

Zongwu 1291

Chapter 1291

Wu Ran was very curious about Su Chen's continuous creation of delicious food and wine in the past few days.

In the past few days,

Wu Ran has been eating different delicacies every day.

She has never eaten these foods before. These foods are not only delicious, but also very delicious.

Although Wu Ran was very tired from being in the mountains and forests these past few days, she was living a very good life. If this bastard hadn't continued to lead her on the road, Wu Ran would have felt like she was on an outing in the mountains and forests.

When Trainer Bu heard Wu Ran's words, she looked at Su Chen in surprise.

She didn't expect that Su Chen and Wu Ran could eat delicious food and drink fine wine every day, which made Trainer Bu very envious.

In the past few days, Trainer Bu had been eating wild fruits provided by the barbarians, and even some hard flour cakes. Not only had she not eaten well in the past few days, she was even as tired as a dog every day.

Trainer Bu was a little jealous that Wu Ran was eating well next to Su Chen and was not too tired.

Su Chen shook his head and continued on his way with the barbarians here.

He was kind to these two pampered beauties. They were speechless. Even some food could make them curious. Su Chen had no intention of telling them where the food and wine were hidden.

Behind the team,

Zhu Rong looked at Su Chen from time to time.

She didn't know why she kept looking at Su Chen.

Zhu Rong felt that she was going crazy, but when she looked at this pretty boy, she felt more and more that Su Chen was very suitable. Her criteria for choosing a mate.

Su Chen is not only handsome and handsome, but also has an inexplicable noble temperament in his body. Even Su Chen's strong strength makes Zhu Rong very satisfied with him.

Zhu Rong would not like a weak man.

Three days later,

Jingzhou, Xiangyang.

Su Yan started mobilizing the army after returning to Jingzhou three days ago. Six black-armored legions and an army of 300,000 people had already begun to assemble.

The sudden gathering of troops in Jingzhou made the surrounding princes very worried.

Cao Cao from Yuzhou, Jiang Yuyan from Yizhou, Bai Yifei from Hanzhong, Ma Teng and Han Sui from Liangzhou, Li Que from Sili, Guo Si from Yongzhou, Yuan Shu from Yangzhou, Sun Ce from Jiangdong, and Gai Nie are attacking Yizhou Yuan Shao.

These princes were very worried that Jingzhou would launch a war against them.

Especially Cao Cao of Yuzhou.

After he obtained Jingzhou and began to assemble an army, he was attacking Lu Bu's 100,000 troops in Yanzhou. He immediately withdrew to Yuzhou.

Cao Cao had offended the eldest princess of the Xuantian Empire more than once. He was most afraid that Jingzhou's assembled army would launch a war against him this time.

In the Mufu of Xiangyang Prefecture in Jingzhou,

Su Yan smiled as he looked at the letter in his hand.

After she started mobilizing the army a few days ago, other princes in the Han Empire sent her letters one after another, and even some small princes directly expressed their intention to surrender to her. , but some big princes are still unwilling to give up the power in their hands.

Su Yan sat boredly on the chair and played with the spiritual sword Luoxue in her hand. She couldn't go out to play at will now.

With the empress Li Maozhen here,

Su Yan was under strict supervision.

At this time,

Huang Yueying came into the room with tea.

She looked at the many letters on the table and smiled and said,"Princess, there is no letter from Yuan Shu from Yangzhou." , will Yuan Shu not be willing to rely on the eldest princess?"

Su Yan put away his spiritual sword and Luoxue said confidently,

"Don't worry, although Yuan Shu of Yangzhou is arrogant and arrogant, he is also a moderately cautious person. After Yuan Shu knows my true identity, Yuan Shu will definitely surrender to me. Even if Yuan Shu refuses to surrender to me, his My subordinates will also force Yuan Shu to surrender to me."

Huang Yueying nodded as she sat down.

She also knew that many officials in Yangzhou had taken refuge with Su Yan. Yuan Shu in Yangzhou is now a waste with only the title of state pastor and no real power. I am afraid that Yangzhou will change with just one word from Su Yan. The flag surrendered to Su Yan.

Huang Yueying thought for a moment and asked doubtfully, "Elder Princess, which prince are you going to assemble this time to attack?"

Su Yan pointed to the map on the wall and said arrogantly, "Sun Ce from Jiangdong Wu County, the little overlord of Jiangdong has always been arrogant and domineering towards me. This time I will destroy Sun Ce from Jiangdong Wu County first."

"Doesn't Sun Ce only have an army of tens of thousands? Do we need an army of 300,000 to attack Sun Ce?"

"Sun Ce is just the beginning. There are millions of Shanyue people in Jiangdong. The various Shanyue tribes combined have more than 100,000 troops, and Shi Xie in Jiaozhou must also be defeated."

"So this is ah!"

"Of course this is the case. After Sun Ce from Wu Commandery, various tribes in Shanyue, and Shi Xie from Jiaozhou are all wiped out, the next step will be to kill Ma Teng and Han Sui from Yizhou, Hanzhong, and even Liangzhou."

"What about Dong Zhuo's remaining men? Huang Yueying thought for a moment and then continued to ask Su Yan doubtfully.

Su Yan put his hands behind his back and said calmly,

"Huang Yueying! You may not know it yet!"

"Before Dong Zhuo died, he sent someone to send his daughter Dong Wan to the Southern Continent. Dong Zhuo wanted to marry his daughter to my father."

"Dong Zhuo's subordinates should all know about this matter. Now that my identity has been exposed, do you think Li Cui of Sili and Guo Si of Yongzhou would dare to make an enemy of my army? If Li Cui and Guo Si were smart, they would surrender as soon as my army arrives. Huang

Yueying suddenly realized when she heard Su Yan and said, "There is such a thing. No wonder Dong Zhuo's little daughter disappeared without a trace after his death. It turned out that Dong Zhuo sent her to the Southern Continent."

Su Yan lay down next to Huang Yueying and said with a smile, "Huang Yueying, you have also met my father, are you tempted?"

"Su Yan, what are you talking about? If you keep talking like this, I will ignore you." Huang Yueying threatened in shame when she heard Su Yan's words,

"Haha, sister Yueying, look at my father who is not only handsome and handsome, but also has an outstanding temperament and is even highly skilled in martial arts. Are you really not tempted?"

"I.....I still have something to do, I.....I left first"

"Hahaha....."

Su Yan laughed when he saw Huang Yueying running out with a red face.

Since the women here in Xuzhou met her father,

Su Yan also discovered the changes in these women, especially Huang Yueying and Cai who were forced to come by her. Yan, Da Qiao, Xiao Qiao, and even the Zhen Jiang girls who came this time have been in a daze these days.

Su Yan felt that the women here all had a good impression of her father. Although they were not ready to commit themselves to each other, I was afraid that it wouldn't be long before those women would fall into her father's arms.

Yizhou, Lincheng.

Zhu Rong took Su Chen and Bu Lianshi to the vicinity of Lincheng. On a large mountain near Lincheng, Zhu Rong's more than 4,000 troops were on guard all over the mountain. This was Yizhou's territory, and there were tens of thousands of people around it. The Yizhou army was on guard against the invasion of the Southern Barbarians.

Zhu Rong pointed at Su Chen and shouted expressionlessly,

"come here!"

Zhu Rong watched Su Chen chatting and laughing with Bu Lianshi and Wu Ran along the way, which made her very angry. This bastard kept saying that he fell in love with her at first sight, but this bastard didn't even say a word to her along the way. He even kept hugging Bu Lianshi and Wu Ran.

This made Zhu Rong so angry that he wanted to kill this bastard.

"Leader Zhurong, you called me?"

"Get over here!"

Chapter 1292

Su Chen was teasing Bu Lianshi and Wu Ran, but he didn't expect Zhu Rong to call him at this time, and he looked very angry.

This made Su Chen look at Zhu Rong a little confused.

"Come here yet!"

Damn it!

Why is this Zhu Rong so crazy now?

Su Chen thought that he had never provoked Zhu Rong again along the way. Why was Zhu Rong so angry?

Bu Lianshi and Wu Ran were originally teased with red faces by Su Chen.

They were also confused when they heard Zhu Rong's words.

What did Zhu Rong have to do with Su Chen at this time?

Could it be that Zhu Rong wanted to take action against Su Chen?

On a hillside,

Su Chen followed Zhu Rong here and said to her,

"Zhu Rong, what's going on? Zhu

Rong turned around and looked at Su Chen and said angrily,

"You bastard, you were very carefree along the way! You are so cool, hugging two beautiful beauties on your left and right, you are a prisoner, you are my prisoner, have you forgotten?"

"Ahem, Zhu Rong, come and have a drink to relieve your anger."

Su Chen hurriedly coughed a few times in embarrassment. He took out a bottle of wine from the system space and hurriedly handed it to Zhu Rong and said,

Su Chen had long forgotten his confession to Zhu Rong along the way. He only cared about Trainer Zhanbu on the way. and Wu Ran.

