

## Zongwu 1191

### Chapter 1191

Su Chen was speechless when he heard Lu Lingqi's words.

What is all this?

How did Zhen Mi become his woman?

Su Chen thought about it and felt that this must be Su Yan's good deeds. Zhen Mi had been following Su Yan all the time. That girl must have planned something against Zhen Mi.

Otherwise,

Su Yan would not have let Zhen Mi's father Agent for all luxury goods in the Northern Continent.

Su Yan must have done all this.

Didn't that little girl know that she was deliberately going against her mother? Or do you really want to find a beautiful woman for yourself?

Su Chen also had nothing to do with that girl. Now Su Yan had no one to control her in the Northern Continent, and the girl was even more lawless now.

However,

Su Chen is now interested in Zhen Mi.

The most beautiful woman in the Northern Continent,

Su Chen is really interested.

Su Chen is even very curious about Zhen Mi's four sisters, who were born to the same mother. ,

Su Chen didn't believe that Zhen Mi's four sisters would be ordinary women. Even if they were not as beautiful as Zhen Mi, they were definitely rare beauties.

Lu Lingqi looked at Su Chen with a smile and asked with a smile,

"How about it? Now that you know all the beauties in the Northern Continent, are there any beauties that make you excited?"

"none of your business!"

Su Chen didn't feel angry and scolded Lu Lingqi.

The beautiful women who are attracted by him?

Does he have to be attracted by those beauties?

Which of Su Chen's women are not peerless beauties? Concubine Yan, Murong Qiudi, Zi Nu, Jing Salamander and others. Isn't that the most beautiful of them all?

There are also Jellyfish Yin Ji, Shi Guanyin, those stunningly beautiful and powerful women. Does Su Chen need to be tempted by these vases? Su

Chen patted Lu Lingqi on the shoulder and continued to ask, "Third What about the name? Why don't you talk about the third beauty on the beauty ranking list?"

Lu Lingqi opened Su Chen's hand angrily and said angrily,

"The beauty in third place is a bit special. After she was selected into the Northern Continent beauty ranking list, it was discovered that she was of a certain age and had even married you and had children. Such a woman would definitely be removed from the list."

"Is there such a thing? Who is that beauty?" Su Chen asked suspiciously when he heard Lu Lingqi's words,

"Yan Ying!"

"Yan Ying? That vain woman?"

Su Chen didn't expect that the third place on the beauty ranking list would be Yan Ying,

Nie Feng's mother.

This was really beyond Su Chen's expectation.

That woman Yan Ying was the same as Nie Feng's father, King Nie Ren, who was domineering and broke. Jun and Jue Wushen had a relationship. She even gave birth to a child for Jue Wushen,

Jue Tian!

Yan Ying was a woman who was very greedy for power and vanity.

When Yan Ying saw that Nie Feng's father could not give her anything, she decisively abandoned Nie Feng and King Nie Ren and left.

Later, she got involved with Xiong Ba, Po Jun, and even the Japanese Jue Wu Shen. Such women encountered some powerful masters.

Moreover, these powerful masters are actually fascinated by such a woman. Yan Ying's beauty is obviously extraordinary.

When Lu Lingqi heard Su Chen's words, she asked doubtfully, "Do you know Yan Ying?" Why is Yan Ying greedy for vanity?"

"Forehead! I just seem to have heard of this woman somewhere. Isn't she the wife of King Nie Ren?"

Lu Lingqi said weakly while lying on the table,

"how could I know"

"Yan Ying is said to be a very powerful woman. Although she is very old, she looks like a young and beautiful woman of about twenty years old, and she does not even look like she has given birth to a child."

"Otherwise, it would be impossible to mistakenly include her among the top ten beauties under the age of twenty-five in the Northern Continent."

Oh my God!

Does Yan Ying know martial arts?

Is she still a powerful woman?

This is totally messed up.

How can an ordinary woman who is in love become a powerful woman in the world of mixed martial arts?

Su Chen I feel very confused now. The Northern Continent is more chaotic than other continents. The plot is now completely different, and the powerful forces hidden in the Northern Continent are more powerful than the last. The current Tianxiahui, Wushuang City, Xuanming Sect, Huanming Sect, etc. Yinfang, as well as Emperor Shitian's Tianmen, those bad people who did not appear, and Juewutian's Wushenjue palace.

Su Chen felt that the water in the northern continent was too deep, but why didn't these powerful forces appear to dominate the world? Why? Didn't appear in other continents? Are the peerless masters of the Northern Continent not as powerful as the masters of other continents?

Su Chen took a sip of tea and thought about the information he heard this time.

What he heard today made Su Chen completely dissatisfied with him. The plot he knew was subverted. The plot he knew was of no use to the Jianghu in the Northern Continent. Fengyun and Huajianghu, these plots had changed beyond recognition.

"who?"

While Su Chen was thinking about these things, he suddenly felt a strange breath appear in the county governor's mansion.

A woman's voice suddenly came over,

"Haha, your perception ability is really very sensitive. I just accidentally exposed a little breath and was discovered by you. Ambassador of the Xuantian Empire, you are not an ordinary person."

When Lu Lingqi heard the woman's words, she looked at Su Chen and asked confusedly, "The envoy of the Xuantian Empire? You bastard are actually the envoy of the Xuantian Empire? And you actually know how to do martial arts?"

"Have fun while you're at it!"

Su Chen pushed away Lu Lingqi beside him and looked outside the room warily.

The woman who arrived this time was very powerful. She might even be a land fairy in the heavenly realm, and she was probably targeting him.

Su Chen came to the room. He looked around and said, "Since you're here, come out and let me see who you are?"

"Haha, didn't you just talk about me? And it seems that you are very familiar with me. Guess who I am?" The woman's voice came from all directions and asked with a smile.

Lu Lingqi took her spear and came to Su Chen and asked nervously, "Bastard Su, do you know this woman? She seems to be very powerful. Do you want me to call the guards?"

Su Chen rolled his eyes at Lu Lingqi and shook his head.

This woman is very powerful. Even if Lu Lingqi called Lu Bu over, it would be of no avail.

"I don't like guessing riddles. If you don't come out, won't I be able to find you?" Su Chen said to this woman disdainfully while having the energy to look around.

Su Chen was also thinking hurriedly about who this woman was.

This woman said that he mentioned her just now, but he and Lu Lingqi were together just now. Talking about the beauties on the Northern Continent beauties ranking list, could this woman be the beauties on the Northern Continent beauties ranking list? A woman's confident voice came from around, "You don't have to waste your efforts. If I don't show up, you won't be able to find me anyway.""

"That's not necessarily the case!"

"oh! Then try to see if you can detect my existence."

Chapter 1192

Su Chen smiled when he heard the words of this strange woman.

He could find this woman 100%.

Although his strength was not as strong as this woman's, Su Chen's mental power was very strong, not to mention that he was only in this county. In the Shoufu, Su Chen could find this woman even in Xiapi City.

I'll do it!

His!

What does this woman mean?

Could it be that he was threatening not to find her?

Su Chen found that in the pavilion of the Sheriff's Mansion, a strange woman wearing a veil was sitting with Mrs. Yan. Mrs. Yan looked worried and frightened, letting Su Chen know that she was being held hostage by that woman.

"Come on, let's go to the pavilion!" Su Chen thought about it and waved to Lu Lingqi.

When Lu Lingqi heard Su Chen's words, she asked doubtfully, "Go to the pavilion? Are you looking for my mother? What are you doing to my mother, you bastard?"

"Talk to your mother."

Su Chen was very speechless when he saw Lu Lingqi's confused look.

Didn't Lu Lingqi hear what the woman just said?

Lu Lingqi is really just like her father Lu Bu, a simple-minded and well-developed military general.

"Inglorious bastard, I'm going to kill you!"

When Lu Lingqi heard Su Chen's words, she stabbed Su Chen with a spear. This bastard dared to insult her mother. This made Lu Lingqi so angry that she wanted to stab this damn bastard to death.

"goodbye!"

When Su Chen saw Lu Lingqi was about to take action, he smiled and disappeared.

When Lu Lingqi saw Su Chen disappear suddenly, she yelled angrily, "Asshole, don't run away!"

Lu Lingqi was also very surprised by Su Chen's sudden disappearance.

Although the woman just now said that Su Chen was not simple, she did not expect that Su Chen would be so powerful. That bastard disappeared in the blink of an eye. This is probably because even the great masters do not have such ability. Right?

Lu Lingqi looked around and hurriedly ran to the gazebo of the Sheriff's Mansion.

She would not let that bastard be alone with her mother.

The bastard was lustful and shameless.

