

## Zongwu 1411

### Chapter 1411

In the Yunlan Sect's main hall, when Master Shuiyue of the Qingyun Sect arrived with a few disciples, the atmosphere in the main hall became restrained. People here were cautious even when talking.

"Master Shuiyue, please take a seat!"

Yun Yun personally invited Master Shui Yue to the main seat in the hall.

She did not dare to neglect Master Shui Yue.

Yun Yun was frightened when she stood next to Master Shui Yue. Although Master Shui Yue did not reveal his powerful aura, but this kind of powerful aura is not exposed, and she feels very uneasy.

"Thank you, Master Yun!"

Master Shuiyue nodded to Yun Yun, and she took her disciples to sit down.

After Yun Yun arranged for Master Shuiyue to be her master and apprentice, she saluted Master Shuiyue and said, "Master Shuiyue will come on his own. Okay, I have to receive other guests"

"You go and do your work. I don't need Sect Master Yun to personally receive you here."

"The junior took his leave first."

After Yun Yun left, a disciple of Master Shuiyue said doubtfully, "Master, is there anyone else who needs to be welcomed by the leader of Yunlan Sect? Is there anyone with a higher status than the master in the Yunlan Sect?"

Master Shuiyue shook his head when he heard the words of the disciple behind him and said, "I don't know, but there is no powerful person in Yunlan Sect, maybe some allies of Yunlan Sect!"

A cold and beautiful woman next to Master Shuiyue, she kept looking at the people in the hall, but she shook her head after looking at it for a while. No one here was her opponent, and she was also a little worried about coming to Yunlan Sect this time. Disappointed.

Master Shuiyue saw the disappointed look on her disciple Lu Xueqi's face, so she shook her head and asked, "Xueqi, what's wrong? Are you dissatisfied with the people here?"

Lu Xueqi said with a cold face without any expression.

"Master, the people here are only at the Golden Core level (Douhuang). I can destroy them with one hand. I am a little disappointed when I come to the southern continent to experience this time."

Shuiyue Dalu looked at his direct descendants and said with a smile,

"Haha, Xue Qi, this is just the border of the Southern Continent. The Zhongzhou of the Southern Continent is where talented people come out."

"You are young and at the level of Nascent Soul Realm. I also want you to see the fighting methods of different systems. Although the people here have low cultivation levels, you can understand their fighting methods."

"Dou Qi is different from the cultivation of us immortal cultivators. Although the fighting methods are similar, you should not underestimate these Dou Qi practitioners. Each system of training has advantages and disadvantages."

"You can gradually understand these later"

"The purpose of bringing you out this time is to hone your xinxing. Your strength is already very strong, but if your xinxing cannot keep up, it will have a great impact on your future cultivation."

"I understand, master! Lu

Xueqi nodded and replied.

She sat expressionlessly next to Master Shuiyue and closed her eyes.

Master Shuiyue looked at Lu Xueqi with a cold and refined look, which made her very embarrassed. The disciple is good at everything, but is too cold and unkind.

This will be very detrimental to her future cultivation.

Master Shuiyue just wanted Lu Xueqi to change during this experience, but the results were not ideal at all.

Xu Nian has been watching Master Shuiyue, he was attracted when he saw Lu Xueqi. The beautiful Lu Xueqi was very attractive, but the cold and refined Lu Xueqi made him feel very cold.

Xuanyuan Qingfeng saw Xu Nian She kept staring at the beautiful woman next to Master Shuiyue, which made her ask angrily,

"Xu Nian, what are you looking at?"

Xu Nian shook his head when he heard Xuanyuan Qingfeng's words and said, "The beauty next to Master Shuiyue is really beautiful, but it's too cold. Xuanyuan

Qingfeng said disdainfully when he heard Xu Nian's words, "You are really a dog that can't change its habit of eating shit. Be careful of getting into trouble. The Qingyun Sect is not something you, Beiliang, can provoke.""

"I just appreciate it, I know Qingyun Sect is not to be offended"

"Huh, I'm too lazy to care about you."

At this time, everyone in the banquet hall discovered that the banquet had not yet started after Master Shuiyue arrived. This made everyone here guess, is there anyone powerful who has not yet arrived? In a remote seat in the hall, Xiao Xun'er looked around and said to Mr. Ling, "Mr. Ling, have you noticed that Su Chen has arrived?" Xiao Xun'er wanted to know if Su Chen was that Mr. Su. She didn't care about everyone in the hall. Mr. Ling shook his head beside Xiao Xun'er and replied, "Miss, I didn't find it. Maybe that Su Chen is powerful. Damn it, I wasn't invited this time." Xiao Xun'er said firmly,

"Impossible. Even if Su Chen is a great master, the two women around him are powerful masters. It is impossible for the Yunlan Sect to offend that Su Chen at this time."

"Miss, maybe Su Chen has something to do and is not here?"

"It makes sense. I heard that Su Chen has a child. Maybe Su Chen has to take care of the child, so he won't come to this banquet."

"Miss, then we can only wait until the competition tomorrow to see if Su Chen is Mr. Su. Xiao

Xun'er looked around and said speechlessly, "That's all it can do. It's really boring here. If I had known better, I wouldn't have come to this banquet.""

"Miss, when are we going to take action against those people in the Soul Palace?" Mr. Ling asked seriously when he thought of the men in black he saw in Yunlan Sect,

"Haha, we don't need to take action this time. If the people from Soul Palace dare to take action, the people from Qingyun Sect will destroy them. There are free thugs, so why should we bother to take action?"

"The lady is right."

At this time, the disciples of Yunlan Sect shouted outside the hall,

"Eastern Continent, Mr. Su Chen has arrived!"

Everyone in the hall looked over after hearing this.

Basically everyone here knows what happened last night.

Even those who don't know, they also heard about the big battle last night.

The big battle last night. One party had appeared in the hall early, and the remaining powerful party was just belatedly arriving. This arrogance was big enough.

Xu Nian's face darkened when he heard Su Chen's arrival. He guessed that Su Chen would definitely be invited. But he did not expect that the head of the Yunlan Sect would receive Su Chen in person, which made his face even more ugly.

Xuanyuan Qingfeng looked outside the hall with interest.

She was somewhat interested in Su Chen, who was at odds with the Crown Prince of Beiliang.

Beiliang Liang Shizi Xu Nian is a young and handsome man, even famous in the Eastern Continent. Who is this Su Chen? What confidence does he have to confront Xu Nian? At this moment,

Su Chen came to the main hall under the leadership of Yun Yun.

Seeing that everyone in the hall was almost all sitting,

Su Chen was a little embarrassed.

He didn't expect that he was the last person to arrive.

Yun Yun took Su Chen to the seat next to Qingyun Gate, and she smiled at Su Chen said,

"Su Chen, just sit here!"

Su Chen sat down unceremoniously and said to Yun Yun, "I'm free, Yun Yun, you go and do your work, I'm just here to eat and drink, you don't have to stay here to take care of me."

Yun Yun looked around and knew that the banquet was about to begin. She couldn't stay here with Su Chen forever.

"Okay, if you need anything, just call me. I want to thank you very much this time."

"Hey, Yun Yun, how about you come over and drink with me later?"

Chapter 1412

Yun Yun smiled silently when she heard Su Chen's words. This bastard started teasing people before he could get serious. have a drink?

Don't you understand what this means?

Yun Yun shook her head and left.

She didn't want to stay here and be teased by Su Chen.

Su Chen started drinking when he saw Yun Yun shaking her head and leaving.

Just now he was talking casually, and everyone here was looking at him.

Although Su Chen was thick-skinned, so many people looked at him strangely. He He was also very uncomfortable, and he could only tease Yun Yun to distract those people's attention.

At this time,

Yun Yun walked up to the high platform elegantly.

She looked at the many powerful men in the hall and smiled and said,

"Everyone, thank you for coming to Yunlan Sect"

"I am Yun Yun, the current leader of the Yunlan Sect."

