

## Zongwu 1401

### Chapter 1401

Jiang Ni and the other three were helpless when they heard Su Chen's words. They all nodded in resignation. Even Xu Nian couldn't get 750,000 gold. They really had to be this bastard's maid this time.

Hongshu is blushing now.

She didn't expect Su Chen to change her name,

Hongyi?

What is the difference between this and sweet potatoes? One is an edible sweet potato, and the other is the color of a piece of clothing. What are these and what are they? Is it so difficult to come up with a name?

Su Chen looked at the three women and nodded and smiled.

Among Xu Nian's maids, they were the only three who were okay. Su Chen didn't like the woman next to her.

That woman was only interested in profit.

She protected Xu Nian because of a martial arts secret book. Such a woman could rebel at any time.

After everyone rested for a while, they set off again. Xu Nian and Su Chen ignored the onlookers around them.

In the carriage,

Su Chen sat here holding Su Yue and Jiang Ni who were sleeping.

Qingniao and Hongyi went to Xu Nian in the carriage in front to prepare to say goodbye.

They will be Su Chen's maids from now on, and they will no longer be able to protect Xu Nian. Year.

Su Chen looked at the sleeping Su Yue and asked Jiang Ni in a low voice, "Jiang Ni, are you the princess of Chu?"

"you know?"

Jiang Ni was very surprised when she heard Su Chen's words.

I'm afraid only the Xu family knows her identity.

How did Su Chen know about it?

No, this bastard knew about Hongshu before, eh!

Now her name is Hongyi, and so does he. Knowing Hong Yi's secret identity, where did Su Chen come from?

Why did he know so many secret things?

Su Chen nodded and said, "Well, after the Chu Kingdom was destroyed, you were secretly taken away by Xu Nian's father. , not many people know about this matter."

Jiang Ni hugged her legs in depression and said, "The Chu Kingdom has been destroyed. I am just your maid now, no longer a subjugated princess."

Jiang Ni also wants to leave the Xu family.

Xu Nian's father was the murderer of the Chu Kingdom. Although she has not been targeted in the Xu family, she has always felt very uncomfortable living in the Xu family. This time she left with Su Chen. For her relief.

Su Chen looked at the depressed Jiang Ni and said with a smile, "I hope so. Is Li Chungang going to accept you as his disciple?"

"He always wanted to take me as his disciple, but I don't like fighting and killing, so he never agreed."

"Jiang Ni, if you and I leave, will Li Chungang continue to stay and protect Xu Nian? Or leave with you? Jiang

Ni shook her head and explained to Su Chen, "I don't know. Senior Li was brought by Xu Nian's father to protect Xu Nian. I think Senior Li will continue to stay to protect Xu Nian."

Su Chen rubbed his chin and thought for a moment.

He felt that it was impossible for Li Chungang to leave Xu Nian now.

After all, Li Chungang had promised Xu Nian's father to protect Xu Nian. If he left at this time, he would be breaking his promise. Li Chungang was not a quitter. people

"Su Chen, come out here. I treat you as a brother. I didn't expect you to pry my maid. You are such a shameless bastard."

At this time, outside the carriage,

Xu Nian shouted and cursed at the carriage,

"Your Majesty, we all do it willingly, please stop scolding us."

"Your Majesty, Su Chen did not force us, we also had our own reasons."

Qingniao and Hongyi persuaded Xu Nian.

They didn't want Xu Nian to anger Su Chen.

Su Chen's identity was very strange, and they couldn't even tell how powerful he was. They were worried about Su Chen and Su Chen. Xu Nian had a conflict.

Li Chungang, Lao Huang, and even the remaining guards looked at Su Chen's carriage. They did not expect that Su Chen had pried Xu Nian's maid, which made them confused.

When Su Chen opened the curtains of the carriage, he stretched out his head and said to Xu Nian with a smile,

"Xu Nian, Prince Xu, if you give me 750,000 gold, I will return your maid to you. Otherwise, Jiang Ni, Qingniao, and Hongyi will be my maids from now on. Xu

Nian shouted in confusion when he heard Su Chen's words, "You shameless bastard, why should I give you so much gold?"

"Your maids owe me, otherwise why would they change their maids to be my maids?"

"this.....What exactly is going on?" Xu Nian looked at Qingniao and Hongyi and asked hurriedly,

750,000 gold?

This is a very large amount.

How could Qingniao and the others owe this bastard so much gold?

Qingniao and Hongyi looked at each other and said to Xu As Nian explained,

Li Chungang and Lao Huang, who were next to them, also listened to Qingniao and Hongyi's explanations in confusion.

They did not expect that the three girls of Qingniao would owe so much money.

This is not seventy-five taels of gold, nor seven One hundred and fifty taels of gold, which is 750,000 gold. Even Xu Nian's father couldn't come up with so much gold at once.

Xu Nian had a constipated expression on his face after hearing Qingniao and Hongyi's explanation.

This bastard saved A person wants 100,000 gold?

This person is so black.

Xu Nian wants to beat this shameless bastard right now.

Su Chen looked at the ugly Xu Nian and said with a smile," Xu Nian, do you understand? They saved your life, otherwise why would I save you?

Xu Nian said angrily when he heard Su Chen's words,"Damn, aren't we friends?" Do you want to charge money to save a friend? The lion opened his mouth to pay him back."

Xu Nian wants to sell himself now, one hundred thousand gold?

It's his fault!

He doesn't have so much money, and he has never even seen so much gold.

"friend? Prince Xu, we have only known each other for a few hours, and we may not have spoken more than ten sentences. Do you think we may be friends?"

"I....."

Xu Nian fell silent when he thought of Su Chen's words.

He and Su Chen had just met, and he only knew Su Chen's name. He didn't even know Su Chen's details.

You want to say they are friends?

I'm afraid he doesn't even believe it himself.

Li Chungang and Lao Huang looked at each other in confusion.

They did not expect that things would be like this.

They were all to blame for this.

If they had not been transferred away from the mountain, Xu Nian would not have been in crisis.  
Blue Bird Three It is impossible for a woman to sell herself to Su Chen

"You should think about it carefully, we are going to Yunlan Sect together anyway." Su Chen lowered the curtains of the carriage as he spoke.

Jiang Ni looked at Su Chen with wide eyes and couldn't help cursing, "You are just a shameless bastard!"

"Little maid, I will be your master from now on. Does any maid like you dare to scold the master?"

"I'm still Yue'er's godmother. Do you dare to take action against me?"

"I'll do it!"

Chapter 1402

On the way to Yunlan Sect,

Xu Nian did not come to trouble Su Chen again.

Su Chen and the three women in the carriage were noisy and lively, especially Su Yue's constant laughter, which made the carriage full of laughter.

It wasn't until almost evening that they arrived at the Yunlan Sect.

Under the arrangements of the Yunlan Sect's disciples,

Su Chen and Xu Nian took everyone to live in a small courtyard.

This was the time when the Yunlan Sect looked at Li Chungang and Lao Huang. In terms of face, after all, Li Chungang and Lao Huang are very powerful entities on the border of the Southern Continent.

"Jiang Ni, can we talk?"

Just when everyone was about to leave after dinner,

Xu Nian stopped Jiang Ni who was about to leave.

"Can!"

Jiang Ni looked at Xu Nian and nodded.

She also wanted to make it clear to Xu Nian that

Jiang Ni's identity would be a time bomb if she stayed in the Xu family in the future.

If her identity was discovered by other people, it might be a big blow to Xu Nian. The Xu family brought disaster.

Jiang Ni didn't want the Xu family to be ruined in the future.

Su Chen looked at it and ignored it.

He hugged Su Yue and prepared to go back to rest. The road was bumpy and uncomfortable, and Su Yue was also playing around. After a day, Su Chen didn't want to delay Su Yue's rest.

"Su Chen, I want you to give up letting Jiang Ni, Qingniao and Hongshu be your maids."

Just when Su Chen walked to the backyard and was about to enter the room to rest,

Lao Huang appeared with a serious face and said to Su Chen.

When Su Chen heard what Lao Huang said, he nodded and said,

"Sure, after the 750,000 gold arrives, it's time for Blue Bird and the other three girls to leave."

"You are taking advantage of the situation." Old Huang yelled at Su Chen with an angry look on his face.

Su Chen's face turned cold when he looked at Old Huang, "So what if I just took advantage of the situation and robbed you?"

Old Huang took the sword box from his back and said expressionlessly,

"Su Chen, I don't know how strong you are"

"But Xu Nian and Jiang Ni grew up as childhood sweethearts, and Qingniao and Hongshu were also trained as dead soldiers by the Xu family. It was impossible for them to leave the Xu family, and they had to leave Xu Nian."

"Do you want to take action?"

Su Chen looked at Lao Huang and asked with a cold face.

