### Chapter 1181

Zhang Chunhua thought that since Su Chen knew martial arts and was very powerful, her threat yesterday would be of no use to Su Chen.

This can only mean that that bastard must also be going to Xuzhou.

Zhang Chunhua does not believe that that bastard will be threatened by him to go to Xuzhou with his strong strength.

When Queen Fu heard that Su Chen would go to Xuzhou, she wanted to go find that bastard immediately. But she was frightened by what Su Chen said last night.

Queen Fu didn't dare to ask her father what he wanted to do.

Queen Fu really knew that even if she asked her father, her father would not be able to tell her, and she would even be scolded by her father.

"I'm going too. I also want to ask what Mr. Su said before he left. Mrs. Ding, I'm going to trouble you this time, otherwise I may not be able to get out of the palace. Mrs. Ding thought for a while and agreed, "Okay, I will help you leave the palace. I also want Mr. Su to stop Cao Cao's bloodbath in Xuzhou. This time I will go to Xuzhou with you.""

"Miss Guo, are you going to Xuzhou?" When Zhang Chunhua saw that Mrs. Ding and Queen Fu were going to Xu'an to find that bastard, she looked at Queen Guo, who had been sullen and expressionless.

Queen Guo held the jade box in her hand tightly and replied hoarsely, "I'm not going, I don't want to see that shameless pervert now."

Queen Guo attaches great importance to the jade box in her hand. The items in the jade box are her hope for revenge. She must use the items in the jade box as soon as possible. Only in this way can she find that bastard to take revenge in the future.

"Then take care of yourself!"

"I will. I won't die until that bastard dies."

At this time, Sima Yi died silently in

Xudu's prison, and several important figures in the Sima family were also killed silently last night. The Sima family also lost several important figures. It can be said that it is over. The Sima family may be annexed by other noble families in the future. After Xu Duling, Man Chong and Xun Yu got the news, they both guessed that Su Chen did it, but there was no evidence, and they did not dare to arrest Su Chen, even if Su Chen really killed Sima Yi and those members of the Sima family. Xu Duling, Man Chong and Xun Yu would not be able to arrest Su Chen. After all, Su Chen is the special envoy of the Xuantian Empire. This is terrible. It's not something they can offend. Xuzhou, Xiapi County! This was originally Tao Qian's territory in Xuzhou, but since Lu Bu was driven out from Chang'an, Xiapi County has been occupied by Lu Bu's defeated soldiers. Tao Qian also didn't want to offend Lu Bu. This brave general never expelled Lu Bu, so Lu Bu was able to survive in Xiapi County. Xiapi, the governor's mansion, Lu Bu and several close generals looked at the letter from Yanzhou. Lu Bu did not expect that the world would fall. The cake is gone. Chen Gong and Zhang Miao, the local nobles in Yanzhou, actually wanted to rebel against Cao Cao and even invited him to take control of Yanzhou. This gave Lu Bu an opportunity to make a comeback. Cao Xing looked at the letter from Yanzhou and asked worriedly, "General, do Chen Gong and Zhang Miao really want to invite us to Yanzhou? Could this be a scam?" Zhang Liao stood up, shook his head and said,

"No, Chen Gong and Zhang Miao are local gentry and wealthy people in Yanzhou. They probably don't want Cao Cao to occupy Yanzhou."

"Moreover, Chen Gong often ridiculed Cao Cao's behavior. I think this time Cao Cao attacked Xuzhou, Cao Cao's troops in Yanzhou must not have many troops. This made Chen Gong and Zhang Miao realize that they actually wanted to rebel against Cao Cao."

Lu Bu nodded when he heard Zhang Liao's words.

He looked at his generals and said excitedly, "Zhang Liao is right. This is an opportunity for us. This time we must join forces with Chen Gong to capture Yanzhou in one fell swoop. Once we get Yanzhou, we can speed up the recruitment of troops. I, Lu Bu, will definitely make a comeback."

Hou Cheng stood up and saluted Lu Bu with excitement on his face and said, "General, it's not too late. Let's contact Chen Gong as soon as possible to prepare for the attack on Yanzhou."

"Okay, Zhang Liao, I'll leave the contact with Chen Gong and Zhang Miao to you. This time we must take advantage of Cao Cao's attack on Xuzhou to seize Yanzhou."

"Yes, General!"

In a room in the governor's house,

Su Chen was lying on the bed in this room. He used his mental power to observe the conversation between Lu Bu and his generals.

Su Chen came here last night, and he also wanted to see people. What does Lu Bu look like in the middle of Lu Bu's horse and the red rabbit in the horse, but the result makes Su Chen very disappointed. Lu Bu is a man who is almost middle-aged, and even now Lu Bu is still very downcast.

This is not as handsome as Su Chen's impression. The dashing Lu Bu was completely different.

After listening to Lu Bu's conversation, Su Chen shook his head and thought,

"The plot still hasn't changed much. Chen Gong and Lu Bu are still in contact, but in the world of mixed martial arts, if Lu Bu takes over Yanzhou, will he still be defeated by Cao Cao?"

Su Chen thought about it and laughed.

This was none of his business.

Lu Bu had also seen it himself, and it was time to leave.

Liu Bei in Xuzhou still wanted to take a look.

Crack!

The door of this room was blocked by someone. Kicked away from the outside, a beautiful girl aged seventeen or eighteen years old appeared in front of Su Chen with a spear in her hand.

This woman was dressed in women's red armor, with a beautiful appearance, and her figure was highlighted by the tight armor. With her convex back and heroic appearance, she is a perfect female general.

"You, come out to this lady!"

Su Chen looked at this beautiful woman and was very strange.

He came to Lu Bu's house secretly last night. No one should have noticed his existence, but how could this woman suddenly come to see him? She even said... It was natural for him to appear in this room.

Su Chen asked with a confused look on his face,

"Miss, what do you want from me?"

This beautiful woman yelled at Su Chen with an angry look on her face, "Are you pretending to be false to me? It is impossible for me to marry you. Why should you, a helpless scholar, let me marry you?"

I guess!

This is a big misunderstanding!

Could the person living here be this woman's fiancé?

But he didn't see anyone here last night!

And could this woman be Lu Bu's daughter ? Lu Lingqi, right?

"Miss, you misunderstood, I am not the person you are looking for." Su Chen said helplessly to this beautiful woman.

The beautiful woman pointed at Su Chen with a spear in her hand and threatened,

"Misunderstand? I killed a scholar in this room last night, but I didn't expect you to appear in this room again today. You must be someone arranged by my father again, and you are dead this time."

What the hell!

It turns out that the people in this room were killed by someone who despised Lu Bu's daughter. No wonder there was no one in this room in the middle of the night.

Su Chen was also speechless.

He didn't expect that someone like this would happen if he just found a room. What a mess.

Su Chen looked at Lu Lingqi and said helplessly, "Miss, do you believe me when I say I'm not the person your father found?"

"I, Lu Lingqi, believe it, but the spear in my hand doesn't!"

"I'll do it! You are truly a tough tiger girl!"

Chapter 1182

Lu Lingqi was very angry now.

She just loved martial arts and even wanted to go to the battlefield to help her father Lu Bu kill the enemy.

However, she did not expect that her father would not let her practice martial arts, and even secretly found some weak scholars to recruit a son-in-law.

This made Lu Lingqi very angry.

Yesterday, she heard that her father had found a scholar with good looks and literary talent.

Lu Lingqi secretly let the scholar go last night.

But when she came to this room early in the morning, she found that the door to the room that was supposed to be open was actually closed.

This made Lu Lingqi suspect that her father would definitely not just find one scholar to come yesterday.

Sure enough, after she entered the room, another weak scholar appeared in the room. Lu Lingqi wanted to take advantage of her father to discuss things. I want to send this frail scholar away, but if that doesn't work, I have to kill the frail scholar.

"Boy, give you a chance, either you leave now and follow me, and I won't kill you, or I will kill you directly."

After Su Chen heard this woman's name, he was also sure that this beautiful woman was Lu Bu's daughter. He didn't want to stay here any longer, otherwise Lu Bu would definitely betray the gang when he arrived.

Su Chen didn't want to be beaten and killed when he went to one place. Kill, he quickly nodded in agreement after hearing Lu Lingqi's words,

"Miss Lu, I'm leaving, I'm leaving now!"

Lu Lingqi didn't expect Su Chen to be so obedient.

She thought she would have to knock the scholar unconscious this time before sending him away.

This made Lu Lingqi look at Su Chen and asked in confusion,

"Um? You don't want to deceive me, do you? The scholar also said he wanted to leave last night, but he didn't want to leave after seeing my appearance. Last night, I knocked the scholar unconscious before letting someone send him away. Aren't you also attracted by my appearance?"

"No, I didn't like Miss Lu's appearance at all." Su Chen shook his head and denied after hearing Lu Lingqi's words.

Lu Lingqi didn't expect that this scholar would look down on her, which made her very angry, "What? You actually look down on me? Do you want to die?"

Damn it!

Su Chen was speechless.

Is this Lu Bu's daughter mentally abnormal?

It was Lu Lingqi who asked him to leave.

He said he despised Lu Lingqi and was forced to say so by Lu Lingqi.

Su Chen couldn't answer Lu Lingqi.

