

Zongwu 1101

Chapter 1101

Dai Qisi is very angry now.

This bastard knew her identity from the beginning, so he must be teasing her on purpose.

Damn it, she is already old, and this bastard is still interested in her. This time If she doesn't teach this bastard a lesson, the anger in her heart will never go away.

I'll do it!

Is it true that Dai Qisi is coming?

Su Chen hurriedly struggled hard, and he turned over and pressed Dai Qisi down, and his hands were pressed where they shouldn't be.

The air suddenly froze, and the atmosphere was so quiet that you could hear breathing.

Xiao Zhao and Yin Li were dumbfounded as they watched Su Chen and Dai Qisi hurriedly cover their mouths. They were all scared and screamed for a while, but their eyes were wide open and they looked at all this in disbelief.

Su Chen stood up hurriedly and awkwardly and said, "I.....I didn't mean it, see you later!"

Whoosh!

As Su Chen said this, he quickly teleported and disappeared.

He got into big trouble this time. Dai Qisi will definitely not let him go in the future, and may even kill her as soon as they meet.

But!

That feeling is really real. Yes,

Dai Qisi's figure was really well hidden. Her protruding figure could not be seen from the outside at all. If it hadn't been for his unintentional move this time, he really wouldn't have known that Dai Qisi's figure would be so perfect.

"Su Chen, I will not let you go, I will definitely kill you." When Dai Qisi reacted, she found that the bastard had run away, which made her yell and cursed with shame and anger.

Dai Qisi did not expect that her pure and pure body, which she had preserved for many years, would be tainted by that bastard.

This made her She was angry and embarrassed.

Dai Qisi also knew that the bastard was careless this time, but the fact had already happened, and she could not just go around that bastard.

Xiao Zhao and Yin Li hurriedly shrank their heads. At this time, they wanted to be invisible. Dai Qisi's angry look was too scary. They didn't want to be affected by Dai Qisi's anger.

Dai Qisi looked at Xiao Zhao and Yin Li and shouted in embarrassment, "You guys Come here, let's go find that bastard now. If I don't kill that bastard, I won't be Granny Jinhua."

"Mother-in-law, you are Dai Qisi!" Yin Li hurriedly corrected him after hearing Dai Qisi's words.

Xiao Zhao also nodded beside him to indicate that Yin Li was right.

"Shut up! What I say is what I say." Dai Qisi patted her forehead and was very speechless.

Could it be that she didn't know her name?

Can that bastard Su Chen be killed?

As long as she can teach that bastard a lesson, she would be thankful to God. That bastard can't be killed

"Yes, mother-in-law!"

At this moment, on the official road leading to the middle of Shu,

Bai Yunxuan and Ming Yuexin were sitting in a carriage angrily quarreling at each other. Behind their carriage was another carriage, which was closely guarded by more than ten guards in black. Ming Yuexin rubbed her swollen eyes and asked Bai Yunxuan, "Bai Yunxuan, what did Su Chen write in the letter? Why do you obey Su Chen's orders?"

"none of your business!"

Bai Yunxuan also hurriedly rubbed her swollen eyes.

She and Ming Yuexin stared at each other for several hours. If Ming Yuexin hadn't rubbed her eyes first, she would have been unable to hold on.

And that bastard Su Chen, that The bastard dared to threaten her with humiliating her to help him, which made Bai Yunxuan even more angry.

But she had to help the bastard, otherwise if Gong Ziyu really knew about those things, the extremely smart and jealous Gongzi Yu will definitely doubt his loyalty.

Now Ming Yuexin has finally left Gongzi Yu.

Bai Yunxuan has a very good chance of getting Gongzi Yu's love.

Bai Yunxuan doesn't want what happened between her and Su Chen to be exposed, that bastard Su Chen She must kill him and silence him in the future, and those shameful things about her will completely kill everyone who knows about it. When

Ming Yuexin heard Bai Yunxuan's arrogant words, she stretched out her fist and threatened, "Crazy Bai, do you want to be beaten?"

"Idiot girl, we are of equal strength, can you beat me? Bai Yunxuan looked at Mingyue Tower with disdain and sneered,

"snort! Sooner or later I will teach you a lesson, this insidious villain."

"Am I sinister? Idiot girl, that can only mean that you are an idiot. Gong Ziyu has never liked you, you are just his pawn."

"White madman, if I am a chess piece, then who are you? It sounds like Gong Ziyu likes you, so don't deceive yourself here."

"I....."

Bai Yunxuan wanted to refute what Ming Yue Xin said, but she opened her mouth and couldn't say anything.

Bai Yunxuan knew that what Ming Yue Xin said was right. When she was with Gong Ziyu, she only helped him do things. She and Gong Ziyu were like superiors and subordinates. Gong Ziyu would not come to her if there was anything going on, but he had a mission to find her.

Bai Yunxuan is also very confused now.

She has been paying silently for decades.

Is Gongziyu worthy of continuing to pay silently?

Ming Yuexin took out a jade box from her arms.

She felt very complicated when she looked at the jade box.

This time she helped Su Chen find part of the Jinpeng Dynasty's treasure. Su Chen gave her a reward, although she didn't need the reward. But he never expected that Su Chen's reward would be spiritual stones.

This made her wonder what that bastard meant all the way.

Did that bastard like her?

Ming Yuexin shook her head and rejected the idea.

That bastard Su Chen was so beautiful that even though she was pretty, that bastard might not necessarily fall in love with her.

However, she also decided that this time Su Chen would try her best to find the treasure of the Jinpeng Dynasty. This could be regarded as the reward for the spiritual stone that the bastard gave her.

Ming Yuexin shook the jade box and looked at Bai Yunxuan and said,

"Bai Yunxuan, Gong Ziyu, I won't argue with you anymore. After passing the task assigned by that bastard this time, you must help me with all your heart. I know that your mechanism skills are also good, and Zhi'er has taught you a lot. Mechanism"

"Humph, it depends on my mood." Bai Yunxuan looked out of the carriage proudly and replied,

"Aren't you pretending to die?" Ming Yuexin was speechless when she saw Bai Yunxuan's arrogant look.

"snort!"

"Humph, that bastard also gave you a reward, but now I declare that your reward belongs to me."

Bai Yunxuan's heart skipped a beat when she heard Ming Yue Xin's words.

She thought of Su Chen's letter saying that if she completed this mission, Su Chen would ask Ming Yue Xin to give her the reward for this mission. Although she didn't care about the reward, she couldn't. Taking advantage of her mortal enemy.

Bai Yunxuan suddenly turned around and shouted to Ming Yuexin, "That's my reward, you can't keep it for yourself."

"Huh, it depends on my mood"

"Damn it, will you die if you don't pretend?"

Chapter 1102

Ming Yuexin and Bai Yunxuan were noisily heading towards Shu, and on the horse behind them,

Lonely Yihe was tied up and lying in the carriage with his cultivation level abolished.

He was feeling gloomy now.

This time he was taught clearly. He was very unwilling to end up like this before he even arrived.

But it's no use, that crazy woman is too cruel, and now there is no good part of him.

That crazy woman asked the guards in black to burn his body piece by piece with a branding iron, and even used a dagger to kill him. He couldn't die even if he wanted to.

This made Dugu Yihe really unbearable, so he handed over all the Jinpeng Dynasty's treasures.

The surrounding secret guards were handed over to Ming Yue Xin by Su Chen.

These secret guards also worked in the hands of Ming Yue Xin and Bai Yunxuan, and were responsible for transporting the treasure after they found it.

It's just that these secret guards stayed far away from the carriage in front of them, and the secret guards who mounted Ming Yuexin's carriage were also cautious.

The two people in the carriage were very violent, and they would fight and kill each other at every turn. This made the secret guards very afraid of the two women in the carriage.

-

Mingjiao Guangmingding,

Su Chen appeared in Guangmingding with a human skin mask.

He dare not go back to the forest now. Dai Qisi is angry now. If he appears in front of Dai Qisi again, Dai Qisi will He will go crazy and ignore the people around him and will teach him a lesson.

While Su Chen was looking around at the various buildings in Guangmingding, a small leader of the Ming Cult saw Su Chen wandering around and stepped forward and asked, "Who are you? Why are you here?"

Su Chen saw the small leader of the Ming Cult asking. He didn't panic himself. Now he was wearing a human skin mask and even put on the clothes of a disciple of the Ming Cult. "Me? I don't know. I came here just walking."

"Are you a believer in that altar?" The little leader of Mingjiao looked at Su Chen and asked doubtfully.

Su Chen confidently replied to the little leader, "I am from Qinglongtan. Guangmingding is too big. I got lost several times."

