Chapter 111

Changsun Wuchu was a little nervous when Su Chen hugged her in the street. She had never been hugged by a man before, and she was hugged on the street. This made Changsun Wuchu feel embarrassed and worried that Su Chen, a shameless guy, would what to do to her

"You are my wife, give me a hug. What's wrong with you? Besides, that old fox Yu Wenhuaaji is secretly observing us. He must have recognized you."

"Would that ruin your collaboration with him?"

"No, even if he recognizes you, he will not destroy our cooperation. He will definitely wonder how you, Li Shimin's fiancée, can be with me. As long as Yu Wenhuaaji sees the contents of the box, he will understand"

"That's good, Su Chen, you also rebelled in the Song Dynasty?"

"No, how could I rebel? Those were just my men who did it, I don't know"

"you are so shameless"

"Haha, let's go back."

Su Chen hugged Chang Sun Wu Chuan and got on the carriage and left. After Su Chen and the others left, Yu Wenhuaaji walked out from the dark wall.

He looked at Su Chen and Chang Sun Wu Chuan thoughtfully. After thinking about it, Yu Wenhuaaji did not expect that this Wu Xiangjun would kidnap the fiancée of the second son of the Li family.

This Wu Xiangjun is really a talent. He accounts for half of the stunning beauties on the martial arts beauty list. Now Even Li Shimin's fiancée hooked up with him.

Outside Jiangdu City,

Fu Junzhuo was cleaning his wounds by the river with wounds all over his body. She didn't expect that Yu Wenhuaaji also had a master beside him.

This time she didn't kill everyone. The emperor of the Sui Dynasty did not kill Yu Wenhuaaji. All her tasks had failed. It was not known whether the master would punish her after returning to Goryeo.

At this moment, two women in white appeared silently. Next to Fu Junzhuo,

Fu Junzhuo looked at the two women who suddenly appeared and asked warily,

"Who are you?"

Fu Junzhuo felt that these two women were also masters. She did not expect that there would be so many masters in the Sui Dynasty.

A woman next to her said blankly,

"Kill your person"

"Are you the lackeys of Yu Wenhuaaji?"

Peng.

Fu Junzhuo's eyes only blurred. She was kicked out by a woman next to her.

Cough, cough, cough. Fu Junzhuo covered his bleeding wound when he fell by the river, and looked at the two master women angrily.

This The woman who kicked Fu Junzhuo sneered and said to Fu Junzhuo,

"For the sake of you being a woman, let me tell you why I want to kill you. You should not assassinate Mr. Su. We at Yihua Palace will eradicate anyone who is unfavorable to Mr. Su."

Fu Junzhuo said doubtfully after hearing what this woman said,

"Hey, I have never assassinated Mr. Su. Are you mistaken?"

Another woman said coldly,

"We are not mistaken. The young man you assassinated in Yu Wenhua's house today was Mr. Su."

"What? Isn't he Yu Wenji?"

Fu Junzhuo is a little confused now. Wasn't it Yu Wenji who she just assassinated? This makes Fu Junzhuo a little hard to accept.

"Koreans, you went to assassinate Yu Wenhua without even knowing who he was. You Koreans are really arrogant."

"I....."

"Sister Yue, isn't she going to kill Mr. Su, why should we kill her?"

"Take it back and let the palace lord deal with it. We must also report to the palace lord what we heard today."

"Okay, Goryeo, you'd better not resist, otherwise we will kill you directly"

"I know, I won't resist."

In Jiangdu, Su Chen's villa,

Changsun Wuchuan, hid in the room when she came back. She was blushing now and didn't dare to see Su Chen, this shameless bastard. Changsun Wuchuan thought that Su Chen was here. The dishonest man on the carriage moved his hands and feet to strangle the shameless bastard.

Su Chen shook his head and came to the room. It has been a month, and today he can get another gift package. Previously, he went to Yuwenhuaji to discuss cooperation. He didn't have time to receive it. This time he planned to receive the gift package to see what items he could get.

"System, I want to receive this month's gift pack"

"Ding, the gift package was successfully collected and has been stored in the system space."

"Open the gift bag"

"Ding, the gift bag has been opened. Congratulations to the host for getting a Tianyuan Pill and a Supreme Swordsmanship card. Fifty thousand elite troops."

Damn, it's a big explosion this time. It's really happening this time. The 50,000 troops alone are worth it this time. Su Chen was very excited when he looked at the items in the system space.

"System, what is the use of this Tianyuan Pill?"

"Tianyuan Dan: Coming from the world of cultivation, taking Tianyuan Dan can repair the eight extraordinary meridians in the body, and can make the practitioner's qualifications reach the imperial level. When Su

Chen saw this Tianyuan Pill, he hurriedly asked, "System, can this Tianyuan Pill open up my meridians?"

"Ding, yes."

Su Chen was happy after hearing this and wanted to eat the Tianyuan Pill immediately. However, he looked at the supreme sword skill card and wanted to know what kind of sword skill it was.

"System, let me introduce this supreme swordsmanship card."

"Ding, Supreme Swordsmanship Card: Using the Swordsmanship Card allows the host to obtain the swordsmanship secrets of a sect. The host can choose a swordsmanship system that will help the host to understand the realm of Xiaocheng."

Holy crap, thanks to the addition of the word "Supreme", you can not only get a sect's swordsmanship secrets, but it will even help you learn a swordsmanship.

"System, use swordsmanship card"

"Ding, congratulations to the host for obtaining the Four Great Sword Techniques of Qingyun Sect (Emperor Level). (Excalibur Thunder Sword Technique, Ghost Slaying Divine Sword Technique, Sword Yincang Dragon Sword Technique, Sky Ice Falling Sword Technique.)"

Let me guess, this time it is really successful, the Divine Sword Thunder Sword Technique is Lu Xueqi's specialty of Qingyun Sect. Skill, this time I have obtained the four major sword techniques of Qingyun Sect.

This time, his character was really speechless. Su Chen looked at the items in the gift package and touched his chin and thought, could it be the reason why he touched Changsun Wuchuan this time?

Su Chen took out the Tianyuan Pill, looked at it, and then ate it. The pill melted in his mouth, and Su Chen didn't even feel the taste.

"Why no response? Could it be that the elixir has expired? Damn it, why does my whole body hurt? No, the elixir has not expired, but why does it hurt so much?"

As soon as Changsun Wuchu was about to bring tea to Su Chen, he heard Su Chen shouting in the room. This made Changsun Wuchu a little worried and hurriedly opened the door and went in. Su Ming and the other secret guards also came over immediately. ,

"Su...Su Ming....You all come out.....Get out, I didn't.....thing, i'm fixing me.....meridians"

"Yes, Your Majesty."

Su Ming and the others immediately retreated after hearing Su Chen's words. Although they were worried about Lord Wu Xiang, they could not help now and could only guard outside the room.

Changsun Wuchu helped Su Chen lie down. I asked worriedly on the bed,

"Su Chen, are you okay? What meridians are you repairing? Why are you all sweaty?"

"I.....Nothing happens...Love, I will.....It's all...My body hurts."

Su Chen was lying on the bed, hugging the quilt and shivering all over. Now he didn't even want to say anything.

Changsun Wuchu looked at Su Chen's uncomfortable look and couldn't help him. She could only hold a towel to Su Chen. He kept wiping his sweat.

Suddenly Su Chen pulled Changsun Wuchu into his arms and kissed him. Changsun Wuchu was instantly covered and didn't even feel the towel in his hand falling off.

"Su Chen, don't do this, we don't.....".....

Chapter 112

The next morning,

Su Chen woke up from his sleep and found that Chang Sun Wu Chuan was missing. Su Chen immediately got up and went out to look for Chang Sun Wu Chuan. He was in unbearable pain yesterday, and he also knew what happened next.

Su Chen didn't expect Tianyuan Dan to have such an effect. Now that Changsun Wuchu was his own, Su Chen would not let her leave him.

At this time, Changsun Wuchu came in with a basin of water and asked with concern when he saw Su Chen getting up,

"Su Chen, you're awake. Do you feel better?"

Su Chen stepped forward to hold Changsun Wuchuan and said nervously,

"Wuyu, I thought you were gone."

Changsun Wuchu pushed Su Chen away and wiped Su Chen's face with a towel with a red face.

"What should I go for? Can I still go there now?"

Su Chen looked at Zhangsun Wuchuan who was blushing, hugged her and said with a smile,

"Haha, it's fine if you didn't leave, Wuchu. Even if you leave, I will find you back. You will be my wife from now on. Come on, call me husband."

""Husband," the eldest grandson called out shyly as he lay in Su Chen's arms. The eldest grandson Wuchu didn't expect that he would become Su Chen's woman in such a short period of ten days. The eldest grandson thought that ever since he met Su Chen on the boat, The fate between her and Su Chen became deeper and deeper, and this shameless bastard would be her husband from now on.

Changsun Wuchu was also a little happy when she thought that she would spend the rest of her life with Su Chen. Although Su Chen was a little unruly, he Really good, at least much better than Li Shimin

"Madam, we will rest in Jiangdu for a few days and then go to Yangzhou. We will have a lot of fun in Jiangdu these days."

"Okay, whatever your husband says is whatever it is."

In the Sui Dynasty, Yangzhou City

Lu Xiaofeng and Hua Wuque have been in Yangzhou for more than ten days. Now Yangzhou City is full of Jianghu people, and there are constant fights in Yangzhou City, and even dozens of people die every day. The government here is also He didn't dare to catch those gangsters who committed crimes.

Hua Wuque was a little bored on the street and said to Lu Xiaofeng beside him,

"Brother Lu, where do you think Brother Su has been now? Will there be any danger?"

