

Zongwu 1391

Chapter 1391

Shi Feixuan was very speechless when she looked at Hanwan who had been pestering her. They have all arrived in the Shenyu Continent, but Hanhan is still against her. Doesn't Hanhan have nothing to do?

Huanwan playfully looked at Shi Feixuan and said with a smile, "Aren't I worried about you? Master nun, we are hostile forces to Buddhism. Do you want to stop having anything to do with Buddhism?"

Shi Feixuan rolled her eyes. Huanwen said speechlessly, "I know, besides, our Cihang Jingzhai is no longer a Buddhist sect, so your worries are unnecessary."

Cihang Jingzhai has changed a long time ago, and the Buddhist statues in Cihang Jingzhai All have been removed, and there are black bird statues and phoenix statues in Cihang Jingzhai. Although this is just a decoration, it is also a belief.

Huanhua patted Shi Feixuan on the shoulder and laughed, "Haha, I like to hear this, but I haven't decided where to go yet. I'd better go to Yunlan Sect to see the competition first."

Huanwen Huan was not worried that Shi Feixuan was not strong-willed, she just felt very bored by herself.

Besides, it's very dangerous in the Shenyu Continent. She and her master concubine Xuan are together, but they still have someone to take care of them.

"That's fine. The Southern Continent is really not suitable for our cultivation. Let's go back to the Eastern Continent after watching this competition."

"Okay, I don't care anyway, there is a restaurant in front, let's go have some food first." Huanwan nodded to Shi Feixuan, and she pointed to the restaurant in the town in front and said,

"All right!"

At this moment, in the small town at the foot of the Yunlan Sect Mountain, there are more and more outsiders here, but these are some low-class warriors.

In the restaurant, many warriors are resting and eating food here, and those who are close to At several tables by the window, more than a dozen people were eating and resting here. Each of them was holding a weapon and guarding a young man and a beautiful woman.

This was the Xiliang Crown Prince Xu Nian who was in the Miter Auction House. Next to him They were all the guards and maids he brought out this time.

A heroic beauty holding a long sword said to Xu Nian, "Prince, what is the origin of that friend of yours? Why is he dueling with the chief disciple of Yunlan Sect?"

Lao Huang, who was drinking next to him, said with a smile,

"Haha, I know this. That boy's engagement was broken off. He couldn't bear to be humiliated so he made a three-year agreement. This time he wanted to slap the Yunlan Sect in the face."

A beautiful woman opposite Xu Nian heard this and said disdainfully, "Just break off the engagement if you don't like it. What's the point? Your friend is just a coward."

Xu Nian hurriedly explained after hearing Jiang Ni's words,

"Jiang Ni, it's none of my business. We just chatted for a few words. Later, I heard about this three-year appointment. We were going to travel anyway, so I planned to watch this competition."

"You don't need to explain to me, I'm just a girl. Jiang Ni glanced at Xu Nian and said speechlessly.

Old Huang looked at Xu Nian and Jiang Ni and said with a smile, "Okay, you two, don't talk any more. Let's eat quickly and find an inn to have a good rest." This journey was really exhausting."

At this time,

Hanwan and Shi Feixuan also arrived at the restaurant. After they went to the second floor, everyone here looked over.

Hanwan and Shi Feixuan were stunning beauties, one was as cool and refined as the other. Fairy, as charming as a witch.

The arrival of the two of them together made the restaurant full of glory. Every man here looked at Huanwan and Shifeixuan.

Xu Nian saw Huanwan and Shifeixuan. When she arrived, she was surprised and said, "Damn, these two women are so beautiful. I wonder if they are as beautiful as the three beauties of the Gama Empire in the Southern Continent."

"You are a pervert!" Jiang Ni said mockingly when she heard Xu Nian's words.

However, when

Jiang Ni looked at Huan Huan and Shi Feixuan, she felt that they were very beautiful.

This made Jiang Ni feel that she was not as good as those two beautiful women. Women, whether it is noble temperament or beautiful appearance, Huanwan and Shifeixuan are impeccable existences.

Xu Nian hurriedly argued,

"I appreciate it. Jiang

Ni looked at Xu Nian in a bad mood and said mockingly, "The explanation is just a cover-up, you don't need to say more."

Old Huang and the others saw Xu Nian and Jiang Ni bickering again. They all shook their heads speechlessly. They couldn't control these happy enemies.

Old Huang looked at Huan Huan and Shi Feixuan. He warned Xu Nian, "Don't underestimate those two women. Their strength is not simple. They are both stronger than you."

"How powerful is it?"

"Now you are just a person with the cultivation level of a grand master, without the strength of a grand master, and these two women are about to reach the cultivation level of the golden elixir realm, can you compare?"

Xu Nian was surprised when he heard Lao Huang's words and exclaimed, "Damn, so powerful?" They seem to be about the same age as me. No, I have to get to know these proud women."

The people nearby were also very surprised when they heard what Lao Huang said.

You must know that Lao Huang's strength is at the peak of the Golden Core Realm, but these two young women are about to advance to the Golden Core Realm, which makes them all I felt that I had lived in vain for so many years.

At the table not far from Xu Nian,

Huanwan and Shi Feixuan also sat down, ordered some food and started eating.

After a few mouthfuls of food, Huanwan lost her appetite and said, "Here The food here is decent, but not as delicious as the food at Xuanniao Palace."

Shi Fei Xuan glanced at Huan Huan and said helplessly, "It would be good to eat some. If we were in the wild, we wouldn't even be able to eat these."

"Master nun, when do you think that bastard Su Chen will come to Shenyu Continent?"

"I don't know, but the situation in Hangzhou is not good right now. Su Chen should come back as soon as possible."

"Yes, but Ji Ruxi and her sister didn't want us to go back to help. I'm afraid they were worried that we were both weak!"

"Yes, we must become stronger as soon as possible, otherwise we will not be able to help with anything in the future."

Huanwan and Shi Feixuan were talking, and

Xu Nian wandered over.

When he came to Hanwan and Shi Feixuan, he introduced them, "Two ladies, I am Xu Nian. I don't know what your surnames are. ?"

Huanwen and Shi Feixuan stopped talking when Xu Nian arrived.

They had checked this Xu Nian when they went to the restaurant.

His strength was not very good, but among Xu Nian's guards, there were two powerful ones. Among the masters, one was a master of the Golden Core Realm, and an old man with a broken arm could not tell the realm of cultivation at all.

Huanwan looked at Xu Nian and said with a sweet smile, "Boy, you have found the wrong person, leave quickly. Don't ask for trouble. Xu

Nian didn't pay attention to Huan Huan's attitude, "Miss, why are you so unkind? It's easier to have one more friend in the world.""

Whoosh!

At this time, a masked woman in black suddenly appeared next to Hanhan and Shi Feixuan.

Xu Nian was startled by the sudden appearance of the masked woman. Just when she was about to tell Hanhan and Shi Feixuan to be careful. At that moment, he suddenly saw the masked woman suddenly saluting Huan Huan and Shi Feixuan.

After the Shadow Assassin appeared, he hurriedly saluted Huan Huan and Shi Feixuan and said, "The sixth team of Shadow Assassin, Youyu has seen both. lady"

"Youyu, what happened to expose you?"

"Madam, this is a secret letter from Mrs. Xihe."

Chapter 1392

Shi Feixuan took the secret message sent by the Shadow Assassin and hurriedly read it, while Huanwan looked at Xu Nian and waved him away with an unkind expression. She didn't want Xu Nian to get in the way.

When Xu Nian saw Huan Huan's gesture, he turned around and left.

On the way, he touched his chin and wondered, who are these two women? lady?

Could it be that these two beautiful beauties are married?

But they are all obviously finished, so why do the women in black who suddenly appear call them madam?

And the Shadow Assassin, he didn't even notice the Shadow Assassin's sudden appearance.

Team 6?

Are the Shadow Assassins a killer organization?

The heroic beauty holding a Changge asked Xu Nian with concern, "Master, are you okay?"

Xu Nian shook his head at the woman next to him, and he kept thinking about the identities of Hanwan and Shi Feixuan, but he There was too little information, and he couldn't guess the identities of Hanwan and Shi Feixuan at the moment.

Xu Nian looked at Lao Huang and asked doubtfully, "Old Huang, did you notice the shadow assassin appeared just now?"

Lao Huang said to Xu Nian with a serious face,

"No, I didn't find out how the shadow assassin appeared at all. If the shadow assassin hadn't appeared, I wouldn't have discovered anyone hiding here."

Old Huang is now very wary of Huan Huan and Shi Feixuan. If the shadow assassin had assassinated Xu Nian just now, I am afraid that Xu Nian would have been assassinated even if he had ten lives.

