Chapter 1361

In the Southern Continent,

Miter Auction House, today is the time for Zhu Guo Auction.

Many strong people came to Miter Auction today. Dozens of strong men and fighting emperors from the Golden Core Realm came. This made Wutan City The warriors inside were very shocked.

There are no private rooms in the auction today. After all, after the last Miter auction was destroyed, it only took a month to restore Miter's auction to its current appearance.

The usually aloof Douhuang and Jindan Realm experts are now sitting in the hall neatly. They are all waiting for the auction to start with serious faces. The other warriors and immortal cultivators at the scene are all in succession. I don't dare to breathe

"Youru, have you found out where your master is?" Queen Medusa asked from a seat next to her in the hall. A clear voice said beside Medusa, "Madam, there is no aura of the master here, and the master is not in the auction. Queen Medusa asked in confusion, "Huh?" Did that bastard leave again? He doesn't care about today's auction?" Queen Medusa didn't expect that Su Chen didn't show up at the auction, which made her a little confused. This time he was going to auction his red fruits. Did that bastard have something to delay? Or did he meet that bastard again? What beauty?

"this.....This subordinate doesn't know!" When Youru heard Queen Medusa call Su Chen a bastard, she was too embarrassed to say anything bad about Su Chen.

Queen Medusa shook her head and said,

"Forget it, forget about that bastard, today I am going to take some more red fruits. The red fruits are really good. My snake tribe has added a few strong warriors."

"Madam, you don't want to come to auction these red fruits. The owner should still have a lot of red fruits in hand. You can ask the owner for some."

Queen Medusa said to Youru arrogantly,

"That bastard wouldn't give it to me, and I wouldn't ask that shameless pervert for Zhu Guo."

In the Yun Lan Sect's seat,

Yun Shan sat with a woman wearing a veil.

This time the Yun Lan Sect was also determined to win Zhu Guo. Although Zhu Guo was of no use to them fighting emperors, Zhu Guo could improve them Yun Lan. The overall strength of the Lan Sect.

Yunshan looked at his apprentice and reminded,

"Yun Yun, as long as we can get a red fruit this time, it will be fine. There are too many strong people here, so we don't want to be too pushy, otherwise even if we take a few red fruits, other strong people will snatch them away. Yun

Yun looked at Yun Shan with bright eyes and said,

"Master, I want to take a red fruit for my disciple. You also know that in more than a year, my disciple will have to compete with that person. I don't want my disciple to lose."

"Well, we'll see then."

Yunshan nodded.

He also knew that Yun Yun's disciple had a three-year agreement, and Yunshan did not want that boy to defeat his Yunlan Sect disciple.

And next to Yunlan Sect, a cold and beautiful woman sat On the chair, there was an old man standing next to her, guarding this beautiful beauty.

These two people were Xiao Xun'er and her guard, Mr. Ling.

Xiao Xun'er looked around and asked, "Mr. Ling, Have you found that bastard?"

When the old man heard Xiao Xun'er's words, he hurriedly replied, "Miss, not yet. I just searched the auction house and there was no Mr. Su here at all."

Xiao Xun'er was very angry when she heard what Mr. Ling said.

She had not forgotten the bullying that bastard had done to her for a month. She was originally going to wait for the auction to settle the score with that bastard, but she didn't expect that bastard didn't show up. At the auction.

This made Xiao Xun'er very angry.

"Damn it, does that bastard not care at all about this auction?"

Mr. Ling didn't know why Xiao Xun'er was so angry at Su Chen? He couldn't understand this either. "Miss, if Mr. Su really came from the fairy world, he might really have no interest in this auction."

Xiao Xun'er said feebly after hearing what Mr. Ling said, "Yes, it seems that I won't be able to see that bastard today. Mr. Ling, take a picture of a red fruit later. Mr. Ling nodded and pointed to the other side and asked, "Yes, Miss, Miss, Xiao Huohuo is here too. Do you want to take a picture of Zhu Guo for Xiao Huohuo?"

Xiao Xun'er said coldly to Mr. Ling with a cold and arrogant face,

"Who said I wanted to take pictures of Zhu Guo for that insidious person? Don't mention that Xiao Huohuo to me in the future. We will leave the Xiao family after completing our mission. Xiao Huohuo will have nothing to do with us in the future."

"Yes, miss!"

At this moment,

Xiao Huohuo looked around at the strong men around him.

But after he discovered Xiao Xun'er,

Xiao Huohuo looked over with bright eyes.

Xiao Xun'er had a good relationship with him before, but he didn't know. Why have I become a stranger to him in the past few years?

However,

Xiao Xun'er is getting more and more beautiful, even more beautiful than Yafei, but Xiao Xun'er does not have Yafei's mature temperament

"Bro, are you alone?"

At this time, a man's voice suddenly sounded next to Xiao Huohuo.

Xiao Huohuo turned around and saw that a young man and an old man came and sat down next to him.

Xiao Huohuo looked at this stranger The young master asked,

"who are you! The young master clasped his fists at Xiao Huohuo and said,"In Xu Nian, Xiliang, Xiliang, Xiadong Continent, what are the brothers' names?"

"Wutan City, Xiao Huohuo."

Dang Dang Dang.....

At this time, the auction bell rang, and

Yafei came to the auction stage in a red dress. Her exquisite face and curvy figure made Yafei look even more beautiful today..

Yafei said to everyone present with a smile on his face,

"Everyone, the auction starts now"

"Mr. Su Chen left ten red fruits. I believe everyone knows the role of red fruits, so I won't say more."

"However, Mr. Su Chen has said that if anyone dares to snatch the Zhu Guo at the auction, he will be hunted down by Mr. Su Chen's family, and his entire family may even be wiped out."

The strong men in the auction nodded when they heard Yafei's words.

They all knew about Su Chen's background. He was a family master who came from the fairy world to gain experience. How could they offend Su Chen when it was too late to flatter him? morning

"Miss Yafei, none of us will rob Zhu Guo, and we will not allow anyone to rob Zhu Guo. This is the joint guarantee of all of us."

"Yes, with people like us here, no one dares to snatch Zhu Guo"

"Don't worry, Miss Yafei, if anyone dares to snatch Zhu Guo, we will kill them first."

"Miss Yafei, let's start the auction. With us here, no one dares to cause trouble."

Ya Fei laughed when he heard these people's assurances.

Su Chen's reputation is really big enough.

The strong man here can sit here so calmly and wait quietly for the auction to start. This is all because of Su Chen. To save face, Yafei's face turned red when he thought of the patriarch's words.

"Everyone, Mr. Su Chen said that the red fruits auctioned this time are just an appetizer. In the future, there will be better fairy fruits handed over to our auction. I hope you can come to support me next time."

Chapter 1362

Yafei said this to have an illusion about the strong man coming this time.

Su Chen never said such a thing.

However,

Yafei felt that Su Chen must have other fairy fruits in his hands. Su Chen did not hesitate to take out ten red fruits for auction, and even let her eat one. Yafei believed that Su Chen had There are more advanced Zhu Guo inside.

The strong men who participated in the auction were very happy after hearing Yafei's words.

Zhu Guo is only useful to warriors below the Heavenly Realm, but if there are more advanced Immortal Fruits, it will be fatally attractive to strong men like them.

An old man stood up and asked excitedly, "Miss Yafei, are you telling the truth?"

"It's true, this is what Mr. Su told me before he left. Yafei nodded and replied with a smile,

"Okay, you must inform me about the next auction. I will definitely attend the next auction."

"And I will also participate in the next auction."

"Yes, I want to participate in the next auction too"

"Our brothers will also participate in the next auction. Fairy fruits that are better than Zhu Guo will definitely be useful to people like us, so that we can eat the fairy fruits and advance to the Nascent Soul realm."

"Yes, I have already reached the Nine Stars of Dou Huang. If I have a higher-level fairy fruit, I can also be promoted to Dou Zong."

The powerful people in the auction all said excitedly that they are all at the Douhuang or Jindan realm. Such a cultivation realm can dominate in this remote area, but here. The central part of the Southern Continent and the central part of the Eastern Continent.

They are all of medium strength. They may be cannon fodder during battles. If they can be promoted to Douzong (Golden Core Realm) or even Douzun (Nascent Soul Realm) in the future.

They will be a truly strong person, and those powerful forces and families will be polite to them, and will even recruit them at all costs.

Dangdangdangdang.....

Yafei saw that the time was almost up, she rang the small clock and said, "Now the auction will begin. The first red fruit will be auctioned for one hundred thousand gold coins. Each increase in price will be no less than one thousand gold coins. The auction will begin."

"I'll pay 150,000 gold coins"

"I'll pay you 200,000 gold coins!"

"Don't make money with me. I'll give you 220,000 gold coins and I'll buy a red fruit at auction. I bought it for my grandson. I hope everyone can make it happen."

"I also want to take a picture of a red fruit for my descendants, and I will pay 300,000 gold coins."

As the auction began, people in the auction began to increase their bids to compete for the red fruit.

This was only the first red fruit in the auction, but none of these people gave in to each other, and the starting price of 100,000 was instantly pushed up. He paid more than 400,000 gold coins.