Su Chen did not expect that Lao Huang would take action against him, and that Li Chungang was also hiding around.

Are they going to kill themselves?

Jiang Ni was taken away by Xu Nian. ,

Qingniao and Hongyi were pestered by another woman to talk and haven't come back yet.

Su Chen also understood that

Jiang Ni and Hongyi, Qingniao were lured away, and

Lao Huang and Li Chungang were coming to force him to give up and let Jiang Ni Ni and the other three girls will be his maids.

"Sorry, I have no choice but to do it."Old Huang touched his sword box with one hand and said indifferently.

Su Chen looked at an attic and shouted with a smile,"Li Chungang, you come out too!"

Whoosh!

Li Chungang appeared in the backyard in a few seconds.

He looked at Su Chen and said cautiously,"Su Chen, you have indeed discovered me. Su

Chen looked at Li Chungang and asked expressionlessly,"Are you also planning to take action?""

"For Jiang Ni and Xu Nian, I had to take action."Li Chungang picked his nose and said helplessly.

Li Chungang was very optimistic about Jiang Ni and Xu Nian. He couldn't just watch Su Chen break up Jiang Ni and Xu Nian.

Moreover, Jiang Ni was a girl he was very optimistic about.

He He was also preparing to accept Jiang Ni as his disciple.

Based on this,

Li Chungang couldn't let Su Chen take Jiang Ni away. Besides, he was not worried about Jiang Ni being taken away by this stranger.

"Did you make the decision without permission? Or does Xu Nian also know?"

"Xu Nian doesn't know, this is our decision"

"So what are you going to do? kill me?"

"It would be best if you could leave on your own. If you refuse to leave, then don't blame us."

Su Chen gently patted the sleeping Su Yue and sneered, "Hi! Have you overestimated your strength?"

Old Huang looked at Su Chen with disdain and mocked, "One of us is in the Golden Core realm and the other is in the Nascent Soul realm, can't we still kill you?"

"Are you sure I am alone?" Su Chen shook his head and said with a smile.

Li Chungang said to Su Chen with a serious face,

"Su Chen, stop playing tricks. I have already checked here. Although there are some masters in the Golden Core Realm in Yunlan Sect, they have nothing to do with you. It is useless no matter how much you talk nonsense. You can either leave Yunlan Sect. Or be killed by us"

"Then you can take action."

Old Huang opened his sword case and threatened,"Looking for death, Su Chen, originally we didn't want to take action, nor did we want to take action against someone holding a child. You forced us to do so."

"What a joke, you guys are trying to kill me and pretending to be a good guy, you guys really make me sick."

Boom!

A sword suddenly flew out of the sword box and attacked Su Chen quickly. Su Chen quickly teleported and disappeared when the sword attacked quickly.

Su Chen appeared on the side and laughed,"Old Huang, Your sword seems a little slow"

"Five swords, Fengxue sends Guanyin to Guanyin with one sword!"

Whoosh!

Boom!"

"Six of Swords, Six Paths of Jiazi lock reincarnation!"

Whoosh!

The two flying swords kept chasing Su Chen to attack.

Su Chen leisurely dodged the attacks of the two swords.

He did not fight back against Lao Huang. For Lao Huang and Li Chungang, he You can kill them with just one hand.

But now is not the time.

Su Chen will wait until he tests some luck problems in the future, and then it will not be too late to kill them.

"Fu Jiang Red Armor, attack me!"

Su Chen suddenly thought of Fu General Red Armor.

He planned to use space movement to speed up Fu General Red Armor to see if he could defeat Lao Huang.

Swish, swish, swish!

Boom, boom, boom!

Five talisman generals in red armor were holding their hands. Weapons appeared next to Lao Huang one by one in an instant, and they attacked Lao Huang with the weapons.

Lao Huang was also shocked.

He did not expect that Fu General Red Armor would appear next to him in an instant, which made him He immediately dodged the attacks of the five talisman generals in red armor.

Su Chen mentally directed the battle to the talisman general in red armor,"The water armor attacks the left wing, the earth armor hides and attacks at any time, the gold armor controls the front, the fire armor attacks the right wing, and the wood armor attacks the right wing." Attack the rear."

Boom, boom, boom.

Bump, bump, bump!

Under the coordinated attack of the five talisman generals in red armor,

Lao Huang was forced to panic for a moment. These talisman generals in red armor were invulnerable. His sword was to attack these talisman generals in red armor. Physically, the attack only produced some sparks.

Moreover, these Fu General Red Armors were extremely fast.

This was not the speed that Fu General Red Armor should have at all.

Boom!

At this time, the earth armor suddenly emerged from the ground and flew towards Old Huang. , Lao Huang did not expect that Fu General Red Armor would actually make a sneak attack, which made him receive a heavy palm from the earth armor and was knocked away. After being knocked away, Lao Huang vomited blood and said in surprise,

"Ahem! How can this be? Why is Fu Jiang's red armor so fast? He actually knows how to coordinate attacks and sneak attacks?"

"There are many things you don't know, such as wooden armor and entanglement!"

Whoosh!

Mu Jia suddenly shot out some vines from between his arms, and these vines quickly wrapped around Lao Huang's body.

Chapter 1403

In the Yunlan Sect, the fight between Su Chen and Su Chen aroused the idea of the masters of the Yunlan Sect. Each master quickly came towards the small courtyard where Su Chen was. They all wanted to know who dared to cause trouble in the Yunlan Sect.

Outside Yunlan Sect, more than a dozen people in black gathered here.

The lowest among these people were Dou Huang. There were four strong people in Dou Sect, and there was even a Dou Zun.

The strong man Dou Zun looked at the crowd and said in a dark voice,

"In the competition in the Yunlan Sect the day after tomorrow, there will be more than a dozen fighting emperors appearing. None of those fighting emperors can be spared. Our Soul Palace needs the souls of those masters."

"Yes, protector!"

"Hide everything from me. You are not allowed to be exposed to me before the competition begins."

"Yes, protector!"

"Um, eh? Why was there a fight in Yunlan Sect?"

A man in black from Douzong saluted the powerful Douzun, "Dharma Protector, do you need me to go check it out?"

The strong man Dou Zun waved his hands and said,

"No need, our big things are important, the fighting in Yunlan Sect is just a small fight, we don't need to pay attention to it"

"yes!"

In the Yunlan Sect,

Yun Yun frowned as she looked to the left side of the residence that entertained visitors. She did not expect that someone would make trouble in the Yunlan Sect.

But she can't control that much now.

Her disciple Nalan Yuyan is making a breakthrough. , she was not worried about her apprentice staying here alone to break through.

In a pavilion in Yunlan Sect,

Jiang Ni suddenly heard a huge noise.

When she saw the direction of the noise, she hurriedly shouted,

"That's where we live? Xu Nian, let's go back quickly. Our residence was attacked."

"Okay, let's go back and take a look."

Xu Nian is also very worried.

There are many strong men coming from the Yunlan Sect this time. Are those assassins still determined to assassinate them in the Yunlan Sect?

At this time, under the influence of Lao Huang's wooden armor, After the strips were entangled, the other four armors rushed towards Lao Huang.

Boom!

Just when Lao Huang was about to be stabbed by the four red armors, Li Chungang knocked all the red armors away with one palm.

"Lao Huang, are you okay?"

Old Huang said with a ashamed look on his face, "It's okay, I didn't expect that I couldn't defeat the five talisman generals in red armor. It's really embarrassing this time."

Li Chungang looked at the repelled Fu General Hong Jia and said in a deep voice,

"These symbols will be different from the red armor"

"This guy doesn't know how he transformed Fu Jiang Red Armor. Fu Jiang Red Armor's speed changed too fast."

"Moreover, the Talisman General Red Armor also knows how to cooperate and make sneak attacks. The Talisman General Red Armor made of meteorites from outside the sky is not easy to destroy. It is impossible to defeat the Talisman General Red Armor with the strength of a grand master, even in the Golden Core realm."

Lao Huang looked at Li Chungang and asked doubtfully, "Senior, can you destroy these red armors of talisman generals?"

"easy!"

Su Chen also ordered Fu General Red Armor to return to him at this time.

Su Chen was very satisfied with Fu General Red Armor's performance just now.

Su Chen did not expect that Fu General Red Armor's speed would increase. Fu General Red Armor knew how to cooperate. The red armor was actually able to defeat a strong man in the Golden Core Realm.

This was unexpected to Su Chen

"Huh?"

Su Chen suddenly felt the necklace around her neck shaking.

"Su Chen, are you in danger?"

Suddenly, a voice appeared in Su Chen's mind. When

Su Chen heard the voice in his mind, he asked warily,

"who?"

A woman's voice cursed in Su Chen's mind, "Su Chen, you bastard can't even hear my voice?"

