

## Zongwu 1281

### Chapter 1281

Su Chen was even more surprised after hearing what the Shadow Assassin said, the female leader of the alien race?

There is only one foreign female leader in Yizhou in the Three Kingdoms,

Zhu Rong!

That is, the future wife of the Southern Barbarian King Meng Huo,

Mrs. Zhu Rong!

But why is Zhu Rong here? This is the junction of Jingzhou and Yizhou. Shouldn't Zhurong be active in the south of Yizhou?

Su Chen took a sip of wine and shook his head.

The world of mixed martial arts is too chaotic now, and he doesn't care much about the plot of the Three Kingdoms anymore. Zhu Rong definitely didn't come here to kidnap Wu Ran and Bu Lianshi, a How could a beautiful woman care about other beautiful women?

Forehead!

Is Zhu Rong here to find a wife for her brother?

This is a bit nonsense.

At this time,

Su Chen saw two armies disguised as bandits. They each sent some people to talk about something in a neutral place, but the sound of quarreling there seemed to indicate that there seemed to be differences between them.

In the clearing of the valley, the bandit leader saw the people arriving and said expressionlessly, "General Han Dang, we are here first this time. Hanzhong and your Wu County had an agreement at the beginning, are you going to break the agreement?"

Han Dang from Wujun smiled when he heard what Du Jiang from Hanzhong said, "General Du Jiang, our lord's brother is interested in Bu Lianshi. This time we must take Bu Lianshi with us no matter what."

Du Jiang glared at Han Dang and said bluntly,

"Haha, General Han, are you looking down on our Hanzhong County by doing this? If our Hanzhong County had not been supporting your Wu County these days, would your Wu County be able to develop? Han

Dang lowered his head thoughtfully and said,

"General Du, we are just subordinates. It is impossible for us to fail to complete the tasks assigned by our lord. If you have any objections to our Wu Commandery, you can ask your lord Bai Yifei to ask our lord Sun Ce in person."

Han Dang was also very helpless when he arrived this time.

Sun Ce asked him to take away the walking trainer, but also told him not to offend the people of Hanzhong County. This hard job was very difficult for Han Dang.

This is all to blame on Sun Ce's younger brother. Sun Quan, if Sun Quan had not been pleading with Sun Ce, Sun Ce would not have risked offending Hanzhong and came to snatch the infantry trainer.

Han Dang looked down on that blue-eyed playboy Sun Quan very much.

Sun Quan ranked among the beauties of the Northern Continent for the sake of it. It is to make Wu County and Hanzhong County completely fall out.

If Wu County does not have the support of weapons and food from Hanzhong County in the future, how will Wu County face Yuan Shu's attack?

How will Wu County face the future war launched by Miss Jingzhou Yan?

"It seems that your Wu Commandery is about to go back on your promise. Don't forget that your Wu Commandery is still facing threats from Yuan Shu and Miss Jingzhou Yan. What you are doing will only make us, General Bai, completely give up our alliance with your Wu Commandery."

"I'm just a subordinate. I can only obey the order whatever the Lord wants to do."

"At that time, we will each rely on our abilities. I hope your Wu County army will not disappoint our Hanzhong County army. Han

Dang asked with a serious face when he heard Du Jiang's words, "General Du, are you really going to go to war with our Wu County over a woman?"

"Military orders cannot be violated!"

"call! See you on the battlefield!"

Han Dang has no choice.

This war is inevitable.

Wu Jun and Hanzhong may not be able to form an alliance in the future.

Han Dang has no choice. On the one hand, he must seize the infantry trainer, and on the other hand, he must not offend Hanzhong County. But he Thinking that Sun Quan is Sun Ce's younger brother after all.

Bu Lianshi will be taken away no matter what, even if he offends Hanzhong County.

At this moment,

Wu Ran and Bu Lianshi looked at the two armies full of gunpowder. , they looked at each other doubtfully. They now hoped that the two armies would fight, and it would be best if the two armies died together.

In this way, their threat would be automatically eliminated.

"kill!"

"kill!"

At this time,

Hanzhong divided a thousand troops to attack the convoy, while the remaining two thousand troops rushed towards Wu County's army.

Wu County and Hanzhong County's army also separated an army. Thousands of troops went to snatch the infantry trainer, and other armies also rushed towards the Hanzhong County army.

In the valley, a fight broke out for a while, and the three forces attacked each other.

Su Chen looked at the three forces fighting. Li Qi shook his head.

Su Chen took a sip of wine and thought,

【This is simply a big fight, but the troops of all parties are a little short. If there are tens of thousands of troops from all parties fighting here, the scene should be very good.

Su Chen looked at Wu Ran's convoy and shook his head. The convoy being attacked from both sides might not be able to hold on for long. Although the troops here are not as good as his black-armored army, these troops are also veterans who have been on the battlefield.

Wu Ran has few guards to begin with, and it is impossible for her guards to be comparable to the army here.

"When will those alien armies come out? Is it necessary to wait for the two armies to suffer heavy casualties before they come out to fishermen?"

In the convoy, as the troops from Hanzhong and Wujun attacked, the guards in the convoy could no longer hold on.

Seeing that the troops were about to break through the defense of the carriage,

Wu Ran and Bu Lianshi felt even more desperate.

They had originally They thought that the two armies were going to fight to the death, but they didn't expect that the two armies would divide their forces to attack them at the same time. This made Wu Ran and Bu Lianshi unable to stop them even if they were nervous and anxious.

Wu Ran saw that the guards began to suffer heavy casualties, and she He hurriedly grabbed Trainer Bu and said, "Let's go to that bastard's place. We can't stay here any longer."

"Sister Wu Ran, will that bastard help us?" Bu Lianshi and Wu Ran ran towards Su Chen, but she was still worried that the bastard was unwilling to help them.

"I don't know, but it's better than staying here and being kidnapped."

"Well, if that bastard doesn't help us, I won't let those troops be taken away even if I die."

"Hope we can escape this disaster today!"

Su Chen also discovered that Wu Ran and Bu Lianshi were running towards him with some guards. This made Su Chen completely speechless towards Wu Ran and Bu Lianshi.

Su Chen had said that he would not help Wu Ran. He also knew that Wu Ran and Bu Lianshi could not be killed. These armies should be trying to capture Wu Ran and Bu Lianshi alive.

Besides, he also wanted to know who were those armies?

And What do those alien armies do when they arrive?

Now that Wu Ran and Bu Lianshi are coming to him, aren't they trying to involve him in this war?

"Wu Ran, Bu Lianshi, are you trying to drag me into this war?" Su Chen looked at Wu Ran and Bu Trainer running over and asked sarcastically.

Wu Ran and Bu Trainer were panting and ignored Su Chen. They sat directly opposite Su Chen and drank. got up.

The more than ten guards who followed looked at Wu Ran and Bu Lianshi who were drinking with confused expressions. These guards originally thought they were going to escape, but they did not expect that Wu Ran and Bu Lianshi would Flee to Su Chen and have a drink.

This is the edge of the battlefield, and the troops will come back to chase them soon. However, Wu Ran and Bu Lianshi have no intention of escaping again, and their guards are also nervous. She looked wary of her surroundings. After

Bu Lianshi drank a few sips of Su Chen's wine, she suddenly felt a warm current in her body that made her feel very comfortable.

Bu Lianshi hurriedly drank a few more sips, but she didn't expect to be Choking

"Ahem, cough, what kind of wine is this? Why did my energy suddenly come back? Not even a trace of fatigue anymore?"

"I guess, little girl, if you don't know how to drink, don't waste my wine." Su Chen saw Trainer Bu Bu wasting his wine and quickly grabbed the wine bottle and said,

"Stingy, isn't it just some wine?"

"Damn it, Master Bu, these are spiritual wines. Have you ever drunk such wine before?"

Trainer Bu was very angry when he saw Su Chen taking away the jug.

Not only did Su Chen's wine not have that spicy taste, but it was also very sweet and delicious.

It might even restore her physical strength and spirit, but this bastard was too stingy. , she just accidentally spilled some wine and refused to let her drink it. The trainer looked at Su Chen and wanted to grab the wine bottle again.

After Wu Ran handed the wine bottle in her hand to Master Bu, she looked at Su Chen and said slowly, "Mr. Su, we really have no choice this time. We only have so many of our hundreds of guards left. Otherwise, if the two armies had attacked each other, we would have been caught long ago."

Wu Ran now felt even more that Su Chen was not an ordinary person. She had never heard of such a spiritual wine, but she only drank a few sips , her physical strength not only recovered, she even no longer felt any physical fatigue.

This made Wu Ran even more suspicious of Su Chen's identity.

Su Chen shook his head and refused again, "I can't save you, and you two can't die."