"Qinglongtan? Why haven't I seen you? Forget it, it seems that you have just been transferred here. You are a cultivator with acquired cultivation level, so you better not run around. You and I come here, and you will be on duty in the back hall from now on."

"Ah, oh, I see"

"Seeing how silly you are, you should be more careful when you are on duty in the back hall later. The senior leaders of our Mingjiao are in a bad mood right now. Don't fall into their crosshairs."

"Yes, yes, I understand."

Su Chen was very speechless when he saw this verbose little leader.

However, it was good to be able to come to the apse openly. In the apse of Guangmingding, he should be able to find out the time and route of the Persian Empire's advance.

Su Chen Chen Chen was arranged by the Mingjiao leader to stand guard in a passage.

Su Chen looked at this passage and began to size it up. There was a room at the end of the passage, but there were thirty or forty Mingjiao believers standing guard in the passage. Su Chen felt that that room It must be very important

"Saw Madam!"

"Saw Madam!"

"Saw Madam!"

At this moment, a veiled woman in white came over from outside, and the Mingjiao believers in the passage saluted this woman one after another.

"come here!"

"I?"

Su Chen was originally sizing up this veiled woman with a protruding figure and an upturned back, but she didn't expect that this woman would actually call him. This made Su Chen very confused when he looked at the Mingjiao believers around him.

"It's you, come here quickly."The veiled woman continued to shout when she saw that Su Chen was dazed.

"oh! oh!" Su Chen was even more confused when he saw that the Mingjiao believers around him were gloating about his misfortune. Is this woman a pervert? Otherwise, why would these Mingjiao believers look afraid of her, and even gloated when they saw him being called? ? After Su Chen followed the veiled woman into the room guarded by the Mingjiao believer, he discovered that this place turned out to be a boudoir. How could a woman's boudoir be guarded by so many Mingjiao believers?

"Go push the table away!"

"okay!"

After Su Chen pushed the table in the room, he discovered that there was a secret passage under the table. This made Su Chen very confused when he looked at the veiled woman.

What on earth was this veiled woman doing?

Why was there a secret passage in her room ? Secret passage?

What is she going to do with this secret passage?

After seeing the secret passage, the veiled woman ordered Su Chen,

"Go down"

"Go down? do what?"

Su Chen pointed at the narrow secret passage and said.

The veiled woman pushed Su Chen and hurriedly urged,"Why are you talking so much nonsense? Just do whatever I ask you to do."

Su Chen reluctantly bent down and entered the secret passage, and the veiled woman behind Su Chen also followed Su Chen into the secret passage.

"This way."

In the secret passage, this veiled woman seemed to be very familiar.

He directed Su Chen to walk around in the secret passage for almost a quarter of an hour.

Finally,

Su Chen and the veiled woman came to a wide secret room.

Su Chen After entering the secret room, she looked around.

The veiled woman carefully opened an observation port on one side of the secret room, and then she lay down on the observation port and looked inside.

After Su Chen saw this situation, He hurriedly came over to see what the veiled woman was looking at. As soon as he leaned over, he heard a voice coming from the opposite room.

"Miao Fengzhi, the Mingjiao here is ready. In more than ten days, another hundred thousand Mingjiao believers will be armed. When will the army of the Persian Empire arrive?"

"Master Yang, the Persian Empire's army has already set off and will appear in the Western Region of the Western Continent in a month. You just need to do your essential tasks well."

"I see! How many masters will the Persian Ming Cult have this time? The Xuantian Empire has several terrestrial immortals who are in the heavenly realm. If the masters of the Persian Ming Cult were not strong enough to show their strength, I am afraid that we would all be beheaded by the masters of the Xuantian Empire."

"Haha, how is it possible that the Xuantian Empire has several land gods in the Heavenly Realm? You must know that our Persian Mingjiao has only cultivated two land gods in the heaven and human realm after hundreds of years. The Xuantian Empire is just a newly established empire. It is impossible to have land gods in the heaven and human realm. You may be rejected by those Mingjiao who oppose you. The higher-ups were deceived"

"I think so too, but we have to be careful"

"Well, this time our Three Holy Envoys and the Twelve Treasure Tree Kings are here, and the Persian army of 500,000 will use the road from Tianzhu to the Western Region of the Western Continent, but? The Western Region is controlled by the Great Yuan on the grassland. Is there any way you can let the Great Yuan pass through for the Persian army?"

"Let me give it a try. The Xuantian Empire and the Dayuan Empire also have enmity. I believe that the Dayuan Empire will lend it to the Persian Empire's army."

"Okay, so be it. When your army recruits 300,000 people, you can start the war."

Su Chen and the veiled woman were both listening quietly to the conversation in the secret room opposite.

Su Chen did not expect that he would hear this. This time he did not come in vain with the veiled woman. The half-million troops of the Persian Empire were defeated in a month. It's coming, and the march route has been confirmed.

Su Chen has time to arrange the army to kill the Persian army.

"Bastard, who asked you to come here? stay away from me"

"I'll do it! Don't push me, if you push me anymore I'm going to fall."

Chapter 1103

The veiled woman suddenly found that Su Chen was very close to her and even had physical contact with her. When she pushed the little cultist away, the little cultist refused to leave.

This made her very ashamed and angry.

The veiled woman suddenly took out a dagger, pointed it at Su Chen, and threatened in a low voice, "Get out of my way, or I'll kill you?"

I said!

This veiled woman actually carries a dagger.

When Su Chen saw the veiled woman threatening him, he slowly backed away. Anyway, he heard everything he should have heard, but he didn't see what Yang Dingtian and the Persian looked like, which was a pity.

After seeing Su Chen retreat, the veiled woman looked at the other side through the observation port.

But there was no one on the other side, which made her glare at Su Chen angrily.

She looked at Su Chen and decided to kill this little cultist. She had already killed four or five such people. What happened here could not be known to others. This was not the first time she had done this.

"what are you up to?" Su Chen asked in a pretended panic when he saw the veiled woman looking at him with an unkind look.

The veiled woman looked at Su Chen and said regretfully, "Little cultist, this can only be due to your bad luck. You were killed by me before. I have become a few believers. If you want to blame me, it's because you are from the Ming Cult."

"No, wait? who are you? Why do you want to kill me?" Su Chen didn't expect that the veiled woman would kill people and silence them. No wonder those Mingjiao believers looked gloating when they saw that they were being called away by the veiled woman. It turns out that this woman has done this before, and I'm afraid it wasn't just her once or twice. This kills people and silences them.

When the veiled woman heard Su Chen's words, her expression changed drastically, "Huh?" Who are you? Are you not a Mingjiao person? who are you?"

Her identity is public in the Mingjiao.

Everyone in the Guangmingding Mingjiao knows her identity, but this little believer doesn't know who she is? That means that this little believer is not from the Mingjiao. It's possible that he is from the Guangmingding Mountain." Those Jianghu spies.

Su Chen didn't know how this veiled woman guessed that he was not from the Ming Cult, but could he admit that he was not from the Ming Cult?"Why am I not from the Ming Cult? I am a small believer in Mingjiao."

The veiled woman played with the dagger in her hand and sneered at Su Chen,"Hi! Still want to deceive me? Standing guard for me but you don't know who I am? You, a little cultist, are not pretending to be professional!"

"You are the madam!"

"Shut up!"

"Aren't you madam?"

"I told you to shut up."

Damn it, who is this veiled woman?

Yang Dingtian's wife?

But if she is Yang Dingtian's wife, why should she monitor Yang Dingtian?

And isn't Yang Dingtian's wife the junior sister of Thunder Hand Chengkun? ?

Is Cheng Kun's junior sister not dead?

Su Chen thought that in the mixed martial arts world, Yang Dingtian was not dead. Maybe this veiled woman was Cheng Kun's junior sister Yang Xinru. Did

Yang Xinru and Cheng Kun have an affair?

Cheng Kun Have you ever come to Guangmingding to have a tryst with Yang Xinru, a white lotus? This is also what Su Chen wants to know. The veiled woman looked at Su Chen and was very confused.

Is this young cultivator with a low level of cultivation a spy sent by that sect? This was the first time she had encountered a spy from the sixth level of the day after tomorrow. Even this little spy still looked stupid. The veiled woman thought about it and decided to keep this little spy.

She might be able to use this in the future. The forces behind the little spy.

The veiled woman looked at Su Chen and asked sternly, "Are you a disciple of that sect? Tell me the truth or I will kill you"

"Emei faction!"

When the veiled woman heard Su Chen's words, she shouted aggressively, "Emei Sect? Are you bluffing me? Are all the Emei sect men from the nuns?"