Everyone nearby was very surprised when they heard what Old Huang said. Huang Ke is a strong man in the Golden Core Realm.

He didn't even notice the shadow assassin, which shocked them very much.

The guards looked at Huan Huan and Shi Feixuan warily. They were worried that the two women would do something to her. Their prince takes action

"Senior Li, have you noticed?" When Jiang Ni heard what Old Huang said, she looked at the old man with a broken arm who had been silent and asked.

The old man with one arm looked around and said seriously,

"Of course I know there are people hiding here, but you are also wrong. There is not only one masked woman here, there are nine masked women in black hiding around in the restaurant."

Xu Nian was shocked when he heard the one-armed old man's words and said, "There are nine more shadow assassins hiding here. Who the hell are these? Is the hidden ability so powerful?"

The one-armed old man looked at Xu Nian and reminded,

"They must be a powerful person. You should be careful in the future. Those shadow assassins are ordinary guards. There may be other powerful masters hiding around."

Li Chungang was also very surprised by the hidden shadow assassins.

If it weren't for his strong strength, he would not have been able to discover the hiding of these shadow assassins. Who are these shadow assassins from? With these shadow assassins here, they are masters of the Golden Core Realm. I'm afraid he will be assassinated if he is not careful.

Xu Nian was very speechless when he heard Li Chungang's words.

Is this an ordinary guard? Is this old man crazy?

Just these shadow assassins can kill them without any effort, uh!

Lao Huang and Li Chungang are not among them

"I understand, thank you Senior Li for your guidance."

At this moment,

Shi Feixuan also read the secret letter, but the things mentioned in the secret letter made her very speechless.

Shi Feixuan thought something big had happened, but it turned out that she just asked them to pick up some items.

But those items were also What they need most now is that the Space Nai Ring can store items with them. With the Space Nai Ring, it will be very convenient for them to travel around the world in the future.

Huan Han saw that Shi Feixuan still looked quiet after reading the secret letter, which made him see Xiang Shifeixuan asked hurriedly, "What happened? Are you calling us back?"

"No, look at it!"

Huanhan took the secret letter and read it quickly.

She was very speechless as she looked at it.

It turned out that Ji Ruxi and Su Chen had asked a person from Yafei to collect it at an auction house after they knew they had arrived in the Southern Continent. Some space rings are for them to pick up along the way.

"Forget it, we are coming to the Southern Continent anyway. After this competition, we will take back those spatial Nai Rings. This will make it much more convenient for us to practice everywhere."

"Yes, Not Bad!"

At this moment, in the Shenyi Continent, on the border of the Southern Continent, in the desert where the Snake Man tribe is located,

Su Chen appeared in the desert again holding Su Yue.

This made Su Chen very speechless when he looked around.

Su Chen was dealing with Da Qin After what happened, he hurriedly returned to Xuannio Palace.

It had been five or six days since he arrived in Tianxuan Continent, and it had been a year and a half since Shenyu Continent. He was also worried about something happening in Hangzhou City in Shenyu Continent.

Su Chen explained what he was going to do When he came to Shenyu Continent, just when he was about to leave through the world passage, Concubine Yan actually agreed to Su Chen and Su Yue to come to Shenyu Continent.

Although Su Chen was confused as to why Concubine Yan did this, he still agreed.

"System, why did I appear where I first arrived? Shouldn't I appear in Hangzhou City in the Eastern Continent?"

"Ding, host, have you changed the coordinates?"

"I'll do it!"

Su Chen was very speechless when he heard what the system said.

He was really busy and confused.

He even forgot to change the coordinates after arriving in the Shenyu Continent for the first time. This is really fucking bad.

"System, where will Ji Ruxi and the others appear? Wouldn't they also appear here?"

"Ding, no, they will appear in Hangzhou City for the first time through the World Passage."

Su Chen breathed a sigh of relief after hearing this, "That's good. Forget it, leave the Snake Desert first, otherwise that crazy woman Queen Medusa will cause trouble for her again."

"Xiaoyue'er, is the scenery here beautiful? You have never seen a desert."

Su Chen held Su Yue and asked her to look around. There was a vast white desert everywhere, the air was dry, and the climate was hot.

Su Chen also asked Su Yue to look around, and he was about to take Su Yue to teleport quickly. left

"Yeah yeah yeah....."

After Su Chen disappeared holding Su Yue in his arms, the only sound left here was Su Yue's happy babble. boom!

At this moment, a beautiful girl in a red dress suddenly appeared here. She looked around and then angrily slapped her palm aside.

"Damn, that bastard was pretty fast."

"Madame Medusa, have you seen the master coming?" A woman in black asked hurriedly as she appeared next to the beautiful woman in red dress.

The two women who arrived one after another were Queen Medusa of the Snake Tribe and Youru, Su Chen's shadow assassin.

Medusa Queen Sha said angrily, "No, Su Chen should have just left. That bastard left the snake tribe as soon as he arrived. Did he do something shameful again?"

"Madam, do you think the master will go to Yunlan Sect? Doesn't Yunlan Sect have a three-year duel? The master likes to join in the fun, maybe the master will go to Yunlan Sect to watch the competition"

"Get ready, we're going there too"

"Yes, ma'am!"

Chapter 1393

In the small town at the foot of the Yunlan Sect's mountain,

Su Chen also appeared here holding Su Yue. He also heard about the Yunlan Sect's three-year agreement, so he came over to see Hangzhou City before returning to the Eastern Continent.

The Three-Year Dating is a wonderful plot.

Just in the Shenyu Continent.

It's not certain whether Xiao Huohuo can turn around and successfully slap him in the face.

The Shenyun Continent does not revolve around the Son of Destiny, Xiao Huohuo. There are many Sons of Destiny here. Maybe Xiao Huohuo will face off against other Sons of Destiny.

"Yue'er, are you hungry?" Su Chen kissed Xiao Yue'er in her arms and asked with a smile.

Su Yue squinted her crescent eyes and smiled happily when Su Chen kissed her,"Giggle, giggle....."

Su Chen touched Su Yue's little nose and said,"You little girl is really happy today. It seems that you like New World very much too.""

"father....Daddy, eat....Eat eat!"

"Haha, are you hungry? Dad will give you hot beef to drink!"

Su Chen was very happy when he heard Yue'er talking. He was able to see his child speak., and even grew up slowly, which made Su Chen feel very happy.

Su Chen now also guessed why Concubine Yan asked him to bring Yue'er to the Shenyu Continent. Concubine Yan was also worried that she would not see Yue'er for a long time and was afraid that Yue'er would no longer recognize her.

And Concubine Yan is probably going to retreat to practice.

Concubine Yan is still at the pinnacle of the Grand Master, but the other women have all advanced to the realm of heaven and human beings.

Concubine Yan is not willing to lag behind others.

Concubine Yan was either busy with Xuantian Empire affairs or taking care of Yue'er in Xuannio Palace. She had no time to practice in seclusion.

This time she went back and proposed to bring Yue'er to the Shenyu Continent. Concubine Yan may have decided to let herself come with Yue'er after careful consideration.

Su Chen found an inn in the town and stayed.

After heating the milk for Su Yue, he fed Yue'er with a special bottle.

Su Chen patted the moon gently and sang children's songs in a low voice.

"The dark sky hangs low, accompanied by bright stars. Insects fly and rush, who are you missing? The stars in the sky shed tears, and the roses on the ground wither. The cold wind blows, the cold wind blows, as long as you are with me....."

"Haha, you sang well!"

At this time, a woman stuck her head out from the window of the room next to her. She looked at Su Chen who was holding her child by the window sill and said with a smile.

Su Chen didn't expect that someone was listening to him singing in the room next to him.

This made Su Chen a little bit Shameful.

He is a tone-deaf person. This is also because Su Yue is too young and cannot hear whether he is singing or not.

Su Chen also did not expect that other people would hear him.

"A prize! A prize!"

Su Chen looked at the woman at the window next door and said awkwardly.

Jiang Ni was watching the night from the window.

She didn't expect that there would be a man singing in the room next to her. Although the man's singing was not very good and even a bit unpleasant, but Fortunately, the lyrics were pretty good, and she listened to it from next door.

When she stretched her head to look at the man on the window sill next to her, she found that the man was holding a child and singing, which made Jiang Ni think that Suchen was very good.

Although the singing voice is a bit unpleasant, it is for his children. Such a father will definitely be a very good father in the future.

"Wow wow wow....."

"Come on, Yue'er, why are you crying when you're so fine?"

Su Chen was in a hurry when he heard that Su Yue was crying. Su Yue was eating well just now, but why did she start crying?