Wu Ran took out a dagger and said seriously, "We know that those troops want to capture us alive, but we can't even die. Will not be kidnapped by them"

"By the way."

At this time,

Bu Chan panted and came to Su Chen's side and asked loudly, "Boy, where is your powerful guard? Let her come out to protect us quickly, and I will give you a lot of money in the future"

"idiot!"

Su Chen glanced at Bu Chan and cursed disdainfully.

Bu Chan wiped his sweat and said angrily, "You.....Do you know who I am?"

"I'm not interested in knowing"

"hateful!"

Su Chen pointed at the troops that started running towards here and said with a smile, "You are going to die. Did you see that? Those troops will kill you as soon as they come over."

"I.....I won't die, sister, you have to save me, I don't want to die." After Bu Chan heard Su Chen's words, he also saw the troops coming here. Bu Chan was so frightened that he hurried to Bu Lianshi and begged.

Bu Lianshi looked at the panicked and frightened Bu Chan. He shouted with an eyebrow, "Calm down, there's nothing terrible about death. If you die, we will die with you.""

"No, I don't want to die, sister, aren't those troops trying to catch you? Go talk to them and ask the troops to let me go."

"Are you asking me to be captured by those troops?"

"Sister, those troops won't kill you. You may be a general's wife in the future. Just save me. I really don't want to die."

Bang!

Bu Lianshi didn't expect that her brother would say such words.

This was simply pushing her into the fire pit.

Is this still her biological brother?

Bu Lianshi slapped Bu Chan on the face and cursed angrily. Said, "Get out of my way, my step trainer doesn't have a brother like you who is greedy for life and afraid of death.""

"Sister, if you want to save me, I am your biological brother!"

Bu Lianshi ordered with a gloomy face, "Come here, control this bastard for me. If he dares to yell again, give me a hard beating."

"Yes, miss!"

"Sister, you have to save me.....Oh, don't hit me. I won't bark anymore. I won't bark anymore."

When Bu Chan continued to ask Bu Lianshi for help, the surrounding guards all punched and kicked Bu Chan. The guards here also looked down on Bu Chan very much. These guards are now killed. Bu Chan was heartbroken.

Su Chen looked at this farce and smiled slightly. Bu Chan was dead this time. Even if those troops didn't kill Bu Chan, Su Chen wouldn't be able to do it again and again. Third, let this idiot who provokes you go.

"Damn it, is that funny?" Bu Lianshi asked angrily when he saw Su Chen smiling.

"certainly!" Su Chen nodded and replied,

"Shameless!"

Bu Lianshi didn't expect that Su Chen would answer so confidently.

Isn't this bastard too big to watch the fun?

Does he still want to see their siblings killing each other?

Su Chen asked angrily after hearing what Bu Lianshi said He said, "Let me tell you, little girl, you asked me this, and I answered truthfully. Why am I so shameless?"

"You are a shameless person!"

"oh! It turns out that you are still angry about that emperor and empress thing. I don't even care. What the hell do you care about?"

"you.....You bastard."

Bu Lianshi was really helpless towards Su Chen.

This shameless bastard really wanted to piss her off. Why did she care if he didn't? This bastard was simply a scumbag.

Wu Ran shook her head and felt a headache. , when did this happen?

Why did Bu Lianshi start a quarrel with Su Chen? It was unclear whether they would live or die for a while. Did Bu Lianshi forget the crisis here when he was quarreling with this bastard?

"Miss Wu Ran, Miss Bu Lianshi, would you please come with us?"

At this time, more than a hundred soldiers from the army quickly arrived at Su Chen's place. A leading commander shouted to Wu Ran and the infantry trainer.

Wu Ran shouted to these troops with an expressionless face, "You guys. Don't waste your time, we can't go with you"

"Then don't blame us for being rude, go ahead, kill those guards, don't hurt Miss Wu and Miss Bu." The commander of the army waved his hand and ordered with a sinister look on his face,

"Yes, Captain!"

"Stop if you dare to come forward and we will kill ourselves."

"Stand back or we will kill ourselves immediately."

Wu Ran and Bu Lianshi took out their daggers and put them on their necks to threaten the troops,

"Wait, everyone, step back."

The captain was scared.

Each of these two women is more important than the other. If these two women die here, I'm afraid he won't be able to survive even if he goes back.

Su Chen looked at Wu Ran and Bu Lianshi holding daggers one by one. Driving around her neck to threaten those troops, Wu Ran couldn't see her neck clearly while wearing a veil, but Bu Lianshi's neck was very white, tender and delicate.

Su Chen teased Bu Lianshi, "Bu Lianshi, I didn't expect Your neck is quite white and tender"

"You shameless pervert, do you want to die?" Bu Lianshi yelled angrily when he heard Su Chen's words.

Bu Lianshi was already very nervous, and her hand holding the dagger was trembling, but this bastard actually looked at her neck specifically.

This The trainer who gave in was ashamed, angry and helpless.

Wu Ran and the surrounding guards were also very speechless towards Su Chen. They had knives on their necks now, but this young master actually had the intention to make a joke, which made them nervous. Feeling a little relieved,

Su Chen smiled and continued teasing, "I don't want to die! Trainer Bu, your neck is so fair and moist, I won't suffer even if I just look at you. Besides, you are going to die, so why do you care about this?"

"Look at your sister!"

"Ahem, Trainer Bu, you said dirty words. Besides, I don't have a sister."

## Chapter 1283

Bu Lianshi felt very uncomfortable when she said those curse words.

She was a tutored woman.

Bu Lianshi was also driven crazy by Su Chen. She blurted out such curse words without thinking.

This made Trainer Bu's face turn red quickly.

After Su Chen laughed at the infantry trainer, he turned to look at the more than a hundred soldiers. Su Chen also wanted to know whose army they belonged to? What is the purpose of this visit? What should we even do to catch Wu Ran and Bu Lianshi?

Su Chen looked at the troops in front of him and asked, "Which prince's army are you from?" The captain of Hanzhong County looked at Su Chen and frowned.

He had met this young master before at the mountain pass, and their The general also said that this young master was not simple, which made the captain dare not offend Su Chenduo.

The captain thought for a moment and then threatened Su Chen, "Boy, I saw you. Didn't I let you leave when we were at the mountain pass? This matter is not something you can participate in. You should leave."

Su Chen pointed out He pointed at Wu Ran and Bu Lianshi and said with a smile, "If you tell me whose army you are and whose army they are, I will help you capture these two women."

"Is this true?"

"Absolutely no lies!"

"Okay, boy, I hope you keep your word. We are the army of General Bai Yifei of Hanzhong County. Over there is the army of Sun Ce of Wu County."

"Then what is the use of arresting these two useless women?"

"Miss Wu Ran was attracted by our general Xie Xiaofeng, and Miss Bu Lianshi was attracted by Sun Quan, the younger brother of Sun Ce of Wu Commandery. You understand!"

Su Chen was very surprised when he heard the captain's words.

Bai Yifei and Xie Xiaofeng actually took control of Hanzhong. This did not make Su Chen expect that Bai Yifei, the cold man, was still determined to go against him, and even thought about it. Make a comeback in the Northern Continent.

I'm afraid Bai Yifei and those people are overthinking this. Su

Chen in the Northern Continent has ordered Gai Nie and Su Yan to start a war. What's the use of Bai Yifei and those people just controlling Hanzhong County?

And that idiot Xie Xiaofeng actually saw Fucked Wu Ran?

Has Xie Xiaofeng met Wu Ran?

Or is Wu Ran more beautiful than his wife Murong Qiudi, and even made Xie Xiaofeng stop hitting his wife Murong Qiudi's attention?

Wu Ran is a woman who always wears a veil. He didn't take off his veil while drinking.

Su Chen hadn't seen Wu Ran's face for so long.

And with Xie Xiaofeng's strength, wouldn't it be very easy to catch Wu Ran?

But why did he send the army to catch Wu Ran this time?

Su Chen felt that the presence of these troops here was definitely not all for Wu Ran and Bu Lianshi. Wu Ran and Bu Lianshi were probably incidental tasks of these troops.

Su Chen looked at the captain in front of him and asked disdainfully, "Just Because your general fell in love with these two women and asked you to travel thousands of miles to catch them. Do you think I am an idiot?"

At this moment, after Wu Ran and Bu Lianshi heard the conversation between Su Chen and the captain, they turned away from Su Chen with pale faces.

They didn't expect that this bastard would use them as bargaining chips in exchange for information. This made them Wu Ran and Trainer Bu became wary of Su Chen. They were worried that Su Chen would really let his guards capture them. When the school captain heard Su Chen's words, he said with an ugly face, "Boy, I should tell you better." I have told you everything, is it time for you to fulfill your promise?"

Su Chen waved when he saw Wu Ran and Bu Lianshi moving away from him.