"Miss Lu, can I leave now? You and I will pretend we have never met, and we will never see each other again.

When Lu Lingqi saw Su Chen was about to leave, she hurriedly shouted, "Stop!" Can you, a weak scholar, leave the Sheriff's Mansion?"

Su Chen wanted to say yes.

But after thinking about it, he said to Lu Lingqi, "Please ask Miss Lu to take me out!"

"Come with me! Don't play tricks on me or I'll really kill you."

"knew!"

In the Sheriff's Mansion,

Su Chen followed Lu Lingqi around the Sheriff's Mansion, but almost half an hour after arriving,

Su Chen still had not been taken out of the Sheriff's Mansion by Lu Lingqi.

This made Su Chen wonder if Lu Lingqi was serious about it. Take him out of the Sheriff's Mansion.

Su Chen saw that there were several times when Lu Lingqi could have taken him out of the Sheriff's Mansion just by turning a corner, but Lu Lingqi did not take him out, but took him to continue in the Sheriff's Mansion. They started wandering around.

Su Chen looked at Lu Lingqi and asked suspiciously, "Miss Lu, are you really going to take me out of the Sheriff's Mansion?"

Lu Lingqi replied hurriedly, feeling a little uncomfortable, "Of course." .....Of course, otherwise, why would I have to work so hard to take you to hide from the guards in the Sheriff's Mansion."

Lu Lingqi doesn't want Su Chen to leave now.

She thought about it on the way and felt that after letting Su Chen leave this time, she is afraid that her father will still find some weak scholars.

By then, her father will definitely send someone to deal with it. Those weak scholars will be under strict supervision.

Lu Lingqi will have no chance to let those weak scholars leave in the future. Even if she wants to kill those weak scholars, she may not be able to do it.

Lu Lingqi just wants to keep Su Chen.

In doing so, she can also use Su Chen to confuse her father. Lu Bu.

Su Chen didn't believe Lu Lingqi now. He pointed to a side door and asked Lu Lingqi, "Miss Lu, isn't it possible to leave the Sheriff's Mansion quietly through the side door on the left? Why are you taking me to the right?"

Lu Lingqi said with a blushing face when she heard Su Chen's words,

"What do you, a weak scholar, know? Although there are no guards at the left side door now, those guards are guarding outside the side door. Wouldn't you be discovered if you went out?"

"Is this really the case?"

Su Chen didn't leave either.

He looked at Lu Lingqi and asked mockingly.

Lu Lingqi didn't hear Su Chen's mocking. She looked at the side door on the left and said with a guilty conscience, "Of course it's true. I really want it." Send you away quickly."

Su Chen also laughed angrily at Lu Lingqi's words.

Su Chen didn't know what this little beauty was going to do. If she just walked around like this, she would definitely be discovered by the guards in the county governor's mansion.

Su Chen didn't want to be Lu Bu, a slave from three families, found out

"Lu Lingqi, just keep making it up for me. There is obviously no one at the side door on the left, so why not take the side door? You lead me around the county magistrate's mansion. Do you think I'm a fool?"

"Aren't scholars just fools?" Lu Lingqi looked at Su Chen with an expression like you are a fool.

When Su Chen heard Lu Lingqi's words, he yelled angrily, "You are a fool. I think you have become stupid because of your martial arts practice." bump!

"Do you dare to scold me? Do you want to die?"

Lu Lingqi didn't expect that Su Chen would dare to scold her. She raised her spear and hit a stone next to her, then threatened Su Chen,

"Idiot chick!"

Su Chen patted his forehead and looked at Lu Lingqi, very speechless. He really couldn't leave this time.

Lu Lingqi's blow just now must have been noticed by the guards around him. If he teleports away now, Lu Lingqi will probably tell Lu Bu.

Su Chen thought for a while and decided to see what Lu Bu was going to do to his daughter?

Did Lu Bu really want to marry his daughter?

"Damn you bastard, how dare you scold me?" Lu Lingqi didn't expect that she would threaten this bastard like this. This bastard even scolded her without changing her expression. This made her angry and wanted to kill the bastard with one shot.

Su Chen pointed at the guards coming around and reminded, "Miss Lu, I can't leave now. I promised you in advance that I won't marry you."

"Will you marry me? Stop dreaming. If you want to marry me, I will marry you. You are just a son-in-law." Lu Lingqi looked at Su Chen as if she were a fool and reminded her,

Lu Bu is her only daughter, how could she get married?

Doesn't this frail scholar know that he is coming to the Lu family to be his son-in-law?

Su Chen heard Lu Lingqi's face turned dark when she said this, "What the hell is his son-in-law? How could I be a son-in-law? I'm leaving, hurry up and stop the guards"

"Don't leave. I'm very interested in you now. If you stay, maybe I will be happy in the future and I will agree to let you marry into my Lu family."

Chapter 1183

Lu Lingqi will not let this bastard leave now.

She is becoming more and more interested in this bastard. Doesn't this person know that he comes to her Lu family to be a son-in-law? Could it be that he was a weak scholar whom her father deceived?

"who?"

The guards in the Sheriff's Mansion ran towards here quickly one by one. The noise just now attracted the guards who were patrolling around them.

"Everyone retreat, this young lady is practicing martial arts." When Lu Lingqi saw the guards arriving around her, she hurriedly waved her hand and ordered,

"Yes, miss!"

The guards looked at Su Chen and then slowly retreated.

However, these guards were still staring at Su Chen from a distance.

These guards had never seen Su Chen, and there was no such person in the county governor's mansion. In order to protect Lu Lingqi, these guards cannot leave Lu Lingqi's side.

"Miss Lu, what do you mean?" Su Chen looked at the guard who hadn't left and looked at Lu Lingqi with a dark face and asked.

Lu Lingqi looked at Su Chen with a smile and said, "It means that I am satisfied with you, and you will marry into my Lu family in the future."

"What a fart! Let me tell you, Miss Lu, I have been married before, and more than once. You'd better take me out of the Sheriff's Mansion quickly."

"Still want to deceive me? Why do I think you don't want to be a scholar at all? People who read books are not as quick to curse and deceive people as you are." Lu Lingqi doesn't believe what Su Chen said now, and she also feels that this bastard is not a scholar at all.

Scholars are just stupid people, and it is even more impossible to say such curse words.

Lu Lingqi also thinks about Su Chen's identity. Became curious

"I'm just a street gangster, I'm not a scholar"

"laugh! Do you think I will believe you? Although your physical temperament does not look like that of a scholar, you are not an ordinary person either. You must be a child of an aristocratic family, right?"

Su Chen looked at Lu Lingqi's protruding figure and said against her will, "That's right! I am not interested in an immature little woman like you."

When Lu Lingqi heard Su Chen's words, she shouted angrily, "Are you blind? I am a complete peerless beauty, and I am the twelfth-ranked peerless beauty on the Northern Continent beauty ranking list."

"Um? Beauty ranking list? Which beauties are on the beauty ranking list?" Su Chen was interested when he heard what Lu Lingqi said about the beauty rankings.

He knew all the beauties on the beauty rankings in other continents, but he had no news at all about the beauty rankings here in the Northern Continent. He also forgot to ask Bei.com these days. What happened on the mainland beauty ranking list.

Lu Lingqi looked at Su Chen's eyes and wanted to know the beauties on the beauty ranking list, and she laughed, "Haha, you are not a scholar, and a scholar has no idea about the beauty ranking list of the northern continent. not interested"

"What is the ranking list of beauties in the Northern Continent? Tell me?"

"You won't leave?"

"Don't worry, I want to know the ranking list of beauties in the Northern Continent"

"Humph, I won't tell you!"

"Not to mention knocking you down, I don't believe you are the only one who knows the beauty rankings in the Northern Continent.

Seeing that Su Chen was about to turn around and leave, Lu Lingqi hurriedly shouted, "Hey!" Wait, I said, but you have to stay for a while, at least to help me deal with my father."

Su Chen calculated the time and he was about to go to participate in the foreign war.

Even if he went to Xuzhou to meet Liu Bei and the others, he might not be able to make it in time.

Su Chen thought about it and said to Lu Lingqi, "Okay, I will only leave two or three people. God, I still have things to do. Two or three days is already the limit."

"OK, deal!"

Lu Lingqi thinks it doesn't matter how many days Su Chen stays, as long as this bastard stays, she has plenty of ways to make this bastard stay.

"Tell me quickly, who are the beauties on the Northern Continent beauty ranking list?"

"Come with me, you bastard, you're not going to stay here forever and listen, are you?"

"Damn it, you really turn people off." Su Chen was also speechless. This Lu Lingqi was too smart.

Then,

Su Chen and Lu Lingqi came to a pavilion.

After some maids presented some sweets and fruits,

Su Chen sat down and started eating and drinking without caring.

"You are so rude!"

Lu Lingqi now looked like a lady and started eating, but she was wearing a suit of armor and eating snacks in such a graceful manner. This scene was really inappropriate.

Su Chen looked at Lu Lingqi's current appearance and twitched the corner of her mouth and said,

"Do you need me to be polite?"

"Forehead! unnecessary!"