Xiao Huohuo was very embarrassed when he saw the fiercely competitive auction.

He only had tens of thousands of gold coins in his hand. He could only watch the show this time. Originally, he wanted to take a shot of a red fruit. But the starting price was too much for him to pay, not to mention that the bidding had already reached nearly half a million gold coins.

"Oh my God, this is really terrible. It seems that I can only watch the fun this time."

Xu Nian was also very surprised. He had prepared 60,000 to 70,000 gold coins, but it seemed that he had miscalculated this time. Zhu Guo could only watch as Zhu Guo was taken away by other people this time.

Xu Nian took the picture He slapped his forehead and said very speechlessly, "Who says it's not the case? Each of these powerful practitioners are crazy, and gold coins are not used as money."

"Brother Xu, you don't have the money to buy Zhu Guo?" Xiao Huohuo asked suspiciously when he heard Xu Nian's words.

Xiao Huohuo was reminded by his master Yao Lao.

He also knew that Xu Nian was not simple. There was an old man in the Jindan realm guarding Xu Nian. I'm afraid Nian is also a young master from a powerful family in the Eastern Continent.

Xu Nian rolled his eyes at Xiao Huohuo and said, "I'm sorry. If I were in the Eastern Continent, I could still collect some gold coins, but in the Southern Continent, I'm not familiar with the place." , even if you borrow, you can't borrow gold coins."

Every red fruit in the auction was taken away by the strong men here.

Queen Medusa is also very helpless now.

Six red fruits have been auctioned, and each red fruit is sold for five to six hundred thousand gold coins. Next.

Although Queen Medusa is the queen of a snake tribe, the snake demon tribe has no money at all. This time, Queen Medusa only brought more than 200,000 gold coins.

This made her look excited.

She was also very embarrassed when bidding for the auction.

When Youru saw that Queen Medusa had not bid, she also guessed that Queen Medusa might not have brought enough money. She also knew the snake tribe very well. The snake tribe was so poor. The tribe has no money

"Madam, I have a lot of gold here, but how can I exchange gold and gold coins?"

"Do you have gold?"

Queen Medusa asked in surprise when she heard Youru's words.

Youru raised her hand to reveal a space ring and said, "Well, the master gave me a space ring. The space ring contains 100,000 gold, but why is gold in the southern continent? Exchange with gold coins? I don't know"

"One hundred thousand gold is a lot. One tael of gold can be exchanged for ten gold coins. Youru, you have one million gold coins."

"Madam, do you need this gold of mine?"

Queen Medusa shook her head and refused.

"Forget it, I won't auction it this time. I'll use your master's gold to buy his red fruits. Isn't this the left hand's money in exchange for the right hand's red fruits? I might as well just ask that bastard for some jugo."

At this moment,

Xiao Xun'er's subordinate Ling also spent 620,000 gold coins to buy a red fruit.

Xiao Xun'er was very unhappy when she looked at the jade box in her hand. She did not expect that the red fruit would be auctioned. Such a high price.

Damn it!

That bastard is going to make a lot of money this time.

However,

Xiao Xun'er thought that if she eats this red fruit, her strength will probably be promoted to Dou Wang, which can improve her cultivation. The realm jumps several big realms in succession.

Xiao Xun'er can't wait to go back and take Zhu Guo now.

As the last Zhu Guo was auctioned for a high price of 750,000, the auction is also over.

Bid the Zhu Guo The strong men left one after another after the auction. Although no one dared to snatch the Zhu Guo in the auction, it was impossible to tell when they were outside. The strong men who took the Zhu Guo also had to leave Wutan City as soon as possible. , they were also worried that they would be robbed and killed by other strong men on the way.

After everyone in the auction left, Yafei calculated the money she got from the auction and laughed.

Yafei thought of Su Chen leaving When I spoke, I said to myself,

"I didn't expect to get more than 6 million gold coins in the auction this time. This is a huge amount of wealth. Su Chen wants to receive a ring. These more than 6 million gold coins can receive hundreds of low-level rings."

One day later, in the East Continent, Hangzhou City, in Wu Xiangjun's mansion.

Early in the morning,

Su Chen received a report from the soldiers that Xu Xian was looking for Bai Suzhen. Su Chen did not expect that Xu Xian could not help but want to see Xiao Bai. Could it be that Xu Xian Already fell in love with Xiaobai at first sight?

Su Chen touched his chin and said,"Should we let Xiaobai go see Xu Xian?" It seems that Xiaobai has not repaid his kindness. Why did Xu Xian come to Xiaobai this time?"

Chapter 1363

Su Chen thought about it and finally decided to let Xiao Bai go to see Xu Xian.

This was a matter between Xiao Bai and Xu Xian, and

Su Chen didn't want to stop it.

As for whether Xiao Bai and Xu Xian would still be together? Su Chen was not worried at all. After what he said to Xiaobai, it was impossible for Xiaobai to have too much entanglement with Xu Xian.

"System, if I gather troops from Tianxuan Continent and come to Shenyu Continent, will all my black-armored troops be able to advance?"

"Ding, yes, but the promoted black-armored army cannot return to Tianxuan Continent. As long as you completely unify Tianxuan Continent, there will be no such restrictions."

"Understood!"

Su Chen decided to go back to Tianxuan Continent.

He only had less than 100,000 troops in Shenyu Continent. If there was a war with the Great Song Dynasty, then the army must have 500,000 to 600,000, otherwise he might not be able to win against hundreds of soldiers. The Song Dynasty court with tens of thousands of troops.

Su Chen thought about it and didn't have anything to do recently.

He also had some understanding of the Shenyun Continent. Hangzhou City could be left to Xiaobai and Xiaoqing to manage, and with the help of Little Fox, Su Chen believed that nothing would happen during this period.

Su Chen arranged a secret world passage in the back garden of the mansion.

He also deployed three hundred shadow assassins in the world passage. There were three hundred shadow assassins and Wu Xiangjun in the mansion. With three thousand black-armored troops, Su Chen believed that no one could discover the world passage hidden here.

Su Chen explained it to Xiao Qing.

He then returned to Tianxuan Continent from the world passage.

Tianxuan Continent,

Southern Continent,

Gu Suhuang City, Xuanniao Palace

"Su Chen, why did you come back suddenly?"

As soon as Su Chen appeared in Xuanniao Palace, he was discovered by Donghuang Taiyi. Donghuang Taiyi was very confused when he saw Su Chen suddenly appeared.

Su Chen was in the Northern Continent, and it would take ten and a half months for this bastard to come back, but I received the news a few days ago that this bastard was still in Yizhou in the Northern Continent. Why did this bastard appear in Xuanniao Palace in the blink of an eye?

When Su Chen saw Donghuang Taiyi, he hurriedly said, "Xihe, I have something important. If you have something to say, hurry up and notify your other sisters of their arrival."

When Donghuang Tai heard Su Chen's words, he said angrily, "Bah, what kind of sisters? You bastard won't be able to spit out ivory from the dog's mouth when you come back."

Su Chen directly hugged Donghuang Taiyi's small waist and said anxiously, "Xihe, I am pressed for time this time. Please hurry up and notify others to come to my study. The people who are practicing in seclusion are also called out."

Su Chen will stay in Tianxuan Continent for one day, but it will take a hundred days in Shenyu Continent.

Su Chen does not dare to stay in Tianxuan Continent for longer. He will return to Shenyu Continent if he wants to explain something to his women. , otherwise, he is afraid that something will happen if he leaves the Shenyu Continent for too long.

"Okay, I'll go and notify them right away." Dong Huangtai looked at Su Chen's anxious look and didn't care about this bastard hugging her.

Su Chen shook his head when he saw Dong Huangtai disappear in an instant.

When he was about to teleport to the study,

Su Chen suddenly noticed him There was something wrong with his cultivation level, so he hurriedly communicated with the system and asked, "System, how can my strength be at the golden elixir level? My strength has been sealed?"

"Ding, host, Tianxuan Continent can only allow the following realms of the Golden Core Realm to exist now, and the system has also temporarily sealed the host's strength."

"System, what happens next? If I unified Tianxuan Continent, would there be any limit on my strength?"

"Ding, yes, unless Tianxuan Continent can advance to the Middle Thousand World, no strong person beyond the Golden Core Realm will be allowed to appear."

Su Chen said helplessly after hearing the system's words, "Forget it, advance to the Thousand Worlds? This is too far away from my own strength. I am afraid that even with my strength, I cannot become a Daluo Jinxian."

In the study,

Su Chen held his daughter Su Yue and waited for the arrival of the girls.

"Xiaoyue'er, do you miss your daddy?" Su Chen looked at Su Yue with wide eyes and asked with a smile.

Concubine Yan looked at Su Chen doting on Su Yue and smiled and said, "Yue'er can't speak yet, how can she answer you?"

"Haven't I seen Yue'er for a long time? I'm afraid Yue'er won't recognize me as her father in the future"

"You deserve it"

"I have something to do, Concubine Yan, how is the war in the northern continent?"

"Aren't you in the Northern Continent? You don't know what's going on there?"