"Tomorrow is the time for the apprentice martial arts competition. Everyone who comes to Yunlan Sect today is my guest of Yunlan Sect."

"Regardless of whether we win or lose tomorrow's duel, I would like to ask you all to be witnesses. From now on, Nalan Yuyan, a disciple of the Yunlan Sect, and Xiao Huohuo of the Xiao family will no longer have anything to do with each other. Yun Yun thanks you all here."

"I won't say much today"

"Yunlan Sect has enough good wine and delicious food today. I hope you all have a comfortable stay in Yunlan Sect these days."

"Yun Yun toasts you all."

Everyone in the hall stood up and drank the wine in one gulp. Many people expressed their opinions to Yun Lanzong,

"Thank you, Master Yun, for your hospitality. We will give a testimony tomorrow"

"Don't worry, Sect Leader Yun, we will be a witness to tomorrow's duel."

"Xiao Huohuo of the Xiao family is too ignorant. The relationship between men and women is about your own will, and the Yunlan Sect also compensated. The small Xiao family is still ignorant. If it were me, I would have destroyed the Xiao family long ago."

"Yes, the strong are respected. A small Xiao family dares to slap the Yunlan Sect in the face. This is really fearless!"

"Sect Master Yun was still magnanimous, otherwise even ten Xiao families would have been destroyed."

Yun Yun smiled when she heard this and didn't care.

At first, Nalan Yuyan broke off the engagement without telling her. Although she felt that it was rude for Nalan Yuyan not to bring her elders there, the Xiao family actually made a three-year appointment..

This made Yun Yun very angry.

If she hadn't been a person who killed innocent people indiscriminately, the Xiao family would have been wiped out by her.

At this moment,

Princess Yaoye asked in confusion when she saw Ya Fei's distraught appearance,

"Yafei, what are you looking at? Concubine Ya looked at Su Chen and said to Princess Yaoye, "Yaoye, why do I feel that Su Chen and Mr. Su have very similar temperaments, and they both have the surname Su. Could this person be Mr. Su?"

Princess Yaoye followed Yafei's gaze and looked at Su Chen.

She had never seen that Mr. Su, but that Su Chen was pretty good-looking, with a handsome face and noble temperament, especially Chuchen's temperament.

Yaoye The princess not only took a few more glances.

She said to Ya Fei in a funny way, "Haven't you met Mr. Su? Wouldn't you be able to recognize someone else if they were here?"

Ya Fei shook her head and said helplessly,

"You don't know, when Mr. Su changed his appearance, I didn't even see his appearance. How could I possibly recognize him at once?"

"Why don't you go over and test it out?"

"Isn't this bad?"

Princess Yaoye directly pulled Ya Fei up and urged her, "What's wrong? If this is Mr. Su, you will also get me one of the Zhu Guo you promised me."

"you.....You are such a bad friend."

Ya Fei was really speechless.

After doing this for a long time,

Princess Yao Ye actually only thought about Zhu Guo, which made Ya Fei angry and helpless.

Princess Yao Ye patted Ya Fei on the shoulder and reminded, "Haha, hurry up and go there. , you have been looking for him for more than a year, don't you want to know if he is Mr. Su?"

Ya Fei nodded and prepared to go over.

She was going to see if this Su Chen was Mr. Su.

If this was really Mr. Su, the Najie that Ya Fei helped Su Chen collect could be given to him, even next time. The auction also requires Su Chen to provide fairy fruit.

Whoosh!

Touch!

"If you dare to glare at me again, I will gouge your eyes out."

Su Chen saw Xu Nian staring at him with hatred, so he swung his glass and attacked Xu Nian.

"you wanna die!"

Although Xu Nian blocked Su Chen's attack, the wine in the wine glass spilled all over him. Xu Nian was so angry that he drew his sword to kill the bastard Su Chen.

Xu Nian didn't want to provoke Su Chen at this time, but He saw Qingniao and Hongyi sitting next to Su Chen, and even poured wine for Su Chen, which made Xu Nian get more and more angry.

Qingniao and Hongyi were both his maids and dead men, and Jiang, whom he liked, Ni, these beautiful maids were all deceived by this bastard.

Xuanyuan Qingfeng saw Xu Nian was about to draw his sword, she hurriedly grabbed Xu Nian and reminded,

"Xu Nian, calm down. If you take action here, Su Chen will really kill you. Can you kill Su Chen?"

"Damn it, I will definitely avenge this in the future."

Xu Nian calmed down after hearing Xuanyuan Qingfeng's words.

He thought that he was almost fooled by Su Chen. This bastard must have deliberately angered him.

Is Su Chen planning to kill him in the Yunlan Sect?

Xu Nian was a little confused. Worry, he is not afraid of death!

But he has not avenged Lao Huang and Li Chungang yet.

Beiliang has not received his letter yet, and it is impossible for the masters to rush over so quickly. If Su Chen takes action against him now, he will not be able to do it at all. There was no room for resistance.

Seeing Xu Nian calm down, Xuanyuan Qingfeng said,

"You'd better endure it, otherwise no one here will save you and offend Su Chen."

"I know, I will endure it."

Xu Nian breathed out and sat down.

He knew that he could not be impulsive at this time. The more impulsive he was at this time, the more likely he would be fooled by Su Chen.

Su Chen waited for a while and did not see Xu Nian to retaliate against him.

This made Su Chen look at Xu Nian. Nian was very confused, didn't the people of Beiliang "bring my sword and return the sword"?

How could Xu Nian endure it?

Qingniao and Hongyi each held Su Chen by the hand, but they were worried that Su Chen would directly kill Xu Nian. Nian

Although they have nothing to do with Xu Nian,

Xu Nian was good to them before. Qingniao and Hongyi didn't want Su Chen to kill Xu Nian here.

The people in the hall looked at each other and drank wine without meddling in other people's business.

Everyone here basically knows about the grievances between Su Chen and Xu Nian.

Xu Nian must have done something unfriendly to Su Chen just now, so Su Chen used the topic to humiliate Xu Nian.

This time in the world of Beiliang is really embarrassing. Got it

"You went a little too far!"

At this time,

Lu Xueqi, who was sitting next to Su Chen, looked at Su Chen and said coldly.

When Su Chen heard that Lu Xueqi wanted to fight, he cursed angrily,

"none of your business!"

"you wanna die!"

Chapter 1413

Lu Xueqi didn't expect that she just couldn't stand Su Chen bullying the weak, but this bastard dared to scold her. This made Lu Xueqi stand up and attack Su Chen. She must teach this playboy a lesson.

Su Chen glanced at Lu Xueqi and said disdainfully,

"Can you kill me? Little girl, you should go back and wash up and go to bed. In your dream, you can tear me into pieces."

Su Chen had long discovered the people from the Qingyun Sect next to him.

He didn't expect that this time it was the people from the Qingyun Sect's Xiaozhu Peak. Master Shuiyue was much more mature and beautiful than in the plot, and the cold Lu Xueqi was even more beautiful.

However,

Su Chen wanted to reach the Song Dynasty court with the support of the Qingyun Sect, so they would definitely be enemies in the future.

Lu Xueqi could not stand his dandy behavior, and

Su Chen was not polite to Lu Xueqi. Anyway, he was destined to become an enemy in the future. You're so polite to these people

"You shameless bastard, die!"

Lu Xueqi's face turned red when she heard Su Chen's words.

She drew out her sword and was about to attack Su Chen.

"Xueqi, sit down for me!"

Master Shuiyue hurriedly stopped Lu Xueqi.

She could see the level of Su Chen's cultivation. Lu Xueqi was no match for Su Chen. This playboy was not a great master. He was an out-of-body cultivation.

A powerful person. A master of the out-of-body realm actually disguised himself as a small grandmaster.

Is this dandy still a dandy?

Or is he going to pretend to be a pig and eat the tiger?

"master!"

