Chapter 1261

Queen Guo was also very scared when she was left alone with Su Chen.

She was worried that this bastard would insult her again. Although the bastard drank too much last time, Su Chen was very sober this time.

If Su Chen does that again, will she resist or not?

Queen Guo is also very confused now.

Although Queen Guo is now a master, she has not yet successfully mastered the secrets of martial arts. She is now a pseudo-master with no strength and no tricks. Queen Guo does not know how powerful Su Chen is. She didn't dare to assassinate Su Chen rashly.

Su Chen looked at the nervous Queen Guo and shook his head.

He really didn't know how to arrange this woman now. He definitely couldn't kill her. Should he imprison Queen Guo?

But if Queen Guo is imprisoned, then the relationship between them will probably be endless in the future, and there will even be no room for relaxation in the future.

Queen Guo stabilized her nervousness and said hurriedly, "Your Majesty, you are joking. I am nervous when I hold your hand. Being with you makes me very nervous."

Su Chen shook his head when he heard Queen Guo's words and reminded. , "Whatever you say, Queen Guo, have you ever thought about it? If you assassinate me, whether you succeed or not, what do you think will happen to your family?"

"You bastard threatened me with my family?"

Queen Guo didn't expect Su Chen to say this, which made Queen Guo very angry. She doesn't care about anything now, but she can't ignore her family.

Queen Guo wants to strangle this shameless bastard now.

Su Chen He curled his lips and reminded, "I'm not threatening you, I'm telling the truth. If you assassinate me, no matter you succeed or not, my wife and daughter will not let you go, and even your family will be killed." You were implicated and all were executed. Didn't you think of this?"

"Bastard, you shameless bastard!"

Queen Guo really couldn't stand this bastard's shameless threat. She clenched her fist and attacked Su Chen. Queen Guo just couldn't kill this bastard this time, and she wouldn't let this bastard have an easy time.

It's not me!

This crazy woman.

Su Chen hurriedly dodged when Queen Guo attacked him.

Su Chen then hurriedly hugged the angry Queen Guo. He didn't want this crazy woman to go crazy.

"Let me go, you shameless pervert!" Queen Guo struggled angrily when Su Chen held her.

Su Chen hugged Queen Guo tightly and warned her seriously, "I'm here, please be honest with me, otherwise don't blame me for being rude."

Queen Guo glared at Su Chen angrily and cursed, "You are dreaming, if you are a man, kill me, otherwise I will definitely find a way to kill you, a scumbag."

"Am I a man? Don't you know whether I am a man or not?" Su Chen touched his nose and said with a smile,

"shameless!"

When Queen Guo heard Su Chen's shameless words, she lowered her head and bit her arm hard. She really hated this shameless pervert. Queen Guo now wanted to bite this shameless man to death.

"hiss! Damn it, let go, are you going to bite me to death?"

"Woo woo....."

"Damn it, you're about to bite off the flesh on my arm, damn woman, please let go"

"Woo woo....."

"Queen Guo, you asked for this, don't blame me."

Su Chen saw that Queen Guo refused to let go, and he did not dare to use his inner strength to shake Queen Guo away.

Su Chen thought about it, then he carried Queen Guo to the soft collapse and lay down together.

"ah! What are you going to do you bastard?"

"What do you think?"

"Get away, give it to me....Woo woo....."

Outside the tent, the shadow assassins guarding here looked at each other with blushing faces and lowered their heads.

At this moment,

Zhen Mi got off a carriage.

She originally wanted to enter Xuzhou City with her sisters, but she suddenly felt a stomachache on the way, so she talked to Zhen Jiang and the others and returned here. temporary camp

"Stop, this is the owner's tent, you can't go in." Just when Zhen Mi was about to arrive at the tent, the Shadow Assassin hurriedly stopped Zhen Mi and expelled Zhen Mi unceremoniously.

After hearing the Shadow Assassin's words, Zhen Mi hurriedly explained, "Sisters, I just entered the tent. Get some medicine, I won't disturb His Majesty the Emperor."

The Shadow Assassin blocked Zhen Mi and said coldly, "No, get out of here quickly, or we will forcibly evict you."

"you.....you....."

Zhen Mi was very angry as she held her stomach.

All the medicines her sister had brought were left in this tent. If she didn't take out the medicines, would her stomach continue to hurt?

But these shadow assassins were not reasonable at all, and Zhen Mi had no way to enter the tent under the shadow assassins' noses.

Zhen Mi stumbled back to the carriage, clutching her stomach.

She now hoped that Su Chen could come out of the tent so that she could go in and get the medicine. wrong?

Wasn't there a woman left in the tent just now?

So Su Chen must not have rested?

But why didn't the female guard in black let her in?

Zhen Mi suddenly remembered that there was a woman who stayed behind when they left.

That woman named Queen Guo did not go to Xuzhou City. Zhen Mi looked at Su Chen's tent through the window in the carriage. She now suspected that Su Chen And that Queen Guo must be doing some shameful things.

Zhen Mi clutched her stomach and leaned on the pillow, and said to herself in embarrassment,

"damn it"

"Why am I so unlucky, why does menstruation come at this time, and why does that bastard Su Chen do those shameful things in broad daylight?"

In Xuzhou City,

Su Yan didn't see Tao Qian when he arrived in Xuzhou City.

Tao Qian passed away not long after the war started.

Su Yan didn't pay much attention to Tao Qian's death.

He was just a passerby.

Although this passerby gave up Xuzhou to He killed her, but this was also Tao Qian's helpless move.

Su Yan would not thank Tao Qian for his death. If Tao Qian was still alive, Su Yan might have kind words for him, but for a dead person, Su Yan was only symbolic. Condolences to him

"Your Royal Highness, this is Xuzhou's state animal seal."

After Su Yan expressed condolences to Tao Qian,

Mi Zhu took a big seal and handed it to Su Yan respectfully and said,

"Well, are you Mi Zhu?" Su Yan took the seal, looked at it, and put it on the table. She looked at the middle-aged man in front of her and asked,

"Your Highness, I am Mi Zhu."

Su Yan looked at Mi Zhu and thought for a while before saying,

"Mi Zhu, I have heard about you. Your sister Mi Zhen is very good, and I have also heard your sister say about your abilities. Mi Zhu, you will be the prefect of Xuzhou from now on, and you will manage the internal affairs of Xuzhou."

Mi Zhu was so excited when he heard Su Yan's appointment that he knelt down and saluted, "Thank you, Your Highness, Princess, for your appreciation. Mi Zhu will definitely try his best to manage Xuzhou well."

"Wei Yan, you will be the garrison commander of Xuzhou from now on. I will leave you two infantry corps and one cavalry corps. You must protect Xuzhou for me from now on. I will appoint Xu Shu as your counselor."

"Yes, Your Highness the Princess!"

Chapter 1262

Wei Yan did not expect that Su Yan would accept him as the commander of Xuzhou's garrison. There were two infantry corps and one cavalry corps. This was a 150,000-strong black-armored army. Wei Yan was very excited now.

Su Yan later accepted the orders of some officials in Xuzhou, and all the incompetent officials were taken over by Su Yanguo. Su Yan would not raise those useless people who had nothing to do with their bodies. If those dismissed officials dared to make any move, Su Yan would not do anything. Kill them without mercy.

Just after Su Yan appointed all the officials in Xuzhou, Chen Deng, who was appointed by Su Yan as Xuzhou's farewell officer, suddenly saluted Su Yan and said, "Your Highness, I heard that Your Highness is looking for beauties everywhere. I always have a beauty here." Recommended to His Highness"

"oh? Chen Deng, who is he? where are you now?"

Su Yan was very interested when she heard Chen Deng's words.

Although she no longer needs to find beauties to please her father, she has developed the habit of looking for beauties everywhere. Even her officials are helping her find beauties everywhere. Su Yan did not stop him.

Chen Deng bowed to Su Yan and said, "Your Highness, this beauty is from a poor family. Her name is Gan Mei. This woman has a pretty face and a very white complexion, just like jade. Now Gan Mei is just in Xuzhou city."

Su Yan stood up and ordered Chen Deng, "Go and bring her to the Prefecture Mufu. I want to see this Ganmei in person. Chen Deng, if this Ganmei is really good, I will reward you well."

"Yes, Your Highness the Princess."

Chen Deng was very happy when he heard Su Yan's words.

He didn't care about Su Yan's reward for him. This time he was canonized by the eldest princess as the number two figure in Xuzhou. Chen Deng did not have the official position of Xuzhou Biejia like Mi Zhu. His background is not that Wei Yan is the eldest princess's confidant.

If he wants to serve as an official in the powerful Xuantian Empire in the future, he must please the eldest princess. As long as the eldest princess recognizes his talent, he will work in the Xuantian Empire in the future. Stand out in this powerful empire.