Besides,

Bu Lianshi and Wu Ran had been competing with each other for a few days. Su Chen had long forgotten about Zhu Rong while hugging him.

Su Chen also didn't expect that Zhu Rong would be angry about this incident,

Su Chen touched his chin and felt that he was too charming. He just said some disgusting words of confession to Zhu Rong, but he didn't expect that Zhu Rong actually believed it and even criticized Bu Lianshi and Wu Ran. Got jealous

"I don't drink!"

Zhu Rong opened Su Chen's hand with a cold face and shouted.

Su Chen curled his lips and continued to lie, "Zhu Rong, this is my heart for you. I wanted to talk to you along the way, but you kept being cold. Face, I don't dare to disturb you. Zhu

Rong pointed at Su Chen and said coldly and arrogantly, "You are really a cunning Central Plains man. You have been flirting with those two women. Do you think I am blind?" You Chinese men are all bastards who are greedy for beauty."

Su Chen looked at Zhu Rong who was still very angry.

He was too lazy to continue talking to Zhu Rong.

Su Chen hugged Zhu Rong's waist and asked with a smile, "Okay, don't be angry. Come and have a drink to recover. Physical strength, by the way, are you and Jiang Yuyan going to cooperate?"

"you.....Let me go. Who asked you to hold me? Let me go."

Zhu Rong was stunned when Su Chen hugged her.

She didn't expect that this Central Plains native would be so bold and hug her without her permission.

Zhu Rong was so ashamed and angry that she struggled to break away from Su Chen's arms.

Snap.!

Su Chen hit Zhu Rong and then continued to ask, "Stop making trouble, tell me what deal you have with Jiang Yuyan?"

"How dare you hit me? You bastard, do you want to die?"

Zhu Rong covered his back and stared at Su Chen, yelling, "Bah, bang, bang!"

"When you get married, obey your husband, obey the three virtues, don't you know?" Su Chen hit Zhu Rong a few more times and said in a coaxing way.

Zhu Rong glared at Su Chen with blazing eyes and cursed, "Shameless bastard, I haven't married you yet, bah, how could I marry you, a bastard? What else can I do? Three obediences and four virtues? Marry and obey your husband? I am a barbarian, not you Central Plains woman."

Zhu Rong is so angry now that this bastard beat her again and again, even hitting her in places where she is embarrassed. Fortunately, there is no one else here. This makes Zhu Rong unable to help but want to kill this shameless pervert.

"Haha, that will happen sooner or later"

"Shameless Central Plains people."

Zhu Rong was helpless to Su Chen, a shameless and shameless bastard, and she stopped struggling.

Zhu Rong felt very good being held by Su Chen.

She had never thought that being held by a man would make her feel so happy.

Could this be Love between men and women?

"Tell me about you and Jiang Yuyan." When Su Chen saw that Zhu Rong was no longer struggling, he continued to ask,

"Do you also know Jiang Yuyan?"

"Yes, we have known each other for a long time, cough! Don't get me wrong, I have a grudge against Jiang Yuyan. I have offended that woman before. This time I just want to know what Jiang Yuyan's plans are in Yizhou."

Su Chen said while sitting on the grass with Zhu Rong in his arms and hurriedly explained.

Jiang Yuyan didn't have a big grudge against him, it was just that Su Chen ruined Jiang Yuyan's plan in the Ming Dynasty.

At that time, even after Jiang Yuyan After winning the Ming Dynasty, he would be destroyed by his Xuantian Empire in the future. Jiang Yuyan would get nothing in the end.

Su Chen also had to be enemies with Jiang Yuyan.

He and Jiang Yuyan may have been born to be enemies of life and death. Right.

Zhu Rong was surprised when he heard Su Chen's words and said,

"You actually have a grudge against the governor of Yizhou? Then you are going to die? Jiang Yuyan not only has hundreds of thousands of troops, but her martial arts is also very powerful. You are really asking for death when you come to Yizhou this time."

"You don't need to worry about this. I have a way to protect myself. Or tell me what deal you have with Jiang Yuyan?"

"Jiang Yuyan and I only have a temporary alliance. Jiang Yuyan will help me unify the various tribes of the Southern Barbarians. Jiang Yuyan will support me with weapons, food and grass, but her request is that after I unify the various tribes of the Southern Barbarians, she is not allowed to launch a war against southern Yizhou within five years.. Su

Chen suddenly realized what he said when he heard Zhu Rong's words and said,"So that's it. Jiang Yuyan wants to stabilize Yizhou's rear. She wants to prepare to compete with the princes for the dominance of the Han Empire.""

Zhu Rong leaned in Su Chen's arms and looked at him with beautiful eyes and said,"That should be the case. However, this is very beneficial to us Southern Barbarians. I have no reason not to form an alliance with Jiang Yuyan."

"Hey, you're thinking too much, Jiang Yuyan won't be so kind."

"I know, allies are betrayed, don't you Central Plains people always form alliances and dissolve alliances?"

"Just understand!"

"Kai Chun Cave.....Cave Master, damn it, I'm leaving right now."

At this time, a barbarian soldier ran over to report something important to Zhu Rong, but he suddenly saw Zhu Rong being held by a man, and Zhu Rong was still smiling.

This made the barbarian soldier frightened and hurriedly saluted. leave

"Come back, what happened?"Zhu Rong glared at Su Chen and hurriedly stood up and shouted to the barbarian soldiers.

Hearing Zhu Rong's words, the barbarian soldiers responded hurriedly and nervously,"Master of the Cave, there is news from Jiang Yuyan, the governor of Yizhou, that he will be in Lincheng at noon tomorrow. Meet outside by the river"

"I know, go down"

"yes.....It's the cave master."

After the barbarian soldiers arrived,

Zhu Rong kicked Su Chen and went back.

She doesn't know how to treat this Central Plains person now. Do you like it?

This is not a question, but don't you like it?

Zhu Rong feels like she is with Su Chen. He was in a very happy mood, and Zhu Rong was also very troubled now.

"tomorrow? Jiang Yuyan, we are going to meet tomorrow. I wonder what your expression will be like when you see me?"

Chapter 1293

The next day, thousands of Yizhou troops were already under martial law by the river outside Lincheng. On a temporary high platform by the river, Jiang Yuyan sat here with a noble look and looked at the scenery around her. Today it was her The day of alliance with Nanman Zhurong. Jiang Yuyan wants to promote this alliance. The Southern Barbarian tribes have been harassing the southern part of Yizhou. Jiang Yuyan has no time to conquer the Southern Barbarian tribes. Her opponents have always been various princes in the Han Empire. The eldest princess of Jingzhou is her Her main opponent, Nanman, she doesn't take it to heart at all now.

"Zhou Mu, the Southern Barbarians have arrived!"

"oh? How many people came?"

"Zhou Mu, more than 4,000 troops from the Southern Barbarians have arrived."

"Well, let those southern barbarians come over"

"Yes, Zhou Mu!"

At this time,

Zhu Rong and Su Chen also appeared by the river. Guarded by thousands of barbarian soldiers, Zhu Rong and Su Chen walked towards the high platform by the river.

"You stay! Zhu

Rong looked at Jiang Yuyan on the high platform and ordered to the barbarian soldiers,

"Yes, cave master."

Zhu Rong nodded to Su Chen and walked towards the high platform together.

She didn't know why Su Chen had to see Jiang Yuyan. You must know that this bastard still has a grudge against Jiang Yuyan.

Isn't Su Chen afraid that Jiang Yuyan will kill him? Did you kill him?

Zhu Rong looked at Su Chen worriedly and clenched his fist.

Zhu Rong would not let Jiang Yuyan kill Su Chen. Although she didn't like this bastard to death, this bastard was the only person she liked. , is also the only man she likes.

Zhu Rong will not let Jiang Yuyan kill Su Chen.

On the high platform, after Su Chen and Zhu Rong arrived, they saw a woman with a curvy figure sitting on a chair and drinking leisurely. Tea.

Su Chen looked at Jiang Yuyan's back and said loudly, "Jiang Yuyan, Jiang Guifei, I haven't seen you for a long time. I didn't expect you to still be so beautiful.""

"Cough cough cough, Su.....Su Chen, why are you here?" Jiang Yuyan was drinking tea and suddenly choked when she heard Su Chen's voice. She turned around and looked at Su Chen and shouted in shock.

Jiang Yuyan was going to give Nanman Zhurong a blow. Not only did she not welcome future allies, but she also How about trying this ally's scheming, but she didn't expect to meet this bastard here. Although

Jiang Yuyan guessed that Su Chen would come one day, she didn't expect that this bastard would come so quickly. This shameless pervert would I'm afraid he brought a lot of experts with him.

No matter how angry Jiang Yuyan was with Su Chen, she didn't dare to take action easily.

Su Chen looked at the surprised Jiang Yuyan and came to sit next to her.

