen was very surprised when he saw the sword formation of the Emei Sect.

He had never seen this sword formation before. Is this the sword formation of the Emei Sect? Or the sword formation of Jellyfish Yinji and other women?

However,

This sword formation seems a bit powerful!

Chapter 1094

Beside the small lake, a battle was about to break out.

The people around them all stared wide-eyed.

They all wanted to see who could win the battle between Dugu Yihe and the Emei Sect. Originally, they thought that Dugu Yihe was going to win. Disciples of the Xia'emei Sect are very disguised.

But after the nuns of the Emei Sect used a sword formation, the people here were not sure.

Ming Yuexin's eyes flashed with light as she looked at the Emei Sect's sword formation.

She felt that this sword formation was not simple at all.

This sword formation was a large sect's sword formation. The more people who formed this sword formation, the more powerful the sword formation would be. The power is also more powerful.

She is also very interested in this sword formation.

With more than a dozen grandmaster disciples of the Emei sect, plus two great master disciples, Lonely Yihe may not succeed this time, and may even be defeated by these disciples of the Emei sect. The disciples wounded him with sword array

"You are seeking death! One sword to control!" When Dugu Yihe saw that the Emei sect dared to form a sword formation to fight against him, he slashed at the disciples of the Emei sect with an angry sword.

Boom!

Lonely Yihe's huge sword force burst out with powerful power and sword The formations collided together.

However, the Emei Sect's Xingling Sword Formation was not broken at all.

Lonely Yihe's attack only caused the Emei Sect's sword formation to shake. The white light curtain was not broken by the attack, nor was it dimmed. After coming down, the girls in the sword formation were also in peace.

"The sword is sharp!"

"The Heavenly Sword breaks through!"

"The sword shines all over the world!"

Boom boom boom boom.....

Dugu Yihe was going crazy.

He saw that one sword failed to break through the Emei Sect's sword formation, so he wanted to use another sword to break through the Emei Sect's sword formation.

However, his sword after sword failed to break through the Emei Sect's sword formation.

This made Dugu Yihe's face darken and he kept bursting out with powerful aura, and the long sword in his hand kept attacking the Emei Sect's sword formation.

In the sword formation,

Su Chen touched his chin and looked at Dugu Yihe with a smile.

He was now impressed by the female disciples of the Emei sect. Regardless of whether this sword formation was from the Emei sect or not, they could practice this sword formation so skillfully. , which made Su Chen happy with their hard work

"Change of formation, starlight flash!"

Ding Minjun and Ji Xiaofu didn't expect that the Xingling Sword Formation was so powerful, and Lonely Yihe didn't even break the Xingling Sword Formation for a moment.

This made the two of them feel emboldened, and Ding Minjun continued to control the sword formation in the eyes of the Sword Formation. , continued to order the disciples of the Emei Sect.

After the disciples of the Emei Sect heard Ding Minjun's order again, they moved quickly again. After more than a dozen disciples of the Emei Sect re-formed in the sword formation, one by one Raising the long sword, a strong light burst out.

Strong rays of light gathered in the sword formation at Ding Minjun's eyes. Ding Minjun raised the long sword and after gathering these rays of light, a terrifying purple sword energy appeared on Ding Minjun's long sword. formed in

"Starlight Blitz!"

Ding Minjun looked at Dugu Yihe and raised her long sword to strike at him quickly. She felt that her long sword would not be able to withstand this terrifying sword energy, and the long sword in her hand might break at any time.

Before Ding Minjun struck at Dugu Yihe, When Yihe attacked her, her long sword also shattered, but fortunately she successfully split the sword energy out.

Dugu Yihe didn't pay attention to the Emei Sect's attack at first, but when he saw a powerful force erupting from the sword formation, The sword energy instantly turned into a sword blade and struck him. This made Dugu Yihe quickly take out his other weapon, a knife, and slashed at the blade at the same time.

"Swords and swords unite, splitting the sky and slashing!"

Boom boom boom.....

After a loud noise, dust was flying around the small lake. The surrounding area was even more damaged by the battle just now. The trees either fell to the ground or were cut in half. The fish and shrimp in the lake were also shaken out of the lake by the battle just now.

"Cough cough cough....."

When the dust in the sky slowly dissipated,

Dugu Yihe appeared in front of everyone in a miserable state.

Dugu Yihe was now very miserable. His clothes were in tatters, and even his hair and beard were messy. Lonely Yihe still covered his chest and kept coughing.

The people around were very shocked when they saw Dugu Yihe's embarrassed appearance.

They looked at the Emei Sect who had formed a sword formation and were very frightened.

The powerful Dugu Yihe was injured by the Emei Sect's sword formation.

What if it's people like them?

They had never seen the terrifying sword formation attack just now. If the terrorist attack just now was against them, I am afraid that all the Jianghu people here would be killed one by one. How did the Emei Sect become more and more strange to the Jianghu people here?.

The disciples of Xuanzhenguan all looked at Dugu Yihe in shock. How could a super master who was only one step away from becoming a terrestrial immortal in the realm of gods and humans be injured by the disciples of the Emei sect?

This is difficult for the disciples of Xuanzhen Guan to accept.

The disciples of Xuanzhenguan looked at Dugu Yihe silently.

None of them dared to come forward.

They all knew Dugu Yihe's temper very well, he was arrogant! arrogant! Good face! Arrogance! Now that Dugu Yihe has lost face, if these disciples dare to step forward, Dugu Yihe will kill them in anger.

The disciples of the Emei Sect looked at Dugu Yihe who was injured by them in confusion.

Their stunned looks were very cute.

The disciples of the Emei Sect just thought that they could stop Dugu Yihe for a while. As for defeating him, Injuring Dugu Yihe was something they never dared to think about, and the miserable and embarrassed appearance of Dugu Yihe now was beyond their imagination.

Seeing Dugu Yihe's embarrassed look, Su Chen laughed and mocked,

"Hahaha....., Dugu Yihe, you are not that good either! I thought you were very powerful with your awesome and coaxing look, but I didn't expect that you are not even as good as these disciples of the Emei Sect. You might as well find a piece of tofu and kill you."

Su Chen also wanted to know if he could make Dugu Yihe mad to death. Will the arrogant Dugu Yihe be so angry that he dies this time?

Poof!

Dugu Yihe heard Su Chen's words. He spat out another mouthful of blood after mocking him.

He looked at Su Chen with an angry expression and wanted to cut that pretty boy into pieces, but he couldn't do it.

The pretty boy was hiding in the Emei Sect's sword array. He couldn't break through Emei now. Even the sword array sent by the faction can't do anything against that pretty boy who doesn't know how to live or die.