Su Chen took a sip of tea and reminded Lu Lingqi,

"That's alright, you're a military general and don't want to learn from Wen Zou Zou. It makes me feel uncomfortable no matter how I look at it. You'd better act like you should."

"You are such a shameless bastard!" Lu Lingqi also let go. She took a piece of fruit and started eating it in big gulps.

"Lingqi, why are you here? Who is this?"

At this moment, a beautiful woman came over with several maids.

"Mom, why are you here? Lu Lingqi asked hurriedly when she saw the beautiful woman arriving.

When the beautiful woman came to Lu Lingqi, she smiled and said, "I went to find your room but couldn't find you. I heard the guards said you were here, so I came over to take a look." you"

"Mom, I'm not a child, you don't have to worry about me. Lu Lingqi said casually with a carefree look,

"You, who is this young man?" The beautiful woman looked at Su Chen and asked Lu Lingqi doubtfully.

When Lu Lingqi heard her mother's question, she patted her forehead and said, "Yes! I don't know your name yet? May I have your name?"

When Su Chen heard Lu Lingqi's words, some black lines appeared on his forehead.

He now felt that Lu Lingqi must be Lu Bu's biological daughter. Both father and daughter were brainless generals.

Su Chen was also curious about Lu Bu's wife.

This beauty The woman should be Lu Bu's wife, Mrs. Yan, and Lu Lingqi's biological mother. But isn't this Mrs. Yan supposed to be an ordinary woman? How come she is now a very beautiful woman? She is wearing a milky white dress. , with jet-black hair, a bumpy figure, and an exquisite face, she is a very beautiful woman no matter how you look at it. Why is it that Mrs. Yan is just an ordinary person in history and novels?

Su Chen suddenly thought of Lu Bu After being executed by Cao Cao,

Madam Yan and Lu Lingqi were taken by Cao Cao to live in Xudu. There was no information about Madam Yan and Lu Lingqi in the future. Could it be that the wife Cao also imprisoned Madam Yan and her daughter in his Tongque Taiwan?

Su Chen thinks it is very possible.

Lu Bu's reputation is already very bad in the Han Empire. Cao Cao may not want anyone to know that he has occupied Lu Bu's wife and daughter. Cao Cao must have secretly taken Mrs. Yan and Lu Lingqi into the Tong family. Quetai.

Su Chen looked at Lu Lingqi and Mrs. Yan and replied, "My surname is Su, you can call me Mr. Su!"

"I'd better call you Bastard Su!"

"Lingqi, don't be rude to Mr. Su!"

## Chapter 1184

Lu Lingqi curled her lips when she heard Su Chen casually say a last name. She guessed that this bastard must be afraid of running away and being found by her, so he didn't dare to say his full name. It was even unclear whether the surname Su was real.

When Mrs. Yan heard what Lu Lingqi called Su Chen, she hurriedly stopped her.

She felt that Lu Lingqi was getting more and more wild now. No wonder Lu Bu was eager to find a bride for Lu Lingqi. If a few years pass, Lu Lingqi might become even more disobedient.

Mrs. Yan also wants Lu Lingqi to get married as soon as possible. If she has children in the future, Lu Lingqi will no longer wield swords and guns. In the future, Lu Lingqi can support her husband and raise her children, and live a stable life.

When Lu Lingqi heard Mrs. Yan scolding her, she hurriedly explained loudly to Mrs. Yan, "Mom, don't be deceived by this bastard. He is not a scholar at all. He is a liar and a complete bastard." Mrs.

Yan Seeing that Lu Lingqi was still yelling without restraint, she said sternly, "Lingqi, if you talk like this, I will have you locked up."

Lu Lingqi heard that she was going to be locked up. He lied, "Mom, you don't believe me? If you don't believe what I said, you can ask this bastard."

Su Chen was too lazy to talk to Lu Lingqi.

With Mrs. Yan here, it seems that the beauty rankings in the Northern Continent are today. It was impossible for Lu Lingqi to say it.

However,

Su Chen didn't intend to make things easier for Lu Lingqi.

Su Chen poured a cup of tea, handed it to Madam Yan and said with a smile, "Miss Lu is right, I am a liar and I am not a scholar. Madam, I will leave in a moment."

Lu Lingqi was confused when she heard Su Chen's words. If

Su Chen leaves, her father Lu Bu will definitely recruit a son-in-law for her again.

Lu Lingqi doesn't want to let go or kill those weak scholars one by one.

Seeing Mrs. Yan's confused look, she hurriedly said,

"Forehead! Mom, what I just deceived you is that Mr. Su is a scholar, he is not a liar."

Mrs. Yan originally doubted why Su Chen was at the Sheriff's Mansion?

After she heard what Lu Lingqi and Su Chen said, her head became a little dizzy.

She felt that Su Chen and Lu Lingqi seemed to be hiding something from her, and even Lu Lingqi  
As if she needed Su Chen to help her,

Mrs. Yan looked at Lu Lingqi and Su Chen and asked expressionlessly, "Lingqi, you and Mr. Su, what are you doing?" ..... You seem to be hiding something? right?"

Lu Lingqi rolled her eyes at Su Chen and said to Mrs. Yan incoherently, "No.....No, how can we.....How could it be hidden?.....Hidden mother, I was just joking with Mr. Su."

Su Chen shook his head when he heard Lu Lingqi's words.

This silly girl stammers even when she lies.

Isn't this just asking for trouble?

Is there anything else we wouldn't hide from our mother? Mrs. Yan is her mother, not herself. My mother, this silly girl Lu Lingqi is really so stupid that people are speechless.

Mrs. Yan took a sip of the tea that Su Chen handed him and calmed down her mood.

What Lu Lingqi said just now shocked her, but

Mrs. Yan didn't expect it. Lu Lingqi would say "We will not hide our mother". If she hadn't seen that Lu Lingqi was still in perfect condition, she would have been unable to sit still.

However,

Mrs. Yan looked at Su Chen and was very satisfied.

No matter Su Chen Both temperament and appearance meet Madam Yan's requirements for choosing a husband. If her daughter Lu Lingqi and Su Chen get married, she will not object.

Madam Yan looked at Lu Lingqi and Su Chen, shook her head and said,

"I don't care about you anymore. Lingqi, your father went to Yanzhou today. You'd better stay in Xiapi. I don't want to hear about you secretly leaving the house, otherwise, you will be locked up by me in the future."

"Father left? What is father going to Yanzhou for?" Lu Lingqi asked suspiciously when she heard that Lu Bu had gone to Yanzhou.

When Su Chen heard Mrs. Yan's words, he thought of the conversation he heard between Lu Bu and his men before.

Lu Bu is really impatient. Chen Gong and Zhang Miao's As soon as the letter arrived, Lu Bu could not hold back his anger and went to Yanzhou.

How could such a person achieve great things?

"Your father wants to occupy Yanzhou"

"What? My father wants to occupy Yanzhou? Isn't Yanzhou Cao Cao's territory? My father's current army cannot defeat the powerful Cao Cao. No, I have to stop my father."

Lu Lingqi looked at Su Chen and felt very strange.

How did Su Chen know that her father had gone to Yanzhou?

However, now is not the time to ask these questions.

She wanted to stop her father from going to Yanzhou.

Yanzhou was Cao Cao's territory, and Cao Cao now owned two There are more than 100,000 troops. This is not something Lu Bu, who has more than 5,000 troops, can compete with.

Lu Lingqi does not want her father to be defeated and die in Yanzhou.

"Mr. Su, are you telling the truth?"Mrs. Yan was very shocked when she heard Su Chen's words and asked.

She also knew that Lu Bu was no longer Cao Cao's opponent.

The down-and-out Lu Bu didn't have many troops anymore. Even the troops recruited in Xiapi were very limited. After all, Lu Bu's reputation It stinks that even ordinary people are not willing to fight for Lu Bu.

Su Chen looked at the beautiful Madam Yan and nodded and said,

"Don't worry, Lu Bu can occupy Yanzhou this time. There are not many Cao Cao's troops in Yanzhou anymore."

"Cao Cao's army in Yanzhou was led by him to attack Xuzhou. Yanzhou is now an empty shell, and with the help of Yanzhou's aristocratic families, Lu Bu can easily occupy Yanzhou. Lu

Lingqi looked at Su Chen and asked excitedly, "Bastard Su, are you saying that my father will definitely be able to occupy Yanzhou this time?"

"Yes!"

Su Chen nodded and confirmed.

Lu Lingqi laughed when she heard Su Chen's power, "Haha, so my father will rise again in the future, and my father will also become a powerful prince in the future."

Mrs. Yan also smiled now.

She didn't expect Su Chen to be able to analyze so accurately.

She only knew today that a noble family in Yanzhou invited Lu Bu to Yanzhou, but she didn't know anything else.

Madam Yan really didn't expect Su Chen. Being able to guess these things without knowing it made her look at Su Chen even more differently.

Su Chen looked at the silly sweet girl Lu Lingqi and sneered,

"You are wrong. Although your father can occupy Yanzhou, it is short-lived. As long as Cao Cao learns that Yanzhou is occupied by Lu Bu, do you think Cao Cao will let your father go?"

"Forehead? Are you saying that my father will still be defeated by Cao Cao in the future? Will even Yanzhou be taken away?" Lu Lingqi was not happy for a long time. She was confused after hearing Su Chen's words.

