### Chapter 121

At this time, tens of thousands of Jianghu people by the lake are going crazy. These Jianghu people saw one after another of the most beautiful women entering the place protected by the army, and now they are eager to go in too.

"Oh my god, how many peerless beauties have entered this room?"

"I don't know. I was thinking about how to get in. There are too many stunning beauties inside."

"Yes, I just did the math. Among the peerless beauties of the older generation are Zhu Yuyan, Queen of the Yin Kui Sect, Fan Qinghui, the host of Cihang Jingzhai, Yao Yue and Lian Xing of the Ming Dynasty Yihua Palace, and those of the new generation include Hanwan and Bai Qing'er from the Yinkui sect, Shi Feixuan from Cihang Jingzhai, and the beautiful woman next to the general, the beauty with the golden crow pattern on her clothes. Moreover, the four charms of the Yinkui sect also have some pretty beauties."

"I have seen the woman next to that general in Taiyuan. It seems that she is the fiancée Changsun Wuchu of Li Shimin, the second son of the Li clan in the Sui Dynasty. But why is she so close to that general now?"

"The woman with the golden crow pattern on her clothes is Concubine Yan, the master of the Yin Yang family in the Qin Dynasty. She appeared in the Song Dynasty."

"My mother, these women are not only beautiful, but also powerful, and even the forces behind them are a bit scary. If you just marry any beautiful girl there, you will at least not have to wander and struggle for the rest of your life."

"That's right. Now I'm wondering if other beauties will also come in. Do you want to bet?"

"I bet a hundred taels that a beautiful woman will come in soon."

"I bet five hundred taels. I also think that some beauties will come in soon. There are many peerless beauties here. Maybe they will come in soon."

"I'll also bet a hundred taels on whether I can get in soon."

"I bet too....." .....

The rich man who started the gambling game is about to cry. He already has more than 100,000 taels of silver to bet on whether a beautiful woman will come in. If another beautiful woman comes in, I'm afraid his family will go bankrupt.

At this time, when Su Chen saw Shi Feixuan and Fan Qinghui coming, he hurriedly helped Shi Feixuan to sit down, while Fan Qinghui and Su Chen ignored her.

Su Chen helped Master Feixuan sit down and asked with concern, "Feixuan, are your injuries okay?"

"It's okay, it's stable now."

Shi Feixuan's anger disappeared a little when she saw Su Chen caring about her, but she was still a little angry at Su Chen for helping Huan Huan.

Su Chen looked at Hua Wuque and said to him, "Xiaobai, I'll move you to the Flower Palace. Take out some healing medicine."

Hua Wuque asked with some doubts,

"Brother Su, didn't you deceive a lot from my aunt? Why do you still ask me for it?"

Hua Wuque knew that Su Chen was seasick on the boat, so he shamelessly asked Yaoyue and Lianxing for a lot of medicine. Although Su Chen was taught a lesson several times, Su Chen still wanted to get a lot of healing medicine.

"The medicine was in the carriage. I was too lazy to get it, so I took it out quickly." Su Chen urged Hua Wuque looking at the somewhat silly look.

Hua Wuque looked at Su Chen's shameless look and sighed and gave Su Chen a bottle of healing medicine.

Lu Xiaofeng looked at Su Chen's shameless look and admired her.

"Shameless, too shameless, no, I will be more shameless in the future, otherwise I won't be able to fight this bastard Su Chen."

Sikong Zhaixing is a little confused now. Is the carriage far away? It's only a few steps away. This Lord Wu Xiang is thicker-skinned than Lu Xiaofeng, and he's even so shameless that you can't refute him.

Su Chen took the medicine After greeting the master concubine, he saw everyone from the Yin Kui faction preparing to beat up Fan Qinghui. Although Su Chen couldn't stand Fan Qinghui, fighting was not allowed here.

"You Yinkui sect and Cihang Jingzhai are not allowed to start a fight here. If you want to start a fight, you can go out and fight as you like."

Yin Queen Zhu Yuyan looked at Su Chen and said unhappily,

"Why should I listen to you?"

Su Chen looked at the cold and charming Yin Queen Zhu Yuyan and waved his hand. As soon as

Su Chen waved his hand, he saw hundreds of secret guards around him holding Qi-breaking crossbows, all pointing at the people of the Yin Kui sect. Dong-dong

-dong-dong as they approached Su In the morning, the five thousand heavy armored infantrymen also gathered around with a shield in one hand and a sword in the other.

""Everyone, stand down."

When Hanhan saw that the secret guards and troops were about to attack her master and the Yinkui faction, she hurriedly ordered. Seeing that these troops and secret guards did not move, Hanhan looked at the deputy commander of the secret guards and shouted loudly. ,

"I told you to stand down, Su Zhong, do you want to die? Tell the secret guards and troops to retreat."

Su Zhong feels that it is too difficult for him now. Now he hopes that Su Ming will come back as soon as possible. If he doesn't listen to Huan Huan's order now, I'm afraid he won't have any good fruits in the future. But there is no order from the king, and they can't retreat. Down.

Zhu Yuyan saw that Hanhan was about to kill the guards angrily, and she hurriedly held her back. Zhu Yuyan also saw that the guards were in trouble, which made Zhu Yuyan a little incredible. Zhu Yuyan didn't expect that Hanhan could do it too. Order these guards. If there is no order from Lord Wu Xiang this time, I am afraid that Huanwen really commanded these guards and troops. Zhu Yuyan had some ideas after looking at the troops and guards here.

"You win, I won't take action here."

Seeing that Zhu Yuyan had softened, Su Chen waved his hand and asked the army and secret guards to retreat.

"That's right. It's not good to fight and kill a lot. It's better to sit down and have a drink and chat."

The people here were a little speechless when they looked at Su Chen. They didn't know who was going to shoot everyone in the Yinkui sect just now. In the blink of an eye, he turned into a good old man. They all knew how shameless Su Chen was.

Huanwan looked at it Seeing Su Chen, she walked up to Su Zhong with cold eyes and started punching and kicking him. Huan Huan also vented some of her anger towards Su Chen on the deputy commander of the secret guard.

"I told you not to listen to my orders. I told you to listen to the orders of Bastard Su Chen. Su Zhong, do you dare to disobey my orders next time?"

"I don't dare anymore, I don't dare anymore,"

Su Zhong replied hurriedly as his nose and face were bruised and swollen after being beaten by Huan Huan.

Huan Huan looked at her masterpiece and clapped her hands to spare Su Zhong.

"This is more or less the same."

Zhu Yuyan, Bai Qing'er and others from the Yinkui sect were a little dumbfounded when they saw Huanhan teaching the guard commander. They did not expect that Huanhan could now deal with the guards here at will, and he was also a guard commander.

Su Zhong Just after escaping from Huanwan's clutches, he suddenly saw Mrs. Yanfei arriving. He was so frightened that he immediately knelt down on one knee and saluted,

"See Madam Jun."

The secret guards and troops here also knelt down and saluted Concubine Yan,

"See Mrs. Jun"

""See Mrs. Jun."

Su Chen was a little confused when he saw Concubine Yan arriving. He didn't expect that Concubine Yan would come to Sui Dynasty, and the secret guards and troops here all called her "Mrs. Jun". If Concubine Yan was allowed to Angry, he wanted to run away again.

Huanwan and Shi Feixuan frowned when they looked at Concubine Yan. They also knew that this woman had helped them kill Murong Bo's men in the apricot forest.

It was only a short time. In less than a month, Concubine Yan turned out to be Su Chen's wife, and she was also the first wife's wife.

After Concubine Yan waved to the surrounding guards and troops to get them up, she walked up to Su Chen and cursed in shame. ,

"Su Chen, you bastard, you dare to escape from the house? Now you try to escape for me again?"

## Chapter 122

When Concubine Yan came to Su Chen, she discovered these beautiful women. This made Concubine Yan very angry. Although she had not married Su Chen yet, she was also looked down upon by this bastard Su Chen.

Moreover, Su Chen's elders Li Qingluo and Li Qiu Shui told him a lot about marrying Su Chen. Even Su Chen's wife, Jing Salamander, came to find her, and even the principal wife's blue bird token was given to Concubine Yan.

Concubine Yan resolutely refused at first, but she didn't expect that Donghuang Taiyi of the Yin Yang family would let herself marry Lord Wu Xiang after getting the news, which made Concubine Yan feel a little incredible.

She knew that since even the headmaster of Donghuang Taiyi had ordered her, Concubine Yan had accepted her fate.

Concubine Yan came to Yangzhou City in the Sui Dynasty without stopping after receiving the news told to her by Jing Shao. But when she saw the beautiful women around Su Chen, she wanted to chop this bastard with one palm.

Su Chen was very confused now. He didn't understand why his secret guards called Concubine Yan "Mrs. Jun"? Could it be that something happened at home after he escaped?

What did the two Aunt Li and Jing salamander at home do? Otherwise, the secret guard would not dare to call Mrs. Jun casually.

Su Chen guessed that Li Qiushui and the others might have persuaded Concubine Yan to marry him. As for the identity of their first wife, they must have decided privately.

Su Chen knew that Jing Salamander didn't care about the status of his first wife, and even asked Su Chen to find a first wife more than once. Su Chen also thought that Jing Salamander's taciturn character was indeed not suitable for being a legal wife. It seemed that everyone in the family had discussed this in private.

