

## Zongwu 1311

### Chapter 1311

In the monster forest, seven men and women were besieging a huge snake-shaped soul beast. Next to these seven people, there were two people who were carefully guarding the snake-shaped soul beast. They looked like they were ready to rescue and siege at any time. The seven soul beasts.

At this moment,

Su Chen appeared on a big tree here.

He was very surprised when he looked at the people here. Su Chen did not expect to meet seven people from Shrek here. boom!

After the Phoenix-tailed Cockscomb completely exploded, its huge body swept away the seven Tangshan people one by one. The Phoenix-tailed Cockscomb also took the opportunity to escape from here, but it felt that there was a very powerful human next to it.

"Stop it and don't let it escape." Tangshan saw that the phoenix-tailed crested snake was about to escape, so he hurriedly shouted to the others.

"Blue Silver Prison!"

"Invincible golden body!"

"Phoenix wings flying in the sky!"

"Netherworld Slash!"

Others used their soul skills to prevent the Cockscomb from escaping.

The whole battle scene was very gorgeous, with all kinds of soul skills bursting out to stop the Cockscomb. The snake escapes.

At this moment,

Zhu Ziqing suddenly appeared on the big tree where Su Chen was. When she was about to stop the cockscomb snake that was about to escape again, she suddenly found a person laughing at her on the big tree, which made Zhu Ziqing stunned for a moment.

"Hello, little beauty!"

When Su Chen saw that Zhu Ziqing had discovered him, he smiled and waved hello to Zhu Ziqing.

Su Chen didn't expect to meet a few people from Tangshan here, but this Zhu Ziqing is really very beautiful. , extremely plump and hot figure, the expression on her beautiful face is very cold, this is a kind of coldness from the heart, very cold coldness, the dark eyes are lifeless, which is a bit conflicting with her beautiful face.

Zhu Ziqing looked at Su Chen warily and asked,"Who are you? Why is it here? Have you been following us?"

Su Chen touched his chin and said with a smile,"Hmm, I've been following you, no, I've been following you, Zhu Ziqing!"

"you know me? Are you sent by my sister to kill me?"

"No, I just think you are very beautiful and I just want to get to know you"

"Shameless!"

Zhu Ziqing is still very wary of Su Chen.

She feels that this person may not be a good person, and even the person who secretly follows them is a pervert. Anyway, she feels that Su Chen must have an ulterior motive for being sneaky.

Zhu Ziqing is cold and cold. He threatened Su Chen,"You'd better leave. Our teacher is here.""

"What if I don't leave?"

Su Chen was about to tease Zhu Ziqing for nothing.

Suddenly, he found that another person had arrived here, and he was still hiding secretly next to him. Su Chen looked over and said with great confusion, "Huh? There are actually people hiding here."

Zhu Ziqing originally wanted to call her teacher when she heard Su Chen's words, but she didn't expect that there was someone here. She looked at Su Chen and asked hurriedly, "What? Is there anyone else here? over there?"

"Under the big tree twenty meters to your left." Su Chen pointed to Zhu Ziqing's left side and told her.

Su Chen also wanted to know who was hiding here, and what was the purpose of that person coming here?

"Netherworld Thrust!"

When Zhu Ziqing heard Su Chen's words, he quickly attacked towards his side.

Boom!

"Sure enough, there is someone!"

After Zhu Ziqing attacked, a young man was forced out. She looked at the young man who was forced out and continued to attack. She felt that the people around them were not good people.

"Hundred Claws of the Netherworld!"

"Underworld Palm!"

Boom, boom, boom!

Zhu Ziqing didn't care about the cockscomb anymore. She and this sneaky young man started fighting nearby.

"Girl, I'm not a bad person, I'm just a passerby."The young man said hurriedly after fighting with Zhu Ziqing several times.

Zhu Ziqing did not stop attacking. She attacked the young man very quickly while shouting,"Passenger? Are passers-by following us sneakily? What are you doing hiding around?"

"I'm such a stranger."

At this moment, the Phoenix-tailed Cockscomb Snake was also caught by Zhao Wuji, and other people also discovered that Zhu Ziqing was fighting with a young man. Tangshan and Dai Mubai quickly rushed to Zhu Ziqing's side and took the young man away. People surrounded

"who are you? Why does it appear here?"Dai Mubai looked at Zhu Ziqing and asked the young man.

The young man saw that six more people with the same cultivation level as him had arrived. He was very helpless,"My name is Xiao Huohuo, and I am a demon. I have experienced in the beast forest. I really came to you accidentally."

"Since you are here to experience it, just leave."Tangshan looked at the person named Xiao Huohuo and waved his hand.

Tangshan also felt that a person with similar strength to them could not be disadvantageous to them. This person should have come to them unintentionally, and might even be the person who just now The fight attracted him.

Xiao Huohuo looked at Tangshan unexpectedly.

He pointed to his body helplessly and said,"Can I recover here? My strength is low. If I leave now, I may be killed by other monsters."

"up to you!"

"Thank you!"

At this moment,

Su Chen was very surprised when he was sitting on the branch.

He didn't expect that he would meet two protagonists today, and their strength was almost the same. They were both about the strength of a grandmaster.

Moreover, Xiao Huohuo and Tang Shan did not Fight again?

Is it because they are both protagonists and cherish each other?

"Why don't you come down yet?"

At this time,

Zhu Ziqing looked in the direction of Su Chen and shouted,

"Zhumei, do you miss me?" Su Chen teleported and appeared next to Zhu Ziqing and asked with a smile.

Zhu Ziqing didn't expect that Su Chen would be so fast.

When Zhu Ziqing saw Su Chen appearing next to her, she hurriedly took a few steps back and cursed, "Asshole, don't call me that. , otherwise don't blame me for being rude."

When the six people from Tangshan and Xiao Huohuo heard that there was someone here, they looked over very curiously. However, when Su Chen appeared next to Zhu Ziqing in an instant, Dai Mubai and others hurriedly came to Zhu Ziqing's side. They were worried This stranger will take action against Zhu Ziqing

"Boy, this young man is not simple, you'd better not offend him."

Xiao Huohuo suddenly heard his master's message.

He looked at Su Chen and nodded.

Xiao Huohuo also felt that this sudden appearance was very dangerous.

Su Chen looked at the people around him and smiled. Wu, Zhu Ziqing, and Ning Rongrong, they are all very beautiful.

As for Xiao Huohuo and the other men here, Su Chen didn't care, nor did he pay much attention to them.

Su Chen was not interested in men.

"Boy, why are you here?" Zhao Wuji came over and asked Su Chen politely.

Su Chen looked at Zhao Wuji and asked,

"That's funny. Does the Monster Forest belong to your family?"

When Zhao Wuji heard Su Chen's words, he asked with a livid face, "Huh? Although the Monster Forest does not belong to my family, you can't follow us. What are your intentions?"

"Hey, if I tell you my intention, can you help me realize it?"

"Boy, tell me first."

Chapter 1312

In the monster forest,

Tang Shan and Xiao Huohuo looked at Su Chen very curiously.

They all wanted to know what Su Chen's intention was when he arrived.

Zhu Ziqing looked at Su Chen with a cold look on her face. She was now afraid that this bastard would say something outrageous or even tease her.

"Ahem, cough, look, I'm so old and I don't have a wife yet, but there are three beautiful and peerless beauties here. Can you always let me marry one of them to be my wife?"

"What?"

"impossible!"

"This bastard is looking for death!"

After Tang Shan and Dai Mubai Oscar heard what Su Chen said, they all yelled and cursed with ugly faces,

"This shameless bastard!"

Zhu Ziqing's face was livid when she heard Su Chen's words. She originally thought that Su Chen only had intentions for her. She didn't expect that this bastard also had intentions for Xiao Wu and Ning Rongrong. This made her want to kill this bastard right now..

Xiao Wu and Ning Rongrong both had dumbfounded expressions.

They did not expect that Su Chen's intention was like this, which made them both shy and angry.

Xiao Huohuo was also very surprised.

He also did not expect this person. How dare you attract the attention of three beauties here? You must know that there is a fighting king next to you.

Is this young man willing to die?

"Boy, you are looking for death, powerful Vajra Palm!"

After Zhao Wuji heard Su Chen's words, he guessed that this person was playing tricks on him. This made him angry and attacked Su Chen.

Boom!

"Um! Where are people?"

After using his second soul skill, Zhao Wuji discovered that Su Chen had disappeared, which made him look around for traces of Su Chen.

Su Chen suddenly appeared next to Zhu Ziqing and asked with a smile,

"are you looking for me?"

"Boy, you hide pretty quickly."

"That's because you are old and can't keep up with my speed."

Zhao Wuji was really irritated by Su Chen.

Is he old?

Is it possible for him to be old?

Zao Wuji is only in his forties, is it possible for him to be old?

"court death! Positioning tracking, powerful Vajra Palm!"

"I guess?"

Su Chen saw Zhao Wuji taking action again.