At this time, many beauties also came to Xuzhou City.

Beautiful women like Mrs. Ding came to Xuzhou City. After they visited the somewhat depressed Xuzhou City, they were ready to go to Xuzhou. There is really nothing to visit in Xuzhou City now. Although the war has not affected Xuzhou City, most of the shops here are closed. They looked at it casually and lost interest.

After going to Zhoumu On the way to the house,

Zhen Tuo quietly pulled Zhen Tuo and asked in a low voice, "Sister, is it okay for little sister to stay alone outside the city?"

After Zhen Jiang heard Zhen Tuo's words, she thought that Zhen Tuo was worried about Zhen Mi's safety.

Zhen Jiang smiled and said, "Zhen Tuo, there is His Majesty the Emperor at Zhen Mi's place, so you don't have to worry about safety at all."

Zhen Tuo saw that Zhen Jiang had misunderstood her meaning, so she hurriedly reminded Zhen Jiang, "Eldest sister, I am worried about what His Majesty the Emperor will do to my younger sister. After all, my younger sister is the most beautiful woman in the Northern Continent."

Zhen Jiang found it a bit funny.

She didn't think Zhen Tuo would think of this, but her sister was overthinking it.

The emperor of the Xuantian Empire had never seen any beauties. I'm afraid there were many stunning beauties in the palace of the Xuantian Empire.

Moreover, Zhen Jiang also observed His Majesty the Emperor in the tent. The women in the tent were all very beautiful, but His Majesty the Emperor was not tempted by these women at all, and even took the initiative to send them away.

From here,

Zhen Jiang She felt that His Majesty the Emperor might look down on these women. Although she didn't know what kind of beauties His Majesty would be attracted to, the women here did not have to worry about being forced by His Majesty the Emperor.

"Don't worry, His Majesty the Emperor is not interested in little girls. I observed His Majesty the Emperor in the tent. It seems that the only woman here is related to His Majesty, Queen Guo, who is left behind. None of the others have much to do with His Majesty. You don't have to. Worried little sister"

"That's it, then I understand."

Zhen Tuo was relieved after hearing what her sister Zhen Jiang said.

She also felt that she was thinking too much. If His Majesty the Emperor had thoughts about her sister Zhen Mi, they would not be able to object even if they objected. Even their father was eager to let Zhen Mi enter the palace. Be the woman of His Majesty the Emperor.

At night,

Su Chen came out of the tent, but he felt very painful all over his body. He also felt that his back was burning, and he might even have been scratched to bleed.

Su Chen also had a crush on that crazy woman Queen Guo I'm really helpless. When a crazy woman goes crazy, it's really fatal. If Queen Guo had a knife in her hand, Queen Guo would probably cut him into pieces.

"Didn't Su Yan and the others come back?" Su Chen looked around and saw a lonely carriage. This made Su Chen confused and asked the shadow assassin next to him. The shadow assassin You

Ru saluted Su Chen and said, "Go back to the master, the eldest princess sent someone to report. The eldest princess stayed in Xuzhou tonight"

"That's it, I understand, you go down"

"Yes, master!"

"Your Majesty the Emperor, you have finally come out of your tent."

At this time,

Zhen Mi came out of the carriage.

She heard Su Chen's voice and knew that this bastard had come out.

Her stomach had been hurting all afternoon.

If this bastard didn't come out, she would be hurt to death.

Su Chen saw Zhen Mi, a beautiful woman, and asked in confusion, "Zhen Mi, why are you here? You didn't go to Xuzhou City?"

When Zhen Mi heard Su Chen's words, she felt aggrieved and said, "I.....I left something in your tent, and I've been waiting for you all afternoon"

"Forehead! Then go get your belongings."

Su Chen felt very embarrassed when he saw Zhen Mi's aggrieved look.

He waited all afternoon?

Su Chen had been hanging out with Queen Guo all afternoon.

Zhen Mi must have been blocked by the shadow assassin from entering the tent. This made Su Chen feel sorry for Zhen Mi. Mi felt very apologetic after waiting all afternoon.

Zhen Mi glanced at Su Chen and hurriedly walked towards the tent. She didn't want to wait for a moment now. Her stomach had been hurting all afternoon. Zhen Mi didn't want to go through that again. pain

"Master, a secret message has arrived."

At this time, a shadow assassin appeared next to Su Chen and saluted,

"bring here!"

"Yes, master!"

Su Chen took the secret message from the Shadow Assassin and read it.

However, Su Chen was very surprised after reading it for a while.

Su Chen did not expect that Jiang Yuyan also came to the Northern Continent and completely controlled Yizhou. , and even controlled an army of two to three hundred thousand.

It's his fault!

How did that extremely vicious woman control Yizhou?

Did Jiang Yuyan marry Liu Yan, the prefect of Yizhou?

Su Chen looked at the secret letter in his hand He was very speechless.

That vicious woman Jiang Yuyan must have hated herself very much. He had completely destroyed Jiang Yuyan's plan in the Ming Empire. Su Chen never thought that Jiang Yuyan would cross the ocean and come to the North. Mainland China.

Su Chen put away the secret letter and muttered to himself, "It seems that I have to go to Yizhou. Jiang Yuyan is a scourge. If Jiang Yuyan is still obsessed with taking revenge on herself, then she cannot leave this scourge behind."."

Chapter 1263

Just when Su Chen was thinking about Jiang Yuyan,

Zhen Mi had already entered the tent, but as soon as she entered, she saw the tent was in chaos, and even many items were destroyed, and there was another one on the soft wall. Where the woman lies to rest.

This made Zhen Mi very speechless.

Zhen Mi did not disturb Queen Guo who was resting.

She was rummaging for her medicine.

Zhen Mi was now worried that her medicine would be destroyed by Su Chen and Queen Guo. Zhen Mi saw a scattered baggage. Medicinal materials scattered on the ground.

This made Zhen Mi couldn't help but scream,

"ah! My medicine, what should I do?"

"Um? What's wrong?"

At this time,

Queen Guo also woke up.

She looked at Zhen Mi with hazy eyes and asked doubtfully,

"you.....you....." When Zhen Mi looked at the naked Queen Guo, she quickly covered her eyes in embarrassment and didn't know what to say.

"ah....."

Seeing Zhen Mi's expression, Queen Guo suddenly reacted and screamed. She hurriedly covered her body with a blanket and covered her head.

Queen Guo felt that she had no face to see anyone.

This time Zhen Mi saw her scandal, which made her feel so ashamed that she even wanted to bite her tongue and commit suicide on the spot.

"that.....Sorry, I.....I went out first." Zhen Mi looked at the shy Queen Guo and said hurriedly.

Zhen Mi did not expect to encounter such a thing. This made Zhen Mi very embarrassed. She now has a very bad feeling towards Su Chen. Emperor Sure enough, they are all lustful people.

"Are you returning my medicine?"

Zhen Mi came out of the tent and saw that she didn't know what she was thinking. She was so angry that she yelled rudely to Su Chen,

"medicine? What medicine?"

Su Chen asked confused after hearing Zhen Mi's words.

When Zhen Mi saw that Su Chen was still pretending to be innocent, she said with shame and anger, "It's the one who was raped by you in the tent.....The medicine scattered on the ground due to your fight."

Su Chen was very speechless when he heard Zhen Mi's words.

Was he joking?

He and Queen Guo were jostling in the tent?

Uh!

It seemed like they were joking too.

Su Chen looked at Zhen Mi and asked speechlessly He said, "Are you sure we scattered those medicines all over the place?"

"Who else would it be if it weren't for you, hiss! My stomach hurts. Is it all your fault?" Zhen Mi was going to argue with Su Chen, but her stomach hurt again, and this time it hurt even more than before.

"What's wrong with you?"

Su Chen was sweating when she saw Zhen Mi holding her stomach in pain, which made Su Chen a little worried about Zhen Mi.

Zhen Mi had a stomachache and shouted to Su Chen, "Don't you see that I have a stomachache? ? Now that all my medicines are ruined, what should I do?"

"stomachache? Do you have irregular menstruation?" Su Chen looked at Zhen Mi and touched his chin and asked,

"What is irregular menstruation? Your Majesty the Emperor, do you know medical skills?"

"I know shit!"

Zhen Mi was completely desperate after hearing Su Chen's words.

She was going to continue to hurt.

Zhen Mi covered her stomach and shouted with sweat on her head, "You.....you.....Oops, my stomach hurts so much. I've been hurting all afternoon. I thought I was saved, but I didn't expect that the pain would continue in the end."

Su Chen looked at Zhen Mi squatting on the ground with a stomachache.

This made Su Chen feel very helpless.

His guess was probably right.

Was there just a medicine to control irregular menstruation in ancient times?