Lu Xiaofeng and the others watched as another peerless beauty appeared. Moreover, this peerless beauty was not only a top master, but also the wife of Wu Xiangjun Su Chen. This made Lu Xiaofeng and the others very surprised.

Zhu Yuyan and Fan Qinghui were also very shocked when they saw Mrs. Jun. This Mrs. Jun was at the same level of cultivation as them.

Zhu Yuyan and Fan Qinghui now looked at Su Chen and felt a little gloating about Mrs. Jun's misfortune. Mrs. Jun looked very powerful. The reaction of Su Chen's secret guards upon seeing Mrs. Jun's arrival made them even more sure of the power of Mrs. Jun.

Su Chen looked at Concubine Yan and wanted to test his guess to see if Concubine Yan really planned to marry him.

"Madam, how did you know I was here?"

When Concubine Yan saw that there were many people here looking at them, she frowned and sent a message to Su Chen,

"You still have the nerve to say that I have been looking for you since you escaped. If Jingyu hadn't told me to come to Yangzhou to protect you in the Sui Dynasty, I wouldn't have known that you had fled to the Sui Dynasty."

"Where is your secret guard commander Su Ming? That bastard didn't even tell me your news. I think he has an itchy skin."

Su Chen looked at Concubine Yan and smiled, pulling her down to sit next to him.

"Sit down first and I will explain this to you later."

Su Chen is now sure that Concubine Yan has agreed to marry him, although Su Chen doesn't know whether this is Concubine Yan's own decision or the result of Li Qiushui's persuasion.

Su Chen doesn't care, as long as Concubine Yan marries him, she will. From now on, she will not even listen to the orders of the Yin Yang family. Su Chen is very sure about this. Concubine Yan will definitely think of him wholeheartedly in the future.

Su Chen pulled Concubine Yan and said with a smile,

"Madam, I don't need to introduce you to Huanwan and Shi Feixuan. This is the eldest grandson, Wuchuan, who is also my wife. Wuchuan, this Concubine Yan, is my wife. You two will get closer from now on."

Changsun Wuchu was very worried when he saw Concubine Yan appear. This woman was too powerful. Changsun Wuchu was a little worried about what he would do if Concubine Yan made things difficult for him.

Changsun Wuchu was a little uneasy and bowed to Concubine Yan and said, "Wuchu, met Sister Yan Fei."

Concubine Yan looked at the weak eldest grandson Wu Chuan and hurriedly pulled her up and said with a smile,

"Sister Wuchu, you don't need to be polite. We don't have that many rules in our family."

"Thank you, sister."

At this time, two more women came. When Hua Wuque saw him, he immediately stood up and said, "Thank you, sister."

"aunt!" Hua Wuque, I have met my eldest aunt and my second aunt."

After Yao Yue and Lian Xing arrived, the woman who looked at this place nodded to them. She and Lian Xing could see clearly what happened here just now.

If it weren't for Lian Xing Telling her that Su Chen was Wu Xiangjun of the Song Dynasty, Yao Yue really couldn't guess Su Chen's identity.

But this Wu Xiang Jun of the Song Dynasty could also command the army in the Sui Dynasty. This was something that Yao Yue couldn't imagine. Understood.

Yao Yue and Lian Xing sat down directly. Yao Yue looked at Su Chen and ignored him. This time, Yao Yue must ask Su Chen to tell them where the Black Jade Intermittent Cream is. There are so many people talking here now. It is not good for Yao Yue to question Su Chen here.

Zhu Yuyan and Fan Qinghui are a little dizzy now. They did not expect that Yao Yue and Lian Xing from Yihua Palace in the Ming Dynasty also knew Su Chen. Yao Yue and Lian Xing were great masters. This made Zhu Yuyan Fan Qinghui and the others looked at Su Chen with curiosity.

Su Chen looked at Yao Yue and Lian Xing and said with a smile,

"Two palace masters, how are you doing in Sui Dynasty this time? Did you find the item you were looking for?"

"No, Suchen, you don't know where that item is, do you?"

Holy crap, is this Yao Yue a monster? How could she guess that she knows where the secret of longevity is? This woman is a bit scary. I'd better not provoke her in the future.

Su Chen shook his head hurriedly and said,

"How could I possibly know? I just arrived in Yangzhou today, and I haven't even entered Yangzhou City yet."

"Why do I not believe you? You must know that, right?"

"Yaoyue, you don't have to lie to me. I really don't know where the item you mentioned is."

Yao Yue looked at Su Chen and ignored him. Now Yao Yue is very suspicious that Su Chen knows where the secret of longevity is. She can slowly ask the truth from Su Chen in the future.

Su Chen saw that Yao Yue did not continue to ask. He breathed a sigh of relief. Su Chen looked around and felt a little confused.

He didn't expect that there were so many beauties gathered here, and they were all looking at him. Well, Lu Xiaofeng and the others were not looking at him. He couldn't I like men.

At this time, Su Chen saw that Su Ming was back. He wanted to see the secret book of longevity. He stood up and said to the people here,

"You all should get to know each other first, chat and drink tea. I have some things to deal with. Madam, you come with me. You, Huanwan and Shi Feixuan, will also come."

Su Chen said and took Concubine Yan and the others to the carriage, followed by Huan Huan and Shi Feixuan.

In the large carriage, Su Chen saw the secret guard commander Su Ming coming up and asked,

"Su Ming, did you get the stuff?"

Su Ming escaped from his arms and handed a box to Su Chen and said,

"Your Majesty, this is the item your Majesty wants. I also got another item, which is all inside."

"Well, you go down"

"Yes, Your Majesty."

Su Chen took the box and opened it. It was indeed a secret book of longevity secrets. Next to it was a book of Hidden Qi Secrets. This is a book that hides the realm of cultivation. This skill is not bad. You can do it in the future. Practice some practice.

Seeing Su Chen lowering his head and looking at the items in the box, Huanwan couldn't help but ask,

"Su Chen, what are you looking at?"

""Secret of Immortality"

## Chapter 123

When Su Chen heard that Huanwen was very curious, he handed her the secret book of the Secret of Immortality. He took the Secret of Hidden Qi and started to read it. If he practiced the Secret of Hidden Qi, he could continue to be evil in the future.

Huanwen and the others were very surprised when they heard Su Chen said that the box contained the Secret of Immortality. There were tens of thousands of people in Yangzhou City who had not found the Secret of Immortality. How could Su Chen find the Secret of Immortality right away?

Huanwen and the others quickly took the secret book of the Secret of Immortality and started reading it. They also wanted to know whether the secret book of the Secret of Immortality could make practitioners live forever.

Su Chen looked at the Hidden Qi Jue and thought that he had been traveling around with Changsun Wuchu these days. He had not yet learned the four major sword techniques of Qingyun Sect. Fortunately, he had not practiced it yet, otherwise the women here would find out that they knew how to do it. Martial arts.

Now I have the secret book of swordsmanship, but I don't have a powerful internal power technique yet. The best internal power technique at home is also the Xiao Wuxiang Divine Skill.

I don't know if I can practice this longevity secret. All I have left at home are some martial arts secrets. As long as I learn the inner strength skills, I can eat the red fruit, and then I can learn the Divine Sword and Thunder True Secret. Maybe he will become a great master in the future.

By the way, Lu Xiaofeng's Phoenix Dance Nine Heavens Qinggong also needs to be acquired. Su Chen touched his chin and thought that Yihua Palace's Mingyu Kung Fu was also very good. Do you want to ask Yao Yue to try Mingyu Kung Fu from Yihua Palace?

Huanwen looked at the Secret of Immortality and handed it to Concubine Yan, then looked at Su Chen strangely and asked,

"Su Chen, how did you get this longevity secret?"

Su Chen looked up at Huan Huan and said nonsense,

"I'm a divine fortune teller. I can figure out what I want to know just by calculating it."

"Do you really know where Mr. Yang's treasure is?"

"when.....Of course I don't know"

"Really?"

"Just remove the word"?" at the end."

Huanwan looked at Su Chen and rolled her eyes. She did not continue to ask. This time Su Chen would follow him every step of the way in Sui Dynasty.

This bastard must know where Mr. Yang's treasure is. As long as this If the bastard goes to find Yang Gong's treasure, Huanwan will follow him.

Concubine Yan looked at it and handed it to Shi Feixuan beside her and said to Su Chen,

"This longevity secret cannot make people live forever. It is just a secret book of heaven-level internal skills, and practicing this longevity secret must correspond to one's own attributes."

Just like the five elders of our Yin-Yang family, the five elements of metal, wood, water, fire, and earth must be in harmony with each other to practice this longevity formula."

Su Chen had long known that the conditions for practicing the longevity formula were very harsh.

"It doesn't matter. It depends on fate in the future. Whoever can practice can practice. Madam, how about we make a deal with your master Donghuang Taiyi using the secret book of the secret of longevity?"

"What do you want from the Yin Yang family?"

"Some masters, you also know that our family is missing a middle-level master now. We don't have many innate cultivation realm masters. Concubine Yan shook her head and said,

"This is probably impossible. The Yin Yang family had a war with the Taoist family decades ago. Although it has recovered now, the headmaster of Donghuang will not give us some masters at this time."

Su Chen said, thinking of the black and white young Siming who would be killed by the new young commander in the future.

"Madam, Kibe's black and white young men should be able to do it. Aren't they going to be abandoned by the Onmyo family? Concubine Yan rolled her eyes at Su Chen and said with a smile,

"You know a lot about Black and White Young Master. I don't know if the East Emperor Church will agree to hand it over to us. If you tell Donghuang Taiyi about the treasure of the Yin Yang Family, then he will definitely agree to hand over Black and White Young Master to us."