Mrs. Yan was also very worried and asked, "Mr. Su, are you saying that Cao Cao may give up attacking Xuzhou and turn back with his army? Recapture Yanzhou?"

The more Mrs. Yan thinks about it, the more likely it is that Cao Cao would not continue to attack Xuzhou after his home was stolen. If Cao Cao gets the news about Yanzhou, he will definitely lead an army to retake Yanzhou.

If so, wouldn't her husband Lu Bu be in danger? Cao Cao has hundreds of thousands of troops, while Lu Bu only has less than 10,000 troops.

How to fight this?

After the war begins,

Lu Bu's army will definitely be defeated by Cao Cao's army, and even Lu Bu may be defeated and die.

"It's not possible. Cao Cao will definitely give up attacking Xuzhou and return to Yanzhou to fight Lu Bu."

"Mr. Su, is there any way you can help my husband? Please think of a way."

Chapter 1185

Madam Yan was very frightened when she heard Su Chen's words.

Lu Bu was her and Lu Lingqi's support.

If Lu Bu was defeated and killed or captured this time, the fate of her and her daughter Lu Lingqi would be very miserable.

Lu Lingqi also looked at Su Chen with confusion. She did not expect that it would be so dangerous for her father Lu Bu to occupy Yanzhou this time. She now preferred Lu Bu not to capture Yanzhou and did not want Lu Bu to be in danger.

Su Chen shook his head and refused,

"This is impossible. Do you think Lu Bu would give up such a good opportunity to occupy Yanzhou? Lu Bu could not give up this opportunity. This was also Lu Bu's only chance to make a comeback. Lu Bu would rather take a gamble and take advantage of this opportunity to occupy Yanzhou."

Su Chen would not dissuade that brainless guy Lu Bu, and even if she tried to dissuade Lu Bu, I'm afraid Lu Bu, that persistent bastard, would attack him without hesitation.

That fool would not just listen to a stranger's words. Even Zhang Liao and Gao Shun, who have been following him for a long time, may not be able to convince Lu Bu.

However, if Lu Bu can follow Chen Gong's advice, he may be able to deal with Cao Cao for a while, and even if he cooperates with Yuan Shu of Shouchun, Yanzhou may really be able to It completely fell into the hands of Lu Bu.

Unfortunately, this was just Su Chen's imagination.

Lu Bu was arrogant and arrogant.

It was impossible for him to listen to other people's suggestions. Chen Gong invested all his wealth in Lu Bu but lost everything.

Mrs. Yan and Lu Lingqi fell silent when she heard Su Chen's words.

They knew that since Lu Bu was driven out of Chang'an City, Lu Bu had no chance to make a comeback. The various princes in the Han Empire were worried about Lu Bu, and even the place where they were now Xiapi County, if Cao Cao had not launched a war against Xuzhou, I am afraid that Tao Qian of Xuzhou would have sent troops to expel Lu Bu from Xiapi County.

Now that he finally has an opportunity in front of him, it is impossible for Lu Bu to give up this comeback. Opportunity.

Lu Lingqi asked Su Chen a little sadly, "Is there really no other way? Is it possible that my father cannot escape the fate of being defeated this time?"

Su Chen smiled and said while drinking tea,

"Lu Lingqi, at least your father has had a good time, and he can occupy Yanzhou for a while this time. If your father can get his energy flowing, he may be able to fight Cao Cao for a while longer."

Su Chen thought that Lu Bu had enjoyed all the glory and wealth that he should have enjoyed. Lu Bu had also had the beauty that he should have.

Huh?

No,

Lu Bu didn't have Diao Chan in the world of mixed martial arts. Diao Chan should still be in his Xuandiao Palace. Wang That old bastard Yun couldn't use Diao Chan to realize the so-called beauty trap.

So how did Lu Bu fall out with Dong Zhuo?

Why did he even kill Dong Zhuo?

Su Chen felt that although the plot was deviated, why did Lu Bu still kill Dong Zhuo? Could it be that Lu Bu was Do you want to replace Dong Zhuo? Or was Lu Bu bribed by Wang Yun with other beauties or other items?

When Lu Lingqi heard Su Chen's words, she stared at Su Chen and said feebly, "What's the use of that? Won't they still be defeated in the end?"

"Your father's reputation is too bad. If your father's reputation is not too bad, if he takes Yanzhou this time, he can cooperate with some of the princes around Cao Cao to fight against Cao Cao. This may still have some hope. It's just three families....."

Lu Lingqi understood what Su Chen meant.

Her father was a person who could not be recognized by any of his relatives, and all the adoptive fathers he recognized were killed by him. Sometimes she looked down on her father very much.

It's just that her father is very kind to her and loves her very much.

She can't be cruel to her father. Even if everyone in the Han Empire hates her father, Lu Lingqi can't hate her father.

Lu Lingqi held her hands tightly and laughed at herself,

"Haha, the three families are named slaves, right? I know that my father's reputation is so bad that he will probably never make a comeback in his lifetime, and other princes in the Han Empire will not let my father make a comeback either."

Mrs. Yan held the disappointed Lu Lingqi lovingly. She knew the pain in Lu Lingqi's heart, and also knew Lu Lingqi's disappointment and helplessness towards Lu Bu.

Mrs. Yan thought that since Su Chen could guess this, then he is a capable person. If Su Chen can help Lu Bu, and maybe Lu Bu can win the war with Cao Cao this time.

Even if the war fails,

Su Chen might be able to let Lu Bu escape unscathed from this war.

Madam Yan looked at Su Chen when she thought of this. He begged, "Mr. Su, can you be my husband's staff advisor?"

"Impossible, I will not be anyone's adviser." Su Chen was frightened when he heard Mrs. Yan's words and hurriedly refused.

Let him be Lu Bu's staff advisor?

Is this a dream?

Su Chen's daughter now sees that she controls Jingzhou, and Gai Nie's Tenglong Combat Legion also controls Qingzhou. How could he be the staff advisor to Lu Bu, the second-fifth son? This is simply a fantastic thing.

Madam Yan did not expect that Su Chen refused without thinking.

This made her look at Su Chen and felt very confused.

Su Chen looked at He looked like an ordinary nobleman, but this gave Su Chen a chance to stand out, and even become a prince in the future.

She really couldn't understand why Su Chen would refuse it directly.

"Why? Mr. Su, if you become my husband's staff advisor, you will definitely become famous in the future, and even my daughter Lingqi will marry you. I will marry you, not let you marry me."

Lu Lingqi was very angry when she heard Su Chen's refusal without hesitation.

She felt that Su Chen, a bastard, looked down upon her father and even herself.

This made Lu Lingqi's bad mood even worse.

"You bastard, what's wrong with letting you be my father's staff advisor? Although I don't have to marry you, it can make you stand out and even make your family stronger. How can you refuse?"

Su Chen ignored the angry Lu Lingqi.

He looked at Mrs. Yan and said with a smile,

"Hahaha! Mrs. Yan, you are overthinking. I already have a wife, and there is more than one, and I don't need to stand out. I have my own way of life, and I don't need to do anything to stand out."

Su Chen is really too lazy to talk nonsense with Lu Lingqi and Madam Yan.

How can he get ahead by following Lu Bu?

Following Lu Bu is more like seeking death.

Moreover, he is the emperor of the Xuantian Empire, with millions of troops and a vast empire territory. There are tens of millions of people, as well as countless masters, great masters, and even masters in the realm of gods.

Does Su Chen still need to stand out?

After Mrs. Yan glanced at Su Chen disappointedly, she rubbed her forehead with a headache. She said to Lu Lingqi, "Lingqi, take Master Su to find a room to rest first. I want to be alone."

"Okay, mother, don't think too much. Maybe this bastard is talking nonsense."

"Tsk, I just kindly remind you that if Lu Bu takes you to Yanzhou, you'd better stay in Xiapi, otherwise you should think about what will happen to you if Lu Bu is defeated and you fall into the hands of Cao, the wife of Cao."

Chapter 1186

Su Chen also reminded Lu Lingqi and Madam Yan that in the plot,

Lu Bu should have been captured by his generals in Xiapi and presented to Cao Cao.

But now the plot is messed up.

Su Chen is not sure if Lu Bu can still escape back to Xiapi County, and Lu Lingqi and Madam Yan don't know if they will fall into the hands of wife Cao.

Mrs. Yan thanked Su Chen with a serious face, "Thank you for the reminder, but it is impossible for us to be separated from my husband. Even if we die, our family will die together."

"Just be happy!"

Su Chen curled his lips and was very disdainful of Madam Yan.

He didn't believe that Madam Yan would commit suicide after Lu Bu's death.

Otherwise, why would Madam Yan and Lu Lingqi be taken away by Cao Cao in the end of the plot? If Madam Yan committed suicide, why? Why not commit suicide immediately after Lu Bu died? In the end, he was kidnapped by Cao Cao.

Su Chen looked at Madam Yan and Lu Lingqi and left the pavilion.

If he decided to go back to that room to rest, he really had nothing to do with these two women. The words can be said.

Lu qi hurriedly chased after Su Chen when she saw Su Chen leaving on his own. She was afraid that Su Chen would leave the county governor's house secretly.