Su Chen found out from the system space He took out a red fruit and handed it to Zhen Mi and said, "Forget it, I'll save you once because you look so pitiful. Eat this and your stomach won't hurt anymore every month from now on.""

"Does just one fruit work?" Zhen Mi looked at the Zhu Guo in Su Chen's hand and asked doubtfully,

"If you don't eat, you'll continue to feel pain."

"I eat!"

When Zhen Mi saw that Su Chen was about to take back the Zhu Guo, she hurriedly snatched it and ate it. Now she doesn't care whether she is a lady or not. She wants to cure her stomachache as soon as possible.

I Minato!

Is this him the gentle and elegant Zhen Mi?

This is simply a tigress who is afraid of the tiger's mouth snatching food.

Su Chen was very speechless when he saw Zhen Mi eating the red fruit regardless of her image.

Women are really fickle.

A dignified, generous, gentle and elegant beautiful woman actually completely ruined her image of a lady just because of a stomachache.

This was something Su Chen could never imagine.

After Zhen Mi ate the red fruit, she found that her whole body was warm. There was even a strange air current rushing around in the body.

This made Zhen Mi panic and asked Su Chen, "Why do I feel so hot all over? Your Majesty, this fruit is not a poisonous fruit, right?"

"Yes, poison!"

Su Chen smiled and nodded when he heard Zhen Mi's words.

Su Chen felt that this Zhen Mi was really interesting. This woman actually thought that what she gave her was a poisonous fruit? Zhen Mi's idea was really strange. Does Su Chen need to use poisonous fruit to kill Zhen Mi?

Zhen Mi asked in horror when she heard Su Chen's words,

"Ah, why do you want to harm me?"

Su Chen also decided to scare this fickle Zhen Mi, "I am the emperor, do I need a reason to kill you?"

Zhen Mi suddenly thought that she knew about the affair between Su Chen and Queen Guo. Is it because of this that Su Chen wanted to kill her to silence her? "I understand, you are trying to kill me to silence me.....I saw your affair with Queen Guo, so you want to kill me to silence me, right?"

Adultery?

God damn adultery!

Su Chen doesn't want to deal with this random Zhen Mi right now. This woman doesn't even know what nonsense she is thinking about.

"Shut up and sit tight if you don't want to die!"

"oh oh!"

Su Chen turned his face behind Zhen Mi and pressed his hands on her back. Su Chen used his inner strength to help Zhen Mi dissolve the spiritual power of Zhu Guo in her body.

Although Su Chen didn't have to do this, Zhen Mi would be fine, but it was too much. It was a waste of Zhu Guo's spiritual power. Zhen Mi, who had no martial arts training, didn't know how to make the most of Zhu Guo's spiritual power to enhance her strength. At this time,

Queen Guo walked out of the tent. When she saw Su Chen was Queen Guo's eyes lit up because she had the inner strength to help Zhen Mi. This was her best plan for revenge. She quickly walked behind Su Chen.

Su Chen also felt Queen Guo's arrival, and even Queen Guo was hostile. He also sensed it clearly.

Su Chen shook his head at the surroundings and stopped the shadow assassin from appearing. He wanted to see if Queen Guo really wanted to kill him.

Queen Guo came behind Su Chen's body and slowly Slowly raising her palm, she only had to swing it down, and the bastard's head would be smashed to pieces by her.

Chapter 1264

Outside the city of Xuzhou, under the bright moonlight, between a luxurious tent and a carriage, a man and a woman were sitting on the grass as if they were practicing. Behind the man, another beautiful woman appeared. Leng Leng was about to strike the man with a palm.

However, when this woman was about to strike at this female man, her hands were trembling so hard that she couldn't move, and the beautiful woman's face showed an expression of struggle from time to time.

These three people were Su Chen, Zhen Mi, and Queen Guo. After Su Chen shook his head and asked his shadow assassins not to stop Queen Guo.

Su Chen has been observing Queen Guo's actions.

If Queen Guo really wants to kill him, he will disappear here instantly with Zhen Mi, and Queen Guo will also be killed by the shadow assassin. It is impossible for Su Chen to kill her. The woman who killed him had no mercy at all.

After Su Chen waited for a while, Queen Guo did not take action against him, which made Su Chen feel a little happy.

This woman he had conquered had already formed an emotional bond with him. Queen Guo should not kill him anymore..

Su Chen felt that this vicious woman could at least be saved.

This also made Su Chen feel that if he could train Queen Guo, he would completely change Queen Guo's vicious mentality.

"Queen Guo, are you tired of raising your hands?"

At this time,

Su Chen opened his mouth and said to Queen Guo behind him,

"Bastard, you.....Do you know I want to kill you?" Queen Guo's heart trembled when she heard Su Chen's words. She raised her hand and almost struck the bastard who scared her.

Su Chen felt that Queen Guo was panicking and wanted to strike at him, which made Su Chen hurriedly shout, "I'll do it! Be careful, are you going to murder your husband?"

"shameless bastard!"

When Queen Guo heard Su Chen's words, she yelled at Su Chen with shame and anger.

She also lowered her raised hand.

Queen Guo was very angry at her failure. She could obviously kill him without hesitation. This bastard, why couldn't he take action?

And this bastard, he knew clearly that she was coming to kill him, but why didn't this bastard take action against her? Didn't he even call his female guards in black to kill him?

This all made Queen Guo confused.

Su Chen smiled and continued teasingly, "Madam, if I am an asshole, then you are the asshole's wife. Are you scolding yourself?"

"Shut up, I am not your shameless perverted wife." Queen Guo was very ashamed and angry when she heard Su Chen's words.

This shameless bastard is a completely shameless person.

When did she become the wife of this bastard?

Queen Guo was forced by this bastard.

But why did she listen? Will she feel inexplicably happy when she sees Su Chen? Queen Guo thinks she may have been driven crazy by this bastard

"Haha, then your future children will not have a father." Su Chen laughed and continued teasing,

"you.....you....." When Queen Guo heard Su Chen's words, she touched her belly in panic.

Will she have a child?

Or this bastard's child?

Queen Guo thought that she and Su Chen had had close contact twice, and she was very panicked now.

Queen Guo is now very worried that she will be pregnant, if she is really pregnant with this bastard's child.

What will she do next?

Su Chen looked at Queen Guo's expression and wanted to laugh.

How could Queen Guo be pregnant?

Although they had close contact twice, as Su Chen's strength continued to increase, it would be very difficult for him to have children in the future.

Su Chen has many women, but so far only Concubine Yan has given birth to a daughter for him. Although his other women also want a child very much, it depends on the chance, and Su Chen cannot make the decision on these. of.

Zhen Mi closed her eyes while being helped by Su Chen to absorb Zhu Guo's spiritual power, while listening to the conversation between Su Chen and Queen Guo.

Although Zhen Mi cannot speak now, Zhen Mi listened with interest to the conversation between Su Chen and Queen Guo.

But she felt that Su Chen was too shameless.

The emperor of an empire would threaten a woman like this. This made Zhen Mi's impression of Su Chen become worse and worse.

"who?"

Suddenly,

Su Chen sensed that some people appeared next to him, which made Su Chen call out to the surroundings.

Su Chen sensed that the people who came this time were somewhat powerful. These people were at least three or four great masters. , there are more than ten masters, and there is even one who is close to the terrestrial immortal in the heaven and human realm.

Queen Guo heard Su Chen's shout and looked around hurriedly, but she didn't notice anyone coming in the dark night around her.

This made her Queen Guo looked at Su Chen and was very confused.

Queen Guo found that Su Chen's expression was very solemn and even very vigilant. This made Queen Guo feel that Su Chen was not playing tricks on her.

Zhen Mi also heard what Su Chen said. She was very confused.

She didn't expect anyone else to come. Could it be that another woman was coming to kill this bastard? How many women had this bastard emperor provoked? Why did all these things happen to her?

"hehe....., I didn't expect to be discovered as soon as we arrived."

At this time, an old laughter came over.

In just an instant, more than a dozen masters in black appeared around the carriage with weapons in the darkness.

"who are you?"

Su Chen was very confused when he saw the more than ten masters who appeared. He didn't know any of these people, and why did these people seem to be coming towards him? Could it be the enemies he had offended before?

Queen Guo saw such an appearance. What a powerful master, this frightened her and hurriedly approached Su Chen.

At this time, an ugly old woman came out of the darkness, followed by four masters wearing strange services.

This ugly old woman lived in When crutches arrived, they smiled at Su Chen and said, "Who are we? hehe....., you don't need to know this, anyway, a dead person doesn't need to know that much."

Su Chen looked at the old woman, then looked at the four people behind the old woman, and understood.

There were two people behind the old woman, but they were all dressed in black and white, which made Su Chen guess that these uninvited guests Who is he?