Su Chen hurriedly checked to see if anything had happened to Su Yue, but he didn't find that Su Yue had a fever or anything. , this made Su Chen sweat profusely and coax Su Yue.

When Jiang Ni saw Su Chen sweating profusely, she hurriedly shouted,"Open the door for me, will you take care of the child?"

"Oh, good, good!"

Su Chen hurriedly opened the door to the room after hearing Jiang Ni's words, and Jiang Ni from next door also hurriedly came to Su Chen's room. When

Jiang Ni arrived, she took Su Yue from Su Chen's arms and took a look.

Jiang Ni discovered After Su Yue peed, she looked at Su Chen and said dumbfounded,"Your child peed, didn't you, the father, notice it?"

"Forehead! I thought my daughter was unwell, I didn't notice she peed"

"Give me the diaper and I'll change your baby for you"

"Okay, okay, thank you very much."

After a while, after Jiang Ni changed Su Yue's diaper,

Jiang Ni looked at Su Chen and felt very strange. She found that the diapers Su Yue used and even the clothes she wore were very precious.

No!

It should be said They are all priceless.

Small clothes made of golden silk, and even diapers are made of golden silk mixed with other precious fabrics.

This is something that no ordinary family can own, and even a royal family is not willing to spend such money. What on earth does this man do? What is his identity?

He is willing to spend tens of thousands of gold on his daughter's clothes. What does the black bird pattern represent?

Why is this little girl's clothes embroidered with a golden black bird pattern?

"Thank you very much Miss this time. I wonder what your last name is?" Su Chen asked after Jiang Ni changed the birdcloth and clothes for Su Yue and Su Yue stopped crying. He looked at the woman and asked gratefully. It was only when Su Chen looked at Jiang Ni that he discovered this. The woman was very beautiful, and she dared to get angry at a stranger like herself.

This woman really had a personality.

Jiang Ni hugged Su Yue and liked this beautiful little girl very much. After teasing Su Yue, she He said to Su Chen, "My name is Jiang Ni, what's your name? Where is your wife?"

Su Chen said suspiciously when he heard Jiang Ni's name, "Jiang Ni? Why does this name sound so familiar?"

Su Chen looked at Jiang Ni and felt very strange. He must have heard this name before, and it was even a familiar name, but he couldn't remember where he had heard it.

"you know me?" Jiang Ni looked at Su Chen nervously and asked hurriedly.

Su Chen looked at Jiang Ni and shook his head and said, "I don't know you, I just feel like I have heard your name there."

Jiang Ni felt relieved when she saw that Su Chen didn't seem to be lying, "Maybe it's someone with the same name."

Su Chen also noticed Jiang Ni who was nervous, but he didn't care. They might be separated tomorrow if they met by chance. There was no need for him to inquire about her affairs.

"Maybe. My name is Su Chen. This is my daughter Su Yue. My wife is not here because she has something to do."

"Are you also going to Yunlan Sect to watch the three-year duel?"

"Well, come and take a look when you have nothing to do."

Jiang Ni was very speechless when she heard Su Chen's words.

There are people in the world who hold a child to watch the fun, and besides, it is a very dangerous fun.

Jiang Ni also didn't know what to say to Su Chen.

"You have such a big heart. The people coming from Yunlan Sect this time are all very powerful, and even many powerful men from the Golden Core Realm will come. Aren't you afraid that something will happen to your daughter?"

"Haha, I still have some strength, and I will protect my daughter."

Chapter 1394

Su Chen didn't pay much attention to this trip to the Yunlan Sect.

The Yunlan Sect is located on the border of the Southern Continent.

The people here have the highest strength, which is the strength of the Douzong.

His current cultivation level in the out-of-body realm is the Southern Continent. With Douzun's strength, no one here can threaten him, otherwise he would not be able to take the risk with his daughter.

Jiang Ni shook her head when she heard Su Chen's words.

Although she had never practiced cultivation, this Su Chen made her feel like a playboy. What strength could this arrogant Su Chen have? I'm afraid he's not as strong as Xu Nian

"Su Chen, you'd better be careful. You shouldn't take risks just for your daughter."

Su Chen didn't expect Jiang Ni to give up.

He also knew that Jiang Ni was doing it for the good of their father and daughter.

Su Chen was still very grateful to these women.

"Forehead! Okay, I'll consider it."

Jiang Ni nodded when she heard Su Chen's words, and then started playing with Su Yue.

Su Yue, who looked like a porcelain doll, made Jiang Ni very fond of her.

If this was not Su Chen's daughter, Jiang Ni might have He carried Su Yue to her room.

It was almost late at night, and after Su Yue fell asleep,

Jiang Ni reluctantly left.

Su Chen came to Jiang Ni after she left.

He was very worried about Jiang Ni. Ni would take Su Yue away.

This Jiang Ni was too enthusiastic about children.

If he hadn't checked that Jiang Ni had no cultivation level, Su Chen would not have dared to let Jiang Ni and Su Yue play together.

In the inn,

Jiang Ni came from After Su Chen came out of the room, she saw Li Chungang in the corridor, which made Jiang Ni very confused when she looked at Li Chungang.

It was almost late at night.

Why hadn't Li Chungang rested yet?

Jiang Ni was confused when she walked in front of Li Chungang. Asked, "Senior Li, are you waiting for me? Li

Chungang looked at Su Chen's room and said seriously, "Xiao Nizi, that person is not an ordinary person. You should be careful."

Jiang Ni was surprised when she heard Li Chungang's words and asked, "Not an ordinary person?" Senior Li, is Su Chen very powerful?"

"No, he is only at the level of a great master, but he feels very dangerous to me."

Li Chungang had observed when Su Chen came to the inn.

This person who only had the realm of Grandmaster cultivation made Li Chungang feel very uneasy. The women he met in the restaurant today had already made Li Chungang a little wary.

But this hug The man holding the child gave him a very threatening feeling.

This made Li Chungang very confused.

"Grand Master, isn't this the same as Xu Nian's cultivation level? How could Su Chen give you the feeling of threat?"

Li Chungang shook his head and reminded Jiang Ni, "I can't tell, Xiao Nizi, you'd better not have contact with this person in the future. If Xu Xiaozi knows about it, I'm afraid he will feel uncomfortable.

Jiang Ni blushed when she heard Li Chungang's words and said, "What does my matter have to do with Xu Nian?" His discomfort has nothing to do with me."

"You guys! Go to sleep, we have to go to Yunlan Sect tomorrow"

"Okay, good night, Senior Li!"

The next morning,

Su Chen was woken up by Su Yue.

Su Yue climbed on Su Chen's body and she didn't know what she was playing with, but her happy look made Su Chen feel very happy.

"Xiaoyue'er, why did you wake up so early?" Su Chen pinched Su Yue's little nose and asked with a smile,

"Giggles....."

Su Yue started laughing when Su Chen pinched her nose.

"Haha, let's get up. Dad will prepare milk for you first."

"eat....eat....eat...."

At this moment,

Xu Nian and more than ten people also got up and prepared to set off. They came to the downstairs of the inn and had breakfast.

"Jiang Ni, what are you looking for?" Xu Nian asked in confusion when he saw Jiang Ni looking around.

Other people also looked at Jiang Ni.

Jiang Ni was looking around just now and they all noticed that they were also very confused. The people here Everyone is already here, why does Jiang Ni seem to be still looking for someone?

"Nothing, I just took a look." Jiang Ni shook her head when she heard Xu Nian's words and replied.

Jiang Ni didn't find Su Chen and Su Yue here. She guessed that Su Chen and Su Yue hadn't gotten up yet. Su Yue was still young, and Su Chen would definitely not be so early. Wake up that little girl Su Yue

"Jiang Ni, are you okay if you don't have a rest at night?" Xu Nian asked when he saw Jiang Ni's expression was a little ugly.

He had been asking Lao Huang to teach him how to practice last night, and he only took a rest when it was almost dawn, but he was a warrior, and he couldn't do anything without resting all night. But

Jiang Ni is an ordinary person.

Jiang Ni's face is pale, and you can tell at a glance that she has not had a good rest at night.

"I don't care about your business, can't I stop your mouth while eating?" Jiang Ni said angrily when she saw Xu Nian being verbose,

"Forehead!"

Xu Nian also has nothing to do with Jiang Ni.

He can't beat or scold Jiang Ni, a little maid. Fortunately, he likes her. Otherwise, if Jiang Ni was someone else's maid, she would have been driven away long ago.

Li Chungang looked He looked at Jiang Ni and shook his head.

He didn't know why Jiang Ni couldn't forget that Su Chen once she saw him. Is there really something special about that Su Chen? Even better than a young hero like Xu Nian?