Lu Xiaofeng smiled and took a sip of wine and said,

"Haha, Xiaobai, don't worry about Brother Su having a beautiful woman by his side now. He is living happily now. Besides, what can happen to Brother Su with his shameless appearance? But Brother Su should be coming to Yangzhou City soon."

Lu Xiaofeng is now very sure that the shameless guy Su Chen must be with Li Shimin's ex-fiancée.

If Su Chen found out that Changsun Wuchu had disembarked alone, he would not be able to leave a beautiful woman outside. After all, a Beautiful women are very dangerous outside

"Are you sure? Hua

Wuque asked in disbelief.

Lu Xiaofeng patted Hua Wuque's shoulder and guessed,

"Of course, although we don't know who Brother Su is, I think he should be a son of a martial arts family or an official. Otherwise, Brother Su would not have such a powerful guard. With the appearance of the Secret of Immortality this time, I think Brother Su Can't miss it."

At this moment, a figure suddenly appeared in front of Lu Xiaofeng,

"Lu Xiaofeng, I didn't expect you to come to Sui Dynasty. Lu

Xiaofeng said happily when she saw Sikong Zhaixing,

"Damn it, Sikong Zhaixing, why are you here too?"

Sikong Zhaixing looked at Lu Xiaofeng in confusion and asked,

"Holy shit? What's the meaning? Lu

Xiaofeng said to Sikong Zhaixing a little sinisterly,

"What I mean is that you are very handsome."

"Just lie to me, who is this?"

"How about Hua Wuque, the young master of Yihua Palace? Is he a little fresh meat?"

Sikong Zhaixing looked at Hua Wuque, then pulled Lu Xiaofeng and whispered,

"The Young Palace Master of Yihua Palace? Lu Xiaofeng, aren't you afraid of death? You dare to be with someone from Yihua Palace. If those two crazy women Yao Yue and Lian Xing find out, you will die."

Sikong Zhaixing knew that Lu Xiaofeng was a romantic prodigal, and Yihua Palace wanted to rid the world of all the heartless people. If Yao Yue and the others were to find out about Lu Xiaofeng, I'm afraid Lu Xiaofeng wouldn't be able to save even ten lives.

Lu Xiaofeng smiled and replied. Sikong Zhaixing said,

"Don't worry, Yao Yue and Lian Xing know that we are together, and Yao Yue and Lian Xing are in Yangzhou City, so be careful what you say."

Sikong Zhaixing shrank in fear when he heard that Yaoyue and Lianxing were also there. He was a little afraid of those two scary women. When

Sikong Zhaixing saw that Lu Xiaofeng was not worried at all, he had no need to worry. He knew that Lu Xiaofeng They do things in a measured way. Maybe Yaoyue and Lianxing want Lu Xiaofeng to help them.

"Xiaobai, this is my good friend Sikong Zhaixing, we will all be friends from now on. Hua

Wuque raised his hands to Sikong Zhaixing and said, "Hello, Brother Sikong, I have heard of your name."

"Brother Hua, you're welcome. If you need any help from me in the future, just let me know."

Sikong Zhaixing looked at the Young Palace Master of Yihua Palace who had just entered the world and was speechless. With Hua Wuque and Lu Xiaofeng together, I'm afraid there will be a shameless person in the future.

Hua Wuque smiled and said Sikong Zhaixing nodded.

After Lu Xiaofeng and the three of them came to a teahouse and sat down, Lu Xiaofeng asked Sikong Zhaixing,

"Sikong, is there any news about the Secret of Immortality?"

Sikong Zhaixing took a sip of tea, shook his head and said,

"No, the city of Yangzhou has been searched almost all over and no one in the world has discovered the secret of longevity."

"It seems that people who have obtained the Secret of Immortality hide it very well. Hua

Wuque looked at the people around him and said to Lu Xiaofeng,

"Brother Lu, do you think that if Brother Su were here, could he guess where the Secret of Immortality is?"

Lu Xiaofeng looked at Hua Wuque and was speechless.

"Xiaobai, he can guess whether Brother Su is a human or not a god. You have really been deceived by Brother Su, and you now regard Brother Su as a god."

Hua Wuque looked at Lu Xiaofeng and smiled. Hua Wuque felt that Chen should know where the secret of immortality was. When they were on the boat, Su Chen knew everything. He even knew about women giving birth. This made Hua Wuque admire Su Chen very much

"Go outside the city, there is a conflict between Hanhan from the Yinkui sect and Shi Feixuan from Cihang Jingzhai."

"What? There is a conflict between Huanwan and Shi Feixuan on the martial arts beauty list. Come on, go and take a look. They are both peerless beauties."

"go together, go together"

"Both No. 4 and No. 5 on the martial arts beauties list have appeared. You would be a fool not to watch them."

At this time, the people in the teahouse were all running towards the outside of Yangzhou City. Some of them used Qinggong on the houses and flew out of the city.

Lu Xiaofeng stood up and said to Hua Wuque and Sikong Zhaixing, "Xiao Bai, Sikong, let's go and see the excitement. Anyway, the Secret of Immortality hasn't appeared yet."

"Okay, I also want to see the beauties ranked fourth and fifth on the martial arts beauty list."

Sikong Zhaixing said and jumped out of the window and disappeared quickly.

Lu Xiaofeng and Hua Wuque also jumped out of the window to chase Sikong Zhaixing.

Tens of thousands of people had gathered outside Yangzhou City. , they all gathered around a small lake and looked at Hanwan and Shi Feixuan on the lake.

On the lake,

Hanwan and Shi Feixuan stood on a lotus leaf and looked at each other. Hanwan looked a little angry when she saw Shi Feixuan , this little nun not only confused that bastard Su Chen, but even she was ranked lower than Shi Feixuan on the martial arts beauty list. This made Huan Huan want to trouble Shi Feixuan when she saw her this time.

"Master nun, you are not allowed to look for Su Chen again in the future. You are a monk, so stop pestering my man."

"Witch, Su Chen is not your man yet, you can't control me now and I'm going to find him."

Chapter 113

On a big tree by the lake, Lu Xiaofeng, Sikong Zhaixing, and Hua Wuque all heard the smoky conversation between Hanwan and Shi Feixuan. This made the three of them look at each other involuntarily. They did not expect that this time Hanwan from the Yinkui sect and Concubine Xuan from Cihang Jingzhai actually got into a fight over a man.

Lu Xiaofeng shook her head with some pity and said,

"I didn't expect that these two proud women would fight over a man. This really makes me unbelievable."

Sikong Zhaixing looked at the depressed Lu Xiaofeng and struck,

"Haha, Lu Xiaofeng, you can't compare to that Wu Xiangjun Su Chen. Half of the beauties on the martial arts beauty list are related to that Wu Xiangjun Su Chen."

"You, a veteran of martial arts, have never met a peerless beauty on the martial arts beauty list. There is a huge gap between you and Wu Xiangjun Su Chen."

After hearing what Sikong Zhaixing said, Hua Wuque lowered his head and thought about that Wu Xiangjun Su Chen. Why did Hua Wuque feel that Wu Xiangjun Su Chen and the brother Su he knew were the same person?

Although he had never met Wu Xiangjun Su Chen. Chen, but apart from Brother Su being a little shameless, other brothers Su are very perfect.

Hua Wuque thought about Brother Su's character and felt that he could not be Lord Wu Xiang. Lord Wu Xiang should not be a shameless and thick-skinned person. Lu Xiaofeng pretended not to have heard what Sikong Zhaixing said. He looked around and said to Sikong Zhaixing and the others,

"There are many martial arts masters in the world this time. I can see Hou Zhuwu, the brave god of the Ming Dynasty, Murong Qiudi and Yan Shisan, the eldest ladies of the Murong family, Xie Xiaofeng from Shenjian Villa, and four famous shops. ruthless and iron-handed."

Sikong Zhaixing's eyes lit up when he saw Chu Liuxiang,

"And that Chu Liuxiang, this time I must compete with him to see who is the number one thief of angels."

Hua Wuque saw some people on the other side of the lake and asked, "Brother Lu, who are those people over there?"

Hua Wuque felt that he couldn't deal with any of those people. They gave Hua Wuque a very dangerous feeling.

Lu Xiaofeng looked at the direction Hua Wuque was talking about and laughed.

"Haha, I didn't expect that Ximen Chuixue would also come, as well as Wang Chongyang and Lin Chaoying from the Song Dynasty. The people next to them should be from the Eastern Continent, and I didn't know them either."

There are too many masters who came this time, and I'm afraid there are still some masters who haven't shown up. Lu Xiaofeng and the others have given up hope in obtaining the Secret of Immortality now.

And in the crowd not far away from them, two young gangsters also Looking at Hanwan and Shi Feixuan on the lake, they were dumbfounded looking at these two peerless beauties.

Kou Zhong and Xu Ziling were also attracted by the beauties on the martial arts beauty list here. They looked at the lake. The two beauties on the bed couldn't help but stare at each other.

They had never seen such a beautiful beauty in their entire lives. Kou Zhong was a little crazy looking at Hanwen wearing white clothes and bare feet. He felt that this beautiful beauty was the one he should like. People.

And Xu Ziling was attracted when he looked at Shi Fei Xuan, who was as beautiful as a fairy. His heart beat very fast when he looked at this Shi Fei Xuan, who was as beautiful as a fairy.

"Mr. Ling, these two women are simply fairies. If I want to have a wife like this, I would be willing to shorten my life by ten years."

"Mr. Zhong, stop dreaming, such a fairy will not look down on us two little gangsters."

Kou Zhong looked at Hanhan on the lake and said with his fists,

"That's right, they are all fairies with strong martial arts skills. We are little gangsters who don't even know martial arts. Master Ling, we must want to learn martial arts. Even if it means stealing from us, we must steal a martial arts secret book."