"master!"

"Master, are you okay?"

"Master, please bandage the wound first!"

"Master, this is healing medicine. Take it quickly."

Some disciples of Xuanzhen Temple saw that Dugu Yihe was vomiting blood again, and there was still blood from the injuries on Dugu Yihe's body. Some disciples who wanted to please Dugu Yihe quickly came to Dugu Yihe and said, boom!

"Get back here, everyone!"

Lonely Yihe had an ugly expression on his face and sent away his disciples who were trying to please him. He looked at Su Chen and threatened with a darkened face, "Young boy, I don't believe you have been hiding in the Emei Sect all your life. In this sword formation, if you are an ordinary person who doesn't know martial arts, I will definitely kill you from now on."

"laugh! You're talking nonsense again. Didn't you just say that you wanted to teach these disciples of the Emei Sect a lesson? However, it seems that you were the one who was taught a lesson, right?"

Chapter 1095

Su Chen didn't care at all about Dugu Yihe's threat.

Would Su Chen be afraid of a land god who was not yet in the heavenly realm? He had already taken care of Mingyue Xin and Bai Yunxuan in the Heavenly Realm, but he didn't pay attention to Dugu Yihe at all. but!

Su Chen thought of Lonely Yihe in some plots.

Lonely Yihe is not Lonely Yihe.

He should be called Ping Duhe.

He should be the same as Huo Xiu, the boss of Qingyi Tower. They are both ministers of the Jinpeng Dynasty. , he and Huo Xiu have monopolized the treasures of the Jinpeng Dynasty, but it is not yet certain whether it is Su Chen in this version.

Su Chen originally wanted to kill Dugu Yihe, but now he is no longer in the mood.

If Huo Xiu from Qingyi Tower is really like Lonely Yihe, a subordinate of Jinpeng Dynasty, then Huo Xiu will definitely not let Lonely go. A crane.

Su Chen felt that Dugu Yihe was Ping Duhe.

Lonely Yihe had not appeared in the arena for decades.

He either wanted to hide his identity or was afraid that two other powerful officials from the Jinpeng Kingdom would discover his existence.

The Jinpeng Dynasty's treasure was divided among their three powerful ministers.

Su Chen didn't want to let go of the Jinpeng Dynasty's treasure, so Dugu Yihe let him live for a while. After he finished dealing with the Mingjiao affairs, Lonely Yihe, Qingyi Tower Huo Xiu and Shangguan Mu want to get their treasures.

At this time,

Lonely Yihe's face turned pale and dark.

He did not expect that this pretty boy really didn't know how to live or die. He was really embarrassed and lost face today, and now an ordinary dandy dared to ridicule him. This It even made Dugu Yihe unable to come to Taiwan.

Dugu Yihe looked at the Emei Sect's sword formation with an ugly expression.

Although he was not seriously injured this time, he did not want to break the Emei Sect's sword formation again.

If he broke the Emei Sect's sword formation and was seriously injured, he would probably be unable to compete for the Ming Cult's Great Shifting Technique. It's beyond my capabilities.

In order to be able to seize the Great Shifting Technique of the Universe, in order to be able to break through to the realm of heaven and earth as immortals.

Dugu Yihe will let these people go this time. As long as he can break through to the heavenly realm, Emei will send these nuns and this pretty boy, and he will let them know the consequences of offending him in the future.

Dugu Yihe looked at Su Chen and said viciously, "Little pretty face, I have written down what happened today."

When Su Chen heard Dugu Yihe's words, he walked out of the Emei Sect's sword formation, but he noticed that Mingyue Xin was here. Here, there is the free thug Ming Yuexin, and Su Chen wants to take advantage of it.

Su Chen walked out of the sword formation and pretended to be arrogant and shouted to Dugu Yihe, "Old bastard, you are just a bastard who bullies the weak and fears the strong. If I just come out, do you dare to kill me?"

"you wanna die!"

Dugu Yihe saw that Su Chen had the sword formation and dared to be arrogant.

He stabbed Su Chen with one sword.

Lonely Yihe's arrogant sword was not used, but he was arrogant and thought that an ordinary person was not worthy of him. Use sword moves

"Young Master, be careful!"

Ding Minjun, Ji Xiaofu and other disciples of the Emei Sect saw Dugu Yihe attacking Su Chen. They were far away and had no time to stop him. Although they knew that Su Chen was powerful, they still shouted to Su Chen to remind him.

"Bright Moon Heart!"

Su Chen saw Dugu Yihe take action and shouted casually,

Bang!

Boom!

Just when Lonely Yihe arrogantly thought that he was going to kill this pretty boy, a beautiful woman appeared silently in front of Su Chen.

She looked towards Dugu Yihe attacked and slapped her palm with disdain, and Dugu Yihe was directly slapped away by her.

Dugu Yihe was directly slapped by Ming Yuexin and flew hundreds of meters away. After he broke several big trees, he Vomiting blood, he fell to the ground and passed out.

"master!"

"Master, hurry up and save the master!"

"Come on, come on, come on, hurry up and save the master!"

"master!"

"Let's go and save the master!"

After the disciples of Xuanzhen Temple saw Dugu Yihe knocked unconscious by the sudden appearance of a beautiful woman, some disciples shouted and rushed to save Lonely Yihe.

However, more Xuanzhen Temple stood still and did not move. , these disciples who were not moving were very afraid that the powerful and beautiful woman who just appeared would kill them.

"Ding Minjun!"

"Young Master!"

"All the disciples of Xuan Zhen Guan were captured, and those who resisted were killed without mercy!"

"Yes, sir!"Ding Minjun's eyes lit up when she heard Su Chen's words. She has long been dissatisfied with the people of Xuanzhen Guan. If Xuanzhen Guan can be destroyed this time, the Emei Sect will no longer have this branch of Xuanzhen Guan in the future.

Ding Minjun waved to the disciples of the Emei Sect, and she immediately took the lead in killing the disciples of the Xuanzhen Temple. The disciples of the Emei Sect were also excited to kill the disciples of the Xuanzhen Temple with their long swords. No. Surrender means death.

This is the order of His Majesty the Emperor.

The disciples of the Emei Sect took action without any hesitation. They did not care that these disciples of Xuanzhen Guan also belonged to the Emei Sect.

Su Chen touched his chin and frowned in thought. ,

Dugu Yihe was seriously injured by Ming Yue Xin, which made Su Chen very speechless.

He had forgotten that Ming Yue Xin was now a murderous female devil. Fortunately, Ming Yue Xin did not slap Lone Yi He to death with one palm, otherwise Jin Peng would He didn't want to think about the kingdom's treasure.