"Time to eat!"

At this time,

Su Chen hugged Su Yue and went downstairs with a smile.

When Su Chen saw that there were already more than ten people on the first floor of the inn, he didn't care.

The warriors coming to the inn must all be going to Yunlan Zongkan competition

"Suchen!"

Jiang Ni shouted happily when she saw Su Chen holding Su Yue.

When Su Chen heard Jiang Ni's cry, she smiled and said, "Jiang Ni, I didn't expect you to get up so early."

"Come give me a hug, Xiaoyueer." Jiang Ni hurriedly came to Su Chen and smiled at Su Chen and said,

"Forehead! All right!"

Su Chen was speechless when he saw Jiang Ni's impatient look. Su Yue is now more attractive to women than him. Just last night, Jiang Ni completely fell in love with Su Yue.

Xu Nian saw Jiang Ni and A man was so close to him, which made his face look a little ugly.

He liked Jiang Ni very much, but when did Jiang Ni meet a man? And he was a man with children.

When he saw Su Chen, he looked very I'm confused, why does this person look so familiar?

"Old Huang, why does this Su Chen look familiar?"

Lao Huang looked at Su Chen and said doubtfully, "It looks familiar to me too. I must have seen this person there. Su

Chen poured the warm milk into the bottle and handed it to Jiang Ni, saying, "Jiang Ni, this is Yue'er's milk. Feed her.""

"OK, leave it to me!"

At this time,

Xu Nian came to Su Chen and said with a smile, "Brother, are you going to Yunlan Sect too?"

Su Chen saw a young man in fine clothes arriving, and he looked at Jiang Ni next to him. Is this person Jiang Ni's suitor? Or a relative of Jiang Ni's family?

"good!"

"Do you know Jiang Ni?"

Chapter 1395

When Su Chen heard Xu Nian's question, he understood that Xu Nian must have misunderstood his relationship with Jiang Ni, and was even jealous.

Su Chen also met Jiang Ni last night, and their relationship was just a casual relationship. If Jiang Ni hadn't liked Su Yue, I'm afraid their relationship would have been just that of passers-by.

Su Chen looked at Xu Nian and said with a smile, "We also met last night, what? Is there any problem?"

Xu Nian heard that Su Chen and Jiang Ni had just met last night, which reassured him.

He also saw that Jiang Ni just liked Su Chen's child.

Just a friend who met once.

Xu Nian no longer has any hostility toward Su Chen.

"No, by the way, my name is Xu Nian. I come from Beiliang in the Eastern Continent."

"Xu Nian?"

Su Chen looked confused when he heard that the young master was called Xu Nian.

Jiang Ni's name made him feel like he had heard it before, and the young master's name was Xu Nian, which made Su Chen feel even more familiar.

Xu Nian saw Su Chen With a confused look on his face, he continued to ask, "Brother, do you know me?"

"I don't know you, but I think I've heard your name somewhere."

"Haha, I am a famous dandy in Beiliang. Everyone in Beiliang knows about it."

"Is this Xu Nian you in the world of Beiliang?"

"good!"

What the hell!

Xu Nian?

Jiang Ni?

Isn't this the plot in Xue Zhong?

It's just that Su Chen was very confused, how could the plot in Xue Zhong appear in the Shenyu Continent? Xu Zhong is not a martial arts that should belong to Gao Wu. The world?

Su Chen thought about it and felt that it is not unreasonable for the plot in Xue Zhong to appear in the world of cultivating immortals. The plot in Xue Zhong can open the gate of heaven, and even some masters are very powerful.

And those spiritual beasts,

Xue Zhong should It is the lowest world of cultivating immortals, or even a world of cultivating immortals that has just started.

Su Chen looked at Xu Nian and said with a smile,"Xu Nian in Beiliang world, I have heard of your name. You are here for Yun Has the Lanzong martial arts competition come about? Xu

Nian nodded and replied,"Yes, I also travel everywhere. I won't miss such a lively scene.""

"Yes, I also like to watch the excitement very much. Seeing that Su

Chen was also a great master, Xu Nian invited him,"Brother, why don't you go to Yunlan Sect with me, so that we can have someone to take care of you.""

Su Chen refused directly after hearing Xu Nian's words,"No need, I just took a look. You are the heir apparent of Beiliang and I am just a commoner, so I won't bother you."

You're kidding!

Su Chen doesn't want to be with this Sangmenxing.

Xu Nian has been chased and assassinated from beginning to end. Maybe there is someone hiding aside to assassinate Xu Nian.

Su Chen doesn't want to be involved in Xu Nian's actions. The whole thing was broken. When

Jiang Ni heard Su Chen's refusal, she persuaded her,

"Su Chen, it's dangerous for you to go to Yunlan Sect alone."

"You'd better go with us, so that I can help you take care of the children. We have four women here, which is better than you taking care of the children alone!"

"I....."

"Don't let me go, that's the decision." Jiang Ni interrupted Su Chen and decided,

I'll do it!

How could this Jiang Ni decide for Su Yue without permission?

This woman really made Su Chen very speechless.

After breakfast,

Su Chen was helpless They set off with Xu Nian and the others. Although this town is not far from Yunlan Sect, it still takes almost a day to get to Yunlan Sect.

In the carriage,

Su Chen, Xu Nian, Jiang Ni, and a woman sat In a carriage, Jiang Ni hugged Su Yue when she came out of the inn and did not return it to Su Chen. Su Yue also giggled and glared at Jiang Ni.

Xu Nian poured a cup of tea for Su Chen. He smiled and asked,"Brother Su, where are you from?"

"I? I am.....I am a wanderer, wherever I go is my home."

Su Chen doesn't want to reveal his identity yet.

The city of Hangzhou in the Eastern Continent is probably a popular place on the border. The people here in the border of the Southern Continent and the Eastern Continent probably know what happened in Hangzhou City.

Jiang Ni heard Su from the side. Chen said mockingly,

"Nonsense, you are a noble person, and your temperament is even nobler than that of Xu Nian, and what Su Yue wears is not ordinary. You cannot be a wandering person."

"Hey, I'm all pretending."Su Chen coughed awkwardly and then said,

"I do not believe!"

"Whether you believe it or not is none of my business, I just believe it myself."

Xu Nian laughed loudly when he heard Su Chen's words and said,"Haha, Brother Su is free and easy. He knows me very well. What kind of prince is he? What aristocrat? Brother, I don't care either."

"You really don't care?"

"not give a damn about!"

Su Chen smiled slyly and said, "Then let's switch. I will be your heir apparent, and you can go wandering for me."

"Forehead! Can this still change the identity?"

Xu Nian was confused when he heard Su Chen's words.

He didn't expect Su Chen to be so shameless and exchange identities?

Swap, can't his identity be exchanged with this shameless bastard?

Su Chen looked at Xu Nian said jokingly,

"Why can't it be replaced?"

"From now on, I will pretend to be you and enjoy the glory and wealth, and even enjoy your beautiful maids. You can travel around various continents on my behalf, isn't that good? Xu

Nian pointed at Su Chen and cursed, "Shameless, Brother Su, you are so shameless. I will not exchange identities with you.""

Xu Nian admired Su Chen very much.

He couldn't compare to this bastard's shamelessness.

This bastard also wanted to have his maid's idea.

This made Xu Nian refuse without even thinking.

Jiang Ni and the man in red next to him The beautiful maids in short skirts looked at Su Chen with dissatisfaction in their eyes.

They didn't expect that Su Chen would be so shameless.

This bastard already had children, and yet he was so lustful.

If Jiang Ni hadn't seen Xiao Yue'er To save face, she would have chased this bastard away long ago.

"who? Protect the prince quickly."

At this time, there was a sudden sound of fighting outside the carriage, and Xu Nian's guards even shouted one by one to protect Xu Nian.

"You stay in the carriage while I go out and take a look."

Xu Nian hurriedly took his two knives and said to the people in the carriage, and he quickly left the carriage.

I wonder!

I really shouldn't be with this Sangmenxing.

It's not even an hour. He encountered an assassination, and he didn't know how many assassinations he would encounter along the way.

Su Chen was really speechless.

Now that he was on the pirate ship,

Su Chen just said that he didn't know Xu Nian. I'm afraid the assassins wouldn't believe him.

He You can't teleport away now, right?

Jiang Ni is a woman who doesn't know martial arts, and there are several powerful assassins coming this time. Old Huang and Li Chungang will probably be lured away by those masters soon.

Su Chen If the time left,

Jiang Ni, a woman without cultivation, would probably be in trouble, and might even be killed.

"Su Chen, don't worry, we have two powerful masters here, and those assassins are nothing to worry about."