Lu Xueqi saw her master Shuiyue stopping her, which made her very confused.

When Yun Yun saw the situation here, she hurried over and apologized to Master Shuiyue, "Misunderstanding, Master Shuiyue, this friend of mine drank Too much, don't be familiar with him, Su Chen, and still don't apologize to Master Shuiyue."

Su Chen curled his lips and turned away, asking him to apologize?

Is this possible?

Everyone in the hall felt incredible when they saw that Su Chen had provoked people from the Qingyun Sect.

Could it be that Su Chen was dying? Is it true?

Even people like them from the Southern Continent know how powerful the Qingyun Sect is. It is impossible for Su Chen, a person from the Eastern Continent, not to know. Is it possible that the forces behind Su Chen are not afraid of the Qingyun Sect at all?

Xu Nian saw that Su Chen provoked the Qingyun Sect. He laughed.

He now hopes that the people of Qingyun Sect can kill Su Chen. Although this cannot avenge Lao Huang and Li Chungang personally.

But this is very relieved, and after Su Chen's death,

Xu Nian can also let Qingniao and the others The three girls returned to his side.

Xuanyuan Qingfeng looked at Su Chen as if he were an idiot.

Even Longhu Mountain didn't dare to offend the Qingyun Sect. This Su Chen was just a playboy. This time he had to escape even if he didn't die. Damn it, no one here can save this idiot

"Senior, Mr. Su drank too much and asked senior to atone for his sins."

At this time,

Yafei came to Su Chen and saluted Master Shuiyue.

When Yafei came to Su Chen, she found that this bastard was Mr. Su.

She was very familiar with the smell of Su Chen's body. If she hadn't been Dealing with elixirs and medicinal materials, it was impossible for her to detect the special smell of Su Chen's body.

In the main hall, when

Xiao Xun'er saw Ya Fei pleading for Su Chen, she said angrily, "That bastard is Mr. Su. Otherwise, Ya Fei would not be able to intercede for this bastard"

"Miss, Mr. Su is in danger this time." Mr. Ling looked at Su Chen and shook his head and said.

Xiao Xun'er looked at Su Chen and said mockingly, "It's best if that bastard dies. It also saves me having to kill the bastard myself."

On the main seat,

Shui Yue shook her head when she saw Yun Yun and Ya Fei pleading for Su Chen.

She also felt that this Su Chen was not simple.

This Su Chen clearly knew that they were from the Qingyun Sect, but he still looked like he didn't care. , could it be that Su Chen is also a disciple of a powerful sect?

And he is in the out-of-body realm at a young age, which is much better than her genius disciple Lu Xueqi.

Shui Yue thought about it and said to Su Chen,

"Su Chen, please apologize to my disciple. Even if this matter is over, my disciple is still a woman after all. What you just said is a bit too much."

Su Chen was very confused when he heard Master Shuiyue's words.

Master Shuiyue should not be a good-tempered person. How could he let him go so easily?

Su Chen looked at the angry Lu Xueqi, coughed and said, "Cough, Shuiyue Master Yue, what if I don't apologize to your apprentice?"

"Then don't blame me for bullying the small ones."

"....."When Su Chen heard Master Shuiyue's words, he shook his head speechlessly.

He originally wanted to take the opportunity to teach Lu Xueqi a lesson, who told this cold beauty to meddle in other people's business.

I just didn't expect that Shuiyue actually stopped him, and now he wanted to bully him and force him to apologize.

This put Su Chen in a dilemma.

Master Shuiyue is a cultivator in the distraction realm, and he is definitely no match for Master Shuiyue. But Su Chen was unwilling to ask him to apologize to Lu Xueqi. The hall became quiet for a while, and everyone here wanted to know what Su Chen would choose. Is that the apology? Or continue to fight?

"Master, I want to fight this bastard."

Lu Xueqi saw that Su Chen was silent, and she saluted Master Shuiyue with an ugly expression on her face,

"I agree, I will fight with your apprentice!"Su Chen hurriedly said after hearing Lu Xueqi's words,

"I don't agree, don't even think about it."

Master Shuiyue looked at Su Chen angrily and refused.

Others can't see that this bastard is hiding his cultivation level.

How can she not see it?

This bastard will definitely pretend to be a pig and eat the tiger to humiliate her disciples.

Lu Xueqi asked with a puzzled look on her face,

"Master, why?"

"This bastard is much stronger than you, and you are no match for him." Master Shuiyue explained to Lu Xueqi helplessly.

Lu Xueqi looked surprised and asked doubtfully,

"What? How can this be? She is obviously a great master, how could she be stronger than me?"

Everyone in the hall looked at Su Chen in disbelief.

Master Shuiyue couldn't be wrong.

Could it be that Su Chen really hid his cultivation level?

Is he stronger than Lu Xueqi?

Lu Xueqi is a cultivator in the Nascent Soul Realm. , then what realm is Su Chen? The peak of Nascent Soul Realm (Dou Zong)?

Or the Out-of-body Realm (Dou Zun)?

Xu Nian looked at Su Chen in confusion.

He did not expect that Su Chen was so powerful. Old Huang The assassination with Li Chungang was so ridiculous. A master of the Golden Core Realm and a Nascent Soul Realm wanted to assassinate a master of the Out-of-body Realm. What is the difference between this and seeking death?

Su Chen let Fu Jiang Hongjia kill Lao Huang without taking action.

If Su If Chen takes action,

Lao Huang and Li Chungang will probably be killed in an instant.

Xuanyuan Qingfeng looked at Su Chen dumbfounded. She felt that what she just thought was very stupid, simply stupid.

At this moment,

Xiao Xun'er heard Master Shuiyue immediately stood up after saying this.

She looked at Su Chen with an angry look on her face.

This bastard had been hiding his cultivation realm, which made Xiao Xun'er clenched her fists very unwillingly.

After eating the Zhu Guo, she After being promoted to the King of Fighting, she was originally confident that she could defeat this bastard.

But reality slapped her hard.

"Girl, I can suppress you with one hand, do you believe it?"

Chapter 1414

Su Chen did not expect Master Shuiyue of Qingyun Sect to actually see his level of cultivation. It seemed that he had underestimated the power of Master Shuiyue. It seemed that powerful immortal cultivators should not be underestimated.

No wonder Master Shuiyue kept stopping Lu Xueqi from taking action.

It turned out that he was afraid that her disciple would be defeated by him.

Su Chen looked at the surprised Lu Xueqi and said with a smile, "Girl, I can suppress you with one hand, do you believe it?"

"Shameless!"

Lu Xueqi yelled angrily when she heard Su Chen's words.

She didn't expect that this bastard had hidden his cultivation level. How could a shameless bastard be stronger than her? Could this bastard be a true disciple of another top immortal sect?

Su Chen opened his mouth and continued to tease Lu Xueqi, "I have teeth. Look, my teeth are very white.""

"asshole!"

"What a bastard!"

"Mr. Su, you are really shameless."

Lu Xueqi, Yun Yun, and Yafei all yelled and cursed when they heard Su Chen's words. They didn't expect that Su Chen would be such a shameless bastard. Today, they are speechless against this bastard.

"This Su Chen is really unique." Xuanyuan Qingfeng shook his head in surprise when he heard Su Chen's words and said,

"He is a shameless bastard! Xu Nian said with disdain and anger,

"Aren't you a bastard too? You and that Su Chen are at odds with each other, both of you are not good people."

"I....."

When Xiao Xun'er heard Su Chen's shameless words, he blushed and said angrily, "This shameless bastard, if I were next to that bastard, I would definitely strangle that bastard to death." Mr.

Ling looked at Su Chen, shook his head and said, "Su Young master is really a special person"

"Someone special? He is a shameless person"

"Yes, miss!"

Princess Yaoye looked at Su Chen with a confused look on her face.

Is this the person who came from the fairy world?

How can he look like a rogue? Is the noble son who came from the fairy world just a shameless young man?