"Haha, don't I miss you? I came from the Southern Continent specifically to find a beauty like you."

Jiang Yuyan glared fiercely at this hateful bastard. This shameless pervert actually dared to sit in front of her openly.

This made Jiang Yuyan threaten Su Chen with a vicious expression on her face,

"I think you are here to seek death, Su Chen. There is a road to heaven but you don't take it. There is no door to hell and you broke in on your own."

"Jiang Yuyan, you can't kill him." After Zhu Rong heard Jiang Yuyan's threats to Su Chen, she hurriedly came to Su Chen and said to Jiang Yuyan.

Jiang Yuyan unexpectedly looked at Zhu Rong, a beautiful foreigner, and said coldly and expressionlessly, "Zhu Rong, This is a grudge between me and this bastard, you'd better stay out of it. Zhu

Rong said without giving in at all,

"He will be my man in the future, how could I not care? Jiang Yuyan, I don't care what hatred you have against Su Chen. If you want to form an alliance with me, you must let this bastard go."

"Ha ha....."

Jiang Yuyan laughed when she heard Zhu Rong's words.

She admired Su Chen more and more now.

This bastard would be surrounded by beauties no matter where he went.

Even every woman was a stunning beauty, and those beauties Either it is powerful or powerful.

Zhu Rong's tribe is one of the most powerful tribes among the Southern Barbarians.

Zhu Rong frowned and looked at the laughing Jiang Yuyan and asked,

"why are you laughing?"

"do you know who he is?"

"Su Chen is still a native of the Central Plains."

"What is his identity?"Jiang Yuyan took a sip of tea and asked with a smile,

"identity?"

When Zhu Rong heard Jiang Yuyan's words, he looked at Su Chen and asked,"What is your identity? Aren't you a charlatan?

Jiang Yuyan looked at the confused Zhu Rong and said with a smile,"Hahaha!" Zhu Rong, your man is the emperor of a powerful empire, and the emperor of an empire spanning two continents."

"emperor? The emperor of a powerful empire? you.....you...Are you the emperor of the Xuantian Empire?"

Su Chen nodded speechlessly while drinking tea.

Su Chen didn't expect that Jiang Yuyan didn't rush to take action.

This was a bit abnormal, but Zhu Rong actually said that he was her man?

Su Chen felt that he had deceived this foreign beauty a bit deeply. He looked at Zhu Rong and wondered whether he should just accept this Zhu Rong?

No matter how you say it, Zhu Rong is a peerless beauty, and she is also an innate female master in the realm of cultivation. Zhu Rong even controls the most powerful tribe in the Southern Barbarians. One.

This will also be helpful for Su Chen to control the Northern Continent in the future.

Zhu Rong was stunned when he saw Su Chen nodding.

The emperor of the Xuantian Empire?

Zhu Rong had heard those Central Plains people talk about the Xuantian Empire.

The Xuantian Empire was a A very, very powerful empire, with millions of elite troops alone, the Xuantian Empire has more troops than the entire Southern Barbarians combined.

Zhu Rong looked at Su Chen and felt very unbelievable, how could this bastard be Xuantian? Where is the emperor of the Celestial Empire?

How could an emperor of a powerful empire appear in Yizhou of the Northern Continent?

Did this bastard come just for Jiang Yuyan?

Su Chen ignored the confused Zhu Rong, he looked at Jiang Yuyan and asked in confusion , "Jiang Yuyan, did you already know that I would come to find you?"

"oh? Why do you say that?" Jiang Yuyan asked with a smile when she heard Su Chen's words,

"You seemed to be surprised by my arrival, but you were very calm and composed after you reacted, which made me very puzzled."

Jiang Yuyan stood up and stretched her perfect figure and said,

"Su Chen, the news about your daughter in Jingzhou has spread. I didn't expect that you would send your eldest daughter to take control of Jingzhou."

"Your heart is really very big"

"A six- or seven-year-old princess of the empire is now being released for training. I have to say that you are really ruthless towards your daughter."

Su Chen's face turned dark when he heard Jiang Yuyan's words.

It's none of his business!

Why did he send his eldest daughter to the Northern Continent to control Jingzhou?

This was all done by that girl Su Yan who sneaked out and did it herself.

It's none of his business!

"You bastard actually have a daughter? Is that Miss Yan from Jingzhou still your eldest daughter? Damn it, you actually lied to me about falling in love with me at first sight. Have you been lying to me, you bastard?"

Chapter 1294

Zhu Rong was very angry when she heard Jiang Yuyan's words.

She didn't expect that this bastard actually had a wife and even a child.

However,

Zhu Rong thought that this bastard was the emperor of an empire, and it was natural for him to have a wife. I was afraid that this bastard might have many wives.

Zhu Rong looked at Su Chen and clenched his fists tightly.

This bastard was the emperor of the empire.

How could he fall in love with a barbarian woman like himself? This bastard must have been deceiving himself before. He must have wanted to save the step trainer before he deliberately said that he fell in love with him at first sight or that he had feelings of admiration for him.

Su Chen looked at the angry Zhu Rong and thought to himself, "F*ck".

He had just forgotten about the fiery beauty Zhu Rong, and now Zhu Rong was offended again.

Su Chen hurriedly tried to persuade him,

"Zhu Rong, everything I told you is true. We will talk about your affairs later, and I will definitely give you a satisfactory explanation."

"real? You didn't cheat on me? Zhu Rong stared at his beautiful big eyes and asked doubtfully.

Su Chen patted his chest and promised, "I am the emperor of a powerful empire. Jun Wuyan, you should know this, right?"

Zhu Rong nodded when she heard Su Chen's words. She also heard that the emperor always spoke the truth, and once he said it, he would never change it. "I believe you this time. If you don't give me a satisfactory explanation in the future, even if You are an imperial emperor, I will kill you too"

"good! good! good! I will definitely give you a satisfactory explanation."

Su Chen took Zhu Rong and asked her to sit aside.

Now he wants to find a way to deal with Jiang Yuyan.

Should he kill Jiang Yuyan?

Or have a nice talk with Jiang Yuyan?

At this time,

Jiang Yuyan has been checking

There were no other people around, except for the 5,000 troops she brought to Linhe, and the more than 4,000 barbarians from Zhu Rong.

No, there were two women in the barbarian army, but those two women were not there either. Martial arts, did Su Chen not bring any masters when he came this time?

Jiang Yuyan is now a terrestrial immortal in the Heavenly Realm.

She has just checked several times within a radius of ten miles, and there is indeed no powerful master here.

Jiang Yuyan She smiled when she looked at Su Chen.

This bastard couldn't escape her heart this time.

However,

Jiang Yuyan didn't intend to kill Su Chen. A living Su Chen was much more useful than a dead Su Chen.

Besides!

The wives of this bastard Su Chen are all ruthless masters. If she kills this bastard, I'm afraid those powerful women who are chasing her to the ends of the earth will kill her.

Jiang Yuyan really wanted to kill this guy at the beginning. Bastard, but now she thinks about it, if she catches this bastard, she can bully and take revenge as much as she wants.

"why are you laughing?"

After Su Chen took care of Zhu Rong, he suddenly found that this little girl Jiang Yuyan was laughing, which made Su Chen a little curious.

However, this little girl Jiang Yuyan was really beautiful when she smiled.

"I'm happy, it's none of your business!"

"Jiang Yuyan, do you want to die?"

Jiang Yuyan stretched out her arms and hugged her fair neck and sneered, "Tsk! You, a bastard who relies on women, want to kill me? Have you eaten the heart of a bear or the courage of a leopard?"

"Damn it, Jiang Yuyan, since when did I rely on women?" Su Chen scolded with a dark face when he heard Jiang Yuyan's words.

Jiang Yuyan laughed disdainfully, "You are a waste. If you hadn't had those powerful ladies in the Heavenly Realm, you would have been killed long ago. Countless times, don't you rely on women?"

"I'll do it!"

Su Chen was speechless by what Jiang Yuyan said.

Jiang Yuyan was right.

Su Chen relied on the help of women like Jellyfish Yinji and Shi Guanyin to get through the difficulties again and again.

But he relied on himself. Is it wrong to protect his wife?

Although he can be regarded as a pretty boy, but this is also his ability.

His powerful wives are not something that anyone can marry.

"Why do you have nothing to say?"

"What the hell am I talking about? I just rely on my wife." Su Chen glared at Jiang Yuyan, then turned back and hugged Zhu Rong beside him and asked with a smile, "Zhu Rong, if I'm in danger, will you save me?"

"Save, I will definitely save you." Zhu Rong's heartbeat quickened when Su Chen hugged her again and she hurriedly replied,

"Haha, it's better to be my woman."

Jiang Yuyan looked at Su Chen's proud look and said angrily, "You are just a shameless pretty boy."

"So what if I'm just a pretty boy?" boom!

"What the hell!"

Su Chen didn't expect that Jiang Yuyan would get into a fight if they disagreed.