Su Chen looked at the ugly old woman and asked, "Xuanming Sect? Are you Po Meng from the Xuanming Sect?"

Mother Meng from the Xuanming Sect was surprised when she heard Su Chen's words and said, "Huh? Do you know Xuanming Sect? And you still know me, an old woman? It seems that your relationship with the eldest princess of Xuantian Empire is really unusual."

What an old woman!

Is Po Meng an old woman?

What a liar!

Su Chen knows that Po Meng is actually a beautiful woman, and Po Meng is also an undercover agent sent by bad guys in the Xuanming Sect.

"Po Meng, what are you going to do with these experts here this time?"

"kill you!"

"Holy shit! Po Meng, did I steal your rice? Or did I flirt with a woman named Shi Yao?"

Chapter 1265

Su Chen heard that Meng Po came to kill him this time, which made Su Chen think that Meng Po might have been ordered by the bad commander to kill him. Su Chen stopped the bad guy from arresting Mrs. Yan and Lu Lingqi in Xiapi County. Could it be that Is this the bad guy's revenge on him?

Otherwise, he has never offended the Xuanming Sect, and it is impossible for the Xuanming Sect to know of his existence.

When Po Meng heard Su Chen's words, she asked nervously, "You.....who are you? How do you know Shi Yao?"

Mother Meng didn't expect that Su Chen would know the name Shi Yao.

She is Shi Yao!

No one except the bad handsome man should know this name, and the bad handsome man can't reveal his identity.

How did this young man know Shi Yao? ?

Does he also know that Po Meng from the Xuanming Sect is Shi Yao?

Su Chen looked at the nervous Po Meng and smiled and said, "Then why did you come to kill me? After you tell me, I will tell you too."

Meng Po heard Su Chen's words and thought about it and said,

"Boy, we only killed you because you knew the princess of the Xuantian Empire. You were just a byproduct."

"What our Xuanming Sect wants to assassinate this time is Su Yan, the eldest princess of Xuantian Empire, who is also the daughter of Li Maozhen, the empress of Huanyinfang. Who allowed you to be with Su Yan, the eldest princess of Xuantian Empire? This can only mean your luck. Too much."

Mother Meng also wanted to find out how much Su Chen knew about Shi Yao. She was very worried that Su Chen would know everything about her. If this young man exposed her identity, then Shi Yao's years of undercover work would be in vain.

Guo The Queen heard that these people were coming to kill Su Chen, which made her very worried about Su Chen.

Although she used to wish that Su Chen would be killed, after what happened just now, Queen Guo did not want Su Chen to die, and was even worried about her. Future children will lose their fathers here.

At this moment,

Zhen Mi was listening to the conversation between Su Chen and the killers with fear. She felt that she was really unlucky when she came to Xuzhou this time.

Zhen Mi's medicine was destroyed first, which made her She had a stomachache all afternoon, and now she encountered Su Chen being assassinated. She heard these things clearly.

Zhen Mi also felt that these assassins would not let her go easily, and even she would be killed by these assassins.

When Su Chen heard what Mrs. Meng said, he was surprised and asked, "What? Do you want to kill the eldest princess Su Yan? The eldest princess Su Yan is the princess of the Xuantian Empire. Aren't your Xuanming Sect afraid of being wiped out by the masters of the Xuantian Empire?"

Su Chen didn't expect that the Xuanming Sect came to kill his daughter Su Yan this time.

Also, when did Su Yan become the daughter of Empress Huanyinfang?

Well!

Su Yan is indeed the daughter of Empress Li Maozhen.

After all, Li Maozhen is also her. My wife.

Po Meng laughed and explained,

"Ha ha! Our Xuanming Sect and Huanyinfang are in a fight to the death. How can we let go of the daughter of the Empress of Huanyinfang? As for the Xuantian Empire, the masters of the Xuantian Empire must be able to find our Xuanming Sect."

"Po Meng, why don't you kill the Empress of Huanyinfang? If you kill the Empress of Huanyinfang, won't you be able to get rid of Huanyinfang?"

When Po Meng heard Su Chen's words, she replied with an ugly face,

"The Empress of Huanyinfang is so powerful that none of our Xuanming Sect masters can match Li Maozhen. Do you think we have not assassinated Empress Li Maozhen?"

"Back then, the Ghost Emperor and Ghost King of our Xuanming Sect, together with the five great Yama Lords, and many masters did not surround and kill the empress Li Maozhen. Even the Ghost Emperor and the five great Yama Lords were killed by the Empress. Only the Ghost King escaped with his life that year. Otherwise our Xuanming Sect would not have fallen."

Meng Po's ugly expression is also an act.

Po Meng is a bad person.

She doesn't care even if all the masters of Xuan Ming Sect die. She is also pretending in front of the masters of Xuan Ming Sect.

"I'll do it! Is the Empress Li Maozhen so powerful?"

Su Chen felt that this matter was a bit strange.

When he met Empress Li Maozhen last year, she was a master at the peak of Grand Master. With the empress' level of cultivation, how could she kill the Ghost Emperor and the Five Great Yamas of Xuanming Sect? Those powerful masters?

Seeing Su Chen's surprised look, Po Meng smiled and said,

"What do you think? The Ghost Emperor and Ghost King of our Xuanming Sect are both masters of the Heavenly Realm. One was killed and the other was almost killed. Do you think Empress Li Maozhen is very powerful?"

"but!"

"After the empress's unparalleled battle, she was seriously injured, and even her cultivation level fell to that of a grand master."

"Otherwise, Huanyinfang would not have hidden it for more than ten years without being born, but last year the strength of Empress Li Maozhen was completely restored, and even Empress Li Maozhen was even stronger than before."

"So our Xuanming Sect has to kill the empress' daughter first. Anyway, the empress doesn't know that it was our Xuanming Sect who killed her daughter."

Su Chen understood after hearing Po Meng's explanation.

No wonder she had only the strength of a grandmaster when he met Li Maozhen. It turned out that Li Maozhen was injured and fell to the realm of cultivation. Empress Li Maozhen was able to regain her strength, and her strength was even stronger than that of a master. It was stronger in the past, and

Su Chen also knew why.

Su Chen left a lot of red fruits and spiritual stones to the empress. Empress Li Maozhen's strength will definitely become stronger and stronger.

"Po Meng, so your Xuanming Sect wants to kill everyone related to the eldest princess. Is this also to prevent it from being exposed that the eldest princess was killed by your Xuanming Sect?"

"good!"

Mother Meng nodded and admitted.

Su Chen looked at the masters of the Xuanming Sect and shook his head and said, "Can you kill the eldest princess? There are many powerful masters around the eldest princess. Do you think you can kill the eldest princess with these people?"

"Who said we are going to kill the eldest princess?"

"Um?"

"There are other people who are going to kill the eldest princess. We are only responsible for killing some people who are close to the eldest princess."

Su Chen was shocked when he heard Po Meng's words.

As he guessed, he hurriedly asked Po Meng, "Ghost King? Your ghost king from the Xuanming Sect wants to kill the eldest princess himself?"

Su Chen thought that if a master in the Celestial Realm went to assassinate Su Yan, the shadow assassin next to Su Yan might not be the opponent of the land immortal in the Celestial Realm.

Su Chen was a little worried about Su Yan's safety.

Po Meng did not expect that Su Chen would guess The Ghost King would take action himself, which made Po Meng look at Su Chen and say with bright eyes, "Boy, I am becoming more and more optimistic about you. If you weren't the one who must be killed this time, I wouldn't be willing to kill you.

Su Chen laughed when he heard what Meng Po said, "Meng Po, do you have a crush on me?" I don't mind if you like me"

"Boy, what are you talking about? Do you want to die now?" When Po Meng heard Su Chen's words, her face changed drastically and she threatened,

"Come on, Queen Guo, do you want to strangle me to death?"

"You are such a shameless person."

Chapter 1266

Su Chen just wanted to tease Po Meng, oh!

No, it's Shi Yao.

Su Chen didn't expect that Queen Guo next to him would directly pinch his waist, and pinch her hard.

This made Su Chen look at Queen Guo and was very speechless.

Queen Guo didn't expect that Su Chen would be so out of tune. These people came to kill this bastard and his daughter, but this bastard was still teasing an old woman, even an ugly-looking old woman.

Queen Guo didn't expect that this bastard Su Chen would have such strong taste.

This bastard was so hungry that he couldn't choose what to eat.

"Boy, can you tell me about Shi Yao?" Mother Meng was very wary of Su Chen.

This bastard would actually molest her.

Does this bastard really know that she is Shi Yao?

Su Chen sensed that there was no movement in Xuzhou City, and he was not in a hurry to go. To save Su Yan, it only took a moment for Su Chen to go to Xuzhou.

He decided to deal with Meng, uh!