Others in the hall were also right. Su Chen was speechless.

They had seen shameless people, but no one here had ever seen such a shameless person. However, Master Shuiyue never took action. It seemed that Su Chen, who had no fear, had an extraordinary origin.

Shuiyue He looked at Su Chen angrily and shouted, "That's enough, Su Chen, are you going to apologize now? It's better that I teach you a lesson and you apologize."

Su Chen saw Shui Yue acting like you were going to take action without apologizing. He coughed in embarrassment and said, "Ahem, senior, it's not good to beat and kill too much, why don't you just forget about it, anyway, your disciple There is no loss"

"You are dreaming!"

Lu Xueqi shouted angrily when she heard Su Chen's words.

She was fooled by this bastard today.

Now she can no longer maintain an expression of not caring about anything. Even her usually cold self is full of anger.

This bastard will not apologize today. , even if she couldn't beat this bastard, Lu Xueqi would also die with this bastard.

When Su Chen heard Lu Xueqi's words, he exclaimed, "I'll do it!" Lu Xueqi, I have let you go, why are you still so entangled with me?"

"court death!"

Lu Xueqi suddenly burst out with powerful momentum, and she attacked Su Chen with one punch.

Boom!

Su Chen held the blue bird and red clothes to avoid Lu Xueqi's attack. The seat where he was was shattered by Lu Xueqi's punch.

"Lu Xueqi, I'll wait for you outside the hall!"

Su Chen looked at Lu Xueqi and said to Lu Xueqi, then he disappeared into the hall with the blue bird and red clothes.

"Do you think I'm afraid of you? Even if I try my best today, I will kill this shameless person like you." When Lu Xueqi heard Su Chen's words, she ducked and disappeared into the hall.

Everyone in the hall ran outside the hall. They all wanted to see the scene of powerful masters fighting each other. This would also be very useful for their future practice. It's good.

Master Shuiyue waved to the remaining disciples, and she disappeared into the main hall instantly. The remaining disciples of Qingyun Sect also hurriedly went out of the main hall.

Yun Yun looked helplessly at the empty main hall. , she patted her forehead and quickly left the hall.

In the square outside the hall,

Su Chen put Qingniao and Hongyi aside and said,"Just watch from the side and see how this young master will teach that little girl a lesson.". Hongyi looked at Su Chen and reminded him worriedly,"Master, Master Shuiyue is very powerful. Aren't you afraid of Master Shuiyue's attack?"

Su Chen saw Master Shuiyue appearing next to him.

He coughed hurriedly and then flattered him and said,"Cough! After all, Master Shuiyue is a senior expert. She must have been scaring me just now. How could someone like Master Shuiyue take action against a junior."

Qingniao and Hongyi lowered their heads speechlessly after hearing Su Chen's words.

Their new master is too shameless.

Is this the so-called bullying of the weak and fear of the strong?

"Bastard, come and fight! Lu

Xueqi appeared in the square and looked at Su Chen and shouted,

Whoosh!

Su Chen appeared opposite Lu Xueqi in an instant and asked with a smile,"Girl, are you sure you want to fight me?"

"Yes, I will definitely kill you today"

"I can fight you, but you can't let your master take action, otherwise I won't fight you"

"Don't worry, my master won't take action"

"you sure?"

"I'm sure, just die!" Lu Xueqi drew out her Tianya Sword and attacked Su Chen.

Boom boom!

Su Chen dodged and took out the purple spirit sword given to him by the little fox.

He also wanted to test the difference between himself and the immortal cultivator. ,

Su Chen is stronger than Lu Xueqi, but he has no immortal cultivation skills. In addition to the law of space, he only has the four major sword techniques of Qingyun Sect as martial arts for cultivation of immortals. He has only scratched the surface of the Wanjian Guizong of Shushan. , even if it is used now, it is of no use.

Qingyun Sect has the Heavenly Book of Immortal Cultivation Techniques and the Xuanqing Dao of Tai Chi. If he really wants to fight Lu Xueqi, if Su Chen doesn't use the law of space, he may not be Lu Xueqi's opponent.

"Eighteen swords!"

Boom boom boom!

A purple sword and a sky blue sword kept colliding rapidly in the square of Yunlan Sect. The powerful momentum erupted from the two spiritual swords made the people watching around them keep retreating.

"Twenty swords!"

Boom boom boom!"

"Sword twenty-one!"

"Twenty-two swords!"

Su Chen continued to use the Holy Spirit Sword Technique to fight against Lu Xueqi's attacks.

Although Lu Xueqi used mediocre moves, they were more powerful than Su Chen's sword moves.

This is the difference between Xiuxian Martial Arts and ordinary martial arts.

Although the Holy Spirit Sword Technique Strong, but it could barely hold up against Lu Xueqi's random sword moves.

"Is that all you have?"

Lu Xueqi was very surprised after her fight with Su Chen.

Although this bastard's swordsmanship was sharp, it was just ordinary martial arts, not immortal martial arts at all.

Did this bastard look down on her?

"What's wrong with my ability? As if you defeated me"

"you wanna die!"

Chapter 1415

In the square of Yunlan Sect,

Su Chen and Lu Xueqi had a fierce fight and collision, which made everyone around them watch without blinking. They all wanted to know who could win between Su Chen and Lu Xueqi, and whether they could even win between Su Chen and Lu Xueqi. Lu Xueqi gained some insights from the battle.

Master Shuiyue was very confused when he saw the sword moves used by Su Chen.

How could Su Chen use the martial arts of ordinary warriors? Although this sword technique is very powerful, it is not a martial art of cultivating immortals after all.

Is this little bastard afraid that he will recognize his immortal martial arts?

Is this little bastard going to keep hiding his identity?

Xu Nian looked at Su Chen in the square with a livid face.

He did not expect how powerful Su Chen would be. A strong man in the Nascent Soul Realm could not do anything to Su Chen now.

How will he take revenge in the future?

Xiao Xun'er looked at Su Chen who was fighting in the square.

She clenched her fists angrily and cursed, "Why is this bastard so powerful?"

Mr. Ling saluted Xiao Xun'er and said, "Miss, Mr. Su is basically useless now." He did not use all his strength, and the martial arts he is using now are ordinary martial arts."

Xiao Xun'er asked with a look of silence, "Mr. Ling, does our clan have any techniques to defeat this bastard?"

Mr. Ling heard. Xiao Xun'er hurriedly replied,

"Miss, there are many powerful techniques in the family, but, miss, as long as your Dou Emperor bloodline is fully awakened, you will definitely defeat Mr. Su Chen easily in the future."

"I understand, this time the Yunlan clan is in trouble, we will return to the family"

"Yes, miss!"

Xiao Xun'er became uneasy when she thought of Su Chen's power.

She must return to her family as soon as possible to awaken the Dou Emperor bloodline.

Otherwise, she will definitely not be this bastard's opponent in the future. If

Xiao Xun'er wants to take revenge, she must be stronger than this bastard.

"Why is this bastard still using ordinary swordsmanship?"

Yun Yun looked at Su Chen's fight and frowned in confusion.

After she knew that Su Chen was stronger than Lu Xueqi, she no longer worried about Su Chen's safety.

But after the battle, this bastard kept using ordinary With his sword moves, is this bastard going to continue to humiliate Lu Xueqi?

Princess Yaoye pulled Yafei in panic and said,

"Yafei, I didn't expect Mr. Su to be so powerful. I feel very scared here. If I get closer, I'm afraid I will be torn apart by them all fighting Yu Bo."

Ya Fei nodded with a pale face and said,"Yes, such a battle is not something we can watch at all. Our strength is really too low."

Princess Yaoye and Yafei are too powerful. Although Princess Yaoye and Yafei are very far away from the square, Su Chen and Lu Xueqi's spirit sword attacks still frightened them.

After Lu Xueqi fought with Su Chen for a while,

She discovered that this bastard had been using ordinary sword moves, which made her feel that this bastard was humiliating her.