Su Chen didn't expect that this veiled woman knew about the Emei Sect, but Su Chen could also plan to talk to this woman about the Emei Sect's Xuan Zhen Guan. He didn't want to get into more trouble by explaining more. He coughed and spoke to the veiled woman. , "cough! Among the disciples of the Emei sect is my wife, so of course I am a member of the Emei sect."

The veiled woman looked like she suddenly realized. She knew that the Emei sect did not prohibit marriage, so this young believer was the son-in-law of the Emei sect. "It turned out to be a pretty boy!"

"I am not a pretty boy." Su Chen retorted with a dark face when he heard the veiled woman's words.

The veiled woman thought that the Emei sect's Master Mijie was pretty strong. If he cooperates with Master Mijie in the future, it might be possible to destroy the Ming Cult and kill Yang Dingtian. "Come on, pretty boy, you will be my subordinate from now on. It's best not to reveal your identity as an Emei sect."

"Um? You won't kill me anymore?"

"You are an acquired little scumbag, there is no point in killing you. You'd better forget what you heard today, otherwise you won't know how you died."

"oh! clear!"

Su Chen didn't know what the veiled woman wanted to pay attention to, but since the veiled woman didn't want to do anything, Su Chen didn't need to use force to question the veiled woman. Will he know who this veiled woman is in the future?

Then,

Su Chen He returned to the previous room with the veiled woman. Su Chen was kicked out before he could ask the veiled woman.

Is it really heartless!

Su Chen cursed and returned to his post after being kicked out.

He is now He is still a young cultist, and today's duty of standing guard has not been completed yet. However, Su Chen plans to talk to this veiled woman tonight. When the

Ming Cultists in the passage saw Su Chen come back intact, they all looked like they had seen a ghost. , a Mingjiao believer next to Su Chen looked at Su Chen and asked in a low voice, "You came back alive?"

"how? Is Madam scary?" Su Chen asked curiously as he leaned against the wall and crossed his hands.

The Mingjiao believer said carefully with a frightened expression,

"you do not know? Oh, I forgot that you are new here. Madam is very scary. Every time she called her over, everyone died. You are the only one who came out of her room alive."

"Brother, who is the lady?"

"Madam of the leader!"

"Holy shit! The leader's wife? Then the leader's wife will not care if she kills our little cult leader like this?" Su Chen didn't expect that the veiled woman was really Yang Dingtian's wife Yang Xinru, but why didn't Yang Dingtian ignore Yang Xinru who killed Mingjiao followers like this?

And Yang Xinru kept asking Mingjiao followers to enter her room, so

Yang Dingtian wasn't afraid of his wife Yang Xinru Are you cuckolding him?

The Mingjiao disciple said to Su Chen worriedly, "The leader doesn't care, and the leader never comes here to see the leader's wife. No one cares about the life and death of us disciples at all. Maybe I will too that day." Will be killed by the leader's wife"

"Um? The leader has never come to see the leader's wife? Didn't the leader live with the leader's wife?"

"No!"

Chapter 1104

In the room of the wife of the leader of the Ming Cult,

Yang Xinru was sitting on the dressing table combing her hair.

The veil on her face was also taken off. Her cold and beautiful face showed a trace of sadness, and there was even a look of hatred in her eyes.

Yang Xinru thought about what she saw and heard today, and she became even more determined to kill Yang Dingtian.

Yang Dingtian not only occupied her, but also colluded with foreign races. This made her want to kill this Yang Dingtian with her own hands. To the sky.

Yang Xinru looked at herself in the bronze mirror and muttered to herself crazily, "I let that little bastard go today. If Yang Dingtian finds out, will he be mad? Hahaha! Everyone can do whatever he wants! I'm just one person A woman who can do her best."

At this moment, in the mountains and forests of Qilian City,

Master Miejie and Lin Chaoying also arrived.

They were also very confused after knowing what happened to the Mingjiao. They did not expect that something happened to the Mingjiao. Why did Yang Dingtian, the leader of the Ming Cult, imprison some high-level officials of the Ming Cult?

Could it be that those high-level officials are supporters of Wuji, the current Mingjiao sect leader?

Is Yang Dingtian excluding dissidents?

Lin Chaoying looked at the people around him and asked doubtfully, "Master Tai, is that bastard Su Chen really going to come here?"

"Of course, after we parted ways in the Southwest, that bastard rushed here, and he should have been here long ago." Master Jue nodded and replied with a smile.

Master Jue also did not expect that she would meet Lin Chaoying on the way to Mingjiao, and Lin Chaoying was actually stronger than her.

After they worked together to kill After a powerful lama from the Western Regions, they rushed towards the Mingjiao together.

Lin Chaoying said angrily when she heard Master Miejie's words, "Well! Then let's look here. That bastard deceived two of my apprentices. I won't let that bastard go."

"hehe! Your disciples are all great now, and they even surpass you in cultivation level."

"Is the spiritual energy in the Black Bird Palace really very strong?"

"Um? It's very rich, and it's getting richer day by day. The Fusang Tree Garden is a real holy land for cultivation. If I didn't have to manage the Emei Sect, I would have stayed in the Fusang Tree Garden to practice. These things you can do when you go to Xuanniao Palace in the future. Will understand. Lin

Chaoying suddenly realized, "No wonder that woman Bai Jing didn't come back after she left the Ghost Palace. It turned out that she went to the Black Bird Palace of that bastard Su Chen.""

Lin Chaoying didn't expect that Su Chen's Black Bird Palace would have a holy land for cultivation. No wonder that woman Bai Jing took her back to the Ghost Palace and never appeared again. It turned out that she was in Su Chen's Black Bird Palace.

That damn woman He actually imprisoned her for more than half a year.

If Bai Feifei hadn't returned to the Ghost Palace to release her years ago,

Lin Chaoying felt that Bai Jing, that hateful woman, had forgotten her.

Master Jue and Lin Chaoying found a place and sat down.

Today It's already a little late, they can only look for that bastard tomorrow

"It's the Mijie Shitai of the Emei Sect who has arrived."

"Well, why didn't Master Mijie bring any disciples from the Emei Sect? And who is the beautiful woman next to Master Mijie?"

"I don't know, but I can't see through the strength of that beautiful woman. That beautiful woman should also be a powerful woman."

"Is not this nonsensical? Anyone who can be with Master Mijie must be a strong person"

"That's right, but this beautiful woman is very strange. Does anyone here know this woman?"

"I don't know her, I'm afraid this beautiful woman is from another continent."

The Jianghu people outside the mountain and forest started talking after seeing Master Miejie and Lin Chaoying.

There was no civil strife in the Mingjiao today.

The Jianghu people here also waited for a day and got nothing.

However,

Master Miejie and Lin Chaoying The arrival of the Jianghu people also watched with relish. After all, the arrival of two beautiful and glamorous beauties made the Jianghu people here very fascinated. In the evening, at Guangmingding,

Su Chen went directly after the change of guard. Teleporting to Yang Xinru's room, he also planned to ask Yang Xinru why she wanted to monitor Yang Dingtian? Su Chen never understood what Yang Xinru did.

"who!"

Yang Xinru was drinking tea when she suddenly felt a strange breath appear in the room. She hurriedly tried her best to kill the uninvited guest who sneaked into her room.

Su Chen looked at the scantily clad Yang Xinru and reminded her hastily,

"Ahem! it's me!"

"Um? Why are you in my room?" Yang Xinru didn't expect it to be today's little cultist, which made her very vigilant.

She didn't feel the little cultist's appearance just now.

This spy actually hid his cultivation level.

Su Chen looked at Yang Xinru wearing a revealing little clothes. The shape is looming, making people imagine Feifei.

Even Yang Xinru's veil is not put on.

Su Chen is stunned by her cold and beautiful face, convex figure, and sexy dress full of temptation.

"Well, madam, you'd better put on your clothes first before asking me."

Yang Xinru put on a dress in panic after hearing Su Chen's words, "Damn bastard, who are you? You actually hid your cultivation realm?"

"Yang Xinru, you are the junior sister of Thunderbolt Hand Cheng Kun, am I right?" Su Chen smiled and continued to Yang Xinru,

"You actually know that despicable man Cheng Kun. It seems that your origin is not simple. Who are you?"

A villain?

Cheng Kun was actually called a villain by Yang Xinru?

Isn't this plot about him wrong?

Shouldn't Yang Xinru have a very good relationship with Cheng Kun?

She would even have an affair with Cheng Kun behind Yang Dingtian's back in the future. What happens now? Yang Xinru looked like she hated Cheng Kun very much?

Su Chen looked at Yang Xinru and was very confused.

These changes in the plot made Su Chen's mind very confusing.

"Madam, do you have a grudge against Cheng Kun? Do you also have a grudge against Yang Dingtian?"