Shi Yao first.

"Shi Yao! I don't know you, I just said a random name. Po Meng, do you believe what I said?"

"Do you think I would believe it?" Meng Po looked at Su Chen with an expression like "You're kidding me."

After Su Chen stood up from the ground, he ordered Po Meng with a serious face, "You will believe it, Po Meng, kill these. Masters of the Xuanming Sect, you should understand what I mean."

After Su Chen helped Zhen Mi completely absorb Zhu Guo's spiritual power, he wanted Po Meng to kill the Xuanming Sect master here. If Po Meng didn't want to expose her identity, Su Chen believed that Po Meng would do what he said. Do

"Ha ha....."

The masters of the Xuanming Sect laughed when they heard Su Chen's words. They did not expect that Su Chen would say this.

How could Po Meng from the Xuanming Sect kill them?

This young man must have been frightened out of his mind.

"you sure?"

Mother Meng stared at Su Chen expressionlessly and asked coldly,

"Very sure! sky....Yu!"

Su Chen smiled and said to Po Meng, and Tianyou is the title of Tianyou Star, one of the thirty-six captains of bad guys, Su Chen believed that Po Meng would understand what he meant.

Boom!

Po Meng suddenly faced The master of the Xuanming Sect next to her took action, and her magic dragon sword directly killed four or five masters of the Xuanming Sect next to her.

Po Meng looked at the four black and white impermanence and the judge of water and fire next to her, and she had a cold and serious look on her face. The order said, "Black and white are impermanent, judge of water and fire, kill these people.""

"Yes, Po Meng!"

After Black and White Wuchang and Judge Shuihuo heard Meng Po's order, they hurriedly took action against the other masters of Xuan Ming Sect.

They were directly subordinate to Meng Po, and they were 100% obedient to all Meng Po's orders. The masters of the Xuanming Sect were very panicked when they saw Po Meng killing their people.

A leader of the Xuanming Sect, holding a scimitar, nervously threatened Po Meng, "Pomo Meng, are you going to rebel? We are the subordinates of the Ghost King"

"kill!"

[illegible]

The four great masters, Black and White Wuchang and Judge Water and Fire, took action against the members of the Xuanming Sect one after another.

They are all great masters.

The masters of the Xuanming Sect are no match for the four of them. The followers of the Xuanming Sect are constantly being killed by them.

Queen Guo and Zhen Mi, who opened their eyes, stared blankly at the Xuanming Sect members who were killing each other. They did not expect that Su Chen just said a few words casually, but that Meng Po of the Xuanming Sect really obeyed Su Chen's orders.

This made looking at Su Chen feel incredible.

Queen Guo looked worried and asked Su Chen in a low voice, "Su Chen, Po Meng from the Xuanming Sect doesn't really like you, right?"

"Maybe!"

Su Chen looked at Po Meng when he heard Queen Guo's words and replied.

Su Chen believed that Po Meng also heard what Queen Guo said.

He also wanted to see how Po Meng would react.

Queen Guo looked at Su Chen with a serious face. warned,"What maybe? You can't have that ugly old woman"

"This may be a bit difficult."

Su Chen touched his chin and said with a smile.

Queen Guo grabbed Su Chen's clothes angrily and cursed,"What the hell, you won't be so greedy as to give in to this ugly old woman, right?"

Queen Guo guessed that Su Chen would never be interested in that ugly old woman, but she couldn't tell if this bastard was in danger.

If Po Meng from the Xuanming Sect threatened Su Chen, this bastard might really give in. That ugly old woman Meng Po

"Hmm, I think so, Queen Guo, he must be greedy for life and afraid of death."Zhen Mi nodded beside her and agreed very much with what Queen Guo said.

Zhen Mi felt that Su Chen was the emperor of an empire. Emperors are bastards who are greedy for life and afraid of death. Su Chen definitely doesn't want to die. If this bastard doesn't want to die, He would definitely give in to that ugly old woman.

At this moment,

Po Meng's head was full of veins and she was holding her crutch tightly. She wanted to kill this shameless man and those two damn women.

Although Po Meng didn't know How did this bastard know her identity, but she would fall in love with this shameless bastard?

This pretty boy is just being pretentious

"Zhen Mi, why do I think you are so brave today? Do you think I won't do anything to you?" Su Chen hugged Zhen Mi, lifted her chin and threatened.

Su Chen felt that Zhen Mi let herself go when she had a stomachache. At first, Su Chen thought Zhen Mi had a stomachache, so he didn't pay attention to it. But Zhen Mi still dared to arrange herself in this way even when her stomach didn't hurt. Su Chen decided to teach Zhen Mi a lesson, as her character started to be free and easy.

"what you do? Let me go." Zhen Mi was so frightened when Su Chen hugged her that she struggled and trembled,

"do what? What do you think?"

Su Chen said and hugged Zhen Mi and started to kiss her.

Although Su Chen had no interest in Zhen Mi as a vase before, Zhen Mi is a beautiful woman after all, and after Zhen Mi ate the red fruit, Zhen Mi Now she is a master master.

Well!

Zhen Mi is just an empty master master now.

After all, she has not practiced any martial arts secrets.

Su Chen thinks that Zhen Mi will be allowed to practice some martial arts secrets in the future. He believes in Zhen Mi. He will also become a good master in the future. After all, Su Chen wasted a precious fruit, and Zhen Mi can only repay it with her own body.

"Shameless pervert, what are you going to do? Queen Guo yelled angrily when she saw Su Chen kissing Zhen Mi.

Su Chen let go of Zhen Mi and said to Queen Guo with a smile, "What are you doing?" Find you a sister, your body is too weak"

"you.....You are shameless!" Queen Guo cursed in shame and anger after hearing Su Chen's words.

Queen Guo thought about how she had been tortured by Su Chen before. She also felt that she couldn't bear the harm of this bastard.

Bah!

Queen Guo thought she was going crazy.

How could she You can think of those shameless things.

Boom!

Po Meng held the magic dragon sword and knocked on the ground hard and threatened, "Boy, stop flirting. Have you figured out how to die?" You can't threaten me anymore"

"Shi Yao, do you really want to kill me? I'm very handsome, aren't you tempted at all?"

Chapter 1267

Su Chen touched his chin speechlessly when he heard what Meng Po said.

This Meng Po has not given up on killing him yet.

Will Meng Po continue to be an undercover agent in the Xuanming Sect?

When Po Meng heard what Su Chen said, she attacked Su Chen directly with anger on her face.

She felt that talking to this bastard was nonsense, and she could put an end to it by killing this bastard.

Po Meng also felt that she was dizzy. boom!

"I'll do it! Po Meng, don't you like me anymore?" When Po Meng attacked, Su Chen hurriedly hugged Queen Guo and Zhen Mi and moved aside instantly. He looked at the angry Po Meng and continued teasing,

"Go to hell!"

Meng Po raised her magic dragon and threw it at Su Chen.

This shameless bastard has completely pissed her off.

Meng Po has never hated a person so much.

Now she wants to smash this bastard to pieces. Thousands of corpses.

Boom boom boom.....

For a time,

Meng Po's attack not only smashed the tents and carriages to pieces, but even the surrounding ground was pockmarked by the attack. The angry Po Meng tried her best to kill Su Chen.

"Damn it, Granny Meng was really pissed off." Su Chen hugged Queen Guo and Zhen Mi and kept teleporting back and forth to avoid Meng Po's attack.

Su Chen didn't want to leave yet. The Xuan Ming Sect is very mysterious, and the hiding place of the Xuan Ming Sect is probably only known to Po Meng..

If Su Chen wants to solve the hidden danger of the Xuanming Sect, he must find a way to subdue Po Meng.

Queen Guo was held by Su Chen to avoid Po Meng's attack.

At first, she was worried that Su Chen was not the opponent of the Xuanming Sect, but once After meeting, she discovered that Su Chen could easily evade Meng Po's attack, which surprised her at Su Chen's strength.

Queen Guo also did not expect that Su Chen would be so powerful.

Po Meng seemed to be a super master, but a super The master could do nothing against Su Chen.

Queen Guo felt very ridiculous when she thought of assassinating Su Chen before. Queen Guo guessed that Su Chen would kill her in just a moment. When she looked at Su Chen, she felt that this bastard had been giving in before. She even deliberately indulged her guilt.

Thinking of this, Queen Guo leaned into Su Chen's arms and said with a smile, "You shameless person has been teasing Po Meng before. She will definitely kill you in anger."

"Tsk, it seems like she won't kill me if I don't molest Po Meng." Su Chen replied after smelling the fragrance of the two women's bodies.

Queen Guo suddenly thought of Su Chen calling Po Meng Shi Yao.

This made her confused and asked Su Chen, "Su Chen, why did you just call Po Meng Shi Yao? Shi Yao?"