"Suchen, you shameless bastard, are you humiliating me?"

"No!"

Su Chen was also very helpless in his heart.

If he had other powerful immortal martial arts, would he be like this?

However, if the Holy Spirit Sword Technique can be advanced to the immortal martial arts in the future, it will definitely be very powerful. I hope that I can learn from it in the future. In the gift package, you will get a scroll to advance martial arts skills.

"Be like the light!"

Su Chen suddenly found Lu Xueqi appearing behind him.

He hurriedly used the Taoist Heguang Tongchen.

This technique was improved by Su Chen by combining it with the laws of space.

Su Chen also felt that it was very cool to use Heguang Tongchen. Heguang Tongchen He was also very familiar with space teleportation.

Su Chen spent some time integrating Heguang Tongchen into some space laws, which made Heguang Tongchen faster and more gorgeous to use.

A Tai Chi pattern suddenly appeared at Su Chen's feet , when Lu Xueqi stabbed Su Chen with his sword,

Su Chen suddenly disappeared.

Around the square,

Tai Chi patterns appeared one after another.

After dozens of black and white Tai Chi patterns appeared, Su Chen kept going back and forth among these Tai Chi patterns. Shuttle.

Every time Lu Xueqi was about to attack Su Chen, Su Chen would appear in the Tai Chi pattern next to her. This made Lu Xueqi angrily run back and forth chasing Su Chen.

Everyone around looked at the square in shock. They did not expect that Su Chen would have such a powerful technique.

Lu Xueqi seemed to be being played by Su Chen, which made them very speechless when they looked at Su Chen.

This was simply cheating.

Shui Yue looked at Su Chen. After using the Tai Chi pattern, he said doubtfully,

"Taoist Kung Fu, is this Su Chen also a Taoist? Shushan? Longhu Mountain? Or other Taoist sects?"

"Bastard, you're dead!"

Lu Xueqi flew into the air with a face full of anger. She raised the Tianya Divine Sword and shouted coldly to Su Chen,"

I'm here!

Lu Xueqi wants to use the Divine Sword to Control the Thunder True Art?

It's his fault!

This time it's a big deal." Su Chen hurriedly shouted to Qingniao and Hongyi next to him,"Qingniao, Hongyi, please back up quickly, stay far away, this girl is going crazy.""

Su Chen knows how powerful the Divine Sword and Thunder Controlling Art is. If Lu Xueqi, who is in the Nascent Soul Realm, uses the Divine Sword and Thunder Controlling True Art, I am afraid that the Yunlan Sect will be completely destroyed.

Boom boom boom!

At this time,

Yun Lan The sky above the sect suddenly darkened, and a burst of thunder and lightning roared continuously above the Yunlan sect.

Everyone watching the excitement quickly retreated back in fright. They were also frightened by the big move that Lu Xueqi was about to launch.

"This is so scary, the sky thunder has been summoned, the Qingyun Sect is really very powerful"

"Yes, one of my disciples is a super master in the Nascent Soul Realm, and he is even so powerful. We are not as good as a young woman at our age. Our lives are really in vain."

"This is a thunder attack. How can Qingyun Sect have such a powerful immortal method?"

"This is the Thunder-Controlling True Art, one of the four major immortal sword techniques of the Qingyun Sect."

"God, is this still alive? Qingyun Sect is too powerful"

"I feel like if I were next to Lu Xueqi and Su Chen fighting, these thunders alone would tear me apart."

Many strong men hid far away and looked at Lu Xueqi in the air. They all expressed the fear in their hearts.

Su Chen saw Lu Xueqi in the air looking at him with disdain. He took the purple sword and pointed at Lu Xueqi. He shouted, "Lu Xueqi, don't be complacent, don't you know how to master the Divine Sword and Thunder Control as my young master?"

Su Chen said and flew into the air with one step.

He raised the Spirit Sword Purple Sword and activated the Divine Sword Yu Lei Zhenjue.

Boom boom boom!

At this time, the Yunlan Sect was like the end of the world, with black thunder in the sky. Intertwined with each other, the roaring sound of thunder shook the nose and ears of people with low cultivation levels.

When Shuiyue saw Su Chen using the divine sword to control thunder, she said in confusion, "How is this possible? How could Su Chen know the Qingyun Sect's Divine Sword Controlling Thunder?"

Xiao Xun'er looked at Su Chen in the air and said in confusion, "Damn it, how can Su Chen know the powerful sword techniques of Qingyun Sect?"

Mr. Ling watched Su Chen use Qingyun Sect's sword skills, and he said with emotion, "Miss, don't forget, Mr. Su came from the immortal world. Mr. Su Chen should have practiced Qingyun Sect in the immortal world. Cultivation of Immortal Sword Art."

Chapter 1416

Many strong men in Yunlan Sect were dumbfounded when they saw Lu Xueqi and Su Chen in the air.

They did not expect that Su Chen and Lu Xueqi were actually using the same powerful Immortal Cultivation Sword Technique.

Isn't the Divine Sword Yulei Zhenjue one of the four great sword arts of Qingyun Sect?

But how could Su Chen do it?

Could it be that Su Chen is also a disciple of Qingyun Sect?

This is impossible?

If Su Chen was a disciple of the Qingyun Sect, would Master Shuiyue not know about it?

Xu Nian looked at Su Chen in the air with a livid face and said helplessly, "Damn it, how can Su Chen know such a powerful sword technique? Su Chen is also a disciple of Qingyun Sect?"

Xuanyuan Qingfeng looked at Su Chen and shook his head. He shook his head and said, "No, Su Chen is definitely not a disciple of Qingyun Sect. If Su Chen was a disciple of Qingyun Sect, would Master Shuiyue not know about it?"

"Qingfeng, are you saying that Su Chen secretly learned the Qingyun Sect's sword skills?"

"It's possible, but the chance is very small. Qingyun Sect's sword skills are not so easy to be stolen. Maybe someone from Qingyun Sect taught Su Chen this sword skill."

Xu Nian shouted in disbelief when he heard Xuanyuan Qingfeng's words, "This is impossible. How could someone from the Qingyun Sect secretly teach such a powerful sword skill? It must be Su Chen who secretly learned the Qingyun Sect's sword skill."

"maybe!"

Xuanyuan Qingfeng did not continue to quibble with Xu Nian.

There was no point in doing so.

Whether Su Chen secretly learned the Qingyun Sect's sword skills, or someone from the Qingyun Sect taught such a powerful sword skills as Su Chen.

This has nothing to do with her. It doesn't matter

"Su Chen, this bastard, is he and Lu Xueqi going to destroy my Yunlan Sect?"

At this time, after Yun Yun arranged for all the disciples of Yunlan Sect to leave Yunlan Sect, she came back with her disciple Nalan Yuyan. She looked at Su Chen in the sky and said angrily,

Nalan Yuyan Su Chen looked at the sky and asked curiously, "Master, is the man in the sky the Su Chen who gave me Zhu Guo?"

"That's that bastard. Damn it, a fight between them will definitely destroy our Yunlan Sect."

"Master, we can't stop them, they are too powerful"

"Bastard, if our Yunlan Sect is destroyed, that bastard must compensate us. Nalan

Yuyan took Yun Yun's arm and asked with a smile, "Haha, master, you didn't have such a plan early in the morning, right?"

Nalan Yuyan heard her master talk about Su Chen.

This Su Chen came to the Shenyu Continent from the fairy world to experience. People who come from the fairy world must have many treasures.

Just like the red fruit she ate, a small The fairy fruit can increase her strength to the Nine Stars of Dou Wang, which is a rare treasure for Yunlan Sect.

Yun Yun smiled and looked at Su Chen in the air and said,

"What to say? How could I watch the Yunlan Sect be destroyed? But if the Yunlan Sect is really destroyed, the treasure in that bastard's hand must be extorted."