Su Chen shook his head and said, "I'm not in the Northern Continent. I can't explain this clearly at the moment. I'll explain it to you when Jingyu, Xihe and the others arrive."

Concubine Yan was very confused when she heard what Su Chen said.

Su Chen is not in the Northern Continent?

How is this possible?

A few days ago, Jiang Yuyan from Yizhou in the Northern Continent also contacted Su Yan, and Su Chen was in Yizhou in the Northern Continent.

This Why did the bastard say he was not in the Northern Continent?

After a while,

Bai Ruobing (Marquessess), Shui Rou (Mrs. Ye Di), Hua Baifeng, Bai Jing, Ji Ruxihe (Eastern Emperor Taiyi), Jing Salamander, Yaoyue, and Changsun Wu The four concubines, Chu and Zi Nu, all arrived one after another.

These are all women in Xuannio Palace. The other women are in different continents and they will definitely not be able to catch up now. After the women arrived, Su Chen

They hurriedly told the girls what happened in Shenyu Continent.

The girls were very surprised when they heard Su Chen's words. They didn't expect that Su Chen went to another world, and that world was still a world of cultivating immortals.

Concubine Yan was here After hearing Su Chen's words, she also understood why Su Chen didn't know about the Northern Continent.

It turned out that this bastard had gone to another world.

This made Concubine Yan feel very helpless when she looked at Su Chen.

The Tianxuan Continent was not enough now. This bastard caused trouble. This bastard went to another world to cause trouble, and even took control of the city of Hangzhou in that world.

"Husband, what are your plans? Changsun Wuchu asked with a smile when he heard what Su Chen said.

Su Chen looked at the girls and said,

"The Divine Meteor Continent is better than our skyThe continent is hundreds of times wider, and the aura of the Eastern Continent of Shenyu Continent is also very rich."

"Although it is not as rich as the aura in our Xuanniao Palace, it is much more powerful than the Tianxuan Continent without aura. I am planning to gradually occupy the eastern continent of the Shenyu Continent."

Hua Baifeng looked at Su Chen and said worriedly,

"Su Chen, there are immortal cultivators in the Shenyu Continent. With our strength, it is impossible to occupy the eastern continent you mentioned. Isn't this too risky?"

Su Chen replied with a smile,

"Don't worry, I'm not starting a war now."

"We will first occupy a territory in the Shenyu Continent, and after our strength has improved in the future, we will launch a war to occupy the Eastern Continent, which is full of spiritual energy."

The girls nodded when they heard Su Chen's words.

As long as they don't start a war now, they are not very worried. When their strength increases in the future, they will be even less worried about Su Chen launching a war against the Eastern Continent.

Su Chen asked Jiang Yuyan to hand over to them a fairy-level technique, Su Nu Heart Sutra, which is a very powerful technique for cultivating immortals.

Their strength is now very powerful, although it is not as good as those cultivating immortals, but as long as Give them time, and their strength will definitely surpass those of those cultivating immortals.

Women like them are not lacking in skills, spiritual stones, or even immortal fruits. What they are lacking now is just time.

Concubine Yan looked at Su Chen and asked doubtfully , "Husband, are you planning to take us to the Shenyu Continent when you come this time?"

Chapter 1364

Su Chen hugged Xiao Yue'er and nodded to the girls.

He was going to take some people to the Shenyu Continent this time, but who he wanted to take there, Su Chen couldn't make up his mind for a moment.

Tianxuan Continent still needs the management of the women. It is definitely impossible for them all to go there, but if they have to bring some women there, Su Chen doesn't know who to choose to go to Shenyun Continent?

Concubine Yan looked at Su Chen's thinking, and she guessed that Su Chen was going to bring someone there,"Husband, let Sister Xihe and Sister Shuirou go. We can rest assured that they will protect you."

Zi When the woman heard what Concubine Yan said, she nodded and said,

"Yes, Sister Xihe is now at the pinnacle of the Celestial Realm. She is probably about to advance to the Golden Core Realm. Sister Jellyfish Yinji and Sister Shi Guanyin went to the Northern Continent. Otherwise, with them here, they can go with their husbands. God Meteor Continent"

"Yes, let Sister Xihe and Sister Shuirou go."Changsun Wuchu also nodded in agreement, and the other girls also agreed. Among them, only Ji Ruxi and He Shuirou are strong. With them and Su Chen together, they are not worried that something will happen to Su Chen.

Su Chen heard that everyone He shook his head at the words of a woman. He is in the cultivation realm of the out-of-body realm. None of the women here are his opponents now. Su Chen does not need the protection of these women.

"Let's do this. This time Xi He and Shui Rou will go over to me, while Bai Jing and you will stay in Xuannio Palace. There are still some powerful enemies in Tianxuan Continent, and I can't take them all to Shenyu Continent. Hua

Baifeng nodded and agreed,"Husband, we know that we will protect Xuannio Palace.""

Bai Ruobing and Bai Jing also agreed with Su Chen's decision this time. They are practicing faster in the Xuantiao Palace than in the Divine Meteor Continent. After all, the aura in the Xuannio Palace is richer than that of the Divine Meteor Continent.

Bai Ruobing If they weren't worried about Su Chen's safety, they wouldn't want to go to the Shenyu Continent.

"In addition, Huan Huan, Shi Fei Xuan, Da Siming, Shao Siming, Xiao Meng, Qin Mengyao, and Zhou Zhiruo rushed back to Xuanniao Palace immediately, and these women also asked them to go to Shenyu Continent. Concubine Yan asked suspiciously when she heard Su Chen's words, "Husband, they are not very strong yet, why do you want them to go there too?"

Su Chen tapped Su Yue's little nose and said to Concubine Yan,

"Madam, Concubine Xuan, they are all the proud daughters of heaven. They will each have their own opportunities in the Divine Fall Continent. I want them to explore the Divine Fall Continent. They are just the first group. In the future, women like Shi Qingxuan and Dugu Feng will Go there too."

Ji Ruxihe nodded and agreed, "That's good. Master Fei Xuan and the others are all the proud daughters of Heaven in Xuan Tian Continent. It would be good for them to go to Shen Yun Continent for training."

Yao Yue also agreed,

"Well, let these girls see the world of immortal cultivators, which will also be beneficial to their future cultivation."

Su Chen said to Concubine Yan again,

"In addition, Mu Guiying of the Northern Combat Corps was notified and asked to gather 500,000 troops to prepare for the Shenyu Continent. We only have less than 100,000 troops in the Shenyu Continent, which is not enough to protect our territory."

"I will give the order in a moment. Is only half a million troops enough? Concubine Yan asked suspiciously after hearing what Su Chen said.

Concubine Yan felt that the army in the world of cultivating immortals might be stronger than the army in Tianxuan Continent. Concubine Yan was also worried that an army of 500,000 might not be enough to protect the existing territory.

"Half a million troops are enough. I don't want to start a large-scale war yet. Half a million troops are more than enough.

Jing salamander asked awkwardly from the side, "Husband, do you want to inform Yan'er?" If she knew about the Shenyu Continent, she would probably be restless."

Jing Salamander is also worried that if Su Yan knows about the Shenyu Continent, that little girl may really follow her to the Shenyu Continent secretly.

By then, if Su Yan provokes those powerful immortal cultivators, they may have other intentions even if they want to rescue them. Powerless.

Su Chen hurriedly shook his head and said, "No, our strength in the Shenyun Continent is still too low. We don't have enough strength to protect Yan'er. It's better not to tell that little girl yet.

Concubine Yan nodded and said in agreement, "That's good. By the way, husband, Yue'er and Yan'er have illusory black birds, and even their strength suddenly increased. Is this your doing?"

Su Chen looked at her arms. Xiao Yue'er smiled and said,

"Well, my Black Bird bloodline has been activated. Yue'er is the continuation of my bloodline. Yue'er also activated the Black Bird bloodline. Through my consumption of luck, Yan'er's blood is connected to mine, and Yan'er will naturally be activated. Black Bird Bloodline"

"So that's it, then Yan'er is also your biological daughter now?"

"good!"

Then,

Su Chen talked to the girls about the cultivation of immortals, fighting spirit, soul power, and elements in the Shenyu Continent. This made the girls interesting to hear it. They did not expect that the various continents in the Shenyu Continent were actually different. With different cultivation systems, they are now more interested in the Shenyu Continent.

In the evening,

Su Chen also enjoyed the blessing of being together.

He and the girls have been separated for almost a year, and Su Chen misses him very much. His lovely wife and concubine.

The next morning,

Su Chen came out of the purple girl's room and came to the Fusang Tree Garden. This is the safest place in the Black Bird Palace. Su Chen also plans to set up the world passage here.

Fusang Tree Garden Inside,

Ji Ruxihe saw Su Chen approaching and mocked, "Hey! Can you still get up today? I thought you would be so tired that you would sleep until noon"

"Xihe, are you jealous?" Su Chen asked with a smile while sitting next to Ji Ruxihe.

Bai Jing next to him poured a cup of tea for Su Chen and said with a smile, "Hahaha....., Husband, Sister Xihe has been nagging you for a while."