"Ah! Hope so."

Chapter 1396

Su Chen shook his head when he heard Jiang Ni's words.

He had checked the strength of these people in Xu Nian before. Lao Huang was a cultivation state in the Golden Core realm, while Li Chungang was a cultivator at the peak of Nascent Soul. The rest Those people are cannon fodder.

These two people are much more powerful in the Shenyun Continent than in the snow, but their opponents are also very powerful. The assassins who came this time are not simple.

"What do you mean?"The woman in the red dress looked at Su Chen with a long sword and asked doubtfully.

She felt that there was something in Su Chen's words.

She even felt that this pervert had no confidence in their guards at all.

Su Chen looked at the woman in the red dress and asked The message said,

"Your name is sweet potato?"

"You know me?" The woman in the red dress was very surprised when she heard Su Chen call her name. She had never been out of Beiliang Prince's Mansion. There were very few people who knew her name. How could this pervert know her? Name? Su Chen smiled and continued to transmit,"Of course, I know everything about you, do you want to hear it?"

"

"In no mood"

"In no mood? Don't you want to? Or don't you want others to know your true identity?"

"you....."

Hongshu held the sword in his hand tightly with a serious look on his face.

She didn't expect that Su Chen knew everything about her, which made her decide to kill Su Chen to silence him.

When Su Chen saw that Hongshu was about to attack him, he reminded him,

"Although your strength is not weak, you are still not my opponent. You'd better not take action against me." Jiang Ni looked at Su Chen and then at Huang Hongshu with a puzzled look. She couldn't understand why the two people were fighting. What Jiang Ni didn't know was that Su Chen and Hongshu were talking through sound transmission just now. , Jiang Ni has no cultivation at all, she has to know what happened just now. Hongshu drew out her long sword, pointed at Su Chen and asked,"Who are you?" Are you with the assassins outside?" When Su Chen heard that Hongshu had no brains, he curled his lips and said angrily,"Are you an idiot? Will an assassin bring a child with him to kill him? I didn't want to go to Yunlan Sect with you in the first place. I blame Jiang Ni for this.

"

"Why do you blame me?"

Jiang Ni looked at Su Chen in confusion and asked.

Su Chen took Su Yue from Jiang Ni's arms and said,"If it weren't for you, would I have been implicated in this assassination?"

Jiang Ni said embarrassedly when she heard Su Chen's words, "I.....Aren't I worried that you can't take care of Yue'er by yourself?"

Hongshu asked hurriedly with a serious face, "Su Chen, are you sure the enemy coming this time is very powerful?"

"One late Nascent Soul stage, two Jindan realms, five powerful puppets, and more than a dozen masters are left."

"hiss! Why are there so many masters coming this time?"

Hongshu was very surprised when she heard Su Chen's words.

She didn't expect so many masters to come this time.

Only Lao Huang here is a master of the Golden Core Realm. Li Chungang's strength is unknown, but if Lao Huang and Li Chungang are restrained,. Then none of the remaining people among them can be the opponent of the masters of the Golden Core Realm. Besides, there are more than ten master assassins.

"Su Chen, how did you know? Who are those people?" Jiang Ni asked suspiciously when she saw Su Chen teasing Su Yue.

Jiang Ni heard Li Chungang say last night that Su Chen was not simple. She didn't believe it at first, but now she believes it. This bastard Su Chen must be a powerful person. master

"Guess!"

Jiang Ni looked at Su Chen and wanted to strangle this bastard to death, "You bastard!" When is this, can't you tell us sooner? Su

Chen shook his head and refused, "No, we are not familiar with each other, why should I tell you?"

Jiang Ni had nothing to do after hearing Su Chen's words.

They were indeed not familiar with each other, but the fighting outside was getting more and more intense. If this bastard still refused to tell them, they didn't know how to remind Lao Huang and Li Chungang. To prevent them from being led away.

Jiang Ni suddenly looked up at Su Chen and said with a blush, "You.....I have decided that I will be Yue'er's godmother from now on. Can you tell me now?"

"puff! What did you say? Can you say that again?"

Su Chen almost choked to death when he heard Jiang Ni's words.

He just took a sip of wine and spit it out.

Jiang Ni watched Su Chen spray the wine all over Hongshu. She was afraid that the angry Hongshu would take action against Su Chen, so she Jiang Ni hurriedly grabbed Hongshu.

Jiang Ni grabbed Hongshu and said loudly to Su Chen, "I said that I will be Yue'er's godmother in the future. Do you understand?"

I guess!

This little girl Jiang Ni wants to take advantage of his daughter?

Su Chen was also completely speechless towards Jiang Ni.

He also guessed Jiang Ni's plan, but he didn't know the assassin at all. How could he tell them? Could it be that Jiang Ni Did Ni want him to take action?

Boom boom boom!

At this time, the carriage was also affected by a powerful attack.

Su Chen hugged Su Yue and took Jiang Ni with one hand and disappeared into the carriage in an instant. Hongshu also broke open the carriage and flew away. After they disappeared, the carriage was completely shattered by the bombardment.

In the mountain forest, dozens of people were fighting desperately.

Su Chen appeared next to him holding Su Yue in one hand and holding Jiang Ni in the other.

At this moment, the old man Huang and Li Chungang are no longer here.

Didn't Su Chen expect that the two old men were lured away so quickly? He felt that the two old men were idiots. They couldn't see such an obvious move. No wonder they were all losers.

A guard commander shouted while killing, "Kill, move closer, all move closer to the Crown Prince, protect the Crown Prince."

Xu Nian also fought with two strange armored men with two swords, but he is in danger now. If no one saves him, Xu Nian may be dead this time.

"Prince, be careful."

A woman in Tsing Yi saw another strange armor man appeared and was about to attack Xu Nian. She held a Chang Ge and tried to stop it, but she was still a step too slow. The woman in Tsing Yi hurriedly reminded Xu Nian loudly."

Bang!

At this time,

Hongshu Holding a long sword, she stopped the assassination of Man A, but she also had a hard time. She was shocked by Man A and vomited blood and flew backwards. Not only were these Man A invulnerable, they even had the peak strength of the Grand Master. Xu Nian's These subordinates are simply vulnerable to the attacks of these armored men.

"The One-Sword Immortal kneels down!" Xu Nian also used his unique skills when facing the attacks of the two armored men.

Boom boom boom.....

"Holy shit! What kind of monsters are these? Why can't it be killed?" Xu Nian was very surprised when he saw that even his ultimate move couldn't kill these armored men. His attack on these armored men was like attacking on fine iron, and the sword sparked sparks, but the armored men actually There was no damage at all, he even just forced these armored men back a few steps. Su Chen took Jiang Ni and sat on a stone aside to watch the fight. After he heard Xu Nian's nagging, Su Chen smiled. He shouted to Xu Nian,

"These are the red armors of Fu Jiang"

"Their bodies are engraved with talismans, and their defense power is amazing. Without strong strength, they cannot be killed at all."

"Xu Nian, if you don't want to die, go ahead and kill them. These red armored talisman generals won't get tired and are not afraid of pain. You have to be careful."

Chapter 1397

Jiang Ni was speechless when she heard what this bastard said.

This bastard simply couldn't bear to watch the fun. She was worried to death now, but this bastard still wanted to make fun of Xu Nian.

Jiang Ni now wanted to stop this bastard's mouth.

While Xu Nian was dodging the attacks of the two red-armored talisman generals, he shouted to Su Chen, "Brother Su, aren't you here to help?"

Su Chen hugged Su Yue and smiled and said,

"Xu Nian, didn't you see me holding my daughter? This kind of fighting and killing is not suitable for me"

"I'll do it!"

Xu Nian was accidentally knocked away by the red armor of Fu.

He was really helpless towards Su Chen.

Although Su Chen didn't see the situation getting better even if he came to help, this bastard was watching them risk their lives. The battle made Xu Nian very unhappy.

If it weren't for the speed of these talisman red armors,

Xu Nian would have been killed long ago.

Xu Nian can only hope that Lao Huang and Li Chungang will come back as soon as possible, otherwise this This time he was really horny.

Su Chen hugged Su Yue and touched her little red face and asked, "Yue'er, are you scared?"

Su Chen looked at the roar of the fighting around him.

He was also worried that Yue'er was not used to it.

"beat.....beat.....beat....."

Su Chen smiled and kissed Su Yue and said,

"Haha, as expected, my good daughter is exactly the same as your sister, but you must not imitate your sister. Your sister Su Yan is a crazy girl. When you grow up, you must not be like your sister."

Su Yue laughed happily after being kissed,

"Giggles....."