Su Chen shook his head and said,

"The news about the treasure of the Yin Yang family is my betrothal gift for marrying you. We will talk about this later. You first send a message to Donghuang Taiyi to see if he will agree to exchange the black and white young master's life for the longevity secret."

Concubine Yan nodded shyly after hearing Su Chen's words.

"Yes, I understand."

At this time, Changsun Wuchu suddenly took Su Chen's hand and said excitedly,

"Husband, I have feelings about the third picture of the Secret of Immortality. Can I practice the martial arts in this picture?"

Su Chen said happily after hearing Changsun Wuchu's words,

"The third picture among the seven pictures should be water. Madam, from now on, you can practice the martial arts in the third picture. After you practice this powerfully, you can stay young forever."

"real?"

Su Chen hugged his eldest grandson Wu Chuan and said with a smile,

"Is it true? Haven't you seen that we all wish Zhu Yuyan, Fan Qinghui, Yao Yue and the others? They are very old. You see, they are still the most beautiful in their twenties and thirties. This is the benefit of practicing powerful skills."

"Well, then I will practice this picture."

Hanwen and Shi Feixuan did not expect that Changsun Wuchu would be right about the properties of the Immortality Art. They looked at the Immortality Art and didn't care about anything. If this Immortality Art can't make people live forever, it doesn't matter. As for the effect, Huanwan and Shi Feixuan practiced heaven-level skills. Although this longevity secret was good, they had no idea of switching skills.

By the lake, the great master Ning Daoqi and several monks were led by them. After the captured Bian Fuhua and Lin Shihong came back, they knew that after Yin Queen Zhu Yuyan and the others hid in the army, Fan Qinghui and Shi Feixuan also went in, and Ning Daoqi flew towards the army without hesitation.

Swish swish swish Swish, swish,

Ning Daoqi flew from the air toward the army with great fanfare. He was shot with a bow and arrow as soon as he entered the army's warning range.

Ding, ding, ding

, ding. Ning Daoqi did not expect that these troops would attack him. Ning Daoqi immediately waved and hit him. Drop arrows that attack you

"I'm Taoist Ning Daoqi, the general inside. I don't mean any harm."

"It is an important military area and no one is prepared to enter without permission."

Ning Daoqi was a little angry. He didn't expect that these troops would stop him. You must know that the Yinkui Sect and Fan Qinghui have all gone in. If he was stopped here, he would be very embarrassed.

"Damn it, I'm Ning Daoqi, the great Taoist master, you all, get out of my way.

Tong Hu said a little shamelessly,

"The Grand Master is amazing. No one is going to enter here without the Lord's order. Ning Daoqi goes back to where you came from. The archers are ready. As long as Ning Daoqi dares to break in, he will be killed without mercy."

Now Tong Hu is not afraid of this grand master. You must know that the two palace masters of Yihua Palace are with the king. If this grand master Ning really wants to die, I am afraid that the king will ask the master of Yao Yue Palace to depose this Ning Daoqi.

After hearing what the general said, Ning Daoqi angrily attacked the troops on the ground with his Sanshou Bagua.

"Seeking death"

Boom! Boom! Boom!"

"Shoot the arrow,"

Whoosh! Whoosh! Whoosh! Whoosh!"

"Get your crossbow ready, shoot this bastard for me."

Whoosh....Buzz!

"Damn it, you all must die for me!"

Boom! Boom! Boom.

At this time, Su Ming came over with some secret guards holding military crossbows.

"Prepare the Qi-Breaking Crossbow, release it!"

Ning Daoqi escaped the shooting of these Qi-popping crossbows and hurriedly killed these Qi-popping crossbows, which were a huge threat.

"Sanshou Bagua"

""Moving flowers and catching jade"

Chapter 124

Zhu Yuyan and the others were talking to each other after Su Chen, his wife, Huan Huan, and Shi Feixuan entered the carriage.

Zhu Yuyan, Bai Qing'er, Simei and the others sat together and talked about Huan Huan. Yaoyue and Lianxing were discussing how to get the exact location of the black jade intermittent ointment from Su Chen.

Lu Xiaofenghe, Sikong Zhaixing and Hua Wuque were drinking and laughing, while Fan Qinghui was the only one holding tea and wondering what he was thinking.

At this time, there was a sudden cry of killing from the outside of the army, and then they heard an angry voice

"Su Zhong, you are here to protect your Majesty. I will take half of the secret guards to support Tong Hu."

"Yes, Commander."

Bai Qing'er looked outside the army and said to Zhu Yuyan,

"Master, it's the great master Ning Daoqi who is breaking into the military formation."

Zhu Yuyan also discovered that Ning Daoqi was breaking into the military formation.

"Haha, Ning Daoqi may be in trouble this time. Yao Yue and Lian Xing are here. Yao Yue is a super master in the later stage of Grand Master. From what I see about the relationship between Yao Yue and Su Chen, Ning Daoqi will escape this time even if he doesn't die. layer of skin."

Bai Qing'er looked at the superior Yao Yue and said to Zhu Yuyan,

"Master, does the master not care about the relationship between senior sister and Wu Xiangjun?"

Zhu Yuyan looked at Bai Qing'er and suddenly thought of arranging her next to Su Chen, so that she could not only monitor Su Chen's evil intentions against Hu Huan, but also let Bai Qing'er figure out how Su Chen could command the Sui army. Bai Qing'er can also find out some of his secrets.

"No, Huan knows how to behave, and she won't do anything to disappoint me. Qing'er, I want you to go to Wu Xiangjun, are you willing?"

"Master, you?"

Bai Qing'er looked at Zhu Yuyan in surprise. She didn't expect that the master would ask her to go undercover next to Wu Xiangjun. This made Bai Qing'er happy and sad at the same time.

Bai Qing'er was happy that she could use this opportunity to get closer. Mr. Wu Xiang, maybe she will be favored by Mr. Wu Xiang in the future. The sad thing is that if she accepts this task, I am afraid that the future master of the Yinkui sect will not have a chance with her.

"I want you to find out what forces Wu Xiangjun has and how many masters he has around him."

"But I have no way to get close to Mr. Wu Xiang."

"She will help you, you don't have to worry about that."

Bai Qing'er looked at Zhu Yuyan and nodded heavily. Bai Qing'er now knows that she has no future in the Yin Kui Sect. In this case, she might as well follow Wu Xiangjun, at least she won't have to fight in the world in the future. Fighting and killing, there is no need to worry about being killed at any time.

The next time, Yao Yue looked outside and suddenly used Qinggong to fly towards the fighting place. When Fan Qinghui saw Yao Yue passing by, she knew something was wrong, and she also hurried towards the perimeter of the army. fly away

"Sanshou Bagua"

""Moving flowers and catching jade" .....Boom

Just when Ning Daoqi was about to kill the secret guards in front of him, Yao Yue rushed over and stood in front of these secret guards.

When the people by the lake saw that the Grand Master was about to start a duel, they all concentrated on witnessing the scene of the Grand Master's fight. Some of the surrounding Grand Masters were also staring at Ning Daoqi and Yao Yue, who were about to start the battle.

Ning Daoqi coughed in shock as Yao Yue's move deflected his own attack.

"Hey, Yihua Palace invites the moon? Why are you here?"

Yao Yue looked at Ning Daoqi, who was said to be worthless by Su Chen, and said coldly,

"Why can't I be here? Ning Daoqi, you are such a majestic grand master, how dare you attack the imperial army? Did you see that the Sui Dynasty was now at war and didn't take the court seriously?"

Ning Daoqi was a little frightened when he looked at Yao Yue now. He knew that this woman was not only ruthless, but also a late-stage grand master. Ning Daoqi was no match for Yao Yue.

"Palace Master Yaoyue, this matter has nothing to do with you. You are from the Ming Dynasty and I am from the Sui Dynasty. We are not in conflict with each other. I hope you can give me some face."

"Haha, no!"

Yao Yue looked at Ning Daoqi and imitated Su Chen's tone of anger and said,

"you.....Do you really want to go against me?"

"Against you? Do you deserve it? Su Chen was right. A Taoist leader in the Sui Dynasty actually became a thug of Buddhism. You, the Taoist grand master, should just change your name to the Buddhist grand master from now on."

Ning Daoqi's face turned dark when he heard what Yao Yue said. He looked around and knew what those Jianghu people were thinking.

Although he had been helping Cihang Jingzhai, he wanted to watch Cihang Jingzhai's Cihang Sword. Otherwise, why would a great grandmaster like him keep running around for Cihang Jingzhai?

Fan Qinghui was intercepted by Zhu Yuyan when he came. Zhu Yuyan now wants Wu Yaoyue to kill Ning Daoqi. She doesn't want Fan Qinghui to go Save Ning Daoqi.

At this time, Concubine Yan flew out from inside. Concubine Yan looked at Ning Daoqi opposite Yao Yue and said coldly,

"Are you Ning Daoqi?"

When Su Ming saw Concubine Yan appearing, they all saluted and said,

"See Mrs. Jun"

"Su Ming, you go down"

"Yes, Mrs. Jun."

Ning Daoqi frowned and said as he looked at the noble woman who came out.

"I am Ning Daoqi, and you are the general's wife of the army here? Concubine Yan threatened Ning Daoqi with her hands quickly forming seals,

"That's right, Ning Daoqi, since you dare to break into our military formation, you don't have to leave. Palace Master Yaoyue, leave this Ning Daoqi to me."