In the pavilion, after Su Chen and Lu Lingqi left,

Mrs. Yan hurriedly ordered the maid Go and call Gao Shun. She wants to pass on what Su Chen told her just now to Lu Bu as soon as possible. She hopes that after Lu Bu takes Yanzhou, Lu Bu can prevent Cao Cao from suddenly returning to attack Yanzhou. Mrs. Yan thought of the mocking look in her eyes before leaving. It felt strange. After thinking about it, she felt that Su Chen didn't seem to believe that she and her daughter would not commit suicide if Lu Bu was defeated.

Madam Yan smiled mockingly and sighed to herself,

"well!"

"Mr. Su didn't seem to believe what she said before leaving. Wasn't he a good woman?"

"Everyone knows that Cao Cao likes wives."

"How could she fall into Cao Cao's hands, damn it! How could I think about these messy things."

When Su Chen came to his previous room, he looked at Lu Lingqi who had followed him.

He knew that Lu Lingqi was afraid that he would leave secretly. This little beauty is also persistent enough. He will not leave these days. Su Chen still wants to recuperate. Queen Rui was waiting for the foreign war to begin.

Su Chen sat on a chair in the room and said to Lu Lingqi, "Little beauty, I have plenty of time now. You can tell me about the ranking list of beauties in the Northern Continent."

"Pooh! You are really a lecherous person." Lu Lingqi said with a sneer on her face when she heard Su Chen's words,

"Why am I so horny? Want to know if the beauties on the beauty ranking list are horny?"

Lu Lingqi straightened her chest and asked Su Chen confidently,

"Aren't you? You said you have several wives. Now that you have several wives, you are still interested in the beauties on the beauty ranking list. Why aren't you lustful?"

Su Chen pointed at Lu Lingqi and asked angrily,

"Damn it, isn't your father a lecher?"

"I don't believe that your mother is the only wife of Lu Bu. I'm afraid there are many women who were abandoned by your father when he ran away. Even in Xiapi, your father should have collected many beautiful women, right?"

Lu Lingqi slumped down in her chair after hearing Su Chen's words.

What Su Chen said was right, especially after his father was driven out of Chang'an City.

Lu Bu continued to plunder beautiful women along the way, and even captured Xiapi City. Later, many women in Xiapi City were also robbed and taken into the governor's mansion.

There are still many women in the backyard of the governor's mansion.

Those women accompany Lu Bu every day and have fun, and Lu Bu kills them at every turn. Those women.

More than ten innocent women died in the backyard.

Lu Lingqi also tried to persuade Lu Bu, but Lu Bu, who was in a bad mood, couldn't listen to anyone's advice at all. It was her mother who escaped from Chang'an City with Lu Bu. , Mrs. Yan has not seen his father Lu Bu a few times. Every time there is something, the maid will tell her.

Lu Lingqi's eyes were red and she shouted to Su Chen,

"What you said is correct. My father is a villain and a scumbag. But Lu Bu is my father and he has never been sorry to me. What can I do?"

"I've said everything I need to say, and I've tried to persuade you."

"My father just doesn't listen to my persuasion and insists on doing what he wants to do. What do you want me to do?"

Su Chen shook his head and didn't say anything else. He just said that Lu Lingqi's father was a lecherous person. How could Lu Bu be like a complete devil? Su Chen was completely speechless towards Lu Lingqi. The room was also completely silent. Come down.

At this moment, in Peicheng,

Liu Bei was very unwilling to face the approaching Cao Cao army, but he had no choice. The strong Cao Cao was far from being defeated by his thousands of soldiers.

On the city wall,

Liu Bei was Looking at Cao Cao's approaching army in the distance, Guan Yu came over and said to Liu Bei, "Brother, the envoy has been sent."

Liu Bei nodded and said helplessly while holding on to the city wall,

"Well, that's good. Let the third brother open all the city gates. No matter whether Cao Cao is willing to accept us or not, we can't resist Cao Cao. If Cao Cao takes action against us, we can at least escape from here quickly."

"yes, Sir!"

Liu Bei sighed and said to himself after Guan Yu left,

"I hope Cao Cao can accept him because he has the same enemy. After many years of running around, he still achieves nothing. Is he really not a person who can do great things?"

Less than thirty miles away from Pei County,

Cao Cao's army is advancing towards Pei County.

Cao Cao is in a very bad mood now.

His son Cao Pi was killed. This was the second son he lost. He was in Wan. Cheng had already lost his eldest son Cao Ang, and yesterday he lost a son he was optimistic about, Cao Pi. This made Cao Cao angry and wanted to kill someone.

However, there was also good news that made Cao Cao feel much better.

Cao Cao did not expect that the envoy of the Xuantian Empire would In Xudu, they were even discovered by Xun Yu and the others. Cao Cao thought that if he could establish a relationship with the Xuantian Empire, he would no longer have to be afraid of Miss Jingzhou Yan's threat to his power. Cao Cao looked at the pale Guo Jia next to him and spoke. Asked,"Fengxiao, do you think Xuantian Empire can form an alliance with us?"

Guo Jia looked at the secret message in his hand, shook his head and said,

"Lord, this is impossible. You should know how powerful the Xuantian Empire is. Our current strength is not even as strong as a state in the Xuantian Empire."

"And whether it is the strength of the army or the prosperity of the states and counties, they are far inferior to the Xuantian Empire. It is impossible for the Xuantian Empire to take a fancy to us."

Cao Cao frowned when he heard Guo Jia's words and continued to ask, "Is there no way for us to establish a relationship with the Xuantian Empire?"

"Yes, marriage!"

"Marriage?"

"Yes, lord, although we are in a weak position in the marriage with the Xuantian Empire, as long as the Xuantian Empire agrees to the marriage, it will be of great benefit to us. You should have thought of these lords."

Chapter 1187

Guo Jia knew Cao Cao's plan.

It would be difficult for Cao Cao to get the support of the Xuantian Empire. In the Han Empire in the northern continent, Cao Cao was not the most powerful prince. Even Cao Cao's method of coercing the emperor to order the princes would definitely make the Xuantian Empire The emperor had some scruples.

This is the oppression of an imperial royal family, or even the manipulation of an imperial emperor.

If the emperor of the Xuantian Empire knew that Cao Cao controlled the emperor of the Han Empire, and even manipulated the emperor of the Han Empire at will, it would be even more difficult for him to form an alliance with Cao Cao. Cao Cao thought it was too wonderful.

However, if Cao Cao can marry with the Xuantian Empire, this will to a certain extent improve Cao Cao's status and reputation in the Han Empire in the Northern Continent, and even affect the views of some princes on Cao Cao.

If the Emperor of the Xuantian Empire agrees to the marriage, although the Xuantian Empire will not be able to send troops to help Cao Cao, it will definitely support Cao Cao in terms of weapons, armor, and food. These are the first things the Xuantian Empire agrees to the marriage.

Otherwise, this is all empty talk.

Cao Cao fell into deep thought after hearing Guo Jia's words.

He understood that a marriage with the Xuantian Empire would benefit him a lot, but could the emperor of the Xuantian Empire agree to the marriage?

In the Northern Continent, there were many powerful princes in the Han Empire who were more powerful than him. Miss Yan from Jingzhou, Yuan Shao from Yizhou, and Liu Yan from Yizhou were all powerful princes than him, especially Miss Yan from Jingzhou. But it poses a huge threat to Cao Cao.

When the alliance of princes attacked Dong Zhuo,

Cao Cao plotted against Yuan Shao and Miss Yan. He offended two powerful princes at once. Yuan Shao was currently attacking Youzhou and had no time to take care of Cao Cao. Miss Yan had been standing still and didn't know what to do.

Cao Cao has always lived in the shadow of being attacked at any time by Miss Jingzhou Yan.

Cao Cao thought about it and decided to marry the Xuantian Empire no matter what. Even if he suffered a loss this time, he would marry the Xuantian Empire. Only by marrying the Xuantian Empire, even Miss Yan from Jingzhou would not dare to marry him easily. send troops

"Fengxiao, I am going to have a marriage alliance with the Xuantian Empire. No matter what, I must make the Xuantian Empire agree to this marriage. We must first convince the Xuantian Empire's envoy this time."

Guo Jia nodded when he heard Cao Cao's words. He knew that Cao Cao would not give up such a good opportunity, "Well! This envoy of the Xuantian Empire is a top priority. My lord, who do you plan to marry with the emperor of the Xuantian Empire?"

"My daughter Cao Jie!"

"Miss Cao Jie?"

"Yes, Jie'er has been smart since she was a child, and she is also a stunning beauty. I believe that after Jie'er marries the emperor of the Xuantian Empire, Jie'er will soon be loved by the emperor of the Xuantian Empire."

"The lord immediately wrote to Lord Xun Yu, asking Lord Xun Yu to first test the tone of the Xuantian Empire's special envoy, and even asked Lord Xun Yu to go out of his way to please the Xuantian Empire's special envoy."

"I see!"

Cao Cao looked into the distance with a smile on his face.

As long as he can marry the Xuantian Empire this time, Cao Cao believes that his power in the Han Empire will become more and more powerful in the future, and he will even be able to destroy all the people in the Han Empire. All the princes, thus unifying the Han Empire

"Report to my lord, Liu Bei's envoy has arrived!"