Lu Lingqi was worried that her mother would be molested by that bastard. The

Sheriff's Mansion In the pavilion,

Mrs. Yan looked nervously at the woman who suddenly appeared across from her. She did not expect that someone would show up at the county magistrate's mansion to kidnap her. Isn't this veiled woman afraid that the guards at the county magistrate's mansion would arrest her?

"You'd better be honest, otherwise, I won't mind slashing your face a few times."The veiled woman looked at Madam Yan who wanted to summon the guards and threatened her.

When Madam Yan heard the veiled woman's threats, she asked with a pale face,"This is the county governor's mansion. Aren't you afraid of being attacked by the guards around you? Found it?"

The veiled woman looked at the guards around her and said disdainfully,

"Just rely on those guards? Some scum, all I have to do to kill them is move my little finger, you better not let those guards come over and die."

"So what exactly are you going to do?"

The veiled woman smoothed her black hair and said,"I'm waiting for someone. I want to see how long it takes for him to find me."

"Now I have found you, who are you?"

At this time,

Su Chen suddenly appeared in the pavilion. He looked at the veiled woman and asked expressionlessly.

The veiled woman was very surprised when she saw Su Chen suddenly appeared, "Huh? You are indeed powerful. You are indeed the special envoy of the Xuantian Empire. I am really surprised by the power of the Xuantian Empire."

She didn't feel the presence of Su Chen at all just now. This messenger of the Xuantian Empire really interested her.

"who are you? Su

Chen frowned and asked indifferently.

The veiled woman smiled and looked at Su Chen and said, "Haha, didn't I let you guess?"

"Mr. Su, are you actually the special envoy of the Xuantian Empire?" When Madam Yan heard the veiled woman's words, she asked Su Chen in confusion.

Although Madam Yan was from a woman's family, she had also heard about the Xuantian Empire. The powerful Xuantian Empire spanned two continents. Moreover, the Xuantian Empire was still conquering the Eastern Continent.

She did not expect that Su Chen was actually the special envoy of the Xuantian Empire.

No wonder Su Chen's temperament was so special.

Su Chen was probably a high-ranking official in the Xuantian Empire, and even his family was There was also a top noble in the Xuantian Empire.

Su Chen nodded to Madam Yan next to him, then he looked at the veiled woman and said, "You should be Yan Ying, who was ranked third in the Northern Continent beauty rankings and was removed from the list, right?"

"good! How could you guess it was me?"The veiled woman Yan Ying glanced at Su Chen, nodded and replied,

"Sure enough, it's you. You asked me to guess just now, and even said that I mentioned you before. In the ranking list of beauties, there are not many powerful women. The most powerful beauties are only at the cultivation level of the Grand Master, and the mysterious you That made me guess."

Su Chen didn't expect that this woman was indeed Yan Ying, but how could this woman appear in Lu Bu's house? And it seemed that she came specifically to find him.

Su Chen couldn't see through this vain woman.

Yan Ying listened. Su Chen smiled and said,"Haha, Master Su, right? Do you know me? Or have you seen me? Why do you say I am a vain woman?"

"cough! I'm talking nonsense, don't mind."Su Chen coughed in embarrassment and said,

What the hell!

What is this Yan Ying going to do?

Is she trying to take revenge on herself after hearing her bad words about her?

Yan Ying waved her hand and said calmly,"Yeah? I don't really believe you, but I don't care about what you said. I searched many places along the way from Xudu to find you."

"What do you want from me?"

"I want you to introduce me to the emperor of Xuantian Empire"

"Sorry, our Emperor of the Xuantian Empire may not be interested in you."Su Chen hurriedly refused when he heard Yan Ying's words.

Just kidding!

Yan Ying is a woman who is greedy for power, greedy for vanity, and even an indiscreet woman. Su Chen does not want to interact with such a woman.

Yan Ying stood up After looking at her perfect figure, he said confidently,"How do you know that your Emperor is not interested in me?"

"No matter how beautiful she is, our Emperor will not be interested in a woman who abandons her husband and son." boom!

"Do you want to die?"

"I'll do it!"

When Su Chen saw Yan Ying burst out with a powerful aura, he hurriedly hugged Mrs. Yan and hid aside.

In just an instant,

Mrs. Yan was so shocked by Yan Ying's aura that she vomited a mouthful of blood.

If it hadn't been for Su With Chen's speed,

Mrs. Yan might be stunned by Yan Ying's coercion.

"Shameless bastard, you really dare to insult my mother. Let my mother go, or I will really kill you."

At this moment,

Lu Lingqi arrived.

When she saw Su Chen hugging her mother, she became completely angry.

## Chapter 1193

In the pavilion of the Sheriff's Mansion, with the arrival of Lu Lingqi,

Su Chen, Yan Ying, and even

Mrs. Yan were stunned.

Su Chen was stunned because he heard Lu Lingqi's angry shout and didn't know how to explain it. Yan Ying, on the other hand, smiled and looked like she wanted to watch the excitement.

Mrs. Yan wanted to get off Su Chen's arms with a face full of shame and anger, but she was now weak and gave up after struggling a few times.

Su Chen looked at Lu Lingqi and shouted hurriedly, "Lv Lingqi, come here quickly and help your mother, your mother is injured."

Su Chen was worried that Lu Lingqi would cause trouble at this time, but there was Yan Ying, who was in the heaven and human realm, threatening her. , he doesn't want to save these two women anytime soon

"Mother, are you injured?" When Lu Lingqi heard Su Chen's words, she hurried to Su Chen's side to support Mrs. Yan and asked with concern.

Mrs. Yan was supported by Lu Lingqi and comforted her, "I'm fine, thanks to Mr. Su, otherwise I'm afraid I will die. Got it"

"What happened to my mother?"

"You're stupid, you didn't see it! Is the birth woman here?" Su Chen said with black lines on her head when she looked at Lu Lingqi.

Lu Lingqi looked at Yan Ying after hearing Su Chen's words, but she still scolded Su Chen rudely, "You're stupid, you bastard shameless bastard"

"What an idiot!"

"I am going to kill you"

"Lingqi!"

Mrs. Yan saw that Lu Lingqi was about to attack Su Chen and hurriedly stopped her.

Madam Yan knew how powerful the strange woman was, and she also knew that Su Chen was probably very powerful, but she didn't want anything to happen to Lu Lingqi here. Bang bang bang.!

Yan Ying clapped her hands and said with a smile,

"It's a pity that there was no fight. Miss Lu, your mother was hugged by this person. This ruined your mother's reputation. Didn't you really kill this person to avenge your mother?"

Su Chen frowned when he heard Yan Ying's words and shouted,"Yan Ying, you don't need to stir up trouble here. If you have nothing to do, leave as soon as possible. You are not welcome here."

"Yan Ying? Are you Yan Ying who was removed from the beauty ranking list?"Lu Lingqi was very surprised when she heard that this woman was Yan Ying. She did not expect that Yan Ying, who was third on the beauty ranking list, would appear here.

Mrs. Yan's face was full of shame and anger when she heard Yan Ying's words.

She is now There is no way to stay here, but her legs are too weak to leave now, and her daughter Lu Lingqi has no intention of leaving.

This makes Mrs. Yan lower her head and not dare to look at Su Chen

"Little girl, are you very surprised that I appear here?"Yan Ying looked at the surprised Lu Lingqi and asked with a smile.

Su Chen waved to Lu Lingqi to stop her from doing anything.

He looked at Yan Ying and asked coldly, "Yan Ying, you'd better leave quickly. , I can't help you with your matter"

"Why can't you help me? You only need to take me to see the emperor of the Xuantian Empire once, and you don't have to worry about the outcome." Yan Ying said seriously to Su Chen. If

Yan Ying wants to gain huge power, she must find a strong supporter. Although she is powerful, strength does not necessarily bring huge power. If she wants to be a woman who is inferior to one person and superior to ten thousand people, she must cooperate with a powerful force.

Yan Ying had previously considered the Tianxiahui Xiongba, it's just that Xiongba didn't meet her requirements at all, and the city lord of Wushuang City was even more impossible. There was no one who met her requirements among the princes in the northern continent. The

Xuantian Empire made her think about it.

Through her understanding, the Xuantian Empire Not only powerful, but also very potential.

Yan Ying also learned that the emperor of Xuantian Empire was also a lustful person, and she wanted to use her beauty to confuse the emperor of Xuantian Empire.

As long as the emperor of Xuantian Empire can deal with If she is obsessed with her,

Yan Ying will control the Xuantian Empire and even become the queen of the Xuantian Empire in the future.

Su Chen was speechless when he looked at Yan Ying.

Why would this woman fall in love with her?

Is it just because of her? Is it the strength of the Heavenly Realm?