Su Chen looked at Ming Yue Xin and said with bright eyes, "Ming Yue Xin, that Dugu Yihe is Ping Yihe, the minister of Jin Peng Kingdom. You also know about the treasure of Jin Peng Kingdom, right? ?"

"What? Lonely Yihe is Ping Yihe. No wonder there has been no news about Ping Yihe for decades. The Qinglong Society has been exploring the treasures of the Jinpeng Dynasty. Su Chen, are you also interested in the treasures of the Jinpeng Dynasty?" Ming Yuexin was very surprised when she heard Su Chen's words.

There are records of the Qinglong Club's treasure of the Jinpeng Dynasty.

Even the Qinglong Club of the previous generation was looking for the treasure of the Jinpeng Dynasty. However, after Gong Ziyu took over the Qinglong Club, the Jinpeng Dynasty's There was still no news about the treasure.

Ming Yue Xin did not expect that Su Chen knew this and the true identity of Gu Yihe.

Su Chen nodded seriously to Ming Yue Xin and said, "Of course, Ming Yue Xin, Gu Yihe I'll teach you. In addition, Baiyunxuan is in the inn we just went to. This time you will cooperate with Baiyunxuan."

"Baiyunxuan? That stinky woman Bai Yunxuan actually followed. That damn woman, why did you let Bai Yunxuan join in? Aren't you afraid that Bai Yunxuan will inform Gong Ziyu?"

Ming Yuexin asked angrily when she heard Su Chen's words.

She couldn't stand Bai Yunxuan now. That damn woman had been hiding her love for Gong Ziyu.

Bai Yunxuan regarded her as an idiot.

And this bastard actually wants him and Bai Yunxuan to search for the treasures of the Jinpeng Dynasty. This bastard actually believes in Bai Yunxuan? What did this bastard do to Bai Yunxuan just now?

"Don't be angry, don't you want to teach Bai Yunxuan a lesson in the future? This time, as long as you cooperate with Bai Yunxuan to find Lonely Yihe's treasure, I will help you teach Bai Yunxuan a lesson."

Su Chen hugged Ming Yue Xin and patted her back to comfort her.

This time Su Chen had to involve Bai Yunxuan, which was crucial for him to deal with Bai Yunxuan in the future.

He comforted Ming Yue Xin while While he continued,

"This time Bai Yunxuan will not tell Gong Ziyu about this matter. I will write a letter to Bai Yunxuan later. Bai Yunxuan will know how to do it after seeing it."

Chapter 1096

Ming Yuexin was very confused when she heard Su Chen's words.

How could this bastard be sure that Bai Yunxuan would not tell Gong Ziyu about the Jinpeng Dynasty's treasure? You must know that Bai Yunxuan likes Gong Ziyu very much, and is even very loyal to Gong Ziyu.

Could it be that Bai Yunxuan had some clues that fell into Su Chen's hands?

What did this bastard do to Bai Yunxuan?

Su Chen looked at Ming Yuexin's confused look and smiled without saying anything else.

Did he tell Ming Yuexin that he not only beat Bai Yunxuan?

Even kissed her?

If Bai Yunxuan didn't want Gong Ziyu to know about these things, she had to do what she did.

Once a woman likes a man wholeheartedly, her weakness will be exposed.

The more Bai Yunxuan is infatuated with Gong Ziyu, the more she will not want Gong Ziyu to know that she is being bullied.

Women's infatuation is very perverted, and they are also very concerned about their purity.

Beside the small lake, after the disciples of the Emei Sect killed more than a dozen disciples of Xuanzhenguan, all the other ordinary Xuanzhenguan disciples surrendered. Even the Sanying and Sixiu who were trying to escape were killed. The rest were beaten, wounded and captured alive.

After Su Chen asked for a pen for an Emei sect disciple, he wrote a letter asking Ming Yuexin to take Dugu Yihe to Bai Yunxuan.

The treasure of Jinpeng Dynasty!

Dugu Yihe's hiding part depends on Ming Yuexin and Bai Yunxuan.

Su Chen believed that with Ming Yuexin and Bai Yunxuan's intelligence and ruthlessness, they would definitely pry open Dugu Yihe's mouth, and the treasures Dugu Yihe had hidden would also be found by Ming Yuexin and Bai Yunxuan.

The people on the lakeside did not expect that the final result would be like this. Dugu Yihe was not the enemy of the beautiful woman who suddenly appeared, and the disciples of Xuan Zhen Guan were killed and caught.

Who is that powerful woman who suddenly appears?

Why would you take orders from a dandy?

Some disciples from other sects left quickly after seeing the results here. They wanted to tell their leaders about the situation here as soon as possible. Even the strength of the Emei Sect must be known to the leaders of their respective sects.

The people around the small lake all retreated one after another, and the sky also darkened. Beside the small lake, the disciples of the Emei Sect were guarding the disciples of Xuanzhen Temple.

Unless Su Chen had no other orders, these Xuanzhen disciples The disciples of Guan can't let them go.

"Ding Minjun, send someone to notify the garrison in Xikang City and ask the garrison in Xikang City to take these people away."

"Yes, sir!"

With that said,

Ding Minjun pointed to Su Chen and Sun Qingxiu and the girls and continued,"Sir, some of the disciples of Xuanzhenguan are not bad, and they are not evil people. Can you spare their lives, sir?"

"Um?"

Su Chen looked at the women Ding Minjun pointed at when he saw them.

He had no intention of killing these Xuan Zhen Guan disciples, but it was impossible to let them go. Anyway, the army would go to war with the Ming Cult in the future. These Xuan Zhen Guan disciples The disciples can be used as cannon fodder.

"Okay, you can handle this yourself."

"Thank you sir!" When Ding Minjun heard Su Chen's words, he happily saluted and thanked Su Chen.

Xikang City, the residence of the Emei Sect, was where Su Chen rested at night.

Su Chen was lying in bed alone, thinking about what happened today. ,

Ming Yue Xin was sent out by him.

As for whether Ming Yue Xin would escape directly,

Su Chen was not fully confident.

This should be regarded as a test for Ming Yue Xin.

Anyway, Ming Yue Xin's archrival Bai Yunxuan was with her.

Su Chen believed that even if Ming Yuexin wanted to escape,

Bai Yunxuan would stop her.

If Bai Yunxuan didn't want her to be exposed by her humiliation, she would definitely do her best to complete her explanation this time.

Su Chen put her hands on her head and smiled. He said to himself, "The two are equally powerful rivals and love rivals. Ming Yuexin and Bai Yunxuan will definitely be on guard against each other, and even monitor each other. I hope that my decision this time is not wrong, and neither will Ming Yuexin and Bai Yunxuan." What big trouble could you get yourself into?"