"Bai Jing, you are really a traitor."

Su Chen hugged Ji Ruxihe's water snake waist and said teasingly, "Xihe, I will accept you tonight, and you won't have to have an infatuated crush on me anymore."

"Go away, I don't have a crush on you bastard." Ji Ruxihe yelled with shame and anger after hearing Su Chen's words.

However,

Ji Ruxihe did not break away from Su Chen's arms. She was in love with Su Chen, a bastard, and even fell in love with this shameless pervert.

Ji Ruxihe Kazuya never thought that she would fall in love with a man one day.

In the Yin Yang family,

Ji Ruxi He was devoted to Taoism and never thought that she would fall in love with a man. However, after meeting this bastard, her firm mentality completely changed. Broken down, this bastard is her nightmare

"Really?"

Ji Ruxihe saw Su Chen face to face with her and said nervously, "What are you going to do? There are a lot of people here, you bastard, be honest with me"

"Just treat us as if we don't exist, haha!" Shui Rou, Bai Ruobing and the others looked like they were watching a show. They all looked at how nervous Ji Ruxihe would be bullied by Su Chen.

Su Chen touched Ji Ruxihe's hair and said softly, "My Xihe is so beautiful. Meeting you and you guys is the luckiest thing in my life"

"Tsk, you bastard will say some nice things. I'm afraid you will say this to any beautiful woman you meet."

Chapter 1365

Ji Ruxihe glanced at Su Chen and taunted her arrogantly.

She knew that this bastard fell in love with a beautiful woman when he saw her.

Some women in the Black Bird Palace have never forgotten this bastard. Lin Shiyin, Lin Xian'er, Li Mochou, etc., as well as those princesses who lost their country, these women are Su Chen's forbidden wives.

Su Chen touched his nose awkwardly.

He was only interested in the heroine in the plot and the women he cared about. If those women fell into the arms of other men, Su Chen couldn't do it.

Although those women are not yet his wives.

But we may not know for sure in the future.

Su Chen didn't know how to give a daughter away.

Su Chen hugged Ji Ruxihe tightly and said to the other girls,

"I will open a world passage in the hibiscus tree garden in a while. If you have nothing to do, you can go and take a look. But I want to tell you that one day on the Tianxuan Continent is equal to one hundred days on the Shenyi Continent. You should pay attention to the time."

Hua Baifeng was surprised when he heard Su Chen's words and said,

"One day in Tianxuan Continent is equal to one hundred days in Shenyu Continent. If we spend a hundred days in Shenyu Continent, only one day will pass when we return. This is very beneficial to us."

Bai Jing also nodded and said,

"That's right, but it's a pity that there is no hibiscus tree garden for us in Shenyu Continent. Otherwise, if we had practiced in Shenyu Continent for a hundred days and only one day had passed in Tianxuan Continent, our strength would have improved very quickly."

Women such as Yao Yue and Shui Rou also nodded in agreement.

"Don't be sorry, the time difference has advantages and disadvantages for us, don't think too much about it." Su Chen took a sip of tea, shook his head and said to Hua Baifeng and the girls, although one hundred days on the Shenyu Continent is equal to one day on the Tianxuan Continent, they will all go to the Shenyu Continent in the future, and Tianxuan Continent will be them in the future. The time difference was useless to them.

In the following two days,

Su Chen also learned about the wars in Tianxuan Continent.

In the Eastern Continent,

Huang Rong's Southern Combat Legion had wiped out hundreds of thousands of Qin's soldiers. The army, and even the Qin general Wang Jian were defeated and committed suicide.

Xianyang, the capital of the Qin state, was also besieged by Huang Rong's army for almost half a month. If Huang Rong hadn't been worried about too many casualties during the siege, Xianyang, the capital of the Qin state, would have been destroyed long ago. was captured.

On the Western Continent, Zhao Min's Canglang Combat Legion has destroyed half a million Persian troops. Even Tianzhu's hundreds of thousands of troops have been wiped out by Zhao Min's Canglang Combat Legion. Zhao

Min's Canglang Combat Legion has destroyed them.

Min's Canglang Combat Legion is still attacking Tianzhu. I am afraid that Tianzhu can be conquered in about a year, which will make it easier to attack the Persian Empire in the future. The war in the northern continent has just begun, and

Ge Nie's Tenglong Combat Legion has already fought with Yuan Shao of Yizhou launched a war. In the east of Yizhou, Yuan Shao's army of more than 100,000 people had been defeated, and Gai Nie's army was launching an attack on the central part of Yizhou.

Su Yan's Black Bird Army was much quieter, and the Black Bird Army The war has not yet started, but Yuan Shu in Yangzhou has surrendered to Su Yan.

Su Yan's Blackbird Army also began to march towards Wujun in Yangzhou. Sun Ce from Wujun was a thorn in Su Yan's side, and Su Yan mobilized an army of 200,000 Sun Ce was preparing to destroy Wu Commandery.

Jiang Yuyan of Yizhou also launched a war against Bai Yifei of Hanzhong, but if Yizhou's mountains and mountains wanted to start a war, a lot of time would be wasted just on the journey.

Zhu Rong, a barbarian, was able to fight smoothly..

She has wiped out many barbarian tribes, and even more barbarian tribes have surrendered to her. It may not take long for Zhu Rong to rule the entire barbarian tribe. After reading the intelligence gathered from

Tianxuan Continent in the study, Su Chen ,

He rubbed his forehead with a headache.

These messy things made Su Chen dizzy. This was because he only read important information, and he didn't read some things about the Xuantian Empire at all.

That thick Su Chen shook his head as he looked at the stacks of documents.

Su Chen also really admired the women Yan Fei and Jing Sala. They had to read these documents in person, and even personally annotated the thick stacks of documents.

Su Chen Pushing away the documents in his hands, he stood up and said, "Forget it, let Concubine Yan and the others handle these. It's been three days, and it's been almost a year since the Shenyun Continent. It's time to go back.""

"Your Majesty, an old woman named Po Meng from the Northern Continent is asking for an audience outside the palace."

At this time, a secret guard reported outside the study.

Su Chen was very surprised when he heard the secret guard's report.

"Po Meng? Shi Yao?"

"Why did she come from the Northern Continent to the Southern Continent? Are you still looking for yourself? Could it be that Shi Yao came to the southern continent to look for him after knowing

his identity? This doesn't make sense! If Shi Yao knew his identity, he would also look for her in the northern continent. How could she come to the southern continent?"

"Bring her here!"

"Yes, Your Majesty!"

Su Chen thought about it and found it interesting. He originally kept Po Meng to deal with the Xuanming Sect, but this Meng Po came to the Southern Continent. Could it be that the bad guy Yuan Tiangang sent Po Meng here?

There are also Zhen Mi and Queen Guo in the hands of Po Meng. Will Po Meng bring them with her when she comes this time? If Po Meng comes with Zhen Mi and Queen Guo, then Po Meng will die.

If Po Meng really brings Zhen Mi and Queen Guo, she will die. Queen Guo brought it here. Needless to say, it was to be dedicated to herself. If this was the case, Po Meng would not be able to keep it.

"Your Majesty, Po Meng has brought you here"

"Let her in!"

"Yes, Your Majesty!"

"Xuanmingjiao Meng Po has met His Majesty Emperor Xuantian!" When Po Meng came into the study, she saw a young man with his back to her. She hurriedly saluted Su Chen.

Su Chen turned around and looked at Po Meng with a smile and said, "Shi Yao, I didn't expect you to surrender. Snare, see who I am?"

"It's you? How could you be the emperor of the Xuantian Empire?" Meng Po was very shocked when she saw Su Chen.

She didn't expect that the Emperor Xuantian she wanted to meet was actually Su Chen, whom she had socialized with in Xuzhou.

"Haha, Shi Yao, I didn't expect you to come to the Southern Continent. Tell me, are you here for the Xuanming Sect? Or a bad person?"

Mother Meng looked at Su Chen and said with a smile, "Su Chen, you actually know everything about me. Then tell me why I came here this time?"

Mother Meng is not afraid of Su Chen, the emperor of the Xuantian Empire.

Su Chen's two women are still in her hands.

She doesn't believe that Su Chen dares to take action against her.

Boom!

"you....."

Po Meng was immediately suppressed by Su Chen's momentum.

She looked at Su Chen in horror and felt incredible.

Po Meng was in Xuzhou, Northern Continent. She knew that Su Chen's strength was extraordinary, but she didn't expect it to be so powerful.

Su Chen glanced disdainfully at Po Meng who was slumped on the ground and ordered,

"Someone come!"

"His Majesty!"

"Order the secret guards to check who is coming with this old woman, and bring all those people to Xuanniao Palace. Anyone who resists will be killed without mercy."

"Yes, Your Majesty!"

"Husband, what happened?"

At this time,

Jing Sala suddenly appeared in the study and looked at Su Chen and asked.

Jing Sala also felt a strong momentum erupting in Su Chen's study. She was worried that something would happen to Su Chen and hurried over.