"It's none of your business!"

Su Chen took out a Xuantian Empire's Xuandiao Token from the system space.

"Madam, I am the envoy of the Xuantian Empire. I am investigating the Mingjiao rebellion. I believe this can explain my identity. If you have a grudge against Yang Dingtian, we might as well cooperate.

Yang Xinru exclaimed when she saw the Black Bird Token in Su Chen's hand, "Is this the Black Bird Token?" Are you really the envoy of the Xuantian Empire?"

"certainly!"

"I still don't believe you, you are a liar. Yang Xinru looked at Su Chen and shook her head in disbelief.

Su Chen looked at the black bird in his hand and asked in surprise, "I'll do it!" What I said is true, how can you not believe me?"

Yang Xinru looked at Su Chen with an ugly face and shouted crazily,

"Liar, liar! Men are all liars. Today you said you were from the Emei sect, and at night you said you were the envoy of the Xuantian Empire. Will you say that you are the emperor of the Xuantian Empire tomorrow?"

What the hell, what happened to Yang Xinru? Or was she deceived by men many times? This made her no longer trust any man.

Chapter 1105

Su Chen really didn't expect that Yang Xinru's mentality would be like this.

Yang Xinru didn't believe in his identity now.

No, she believed in his identity but not him as a person.

The main reason was that she didn't believe in all men.

Su Chen looked at Yang Xinru's angry expression and reminded,

"Yang Xinru, I don't care why you don't believe in men, but I am your only support. Yang Dingtian is a land god in the heavenly realm, and Cheng Kun, I think he is also stronger than you. Do you think you can handle it? Them?"

Yang Xinru didn't pay attention to Su Chen's reminder at all. She looked at Su Chen and sneered disdainfully, "Tsk! You don't need to worry about this. I will kill Yang Dingtian and Cheng Kun, even if we die together."

Su Chen also mocked unceremoniously, "Perish together? Just based on your master's level of cultivation? You think too highly of yourself."

Yang Xinru was like an exploded little wildcat when she heard Su Chen's taunting, "Asshole, although my strength is not good, what if I want to destroy Guangmingding? Once Guangmingding is destroyed, do you think Yang Dingtian can escape with his strength in the human realm?"

"you.....Are you going to blow up Guangmingding?" When Su Chen heard Yang Xinru's words, he guessed with lingering fear,

I am the one who did it!

In the plot, Cheng Kun blew up Guangmingding, how come in the world of mixed martial arts, Yang Xinru blew up Guangmingding?

These brothers and sisters are all ruthless characters,

Guangming It might conflict with the destiny of their senior brothers and sisters.

When Yang Xinru heard Su Chen's words, her face changed drastically and she was shocked and said, "How do you know? Did you already know that I was going to blow up Bright Summit? Have you been stalking me? Are you even watching me?"

Su Chen retorted without being lustful, "I know nothing!" Still spying on you? I even peeked at you taking a bath and sleeping."

"Shameless pervert, I will kill you!" When Yang Xinru heard Su Chen's words, she immediately attacked Su Chen with shame and anger.

This bastard was able to lock his room and then come in without anyone noticing. This shows that what this bastard said is probably true. , and it was very possible that he had peeped at her, maybe more than once or twice.

Damn it, why didn't she find out that this bastard had been peeping at her.

Touch!

Su Chen directly slapped Yang Xinru and quickly dodged to catch her. , Yang Xinru's strength was worthless in front of Su Chen, and it was very easy for Su Chen to catch her. Su Chen pressed Yang Xinru on the bed and shouted angrily, "Yang Xinru, are you crazy?"

"Shameless pervert, I'm going to kill you!" Yang Xinru didn't expect this bastard to be so powerful. She had no ability to resist in front of Su Chen, which made her hate this bastard who deceived her even more.

What kind of sixth-level cultivation realm is acquired?

What Emei sect ? Someone?

What kind of messenger from the Xuantian Empire?

This is all a lie.

Men are all bastards.

She wants to kill all the men in the world.

When Su Chen saw Yang Xinru struggling fiercely, he hurriedly pressed down on her body to control her. Looking at her, "Damn crazy woman, please be honest!"

Crack!

At this moment,

Yang Xinru's room was opened, and a middle-aged man walked in with an ugly face. When he saw Su Chen and Yang Xinru on top of each other, he clenched his fists angrily as if he wanted to kill someone..Su

Chen and Yang Xinru were also stunned.

They both looked at the middle-aged man who arrived, not noticing at all that they were superimposed on each other.

"Yang Xinru, why don't you kill this little cultist? Are you, a merciless bitch, attracted to this little cultist?"The middle-aged man yelled angrily when he saw that Yang Xinru and Su Chen had no intention of separating.

Yang Xinru also reacted when she heard Yang Dingtian's words. She pushed Su Chen away with a look of shame and anger and scolded Chao Yang Dingtian. He said,"Yang Dingtian, you are just a dead eunuch, and I am just a bitch who can do anything for you. What's wrong?" What's wrong with me just falling in love with this little cultist? Kill me if you dare."

Su Chen was even more confused when he heard Yang Xinru's words.

Yang Dingtian is actually a eunuch?

How is this possible?

Yang Xinru is not a perfect person.

Su Chen is getting more and more confused now. Yang Dingtian doesn't care about Yang Dingtian's affair? And he He actually cares that Yang Xinru didn't kill anyone and silence him.

What the hell?

Su Chen is increasingly confused about what's going on. He can only continue to watch the show here. Anyway, it's not time for him to speak..Yang

Dingtian now wants to kill Yang Xinru, but he can't kill Yang Xinru yet.

Yang Xinru has hidden three Mingjiao Holy Fire Tokens, and he was possessed by evil spirits during his practice more than 20 years ago. Yang Xinru has some skills. The evidence was hidden, and he also had to ask Yang Xinru to cover him in the Mingjiao. People in the Mingjiao couldn't know that he became a eunuch. During this period, Yang Xinru was constantly looking for men in the Mingjiao, and he also knew these things. ,

Yang Xinru originally killed those Mingjiao believers just for fun, but today Yang Xinru did not kill a single believer, which made Yang Dingtian realize that he was worried that Yang Xinru cuckolded him.

Yang Dingtian did not expect that tonight, this They were shamelessly together with an adulterer and an adulterer.

This made Yang Dingtian angry and threatened Yang Xinru,"Yang Xinru, don't think that I dare not kill you. What you did before was to kill people and silence them. This What about the little believers? You kill him now"

"Don't even think about it!"

"Don't force me to kill you!"

"Kill! You're going to kill me! Yang Dingtian, I have been a dead person for a long time. Ever since I was occupied by you, I have been miserable every day. Now you are killing me!"

"You crazy woman, I really regret not killing you earlier." Yang Dingtian, trembling with anger, pointed at Yang Xinru and cursed.

He really can't kill Yang Xinru now, otherwise he will completely lose the three holy fires, and even his eunuch's affairs will be exposed.

Is Yang Dingtian still there ? Found the Holy Fire Order and the letters.

Yang Xinru couldn't die yet.

Yang Dingtian looked at Su Chen and left with a livid face. An acquired little scum was not worth killing him. He was also afraid that Yang Xinru would die. , Yang Dingtian could only let this little scum go first.

Yang Xinru slumped on the ground when Yang Dingtian left, covered her face and started crying.

Su Chen looked at the crying Yang Xinru awkwardly and didn't know what to do. Do it.

But Yang Dingtian didn't kill him, and left angrily without even questioning him.

This made Su Chen think that Yang Dingtian's Ninja Turtle skills were really powerful, but he just ignored his wife's affair?

This is not like the plot where Yang Dingtian was so angry that he became possessed and died after seeing his wife having an affair with Cheng Kun. In the mixed martial arts world, Yang Dingtian has been raped by so many cuckolds. Chen Chen looked at Yang Xinru and planned to leave.

Su Chen did not intend to provoke a woman like Yang Xinru, otherwise, he would be cuckolded by such a woman.

Chapter 1106

In Yang Xinru's room,

Yang Xinru sat paralyzed on the ground and kept sobbing, while Su Chen looked at Yang Xinru and planned to leave.

He didn't want to get involved in these messy things, and

Su Chen didn't intend to rely on Yang Xinru anymore. Mingjiao matters He now knows everything clearly. Li Xiuning's Eastern Combat Legion should have arrived in Xikang City, and the Mingjiao Jianghu and troops should also be wiped out in one fell swoop.

As for the Persian Empire, Su Chen planned to let Zhao Min do it.