Concubine Yan attacked Ning Daoqi without waiting for Yaoyue's answer. The golden crows gathered in Concubine Yan's hand rushed towards Ning Daoqi in an instant.

"Soul Xilongyou"

""Scattered Sky Hands" boom boom boom. The duel between Yan Fei and Ning Daoqi caused the surrounding troops to stagger. Tong Hu could only make the troops retreat.

"Aren't you worried that something will happen to your wife?"

Yao Yue noticed that Su Chen had also arrived and appeared next to him and asked.

Yao Yue did not understand that Concubine Yan was only a master at the peak of Grand Master, while Ning Daoqi was a master in the middle stage of Grand Master. Concubine Yan could not be Ning Daoqi's opponent in any case. , but Su Chen's unworried look while standing here made Yao Yue a little confused.

Su Chen looked at Yao Yue and said with a sly smile,

"Palace Master Yaoyue, I may trouble you later. My wife wants to use Ning Daoqi to break through the Tao Grandmaster. If Concubine Yan succeeds in breaking through, the rest will be left to you."

"Haha, no help"

"Damn it, Yao Yue, you see our relationship is so good. If you don't help soon, my troops will probably suffer heavy casualties."

"I have nothing to do with you, this shameless bastard."

Su Chen looked at Yao Yue and smiled, then coughed and threatened,

"Hey, you really won't help? Lord Yaoyue Palace, you should be more careful in what you say. Originally, I wanted to have the Black Jade Intermittent Cream delivered. If you don't help, I'm afraid that the Black Jade Intermittent Cream will be taken away on the road."

Yao Yue looked at the shameless Su Chen and had no choice. This bastard has now grasped his own weakness.

"You are such a shameless bastard. When will the Black Jade Intermittent Cream arrive?"

"The fastest is about ten days, the slow is about half a month"

"I agreed. In the future, you bastard, be careful. If you fall into my hands, I will make you live and die."

Su Chen looked at the plump Yao Yue and thought that he would also let Yao Yue live and die in the future. Of course, this was in another place.

"Ning Daoqi, I think you, the number one master of the Sui Dynasty, just blew it. I'm a grandmaster and you haven't defeated me for so long."

"You, a little master, have been fighting with me for so long. Now I have to take it seriously. Don't blame the old Taoist for being ruthless."

Chapter 125

At this time, Tie Shou appeared in front of Qing Wu and nervously asked Qing Qing to choose one. Tie Shou was now worried that Qing Qing would lose his mind and seek revenge if he knew the murderer of her family. Tie Shou was also worried about what happened between him and Zhuge Zhengga. Bu Qingqing knows.

Tie Shou is also very surprised now how could Lord Wu Xiang know about ruthless things. Could it be that Lord Wu Xiang's intelligence network had already appeared in Ming Dynasty? Or did someone from the past leak that operation?

When Su Chen saw the man who appeared, he knew he was Tie Shou. In order to atone for his sins, Tie Shou had always been very caring and ruthless.

"Haha, Wuqing, you can discuss this with Tie Shou. Anyway, I won't leave for a while."

Su Chen looked at the remaining women and found that they were all hesitant now, as if they were afraid that they would be dealt with one by one. Su Chen smiled when he saw this, took out some banknotes from his arms and came to Murong Beside Qiudi,

"Miss, what's your surname?"

""Murong Qiudi"

I guess, it turns out that this is Murong Qiudi. No wonder Xie Xiaofeng has been pestering her, but wouldn't Murong Qiudi elope with Xie Xiaofeng after they fell in love? Why don't they look like they are eloping now.

Su Chen Looking at the most beautiful woman in the third young master's sword, he shook his head. Now the beauties here are very beautiful, and Su Chen is immune to these beauties.

Su Chen directly counted 20,000 taels of gold and silver notes and handed them to Murong Qiudi said, "Here, here are 20,000 taels of gold, we'll pay it all."

Murong Qiudi was speechless when she looked at Su Chen. She didn't expect that Mr. Wu Xiang would not bother with her account. She was going to ask Mr. Wu Xiang to help.

Murong Qiudi looked at these banknotes and shook his head and said,

"I don't want these, just agree to one condition."

Su Chen looked at the beautiful Murong Qiudi and stuffed the banknote into her arms. Su Chen did not dare to provoke this woman. This woman was as ruthless as Yao Yue and Zhu Yuyan.

Murong Qiudi established the The purpose of the Tianzun organization was to retaliate against Xie Xiaofeng for dumping her. Su Chen did not want to have anything to do with this woman.

"Impossible, now that I have money, I will not agree to your conditions."

Su Chen was a little embarrassed when he stuffed the banknote into Murong Qiudi's arms. In desperation, he actually touched Murong Qiudi's place. This made Su Chen speechless when he looked at Murong Qiudi. Su Chen knew that he might be in trouble this time..

Murong Qiudi saw that this bastard Su Chen actually touched her breast, which made her want to strike this shameless person with a slap in shame.

Murong Qiudi said to Su Chen in shame and anger,

"you.....Why didn't you give her the thousand taels that Wu Qing had just now? You gave Qing Qing two choices, so how come I don't have them anymore?"

When Su Chen saw that Murong Qiudi didn't take action against her, she knew that she was also afraid that the people around her would know what happened. Now Su Chen felt relieved.

"I'm happy, you are such a smart woman, I'm afraid"

"Haha, then you mean to say that the other women here are fools?"

"Damn it, I just said you were too smart, but I didn't say they were stupid. Murong Qiudi, please don't bring hatred to me. Besides, if they were stupid, would they place bets with you?"

"Anyway, I don't want it, you must agree to one condition"

"It's still broad daylight now, so you'd better wait until you go to bed at night to dream."

Boom boom boom. At this moment, a fight suddenly broke out nearby. Su Chen and others hurriedly looked back and saw a man with white hair and a young man in white clothes fighting.

Su Chen looked at the fight. The two of them are very familiar with each other. The one with white hair and the toothed shark sword is Wei Zhuang. The other one in white clothes, Su Chen, couldn't guess it.

"Murong Qiudi, who are these two people? Why did the fight start?"

Murong Qiudi said angrily when Su Chen asked him,

"Why should I tell you?"

"Not to mention pulling them down, do you think you are the only one who knows them here?"

When Su Chen saw that Murong Qiudi didn't tell him, she was going to ask Zhu Qiqi. Seeing that this bastard was about to leave, Murong Qiudi hurriedly grabbed Su Chen and said helplessly,

"The one in white clothes is Ximen Chuixue from the Ming Dynasty, and the one with white hair is a man named Wei Zhuang from the Eastern Continent. I told you, you have to agree to a condition."

Su Chen looked at Murong Qiudi and said mockingly,

"Hey, I didn't force you to tell me. Besides, there are so many people here, and they must know it. If you don't tell me, other people will tell me."

Murong Qiudi disagreed with this bastard. When she saw that everyone here was paying attention to the duel between Ximen Chuixue and Wei Zhuang,

Murong Qiudi said angrily,

"Mr. Wu Xiang, if you don't agree to this, I will tell your wife what you just did. I think your wife will definitely teach you a lesson."

Su Chen hurriedly whispered to Murong Qiudi,

"Let me tell you, Murong Qiudi, aren't you afraid of ruining your reputation? Besides, I didn't mean it just now."

"I have nothing to be afraid of, will you agree?"

Su Chen felt helpless when he saw that Murong Qiudi was shameless. This woman is indeed the leader of Tianzun.

"I....You're being cruel, I agreed."

Su Chen looked at the 20,000 taels of gold and silver notes in Murong Qiudi's arms, then stretched out his hand and quickly took it back. Since he agreed to Murong Qiudi's conditions, the silver notes do not need to be returned to her.

See Murong Qiudi. This bastard Su Chen touched her breast again, and she exclaimed

"Ah, you shameless bastard."

Su Chen knew that he was in trouble again this time. He couldn't blame himself. Who told this woman to wear clothes that were a little tight? He didn't touch her on purpose.

"Sauri, Sauri"

"Shameless person,"

Zhu Yuyan said with a shameless face when she saw Su Chen being frivolous and Murong Qiudi.

Murong Qiudi and Su Chen didn't expect that what they just did was seen by Zhu Yuyan. Su Chen looked at Zhu Yuyan and shrugged indifferently..

But Murong Qiudi turned around with a red face and pretended to watch the battle between Ximen Chuixue and Wei Zhuang.

Su Chen came to Zhu Yuyan and said,

"If your banknotes are gone, the baby will be bought with these banknotes."

Zhu Yuyan pointed at Su Chen angrily and cursed,

"You are shameless. Should I teach you a lesson? That thing is what you bribed me to let you go just now. These banknotes must be given to me. Our Yinkui sect is not rich either."

"Haha, won't your conscience hurt when you say this? You Yinkui sect has no money, who believes this?"

"Our Yinkui sect has no money. The nuns from Cihang Jingzhai have been chasing us all these years. We, the Yinkui sect, don't have much property anymore."

"Really not?"

"Really not."

Su Chen looked at Zhu Yuyan to see if she was lying.

"Zhu Yuyan, if you deal with all those disciples in the Yinkui sect who are acting recklessly and harming the laws of nature, you will get unexpected rewards."

Zhu Yuyan looked at Su Chen in surprise and asked,

"You want me to kill those disciples?"