"Haha, then they should have destroyed the Yunlan Sect. Anyway, we can rebuild it. In this way, we can also extort some treasures, and the Yunlan Sect can be built with a brand new look."

At this time,

Lu Xueqi saw that Su Chen also used the Divine Sword and Thunder Controlling True Art, and she was very confused.

She did not expect that this bastard could actually know the Divine Sword and Thunder Controlling True Art. Could it be that this bastard was also a member of their Qingyun Sect?

However,!

Even if this bastard is a disciple of Qingyun Sect, she will not forgive this bastard.

Lu Xueqi glared at Su Chen and started to launch the attack of Divine Sword Yu Lei Zhenjue,

"The Nine Heavens Mysterious Temple turns into divine thunder"

"The brilliant power of heaven is drawn with the sword."

When Su Chen saw that Lu Xueqi was about to attack, he also hurriedly began to recite the formula of Divine Sword Yu Lei Zhenjue,

"The Nine Heavens Mysterious Temple turns into divine thunder"

"The brilliant power of heaven is drawn with the sword."

Boom boom boom boom.....

After Lu Xueqi and Su Chen launched attacks at the same time, the sky over the Yunlan Sect turned completely dark. The black thunder and lightning intertwined in the sky attacked each other, and countless buildings of the Yunlan Sect collapsed in that instant.

Lu Xueqi used the Divine Sword to Control Thunder to lock on Su Chen, and Su Chen also used the Divine Sword to Control Thunder to target Lu Xueqi. The black thunder and lightning in the air split into two parts and attacked crazily. The loud thunder and lightning attack even came out. hundreds of miles away

"No, retreat, retreat quickly, otherwise we will die."

"My God, are these still human powers?"

"Withdraw from the Yunlan Sect, quickly, everyone withdraw from the Yunlan Sect"

"Master, please give me a lift, my legs are weak"

"It's too scary. Is this still a strong person in the Nascent Soul Realm? I am afraid that even Dou Emperor cannot explode with such great power."

Everyone around them quickly fled Yunlan Sect one by one. The attack just now scared them all. Just a few Yu Bo destroyed the Yunlan Sect's buildings. If there was a real attack, Yunlan Sect would be razed in an instant. On the ground.

At the foot of the Yunlan Sect mountain,

Huanwan and Shi Feixuan were rushing towards the Yunlan Sect.

They originally went to Wutan City to find Yafei to take away the ring. Who knew that Yafei also came to the Yunlan Sect? This was a waste of time for Shi Feixuan and Huan Huan.

Suddenly,

Huan Huan and Shi Feixuan looked at the Yunlan Sect on the mountain at the same time. The Yunlan Sect burst out with a powerful aura, and even the thunder and lightning attack of the dark clouds made them It looked very familiar.

After checking it, Huanwen said in surprise, "Huh? This is the Divine Sword and Thunder Controlling Art. Master nun, let's go over and see who is using the Divine Sword and Thunder Controlling Art."

"good!"

Shi Feixuan is also very confused.

She can also use the Divine Sword to Control Thunder, but she can't use such a powerful Divine Sword to Control Thunder.

Boom boom boom boom.....

In the sky above Yunlan Sect, dark thunder and lightning were still attacking each other.

However,

Lu Xueqi's head was covered with sweat now, and she couldn't hold on any longer. Using the Divine Sword and Thunder Control Technique consumed a lot of mana, and Lu Xueqi couldn't compare to Su Chen in terms of mana.

Even if Su Chen was exhausted, he could consume Lu Xueqi to death.

Su Chen looked at Lu Xueqi who was sweating profusely and shook his head, "This girl is really unique. She can't hold on anymore and she still has to be hard. She's not afraid that she will really die in a while."

Su Chen doesn't dare to kill now. Lu Xueqi, although the Qingyun Sect will be an enemy in the future, he offended the Qingyun Sect before he grew up. From then on, Su Chen could only hide in Tibet. Moreover, Su Chen was reluctant to kill such a beautiful woman as Lu Xueqi. After all, Lu Xueqi was a plot character that he liked very much. Zhang Fan would just let him eat shit from now on. Su Chen looked at Lu Lu Xueqi and shouted, "Girl, surrender, otherwise you will be ruined here."

"

"Rest, I will take you to be buried with you even if I die." Lu Xueqi yelled angrily when she heard Su Chen's words,

"I'll do it!"

Chapter 1417

Su Chen was speechless when he heard Lu Xueqi's angry words, and died together?

How can this be?

Besides,

Lu Xueqi didn't have the ability to die with him.

Su Chen looked at the trembling Lu Xueqi and shouted,

"Girl, how about we just forget it?"

"You see, Yunlan Sect has been destroyed by us, who is to blame for this? Also, your master, Master Shuiyue, has been watching from the side. What if you die accidentally? I'm afraid your master will tear me alive"

"You're dreaming that if you die, you won't have to worry about anything. It's better for you, shameless bastard, to die." Lu Xueqi shouted angrily when she heard Su Chen's words.

She directly increased her mana output to destroy this bastard.

This bastard was thinking about other things during the battle.

This is simply looking down on her.

Boom boom boom.....

"What the hell!"

Su Chen saw Lu Xueqi desperately increasing her mana output attack, which made Su Chen very helpless.

The terrifying thunder and lightning attack in the sky above Yunlan Sect directly destroyed the entire Yunlan Sect this time.

In Yunlan Sect, None of the buildings were intact, and even several hills in the Yunlan Sect were split open.

"What is Xue Qi doing? Does she want her life?"

Shuiyue was very anxious when she saw the situation in the air of Yunlan Sect.

Shuiyue found that Lu Xueqi could no longer hold on, and she was also ready to tear apart the space to rescue Lu Xueqi.

But she was very confused when she saw Lu Xueqi's lifeless attack.

Even if Lu Xueqi hated Su Chen, she couldn't gamble with her life.

Shui Yue hurriedly began to gather her magic power. She wanted to save her apprentice in time when Lu Xueqi was in danger.

Whoosh!

At this time,

Su Chen Suddenly he found that Lu Xueqi was about to fall from the air.

He hurriedly teleported to Lu Xueqi, hugged her and left instantly. If Su Chen had been a step too late just now, I am afraid Lu Xueqi would have been destroyed by the terrifying thunder and lightning.

Whoosh!

In Su Chen's hug Just after Lu Xueqi disappeared,

Shuiyue tore through the space and arrived, but she was very worried when she didn't notice Lu Xueqi.

Boom boom boom boom.....

Just when Shui Yue was looking for Lu Xueqi, Su Chen's lightning attack, which he had not withdrawn before leaving, directly attacked Shui Yue.

"Disperse!"

Boom!

When Shuiyue saw the incoming thunder and lightning attack, he swung out his palm.

A more terrifying aura came out of Shuiyue's palm.

After a blue light quickly collided with the black thunder and lightning, the black thunder and lightning was directly hit. Disappeared.

Without Su Chen's control, the Divine Sword Yu Lei Zhenjue in the air began to slowly dissipate, and a glimmer of light appeared in the dark sky.

Shui Yue checked her surroundings, and she found that Lu Xueqi and Su Chen had disappeared. Missing, this made her very angry, "Damn it, why is Xue Qi missing? And why did that bastard disappear too?"

At this time, everyone at the foot of the Yunlan Sect saw that the battle was over. They came quickly one by one to know who had won.

"Where are people? Why is Master Shuiyue the only one in the air? Where are Lu Xueqi and Su Chen?"

"hiss! Could it be that Lu Xueqi and Su Chen died together?"

"It's possible, haven't you noticed that Master Shuiyue's face is very ugly?"

"How can this be? Two powerful masters died together like this?"

"No one can escape such a powerful lightning attack, and it is possible for them to die together."

"Do you think Master Shuiyue will kill Su Chen's women in anger?"

"Ahem, don't talk nonsense, Master Shuiyue is a senior of Qingyun Sect, how could she kill innocent people indiscriminately?"