When Jiang Ni heard what Su Chen said to Yue'er, she said angrily to Su Chen, "Is this how you teach your daughter? Also, you bastard actually has a daughter?"

Su Chen rolled his eyes at Jiang Ni. Ni was speechless and said, "Jianghu people and immortal cultivators will inevitably fight and kill each other in the future. Is there anything wrong with me teaching my daughter this way? Is this weird for my other daughter?"

"you....."

Jiang Ni didn't know how to refute Su Chen.

What this bastard said was right.

People can't help themselves in the world, just like Xu Nian.

He didn't offend anyone at all, but because of Xu Nian's identity, he was always a Being assassinated constantly.

Xu Nian never liked practicing but was forced to practice. He didn't like killing people, so now he has to kill people.

It's just that this bastard is not very old, how come he has two daughters? How old is his eldest daughter? According to this bastard, his eldest daughter Su Yan is definitely not too young.

"Bluebird beware!"

At this time,

Jiang Ni suddenly found that Qingniao was surrounded by four or five assassins. She reminded loudly and worriedly that

Qingniao was also being attacked from both sides.

These assassins were very difficult to deal with. Although she was stronger than these assassins, However, the combined attack formations of these assassins were very powerful, and she was accidentally stabbed in the shoulder.

Bump, bump, bump!

Jade Bird kept counterattacking with Chang Ge, but these were useless.

These assassins did not confront Jade Bird head-on at all.

Each assassin quickly retreated after missing a hit. Qingniao's energy was depleted very quickly.

If no one came to help her,

Qingniao would probably run out of energy and be killed by these assassins.

Jiang Ni hurriedly pulled He grabbed Su Chen's arm and said, "Su Chen, save Qingniao quickly, otherwise she will be killed."

Su Chen looked at the blue bird holding the Changge and shook his head and said, "Do you think I can save him? Qingniao is a great master. She can't kill those assassins. Can I?"

Su Chen felt that Jade Bird could still hold on for a while, so he decided to blackmail Jiang Ni this time.

"You can do it, your strength must be very strong, hurry up and take action, I will hold Su Yue"

"Jiang Ni, I am also a great master, maybe not as powerful as the Blue Bird. Are you asking me to die? Or do you want me to be killed so you can take my daughter away?"

After Jiang Ni hugged Su Yue from Su Chen's arms, she said angrily when she heard Su Chen's words, "You bastard, Senior Li said you are very powerful. Stop pretending. If you don't take action, Blue Bird is really going to die."

Su Chen didn't expect Li Chungang to be able to see that he was hiding his strength.

But none of that matters now.

He smiled and stretched out a finger and said, "One hundred thousand gold, I will help you save the blue bird, can you save it?"

"What? What did you say? One hundred thousand yellow....Gold, why don't you die, you bastard? Is it so expensive to save someone?"

Jiang Ni felt dizzy when she heard Su Chen's words.

This damn bastard!

It costs one hundred thousand taels of gold to save a person?

Why doesn't this bastard die? She doesn't even have one hundred taels of gold now. How can she have so much? Give the money to this bastard.

Su Chen crossed his arms and said with a smile, "That's the price. If you don't want to save me, just pretend I didn't say anything."

Jiang Ni shouted hurriedly when she heard Su Chen's words,

"Save, I agree, save quickly, but I don't have that much money, I will pay you back slowly in the future."

Jiang Ni can only save people first. As for the one hundred thousand gold owed to this bastard, we can only talk about this later, or even find a way to turn away the one hundred thousand taels of gold in the future.

Su Chen reminded Jiang Ni, "Okay. But if you can't resolve it within a year, prepare to be my maid."

"Phew, I agreed, help people quickly." Jiang Ni saw that Jade Bird was in a very critical situation, and she quickly nodded and agreed without thinking. When

Su Chen saw that Jiang Ni had agreed, he looked at Jade Bird and waved his hand, and Jade Bird suddenly disappeared from the place where they were fighting. And the blue bird appeared next to Jiang Ni in an instant.

Jiang Ni looked at the blue bird that suddenly appeared next to her.

She didn't think that Su Chen just waved his hand, and the blue bird appeared next to her in an instant.

How strong is this bastard? How powerful?

Qingniao also looked at Jiang Ni and Su Chen in confusion. She was resisting the attacks of those assassins just now, but she appeared here in an instant, which made her not understand what happened.

"If you save someone, don't forget the one hundred thousand gold." Su Chen raised a finger to Jiang Ni and said with a smile.

Jiang Ni wanted to faint when she heard Su Chen's words.

It's too easy for this bastard to save people. He only saved them in an instant. This But one hundred thousand gold!

Damn bastard!

This bastard must have done it on purpose.

Jiang Ni felt that Su Chen was setting a trap for her, but in order to save people, she had to get in even if it was this bastard's conspiracy. She Looking at Su Chen, she wanted to strangle this shameless bastard.

Jiang Ni looked at Su Chen and couldn't help but cursed,

"You are such a shameless bastard. You are so powerful, why don't you save us people?"

Su Chen took Su Yue from Jiang Ni's arms and asked, "Are we familiar? Don't forget that we just met, and I don't even know if you are good people. Why should I save those people?"

Chapter 1398

Jiang Ni fell silent when she heard Su Chen's words.

She didn't expect Su Chen to say this, but what Su Chen said made sense. They had just met, and they didn't even know each other's backgrounds.

Qingniao understood now.

She didn't expect that Su Chen had saved her just now, but she wouldn't thank this bastard. This bastard saved her and even asked for 100,000 gold for Jiang Ni. Is her life so valuable?

In this mountain forest leading to Yunlan Sect, the battle of dozens of people attracted many warriors.

Around the battlefield, many people were watching the battle here, and these warriors did not want to help any party.

In the Southern Continent, it is common for enemies to kill them. As long as it does not affect them, these warriors will not meddle in their own business.

"Who are these people? Why is there a fight here?"

"They are all from the Eastern Continent, maybe they are enemies."

"Well, their fighting methods are not like us fighters, but these people are very powerful. The Eastern Continent is indeed the most powerful continent in the Shenyun Continent."

"Immortal cultivators are very powerful. After cultivating to a certain level, those cultivators are not only powerful, but their lifespan is also not comparable to that of people from other continents."

"well! Same people but different fates, who told us that the rules of heaven and earth in the Southern Continent are to cultivate fighting spirit? Even if we want to become immortals, there is no way"

"Yes, let's leave. There must be powerful beings here. I'm afraid this place will be destroyed by powerful battles in a while."

The warriors in the southern continent started talking one after another as they looked at the battlefield. Some low-strength warriors left one after another. They did not want to be affected by the battle of powerful immortal cultivators. At this moment, those assassins were there. After the blue bird disappeared, they looked towards Su Chen. They didn't expect that the blue bird would disappear instantly. They looked at each other and then rushed towards Su Chen. When

Jiang Ni saw the assassins rushing over, she hurriedly attacked Su Chen shouted, "Su Chen, look, those assassins are coming, go kill them quickly."

Su Chen stretched out his hand and said with a smile, "Jiang Ni, that will cost more. I just saved people, I didn't say I wanted to kill people."

"you.....How much to add?"

"Just ten thousand gold each for these little minions."

Jiang Ni glared at Su Chen and wanted to eat this bastard, "You bastard, how about ten thousand for each of these little minions? What if those talisman generals have red armor?"

Jiang Ni was about to explode with anger when she heard Su Chen's words.

She clenched her fists tightly and was about to beat this bastard. She also said he was a bastard. Is he a bastard worth 10,000 gold?

Su Chen pretended to think about it. He wanted to answer seriously, "Fu Jiang's red armor is a bit powerful, just 50,000 gold pieces."

When Jiang Ni heard Su Chen's shameless words, she kicked Su Chen,"Go to hell!"

Qingniao couldn't stand listening anymore. It costs

100,000 gold to save a person?

10,000 gold to kill a gangster?

Are all of them so valuable?

If they were all so valuable?

I'm afraid they would have taken care of it themselves. Having sold himself,

Qingniao picked up Changge and said to Jiang Ni expressionlessly,"Jiang Ni, don't use this bastard, I'll kill them."

After Jiang Ni heard what Qingniao said, she hurriedly grabbed Qingniao. She just paid 100,000 gold to let Su Chen save Qingniao. If Qingniao goes over again, I'm afraid she will owe this bastard another 100,000 gold.

"Bluebird, you are injured, don't act rashly, you are worth one hundred thousand gold."

When Qingniao heard Jiang Ni's words, she was filled with dark thoughts.

Is she worth one hundred thousand gold?

Jiang Ni must be obsessed with money.