"This Meng Po is disguised. She is a very beautiful beauty. Do you think I would fall in love with an old woman?"

"Shameless!"

Zhen Mi cursed angrily when she heard Su Chen's words.

She has not forgotten that this bastard kissed her before. Zhen Mi was so frightened by Po Meng's attack that she forgot to scold Su Chen. Now that she felt safe, she thought in shame and anger. Kill this bastard.

She was defiled by Su Chen.

How can she get married after this?

"Zhen Mi, do you still want me to kiss you again?"

"you.....you....."

"Damn it, be honest, or I'll throw you out."

Zhen Mi turned pale when she heard Su Chen's threat.

She was worried that Su Chen would really throw her out. Po Meng is so angry that she has been chasing Su Chen. If Su Chen throws her away at this time, If she went out, she would probably be beaten to pieces by Mrs. Meng with her cane.

Zhen Mi hurriedly hugged Su Chen's waist tightly.

She was really worried that Su Chen would throw her out. Bump, bump, bump.....

"Bastard, can you only hide?"

Mother Meng is getting more and more angry now.

This bastard is hiding around like a rabbit. Po Meng has been chasing this bastard for a while, but she didn't even touch this bastard's clothes. This makes Po Meng ugly. The old face became even uglier.

Su Chen smiled when he heard Po Meng's cry and asked,"Shi Yao, do you think I have extra hands?"

Su Chen is holding Queen Guo and Zhen Mi now.

Even if he wants to fight back, he is powerless.

Moreover, Su Chen does not intend to take action against Po Meng. As long as Po Meng cannot kill him, Po Meng will definitely compromise with him.

Po Meng's The identity of a delinquent is a top secret.

Po Meng did not dare to return to a delinquent until she had completed the task of being a delinquent handsome.

Otherwise, death would be waiting for her.

"you.....If you let them go, I promise not to take action against them."When Po Meng heard Su Chen's words, she gritted her teeth angrily and said,

Po Meng really has nothing to do with this cunning bastard. If she can't kill this bastard, she will always be in danger.

If this bastard kills Xuan Ming The Xuanming Sect will expose her identity.

When the time comes, the Xuanming Sect will hunt her down.

Even the Ghost King and the Four Corpse Ancestors will spare no effort to hunt her down. Moreover, the bad guys will probably abandon her as a useless chess piece.

"Do you think I will believe you?"Su Chen curled his lips and said to Po Meng mockingly,

"you will believe"

"I believe you, you are the scheming Po Meng. I believe you are not a meat bun beating a dog. You will never come back."

"Damn it, I'm going to kill you, I'm going to kill you."

Boom boom boom.....

Po Meng went crazy and started to attack Su Chen violently.

At this time, after Black and White Wuchang and Judge Fenghuo killed the followers of the Xuanming Sect, they also came to Po Meng.

Po Meng saw Hei and Wuchang and Judge Fenghuo. When the four people arrived, she ordered angrily, "Surround and kill this shameless bastard. I will cut him into pieces.""

"Yes, Po Meng!"

Black and White Wuchang and Judge Fenghuo didn't dare to ask more questions when they saw the angry Po Meng.

Today's Po Meng was very abnormal.

Po Meng, who had always been confident, lost her sense of proportion this time.

Black and white Wuchang and Judge Fenghuo looked at Su Chen also surrounded him with weapons. This pretty boy who made Po Meng angry was definitely dead this time.

Four great masters and a half-step celestial being surrounded him.

They didn't believe that Su Chen could escape.

"Damn it, Po Meng, you don't follow martial ethics!" When Su Chen saw Black and White Wuchang and Judge Fenghuo surrounding him, he hurriedly shouted to Po Meng.

Boom!

Po Meng hit Su Chen with her cane and gritted her teeth and cursed, "I'm talking nonsense. Wude, go to hell!"

Woo woo woo.....

At this moment,

Xuzhou City suddenly heard the sound of the horn of the Black Bird Legion.

When Su Chen heard the sound of the horn of the Black Bird Legion, his heart suddenly jumped.

He knew that Su Yan was under attack.

This made Su Chen no longer delay. Went down.

Su Chen hugged Queen Guo and Zhen Mi and said to Po Meng with a serious face, "Mr. Meng, we'll meet in Xuzhou city."

Su Chen teleported away as he said that.

He was worried that the Shadow Assassin wouldn't be able to protect Su Yan. , this time Su Chen, the ghost king of Xuanming Sect, wanted to kill him with his own hands. If he dared to assassinate his daughter Su Yan, Su Chen would not let that ghost king go.

"Damn you bastard, don't run away if you dare."

Chapter 1268

In Xuzhou City, the Prefectural Mufu Mansion was full of fire.

Outside Su Yan's room, layers of secret guards, shadow assassins, and even the surrounding black-armored troops protected Su Yan as he came out.

At this moment, three middle-aged men in black appeared in an attic of the State Shepherd's Mansion, and around them there were hundreds of men in black holding scimitars.

"The crossbow is ready, let go!"

Swish swish swish.....

Ding ding ding ding peng peng.....

As the black-armored army's crossbows began to kill the men in black who came to assassinate Su Yan, the men in black also avoided the crossbows of the black-armored army. These powerful men in black rushed towards The black-armored army in the yard

"Shield formation, kill!"

"Kill, kill, kill!"

As the men in black rushed over, the black-armored troops held swords in one hand and military shields in the other and started to kill the assassins in black.

At this time, one of the three people on the attic shouted to Su Yan below. road,

"Princess, your army and guards are very good. We didn't expect to be discovered by your guards just after we arrived. However, you are dead this time. The army and guards here cannot protect you."

"who are you? Why do you want to assassinate this princess?" Su Yan asked with a frown when he heard what the man in black said in the attic.

Su Yan did not expect that he would be assassinated today, and the assassins who came this time turned out to be masters, even the three people in the attic. She couldn't tell her strength at all.

This made Su Yan unable to guess who wanted to kill her.

The man in black said with an indifferent expression,

"You don't need to know this. If you want to blame it, just blame your mother, right?"

"My mother? Do you know my mother? Are you my mother's enemies? This isn't right. My mother usually doesn't leave the Black Bird Palace. She can't have any enemies. If it were my father, it would be fine."

Su Yan was completely confused.

These people came to kill her because of her mother. However, her mother was usually in the Black Bird Palace. Her mother could not offend these people. If these people in black were her mother's enemies, can these men in black survive until now?

"Um? Your mother is our enemy, and everyone here will die today." The man in black was a little surprised when he heard Su Yan's words.

Su Yan actually said that her mother rarely left the Xuandiao Palace, but the empress Li Maozhen was always in the Northern Continent. How could Li Maozhen be in the Xuandiao Palace all the time?

Su Yan was in the man in black. She didn't worry at all under the threat.

Her father Su Chen was just outside Xuzhou.

Su Chen had even killed land gods in the heavenly realm. These men in black dared to assassinate her. Su Yan believed that his father already knew what happened to her here. There was an accident, and I'm afraid I'm on my way here quickly.

"Come on, just talk big. My army will be here soon. Do you think you guys are a match for thousands of troops?"

"Then you have to survive until your army arrives, take action, and fight quickly."

"Yes, Ghost King!"

Boom boom.....

Three super masters attacked Su Yan at the same time. Hundreds of the surrounding black-armored troops were massacred at once, and many of the secret guards guarding Su Yan were also killed with one blow.

"Guard! Guard! Everyone swears to protect Her Royal Highness the Princess to the death." After the secret guard commander saw the troops and secret guards being killed by three super masters, he kept ordering the surrounding troops and secret guards to protect Su Yan with all their strength.

"With your incompetent resistance, can you stop us?"

Boom boom boom.....

In the Prefectural Mufu's Mansion,

Mrs. Yan and other women listened to the shouts of death from Su Yan's residence. They all looked pale and worried about Su Yan's safety. They also did not expect that someone would assassinate Su Yan in the Prefectural Mufu's Mansion.

It's just that they are all powerless women. Even if they are worried about Su Yan's comfort, they can't save Su Yan.

"Where is Su Chen? Hasn't Su Chen arrived yet?"

"His Majesty the Emperor is outside Xuzhou City. Even his arrival will take time. I hope the eldest princess can wait until His Majesty the Emperor arrives."

"well! Who wants to assassinate the eldest princess? Aren't you afraid of the Xuantian Empire's revenge?"

"These should be powerful Jianghu people. Otherwise, the black-armored army would have killed those assassins long ago. I hope nothing happens to that girl Su Yan."

"Could it be that Su Chen provoked the Jianghu people, so these Jianghu talents came to assassinate Su Yan?"

"Maybe."

Mrs. Yan, Huang Yueying and more than a dozen women were talking anxiously.