Su Chen Seeing the arrival of the Frightened Salamander, he smiled and said,

"A fool who doesn't know how to live or die, Madam, Zhen Mi and a woman should be taken to the Imperial City of Gusu City by this old woman. You let the secret guards and the snare carefully check their whereabouts."

"I see!"

Chapter 1366

After Jing Salamander left,

Su Chen looked at Po Meng who collapsed on the ground and waited for news about Jing Salamander. As long as Zhen Mi and Queen Guo were in the Gusu Imperial City, Jing Salamander's secret guards and snares could find out.

As long as Po Meng dares to give Zhen Mi and Queen Guo to herself,

Po Meng will be dead.

"Husband, what happened? Concubine Yan came to the study with Su Yue in her arms, looked at Po Meng on the floor, and asked Su Chen doubtfully. Su Chen took Su Yue from Concubine Yan and asked with a smile, "Nothing, how can you do this?" Did Yue'er come over too? Concubine Yan sat on the chair next to her and watched Su Chen teasing Xiao Yue'er. She smiled and pointed outside and said, "Haha, Xi and sister are nearby, nothing will happen to Yue'er.""

Haha! Haha.....

Xiaoyue'er laughed out loud when Su Chen teased her.

She stretched out her little hand to grab Su Chen's hand, but after failing to grab it several times, her face turned sour that she was about to cry.

Su Chen was so frightened that he directly put his hand into Yue'er's hand.

He was afraid that Su Yue would cry.

"Husband, what's going on? Concubine Yan crossed her legs and pointed at Po Meng and asked.

Su Chen glanced at Po Meng and said,

"He is from the Northern Continent, a member of the Xuanming Sect, but his true identity is that he is an undercover agent arranged by bad people in the Xuanming Sect. The Xuanming Sect assassinated that girl Su Yan in the Northern Continent."

"What to do with her? Kill it"

"Haha, Concubine Yan, you are still so ruthless, be careful not to scare us, Xiaoyueer." Su Chen looked at Concubine Yan and smiled and shook his head.

Concubine Yan was already a mother, and her ruthless demeanor had not changed at all.

Su Chen continued to explain to Concubine Yan, "It's better to wait and kill this Po Meng." , Zhen Mi and Queen Guo are still in the hands of this Po Meng, Jing Salamander has already gone to check, and will deal with this Po Meng later."

Po Meng, who was slumped on the ground, looked at Concubine Yan in horror.

She did not expect that this beautiful and noble woman could be so cruel. Po Meng was really asking for her own death this time. If she had known she would not accept the task of being a bad handsome man.

Po Meng looked at Su Chen holding a baby, and she heard what Su Chen and Concubine Yan said.

Po Meng guessed that this beautiful and noble woman should be the queen of Xuantian Empire.

And the baby should be from Xuantian Empire. Little princess,

Princess Gao Yue!

Concubine Yan was surprised when she heard Su Chen's words and said, "Zhen Mi? How could Zhen Mi end up in the hands of this old woman?"

Su Chen pointed at Po Meng and said,

"She is not an old woman. This Po Meng is a master of disguise. She is a young woman."

"Zhen Mi and the others were kidnapped by Po Meng when I was rescuing Su Yan. I originally thought Po Meng would negotiate with me in the future, but I didn't expect Po Meng to come to our place."

When Concubine Yan heard Su Chen's words, she looked at Po Meng unexpectedly.

She didn't expect that this old woman could actually disguise herself. She didn't even notice Po Meng's disguise skills. Stronger than anyone she's ever known.

"Po Meng, have you brought Zhen Mi and Queen Guo to the Imperial City of Gusu?" Su Chen asked coldly as he regained his momentum of oppressing Po Meng,

"Brought it!" Mother Meng said mockingly after Su Chen withdrew her momentum and stood up wet.

"You are seeking death!" Su Chen pinched Po Meng's neck with one hand and shouted angrily.

Po Meng said without changing her expression, "Death? Can I survive if I fall into your hands? I have assassinated your eldest daughter, Princess Changle. Can you let me go?"

Wow wow wow....

At this time,

Su Yue started crying in Su Chen's arms, which made Su Chen hurriedly let go of Po Meng and hurriedly coaxed Su Yue up.

Su Chen patted Su Yue's back gently and said softly, "Yue'er, be good, Yue'er, did daddy scare you just now?"

Concubine Yan smiled as she watched Su Chen coaxing Xiao Yue'er. To help, this was the interaction between their father and daughter. Concubine Yan didn't want to disturb it, but she wanted to know how Su Chen could coax Yue'er from crying.

Po Meng looked at Su Chen speechlessly.

Just now, Su Chen looked fierce and wanted to kill someone.

How could he turn into a daughter slave in the blink of an eye?

Wow wow wow.....

"Oh my God! Yue'er, why are you still crying?"

Su Chen was really helpless.

He had been coaxing him for a while, but

Xiao Yue'er still didn't stop crying.

Su Chen was sweating on his head.

This was more tiring than when he went into battle to kill the enemy.

Concubine Yan came over. He smiled and said to Su Chen, "Hehehe, give it to me, Yue'er is hungry, how can you possibly coax her. Su

Chen handed Yue'er to Concubine Yan and said helplessly, "Concubine Yan, you didn't tell Yue'er early that she was hungry. I thought you scared Xiao Yue'er. Are you deliberately watching a joke?"

"Who told you that you have less time to take care of your baby? If you don't take care of Yue'er anymore, Yue'er won't know you as his father anymore."

"I.....Don't I have time?"

"Hey, you have time to run around but no time to take care of Yue'er. Who's to blame?"

"well! I will leave more time to take care of my baby in the future."

Su Chen is also very helpless.

He doesn't have time to take care of Yue'er now. He has too many things to do in

Tianxuan Continent and

Shenyun Continent.

"Husband, I have found Zhen Mi and Queen Guo. I have brought them here."

At this time,

Frightened Salamander walked in from the outside.

She looked at her sweating profusely and said doubtfully,

"His Majesty!"

"Husband!"

Zhen Mi and Queen Guo came to the study and shouted when they saw Su Chen.

Zhen Mi and Queen Guo didn't expect that Su Chen had also come to the Southern Continent. Did Su Chen return to the Southern Continent to save them?

Su Chen looked at Zhen Mi and Queen Guo and asked with concern, "Did anything happen to you two? Queen Guo smiled at Su Chen and said, "No, Po Meng is very good to us. Husband, please let Po Meng go. She really didn't do anything to us.""

Zhen Mi walked up to Po Meng and started talking to Po Meng in a low voice.

Su Chen looked at these two silly girls and shook his head and reminded, "Meng Po wants to dedicate you to the emperor of the Xuantian Empire. Is this good for you?"

"Haha, husband, you misunderstood. Po Meng did not want to give us to you. Po Meng came here just to negotiate with you. We just came to the Southern Continent with her."

"real?"

"Of course, Po Meng was ordered by the bad guy Yuan Tiangang to negotiate with her husband. The bad guy wanted to take refuge with her husband. This time Po Meng came to discuss this matter with her husband."

"That's it, I get it."

Su Chen didn't expect that things would be like this. The bad guys would take refuge in him. It seems that the war in the Northern Continent has left the bad guys with no hope. Has the bad guy given up on supporting Li Shimin?

Su Chen shook his head and started. Not thinking about this, he took Queen Guo to Concubine Yan and introduced her, "Queen Guo, this is Concubine Yan, the queen of the empire, and this is Jing Salamander, my first woman, and our little one." Princess Su Yue."

When Queen Guo heard Su Chen's words, she saluted nervously to Concubine Yan and Jing Salad, "Guo Huan has met sister Yan Concubine and met sister Jing Sala."

Queen Guo did not expect that this beautiful and noble woman would be Su Chen's queen, and the cold woman next to her was Su Chen's first woman. This made Queen Guo very restrictive towards them.

Chapter 1367

After Queen Guo called Su Chen her husband, Concubine Yan rolled her eyes at that bastard.

Needless to say, this beautiful woman knew that she was Su Chen's woman. This bastard really showed mercy everywhere.

Concubine Yan stepped forward and pulled Queen Guo and said, "Get up, we are a family from now on, don't be so polite"

"Thank you sister!"

Queen Guo made a blessing gift to Concubine Yan and thanked her hurriedly.

But when she looked at Jing Salad with a cold face next to her, she was a little at a loss. She didn't understand why Jing Salad was like this? Could it be that Jing Salad had something to do with her? Are you dissatisfied?

Seeing Queen Guo's confused look, Concubine Yan said with a smile,

"Guo Huan, don't worry, Jingli has always had this expression and doesn't talk much. She is also like this to the rest of us. Jingli is still very nice. You will understand in the future."

"I understand, Sister Yanfei"

"You all go down, I'll have a few words with Po Meng." Su Chen looked at Concubine Yan and Queen Guo who were talking and waved to them.

Su Chen also wanted to know why bad people would seek refuge with him?

Bad people are quite powerful. In the Northern Continent, they are probably the most powerful ones under Tianmen. A powerful force.

Yuan Tiangang selected Li Shimin to support him in power, and now if he turns to him, wouldn't Li Shimin be abandoned by Yuan Tiangang? Or does Yuan Tiangang have some conspiracy?