Zhao Min's Dayuan army was also very elite. Coupled with some foreign slave troops, Su Chen believed that Zhao Min's army could keep the Persian Empire's 500,000 troops. The Western Region, many small countries in the Western Region, Tianzhu, and Persia will also be destroyed one by one in the future.

Su Chen thought that Zhao Min's army also had to have a legion number, otherwise Zhao Min would keep writing to bother him, and that girl was not a worry-free person.

Su Chen looked at Yang Xinru and said to her, "Yang Xinru, goodbye! No, we will never see each other again."

"Stop, I promise to cooperate with you!" When Yang Xinru heard that Su Chen was about to leave, she hurriedly wiped her tears and shouted to Su Chen.

Su Chen shook his head and refused, "I don't need your cooperation. I will kill Yang Dingtian and Cheng Kun for you. Yes, I will also destroy the Mingjiao. You just have to wait for the news."

Yang Xinru didn't expect that this bastard refused, which made her feel very angry.

Although she could use explosives to blow up Guangmingding, there were too many uncertain factors, and she was not 100% sure of Yang Dingtian's whereabouts..Guangmingding and

Qilian City,

Yang Dingtian often travels between these two places, and after what happened today, it is probably even more impossible for her to grasp Yang Dingtian's whereabouts.

"No, I want to kill Yang Dingtian with my own hands. After Cheng Kun, I will also find and kill him."

"By you? Forget it, you'd better not go looking for death." Su Chen glanced at Yang Xinru with disdain and reminded.

Yang Xinru stared at Su Chen with an ugly face.

She didn't expect that this bastard was really unwilling to cooperate.

This is really a turn of events.

Just now, the bastard begged himself, and now he is doing the opposite. Asking this bastard.

Yang Xinru didn't think about why this bastard didn't need her help.

Yang Xinru bit her lip when she thought of the Ming Cult's Holy Fire Token and the secret letter and said, "Bastard, I have three Holy Fire Tokens from the Ming Cult, and The evidence of collaboration between Yang Dingtian and the Persian Ming Cult. If you cooperate with me, I will give these to you."

"Tsk, I don't need those things." Su Chen doesn't need those so-called Holy Fire Orders and secret messages.

Although the Holy Fire Order is like iron but not iron, like copper but not copper, and it is also a token of the leader of the Ming Cult, but he will destroy the Ming Cult in the future, so he doesn't need it. Those useless Holy Fire Orders.

As for the secret letter, it is useless.

He is the emperor of the Xuantian Empire. What he said is the evidence. No one in the Xuantian Empire dares to oppose him.

"you....."

Yang Xinru was very helpless when she saw that Su Chen disagreed.

She didn't have any treasures to impress this bastard, but if she didn't avenge her, she wouldn't die in peace.

After thinking about it, she looked at Su Chen with a blushing face and said, "If you cooperate with me and let me kill Yang Dingtian with my own hands, I will stay with you for one night."

Su Chen was surprised when he heard Yang Xinru's words and shook his head hurriedly. Shaking his head, he did not expect Yang Xinru to say this, which frightened Su Chen.

He didn't dare to mess with a woman like Yang Xinru. Although Yang Xinru was very beautiful, beautiful beauties were also different. Who dared to mess with a woman who had no one to spare?

"I'll do it! Can't afford to enjoy it, goodbye!" Su Chen said and teleported away in a hurry. He didn't want to be entangled by Yang Xinru.

Yang Xinru didn't expect that Su Chen ran away and disappeared in front of her in an instant.

This surprised Yang Xinru. Su Chen had a new perspective on her strength, which made her even more determined to find that bastard to cooperate. Whether she could get revenge depends on that bastard. In

Xikang City, three subordinate legions of the Eastern Combat Legion have arrived. There are fifteen black-armored troops, of which 50,000 are black-armored cavalry regiments.

In the army camp in Xikang City,

Ding Minjun and other disciples of the Emei Sect are here, and the disciples of Xuanzhenguan are also all recruited by Xikang. The city's city guards were transferred to the Eastern Combat Legion, and Sun Xiuqing and the girls were left behind by Ding Minjun.

In a military tent,

Ding Minjun and Ji Xiaofu looked at the four Sun Xiuqing girls opposite, and they were preparing to pull Sun Qingxiu and the girls into They are the Emei sect.

The four shows of Xuanzhen Guan are all kind-hearted people. They have never targeted their Emei sect before, and the four shows are all masters. If the four shows join their Emei sect in the future, their Emei sect will be even more powerful in the future. Powerful.

Sun Xiuqing and the others are still dazed now.

This is a military camp, or the Eastern Combat Legion military camp of the Xuantian Empire, but Ding Minjun can actually command these black-armored troops. This makes Sun Xiuqing and the four of them very surprised when they look at Ding Minjun. Sun

Xiuqing rubbed her dizzy head and asked Ding Minjun doubtfully, "Ding Minjun, why do you command the black-armored army here? And who was that young master from before?"

"hehe! These black-armored troops belong to my husband, and of course I can command the troops here." Ding Minjun smiled when he heard Sun Xiuqing's question and said that she is now Su Chen's wife in name only, and she also has the blue bird jade pendant that Su Chen gave her.

Ding Minjun felt very sweet when thinking about what happened the day before yesterday.

Sun Xiuqing was surprised. Then he asked Ding Minjun, "What? Is that young man your husband? How can this be? Why didn't we know you were married?"

"Ha ha! Ding Minjun just got married the day before yesterday. It would be strange for you to know." Ji Xiaofu smiled and poured tea for Sun Xiuqing and the others and explained,

"Senior sister!"

"ah! I won't say it anymore, haha!"

Ma Xiuzhen, the boss of Sixiu, didn't care about Ding Minjun's shyness.

She now wants to know how the Emei sect will deal with them and whether their master Dugu Yihe has been executed.

"Ding Minjun, tell us honestly, is our master dead?"

The other three shows of Xuanzhen Temple also looked at Ding Minjun.

Although Dugu Yihe often retreats and doesn't teach them much about martial arts, Dugu Yihe is their master after all. If they can cultivate to the master level, they can be considered Dugu Yihe." For their kindness, Sun Xiuqing and the three of them also wanted to know if their master Dugu Yihe was dead.

"Yes, your master Dugu Yihe is dead this time."Ding Minjun nodded to Sun Xiuqing and the four of them with a serious face.

She had heard Su Chen talk about Dugu Yihe, and those treasures were also helpful to Su Chen's empire.

Ding Minjun didn't care about Dugu Yihe's life or death. But if she wanted Sixiu to join the Emei Sect, she had to explain it to the four of them.

Ding Minjun continued to explain to Sun Xiuqing and Sixiu,

"Your master is not actually called Dugu Yihe. He is a minister of the Jinpeng Kingdom named Ping Yihe. It's just that Lonely Yihe betrayed the trust of the Jinpeng Dynasty. The treasure of the Jinpeng Dynasty was divided up by three of their ministers. This is why my husband The reason for dealing with Dugu Yihe."

Chapter 1107

Ma Xiuzhen, the eldest sister of Sixiu, suddenly realized after hearing Ding Minjun's words.

No wonder their master had been in seclusion and never appeared in the world. It turned out that their master was also a very evil person. Ma

Xiuzhen thought that Ding Minjun was her husband and continued to ask,

"So who is your husband? Why do the Eastern Combat Corps here obey his orders? Can I also obey your orders?"

Ding Minjun shook his head and smiled, "You need to join our Emei Sect to tell you this."

When Sun Xiuqing heard Ding Minjun's words, she stood up angrily and shouted, "Ding Minjun, stop dreaming, we will not join your Emei sect."

"If you don't join, you'll die!" Ding Minjun looked at this old enemy and threatened expressionlessly,

"Even if we die, we won't join!"

Sun Xiuqing replied resolutely without giving in at all.

Ding Minjun didn't expect that Sun Xiuqing would be so stubborn and ineffective. After thinking about it, she couldn't find any way to convince Sun Xiuqing and the others.

Ding Minjun walked to Sun Xiuqing and patted Tian's shoulder and said, "Sun Xiuqing, Don't be so harsh. If I hadn't begged my husband to let the four of you go, do you think you would still be able to show up here intact and drink tea with us senior sisters? Sun

Xiuqing slapped Ding Minjun's hand away and said expressionlessly, "Ding Minjun, do I want to thank you for your life-saving grace?"

"That's not necessary, but if you don't join the Emei sect, you can only stay in the army. In the future, as long as your military merits are praised enough, you can leave the army at any time. Otherwise, you will have to stay in the army and serve for the rest of your life."

"You are so despicable!"

"Winner takes all, loser for Kou. If your master, Dugu Yihe, hadn't wanted to use us as cannon fodder, or even plot against our master, you wouldn't have fallen into this fate."