Su Chen looked at the stupid Zhu Yuyan and shook his head and said,

"Yes, those people have more money than you can imagine. If your Yinkui sect wants to become stronger, those moths must be cleaned up."

"Otherwise, you, the Yinkui Sect, will still be the monsters of the Demon Sect that everyone shouts about and beat up. Those moths will only ruin the reputation of your Yinkui Sect, and will not be of any help to your Yinkui Sect."

Su Chen saw that Zhu Yuyan lowered her head and was silent, so she looked at the fight between Ximen Chuixue and Wei Zhuang. But as soon as Su Chen looked over, he found that there was another group of people fighting.

"Damn it, why did Sikong Zhaixing get into a fight with someone?"

## Chapter 126

At this time, Zhu Yuyan was thinking about what Su Chen said to her. Zhu Yuyan also knew that some people in the Yinkui sect did all kinds of evil, and they often did things like robbing families and homes.

She thought about what Su Chen said and felt that there was some truth in it. She also knew the principle of having more troops rather than more troops. Zhu Yuyan looked at Su Chen who was yelling and smiled.

This time she decided to listen to Su Chen once and deal with the moths when she got back. She also wanted to know how much money those moths would have in their hands.

"The one fighting Sikong Zhaixing was Chu Liuxiang. They were probably competing for who was the best thief in the world."

Chu Liuxiang? Damn it, how many martial arts dramas are there in this world? Su Chen is now worried that there will be fairy tales dramas at the level of cultivation. If there are fairy tales dramas, I am afraid Su Chen will have to keep a low profile in the future.

At this time, Lu Xiaofeng came to Su Chen and said excitedly,

"Brother Su, there are four people fighting now. How about we start a bet this time?"

Su Chen pushed Lu Xiaofeng away and was speechless. The debt here has not been settled yet, and this bastard still wants to start a gambling game. Isn't he afraid of being chased by these people in the future?

"Damn it, I don't want to gamble anymore, Lu Xiaoji, if you want to bet, you can do it yourself, don't take me with you, haven't you seen the many conditions I have promised you that are already hemorrhaging money?"

Lu Xiaofeng said with disdain after hearing Su Chen's words,

"Well, then I'll go find Zhu Wuwu. He must have a lot of money. If he's a poor guy like you, he still wants to be Lord Wuxiang. I think I'll just call you Lord Wuxiang. Su

Chen looked at Lu Xiaofeng and said angrily,

"Damn it, Lu Xiaoji, you bastard, you can take care of the rest of the women yourself, I have already completed my part."

This Lu Xiaofeng is so shameless. Su Chen decided not to help this shameless bastard. He said to the woman next to him who had not yet calmed down,

"Ask Lu Xiaoji for the rest of your money. You also know that Lu Xiaoji and I are partners. Now that I have completed my part, Lu Xiaoji will pay for the remaining money."

Lu Xiaofeng grabbed Su Chen's clothes and admitted her mistake and said,

"Brother Su, I was joking just now, don't mind."

Lu Xiaofeng is not willing to face these terrifying women. If he were a man, he could fool them shamelessly.

But each of these women is smarter than the last, and they are also powerful. Lu Xiaofeng does not dare to offend these women, otherwise he will just be the pursuer of these women. You might bury yourself alive

"I'm very mind"

"Damn it, Suchen, are we still friends? Don't hurt me"

"Not anymore, from now on we are no longer friends."

At this time, Lin Chaoying and the others came to Su Chen and Lu Xiaofeng, and Lin Chaoying smiled and said to Su Chen,

"Mr. Wu Xiang, you collected our bets. We will not ask this shameless Lu Xiaofeng for money."

Su Chen was speechless when he saw that these women were still asking for money from him. He had completed most of the bets, and now he only had gambling debts of tens of thousands of taels of gold left. Su Chen didn't want to continue to work for Lu Xiaofeng, a shameless bastard. Taking the blame

"No, Lu Xiaoji and I are partners. We agreed that each of us would share half of it. Now I have completed more than half of it. You should ask Lu Xiaoji for the rest."

Su Rongrong looked at Su Chen and smiled and said,

"You collected the money, we only look for you"

"Yes, yes, you can just find Su Chen. I'll leave first."

Lu Xiaofeng saw that these women were all asking Su Chen for gambling debts. He hurriedly said and left. Lu Xiaofeng felt that he should not come to Su Chen now. This time was too dangerous.

Lu Xiaofeng decided that after Su Chen failed to deal with these women, , he will not come to Su Chen again, just let Su Chen stay a little green among the thousands of flowers.

Su Chen and these women refused to let him go, and now Lu Xiaofeng has also run away. Su Chen looked at the women around him. While waiting for himself to speak, he looked at a plump and beautiful woman and asked helplessly,

"What's the girl's name? Lin

Chaoying smiled and replied,

""Lin Chaoying"

Lin Chaoying now also knows that all the women here want a promise from Su Chen. Su Chen not only has an army, but also has several great masters around him.

Even his wives are either great masters or grandmasters. With Su Chen A promise made by Chen, these women will not be afraid of danger in the future.

"Lin Chaoying of the Tomb Sect?"

Su Chen was a little surprised. He didn't expect that this was Lin Chaoying. He had seen Li Mochou in the apricot forest. Su Chen didn't expect that Lin Chaoying was so young and beautiful.

It seems that the Ancient Tomb Sect doesn't have a beauty-preserving technique, right? How did Lin Chaoying stay so young?

Lin Chaoying looked at Su Chen strangely. Their Ancient Tomb Sect had never been born before, and only those few people knew about their sect. How did this Wu Xiangjun know so much?

"I am Lin Chaoying from the Ancient Tomb Sect. Does Mr. Wu Xiang know me?"

Zhu Yuyan saw that Su Chen, a bastard, was polite to everyone else but was rude to herself. This made her want to ridicule Su Chen.

"As long as she is a beautiful woman, there is nothing this shameless person doesn't know."

Su Chen rolled his eyes at Zhu Yuyan and ignored her. He looked at Lin Chaoying and smiled and said,

"I still knew about the Tomb of the Living Dead in Zhongnan Mountain, but I didn't expect that the founder of the Ancient Tomb Sect was actually a beautiful girl, which surprised me a little. Lin

Chaoying looked at Zhu Yuyan and Su Chen strangely and said with a smile.

"Haha, I'm old enough to be your grandma, so don't talk nonsense. Now is Mr. Wu Xiang going to give me a banknote, or is he also going to promise me a promise?"

"Does Leader Lin want a banknote or a promise from me?"

"Promise, I hope you will help our Tomb Faction once in the future when our Tomb Faction is in danger"

"Okay, I agree."

Su Chen didn't say anything to this Lin Chaoying. There were several women waiting for him behind him. He wanted to get rid of these women as soon as possible to see if Changsun Wuchu had cultivated his true energy, and Concubine Yan's injury was now serious. It's not serious. Even though they had Huanwan and Shifeixuan looking after them, Su Chen was still a little worried.

A woman in light yellow clothes came out and said with a smile,

"My name is Su Rongrong. Is it my turn, Mr. Wu Xiang?"

Su Chen looked at Su Rongrong and didn't think about who she was, but Su Chen didn't seem to remember such a woman placing bets. Although she was very sweet and cute, he was not a fool either.

"Su Rongrong, it seems you haven't placed a bet, right?"

Su Rongrong immediately said angrily,

"Who said that? I bet one hundred taels of silver. Although I have less money, it is still my hard-earned money. I asked Sister Huang to give you the silver note."

At this time, Huang Xuemei next to her said to Su Chen with some embarrassment,

"Wu Xiangjun, her one hundred silver notes are sandwiched in my banknotes. Because her silver notes are relatively small, I will wait until you lose before talking about it. If you don't believe it, you can see and I will give you five Are there one hundred silver notes among the thousand taels of gold silver notes?"

## Chapter 127

After hearing what the woman carrying the piano said, Su Chen looked at the banknote she gave him. When he saw that there was indeed a banknote worth one hundred taels in it, he was speechless.

He didn't expect how poor Su Rongrong was. Other women were either one thousand taels of gold or ten thousand taels of gold. Even Zhu Qiqi, a little rich woman, suddenly gave him one hundred thousand taels of gold and Su Rongrong gave him one hundred taels of silver notes. Did he pay him back? Silver is not gold.

Su Chen looked at the one hundred taels of silver note in his hand, shook it and said,

"Su Rongrong, thank you for your surname being Su. You are the poorest woman here. Looking at other people and then looking at you, we are really embarrassed by our surname Su."

Su Rongrong was very angry when she stared at Su Chen for insulting her. She is a gentle and elegant woman who is usually never angry. But this Wu Xiangjun is such a bastard. What he said about her made Su Rongrong a little unbearable.

"Bastard, why am I embarrassed? I just didn't bring any money this time, otherwise I'll lose you to death this time."

"Haha, I almost believed you what you said"

"you....."

"Here you go, this is one thousand taels of gold. Seeing that you look a little weak, go back and replenish it."

When Su Chen saw what this sweet woman wanted to say, he hurriedly interrupted Su Rongrong and gave her a thousand taels of gold silver note. Su Chen still hasn't remembered who this woman is. After all, there are so many beauties in the martial arts world. , not everyone in Su Chen understands

"I don't want a banknote, I also want a promise."

Su Rongrong did not accept the banknote. She cunningly wanted to get a promise from Su Chen. She also saw that every beautiful woman here had received a promise from Su Chen. She also didn't want to give up this opportunity.