"Xiao Li? Are you Xiaoli?" Su Chen touched the Tears of the Goddess necklace on her chest and asked.

Seeing that Su Chen recognized her voice, Xiao Li said arrogantly, "Humph, you have passed the test, Su Chen, you have met a powerful person. Enemy?"

Su Chen didn't expect that Xiao Li would wake up at this time.

It has been almost a year. If the Goddess' Tears Necklace hadn't moved intentionally, he would have really forgotten about Xiao Li.

"Well, I encountered two powerful enemies, one at the Golden Core Realm and one at the Nascent Soul Realm.

Xiao Li asked doubtfully, "Golden elixir realm?" Nascent Soul Realm? How could there be immortal cultivators in Tianxuan Continent?"

"Xiao Li, I am now in the world of cultivating immortals, not in the Tianxuan Continent. I will explain these to you later. What is your strength now? Can you defeat these two powerful masters?"

"No problem. I am now at the Nascent Soul Realm, and I am still invincible at the same level. However, if you give me some more spiritual stones, I only have one left."

Su Chen didn't expect that Xiao Li was so powerful now, and it was almost catching up with his cultivation level. "I'll give you some spiritual stones later, Xiao Li, I didn't expect that your strength would grow so fast."

Xiao Li smiled when he heard Su Chen's words and said, "I am the Tears of the Goddess. I know all the skills of the goddess. My practice is like re-cultivation, so my strength will increase so quickly."

"Xiao Li, you don't have to show up this time, I can deal with them with my strength.

Xiao Li asked suspiciously when he heard Su Chen's words, "Then why don't you kill them?"

"I want to test luck in the future. You should know something about luck, right?"

"I really don't know this. When my strength reaches the level of transcending tribulation, I should have some memories of the goddess."

"Let's talk again later, someone comes over."

Su Chen suddenly sensed that many strong men were coming, and he hurriedly told Xiao Li in his mind.

After hearing this, Xiao Li said worriedly, "Okay, if you are in danger, I will show up to help you."

"Xiao Li, don't show up without my instructions. It's impossible for anything to happen to me."

"All right!"

At this time, six or seven masters of the Golden Core Realm appeared in the small courtyard. Among these people, several Dou Huang also appeared nearby. When they arrived, they looked at Su Chen, Li Chungang, and Lao Huang in the backyard.

"Hey, it's interesting for a great master to confront two strong men."

"This is very strange. A grand master with five puppets dares to provoke two strong men. This young man is still holding a child. Does he want his life?"

"Yes, why did this young man come with his child and provoke two powerful beings?"

"These five puppets look a little different. They seem to be made from meteorites. However, the speed of the cumbersome puppets is a flaw."

"Yes, but why didn't these two powerful men take action?"

The powerful men who arrived looked at the situation in the small courtyard, and they started talking one after another.

They didn't expect that it would be such a situation. A grand master holding a child and carrying five puppets would dare to provoke him. Two powerful existences, this is really the fearlessness of the ignorant!

"Su Chen, you are dead this time and no one can save you."

Li Chungang didn't pay attention to the people who arrived. These people were all at the Golden Core Realm (Douhuang). He was at the Nascent Soul Realm. Even if these people attacked together, he could defeat them.

"Who dares to touch this bastard Su Chen? I will kill anyone." A cold and arrogant woman's voice suddenly sounded in the small courtyard.

Chapter 1404

In the small courtyard of the Yunlan Sect, when Li Chungang vowed to kill Su Chen, a noble woman in a red dress suddenly appeared in the small courtyard.

She looked at Li Chungang and mocked disdainfully, "I will kill anyone who dares to touch this bastard Su Chen."

Su Chen was very confused when he saw the woman who appeared.

He did not expect that Queen Medusa was also here.

Is this the inertia of the plot?

Xiao Huohuo did not meet Queen Medusa in the desert, and even Qinglian Earth Heart Fire was obtained by Queen Medusa, but why did Queen Medusa still come to Yunlan Sect?

Could it be that Queen Medusa met Xiao Huohuo elsewhere?

However, after Medusa's female strength evolved after conquering the Qinglian Earth Core Fire, she is now as strong as a Nine-Star Douzong.

Huh?

Not right either!

Queen Medusa seems to be defending herself, right?

But how is this possible?

Queen Medusa wanted to kill herself, so how could she say anything to defend herself?

Could it be that Queen Medusa wanted to kill herself with her own hands?

At this time, the strong men around looked at Queen Medusa one by one.

This woman is not only powerful, but also very beautiful and noble. But why does this woman want to protect a small grand master? This makes even the strong men here confused.

Jiang Ni, Xu Nian, and even Qingniao and Hongyi also came at this time.

They were all very confused when they saw the situation here.

Why did it seem that Lao Huang and Li Chungang were going to take action against Su Chen? Even a powerful, beautiful and noble woman is protecting Su Chen? This makes them all very confused.

"Who are you?"

Li Chungang looked at Queen Medusa and asked warily.

Although this beautiful and noble woman is stronger than him, a fighting spirit practitioner may not necessarily be his opponent as an immortal cultivator.

"Do you want to kill Su Chen?"

"good?"

"Then you die!"

Boom!

When Queen Medusa heard Li Chunfeng's words, she struck Li Chungang with a palm.

"court death!"

Li Chungang hurriedly dodged the attack, and he also started to attack Queen Medusa.

Li Chungang appeared in the air in a flash,

"The One-Sword Immortal kneels down!"

"The scaly python is pointing towards the sky!"

Boom!

Li Chungang rushed towards Queen Medusa from the air, and Queen Medusa immediately waved her palm to attack Li Chungang in the air. The collision of evil spirits between them erupted with a powerful momentum that shocked the people around them and kept retreating.

Li Chunfeng and Meidu Queen Sha was shaken back a few steps, and the surrounding rooms were shaken to the point of collapse.

Li Chunfeng waved his hand, and a long sword flew into his hand. This time he wanted to be serious. Now, the power of Queen Medusa forced him to take it seriously.

Queen Medusa flicked her sleeves, and she looked at Li Chunfeng with a serious face. The immortal cultivator was more powerful than she imagined. Her strength was Stronger than Li Chungang, but they were evenly matched in the probing attack just now.

It is really uncertain whether this battle will be won or lost.

Su Chen protected Su Yue and looked at Queen Medusa and frowned. Queen Medusa would not really Was it because she wanted to kill herself with her own hands that she fought with Li Chungang?

Boom!

Just when Su Chen was thinking about the real purpose of Queen Medusa's arrival this time,

Lao Huang suddenly launched a sneak attack on Su Chen, using two swords He shot Su Chen instantly.

Su Chen teleported away after discovering it. Although he was thinking about something, there was someone who wanted to kill him, but he did not relax his vigilance at all.

Su Chen appeared in While he was angrily yelling at Old Huang,"Old Huang, you are looking for death! Fu Jiang Hongjia, kill him for me!"

Swish, swish, swish!

Five talisman generals in red armor quickly appeared next to Lao Huang.

They cooperated with each other and quickly attacked Lao Huang.

Jiang Ni and Xu Nian were so anxious that they couldn't get close at all.

They didn't expect that Li Chunfeng and Old Huang would take action against Su Chen. He even attacked Su Chen just now.

This made Jiang Ni very worried.

That bastard Su Chen was still holding Su Yue, but Old Huang didn't even care about Su Yue's life or death before attacking Su Chen. Chen.

Jiang Ni was very angry when she saw this.

Xu Nian also didn't expect that Lao Huang would attack Su Chen.

This made him really confused. How could Lao Huang and Li Chungang have a conflict with Su Chen in just a short time?

He even acted like he had to kill Su Chen.

After Yunlan Sect's previous leader Yun Shan arrived, he didn't dare to stop the fighting on the battlefield. He was just a Nine-Star Dou Huang, but the ones fighting there were Dou Zong and Nascent Soul. A master in this realm, he is not qualified to break up the fight.

Yunlan Sect is also unlucky this time

"Green snake with two sleeves!"

"Qinglin flicks his tail!"

The two-sleeved green snake sword move issued by Li Chunfeng directly transformed into two huge green snakes, attacking Queen Medusa with two powerful sword energies that echoed from a distance.

A purple purple snake appeared behind Queen Medusa. The red seven-color sky-swallowing python, the seven-color sky-swallowing python is even bigger than the snake that Li Chungang transformed into. The huge tail of the seven-color sky-swallowing python quickly swings towards Li Chunfeng.

Boom boom boom!

This time the collision attack is even more powerful. , and this time Li Chungang was directly knocked out.

Queen Medusa was very disdainful when she saw Li Chungang being knocked out.

She is the queen of the snake people.

This human turned into a giant snake to attack her.

This is not seeking death. ?

"Cough cough cough! Li

Chungang jumped out of the collapsed house, but blood flowed from the corner of his mouth to let others know that he was injured.