They now hope that Su Chen can come quickly to save his daughter.

Otherwise, if Su Yan is assassinated, the Northern Continent will probably be destroyed by the angry Su Chen. At this time,

Su Yan's casual shadow assassins were also dispatched. After these three powerful men in black continued to slaughter the black armored army and secret guards, the shadow assassins also assassinated the three powerful men in black..

Stabbed! Stabbed!

Three powerful men in black were massacring the black-armored army and secret guards.

At this time, shadow assassins suddenly appeared one after another. The shadow assassins holding short blades quickly attacked the three black men. The man in black slit his throat and left.

The three powerful men in black also reacted instantly, and they all avoided the assassination of the shadow assassin.

Although the three powerful men in black all escaped the assassination of the shadow assassin, there was still one man in black. He was stabbed by the short blade of the Shadow Assassin.

The injured man in black touched the blood on Tian's neck and yelled angrily, "Damn it, what kind of assassins are these? My majestic Celestial Realm master was actually injured by these reptiles?"

Boom, boom, boom!

"Another man in black slapped the surroundings a few times before reminding,"Be careful, these assassins are not simple. They hide quickly as soon as they miss a hit. Even I didn't sense what they were doing." place."

The Ghost King searched the shadow assassins and found no aura, which surprised him.

He is a master in the middle stage of the Heavenly Realm. The most powerful female assassins in black are only in the Grand Master Realm. Even he found that Without those female assassins, the Ghost King was also very afraid of the strength of the Xuantian Empire. The

Ghost King looked at Xiangtian's two allies and hurriedly ordered,"Kill the eldest princess with all your strength. I don't believe those assassins in black don't show up.""

"Yes, Ghost King!"

Boom boom boom.....

As the three ghost kings continued to kill Su Yan, both the black-armored army and the secret guards suffered heavy casualties. Even the shadow assassins killed and injured more than ten people in order to stop the three ghost kings. This was the first time that the shadow assassins began to have some success. There were casualties, and more than ten people were killed and injured at once.

After the other two people dealt with the black-armored troops and shadow assassins, the Ghost King walked towards Su Yan step by step and said coldly,"Princess, no one can save you this time. Don't worry, your mother will go down to accompany you in the future."

"Yeah? You try to kill me?"Su Yan looked at the dead black-armored troops, secret guards, and even shadow assassins. This made her hold her hands and look at the Ghost King with a expressionless threat. The

Ghost King looked at Su Yan's calm look and said with admiration,"All of them are... You are still calm and composed at this time. You are indeed the eldest princess of the Xuantian Empire, but you are still going to die and no one can save you."

"Yeah? Ghost King, it seems that you have recovered from your injuries more than ten years ago. Can you still escape this time?"

"female.....female.....Empress Li Maozhen, why are you here?"

Chapter 1269

In the governor's mansion, a beautiful and domineering woman suddenly appeared in front of Su Yan out of nowhere.

Moreover, ten very beautiful women also came to Su Yan one after another. After these beautiful women arrived, they quickly protected Su Yan.

The gorgeous and domineering beautiful woman looked at the Ghost King and said coldly,

"Yeah? Ghost King, it seems that you have recovered from your injuries more than ten years ago. Can you still escape this time?"

When the Ghost King saw the appearance of this beautiful woman, he was frightened and hurriedly backed away, "Female.....female.....Empress Li Maozhen, why are you here?"

The Ghost King is very frightened now.

They secretly came to Xuzhou this time to kidnap and kill Empress Li Maozhen's daughter. This matter is very secret. How did Empress Li Maozhen come to Xuzhou? Has their plan been known to the Empress all along?

Su Yan listened When she heard about the Ghost King, she looked at the beautiful woman who appeared in front of her with confusion. This beautiful woman was actually her aunt Li Maozhen?

But how could her aunt Li Maozhen know that there was danger?

Could it be that her father informed Li Maozhen? ?

Su Yan looked at the shadow team next to him again.

The appearance of the shadow team made Su Yan relax.

She was very nervous just now.

This was the first time she encountered an assassination in the heavenly realm.

Su Yan was not afraid of that. It's fake, but she can't be afraid in front of the black-armored army, secret guards, and assassins.

If a commander is afraid, the black-armored army, secret guards, and shadow assassins here may also lack confidence in fighting. Su Yan is afraid You have to pretend as if nothing happened

"Zhu Youwen, after hiding for more than ten years, you still show up. This time you dare to assassinate the eldest princess of the Xuantian Empire. You are really tired of living."Empress Li Maozhen looked at the Ghost King indifferently and said with a sneer.

The Empress also did not expect that the Ghost King of Xuanming Sect would have the audacity to attack Su Yan. If she hadn't come from Jingzhou to find Su Yan this time, Su Yan, a little I'm afraid the girl is really going to be robbed.

Ghost King Zhu Youwen roared at the empress with anger on his face,"Li Maozhen, our Xuanming Sect was destroyed by you. Our Xuanming Sect killed your daughter this time to take revenge."

Ghost King Zhu Youwen thought that he had two powerful allies, three land gods in the heavenly realm.

He didn't believe that Empress Li Maozhen could kill them. No matter how powerful the empress Li Maozhen was, how could she still have three powerful heavenly realms? Are they opponents of masters?

At this time, two other men in black also came to the side of Ghost King Zhu Youwen.

They also discovered the arrival of Li Maozhen, the empress of Huanyinfang, and there were also a dozen or so grand masters arriving, which made their faces change. They were all very ugly.

They didn't expect that Li Maozhen would discover their secret actions.

I'm afraid a war was inevitable this time.

The fighting in the Prefectural Mufu Mansion stopped for a while, and only less than a few thousand black-armored troops were left. There were five hundred people, but out of the hundreds of secret guards, less than ten people were killed or injured. The shadow assassins also killed more than twenty people this time. The battle in the Zhou Mu Mansion was very fierce. In the

Zhou Mu Mansion The remaining black-armored troops, secret guards, and shadow assassins all resumed guarding Su Yan.

Although many of the black-armored soldiers and guards in Zhou Muli were seriously injured, they all held their swords as if they were dead. He and Chang Ge continue to protect Su Yan

"My daughter?"

When Empress Li Maozhen heard the Ghost King's words, she turned around and looked at Su Yan in confusion.

She now understood that the people of the Xuanming Sect actually thought Su Yan was her daughter and assassinated her. This time, she was the one who got the little girl Su Yan in trouble. , she did not expect that people from the Xuanming Sect would think that Su Yan was her daughter.

The ghost king Zhu Youwen looked at Su Yan and said angrily, "Yes, Li Maozhen, although we can't kill you yet, we can kill your daughter for the sake of peace." The Xuanming Sect declined and took revenge."

Li Maozhen arrogantly put her hands behind her back and snorted with disdain,

"Huh, if you Xuanming Sect masters hadn't sneak attacked me, would I have killed you Xuanming Sect masters? I have been trying to destroy the remnants of you Xuanming Sect all these years, but you have been hiding too secretly. I didn't expect that you would take the initiative to jump out today."

The Ghost King saw Li Maozhen's disdainful look and shouted angrily, "Li Maozhen, this time we have three powerful celestial beings and land gods. It's not certain who will live and die today."

Li Maozhen looked at the other two masters of the Heavenly Realm domineeringly and mocked, "I was able to kill Emperor Ming (it was Emperor Ming, written as Ghost Emperor before, so I changed it here) under many masters, and you. All the masters of the Xuanming Sect, I can kill you today."

A man in black next to the Ghost King reminded Ghost King Zhu Youwen, "Ghost King, don't talk nonsense to them. Let's fight quickly, otherwise we will be surrounded by the Xuantian Empire's army."

"Okay, Red Ghost, Red Demon, let's kill Empress Li Maozhen together." The ghost king nodded when he heard the words of the man in black. When the red ghost of black heard the words of the ghost king Zhu Youwen, he licked his tongue and looked at the beautiful Li Maozhen and said, "Okay, our brothers are interested in the empress Li Maozhen. I am very interested. Her body belongs to both of us."

"Can!"

Bah bang bang!"

"Xuanming Sect, you are so courageous. You dared to assassinate my daughter, and now you dare to hit my woman's attention. You are asking for your own death."

At this time,

Su Chen suddenly appeared from an attic next to the empress Li Maozhen. He clapped his hands and said with a cold threat.

Su Chen arrived for a while.

He was going to save that girl Su Yan, but he didn't. The thought that Li Maozhen would appear made Su Chen not appear in the attic immediately.

"See Your Majesty!"

After Su Chen appeared, the black-armored troops, secret guards, and shadow assassins in the Prefectural Shepherd's Mansion saluted Su Chen one after another,

"See Your Majesty!"