Su Chen looked at Su Rongrong and became disloyal. said,

"What you think is beautiful, you only need a hundred taels of silver to get a promise from me, Su Rongrong, why don't you go to heaven."

Su Rongrong directly pulled Su Chen face to face and said to Su Chen,

"I just want to get a promise from you. You can't look down on me because I don't have much money. You have given a promise to the women here, so you can't favor one over the other."

Su Chen wanted to kiss Su Rongrong when he saw her delicate little face. Su Chen also wanted to know whether this Su Rongrong was the beauty in the martial arts drama. Is it too cheap to just agree to Su Rongrong like this? Su Rongrong saw that she was leaving Su Chen Being so close, and this shameless bastard was staring at her, Su Rongrong's face immediately turned red, she stepped on Su Chen hard and said,

"You shameless person, what are you looking at?"

"Damn it, forget it, you are not the only one left to do this. Tell me, beauty, what kind of commitment do you want?"

Su Chen was a little embarrassed when Su Rongrong stepped on him. He didn't expect that he would stare at Su Rongrong and think about things. Just now, he didn't have any dirty intentions. He was just thinking about the character in the martial arts drama that Su Rongrong was.

"I haven't thought about it yet. I will let you know when I do. Write me a promise now and stamp it. I will rely on this promise to find you in the future and save you the trouble."

"Okay."

When Murong Qiudi saw Su Rongrong asking Su Chen to write a promise, she also remembered that she had not asked Su Chen to leave a note. Here, Zhu Qiqi and Su Chen wrote it to her. Murong Qiudi was also worried that this bastard would not fulfill his promise.

Murong Qiudi looked at the others and immediately said to Su Chen,

"Mr. Wu Xiang, you should also write one for us, but we are also afraid that you will not admit it in the future."

"Murong Qiudi, if you don't speak, no one will think you are dumb."

"Stop talking nonsense and write one to each of us quickly. We cannot trust your character."

Su Chen was about to refute Murong Qiudi, but he saw Lin Chaoying and the others staring at him. Su Chen was speechless when he looked at them.

"I.....I wrote."

After Su Chen finished writing, these women all took Su Chen's stamp and stamped it themselves. This made Su Chen wonder if his character was really too bad.

""Give it to you."

Su Chen gave the last letter of promise to Huang Xuemei. He knew what this girl with a blood feud was going to do. Su Chen also didn't want Huang Xuemei to die. Now she is at best a grand master. In this world of mixed martial arts, , I'm afraid it will be difficult for her to take revenge.

Huang Xuemei looked at Su Chen in surprise and asked,

"I know I have to commit too?"

Su Chen looked at the somewhat heroic Huang Xuemei and directly put the letter of commitment into her hand and said,

"Nonsense, I have fulfilled your promise. There is news about your brother in it. You can confirm it yourself. I know you want revenge."

"It's just that you'd better advance to Grand Master before taking revenge, otherwise you may not be able to take revenge even if you die. Tianmo Qin is not omnipotent, so you should think clearly about it yourself. Huang

Xuemei asked in surprise after reading the information in the promise written by Su Chen to herself.

"is this real?"

"You can confirm it then"

"Thanks, I'll check it out."

Su Chen looked at the remaining Zi Nu and shook his head. This Zi Nu is not easy to deal with. She is a woman who runs the Land of Wind and Moon. She has never experienced anything. She is a veteran, but Zi Nu has a really good figure. There was nothing to say, and Su Chen was going to have a nosebleed just looking at it. Su Chen didn't come forward when he saw the purple girl, which made Su Chen very happy. He also wished that the purple girl would come to him, so Su Chen pretended not to see it. Leave.

Fan Qinghui saw that everyone else basically had Su Chen's promise. Even Zhu Yuyan, the demon girl, also got Su Chen's promise. Although Fan Qinghui didn't care about Su Chen's promise, the difference was too big. This will make other women here think of her in the future.

Fan Qinghui stopped Su Chen angrily and asked angrily,

"Su Chen, why didn't you write my promise?"

Su Chen was a little confused when Fan Qinghui stopped him. When he heard Fan Qinghui's words, Su Chen was speechless. Su Chen really forgot about her just now.

Fan Qinghui, a woman, shouldn't need her commitment. After all, she Cihang Jingzhai was the decent leader of Sui Dynasty Li, and she had no need of her help at all.

Su Chen pushed Fan Qinghui away and said helplessly,

"Fan Qinghui, you are a nun and you need to keep your six roots pure. You don't need these."

"Then you return my banknote."

Su Chen saw that Fan Qinghui wanted to return the banknote. How could this be possible? How could he return the money that was in his hands?

"I gave your banknote to Lu Xiaofeng. You can go to him and ask for it. Fan

Qinghui was so angry that she pointed at Su Chen and cursed, her whole body trembling.

"You are shameless, do you want to take my money?"

Su Chen smiled and said nonchalantly,

"No, I don't like your banknotes at all. One of Zhu Qiqi's banknotes is worth ten of yours. What do I want from yours?"

Su Chen looked at the still charming Fan Qinghui and thought, if the Heavenly Saber Song Que was here, would they renew their relationship, but now the Heavenly Saber Song Que should be very old. The

Heavenly Saber Song Que can Instead of keeping his youthful appearance, a handsome man turned into a bad old man. I don't know if Fan Qinghui will still fall in love with him.

"You shameless bastard, you either have to return my banknote now or write me a promise, otherwise you shameless bastard are not allowed to leave."

## Chapter 128

Fan Qinghui was extremely angry when she saw Su Chen. This shameless bastard actually wanted to steal her banknotes, even though there was not much gold on them.

But since this bastard didn't want to give her a bet and didn't make a promise to himself, he was really bullying.

If he hadn't been worried about Yao Yue and his great master's wife behind this bastard Su Chen, Fan Qinghui would have wanted to strangle this shameless bastard to death right now.

By this time, the battle between Sikong Zhaixing and Chu Liuxiang had ended. The two of them came back from a distance, all wet, looking like they had come out of a lake.

When Lu Xiaofeng saw Sikong Zhaixing coming back in a panic, he asked in surprise, "Sikong, who of you won?"

Sikong Zhaixing sat down panting and said to Lu Xiaofeng,

"There is no win or lose, this time it is a tie. Next time I will beat Chu Liuxiang."

Sikong Zhaixing didn't expect that Chu Liuxiang's Qinggong was so good. This time they fell into the lake at the same time, and they couldn't tell the winner.

However, Sikong Zhaixing thought that Chu Liuxiang would definitely win in the future, and his thieves... Disguise and disguise are his special skills, and Qinggong can only be regarded as average. He knows that Chu Liuxiang is careless this time, otherwise he will definitely lose this time.

"Okay, then I will beat Chu Liuxiang next time."

Lu Xiaofeng nodded to Sikong Zhaixing, and he pointed at Su Chen and said,

"Sikong, have you seen that bastard Su Chen is among a bunch of beauties, and he thought about going over to join in the fun?"

Sikong Zhaixing jumped up immediately after hearing Lu Xiaofeng's words,

"Damn it, Lu Xiaoji, I just escaped from that bastard not long ago, and you still let me go? That bastard Su Chen almost tricked me just now, so I won't go to that dangerous place."

Lu Xiaofeng has no choice now. He just asked Zhu Yiwu to start a bet. That bastard Zhu Yiwu insisted on dragging Su Chen in, and as long as he roped in Su Chen in the bet, even if he lost, he and Su Chen wouldn't have to pay.

But Su Chen didn't. After agreeing to join, Zhu Wuwu couldn't gamble, which made Lu Xiaofeng very helpless. Lu Xiaofeng now wanted Sikong Zhaixing to discuss it with that bastard Su Chen, otherwise Ximen Chuixue and Wei Zhuang would also be finished.

Lu Xiaofeng He continued to seductively say to Sikong Zhaixing,

"Alas, Sikong Zhaixing, don't you envy the beauties around Su Chen? Those are all peerless beauties. Don't you want to carry a peerless beauty back to Ming Dynasty?"

Sikong Zhaixing felt a little strange when he looked at Lu Xiaofeng. Lu Xiaofeng also liked beautiful women very much, but why would he say this to him this time? Isn't this bastard just trying to trick him like that bastard Su Chen?

Sikong Zhaixing remained calm. He looked at Lu Xiaofeng and said,

"Lu Xiaoji, who doesn't want a peerless beauty, but does it matter if the beauty has a life? Those beauties are all tigresses. Those beauties are either powerful in martial arts or have strong backgrounds. Can you tell me which of these beauties I can provoke?"

Seeing that Sikong Zhaixing still refused to go to Su Chen, Lu Xiaofeng said anxiously,

"Well, that's true. If Su Chen can't handle those beauties, he may be in trouble in the future. Sikong, you'd better go and help Su Chen. After all, we are brothers."

Sikong Zhaixing shook his head and laughed at Lu Xiaofeng and said,

"Hey, Lu Xiaoji, you are thinking too much. Although that shameless bastard Su Chen has no martial arts skills, he has a way with beauties. Su Chen has never failed to pick up a beautiful woman. Even that vicious woman Yue Yue, now Wasn't it also captured by Su Chen?"

Hua Wuque originally heard how Lu Xiaofeng deceived Sikong Zhaixing, but he didn't expect that his aunt Yaoyue would be involved as they were talking.

This made Hua Wuque couldn't help but refute what Sikong Zhaixing said,

"Sikong, my aunt is not with Su Chen. Don't talk nonsense."