Li Chungang wiped the blood from the corner of his mouth and said expressionlessly,"Who are you?" Are you not human?

Queen Medusa mocked with a condescending look,"Did I say I was human?""

"snake? Are you the Medusa Queen of the Snake Tribe?"

At this time,

Yunshan next to him looked at Queen Medusa and exclaimed.

Yunshan of Yunlan Sect did not expect that Queen Medusa would appear in Yunlan Sect, and Queen Medusa even became a Nine Star. A strong Douzong warrior, which made Yunshan tremble in his heart.

When other people heard Yunshan's words, they all looked at Queen Medusa in horror. Queen Medusa's reputation has been fierce for more than a year. Famous.

Several fighting emperors died at the hands of Queen Medusa.

The desert of the Snake Tribe has become a forbidden area for the Snake Tribe after the war more than a year ago. Anyone who appears in the Snake Tribe will None of the humans in the tribe came out alive.

Li Chungang also heard what Yunshan said.

He did not expect that this noble woman was actually a snake man and the queen of the snake man tribe.

This made Li Chungang a little difficult.

He was Queen Medusa. It's impossible to defeat him, but Queen Medusa can't kill him.

If Queen Medusa were a human,

Li Chungang would still be confident to defeat him, but Queen Medusa is a snake-man, which makes it impossible for him to defeat Medusa. Queen.

This is still Queen Medusa who has not transformed.

If Queen Medusa transformed,

I'm afraid he would have to run for his life too.

"Queen Medusa, it turns out that you are the queen of the Snake Tribe. Today is a grudge between us and Su Chen. We have not offended your Snake Tribe. Queen Medusa, why do you want to defend this Su Chen?"

"There is no reason. If you want to kill this bastard, you must defeat me first."

Chapter 1405

Queen Medusa looked at Su Chen next to her.

She glared at this bastard fiercely, but she found that Su Chen was holding a child, which made her very speechless. Where did this bastard carry the child from?

Queen Medusa did not believe that this child was Su Chen's, and Shadow Assassin Youru never said that this bastard had a child.

Boom boom boom!

At this time,

Fu Jiang Hongjia had abandoned his weapon.

Five Fu Jiang Hongjia kept attacking Lao Huang, but Lao Huang couldn't stop Fu Jiang Hongjia's attack at all.

The attack speed of these talisman generals in red armor is too fast, and their cooperation is becoming more and more tacit. They are not like puppets at all. boom!

Lao Huang was accidentally attacked by Fu Jiang's red-armored earth armor. After he was punched away by the earth armor, the wooden armor quickly wrapped around Lao Huang with wooden vines.

The other talismans quickly approached Lao Huang one by one, and they continued to blast Lao Huang with their fists.

Su Chen was now doing two things. He was commanding the red armor to attack Lao Huang, and at the same time he was carefully guarding his surroundings.

Su Chen also had murderous intentions towards Lao Huang.

He didn't want to kill Lao Huang at first, but Lao Huang's sneak attack made Su Chen very angry.

If Su Chen was accidentally attacked by Lao Huang just now, he might just be injured. But that's not necessarily the case for his daughter Su Yue.

This is why Su Chen angrily asked Fu Jiang Hongjia to throw away his weapon. He wanted to kill Lao Huang in the most cruel way.

After Queen Medusa and Li Chungang stopped fighting, everyone around them looked at Lao Huang who was beaten violently. Everyone here watched the battle with their eyelids twitching.

The people here all saw that

Fu Jiang Hongjia was killing Lao Huang.

Fu Jiang Hongjia threw away his weapon and beat Lao Huang with his fists. This reminded them all of Lao Huang's sneak attack on Su Chen just now. They didn't expect that Su Chen would take revenge on Lao Huang for his sneak attack.

When Queen Medusa saw that Li Chungang was about to take action, she glanced at Li Chungang and warned, "You'd better not act rashly, or we will continue to fight."

Li Chungang looked at Queen Medusa angrily.

Now Lao Huang is in a situation It was an extremely critical situation. If he didn't save Lao Huang, Lao Huang would probably be beaten to death.

But Queen Medusa was always on guard against him, and

Li Chungang was powerless even if he wanted to save Lao Huang.

At this time,

Xu Nian ran over and shouted to Su Chen, "Stop, Su Chen, stop quickly, if you continue to beat me, Lao Huang will die."

Xu Nian also saw Lao Huang being entangled in the cane, Lao Huang has been beaten violently by Fu Jiang and the red armors, and now he is being beaten to the point where he is constantly vomiting blood and may even be beaten to death at any time.

Su Chen was very disdainful when he heard Xu Nian's words.

Why didn't Xu Nian stop him when Lao Huang attacked him just now?

Even if Xu Nian had just arrived, why didn't he stop Li Chunfeng and Lao Huang after he arrived?

Now that Lao Huang is about to be killed,

Xu Nian runs over to stop him.

Is there such a good thing in the world?

No matter who comes to plead for mercy today, it won't work.

Lao Huang is dead this time.

"Jin Jia, stop Xu Nian." Su Chen saw that Xu Nian was going to save Lao Huang, so he ordered to Jin Jia,

Boom!

Cough cough cough!

Xu Nian's injury has not healed yet.

He was beaten and coughed continuously after being attacked by Jin Jia. But he didn't give up. He couldn't watch Lao Huang being killed.

Xu Nian held two swords and kept trying to fight off the golden armor who blocked him.

"Fire armor, take the knife, wood armor and earth armor to hold down Lao Huang."

Su Chen watched Xu Nian keep trying to save Lao Huang, and he didn't want to play any more.

Su Chen directly gave an order to Fu Jiang and the red armors.

He wanted to behead Lao Huang. This was the result of a sneak attack on him, and it was also the result of a sneak attack on him.

The aftermath of his daughter's attack

"No, Su Chen, let Lao Huang go, I beg you." Xu Nian begged Su Chen loudly when he saw Fu Jiang Hongjia's actions.

Lao Huang was now pinned to the ground by two Fu Jiang Hongjia, while Huo Jia was holding a knife and was about to chop off Lao Huang's head.

Jiang Ni With Qingniao and Hongyi, they saw that Lao Huang was about to be executed. Although they couldn't bear it, they had nothing to do. Jiang Ni and the others also knew why Su Chen was so angry. They all knew that

Su Chen cherished his daughter very much. This time Lao Huang's sneak attack was obviously intended to kill Su Chen and Su Yue together.

Could Su Chen not be angry?

"Execution!"

Su Chen looked at Xu Nian expressionlessly and ordered directly,"

Crack!

" The fire armor cut off Lao Huang's head with one strike.

"Ahhhhh....., Su Chen, I want to kill you, I must kill you"

"I am waiting!"

Su Chen glanced at Xu Nian disdainfully, then he looked at the angry Li Chungang next to him and said, "Li Chungang, I will spare your life today, but the next time I see you, you will die. Li

Chungang yelled at Su Chen with an angry look on his face, "You bastard, are you willing to kill me now?" Do you have this ability?"

Su Chen shouted coldly when he heard Li Chungang's words, "Xiao Li, cripple Li Chungang's remaining hand for me."

"Don't worry, leave it to me!"

A white light suddenly burst out from Su Chen's chest, and then a beautiful woman suddenly appeared next to Su Chen. She smiled at Su Chen and disappeared in a flash.

Li Chungang was very cautious now.

What Su Chen just said He also heard it.

He didn't expect that there was actually a powerful person beside Su Chen. This made Li Chungang look wary of the people around him after this beautiful beauty appeared.

Queen Medusa was also very surprised. She didn't expect that there was someone protecting the bastard Su Chen, which made her feel that saving this bastard just now was unnecessary.

Whoosh!

Xiao Li appeared next to Li Chungang silently. When Li Chungang didn't react, she With just one quick stroke of the sword, Li Chungang's remaining arm was cut off.

Ahhhhhh.....

Li Chungang didn't expect that despite his careful precautions, his other arm was destroyed by this woman.

This made Li Chungang scream angrily.

He was now completely disabled.

What use would he have in the future?

"Senior Li, Senior Li!" Xu Nian saw that Li Chungang's remaining arm was also disabled, which made him rush to Li Chungang to stop his bleeding.

Everyone here looked at Xu Xiaoli and was very confused.

They did not expect that the powerful Li Chungang could actually He was crippled without any chance to fight back, which made them all tremble in their hearts when they looked at the beautiful Xiao Li. A master of Nascent Soul Realm was crippled like this, is this too unreal?

"Suchen, I've done it." Xiao Li came to Su Chen in an instant. She hugged Su Chen's arm and said with a smile.