"Young Master!"

At this time,

Ding Minjun came into Su Chen's room and called out to Su Chen softly.

When Su Chen saw Ding Minjun coming with his head lowered, he asked doubtfully, "Huh? Ding Minjun, why are you here? It's very late, haven't you rested yet?"

Ding Minjun blushed and stammered, "I.....I come.....I'll take care of the young master"

"Haha, come here!"

"yes!"

The afterglow of the moonlight outside the room shone on the room, and the two people in the room slowly overlapped together. Tonight was another sleepless night, and it was also a romantic night for Ding Minjun.

Mingjiao, bright Guangmingding is now heavily guarded.

Teams of patrolling Mingjiao believers are patrolling the Guangmingding.

There are many Jianghu people gathered under Guangmingding Mountain.

Those Jianghu masters are constantly breaking into Guangmingding. Although they are Mingjiao. The masters of Jianghu killed many Jianghu people, but those Jianghu people who did not know whether to live or die still continued to break into Guangmingding as if seeking death.

In the Guangmingding hall, a heroic middle-aged man sat on the main seat.

He looked at the people under his seat. Many masters of the Ming Cult had been sullen.

He did not expect that the top leaders of the Ming Cult were actually opposed to the rebellion and wanted him, the leader of the Ming Cult, to withdraw the army from Qilian City and even disband the more than 100,000 troops gathered by the Ming Cult.

This middle-aged man reappeared. Yang Dingtian, the former leader of Mingjiao, ordered the gathered troops to occupy Qilian City near Guangmingding more than ten days ago. However, he did not expect that in the past ten days, the higher-ups of Mingjiao would oppose him one by one.

This made Yang Dingtian felt that the higher-ups of the Mingjiao had been hiding under him for these years.

The hearts of these people had changed, and even these people might be loyal to Zhang Wuji, the young leader of the Mingjiao.

Bang!

Yang Dingtian slapped the table hard and was filled with emotion. He shouted angrily,

"Needless to say, the army will not withdraw after it has occupied Qilian City. What is so great about the Xuantian Empire? Our Mingjiao has hundreds of thousands of believers and an army of more than 300,000. No matter how powerful the Xuantian Empire is, it cannot be our opponent."

"Old leader, if you are not in the Central Plains, you don't know how powerful the Xuantian Empire is. The Xuantian Empire is really not something that our Mingjiao can subvert. That is, the Eastern Combat Legion of the Xuantian Empire in the Western Continent is not something that our Mingjiao can resist."

"Yes, the Xuantian Empire's army is simply not something that our Mingjiao can deal with, let alone those powerful masters of the Xuantian Empire."

"The Mingjiao cannot rebel. If it were still the Ming Empire, we would not object. But now the world in the Central Plains belongs to the Xuantian Empire, and the Mingjiao has no chance to gain the world."

"Leader, before the Xuantian Empire takes our Mingjiao seriously, the army should be disbanded quickly, otherwise hundreds of thousands of Mingjiao believers will be trapped and killed by the Xuantian Empire's army."

The Ming Cult's Zuo Protector, several Dharma Kings, Wu San people, and many altar owners all persuaded Yang Dingtian again,

"Needless to say, no matter how powerful the Xuantian Empire is, our Mingjiao will not have no chance. Our Mingjiao has a powerful ally, and it is also a powerful empire."

Chapter 1097

When Yang Dingtian heard the words of the high-ranking officials of Mingjiao, he assured them with confidence.

He has a strong ally this time, although the ally is a foreigner.

But as long as he can seize the Central Plains of the Western Continent, he can also get rid of those alien races in the future.

"Leader, what are the allies you are talking about? Yang Xiao, the bright left envoy of the Ming Cult, asked Yang Dingtian in confusion.

The other senior officials of the Ming Cult also looked at Yang Dingtian.

They were also a little confused by what Yang Dingtian said. What other empires are there in the Western

Continent?

All the empires and small countries in the mainland were destroyed by the Xuantian Empire and surrendered. Even the powerful Dayuan Empire is now in pieces.

Zhao Min, the woman of His Majesty the Emperor of the Xuantian Empire, beat the royal family of the Dayuan Empire and fled to Deep in the desert, the scattered armies of the Yuan Empire are still being annihilated by Zhao Min everywhere.

Which empire is the leader Yang Dingtian talking about?

Yang Dingtian looked at the surrounding Mingjiao executives and said with a smile, "We Do you know the origin of Mingjiao?"

"Shamanism in Persia." Budai monk from Wusan people spoke directly to Yang Dingtian.

Yang Dingtian nodded and continued,

"Yes, I have been in the Mingjiao in Persia during these years of hiding, and I was also received by the Emperor of the Persian Empire. The reason why I returned to China this time to start a rebellion is because I got the support of the Persian Empire. Otherwise, you think I am really capable of getting such a More weapons and food?"

The expressions of the senior officials of the Ming Cult changed when they heard what Yang Dingtian said.

They are all Chinese from the Central Plains, but the leader of the Ming Cult, Yang Dingtian, actually defected to a foreign race and wanted to attract foreign races to fight in the Central Plains. This made the senior officials of the Ming Cult Their expressions were very ugly.

The White-browed Eagle King of the Four Dharma Kings stood up and shouted angrily, "Master, have you defected to a foreign race? Are you going to betray our Chinese clan?"

"Leader, please explain to us clearly, did you really join a foreign race?" Yang Xiao also asked Yang Dingtian with an expressionless face.

The senior officials of Mingjiao all looked at Yang Dingtian angrily. Although their Mingjiao is not a sect native to the Central Plains, they are all from the Central Plains and from China.

They can rebel against the imperial court, but they have to do so according to their ability.

However, they will not do it if they want to unite with foreign races to attack the Central Plains imperial court. This is betraying their nation and their ancestors. This is betraying their ancestors. They couldn't do it even if they died.

Yang Dingtian didn't expect that the top management of Mingjiao would react so strongly.

This was something he didn't expect.

After thinking about it, he changed his attitude and wanted to stabilize these top management of Mingjiao first.

"Don't worry, I have not taken refuge in the Persian Ming Cult, nor have I taken refuge in Persia. I am just using those foreign races. Throughout the ages, those who achieve great things do not stick to trivial matters. As long as we can conquer the Western Continent in the future, even the Persian Empire will not be able to do anything to our Ming Cult."