Sikong Zhaixing patted Hua Wuque's shoulder and said with a smile,

"Xiaobai, can Su Chen and your aunt hug each other even if they have nothing to do with each other? Do you have to see them come out of the room disheveled to believe they are related? Alas, Xiaobai, you are still too naive"

"you....."

When Lu Xiaofeng saw that Sikong Zhaixing was going off topic, he pushed Hua Wuque away and hurriedly said to Sikong Zhaixing,

"Xiaobai, what Sikong Zhaixing said makes sense. Sikong, we are going to make a fortune this time. Have you seen Ximen Chuixue and that Wei Zhuang?"

"Zhu Wuwu said just now that this time he only needs to involve Su Chenke in the bet. If he loses this time, Zhu Wuwu will count it. If he wins, we will split it equally."

"I know that Zhu Wuwu is definitely trying to trick Su Chen, but it doesn't concern us. That shameless bastard Su Chen is so cunning, he will definitely not be fooled by Zhu Wuwu. Sikong, it's up to you to tell these things now. Su Chen"

"Why don't you go?"

"I also escaped from Su Chen's place just now. I don't dare to go now. That bastard Su Chen actually wants me to pay back the money to the remaining beauties. I still want to live for a few more years."

"You are afraid, am I not afraid? I won't go. I said you were acting weird just now. It turned out you were setting a trap for me here. You are as shameless and shameless as Su Chen."

"Sikong, are you really not going?"

"Even if you fight to the death, just give up on this idea."

Lu Xiaofeng felt a little helpless when she saw that she couldn't convince Sikong Zhaixing. The bet might not be possible this time. Lu Xiaofeng looked at Ximen Chuixue and Wei Zhuang, who were fighting more and more fiercely, and sighed and said,

"The white money disappeared under our noses, and I was really unwilling to do so."

Zhu Wuwu listened for a long time and knew that Lu Xiaofeng and the others were afraid of the beauties around Su Chen. Zhu Wuwu looked at the women around Su Chen, and he couldn't afford to offend those beauties. He could only ask Su Chen and his three friends to guarantee Su It's morning, as long as Su Chen's name appears in this bet, I believe these people will definitely bet.

Although they don't really want this longevity secret, if the longevity secret can really make people live forever , then the emergence of the Secret of Immortality will definitely cause a fight in the future.

And Su Chen will be the key one. Whoever wants to get the Secret of Immortality must get Su Chen's help. Zhu Wuwu also wants to get the Secret of Immortality. If the Secret of Immortality can save his woman , it is worth spending a lot of money.

Zhu Wuwu wants to have a relationship with Su Chen now. Su Chen not only has tens of thousands of troops, but the most important thing is that he has three great master women. Yao Yue and Lian Xing are both now Next to Su Chen, there is also Su Chen's elusive wife, and the relationship between the Yin Kui sect and Cihang Jingzhai and Su Chen seems to be unusual.

After thinking about it, Zhu Wuwu came to Lu Xiaofeng and Sikong Zhaixing and said,

"Lu Xiaofeng, you only need to write down the evidence of a bet, but you have to guarantee that Su Chen is also the one who started the gamble. Sikong Zhaixing and this little brother also have to guarantee that Su Chen is the one who started the gamble, and then I can start the gamble."

"real?"

Chapter 129

Seeing that Lu Xiaofeng was interested, Zhu Wu nodded. He knew that as long as Lu Xiaofeng and the others wrote a letter of guarantee, it would not work even if Su Chen disagreed.

Lu Xiaofeng's friends are very close. If Su Chen can become Lu Xiaofeng's friend, I believe he won't care if Lu Xiaofeng makes the decision for him.

"It's true."

Lu Xiaofeng hurriedly pulled Sikong Zhaixing and Hua Wuque towards the men.

"Okay, we agreed, let's go and start the gambling game now, otherwise the fight between Ximen Chuixue and that Wei Zhuang will be over"

"Lu Xiaofeng, remember to write a letter of guarantee?"

"I know we can write it."

Su Chen was pestered by Fan Qinghui to leave. At this time, Xie Xiaofeng also came over. Now Xie Xiaofeng came to Murong Qiudi with a dark face. He looked at Su Chen and Fan Qinghui and said directly to Murong Qiudi. said,

"Murong Qiudi, this Lord Wu Xiang is not a good person, please don't have anything to do with him."

Murong Qiudi looked at Xie Xiaofeng and said speechlessly,

"Xie Xiaofeng, I don't seem to have anything to do with you, so you'd better not have anything to do with me."

Murong Qiudi is a little annoyed with Xie Xiaofeng now. Xie Xiaofeng was originally a prodigal, although he was a bit nice.

If Su Chen hadn't appeared, Murong Qiudi would definitely have asked Xie Xiaofeng to help him, but now he has Su who is stronger than Xie Xiaofeng. In the morning, Murong Qiudi would definitely not choose Xie Xiaofeng.

Moreover, Murong Qiudi also found out that Mr. Maoda, to whom she was about to get engaged, was Xie Xiaofeng's friend.

After knowing this news, Murong Qiudi completely excluded Xie Xiaofeng. If Su Chen did not agree to her, and Murong Qiudi would also ask other people here for help.

Xie Xiaofeng looked at Murong Qiudi and left. Since Murong Qiudi said so, he has no shame to stay here anymore.

Zhu Qiqi Seeing that Xie Xiaofeng went to the place where men competed, he was surprised and said to Murong Qiudi,

"Wow, Murong Qiudi, your suitor is quite persistent, I'm afraid he still won't give up."

Murong Qiudi looked at the women around her and looked at her intentionally or unintentionally, then she blushed and said,

"It doesn't matter if I don't give up. Even if Xie Xiaofeng pesters me again, I won't be with him. Zhu Qiqi, when you look for a man in the future, don't find a prodigal son, otherwise you will regret it for the rest of your life."

Zhu Qiqi immediately waved his hand and said,

"Haha, I'm still young, and I don't plan to get married now. Murong Qiudi, you and Huang Xuemei came here early. Who is this Wu Xiangjun Su Chen? Why do I feel he is a bit shameless."

Murong Qiudi saw that Zhu Qiqi looked a bit weird and frightened him,

"That bastard Su Chen is a bit shameless. Don't continue to have contact with him, otherwise Su Chen will eat you."

"Wow, so scary? Then why didn't you leave this bastard Su Chen? And everyone wants a promise for him?"

"That's because Su Chen has a powerful army and some powerful masters and friends of great masters. You haven't seen the women around Su Chen. They are all masters and great masters."

"So that's it. Apart from not knowing martial arts and being a little shameless, Su Chen is pretty good, otherwise those beauties wouldn't be with Su Chen."

Zhu Qiqi bit her finger and thought that these beauties were approaching Su Chen intentionally or unintentionally. These women Zhu Qiqi also discovered that they were not all for Su Chen's promise. As for why these women wanted to approach Su Chen, Zhu Qiqi hasn't figured it out yet.

Murong Qiudi looked at Zhu Qiqi and shook her head. She knew that if Zhu Qiqi continued to have contact with Su Chen, I'm afraid Zhu Qiqi would be raped by that shameless bastard Su Chen in the future. There was nothing left to eat.

At this time, Su Chen was speechless when Fan Qinghui pulled him away and refused to let him leave. It seemed that Fan Qinghui would not give up until he achieved his goal.,

"I said Fan Qinghui, can you please stop pestering me now? Can I make your promise to Shi Feixuan?"

Fan Qinghui knew after hearing the figure's words that Su Chen, the bastard, still didn't intend to write a promise to herself, so she glared at Su Chen, the shameless bastard, and said,

"You bastard, just now Zhu Yuyan and Huanwan wanted to use the Evil Emperor's relics, but you gave us Cihang Jingzhai just one person. Do you intend to help the Yinkui sect by doing this?"

"No, I don't want to help the Yinkui sect. You Cihang Jingzhai can deal with the Yinkui sect however you want. I will not intervene in the fight between you."

"Where is the Evil Emperor's relic? How did you obtain the Evil Emperor's relics?"

Su Chen didn't know how Fan Qinghui thought that the treasure he wanted to give to Hanhan and Zhu Yuyan was the evil emperor's relic.

"This is my secret. I will not tell anyone. Unless my woman asks me, I will not say, Fan Qinghui, do you still want to ask me?"

Fan Qinghui's face turned red after hearing Su Chen's words. She didn't expect that this shameless bastard would actually try to attack her. She was much older than Su Chen. This damn bastard was so shameless.

Fan Qinghui suddenly thought of this bastard and Regarding Yao Yue's relationship, she was a little surprised when she saw Su Chen and Yao Yue hugging each other just now. Now she heard that this bastard actually wanted to take advantage of her, which made Fan Qinghui a little worried that Su Chen would do something to her. Fan Qinghui was worried that Su Chen would do something to her. Qinghui looked at this shameless bastard and said angrily,

"Go away, you are a shameless bastard, you better not forget Shi Feixuan, if you let me know that you did not help Shi Feixuan, then I will not let you go"

"Allah, Allah."

Su Chen waved to Zhu Yuyan and got into the carriage. Su Chen also did not expect that Fan Qinghui would blush, but Su Chen had no idea about Fan Qinghui, a loyal believer in Buddhism.

Su Chen got on the carriage and Seeing that Concubine Yan was practicing Qigong to heal her injuries, Changsun Wuchu was also practicing. Huanwan and Shi Feixuan were sitting next to them, watching over Concubine Yan and Changsun Wuchu.