Su Chen touched Xiao Li's purple hair, and he took out some intermediate spiritual stones from the system space and secretly placed them in Xiao Li's side. Li's hand, he smiled and said to Xiao Li,

"Well, thank you, Xiao Li. I'll give these to you. You can go back to Tears of the Goddess and continue practicing. I'll call you if there's any danger."

"Haha, okay, Su Chen, you have to protect yourself and call me if you are in danger."

Chapter 1406

After Su Chen explained to Xiao Li, he asked Xiao Li to return to the Necklace of Tears of the Goddess.

Things here were not over yet.

Xu Nian glared at him with hatred, which made Su Chen feel that the protagonist of fate was born to be with him. Get it right.

Su Chen originally had a good impression of Xu Nian, and Xu Nian was also a good friend, but now it seems that everything is inevitable.

When Su Chen executed Lao Huang, he knew that he would confront Xu Nian in the future.

"Su Chen, who is that woman?" Queen Medusa came to Su Chen and asked doubtfully.

Su Chen looked at the beautiful and noble Queen Medusa and said with a guilty conscience, "A friend, Queen Medusa, why do you want to help me this time? ?"

Su Chen is worried that Queen Medusa will cause trouble for him again. This Queen Medusa has always disliked him. Queen Medusa doesn't know what to do when she comes to Yunlan Sect this time.

Queen Medusa said coldly and arrogantly, "Huh, I'm helping you just for You Ru's sake, you bastard, don't think too much.""

"I guess, if you don't tell me, I've forgotten Youru and the others."

Su Chen patted his forehead and was very speechless.

He left in a hurry when he appeared in the desert this time.

He also forgot about Youru and the others.

It's just that Youru and the others are still waiting for him in the snake tribe. Didn't Youru and the others listen? Are you talking about Hangzhou City?

Queen Medusa looked at Su Chen and said decisively, "Su Chen, Youru and the others will stay in my snake tribe from now on, and this will be my reward for helping you this time."

Su Chen didn't expect that Queen Medusa would want to pay attention to her beautiful assassin. The shadow assassin was his personal guard. Apart from his own woman, the shadow assassin could not be handed over to anyone else.

Su Chen looked at Queen Medusa. He said angrily,

"You're eating farts! Do I need your help? Although I am very grateful for your help, but do you want Youru and the others to stay in the Snake Tribe? you are simply dreaming"

"asshole!"

Queen Medusa saw and heard that Su Chen refused without hesitation, which made her face very ugly.

"mother.....mother....."

At this time,

Su Yue woke up and looked at Queen Medusa and called her mother happily.

Su Chen and Queen Medusa heard Su Yue call her mother, and even watched Queen Medusa cry. This made Su Chen and Queen Medusa confused for a moment.

When Queen Medusa heard Su Yue call her mother, she even waved her little hands and looked at her happily. This made Queen Medusa blush a little.

She looked at the happy Su Yue and asked Su Chen,

"Whose child is this?"

Su Chen touched Su Yue's happy little face and said speechlessly,

"my little daughter"

"Your daughter? Or the younger daughter?"

"This is my youngest daughter Su Yue. I also have a seven-year-old eldest daughter Su Yan."

Queen Medusa looked at Su Chen in surprise.

She didn't expect that Su Chen had two children.

This bastard has two children at such a young age.

He must be a shameless pervert.

"Hum, you are just a shameless pervert, where is your wife?"

"They are not here!"

"not here? Where is that?"

"They! In a place far, far away."

Queen Medusa was very confused when she heard Su Chen's words.

Far, far away?

Is this bastard woman dead?

Then who killed this bastard woman?

"Give me your daughter." Queen Medusa looked at Su Yue who was looking at her happily and said to Su Chen.

Queen Medusa now feels a little pity for this bastard.

She also feels a little pity for this little girl. She lost this little girl at such a young age. Mother, it will definitely not be easy for you to follow this bastard in the future.

The way Su Chen looked at Queen Medusa was very strange. Why did Queen Medusa look like she was pitying herself?

I guess!

Queen Medusa couldn't have misunderstood, right? ?

Su Chen thought that the woman he just mentioned was far away. Could it be that Queen Medusa misunderstood his woman and died?

Su Chen shook his head and did not explain to Queen Medusa.

He handed Su Yue over. After giving it to Queen Medusa,

Su Chen looked at Xu Nian who was bandaging Li Chungang. Xu Nian was destined to become an enemy in the future.

However, he could not kill Xu Nian yet.

Su Chen was also worried that he could not kill Xu Nian now. After all, Nian is the protagonist of luck. It may be difficult to kill him before his luck disappears.

"Why does this person look so familiar? Why do I seem to have seen it there?"

At this time,

Yunshan from the Yunlan Sect looked at Su Chen and felt as if he knew him, but he racked his brains and couldn't remember where he had seen him.

When Su Chen appeared at the Miter Auction House, he was He changed his appearance at will.

Although his temperament did not change, those who had seen him would not have recognized that Su Chen was Mr. Su who came to the Immortal Realm to undergo trials in the Shenyu Continent.

Xu Nian was giving Li Chungang After removing his injuries, he walked up to Su Chen with a knife and asked angrily, "Su Chen, why don't you let Lao Huang go?"

Su Chen sneered when he heard Xu Nian's words,

"Why should I let go of the person who sneaked up on me and assassinated me? What's more, Lao Huang wants to kill my daughter as well. If I don't kill Lao Huang, it will be considered a kindness to him.

Xu Nian pointed the knife at Su Chen and threatened, " You....., Su Chen, we will be enemies from now on. Beiliang's 500,000 cavalry will spend their whole lives trying to kill you."

Su Chen also threatened Xu Nian expressionlessly,

"Then I will destroy Beiliang"

"Xu Nian, this world is huge. Don't think that Beiliang is invincible if it has 500,000 cavalry. I can dispatch a combat legion at will and destroy you Beiliang. I don't want Beiliang to be devastated in the future. You'd better keep your tail between your legs in the future. Be a human being."

Su Chen didn't expect that Xu Nian would threaten him with Beiliang Iron Cavalry.

However, he thought that the masters around Xu Nian were dead and useless. I'm afraid they don't have strong masters in Beiliang anymore.

Xu Nian could only use Beiliang's army came to threaten him.

Xu Nian looked at Su Chen and smiled disdainfully, "Haha....., I'm waiting for you in Beiliang. I want to see how you destroy Beiliang? How to make Beiliang people miserable?"

The Beiliang Iron Cavalry is so powerful. Among the countries around Beiliang, which country doesn't talk about the Beiliang Iron Cavalry with a stern tone.

Xu Nian felt that Su Chen was a nobleman, even a prince, but in the face of the attack of the Beiliang Iron Cavalry, Su Chen's The army also has no chance of winning.

"You'll see, it's not too late, and I hope your decision today you won't regret later."

Su Chen looked at Xu Nian expressionlessly.

The war between him and Xu Nian has started from now on. Su Chen will also prepare an army to destroy Beiliang.

Beiliang's iron cavalry is the best in the world?

Even if Beiliang's iron cavalry is the best in the world,

His black-armored cavalry also wants to ride the Xiongbeiliang cavalry.

Su Chen wants the world to know, [Beiliang cavalry is the best in the world, black-armored cavalry rides the Xiongbeiliang cavalry].

Su Chen looked at the people around him and said loudly,

"From today on, the war between me and Beiliang begins. As long as they are from Beiliang, all men taller than a wheel will be executed. I hope you can help me spread this news. My name is Su Chen. It won't be long before you will hear this name in the future.."

Chapter 1407

In Yunlan Sect,

Xu Nian glared angrily at Su Chen and was about to leave.

When Jiang Ni, Qingniao, and Hongyi were about to leave with Xu Nian, they were stopped by Fu General Hongjia.

Su Chen had no intention of letting them leave.

He had already fallen out with Xu Nian.

These three women were crucial to robbing Xu Nian of his luck. How could he let them leave with Xu Nian?

Xu Nian's expressions became even more ugly when he saw these, but he had nothing to do now. His powerful masters were dead and useless, and the rest were just small fish and shrimps.

It was impossible for him to take away Jiang Ni and the other three girls.

Su Chen looked at Jiang Ni and the three girls with a blank expression and asked, "Jiang Ni, Qingniao, Hongyi, do you want to go back on your word?"

"us....."

When Jiang Ni and the three girls heard Su Chen's words, they didn't know how to reply.

Su Chen and Xu Nian turned against each other, and they didn't know what to do.

Xu Nian was their former young master, and Su Chen was their new master.

This time, Xu Nian and Su Chen turned against each other, and it was also Lao Huang and Li Chungang who assassinated them. Caused by Su Chen.

No wonder Su Chen and no blame Xu Nian.

Is this fate?

"Shu Sha, take our people away." Xu Nian looked at Jiang Ni and the three girls and shouted to the side,

"Yes, Your Majesty."