"Well, then I will take Sister Guo to arrange a place for her."

"Okay, Salamander, you stay."

Su Chen saw that Concubine Yan, Queen Guo, Zhen Mi, and Jing Sala were about to leave.

Su Chen hurriedly called Jing Sala.

This matter also required the cooperation of Jing Sala's secret guards and Luo Sheng. He also wanted to Jing Sala heard the real purpose of Meng Po's arrival this time.

After Yan Fei hugged Su Yue and Queen Guo and left,

Su Chen looked at Meng Po and asked coldly, "Meng Po, now tell me what Yuan Tiangang wants to do. How to negotiate with me?"

"The bad handsome guy wants to take refuge in the Xuantian Empire, but I don't think it's possible for the bad handsome guy to take refuge in you."

Meng Po said seriously while sitting on a chair.

She is not worried that Su Chen will kill her now. Zhen Mi and Queen Guo interceded for her. This time she was in danger. Po Meng even wanted to borrow Su Chen's escape from the bad handsome man's control

"Why?"

Su Chen was very confused when he heard what Mrs. Meng said.

Isn't Mrs. Meng a bad person?

Isn't it like exposing a bad person?

Seeing Su Chen's confused look, Po Meng smiled and said,

"The bad commander has a huge plan. The Xuantian Empire has been very complete. The army is very powerful. Important officials are all in place. The secret guards and snares also perform their respective responsibilities."

"Even if the bad handsome man defectes to the Xuantian Empire, he will never be reused by you. Moreover, the bad handsome man is very optimistic about Li Shimin. I don't think the bad handsome man will take refuge in you."

Su Chen couldn't stand looking at Mrs. Meng's cheeky smile.

It was really ugly.

Su Chen felt that if he were eating, he might spit out all the food.

Su Chen coughed Then he said with an embarrassed look,

"Ahem, that.....Well, Granny Meng, you better stop laughing. Your smile is really ugly. How about you tear off your human skin mask?"

Jing salamander's face twitched when she heard Su Chen's words.

She didn't expect that Su Chen would say this.

However,

Po Meng was so ugly. She felt very disgusted when she looked at Po Meng's smiling ugly face. Meng Poyou was so ugly.

My mother-in-law looked at Su Chen with a livid face.

She wanted to strangle this bastard to death. Why am I so ugly? I just want to disgust you to death, you bastard.

"I'm just kidding, don't take it seriously." Su Chen looked at Po Meng's ugly face and said hurriedly.

Po Meng is going to tell some bad people's secrets now.

Su Chen doesn't want to offend Po Meng, a dead old woman.

Oh no!

She is disguised as a disgusting person. Old woman.

Stab!

Po Meng tore off her human skin mask, and her hunched waist suddenly stood up straight.

At this time,

Su Chen looked at Po Meng in confusion, no, it was Shi Yao ,

Shi Yao has changed a lot now.

After his hunched waist straightened up,

Shi Yao's uneven figure was also revealed. His delicate face, curved eyebrows, gorgeous red lips, and gray hair also became With her long black hair, Shi Yao is now a stunning beauty.

Jingli was also very surprised.

She didn't expect that this Po Meng would be disguised. Even she didn't notice it. It seemed that Po Meng's disguise skills It's very remarkable.

When Su Chen saw Shi Yao looking at him with contempt, he hurriedly asked in embarrassment,"Shi Yao, why are you telling me this? Shi

Yao looked at Su Chen with contempt and said with emotion,

"I want to escape from the control of bad guys"

"I have been carefully pretending over the years that bad people, Xuanming Sect, and these forces are not something I can deal with. Xuanming Sect is over, and I don't have much value to bad guys."

"This time the bad guy sent me to negotiate with you, I'm afraid he has no good intentions. If the bad guy pretends to take refuge with you and then turns against you, you will definitely deal with me first in the future. Su

Chen asked suspiciously when he heard Shi Yao's words,"Are you really sure that the bad guy is pretending to seek refuge with me?""

"It's absolutely true. You also know bad people. You should know Yuan Tiangang's ambition. She is a careerist. Do you think she will seek refuge with others? Su

Chen nodded and replied, "No, Shi Yao, do you know where Yuan Tiangang is hiding?" Shi

Yao looked at Su Chen and shook his head and said,

"hide? No, there is no need for Yuan Tiangang to hide, he is always with Li Shimin now"

"Lu Bu from Yanzhou has already cooperated with Li Shimin and Yuan Tiangang, and Yuan Tiangang is still a super master who is half a step into the Golden Core realm. He is fearless of everything."

"Half a step to the golden elixir realm? I thought Yuan Tiangang was a master of the Golden Core Realm, and Yuan Tiangang lived hundreds of years in vain."

Su Chen breathed a sigh of relief when he heard Po Meng's words.

He originally thought that Yuan Tiangang was a strong man in the Golden Core realm, but he didn't expect that Yuan Tiangang's strength made him disappointed. Yuan Tiangang, who has lived for hundreds of years, has not yet Jellyfish Yin Ji is powerful, even Shi Guanyin's strength is the same as Yuan Tiangang's.

Shi Yao said angrily when he saw Su Chen's indifferent look.

"Do you understand what the Half-Step Golden Core Realm is? This is the most powerful existence in Tianxuan Continent, and you have no idea what you are talking about."

Su Chen rolled his eyes at Shi Yao and ignored her. He pulled Jing Salaman and said with a smile, "Jing Salamander, inform Jellyfish Yinji and Shi Guanyin and ask them to kill the bad guy Yuan Tiangang."

Shi Yao frowned when she heard Su Chen's order.

She had already told Su Chen about Yuan Tiangang's cultivation level. Why did Su Chen still look like he didn't care? She even ordered two women to kill Yuan Tiangang. ? Are Jellyfish Yinji and Shi Guanyin more powerful than Yuan Tiangang?

"I see!"

Jing Salamander nodded and replied.

Su Chen turned around and told Shi Yao, "Shi Yao, tell my wife, Jing Salamander, all the information about the bad guys. You can work under Jing Salamander from now on!" Shi

Yao said with a serious face, "I can tell you all the information about bad people, but I will never work for anyone again.""

"Do you think that's possible?"

"Do you want to buy and sell by force?"

Chapter 1368

Su Chen looked at the nervous Shi Yao and smiled.

How could he let Shi Yao go?

Although Shi Yao's martial arts was not very good, this woman's other skills were very good.

Especially the art of disguise.

If Su Chen hadn't read the plot, who would have known that an ugly old woman could be a beautiful beauty.

Besides,

Shi Yao also knows everything about the bad guys and the remaining Xuanming Sect. If she joins the secret guards or the net, it will be very beneficial to get rid of the bad guys and the secret guards.

Shi Yao looked at Su Chen nervously and angry.

She now regretted restoring her appearance.

If she still looked like an ugly old woman, maybe this bastard would have kicked her out long ago.

She really messed up this time

"Come with me to the Dark Guard headquarters." After Jing Salad nodded to Su Chen, she looked at Shi Yao and said coldly.

Jing Sala knew that the Xuanming Sect had assassinated her daughter, and Shi Yao had also assassinated Su Chen. If Shi Yao hadn't After she rebelled against the bad guy, Jing Salamander would now ask for information and then kill her.

Shi Yao, with a livid face, asked Su Chen cautiously,

"Can I not go? I want to regain my freedom. I want to live an ordinary life. I can tell you whatever you want to know. I really don't want to fight or kill anymore."

Su Chen looked at the cautious Shi Yao and threatened,

"Do you think that's possible? People can't help themselves in the world, Shi Yao, do you think if the bad handsome man knows about your betrayal, will he send powerful masters to assassinate you? Shi

Yao angrily pointed at Su Chen, who was shaking with anger and said, "You.....Your Majesty, isn't it too unsatisfactory for you to do this?"

"I am saving you. Three years, you serve my wife for three years, and you can go wherever you want from now on."

"No, three years is too long. One year, I will only serve your wife for one year."

"make a deal!"

Su Chen nodded and said with a smile when he heard Shi Yao's words.

Shi Yao was stunned.

She didn't expect that Su Chen agreed without hesitation. This made her feel that she had been tricked by this bastard. This bastard I'm afraid she will be asked to work for Jing Salamander for one year.

Damn it!

Shi Yao's eyes were burning and she wanted to strangle this shameless bastard.

"You fool me?"

"No, you said one year"

"Damn it, you don't deserve to be an emperor, you are an shameless bastard"

"Thank you for the compliment!"

Su Chen smiled and didn't care about Shi Yao's insults.

She is a beauty!

She should have some privileges.

In the end,

Shi Yao left with a gloomy face. She really fell into trouble this time. That bastard Su Chen was too cunning. , she unknowingly fell into that bastard's insidious plan

"You Ruo!"

After Su Chen left with Shi Yao, he shouted to the side,

"Owner!"

A masked woman in black tights suddenly appeared next to Su Chen and saluted.