When Jiang Yuyan smashed the table,

Su Chen hurriedly took Zhu Rong and disappeared on the high platform.

"Ready to fight!"

After Su Chen and Zhu Rong appeared in the barbarian army,

Zhu Rong ordered with an angry look.

After the barbarian army heard Zhu Rong's order, they all fiercely held weapons and prepared to attack the Yizhou army.

"Kill these barbarians!" After Jiang Yuyan saw Su Chen and Zhu Rong escaping back to the army, she gave orders to the surrounding Yizhou troops with an expressionless face.

Dong Dong Dong Dong Dong.....

After the Yizhou army heard Jiang Yuyan's order, the war drums were beaten.

The neatly dressed and well-equipped Yizhou army formed a military formation and charged towards the barbarians.

"Kill me!"

Zhu Rong saw Yizhou's army starting to charge and kill. She waved her hand with a fierce face and shouted an order.

Su Chen hurriedly pulled Zhu Rong's hand and ordered loudly, "Kill the hell, stop it. Quick, They all formed a circle around me, the shield soldiers put up their shields for defense, and the archers were in the circle preparing to kill the enemy."

Su Chen was also speechless at these barbarian troops.

Jiang Yuyan's army looked very elite at first glance. If these useless barbarians rushed over, I'm afraid they would be completely wiped out in less than a quarter of an hour.

Su Chen Although he doesn't care whether the barbarians here are dead or injured,

Zhu Rong will be her woman from now on, and it is also because of him that Zhu Rongcai fell out with Jiang Yuyan.

If Zhu Rong's army suffered heavy casualties here in this war, her tribe Their strength will also plummet, and they may even be annexed by other tribes. This is not what Su Chen wants to see.

After Zhu Rong heard Su Chen's words, she hurriedly ordered without thinking,

"Even if you don't follow it, Su Chen's orders will be my orders from now on."

"Yes, cave master!"

Zhu Rong didn't know why Su Chen did this, but she felt that Su Chen might have a way to defeat Yizhou's elite army. Yizhou's army was much stronger than the tribe's army. Many were killed by the Yizhou army

"A group of disintegrated people, I killed all the barbarian troops here."

"kill! kill! Kill!"

Chapter 1295

Behind the barbarian army,

Bu Lianshi and Wu Ran saw that a war was about to start, which made them fearful again.

They are all ordinary women, and the Yizhou army does not recognize them. In case they are accidentally killed by the Yizhou army on the chaotic battlefield.

There was no place for them to cry.

Trainer Bu suddenly saw that Zhu Rong had been following Su Chen, and Su Chen had been giving instructions to the barbarian soldiers. Zhu Rong was nodding like a little woman.

Trainer Bu asked in confusion, "Sister Wu, why do you feel something different between Mr. Su and Mr. Zhu Rong when they come back? Why does Zhu Rong obey Mr. Su's words?"

Wu Ran frowned and couldn't understand, "I don't know, maybe it's Zhu Rong must rely on Su Chen to win this war!"

"Bastard Su would actually help the barbarian army attack the Central Plains army? Is this an attempt to betray us Central Plains people?" Trainer Bu clenched his little fist and looked at Su Chen and said angrily.

Wu Ran shook his head and guessed in confusion,

"This is not helping the barbarians, this is probably because Su Chen is Paul, trainer, why do I think Mr. Su may have a grudge against Zhou Mu Jiang Yuyan? This time Zhu Rong came to form an alliance with Zhou Mu Jiang Yuyan, but now there is going to be a fight. I suspect that this is caused by Mr. Su."

"No wonder, no wonder Bastard Su insisted on going to see Zhou Mu Jiang Yuyan with Zhu Rong. Did that bastard tease Zhou Mu Jiang Yuyan?"

"There's a chance that that bastard is just a shameless pervert"

"Sister Wu Ran, what should we do?"

"I don't know, I'll see what happens later."

At this moment,

Yizhou's army has already charged over, and the barbarian soldiers commanded by Su Chen have also arranged their defenses.

"Archers, shoot!"

Su Chen saw the well-equipped Yizhou army charging over. He waved his hand and shouted an order, "Swish, swish, swish."

After a burst of arrows shot down,

Su Chen's face darkened.

Thousands of barbarian archers did not kill a single Yizhou army.

The barbarian archers did not even hit the Yizhou army. The bows and arrows They all fell down.

The barbarian soldiers didn't even shoot at a distance of more than 150 meters?

Are these barbarian soldiers all soft-footed shrimps?

Su Chen looked at Zhu Rong beside him and shouted with a dark face, "What the hell, Zhu Rong, are these barbarians your elite army?"

Zhu Rong also yelled at Su Chen angrily, "You bastard, If you order the army to fire arrows at such a long distance, can my barbarian soldiers shoot them?"

"This is only a distance of more than 150 steps. My army can kill the enemy from more than 200 steps away. Your barbarians are too good."

"you....."

Zhu Rong didn't know what to say when she heard Su Chen's words.

Her barbarian soldiers were already the best among the barbarians, but how could they compare with the elite Central Plains army?

The army in the Central Plains is well-trained.

The barbarians are people who live in the mountains and forests. It is impossible for the Central Plains people to compete with the barbarians when hunting in the mountains and forests. But with a large army fighting in the open area, the barbarians are not uniform at all. , well-equipped Central Plains army opponents.

Jiang Yuyan looked at the barbarian attacks from the high platform and smiled disdainfully.

Are these barbarian troops here to make fun of them?

The barbarian archers couldn't even shoot from a distance of 150 steps, and the barbarian army was just a few stragglers, vulnerable to a single blow.

If the barbarians hadn't been hiding in the mountains and forests,

Jiang Yuyan would have sent out a large army to destroy these barbarian scourges.

"Archers, shoot!"

Swish swish swish".....

The archers of the Yizhou army on the opposite side also fired arrows.

"Raise your shield to defend!"

After Yizhou's army also started firing arrows,

Su Chen hurriedly ordered,

Puff! Puff!

Puff! Stab! Stab! Stab!

Ahhhhhh.....

After a shower of arrows, the barbarian army was shot and killed hundreds of people.

Although the barbarian soldiers were promptly ordered by Su Chen to raise their shields for defense, the wooden shields of the barbarian soldiers could not withstand the arrows made of refined iron. The shield was penetrated one after another as if it were made of paper.

Su Chen looked at the hundreds of barbarian soldiers who were killed by a hail of arrows and shook his head helplessly. There was no way to fight this war.

Even if the barbarian army kept retreating in defense, they would be slowly shot to death by the Yizhou army. , after a close battle, the barbarian army may collapse at the first touch.

Su Chen thought about it and looked at Jiang Yuyan and shouted with his inner strength, "Jiang Yuyan, stop your army's attack and let's negotiate.""

"Stop attacking!"

Jiang Yuyan laughed when she heard Su Chen's cry.

She didn't expect that when Su Chen bowed his head, a powerful emperor actually bowed his head to her and admitted defeat.

This made her very happy.

Jiang Yuyan also thought Do you know how Su Chen will resolve this crisis?

"Yes, Zhou Mu!"

Dong dong dong dong.....

After the war drums sounded to stop the attack, the Yizhou army hurriedly stopped charging when they heard the sound of the war drums. The Yizhou army did not retreat. Every soldier of the Yizhou army maintained their offensive formation..

When Zhu Rong heard Su Chen's words, he asked Su Chen in confusion, "Su Chen, do you want to continue negotiating with Jiang Yuyan?"

Su Chen touched the beautiful feathers on Zhu Rong's head and said helplessly,

"What if we don't negotiate? These barbarians of yours will probably suffer heavy casualties if they are shot by the Yizhou army for a few more rounds, or even collapse if they are charged by the Yizhou army. Your army is too incompetent. Zhu

Rong said uncomfortably while holding his hands.

"How can you blame me? If they were in the mountains and forests, my barbarians would definitely fight against the Yizhou army. It's just that in this open area, my barbarians would definitely not be the opponent of the well-equipped and well-trained regular army."

"You wait for me here. You must not take action against Yizhou's army without my order. Do you hear me?"

"I know, but you have to be careful, Jiang Yuyan is very powerful"

"Um!"

On the high platform,

Jiang Yuyan smiled and waited for Su Chen's arrival again after the soldiers rearranged the high platform. She was in a very good mood now.

As long as that bastard Su Chen cared about that beautiful barbarian woman, she would There is a way to threaten Su Chen.

If Su Chen doesn't want her to destroy Zhu Rong's tribe, that bastard will be left to her hands in the future. At least recently, Su Chen, the shameless pervert, can't do anything to her.

Jiang Yuyan will also take this opportunity. Bully that bastard

"Jiang Yuyan, there is no need to continue the war. The grudges between you and me can be settled privately."

At this time,

Su Chen teleported to Jiang Yuyan and said expressionlessly.