Shu Xian looked at the three girls Jiang Ni in confusion, and then she waved to the other guards. The guards hurriedly carried Li Chungang and left with Xu Nian.

And the strong men around the yard also Everyone left, the battle was over, but today's battle shocked them all.

There were three Nascent Soul realm masters, but one was crippled. Both of them were related to the young man holding the child. And she was a very beautiful beauty.

This made them even more curious about Su Chen's identity.

In another courtyard of Yunlan Sect,

Su Chen was arranged here by the people of Yunlan Sect.

This courtyard was better than the previous one. It was much more luxurious, and the environment was also very beautiful.

In a luxurious room,

Su Chen, Queen Medusa, and Jiang Ni, who were holding Su Yue, were all sitting in this room.

At this time, the shadow assassin You Ru appeared. He saluted Su Chen in the room and said,

"Youru has met the master!"

When Jiang Ni and the three girls saw the sudden appearance of the Shadow Assassin, they were all very surprised.

The dress of this Shadow Assassin was exactly the same as the Shadow Assassin they met in the restaurant.

Could it be that these people are all part of the same organization? ?

Su Chen looked at Youru and asked in confusion, "Youru, why didn't you take other people to Hangzhou City in the Eastern Continent?"

Youru looked at Queen Medusa, lowered her head and said, "Master, madam needs our help, we can't leave for a while."

"Phew, cough cough cough....., Youru, you said she is a madam? Queen Medusa is my lady?" Su Chen spit out the tea he just drank when he heard Youru's words.

He looked at the crimson-faced Queen Medusa and was very confused.

How could Youru think that Queen Medusa was his woman?

Or was it ? Queen Medusa deceived Youru?

"Yes!"

"I.....Queen Medusa, when did you become my wife?"

When Su Chen heard Youru's confirmation, he guessed that Queen Medusa must have deceived Youru.

Queen Medusa was ashamed and angry now.

What does this bastard mean?

She is also from the snake tribe after all. The queen, and she is also a Dou Zong nine-star cultivation level, and is even very beautiful and noble.

But what does this bastard mean?

Does he dislike her?

Queen Medusa hugs Su Yue and does not want to talk to this bastard.

She is now He really likes this smiling little girl.

This little girl keeps calling her mother, which makes Queen Medusa very fond of Su Yue. When

Su Chen saw Queen Medusa ignoring him

, he was very speechless.

Su Chen didn't want to ask any more questions.

After all, there were still three light bulbs here. When

Jiang Ni saw that the room had become quiet, she shouted to Su Chen, "Su Chen.....Young Master, this subordinate of yours is dressed exactly the same as we met in the small town at the foot of the Yunlan Sect Mountain."

"Have you encountered it?"

Su Chen asked in surprise when he heard Jiang Ni's words.

Jiang Ni nodded and replied, "Well, there were two beautiful women eating in a restaurant at that time, one and....."

When Su Chen listened to Jiang Ni's story, he touched his chin and guessed that the Shadow Assassin could only be owned by him and his woman, and there was a Shadow Assassin at the foot of the Yunlan Sect Mountain.

Who brought this?

There are quite a few women who came to Shenyu Continent this time. Women such as Da Si Ming, Shao Siming, Shi Feixuan, Huan Huan, Xiao Meng, Zhou Zhiruo, and Qin Mengyao all experienced in Shen Yu Continent.

Su Chen couldn't guess that those two women had arrived in the Southern Continent.

"You Ru, send someone to find out who came to the Southern Continent."

"Yes, master!"

"Okay, you all go and have a rest. It's already midnight. Tomorrow we will take a walk in the Yunlan Sect, and after watching the competition the day after tomorrow, we will return to the city of Hangzhou in the Eastern Continent."

Jiang Ni and the three girls nodded and left one after another. But Queen Medusa was still playing while holding Su Yue, and she had no intention of leaving at all.

"You won't leave? I'm about to put my daughter to bed"

"Please leave, this room belongs to me and Yue'er."

Su Chen said hurriedly after hearing Queen Medusa's words,

"Come on, Queen Medusa, you not only want to occupy my room, but you also want to occupy my daughter."

"Are you still a queen?"

Queen Medusa gently patted Su Yue who was about to go to sleep.

She glared at Su Chen and said, "Who I am is none of your business. Leave quickly. Yue'er is going to sleep.""

"I'll do it!"

Su Chen could hardly open his eyes when he looked at Yue'er.

He shook his head and left the room.

Su Chen also saw that Queen Medusa liked Yue'er very much, but why did Yue'er call her Queen Medusa? ? If Concubine Yan knew about this, she would probably tear him apart, right?

In the yard,

Su Chen came to a pavilion and sat down, took out a pot of wine and drank it.

He wanted to think about how to deal with Beiliang in the future.

He wanted to Before launching a war with Beiliang, we must first resolve the threats from the Southern Song Dynasty and Buddhism.

"Mr. Su!"

At this time, a beautiful woman in white dress slowly came over.

After she arrived, she looked at Su Chen and saluted.

Su Chen looked at this beautiful woman in white dress and asked doubtfully,

"Who are you?"

"The current leader of the Yunlan Sect, Yun Yun!"

Chapter 1408

Although Yun Yun did not come to Yunlan Sect's battle today, after Yunshan's narration,

Yunyun also knew that Su Chen had two powerful women, and after she heard that Yunshan was familiar with Su Chen.

She decided to meet Su Chen.

Today,

Yun Yun's apprentice Nalan Yuyan failed to break through.

The day after tomorrow is the time for the competition.

Yun Yun learned that Xiao Huohuo's strength has improved rapidly recently, and she was also worried that her apprentice Nalan Yuyan would fail in the competition. Yun Yun also failed to buy Zhu Guo at the last Mi'er auction, and she was very worried about Nalan Yuyan. When Yun Yun saw Su Chen, she felt that he must be no ordinary person. He was young and handsome, with a noble temperament, and even had the aura of a superior person. This made Yun Yun dare not look down upon Su Chen. Moreover, Su Chen also had two women from Yuan Ying realm and Dou Zong, which made Yun Yun even more guess that Su Chen had an extraordinary background. Su Chen was also sizing up Yun Yun, who was wearing a fitted white dress, a delicate face, long hair, a perfect and uneven figure, and a very outstanding mature temperament. But why did Yun Yun come to this small courtyard? It's almost midnight now. Could it be that Yun Yun was doing it because of the battle just now? Also, have Yun Yun and Xiao Huohuo met in the Warcraft Mountains? Su Chen took a sip of wine and asked Yun Yun, "Sect Master Yun, what's the matter with your arrival?"

"

"Mr. Su, do you know my master Yunshan? Yun Yun sat across from Su Chen and smoothed her hair and asked,

"do not know!"

"But why does my master feel that you are very familiar to me? Are you sure you don't know my master?"

"Sect Leader Yun, I really don't know your master."

Su Chen understood the purpose of Yun Yun's arrival this time.

Yun Shan must have doubted his identity. After all, Yun Shan had seen him before. Although he had disguised himself at that time, his figure and temperament must be familiar to Yun Shan.

Could it be that Yunshan asked Yun Yun to test him?

Yun Yun smiled after hearing Su Chen's words and continued to ask, "Haha, Mr. Su, I have also heard of Mr. Su, Mr. Su from Miter Auction. have you heard of it?"

Su Chen shook his head and replied,

"No, this is my first time coming to the Southern Continent. Besides, there are countless people with the surname Su in the world, and there are also many people with the same name. Sect Leader Yun may have recognized the wrong person. Yun

Yun looked at Su Chen and then stood up and said, "Maybe, Mr. Su, if you bother me this time, I'll take my leave.""

"Sect Master Yun, goodbye!" Su Chen said with a smile when he heard Yun Yun was about to leave.

Yun Yun asked a few questions when he arrived this time. Su Chen didn't know whether Yun Yun had guessed his identity.

"Mr. Su, Yafei, one of the three beauties of the Gamma Empire, asked me to give you a message. The Najies you want have been collected." When Yun Yun was about to leave, she suddenly turned around and said to Su Chen,

"Thank you, I will do it when I have time.....Sect Leader Yun, are you trying to trick me?" Su Chen thanked Yun Yun when he heard what he said, but he suddenly felt something was wrong.

Su Chen found Yun Yun smiling while looking at him. He immediately thought of the reason. Isn't Ya Fei the Ya Fei from Miter Auction? ?

Yun Yun is too cunning.

She also mentioned Ya Fei, one of the three beauties of the Gamma Empire. Now Su Chen knew that he had been exposed.

Yun Yun sat down again and said with a smile, "Mr. Su, you are indeed the one Mr. Su who appeared at Miter's auction.