A masked woman in black suddenly appeared next to Wu Ran and Bu Lianshi. Wu Ran and Bu Lianshi didn't react. , Wu Ran and Bu Lianshi were tapped on their acupuncture points by the woman in black.

"Bastard, let us go!"

"You damn bastard, you betrayed us!" After Wu Ran and Bu Lianshi had their acupoints tapped, they all yelled and cursed at Su Chen angrily.

When Wu Ran and Bu Lianshi's guards saw this situation, they all took weapons and went to rescue them. Wu Ran and Bu Lianshi.

Boom!

Shadow Assassin Youru blasted out the guards with one palm strike. If it weren't for Shadow Assassin Youru not having murderous intentions, none of these guards would survive. Come down.

Su Chen smiled and continued,

"Are you coming this time to form an alliance with Sun Ce of Wu Commandery? And have the foreign races in Yizhou also formed an alliance with you? Tell me this, and these two women are yours."

The captain is now very wary of Su Chen.

The woman who appeared just now was frightening to see. He is only an acquired cultivation state, and he can't see through the cultivation state of this powerful woman who suddenly appeared.

It's just that With the strength of this masked woman in black clothes, he felt that it would be very difficult for this masked woman in black clothes to kill them. He now understood why their general said that this young master was not simple. The captain thought for a while He replied,

"You are right. Wujun originally wanted to form an alliance with Hanzhong, but what happened today may not allow us to form an alliance. The main task of our arrival this time is to transport weapons to the Southern Barbarians. Our General Bai Yifei of Hanzhong wants to use the Southern Barbarians to come. Deal with Yizhou."

Su Chen nodded when he heard the captain's words and said, "That's pretty much what I guessed. Are you delivering weapons to Zhu Rong of the Southern Barbarians?"

"No, we are delivering weapons to Meng Huo of the Southern Barbarians."

"Meng Huo?"

Su Chen didn't expect that these troops were not transporting weapons to Zhu Rong, so why did Zhurong appear around?

Could it be that Zhurong had united with Meng Huo?

Or even Zhu Rong had married Meng Huo?

"Yes, Meng Huo has promised to form an alliance with our Hanzhong. As long as Meng Huo can rule the entire southern barbarians, he will start a war against Yizhou."

Su Chen smiled and admired Bai Yifei a little, "Haha! It's a good plan. When the time comes, you Hanzhong can also launch a war against Yizhou, so that Yizhou will soon fall into Bai Yifei's hands. Bai Yifei is really a smart man, and he actually knows how to take advantage of the foreign tribes of the Southern Barbarians. The captain looked at Su Chen and reminded, "I have said everything I should say. Can these two women be left to us?"

"Youru, kill them?" Su Chen looked at these troops and ordered Shadow Assassin You Ru with an expressionless face,

"Yes, master!"

"You didn't even speak....."

The captain shouted angrily when he heard Su Chen's words, but before he could finish speaking, his throat was cut by a black shadow and he died.

Swish swish swish.....

Stab! Stab! Stab!

At this time, among the armies in Hanzhong, masked women in black suddenly appeared and quickly killed these armies.

In just an instant, more than a hundred soldiers here were killed by more than a dozen shadow assassins. After the Shadow Assassins killed these armies, they disappeared one by one without a trace.

"how? Is it surprising?" Su Chen looked at the surprised Wu Ran and Trainer Bu and walked over. He patted Trainer Bu's beautiful face and asked with a smile,

"you.....You are shameless!"

Bu Lianshi didn't expect that this bastard would dare to slap her in the face. This made Bu Lianshi so embarrassed and angry that he wanted to bite this shameless bastard to death.

"I have teeth, and they are very white!" woo woo woo woo.....

At this moment, a sound of horns came from the mountain on one side, and then bursts of screaming came from the mountain.

"Zhu Rong finally appeared. How beautiful is the most beautiful woman in Nanman? I would like to see it."

Chapter 1284

After Su Chen heard the sound of horns in the mountains and forests, and even the shouts of killing from aliens.

He guessed that Zhu Rong finally couldn't help but send out his troops, and the war in the valley stopped at this time, but they stopped a little late. The two sides each had an army of more than 3,000 people, and now there are only two thousand people left in total. Multiple people.

In just a short time, nearly 4,000 Central Plains troops were killed or injured, and the remaining 2,000 Central Plains troops were no match for Zhu Rong's army.

Zhu Rong's army has five or six thousand men.

Bai Yifei's army from Hanzhong County and Sun Ce's army from Wu County may all be annihilated in this small valley this time.

"Do you know there are aliens lurking around?"

At this time,

Trainer Bu looked at many foreign races rushing out of a mountain forest. She looked at Su Chen in surprise and asked, what did this bastard say just now that Zhu Rong was coming out, and that Zhu Rong was the most beautiful woman in the Southern Barbarians?.Did this bastard discover the aliens ambushing in the forest early in the morning?

"uh-huh! Su

Chen nodded proudly and replied.

Trainer Bu glared at Su Chen and asked angrily, "You bastard knew there were aliens ambushing around, why didn't you tell us?"

Su Chen taunted the foot trainer with disdain, "Tsk, what am I telling you to do? If I tell you, can you destroy these alien armies? You are such a stupid white girl"

"Damn asshole, I'm not some stupid white chick."

Bu Lianshi's face turned red when Su Chen said that.

She was also a little unhappy at being hidden by this bastard.

How could Bu Lianshi and the others have dealt with so many aliens? This bastard actually said that she was a stupid white girl. This stupid girl Bai Niu just heard the curse words.

Why doesn't this shameless bastard die?

"You are!"

"I'm not!"

"Ahem! Mr. Su, should you unblock our acupuncture points first?" Wu Ran next to her pretended to cough and said to Su Chen.

Wu Ran was also speechless to Trainer Bu.

What's the use of Trainer Bu talking to this bastard?

However, they also misunderstood Su Chen at first.

Su Chen She didn't intend to use them as bargaining chips.

It's just that this bastard's men injured all their guards, which made her very dissatisfied with Su Chen. If they didn't need this bastard to save them, she would never have fought with this bastard. The bastard talks nicely.

"Oh, I almost forgot." Su Chen slapped his forehead in embarrassment when he heard Wu Ran's words.

Trainer Bu yelled at Su Chen angrily, "You bastard did it on purpose."

Su Chen smiled, touched Trainer Bu's delicate face and threatened,

"Girl, can't you see the form clearly? Now you are the fish on the chopping board. I can slaughter you any way I want. If you anger me again, guess what the consequences will be?"

"Shameless pervert, get your dirty hands off." Trainer Bu was touched by Su Chen on the face again, and he glared at Su Chen in shame and anger and yelled,

"Hey, I won't take it away, what can you do?"

"Shameless person, I....I'll bite you to death."

After Su Chen pinched Trainer Bu's pink face several times, Trainer Bu shook his head angrily from side to side and wanted to bite Su Chen's hand, but Su Chen was so likely to give in to Trainer, a little girl, to bite him.

"Ha ha....."

After Su Chen played with the trainer for a while, he unlocked the acupuncture points of both of them.

He saw that the foreign troops had surrounded the armies of Hanzhong and Wujun, and Zhu Rong, the most beautiful woman of the Southern Barbarians, had also appeared. Su Chen But you have to take a closer look at how beautiful this Nanban beauty is.

Wu Ran was holding Bu Lianshi beside him, who wanted to settle a score with Su Chen.

Wu Ran also discovered that Su Chen was just joking with Bu Lianfu, and Su Chen didn't really want to humiliate or insult Bu Lianfu.

Wu Ran was now even more curious about Su Chen's identity.

Bu Lianshi is one of the most beautiful women in the Northern Continent. Even Sun Quan from Wu County is interested in Bu Lianshi. However, Su Chen has no interest in Bu Lianshi.

She wasn't even noticed.

Wu Ran thought that after her acupuncture points were tapped, this bastard didn't take the opportunity to take off her veil.

This made her a little surprised by Su Chen.

Wu Ran is still not sure what kind of person this bastard is.

Do you think he is not lewd?

But he just teased Trainer Bu.

What if this bastard was lecherous?

But this bastard didn't take the opportunity to bully them both.

At this moment, a foreign beauty with a wild and beautiful figure appeared on the battlefield.

This woman was wearing a fur costume, revealing two healthy long legs. Her upper body was also covered by a small fur costume that covered important parts.

There is a headdress with some feathers on the head, a wild and unruly expression, and an extremely beautiful face.

When people first see this stunning beauty, they will be deeply attracted by the two long legs of this wild beauty.

At this time, as Zhu Rong arrived under the escort of dozens of female barbarians,

Zhu Rong played with a throwing knife in his hand and ordered arrogantly, "People from the Central Plains, leave your weapons and armor and I will let you go."