Jiang Yuyan looked arrogant and said with a smile,

"Why should I listen to you? I am now the state shepherd of Yizhou. I have the final say in Yizhou. I can destroy whoever I want. Do you, a shameless pervert, think I am your subordinate? When Su

Chen heard Jiang Yuyan's words, he threatened coldly, "Jiang Yuyan, do you believe that I will order Jingzhou's black-armored army to launch a war against Yizhou right now?"

"It's up to you, but before your army arrives, I will definitely destroy Zhu Rong and her tribe first."

"Damn it, Jiang Yuyan, we will win or lose in one battle. It's just me and you, do you dare?"

"Are you looking for death?"

Chapter 1296

Jiang Yuyan didn't expect that Su Chen would challenge her in a duel.

She was a terrestrial immortal in the heavenly realm, and Su Chen was at most a grand master. Did this bastard not want to live anymore?

Or does this bastard really think he doesn't dare to kill him?

Jiang Yuyan looked at Su Chen and smiled and said, "I agreed, but I have a condition."

Su Chen curled her lips and said disdainfully, "Jiang Yuyan, you are a land immortal in the heaven and human realm. You and I, a great master, still have the conditions to fight, but you are a woman with so many evil thoughts."

"You don't have to agree, but you should understand the consequences." Jiang Yuyan pointed at the barbarian army and threatened with a smile.

Su Chen didn't expect Jiang Yuyan, a damn woman, to be so shameless. She is about to compete with him.

Bah!

Jiang Yuyan is much more shameless than him.

"Damn it, tell me the conditions. Jiang

Yuyan stared at Su Chen and said with a serious face,

"This is not a condition. If I defeat you, your Xuantian Empire will not be allowed to pay attention to Yizhou in the future, and you will not be able to let your powerful wives hunt me down."

Jiang Yuyan wants to teach this bastard a good lesson this time, and after she has taken revenge,

Jiang Yuyan doesn't want this bastard's army to attack her Yizhou, or even this bastard's wives to come after her,

Jiang Yu Yan also wants to defeat Su Chen in one battle.

As long as Su Chen agrees,

Yizhou will become her kingdom in the future.

"What if I win?"

Su Chen looked at Jiang Yuyan unexpectedly.

He didn't expect that Jiang Yuyan didn't want to kill him.

Is Jiang Yuyan afraid of his powerful wives? Or does Jiang Yuyan want to be a queen in Yizhou?

That's why Jiang Yuyan just Don't you dare to kill yourself?

Jiang Yuyan promised Su Chen without hesitation, "If you win, Yizhou will submit to you in the future, and I will not seek revenge from you again."

"Okay, I agree." Su Chen nodded in agreement when he heard Jiang Yuyan's words.

However, when he looked at the beautiful Jiang Yuyan, he couldn't help teasing him, "But if you, a beautiful woman, also submit to me, That would be even better

"You shameless pervert, you are simply dreaming." Jiang Yuyan was so angry at what this bastard Su Chen said that she couldn't help but strangle this pervert to death. She didn't expect that this bastard Su Chen would dare to hit her.

Jiang Yuyan had given up on killing this bastard, but this bastard still wanted to kill him. She persisted in teasing me and her.

Jiang Yuyan regretted her previous decision.

When Su Chen saw Jiang Yuyan with evil eyes, he hurriedly said, "We will start a duel in half an hour. You'd better let your army leave. Otherwise, don't blame me if you are accidentally killed."

Jiang Yuyan glared at Su Chen angrily and threatened,

"Okay, I believe you won't run away. If you dare to run away with those barbarian troops, I know where Zhu Rong's tribe is, and you should be able to think of the consequences."

"Young master, I will never run away, Jiang Yuyan, just wait to be beaten by me."

"laugh! A loser still dares to talk nonsense here. I will let you know what real strength is later."

"Crazy woman, see you soon!"

"asshole!"

Jiang Yuyan angrily smashed the table in front of her after Su Chen disappeared.

That bastard Su Chen was so annoying.

What kind of crazy woman is she?

Is she as crazy as that bastard's wives?

Jiang Yuyan knows something about Su Chen. The ladies are murderous female demons who never blink an eye, cruel and ruthless!

Killing innocent people indiscriminately! His wives have done this all the time before. Jiang Yuyan feels that she is a good baby compared to some of Su Chen's wives.

"Come, order the troops to return to Lincheng"

"Yes, Zhou Mu!"

As for the barbarian army,

Su Chen also told Zhu Rong about the negotiation with Jiang Yuyan after he came back. Zhu Rong, Bu Lianshi, and Wu Ran heard that Su Chen was going to duel with Jiang Yuyan, and they were all very worried about Su Chen. Chen.

They all know that Jiang Yuyan is powerful. The whole Yizhou also knows that Jiang Yuyan is not only powerful, but also very cruel. Isn't Su Chen and Jiang Yuyan seeking death in a duel?

Zhu Rong was very angry when he grabbed Su Chen. asked worriedly,

"Su Chen, are you sure?"

"No!"

Su Chen looked at the worried expressions of Zhu Rong, Bu Lianshi and Wu Ran. He pretended to be helpless and spread his hands and said.

When Zhu Rong heard Su Chen's words, he pulled him to leave.

"Then don't go to duel with Jiang Yuyan, let's escape. As long as we escape into the mountains and forests, Jiang Yuyan can't do anything to us even if he has thousands of troops."

"Haha, I lied to you, I will definitely win this duel with Jiang Yuyan." Su Chen hugged Zhu Rong's water snake waist and laughed and said,

"real? You didn't cheat on me? I don't want you to be killed by Jiang Yuyan"

"Don't worry, I don't want to die yet."

At this time, after Master Bu and Wu Ran heard Zhu Rong calling Su Chen's name, they looked at Su Chen in confusion one by one.

Su Chen?

This name is very familiar to them.

This is the Xuantian Empire. The emperor's name has been often talked about by people in the Northern Continent in the past year. The Xuantian Empire's Emperor Su Chen is also remembered by all the wealthy families in the Northern Continent.

Moreover, the Emperor of the Xuantian Empire is only in his early twenties. , which made the ladies from various aristocratic families very curious about Su Chen.

Bu Lianshi and Wu Ran had also talked about Su Chen, the emperor of the Xuantian Empire, but now they heard that Mr. Su was also called Su Chen.

This made the two of them look at Su Chen and want to know his true identity.

"Su.....Suchen? Your name is Su Chen? What is your relationship with Xuantian Empire?"

"Mr. Su, why do you have the same name as the emperor of the Xuantian Empire?"

Zhu Rong was very happy when she heard what Bu Lianshi and Wu Ran said. She did not expect that these two women did not know Su Chen's identity, which made her feel that Su Chen was not close to Wu Ran and Bu Lianshi. Zhu

Rong said to Bu Lianshi and Wu Ran with a smile on his face,"You don't know? Is Su Chen the emperor of the Xuantian Empire?"

"What? Are you really the emperor of the Xuantian Empire?"

"How can this be? Why is the emperor of the Xuantian Empire in the Northern Continent?"

Bu Lianshi and Wu Ran looked at Su Chen and were very shocked.

They thought this was a big joke.

How could Su Chen be the emperor of the Xuantian Empire?

Su Chen looked at the surprised Bu Lianshi and Wu Amaranth smiled and said,"I am the emperor of the Xuantian Empire, Su Chen!"

"You didn't deceive us?"Bu Lianshi asked again firmly after hearing Su Chen's words,

"No, I will explain this to you later."

Su Chen nodded to Trainer Bu, then he looked at Zhu Rong and immediately ordered,

"Zhu Rong, take your army and infantry trainers and leave here immediately. After the duel between Jiang Yuyan and I begins, I'm afraid this place will be razed to the ground and you will be in danger here."

Su Chen doesn't want to waste any more time.

The time he and Jiang Yuyan agreed on is coming soon.

Su Chen doesn't want Zhu Rong and the others to stay here.

"Then be careful, we will wait for you at the place where we rested before"

"good!"

Chapter 1297

Outside Lincheng, by the riverside,

Su Chen and Jiang Yuyan stood face to face.

They were not looking at each other lovingly.

Su Chen and Jiang Yuyan stared at each other with expressionless faces, and their aura was constantly increasing. Some of the surrounding trees were shaken by their powerful aura.

Boom boom boom.....

The two powerful auras constantly collided with each other, causing even the water in the river next to it to be shaken and splashing continuously.

Jiang Yuyan looked at Su Chen and said coldly and proudly,

"Su Chen, are you ready? This time I will beat you into a pig head so that your women will not recognize you in the future. Su

Chen held a sword in his hand and did a sword show before mocking, "That's a big lie. You were no match for me before. Have you forgotten what happened in the Ming Palace?"

"My current strength is not what it used to be. You should still worry about yourself."

"Wouldn't you know if you try it?"

"court death!" boom!

"No, Jiang Yuyan, are you becoming more and more useless?"

Su Chen disappeared instantly when Jiang Yuyan waved her palm to attack her.