Su Chen looked at the cunning Yun Yun and said speechlessly, "How did you know about Najie?" Yun

Yun looked at Su Chen's depressed look and smiled and said,

"Haha, Yafei has been collecting Najies everywhere for more than a year. There are many people who know about this matter. I just gave it a try. I didn't expect that Mr. Su who came to the fairy world was really you."

"So that's it!"

Su Chen didn't expect that she was exposed because of the Najie incident.

However,

Yun Yun, a mature royal sister, is also a smart woman. She was able to guess herself from Ya Fei's collection of Najies. This woman is indeed the leader of a sect.

"Mr. Su, why did you come to our Yunlan Sect? Are you also interested in this competition?"

"I was just bored. I heard there was a lot of fun here, so I came over to have a look."

"So what happened today? Su

Chen poured a glass of wine for Yun Yun and said, "Forget about those people who want to die. Now that you know my identity, you won't tell your master, right?"

"Do you think I should tell my master?"

Yun Yun's eyes lit up after taking a sip of the wine.

She didn't expect that Su Chen's wine could actually improve her strength. Could it be that this wine was brewed with treasures?

Su Chen looked at the cunning Yun Yun and stretched out a finger and said, "A red fruit, you didn't see me today, and you don't know my identity."

Yun Yun was very happy when she heard Su Chen's words.

Her apprentice Nalan Yuyan did not succeed in breaking through today, but it will be different with Zhu Guo.

If Nalan Yuyan eats Zhu Guo, her strength will definitely increase. After being promoted to the King of Fighting, the competition the day after tomorrow will be foolproof.

Yun Yun blinked her eyes and pretended to be embarrassed and said, "Master Su, you want me to deceive my master. I'm afraid it's not good to do this.."

Su Chen rubbed his eyes when he saw Yun Yun's appearance.

Yun Yun is a steady, mature and cold woman. Today this Yun Yun is very cunning and naughty. Is this Yun Yun fake?

"Yun Yun, two at most. If you don't agree, we'll break up."

"Okay, but you have to give me a bottle of your wine." Yun Yun blushed and lowered her head.

Yun Yun also noticed that Su Chen looked at her with confusion.

Her performance just now made her feel speechless.

Yun Yun did not expect that she was like a little woman in front of Su Chen. Same.

Yun Yun is the leader of a sect, and she is probably much older than Su Chen. She did not expect to blackmail Su Chen like this.

"make a deal!"

"Thank you Mr. Su."

Su Chen took out two jade boxes and handed them to Yun Yun.

He felt very good about Yun Yun, and Yun Yun was also a miserable person in the plot, as well as her apprentice. These two masters and apprentices can be said to be the most important person in the plot. The most helpless and sympathetic woman

"Yun Yun, what is your apprentice's current level of cultivation? Can he win the competition the day after tomorrow?"

Yun Yun took the jade box and nodded to Su Chen to express her gratitude.

When she heard Su Chen's question, she smiled and said,

"My disciple is now a nine-star Great Dou Master. Although he did not successfully break through to Dou Ling today, with the Zhu Guo you gave me, my disciple will definitely be able to break through to Dou Wang's level of cultivation."

"Then I wish your apprentice will become famous the day after tomorrow."

"Thank you!"

Chapter 1409

In the pavilion,

Su Chen shook his head after Yun Yun left.

Powerful women should not be underestimated.

Yun Yun is very indifferent and cold in the plot, but she is still the leader of a sect. Without some means, she It is impossible to convince the disciples of Yunlan Sect.

If Yun Yun had not met Xiao Huohuo, the protagonist of fate, she would not be trapped by love in the future, and even took her apprentice to Zhongzhou after the Yunlan Sect was destroyed. but!

This time Xiao Huohuo came to slap Yun Yun's disciples in the face and was doomed to fail.

Sometimes Su Chen couldn't understand that

Nalan Yuyan and Xiao Huohuo's breakup of engagement was nothing to begin with. The two of them had never met. It was even more impossible to have feelings, and Nalan Yuyan even compensated Xiao Huohuo.

But for what dignity did Xiao Huohuo make a three-year agreement?

What if Nalan Yuyan is an ugly woman?

Will Xiao Huohuo break off the engagement?

Su Chen patted his forehead and said to himself,

"Why do you think so much? Go to bed, leave this place of right and wrong as soon as possible after the martial arts competition the day after tomorrow, and what is going on with that little snake girl Queen Medusa?"

The next day, more people from the Yunlan Sect arrived.

At the border between the Eastern Continent and the Southern Continent, all powerful forces sent people to come.

Although the Yunlan Sect was not the most powerful among these forces,.

But there are two powerful Fighting Emperors in one sect, which also prevents other powers from easily offending.

Moreover, Yunlan Sect has a very close relationship with the Gama Empire, which also gives Yunlan Sect a transcendent status on the border of the southern continent.

In the mountain forest outside the Yunlan Sect,

Xiao Huohuo was carrying a giant black ruler and looking in the direction of the Yunlan Sect. He was now at the level of a great fighting master, but he was not foolproof when facing Nalan Yuyan. Sure.

Xiao Huohuo sat under a tree and said doubtfully, "Master, can I defeat Nalan Yuyan tomorrow?"

An old voice came from Xiao Huohuo's ring,

"Xiaohuo, you are now a great fighting master, and with the strange fire I gave you, Nalan Yuyan cannot be your opponent even if you are a fighting spirit. Don't worry about fighting tomorrow. There are many strong people coming today. You can become famous tomorrow."

Xiao Huohuo said angrily with a serious look on his face,

"I must teach Nalan Yuyan a lesson this time. Nalan Yuyan looked down on me at the beginning. This time I must slap Nalan Yuyan and Yun Lanzong in the face."

"Xiaohuo, after the competition, we will go to Zhongzhou in the Southern Continent. The Qinglian Earth Core Strange Fire has been obtained by others. We can only go to Zhongzhou to look for other strange fires."

"Yes, master!"

Yunlan Sect,

Xiao Xun'er also arrived with her guards.

She didn't want to come to see this boring competition, but the appearance of the Soul Palace on the border of the Southern Continent made Xiao Xun'er feel that something was unusual.

Xiao Xun'er This time they brought four Dou Huangs, and together with Mr. Ling, she had five powerful Dou Huang masters beside her.

In a room,

Mr. Ling came into the room and saluted Xiao Xun'er and said, "Miss, last night Yun There was a fight in the Lan Sect, and there were even two masters of the Nascent Soul Realm, and a master of the Nine Stars of the Dou Sect."

Xiao Xun'er was very surprised when she heard what Mr. Ling said.

"What? Nascent Soul Realm and Douzong? How could Yuanying Realm and Douzong appear here?"

Yunlan Sect is located on the border of the Southern Continent.

The most powerful people here are Douhuang and Jindan realm practitioners. Other strong men are not interested in this remote area at all. How come there are three strong men here all at once? ?

Xiao Xun'er couldn't figure out for a moment why Yun Yingjing and Douzong appeared in Yunlan Sect. Could something big happen in this Yunlan Sect's competition?

"Mr. Ling, have all those strong men left?"

"Miss, the battle last night was....."Mr. Ling hurriedly told Xiao Xun'er the news he had just found out.

Xiao Xun'er was very surprised when he heard Mr. Ling's story,

Su Chen?

Also named Su?

Could this Su Chen be that bastard Mr. Su?

Xiao Xun'er clenched her fists and thought angrily.

If Su Chen was that bastard, then she would have no hope of revenge.

Queen Medusa was actually a nine-star Dou Zong master, and she was with that bastard, and even There is a Nascent Soul Realm master hiding next to that bastard, and the guards she brought this time are no match for him.

Xiao Xun'er was a little frustrated and lay down on the table.

She miscalculated this time.

If she had known that the bastard was guarded by experts, she would have asked her father to send some Douzong or Dou Zun. If Su Chen was that bastard, she would be No matter how angry you are, you can't teach that bastard a lesson

"Madam, how about I go check it out?"

Mr. Ling looked at Xiao Xun'er's frustrated look.

He also knew that Xiao Xun'er had been looking for that Mr. Su. Although he didn't know why Xiao Xun'er hated that Mr. Su so much, as a subordinate, he should protect Xiao Xun'er. Share your worries.

When Xiao Xun'er heard what Mr. Ling said, he waved his hands hurriedly and said,

"Mr. Ling, please don't act rashly. Masters in the Nascent Soul Realm are not something we can deal with. Let's wait until tomorrow to confirm whether Su Chen is that Young Master Su."

"Yes, miss!"

At this moment, in Su Chen's yard, Su Chen felt very helpless when he looked at Queen Medusa who refused to return his daughter. Queen Medusa now really regarded Su Yue as his daughter. Beautiful. After Queen Dusha fed Su Yue milk, she looked at Su Yue and asked with a smile, "Xiao Yue'er, are you full?"