Xu Ziling also said with firm eyes,

"Well, we have nothing anyway, so even if we get caught, we don't have to worry about anything. The worst we can do is die."

"Then let's work together"

"Let's work hard together."

At this time, Hanhan and Shi Feixuan took action on the lake.

"Master nun, since you want to steal my man, don't blame me for being rude."

As she said this, Huanyuan flew up and used her demon-forged silk to kill Shifeixuan directly. Now, Huanyuan looked more and more dissatisfied with this calm and composed Shifeixuan. Shifeixuan was still so confident when he snatched her man. This made Hanhan very angry.

Bang

Bang

, Shi Fei Xuan instantly pulled out the Sky Sword and split the demon-forged silk of Huan Huan directly. The power of the attack between them shook the lake and flew out of the lake.

Shi Fei Xuan fought off Huanwen's attack and said calmly without changing his expression,

"I said, Su Chen is not your man yet, Su Chen will not want you if I am here"

"You are looking for death."

Boom, boom

, boom. At this time, Hanhan and Shifeixuan also showed their true fire. They flew around on the lake and attacked each other continuously. The entire small lake was somewhat damaged by the beatings of Hanhan and Shifeixuan.

By the lake, Murong Qiudi watched the battle between Huanwan and Shi Feixuan and asked Yan Shisan next to him,

"Thirteen, what do you think of the martial arts of these two women? Yan

Shisan held his sword tightly and sighed, saying,

"Miss, I am no match for them. These two women are not only at a high level of cultivation, but also have rich combat experience. The techniques they practice may also be heaven-level martial arts."

Murong Qiudi stroked her hair and said with a smile,

"Haha, now I am interested in that Lord Wu Xiang, who can make these two proud women fight to the death for him. This Lord Wu Xiang should not be an ordinary person."

Murong Qiudi was a little angry when she saw Hanhan and Shifeixuan. She felt that Hanwan and Shifeixuan should be as beautiful as herself.

But why was it that Hanwan and Shifeixuan were on the list of martial arts beauties but she was not on the list? , is she really not as beautiful as Huanwan and Shi Feixuan?

Murong Qiudi thought of that Wu Xiangjun, but she also did not expect that Wu Xiangjun would be related to half of the beauties on the Wulin beauty list.

This made Murong Qiudi She was also very interested in Mr. Wu Xiang. She wanted to see what was so special about Mr. Wu Xiang that made so many beauties fall in love with him.

Yan Shisan asked worriedly,

"Miss, you are not going to use Mr. Wu Xiang to break off your engagement, are you?"

Yan Shisan was afraid that Murong Qiudi would take advantage of Wu Xiangjun. If Murong Qiudi was found to be using Wu Xiangjun, I'm afraid none of Wu Xiangjun's beauties would let Murong Qiudi go.

What's more, that Wu Xiangjun Well, Yan Shisan doesn't believe that Wu Xiangjun is an incompetent person.

"I have this idea, and we will discuss this matter later."

Hang

Huanwan smiled and said when she saw her demon-forged silk hitting Shi Feixuan's arm,

"Haha, little nun, how about my move? Does your arm hurt?"

Shi Fei Xuan saw that Huan Huan was secretly using a hidden weapon. If she hadn't avoided the hidden weapon just now, Shi Fei Xuan wouldn't have been injured by Huan Huan's demon forged silk.

"Witch, you are indeed a member of the demon sect. You even dare to use such despicable methods secretly."

"Little nun, did that bastard Suchen tell me that we should use everything when fighting? As long as the winner is the winner in the end.

Huanwan felt aggrieved and sold Su Chen.

When Shi Feixuan heard that Su Chen had taught Huanhan, her face changed.

"Witch, you believe what that shameless bastard Su Chen said, do you want to be as shameless as him?"

"Why not? I will be his woman from now on. One of us is called a shameless bastard by you, and the other is called a witch by you. It seems that we are quite a good match."

"Unlike you, who is a fairy who doesn't eat the fireworks of the world, and looks like a noble fairy, you should continue to guard your heart lamp, be your nun, and don't come out to steal my man."

Chapter 114

On the official road not far from Yangzhou, tens of thousands of troops escorted two carriages towards Yangzhou City.

In the carriage in front, Su Chen was helplessly playing chess with Yu Wenhua. He and Changsun Wuchu were having sex with each other in the carriage, but this annoying Yu Wenhua insisted on dragging him into his carriage to play chess.

Yu Wenhuaaji saw that Su Chen was not in the mood to play chess, so he started chatting with him.

"Wu Xiangjun, I showed the gift you gave me this time to the emperor. Now the emperor has asked the patron king to secretly lead the army to Luoyang to set up defenses. As long as Li Yuan receives the imperial edict and does not come to Jiangdu, the patron king will send troops from Luoyang to destroy him. Li valve."

Su Chen didn't expect Yu Wenhuaaji to act so quickly, but with the backer king here, the Li Clan's rebellion might not go so smoothly this time.

"General Yuwen, this Li clan is not simple. He has recruited many civil and military officials in recent years. There are even people from the Li clan in Jiangdu. You must be careful not to be tricked in the future."

"Haha, I have heard this for a long time. Mr. Wu Xiang, are you going back after this trip to Yangzhou?"

"I won't go back for now. I want to go to Luoyang, the eastern capital, to visit. After a long time, I want to go out and play for a while."

Yu Wenhuaaji reminded Su Chen when he heard that Su Chen was going to Luoyang,

"Going to Luoyang? Although there is a patron king in Luoyang now, you should be careful with Wang Shichong, the prefect of Luoyang."

Su Chen nodded and said to Yu Wenhuaaji,

"Wang Shichong? I know, he seems to be from some sect in the Western Regions. This person is a bit sinister. Why don't you get rid of him?"

Yu Wenhuaaji said helplessly,

"Although I don't like Wang Shichong, the peasant rebels in Wagangzhai with him can't conquer Luoyang. Now the capable generals of the Sui Dynasty are all at the border, and I have no one to use now."

Su Chen looked at Yu Wenhuaaji and smiled and said,

"Haha, General Yuwen, you don't have to worry. I'll tell you a few generals. They are all very capable. If you can get their allegiance, you won't have to go out personally to lead troops in the future."

Su Chen now wants the generals found by the secret guards to be placed in Yu Wenhuaaji's army. When Yu Wenhuaaji dies, Su Chen can also receive everything from Yu Wenhuaaji.

"Oh, tell me."

Yu Wenhuaaji was a little curious and hurriedly asked Su Chen. Yu Wenhuaaji didn't have many generals. Now he needs to take action in everything. This makes Yu Wenhuaaji a little unable to do what he wants.

"Qin Qiong and Li Jing, one of them is a general and the other is a handsome man. They are now ordinary young generals in the Sui Dynasty. If you can get their help, you won't have to fight in the future wars yourself."

Su Chen told Yu Wenhuaaji that Qin Qiong and Li Jing were the first to be found by his secret guards.

Su Chen also did not let his secret guards tell Qin Qiong and Li Jing his identity, and Qin Qiong and the others were not loyal to him. Su Chen will not be loyal to him in the future. This is also a way to make Qin Qiong and Li Jing loyal to him.

After hearing Su Chen's words, Yu Wenhuaaji looked at Su Chen meaningfully,

"Since Mr. Wu Xiang said this, I will try to find these two people first."

Yu Wenhuaaji is now also worried that Su Chen will place some people in his army to control his army, but Yu Wenhuaaji thinks that Wu Xiangjun has not yet been conquered by the Song Dynasty, let alone the foreign countries around the Song Dynasty. There are also a lot of people.

It is impossible for Mr. Wu Xiang to do this now. Besides, with him here, even if Mr. Wu Xiang arranges some people, what will happen? Yu Wenhuaaji feels that he may be a little unfounded.

"These two won't let you down."

Yu Wenhuaaji smiled and said to Su Chen,

"Haha, I hope so, Mr. Wu Xiang, this time I brought 60,000 Xiaoguo troops, and I will leave 30,000 to protect you. This time I will not go to Yangzhou. I will go to the place you mentioned immediately. Two people."

Yu Wenhuaaji doesn't want to go to Yangzhou now. There are too many martial arts masters going there this time. Even if he suppresses those martial arts masters with his army, Yu Wenhuaaji may not be able to escape if those martial arts masters want to assassinate him..

Yu Wenhuaaji thought about it and stopped wasting that time. He also wanted to find the two people Su Chen mentioned as soon as possible. Yu Wenhuaaji would personally test whether they were generals and handsome men.

Su Chen looked at something else. Yu Wenhuaaji said,

"Why is General Yuwen so anxious? Anyway, we are almost in Yangzhou, why don't you go and see the longevity secret?"

"No, war may break out at any time, I need to prepare"

"Okay, then I hope you can win the loyalty of Li Jing and the others."

"Thank you very much Mr. Wu Xiang."

Su Chen and Yu Wenhuaaji took away 30,000 Xiaoguo troops and continued to advance towards Yangzhou City after they separated.

At almost noon, Su Chen led the army to the outside of Yangzhou City. At this time, Su Ming came outside the carriage to report ,

"Your Majesty, there are martial arts people competing outside Yangzhou City. Now tens of thousands of Jianghu people have gathered outside Yangzhou City."

"Who is fighting?"

Su Chen was resting against Changsun Wuchu. When he heard Su Ming's words, he opened his eyes and asked.

Su Ming didn't know whether to tell Wu Xiangjun now. Wu Xiangjun just took a wife by his side. Su Ming is very hesitant now.

"that.....that....."

When Su Chen saw Su Ming hesitating, he urged,"You bastard, what can't you say? Say it quickly."

Su Ming hurriedly said after hearing what Wu Xiangjun said,"Your Majesty, it's Miss Huanwen and Miss Shi Feixuan. We're competing."