At this moment, a general came over and saluted Cao Cao.

Cao Cao laughed when he heard Liu Bei's envoy arrived, "Liu Bei? Ha ha! Fengxiao, what do you think will happen when Liu Bei's envoy arrives?"

The Guo family took a sip of wine and said bluntly,

"Lord, I guess Liu Bei may want to surrender to the Lord. The small Peixian County cannot stop our army from attacking. Liu Bei only has thousands of troops. He must surrender to the Lord."

Cao Cao nodded.

He also guessed the meaning of Liu Bei's envoy's arrival.

"Liu Bei is a weakling who cannot be killed. Gongsun Zan of Youzhou was killed by Miss Yan. Liu Bei fled early when he saw that the situation was not going well. However, Liu Bei had not yet established a foothold in Youzhou. Yuan Shao attacked Youzhou again, and Liu Bei was ahead of schedule. Run away, no wonder Miss Yan keeps calling Liu Bei Liu Paopao"

"My lord, Liu Bei is the man Miss Jingzhou Yan must kill. Do you want to accept Liu Bei's surrender?"

"Fengxiao, Liu Bei is useless, but Liu Bei's two sworn brothers are both enemies on the battlefield. We will eventually have a battle with Miss Yan from Jingzhou. The enemy of our enemy is our friend."

"I understand, the lord is here to conquer Liu Bei's two sworn brothers, Guan Yu and Zhang Fei"

"good!"

Guo Jia had also heard that Liu Bei's two brothers were two fierce generals.

He was not very optimistic about Cao Cao's plan to conquer Liu Bei's two sworn brothers, and he did not bring it up.

Guo Jia thought that if Liu Bei surrendered anyway, everything about Liu Bei would be under Cao Cao's control. If he really can't conquer Guan Yu and Zhang Fei in the future, it won't be too late to kill them then.

"Now that the lord has made his decision, let's accept Liu Bei's surrender. However, we can no longer let Liu Bei take charge of the army. We must also guard against Liu Bei."

"Um! Liu Bei, Uncle Liu, haha, let him be a companion with the little emperor from now on."

Cao Cao nodded when he heard Guo Jia's words.

He didn't dare to use Liu Bei's villain. If it weren't for the two tiger generals Guan Yu and Zhang Fei, Cao Cao would not have accepted Liu Bei's surrender.

Then,

Cao Cao received him Liu Bei's envoy arrived. After Cao Cao heard the envoy saying that Liu Bei was willing to surrender, he agreed to Liu Bei's surrender.

At this point, the east gate of Xuzhou was opened by Cao Cao's army, and Cao Cao's army could also attack other counties in Xuzhou. Conquests and even massacres began. In Su Chen's room in

Xiapi, the county governor 's house, Su Chen looked at Lu Lingqi who had been in a daze and pushed her helplessly,"Miss Lu, why are you still in a daze? when?

"

"I want you to take care of it!"

Lu Lingqi was pushed back to her senses by Su Chen and shouted angrily.

Su Chen said angrily when he heard Lu Lingqi's words,"If you want to be in a daze, go back to your room and don't disturb me here again. Lu

Lingqi glared at Su Chen and pointed around,"The entire county governor's mansion belongs to me. It's none of your business where I stay in a daze.""

"You are awesome! Then you can continue to be dazed here, I'll go out!"

"Wait, don't you want to hear about the beauty ranking list?"Lu Lingqi shouted hurriedly when she saw Su Chen was about to go out,

"Say it! I'm all ears!"Su Chen sat down again and poured tea and said helplessly,

"Color embryo!"

"I'll join in. Do you want to tell me?"

Lu Lingqi was speechless to Su Chen, a shameless pervert. Now she could only use the beauty ranking list to keep this bastard,"I said, there are only ten stunning beauties on the beauty ranking list in the Northern Continent, and They are all beauties who are not married under the age of twenty-five."

Su Chen was stunned when he heard Lu Lingqi's words.

Lu Lingqi had said that she was the twelfth most stunning beauty on the beauty list. Why did she say that there were only ten beauties on the list now? Lu Lingqi wouldn't be talking nonsense to him, right? ?

Su Chen hurriedly interrupted Lu Lingqi's next words and asked,"No! Lu Lingqi, aren't you the twelfth one on the beauty list? Why are there only ten beauties on the Northern Continent beauty ranking list?"

"cough! Do you want to listen anymore?"

Chapter 1188

Lu Lingqi was very embarrassed when she heard Su Chen's words.

There were only ten stunning beauties under the age of twenty-five on the Northern Continent beauty ranking list. She was not among the top ten stunning beauties. She was ranked twelfth on the beauty list. The rankings are also the rankings of ten beauties compiled by those boring people in the Northern Continent.

"You go on, am I listening?"

Su Chen guessed something when he saw Lu Lingqi's embarrassed look, but he had no intention of asking Lu Lingqi now.

Su Chen wanted to hear about the beauties on the Northern Continent's beauty rankings, and then he was ready to ridicule Lu Lingqi.

"Ranking list of beauties in the Northern Continent, No. 10, Lujiang Bu Lianshi, this girl is stunningly beautiful, and is also said by some fortune tellers to have the destiny of a mother who will grace the world."

"When the Northern Continent Beauty Ranking List appeared last year, many people went to Lujiang County to look for Bu Lianshi, but in the end they all came back in vain. Bu Lianshi seemed to have disappeared and no one could find her."

Bu Lianshi?

Isn't this Soochow Sun Ce's future wife?

Is Bu Lianshi so beautiful?

Lu Lingqi is very beautiful, and she didn't even enter the Northern Continent beauty rankings. Is Bu Lianshi really better than Lu Lingqi? Beautiful?

Su Chen found it strange that Bu Lianshi was not very famous in the Three Kingdoms plot, and was even an unknown woman. But in the world of mixed martial arts, she turned out to be one of the top ten beauties in the Han Empire in the Northern Continent. It seemed that I will find a chance to meet this stunning beauty in the future.

After Su Chen heard that no one had found Bu Lianshi, he asked doubtfully, "Lu Lingqi, you said Bu Lianshi disappeared?" No one found her? Lu

Lingqi also frowned and said to Su Chen, "Yes, that's the rumor, but some people say that Master Bu must have been occupied by other princes, or even hidden.""

Lu Lingqi is also very strange.

It seems that there is no news about the beauties on the beauty ranking list in the Northern Continent, or they have prominent family backgrounds and no one dares to disturb them. It's just that those ordinary beauties can't find anyone?

Su Chen nodded. ,

He also thinks so.

The Han Empire in the Northern Continent is currently in war.

The more beautiful the women, the more trouble they have. I am afraid that the beauties from ordinary families on the Northern Continent's beauty rankings may be occupied by some princes, or He was abducted by some lustful Jianghu people.

"go on! Lu

Lingqi rolled her eyes at Su Chen, a pervert, and continued,

"The ninth place in the ranking list of beauties in the Northern Continent is Cai Yan and Cai Wenji, the daughter of Cai Yong. Cai Wenji is a famous and talented woman, and she is also very knowledgeable. She is very proficient in calligraphy, painting, and music."

"Originally, it was impossible for Cai Yan and Cai Wenji to be on the beauty ranking list, but when Cai Yan and Cai Wenji were preparing to marry the Wei family in Hedong, Wei Zhongdao of the Wei family died of illness, and Cai Yan and Cai Wenji did not get married."

"When the beauty ranking list was released, Cai Yan and Cai Wenji were also on the list, even ranked ninth as a stunning beauty."

Su Chen heard that Cai Yan and Cai Wenji were the ninth on the beauty rankings, which made Su Chen even more interested in the beauty rankings in the Northern Continent.

Cai Yan and Cai Wenji were said to be very talented in the Three Kingdoms plot, even a rare and peerless beauty.

Su Chen did not expect that Wei Zhongdao had already died of illness before Cai Yan married Wei Zhongdao.

This may be a good thing for Cai Yan, but

Luoyang passed Dong Zhuo's After the destruction and fire, did Cai Yan still go to Chang'an with his father as in the plot? Even after the Chang'an turmoil, Cai Yan and Cai Wenji were captured by the Huns. In the

Three Kingdoms plot,

Cai Yan was robbed by the Huns for work. The woman who had been the King of the Huns for more than ten years, and even gave birth to two sons for the King of the Huns during the more than ten years of the Huns. Cai Yan and Cai Wenji were really not good. If his father Cai Yong had not died, I am afraid that Cai Yan would have given birth to him. She was so angry.

Su Chen shook his head when he thought of this.

Cai Yan was probably a woman who was also afraid of death. Otherwise, why didn't she commit suicide after being captured by the Huns? Didn't this bring shame to her family?

"Lu Lingqi, are Cai Yan also missing? Lu

Lingqi shook her head and said,

"No, Cai Yan and Cai Wenji are not missing. Previously, Cai Yan was protected by her father Cai Yong, but now Cai Yan is protected by the most powerful princes in the Han Empire. No one in the Han Empire dares to take advantage of Cai Yan and Cai Wenji."

When Su Chen heard Lu Lingqi's words, he thought of his daughter Su Yan. Su Yan's Jingzhou was the most powerful prince in the Han Empire.