"Are you Southern Barbarians?" General Du Jiang of Hanzhong looked at the beautiful Zhu Rong and asked doubtfully, although this beautiful woman is dressed like a foreigner, can there be such a beautiful woman among foreigners?

Du Jiang was a little doubtful whether this beautiful woman was a foreigner. people

"good!"

When Du Jiang heard Zhu Rong's words, he smiled and offered his hand and said, "I am a friend of your Nanman King Meng Huo. Please make it easier for your Excellency to let us go. Zhu

Rong mocked Du Jiang with a look of disdain,

"The Southern Barbarian King? Haha, when did Meng Huo become the King of the Southern Barbarians? Since you are friends of that arrogant and crazy Meng Huo, I cannot keep you and kill these Central Plains people."

"Yes, cave master! Kill me!"

"kill!"

After the southern barbarian aliens heard Zhu Rong's order, these aliens rushed towards the surrounded Central Plains army one by one with weapons in hand.

"Prepare for war, Han Dang, let's fight out together."

Du Jiang didn't expect that this foreign beauty would take action at her word.

He immediately gave orders to the army to fight, and even joined forces with Han Dang from Wu County to break out of the encirclement.

"good! Kill me!"

Han Dang also immediately commanded the army to kill these foreigners.

Han Dang had no choice. If he did not cooperate with Du Jiang this time, I am afraid that the rest of their army would not be able to escape.

This time, their Wujun and Hanzhong armies were defeated. , after they both suffered losses, neither he nor Du Jiang expected that a foreign race would become a fisherman.

After Su Chen listened to what Zhu Rong and Du Jiang said, he curled his lips and said, "Damn it, Zhu Rong is indeed the number one in the Southern Barbarians. Beauty, she is very beautiful, but her temper is too hot. Most people really can't subdue such a beauty."

Trainer Bu saw Su Chen staring straight at Zhu Rong's legs, and she yelled angrily,

"Shameless pervert."

Su Chen shouted in confusion when he heard what Bu Lianshi said, "What the hell, I'm looking at Zhu Rong and it's getting in the way of you?"

"You bastard looked at Zhu Rong's long legs without blinking. What are you if you're not a pervert?"

Chapter 1285

Su Chen was very surprised when he looked at Master Bu. Even if he looked at Zhu Rong's long legs, it was none of this girl's business. Could this girl be incompatible with him? How come you do everything right for yourself?

Seeing that Su Chen didn't answer, Trainer Bu stretched out her white neck and said arrogantly, "What? You have nothing to say? Or are you feeling guilty?"

"I don't care about you." Su Chen glanced at Master Bu, shook his head and looked towards the battlefield.

"I'm too lazy to care about you, you bastard!"

"Well, thank you. Finally, I don't have to listen to your nagging anymore."

"you....."

When Trainer Bu heard what Su Chen said, she wanted to strangle this bastard angrily, but she suddenly thought of those elusive and masked women in black. She looked around but did not dare to take action against Su Chen.

Trainer Bu was worried about those black men. A masked woman suddenly appears and kills her.

On the battlefield, the foreign armies massacred the armies of Hanzhong County and Wu County. The armies of Hanzhong and Wu County had already been fighting, and they were either injured or severely exhausted.

In front of these vigorous foreign armies, although the Central Plains army fought desperately, under the attack of a large number of foreign armies, the Central Plains army was still being massacred.

Du Jiang and Han Dang watched their men being killed continuously, which made them regret the previous fight.

If it weren't for their previous fight, these alien armies would not be their army's opponents at all, and even one of their armies could easily destroy the alien army here.

It's just that it's too late to say anything now.

Whoosh!

"Han Dang, be careful with hidden weapons!"

Just when Du Jiang was killing the aliens who were rushing over with his sword, he suddenly found that the alien beauty was throwing a flying knife at Han Dang. Du Jiang hurriedly reminded Han Dang loudly,

Pfft!

Du Jiang still reminded him. It was too late.

After Du Jiang reminded Han Dang, Han Dang just turned around to avoid the flying knife, and he was directly pierced through the throat by the flying knife.

Han Dang also fell to the ground with his eyes wide open.

Du Jiang looked at the dead Han Dang hurriedly shouted to the army here,

"Kill, all the soldiers obeyed the order and broke out with all their strength. If anyone can leave alive, tell their respective lords about the Nanman killing us."

"Yes, General, kill!"

When Zhu Rong saw that the Central Plains army was about to disperse and break out, she sneered disdainfully,

"Still want to leave? None of you Central Plains people can leave. Kill them all and don't let any of them go!"

"Yes, cave master!"

Zhu Rong also took her weapon and killed Du Jiang.

Du Jiang had killed many of her barbarians.

Zhu Rong would not let Du Jiang continue to kill.

After Zhu Rong and Du Jiang fought,

Su Chen Looking at the fighting on the battlefield, he shook his head.

Du Jiang from Hanzhong County was also dead this time. This little girl Zhu Rong was much stronger than Du Jiang. I'm afraid Du Jiang would be killed in less than ten moves. Su Chen was very speechless when he saw Wu Ran and Bu Lianshi looking curiously at the show.

"Are you still not leaving? Zhu Rong of the Southern Barbarians will come to kill you soon after destroying those armies. Aren't you afraid of death?"

Bu Lianshi said suspiciously when he heard Su Chen's words, "Didn't you leave too?"

Su Chen looked at the novice Bu Lianshi and said casually, "Can you compete with me? Forget it, it's your business to leave or not, I don't care about your life or death."

Wu Ran was worried and said hurriedly when she heard Su Chen's words,

"Mr. Su, if we could leave, we would have left long ago, but you see, our guards were all injured by your guards, and our carriages are also on the battlefield, but we can't leave."

"oh? Then why did I run away when I saw Bu Chan? Don't you say you didn't see it? Su Chen pointed at Bu Chan who was escaping on the side of the battlefield and asked with a smile.

Trainer Bu looked at the escaping Bu Chan and said with trembling heart, "Just leave as soon as that bastard who is greedy for life and fear of death leaves. We have nothing to do with that bastard."."

Bu Lianshi had long seen Bu Chan sneaking away.

Bu Lianshi didn't expect that her brother, whom she had always loved so much, would be so greedy for life and afraid of death. He even escaped without taking her sister with him. This made Bu Lianshi The teacher is really disappointed

"laugh! That sounds nice, can I order my guards to kill your brother?"

"don't want! I....."

"Ridiculous, Master Bu, don't you think you're ridiculous?"

"I....."

Trainer Bu was speechless for a moment when Su Chen said that.

"Your brother is dead. Didn't you see the Nanman soldiers chasing your brother? I don't know if a playboy can deal with a dozen strong barbarians?"

Su Chen shook his head at Bu Lianshi.

It's really pitiful for Bu Lianshi to have such a greedy and fearful brother. It's better to treat him as if he doesn't have such a brother.

"Mr. Su, please save my brother, please."When Trainer Bu heard Su Chen's words, he hurriedly took Su Chen's arm and begged.

Su Chen threw away Trainer Bu and said with a sneer,"Hey, it's already settled that I didn't kill that bastard with my own hands. You Still want me to save him? Are you a fool?"

"you....."

Just when Trainer Bu was about to say something else,

Wu Ran hurriedly grabbed Trainer Bu and persuaded him, "Trainer, that bastard Bu Chan is not worth saving. That bastard deserves to die. You don't have to worry about life for that greedy person." You bastard is sad."

Trainer Bu said to Wu Ran helplessly, "But.....But Bu Chan is my biological brother after all, how could I ignore him?"

"Then go and save him, I will definitely not stop you." Su Chen looked at the soft-hearted Bu Lianshi and laughed.

When Bu Lianshi heard Su Chen's words, he said angrily, "You....You bastard, I don't know martial arts, how can I save my brother?"

"That's your business, Master Bu. If you can join the Southern Barbarians, those foreign races in the Southern Barbarians see you so beautiful. Maybe they will really let your brother go for a beauty like you."

"shameless!"

Bu Lianshi didn't expect this bastard to say such a thing, so Bu Lianshi glared at Su Chen and cursed angrily,

"I don't care, it's up to you"

"you.....I....."

Bu Lianshi saw that Su Chen refused to save her brother, which made her very helpless.

Bu Lianshi knew that Bu Chan had offended Su Chen before and even provoked Su Chen more than once. Su Chen refused to save her brother. Step by step is also a matter of course.

She just had to watch her brother being killed, which the trainer couldn't bear to give in to.

At this time,

Wu Ran saw that the war on the battlefield was about to end, and she said seriously,

"The war is about to end. This war did not expect that the foreigners would become fishermen. With more than 6,000 sophisticated weapons and armor, the Southern Barbarians will become even more powerful in the future. This is not a good thing for us in the Central Plains."