However, she suddenly thought that Jiang Ni owed Su Chen one hundred thousand gold just to save her. She thought that if Soon she will be in crisis again, and Jiang Ni will probably owe this bastard another hundred thousand gold.

"Su Chen, I agree, kill these assassins quickly, they are coming."

"Did you really agree?"

"Agreed, you bastard, hurry up and take action."

Boom!

Su Chen suddenly burst out with a powerful aura and pressure. The powerful aura and pressure instantly suppressed the five assassins. Each of these assassins looked at Su Chen in horror and couldn't move. Su Chen picked up a few of them. Small stones were shot at the heads of these unable to move assassins.

Swish, swish, swish.....

Small stones directly penetrated the heads of these assassins, and each of the five assassins died completely with their eyes wide open.

Su Chen clapped his hands and looked at Jiang Ni with a smile and said, "Okay, Jiang Ni, you owe me another 50,000 gold. This adds up to 150,000 gold. You have to remember it clearly."

Jiang Ni and Jade Bird were stunned. Looking at Su Chen, they didn't expect that Su Chen would kill someone so easily?

Grandmaster?

This guy is a shameless bastard who pretends to be a pig and eats the tiger.

Anyone who wants to believe that this bastard is a great master will definitely be tortured to death by this bastard in the future.

Jiang Ni patted her forehead and sat down on the stone dejectedly. She had a very headache now. How could she pay back fifteen gold coins? Even if you sell her, you won't get 150,000 gold.

At this time,

Qingniao suddenly saw Hongshu being knocked away by a talisman.

Hongshu vomited blood and fell to the ground.

Qingniao was very worried when she saw that Hongshu was seriously injured, but her strength was not as good as that of Hongshu. Even in the past, she had given away people's heads, but she couldn't watch Sweet Potato being killed.

Qingniao bit her lip and said hurriedly to Su Chen, "Su.....Su Chen, if you save Sweet Potato again, I can owe you one hundred thousand gold."

"Um?"

Su Chen was very speechless when he heard what Jade Bird said.

These women are all paupers. How could they have money to save people? Wasn't Jade Bird writing a bad check for himself?

Su Chen also wanted to tease Jiang Ni just now. Money, why does Qingniao use money to save people?

Qingniao is a maid and a dead soldier.

Does she have money?

The combined money of Qingniao and Jiang Ni, I'm afraid they can't even have a hundred taels of gold.

"What I said is true." Qingniao saw Su Chen's disbelief and hurriedly assured,

"What if you still don't pay?"

"If I can't pay you back, then my life will be yours from now on."

"It's a deal!"

"It's a deal!"

Bang!

Su Chen smiled after high-fiving Qingniao.

Su Chen touched his chin and thought about whether he should deceive all Xu Nian's beautiful maids this time. It seems to be very easy to do this.

Save a woman These women definitely couldn't afford one hundred thousand gold. Even Xu Nian might not be able to pay one hundred thousand gold.

Whoosh!

Sweet Potato appeared next to Qingniao and Jiang Ni in an instant.

Su Chen saw that Sweet Potato was in a very dangerous situation. , he hurriedly used space movement to rescue her. The sweet potato was more seriously injured than the blue bird. There were scars all over his body. He didn't know if there would be scars in the future.

"Sweet potato, don't you mind?"

"I.....Why did I suddenly appear next to you? How is this going?"

Chapter 1399

Qingniao and Jiang Ni looked at the scarred sweet potato, and they hurriedly checked it. They were worried that sweet potato would die of excessive blood loss, and sweet potato was in very bad condition.

Su Chen didn't care about Qingniao and Jiang Ni.

He looked at Fu Jiang Hongjia and was very confused.

Although Fu Jiang's red armor is not very powerful, he is invulnerable and even has the ability to attack with various attributes of metal, wood, water, fire, and earth.

He thought that if the movement speed of Fu General Red Armor could be solved, Fu General Red Armor would be even more powerful in the future.

Su Chen was very interested in these Fu General Red Armor.

He hurriedly used his mental power to check the coming Fu General Red Armor. He wanted to get control of Fu General Red Armor. He would let the little fox study these puppets later. Maybe there will be some surprises. Su Chen suddenly discovered that there was a drop of blood in the center of the talisman's red armor. The drop of blood was protected by layers of talisman seals. If the red armor of the talisman general was not destroyed, it would be impossible for others to take out the drop of blood. This made Su Chen touch his chin and guess, "Eh? Is it because of this drop of blood that the red armor of Fu General obeyed the order? Is this also a drop of blood to recognize the master?" Whoosh! Su Chen directly used his space magic power to remove the drop of blood. Fu Jiang Hongjia, who was running towards him, suddenly stopped. Fu Jiang Hongjia stood motionless on the spot.

"Ha ha! Sure enough, these Fu Jianghong would change hands when he met him."

Su Chen smiled and forced out a drop of blood and moved it into the center of Fu Jiang's red armor.

"Come here" dong dong dong.....

After hearing Su Chen's order, Fu Jiang Hongjia moved quickly.

After a while, when Fu Jiang Hongjia came to Su Chen's side, he stood behind Su Chen to protect him.

Su Chen looked at the Fujiang Red Armor behind him and laughed.

He did not expect that Fujiang Red Armor could also control the mind, and the Fujiang Red Armor was actually made entirely of meteorites from outer space. This is an amazing treasure.

"you.....how did you do it? Jiang Ni asked in surprise when she saw Fu Jiang Hongjia standing behind Su Chen.

When Fu Jiang Hongjia ran over, she and Qingniao wanted to see how Su Chen would deal with this puppet, but Fu Jiang Hongjia arrived. Not only did Su Chen not attack, but he also stood behind this bastard, looking like he was protecting Su Chen.

Qingniao immediately held the Changge on guard against Su Chen, and she felt that these talisman generals in red armor might belong to this bastard.

And Jiang Ni I think Su Chen might have used some method to control the red-armored talisman general.

"A little trick, Qingniao, you want to kill me?"

"without.....No!"

Qingniao waved her hands hurriedly with a cold face.

She also knew that she had misunderstood Su Chen just now. This bastard wants to kill them all. I'm afraid no one can stop him. This talisman general in red armor is probably under the control of Su Chen.

"It's best not to, Qingniao, I've already saved the person, and I won't be able to pay him back within a year. You should know what to do."

"I see."

Su Chen looked at Qingniao and sat down next to him.

Su Chen was not in a hurry to conquer the remaining four talisman generals in red armor. There was also a master of the Golden Core Realm hiding around him. He wanted to know the rest. A master of the Golden Core Realm, why hasn't he taken action to kill Xu Nian?

Now is the best time to kill Xu Nian, but why doesn't the Golden Core Realm master take action?

"father.....daddy....Dad."

At this time,

Su Yue in Jiang Ni's arms murmured.

Su Chen immediately got up and took Su Yue from Jiang Ni's arms. He cherished his daughter very much, "Xiao Yue'er, what's wrong? Do you miss daddy?"

"hug.....hug.....hug"

"Haha, isn't dad hugging you? Xiaoyue'er, are you hungry?"

"Watch the fight.....beat." Su Yue looked at the battlefield and said in babbling words.

Su Chen was very speechless when he heard Su Yue's unclear words.

He is now worried that Su Yue will become a crazy girl in the future. If Su Yue and Su Yan are in trouble in the future, Similarly, when he grew up, he would also cause trouble everywhere. Su Chen would have headaches from now on.

"Haha, you bastard, look what you have taught your daughter to be like"

"none of your business!"

"You bastard!"

"Jiang Ni, you should think about how you will pay back the money in the future!"

"I.....I will pay you back later."

At this time, on the battlefield,

Xu Nian's guards were almost dead. Only three or four of the dozen guards were left, and each of them was injured.

Xu Nian and the remaining guards were in great danger.

When Jiang Ni saw the situation on the battlefield, she hurriedly said, "Su Chen, if you don't take action to save Xu Nian and the remaining people, I can owe you another five hundred thousand taels of gold."

Su Chen sneered when he heard Jiang Ni's words,

"laugh! Can you pay it off? This adds up to 650,000 taels of gold, and you won't be able to pay it back even in ten lifetimes."

Qingniao helped Hongshu come to Su Chen and said coldly, "And we, Hongshu and I can also pay back the money together. Hongshu said with a serious expression, "Yes, as long as you save the prince and other people, we will return your money even if we work hard.""

Su Chen looked at Xu Nian's situation and shook his head.

"You may not know that there is a master of Jindan realm hiding here. If I save Xu Nian and others now, if the hidden master comes out, wouldn't I be dead?"

Su Chen also lamented the halo of Xu Nian's luck as the protagonist.