I thought, why are those two girls competing? What are they competing against this time if they don't look for the secret of longevity?

Changsun Wuchu looked at Su Chen and said with a smile,

"Husband, is he your confidante?"

After listening to Su Ming's answer, Changsun Wuchu knew who Huanwan and Shi Feixuan were. These two peerless beauties on the martial arts beauty list are related to their husbands. Even half of the peerless beauties on the martial arts beauty list are related to each other. It all had something to do with him, and Changsun Wuchu didn't bother to care about Su Chen, a shameless bastard.

Su Chen rubbed his head and said helplessly,

"That's right. I can't explain it clearly now. Both of them are good babies who obey their master's orders."

"Zhu Yuyan from the Yinkui sect and Fan Qinghui from Cihang Jingzhai are both crazy women with dead brains. I don't want to put pressure on Hanhan and Shi Feixuan. This matter will be resolved slowly in the future."

Su Chen took out a fake secret of longevity and handed it to Su Ming and said,

"Su Ming, you personally take people to Yangzhou City to find a man named Shi Long. The Secret of Immortality is in Shi Long's hands. Kill Shi Long secretly to retrieve the Secret of Immortality, and then reveal this fake Secret of Immortality."

"Yes, Your Majesty"

"Come on, ask Tong Hu to clear a place for me by the lake. I want to watch those two chicks fight, and ask Tong Hu not to reveal my identity."

"Yes, Your Majesty."

At this time, the Wulin people all noticed the arrival of tens of thousands of troops, and saw the army starting to drive people away from the lake.

These Wulin people were a little ready to move, and they were also afraid that the army would attack them. Take action.

But after these troops cleared an area, they began to be alert. Just when these martial arts people were confused, a pair of luxurious carriages arrived here under the heavy protection of the guards.

"Damn it, do those guards wear exactly the same clothes as Brother Su's guards? There must be Brother Su in the carriage. What is Brother Su's identity? Why did the Xiaoguo Army, the most elite army of the Sui Dynasty, protect Brother Su?"

Chapter 115

On the big tree by the lake, Lu Xiaofeng exclaimed when he saw the guards guarding the carriage in the army. Lu Xiaofeng did not expect that Su Chen would come with the army, and it was his most elite Xiaoguo Army in the Sui Dynasty. Now he also It was understood who Su Chen was.

Hua Wuque frowned when he looked at the guards guarding the carriage. These guards were dressed exactly the same as Su Chen's guards. Hua Wuque looked at the troops surrounding the carriage and was very confused.

"Brother Lu, Brother Su, isn't he from the Song Dynasty? Why was there an army protecting him in the Sui Dynasty?"

Lu Xiaofeng had a headache when he looked at the carriage. He was also a little unsure whether it was Su Chen inside. Su Chen should not be so capable of commanding tens of thousands of Xiaoguo troops, but the guards inside made Lu Xiaofeng a little suspicious of Su Chen. Morning is in the carriage,

"I am also very confused now, Xiaobai, why don't you go and see if it's Brother Su inside? Hua

Wuque's face turned pale and he hurriedly said to Lu Xiaofeng,

"Brother Lu, are you asking me to die? Those troops were all armed with bows and arrows. If I got close, I would be shot to death."

Sikong Zhaixing hurriedly pulled Lu Xiaofeng and asked,

"Wait, Lu Xiaoji, who is that Brother Su you are talking about? I heard you say before that those troops were protecting the Brother Su you were talking about?"

Sikong Zhaixing was a little confused now. After listening to what Lu Xiaofeng and Hua Wuque said for a while, he realized that the person they were discussing could not be the person in the carriage.

Lu Xiaofeng looked at the carriage and patted Sikong Zhaixing's shoulder. said,

"Sikong, Brother Su is a good friend of mine. Now Xiaobai and I just wonder if the person inside is Brother Su. The guards inside are somewhat similar to Brother Su's guards."

"How about I go take a look?"

"You don't know Brother Su, so you're in trouble. Anyway, he came to Yangzhou City and showed up sooner or later."

On the lake, Hanwen and Shi Feixuan also noticed the arrival of the army. They looked at each other when they saw the Xiaoguo Army, the elite army of the Sui Dynasty, protecting a carriage. Hanwen was a little happy now. Not only had she been injured just now, He also made Shi Fei Xuan speechless. This time, he finally gained the upper hand.

"Little nun, now that the army is here, do you still want to seek revenge from me?"

Shifei Xuan looked at Hanhan with anger on her cold face, and the Se Kong Sword in her hand also made a buzzing sound.

"Witch, do you think I will retreat? You used a hidden weapon to sneak attack me, how could I not repay you?"

Huanwan laughed happily when she saw that Shi Feixuan was angry now.

"Haha, little nun, I know you have achieved great success in the Sword Heart Transparency, but I have also achieved a breakthrough in the Heavenly Demon Technique. You may not be able to beat me this time."

"I'll catch you, witch"

"You think too much, little nun."

Shi Feixuan said to Huan Huan and attacked her. This time Shi Feixuan attacked Huan Huan with all her strength without any reservation.

When Huan Huan saw that Shi Feixuan was angry now, she stopped Qi Tianmo Forged Silk took out her Heavenly Demon Double Slash and rushed forward.

Bang, bang

, bang

, bang, bang, bang. The aftermath of the fight between Shi Feixuan and Huan Huan shook the lake and flew up in all directions. The people in the rivers and lakes around watching their fight were also a little shocked. She kept retreating back.

Huanwan's demon body continued to attack and avoid Shi Feixuan's attacks on the lake. She danced on the lake like an elf.

Shi Feixuan was like a noble fairy, dressed in white. The man in clothes and with a cold face was chasing Hanhan in the air with the Se Kong Sword.

"It's so beautiful. These two stunning beauties are so beautiful when they fight. I didn't come here in vain this time."

"Yes, a witch, a fairy. If I can see such a peerless beauty this time, I will not live my life in vain."

"Beautiful, really beautiful. I don't know which one to support now. They are both so beautiful."

"Me too, I think it's better to support the demon girl Huanwan. After all, Xianzi Shifeixuan is a monk and she may not have feelings for men and women."

"Nonsense, I support Fairy Shi Feixuan. Shi Feixuan has a close relationship with Wu Xiangjun. She must have feelings for a man and a woman."

"I support the demon girl Hanwan"

"I support Xianzi Shifeixuan"

"We both support them, they are both goddesses."

At this time, people around the world began to support the goddess in their hearts, and some even started to quarrel.

"Witch! Witch! Witch!....."

"Fairy! Fairy! Fairy!....."

As Huanwan and Shi Feixuan were fighting, they were speechless when they heard the shouts of the people around them. They were fighting to the death here, but the people around them were still supporting them in defeating each other. bump!

Huan used the Heavenly Demon Double Slash to open Shi Feixuan's Se Kong Sword and said with a smile,

"Little nun, if you don't steal my man from now on, I won't target you in the future."

Whoosh!

Shi Feixuan directly used his sword energy to attack Huan Huan. However, Huan Huan's Heavenly Demon Body Technique was too fast. Shi Feixuan's sword energy attack directly hit the lake. A huge water column was hit by Shi Feixuan. out

"Witch, I will never let you take advantage of Su Chen, you should give up on this idea."

Huanwan quickly turned around on the lake and landed on a lotus leaf. She looked at Shi Feixuan and said to Shi Feixuan with a smile,

"Shi Feixuan, come and try my trick. This is a trick that Su Chen told me about a super master named Hua Mulan. I only perfected it after repeated experiments. You have to be careful."

Shi Feixuan's face turned pale after hearing Huan Huan's words. She didn't expect that bastard Su Chen to tell Huan Huan so many things. She didn't know these things, which made Shi Feixuan feel a little uncomfortable.

"Just give it a try, I don't believe that bastard Su Chen can't teach you any tricks because he doesn't know martial arts."

"You have to be careful, little nun. This is my first time using this trick. I don't want to kill you."

"You want to kill me, you witch, you are thinking too much."

Holding the Heavenly Demon Double Slash in both hands, Huanhan looked at Shi Feixuan with cold eyes, and suddenly Huanhua flew into the air.

""The Flower of Whirling Dance"

At this moment, a Heavenly Demon Slash in Hanhan's hand burst out with white light, and suddenly spun quickly towards Shi Feixuan, while Huanhan also held another Heavenly Demon Slash towards Shi Feixuan. Rush.

Dang

Puff

Shi Feixuan looked at the Heavenly Demon Slash that suddenly flew over quickly. She took the Se Kong Sword and was about to split the Heavenly Demon Slash. When Shifeixuan hit the Heavenly Demon Slash, she was shocked by the spinning Heavenly Demon Slash. He vomited a mouthful of blood.

At this time, Huan Huan also rushed over. When Shi Feixuan was vomiting blood, Huan Huan held another Heavenly Demon Slash and chopped it down from the air.

Hong

Huan Huan slashed the side of Shi Fei Xuan with one blow. The lake split into two halves. Huanwan looked at the pale-faced Shifeixuan next to her and smiled. This time, she could be said to have won.

Shifeixuan covered her chest with one hand and asked with confusion,

"Why don't you kill me?"

Just now, Huanwan's final attack hit her next to her, which made Shi Feixuan a little confused. This time she completely lost. Shi Feixuan didn't expect that the attack of Tianmo Zhan would hurt herself. And Huanwan didn't kill her in the end.

In the carriage by the lake

"Damn it, Huanwan is going against the heavens."

Su Chen was a little confused when he saw Huan Huan's attack from the window. He was just bragging to Huan Huan about some attack moves of Hua Mulan's light and heavy swords in the Game of Kings. Su Chen didn't expect that Huan Huan actually understood them.

And This attack is still powerful, but Huan Huan should have no real energy now. I don't know if Huan Huan will fall into the lake for a while, but Su Chen is a little worried about Shi Feixuan who is vomiting blood. Injury.