When Sun Xiuqing was about to say something,

Ma Xiuzhen suddenly stood up and waved his hand to Sun Xiuqing to stop him, "Ding Minjun, we agree to join the Emei sect. Now can you tell us who your husband is?"

"Senior sister?" Sun Xiuqing did not expect that the senior sister would agree, which made her look at Ma Xiuzhen very confused.

Ye Xiuzhu and Shi Xiuyun also looked at Ma Xiuzhen very confused.

This is a major matter of betrayal of the master.

Senior sister Ma Xiuzhen How could you agree?

Ma Xiuzhen looked at Sun Xiuqing and the three of them and reminded them, "Don't say it anymore, we have nowhere to go. Besides, we belong to the Emei sect to begin with. If you want to stay in the army, just pretend that I don't." explain"

"OK, I agree to join the Emei Sect"

"I agree."

Shi Xiuyun and Ye Xiuzhu thought about it and agreed.

They were originally from the Emei Sect, but their master rebuilt a Xuanzhen Temple from the Emei Sect. Even if they joined the Emei Sect, they would not be considered betraying their master. Door. Ding Minjun was very happy when she heard that the three people in the Four Shows agreed. She looked at Sun Xiuqing who had not agreed yet and smiled and asked,

"Sun Xiuqing, what about you? Sun

Xiuqing glanced at Ding Minjun in shame and nodded and said, "I agree, but Ding Minjun, if you want to call me senior sister from now on, I'm older than you!"

"Senior Sister Sun!"

Ding Minjun immediately saluted Sun Xiuzhen respectfully and shouted,

"Forehead! You are so thick-skinned."

Sun Xiuqing didn't expect that Ding Minjun would salute her and call her senior sister without hesitation, but she was caught off guard by Ding Minjun. She originally thought that Ding Minjun would not call her senior sister, and would even confront her tit for tat, but now she sees that she really You are looking down on Ding Minjun's face.

"Hahaha....."After the other girls heard Ding Minjun call Senior Sister Sun Xiuzhen without hesitation, and saw Sun Xiuqing's helpless expression, they all laughed.

Ma Xiuzhen smiled and continued to ask Ding Minjun,"Sister Minjun, now Can you tell us the true identity of your husband?"

"My husband is the emperor of Xuantian Empire, Su Chen!"Ding Minjun looked at Sun Xiuqing and the others and said arrogantly,

"What?"

"How can this be?"

"Is the emperor of the Xuantian Empire a dandy?"

"That dandy is the Xuantian Empire? Ding Minjun, are you kidding?"

After hearing Ding Minjun's words, the four disciples of the Emei faction said in disbelief.

Ding Minjun's husband is actually the emperor of the Xuantian Empire?

How is this possible?

It is impossible for the emperor of the Xuantian Empire to appear here, and Su Chen looks like A dandy, he didn't look like a majestic emperor. They all felt that Ding Minjun was joking.

Ji Xiaofu smiled at Sun Xiuqing and the others and said with certainty, "What Junior Sister Minjun said is true. That young master is His Majesty the Emperor of the Xuantian Empire, Su Chen!"

After the Sixiu heard Ji Xiaofu's words, they all fell silent. They all knew that the gentle and kind-hearted Ji Xiaofu could not joke with them or deceive them.

Ding Minjun's husband might really be from the Xuantian Empire. His Majesty the Emperor.

This makes them dare to guess something that they dare not guess.

However!

How did Ding Minjun become the woman of His Majesty the Emperor of the Xuantian Empire? What is the relationship between the Emei Sect and the Emperor of the Xuantian Empire? This is what makes Sun Xiuqing and the others The four of them were very curious.

Later,

Ji Xiaofu also told Sun Xiuqing and the others about the relationship between the Emei Sect and Su Chen.

When Sun Xiuqing and the others listened to Ji Xiaofu's story, the four of them were stunned and couldn't believe it..

They did not expect that the head of the Emei Sect, the Master Miejie, had known Su Chen so early, and that it was Su Chen's help that the Emei Sect became stronger.

Even the eldest princess of the empire, Princess Su Yan of Changle, would also be a disciple of their Emei Sect in the future. , they all felt that Master Miejie's unintentional help made a lot of money.

There is also Zhou Zhiruo of the Emei sect.

She is also the woman of the Emperor Xuantian Empire, so two of their Emei sect's disciples are the emperor of the Xuantian Empire. Woman, I'm afraid it will be impossible for the Emei Sect to become stronger in the future.

-

Guangmingding, in the secret passage of Guangmingding,

Su Chen appeared in the secret passage after leaving Yang Xinru's room.

He was a little curious about this secret passage.

In the plot, Yang Dingtian's Great Shift of the Universe was hidden here. Although Su Chen was not interested in the heaven-level skill, the Great Shift of the Universe, it would be good to collect a heaven-level secret book..

Anyway, he has nothing to do now, so he just pretends to be playing an escape room game.

After wandering around for half an hour, Su Chen also had some understanding of this secret passage. However, he had never found the great movement of the universe. Even he couldn't find it even with his mental exploration. This made Su Chen doubt the great movement of the universe. The Dharma may be carried by Yang Dingtian.

Huh?

It's already midnight, why is there still someone coming to this secret passage?

Could it be that all the Jianghu people under Guangmingding Mountain have sneaked in?

Su Chen used his mental power to keep exploring the person who came late at night. He wanted to know what this person was doing when he came so late.

I'll do it!

It turned out to be the Moonlight Envoy among the three holy envoys of the Persian Ming Cult.

Why was she taking a bath in a secret passage late at night? but!

This is a late night bonus.

Su Chen used his mental power to detect the person arriving this time and smiled.

He teleported and disappeared. The Moonlight Envoy was the only woman among the three holy envoys of the Persian Ming Cult, and she was also an exotic beauty. Su Chen didn't want to miss tonight's late night benefits.

Chapter 1108

In a deep secret chamber in the Guangmingding secret passage, there is an underground river connected here. A small pool is dug out of the mountain in the secret chamber, and clear spring water flows continuously from here.

At this time, an exotic beauty was cleaning her hair in the small pool, and her clothes were placed beside the small pool. Her looming body was humming exotic songs in the small pool.

After a while, this exotic beauty stopped humming.

She lay in the small pool looking like she was enjoying herself and said to herself,

"It's better to go to the Central Plains, where there are no deserts, no hot climate, and no damn unpleasant smells."

At this moment,

Su Chen appeared in the secret room silently. He smiled when he heard the words of this exotic beauty. Persia is a country in the desert, and it is definitely not as pleasant as the Central Plains. The climate and beautiful scenery.

However, why was the secret room so foggy that he couldn't see clearly the Persian Ming Cult's Hui Yue Envoy in the small pool, but this looming figure was the most attractive. The

Persian Ming Cult's Hui Yue Envoy was cleaning her hair. When she was walking, she suddenly felt a strange smell, which made her nervous.

She hurriedly hid in the small pool and shouted outside,

"who? who?"

Su Chen didn't expect to be discovered.

He walked to the edge of the small pool and looked at Huiyue Shi with only one head exposed. Hui Yueshi had a high nose, blue eyes, delicate face, and wet beauty. Su Chen was very fascinated when he saw this.

"Tsk tsk! Moonlight Envoy of the Persian Ming Cult, your vigilance is really strong, even when you take a bath, you are so cautious."

The Huiyue Messenger looked at Su Chen beside the small pond and asked cautiously,

"who are you?"

Huiyue Shi did not expect that a man would appear here.

She guessed that this man was either following her secretly, or that he had already sneaked into the secret passage of the Ming Cult. Could it be that this man also came to steal the Ming Cult's Great Shifting Technique? Is that so?

Su Chen squatted down while picking up Huiyue Shi's clothes and smiled and said, "Those who appreciate beautiful women taking a bath"

"Damn it, you're looking for death!" Huiyue Shi didn't expect that this bastard actually picked up her clothes, which made her very angry.

She also saw that this man was just an acquired little scumbag, but she had no clothes to wear now. Although You can kill this hateful Central Plains man, but you will also be seen by this bastard.

Persian women are very loyal to the opposite sex. If she is seen by this bastard, she will lose her loyalty even if she kills this bastard.

Su Chen He took Huiyueshi's clothes and smelled it before teasing, "Oh! Then come out and kill me! I'm just here waiting for you to kill me"

"you.....You are despicable!"

"You, a Persian, never thought you could speak our Chinese dialect so well and even use words."

"Damn it, get out of here!"

"Haha, you go on, I'll just watch here and say nothing!" Su Chen laughed when he saw Huiyueshi didn't come out to kill him. Persian women really valued chastity just like women from the Central Plains.