This is Su Chen's Shadow Assassin Commander. The

Shadow Assassin has one commander, Youruo, and two deputy commanders, Youxue and Youru. Youru was thrown away by Su Chen. In the Shenyu Continent, Youxue has been protecting Su Yan. The Shadow Assassin Commander Youruo has been staying at Xuannio Palace since he last participated in the National Destiny War.

"You Ruo, how many teams does the Grand Master's Shadow Team have?"

"Master, there are six Grand Masters of the Shadow Team."

"Six? That's quite a lot. Arrange a shadow team to go to the Godfall Continent with me. You can also choose some shadow assassins to go with me."

"Yes, master!"

Su Chen sat on the chair and thought about what else has not been arranged properly. This time he returns to Shenyu Continent and may not come back for several months. He also wants to ensure that everything in Tianxuan Continent is arranged properly.

At this moment, the Northern Continent ,

Yangzhou, Lujiang County!

Two hundred thousand black-armored troops are gathering here.

Since Yangzhou surrendered to Su Yan, it has become Su Yan's back garden. Yuan Shu and Su Yan did not kill him, but in the future, Yuan Shu can only do A rich but powerful rich man.

In a mansion,

Su Yan was learning to write out of boredom.

She was now obsessed with the Empress Li Maozhen. No matter where she went, there would always be a few Jiutian Saint Ji following her..

Su Yan had to study according to the study plan given to Li Maozhen by Jingshao every day, and Jiutian Shengji never left her step to urge her to study.

"Princess, the butterfly-winged bird from the Black Bird Palace has arrived."

Outside the room, a secret guard reported outside the room,

"Oh, bring me the secret message!"

"Yes, princess!"

After the secret guard entered the room and delivered the secret message,

Su Yan rubbed his little hands and opened the secret message from Xuanniiao Palace. But she suddenly stood up when she saw it. Su Yan rubbed his hands in disbelief. He continued to look at the secret letter with his eyes.

Su Yan looked at the secret letter in his hand in surprise and said to himself,

"My God, my father is too unfaithful, right? He actually went to another world to cause trouble? God Meteor Continent? A world of immortality? Is there really such a vast world?"

Su Yan felt that Princess Honglian's letter this time would not be a lie to her.

Something incredible happened to her a few days ago. The black bird in her body appeared, her strength increased dramatically, and Su Yan felt that she had a close relationship with Su Chen. Closer, this is the closeness of blood.

Su Yan imitated the way Su Chen often touched his chin and thought,

"Honglian secretly overheard the conversation between her aunts this time, and she learned about the Shenyu Continent. Moreover, Honglian also wanted to go to the Shenyu Continent. So this is all true. It seems that the Northern Continent must be solved as soon as possible. Regarding the matter, I will go back to Xuannio Palace immediately."

Su Yan doesn't want to miss the opportunity to explore a new world, the world of cultivating immortals!

Will she be able to fly with a sword in the future?

A thousand miles away in a flash,

Su Yan can't help but think about this, and she can't help but think about the Shenyu Continent as soon as possible.

"Someone come!"

"Princess!"

"Send an order to Chai Rou, the deputy commander of the army (Princess Chai), to complete the assembly of the army within three days, and I will destroy Sun Ce of Wu County within a month."

"Yes, princess!"

A figure suddenly appeared next to Su Yan and said, "Yan'er, didn't you say you weren't in a hurry to start a war? Why are you so anxious this time?"

"Aunt Shi, I want to kill Sun Ce of Wu Commandery and go home." Su Yan saw Shi Guanyin appearing and replied with a smile.

Su Yan felt that Shi Guanyin, Jellyfish Yinji, and Li Maozhen might all know what happened in the Shenyu Continent. They didn't want to tell them, but they didn't expect that they were in Xuanyin. There was an insider in the Bird Palace.

Shi Guanyin was very surprised when she heard that Su Yan wanted to go back to the Xuannio Palace.

This little girl really wanted to go back to the Xuannio Palace. Why did she take the initiative to go back this time?

"It's up to you, Yan'er, I want to do something with your Jellyfish Aunt Yinji. Li Maozhen will protect you from now on, so don't cause trouble at will."

Su Yan heard that Shi Guanyin was leaving with Jellyfish Yin Ji, which made her confused and asked Shi Guanyin, "Auntie, what are you going to do?"

"Go kill some people!"

Chapter 1369

Shi Guanyin, Jellyfish Yinji, and Li Maozhen also received news from Su Chen, and they were also very surprised by the information from Jingyu.

God Meteor Continent?

A world of immortality?

This also made them yearn for it very much. If there weren't some powerful enemies in Tianxuan Continent, they would have returned to Xuantiao Palace and went to Shenyu Continent with Su Chen.

Su Yan asked Shi Guanyin in confusion, "Kill some people? Auntie, who are you going to kill?"

"Yuan Tiangang and Li Shimin, the delinquent leaders of Yanzhou." Shi Guanyin touched Su Yan's little head and said with a smile,

"Bad person? Have bad people messed with us?"

"Well, the bad guy's bad guy wants to plot against your father. This time, your father personally ordered us to kill that bad guy."

"So that's it, then you should be more careful"

"Haha, don't worry, your jellyfish aunt Yin Ji is a strong person in the golden elixir realm, and my strength is the same as that of the bad handsome man. We will kill them very easily."

Yizhou, Yan Ying in Gai Nie's Tenglong Combat Legion also received the news from Jingli. She looked at the secret message in her hand and her heart boiled. The new world also made Yan Ying feel incredible. That world was still A world of cultivating immortals, which made Yan Ying very curious.

"Someone, please notify Commander Genie and ask him to come over immediately."

"Yes, Princess! Yan

Ying stood up and stretched her perfect figure before saying helplessly,

"It's good to have power, but that's what it's like if you get used to it. No wonder that bastard doesn't want to care about everything in the empire."

"It takes a lot of effort to manage half a state by myself. These things are really more troublesome than practicing. It seems that I will have to find other people to do these things in the future."

Yan Ying got the huge power she dreamed of.

Qingzhou, part of Yizhou, and even the more than 600,000 troops in Gai Nie's hands were all under her control.

But Yan Ying now regrets that she has to manage these messy things. , leaving her no time to practice at all, and after getting these powers, Yan Ying's mentality also changed. Power is good, but

it is too laborious and laborious. Yan Ying now wants to put down what she is doing and practice with peace of mind.

"Gai Nie has met the imperial concubine!"

"Gai Nie divided three legions to prepare to attack Yanzhou."

"Yanzhou? Princess? Is something going to happen in Yanzhou?"

"Well, His Majesty the Emperor sent two powerful masters to Yanzhou to assassinate Li Shimin, Lu Bu, and the leader of the bad guys. We will also take this opportunity to capture Yanzhou."

Gai Nie was very happy to hear Yan Ying's words.

Yizhou is already in the possession of the Tenglong Combat Legion. The next step is to prepare to attack Youzhou and Liangzhou.

Gai Nie originally wanted to attack several northern states first. After winning three states, he would attack the Central Plains, but he didn't want to pass this good plan.

"Okay, I asked Yue Fei to lead three legions to attack Yanzhou. This is indeed our opportunity to occupy Yanzhou."

"Well, you go and make arrangements."

"Yes, Princess!"

Yizhou, Hanzhong County.

Bai Yifei and the others were sitting together with gloomy faces.

They did not expect that Jiang Yuyan from Yizhou would launch a war against them. This time Jiang Yuyan dispatched an army of 250,000.

And what about Hanzhong? ?

Hanzhong County only has tens of thousands of troops, and the real elite only has 20,000 troops.

And that's not all.

Dong Zhuo's subordinates also unanimously sent troops to attack Hanzhong. This is almost 200,000 troops. Hanzhong is now facing Attacked from both front and back, their army was unable to resist the invasion of 400,000 troops.

In the Hanzhong County Governor's Mansion, Bai Yifei, Xiaoyao Wang, Xie Xiaofeng, Duan Yu, and even more than a dozen of the masters they recruited, all of them looked like The dead fathers sat together and said one after another with expressions on their faces,

"what should we do?"

"We cannot win this war. Hanzhong simply cannot withstand the attack of more than 400,000 troops."

"Damn it, doesn't that woman Jiang Yuyan have a grudge against Su Chen? If she doesn't attack Jingzhou, why should she attack us?"

"There are also Dong Zhuo's subordinates. Dong Zhuo is dead. Why do those people still unite to attack our Hanzhong?"

"Could it be that Jiang Yuyan had been in contact with Dong Zhuo's subordinates for a long time? Otherwise, why would they launch an attack on Hanzhong at the same time?"

While these people were talking about each other,

Bai Yifei sat on the chair with a cold face and said nothing. He now understood that Jiang Yuyan's feud with Su Chen was probably fake, but it was possible that he had an affair. Really. Did

Su Chen and Jiang Yuyan fall in love and kill each other?

That bastard Su Chen is very good at treating women. Jiang Yuyan may have forgiven Su Chen. This bastard Su Chen may have ordered Jiang Yuyan to attack Hanzhong..

And Dong Zhuo's subordinates would unite, which reminded him of Dong Zhuo's missing daughter Dong Wan.