Su Chen was a little confused and thought that

Cai Yan would not be robbed by that girl Su Yan. Are you leaving?

"The most powerful prince in the Han Empire? Lu Lingqi, are you saying that Cai Yan is in Jingzhou now? Still being sheltered by that Miss Jingzhou Yan? Lu

Lingqi nodded and replied, "Well, yes, Miss Yan sent people to rescue Cai Yan when the alliance of princes attacked Dong Zhuo. Cai Yan is now living well in Jingzhou.""

I guess!

That girl Su Yan is still obsessed with finding a woman for him. Isn't Su Yan really not afraid of being taught a lesson by her mother Jing Sala? Or is Su Yan really taking revenge on her mother Jing Sala for controlling her?

Su Chen I am also completely speechless about Su Yan, a daughter.

What daughter wants to find a woman for her father all day long?

Su Chen feels that Su Yan cannot be allowed to be so lawless. After this foreign war is over, Su Chen will take Su Yan with him no matter what. Back at Xuannio Palace, the girl was getting wilder and wilder.

Lu Lingqi was very angry when she saw Su Chen looking thoughtful. She felt that Su Chen must want to go to Jingzhou to meet the beautiful Cai Yan. This shameless bastard is a complete pervert.

Lu Lingqi looked at Su Chen and said,

"You wouldn't want to go to Jingzhou to see some of Cai Yan and Cai Wenji's peerless looks, would you? I advise you not to seek your own death."

"Miss Yan in Jingzhou has hundreds of thousands of troops under her command. Even the powerful Cao Cao is afraid of Miss Yan. Moreover, I heard that Miss Yan is the daughter of Empress Huanyinfang. Do you think you can meet Cai Yan just by going to Jingzhou? Su

Chen was speechless when he heard Lu Lingqi's words, "When did I say I was going to see Cai Yan?" Don't talk nonsense here."

Su Chen has no feelings for Cai Yan.

Although Cai Yan is talented and very beautiful, she was ravaged by the Huns in the plot, which made Su Chen look down on.

If it were an ordinary woman who was ravaged by the Huns, this is nothing.

After all, most ordinary women are illiterate and have no reputation.

But is Cai Yan an ordinary woman?

Cai Yan is not only literate but also a famous and talented woman. Moreover, her father is also a great scholar of the generation. Doesn't Cai Yan understand? Will it bring shame to the family and all the Central Plains people if she does that?

Lu Lingqi looked at Su Chen and said mockingly,

"Do you think I will believe you?"

"I'm too lazy to argue with you, just keep talking." Su Chen shook his head and didn't want to fight with Lu Lingqi anymore.

"Ranked seventh among the beauties of the Northern Continent, Youruo is the daughter of the most powerful woman in the world. Very few people know about this stunning beauty. It is said that Youruo has been imprisoned in a small house in the middle of the lake by her father. It is not known whether Xiongba of the World is protecting his daughter or for other reasons."

Chapter 1189

Su Chen did not expect that the seventh most beautiful woman in the Northern Continent would be Youruo from Tianxiahui. That innocent and lively Youruo was a miserable woman.

Although Youruo is the daughter of Xiongba, the world leader, and a rich young lady, she has been imprisoned in a small building in the middle of the lake by her father Xiongba in the name of "protection". Although her status is noble, she is no different from a prisoner.

There is only one parrot accompanying her all year round.

She obviously missed her father Xiongba very much, but she also hated Xiongba very much and hated why Xiongba didn't come to see her.

Youruo is just a poor little girl.

Her subsequent encounter with Nie Feng was the beginning of her tragedy.

In the end, she was accidentally killed by Nie Feng in order to save Xiong Ba.

From the beginning, Youruo hated her father, Xiongba, to dying to save Xiongba. Such a woman is not only beautiful, but also true, affectionate and righteous. Unfortunately, such a woman has a very miserable life.

"Do you know the Youruo of Tianxiahui?"

Lu Lingqi was very confused when she saw Su Chen's expression.

Su Chen seemed to be very sympathetic to Youruo. Does this bastard know the daughter of Xiongba of the Tianxiahui?

But how is this possible?

You know, everyone in the Tianxiahui I didn't know that Youruo existed. How could Su Chen know Youruo?

"Know something!"

Su Chen nodded and replied.

Lu Lingqi laughed at the disdain on her face and said,

"Huh, you pervert! The existence of Youruo means that even the disciples of Xiongba may not know about it. Didn't you start to have dirty thoughts when you heard that Youruo was the seventh most beautiful woman in the Northern Continent's beauty rankings?"

"Dirty shit, I've only heard of Youruo. Your thoughts are really unhealthy."

"Who knows? You are just an ordinary nobleman, how would you know that the eldest lady of the world is You Ruo? Why didn't you say that you still know Miss Yan from Jingzhou?"

What the hell!

I really know Miss Yan from Jingzhou.

Su Yan is his own daughter, how could Su Chen not know her?

Su Chen glanced at Lu Lingqi, and he didn't tell Lu Lingqi about his father-daughter relationship with Su Yan. , now is not the time to reveal his identity.

Besides, even if he told Lu Lingqi that he was Su Yan's father, Lu Lingqi would probably treat him as a psychopath.

"how? Have nothing to say? fraud!"

"I don't want to argue with you, keep going!"

"I don't want to argue with you either!"

Lu Lingqi rolled her eyes at Su Chen arrogantly.

She didn't want to completely anger this bastard now. If this bastard was angered by her and wanted to leave, she would be in tragedy in the future.

"The sixth place in the ranking list of beauties in the Northern Continent is Sun Shangxiang, the daughter of Sun Jian of Wujun, Yangzhou. Sun Shangxiang is not only beautiful, but she is also a woman with strong martial arts skills and a resolute personality."

"Sun Shangxiang is also a strange woman who likes weapons but not red makeup. But IShe was very curious, but it was a pity that she had no chance to meet him."

"Sun Jian's daughter Sun Shangxiang!"

Su Chen was very confused when he heard Lu Lingqi's words.

The world of mixed martial arts is really very confusing. Logically speaking, how old is Sun Shangxiang in the plot, but in the world of mixed martial arts, Sun Shangxiang is actually an adult?

Su Chen shook his head. Don't think about this anymore, existence is reasonable.

Even if Su Chen feels that the plot is wrong, it is reasonable in the mixed martial arts world and cannot be changed.

"Yes, you bastard doesn't know about Sun Shangxiang, right?"

"have no idea!"

Su Chen shook his head and said to Lu Lingqi.

Even though he knew that Sun Shangxiang didn't want to talk to Lu Lingqi, otherwise, they would start fighting each other again, and even Lu Lingqi would continue to ridicule him.

Sun Shangxiang!

This is the third story in the plot. Liu Bei's wife, Liu Bei's big-eared thief who eats young grass, is so lucky.

How could Su Chen not know Sun Shangxiang, the Gongyao Princess of Soochow? It's just Gongyaoji Sun Shangxiang. What does "Gongyaoji" mean?

Are you saying that Sun Shangxiang's waist is very soft and flexible? Or does Sun Shangxiang really often tie bows and arrows to his waist?

Su Chen thinks it's possible for both of these,

Gong Yao Ji!

Sun Shangxiang's body can definitely do many difficult movements. Such a woman He wanted to see it in the future.

Lu Lingqi looked at Su Chen and continued,

"The fifth place in the ranking list of beauties in the Northern Continent is Ji Ruxue, a disciple of the Empress of Huanyinfang and a descendant of Huanyinfang. Legend has it that Ji Ruxue is not only beautiful, but also a master of the Grand Master."

"Ji Ruxue is a grand master under the age of twenty-five, which is very powerful. Ji Ruxue is a land immortal who is predicted to advance to the heavenly realm within ten years. It can be seen that Ji Ruxue's cultivation talent is How powerful."

Ji Ruxue?

Isn't this the maid of Huanyinfang?

How did she become Li Maozhen's apprentice in the world of mixed martial arts?

Su Chen had a headache after rubbing his forehead.

The plot was even too confusing.

Su Chen didn't know what was going on. Is there still Li Xingyun in the Northern Continent? There are Huanyinfang, Xuanming Sect, and the destroyed Tongwen Hall in the Northern Continent. So should bad people also exist? But why have I never heard of bad people ? What about this organization? Is that old bastard Yuan Tiangang secretly training Li Xingyun?

But in the mixed martial arts world, Li Xingyun is not a descendant of the Li Tang royal family. What is Li Xingyun's identity in the mixed martial arts world? The bad guy Yuan For what purpose does Tiangang help Li Xingyun in the mixed martial arts world?

Lu Lingqi laughed when she saw Su Chen was silent,"Are you scared, you bastard?" Ji Ruxue is a great master. With such powerful strength, she can kill a lustful person like you with one finger."

"laugh! Will I be scared? Don't make any wild guesses here." Su Chen took a sip of tea and shook his head and said, "For

Ji Ruxue to be promoted to Grand Master, it must be the empress Li Maozhen who gave Ji Ruxue some Zhu Guo. Otherwise, how could Ji Ruxue be promoted to Grand Master at such a young age?