Su Chen had been guarding against Jiang Yuyan. He did not dare to take Jiang Yuyan's cruelty lightly. Although Jiang Yuyan said she would not kill him, who Does he know if Jiang Yuyan is deceiving him?

"When you cry, I hope you can hide there and look at the palm!"

Boom boom boom.....

"Damn it, you bastard, are you just going to keep hiding?" Jiang Yuyan saw that Su Chen had been avoiding his attacks, which made Jiang Yuyan angrily cursed at Su Chen.

"Jianjiu!"

Su Chen took the iron sword and attacked Jiang Yuyan.

He didn't want to waste time with Jiang Yuyan.

Touch!

Boom!

"graft!"

"Fifteen of swords!"

Boom boom boom!"

"I'll do it!"

Su Chen was knocked away by Jiang Yuyan's palm.

Su Chen knew that with his strength, it would be impossible to defeat Jiang Yuyan without using special moves. However, he did not expect that Jiang Yuyan would use all her power to attack him from the beginning. How could this Jiang Yuyan How much I hate myself

"Humph, you overestimated bastard."

Jiang Yuyan laughed when she saw Su Chen who was beaten away by her,

"Jiang Yuyan, I have to be serious"

"Feel free to come over."

Boom boom boom.....

Su Chen jumped directly into the air and raised the long sword in his hand.

This time he was going to use an unskilled sword technique to kill ghosts and gods to defeat Jiang Yuyan.

Su Chen had no choice.

He didn't have a weapon in his hand.

Su Chen's spiritual sword Luoxue was used to apologize to his daughter Su Yan. If he uses the Divine Sword Controlling Thunder Zhenjue now, I'm afraid the ordinary long sword in his hand It will be broken before you use your ultimate move.

"What kind of sword technique is this? Why do you feel threatened by me?"Jiang Yuyan looked at Su Chen in the air and guessed with a solemn expression, boom boom boom.....

At this time, just as Su Chen was gathering his skills, the water in the river seemed to be exploded, and water pillars were being blasted out one by one.

"The righteousness of heaven and earth will last forever!"

"Not seeking to kill immortals, but killing ghosts and gods!"

Boom boom boom.....

After Su Chen recited the formula to kill ghosts and gods in the air, the sky above Linhe changed. The darkened sky was like a ghost crying and a wolf howling. The eerie feeling made people feel chilled all over here.

Jiang Yuyan said with an ugly face,"Damn it, this bastard actually has such a powerful sword art."

Jiang Yuyan found that she had been locked by Su Chen's sword art.

She couldn't escape from this sword art even if she tried to escape now. attack.

Su Chen's face was also very ugly now.

He didn't expect that the long sword in his hand could not even use the Ghost Slaying God Sword Technique. This was the best sword in his system space.

If Su Chen gathered his strength again, the sword in his hand would be completely broken.

Su Chen rolled his eyes and said to Jiang Yuyan below, "Jiang Yuyan, give up, otherwise if I send out this sword technique, you may die."

Jiang Yuyan was very angry when she heard Su Chen's words.

How could she Can you admit defeat?

This bastard is her most hated enemy in her life. If she gives up today, everything she has will be lost. Yizhou is where she has worked hard for more than a year. She absolutely cannot lose to this shameless pervert like Su Chen.

"Su Chen, I will not admit defeat. If you want to kill, then kill. Even if I die, I will never admit defeat."

What the hell!

What should I do?

If he continues like this, let alone the Demon-Slaying Divine Sword Technique, his internal strength will be completely exhausted.

Su Chen is also in a hurry and has no choice.

He really made a miscalculation this time. , It's really not possible without a good sword in hand. Do you have to admit defeat to Jiang Yuyan this time?

Su Chen thought about it and continued to say to Jiang Yuyan, "Jiang Yuyan, you look so beautiful, I really I don't have the heart to kill you, so you should just admit defeat. It's no loss to you anyway."

Jiang Yuyan heard that Su Chen dared to molest her at this time.

This was an insult to her.

Jiang Yuyan yelled and threatened with anger, "Don't even think about it. If you dare to molest me again, you shameless pervert, I will blow myself up." Die with you."

I guess!

Jiang Yuyan is a bit difficult to deal with!

It's his fault!

No matter what, just be a shameless gangster again this time.

Su Chen looked at the long sword that had begun to crack in his hand, and he hurriedly said to Jiang Yuyan He said affectionately,

"Jiang Yuyan, I am not teasing you, I like you very much. Back in the Ming Palace, I had the ability to kill you, but did you see me killing you?"

"It's still my powerful women, but I didn't let them hunt you down. Don't you understand what I mean?"

Jiang Yuyan was stunned when she heard Su Chen's words.

This bastard likes her?

How is this possible?

It's just that Jiang Yuyan was very confused when she thought about what happened in the Ming Palace.

Su Chen had the ability to kill herself at that time, but He didn't kill herself, and he didn't even seriously injure her.

Could it be that this bastard was attracted by her beauty?

Jiang Yuyan shouted to Su Chen with a look of shame and anger, "You.....What are you talking nonsense about?"

Su Chen saw Jiang Yuyan's confused expression and continued,

"I'm not talking nonsense. Think about it, we have no hatred in the first place. I had no choice but to sabotage your plan in the Ming Palace."

"My empire wants to rule the entire Tianxuan Continent. Even if you plan the Ming Empire in the future, if we meet in a war in the future, after you are exposed by me in the Ming Palace, won't we not have to fight to the death?"

Jiang Yuyan clenched her fists tightly and struggled in her heart.

Although she didn't believe what Su Chen said, what Su Chen said was reasonable and well-founded.

This made her wonder if Su Chen was deceiving her?

"I don't believe you, you are just a shameless pervert who lies without blinking an eye."

I guess!

Even now, Jiang Yuyan still doesn't believe it.

This woman is too difficult to deal with.

Su Chen saw that the long sword had begun to fall into pieces.

He was also very nervous now.

If Su Chen did it again within a quarter of an hour, If Jiang Yuyan can't be dealt with, not to mention that his long sword will be completely broken, or even his internal strength will be exhausted and he will fall from the air.

Chapter 1298

The people in Lincheng and the Yizhou army were all looking in the direction of Linhe. The sudden change of situation on the other side of Linhe shocked everyone in the city, and the terrifying atmosphere made everyone in Lincheng breathless.

The Yizhou army in Lincheng knew that Zhou Mu Jiang Yuyan was dueling with a young man. They knew that Zhou Mu Jiang Yuyan was very powerful, but they did not expect that Zhou Mu Jiang Yuyan would be so powerful.

This made Yizhou's army even more loyal to Jiang Yuyan and did not dare to have the slightest hint of rebellion.

In a mountain forest not far from Linhe,

Zhu Rong, Bu Lianshi, and Wu Ran all looked nervously in the direction of Linhe, and they also noticed Su Chen in the air, especially Su Chen who looked majestic while holding up his long sword. , which made these women look at Su Chen with affectionate expressions in their beautiful eyes.

In the mountain forest,

Trainer Bu looked at Su Chen in the sky above Linhe and asked doubtfully, "I didn't expect Su Chen to be so powerful. What is his strength?"

Zhu Rong explained to Trainer Bu with a smile on his face. ,

"He should be a great master. Although Su Chen's burst of aura is very powerful, it is still not impressive compared to Jiang Yuyan."

"but!"

"After Su Chen used this powerful sword technique, we all felt very scared here. Su Chen's sword technique is definitely extraordinary. Wu

Ran listened in a daze.

She shook her head and asked Zhu Rong, "Zhu Rong, we don't know martial arts, and we don't understand what you said. Can you tell us directly that Su Chen can defeat Jiang Yuyan?"

"It should be possible. Su Chen seems to have the upper hand now, but why hasn't Su Chen sent out his sword attack? This makes me confused"

"Huh, as long as you can win, that bastard can't die here, otherwise the entire Yizhou will be massacred by that bastard's army and ladies."

"Trainer Bu, I know that Su Chen's army is very powerful, but how many wives does Su Chen have? Are all Mrs. Su Chen very powerful?"

Bu Lianshi turned pale with fright when she heard Zhu Rong's words.

She had heard that several of Su Chen's wives were land gods in the heavenly realm, and they were also murderous demons. Even Queen Yanfei was a member of the Yin Yang family. Dongjun, the four imperial concubines are also more powerful than the last.

Although Bu Lianshi does not know the strength of Queen Yanfei and the four imperial concubines, those women are all powerful people in the world, and their cultivation realm is probably the same. Very powerful.

Trainer Bu looked at Zhu Rong who was eager for knowledge. She looked at Wu Ran and told Zhu Rong what she knew. Wu Ran also added to Zhu Rong beside her.

Over the Linhe River,

Su Chen's head was sweating now.

It was impossible to take back the Ghost-Slaying Divine Sword Technique. And with the power of the Ghost-Slaying Divine Sword Technique gathered now, it was not enough to kill Jiang Yuyan.