Chapter 116

The people in the Jianghu who were watching the showdown between Hanwen and Shi Feixuan by the lake were all very surprised to see the demon girl Hanwen. They did not expect that the demon girl Hanwan would win in the end, and the last trick of Hanhan made them feel... fear.

On the big tree by the lake,

Sikong Zhaixing was a little shocked when he saw Huan Huan's last big move. He knew that even he might be defeated by Huan Huan. The attack of the Xuan Wu Hua was too fast, and even if he blocked Xuan Wu, Zhihua's attack, and Huanwan's follow-up attack may also kill him.

"Lu Xiaoji, can you catch the whirling dance of Huanhua just now with one finger of your soul? Lu

Xiaofeng said to Sikong Zhaixing with a serious expression.

"No, that whirling flower is spinning and attacking rapidly. If I catch it with one finger of Lingxi, I'm afraid my fingers will be crippled. Huanhua's attack is a bit like Ye Gucheng's Flying Fairy from Heaven, both are terrifying. The trick."

Hua Wuque said with lingering fear when he looked at Huanwan and Shi Feixuan,

"These two women are so fierce, I don't know how Wu Xiangjun got along with them."

Hua Wuque has only reached the realm of Xiantian cultivation. This time he saw the battle between the two masters, which made Hua Wuque aware of the gap between Xiantian and the master. Hua Wuque also admired Huanwan and Shi Feixuan. They both This woman is about the same age as him, and her current cultivation level has left him far away.

At this time, by the lake, some masters with strong cultivation levels were also talking about Huan Huan's last attack.

"Thirteen, it seems that we have all underestimated these two women. They are really stronger than us. Even I am not the opponent of any of them now."

"Yes, I can't even block the attack of that dancing flower."

Yan Shisan is very uneasy right now. He feels that he must die if he confronts Huanwan's Xuanwuhua. That attack is too fast and too powerful.

This is still the first half of the attack of Xuanwuhua. If you add the Yan Shisan is now sweating on his forehead after the finishing blow.

"Chaoying, the Sui Dynasty is indeed Crouching Tiger, Hidden Dragon. The younger generation is much stronger than our Song Dynasty."

"Yes, they are too powerful, Wang Chongyang, I feel that in a few years, I may not be their opponent."

"Ruthless, can you deal with them?"

"I don't know, Tie Shou, are we really going to get that longevity secret this time?"

"This is the emperor's order, and we can't refuse it. Now that Lord Tietan is here, let's take a look and talk about it."

"Xiangshuai, you seem to be no match for either of them."

"Rongrong, although I can't beat these two women, they can't catch me if I try to escape."

"Haha, Xiangshuai, you really can't beat them."

"Isn't it normal that I can't defeat them? I'm only good at light kung fu and stealing skills, martial arts is second."

While these people in the world were discussing, two powerful women flew towards Hanhan and Shi Feixuan, one on the left and the other on the right.

"Huanhua, are you okay?"

"Feixuan, are you okay?"

The two women asked with concern when they came to Hanhan and Shifeixuan.

Hanhan was relieved when she saw her master Zhu Yuyan coming. Now her energy was drained by her using the move of Xuanwuhua. If her master hadn't shown up, I'm afraid she would have fallen into the lake soon.

"Master, I have nothing to do but my energy is exhausted."

Zhu Yuyan pulled her back and started sending Qi into her body. Zhu Yuyan didn't expect that her husband could defeat Shi Feixuan, especially the big move that she used at the end.

She had said to her before when she saw her practicing, But she didn't expect that Hanhan actually created a powerful trick of her own, which made Zhu Yuyan very happy. However, Hanhan did not

kill Shi Feixuan in the end, and Zhu Yuyan was also a little confused. Fan Qinghui hurriedly hugged Shi Feixuan. Feixuan, she was a little anxious when she saw that Shi Feixuan was seriously injured. Fan Qinghui did not expect that the Yin Kui faction's Huan Huan could defeat Shi Feixuan, and the last move was indeed something that Shi Feixuan could not resist.

Shi Feixuan was beaten by Fan Qinghui. Qinghui hugged her and said with a look of shame, "Master, I'm sorry, I failed."

Fan Qinghui said comfortingly while checking Shi Feixuan's injuries,

"Fei Xuan, it's not your fault. Huan Huan's last trick was very terrifying. Your failure this time is excusable."

Su Chen was speechless when he saw the two powerful women who suddenly appeared. He knew that these were Zhu Yuyan from the Yinkui Sect and Fan Qinghui from Cihang Jingzhai, but why were these old women so young and beautiful?

Like Li Qiushui, Yaoyue, Lianxing, and now Zhu Yuyan and Fan Qinghui, these women are not only powerful, but also very powerful. Is this mixed martial arts world a feminist world?

Su Chen looked at the woman in a white dress Zhu Yuyan, I think of the TV series where Zhu Yuyan used jade and stone to die together with Shi Zhixuan at the end, but she failed in the end.

Zhu Yuyan died without killing Shi Zhixuan. She was also a pitiful and pitiful woman.

Su Chen looked at her clothes again. Su Chen didn't know much about this woman,

Fan Qinghui, who was wearing a light yellow Taoist robe. She just knew that if something happened to Fan Qinghui, she would ask Grand Master Ning Daoqi to take action. Could it be that Fan Qinghui, a beautiful old woman, was having an affair with Ning Daoqi?

Changsun Wuchu saw Su Chen looking at the women on the lake and lowering his head to think about something. She pushed Su Chen and said,

"Husband, what are you thinking about? There's going to be a fight on the lake."

Su Chen was dumbfounded when he looked up. Now the masters of the Yinkui sect and the nuns from Cihang Jingzhai were confronting each other.

And an old Taoist priest who looked powerful was standing on the side of Cihang Jingzhai, and Su Chen I knew that the old Taoist priest must be Cihang Jingzhai's thug Ning Daoqi.

"Damn it, how come it's the sect's turn to fight after the apprentice fight? Damn it, that Taoist scum Ning Daoqi showed up this time."

Changsun Wuchu leaned on Su Chen's arms and asked, looking at the Yinkui sect's numerical advantage on the lake.

"Husband, it seems that the Yinkui sect is no match for Cihang Jingzhai, right?"

Su Chen hugged Changsun Wuchu and saw some bald donkeys appearing. These bald donkeys wanted to help Cihang Jingzhai.

"Madam, Cihang Jingzhai is no match for the Yinkui sect, but now that Ning Daoqi and those bald donkeys are here, the Yinkui sect may suffer heavy casualties this time."

"Aren't you going to save Huanwen?"

Su Chen hugged her eldest grandson Wu Chuan, kissed her, smiled and said, "Don't worry, I won't let anything happen to Huan Huan and Shi Fei Xuan. Someone's here."

"Your Majesty"

"Put on the purple signal. After a while, Hanhan and Shi Feixuan came over without interception, so that Tong Hu's army could prepare for battle. Didn't he brag to me about the strength of his Xiaoguo Army? Tell him I'm watching from here"

"Yes, Your Majesty."

On the lake, the Yinkui sect, led by Zhu Yuyan, was wary of those people opposite Cihang Jingzhai. Zhu Yuyan did not expect that the great master Ning Daoqi would help Cihang Jingzhai, and those bald donkeys obviously also wanted to help Cihang Jingzhai. ,

Zhu Yuyan pulled Hanhan and spoke to Hanhan,

""Huanhan, you have to escape soon, and I'm afraid the master won't be able to protect you this time,"

Huanhan said, holding Zhu Yuyan's hand tightly.

"Master, let's go together. I won't escape alone."

"Huanyuan, you are the future of our Yinkui sect. You can't have trouble here. To escape, remember, don't appear again in Sui Dynasty before you become stronger through cultivation."

"I....."

Chirp.....

Just when Huanwan was about to say something, a purple signal suddenly appeared in the air by the lake.

Chapter 117

Huanwan was a little confused when she saw the purple signal that suddenly exploded in the air. This signal meant that Su Chen was here. Huanwan and Shi Feixuan also had this kind of letter in their hands.

Huanhan looked at the place where the signal was sent and gritted her teeth as she looked at the carriage protected by the army. Huanhan was now very sure that the bastard Su Chen was in the carriage.

This bastard didn't even look for her when he came to Sui Dynasty, and he was still here watching her and Shi Feixuan fight to the death. Huanwan now wanted to bite that bastard Su Chen to death.

Zhu Yuyan asked hurriedly when she saw that Huanwan's expression was wrong,

"Huanhua, what's wrong with you?"

Huanhan felt very warm when she saw Zhu Yuyan caring about her. She pulled Zhu Yuyan and said with a smile,

"Master, our Yinkui faction is saved this time. The signal just now was sent by my friend. He must have sent that signal when he saw that I was in danger."

Zhu Yuyan looked at the purple smoke above the army and asked doubtfully,

"your friend? The one the military protects?"

Zhu Yuyan didn't know that Huanwen knew the generals of the Sui Dynasty, and that this was the most elite Xiaoguo army in the Sui Dynasty.

"Master, we will break out towards the army in a moment. Don't worry, my friend will not die without saving him."

"Okay, since what you said, we will break out towards the army."

Here at Cihang Jingzhai, Shi Feixuan was originally very worried about Huan Huan, but when she saw the purple signal in the sky, Shi Feixuan's expression changed.

She also didn't expect that Su Chen was actually in Sui Dynasty, and he was still there. She had to save Huanhan at the critical moment, which made Shi Feixuan feel a little uncomfortable.

When she was injured and almost killed by Huan Huan, she didn't see that bastard Su Chen save her. Shi Feixuan was very worried when she saw the carriage protected by the army. of anger

"Queen Yin, no one from your Yinkui sect can escape this time, go ahead, kill these demon sects."