Chapter 1286

On the battlefield, after Zhu Rong killed Du Jiang.

When the armies of Hanzhong County and Wu County fled in all directions, they were also surrounded and killed by the well-prepared Southern Barbarian troops. A total of more than 6,000 Central Plains troops either killed each other or were killed by the Southern Barbarians.

The Central Plains Army deserved their death.

If the Central Plains Army hadn't killed each other, these alien armies would not have been initiated by them at all. The blame would have been on the Central Plains Army's infighting for allowing the aliens to take advantage of the situation.

"Sister, save me, save me!"

At this time, at the edge of the battlefield,

Bu Chan was dragged back to the battlefield by the Nanman barbarians. Bu Chan was dragged to the ground with scars all over his body, and he yelled for help to Trainer Bu.

"Step by step....."

When Trainer Bu saw Bu Chan being captured by the Nanman soldiers, he was worried and shouted.

"coming!"

Su Chen frowned when he saw Zhu Rong coming here with the barbarians.

Wu Ran came to Su Chen and said seriously, "These barbarians are not evil. Mr. Su, how many guards do you have? Can they deal with the barbarians here?"

"When will I have to deal with the barbarians here?" Su Chen looked at Wu Ran and asked with a smile.

Su Chen didn't expect that Wu Ran would regard him as his backer.

He said he would never save them two again.

Is Wu Ran pretending to be confused?

Wu Ran said After hearing Su Chen's words, Yang hurriedly explained, "The barbarians are coming to kill us, Mr. Su, it's impossible if you don't take action."

Whoosh!

Su Chen appeared on Wu Ran's right side in a flash.

He patted Wu Ran on the shoulder and said with a smile, "I can escape. What do you think of my movement skills? Can those barbarians catch me?"

"you.....You actually know how to do martial arts?"

Wu Ran looked at Su Chen who appeared on his right side in surprise. She didn't expect that Su Chen was also a master.

This really shocked Wu Ran.

Su Chen had always been a weak scholar, and Wu Ran had never looked like a weak scholar. She didn't expect that Su Chen would be a powerful martial arts master.

Trainer Bu was also very surprised when he saw Su Chen.

This bastard actually knows martial arts?

Then how can she seek revenge from this bastard in the future?

Ugh!

It seems that she can't avenge this bastard who doesn't know martial arts. Qiu, the female guards of this bastard are all very powerful. I am afraid that before Bu Lianshi can teach this bastard a lesson, she will be beaten away by those female guards.

Su Chen looked at the surprised Wu Ran and Bu Lianshi. He said speechlessly, "It's so strange to say that I dare to walk on the rivers and lakes without any martial arts?"

"You are a liar!"

Trainer Bu glanced at Su Chen and said with a pout,

"fraud? What did I lie to you about? Did I lie to you about my feelings? Or have you deceived your body?"

"You are shameless!"

"I am shameless, what can you do to me?"

"You bastard!"

"Damn it, I'm a jerk today." Su Chen looked at Bu Lianshi angrily and hugged her and kissed her.

Su Chen was also very angry with this Bu Lianshi who had always been against him. This arrogant girl Su Chen decided to have a good relationship with her. Treat her.

Didn't Master Bu say she was shameless?

Didn't Master Bu say he was a bastard?

Su Chen was going to let Master Bu see what a real shameless bastard was.

"Woo woo woo....."

Trainer Bu was stunned when Su Chen hugged and kissed her.

After she reacted, she hurriedly struggled to pat Su Chen, but she was hugged tightly by Su Chen.

No matter how hard the Bu trainer's weak body struggled, it was of no avail.

Wu Ran looked at Su Chen and the Bu trainer in stunned silence.

She didn't expect that Su Chen would be the Bu trainer in person. This made her not sure whether to stop him or not.

Wu Ran was also afraid that if she stopped Su Chen, this bastard would He would also treat her like Trainer Bu. Wu Ran turned her head away with her face flushed when she saw it. She didn't dare to watch these embarrassing things anymore.

At this time, after Zhu Rong arrived, she saw Su Chen and Bu Lianshi hugging each other and making love to each other.

She was very curious.

Is this man and woman going to have a romantic love before they part ways?

Bang bang bang bang!

Zhu Rong clapped his hands and said with a smile, "Don't you Central Plains people stick to your integrity and etiquette? Why are you having sex with each other here in broad daylight?"

"cough! none of your business!"

Su Chen didn't expect Zhu Rong to have arrived.

He was too involved just now.

It's no wonder that Trainer Bu's mouth was very sweet, which made Su Chen confused for a moment.

After Trainer Bu was let go by Su Chen, she She stared at Su Chen with shame and anger. She didn't expect that this bastard actually kissed her, which made Bu Lianshi very angry.

But now was not the time for her to take revenge, and besides, this bastard was not someone she could deal with.

Bu Lian The teacher clenched her fists tightly in shame and anger, thinking, how will she avenge this bastard's insult to her today ? Zhu Rong was very surprised when he heard Su Chen's words. These Central Plains people had been surrounded by her barbarian soldiers. , This pretty boy actually dares to be so arrogant. Does it mean that this pretty boy doesn't want to live anymore?

"Pretty boy, do you want to die?"

"In no mood!"

"Just talk to me if you don't want to, otherwise I will skin you.

Su Chen pretended to be scared and protected his chest while shouting, "You want to take off my clothes?" Are you a pervert?"

"Damn it, you little pretty boy from Central Plains is looking for death." Zhu Rong didn't expect that Su Chen would dare to tease her. This made Zhu Rong so angry that he took the flying knife and shot at Su Chen.

Whoosh whoosh whoosh.....

"I'll do it!"

When Su Chen saw the flying knife that Zhu Rong shot at him, he hurriedly picked up Wu Ran and Bu Lianshi beside him and disappeared in an instant.

"hide? I think you can hide there?"

Swish swish swish" .....

Su Chen kept appearing and disappearing around with Wu Ran and Bu Lianshi in his arms.

Su Chen did not want to escape.

Zhu Rong was a beautiful foreign beauty, but Su Chen planned to play tricks on the most beautiful woman in the South Barbarians.

"Pepper, there's no way you can shoot me, you'd better rest!"

Zhu Rong now also discovered that this pretty face is a powerful martial arts master. She is no match for this pretty face at all. Zhu Rong waved his hand and threatened Su Chen, pointing at Bu Chan who was being escorted over, "Damn it, you pretty face. If you keep hiding, I'll kill this loser."

"up to you!"

Su Chen looked at Bu Chan and said nonchalantly,

"Um? You don't care about your companions?"

"Have you ever seen a companion abandon his companions and run away?"

"Kill that loser!"

"Yes, cave master!"

Zhu Rong heard Su Chen's words and knew that the trash was of no use to her at all.

Zhu Rong originally wanted to use this trash to capture the two beautiful women here alive, but now it seems that her idea was a little too whimsical.

"Stop, don't kill him."

Chapter 1287

Trainer Bu heard that Nanman Zhu Rong wanted to kill her brother, which made her very worried.

Although Bu Lianshi knew that Su Chen could not save her brother, Bu Lianshi still wanted to save her brother Bu Chan's life.

Trainer Bu couldn't watch her brother being killed like this.

"Huh? Stop, little beauty, is this greedy waste a member of your family?" Zhu Rong waved his hands in confusion when he heard what Bu Lianshi said.

Bu Lianshi broke away from Su Chen's arms and said to Zhu Rong hastily, "Yes, please let the cave master let my brother go. We are just merchants. , we can give all the goods here to the cave owner.

Zhu Rong looked at Trainer Bu and sneered, "Tsk!" Everything here belongs to us barbarians. If you want to save your brother, come and exchange."

Zhu Rong has not forgotten to catch Su Chen.

This beautiful woman has a close relationship with Su Chen. Zhu Rong also wants to use this beautiful woman to threaten Su Chen.

"Sister, save me, save me quickly"

"I.....I agreed."

Bu Lianshi looked at the miserable Bu Chan and nodded palely. She looked back at Wu Ran and Su Chen and slowly walked towards Zhu Rong.

Su Chen hugged Wu Ran and did not stop Bu Lianshi.

He wanted to see if Bu Lianshi saved that good-for-nothing, whether that waste would abandon Bu Lianshi again and run away.

"Ha ha! Let go of that trash."Zhu Rong saw Bu Lianshi coming to her side. He grabbed Bu Lianshi and ordered with a big smile,

"Yes, cave master!"

After Bu Chan was let go, he ran away in a panic. He didn't even look back at the Bu Lianshi who rescued her.

Bu Chan lowered his head when he saw Bu Chan's escape. Although she knew that Bu Chan was not worthy of her saving , but this is also her last time to save Bu Chan. From now on, she will pretend that she does not have this good-for-nothing brother.