Huiyueshi had never seen such a shameless person before.

She looked at Su Chen couldn't help but cursed,

"shameless!"

Su Chen did not continue to answer Hui Yue Shi.

He took out a bottle of wine from the secret room and sat next to it and drank. Anyway, the night was long and he had plenty of time to play with Hui Yue Shi.

Time passed like this little by little. After that,

Su Chen was sitting next to the small pond, drinking wine, while Hui Yue Shi kept squatting in the small pond and did not come out. They just looked at each other and did not speak again, but Hui Yue Shi looked at Su Chen with more and more eyes. It's getting colder.

One hour passed, two hours passed, and it was almost dawn.

Su Chen looked at Hui Yue Shi's cold eyes and rubbed his forehead.

This Hui Yue Shi could really fight with him, Hui Yue Shi. Even if he spends it like this, he doesn't plan to come out and kill him.

It seems that he can't appreciate beautiful things.

"are not you cold?"

"I'm so cold!" Huiyueshi replied angrily when she heard Su Chen's words.

She is a great master.

She is not afraid of the cold river water. She is now very worried that her skin will be damaged by soaking in the water. This damn bastard, as long as she can put on clothes and go out, she will definitely cut this shameless man into pieces

"Forget it, I'll give you back the clothes, bye!" Su Chen thought for a while and put Hui Yue Shi's clothes by the pond. He waved to Hui Yue Shi and walked out of the secret room.

After Hui Yue Shi was waiting for Su Chen to leave, she was not in a hurry to come out.

She was worried that the bastard did it on purpose.

She breathed a sigh of relief after feeling the bastard's breath. After another quarter of an hour, the Huiyue Envoy confirmed that Su Chen had really left. She quickly came out of the small pool and hurriedly wearing her dress

"Yes, perfect figure!"

Just as Huiyue Shi hurriedly put on her dress,

Su Chen's teasing voice suddenly came from behind her.

Su Chen never left.

After he left the secret room, he teleported directly to the other side of the small pond. He After hiding his aura, he kept waiting for the Huiyue User to come out.

But the Huiyue User was really too cautious.

It took a quarter of an hour after he left before the Huiyue User came out. This made Su Chen very depressed about Huiyue User's vigilance..

However,

Su Chen finally saw this beautiful scenery, which prevented him from spending the whole night with Hui Yue Shi.

When Hui Yue Shi heard Su Chen's voice, she quickly looked behind her.

When she saw Su Chen appearing with a smile, Looking at himself by the small pond, this made the Huiyue user completely explode,

"ah! I am going to kill you!" boom!

"Goodbye, little beauty Huiyue!" Su Chen directly dodged Huiyueshi's attack and disappeared with a smile.

Huiyueshi saw Su Chen suddenly disappearing, which made her wary of checking the surroundings.

When she confirmed again that Su Chen had left, she She smashed the stone platform next to her with an angry palm. She had been careful all night, but was still seen by that bastard. This made Huiyueshi's face turn red and black.

Huiyueshi looked ashamed and angry and didn't know what to do. The best thing to do is kill!

I'm afraid she can't kill that bastard.

That bastard is not as simple as he seems.

"Who is that bastard? He couldn't be just an acquired cultivation state. How could an acquired scum disappear in an instant?"

Chapter 1109

Three days later, the Mingjiao armed more than 100,000 Mingjiao believers, so that the Mingjiao already had an army of nearly 300,000, which was already very powerful in the northwest region. The Mingjiao was now more and more expanded, and everyone was clamoring. We want to attack other cities in the Xuantian Empire this time.

On Guangmingding,

Yang Dingtian was also high-spirited and ready to attack the Xuantian Empire.

However, the senior officials in the Mingjiao who were opposed to Yang Dingtian at first, when they knew that the Persian army of 500,000 was coming in less than a month, Mingjiao also has nearly 300,000 troops armed here.

Some high-ranking officials of Mingjiao also agreed to Yang Dingtian's plan.

They all wanted to go to Qilian City, and they all wanted to lead their troops to prepare to attack other cities in the Xuantian Empire. The high-ranking officials of Mingjiao also knew that if another ten days and a half passed, The Ming Church has more troops.

In only half a year, the Mingjiao will definitely be able to occupy the entire northwest region and even attack the Central Plains.

They all thought that after the Mingjiao occupied the Central Plains and established the empire, they would all be the founding heroes, and they would no longer have to fight and kill in the arena. They, the people in the arena, would suddenly become high-ranking officials of the empire, and they would enjoy the glory and wealth in the future. Endless.

In the Guangmingding Hall,

Yang Dingtian was discussing with the senior officials of the Ming Cult about attacking the Xuantian Empire in the future. Yang Dingtian looked proudly as more and more senior officials of the Ming Cult supported him, and a smile appeared on his face.

"Leader, we can divide the army into three directions to attack the Xuantian Empire at the same time. Each army has 100,000 people and can occupy the entire northwest region first."

"Well, that's right. The Xuantian Empire has no troops stationed in the northwest, and there are only some city guards defending each city. We can occupy the entire northwest as soon as possible."

"Everyone, don't you know that the Xuantian Empire's army has arrived in Xikang City, which is not far from Qilian City? We must not be unprepared for Xikang City."

"You are right. Three subordinate legions of the Eastern Combat Legion have arrived in Xikang City. The arrival of the 150,000 black-armored army is very terrifying. If we cannot destroy the 150,000 black-armored army in Xikang City, there will be no hope at all. Possible division of troops"

"The Eastern Combat Legion is closely behind the Southern Combat Legion, and we Mingjiao cannot afford to be careless."

In the main hall, after the top brass of the Ming Cult learned that they were going to attack the Xuantian Empire, they all expressed their opinions one after another. Some even brazenly said that they wanted to divide their forces to attack the Xuantian Empire at the same time.

Yang Dingtian heard that the top brass of the Ming Cult He nodded during the conversation.

Although he had been in Persia, he also learned about the Xuantian Empire after returning to Mingjiao. The more he learned about it, the more he felt that the Xuantian Empire was really very powerful.

But this time Fortunately, he had the support of the Persian Empire's army, otherwise, he was really afraid that the Mingjiao army would not be a match for the Xuantian Empire's army.

At this time, a Mingjiao believer suddenly ran into the hall and saluted Yang Dingtian,

"Report, report to the leader, Xuan...The Xuantian Empire's army was dispatched, and the 150,000 troops in Xikang City had already begun to march towards Qilian City."

Yang Dingtian was surprised when he heard what Mingjiao believers said,

"What? Xuantian Empire's 150,000 troops are coming towards Qilian. Are Xuantian Empire's troops looking for death? We have nearly thirty troops in Qilian City."

After hearing this, a Mingjiao altar leader laughed loudly and said,

"Haha, leader, this time we are going to wipe out the Xuantian Empire's army in the northwest. As long as we defeat these 150,000 troops, there will be no army in the northwest that can stop our Mingjiao's attack."

Wu Sanren Zhou Dian nodded and said viciously, "Yes, the Xuantian Empire's army is too arrogant. An army of 150,000 dares to come and annihilate us. This time we will have to use all Xuantian Empire's troops. It was destroyed in Qilian City."

Yang Xiao looked at the Mingjiao executives here and couldn't help but said, "Don't forget that the black-armored army is very powerful. Are you sure that our Mingjiao army can defeat the black-armored army?"

Yang Xiao also doesn't want to die or be detained by Yang Dingtian.

He has to agree with Yang Dingtian's decision.

Although he is greedy for life and afraid of death, it is better than being imprisoned like White-browed Eagle King and Budai Monk. Strong.

But he was still very worried.

Although Yang Dingtian told them that the Persian Empire had 500,000 troops coming, and the masters of the Persian Mingjiao would also come, he did understand the power of the Xuantian Empire. The

Persian Empire and the Persian Mingjiao Can it be the opponent of the Xuantian Empire?

Yang Xiao is worried and helpless now.

Monk Peng from Wusanrendu heard Yang Xiao's words and said disdainfully, "An army of three hundred thousand against an army of fifteen, there is no chance that our Mingjiao army will lose." , Yang Zuoshi, your worries are unnecessary. Yang

Dingtian thought for a while and then stood up and ordered loudly,

"Okay, let's not say any more. Yang Xiao, Monk Peng, and Zhou Dian, you, along with the senior officials and experts of the Ming Cult, rush to Qilian City now. The army must be mobilized immediately. Xikang City is only a day or two away from Qilian City. This time we will destroy the Xuantian Empire's army in an honest and fair manner."

"Yes, leader!"

Yang Xiao and Monk Peng saluted after hearing Yang Dingtian's order.