He picked up Zhu Ziqing and disappeared instantly. Su Chen did not expect that Zhao Wuji would attack when Zhu Ziqing was beside him.

Boom boom boom....

"Stop this kid, I will teach him a lesson today."

Zhao Wuji attacked this bastard for a while, but Su Chen didn't hit this bastard. He didn't expect that this bastard would run away. No matter how powerful the technique was, Zhao Wuji ordered Tang Shan and others next to him,

"is teacher!"

There was chaos here instantly.

Su Chen was holding Zhu Ziqing and teleporting around to avoid the attacks of Zhao Wuji and everyone in Tangshan. He had no intention of escaping. He wanted to try his soul skills. Su Chen was very interested in soul skills and martial arts. Xue also wants to know which one is more powerful.

In the plot,

Tangshan can defeat some strong men with the Tang Sect's hidden weapons. Su Chen also has no hope for soul skills. Soul skills are very gorgeous to use, but there is no powerful one. Killing moves are useless

"Stop it, stop it!"

At this time, a middle-aged man next to him arrived and hurriedly shouted,

"teacher?"

"Grandmaster?"

Tang Shan, Zhao Wuji and others stopped when they heard Yu Xiaogang's words.

The middle-aged man looked at Su Chen and said with a smile, "Little friend, can you let Zhu Ziqing go?"

"no"

"You shameless bastard, let me go." Zhu Ziqing cursed in shame and anger when Su Chen held her.

Zhu Ziqing also realized now that she was being held by Su Chen just now to avoid attacks from Zhao Wuji and everyone in Tangshan. She also forgot that she was now being held by this bastard.

She didn't expect that Su Chen's escape ability was so powerful that even a soul saint of more than seventy levels could not do anything to him.

Yu Xiaogang looked at Su Chen and said threateningly, "Little friend, we have a soul saint here. Seven Soul Lord, if we go together, you won't be able to hold on for long."

"oh? Do you think I am alone?" Su Chen hugged Zhu Ziqing tightly and touched her hair and said,

"Um?"

When Yu Xiaogang heard Su Chen's words, he looked around unexpectedly. Everyone else also looked around nervously.

"Ha ha! I lied to you, don't be so nervous."

"It's okay if I let Zhu Ziqing go. As long as the other two beauties kiss me, I will let Zhu Ziqing go immediately."

"no"

"Can't!"

Tangshan and Oscar hurriedly shouted after hearing Su Chen's words.

"You are such a shameless pervert."Zhu Ziqing cursed angrily when he heard Su Chen's words.

Su Chen pressed his chin on Zhu Ziqing's shoulder and said disdainfully,"Tsk, heroes love beauties. This is an ancient law."

"Are you still a hero? You are a bear"

"Whatever you say, I want to kiss you first. Where do you think I want to kiss you?"

"you....You are shameless!"Zhu Ziqing was very worried when she heard Su Chen's words. She was really afraid that this shameless pervert would kiss her.

"We agreed and hope you keep your word."

At this time,

Xiao Wu and Ning Rongrong talked with Tangshan and the others for a while. Xiao Wu pulled the blushing Ning Rongrong forward and said to Su Chen,

"I always keep my word"

"Suchen, what are you doing here?"

Suddenly, a powerful aura suddenly came over.

A beautiful, cold and arrogant woman appeared silently opposite Su Chen. After arriving, this beautiful woman looked at Su Chen and asked coldly. Su

Chen looked at Queen Medusa suddenly arrived and was very confused,"Queen Medusa, why are you here?"

Queen Medusa looked at the people around her and said coldly and arrogantly,"Tao Qingxue asked me to find you, you bastard. I have been looking for you for a few days. Let's leave as soon as possible, otherwise you will not see Tao Qingxue..

Su Chen heard that it was the Peach Blossom Demon who asked Queen Medusa to come to him.

This made Su Chen nervously let go of Zhu Ziqing. He walked to Queen Medusa and asked hurriedly,"What happened to Qingxue? She is in Tianfeng City Something happened?"

Queen Medusa shook her head and replied,"I don't know, she seemed to have something to leave, but she couldn't find you for a while, so I asked you to look for you everywhere, you bastard."

"Then let's leave quickly. You can show me the way. I've been trapped in this monster forest for almost ten days."

"Go straight south"

"Little beauties, I'll let you go this time and see you again in the future."

Su Chen waved his hands to the three Zhu Ziqing girls.

He suddenly hugged Queen Medusa's waist and disappeared before shouting to everyone around him,"You Ru, take the shadow assassin to the Snake Tribe to find me."

"Yes, master!"

After Su Chen and Queen Medusa left,

Youru and the shadow assassins suddenly appeared one by one. After they saluted in the direction where Su Chen disappeared, they suddenly disappeared one by one.

Zhao Wuji looked at the disappeared Su Chen and Medusa asked with lingering fear,

"this.....Who is that person named Su Chen? Why is there a level 90 Contra to protect her? Even the masked women hiding around are all very powerful."

"That Su Chen is not simple. We should not offend him in the future. I am afraid that this person named Su Chen is also joking with us."

Chapter 1313

Yu Xiaogang warned Tangshan and the others with a serious face.

He could now see that Su Chen's identity was not simple. The nobility in Su Chen was not something that anyone could possess. Even some emperors of the empire did not have it. Such a noble temperament as Chen.

And that Queen Medusa,

Queen?

This is not something you call casually.

That beautiful woman is either the queen of a tribe or the queen of an empire.

Moreover, Queen Medusa is still a level 90 Contra, which is just a hair away from a Titled Douluo. However, this powerful queen came to find Su Chen personally. Can Su Chen's identity be simple?

The other people here are looking at each other now.

They didn't expect that Su Chen would have a powerful woman come to him, and that beautiful and noble beauty was also a queen.

This surprised them all.

Moreover, there are more than forty masked women in black clothes hidden around them. Those masked women in black clothes are more powerful than them. No one here even noticed it, which also shocked them all.

"Damn pervert!"

Zhu Ziqing cursed with shame and anger.

Su Chen touched her just now when he let her go. Although the bastard touched her very secretly, there are so many people here after all. Even if others didn't notice, Zhu Ziqing also Feeling very embarrassed.

Xiao Wu and Ning Rongrong looked at each other and lowered their heads with blushes. They had almost kissed the man named Su Chen just now. If that powerful and beautiful woman hadn't arrived, they really would have. I went to kiss that shameless pervert.

Xiao Huohuo looked at his ring in shock and asked,

"Queen Medusa? Isn't this the powerful queen of the snake tribe in the desert? But why does Queen Medusa not have a snake tail? Isn't it said that snake people all have snake tails? Master, is that woman really Queen Medusa?"

An old voice said to Xiao Huohuo,

"Yes, Queen Medusa is about to be promoted to Douzong. The fact that she can put away her snake tail means that she will be promoted in the near future."

"There is also someone named Su Chen who is said to be not simple. He has a noble temperament, powerful subordinates, and can even get Queen Medusa to find him in person. This all shows that Su Chen's identity is not simple."

"That Su Chen may be the young master of a powerful family, or even the heir to a powerful empire. You must not offend him in the future. If you have the opportunity, you can make friends with him. This will be good for you in the future."

"Master, I understand."

Xiao Huohuo nodded when he heard his master's words, but he didn't care at all.

He had no intention of making friends with Su Chen. No matter how high or noble Su Chen's status was, what would it matter?

Xiao Huohuo thought He will be a powerful man in the future, and he doesn't care about that dandy rogue young master. In the

Snake Man Tribe,

Su Chen suddenly appeared in the Snake Man Tribe holding Queen Medusa.

Su Chen and Queen Medusa were still late to return. The Peach Blossom Demon left without waiting for Su Chen. The Peach Blossom Demon left two days ago after leaving a letter. Su Chen also didn't have time to see the Peach Blossom Demon.

"well! Still came back late."Su Chen sighed after taking the letter handed to him by Hua She'er, boom!

At this time,

Queen Medusa slapped Su Chen with a frosty look on her face. Su Chen was caught off guard. After being blown away by Queen Medusa's palm,

Su Chen got up from the ground vomiting blood and asked with a livid face,"Cough, cough, cough! Queen Medusa, why are you crazy? Why attack me?"

"Damn you shameless pervert."Queen Medusa thought that this bastard hugged her without her consent, and she was merciful without killing this bastard with all her strength.

Boom!

"Eighteen swords!"

Su Chen saw Queen Medusa hitting her with another palm, which made him quickly take out a long sword and block it.

"Ahem! Damn it, the Golden Core Realm is indeed powerful, Queen Medusa, I will learn your strength next time, farewell!"

Su Chen became very autistic after being knocked out again.

Although the Medusa Queen did not attack him with all her strength, she kept being knocked out by women, which made Su Chen feel very embarrassed.

Su Chen was not willing to He asked Queen Medusa to beat him like a sandbag. After he got up, he said a word to Queen Medusa and teleported away in a hurry.

He remembered this grudge, and he would definitely teach Medusa a lesson in the future. Queen.

Queen Medusa saw Su Chen disappear, which made her stunned for a moment.