Su Chen also reminded Yan Ying with an expressionless face,

"I can tell you clearly, you don't have to waste your efforts, there is no way that you will be favored by the emperor of the Xuantian Empire."

"And don't think that you can be so confident just because you are a terrestrial god in the Heavenly Realm. The emperor of the Xuantian Empire has several women in the Heavenly Realm. Your strength is the lowest in the Heavenly Realm in the Xuantian Empire."

Yan Ying shouted with an ugly face when she heard Su Chen's words, "Impossible! I don't believe that the emperor of the Xuantian Empire will have a woman in the Heavenly Realm. The land gods in the Heavenly Realm are not cabbage. Are you deceiving me?"

"Believe it or not!"

"You have to help me or I will kill you?"

"Holy shit! Yan Ying, do you really have to be the emperor's woman?"

"Yes, I want to be the emperor's woman, I want to be the most powerful woman in the world."

Su Chen said speechlessly when he saw Yan Ying being so persistent,

"Then you don't have to be the woman of the Emperor of Xuantian Empire"

"Wouldn't it be possible for the Han Empire, the Great Qin in the Eastern Continent, Qi, Wei, and Chu to do so? If you go to those countries based on your strength, the emperors of those countries will welcome you with clapping hands. Yan

Ying looked at Su Chen as if she were an idiot and said sarcastically,

"Haha, do you think I am as idiotic as that little girl?"

"The Han Empire is dead in name only, and the Eastern Continent is currently being attacked by the Xuantian Empire's army. Maybe the Xuantian Empire can destroy those countries in the Eastern Continent within a year or two. Do you think I'm easy to deceive? Lu

Lingqi looked down upon Yan Ying's words and said, "Yan Ying, why are you so shameless?" You are a woman and a strong woman, can't you love yourself more?"

Yan Ying laughed, even laughed crazily,

"Self-love?"

"Hahaha....."

"I used to love myself too much and trust those heartless men too much"

"do you know?"

"Although I have been married and given birth to children, what have I gained in the end? My husband is devoted to practicing martial arts, and I haven't been able to see anyone for a year or two. Even more than ten years ago, my husband entered Lingyun Cave and never returned."

"Everyone in the world said that I abandoned my husband and my son."

"Is this me abandoning my husband and son?"

"my life is ruined"

"I will live a good life for myself in the future, and I will let everyone in the world see that even though I am a woman, I will also be the most powerful woman in the world. From now on, every word I say will determine the life and death of millions of people."

Su Chen, Lu Lingqi, and Mrs. Yan all looked at Yan Ying dumbfounded when they heard Yan Ying's words. They didn't expect that Yan Ying would have such crazy thoughts.

Su Chen felt that Yan Ying was going crazy. Maybe she was. She was heartbroken by King Nie, but Yan Ying was willing to sell everything in order to gain huge power. Is it really worth it?

#### Chapter 1194

Su Chen didn't expect that Yan Ying had not gotten together with Xiong Ba, but it had nothing to do with him.

Su Chen had no intention of asking Yan Ying. Yan Ying was now almost a lunatic. It would be better to have less contact with such a woman..

It is very dangerous for a woman to go crazy, not to mention that Yan Ying is a powerful woman, so such a woman is even more dangerous.

Su Chen looked at Yan Ying and thought, since Yan Ying has such great strength, why does she still covet power?

Isn't it easy to get what she wants with her great strength?

Is it a woman's vanity that's at work?

Or is Yan Ying seeking revenge on King Nie?

Mrs. Yan and Lu Lingqi looked at Yan Ying and found it very unbelievable.

In order to gain huge power, Yan Ying had to sell everything she had.

This made them unable to agree. They even felt that Yan Ying was a woman who did not have self-respect. Even if a woman gains great power in the future, she will be reviled for the rest of her life.

Yan Ying calmed down her emotions, looked at Su Chen with beautiful eyes and threatened, "Envoy of the Xuantian Empire, you must introduce me to the emperor of the Xuantian Empire, otherwise, I will kill everyone in the mansion."

"Yan Ying, how did you know that I am the special envoy of the Xuantian Empire?" Su Chen asked suspiciously as he sat down in the pavilion.

Su Chen was also very puzzled.

Those people in Xu Duli should know his identity, but why did Yan Ying know his identity and even find him specifically? I, are there Yan Ying's subordinates in Xudu?

Yan Ying also sat opposite Su Chen and said,

"The news about what you did in Xudu has spread. If I hadn't happened to hear about you in Yuzhou, I wouldn't have been able to find you."

When Su Chen heard Yan Ying's words, he thought that it must be the officials in Xu Duli who spread the news deliberately. This may be because they want to build momentum for Cao Cao's power.

However,

Xun Yu and his people will be disappointed.

They must not Thinking that Su Chen would leave Xu Du at night,

Su Chen looked at Yan Ying's perfect figure and coughed,

"Ahem, Yan Ying, actually I am not the special envoy of the Xuantian Empire. I pretended to be the special envoy of the Xuantian Empire when I was in Xudu to protect myself. The Xuantian Token was also a fake. Otherwise, I would not have been able to sneak out of Xudu. All. Yan

Ying looked at Su Chen like she was an idiot and said,

"impossible!"

"Do you think all the officials under Cao Cao are idiots?"

"They will not be able to tell the difference between true and false envoys, and your temperament is also extraordinary. You are not from the Northern Continent. If you were not the special envoy of the Xuantian Empire, I would not believe you."

Mrs. Yan and Lu Lingqi also came to sit in the pavilion.

They knew that it was impossible to leave now, and it was impossible for this powerful Yan Ying to let them leave.

Mrs. Yan looked at Su Chen and asked curiously,

"Mr. Su, are you the special envoy of the Xuantian Empire?"

"Madam Yan, even if I am the special envoy of the Xuantian Empire, it is impossible for me to help Lu Bu. You should not expect anything from me." Su Chen knew what Mrs. Yan meant, but he would not help Lu Bu. Lu Bu's capriciousness would not make Su Chen think of subduing him.

Yan Ying laughed when she heard what Mrs. Yan and Su Chen said.

"Ha ha! You really don't know how to show mercy to women. This Mrs. Yan is already close to you, and you don't help her. Do you hope that after Lu Bu dies, you can seize his wife?"

What the hell!

Is Yan Ying really crazy?

What the hell is this?

Su Chen stared at Yan Ying and wanted to kill this shameless woman. This woman is too shameless. Su Chen just But he hugged her to save Mrs. Yan, but Yan Ying actually said something about skin-to-skin contact.

God damn skin-to-skin contact!

Why else would he want Lu Bu to die?

So that he could dominate Mrs. Yan in the future?

Lu Bu's death would be a matter of time. , what does this have to do with him?

Su Chen was not interested in Mrs. Yan either.

Su Chen glared at Yan Ying and shouted unceremoniously, "Yan Ying, don't talk nonsense here, you are a shameless woman, just Don't think other women are like you"

"laugh! shameless? Special envoy of the Xuantian Empire, how could I be so shameless? I just want to be a powerful woman, so why am I so shameless? Are those women who enter the palace and want to be the emperor's concubines shameless?"

Su Chen looked at Yan Ying and laughed coldly,

"It's different. Those women who enter the palace and want to be the emperor's concubines just want to stand out, and even want their families to live a better life and let their families prosper in the empire."

"But you are different, your ambition is too great. I can see from your eyes that you will not be the emperor's woman honestly. In the future, you will ignore the emperor, and even want to be the empress of the empire."

"This is just your guess, why do you say this to me, why do you say this to me!" Yan Ying's eyes were on fire and she yelled heartbreakingly at Su Chen,

"dong dong dong dong".....

At this moment, many footsteps came over

"Gao Shun arrived with his army. Haha, Yan Ying, don't you dare to leave quickly? Lu Lingqi said with a smile when she heard the sound of many footsteps.

Yan Ying looked around and mocked with disdain,

"Some scumbag, do you think I should be afraid of the army here?"

Lu Lingqi said worriedly when she heard Yan Ying's words, "You.....Don't mess around. Thousands of troops are coming here. You'd better leave! Yan

Ying glanced at the silent Su Chen and threatened Lu Lingqi,

"Miss Lu, if I were you, you'd better pray that those troops won't attack me, otherwise, I won't show mercy."

Dong dong dong dong.....

"Quick, save the madam and young lady, and surround and kill those assassins." Thousands of troops rushed over around the pavilion. When these troops arrived, they surrounded the pavilion. A general kept directing the troops to save Lu Bu's wife and daughter. Madam Yan looked at Yan Ying and said He hurriedly ordered Gao Shun, "Gao Shun, order the troops to leave. These are my friends. It was a misunderstanding just now." Mrs. Yan knows how powerful this woman Yan Ying is. Yan Ying was so shocked that she vomited blood just now without taking any action. She was worried that if she angered this powerful woman, Gao Shun and all the troops would be killed by this woman. die

"lady?"