Zhu Rong looked at Su Chen and said proudly,"Little pretty face, your woman is in my hands now, why don't you surrender quickly?"

"Zhu Rong, who said she is my woman?"

Su Chen touched his chin and said speechlessly.

Zhu Rong was very puzzled when he heard Su Chen's words.

This pretty boy actually wanted to abandon Trainer Bu.

Zhu Rong suddenly saw Wu Ran being held by Su Chen and suddenly said,"Well ? You were still together just now, making love to each other. Did you fall in love so quickly?"

Su Chen shouted with a dark face when he saw Zhu Rong looking at Wu Ran,

"I'm in love with your sister. These two women are not my women. Even if you kill them, it has nothing to do with me."

"oh? Then why did you save them just now?"

"I'm happy, do you care?"

Zhu Rong didn't expect this pretty boy to be so difficult to deal with.

She raised the trainer's chin and threatened Su Chen again,

"Yeah? This woman is very beautiful. Since you gave up on her, I will reward her to my men. I believe that my men will love this beautiful woman very much."

Bu Lianshi was so scared that she collapsed on the ground after hearing Zhu Rong's words. She wanted to commit suicide immediately when she thought about what would happen in the future. However, she was pulled tightly by Zhu Rong. Even if she wanted to commit suicide now, she couldn't do it.

Su Chen listened When it comes to Zhu Rong, he is very helpless.

The most beautiful woman in the Southern Barbarians is a bit cruel and ruthless. Although he has no interest in Master Bu, Su Chen cannot watch a Central Plains woman being humiliated by a foreign race.

Wu Ran looked at Su Chen She just hoped that he could save Trainer Bu, but she didn't know how to persuade Su Chen.

Besides, it was Trainer Bu who was so confused this time that he went to save the white-eyed wolf. If Trainer Bu stayed with Su Chen, She would not be used by that foreign beauty to threaten Su Chen, and Su Chen would not be caught by that foreign beauty without any help.

"Pretty boy, will you surrender or not?"

"Zhu Rong, as a woman, are you willing to see another woman being insulted?"

Zhu Rong said with disdain, "What's this?" In our southern barbarians, a woman can have several men. We are a foreign race, not the sanctimonious Central Plains people like you."

"And you too?"

Zhu Rong shouted with shame and anger on his face when he heard Su Chen's words, "Bah, no one or any man in this world can deliver to me."

"oh! I understand, it turns out that you are still a young girl. When Zhu

Rong heard Su Chen's words, he yelled and cursed, "Damn it, I don't have time to talk nonsense with you, pretty boy, are you going to surrender or not?"

"surrender? I surrender to my ass!"

"Come on, kill this pretty boy"

"Yes, cave master!"

Zhu Rong doesn't want to talk nonsense with this pretty boy.

She can't catch this damn pretty boy by herself.

But don't forget, there are thousands of her barbarian soldiers here. She doesn't believe that she can't catch four to five thousand barbarian soldiers. This pretty boy

"Master Bu, just go and be the bride of the barbarian tribe, and we will leave first, hahaha..." Su Chen hugged Wu Ran, smiled at Trainer Bu, and disappeared in an instant.

Zhu Rong saw that Su Chenhui and Wu Ran disappeared here in an instant, and the bastard was never seen around again.

This made Zhu Rong curse with an ugly face, "Bastard, damn it, who is that bastard? Why is he like this?" Weird Qinggong?"

Bu Lianshi looked at Su Chen and Wu Ran who had disappeared with a look of despair.

Bu Lianshi regretted it very much now, but it was too late.

She was probably going to be humiliated to death by these southern barbarian aliens in the future.

"Come here, kill all the Central Plains people here, and the trash who escaped just now, kill him too."

"Yes, cave master!"

Zhu Rong looked at the battlefield again and continued to order, "Hurry up and clean the battlefield. Take away all the weapons and armor here, and take away the goods as well. We can't stay here longer."

"Yes, cave master! Zhu

Rong looked at Bu Lianshi who was slumped on the ground and said mockingly, "Your man has escaped. It seems that the men in the Central Plains are all bastards who are greedy for life and afraid of death. There is no point in being sad. You will be my brother from now on." woman."

After Master Bu heard Zhu Rong's words, she shook her head in horror and said angrily, "I don't want it. I won't be a woman of a foreign race even if I die. Don't have such wishful thinking."

"Huh, it's not up to you."

Then,

Zhu Rong took Master Bu and left here.

The valley also became quiet. The desolate valley now looks even more eerie and terrifying. There are corpses all over the ground and the earth is stained red with blood. This place will also become a terrifying place in the future. Mass grave.

On a big tree,

Su Chen held Wu Ran and watched Zhu Rong leave with the Nanman soldiers.

He smiled and followed immediately.

Su Chen had no intention of leaving just now, although Master Bu this time He asked for it, but there was no way he wouldn't save that idiot woman.

Su Chen also wanted Master Bu to remember this lesson

"You had no intention of escaping at all?"

Wu Ran's eyes brightened when she saw Su Chen leading her to follow those aliens. She guessed that Su Chen had no intention of abandoning Master Bu at all. This bastard must have saved Master Bu. leave

"How could I leave without saving that idiot woman?"

Chapter 1288

In the Shiwan Mountains of Shu,

Su Chen followed Zhu Rong's army and walked in the mountains and forests for four or five days, but they had not reached their destination yet. Su Chen didn't know where Zhu Rong was going. In this mountain forest, Su Chen was also trapped. I can't tell the difference between north, south, east and west.

Su Chen also saw it along the way.

Zhu Rong was also scaring Bu Lianshi in the valley. Su Chen did not see Zhu Rong hand over Bu Lianshi to the barbarians along the way.

Otherwise,

Su Chen would have rescued Bu Lian long ago. division.

Wu Ran, who was all sticky and uncomfortable, complained to Su Chen, "It's so hot in the mountains and forests. Su Chen, where do you think Zhu Rong is going? Zhu Rong is not going back to her territory with his army, right?"

"how could I know? I was dizzy in the mountains and forests." Su Chen looked at Wu Ran's beautiful face and shook his head.

Su Chen also saw Wu Ran taking off her veil a few days ago. He didn't expect Wu Ran to be so beautiful.

Even with Master Bu. Su Chen was very shocked when he saw Wu Ran's stunning face and perfect figure for the first time, especially Wu Ran's undulating mountains, which made him feel a little thirsty.

Wu Ran said to Su Chen with a shy look, "You.....You'd better take me with you. I'm so weak right now. I can't keep up with the aliens in front of me in this mountain forest."

Wu Ran was also helpless.

For a few days, she had been carried by Su Chen and followed Zhu Rong's team. At first, she often asked Su Chen to let go of her in shame.

But this bastard always refused, and only waited for her to take it off. After taking off the veil, this bastard didn't take her on the road, which made Wu Ran feel very confused.

But after walking for a day,

Wu Ran couldn't stand it.

She couldn't move even an inch in this mountain forest.

This was because of her. She followed the path trodden by the alien race in front of her, and even kept drinking Su Chen's spiritual wine to restore her strength.

Otherwise, she might not be able to hold on for an hour before she would be completely exhausted.

Su Chen took one look and said angrily, "Go by yourself, I don't have time to take you with me!"

"you....., I can't walk anymore." Wu Ran sat directly on a dead branch and panted.

Su Chen was very helpless when he saw Wu Ran who refused to leave. "You are such a waste. You drank the spirit wine all the way and you are still so useless. My This spiritual wine has been wasted by you."

It's not that Su Chen didn't take Wu Ran with him, but after Wu Ran took off the veil,

Su Chen didn't dare to hug Wu Ran anymore.

As long as Su Chen held Wu Ran's perfect figure, he would be taken over by Wu Ran. It was hard to stop the confusion caused by her stunning face and curvy figure.

Su Chen was also afraid that he could not help but bring harm to this beautiful Wu Ran.

Wu Ran felt aggrieved when she heard Su Chen's scolding voice. He said, "You bastard, is it possible for a weak woman like me to reach this mountain forest?"

"You are useless. Didn't you always say that I took advantage of you and asked me to let you go? Why are you asking me to hug you again now? Are you planning something evil against me?"

"Bastard, am I plotting against you? Why don't you die, you bastard?"

Su Chen looked at the front and urged with a smile,"Haha....., get up and hurry up, otherwise those aliens will go far away"

"Asshole, give me a hand."Wu Ran saw that Su Chen refused to take her with him no matter what, so she stretched out her hand and asked Su Chen to pull her on the way.

"you are so annoying"

"Hey, can't you be gentler?"

"You are not my wife, I am so gentle to you."

As Su Chen and Wu Ran yelled at each other, they rushed forward hand in hand.