Queen Medusa still wanted Su Chen to help with some things, but that bastard left without saying goodbye.

Could she be allowed to go around again? Go find that bastard?

"Bastard, why did that shameless pervert run away again?"

Hua Snake next to her heard Queen Medusa's words. She looked at Queen Medusa in confusion and said, "Queen, if you teach him like this, Su Chen will definitely feel embarrassed and run away. If it were me, I would run away too."

"Shut up!"

"Yes, Queen!"

Eastern mainland, Suzhou.

Half a month later,

Su Chen came to Suzhou City in the Eastern Continent alone. This time he came to Suzhou alone. The Shadow Assassins might have stayed in the Snake Tribe. He also forgot to notify Youru after escaping from the Snake Tribe.

Although Su Chen still has a hundred shadow assassins and less than a hundred thousand black-armored troops in the system space, he doesn't want to deploy them now. This time he just came to check the situation in the Shenyu Continent, and he didn't find a suitable site. Su Chen did not plan to deploy troops before now.

Su Chen looked at the tall Suzhou City and said to himself, "Suzhou? My Suzhou City and Suzhou should have the same name. I don't know if anything interesting will happen in Suzhou."

Su Chen felt that Dong The rich spiritual energy of the mainland made him feel very comfortable all over his body.

The spiritual energy of the Eastern Continent did not disappoint Su Chen.

The spiritual energy here was indeed very rich. Although it was not as rich as the spiritual energy in his hibiscus tree garden, the spiritual energy in the Eastern Continent was at least There is also one-third of the spiritual energy in the hibiscus tree garden.

"Get out of the way, get out of the way of my aunt."

At this time, just as Su Chen was about to enter the city, a woman rushed out of the city on horseback and shouted.

"I guess, this is him!"

Su Chen looked at the woman riding a horse and rushed towards him. This made Su Chen very speechless. He was not going to cause trouble again, but I'm afraid he wouldn't be able to do it if he didn't cause trouble today.

Su Chen looked at When he was about to hit his horse, he easily sat on the back of the horse and even hugged the woman riding the horse.

Su Chen hugged this unruly and willful girl and said, "Little beauty, you are going to be killed. me?"

"Shameless gangster, let me go and get out of here." The woman on horseback saw that Su Chen not only hid, but even sat behind the horse and hugged her. This made her angry and took the riding whip to Su Chen and cursed.

Su Chen grabbed the riding whip and laughed. She smiled and said, "Little beauty, it's not good to have a bad temper. It's very easy to age.""

"Fart, I, Lin Yueru, am naturally beautiful and the most beautiful woman in Suzhou City. How can I possibly age? You bastard is just talking nonsense."

"Are you Lin Yueru? The eldest lady of Linjiabao?"

Chapter 1314

Su Chen did not expect that this unruly and willful beauty turned out to be Lin Yueru.

Lin Yueru was a character in the fairy tale, and a tragic figure.

In Suzhou here, could the fairy tale have begun?

Didn't Zhao Ling'er get married to Li Xiaoyao?

Damn it, why did the plot start?

"you know me? Lin

Yueru asked suspiciously when Su Chen called her name.

Su Chen smiled and said to Lin Yueru, "The unruly and willful Miss Lin Jiabao, how could I not know?"

"snort!"

"Hum what hum? You almost hit me just now"

"You bastard, let me go, I have something urgent to do." When Lin Yueru saw that there was nothing she could do about Su Chen, she suddenly thought of something important and started yelling at Su Chen anxiously.

"Little beauty, what's your emergency? Even if you're in an emergency, you can't ride a horse and ride through the streets."

"Damn it, let me go or my cousin will die"

"Your cousin? Liu Jinyuan?" Su Chen blurted out and asked after hearing Lin Yueru's words,

"Do you know my cousin?"

"I don't know, what happened to your cousin? Lin

Yueru said in a panic, "My cousin has been poisoned. Let me go quickly. I want to go back to Linjiabao and let my father come and save my cousin."

"Well, I'll go with you, maybe I can help."

Su Chen also understood now that

Lin Yueru's cousin had been bitten by the spider spirit and was probably in danger. However, the butterfly wonderful girl should also have appeared, right?

Lin Yueru looked at Su Chen and agreed.

Although this person's origin I don't know, but this bastard's martial arts should be good, he might be able to help, and one more person will give him more chances to save people. The

Liu Mansion in Suzhou is in a mess today.

The eldest young master of the Liu Mansion was poisoned, which made the Liu Mansion Everyone was very nervous. All the famous doctors in Suzhou City were invited, but Master Liu's poison was still not cured. This made the old lady of the Liu family very anxious. In a luxurious room,

Liu Jinyuan lay with a pale face. On the bed, an old man took Liu Jinyuan's pulse. The gray-haired old man bent down and saluted a middle-aged woman, "Mrs. Liu, it's been three days, and Master Liu's poison still can't be cured. Why don't you send someone to do it?" I went to the nearby city of Hangzhou to see a famous doctor, but there was really nothing I could do for him.

Mrs. Liu looked anxious and said hurriedly, "Oh!" This is how to do? The master is still in the capital, and my son Jin Yuan has been poisoned and unconscious again. Come on, please send someone to Hangzhou to ask for a famous doctor."

"Yes, old lady!"

At this time, a beautiful woman with a slim figure and a pretty face comforted Mrs. Liu sadly, "Madam, don't worry, the young master Jiren has good fortune and will definitely turn the crisis around."

"Caiyi, thank you for your hard work these days." After Mrs. Liu heard what this beautiful woman said, she took her hand and thanked her,

"No hard work, madam, this is what I should do. Caiyi shook her head and looked at Liu Jinyuan on the bed and said,

"What a good girl. If my son can get better this time, I will definitely let my son marry you."

"Madam, now is not the time to talk about this. The young master's poison has not been cured yet."

"I know, I know, I hope the famous doctors in Hangzhou can detoxify my son Jin Yuan from the poison. Jin Yuan was poisoned for no apparent reason, and even these famous doctors in Suzhou couldn't recognize the poison."

On the streets of Suzhou City, a man and a woman also arrived in Suzhou City.

They walked around Suzhou City for a while and then walked towards Liu's house.

The man looked at the beautiful woman beside him and said with a smile, "Miss Ling'er, Brother Liu. His home is in Suzhou. This time we can stay at his home for a few days. Brother Liu is a good person and he will definitely welcome us.

The woman frowned when she heard the man's words and said, "Li Xiaoyao, we still have things to do. We can only stay in Suzhou for a day or two. Don't forget what you promised me."

"No, no, how could I forget." Li Xiaoyao nodded hurriedly when he heard the woman's words.

Li Xiaoyao was also helpless with this beautiful beauty.

Why did he talk so much and agreed to go to Nanzhao country with Zhao Linger? Li Xiaoyao was frightened when he thought of the scene where he met Zhao Linger.

At the beginning , ,

Li Xiaoyao went to Xianling Island to ask for medicine to save his aunt, but he did not expect to encounter a life and death battle. Those Miao people brutally slaughtered the women on Xianling Island. If he hadn't escaped quickly, he might have died in Xianling Island. On the island.

Zhao Ling'er also escaped with him and saved his aunt's life.

Only then did Li Xiaoyao agree to escort Zhao Ling'er to Nanzhao Kingdom. He also had a crush on this beautiful Zhao Ling'er and even hoped to marry her. The very kind and beautiful Zhao Ling'er.

At noon,

Su Chen and Lin Yueru and their daughter arrived at the Liu Mansion together.

Lin Yueru's father, Lin Tiannan, kept looking at Su Chen along the way, but he saw Su Chen and his daughter Lin Yueru riding a horse together.

Lin Tiannan But he was worried that the baby cabbage in his family would be given to him by this unknown person.

Although Lin Tiannan had always wanted to marry off his daughter, this was too sudden, and the contest that Lin Tiannan had planned to prepare to recruit a bride might not be possible.

Su Chen also noticed that Lin Tiannan had been secretly sizing him up, but he didn't pay attention to it. Lin Tiannan was probably worried about his unknown origin and was afraid that he would be harmful to Lin Yueru. In the Liu Mansion, Lin

Tiannan was immediately invited by Mrs. Liu after arriving. Going to see Liu Jinyuan, Lin Yueru also hurriedly followed.

Su Chen did not follow.

He knew that Liu Jinyuan was poisoned by the spider spirit. Lin Tiannan probably could not cure Liu Jinyuan's poison. How could a Jianghu man cure the monster's poison?

Liu Jinyuan's I'm afraid the spider spirit will be needed to detoxify the poison.

However,

Su Chen thought of the Zhu Guo in his system space. He didn't know if his Zhu Guo could detoxify the monster's poison. After all, this is the world of Xianxia.

"Sir, please have tea!"

At this time, a maid in green came over and served Su Chen a cup of tea.

"Thank you!"

"You are welcome"

"May I have your name?" Su Chen asked boredly while drinking tea and looking at this beautiful maid.