Gao Shun shouted in confusion when he heard Mrs. Yan's words.

Gao Shun didn't believe that these two people were friends of Mrs. Yan. Those friends would knock out the surrounding guards. He now suspected that these two men and women were holding him hostage. Mrs. Yan and Miss Lu.

Gao Shun?

Is this man Gao Shun who is trapped in the camp?

Yes!

Su Chen looked at Gao Shun who was wearing armor, with his burly figure, resolute face, and unsmiling style. At first glance, he was a real general.

Gao Shun looked at Madam Yan and Lu Lingqi who were sitting with Su Chen and Yan Ying and was very worried, "Madam, you and the young lady come over quickly. These people have unknown origins. Don't stay with them."

"Haha, Mr. Su, it turns out that you came here uninvited just like me!"

"It's none of your business, I'm here as a guest, you're here to cause trouble, am I the same as you?"

Chapter 1195

Yan Ying did not expect that Su Chen also came to Lu Bu's house secretly.

Yan Ying looked at Su Chen, then at Mrs. Yan and Lu Lingqi.

She was very curious about what Su Chen was going to do when he came to Lu Bu's house. Could it be that this Did the envoy from the Xuantian Empire come to Lu Bu's mansion to steal incense and jade?

Su Chen wanted to leave Lu Bu's house at this time.

He originally wanted to rest here for a few days to participate in the foreign war, but now it is impossible to stay here.

He wants to avoid this woman Yan Ying.

This crazy woman Su Chen doesn't want to interact with her.

"Archers, prepare! Madam, you and the young lady come over quickly." Gao Shun didn't listen to Madam Yan. He wanted to rescue Madam Yan and Lu Lingqi as soon as possible.

After the surrounding troops heard Gao Shun's order, hundreds of archers immediately drew their bows and faced Su Chen. and Yan Ying.

When Mrs. Yan saw that Gao Shun wanted the army to take action, she hurriedly revealed Su Chen's identity, "Stop, everyone stop, what are you going to do?" Mr. Su is the envoy of the Xuantian Empire. You must not offend Mr. Su."

"The messenger of the Xuantian Empire?"

Gao Shun was very surprised when he heard Madam Yan's words.

He looked at Su Chen and felt that Madam Yan could not deceive him, but why did the envoy of Xuantian Empire secretly come to Lu Mansion?

This made Gao Shun very confused.

Su Chen stood up, looked at Yan Ying and said with a smile, "Yan Ying, I'm leaving. You'd better go back and forth from there. I can't agree to your request. You'd better go to Tianxiahui to see your son Nie Wind it."

Yan Ying was sure that Su Chen was leaving, so she quickly stood up and said,

"Don't think about it, Nie Feng has his life now, and he is living a very good life. I will not disturb his life. If you don't agree to me, I will kill everyone here."

Su Chen said as if he didn't care, "Then you kill them. These people have nothing to do with me anyway, so you can kill them as you please."

After Lu Lingqi heard what Su Chen said, she hurriedly protected Mrs. Yan and scolded Su Chen, "Bastard Su, you are such a cold-blooded person. It's a shame that I still treat you as a friend."

"We're not familiar with each other, so don't make random connections!"

"You are so shameless!"

Mrs. Yan grabbed Lu Lingqi and said jokingly to Su Chen,

"Mr. Su, please stop joking!"

"Miss Yan Ying, since Young Master Su is unwilling, you can ask other officials of the Xuantian Empire for help. Besides, Young Master Su is in the Northern Continent now, and it is impossible for him to take you to the Xuantian Empire Palace in the Southern Continent right now."

Mrs. Yan doesn't believe that Su Chen will care about their life or death. Although she only met Su Chen today, she believes in her own vision. Su Chen is not a cold-blooded person.

And Mrs. Yan also found that Yan Ying is not a cold-blooded person either. A woman who killed innocent people indiscriminately. Although Yan Ying always said that she would kill them, Yan Ying was just talking. Just now Yan Ying also stunned the surrounding guards.

"How long will you stay in the Northern Continent? Yan Ying glanced at Mrs. Yan and asked Su Chen,

"I came to the Northern Continent with His Majesty the Emperor's mission. It is impossible for me to return to the Southern Continent until I complete His Majesty's mission. You should go to the Southern Continent and find a way to enter the Black Bird Palace on your own."

"I will wait for you. I will wait for you to complete the mission of Your Majesty the Emperor in the Northern Continent, and then I will return to the Northern Continent with you."

"I'll do it! I may not be able to return to the Southern Continent this year, so you better not waste your time on me. Yan

Ying smiled and said to Su Chen, "Okay, as long as you introduce me to an official from the Xuantian Empire, I won't need you anymore.""

"Let me introduce you!"

Su Chen is really speechless towards Yan Ying.

This woman wants to stay by his side now.

Su Chen also has nothing to do with Yan Ying, a powerful woman. Although he can kill this woman, the gain is not worth the loss. Su Chen It was impossible for him to turn against Yan Ying, a powerful woman, before Yan Ying took action against him.

The Han Empire, Liangzhou, and

Wushuang City are now in great crisis.

The disciples of the Tianxiahui have surrounded Wushuang City. This time, all the Tianxiahui We were dispatched to destroy Wushuang City.

In Wushuang City, a great master came to the city lord of Wushuang City and saluted,"City lord, Xiongba has also arrived in person, what should we do now?"

"Have you contacted Juggernaut?"

Dugu, the Lord of Wushuang City, asked expressionlessly.

The Grand Master shook his head and replied in frustration,"No, the Sword Master's whereabouts are erratic, and we can't find him at all."

Dugu Yifang continued to ask,

"What about the Xuanming Sect? Aren't they going to unite with us? Has their master arrived?"

"City Lord, the masters of the Xuanming Sect have not arrived yet. I suspect that when the Xuanming Sect sees the world, they will all mobilize this time. I am afraid it is impossible for the Xuanming Sect to arrive."

"Damn, those guys who hide their heads and show their tails are just not reliable."

"What do we do now?"

"Order everyone in our Wushuang City to prepare for war with all our strength, and all the masters are dispatched. I don't believe that the world will really be stronger than our Wushuang City."

"Yes, City Lord!"

Dugu Yifang looked at Mingyue next to him and asked expressionlessly, "Mingyue, didn't you say that Miss Yan from Jingzhou would help us? Where are those masters of Miss Yan?"

"City Lord, Miss Yan's men haven't arrived yet." Ming Yue saluted Dugu Fang with a serious face.

Mingyue is also very anxious now. Although she has reached an agreement with Miss Yan from Jingzhou, Miss Yan's men have not arrived at this time. She is also afraid that Miss Yan will go back on her word..

Dugu Fang waved his hand and sneered, "Hi! You were also deceived. That Miss Yan may not send experts here."

"No, City Lord, I believe Miss Yan's men will arrive."

"Then we will wait and see!"

Outside Wushuang City, thousands of Xiongba's men have gathered here.

Today they are going to destroy Wushuang City in one fell swoop. Nie Feng, Bu Jingyun, Qin Shuang, and Kong Ci, Xiongba's disciples, are all here. Even Xiongba's disciples are here. The masters recruited in the year also arrived one by one.

Wen Chou Chou quickly came to Xiong Ba and bowed and said, "Gang leader, the lady has also arrived."

"What? Youruo is here too? Didn't I send someone to keep an eye on her?" Xiong Ba was very surprised when he heard Wen Chou Chou's words.

Xiong Ba didn't expect that his daughter You Ruo would also arrive.

This worried him very much.

In order to protect You Ruo these years, he has never let her appear in front of everyone, even He imprisoned his daughter in disguise.

But after Youruo was exposed in the beauty rankings, Xiongba no longer guarded Youruo so strictly.

He didn't want anything to happen to Youruo in this war with Wushuang City, so he was launching an attack on Wushuang City. During the attack, Xiongba once again asked his men to watch over Youruo, but he didn't expect that Youruo would still arrive.

"Gang leader, Miss is very powerful. Those subordinates are no match for Miss. They are simply unable to intercept Miss."

"Forget it, find Youruo quickly"

"Yes, Gang Leader!"

Chapter 1196

In a forest near Wushuang City, six beautiful women surrounded each other who wanted to escape. These women looked at each other and were very surprised. These women did not expect that each other was a beautiful woman.