"

"Giggles....." Su Yue touched Queen Medusa's face with her little hand and laughed.

"Why are you so happy!"

"mother.....Play.....Play"

"Okay, let's continue playing the game."

Queen Medusa smiled and put Su Yue on the grass, and she started playing games with Su Yue.

Su Chen was so jealous that he sat aside and drank wine. Su Yue started to play games with her since she met Queen Medusa. His father had abandoned him, which made Su Chen want to drive Queen Medusa away immediately.

At this time,

Qingniao walked up to Su Chen and said, "Master, many powerful people have arrived today, and the Gamma royal family has also arrived. some people"

"Who has arrived from the Eastern Continent?"

"There are not many people coming from the Eastern Continent, but there are a few special ones. Those people look very powerful."

"Oh, what kind of person is he?"

"They seem to be from Qingyun Sect."

Su Chen was very confused when he heard Qingniao's words.

"Qingyunmen?"

Su Chen didn't expect that people from the Qingyun Sect in the Eastern Continent would also arrive.

It was just an ordinary martial arts competition.

How could the people from the Qingyun Sect come?

The Qingyun Sect is one of the most powerful sects in the Eastern Continent, and it also protected the Song Dynasty. In the Taoist sect, the disciples of the Qingyun Sect should be in the Song Dynasty even if they are trained.

How could the people from the Qingyun Sect appear in the Yunlan Sect in the Southern Continent?

"Master, there are some people in black robes. I feel very eerie when I look at those people."

"Interestingly, it looks like something big will happen in the Yunlan Sect's competition tomorrow."

Chapter 1410

Su Chen did not expect that in an ordinary martial arts competition, so many strong men from the Yunlan Sect would come, even people from the Qingyun Sect, the top sect in the Eastern Continent, would come.

Soul clan?

Su Chen suddenly thought of the Soul Clan in the Southern Continent.

Su Chen guessed that the men in black that Jade Bird mentioned just now were probably people from the Soul Palace, a subordinate force of the Soul Clan.

Could it be that Yunshan of Yunlan Sect is involved with the Soul Palace?

Could it be that the Yun Lan Sect held this competition with great fanfare and was instructed by the Soul Palace?

Is the Soul Palace going to deal with the powerful people coming this time?

Su Chen thought about it and felt that it was possible.

In the plot, Yunshan had taken refuge in the Soul Palace. The people from the Soul Palace appeared this time to collect the souls of the strong.

"Young Master, the head of the Yunlan Sect invited the young master to a banquet." Hongyi came over and saluted Su Chen, saying,

"Going to a banquet? What banquet are you going to?"

Su Chen was very confused when he heard Hong Yi's words. Why did the Yunlan Sect start celebrating before the competition started?

Hongyi looked at the confused Su Chen and hurriedly explained,"That's it, the Yunlan Sect wants to To entertain the powerful men who arrived this time, a banquet was prepared to entertain the powerful men who arrived this time."

Su Chen touched his chin awkwardly and ordered,"That's it, Qingniao and Hongyi, you will come with me later and let Jiang Ni and Queen Medusa stay here."

"Yes, Master!"

In the main hall of Yunlan Sect, it has been arranged into a banquet hall. Some people have arrived here, but these people are all people of low strength, and the powerful people have not arrived yet. The disciples of Yunlan Sect They were all busy in the main hall, and outside the main hall, the disciples and strong men from the invited sects were all taken to their seats one by one by the disciples of the Yunlan Sect.

"Vice president of the Alchemist Guild, President Zhou has arrived!"

"Miter Auction House, Miss Yafei is here!"

"The vice-president of the mercenary guild and the war guild leader have arrived."

"Open the Wu family in Luo City, the head of the Wu family arrives"

"At Xuanyuan's house in Huishan, Eastern Continent, Miss Xuanyuan Qingfeng arrived"

"The prince of Northern Liang in the Eastern Continent, Xu Nian has arrived!"

"Princess of the Gamma Empire, Princess Yaoye has arrived!"

At almost noon, forces and powerful men arrived one after another, and the Yunlan Sect's hall would soon be full.

Xu Nian looked at Xuanyuan Qingfeng sitting next to him and said with a smile," Xuanyuan Qingfeng, I didn't expect you to come to Yunlan Sect too"

"Xu Nian, I heard that one of your men was killed last night? Xuanyuan Qingfeng glanced at Xu Nian and asked calmly,

"Yes, but I will definitely avenge this in the future."

Xu Nian had an ugly look on his face when he heard Xuanyuan Qingfeng's words.

Lao Huang was not only his bodyguard, but also his best friend.

Yesterday, Lao Huang was killed and Senior Li was deposed. This made Xu Nian very angry. But He can't take revenge for the time being, and he can only wait to seek revenge from Su Chen later.

Xuanyuan Qingfeng shook his head when he saw Xu Nian's angry look.

She also understood what happened last night. In the final analysis, it was Xu Nian's fault. The guards took action against Su Chen, although she didn't know what hatred there was.

But taking action against a person holding a child made Xuanyuan Qingfeng look down on her very much.

Xuanyuan Qingfeng thought that Su Chen had two powerful women. Protection, Xu Nian is also a friend she knows.

She doesn't want Xu Nian to provoke Su Chen here again, otherwise,

Xu Nian may be killed by Su Chen on the spot.

Xuanyuan Qingfeng looked at Xu Nian when he thought of this and reminded him ,

"Xu Nian, although you are the prince of Northern Liang, there are people outside the world, and there is a sky outside the world. Even Senior Li of the Nascent Soul Realm among your guards has been deposed. You'd better be careful in the future."

"I see!"

At this moment,

Yafei looked at Princess Yaoye beside her and said with a smile, "Princess Yaoye, I didn't expect you to come too."

Yao Ye was very angry when she saw the smiling Ya Fei, "Ya Fei, are you allowed to come but not me?"

Princess Yaoye is very helpless towards Yafei. She is also one of the three beauties of the Gamma Empire.

Princess Yaoye used to be able to firmly dominate Yafei, but since more than a year ago, Yafei has been promoted to the Fighting King Realm. Later, Princess Yaoye was suppressed by Yafei.

She is still in the realm of Dou Shi, which is far from the strength of Yafei Douwang.

Yafei patted Princess Yaoye on the shoulder and smiled. Said: "Haha, are you still angry? Yaoye, I will ask for a red fruit for you. After all, we are good sisters."

"Did you also know that we are sisters? It's been almost two years and I haven't even seen a shadow of the Zhu Guo you asked for me." Yaoye slapped Yafei's hand away and said angrily.

Yafei spread her hands and said helplessly, "What can I do? If Mr. Su doesn't show up, where should I find him? How about you launch the Gamma Empire's army to look for it? Yao

Ye glared at Ya Fei and said,

"Do you dream that the Gamma Empire's army can be used at will? You'd better hurry up and find a way to find Mr. Su. I can't wait to advance to the Fighting King Realm."

"Then I have no choice. Now I can only wait for Mr. Su to come to me."

"Didn't Mr. Su leave his contact information?"

"No, if there were, I would have looked for him long ago."

Ya Fei is also very speechless.

She has collected hundreds of Na rings, but more than a year has passed, and Mr. Su still has not arrived.

Is Mr. Su not in the Southern Continent anymore?

"At the Qingyun Gate in the Eastern Continent, Master Shuiyue has arrived!"

At this time, a disciple of the Yunlan Sect suddenly shouted outside the main hall.

Everyone in the main hall heard the people from the Qingyun Sect arriving, and they all stood up to greet the Shuiyue Continental Master of the Qingyun Sect.

The Qingyun Sect is the top class in the Eastern Continent. The sect, and Master Shuiyue is not only the master of Qingyun Sect, but also a super master of the distraction realm (fighting saint). These people are just small fish and shrimps in front of Master Shuiyue, and they are not worth mentioning at all.

"Why is there someone coming from Qingyun Sect? Does Yunlan Sect have such a great reputation?"

"Impossible. Yunlan Sect still has some strength on the border of the Southern Continent, but it is impossible to compare with Qingyun Sect. Qingyun Sect can destroy Yunlan Sect by dispatching just one outer sect elder. It is impossible for Yunlan Sect to have anything to do with Qingyun Sect."

"That's right. Master Shuiyue should be passing by Yunlan Sect this time."

"That's right. Master Shuiyue is one of the seven peak masters of the Qingyun Sect, and he is also a super master of the distraction realm (fighting saint). The Qingyun Sect cannot be related to the Yunlan Sect."

"Qingyun Sect, this is the top sect in Dou Continent. If we can get in contact with Qingyun Sect, it will be of great benefit to us in the future."

After everyone in the hall heard the arrival of the Qingyun Sect, they started talking one by one. They all wanted to establish relations with the top sect, the Qingyun Sect.