"The maid's name is Caiyi"

"puff! Cough cough cough! what's your name?" Su Chen spit out the tea he just drank when he heard the maid's words. He looked at the maid and asked hurriedly,

"Caiyi!"

I guess!

Is this the butterfly spirit?

No wonder a maid is so beautiful.

It turns out that she is the butterfly spirit who gave all her thousand years of mana to Liu Jinyuan. Caiyi would rather transform into an ordinary butterfly again to save Liu Jinyuan. This butterfly Jing is also quite infatuated

"Young Master, are you okay? Caiyi asked hurriedly when she saw the tea that Su Chen spurted out.

Su Chen waved his hand and said awkwardly, "It's okay, it's okay. I drank a little too much.""

"The young master is fine, so the maid will go down."

"Wait, Cai Yi, I'll give you a poem." When Su Chen saw Caiyi was about to leave, he thought about it and hurriedly stopped her.

Su Chen was also very sympathetic to this infatuated monster.

He also hoped that Caiyi would not end up in the Shenyu Continent like she did in Fairy Sword.  
miserable end

"poetry?"

Caiyi looked at Su Chen and was very surprised. She just poured a cup of tea for this young man,  
but this strange young man actually wanted to compose a poem for him?

This young man doesn't have any intentions towards her, right?

"Spring flowers can withstand several degrees of frost, but who can share the lonely light of the  
autumn moon?"

"If infatuation meets true love, the colorful butterflies will turn into red makeup."

Chapter 1315

Su Chen recited the poem about the butterfly demon Caiyi in the fairy sword.

He also wanted to see how Caiyi would react when he heard this poem. Would he guess that he  
already knew Caiyi's identity?

"you.....you.....Who are you?"Cai Yi was very surprised when she heard Su Chen's poem.

Pian Pian Butterfly wears red makeup?

Does this human know that she is a butterfly demon?

Is this a reminder to leave?

Otherwise, she will die here?

Su Chen looked surprised Caiyi smiled and said,"Peonies are very fragrant, but they are also easy to wither. Caiyi, please take care of yourself."

Caiyi now understands that Su Chen knows that she is a demon, but how does this human know her identity?

She has never appeared among humans. Why does this human seem to be very familiar with her? Have they met before?

But she Why don't you have any impression?

Caiyi shook her head and smiled bitterly,"I know, Master, but Master Liu is kind to me. Now Master Liu is poisoned, and I can't leave at this time even if I die.""

Su Chen stood up, looked at Caiyi and said clearly,"These people can't detoxify the spider demon's poison. You should also know that unless the spider demon detoxes Liu Jinyuan's poison in person, it is impossible for humans to detoxify the monster's poison."

"Is there any way, sir, to detoxify the spider demon?"

"have!"

"I also hope that the young master can save Mr. Liu."When Caiyi heard Su Chen's words, she hurriedly knelt down and begged him.

Su Chen felt very helpless when he saw Caiyi kneeling down.

Monsters are either cruel and cruel people, or they are infatuated and stupid.

Caiyi is In this way, the little white snake is also like this.

Su Chen is also speechless at those silly monsters.

"Liu Jinyuan has nothing to do with me, so why should I save him?"

Caiyi asked in surprise when she heard Su Chen's words, "Master, you.....Aren't you Mr. Liu's friend?"

"Haha, I've never even met Liu Jinyuan, how could we be friends? Caiyi, you think too much"

"this.....this....."

"How is this going? Miss Caiyi, why did you kneel down to this person? Did he bully you?"

At this time, after Li Xiaoyao and Zhao Ling'er arrived in the living room, Li Xiaoyao was very angry when he saw Caiyi kneeling to Su Chen in the living room. He felt that this rich man must be bullying Caiyi, the maid.

"and who are you?"

Su Chen was very surprised when he saw the man and woman arriving. The man had a pretty face, but the woman was very beautiful, with a pure and refined appearance, like a fairy..

Li Xiaoyao walked to Su Chen and said arrogantly, "I am Liu Jinyuan's friend Li Xiaoyao"

"Li Xiaoyao?"

Su Chen was very surprised when he heard Li Xiaoyao's words.

He didn't expect that Li Xiaoyao had arrived. The woman next to him was Zhao Ling'er. No wonder she looked so pure and refined. All of Nuwa's descendants were indeed peerless beauties.

"Exactly, who are you?"

"none of your business! Stay aside."

Su Chen rolled his eyes at Li Xiaoyao and waved his hand.

Su Chen's feelings towards Li Xiaoyao could not be said to be good or bad, but he was very displeased when he looked at Li Xiaoyao. Maybe it was this little ruffian who got Zhao Ling'er in Fairy Sword. Let Zhao Linger die again.

But Li Xiaoyao is also quite tragic.

His friends died, his confidante also died, and even his wife Zhao Linger died in the end. Li Xiaoyao is like a lone star of evil. As long as he is with them, the consequences for him would be bad if he sticks to them.

Li Xiaoyao didn't expect that Su Chen wouldn't give him face.

When he came to Caiyi, he wanted to pull Caiyi up and said, "Miss Caiyi, get up quickly. Don't be with such a rich man." Kneel down, brother Liu Jinyuan's poison will definitely be detoxified, and Miss Zhao will definitely find a way to detoxify him.

Caiyi shook her head and refused, "Master Li, you don't have to worry about me. Now only the master can save the young master. I will kneel down and ask him to save the young master.""

"you....., forget it, this person is a liar, don't believe him."

Li Xiaoyao couldn't do anything when he saw Caiyi's stubbornness.

How could this dandy boy save Liu Jinyuan?

Even Zhao Ling'er from Xianling Island couldn't do anything.

This dandy boy was simply deceiving Caiyi.

"Little beauty, your name is Zhao Linger?"

Su Chen looked at Zhao Ling'er and asked with a smile.

Zhao Ling'er was very surprised when Su Chen called her name.

Su Chen should not know her name, but Su Chen actually called her name.

This Zhao Ling'er looked at Su Chen and asked in surprise,

"How do you know my name? who are you?"

When Li Xiaoyao heard Su Chen calling Zhao Ling'er, he hurriedly threatened Su Chen, "Boy, I'm warning you, you'd better not attract Ling'er's attention, otherwise don't blame me for being rude to you."

"oh? Who are you, Zhao Linger?"

"she.....she is my friend"

"friend?"

After Su Chen heard what Li Xiaoyao said, he looked at the cold Zhao Ling'er unexpectedly.

He didn't expect that the plot had changed. Could it be that Zhao Ling'er didn't marry Li Xiaoyao at all in Shen Yun Continent?

This is interesting.

"Yes, Zhao Linger is my friend."

Su Chen said mockingly to Li Xiaoyao, "I thought Zhao Ling'er was your wife. Zhao Ling'er hasn't said anything yet. Why are you so anxious? I think you are paying attention to Zhao Ling'er."

Li Xiaoyao looked at Zhao Ling'er hurriedly when he heard Su Chen's words. He was afraid that Zhao Ling'er would misunderstand. Although he liked Zhao Ling'er, Su Chen said this made him very nervous.

Zhao Ling'er ignored Li Xiaoyao, and she came directly to Su. The person next to Chen asked again with a cold face, "Who are you? Why do you know my name?" Su

Chen looked at Zhao Ling'er and smiled and said, "Not only do I know your name, but I also know about the affairs of the Nanzhao Kingdom. Your mother is not dead, but she is not considered alive. Your life will be threatened if you go to the Nanzhao Kingdom this time." , you'd better not go"

"My mother is not dead? Is what you said true?" Zhao Ling'er asked eagerly after hearing Su Chen's words.

She didn't care whether there was any danger in going to the Nanzhao Congress. Zhao Ling'er wanted to know if it was true that Su Chen said that her mother was not dead.

Su Chen nodded and continued, "It's true. Your mother turned into stone and she really didn't die. Zhao Ling'er, what happened to your mother was all caused by Li Xiaoyao's parents. Don't you know?"

Li Xiaoyao asked angrily when he heard Su Chen's words, "You are talking nonsense. My parents have died long ago. How could you harm Ling'er's mother?"

Su Chen looked at the angry Li Xiaoyao and laughed and said,

"Hahaha, am I talking nonsense? If your parents hadn't stolen the water spirit beads that suppressed the water monsters back then, how could the Moon Worshipping Cult leader have released the water monsters? How could Zhao Ling'er's mother almost die trying to seal the water monster? Oh no! Lin Qing'er is now worse off than dead."

Li Xiaoyao shook his head in panic and said hurriedly, "This is impossible, how could my parents do this? You lied to me, right?"

"Li Xiaoyao, the Water Spirit Pearl should be on your body, right?"

Chapter 1316

Su Chen suddenly thought of the Five Elements Spirit Bead, what a treasure it was!

Although Su Chen didn't know what level of magic weapon the Five Elements Spiritual Pearl was, it was a magic weapon left by Nuwa. Even if the Five Elements Spiritual Pearl was not a top-level magic weapon, it was probably still a very great magic weapon.