Su Chen came to sit between Huanwan and Shi Feixuan. Then he hugged both of them and asked,

"Concubine Yan, is Concubine Yan's injury better?"

Shi Feixuan blushed and nodded to Su Chen and said,

"It's okay. Concubine Yan's injury has been stabilized. You don't have to worry."

"Huh, that's good"

"Where is Changsun Wuchuan? Has she not developed her inner strength yet?"

Huanwan saw that Su Chen, a bastard, didn't understand anything, so she smiled and said to Su Chen,

"Haha, Bastard Su, if you can cultivate your internal strength so quickly by practicing martial arts, it should take Changsun Wuchuan a long time to cultivate his internal strength."

Su Chen patted Huan Huan's butt and warned,

"Little witch, be more honest with your feet. If you tease me again, be careful I eat you."

After he sat between them, Huanwan's little feet kept rubbing on his legs, which made Su Chen feel itchy. If he hadn't practiced Huanwan's Heavenly Demon Technique to the third level, On the 18th floor, I'm afraid Su Chen will eat Huan Huan this time.

Huan Huan leaned in Su Chen's arms and stretched out her little feet for Su Chen to look at before taking them back. She was also afraid that if she teased Su Chen again, she might be betrayed by Su Chen. Eat it. If this shameless bastard really wants to eat her, Huanhan will have no way to refuse Su Chen.

Huanhan smiled and quickly changed the topic and asked,

"Su Chen, what's going on outside now?"

Hanwan and Shi Feixuan heard the sound of fighting outside. Although they were a little far away, they also felt some sword intent. They knew that there must be sword masters fighting outside.

"Su Chen, you hugged each other very coolly. I've been here for a long time and you haven't noticed me?"

## Chapter 130

Su Chen was about to answer Huan and the others about what happened outside when he suddenly heard Yao Yue's voice. When he turned around, he saw Yao Yue lying on the bed where he was resting. Su Chen almost cried out when he saw the posture where Yao Yue was lying. A nosebleed comes.

Yao Yue lay on the bed sideways, her perfect body now fully exposed, especially when Su Chen looked in front of Yao Yue, he didn't expect it to be so big.

Seeing Yao Yue's seductive sleeping posture, Su Chen touched her chin and said,

"Hey, Yao Yue, are you trying to seduce me?"

After hearing Su Chen's words, Yao Yue quickly tightened her clothes and said,

"Go away, you shameless bastard, you think of those dirty things."

Yao Yue didn't expect that she would be the first to take a rest in Su Chen's carriage. Su Chen, a bastard, didn't even notice her when he came. Her loud reminder also made this bastard see her laziness. It seems that Su Chen, this shameless bastard, even said that he was seducing him. This shameless bastard really deserves to die.

Huan Huan looked at Yao Yue's charming face. She was a little envious. She knew that such a woman was the most tempting to a man. She looked at Su Chen's drooling look and wanted to strangle this bastard to death.

Shi Feixuan looked at Yao Yue and lowered her head. Even now, Shi Feixuan was still blushing. She didn't expect that Yao Yue's one was really big. She looked at her own and was speechless.

Seeing Yao Yue's shameful and angry look, Su Chen smiled and said,

"Haha, Yao Yue, this is what you let me see. This is none of my business."

Yaoyue saw that Hanwan and Shi Feixuan were looking at her strangely, so Yaoyue hurriedly asked Su Chen,

"Stop talking nonsense, why are those martial arts masters also coming in?"

Su Chen looked at Yao Yue and Shi Fei Xuan with some embarrassment. Su Chen didn't want to tell Yao Yue that they lost the bet by themselves. These people came to ask for the account. Su Chen couldn't afford to lose this. people

"It's a long story. You can ask your sister Lianxing about this later."

Su Chen suddenly thought that he was going to Luoyang to look for Yang Gong's treasure. If he was discovered while looking for Yang Gong's treasure, the

Jing Nian Temple in Luoyang would definitely stop it, and other sects of the Demon Sect would also go there. In the fight, it is better to let the crazy woman Yao Yue deal with that madman Shi Zhixuan.

"Yao Yue, please accompany me to Luoyang in a few days. There may be some things that need your help there."

Yao Yue smiled when she saw Su Chen asking her to help and said,

"whats the matter? I won't do anything for you for free. Have you thought about what you want to do in exchange?"

Su Chen came to Yao Yue and said flatteringly,

"Dear Lord Yaoyue Palace, how about I exchange myself?"

Yao Yue blushed a little and pushed Su Chen away from the shameless bastard and said,

"You are so shameless, I want you to be useless,"

"I'll join you, Yaoyue, at least we'll hug each other, don't turn your back and deny me."

"Damn it, Suchen, do you really want me to kill you?"

Su Chen hurriedly grabbed Yao Yue who was about to run away. It would be impossible not to tell Yao Yue about Yang Gong's treasure house now. Su Chen had no intention of hiding it from Yao Yue. Su Chen's relationship with Yao Yue was a bit complicated, but Su Chen still She very much believed that Yao Yue would not harm her, and she would definitely go with him to Luoyang this time.

Su Chen grabbed Yao Yue, hugged her, sat down and said,

"Don't be upset, don't be upset, I'm just saying casually, Yao Yue, there is a treasure of Yang Gong in Luoyang, I'm afraid that the evil king Shi Zhixuan and those bald donkeys from Jing Nian Temple will cause trouble.

When the two great masters, you and Lianxing, are here, I don't have to be afraid of those bald donkeys from Shi Zhixuan and Jingnian Chanyuan to compete for that treasure house."

After hearing Su Chen's words, Huanhan hurriedly came to his other side and hugged him. Huanwan knew that there was the Evil Emperor's relic from the Demon Sect in Duke Yang's treasure. If Su Chen could give the Evil Emperor's relic to her master this time, Huanhan would Huan thought that Zhu Yuyan could definitely break through the Grand Master.

If Shi Zhixuan hadn't deceived her master Zhu Yuyan's feelings back then, Huan Huan guessed that her master Zhu Yuyan must have been a Grand Master decades ago.

Now Yang Gongbao, Su Chen, the bastard, knows , Huanwan wanted Su Chen to give the Evil Emperor's relics to her master. Although this would cause Su Chen to suffer a lot, Huanwan would make up for this bastard Su Chen more in the future. Besides, she would definitely be bullied to death by Su Chen in the future..

Huanwan hugged Su Chen and asked eagerly,

"Su Chen, the Yang Gong treasure you mentioned before is in Luoyang?"

Su Chen touched Huan Huan's little face and said with a smile,

"Yes, Huanyuan, you have to make up for me more in the future. I plan to let you and your master Zhu Yuyan absorb the Evil Emperor's relics in Yang Gong's treasury."

Wanwan looked at Su Chen and asked doubtfully,

"real?"

"Fake"

"Bastard, I'll bite you to death!"

Su Chen saw that the little demon girl Huan Huan opened her mouth and bit him. Su Chen hurriedly held Huan Huan in his arms and held her down.

"Holy shit, it's true. I've already made an agreement with your master Zhu Yuyan. When the time comes, you and your master Zhu Yuyan will absorb the Evil Emperor's relic."

"That's more like it."

Concubine Xuan saw that Su Chen started to take care of Huan Huan again, which made her feel very uncomfortable. She had not received help from Su Chen once, but Huan Huan had received help many times, and this time it was even more... Give the relics of the Evil Emperor to Hanwan.

Shi Feixuan knew that if Hanwan absorbed the relics of the Evil Emperor, the gap in their cultivation realm would probably become wider and wider. Shi Feixuan looked at Su Chen and lowered her head.

Su Chen also saw that Shi Feixuan was a little depressed. He also knew that Shi Feixuan might be jealous. Su Chen had no other way to improve Shi Feixuan's cultivation level. He gave his ten red fruits to Li Qiu Shui and the others. Three pills for the third generation, two pills for the Frightened Salamander and his daughter, and one pill for his own guard. He has already used six pills, and he will use one more. The remaining three pills were originally intended for Su Chen to use in emergencies.

Just look. Looking at Shi Feixuan's sad look, he decided to give Shi Fei Xuan one. Since Huan Huan had the Evil Emperor's relics, he wouldn't need the red berries. He also had two red berries for spare.

Su Chen let go of Huan Huan and invited him to Yue walked up to Shi Feixuan, hugged her, kissed her and said,

"Fei Xuan, your master and I have agreed that I will help you improve your skills to be the same as Huan Huan, and I will never let this enchantress surpass you in cultivation."

Yao Yue said disgracefully after hearing Su Chen's words,

"Hey, it's true. How can you, a person who doesn't know martial arts, improve other people's cultivation? You, a bastard who deceives women, should be pulled out and castrated."

Su Chen held Shi Fei Xuan who was lying in his arms and had nothing to do with this cruel woman like Yao Yue. This Yao Yue has started to go against him. It seems that he will have to teach this mentally ill person a lesson in the future.

"I guess, Yao Yue, how do you see that I can't improve other people's cultivation realm? If I raise Shi Feixuan's skill to the late stage of Grandmaster or even to the peak of Grandmaster, what will you do?"

Yao Yue laughed after hearing Su Chen's words.

"Haha, you should start improving now. If you can improve to Shi Feixuan's level of cultivation and reach the late stage of Grand Master, I will let you do whatever you want."

"Yaoyue, if I want you....."