Fan Qinghui saw that the Yinkui sect was in a panic and ordered directly,

""Yes, the master of the house." Zhu Yuyan, Queen of Yin, saw Cihang Jingzhai taking action. She pulled Hanhan and immediately ordered,

"Fight them all out and break out towards the army."

Mo Yinbian said to Zhu Yuyan in a hurry,

"What? Sect Master, we will be killed if we go towards the army. Let's escape in another direction."

"Shut up and give it all to me."

Zhu Yuyan took the lead and led Huanwan to fight with Fan Qinghui while retreating towards the army.

When everyone in the Yinkui faction saw Zhu Yuyan insisting on escaping towards the army, they hesitated. They did not want to be shot by the army.

Bian Bu Fu Zhi looked at Zhu Yuyan in front of him and turned around to run away in the other direction. He didn't want to escape from the army. Going there would be a life-and-death experience. Bian Fu Zhi was not as mindless as that crazy woman.

Yin Du Shihong, the elder of the Kuai sect, saw that Elder Bian Fulai did not break out with the sect leader Zhu Yuyan. He thought for a while and fled towards Bian Fulai. Some disciples of the Yinkui sect who were afraid of death also followed Bian Fulai and Du Shihong to escape.

Zhu Yuyan The four charms around her were loyally protecting Zhu Yuyan. They fought with the nuns from Cihang Jingzhai while retreating towards the army.

Bai Qing'er looked at the master Zhu Yuyan in front of her and felt very hesitant in her heart. She knew that she was going to the army. It will definitely not be easy to escape from there, and you will even be shot by the army.

Bai Qing'er also saw the elders Bian Fuhua and Lin Shihong leading some people to escape to the other side. Bai Qing'er was very embarrassed now. She was now She didn't know which way to escape.

Finally, Bai Qing'er looked at Huan Huan who was protected by Zhu Yuyan and broke out towards her master Zhu Yuyan. She knew that even if the master died, the master would not let anything happen to Huan Huan, so Bai Qing'er bet This time, I could escape from the army.

Zhu Yuyan also discovered that Bian Fulai and Lin Shihong had taken some people to escape in another direction, but Zhu Yuyan ignored them.

Zhu Yuyan was also in a state of anxiety, she didn't want to I know whether what Hanhan said this time is true. If that person in the army is not a friend of Hanhan, then their Yinkui faction will really be doomed.

Fan Qinghui watched the Yinkui faction fleeing in two directions. She looked at Zhu Yuyan who was about to flee from the direction of the army and sneered and said,

"Queen Yin, you are still so clueless. It seems that you have not made any progress after being deceived by Shi Zhixuan. Do you want to escape from the army? If you think about it, I'm afraid you will be shot by random arrows as soon as you approach the army."

Zhu Yuyan knocked back Fan Qinghui with one palm and said with a sneer,

"Nun Fan, I'm not like the Buddha who talks like a snake but has a conceited attitude. You'd better be careful when Song Que, the Heavenly Sword, comes out to find your old lover."

Fan Qinghui did not pursue Zhu Yuyan anymore. If he moved forward, he would reach the warning range of the army. Fan Qinghui would watch Zhu Yuyan and the other Demon Sect monsters being killed one by one by random arrows from the army.

"Zhu Yuyan, I'll see how you die this time. Taoist Ning, please catch Bian Fuhua and the others. I'm afraid Zhu Yuyan will die without us taking action here."

Ning Daoqi nodded to Fan Qinghui and said as if he was getting rid of harm for his own sake,

"Okay, I'm going to catch these evil demons."

Fan Qinghui relaxed when she saw Ning Daoqi take action. She will never let a person from the Demon Sect escape this time.

The people around are just watching the fun. The Yinkui Sect and Cihang Jingzhai are not them. Those who want to provoke can now watch the two factions fighting here. They will not take action without interests in the world.

Some powerful experts shook their heads when they saw Zhu Yuyan leading the Yinkui faction towards the army to escape. Shaking their heads, they all knew that it was very difficult to escape from the army.

The army would not allow Jianghu people to rush into their military formation. I am afraid that before the Yin Kui faction rushed to the army, the army would shoot arrows to kill Yin Kui. Send everyone.

Zhu Yuyan and Hanhan are about to arrive in front of the army quickly. Zhu Yuyan is also very vigilant now. If the army takes action, she will let Hanhan escape at all costs.

When Zhu Yuyan arrives in front of the army, Xiao in front Guo Jun suddenly made a way. Zhu Yuyan took a look and pulled Huan Huan in. Yin Kui sent Si Mei and Bai Qing'er to follow quickly with some joy.

When Zhu Yuyan and the others entered the area protected by the army, The Xiaoguo Army immediately blocked the road, and the archers quickly drew their bows and arrows and watched the front vigilantly.

As soon as Hanwen and Zhu Yuyan entered the army's formation, they saw some guards wearing black costumes. While waiting for them,

Su Zhong, the deputy commander of the secret guard, saw Huan Huan and the others arriving at the military formation and hurried over. When he came to Huan Huan, he immediately saluted and said,

"The deputy commander of the secret guards, Su Zhong, has met Miss Huan Huan." The deputy commander of the secret guards, Su Zhong, knew about this Huan Huan. She might be their mistress in the future. Su Zhong did not dare to offend

Huan Huan. When he saw this guard saluting him, he knew that he was a subordinate of that bastard Su Chen.

"Are your gentlemen on the carriage?"

"Miss Huanwan, Your Majesty is now in the carriage."

"take us there"

""Yes."

Zhu Yuyan felt a little strange when she saw the unceremonious way that the deputy commander of the secret guards was commanded by Huan Huan. Also, why was the deputy commander of the secret guards so respectful to Huan Huan? Who is that king? Why is Zhu Yuyan frowning? I can't understand either

"You shameless bastard, I'm in so many dangers outside, and you're actually playing with women in a carriage? explain! Who is this woman?"

Chapter 118

Huanwan was very angry now. When she came to Su Chen's carriage, she was ready to thank Su Chen for his help this time.

But as soon as she got on the carriage, she discovered that this bastard Su Chen was holding a beautiful woman, and Huan Huan became furious and wanted to beat this bastard.

Seeing Huanwan's angry look, Su Chen quickly pulled her over and said,

"Huanhua, come and sit down, I've prepared some tea for you."

Su Chen doesn't want to let Huan Huan lose his temper here, which will make him very embarrassed. This little girl is becoming more and more rude to him now. It seems that Huan Huan really regards him as her man.

Huan Huan Huan glared and pointed at Changsun Wuchuan and asked angrily,

"Su Chen, who is she? You bastard has been here a long time ago, why don't you come out to see me?"

Su Chen hugged Huanwan and sat down and said with a smile,

"Sit down first, and I'll tell you slowly, this is my wife's eldest grandson, Wu Chuan. Wu Chuan, this is Huan Huan."

Changsun Wuchu looked at Hanwan on the martial arts beauty list and said with a smile,

"Hello, Miss Huanhan, I will not interfere with the affairs between you and your husband. As long as you can convince your master, you can marry Su Chen."

Huanwen is a little embarrassed now. She didn't expect that this is Su Chen's wife, so wasn't she a little embarrassed just now? She was just yelling about Su Chen's real wife. Huanyuan is a little embarrassed now.

"Uh, Sister Changsun, you're welcome. I wasn't targeting you just now. This bastard is messing around with women. I'm afraid he will be taken advantage of by those unscrupulous women.
Changsun

Wuchuan handed Hanhan a cup of tea and said,

"Haha, I know, Huan Huan, I'll have to trouble you to keep an eye on him from now on. I don't know martial arts, and I can't keep tabs on my husband messing around with women in the future."

"Don't worry, I will keep an eye on this bastard Su Chen from now on. Su Chen, why didn't you show up earlier?"

Su Chen now said to Hanhan helplessly,

"Some people here know me, but they don't know my identity. I just thought you and Shi Feixuan were here for fun. Who knew you had become really popular, and now even your sect is involved."

After Su Chen took out this rescue, I'm afraid he can no longer hide his identity. People here will definitely pay attention to him. Maybe Lu Xiaofeng and the others have already guessed his identity.

"If you save our Yinkui faction this time, won't your identity be revealed?"

"If you expose it, expose it. Anyway, I have nothing to be ashamed of, but some things may be more troublesome in the future."

"As long as it doesn't matter, then why didn't you come to Sui to find me?"

"I have only been in Sui Dynasty for more than ten days. I didn't just rush to Yangzhou City after finishing my work."

While Su Chen and Huanwan were talking, Zhu Yuyan and the others were speechless outside. The girl Huanwan got on the carriage and forgot about her as the master.

Now the carriage is protected by the guards here, and Zhu Yuyan and the others are approaching the carriage. No.

Zhu Yuyan was a little surprised when she saw the Poqi military crossbows in the hands of these guards. She did not expect that these guards were actually holding Poqi military crossbows. The

Poqi military crossbows were not even owned by the most elite Xiaoguo army in the Great Sui Dynasty. Here He actually had hundreds of guards in his hands, and Zhu Yuyan began to doubt who he got in the carriage.

Bai Qing'er looked at the tens of thousands of elite troops around him, and then at the powerful guards here, which made Bai Qing'er very envious of Huan Huan now. , Huanyu is better than herself in everything, and now she also knows a high-ranking official with an army, which makes Bai Qing'er no longer have the confidence to continue fighting with Huanyuan. On the periphery of Xiaoguo's army, the nuns of Cihang Jingzhai Seeing that the Yinkui sect marched into the formation without any obstruction, the nuns of Cihang Jingzhai were very puzzled.

They thought that these troops would not care about the affairs of the Jianghu, so the nuns of Cihang Jingzhai were prepared to do the same. Go into the army.