The beautiful woman who was surrounded said carefully with a look of helplessness, "Sisters, I just didn't mean to disturb you. Can I leave now?"

This beautiful woman is Xiong Ba's daughter You Ruo, and she came secretly this time. Cheng here just wanted to help his father, and

Youruo didn't expect that there would be six powerful women in this woods, and they were also very powerful and beautiful women.

She was just curious to find out why these beautiful women came to Wushuang City. Who knew that she was discovered just as she approached these beautiful women?

"May I have your name?" A cold and beautiful woman among the six beautiful women asked Youruo.

Youruo looked at this cold-looking woman and replied hurriedly,

"My name is Youruo!"

"You Ruo?"

"Your name is You Ruo?"

"Haha, it's interesting that I met a woman with the same name as the Shadow Assassin Commander You Ruo here!"

"The world is so big, it's not uncommon to have people with the same name"

"This woman is not simple. She is a master at the peak of her age at a young age. It seems that her background is extraordinary."

"Um! Yes, this Youruo appeared near Wushuang City. It seems that Tianxia will attack Wushuang City this time, and this woman should have something to do with Tianxia."

In the woods, these six beautiful women started talking one after another when they heard You Ruo's name. They did not expect that this beautiful woman had the same name as Su Chen's shadow assassin leader You Ruo. These six beautiful women were Su Chen's team of shadow assassins, no, they are now Su Yan's men.

Le Bingyun and the others are now under Su Yan's control. They came to Wushuang City this time to help Mingyue. They will not help Wushuang City to deal with Tianxiahui.

Su Yan's order is just to protect Mingyue, they don't care about the life or death of others at all.

"Are you from Tianxiahui? Liu Shengpiaoxu asked expressionlessly when he came to Youruo.

Youruo looked at these beautiful women and lied,

"I.....I'm not!"

You Ruo didn't expect that these beautiful women didn't know her, and she didn't know who these beautiful and powerful women were.

You Ruo didn't dare to say that she was Xiong Ba's daughter, and she also suspected that these beautiful women might not be from the Northern Continent. People,

Youruo is a famous beauty on the beauty ranking list of the Northern Continent. These beautiful women don't even know who she is.

This makes Youruo not know whether these beautiful women are enemies or friends.

Bai Qing'er shouted to Youruo indifferently ,

"You lied, you are not a member of the Tianxiahui, why did you appear near Wushuang City? Don't say that you are from Wushuang City. If you were from Wushuang City, you would not dare to appear outside Wushuang City."

"I....."

"Tell me quickly or we'll kill you!"

"I.....I am a member of the Tianxiahui, and I am the daughter of Xiongba of the Tianxiahui."Youruo has no choice. Each of these beautiful women is colder than the last. They may even be murderous women. She doesn't want to be killed by these women just after coming out of Tianxiahui.

"Take her with you and let's go find Mingyue together."Le Bingyun looked at Youruo and said to the others.

Liu Shengpiaoxu and Bai Qing'er looked at Youruo when they heard Le Bingyun's words. Youruo was also very beautiful, with a tall figure and absolutely stunning appearance. Beauty is easy, even the curved figure is very attractive.

Liu Shengpiaoxu and the others also understood what Le Bingyun was thinking.

Le Bingyun was planning to take You Ruo back to Jingzhou.

Princess Su Yan But I am collecting beauties everywhere, and beautiful Youruo definitely meets Su Yan's conditions.

"Can!"

Bai Qing'er nodded to Le Bingyun and agreed, and the other girls also nodded.

Although this would add some competitors to them, they were helpless about these things. Su Yan had already found many beautiful women. Even if they are women, they don't care about another beautiful woman.

When Youruo heard the words of these women, she was so frightened that she kept retreating and said, "What are you going to do? Where are you taking me?"

Yingge instantly appeared next to Youruo and said with a smile,

"You will know in the future not to resist us. You should know that it is useless even if you resist."

Youruo watched helplessly as these beautiful women took her away.

She knew that these women were all Grand Masters, and even the most powerful beings among the Grand Masters. She was only at the level of a Grandmaster, and she simply could not There was no way to resist.

In Wushuang City,

Mingyue watched as the people from the Tianxiahui began to attack. Many of the guards of Wushuang City were killed. Wushuang City was now in great chaos.

"If we conquer Wushuang City, we will be the most powerful gang in the Northern Continent."

"Kill, kill the personality of Wushuang City without mercy!"

"Attack them all and capture Wushuang City!"

"Kill, kill, the chickens and dogs that Wushuang City wants to kill will not be spared."

Some masters from the Tianxiahui shouted orders to the ordinary disciples who invaded Wushuang City,

"Mingyue, why don't you take action? Hurry up and stop those masters from the Tianxiahui." An old woman with Qinggong came to Mingyue and shouted hurriedly.

Mingyue looked at the old woman and said, "Grandma, I'm here waiting for Miss Yan's men to arrive. The masters of the Tianxiahui should let the people from Wushuang City deal with it first."

Ming Yue doesn't want to pay for her life for Wushuang City anymore. The young city lord of Wushuang City is dead, and she is free from now on.

Mingyue doesn't want to be buried with Wushuang City.

"Damn it, the masters of Wushuang City are suffering heavy casualties now. Go and help quickly. We are the guardians of Wushuang City. Don't forget your duty."

"Then you can go and help, I have something else to do, and I will not follow your orders again."

Boom!

Touch!"

"Damn it, how dare you resist!"

When the old woman heard Mingyue's words, she slapped Mingyue hard, but she didn't expect that Mingyue would also attack her.

Mingyue drove the old woman away with a palm and threatened, "Grandma, you'd better not force me to kill you. , you are no match for me now!"

"you.....You want to rebel!"The ugly old woman looked at Mingyue and asked with hatred,

"Mingyue, do you want us to help you kill this ugly old woman?"

At this moment, seven figures quickly came towards Mingyue, and a cold voice came over and asked,

"Le Bingyun, you are all here!"Mingyue said with a smile when she saw the arriving girls.

Le Bingyun came to Mingyue and said with a smile, "Mingyue, you promised our lady, we will not see anything happen to you." boom!

"roll! Otherwise I will kill you!"Liu Shengpiaoxu threatened the old woman next to her with a palm strike,

"you.....who are you?" boom!

"Long-winded!"

Chapter 1197

Yagyu Yuki saw that this old woman dared to chatter here, so she slapped the ugly old woman with a fierce palm. She didn't want this ugly old woman to affect their conversation with Mingyue.

Poof!

Cough cough cough.....

After the old woman was knocked out by Yagyu Yukihome with a palm, she fell to the ground and vomited blood and looked at these women in horror. She did not expect that each of these women were so powerful. Who were these women?

"roll! If you don't go away, I'll kill you!" Seeing that the old woman was still confused, Yukihome Yagyu threatened again.

After hearing Yukihome Yagyu's threat, the old woman hurriedly left here. She didn't want to die here. She wanted to quickly get rid of these powerful people who suddenly appeared. The women told the city lord that Dugu Yifang

"Who is this woman?"

After Mingyue saw the old woman leaving, she discovered that there was a strange woman among Le Bingyun's girls. She looked at Youruo and asked Le Bingyun and the others.

Le Bingyun smiled and said to Mingyue,

"Xiongba's daughter, Youruo!"

"What? Is she Xiong Ba's daughter You Ruo?"

Ming Yue looked at Youruo in surprise.

She didn't expect that Xiongba's daughter would appear here. Youruo was carefully protected by Xiongba. Why did Xiongba bring his daughter Youruo with him when he attacked Wushuang City this time?

Bai Qing'er patted the surprised Mingyue and explained, "Well, we met on the road, but now she is being held hostage by us, haha!"

"Bai Qing'er, how are you going to deal with this You Ruo?"

Ming Yue looked at Youruo and felt that she was very unlucky.

It was probably the first time Youruo came out of the Tianxiahui, but she was kidnapped by Le Bingyun and the others just after she came out. Youruo's luck is really very bad..

Bai Qing'er looked at the uneasy Youruo and said with a smile, "Take her back to Jingzhou with us. I believe our lady will fall in love with this Youruo."

Ming Yue rolled her eyes at Bai Qing'er when she heard what she said.

She also understood now that since You Ruo is so beautiful,

Bai Qing'er and the others must have wanted to bring You Ruo to Miss Yan. Ming Yue couldn't figure it out. Why is that little girl looking for so many beauties? Is it Miss Yan's special love?

The battle in Wushuang City is still going on.

It is just a small Wushuang City with less than 10,000 people in the city. Now Wushuang City is in great chaos, with corpses everywhere.

Tianxiahui's attack does not matter whether the people in Wushuang City are from Wushuang City or not. Thousands of Tianxiahui gang members have started massacres since they invaded this small town.