White-browed Eagle King Yin Zhengtian looked at Xiang Dingtian and said loudly with his eyes wide open,

"I don't agree, leader, what is the Persian Empire? With the Persian Ming Cult, it is no match for the Xuantian Empire. If the Xuantian Empire had not just been established, and rebels and bandits were being cleared everywhere, the surrounding foreign countries would have long ago They were all wiped out one by one"

"Yin Zhengtian, I said, I am using the Persian Empire, do you still want to oppose me? Do you still want your grandson Zhang Wuji to continue to be the leader?"

"Leader, my grandson Zhang Wuji has left the Ming Cult, and he no longer intends to be the leader of the Ming Cult. I'm just not ashamed of you. Just do it."

"Damn it!"

Boom!

The aura of Yang Dingtian's human realm burst out directly. He waved his hand and slapped the White-browed Eagle King Yin Zhengtian. The White-browed Eagle King was directly hit by Yang Dingtian and hit the stone wall. He vomited blood and fell to the ground.

"Eagle King!"

"Old Man Yin!"

"Dharma King! How are you doing?"

"Leader, how can you take action against the White-browed Eagle King?"

"Save the Eagle King quickly!"

The top management of Mingjiao saw the Golden Retriever Lion King Yin Zhengtian being beaten away by Yang Dingtian, which made them all yell and scream. The only four Dharma Kings of Mingjiao were the Golden Retriever Lion King and the White-browed Eagle King, and the Golden Retriever Lion King He is already blind and is considered a useless person. He is still on Ice and Fire Island. The Green-winged Bat King was killed by Princess Zhao Min's people. The Purple-shirted Dragon King has been missing for a long time and may have died long ago. In this way, only the four Dharma Kings are left. A white-browed eagle king.

The current top management of Mingjiao is in a state of decline and can no longer afford any losses.

The left and right guardians of the Mingjiao are Yang Xiao and the right guardian Fan Yao was also discovered next to the undercover Princess Zhao Min. They were executed.

The only remaining members of the Five Disciples were Budai, Zhou Dian, Peng, and Peng Yingyu, as well as various branches of the Ming Cult.

The leaders of each branch also helped the Ming Empire in the last war against the Xuantian Empire. There were countless casualties, especially the ferocious Princess Zhao Min of Dayuan. Most of the masters of the Ming Cult were executed under her orders.

Yang Dingtian burst out with a powerful momentum and threatened the senior officials of the Ming Cult, "I am still the leader of the Ming Cult. This is an order. If anyone dares to disobey me again, I will personally clean up the door."

The senior officials of Mingjiao were threatened by Yang Dingtian's powerful momentum.

They all lowered their heads in silence.

Yang Dingtian is a land immortal in the heaven-human realm, and the most powerful ones here are the Grand Masters. They Even if these Mingjiao high-level officials all took action to resist Yang Dingtian, it would be of no avail.

The next morning, in Xikang City,

Su Chen walked out of the room and stretched his waist. The gentleness in the countryside last night was really good, and

Ding Minjun's tenderness was also I enjoyed it.

It seems that the supporting roles in the world of mixed martial arts are quite good. As long as there are no bullshit plots, some supporting roles will not become dark.

At this time, a beautiful and gentle woman came to Su Chen. He smiled and asked, "Sir, how did you rest last night?"

Su Chen saw Ji Xiaofu arriving and even asked himself what happened last night.

He knew that Ding Minjun came to see him last night. Ji Xiaofu must know.

Su Chen directly hugged Ji Xiaofu and touched her vagina. Fa said, "Ji Xiaofu, do you know if I had a good rest last night?"

Ji Xiaofu lowered her head with a flushed face and said shyly, "I.....how could I know"

"Ha ha! By the way, Xiaofu, where is your master, Master Mijie?" Su Chen laughed when he saw Ji Xiaofu's shy look. Ji Xiaofu, who has a beautiful face, a kind and gentle temper, really makes people like her.

"The master left with Lin Chaoying from the Ancient Tomb Sect. We didn't know what the master and senior Lin were doing. The master just asked us to go to Qilian City, saying that he would meet us there."

"Didn't you go to the Southern Continent?"

"Young Master, Miss Gongsun and Miss Mei were taken to Xuanniao Palace by Sect Master Zhu Yuyan"

"Yuyan? Have you met Zhu Yuyan?"

"Um!"

Su Chen now also understands why Master Jue came to the northwest so quickly.

It turns out that they never went to the southern continent at all.

Master Jue is really lucky.

Damn it.

Su Chen also gave Master Jue three pills for free. With Zhu Guo as a reward, it's impossible for that beautiful lady, Master Jue, to return those Zhu Guo to him.

However!

If the master's debt is repaid by the disciple,

Master Jue's beautiful disciples should be prepared to pay off the debt for their master!

Chapter 1098

In the Wudang Sect, in the Zhenwu Hall,

Zhang Sanfeng was very emotional when he saw Zhang Wuji arriving.

He could not take in his disciples when they arrived. Zhang Wuji led the Ming Cult followers to help the Ming Empire stop Xuantian when the Xuantian Empire attacked the Ming Empire. The

army of the empire, and he had already defected to the Xuantian Empire, it was impossible for Zhang Wuji to stay in the Wudang Sect by him.

Zhang Sanfeng sighed when he saw Zhang Wuji pretending to be a commoner.

"Wuji, Master can't help you. The Wudang Sect was in crisis due to Song Qingshu's last martial arts competition at the top of the Forbidden City. If it weren't for the help of the Emei Sect's Mijie Shitai, the Wudang Sect may have ceased to exist. The Wudang Sect has surrendered to Changle. Princess, Master, I am also Princess Changle's subordinate."

"Master, I have nowhere to go now. This time I came back secretly just to ask Master to show me a clear way."

Zhang Wuji has no choice.

After the return of the former leader of the Ming Cult, Yang Dingtian, his position in the Ming Cult is very embarrassing. He is even worried that Yang Dingtian will be unfavorable to him. After all, Yang Dingtian is a land god in the heavenly realm. He can He was no match for Yang Dingtian.

Zhang Wuji had no choice but to quit the Mingjiao in order to save his life.

If he had continued to stay in the Mingjiao, he might really be killed by Yang Dingtian as a thorn in his side. Zhang Sanfeng patted Zhang Wuji on the shoulder and reminded, "Go Find your adoptive father, the Golden Retriever Lion King. I got news that someone discovered the existence of Ice and Fire Island. Your adoptive father is not safe on Ice and Fire Island now. Some people in the world really want to know the secret of the Dragon Sword."

Zhang Wuji became anxious when he heard Zhang Sanfeng's words. Golden Retriever Lion King Xie Xun was his adoptive father, and he would not watch Xie Xun fall into crisis, "What? Someone discovered Binghuo Island. No, I have to go to Binghuo Island quickly, otherwise my foster father will be in danger."