After the strong men from the Yunlan Sect arrived, they started talking after seeing the situation here.

Especially since the Yunlan Sect was destroyed and

Lu Xueqi and Su Chen disappeared, everyone started to speculate..

When Xiao Xun'er arrived and heard the discussion nearby, she said with a surprised expression, "That bastard is dead? How did that bastard die?"

"Miss, the attack just now was very powerful. Mr. Su and Lu Xueqi may have died together."

Xiao Xun'er shook her head and said with a cold face,

"Impossible, how could that bastard die?"

"That bastard Su Chen was so shameless. It was impossible for him to die together with Lu Xueqi. I didn't believe that bastard was dead until I saw his body."

Xiao Xun'er didn't believe that Su Chen would die together with Lu Xueqi. How could a shameless bastard risk his life and die with the enemy? If others, Xiao Xun'er still believed it, but she didn't believe in Su Chen at all.

"Miss....."

Mr. Ling looked at Xiao Xun'er and didn't know what to say, but didn't the young lady wish that Su Chen died?

Why do you look worried now?

Mr. Ling shook his head as he couldn't understand these things.

After Yun Yun and Nalan Yuyan arrived, they were very surprised when they heard the comments from the powerful people around them.

Is Su Chen dead?

How can this be?

Isn't Su Chen stronger than Lu Xueqi?

How could Su Chen die?

Nalan Yuyan looked at the destroyed Yunlan Sect and even heard the comments from the people around her.

She looked at Yun Yun's pale face and asked in a low voice, "Master, is Mr. Su really dead?"

Yun Yun shook her head and said in disbelief, "No way, how could Su Chen die? I don't believe Su Chen will die"

"But there are no figures of Mr. Su and Lu Xueqi here. Master, I'm afraid they died together."

"Su Chen was very powerful. He must have taken Lu Xueqi away with him. There was no way they would die together."

"well! Hope so!"

At this time,

Xu Nian next to him laughed, "Haha, that bastard is finally dead, what a good death!"

Xu Nian finally felt relieved after Su Chen's death.

Su Chen's strength scared him.

No master in Beiliang could be Su Chen's opponent.

An enemy more powerful than the Nascent Soul Realm. If Su Chen didn't die, , the future will be the end of Beiliang.

Xuanyuan Qingfeng looked at it and laughed and said Xu Nian didn't say anything.

She didn't believe that Su Chen would die, and Su Chen and Lu Xueqi disappeared at the same time, which made

Xuanyuan Qingfeng even more suspicious.

Master Yue has always been by his side. If Lu Xueqi is in danger, can Master Shuiyue refuse to save her?

Princess Yaoye looked at Ya Fei with a disappointed look on her face and said,"Zhu Guo is gone, Ya Fei, it seems that Su The young master is really dead."

Ya Fei is not worried at all.

Su Chen is a young master who came from the immortal world to the Shenyu Continent to experience.

Since Su Chen has an immortal fruit like Zhu Guo in his hand, will he not have a magic weapon to save his life?

"No, Yaoye, do you really think Mr. Su will die? A dandy who comes to the fairy world, will he have no magic weapon to save his life? Or do you think a person who comes from the fairy world will die so easily?"

Chapter 1418

In the Yunlan Sect,

Qingniao and Hongyi were all stunned.

They did not expect that Su Chen was dead. This was good news for them. After Su Chen died, they would be free.

But they couldn't be happy.

Qingniao and Hongyi were already Su Chen's maids, but Su Chen died a day later, which left them wondering what to do in the future.

It is impossible for them to return to Beiliang.

Xu Nian may not care about their betrayal, but Xu Nian's father will definitely execute them.

Qingniao and Hongyi looked at each other, both at a loss.

In a forest at the foot of the Yunlan Sect Mountain,

Queen Medusa hugged Su Yue and took Jiang Ni to look at the Yunlan Sect.

After feeling very dangerous, Queen Medusa hurriedly hugged Su Yue and took Jiang Ni. Ni escaped from Yunlan Sect early. Queen Medusa was still frightened by the powerful battle above the Yunlan Sect. She did not expect that there were powerful people in the Yunlan Sect. Jiang Ni looked pale and asked Queen Medusa, "Queen, will something happen to Su Chen and Qingniao?" Jiang Ni did not expect that people could be so powerful. The thunder and lightning above Yunlan Sect, Even the terrifying black lightning attack, which is like a god fighting. This frightened Jiang Ni, who was an ordinary person, and her heart almost jumped out of her chest. If she hadn't been led by Queen Medusa to escape Yunlan Sect early, she might have died in Yunlan Sect. Queen Medusa looked at Su Yue in her arms, shook her head and said, "I don't know. The battle is over now. Let's go to Yunlan Sect to take a look."

"

"Well, I hope Su Chen and Qingniao are okay."

In the Yunlan Sect,

Shui Yue searched around but still couldn't find Su Chen or Lu Xueqi, which made her want to explode.

Lu Xueqi is her direct descendant. If something happens to Lu Xueqi here, all her years of hard work will be lost. It was all in vain.

Even her Xiaozhufeng would lose its successor.

Whoosh!

Shuiyue appeared next to Qingniao and Hongyi in an instant.

She looked at Qingniao and Hongyi and asked expressionlessly, "Who is Su Chen? Which sect is he a disciple of?"

Hong Yi took Qing Niao and replied hastily, "We don't know. We just became the young master's maid yesterday, and we don't know anything about the young master."

"Um? You just became Su Chen's maid yesterday?"

"Master Shuiyue, this is true. If you don't believe it, you can ask the people around you."

Shui Yue thought about it after hearing Hong Yi's words and said,

"I don't care if you just became Su Chen's maid yesterday or you were before. Since you are Su Chen's maid, I can't let you go. Someone come and catch them."

"Yes, master!"

Several Qingyun Sect disciples immediately stepped forward and controlled Qingniao and Hongyi.

At this time,

Xu Nian hurriedly came over and saluted Shuiyue and said,

"Master Shuiyue, they were my maids yesterday. This matter has nothing to do with them. I hope Master Shuiyue can let these two innocent women go."

"and who are you? Shuiyue looked at Xu Nian and asked with a frown.

Xu Nian hurriedly replied,

"Master, I am Xu Nian, the Crown Prince of Northern Liang. Qingniao and Hongyi were my maids yesterday. They were also coerced by Su Chen. I hope Master can let them go."

Qingniao heard Xu Nian's words and hurriedly explained, "Xu Nian, Hongyi and I were not coerced at all. We are willing to be Su Chen's maids. Don't talk nonsense here."

Hong Yi also hurriedly said to Shui Yue,

"Master, we were not coerced by Su Chen. Although we don't know Master Su Chen well, we are really Su Chen's maids."

Shuiyue felt a little fond of Qingniao and Hongyi when she heard about them.

These two women did not beg for mercy because of fear. Even they only served as maids for a day and did not betray their master. This made her look at Qingniao and Hongyi with admiration.

"Then I will aggrieve you for a while, and as long as Su Chen shows up with my disciples, I will let you go immediately."

Xu Nian saw that Qingniao and Hongyi were so stubborn.

He thought of Queen Medusa and the child that Su Chen held.

Xu Nian hurriedly said loudly to Shuiyue,

"Master Shuiyue, Su Chen's woman and daughter are also in Yunlan Sect. Qingniao and Hongyi are just maids. You can let Qingniao and Hongyi go."

"As long as the master catches Su Chen's woman and daughter, Su Chen will definitely come to save his woman and daughter if he is not dead."

Shuiyue asked suspiciously after hearing Xu Nian's words, "Well, are you telling the truth?"

"What he said is true."

At this time,

Queen Medusa arrived with Su Yue and Jiang Ni in her arms.

They also heard what Shui Yue said just now. Queen Medusa did not think that Su Chen was among the people who were fighting in Yunlan Sect.