In the main hall, after Yang Xiao and other senior Mingjiao officials left,

Yang Dingtian was very confused when he sat down.

The Xuantian Empire has a very powerful army. Millions, but why is there no garrison in the northwest region?

And the army from Xikang City has just arrived from Chang'an City. Doesn't the Xuantian Empire in the northwest region care about being captured by foreigners on the border? This is what Yang Dingtian wants Things I don't understand.

Just when Yang Dingtian was thinking about these things, a Mingjiao believer came in and saluted Yang Dingtian, "Qi leader, the envoy to Dayuan has returned."

"Let him in quickly!"

"It's the leader!"

After a Mingjiao believer in tattered clothes came in, he hurriedly knelt down toward the sun and cried, "Master, you have to make the decision for us. More than a hundred of us went to the Great Yuan Empire on the grassland, but we were I was the only one killed by the Dayuan people."

After Yang Dingtian heard what the cultist said, he hurriedly asked, "Tell me quickly what's going on?"

"Master, the Dayuan Empire is over. The Dayuan royal family has escaped. I heard that they fled to Mobei, deep in the grassland. The Dayuan Empire is now controlled by Princess Zhao Min. Princess Zhao Min has wiped out the Dayuan army that opposed her. Eighty-eight"

"Princess Zhao Min? Could it be Zhao Min, the woman of the Emperor Xuantian Empire?"

"Yes, Master, the Dayuan Empire is gone. Princess Zhao Min has merged the Dayuan Empire into the Xuantian Empire. The 800,000 Dayuan cavalry army has also become the army of the Xuantian Empire. The Western Region is now also controlled by Princess Zhao Min. With."

Yang Dingtian is very angry now.

He now understands why the Xuantian Empire does not station troops in the northwest region. It turns out that the Yuan Empire outside the border is also the territory of the Xuantian Empire.

There are 800,000 prairie cavalry guarding Xuantian Do we still need to garrison troops in the northwest region on the border of the empire

?

"Damn, how could this happen? How could the Yuan Empire be said to have ceased to exist? Was the Emperor Yuan an idiot? Why can't I control a woman?"

Chapter 1110

Yang Dingtian roared crazily in the Guangmingding Hall.

He was very angry and frightened now.

The Persian Empire's 500,000 troops were coming from the Western Region to the northwest of the Xuantian Empire. Now the Western Region was also occupied by Zhao Min of the Xuantian Empire. If it is controlled, then the Persian Empire's army will not even think of coming to the northwest region. It may be very difficult for the Persian Empire's 500,000-strong army to return to Persia safely. That woman Zhao Min has 800,000 steppe cavalry. Can the highly mobile steppe cavalry allow the Persian Empire's army to leave safely? This is probably impossible. Zhao Min is the woman of the emperor of the Xuantian Empire and the princess of the Xuantian Empire. Facing the invading Persian Empire army, Zhao Min will definitely destroy all the invading Persian armies. Yang Dingtian thought that it was no wonder that almost a month had passed since the Mingjiao rebellion, and there had been no movement from the Xuantian Empire. It turned out that the Xuantian Empire did not pay attention to the Mingjiao rebellion at all. When the Mingjiao attacked a small Qilian City, the Mingjiao lost almost 20,000 Mingjiao believers, but Qilian City only had a few thousand city guards defending the city. Yang Dingtian felt that the Xuantian Empire was waiting. The Xuantian Empire wanted to wait until all the Mingjiao believers gathered here in Qilian City, so that the Xuantian Empire's army could kill all the Mingjiao masters and even all the Mingjiao believers. Mingjiao believers are now gathered around Qilian City. There are five to six million people here. Does the Xuantian Empire really want to massacre all Mingjiao believers? There are women and old people among the Mingjiao believers. Isn't the Xuantian Empire afraid that massacring so many people will cause anger and resentment? bump! Yang Dingtian slapped the Mingjiao believer away with one palm. The Mingjiao believer was hit by Yang Dingtian and hit the stone wall. He fell to the ground and vomited blood, then looked at Yang Dingtian and asked intermittently, "Teacher

.....leader, for.....Why do you want to kill me? Yang

Dingtian explained coldly, "No reason, I don't need anyone to know about this matter. Only dead people can keep secrets." "

"I.....I hate it so much....."

Yang Dingtian looked at the dead Mingjiao believers and looked around with an expressionless expression. After finding no one eavesdropping, he relaxed.

Yang Dingtian also had to kill this believer. If other members of the Ming Cult knew the truth, the Ming Cult would probably immediately fall apart, and even groups of Ming Cult believers would flee.

The Mingjiao rebellion is inevitable and there is no way out.

Even if Yang Dingtian doesn't rebel against the Xuantian Empire, he won't let him go.

Now he can only do it alone.

In the back hall of Guangmingding, in Liu Xinru's room,

Su Chen and Liu Xinru sat face to face.

Su Chen had been pestered by Liu Xinru every day these days. No matter where he was hiding in the Ming Cult, Liu Xinru could find him. This made Su Chen very surprised that Liu Xinru could find him every time.

Su Chen sat on the chair and looked at Liu Xinru and said helplessly,

"Liu Xinru, it is impossible for us to cooperate. I can only promise you that if Yang Dingtian is captured alive, I will let you kill him with your own hands."

"I understand. I am very curious about your identity now. Who are you? How strong are you?" Liu Xinru poured a cup of tea for Su Chen and said with a smile.

Liu Xinru can get such a promise from Su Chen. It's okay. She won't be looking for this bastard every day these days.

After all, Yang Dingtian is a land of heaven and human realm. Immortal, killing him and capturing him alive are two different things.

As long as she kills Yang Dingtian when he is about to die, it can be regarded as her revenge for her family and herself.

Liu Xinru is very interested in Su Chen's identity now,

Emei faction?

The envoy of the Xuantian Empire?

She didn't believe in these identities.

The identity of this shameless person would definitely not be that simple.

Su Chen shouted to Liu Xinru angrily,

"It's none of your business! Liu

Xinru scolded with a black face when she heard Su Chen's words, "Asshole, don't you want to know how I found you?"

"cut! What's there to guess? You must have spies in the Ming Cult, and even your people exist in the Ming Cult."

"hehe! As long as it's not a few important places in Mingjiao, I can find you no matter where you hide."

"I just didn't hide it well, otherwise you wouldn't be able to find me"

"oh? Yeah? Then you peeked at the Persian Ming Cult Hui Yue envoy taking a bath. Did you hide this secret well? Liu Xinru looked at Su Chen, smiled and said slyly,

"Um? How do you know this?" Su Chen didn't expect Liu Xinru to know that he peeped at Hui Yue's bath, which surprised Su Chen very much. How could this be possible?

No one else was in the secret passage at that time, and he never mentioned it to anyone. It is even more impossible for Yue Shi to tell this matter. So how did Liu Xinru know about this matter?

"you guess?"

Liu Xinru didn't expect this shameless person to actually peek at Hui Yue Shi taking a bath.

She also discovered this incident accidentally in the secret passage.

At that time, Hui Yue Shi was looking for someone in the secret passage, and even She was mumbling about killing the bastard who peeked into the bath, which made her guess that someone might have watched the Hui Yue user bathing. In the secret passage, except for Yang Dingtian, only those from the Persian Mingjiao could come in. Yang Dingtian now treats women badly. She was not interested, and it was impossible for those from the Persian Ming Cult to spy on Hui Yue Shi.

Liu Xinru had brought Su Chen into the secret passage, so she guessed that the bastard Hui Yue Shi was looking for was Su

Chen. Su Chen looked at Liu Xinru seriously Asked, "Liu Xinru, how did you know about this?"

Liu Xinru is too weird now.

Not only can she find her again and again in Mingjiao, but she even knows clearly that he peeked at Hui Yue's bath, which shocked Su Chen very much.

Liu Xinru refused with a arrogant look, "Why should I tell you? Unless you tell me your name and identity."

Su Chen knew that Liu Xinru was very curious about his identity. After thinking about it, he said confusedly, "Okay, my name is Hua Wuque, I am the young palace master of Yihua Palace, and I was sent by the Xuantian Empire to deal with the Ming Cult. 's special envoy. Liu

Xinru glared at Su Chen and yelled angrily, "You bastard lied to me again and moved to the Flower Palace?" Why didn't you say Xuanniao Palace?"

Damn it!

I want to say that you won't believe the people in Xuanniao Palace even more.

Su Chen didn't expect that Liu Xinru still wouldn't believe it this time.

This was beyond Su Chen's expectation.

Could it be that Liu Xinru, the Hua Wuque of Yihua Palace, also knew Or know?