"Wuji, please don't offend the Xuantian Empire again. That is not an existence you can provoke. Although I am a terrestrial immortal in the heavenly realm, I dare not make mistakes when facing the Xuantian Empire. The Xuantian Empire is too powerful.." Zhang Wuji felt very angry and hateful when he thought of the Ming Cult members and some high-level officials who died in the last war. Especially the Golden Wing Bat King Wei Yixiao who was executed by that evil woman

Zhao Min in order to save him. How could he not do this? Those followers of the Ming Cult want to take revenge? How could they not avenge Wei Yixiao who died to save him?

"I understand, Master, I will go to Binghuo Island right away. Master, please take care of yourself in the future."

Zhang Wuji saluted Zhang Sanfeng and left in a hurry.

Zhang Sanfeng was very helpless when he saw Zhang Wuji leaving.

Zhang Wuji still didn't listen to his words.

He saw hatred in Zhang Wuji's eyes, so he guessed that Zhang Wuji would still want to marry Xuan. The Heavenly Empire did the right thing, but the Mingjiao suffered heavy casualties in the hands of Zhang Wuji. Zhang Wuji's hatred for the Xuantian Empire I'm afraid it's really hard to get rid of.

He has no control over where Zhang Wuji will go in the future. Among the three generations of disciples of the Wudang Sect, Song Qingshu was killed by him personally. Zhang Wuji joined the Ming Cult, and the Wudang Sect has no successors.

At this time,

Su Chen once again set off to the Bright Summit of the Ming Sect alone. Su Chen, a disciple of the Emei Sect, did not let them continue to Qilian City, where a war was about to break out.

It didn't matter whether the disciples of the Emei Sect would go or not, and Su Chen didn't want these beautiful female disciples to be killed or injured in the war.

Li Xiuning's Eastern Combat Corps was about to take action against Mingjiao, and Zhao Min's army had already arrived from the grassland. Even if Mingjiao had some strong allies this time, it would be impossible for Mingjiao to survive the encirclement and attack by Zhao Min and Li Xiuning's troops.

Qilian City,

Su Chen arrived here after more than a day, but when he saw the situation in Qilian City, he frowned.

Qilian City is now a hell on earth, with corpses everywhere from the city gate to Qilian City.

These basic Above are the corpses of Qilian people. All the three thousand city guards in Qilian City were killed when the Mingjiao attacked. I am afraid that there are not many Qilian City people left now.

Su Chen came out after looking around in Qilian City.

Qilian City is no longer a place for people. The followers of the Ming Cult are all worthy of death. The remaining people in Qilian City have been enslaved by the Ming Cult, and some women's The situation is even more miserable.

It was impossible for the Ming Cult to stay, and

Su Chen did not expect the Ming Cult followers to be so cruel.

In a mountain forest not far from Guangmingding, there are many Jianghu people gathered here. These Jianghu people are waiting for the Xuantian Empire to encircle and suppress the Mingjiao to compete for the Mingjiao's Great Shifting Technique.

A technique that can stimulate the potential of the human body.

The people in the world who came this time really wanted to get it.

In the mountains and forests,

"Huh? Isn't that Dai Qisi?"

Su Chen appeared under a tree and saw three women not far away. Su Chen knew the old and two young women. It could even be said that they were very familiar. Su Chen still remembered the woman who wanted to be his mother. New.

Su Chen thought for a while and walked towards Dai Qisi and the others.

He wanted to know if Dai Qisi knew why Yang Dingtian faked his death?

Why did he suddenly appear?

And who is Yang Dingtian ? Supporting him with weapons and food?

Su Chen quickly came to Dai Qisi's side and smiled and said, "Grandma Jinhua, long time no see!"

"you.....Why are you here?" Dai Qisi was very surprised when she saw Su Chen's appearance.

She didn't expect that Su Chen would appear here. An imperial emperor actually came to the Mingjiao. It seemed that this bastard came alone. This made Dai Qisi... Su Chen's arrival was very shocking.

Xiao Zhao and Yin Li also looked at Su Chen dumbfounded.

They all knew Su Chen's identity, but how could Su Chen, who had just founded the country, appear here? Could it be that he was rebelling against the Ming Cult? But it doesn't take an imperial emperor to come in person for the Mingjiao to rebel, right?

"Grandma Jinhua, why don't you recognize me as your son?" Su Chen looked at Dai Qisi, who was still dressed as an old woman, and sat next to her.

Su Chen knew Dai Qisi's identity clearly. He had not seen the true face of the purple-robed Dragon King last time in the capital of the Ming Dynasty. This time he planned to meet the most beautiful woman in the Western Continent more than ten years ago. The

Purple-Shirt Dragon King of the Ming Cult was a stunning mixed-race beauty. Most of the top management of the Ming Cult had pursued the Purple-Shirt Dragon King Dai Qisi, but they didn't expect it. Dai Qisi actually ran away with a pretty boy.

Dai Qisi saw this bastard sitting next to her, which made her feel very uncomfortable.

She moved her body and glanced at Su Chen with a smile and said, "Haha, you It's okay if you want to be my son!"

"Just dream!"

"By the way, why are you here in Mingjiao? Many people in Mingjiao know your identity, so aren't you afraid of exposing your identity?"

Chapter 1099

In the mountain forest, when Su Chen was sitting next to Dai Qisi, the people here looked over one after another.

They all knew that Granny Jinhua had a weird personality and even killed people at every turn, but a young man actually did it to Granny Jinhua. There were people talking and laughing around, which made the people here very curious.

Who is this young man who has just arrived?

Yin Li blushed and handed Su Chen a water bag.

She didn't dare to think anything wrong about Su Chen now. An emperor was not worthy of an ugly woman like her. She thought of meeting Su Chen in a restaurant last year. She is very shy about things.

Su Chen nodded to Yin Li and drank.

He was not thirsty, but when he saw Yin Li blushing,

Su Chen felt that he could not live up to Yin Li's enthusiasm.

"Grandma Jinhua, I will put on a human skin mask soon, so it is impossible for people from the Ming Cult to recognize me."

Dai Qisi nodded when she heard Su Chen's words, "This is best. Your identity is too special. If it is exposed here, I am afraid that the rebellious Ming Church will catch you at all costs."

"Granny Jinhua, do you know why Yang Dingtian suddenly appeared? Is there any force behind Yang Dingtian?"

Dai Qisi's face was very complicated when she heard Su Chen's words.

Yang Dingtian can be said to be her adoptive father.