Swish, swish, swish.

Just as these nuns entered the guarding range of the Xiaoguo Army, sharp arrows were shot in front of them. This made the nuns retreat hurriedly. At this time, a general walked up to the army. The nuns watching Cihang Jingzhai in front shouted a warning,

"No one is allowed to enter this important military area. This time it is a warning. If you break into the military's security range next time, you will be shot directly."

Fan Qinghui understood why the Yin Queen Zhu Yuyan fled here after hearing the general's words. Now that the Yin Queen has fled into the army, she is no match for the army no matter how high her martial arts skills are.

"Lord, what should we do now?"

"Wait, wait until Taoist Ning captures the remnants of the Yin Kui sect and comes back to force the Yin Queen Zhu Yuyan to come out."

""Yes, Zhaizhu."

The Jianghu people by the lake now can't understand why the Yinkui sect can enter the place protected by the army, but Cihang Jingzhai is blocked from entering. Could it be that the general of this army knows the Yinkui sect?

When Lu Xiaofeng saw the Yinkui faction entering the military formation, she frowned and felt a little incredible. Normally, it was impossible for the army to let Jianghu people enter their military formation, but then Cihang Jingzhai was prevented from entering by the army.

This made Lu Xiaofeng thought of the relationship between Wu Xiangjun and Huan Huan, and the fact that the guards inside were basically the same as Brother Su's guards, Lu Xiaofeng gritted his teeth and said,

"Brother Su? Suchen? Who am I, Xiaobai, Brother Su is Wu Xiangjun Su Chen, that makes sense"

"I asked why Brother Su had such a powerful guard. That bastard Brother Su lied to us so miserably. No, I want to blackmail Brother Su. Let's go find that shameless bastard."

Lu Xiaofeng said and used Qing Gong to fly directly towards the army. Hua Wuque and Sikong Zhaixing looked at it and followed them using Qing Gong. When

Lu Xiaofeng came to the army, he saw that the Xiaoguo Army was about to shoot arrows at him. Lu Xiaofeng He said hurriedly,

"Wait, I am Wu Xiangjun's friend Lu Xiaofeng. You can go and report to Wu Xiangjun. Su Chen said that Lu Xiaofeng wants to see him."

"Do you know your Majesty?"

"Yes, general, please tell Mr. Wu Xiang that Lu Xiaofeng is here."

"By the way, let me go and report it."

"Thank you."

When Sikong Zhaixing and Hua Wuque arrived, they saw Lu Xiaofeng standing there and giggling. They looked at each other. Sikong Zhaixing and Hua Wuque thought that Lu Xiaofeng might be stupid and just came to see Wu Xiangjun. Lu Xiaofeng After a while, the general came back and invited Lu Xiaofeng and the three of them to go in.

Outside the carriage, Huanhan looked at Zhu Yuyan and was very embarrassed. She had just been chatting with that bastard Su Chen and forgot about the master and the others outside. Now, if it weren't for Lu Xiaofeng who wanted to see Su Chen, Huanyuan would not have remembered the master and the others.

The guards arranged some tables and chairs next to the carriage. After Yin Queen Zhu Yuyan and the others sat down, Huanyuan hurriedly gave her The master pours tea

"Master, have some tea."

Zhu Yuyan looked at the embarrassed Hanhan and said expressionlessly,

"Huanhua, what were you doing just now? But let me wait, Master."

Huanwan immediately stood behind Zhu Yuyan and massaged her shoulders and said pitifully,

"Master, I was wrong. I was angry with that bastard Su Chen. I will never forget Master in the future. Su Zhong, what are you still doing standing there? Hurry up and get some fruit cakes. Didn't you see it's noon now?"

"Yes, Miss Huanwan, I'll go and do it right away"

"Huanyuan, tell me, who is in the carriage? How did you meet?"

Chapter 119

Zhu Yuyan is also very curious about Su Chen now. Now Zhu Yuyan also remembers that Su Chen should be Wu Xiangjun of the Song Dynasty.

This Wu Xiangjun is related to Huan Huan, and he is also related to half of the peerless beauties on the martial arts beauty list.

Zhu Yuyan also warned Hanhan not to have a relationship with any man, but now it seems that Hanhan didn't listen to her at all.

Zhu Yuyan is now afraid that Hanhan will fall in love with that Wu Xiangjun Su Chen. If Hanhan falls in love with Su Wuxiangjun, Hanhan's Heavenly Demon Technique will not be able to reach the 18th level, the highest level.

Huanyuan may also follow in her own footsteps. Zhu Yuyan was deceived by Bai Zhixuan. She does not want Huanyuan to be deceived by other men. In the future, Huanyuan hopes to revitalize the Yinkui sect, and Zhu Yuyan does not want Wu Xiangjun to ruin it. The hope of the Yin Kui faction.

Huanwan massaged Zhu Yuyan and said to her with a smile,

"Master, Su Chen is Wu Xiangjun of the Song Dynasty. I also met Su Chen in the Song Dynasty. He is quite good, but he is a bit shameless. Su Chen has this bad habit."

Zhu Yuyan looked back at Hanhan and asked doubtfully,

"He was Wu Xiangjun of the Song Dynasty. Why did he command the most elite Xiaoguo Army of the Sui Dynasty?"

Bai Qing'er and the four charms of the Yin Kui faction also looked at Huan Huan in confusion. They also wanted to know why Wu Xiangjun of the Song Dynasty commanded the army of the Sui Dynasty.

"Master, I don't know about this either. I just found out that he came to Sui Dynasty. I don't know what this bastard Su Chen did in Sui Dynasty."

Zhu Yuyan thought for a while and suddenly said to Hanhan,

"Huanyuan, will this Lord Wu Xiang help our Yinkui sect in the future?"

Huanhan doesn't want Su Chen to get involved in the Sui sect's struggle. Su Chen doesn't know martial arts, and she is also afraid that Su Chen will be assassinated.

"I don't know. I wanted him to help our Yinkui sect before, but Shi Feixuan stopped me. I don't know if Su Chen will help our Yinkui sect."

"You can ask Mr. Wu Xiang if he will help our Yinkui sect?"

"No need to ask, I won't help you Yinkui sect."

Su Chen heard Zhu Yuyan's words as soon as he came out of the carriage. Su Chen sat opposite Zhu Yuyan and looked at this beautiful Zhu Yuyan.

Damn, this Zhu Yuyan is so beautiful. No wonder Zhu Yuyan was the most beautiful among the Double Dragons of the Tang Dynasty on the Internet. Beautiful women.

Su Chen looked at Zhu Yuyan and compared her with Li Qiushui, Yao Yue and Lian Xing. Su Chen felt that Zhu Yuyan and Yao Yue were equally beautiful.

Zhu Yuyan and Yao Yue both had the same kind of elegance and temperament. Extraordinary beauty, Li Qiu Shui is mature beauty, Lian Xing is fragile beauty, in short there is not much difference between them.

Seeing Su Chen staring at her, Zhu Yuyan asked a little annoyed,

"Wu Xiangjun, why can't you help our Yinkui sect?"

"There's no reason, I just don't want to help you Yin Kui Faction."

When Huanwen came to Su Chen's side, she pinched Su Chen's waist and said with a smile,

"Su Chen, please help our Yin Kui Sect. You see, our Yin Kui Sect was beaten by a group of upright masters today. Those upright people are all shameless hypocrites."

Huanhan just noticed that the shameless bastard Su Chen was staring at her master. This made Huanhan very angry now. She didn't expect this bastard to be so shameless and rude to her master for the first time.

"Huanyuan, haven't you ever thought about the tens of thousands of Jianghu people here? Why don't these Jianghu people help you? Even people from other sects belonging to the Demon Sect didn't help you?"

Zhu Yuyan said to Su Chen expressionlessly,

"What do you want to say?"

Su Chen stood up, stared at Zhu Yuyan and said coldly,

"Zhu Yuyan, the reputation of your Yinkui sect is too bad, and your reputation is even worse. If you hadn't been really nice to Huanhan, I would have even taken Huanhan away from your Yinkui sect."

"you....."

"Su Chen, I will not leave the Yinkui sect."

Zhu Yuyan was speechless by Su Chen. She knew that some people in the Yinkui sect were up to no good. She did not deal with those people for the sake of the stability and strength of the Yinkui sect. Zhu Yuyan understood her own affairs, but she did not Thinking that Su Chen also knew about her past,

Huanhan pulled Su Chen and glared at Su Chen with a cold face. It was impossible for Huanhan to leave the Yinkui sect, and she would not leave her master. What Su Chen said today made her Huan also knew that Su Chen might not help the Yin Kui sect.

At this time, Lu Xiaofeng came here under the leadership of the guards. When Lu Xiaofeng saw Su Chen, he patted Su Chen on the shoulder and said,

"Brother Su, it's so hard for you to lie to me. You have to compensate me. I don't want anything, just give me one hundred and eighty thousand taels of silver. You also know that I am a pauper."

Su Chen smiled when he saw Lu Xiaofeng and said,

"Lu Xiaoji, get out of here, when did I lie to you? You just didn't ask me about my identity. If you asked me, of course I wouldn't tell you, hahaha"

"You are still so shameless. Fortunately, you are still the Lord Wu Xiang of the Song Dynasty."

"Each other, each other, pretty boy, you're here too, where's your aunt Yueyue, that bitch? ,"

Hua Wuque smiled at Su Chen and cupped her hands,"Auntie should be around, Brother Su, you better pay attention, otherwise my auntie might beat you up."

"I'm not afraid of her. You haven't seen me now but I have hundreds of guards and tens of thousands of troops. Now your aunt should be afraid of me."

Hua Wuque looked at Su Chen and shook his head. He didn't believe that Su Chen was not afraid of his aunt. Su Chen was often lectured by his aunt when they were on the boat.