" Su Chen said. At the beginning, he gave all the Zhu Guo to Li Maozhen, and even gave Li Maozhen some spiritual stones. I'm afraid Huanyinfang will be even more powerful in the future.

Lu Lingqi smiled and said sarcastically to Su Chen, "Just brag. , you, an ordinary person with no cultivation, are still so arrogant. If you can see Ji Ruxue then, I am afraid that Ji Ruxue's look will scare you to death."

"go on!"

"hateful!"

Lu Lingqi looked at Su Chen's nonchalant look, and she clenched her fists to beat this bastard. This bastard took her less and less seriously, and now he was even more lazy to talk to her. This made Lu Lingqi treat Su Chen more and more. It was getting more and more unbearable.

Lu Lingqi took a deep breath to calm herself down and continued,

"The fourth place in the ranking list of beauties in the Northern Continent is Da Qiao and Xiao Qiao from Lujiang County, Yangzhou. These are a pair of stunning twin sisters."

"Da Qiao, gentle and generous, beautiful and intelligent"

"Xiao Qiao, pretty and charming"

"These are the only two sisters on the list, and they are also the most beautiful women in the world. I heard that Sun Ce of Wu County wanted to take these two sisters in, but now I don't know if Da Qiao and Xiao Qiao were kidnapped by Sun Ce."

Chapter 1190

Su Chen heard that Da Qiao and Xiao Qiao were the fourth most beautiful women in the Northern Continent.

This was beyond Su Chen's expectation.

Da Qiao and Xiao Qiao were both very beautiful sisters, otherwise they would not have been attacked by Cao Cao. Soochow wants [Bronze Bird Locks Two Joes in Deep Spring].

Da Qiao and Xiao Qiao are ranked fourth, so who will be the top three? Are they really as beautiful as Da Qiao and Xiao Qiao?

"Lu Lingqi, are you saying that Sun Ce from Wu County wants to snatch the second Qiao from Jiangdong? Lu

Lingqi nodded and replied,

"Yes, this is what happened not long ago. It seems that Sun Ce passed by Lujiang County when he was escaping from Shouchun. He heard that Da Qiao and Xiao Qiao were beautiful in Lujiang, so he boldly promised to take Da Qiao and Xiao Qiao as concubines."

"Then why didn't anyone take advantage of Da Qiao and Xiao Qiao before?" Su Chen asked Lu Lingqi with some doubts.

Lu Lingqi pointed at the tea cup and said to Su Chen,

"Who says no?"

"Da Qiao and Xiao Qiao were moved around many times by their father, just to avoid those who wanted to kidnap Da Qiao and Xiao Qiao."

"They settled in Lujiang the year before last, but their whereabouts were still exposed. Da Qiao and Xiao Qiao would be in bad luck in the future."

Su Chen also shook his head when he heard Lu Lingqi's words.

Da Qiao and Xiao Qiao were the wives of Sun Ce and Zhou Yu in the Three Kingdoms plot.

One of the two sisters was kidnapped by Sun Ce and made a concubine, and the other was assigned to Zhou Yu as a concubine..

But Sun Ce and Zhou Yu are both short-lived ghosts, and Jiangdong Erqiao is still a widow at such a young age.

Su Chen thought that Sun Ce has started to take advantage of Jiangdong Erqiao, so Sun Ce may have to take action on Yuan Shu's territory. ,

Jiangdong may be defeated by Sun Ce in the future, and Da Qiao and Xiao Qiao from Lujiang County may not be able to escape the fate in the Three Kingdoms plot.

But what Su Chen doesn't know is that

Da Qiao and Xiao Qiao from Lujiang County have been killed by his daughter Su Yan

If Su Chen knew about it, he would probably be even more speechless towards Su Yan.

Su Chen poured Lu Lingqi a cup of tea and asked,"Lu Lingqi, you mean that Sun Ce has been staying in Wu County after his father died. , didn't Yuan Shu take action to destroy Sun Ce?"

"It's not that Yuan Shu didn't want to destroy Sun Ce, it's just that Miss Yan from Jingzhou seemed to want to deal with Sun Ce. Yuan Shu didn't dare to offend Miss Yan, so he didn't send out troops to destroy Sun Ce from Wu Commandery."

"Does Miss Jingzhou Yan have any grudge against Sun Ce?"

"I know that, you know what? When the princes alliance crusade against Dong Zhuo, Miss Yan made eighteen princes agree to send her some beauties."

"The other princes fulfilled their promises, but after Sun Jian's death, Sun Ce even said that his father's death was related to Miss Yan."

"Sun Ce's refusal to admit his guilt made Miss Yan from Jingzhou very angry, so she released the news and wanted to kill Sun Ce herself."

Damn it!

What is Yan'er going to do?

Let eighteen princes give her beauties?

Is Su Yan opening a daughter's kingdom?

Not only will Su Chen have a headache now, he is too scared to go there. In Jingzhou, he had guessed what the beauties Su Yan was looking for were going to do.

They were to add beauties to his harem!

And if the women at Jing Salad knew about this, I'm afraid Su Yan would be beaten to death. It's impossible to be skinny.

Su Chen shook his head when he thought about the meeting between Jing Salamander and Su Yan in the future.

He couldn't control these things.

He would not be involved in Jing Salamander and Su Yan's future Shura field. Su Yan should teach him a lesson. Teach her a lesson, otherwise that little girl will become even more lawless.

Su Chen shook his head with a wry smile and said,

"Go ahead and talk about the top three beauties left on the beauty rankings. The matter between Sun Ce and Miss Yan has nothing to do with us. Lu

Lingqi sneered at Su Chen disdainfully,

"Che, even if you want to participate, it is impossible. Even the powerful princes Cao Cao and Yuan Shu in the Han Empire dare not disobey Miss Yan. You are just an ordinary person. Do you dare?"

"I can not!"

Su Chen curled his lips and admitted helplessly,

"It's good to know!"

Lu Lingqi smiled when she saw Su Chen's surrender.

She looked at Su Chen's weak look and continued, "The second place in the ranking list of beauties in the Northern Continent is Wang Yun and Wang Situ....."

"Wait, why did you get to second place? What about third place?" When Su Chen heard Lu Lingqi's words, he quickly interrupted her and asked,

"Don't interrupt, I said this for a reason, you bastard just listen."

I guess!

What does this little girl mean?

Is she trying to offend her on purpose?

"You go on, go on!"

Su Chen is helpless towards Lu Lingqi.

This girl is pinching him to death.

As long as Su Chen still wants to hear about the beauties on the Northern Continent beauty rankings, he can't offend Lu Lingqi, this tiger girl.

"Humph, the second place in the ranking list of beauties in the Northern Continent is Wang Yun and Wang Situ's adopted daughter Diao Chan. She is so beautiful that she is the most beautiful woman in the world. Many people miss Diao Chan. Even my father asked Wang Yun to beg for Diao Chan."

"It's just that Diao Chan seems to have disappeared. No one knows where she is. Even Wang Yun did not reveal Diao Chan's whereabouts before she died. Many people suspect that Diao Chan may have died in the disaster in Luoyang."

Diao Chan?

That woman is now in the Xuanniao Palace in the Southern Continent.

What's the use of the people in the Northern Continent even if they know about it?

Do they still dare to go to the Xuannian Palace to rob people? Although

Su Chen has never seen her in the Xuantiao Palace Diao Chan, but Diao Chan is in his pocket. Who dares to compete with him for Diao Chan in the Southern Continent and the Xuantian Empire?

Diao Chan has also changed her destiny.

Without the beauty trap used by Wang Yun,

Diao Chan doesn't have to repay him. If Wang Yun sacrificed herself, she would not live a miserable life in the future.

Su Chen thought about Diao Chan in Xuannio Palace and continued to ask Lu Lingqi,

"Who is number one on the beauty ranking list? Lu

Lingqi looked at Su Chen and blurted out,

"Zhen Mi!"

"Zhen Mi?"

Su Chen didn't expect that the most beautiful woman in the Northern Continent was Zhen Mi.

This surprised Su Chen.

Zhen Mi actually squeezed out Diao Chan. Diao

Chan, one of the four beauties in ancient times, was not as beautiful as Zhen Mi. This made Su Chen I regretted not meeting that Zhen Mi.

Lu Lingqi looked at Su Chen's surprised look and continued,

"The number one beauty in the Northern Continent and the most beautiful woman in the Northern Continent, Zhen Mi! Zhen Mi is the fifth daughter of the Wuji Zhen family in Yizhou. She has been smart since she was a child. When she grows up, she becomes even more beautiful. She is called the Goddess of Luo Shen."

"but"

"Although Zhen Mi is the most beautiful woman in the Northern Continent, no one dares to take advantage of her."

Su Chen asked curiously when he heard this,

"Why? Lu

Lingqi looked at Su Chen like he was an idiot and said,"Zhen Mi's father has a relationship with the eldest princess of Xuantian Empire. It is even rumored that Zhen Mi has been included in the palace by the emperor of Xuantian Empire.""

"otherwise!"

"Why does the Zhen family act as an agent for the Xuantian Empire's luxury accessories in the Northern Continent? The Zhen family is backed by the powerful Xuantian Empire. Who dares to offend the Zhen family in the Northern Continent? Who dares to go to Zhen's house to rob Zhen Mi? Do you understand?"