Although it was pretending,

Yang Dingtian was really good to her at that time, but since Yang Dingtian has no reason to After his disappearance, which could even be said to be a fake death, Dai Qisi felt that Yang Dingtian could not die and would not disappear for no reason.

Later, under her investigation,

Dai Qisi discovered that people from the Persian Ming Cult had arrived in the Central Plains.

And it seemed that it was related to the disappearance of Yang Dingtian.

Dai Qisi was also afraid of being taken back to Persia by people from the Persian Ming Cult, so she pretended to fall in love with Mr. Silver Leaf Han Qianye and escaped from the Ming Cult.

This time she had to come. After Dai Qisi reappeared in Yang Dingtian of the Ming Sect, she discovered that the followers of the Ming Sect were all looking for Dai Qisi, the purple-shirted dragon king. This made Dai Qisi very worried that her identity would be discovered by the Ming Sect. In the end , Dangerous places are the safest.

Dai Qisi also wanted to appear near Guangmingding with many Jianghu people. The believers who wanted to come to Mingjiao would definitely not expect her to appear here. She was absolutely safe here, as long as Su Chen's Xuantian Empire's army destroyed the Ming Cult, and her danger would automatically disappear.

Dai Qisi thought about it and said to Su Chen seriously,

"Boy, I know what you are going to ask. This time Yang Dingtian came back from the Persian Empire. Yang Dingtian may have been in Persia during the years when he disappeared, and may even have cooperated with the Persian Mingjiao."

Su Chen shook his head when he heard Dai Qisi's words.

He understood now that

Yang Dingtian might be cooperating with the Persian Empire. No wonder Yang Dingtian would provide so many weapons, equipment, and food.

The Persian Empire?

That one ? The incompetent empire of curry chicken dared to attack his empire.

Su Chen felt that it was time to clean up the surrounding foreign countries. A weak Persian dared to arrogantly attack his Xuantian Empire. He was the one who destroyed the Persian Empire. deal

"Persian Mingjiao? No! It is impossible for the Persian Mingjiao to provide weapons and food for hundreds of thousands of people to Yang Dingtian, and the Persian Mingjiao does not have that ability. If the Persian Empire can make sense of it.

Dai Qisi was surprised when she heard Su Chen's words and asked,"Are you saying that Yang Dingtian has the support of the Persian Ming Cult and the Persian Empire?"

"Yes!"

Su Chen nodded and confirmed.

Dai Qisi did not expect that Yang Dingtian would do this. This is a matter of betraying his ancestors and forgetting his ancestors. How could Yang Dingtian dare to do this? Isn't he afraid of being scolded by future generations? Him?

Although Dai Qisi is a mixed-race woman, her father is from the Central Plains.

Although she grew up in Persia, she has never forgotten her father's teachings.

She is a Chinese from the Central Plains.

Dai Qisi is deeply touched. He exhaled and said, "Phew! It seems that Yang Dingtian has betrayed our nation. A dignified Mingjiao leader would actually become a lackey of a foreign race. Yang Dingtian is hopeless."

Su Chen was very strange when she heard Dai Qisi's words.

Dai Qisi is a Persian, how could she say such a thing?

Could it be that Dai Qisi has been in the Central Plains for decades and already thinks of herself as a Central Plains person?

Dai Qisi Dai Qisi found that Su Chen's eyes were looking at her strangely, which made Dai Qisi very confused, "What are you looking at? Isn't what I said wrong?"

"Yes, very true!" Su Chen didn't want to argue with Dai Qisi about these meaningless things. It didn't matter whether Dai Qisi was a Persian or a Central Plains person, as long as she was not an enemy. At this moment, a Jianghu person suddenly arrived. He shouted, "Something happened, something big happened within Mingjiao."

"What happened? Does the Mingjiao dare to come and kill the Jianghu people here?"

"There are thousands of Jianghu people here, and this is a mountainous area. We are not afraid even if the Mingjiao sends their troops."

"Tell me what happened?"

"Yes, Mingjiao does not dare to offend our Jianghu people here at this time, but what happened?"

"yes! Tell me quickly what happened?"

The Jianghu people here gathered around the Jianghu people who had just arrived and started talking. The

Jianghu people who arrived took a breath and said hurriedly, "It's like this. Last night, some of our Qinggong people who were good at qinggong sneaked into the Mingjiao and discovered some of the Mingjiao people. The high-ranking officials were all imprisoned by Yang Dingtian, including the White-browed Eagle King Yin Zhengtian, the Budai monk of the Wusan people, and some altar masters of the Ming Cult."

The Jianghu people around did not expect that the Mingjiao would be in civil strife before the Xuantian Empire's army started to encircle and suppress the Mingjiao.

However, the Jianghu people here were also very happy.

The more chaotic the Mingjiao, the better, so that they could fish in troubled waters and rob the Mingjiao. The Great Shifting Technique of the Universe.

Su Chen, Dai Qisi and others also heard what the Jianghu man said just now, but they didn't care. No matter whether the Mingjiao is in chaos or not, they cannot be the opponent of Li Xiuning's army.

Su Chen saw When the people around him were walking out of the mountains and forests in twos and threes, he lay on the grass with Dai Qisi's legs in mind and planned to take a rest.

"What are you doing, you bastard?" When Dai Qisi saw that this bastard was actually resting on her leg, she immediately pushed Su Chen away and asked loudly,

"I'll take a break." Su Chen rested his head on Dai Qisi's legs again and shamelessly closed his eyes and said,

"Get up, you won't rest against a tree?"

"It was so hard, I couldn't stand it. Dai

Qisi glared at Su Chen in shame and anger and threatened, "Damn bastard, get up quickly, or I'm going to take action.""

Dai Qisi's face under the human skin mask is now very red.

She didn't expect that this bastard would actually rest on her legs, an old woman, and refused to get up.

If it weren't for the fact that she was wearing a human skin mask, she looked like an old woman. Dress up, Daisy will definitely think that this bastard is trying to take advantage of her

"No, I'll just take a rest. I rushed here non-stop. I'm a little tired."

"you.....You bastard, go and rest on Xiao Zhao or A Li."

Chapter 1100

Dai Qisi really has no way to deal with this bastard.

An emperor is so shameless.

She is helpless to this bastard.

Fortunately, all the people in the world have gone out, otherwise they will see this situation. I'm afraid she would be ashamed to pretend to be an old woman.

Su Chen smelled the fragrance of Dai Qisi's body and closed his eyes and thought.

He was not tired, but he had a preliminary understanding of the Ming Cult. He was now thinking about how to deal with the Ming Cult and the Persian Empire.

The Mingjiao is easy to deal with.