No, it would probably even hurt Jiang Yuyan. It's impossible.

Su Chen is maintaining the Ghost Slaying Divine Sword Technique while keeping the long sword in his hand from breaking so quickly. It's too difficult for Su Chen now.

Jiang Yuyan also looked at Su Chen very strangely. She felt that Su Chen did not continue to gather his strength to activate the sword attack, and she also noticed the sweat on Su Chen's forehead.

This made Jiang Yuyan look at Su Chen with great confusion.

Could it be that what this bastard said was true? Did this bastard really fall in love with her beauty? Did this shameless pervert not want to use this powerful sword technique to kill herself?

Jiang Yuyan's face was very embarrassed and annoyed when she thought of this.

She also knew Su Chen very well. , this bastard shows mercy everywhere in the arena. As long as the powerful and beautiful female masters in the arena are closely related to this bastard, it is not surprising that this bastard can like her.

Jiang Yuyan looked at Su Chen's pain in order not to launch an attack. It was painful to hold on, which made Jiang Yuyan feel a little happy.

But she thought that this might be this bastard's plan, and she couldn't believe Su Chen's words.

This bastard was full of lies. What if this bastard was deceiving her? , then he will lose completely.

Su Chen wiped his sweat with his hand and continued, "Jiang Yuyan, everything I said is true, I can swear to God."

Jiang Yuyan looked at Su Chen who was now a little embarrassed.

She was also a little soft-hearted, but she wanted to make sure nothing went wrong. If this bastard loved her wholeheartedly, Jiang Yuyan would never let Su Chen get hurt at all.

But, if this The bastard used his feelings to deceive her, and Jiang Yuyan would die together with the bastard.

Jiang Yuyan continued to test Su Chen with hatred in her heart, "If you say the oath in the mouth of a bastard like you, do you think I will believe you?"

Pfft!

Su Chen used his internal strength to force himself to vomit a mouthful of blood, "Jiang Yuyan, how can you believe me? My sword skills are backlashing me now. Do you believe that I have to die like this? ?"

"You can withdraw your sword attack first, and I promise not to attack you." When Jiang Yuyan saw Su Chen vomiting blood, she assured her worriedly.

Jiang Yuyan can't let Su Chen die. No matter whether Su Chen has feelings for her or not, this bastard can't die here.

I guess!

Why can't this little girl just be direct? Admit defeat?

Withdraw the sword technique?

Does Su Chen dare to withdraw?

Su Chen is afraid that his sword will be completely broken before he withdraws the sword technique.

If Jiang Yuyan sees this, he will definitely be dead.

Su Chen pretends to be nervous Then he said to Jiang Yuyan,

"I.....I can't withdraw this sword technique anymore."

"This is an emperor-level sword art, and my sword will not be able to withstand the power of this emperor-level sword art. If I move, my sword will be completely broken, and the ghost-killing sword art will be uncontrollable. target attack."

Su Chen thought about it and decided to tell Jiang Yuyan that the long sword was about to be broken.

Otherwise, when Jiang Yuyan found the broken pieces of the long sword, he might even explain to Jiang Yuyan in vain.

"What to do?"

Jiang Yuyan now believes what Su Chen said.

She just noticed that the long sword in Su Chen's hand was broken, and some fragments of the long sword had begun to fall off.

Jiang Yuyan originally thought it was Su Chen's long sword, but it was not enough. It was used to burst out this emperor-level sword art. Now it seems that Su Chen maintained the emperor-level sword art for too long, which made Su Chen's long sword unable to withstand the power of the emperor-level sword art.

Su Chen heard Jiang Yuyan's eyes lit up at his words.

He felt that Jiang Yuyan should believe what he said.

After Su Chen released his lock on Jiang Yuyan, he hurriedly said,"Jiang Yuyan, admit defeat and leave here. I will use the Ghost-Slaying Sword Art to burst out"

"Wouldn't it be very dangerous for you?"

Su Chen hurriedly explained after hearing Jiang Yuyan's words,"You idiot, have you forgotten that I can teleport? When the long sword is completely broken, I will teleport away. The violence of the Demon-Slaying Sword Technique cannot hurt me."

"Okay, I'll wait for you. Don't let anything happen to you." Jiang Yuyan nodded to Su Chen and hurriedly disappeared from here.

"I.....Damn it, why did that silly girl run away without admitting defeat? Isn't this what he is doing, isn't he working in vain?"

Chapter 1299

Su Chen stood alone in the sky above Linhe.

He didn't expect that girl Jiang Yuyan to leave like this?

What about admitting defeat?

Did that little girl Jiang Yuyan run away like this on purpose?

Su Chen also had doubts about Jiang Yuyan's departure. After all, Jiang Yuyan was not an easy person. A woman could control the entire Yizhou in more than a year. Jiang Yuyan was very smart and capable.

Su Chen saw that the long sword in his hand was about to break.

He was in a very bad mood now.

Su Chen shamelessly fooled Jiang Yuyan this time, but in the end he still failed to deal with the girl.

Su Chen felt that he was really embarrassed today.

Fortunately, there were no outsiders here, otherwise Su Chen would really have no face to stay here.

"Let me explode."

Su Chen used all his inner strength to urge the Demon-Slaying Art to explode completely.

Boom!

After a loud noise,

Linhe was like the end of the world. The red sky made people very frightened and full of fear. The sword energy of the sky seemed to tear the sky apart.

And around Linhe, the energy that destroyed the world directly shook the ground here, and the entire Linhe was blown up into a huge lake.

The terrifying sword blade in the center of Linhe , but it is much more terrifying than the sword energy on the outside.

White sword blades are scurrying around Linhe, and any object they encounter will be easily torn apart by the terrifying blades.

Lincheng and Zhurong's temporary camp,

After Su Chen burst out with the Ghost-Slaying Sword Technique, more than half of the houses in Lincheng collapsed, and even a large part of the city wall collapsed. There were also countless casualties among the people in Lincheng.

And in Zhu Rong's temporary camp , the temporary tent that the barbarian soldiers had just set up completely collapsed, and even the surrounding trees were shaken topsy turvy, and even some mountains collapsed.

Trainer Bu collapsed on the ground and said in horror, "Okay Horrible, this is too terrifying. Is Su Chen going to destroy the world?"

Wu Ran is not feeling well now.

She looks pale and pats her chest and says in fear, "I can't stand it. My heart is about to be scared out. I don't want to experience this devastating feeling anymore."

"Treat the wounded quickly and count the casualties!" Zhu Rong saw many barbarians being crushed to death by the swaying trees, which made her hurriedly give orders to the surrounding barbarians. Zhu Rong's face was also pale now.

She did not expect that this place was at least five or six miles away from Linhe, but Su The battle between Chen and Jiang Yuyan actually affected this place.

If they were watching the battle around Su Chen and Jiang Yuyan,

I'm afraid they wouldn't know how they died.

Trainer Bu looked in the air but didn't find Su Chen's presence. She was worried He hurriedly said to Zhu Rong and Wu Ran,"Let's go and see Su Chen. With such a loud fighting sound, Su Chen didn't know if something would happen."

When Zhu Rong saw that Trainer Bu was about to drag Wu Ran to find Su Chen, she hurriedly stopped her and said,

"Everyone, stop, you can't pass now. The sword energy there has not dissipated. I'm afraid you will be torn apart by the sword energy there before you reach Linhe."

"Then nothing will happen to Su Chen, right?"

Trainer Bu asked worriedly.

Zhu Rong held his hands and looked at Linhe before guessing,"Su Chen should be fine. Don't forget that Su Chen's Qing Gong is very good. He might have escaped during the explosion.""

Wu Ran nodded and agreed,

"Well, Su Chen's Qing Gong is very good. Su Chen and I followed you for several days without you noticing. If I hadn't exposed my existence, you and Master Bu would not have discovered us."

Bu Lianshi and the other girls looked at each other and stood on a high place waiting for Su Chen to come back. Although they didn't believe that something would happen to Su Chen, the powerful explosion just now made them very worried about Su Chen.

Not far from the river. ,

Jiang Yuyan staggered here.

Jiang Yuyan was now covered in tatters, her gorgeous dress was beyond recognition, and her beautiful face was covered with dust. The powerful explosion just now made her also injured. No,

Jiang Yuyan didn't leave far at all.

She also wanted to save Su Chen when something happened to him, but she didn't expect that Su Chen's sword technique would be so powerful.

Jiang Yuyan was also knocked off the mountain. Up, her internal organs were still aching from the shock.

Jiang Yuyan was one mile away from Linhe, and she could no longer walk forward. She kept scattering the sword energy in front of her, but There will be a constant influx of sword energy.

And the closer to Linhe, the more powerful the sword energy and some terrifying sword blades there will be. No matter how powerful Jiang Yuyan is, she can't help but consume her internal energy like this.

"Damn it, why doesn't the sword energy here dissipate? That bastard isn't going to die, is he?"