In the Nanman team, thousands of barbarian soldiers were still advancing, and Bu Lianshi was pulled by Zhu Rong with a rope. Follow her.

But Lianshi Bu looked very embarrassed when he was all wet.

Not only did Lianshi Bu have disheveled hair, but the clothes on his body were also very messy. Even Lianshi Bu's face was very pale, even when he was walking. It's also swaying, as if it might fall if you're not careful.

"Stop and rest where you are for half an hour."

At this time,

Zhu Rong saw that Trainer Bu couldn't hold on anymore, she frowned and ordered loudly,

"Yes, cave master! Zhu

Rong handed Bu Lianshi a bottle of water and said mockingly,"You are really useless. Are all you Central Plains women so pampered?""

Bu Lianshi took a few sips of water and then rolled his eyes at Zhu Rong and said,"Huhu! I am just a helpless woman. How can I keep up with the army?"

Bu Lianshi is no longer afraid of Zhu Rong. She has also seen it in the past few days. Zhu Rong is not a bad woman at all, otherwise this beautiful Zhu Rong would not have taken good care of her along the way.

Zhu Rong heard that Bu Lianshi Then he patted his chest proudly and said,"What's wrong with the woman? I am a woman, can I not come and go freely in the mountains and forests? You are just a weak woman."

At this time, a barbarian quickly ran over and saluted Zhu Rong and said,"Cave Master, there is news. Jiang Yuyan, the state pastor of Yizhou, has arrived in the small town ahead."

Zhu Rong thought about it after hearing his subordinate's report and said,

"oh! Jiang Yuyan came quickly. It seems that Jiang Yuyan is determined to win over us barbarians. How many soldiers and horses did Jiang Yuyan bring?"

"Cave Master, the Yizhou Army showed up with five thousand troops."

"Well, it seems that Jiang Yuyan really keeps her promise. I am somewhat looking forward to meeting this female prince of Yizhou."

After Trainer Bu heard the conversation between Zhu Rong and her subordinates, she looked at Zhu Rong and asked doubtfully,"Are you going to meet Jiang Yuyan, the prefect of Yizhou this time?"

"Yeah, what? Do you also know that Jiang Yuyan?"Zhu Rong looked back at Bu Lianshi and asked.

Bu Lianshi was sitting under a tree and said with a serious face,

"I have heard that Jiang Yuyan, the Mu of Jiangzhou, is very amazing. She took control of the entire Yizhou in just over a year, and even developed Yizhou into a very powerful place. But I heard that Jiang Yuyan is also very ruthless. , Jiang Yuyan has personally killed countless people who resisted her"

"How can a woman control those stinky men without being vicious? Didn't your man also abandon you and run away? If I were you, I would definitely catch that bastard, skin him, and beat him"

"That bastard is not my man"

"If it weren't for your man, would he be flirting with you? You can't even try to deceive me."Zhu Rong didn't believe Bu Lianshi's words.

Zhu Rong felt that Su Chen abandoned Bu Lianshi just for that veiled woman.

Men are all bastards who have changed their minds and would abandon their wives and children regardless of meeting a beautiful woman.

But Zhu Rong I really looked down on such a man.

On the big tree where Zhu Rong and Trainer Bu were resting,

Su Chen was hiding here with a blushing Wu Ran in his arms. They could clearly hear the conversation between Zhu Rong and the others just now.

Jiang Yuyan?

Su Chen didn't expect that Jiang Yuyan was in the small town ahead, and that Zhu Rong wanted to meet Jiang Yuyan this time? Could it be that Jiang Yuyan wanted to use Zhu Rong to stabilize Yizhou's rear?

"You bastard, take your hands off me!"

Chapter 1289

Yizhou,

Lingjiang County, Lincheng, this is a small border town close to the Nanman region.

Today, a five thousand elite army arrived in this small town. These elite troops escorted a luxurious carriage into Lincheng.

"Liu Cong, the lower official, meets Lord Zhou Mu"

"See Mr. Zhou Mu!"

At the gate of the city, some officials saw the arrival of the luxury carriage. Each of these officials hurriedly knelt down and saluted the luxury carriage.

In the luxury carriage, a clear and melodious female voice came from the horse and said, "Liu Cong, Lincheng Has there been a barbarian invasion recently? Liu

Cong hurriedly bent down and saluted and said,

"Mr. Huizhou Mu, there are 30,000 troops from Lingjiang County stationed outside the mountains and forests of Lincheng. The southern barbarians dare not invade Lincheng now."

"Well, let's go to town!"

"Yes, Lord Zhou Mu."

After Liu Cong saw the army escorting the carriage into the city, he hurriedly wiped the sweat from his head. He did not dare to take this female governor lightly.

Liu Cong knew about the female governor of Yizhou. Although

Yizhou Mujiang Yuyan is a woman, Zhoumu Jiang Yuyan is very vicious. In Yizhou, those who dare to oppose Zhoumu Jiang Yuyan are either executed or beheaded by their entire family. The city lord of Lincheng In the mansion,

Jiang Yuyan was resting in a room.

She had traveled more than ten days to get to Lingcheng.

The mountain roads in Yizhou were too difficult to walk.

Jiang Yuyan wanted to eliminate the threat of Nanman to southern Yizhou once and for all. , as long as she takes care of the barbarians in southern Yizhou, she can concentrate on fighting for hegemony with the princes in the Han Empire.

Jiang Yuyan wants to return to the Xuantian Empire in the Western Continent, and she also wants to take revenge and kill that shameless bastard Su Chen Him. If he doesn't kill that hateful adulterer,

Jiang Yuyan will not rest in peace even if he dies.

"Master, there is recent news from the princes."

At this time, a woman's voice came from outside the room.

"Bring it in!"

"Yes, master!"

Jiang Yuyan took the secret letter sealed with wax oil and opened it, but she stood up in surprise after reading it for a while.

Miss Yan from Jingzhou turned out to be Su Yan?

The eldest princess of the Xuantian Empire?

Su Chen That shameless and perverted eldest daughter?

Damn it!

Jiang Yuyan didn't expect that Su Chen would send her eldest daughter to the Northern Continent. She even took control of Jingzhou, and that bastard actually wanted to launch a war against the Northern Continent as well.

What should we do?

Although Jiang Yuyan also has hundreds of thousands of troops, her army is simply incomparable to the Xuantian Empire's black-armored army. Even a war charge will break up her army.

Jiang Yuyan is in the room Walking around restlessly, the appearance of the eldest princess of the Xuantian Empire made Jiang Yuyan very worried. She was afraid that the shameless pervert Su Chen would also arrive. If Su Chen also came to the Northern Continent this time, she had not yet Get ready to kill that shameless pervert.

And although her strength is that of a land fairy in the early stage of the Heavenly Realm, that bastard's wives are much stronger than her.

Jiang Yuyan also has no confidence in defeating those powerful women.

"Someone come!"

"Owner!"

"Inform Shadow Rose to pay attention to everything in Jingzhou at any time. As long as it is the matter of the Xuantian Empire's princess, no matter how big or small, you must quickly send the letter to Feige."

"Yes, master!"

Jiang Yuyan opened the window and looked at the sky and said to herself, "Su Chen, you bastard, don't come to the Northern Continent now, otherwise I will not be able to help but kill your eldest daughter first."

In the mountain forest,

Wu Ran was hugged by Su Chen and secretly hid in a big tree. However, he found that this bastard's hands were not honest. At first, Wu Ran thought that Su Chen was trying to hug her tightly for fear

that she would fall. , but after a while she felt something was wrong, and this bastard started touching her body.

Wu Ran, with a face full of shame and anger, yelled at Su Chen in a low voice, "You bastard, take your dirty hands away."

"Shh!"

Su Chen was also very embarrassed.

When Su Chen was holding Wu Ran's soft body, he couldn't help but touch Wu Ran.

But this place was above Zhu Rong and Bu Trainer.

Su Chen hurriedly signaled to Wu Ran not to Talk, otherwise they will be discovered by that ruthless woman Zhu Rong

"What the hell, you shameless pervert!" When Wu Ran saw that this bastard didn't reply and even booed her, Wu Ran grabbed Su Chen's waist and yelled,

"who?"

At this time,

Zhu Rong heard the sound and hurriedly looked up at the big tree and shouted.

The surrounding barbarians surrounded the big tree one by one, and even hundreds of archers holding bows and arrows were ready to shoot at the big tree. Kill the enemy.

When Su Chen saw that they were all exposed, he looked at the embarrassed Wu Ran and yelled with a black face, "What the hell, can't you hear me if I don't let you speak?"

Wu Ran lowered his head and explained apologetically, "I....If you, bastard, hadn't touched me, would I have been able to speak?"