As long as Li Xiuning's legion arrives, the Mingjiao's hundreds of thousands of troops are not enough to massacre the Eastern Combat Legion.

What about the Persian Empire?

When will the Persian Empire's army arrive? Where to start attacking his Xuantian Empire? He didn't know all this yet, and what kind of combat legion should he send to destroy the Persian Empire?

Su Chen really fell asleep thinking about this.

"Damn bastard!"

When Dai Qisi saw that this bastard Su Chen had really fallen asleep, she gritted her teeth and ignored him.

Let this bastard rest on her lap for once.

Xiao Zhao and Yin Li didn't even notice this. What to say, it's just that they secretly looked at Dai Qisi from time to time.

They knew Dai Qisi's true appearance, and they also guessed that Su Chen didn't know Dai Qisi's appearance, otherwise the two little girls would definitely overthink it.

Yin Li patted Xiao Zhao on the shoulder and said to Xiao Sheng, "Xiao Zhao, I didn't expect that your mother actually let Mr. Su rest on her legs."

"Are not you just saw it?" Xiao Zhao glanced at Yin Li and replied angrily,

"Do you think that if Mr. Su discovers your mother's peerless appearance, will Mr. Su take bad notices from your mother-in-law?"

"I.....I.....how could I know"

"Guess, you guess"

"I won't guess!"

Dai Qisi's face turned dark when she heard what Xiao Zhao and Yin Li said.

These two little girls are so lawless.

They dare to say these words next to her.

Don't they know that with their own strength, she can Did you hear the conversation between Xiao Zhao and Yin Li clearly?

It seems that the discipline of these two little girls will have to be strengthened in the future.

At this time, outside the mountains and forests, thousands of people from all walks of life came out of the mountains and forests to look at Guangmingding. All the Jianghu people here know about the accident. They all want to know whether civil strife will break out in Guangmingding today. If civil strife breaks out in Guangmingding, you and the Jianghu people here will have the opportunity to take advantage of it.

In an open space outside the mountain forest,

There are Kunlun Sect, Tianshan Sect, Snow Mountain Sect, Iron Sword Sect, Tang Sect and other Central Plains sects here, and even the Tantric Lamas from the Western Regions who came from the grasslands.

These are some sects that are not very powerful, and only such sects can challenge Mingjiao. He was interested in the Great Movement of the Universe.

The heads of more than a dozen sects gathered together, and they discussed the problems after the Mingjiao incident.

He Taichong of the Kunlun Sect said to some of the leaders of the surrounding sects,

"Everyone, if something happens to the Ming Cult today, we must first work together to defeat the masters of the Ming Cult. As for the Ming Cult's Great Shifting Technique, we can discuss the distribution after defeating the masters of the Ming Cult."

"Yes, the Mingjiao is our biggest enemy. Only after dealing with the Mingjiao first can we obtain the Mingjiao's Great Shifting Technique."

"Um! I also agree that we don't know Yang Dingtian's strength, but he is definitely very powerful and we cannot take it lightly."

"Don't worry, everyone, our Tang Sect's hidden weapons are not for nothing. No matter how powerful Yang Dingtian is, he can't escape our Tang Sect's hidden weapons."

"Well said, Yang Dingtian may really have to rely on your Tang Sect to deal with it, but why haven't the Emei Sect and Wudang Sect arrived yet?"

"The strength of the Emei Sect cannot be underestimated now. The disciples of the Emei Sect can make the long-famous Dugu Yihe helpless. We must be on guard against the Emei Sect."

"That's right. I heard that the Emei Sect has a close relationship with His Majesty the Emperor of the Xuantian Empire. We can only be on guard against the Emei Sect and cannot be at odds with the Emei Sect."

"The Wudang Sect people should be arriving soon, and we don't have to wait for the Wudang Sect. The Wudang Sect just came with one Mo Shenggu and some third-generation Wudang Sect disciples."

The heads of other sects also expressed their opinions.

The Ming Cult's Great Shift of the Universe is a heaven-level skill. None of these small sects have a heaven-level skill secret book. If they can copy a heaven-level skill this time, It was a worthwhile trip for them to learn super-level skills and secrets.

At this time,

Su Chen felt embarrassed after resting for a while. He did not expect that he would be drooling while sleeping, which made him look at the angry Dai Qisi. Feeling very embarrassed.

Su Chen hurriedly explained to Dai Qisi, "That.....That's a misunderstanding. I never drool when I sleep. Maybe it's because I'm too tired today."

"You damn bastard, I want to kill you right now." Dai Qisi looked at her dress and it was wet. She clenched her fists and cursed angrily.

Dai Qisi's dress was wet in the most important part. This was a very embarrassing thing. Although she You can use internal force to steam it dry, but this is saliva, and there will be some traces even after it is steamed dry.

Dai Qisi is so ashamed and angry that she wants to strangle this shameless bastard.

"Calm down, calm down, Daisy, calm down." Su Chen saw that Dai Qisi was about to take action, so he hurriedly tried to persuade Dai Qisi.

When Dai Qisi heard that Su Chen actually called her name, Dai Qisi looked ugly and grabbed Su Chen's chest. The clothes forced him to ask, "What did you call me?" Damn bastard, you already knew my identity?"

Fuck!

He! He actually let it slip!

It's over now.

If he says it's nonsense that he didn't wake up from his sleep, Dai Qisi will definitely not believe it. How is he going to get along with Dai Qi? Explanation?

Xiao Zhao and Yin Li originally saw Su Chen and Dai Qisi arguing, and they didn't know what happened.

But when they heard Su Chen call out Dai Qisi's name, they looked at Su Chen one by one. Chen was getting weirder and weirder.

Yin Li leaned his little head towards Xiao Zhao and whispered, "Xiao Zhao, Mr. Su has discovered the identity of his mother-in-law a long time ago. Do you think Mr. Su also knows the true appearance of his mother-in-law?"

"this.....Maybe you know!" Xiao Zhao looked confused and answered uncertainly.

Yin Li looked at Su Chen and guessed,

"Mr. Su must have rested on his mother-in-law's lap on purpose just now. No wonder Mr. Su didn't dislike his mother-in-law for being an old woman. It turned out that he had long known that her mother-in-law was a stunning beauty."

At this moment,

Dai Qisi grabbed Su Chen angrily and pushed him down on the grass. Her dragon-head crutch was directly on Su Chen's chest to blast this bastard. When

Su Chen saw Dai Qisi The deputy looked like he was going to beat himself up and said hurriedly, "I'll do it! Dai Qisi, don't do anything yet, I can explain, I can explain to you"

"Shameless bastard, please explain to the King of Hell later!"