Su Chen looked at the people around Lu Xiaofeng and asked with some confusion. ,

"Who is this?"

"This is my good friend Sikong Zhaixing, the master thief."

Su Chen heard that this was Sikong Zhaixing, which made Su Chen a little happy. Where was Mr. Yang's treasure? Su Chen originally went to Pegasus Ranch to find Lu Miaozi. Now that Sikong Zhaixing is here, Su Chen doesn't want to go find that heartless man. Lu Miaozi,

"The master thief Sikong Zhaixing has been a famous name for a long time. I may have some troubles in a while."

Sikong Zhaixing smiled and said to Su Chen,

"Oh, Mr. Wu Xiang, if you need help with anything, just say it. Lu Xiaofeng's friends are my friends."

"Thank you very much, Su Zhong, can you come over with some food and wine?"

"Yes, Your Majesty."

Zhu Yuyan saw Lu Xiaofeng and Sikong Zhaixing with four eyebrows, and the man from Yihua Palace was now closely related to Su Chen, which made Zhu Yuyan a little incredible.

Lu Xiaofeng and Sikong Zhaixing were masters, and that Yihua Palace The man in the Flower Palace was only of an innate level of cultivation, but there were two great masters behind him, Yao Yue and Lian Xing.

On the outside of the Xiaoguo Army's defense, Shi Feixuan walked towards the place where the army was defending after her injuries were better. Go.

When Fan Qinghui saw Shi Feixuan walking toward the army there, he hurriedly grabbed her and said,

"Feixuan, what are you going to do? Can't go there."

Master Feixuan smiled bitterly at Fan Qinghui and said, "Master, don't worry, I will be fine. I know the people inside.

Fan Qinghui asked in surprise, "What?" Do you know the general inside?"

Fan Qinghui did not expect that Shi Feixuan would know the general inside, which made Fan Qinghui feel that there was hope for destroying those people of the Yinkui sect.

"Master, I'll go take a look first, and I'll talk to you in detail when I come back later."

"Feixuan, I'll go with you. Queen Zhu Yuyan is inside. I'm not worried about you going alone."

Chapter 120

Shi Feixuan and Fan Qinghui walked towards the place where the army was defending. Fan Qinghui held his sword tightly in his hand.

If these armies attack them, Fan Qinghui will immediately take Shifei Xuan back. She will not let the successor of Cihang Jingzhai perish here.

When Shi Feixuan and Fan Qinghui were about to reach the army's defensive zone, the army here suddenly gave way.

Shi Feixuan nodded to the general in front of her and walked in with Fan Qinghui. Fan Qinghui was relieved now.

As long as these troops did not stop them, it meant that Shi Feixuan was not lying. She indeed knew the general here.

At this time, the people around the lake were confused. When Yin Kui sent in at first, the people from Cihang Jingzhai also wanted to go in.

It's just that the people from Cihang Jingzhai were stopped by the troops just as they were about to enter. Why the people from Cihang Jingzhai were allowed to enter again this time made the people here a little confused.

Tie Shou looked at Fan Qinghui and Shi Feixuan who had just entered and said with some doubts,

"Ruthless, what is going on? Why can't I understand now?"

"Now there are Zhu Yuyan and Huanyuan from the Yinkui sect, as well as Lu Xiaofeng and Sikong Zhaixing who went in with the four eyebrows earlier. Although I don't know who the young man is, the person who can be with Lu Xiaofeng is definitely not simple."

"This time Cihang Jingzhai, Fan Qinghui and Shi Feixuan also went in. Now there are six masters inside. They are not going to have a meeting here, right?"

Qing Qing looked at Shi Fei Xuan, frowned and thought for a while and said,

"I don't know. Keep reading. Something will happen inside this time."

"That's right. The Yinkui Sect and Cihang Jingzhai both went in, and they might start fighting soon."

Wu Wuqing shook his head after listening to Tie Shou's words. The people Wuqing mentioned just now were Shi Feixuan and Huan Huan who were involved in the accident.

Qing Qing guessed that Huan Huan and Shi Feixuan both knew the young general inside, and their relationship should be pretty good. Otherwise, these armies They would not be allowed to go in without informing them.

Murong Qiudi looked at Fan Qinghui and Shi Feixuan entering and smiled and asked,

"Thirteen, Fan Qinghui and Shi Feixuan from Cihang Jingzhai also went in. Why do you think the army made way for them to go in without notifying them this time? Yan

Shisan said with some doubts,

"Miss, do you mean that these people in the army know Fan Qinghui and Shi Feixuan?"

Murong Qiudi pointed at Shi Feixuan and told Yan Shisan,

"To be precise, I know Shi Feixuan. Didn't you see Shi Feixuan nod to the general after entering? But Fan Qinghui was on guard all the way."

Murong Qiudi is also a little confused now. Since Master Feixuan knows the general, why did the army let Yin Kui send everyone in? Could it be that someone in the Yin Kui faction knows the young general?

"Miss, is there a relationship between the young general in you and Shi Feixuan? This isn't right either. Isn't Shi Feixuan closely related to Lord Wu Xiang of the Song Dynasty?"

"Lord Wu Xiang of the Great Song Dynasty? Wu Xiangjun Su Chen? Yan

Shisan said angrily when he saw Xie Xiaofeng next to him staring at Murong Qiudi.

"Miss, that Xie Xiaofeng has been staring at you, do you want me to teach him a lesson?"

Murong Qiudi waved his hand to stop him. Xie Xiaofeng saw that Murong Qiudi knew that she was a prodigal son of the Xie family, and Murong Qiudi didn't care about him at all.

"Haha, no need, you're just a prodigal. Besides, you haven't mastered the Thirteen Deadly Swords yet, so I'm afraid you're not his opponent yet."

Lin Chaoying watched Fan Qinghui and Shi Feixuan go in without stopping, and she was confused.

"Brother Wang, have you now figured out why Fan Qinghui and Shi Feixuan from Cihang Jingzhai were able to enter this time?"

Wang Chongyang shook his head and said in confusion,

"Chaoying, I didn't understand. This thing is too weird."

"Yes, I haven't figured it out yet. I just guess that Fan Qinghui and Shi Feixuan from Cihang Jingzhai were able to enter this time because of Shi Feixuan's identity. As for why, I can't explain it. It may be us women. It feels like that."

Just when Wang Chaoyang was about to say something else, a woman suddenly flew towards the army. Wang Chongyang knew at a glance that this woman was also a master.

"Chaoying, another grand master has passed by. I wonder if he will be intercepted this time?"

"Let's take a look. It's getting more and more lively inside now. I'm also interested in going in and taking a look."

At this time, Concubine Yan, the head of the Yin-Yang family, also arrived at Yangzhou City in the Sui Dynasty. As soon as she arrived, she saw Su Chen being guarded by the army. Concubine Yan flew directly towards the army without thinking.

Zai Yan When the concubine arrived at the army, she saw that the troops were about to shoot arrows at her. Concubine Yan took out a token and threw it to a general. When the general saw the token, he immediately knelt down and saluted and said,

"I met Mrs. Jun."

As soon as the general saw this token, he knew that this was Wu Xiangjun's first wife. He had seen the token on Su Chen's body next to Su Chen, and this Blue Bird token can only be owned by the first wife. The surrounding people The army also immediately knelt down and saluted.

"Get up, you continue to guard here"

"Yes, Mrs. Jun."

Just after Concubine Yan entered, Su Ming came out secretly. As soon as he completed the task assigned by the emperor from Yangzhou City, he saw the future wife of Wu Xiangjun.

Su Ming knew how vicious Concubine Yan was. He doesn't dare to provoke this lady

"Su Ming, was that Mrs. Wu Xiangjun just now?"

When Su Ming heard Tong Hu's words, he looked around nervously and whispered,

"Yes, General Tong, although Mrs. Concubine Yan has not officially become your Majesty's wife, the old ladies and the others have spoken out, and Mrs. Yan Concubine will be your Majesty's wife from now on."

"If you want to work under the Lord in the future, it is best not to offend Madam Yanfei. Madam Yanfei is very terrifying. If you offend Madam Yanfei, you may not even know how you died."

Su Ming knew that Tong Hu had secretly taken refuge with Lord Wu Xiang, so he reminded Tong Hu. Otherwise, if Tong Hu offended Mrs. Yan Fei in the future, he might not even know how he died.

""Hiss, I understand."

Tong Hu looked at the cautious look of the secret guard commander and knew that Mrs. Yan Fei was not simple. He also felt that Mrs. Yan Fei was a master.

Basically, the women around Wu Xiangjun were all masters. His friend was also a master, which made Tong Hu feel that it was right for him to seek refuge with Lord Wu Xiang. Just when Su Ming was about to go back to revive Lord Wu Xiang, Yao Yue and Lian Xing also flew over from a distance using Qinggong.

Su Ming quickly stopped Tong Hu who had given the order and saluted Yao Yue and Lian Xing and said,

"I have met Palace Master Yaoyue, I have met Palace Master Lianxing"

"Su Ming, how dare you and your master lie to me?"

"Palace Master, I'm just a subordinate, I can't be the master. Please invite Palace Master Yue not to blame."

"Hum, I will settle the score with your master Su Chen."

Su Ming wiped the sweat from his head when he saw Yao Yue and Lian Xing coming in.

"Your Majesty will suffer this time."

Tong Hu also wiped the sweat from his head. He felt like he would die at any time when Yao Yue glared at him just now. That woman is too powerful.

"Commander Su, those who just entered were Grand Master Yao Yue and Palace Master Lian Xing from the Yihua Palace of the Ming Dynasty?"

"Yes, let's be awesome. Each of these women is stronger than the other. They are all surrounding me now. Come to your side."