Jiang Yuyan was very worried when she looked at Linhe.

She now understood why Su Chen had been reluctant to issue the Imperial Sword Art, such a powerful Imperial Sword Art.

Once he locked her,

Jiang Yuyan could only wait for death. , even she will be directly chopped to pieces by the emperor-level sword technique, leaving no trace of her body.

"Suchen! Suchen! Suchen!....."Jiang Yuyan stood here and kept shouting at Linhe.

Jiang Yuyan now believes that what Su Chen said is true.

Su Chen is really unwilling to kill her, and that bastard really likes her.

Otherwise, she would have been killed by Su Chen using such a powerful sword technique.

Jiang Yuyan shouted for a while but Su Chen didn't appear, so she walked towards Linhe again.

Stab! Stab! Stab!

As they got closer to Linhe, sword blades flashing with white light quickly attacked Jiang Yuyan. Although Jiang Yuyan scattered many sword blades blocking the way, there were still many sword blades that cut through Jiang Yuyan's body. ,

Jiang Yuyan's body was also dripping with blood.

As Jiang Yuyan walked forward with difficulty, she waved her palm to smash the attacking sword blade. There was blood in her mouth as she kept saying,"I can't give up. I want to save that bastard. Even if I die, I will fight with him." That shameless pervert died together."

Boom!

Whoosh!

Su Chen suddenly appeared next to Jiang Yuyan and quickly shattered a sword blade. He quickly hugged the injured Jiang Yuyan and disappeared.

Su Chen also discovered that Jiang Yuyan appeared at the center of the sword.

It was very dangerous here now.

Su Chen had used up all his inner strength.

Although the power of the Ghost Slaying Divine Sword Technique this time was not as good as the last Divine Sword Yu Lei Zhen. It is absolutely powerful, but the Demon-Slaying Divine Sword Technique has gone riot this time. The Demon-Slaying Divine Sword Technique without an attack target lingers in the sky above Linhe for a long time. No one can resist the emperor-level sword technique that can kill the early stage of the Heavenly Realm.

"This silly girl is really silly and cute."

Chapter 1300

Su Chen appeared in a mountain forest with Jiang Yuyan in his arms.

He felt helpless when he saw Jiang Yuyan covered in blood in his arms.

He had heard Jiang Yuyan's scream just now, and even said that Jiang Yuyan wanted to live and die with him. I heard it clearly.

Su Chen also didn't expect that Jiang Yuyan would completely believe him afterward.

This actually made Su Chen feel a little unbearable towards Jiang Yuyan.

"Su Chen, nothing happened to you?"

Jiang Yuyan did not expect that Su Chen would appear to save her, which made Jiang Yuyan very happy.

Jiang Yuyan leaned in Su Chen's arms and no longer believed that Su Chen was deceiving her.

Su Chen was able to escape from the terrifying sword-edged land. Risking his life to save her, Jiang Yuyan believed that Su Chen really liked her.

Su Chen wiped the blood on Jiang Yuyan's face and said with a smile,

"Of course nothing happened to me, but something did happen to you. Didn't I tell you to leave? I can escape with my teleportation, but look at you, you are covered in scars and you look like you are about to die."

Jiang Yuyan blushed and whispered in embarrassment when she heard Su Chen's words,

"I.....Aren't I worried that something might happen to you?"

Su Chen looked at Jiang Yuyan who looked like a little woman and hugged her tightly.

Su Chen hugged Jiang Yuyan and thought that women are emotional animals.

No matter how cruel and vicious a strong woman is, as long as they have a man in their heart. If you cast your shadow, you will become a docile kitten.

As long as those arrogant and powerful women in movies and TV series meet the men they like, this will be the beginning of their misery. Women in love are blind and mindless..

Dongfang Bubai met Linghu Chong, Dongfang Bubai got nothing, and finally died for Linghu Chong.

Huang Rong met Guo Jing, the witty Huang Rong turned into an annoying middle-aged aunt,

Zhu Yuyan met Shi Zhixuan ,

Zhu Yuyan was not only deceived emotionally by Shi Zhixuan, but was even destroyed by Shi Zhixuan in her promotion to the Heavenly Demon Technique, but Zhu Yuyan never forgot Shi Zhixuan until her death.

Li Qishui and Tianshan Child Elder fought for Wu Yazi, and the two women fought for decades. It's not like he died without getting anything. Lin Chaoying died in depression because of Wang Chongyang. In the world, whether they are powerful female devils or powerful chivalrous women, as long as they are trapped by love, they will end up unhappy. How good. And what about Jiang

Yuyan? If Hua Wuque could accept Jiang Yuyan in the plot, Jiang Yuyan wouldn't do such crazy things in the end. There are too many such examples, and Su Chen sometimes can't figure it out. In ancient times, you could have three wives and four concubines. Are the protagonists all fools? You can obviously have all these beautiful women at the same time, why do you have to choose one? Su Chen shook his head when he thought of this. He looked at Jiang Yuyan's face. Looking pale, he hurriedly took out a red fruit from the system space and said,

"Alas, eat this red fruit quickly. Your internal injuries are very serious. If you don't want to stop progressing in the future, just eat the red fruit quickly to improve your energy and regulate your breath."

"Um!"

After Jiang Yuyan ate the Zhu Guo and started regulating her breath,

Su Chen looked at Linhe and was very speechless.

He was also very angry just now, so he angrily used all his skills to detonate the Ghost Slaying Divine Sword Art.

Su Chen also didn't expect it. The ghost-killing sword technique without a target will linger for a long time, and this place may become a desperate place in the future.

Su Chen doesn't know when the sword energy and sword blades here will dissipate, but the sword energy and sword blades near the river will be in the future. Dissipated.

It is probably impossible for ordinary people to dare to come here. After all, the sword energy and sword blades near the river have dissipated. The remaining sword energy may still be used here, and even the remaining sword energy cannot be resisted by ordinary people.

At dusk,

Jiang Yuyan opened her eyes.

She felt that the injuries in her body had completely recovered. This made her very surprised when she looked at Su Chen who was meditating next to her.

Her injuries were very serious.

Jiang Yuyan originally thought It will take several months to recover, but I didn't expect that I would be completely recovered in one afternoon, and even the scars on my body would be back to their original state.

"You woke up. How is your recovery?" Su Chen felt that Jiang Yuyan was awake and turned to look at her and asked.

Jiang Yuyan nodded and replied, "I have completely recovered. That red fruit of yours is simply a treasure of heaven and earth for healing. It just makes me It's a pity to use it."

Su Chen came over and hugged Jiang Yuyan's perfect figure and said with a smile, "Haha, I still have Zhu Guo. I don't want to see you get too seriously injured and your cultivation level will stop."

"Suchen, do you really like me? My reputation isn't very good." Jiang Yuyan leaned in Su Chen's arms and looked at Su Chen with her beautiful eyes and asked anxiously.

When Su Chen heard Jiang Yuyan's words, he kissed her directly.

Actions are more effective than words now.

Su Chen is also a veteran of flowers. In a woman's heart He could basically guess what he was thinking.

Jiang Yuyan was stunned by Su Chen's kiss, Ji Hemei.

This was the first time she had been kissed by a man.

Jiang Yuyan didn't know where to put her nervous hands. After a while,

Jiang Yuyan hugged Su Chen, still hugging Su Chen tightly.

She felt very sweet in her heart now.

After a night of wind, flowers, snow and moon

, in the early morning forest, a tent stood here.

In the tent,

Su Chen looked tired. Jiang Yuyan, who was still asleep, smiled.

Su Chen did not expect that this trip to Yizhou would go so smoothly. After Jiang Yuyan was taken care of by him, Yizhou could be considered his territory.

In the Han Empire,

Jingzhou Su Yan of Xuzhou, Jiang Yuyan of Yizhou, and Gai Nie of Qingzhou are all his territory now, and they are also the most powerful princes in the Han Empire. This will bring Su Chen one step closer to unifying the Northern Continent in the future. Striding.

After Su Chen carefully came out of the tent, he washed in a small pool and then sat outside the tent and asked, "Youru, have you sent someone to notify them at Zhu Rong's place."

Shadow Assassin You Ru suddenly appeared and saluted Su Chen, "Master, Zhu Rong and Trainer Bu have sent someone to notify them. They all know that Master is fine."

"Ah That's good!"

Su Chen was relieved after hearing You Ru's words.

He was also worried that Zhu Rong and the others were not informed yesterday. Zhu Rong would go to Linhe with Bu Lianshi and Wu Ran to find him. If Zhu Rong and the other three girls went to Linhe, Su Chen would lose Three beauties

"Ding, host, one month is here again, does the host want to receive the monthly gift package now?"

At this moment, the system prompt sounded again.

After Su Chen heard the system prompt, he did not expect that one month had passed so quickly.

"System, receive the monthly gift package!"

"Ding, congratulations to the host for getting a one-month gift pack!"