"Alone, come out and die!"

On the wall of Wushuang City,

Xiongba led some experts from Shuang, Feng, and Yun to stand on the wall of Wushuang City and shouted energetically.

Dugu Yifang led the experts from Wushuang City to appear on the other side of the city wall. When he looked at Xiongba, his face was expressionless. With a threatening expression, he said, "Xiong Ba, your disciple killed my son, and now he is coming to attack my Wushuang City. Aren't you afraid that the Sword Master will find out and destroy your Tianxiahui?"

"Dugu Fangfang, stop talking nonsense. Your son was not killed by my disciples. Your Wushuang City has been destroyed today, and you will die here too." Xiong Ba's heart trembled when he heard Dugu Fang's words.

He couldn't compare to the power of the Sword Master. He couldn't defeat the Sword Master without integrating the three points of Guiyuan.

And last time he sent Qin Shuang and the others to ambush Wushuang City. He did not order the death of Dugu Ming from Wushuang City.

Xiong Ba also knew that as long as the last descendant of Wushuang City did not die, the Sword Master would definitely not seek revenge on him after he retired.

It was just the last time he ambushed Wushuang City. People, Dugu Ming was killed silently, and his disciples didn't know who killed Dugu Ming. This also made Xiong Ba unable to guess who wanted to kill Dugu Ming.

"Kill, kill Xiongba for me!" When Dugu Yifang heard Xiong Ba's words, he knew that a life and death battle was inevitable. He waved his hand and let the masters of Wushuang City kill Tianxiahui.

"Yes, City Lord!"

Xiong Ba also ordered to his disciples, "Qin Shuang, with the masters of Tianxiahui, destroyed the masters of Wushuang City."

"Yes, master!"

On the wall of Wushuang City, dozens of masters started fighting in just an instant. For a while, the sound of swords and swords and the sound of fighting continued to be heard. At this moment, on an attic in Wushuang City, a noble woman in a red dress Appearing here, she is tall, with an oval-shaped face, a red rope wiping her forehead, high bun hair, a curvy figure and an exquisite face. At first glance, she is a peerless beauty. But this beautiful woman's cold face is exuding all over her body. There was a dangerous aura that made people afraid to approach easily. This noble and cold beauty looked around Wushuang City and said to herself, "No one from the Xuanming Sect showed up? This is really interesting. It seems that the Xuanming Sect has really completely declined." While this beautiful and noble woman was still checking Wushuang City, a woman with a curvy figure quickly came to this noble woman and saluted, "Empress, we discovered that several of the

little princess's men are here." The beautiful and noble woman said in surprise, "Oh? Are Yan'er's men here too? Could it be that the Tianxiahui's attack on Wushuang City was also Yan'er's work?" This beautiful and noble woman is Li Maozhen, the empress of Huanyinfang. She came to Wushuang City this time because she heard that people from the Xuanming Sect would appear here. Originally, she wanted to destroy the Xuanming Sect in one fell swoop, but she didn't expect the Xuanming Sect. No one showed up at all. When Empress Li Maozhen heard that Su Yan's men were also in Wushuang City, she thought that Dugu Ming, the young lord of Wushuang City, had been assassinated by Su Yan's men. The empress now doubted that the world would be harmed by the immortality of Wushuang City. No end, Su Yan must be doing it secretly

"Yang Yantian, take me to meet Yan'er's men."

"Yes, Empress!"

Empress Li Maozhen saw that Xiongba and Dugu Yifang had not yet fought. She planned to meet Su Yan's men. She also wanted to know if Su Yan had any plans for the battle between Tianxiahui and Wushuang City. At a corner of Wushuang City,

Le Bingyun and the others are all here watching the battle between the masters on the city wall. As the number of casualties among masters from Tianxiahui and Wushuang City increases, they are also preparing to return to Jingzhou.

"Le Bingyun, aren't you going to take the opportunity to destroy the Tianxiahui this time?" When Mingyue saw the masters of Wushuang City, she couldn't hold on anymore. Wushuang City was destined to be destroyed, so she asked Le Bingyun and the others.

Le Bingyun shook his head and replied,

"No, it is not the time for Tianxiahui to be destroyed yet. Today Wushuang City is destroyed. The sword master of Wushuang City will definitely avenge the people of Wushuang City."

"We don't have masters from the Heavenly Realm here right now. Sword Masters and us are unable to deal with them."

"It's better to let the sword master want to seek revenge from the tyrant of Tianxiahui first."

When Youruo heard Le Bingyun's words, she worried and asked hurriedly, "Do you think the Sword Master will find my father to avenge Wushuang City? Is the sword master very powerful?"

Liu Shengpiaoxu heard You Ruo's words and said, "The Sword Master must be in the realm of heaven and humanity. Are you saying that the Sword Master is powerful?"

"My father is also very powerful. The Sword Master is not necessarily my father's opponent."

"You Ruo, your father is just a land immortal in the early stage of the Celestial Realm. The Sword Master is a master who has been famous for decades. His strength is at least a master in the middle stage of the Celestial Realm, and even a powerful master in the late stage of the Celestial Realm. You Do you think your father is a rival to Juggernaut?"

Chapter 1198

Youruo was very worried about Xiongba when she heard Yagyu Shengpiaoxu's words.

The Sword Master was so powerful that his father might not be the opponent of the Sword Master, but there was no way she could help her father Xiongba. She was just a cultivator of a grandmaster. As a realm, the heaven-human realm is not something she can deal with.

"who?"

Just when the girls were looking at Youruo,

Le Bingyun suddenly looked in one direction and shouted. She just felt a powerful aura appearing next to her.

Empress Li Maozhen appeared in front of the girls with Yang Yantian. She After looking at Le Bingyun and the others, they nodded and said, "The strength is not bad. You are indeed a powerful shadow team for being able to detect my arrival."

Le Bingyun looked at the two beautiful women who appeared. One of them was very powerful. She quietly gave Yagyu Yukihome a careful look and asked warily,

"Who are you?"

"who I am? hehe! Just look at this and you will know."Empress Li Maozhen smiled and threw a jade pendant to Le Bingyun and said,

"Leader of the Shadow Team, Le Bingyun has met the imperial concubine."Le Bingyun guessed who this woman was when she saw the blue bird jade pendant. She hurriedly saluted the empress Li Maozhen. After

Bai Qing'er and the others found out that it was the blue bird jade pendant, they also saluted the empress Li Maozhen,"Shadow Team Yagyu Yukiji (Liu Sheng Piauxu, Bai Qing'er, Yingge, Li Wu) I've seen the imperial concubine!"

"Get up, everyone!"

Empress Li Maozhen blushed slightly when she heard Le Bingyun and the others calling her Princess.

She was not married to that bastard Su Chen yet, but she did not refuse the names these women called her. She already felt attached to Su Chen. , it is only a matter of time before such a title is given.

"Thank you, Princess."

Mingyue and Youruo are very confused now, imperial concubine?

This beautiful and noble woman is actually the imperial concubine?

But this beautiful and noble woman is the imperial concubine of that empire?

The Han Empire has ceased to exist in name only, this powerful woman is definitely not a Han Dynasty The princesses in the empire,

Mingyue and Youruo, are now looking at Empress Li Maozhen. They want to know which empire this beautiful woman is.

Empress Li Maozhen looked at Le Bingyun and the others and asked coldly, "What are you doing this time?" Did that girl Su Yan ask you to come to Wushuang City?"

"Returning to the imperial concubine, Her Royal Highness the eldest princess asked us to come." Le Bingyun hurriedly replied to Empress Li Maozhen,

"Was Su Yan also instigating this battle between Wushuang City and Tianxiahui? What on earth is Su Yan going to do?"

"Princess, this time the battle between Wushuang City and Tianxiahui is going smoothly. The eldest princess does not want to participate in this war. We are just ordered to take Mingyue from Wushuang City back to Jingzhou to see the eldest princess."

Empress Li Maozhen was relieved when she heard that Su Yan had no intention of participating in this matter. She was worried that Su Yan would participate in this war without knowing the importance of it. Li Maozhen knew that the battle between Tianxiahui and Wushuang City would attract many forces. Attention, Xuanming Sect, Zhujian Villa, Wushenjue Palace, the mysterious Tianmen, and the hidden bad people in the organization.

These sects and organizations all sent people to check out the battle in Wushuang City.

Empress Li Maozhen did not want Su Yan exposed to these sects and organizations

"Well, it's okay if you don't participate. The Sword Master of Wushuang City is a powerful master of the Heavenly Realm. Even I am afraid that I am no match for the Sword Master."