Bai Yifei also searched for Dong Wan's whereabouts, but after finding out that Dong Wan went to sea on a boat.

Bai Yifei thought that Dong Wan must have gone to Xuan. Heavenly Empire.

This time Dong Zhuo's old troops were able to reunite. This may be what Dong Wan did to those people, or even what Xuanda Tian Empire promised to those people, which allowed Dong Zhuo's old troops to reunite again. Touch. Bump!

Bai Yifei patted the table and said expressionlessly,

"Don't say anything anymore"

"We have no retreat now. Although Tianxuan Continent is vast, there is no room for us anymore."

"The Eastern Continent is about to be conquered by the Xuantian Empire. You also know the situation in the Northern Continent. The Southern Continent is the base camp of the Xuantian Kingdom, and the Western Continent has long been conquered by the Xuantian Empire."

"There is no place for us in Tianxuan Continent anymore, and the Xuantian Empire's secret guards and snares may have found out everything about us. We won't be able to escape this time even if we run away."

"Everyone is still prepared to fight to the death, so we might still have a glimmer of hope."

Others had different expressions when they heard Bai Yifei's words. Some of them were worried, some were holding hands fiercely, some were unwilling, and some even showed scared expressions.

The room became quiet for a while, and

Bai Yifei looked at His cold expression became even colder on everyone's faces. He knew that some people wanted to retreat, but could these people retreat at this time? I'm afraid they would be assassinated by secret guards and snares after leaving Hanzhong.

Southern Continent,

In the Xuannio Palace.

At noon, an uninvited guest arrived at the Xuannio Palace. However, the Xuannio Guards, Luo Sheng, secret guards, and even the shadow assassins of the Xuannio Palace did not notice the arrival of the uninvited guest.

A tree in the Xuannio Palace On the top, a figure appeared in the tree.

She looked at the heavily guarded Xuanniao Palace and nodded and said,

"The guards here are indeed very tight. Xuanniao Palace is probably the most tightly guarded place in Tianxuan Continent. However, there is still no difficulty for me here."

"Is it? What level of difficulty can satisfy you?"

"who?"

Chapter 1370

Xuannian Palace, when Su Chen was thinking about what he had missed in his study, he suddenly sensed an uninvited guest arriving at Xuannian Palace.

Su Chen checked the girls in the hibiscus tree garden. Ji Ruxi and they also discovered the uninvited guests.

Since Ji Ruxi and the girls practiced Immortal Level Skills, their strength has been improving by leaps and bounds. Although their internal strength has not yet been transformed into magic power, Su Chen was very envious of the power of Su Nu's Heart Sutra.

Su Chen doesn't have powerful skills yet. If he hadn't had the Law of Space, even though he was an immortal cultivator in the out-of-body realm, he would still be an empty shell of an immortal cultivator.

Spell!

Supernatural power!

He can't do either.

Su Chen had no choice but to run away when he encountered a master.

At this time,

Su Chen turned around and disappeared into the study. He instantly appeared on the tree where the uninvited guest was standing. He looked at the uninvited guest and said, "Really? What kind of difficulty level can satisfy you?"

"who?"

After the uninvited guest on the tree heard Su Chen's words, she looked around in surprise and shouted,

"who? come out!"

At this time,

Ji Ruxi and several girls rushed over one after another.

Ji Ruxi and he looked at the uninvited guests on the tree and shouted,

"Dong dong dong dong."..... swish swish.....

Under Ji Ruxi's shout, the patrolling Black Bird Guards, Secret Guards, Luo Sheng, and Shadow Assassins all appeared around one after another. They all held weapons and immediately surrounded the big tree where the uninvited guest was.

"I didn't expect that the Black Bird Palace was scarier than I thought."

The uninvited guest saw Su Chen above her head, and saw the rapid arrival of Ji Ruxi and the girls, and even the troops and masters from the Xuantiao Palace that kept appearing. This made her really underestimate the strength of the Xuantian Empire.

Su Chen stood Looking at the veiled woman expressionlessly from the treetops, "Who are you? Why break into the palace?"

The veiled woman looked at Su Chen and whispered, "I am not an enemy, I was invited by Jellyfish Yinji."

"Invited? Are there any uninvited guests?" Su Chen mocked when he heard the veiled woman's words.

The veiled woman coughed awkwardly and explained, "Well, I just want to try the place that is said to be the most heavily guarded and the safest in the entire Tianxuan Continent."

"Are you the future of Changchun Island?"

At this time,

Ji Ruxi and Feishen appeared next to Su Chen. When she heard the veiled woman's words, she asked doubtfully,

"good!"

The veiled woman looked at Ji Ruxi and nodded and replied.

The veiled woman did not expect that there were several powerful women in the Xuandiao Palace, especially the woman in front of her. She was about to advance to the Golden Core Realm. This is She was very surprised.

When Ji Ruxihe heard the answer in the future, she smiled and said to Su Chen,"Su Chen, this is one of our own. Sister Jellyfish Yinji invited Future to be a guest in the Xuandiao Palace. This was a misunderstanding.""

"I understand, take the future away!"

Su Chen also didn't expect that this veiled woman was actually the future of Changchun Island. No wonder she was so powerful. It's just that the future of the Shenlong was unexpectedly invited by Jellyfish Yinji. What is Jellyfish Yinji going to do?

"good!"

Ji Ruxihe nodded and replied.

When she was about to leave with Ji Ruxihe in the future, she suddenly turned back to look at Su Chen and asked,"Are you Jellyfish Yinji's man?"

"good!"

"You are very good, but you are a little younger."Fu Hou smiled and said, and left with Ji Ruxihe.

I'm here!

Su Chen looked at Hou Hou leaving with Ji Ruxihe, and he wanted to catch Hou Hou and beat her up. There are many of his subordinates here, and Hou Hou Is this deliberately exposing his shortcomings?

Su Chen turned around and disappeared here.

He didn't want to see the weird expressions of his subordinates around him.

In the hibiscus tree garden,

Ji Ruxi and Hou Hou came here.

Hou Hou just entered the hibiscus tree In the garden, she looked at Ji Ruxi in surprise and asked,"This.....The aura here is a hundred times richer than that of the Black Bird Palace. How is this possible?"

After entering the hibiscus tree garden in the future, she felt that the spiritual energy here was very rich, which was a hundred times richer than the spiritual energy in the Black Bird Palace.

In the future, her whole body felt like she was soaking in a spiritual energy bath. She just didn't practice here. , the strength will gradually increase.

This is simply a paradise.

Ji Ruxi looked at the surprised Rihou and said with a smile,"Sister in the future, Sister Jellyfish Yinji has not come back from the Northern Continent yet. You can practice here and wait for Jellyfish Sister Yinji is back."

Ji Ruxi and the other girls knew Jellyfish Yinji's plan. Jellyfish Yinji

, the most powerful woman in Tianxuan Continent

, was going to come to their home. After discussing this matter, none of their daughters objected. Xuandiao Palace It doesn't matter if there is one more powerful woman.

That bastard Su Chen kept flirting with women outside, so they just thought they found a beautiful girl for Su Chen.

Later, they looked at Ji Ruxi and asked in confusion,"How did you do it?" Did it? Why is the spiritual energy here so strong?"

"In the future, sister, you will understand after looking at this."Ji Ruxi took out a spiritual stone from the space ring and handed it to Future.

After receiving the spiritual stone in Future, she discovered that it was a spiritual stone that had disappeared for a long time in Tianxuan Continent. This made her even more unbelievable. "this.....this.....This is actually a spiritual stone? How come there are still spiritual stones in Tianxuan Continent? This is impossible?"

"Seeing is believing, hearing is believing. In the future, sister, you won't think that the spiritual stone in your hand is fake, right?"

"No, this is true, it really can't be true anymore"

"Sister, please have tea in the future!"

At this time,

Bai Ruobing poured a cup of tea and handed it to Hou Hou.

After a sip of tea, Hou Hou said in shock, "This is.....Is this spiritual tea? you.....What kind of fairyland is here, and why are there long-lost treasures?"

She was completely shocked today.

In her more than a hundred years of life, she had never been so shocked.

No wonder, no wonder Jellyfish Yinji wrote a letter asking her to come to Xuannian Palace. It turned out that this was a cultivation fairyland.

Jellyfish Yinji can break through to the Golden Core Realm. She may have been practicing here for a long time. Jellyfish Yinji is married to a super rich man, which no one in Tianxuan Continent can match.

Ji Ruxihe and Bai Ruobing The woman smiled when she saw the ever-shocked future.

This was something they had discussed early in the morning. If they wanted to keep the most powerful woman in the Tianxuan Continent, they would not be tempted by some treasures and treasures. I am afraid it would be impossible to stay in the future.

Now look at It seems that the effect is still very good. Even if they want to drive her away in the future, they will not be able to leave. The rich spiritual energy and the spiritual tea that can enhance the root and strength have been extinct in Tianxuan Continent for thousands of years. As long as you are a cultivator, no one can resist the temptation to do this.

"Master, what happened?"

"Honglian, if nothing happens, you can continue to practice."