"What water spirit bead? I have no idea what you're talking about?"

Li Xiaoyao said nervously when he heard Su Chen's words.

Although Li Xiaoyao didn't know about Shui Lingzhu, he just thought of the bead his parents gave him when he was a child, and he was afraid that the bead was really the Shui Lingzhu.

"Do you really not know?"

Su Chen looked at Li Xiaoyao and asked with a smile.

Su Chen thought that in the plot, Li Xiaoyao was used by Lin Qing'er to go back in time and sent him back to his childhood. Li Xiaoyao exchanged a small wooden sword for him. He got the Water Spirit Pearl.

But the Shenyu Continent here is not the world of fairy swords.

The Water Spirit Pearl might be on Li Xiaoyao now.

"I have no idea."

Li Xiaoyao touched his chest and hurriedly shook his head and replied.

Su Chen looked at the nervous Li Xiaoyao and smiled.

Li Xiaoyao was not asking for it.

He was covering his chest for fear that the Shui Lingzhu would be taken with him.

Su Chen waved his hand to Zhao Ling'er and said, "Zhao Ling'er, you can search Li Xiaoyao's body, maybe the water spirit pearl is on Li Xiaoyao's body."

Zhao Ling'er now believes in Su Chen's words very much.

Not only does Su Chen know his name, but he also knows her mother's name. He even knows that her mother Lin Qing'er is not dead.

Zhao Ling'er feels that Su Chen doesn't know her at this time. Will deceive him. "Li Xiaoyao, take out the water spirit beads when they are on you. I don't want to search you."

"I....."

Li Xiaoyao became very nervous when Zhao Lingzhu looked at him coldly.

He was now afraid that the small bead on his body was the water spirit bead, if that bead was really the water spirit bead.

Zhao Ling'er would probably ignore him in the future. After all, it was his parents who nearly killed Zhao Ling'er's mother after they stole the Shui Ling Bead, which also caused Zhao Ling'er to lose her mother since she was a child.

Su Chen didn't care how Zhao Ling'er asked Li Xiaoyao for the water spirit bead.

When he came to Caiyi, he pulled up the butterfly demon Caiyi who had been kneeling on the ground, "Little butterfly, Liu Jinyuan can't die now, you don't have to worry."

"Young Master, can't you save Liu Jinyuan now? Caiyi asked expectantly after being pulled up by Su Chen.

Su Chen shook his head and said with a smile, "It's not yet time, little butterfly, do you know why the spider demon is stronger than you?"

Caiyi said doubtfully after hearing Su Chen's words,

"I don't know this either. I used to be able to defeat the Poison Widow with one hand, but over the past few decades, I don't know why the Poison Widow's strength has increased so much, and I am no match for her now."

Su Chen took Caiyi to sit down and told her, "That's because the spider demon has a thunder spirit bead in his hand. The five spirit beads are all magic weapons. The spider demon must have used the thunder spirit bead to practice, so that he has the strength. great advance"

"I see. Are you trying to attract Lei Lingzhu's attention?"

"Yes, but I'm no match for the spider demon. I'm afraid this will trouble you."

"But I am no match for the Poisonous Widow, so I'm afraid I can't help you."

Su Chen lay next to Caiyi's ear and whispered evilly,

"Hehehe, I will find you a helper. By the way, what is the realm of the spider demon? What level of cultivation are you at?"

Su Chen plans to take advantage of Zhao Ling'er.

Zhao Ling'er is a descendant of Nuwa, and Zhao Ling'er is very powerful after revealing her snake tail. With Caiyi and Zhao Ling'er cooperating, Su Chen believes they can defeat the poisonous spider widow.

When Caiyi saw Su Chen so close to her, she hurriedly blushed and took a few steps back and said, "The spider demon's realm is the realm of cultivation in the late Yuanying stage, and I am only in the middle stage of Yuanying."

Nascent Soul Stage?

Douzong?

This is much more powerful than his wives.

Heavenly Human Realm!

Golden Core Realm!

Nascent Soul Realm!

This spans three major realms, and

Little Butterfly's strength is not weak either. Ah!

Why didn't the little butterfly threaten him to detoxify Liu Jinyuan? Is this little butterfly really a good demon who doesn't kill animals?

Su Chen thought for a while and said,

"Okay, the helper I'm looking for for you should be about the same strength as you. You two can definitely kill the spider demon. Don't worry, I will go with you when the time comes. If it doesn't work, I will take action.

Caiyi glanced at Su Chen and said weakly, "You?" Young Master, you better forget it, your strength is too weak."

"Come on, little butterfly, are you looking down on me?" When Su Chen heard Cai Yi's words, he stared at her and shouted.

Su Chen didn't expect that the little butterfly would look down on him.

Is this still a very kind little butterfly?

Why did he seem to have changed into a different person in such a short period of time?

Cai Yi saw Seeing the surprise, Su Chen smiled and said, "Sir, I am a thousand-year-old butterfly demon, and you are only a twenty-year-old human being. Do you think it is appropriate for you to call me little butterfly?" Su

Chen coughed awkwardly and waved his hands and said, "Well, don't worry about these details. You are not older than me, and you are still very beautiful. If I call you aunt, would you like it?"

"Young Master, you can call me by my name!"

"I didn't ask you to be a little butterfly and look close to me"

"you.....You are shameless!" Caiyi looked at Su Chen with shame and anger and cursed.

She didn't expect this human being to be so shameless.

Not only did this bastard ask her to help snatch the Thunder Spirit Bead, he even dared to have plans for her. Caiyi had never encountered such a person before. Shameless human beings.

Come on!

Why am I shameless?

Why is the little butterfly blushing?

Su Chen touched his chin and thought, this little butterfly has misunderstood something, right?

Does the little butterfly think that he has a plan for her?

"Young Master, is this the Water Spirit Pearl?"

At this time,

Zhao Ling'er came over with a bead and handed it to Su Chen and asked,

"Let me see."

Su Chen took the water spirit bead handed over by Zhao Ling'er and looked at it carefully. It was just a colorless bead. No matter how he looked at it, he couldn't tell that this ordinary bead was a magic weapon.

Su Chen checked it and handed it to Caiyi and said ,

"Little butterfly, take a look too"

"Haha, can't you see it? Caiyi took the water spirit bead and smiled at Su Chen and said mockingly,

"Yes, I can't see it. Don't you want older people like you to see it?"

"You are such an asshole. Su

Chen patted Caiyi's head and said speechlessly,"Little Butterfly, you are a maid now. Does any maid dare to talk to the young master like this?""

"Take your dirty hands away from me. Also, are you my young master?"

"Stop talking nonsense and take a look."

Zhao Ling'er next to her looked at Su Chen and then at Cai Yi.

Zhao Ling'er couldn't understand why Su Chen was talking and laughing with this maid for just a while? The maid named Cai Yi just knelt down for Su Chen. So, why are they reconciled now?

Are they even so close?

Chapter 1317

Caiyi took the water spirit bead in her hand and examined it carefully, but after looking at it for a while,

Caiyi didn't find anything special about this ordinary bead. There was nothing special about this ordinary bead. Could it be that this was not a water spirit bead? Pearl? But Su Chen's vow didn't look like he was joking.

Cai Yi looked at it for a while and then said to Su Chen doubtfully, "I can't see this bead, sir, are you mistaken?"

"This is just an ordinary bead, Linger, now you should believe it, this bead is just an ordinary bead."

At this time,

Li Xiaoyao ran over and heard Cai Yi's words. He looked at Su Chen arrogantly and said to Zhao Ling'er,

"I'll look at it again!"

Su Chen took Shui Ling'er from Caiyi's hand and said with a smile,

"If you look at it again, it's still a broken bead." Li Xiaoyao said mockingly when he heard Su Chen's words.

Li Xiaoyao is now relieved.

This bead is just an ordinary bead. He has been worried for a long time. Now he looked at Su Chen and felt very proud. Zhao... I will never trust this noble young man again.

Zhao Ling'er and Caiyi also looked at Su Chen.

Although they believed in Su Chen, these were indeed ordinary beads. They felt that Su Chen might have made a mistake. It was even suspected that the bead was exchanged by Li Xiaoyao.

Su Chen took the water spirit bead and communicated with the system and asked, "System, is this bead a water spirit bead?"

"Ding, host, this is indeed a water spirit bead, but this water spirit bead is sealed."

"System, can you unlock the seal?" Su Chen narrowed his mouth and smiled when he heard the system's answer.

"Ding, yes, it's just that the Water Spirit Pearl is an ancient innate magic weapon. In this world, it can only lift one layer of seals. The rules of this world can also allow the existence of some magic weapons, and even acquired magic weapons are not allowed to appear."

"That's it! Then first unlock the seal on the Water Spirit Pearl."

Boom!

At this time, the water spirit bead in Su Chen's hand suddenly burst out with a powerful aqua light, and the entire hall was immediately enveloped by a powerful aura. Caiyi was knocked back a few steps, while Zhao Ling'er and Li Xiaoyao He was suppressed and collapsed on the ground.