"You are not only a burden, but also a woman who fails to accomplish anything but fails more than others."

"You bastard, I'm already very embarrassed, and if they find us, won't you take me to escape again?"

"Run away, this time I will hand you over to that Zhu Rong." Su Chen glanced at Wu Ran and flew down the big tree with her in his arms.

Su Chen also wanted to get in with Zhu Rong's team this time, so that he could have a chance to see what Jiang Yuyan and Zhu Rong were going to do.

Jiang Yuyan Are you going to form an alliance with Zhu Rong?

When Zhu Rong saw it was Su Chen and Wu Ran, she pointed at Su Chen angrily and yelled, "It's you, you bastard. I didn't expect you to be following us. Boy, you're really Don't you want to live?"

Bu Lianshi was very happy when she saw Su Chen and Bu Lianshi appear.

She guessed that Su Chen and Wu Ran must have come to save her.

Bu Lianshi also didn't expect that bastard Su Chen would come back to save her. This The trainer's complaints against Su Chen disappeared without a trace.

Su Chen let go of Wu Ran and said with a smile, "Woman, please forgive me. Didn't I surrender myself?"

"Heroine? Surrender?"

Zhu Rong asked suspiciously when he heard Su Chen's words, what on earth is this bastard talking about?

She knows that the heroine is a name for women in the Jianghu, but is she from the Jianghu?

And what the hell is surrendering?

"Ahem! leader! It's surrender, I'm here to surrender." Su Chen looked at the confused Zhu Rong and hurriedly changed his words.

Su Chen's mind was also confused by Wu Ran.

What kind of heroine is Zhu Rong, a fierce woman?

And how could he say surrender?

Zhu Rong could know the meaning of surrender. What is the word that means hell?

"Are you coming to surrender? Why don't I believe you at all?" Zhu Rong's face showed that he didn't believe a word Su Chen said.

Zhu Rong felt that this bastard was very insidious and cunning, and his martial arts skills were also very weird.

He would definitely be reluctant to let go of the beauty Bu Lianshi when he came back this time.

"Really, Chief Zhu Rong, I admire you very much. I have been thinking about you every day since I saw you a few days ago, so I have come to surrender to you."

Chapter 1290

Su Chen felt chills all over when he said these words to Zhu Rong. He had never said such disgusting words before, but just because she wanted to get into Zhu Rong's team, Su Chen said it shamelessly.

At this moment,

Wu Ran and Bu Lianshi next to them were looking at Su Chen in shock.

They didn't expect that Su Chen would say such a thing, which made them both fold their arms and feel goosebumps all over their bodies.

Wu Ran and Bu Lianshi didn't believe that this bastard would fall in love with Zhu Rong, a foreign beauty. Although Zhu Rong was very wild and beautiful, they were all as beautiful as Zhu Rong.

But that bastard was not interested in any of them.

How could Su Chen be interested in Zhu Rong, a foreigner?

Wu Ran and Bu Lianshi both speculated that Su Chen might be up to some tricks.

Zhu Rong looked at Su Chen with stupid eyes.

She didn't expect that this pretty boy would actually woo her?

Although this pretty boy is prettier than any man in the barbarian tribe and is very powerful, she doesn't need this shameless pretty boy.

However,

Zhu Rong didn't know why he felt happy when he heard Su Chen's words.

Zhu Rong came to his senses and said harshly to Su Chen, "You shameless person, what are you talking about? Do you want to die?"

"I really fell in love with you at first sight, and I am willing to die in your hands. Zhu Rong, are you going to kill me?" Su Chen pretended to be affectionate and said to Zhu Rong,

Ugh!

" Su Chen felt like he was going to vomit.

This was so disgusting to him.

Su Chen couldn't bear it.

If Zhu Rong still wasn't moved,

He really has no choice

"you.....you.....I kill you!"When Zhu Rong heard Su Chen's words, he slapped the bastard in panic.

Su Chen was about to dodge when he saw Zhu Rong's attack, but he suddenly felt that Zhu Rong didn't use his internal strength, which made Su Chen unable to dodge. He withstood Zhu Rong's palm.

Touch!

Su Chen was knocked back a few steps by Zhu Rong's palm.

Su Chen felt nothing happened to his body, except that he felt some pain in his chest, but this was nothing to Su Chen.

Wu Trainers Amaranth and Bu were very worried when they saw Su Chen being slapped by Zhu Rong. They were worried that if Su Chen was killed by Zhu Rong, they might not be able to escape Zhu Rong's clutches for the rest of their lives.

"Come on, watch this bastard for me."

Zhu Rong saw that Su Chen had no resistance and was not even afraid of death.

This made her look at Su Chen a little evasive. Zhu Rong hurriedly ordered the barbarian soldiers to look at Su Chen and ran to the side.

Zhu Rong should calm down.

This matter is too big. Suddenly,

Zhu Rong is very flustered now.

"Yes, cave master!"

The barbarian soldiers around him immediately replied, but the barbarian soldiers here looked at Su Chen and admired her very much. Their cave master was a very vicious woman. No one in the barbarian cave tribe dared to attack them. The leader expressed his love.

Although there are many cave masters in the barbarian tribe who are in love with Zhu Rong, those cave masters do not dare to woo their cave master Zhu Rong for the sake of their own lives.

"You are so shameless!"

Wu Ran came to Su Chen and sat down and whispered contemptuously.

Su Chen leaned against the tree and said mockingly, "Tsk, this is a trick. If you hadn't exposed us, could I have deceived Zhu Rong so shamelessly?"

"Are you seriously injured? Trainer

Bu also came to Su Chen and asked with concern.

Su Chen glanced at Trainer Bu and lied, "I'm about to die. If I hadn't come to save you, an idiot woman, would I have died?"

"right....sorry!"

"Is sorry useful? Even if I die, you will have to stay widowed"

"Pooh! Don't even think about it!"

Trainer Bu was originally very sorry for Su Chen being injured again, but she didn't expect that this bastard would talk such nonsense.

Besides, this bastard was only injured but would not die, so this bastard would talk such nonsense.

This makes Trainer Bu feel so bad for Su Chen. Very ashamed and angry.

Su Chen looked at Bu Lianshi's shameful and angry look and smiled and continued, "Bu Lianshi, I kissed you and your innocence was ruined by me. How can you still marry in the future?" Anyone else?"

"I.....you....."

Trainer Bu was stunned.

Su Chen was right.

Her innocence had been ruined by this bastard. Do she really want to marry this shameless person in the future?

"Trainer, don't believe what this bastard says. As long as no one knows about this, you don't have to marry this bastard." Wu Ran felt very uncomfortable when she heard what Su Chen's Bu Lianshi said.

She didn't know why. It was just that she kept asking her to stop Su Chen and Bu Lianshi from being together.

Otherwise,

Wu Ran would Ranran would not say this to Trainer Bu.

Su Chen looked at Wu Ran unexpectedly and asked doubtfully, "Miss Wu Ran, are you jealous?"

"Damn it, you bastard, stop talking nonsense." Wu Ran hurriedly argued with embarrassment after hearing Su Chen's words.

Trainer Bu looked at Wu Ran and felt strange.

She didn't understand why Trainer Bu would say this. Just treat it as if it didn't happen if no one saw it?

Isn't this right ? Are you deceiving yourself?

Is it really what Su Chen said?

Is Wu Ran jealous?

What happened to Wu Ran and this bastard in the past few days? And how did Wu Ran take off the veil she had been wearing?

"Set off! Get up and go, everyone."

At this time,

Zhu Rong came back and ordered with a cold face,

"Yes, cave master!"

Su Chen smiled when he saw Zhu Rong arriving and stood up. Trainer Bu and Wu Ran also walked forward with Su Chen on the left and right.

Trainer Bu followed Su Chen for a while and stretched out his hand. road,

"Mr. Su, give me some of your spiritual wine. I'm still sore all over and I don't have the strength to go on my way."

"And I have finished drinking what you gave me."

Su Chen was very speechless when he heard what Trainer Bu and Wu Ran said.

Did these two women regard him as a physical recovery machine?

Although he had a lot of spirit wine,

Trainer Bu and Wu Ran wasted it like this.

Su Chen also felt distressed.

You must know that spiritual wine is brewed with spiritual stones. Drinking spiritual wine can speed up your cultivation.

Now that these two women who don't know martial arts are wasted like this,

Su Chen is really helpless.

He He took out two pots of spiritual wine from the system space and handed them to Wu Ran and Bu Lianshi respectively.

Wu Ran took Su Chen's wine and asked doubtfully,

"Where is your wine hidden? Why haven't I noticed you carrying alcohol with you? And food? You kept bringing out delicious food and snacks along the way. Where did you hide these?"

"As long as you have enough to eat and drink, why do you ask so much? As if you were my wife."