"Moreover, this battle between Wushuang City and Tianxiahui has attracted the attention of many forces. If you have nothing to do, you should leave here as soon as possible."

Le Bingyun and the others saluted Li Maozhen and replied,

"Yes, Princess!"

"Who are they?"

Li Maozhen looked at Mingyue and Youruo and asked with a frown.

Bai Qing'er hurriedly pointed at Mingyue and Youruo and said to the empress Li Maozhen, "Princess, this is Mingyue, the person the eldest princess asked us to take away. She is the daughter of Xiong Ba. We caught her halfway on the land."

Bai Qing'er and the others are very confused about the Empress Li Maozhen now.

This woman is comparable to the Queen Yan Fei. They are both very noble, with cold peerless looks, strong strength, and expressions that do not allow strangers to approach them. She was also very careful.

Empress Li Maozhen was very speechless when she heard Bai Qing'er's words.

She had received letters from Xuan Jingtian and the others.

Su Yan was looking for beautiful women everywhere. She didn't need to guess to know that Su Yan was doing this. Her father is looking for a woman.

Li Maozhen now wants to see that little girl teach her a lesson. That bastard Su Chen already has a lot of women, but that girl is still collecting beauties for Su Chen.

This belongs to that bastard Xian. Is Xuannio Palace too empty? Mingyue was completely shocked when she heard the conversation between Le Bingyun and the others with this beautiful and noble woman. Miss Yan's name is Su Yan? Or is she the eldest princess of the empire? Su Yan, whose surname is Su? This is The surname of the royal family of Xuantian Empire, Su Yan is actually the eldest princess of Xuantian Empire. This identity is very scary. Xuantian Empire is different from other empires, whether it is the power of the empire or the powerful masters in the empire, these are not comparable to other empires. As a princess from the same empire, Princess Su Yan cannot be compared to princesses from other empires. Mingyue knows that there are probably double digits of masters in the Heavenly Realm in the Xuantian Empire. , double-digit masters of the Heavenly Realm, which makes Mingyue feel scared just thinking about it. Although Youruo doesn't know what these women are talking about, she is very scared when she looks at this powerful and cold woman. As for this beautiful and noble woman She doesn't care at all what kind of imperial concubine the woman is. The imperial concubine of an empire is nothing special to her. Youruo just doesn't know how powerful the Xuantian Empire is. If she understands the Xuantian Empire, I'm afraid she will be even more He was afraid of the empress Li Maozhen. Xiapi County! In the Xiapi County Governor's Mansion, Su Chen felt helpless when he saw Yan Ying who had been following

him. In the room, Su Chen was lying on the bed and watched Yan Ying sitting next to him, drinking tea. Zou frowned and said, "Yan Ying, I need to take a rest, can you go out first?"

"

"You can rest! I won't disturb you." Yan Ying stretched her perfect figure and said with a smile.

Su Chen looked at Yan Ying's perfect figure and quickly turned his head and said, "What the hell, how can I rest while you are here?"

This woman is really the most beautiful woman in the world. She has a good figure.

If she took off the veil, this woman's face would be very beautiful. It's just that such a beautiful woman is alone. It's a pity for Jin Kefu's woman.

Yan Ying came to Su Chen and sat on the bedside and teased, "What? Do you want me to rest with you? Isn't this impossible? However, if you agree to my conditions, I will accompany you once"

"Go away, I still think you are disgusting!"

"you wanna die!"

Chapter 1199

Su Chen was so frightened that she sat up from the bed after hearing what Yan Ying said.

This woman was so crazy and shameless.

Su Chen was really frightened by Yan Ying.

This disgusting woman really He was so disgusted.

Although Yan Ying was not with Xiong Ba, Po Jun, or even Jue Wu Shen yet, who could say for sure in the future? This power-hungry woman doesn't know how many powerful and powerful men she will be with in the future.

Although such a woman is very beautiful,

Su Chen does not dare to mess with her. Even being with such a woman makes Su Chen feel uncomfortable.

Just when Su Chen was about to leave the room,

Yan Ying suddenly tapped Su Chen's acupuncture points.

She had been offended by Su Chen just now.

What was so disgusting?

Why is she such a shameless woman?

She just wanted to tease this bastard, but this bastard was so frightened that he felt sick?

This made Yan Ying look at Su Chen and become angry and want to kill this bastard immediately.

"Let me go, Yan Ying, please let me go."

Su Chen didn't expect that Yan Ying would suddenly take action, which made Su Chen feel that he was too careless.

Su Chen always felt that Yan Ying wanted to take advantage of him and would not take action against him. Su Chen also did not pay more attention to Yan Ying.

This time Su Chen was very confused when Yan Ying tapped her acupuncture points.

Yan Ying looked at Su Chen with burning eyes and asked coldly, "Have I disgusted you? Yes or no?"

"Forehead! I'm talking nonsense, don't mind." Su Chen is now under the eaves and has to lower his head. He doesn't want Yan Ying to kill him in anger.

Su Chen also wants the shadow assassin to appear to save him, but Yan Ying is a land immortal in the heavenly realm. Youru and the other shadow assassins were no match for Yan Ying, and Su Chen didn't want his shadow assassins to be killed by Yan Ying.

Yan Ying was very disdainful when she heard Su Chen's words, and she pushed Su Chen down on the bed. He said sarcastically, "You are so shameless, do you think I will believe you?"

"Holy shit! what are you up to? Su Chen asked with an ugly face as Yan Ying pinned her down on the bed.

Yan Ying smiled and locked the door of the room. Then she lay down next to Su Chen and said, "Didn't you say you were disgusted by me?" Today I just want to disgust you, you bastard. Su

Chen was completely confused when he looked at Yan Ying who was approaching. When Yan Ying started to untie his clothes, he shouted, "What the hell are you doing?" I'll tell you, please don't mess around, or I'll call someone. Yan

Ying looked at Su Chen's nervous look and said with a smile, "Scream, if you don't want me to kill more people, you can just scream.""

"Yan Ying, calm down. Don't you want me to take you to see the emperor of the Xuantian Empire? I agreed, please stop immediately." Su Chen is really afraid that this woman will do something outrageous. He is like a fish on the chopping board, ready to be slaughtered.

Yan Ying lay on Su Chen and exhaled the fragrance and said,

"I changed my mind. Didn't you say that the emperor of the Xuantian Empire had many powerful women? I don't plan to go to the emperor of the Xuantian Empire now. Your status in the Xuantian Empire should not be low, and I can be your woman in the future."

Su Chen's face turned green when he heard Yan Ying's words, "You are overthinking. I am just an insignificant person in the Xuantian Empire. I cannot realize your ideal of being one person below and being above ten thousand people. You let me go"

"Are you still going to lie to me? Your temperament, your conversation and behavior are not what an ordinary noble has at all. You are either a high-ranking official or a top noble in the Xuantian Empire. Am I right? asshole!"

"Ahem, you really misunderstood, I am really not who you said"

"Don't you think I'm beautiful? Or do you think my body is not perfect enough?" Yan Ying took off her veil and looked at Su Chen with a smile on her face and asked,

What the hell, this woman is a fairy.

Su Chen stared at Yan Ying's exquisite and flawless face and dark eyes with wide eyes. , curved willow eyebrows, small and delicate nose, peony-like bright red lips, revealing a rosy face.

This woman is so beautiful,

Yan Ying is a real vixen.

No wonder in the plot, Yan Ying is called As the most beautiful woman, Yan Ying is really very beautiful.

"How about it? Am I pretty?"

"What does it matter to me if you are beautiful?"

"Talk back? Haha, the look in your eyes is different from what you said! Today I will be your wife"

"what do you want to do....."

In the room, chaotic shouts came out for a while.

At this moment,

Lu Lingqi came outside Su Chen's room. After sending her mother, Mrs. Yan, back to the room, she wanted to know everything about Su Chen.

The messenger of the Xuantian Empire?

Lu Lingqi is very curious about Su Chen's identity

"Huh? Why was the room locked, damn bastard, that bastard didn't know she was coming and deliberately hid from him, right?" Lu Lingqi pushed the door and found it was not open, so she yelled angrily.

Lu Lingqi was so angry that she wanted to kick open the door of the room, but some noises suddenly came from the room, which made Lu Lingqi's face turn red quickly. She I looked around and left here in a hurry

"Shameless, shameless pervert, damn bastard!" After Lu Lingqi left Su Chen's room not far away, she looked at Su Chen's room and cursed.

Lu Lingqi didn't expect that Su Chen would be with that shameless woman. This was something she didn't expect. As expected, the man It's all the same. They can't walk when they see beautiful beauties.

Liangzhou,

Wushuang City!