In just a few breaths,

Shui Lingzhu was hurriedly controlled by Su Chen to calm down.

If Su Chen didn't hurriedly calm down Shui Lingzhu, I'm afraid this hall would be occupied soon. collapsed

"Is this actually true? How can this be?" Li Xiaoyao looked at the shimmering water spirit bead with a face of disbelief, but the fact is the fact, that ordinary bead is the water spirit bead.

Caiyi looked at Su Chen and felt incredible.

She couldn't even check the water spirit bead. , even when she sent mana to Shui Lingzhu, it didn't restore Shui Lingzhu. Su Chen's strength was lower than hers. How could this shameless pervert have mana?

Zhao Ling'er looked at Su Chen with surprise on her face.

Su Chen really didn't lie to her. , this bead is really the water spirit bead, so can Su Chen also save her mother?

Su Chen looked at the water spirit bead and handed it to Caiyi and said,

"Little butterfly, this water spirit bead has infinite water magic power, and can also summon the snow demon to help fight. You can practice with the water spirit bead for a period of time, and even use it when fighting the spider demon."

This water spirit bead is not of much use to Su Chen now.

The water spirit bead is made from the bones of the water god [Snow Demon]. Apart from the sealed snow demon, it is of no use now. After all, the water spirit bead has only been unsealed. A layer of seal, the water spirit bead is now a relatively powerful magic weapon.

"Will you use it for me?"

Caiyi took the Shui Lingzhu and looked at Su Chen unexpectedly and asked,

"yes! What's wrong?"

Su Chen nodded and confirmed.

When Caiyi heard Su Chen's confirmation, she reminded Su Chen angrily, "You don't really have any plans for me, sir. Let me tell you, even if you give me this A powerful magic weapon, I will not agree to your rude request."

When Su Chen heard Caiyi's words, he looked at Little Butterfly in stunned silence. He didn't expect that this little butterfly was so simple. He just gave her a water spirit bead to practice. Caiyi could think of so much.

Su Chen also regarded Little Butterfly. I was speechless,"I guess, little butterfly, you are overthinking, I am just borrowing it from you, I have no intention of giving it to you.""

"you.....You bastard."

Caiyi didn't believe Su Chen.

Although she didn't know much about human beings, she had also heard that human beings were greedy and lustful. They would be malicious when they saw a beautiful woman. Su Chen must have fallen in love with her. Beauty.

Zhao Ling'er watched Su Chen give the Shui Ling Bead to Cai Yi and wanted to stop it, but she didn't think how to stop it. Zhao Ling'er didn't say anything to stop it, but her face was very ugly.

Su Chen looked at the side and changed his face. Zhao Ling'er shook his head and said,"Zhao Ling'er, I hope you can do me a favor. As long as you can help me once, the Water Ling'er will be yours first.""

"help? I agreed."

Zhao Linger hurriedly replied when she heard Su Chen's words.

She didn't even ask what kind of help she could do. As long as she could get the Water Lingzhu, Zhao Ling'er didn't care about helping Su Chen. After all, the

Water Lingzhu was her mother's magic weapon.

She would save her in the future. The mother returns the water spirit bead to her mother

"Zhao Ling'er, the Shui Lingzhu belongs to me from now on, and I will lend it to you. Don't think that I am giving it to you."

Su Chen agreed when he saw Zhao Ling'er being so eager.

He also guessed Zhao Ling'er's plan.

However,

Su Chen would not give the Water Spirit Pearl to Zhao Ling'er. The Five Elements Spirit Pearl was an innate magic weapon. How could Su Chen give it to Zhao Ling'er? Besides, Zhao Ling'er was not him. Madam, Su Chen is not that generous.

When Zhao Ling'er heard Su Chen's words, she hurriedly said, "You.....This is my mother's magic weapon. Shouldn't you return it to my mother?"

"That was before, now the water spirit bead belongs to me, Zhao Ling'er, I hope you can understand"

"you.....Then I won't help you." When Zhao Ling'er heard Su Chen's words, she pouted and said angrily,

"What's going on here?"

At this time,

Lin Yueru ran over and asked loudly.

Lin Tiannan also followed Lin Yueru and walked over quickly. The powerful aura just now made him feel frightened. Lin Tiannan looked at the people in the living room, and he guessed that the aura just now The powerful aura came from that person.

When Su Chen heard Lin Yueru's words and even saw Lin Tiannan checking out the people in the living room, Su Chen coughed and lied, "Ahem, Lin Yueru, it was Li Xiaoyao prawn just now." With the burst of aura, Li Xiaoyao was also worried about Mr. Liu Jinyuan. He hated the person who poisoned Mr. Liu Jinyuan very much."

Li Xiaoyao was stunned when he heard Su Chen's words.

He didn't expect that Su Chen would actually say this, hero?

Is he a hero?

He is just like a prawn, but when Li Xiaoyao saw Su Chen, Caiyi , even Zhao Linger looked at him and nodded, and Li Xiaoyao could only bite the bullet and nodded in recognition.

"Li Shaoxia is indeed an unparalleled hero. The aura just now made me feel frightened. I wonder which sect Li Shaoxia belongs to?"

"Leader Lin, Li Xiaoyao is a swordsman from Shushan."

Chapter 1318

Su Chen didn't give Li Xiaoyao a chance to speak at all.

He was also afraid that Li Xiaoyao would tell him about the Shui Lingzhu. The Shui Lingzhu should be kept secret in their hands. Otherwise, if the leader of Baiyue knew about it, the powerful Baiyue would definitely Will come to grab the water spirit beads.

Su Chen couldn't defeat the powerful leader of the Moon Worshiping Cult.

Lin Tiannan was very surprised when he heard Su Chen's words.

Shushan is a powerful cultivation sect, and the leaders of Shushan are probably some of the most powerful people in the world.

Lin Tiannan held his fist and said to Li Xiaoyao,"Shushan? I didn't expect that Li Shaoxia was actually a disciple of Shushan. How disrespectful.""

"Forehead! Leader Lin, I.....I....."

Li Xiaoyao was so confused now that he didn't know how to answer Lin Tiannan.

He now hated this bastard Su Chen.

This bastard actually said that he was a disciple of Shushan?

Is he a Shushan disciple?

Li Xiaoyao knows a little bit about kung fu, so why is this connected to Shushan?

If people from Shushan found out that he was pretending to be a disciple of Shushan, would it be difficult for him not to die?

Su Chen looked at the confused Li Xiaoyao and smiled and continued,

"Leader Lin, Li Xiaoyao's master is the famous Jiu Jianxian, and Li Shaoxia is a low-key person. Leader Lin will ask if something happens later. I wonder how Mr. Liu is doing now?"

Lin Tiannan nodded when he heard Su Chen stroking his beard and said, "That's it, I understand. Jin Yuan's condition has been temporarily stabilized by me, but if the poison cannot be detoxified within ten days, Jin Yuan will still be there. life-threatening"

"Bastard, what's your name?"

At this time,

Lin Yueru looked at Su Chen and asked Su Chen with a sullen face.

Lin Yueru had been worried about Liu Jinyuan before, and she had no time to talk to Su Chen. She didn't even know Su Chen's name.

Lin Yueru thought about it now. After that, she planned to settle accounts with Su Chen. This time her father was on the side, but she didn't believe that Su Chen would be her father's opponent.

Lin Tiannan was surprised when he heard Lin Yueru's words and asked, "Yue'er, you don't even know that he is name?"

"Should I know? Lin

Yueru asked in a daze.

Lin Tiannan looked at Lin Yueru who was stunned and wanted to stamp his feet in anger.

He didn't expect Lin Yueru to be so confused.

Thinking that his daughter didn't know this bastard, Lin Tiannan hugged him and even rode with him. A horse, this has been seen by everyone in Suzhou City. How is this decent? What does this sound like?

Lin Tiannan pulled Lin Yueru and reminded him,

"No, why did you ride with him when you didn't know his name? What will people in Suzhou say when they see this? Your innocence has been ruined by this bastard, do you know that?"

When Lin Yueru heard Lin Tiannan's words, she pointed to Su Chen in panic and said, "I.....I didn't want to either, this bastard forced me."

Next to Caiyi, ZhaoSon, and even Li Xiaoyao looked at Su Chen dumbfounded.

They didn't expect that Su Chen would dare to hug the eldest daughter of the Lin family even if he didn't know the eldest daughter of the Lin family?

He even sneaked into the Liu Mansion.

What on earth is this bastard going to do?

When Lin Tiannan heard Lin Yueru's words, he clenched his fist and threatened Su Chen, "Boy, are you looking for death? How dare you bully my daughter? Who are you?"

Su Chen was very embarrassed now.

He looked at Lin Yueru and beat him up. Little girl, Lin Yueru was planning to use her father's hand to teach her a lesson.

Su Chen also thought that in ancient times, it was not etiquette to cuddle with an unmarried woman, or even ride the same horse.