Xu Nian was beaten and bruised, but he still avoided the red-armored assassin of Fu General. He also wanted to know if there would be other masters coming to save Xu Nian?

"Su Chen, you saved Xu Nian first. They are talking about it, and we will talk about the rest later."

"Yes, you save the prince first. If that master of the golden elixir realm appears, we will not harm you even if we all die."

"Mr. Su Chen, please save the prince first."

Jiang Ni, Qingniao and Hongshu couldn't hold on when they saw Xu Nian and the others. If Su Chen didn't take action, I'm afraid Xu Nian and the remaining people would be killed. They were all anxious to deal with Su Chen. He pleaded.

Su Chen was very speechless when he looked at these women.

Xu Nian was a lucky protagonist after all.

How could he die so early?

But why has no one come to save Xu Nian until now?

Isn't the lucky protagonist in danger? Will someone come to save him?

Is Xu Nian a fake luck protagonist?

Su Chen looked around and found no other powerful masters. There was only one Jindan realm master here, and the rest were just watching. They were all little shrimps.

Su Chen touched his chin and thought for a while before deciding to save Xu Nian, just for the sake of these beautiful maids.

He quickly used space to move the remaining talismans away from the blood in the red armor center. came out, and after forcing out a few drops of blood, he quickly controlled the remaining four red-armored talisman generals.

"What's going on?"

Xu Nian was avoiding the pursuit of two talisman generals in red armor, but these talisman generals in red armor suddenly stood there motionless, which made Xu Nian confused for a moment.

And the other two talisman generals in red armor suddenly stood there motionless. General Hongjia also stopped chasing Xu Nian's guards.

There were only some masters left on the battlefield who were still assassinating Xu Nian's men, but this was nothing to worry about.

Xu Nian plus his men, these masters' assassins I can't kill them either.

Su Chen looked at Jiang Ni and the three girls and smiled and said,

"The three of you owe me a total of 750,000 gold. I'm afraid I won't be able to pay you back even if I sell you. Haha, you'd better prepare to be my maid."

"Oh my god, 750,000 gold, blue bird, sweet potato, what are we going to do in the future? Do we really have to be this bastard's maid?"

Chapter 1400

Jiang Ni looked like she was dying when she heard Su Chen's words. The three girls really couldn't afford so much money.

Seven hundred and fifty thousand gold!

This is really a huge number, and they will never be able to afford this much money in their lifetimes.

Qingniao and Hongshu also had uneasy expressions.

Su Chen controlled the red armor of Fu General so easily and saved Xu Nian and the guards. They also owed this bastard hundreds of thousands of gold.

Owing so much money, they will have no choice but to sell themselves to this bastard in the future.

At this moment, on a big tree next to the battlefield, an old man and a young man were watching the fighting on the battlefield.

The old man was about to kill Xu Nian, but one of Fu Jiang's red armor suddenly lost control.

This made the old man dare not act rashly.

He was worried that there were powerful people hiding here around him.

The young man suddenly discovered that the other four Talisman Generals Red Armor had also lost control. He hurriedly said to the old man next to him,

"Master, the other four talisman generals Hongjia also lost control. How did this happen?"

The old man looked around and said seriously.

"Let's go, leave here. This assassination has failed. Li Chungang is probably coming back, and there is a powerful master hiding here. We must leave immediately."

"Master, isn't that young man a great master? How could he possibly control Fu Jiang Red Armor?"

"I'm afraid it's not that young man. Don't be deceived by the appearance. The origin of this young man is unknown. I'm afraid the hidden master is related to this young man."

"I can't kill Xu Nian even with such a good opportunity this time. This Xu Nian is too difficult to kill."

"Whenever there is a chance in the future, we will withdraw!"

"Yes, master!"

Just after the old man and the young man left, the one-armed Li Chungang came back quickly.

When he saw Xu Nian was doing nothing, he waved his hand casually and quickly attacked the assassins with a burst of sword energy. The assassins on the battlefield were all cut by the sword energy. He died from his throat.

When Xu Nian saw that the assassins were all dead, he looked at Li Chungang who was coming and complained, "Damn it, Senior Li, if you come later, we will all be dead." Li

Chungang looked at the four talisman generals in red armor and was very confused, "Isn't your kid not dead?" What's going on with these talisman generals' red armor? Why are you standing here motionless?"

Xu Nian shook his head and replied,

"I don't know. Just now these talisman generals in red armor were chasing me, but suddenly they stopped moving."

"Um? Could it be that Su Chen did it?"

"Suchen? Senior Li, Su Chen is a great master, how could he.....Forehead! Did that bastard really do it? How can this be?"

Xu Nian was about to refute what Li Chungang said, but before he could finish speaking, he saw all the Fu Generals in Red Armor running towards Su Chen one by one, and there was actually a Fu General in Red Armor next to Su Chen. By his side, Xu Nian was dumbfounded and didn't know what to say.

Li Chungang looked at Su Chen and said seriously, "Su Chen is indeed a powerful person. What is the origin of this person? What is he doing by blending in among us?"

Xu Nian looked at the injuries on his body and said casually,

"Why do you care so much? As long as Su Chen is not our enemy, senior Li, you miscalculated this time. You didn't expect that one day you would be lured away from the mountain."

"Well, I miscalculated this time."

Li Chungang nodded and admitted that he realized something was wrong after he was lured away by the Nascent Soul master. If he hadn't been entangled by the Nascent Soul master for a while, he would have returned long ago..

This time it was also thanks to Su Chen's help.

Otherwise,

Xu Nian and the others would have been killed one by one.

Xu Nian's guards are all here, but they are bandaging their wounds.

There are only four of the more than ten loyal guards left. Now, with the addition of Xu Nian and the three girls from Qingniao, as well as Li Chungang and Lao Huang, there are just ten people left.

Xu Nian came to Su Chen and looked at Su Chen carefully.

This shameless bastard is a great master.! But how could he control Fu Jiang Hongjia, who had the strength of a great master?

This Su Chen made him feel more and more mysterious.

Xu Nian clasped his fists at Su Chen and thanked him,

"Brother Su, thank you very much this time."

Su Chen waved his hand and said with a smile, "You don't need to thank me, I'm not doing this for free."

"Brother Su, don't worry, I won't let Su Chen take action in vain."

"Haha, no need, these have nothing to do with you, you should just deal with your injuries."

"Um? Then I will take care of the injury first, and I will discuss it with Brother Su later."

Xu Nian felt very strange when he heard Su Chen's words, but he was seriously injured and didn't think much about it.

Xu Nian could only talk to Su Chen after a while. When

Jiang Ni and the three girls heard Su Chen's words, they All of them are very uncomfortable. They may have to become this bastard's maid in the future. Although they are not willing to do so, they have made a promise and it is impossible for the three of them to go back on it.

They will definitely return hundreds of thousands of gold. No, they can only sell themselves to be this bastard's maid.

Under the big tree, after Lao Huang came back, after hearing Xu Nian's story, he looked at Su Chen and doubted, "Master, this Su Chen, could he be one of us?" That Mr. Su that I met at Miter Auction House?"

Xu Nian shook his head when he heard Lao Huang's words and said,

"Lao Huang, you are overthinking. Didn't you see that Su Chen still had his daughter with him? This bastard is so shameless, how could he be Mr. Su from the fairy world?"

Although Xu Nian didn't see Su Chen's true face that night, he didn't believe that Su Chen was that Mr. Su.

Would Mr. Su bring a child when he came to Shenyu Continent for training?

And Su Chen was not only shameless, but He was also very shameless.

How could he be Mr. Su who came from the immortal world?

Old Huang nodded and thought, "That's right. We didn't see Mr. Su's face clearly that night. I just have some doubts.""

"Okay, hurry up and bandage my wound. Damn it, I was almost killed this time."

Su Chen hugged Su Yue, looked at the five red armored talisman generals, and nodded.

None of these red armored talisman generals were damaged in the battle just now. This shows that the defense of the red armored talisman generals is very amazing.

Su Chen He looked at the three uncomfortable girls beside him and said with a smile, "Jiang Ni, Qingniao, and Sweet Potato, are you going to be my maids now?" Or do you want to regret it?"

"Su Chen, don't we have one year to pay back the money?" Jiang Ni said angrily when she heard Su Chen's words.

Qingniao and Hongshu also hurriedly lowered their heads.

They didn't know how to answer Su Chen.

"Can you pay back 750,000 gold in one year?"

"Forehead! cannot!"

Jiang Ni shook her head and said with an ugly expression. Su Chen immediately said, "From now on, you three girls will be my maids. Hongshu, your name is too unpleasant. From now on, you will be called Hongyi.."