After the empress and Le Bingyun learned about Su Yan's situation, she prepared to ask Le Bingyun and the others to leave here immediately. Wushuang City However, being stared at by many forces, Li Maozhen did not want Le Bingyun and the others to be targeted by other forces.

At this moment,

Xiong Ba looked at Dugu Yifang and asked mockingly,

"Dugu Yifang, no, you are just a fake, where is the real Dugu Yifang? Let him come out quickly. Could it be that Wushuang City is about to be destroyed and Dugu Yifang doesn't dare to show up?"

Xiong Ba can see that this Dugu Yifang is not real.

He has fought against Dugu Yifang.

Dugu Yifang's strength should be similar to him, but this Dugu Yifang is not a land god in the heavenly realm. Xiongba guessed that this person should be He is Dugu Yifang's substitute.

Dugu Yang's face changed when he heard Xiong Ba's words.

He is also very helpless now. The real Dugu Yang disappeared more than ten years ago. How could he know that the real Dugu Yang was there? Where, the fake Dugu Fang looked at Xiong Ba and said with admiration,

"Xiongba, you are indeed a hegemon-level figure, but you won't be able to see Dugu Yifang today. Hahaha, if you want to see Dugu Yang, go find the Sword Master Dugu Jian. I believe the Sword Master Dugu Jian will tell you that Dugu Fang is here. where"

"Then you are useless, you should be destroyed along with Wushuang City"

"Xiongba, you can't kill him yet!"

Chapter 1200

In Wushuang City, just when Xiongba was about to kill the fake Dugu Yifang, a man in black suddenly appeared on the city wall, and kept saying that Xiongba could not kill the fake Dugu Yifang.

"Who are you?"

Xiong Ba looked around at the uninvited guests. He sensed that there were many people around him. This time he came to Mie Wushuang City and also guessed that many forces would come.

Xiong Ba was proud of the surroundings. shouted, "Everyone who is hiding around, come out!"

The man in black ignored Xiongba.

He also looked around. This time Xiongba's destruction of Wushuang City has attracted the suspicion of other forces in the rivers and lakes. The powerful forces in the rivers and lakes may have sent people to check the war between Tianxiahui and Wushuang City.

Swish swish. Whoosh.....

Just after Xiongba shouted to the surroundings, six or seven powerful men and women appeared on the city wall. Each of them was either a master of the Grand Master or a long-famous master of the Heavenly Realm. They appeared on the wall of Wushuang City. Then they each looked at each other.

Xiongba looked at these powerful people and said,

"The sword demon of the Defeating Sword Villa the black and white impermanence of the Xuanming Sect, a Japanese man, a veiled woman, and you, the man in black, could you please reveal your names? ?"

"Defeated Sword Villa, Sword Demon!"

"Xuanming Sect, black and white are impermanent!"

"Japan is absolutely godless!"

"Tianmen, [Devil God Mother] Luo Xian!"

"Jian Zong, break the army!"

These people who arrived all spoke one after another.

They didn't care about Xiongba at all. Although Xiongba was stronger than some people here, now is the critical period for Xiongba to destroy Wushuang City. These people would definitely not want to think about Xiongba at this time. Make enemies with them

"Um? Don't the rest of you want to come out?" Xiong Ba looked around and continued to ask, but he felt that there were still some people who hadn't appeared.

"Unnamed disciple, Jian Chen!"

At this time, another man appeared on the city wall and said coldly,

"Huanyinfang, Yang Yantian!" A beautiful woman also appeared on the city wall and introduced herself.

The appearance of Yang Yantian was the intention of the empress Li Maozhen. This time many forces showed up one by one. It was impossible for the empress to prevent the people from Huanyinfang from appearing.

Xiongba looked at People from various factions who appeared asked in surprise,

"I am very surprised by the arrival of your forces, but do you plan to intervene in the battle between Tianxiahui and Wushuang City?"

Xiongba also didn't expect that all these powerful forces would appear in Wushuang City.

Here are the Baijian Villa, Xuanming Sect, and the Japanese Juewu God. These forces or people are not very good.

The rest are some powerful ones. Forces and powerful people, Tianmen, Sword Sect, Huanyinfang, Wuming disciples, these are all very powerful forces and people.

Xiongba must also be extremely careful when dealing with these forces and people.

The fake Dugu Yifang is also confused. To these powerful people who appeared, his strength was at the peak of the Grand Master. Although there were several people here who were not his opponents, the forces behind them were very powerful.

Dugu Yifang did not know that these powerful people came to see them. Is it exciting? Or do you want to participate in the war between Wushuang City and Tianxiahui?

Jian Chen looked at the people around him and said to Xiong Ba,

"We just came to take a look at this war, but it was a huge disappointment. The city lord of Wushuang City turned out to be a fake. This made me regret that I couldn't see the battle between the Xiong Gang Leader and Dugu Yifang. Po

Jun looked at Jian Chen and mocked disdainfully, "Jian Chen, you are a master in the early stage of a grand master, so you shouldn't be embarrassed here. Where is Wuming?" Where is he hiding?"

Jian Chen said with a gloomy face when he heard Po Jun mocking him,

"Po Jun, if you want to find my master Wuming, you can find him anywhere. I don't know where he is. However, given your strength, you'd better not humiliate yourself. You can't be my master's opponent."

"Junior, do you know what my relationship is with Wuming?"

"Fellow!"

"Then you still dare to be disrespectful to me?"

"My master doesn't have a brother like you, so you shouldn't rely on your old age here."

"Are you looking for death?"

Po Jun looked at Jian Chen and wanted to kill Wu Ming's disciple.

He was very unwilling to lose to Wu Ming. More than ten years have passed.

Po Jun is now very powerful. When he wants to find Wu Ming again, During the fight, Wuming actually retired from the world.

He has not found Wuming all these years, but now he meets Wuming's disciple here, which gives Pojun hope of finding Wuming.

The sword demon of Baijian Villa faces Pojun. He waved and said, "Wait a minute, Po Jun, we are here just to watch the war between Tianxiahui and Wushuang City. If you have any grudges, you can settle the accounts later."

"Um! Sword Demon, you have nothing to do here, so you'd better mind your own business." Po Jun was very disdainful when he heard Jian Mo's words.

He was a super licker like Jian Mo and didn't like him. Jian Mo fell in love with Mrs. Ao of Baijian Villa at first sight. He not only killed Mrs. Ao's husband of Baijian Villa, but also occupied her. Defeat Sword Villa.

It's just that after all these years, Sword Demon still hasn't got Mrs. Ao. This super licking dog is really licking the dog to the extreme.

However,

Po Jun has no intention of taking action against Jian Chen. He wants to use Jian Chen to lure out Wuming, Po Jun didn't want to kill Jian Chen yet.

Po Jun glared at Jian Chen and said to Xiong Ba, "Xiong Ba, we will not participate in the war between Tianxiahui and Wushuang City. I just want to ask where this fake Dugu Fang Sword Master is. where."

The sword demon looked ugly when he heard Po Jun's words, but he didn't say anything else. Po Jun was on par with him in strength, and the sword demon was unwilling to offend such an enemy.

"You can ask."

Xiong Ba nodded when he heard Po Jun's words.

The fake Dugu Yifang looked at Po Jun and said to the people here, "You don't need to ask. I don't know where the Sword Master is. I also sent many people to look for the sword. Holy, but no news from them all."

After Po Jun heard this, he walked aside and said, "I understand, you continue, I will not interrupt the battle between you."

"You can't escape the black and white of the Xuanming Sect this time."

Yang Yantian has been looking at the black and white impermanence of the Xuanming Sect since he arrived.

Huanyinfang has never given up chasing the remaining Xuanming Sect. This time he encountered the black and white impermanence of the Xuanming Sect in Wushuang City.

Yang Yantian But he would not let them leave, and the empress was right next to him.

Black and White Wuchang couldn't escape this time no matter what.

Hearing Yang Yantian's words, Black and White Wuchang's face was very ugly.

If Po Meng hadn't asked them to come and see this time The final result of Wushuang City is that they will not appear here.

Now Yang Yantian from Huanyinfang appears here.

Although they are not afraid of Yang Yantian, there are nine Jiutian Saint Ji from Huanyinfang. It is impossible for Ji to only have Yang Yantian.

Their strength will be very difficult to deal with a Jiutian Saint Ji. If another Jiutian Saint Ji comes, they will not be able to escape no matter what.

Juewu Shen looked at the Xuanming Sect Black and White Wuchang thought for a while and said, "Little girl, don't you Central Plains people say you should be merciful and forgiving? Why bother to fight and kill each other when we meet?"

"Japanese, this is not your business. If you don't want to die, it's best not to get involved."