But he didn't think so much at the time

"Ahem! My name is Su Chen. Leader Lin, that was a misunderstanding. It was your daughter who almost hit me while riding a horse. I was just riding a horse with your daughter. This does nothing to us children in the world."

"What happened to the children of Jianghu? Do the children of Jianghu want to hug each other? You must give me an explanation today, otherwise I will let you leave Liu Mansion sideways."

"Explain? What explanation?"

"Su Chen, can you marry my daughter? Or I'll kill you? My daughter's innocence cannot be destroyed in your hands."

What the hell!

Is this a forced marriage?

Although Lin Yueru is very beautiful, this woman is too fierce.

Su Chen is worried that if he agrees to marry Lin Yueru, if Lin Yueru finds out that he has many wives in the future, I am afraid that Lin Yueru will It will cause an uproar

"Father, you want this bastard to marry me? Lin Yueru was surprised and hurriedly asked Lin Tiannan,

Lin Yueru would not marry this shameless bastard. She had only known this bastard for less than a day, and even her name was just known.

How could Lin Yueru marry someone she just met?

"If he doesn't marry you, can you still marry? This is all because of me pampering you and pampering you to get where you are today."

"I....."

Lin Yueru was so confused that she didn't know what to do.

Why couldn't she get married in the future?

Isn't it just riding a horse together?

Do we have to marry this bastard?

Caiyi and Zhao Linger also looked at Lin Tiannan in surprise.

They did not expect Lin Tiannan to say this.

Is Su Chen really going to marry Lin Yueru this time?

"What a lucky guy."

Li Xiaoyao looked at Su Chen with envy and whispered,

Lin Yueru is a great beauty, and even a daughter of a wealthy family. She has a good family and it's nothing to say. Su Chen can marry such a peerless beauty and get a huge fortune, so He also wants to do good things!

"Su Chen, have you thought it through?"

Lin Tiannan asked again when he saw that Su Chen had not spoken.

"Ahem, me....."

"Su Chen, why are you here?"

Just when Su Chen was about to answer, a woman's voice shouted to Su Chen urgently.

Su Chen turned around and saw a man and two women coming into the living room.

One of them was the beautiful girl he met in Shura City. Green Snake Xiaoqing,

Su Chen looked at Xiaoqing in surprise and hurriedly shouted,

"Xiaoqing, why are you here?"

Xiao Qing quickly ran to Su Chen, hugged his arm and said with a smile, "Haha, it turned out to be you, you bastard. I thought I was dreaming."

"Xiaoqing, do you know I'm coming?" Su Chen hugged Xiao Qing's small waist and asked with a smile.

After Su Chen passed the Peach Blossom Demon, he also guessed that Xiao Qing should be able to sense his arrival like the Peach Blossom Demon.

Su Chen wanted to know if Xiao Qing Like the Peach Blossom Demon, they also sensed his arrival, so can the little fox Su Daji, the Rakshasa sisters, and Miss Sun also sense his arrival?

Xiaoqing leaned into Su Chen's arms and said proudly, "Of course. I sensed your arrival more than ten days ago, but I don't know exactly where you are, otherwise I would have gone looking for you long ago"

"Haha, I didn't expect you to be here either. Are those your sister and your brother-in-law?" Su Chen kissed Xiao Qing and then looked at the two people behind with a smile and asked.

Su Chen had already guessed that the beautiful girl in white clothes should be Xiao Bai, and the young man carrying the medicine box should be Xu Xian. Yes, it's just that Su Chen didn't expect to meet the characters from the White Snake plot here.

"That is my sister Xiaobai, and next to her is Xu Xian. He is not my brother-in-law."

Chapter 1319

When Xiaoqing heard Su Chen's words, she cast a disdainful glance at the dumb Xu Xian.

She looked down on the weak Xu Xian very much. The useless Xu Xian was the reincarnation of Xu Xuan. She even looked down on Xu Xuan, who had risked his life for Xiaobai. Not to mention this indecisive and useless Xu Xian.

Xiaoqing thought about what happened to her sister Xiaobai before she had time to look back, and she wanted to kill Xu Xian to prevent what happened to her sister Xiaobai from happening again.

It's just that her sister can appear in time every time she needs to take action, which makes Xiaoqing very helpless.

Su Chen was very confused when he heard Xiao Qing's explanation.

He is also full of doubts now.

Xiao Qing's entry into Shura City is obviously because the White Snake plot has passed. Xu Xian and Xiao Bai are at least married and have children. Are Bai and Xu Xian still there?

Shouldn't Xu Xian be a monk?

Even if Xiaobai was found by Xiaoqing, why was Xiaobai with Xu Xian again? And Xu Xian is still in his prime?

What's going on?

"Su Chen, I will explain these things to you later." Xiao Qing blinked her eyes when she saw Su Chen's confused expression and said,

"good!"

"Come, let me introduce you to my sister."

Xiaoqing pulled Su Chen and came to Xiaobai.

She also held Xiaobai with one hand and said to Su Chen, "Su Chen, this is my sister Xiaobai, also called Bai Suzhen, but I don't like Bai Suzhen. Name, I still like to call her Xiaobai, Xiaobai, this is the bastard Su Chen I'm talking about"

"Bai Suzhen met Mr. Su." Xiaobai looked at Xiaoqing with a smile and gave Su Chen a blessed gift.

Xiaobai was also very curious about Su Chen.

She thought that Su Chen was just made up by Xiaoqing, but she didn't expect that it was true. Yes, did Xiao Qing really go to Shura City? Did Su Chen really meet Xiao Qing in Shura City?

Also, there were monsters here, more than one, a thousand-year-old butterfly monster, and another one that she also felt Demons who can't come out, how can these two demons be with this Young Master Su? Who is this Su Chen? With handsome appearance, noble temperament, and even some luck of the Human Emperor, this makes the little Bai was very curious about Su Chen's identity.

Su Chen also hurriedly clasped his fists and greeted Xiao Bai, "Su Chen has met Miss Bai. I have often heard Xiao Qing say that her sister is very beautiful and gentle. I didn't expect that Miss Bai is really tall." So incredibly beautiful"

"Mr. Su has won the prize."

"By the way, Xiaoqing, why are you here in Suzhou? I heard Peach Blossom Demon say that you are not in Hangzhou?"

Xiao Qing heard Su Chen's words and snorted angrily, "Humph, this is not this Xu Xian. Xu Xian was invited by the Liu family to detoxify. My sister was afraid that something would happen to Xu Xian, so she came with her."

"I see, I thought you came to see me specifically." Su Chen touched Xiaoqing's hair and said teasingly,

"Bah, you are just being sentimental."

"Ha ha!"

Xu Xian was very embarrassed on the side.

Xiao Qing kept mocking him along the way.

But after arriving at the Liu Mansion, he did not expect that the unruly and willful Xiao Qing would be so gentle and close to a man?

This Mr. Su Chen He is also a talented person, with noble temperament and handsomeness, which makes him feel very ashamed.

Caiyi is now wary of Xiaoqing and Xiaobai with a serious face. She knows that Xiaoqing and Xiaobai are snake monsters, although Su Chen and them knew each other, but she was also afraid that these two snake monsters would be harmful to Su Chen.

Monsters are insidious and cunning, and often use human weaknesses to deceive humans. Caiyi was worried that Su Chen would be harmed by these two snake monsters. Confused.

Zhao Ling'er just looked at Su Chen and Xiao Qing and lowered her head.

She didn't care about this.

Zhao Ling'er now wanted to find a way to let Su Chen go to Nanzhao with her to save her mother. Su Chen's mystery made her think that this person must have a way to save her mother.

Li Xiaoyao looked at Su Chen with envy.

He admired this Su Chen very much now.

There was no beautiful woman around Li Xiaoyao, but Su Chen There were four or five beauties.

Caiyi obeyed Su Chen's words, Zhao Ling'er was also around Su Chen. Lin Yueru, the eldest daughter of the Lin family, was also forced to marry by her father. There were also two stunning beauties who arrived. Is this his? It has something to do with Su Chen.

Li Xiaoyao is almost autistic now.

He thinks that he is also a talented person, handsome and unrestrained. Why doesn't a beautiful woman fall in love with him?

"Su Chen, you haven't answered me yet. Will you marry my daughter?" Lin Tiannan's face turned very dark when he saw Su Chen cuddling with a woman. He yelled at Su Chen with anger on his face.

When Lin Yueru heard that Lin Tiannan was forcing marriage again, she shouted, "Father, I will not marry. This shameless pervert." Lin Yueru was also very angry when she saw Su Chen, a gangster, cuddling with other women. Although Lin Yueru had no intention of marrying this shameless pervert, at this time, this bastard was cuddling with other women. This is also Make her feel very embarrassed

"you shut up!"

When Xiaoqing heard Lin Tiannan's words, he shouted angrily, "What did you say? Do you want Su Chen to marry your daughter? Old man, stop dreaming. It is impossible for Su Chen to marry your daughter. Su Chen is mine."

"If you don't marry my daughter, you will die!" boom!

"you wanna die!"