Le Bingyun's six girls in the Shadow Team and Yan Yangtian from Huanyinfang also saluted Su Chen.

Youruo and Mingyue looked awkwardly at the people around them who were saluting.

They didn't know what to do. Mingyue and the others did not expect that the young man who appeared was the emperor of the Xuantian Empire, but their identities were somewhat special.

Youru was the daughter of Xiongba. She was kidnapped by women like Le Bingyun. Youru was not She would salute Su Chen.

Although Mingyue had an agreement with Su Yan, she had not yet joined the Xuantian Empire. Mingyue also lowered her head in embarrassment.

"Father, I am about to be killed, why did you come?"

"Su Chen, why did you come to the Northern Continent?"

Su Yan and the surprised Li Maozhen asked one after another when they saw Su Chen's appearance.

"We'll talk about this later. Let's kill these people first." Su Chen looked at Su Yan and Li Maozhen, shook his head and said,

"His Majesty? You mean His Majesty the Emperor of the Xuantian Empire? How could you appear in the Northern Continent?"

"What you said is a bit funny, why can't I appear in the Northern Continent?"

Chapter 1270

The ghost king Zhu Youwen did not expect that the emperor of the Xuantian Empire would appear in the northern continent in person, which frightened him. If the emperor of the Xuantian Empire appeared here, then I am afraid that the masters of the Xuantian Empire are also nearby. Their Xuanming Sect this time If we are really going to fall into trouble, even the masters coming this time may not be able to escape.

Su Chen looked at the Ghost King Zhu Youwen and ordered to Le Bingyun and the others, "Shadow Team, you bring the shadow assassins, dark guards, and black-armored troops to destroy the minions of the Xuanming Sect."

"Yes, Your Majesty."

The six ladies Le Bingyun saluted Su Chen hurriedly and replied,

"Youru, you go too!"

Su Chen shouted again to those around him,

"Yes, master."

The shadow assassin You Ru suddenly appeared next to Su Chen and saluted, swish swish.....

The six Le Bingyun girls waved to the surrounding troops and guards, and they took the lead in killing more than a hundred masters of the Xuanming Sect.

The black-armored army and the secret guard shadow assassins also started to kill the masters of the Xuanming Sect.

Su Chen looked at Ghost King Zhu Youwen and asked with a cold expression, "Ghost King Zhu Youwen, how do you want to die?"

"Um? Emperor of the Xuantian Empire, you didn't bring any master to the Northern Continent this time? Hahaha, you are seeking your own death this time." Ghost King Zhu Youwen breathed a sigh of relief when he saw that no masters from the Xuantian Empire appeared. The Ghost King felt that the emperor of the Xuantian Empire must have come to the Northern Continent secretly this time. Even the emperor of the Xuantian Empire did not bring the masters of the Heavenly Realm with

him. , which made the Ghost King feel that this was an opportunity to kill the Emperor of Xuantian Empire. Su Chen did not pay any attention to the Ghost King, a dead man who was about to be killed, and Su Chen was too lazy to talk nonsense to him,"Maozhen, Ghost King Zhu Youwen handed it over to I, you will take care of the remaining two bastards.

"

"Can you do it?"

Empress Li Maozhen looked at Su Chen and asked doubtfully,

Ghost King Zhu Youwen is a master in the middle stage of the Heavenly Realm, and Su Chen's strength is that of a great master. Can Su Chen kill the Ghost King, a powerful enemy? Li Maozhen is very powerful to Su Chen is a little worried

"I'll do it! Men can't say no."When Su Chen heard Li Maozhen's words, he patted his chest with a black line and said.

Li Maozhen glanced at Su Chen and yelled in shame,"You are so shameless! Then be careful. If it doesn't work, call me quickly and I will try to deal with those two ghosts as quickly as possible."

"Don't worry, I can definitely do it, and I will kill the Ghost King Zhu Youwen before you do."

"Just blow it!"

Empress Li Maozhen rolled her eyes at Su Chen, and she quickly attacked the Red Ghost and the Red Demon. The Zixiao Sword in her hand sent out purple blades and attacked the Red Ghost and the Red Demon one after another.

Boom boom boom boom.....

"Red ghost palm!"

"Red ghost finger!"

Chi Gui and Chi Yao also attacked the empress Li Maozhen with serious faces.

For a time, the buildings in Xuzhou Mu's Mansion were destroyed by their fighting and collapsed. Fortunately, the maids and servants in Xuzhou Mu's Mansion Evacuate from the beginning, otherwise even Yu Bo will kill them in such a battle

"Phantom Sound Jue!"

"Red ice fist!"

"Red Fire Mysterious Finger!"

Boom boom boom boom.....

The Empress Li Maozhen was fighting fiercely with the Red Ghost and the Red Demon in the sky above the Prefectural Mufu. Li Maozhen and her daughter were suppressing the Red Ghost and the Red Demon in the fight. I believe that it won't take long for Li Maozhen to kill the Red Ghost and the Red Demon. Under the Xiao sword.

When Su Yan saw that Su Chen had been watching the battle in the Prefectural Shepherd's Mansion, he asked suspiciously, "Father, why didn't you take action to kill this ghost king? He just wanted to kill your precious daughter."

"Aren't you okay?"

Su Chen said speechlessly when he heard Su Yan's words.

Su Chen also wanted to know the strength of Empress Li Maozhen. He was worried that Li Maozhen would not be a match for the two masters of the Heavenly Realm.

However, it seems that Li Maozhen's strength is very good now. It was so powerful that it was more than enough to at least kill those two masters of neither humans nor ghosts.

Su Yan looked a little gloomy and said to Su Chen, "But my army and secret guards suffered heavy casualties, and even the shadow assassins suffered a lot of casualties. , I want this ghost king to die, you must not let this damn ghost king go."

"I know, who are they?" Su Chen touched Su Yan's head and comforted him, but when he saw the three women next to Su Yan, he asked doubtfully,

"I don't know, they were all brought by my aunt"

"In Huanyinfang, Yan Yangtian has met His Majesty." Yan Yangtian hurriedly introduced after hearing the conversation between Su Chen and Su Yan,

"Are you Yan Yangtian among the Nine Heavens Saint Princess?"

"Yes, Your Majesty.

Su Chen pointed at Youruo and Mingyue and asked, "Who are they?" They don't look like Jiutian Sage!"

"Your Majesty, the one in white is the world's most powerful daughter Youruo, and the one in green is the bright moon of Wushuang City."

"It turns out it's them. You guys are here to protect Su Yan in Yanyangtian."

"Yes, Your Majesty!"

Yan Yangtian hurriedly saluted and replied after hearing Su Chen's order, and Mingyue also nodded quickly.

Only Youruo curled her lips and stood motionless.

She is only a master in the realm of cultivation, and the assassin here The lowest level of cultivation is the same as hers. Youruo doesn't want to die to help these people.

Besides, she was also captured.

Youruo didn't take the opportunity to escape.

She was already worthy of the care these women took for her on the road.

The Ghost King saw Su Chen walked towards him and said disdainfully, "Your Majesty, have you finished explaining your funeral arrangements? If not, I can give you a little more time"

"laugh! Ghost King, do you think you can kill me?" Su Chen looked at the Ghost King and sneered disdainfully.

The Ghost King laughed and said,

"Hahaha, you are just a great master, how can I, a land god in the middle stage of the Heavenly Realm, not be able to kill you? His Majesty the Emperor"

"But your two allies are going to be killed by my wife." Su Chen saw that Chi Gui and Chi Yao had been injured by Li Maozhen, which made Su Chen even more surprised by Li Maozhen's strength.

Chi Gui and Chi Yao, two masters of the heavenly realm, could only hold on for less than a quarter of an hour. They were all injured by Li Maozhen. Is this still the great master Li Maozhen he met years ago?

Ghost King Zhu Youwen looked at the injured Red Ghost and Red Demon, and he said nonchalantly, "Life and death are determined by destiny, wealth is in heaven, We are only cooperating temporarily. They want the beauty of the empress Li Maozhen, and I want to kill Li Maozhen's daughter. We each get what we need."

"I see! You are acting in collusion."

The Ghost King exuded a terrifying aura and was about to take action, "Whatever you say, as long as I kill you, the Xuantian Empire will definitely fall apart, and then it will be an opportunity for our Xuanming Sect to rise again."

Su Chen also took out the spirit sword Luoxue from the system space,"Oh? Then aren't you afraid that the masters of the Heavenly Realm of our Xuantian Empire will seek revenge on you?"

"Your Majesty, if you die, the high-ranking officials of the Xuantian Empire and the powerful masters of the Celestial Realm will definitely fight for power and even fight each other. They will have time to avenge a dead emperor. If a person dies, the light will be extinguished, and you will be dead. The emperor shouldn't have thought of this, right?"