When Xiaoqing heard Lin Tiannan's threat, he burst out with powerful momentum. The powerful momentum from the out-of-body realm directly suppressed Lin Tiannan.

"Stop it, Xiaoqing, don't be impulsive."

Su Chen hurriedly grabbed Xiao Qing, who was about to get angry. He looked at Lin Tiannan who was sweating profusely, clasped his fists and said, "Leader Lin, we will discuss this matter later. I will definitely give you a satisfactory explanation in the future."

"Huh, I hope you do what you say."

Lin Tiannan glared at Su Chen with a trembling heart and left.

Lin Tiannan was frightened by Xiao Qing. He now suspected that Xiao Qing was not a human at all. Even a cultivator could not be so powerful at such a young age. The one who just arrived The two women may not be human

"Xu Xian, aren't you going to detoxify Liu Jinyuan? Lin Yueru, take Xu Xian to detoxify Liu Jinyuan." Su Chen took Xiaoqing to sit down and prepared to send away the irrelevant people here.

"I?"

Lin Yueru was confused when she heard Su Chen's words.

She didn't expect that this bastard would dare to instruct her. This made Lin Yueru very angry, but she thought that she was no match for this bastard.

Lin Yueru looked at Li Xiaoyao next to her and shouted, "Li Xiaoyao, take that Xu Xian over there"

"What? I bring?"

Li Xiaoyao didn't expect that Lin Yueru would instigate him?

Li Xiaoyao was going to watch a show here and admire the many beauties here. He didn't want to leave the living room now.

Lin Yueru looked at the stupid Li Xiaoyao and said sarcastically, "No. Who are you? Aren't you my cousin's friend?"

Li Xiaoyao was confused when he heard Lin Yueru's words, friend?

Li Xiaoyao is Liu Jinyuan's friend, but isn't Lin Yueru Liu Jinyuan's cousin?

Li Xiaoyao felt that he should take Dr. Xu Xian to see a doctor, shouldn't Lin Yueru should take Xu Xian?

It's just that He looked at the aggressive Lin Yueru.

Li Xiaoyao gave in and nodded in agreement. "Okay, okay, I'll take you, Xu Xian, you go to Brother Liu's room with me."

"Good job!"

Chapter 1320

In the living room of Liu Mansion, after Li Xiaoyao and Xu Xian left, the living room became quiet. The butterfly demon Caiyi, the descendant of Nuwa Zhao Ling'er, the two beautiful snake demons Xiaoqing and Xiaobai, and the human beauty Lin Yueru, plus Su Chen is the only man here.

People here are looking at each other with big eyes and small eyes.

"Who are these to you?"

Xiao Qing pinched Su Chen's waist and asked angrily.

She felt that this pervert had a special relationship with the beauties here.

This bastard was very lustful. Back then in Shura City, this bastard was short-lived. I managed to get several beauties in a few days.

Xiaoqing was worried that this bastard would show mercy everywhere.

"Hiss, Xiaoqing, let go. I only met everyone here today."

"real?"

"Of course it's true. I was going to Hangzhou to find you, but I was passing by Suzhou and felt something was wrong here, so I came over to check it out."

"So that's it"

"Let us introduce to you, these are Xiaoqing and Xiaobai, they are both snake demons." Su Chen took Xiaoqing and introduced to Caiyi and the others, and then he introduced to Xiaoqing and Xiaobai, "This is Caiyi, a little butterfly demon, and this is Zhao Ling'er, she is the queen of the Nuwa tribe. People, Lin Yueru is the eldest lady of Linjiabao, Suzhou"

"Hello!"

"Hello!"

Sisters Xiaoqing, Caiyi, and Zhao Ling'er all nodded to each other. They were all curious about each other's identities. They originally thought that Su Chen didn't know that they were all monsters, but they didn't expect that Su Chen already knew this.

Lin Yueru listened. When it came to Su Chen, she hurriedly hid behind Su Chen and asked anxiously, "Demon?" Snake? Butterfly demon? Are there any descendants of Nuwa? Su Chen, is everything you said true?"

Su Chen smiled and comforted,

"Don't worry, there are good and bad monsters. They are all kind monsters and will not harm others.

Lin Yueru looked at Xiaoqing and Caiyi and said worriedly, "But they are monsters?" Aren't you afraid?"

"I'm scared as hell, and my wife is also a monster. Do you see that I'm scared?" Su Chen hugged Xiao Qing and kissed her.

Xiao Qing was originally very disgusted with what Lin Yueru said, but when

Su Chen hugged her and said she was his wife in front of everyone, she even kissed her again.

This made Xiaoqing, who had always been carefree, feel shy.

"Su Chen, I am only a member of the Bai Miao ethnic group. How do you say I am a descendant of Nuwa?" Zhao Ling'er was very confused by what Su Chen said about her.

Although her grandmother also said that her status was very noble and that her bloodline was unparalleled on this continent, she did not expect that Su Chen would say that she was the Empress Nuwa. Man, Zhao Ling'er couldn't believe this

"This is a long story. I will tell you later. Lin Yueru, please arrange a room for us and we will stay here for a few days."

"Okay, I'll go and arrange a room for you now."

In the Southern Continent, in the Desert Snake Tribe,

Queen Medusa is very angry now.

The traitor elders in the Snake Tribe have been found and killed by her, but there is no news about that bastard Su Chen. This is so fast. It's been a month, and I don't know where that bastard has gone.

"Queen, Youru is outside asking for an audience."

At this time,

Hua She'er came to the main hall and saluted Queen Medusa and said,

"Let her in!"

"Yes, Queen!"

Queen Medusa also knew that Su Chen's beautiful guards were leaving.

This happened not once or twice.

Queen Medusa valued these shadow assassins very much. The rebellion in the snake tribe was thanks to these shadow assassins like You Ru. Only with help can she quickly calm down.

Otherwise, it would be impossible for her to successfully find the snake-man traitor elder, and it would also be impossible for her to quickly get rid of the snake-man elder's subordinates.

"Met the Queen!"

After a while, a masked woman in black came in and saluted Queen Medusa.

Queen Medusa looked at Youru and waved her hand and asked, "Youru, do you still want to leave?"

"Queen, the master has been missing for almost a month. We, as the master's guards, have seriously failed in our duty. We can't wait any longer. We are going to the Eastern Continent to find the master."

"You Ru, the Shenyu Continent is extremely vast. Even in the Eastern Continent, it is still very vast. How could you possibly find that bastard?"

"this? Queen, Tao Qingxue said that a friend of the master is in Hangzhou, the eastern continent. We plan to go to Hangzhou to find the master."

"Youru, Su Chen asked you to stay in the snake tribe before leaving. Su Chen went to find Tao Qingxue. You should wait for Su Chen's arrival in my tribe."

"this....."

Youru was very helpless when she heard what Queen Medusa said.

Su Chen only asked them to come to the Snake Tribe to look for him before leaving. However, they had been here for more than ten days and Su Chen was not in the Snake Tribe at all.

Youru has been waiting in the snake tribe for almost a month, and

Su Chen has never shown up.

The shadow assassins are very worried about Su Chen's safety.

When Queen Medusa saw the hesitant Youru, she smiled and said, "Youru, your master said this personally. There is no way I can deceive you."

Queen Medusa did not want these shadow assassins to leave.

The shadow assassins are now facing Queen Medusa is very helpful, spying on information, assassinating those rebellious snake people, and even investigating the news of the Garma Empire. This is much more powerful than her snake people.

Youru looked at Queen Medusa and thought for a moment and asked, "Does the queen have the master's token?"

Youru also felt that Queen Medusa was so beautiful and cold, and her master Su Chen also liked beautiful beauties very much. people.

Youru also suspected that the relationship between Su Chen and Queen Medusa was not simple. Even Queen Medusa would become the mistress of their shadow assassins in the future. This is why she has been helping Queen Medusa these days.

"Token? No, that bastard quickly teleported away after learning that Tao Qingxue had left.....cough! Leave, he didn't give me any token"

"Queen, then we will stay in the Snake Tribe for another half a year. If the master has not come back after half a year, we will go to the Eastern Continent to find the master."

"good!"

Queen Medusa heard that Youru was going to stay for another half year, which made Queen Medusa feel a little happy.

Although that bastard Su Chen escaped, the bastard's subordinates.

Queen Medusa didn't want them to leave. , as long as these shadow assassins are still in the Snake Tribe, she believes that the shameless pervert Su Chen will definitely come again, and then she will severely teach that shameless pervert.

Moreover, these shadow assassins are also very fond of Queen Medusa. Useful, even easier to use than her snake men. Queen Medusa doesn't want these shadow assassins to leave.

"Youru said goodbye first!"

Queen Medusa shouted hurriedly when she saw Youru was about to leave,

"Wait, Youru, you go back and prepare. In a few days, I am going to Utan City in the Jiaman Empire to buy some elixirs. The strength of the snake people's army is too low. I have to find a way to improve the strength of the snake people tribe army. Strength, you can bring some shadow assassins with me in a few days."

"Yes, Queen!"