Now. Su Chen disappeared,

Qingniao and Hongyi were caught.

Coupled with Xu Nian's words, it was impossible for Queen Medusa to escape Shuiyue's capture. After all, a powerful person in the distraction realm was simply not something she could handle.

Shuiyue looked at Queen Medusa and said with a serious face, "Since you are Su Chen's woman and Su Chen's daughter is here, then you can stay too!"

Queen Medusa said coldly with a cold expression on her face,

"What if I say no?"

Queen Medusa will not be captured without mercy. Although she is not Shui Yue's opponent, she cannot be captured without mercy for Su Yue.

"Then don't blame me for being rude. Shui Yuedu waved her hands to her disciples and said.

Among the six disciples of Qingyun Sect, three female disciples immediately came out.

They were holding long swords and were going to catch Queen Medusa and Su Yue.

"alert!"

Queen Medusa saw that the people from Qingyun Sect were about to take action. She sent Jiang Ni to the side and hurriedly ordered, "Swish, swish, swish." .....

Shadow assassins suddenly appeared next to Queen Medusa. After protecting Queen Medusa and Su Yue, they looked warily at the three Xiaozhufeng girls who were about to arrive.

When the people around saw that a fight was about to start again, they all hurriedly retreated far away.

Queen Medusa was a strong person in the Dou Sect (Nascent Soul Realm), and the Qingyun Sect dispatched a Nascent Soul Realm, and the two He is a master in the Golden Core Realm, they don't want to harm Chi Yu.

"Su Chen's woman is also a strong person, but this time she is going to fall into trouble. The Qingyun Sect has dispatched a disciple of the Nascent Soul Realm and two disciples of the Golden Core Realm."

"Yes, but how did those black-clad and masked guards appear? Why didn't I notice anything?"

"Even I, the Douhuang, didn't realize how those black-clothed and masked women appeared."

"I also didn't realize that although these black-clad masked guards are not very powerful, their hidden skills are very powerful."

"It's a pity that Queen Medusa and her daughter will be captured by Qingyun Sect this time."

After the strong men around them retreated far away, they looked at Queen Medusa and the Qingyun Sect disciples who were about to fight, and they all talked about it.

"Youru, what's going on? Where is Su Chen?"

At this time,

Huanwan and Shi Feixuan also arrived. They looked at the shadow assassin who was about to fight and asked hurriedly,

"Youru, I have met Mrs. Huanwen, I have met Mrs. Concubine Xuan, the master has just disappeared."

"I've met two ladies!"

Chapter 1419

When the Shadow Assassins saw Hanhan and Shifeixuan arriving, they all saluted.

Youru did not expect that Hanhan and Shifeixuan would appear in Yunlan Sect, and they also came to the Shenyun Continent. Could it be that Su Chen was the one who controlled Hanwen? Were Huan and Shi Feixuan also brought here?

"What is going on?" Shi Feixuan looked at You Ru and frowned and asked,

Su Chen is here?

And he disappeared after fighting here?

Shi Feixuan wanted to find out why Su Chen disappeared?

Did something happen?

"Madam, here's the thing,....."

Just when Youru was telling Shi Feixuan and Huan Huan what happened here,

Shui Yue also stopped her disciples from taking action.

Her eyes lit up when she looked at Shi Feixuan. This Shi Feixuan was a swordsman genius, young and He quickly realized that the sword's heart is transparent. This is a rare genius.

Moreover, Master Fei Xuan's cold personality also made her very familiar with Lu Xueqi, which made Shui Yue want to recruit a disciple.

"Yue'er? Yue'er is here too?"

When Hanwan and Shi Feixuan heard You Ru's narration, they hurriedly looked at Queen Medusa. They didn't expect that Su Chen actually brought Su Yue to the Shenyu Continent.

Shi Feixuan came to Medusa Next to the queen, she looked at this beautiful and noble woman and said, "Hello, I am Shi Feixuan, this is Hanwen, we are both Su Chen's women."

Queen Medusa looked at Shi Feixuan and Huan Huan and felt strange.

These two women were obviously still in perfect condition. How could they say they were Su Chen's women? It's just that the shadow assassins couldn't lie.

"Hello, are you sure you are Su Chen's woman?"

Shi Feixuan said with some embarrassment, "Well, she is the fiancée. We have already decided on our relationship."

"Queen Medusa, can you give us the moon back?" Huanhan came over and looked at Yue'er and said to Queen Medusa.

Huanhan was worried that Queen Medusa would be harmful to Su Yue.

Although the shadow assassins protected Queen Medusa, a woman of unknown origin, Huanwan was also afraid that she would be harmful to Yue'er, so she still thought it would be better to protect Yue'er herself.

Queen Medusa shook her head and refused, "No, Su Chen gave it to me to protect Yue'er. I don't can be handed over to you"

"mother....mother...mother...."

At this time,

Su Yue looked at Queen Medusa and kept shouting.

When Concubine Yan and Concubine Yan heard Yue'er call Queen Medusa her mother, they looked at each other in surprise.

They didn't expect that Yue'er would call Queen Medusa her mother.

If Concubine Yan knew about this, she might be in trouble. Concubine Yan will be so jealous that she needs to teach Yue'er a lesson.

"Yue'er, do you know them?" Queen Medusa hugged Su Yue and asked her to look at Hanhan and Shi Feixuan,

"mother.....mother....mother." Su Yue looked at Hanhan and Shi Feixuan, stretched out her little hands and shouted happily,

"Be good, Yue'er, my aunt will take you away in a moment." Huanwan said happily when she heard Yue'er calling her, and

Shifeixuan also showed a rare smile.

"None of you can leave. If Su Chen doesn't bring my disciple back, you will stay as hostages."

At this time,

Shui Yue appeared in front of Queen Medusa and threatened them.

Master Fei Xuan saluted Shui Yue and said, "Senior, Su Chen disappeared with your apprentice. This cannot be said to be taken away by Su Chen. Your apprentice, are you going too far?"

Shui Yue nodded when she saw Shi Feixuan's attitude.

The more she looked at this woman, the more satisfied she became. Her words were neither arrogant nor humble, and she was reasonable and well-founded. This was her ideal disciple.

She already had a very outstanding disciple, Lu Xueqi. If she trains another outstanding disciple, then their Xiaozhu Peak will become the first of the Qingyun Sect's seven peaks.

However,

Shui Yue still wants to test Shi Feixuan's character.

"That's too much. My apprentice and Su Chen disappeared together. Apart from Su Chen who took my apprentice away, is there anyone else here who has this ability?"

Shifei Xuan said with a cold expression,

"Senior, Su Chen disappeared with your disciple. We are also very worried. Su Chen is our husband. You are worried about your disciple and we are worried about our husband. How about we wait here together for their return? Shuiyue shook her head and refused,

"No, what if you escape while I'm not paying attention? You must seal your cultivation and let my disciples guard you so that I can not take action against you."

"This is impossible! Shuiyue smiled and threatened, "Then we can't reach an agreement. Don't blame me for catching you.""

"Be careful everyone!"

When Shi Fei Xuan saw that Shui Yue was about to take action, she hurriedly reminded Huan Huan and Queen Medusa.

"is that useful?"

Swish swish swish.....

Shuiyue suddenly took action quickly.

She suddenly appeared and controlled Queen Medusa, Hanhan, Shi Feixuan, and even more than ten shadow assassins one by one. Queen Medusa and the others were simply under control. There was no room for resistance.

The people around were very surprised when they saw Shui Yue controlling Su Chen's women.

They were even more frightened by Shuiyue's powerful strength.

Queen Medusa was in the Yuanying realm. Although the shadow assassins were not very powerful, at least their hidden skills were very powerful.

As for the two beautiful women who have just arrived, although their strength is both in the Heavenly Realm, the momentum they just burst out cannot be underestimated. Even people in the Golden Core Realm are probably no match for these two beautiful women.

But these powerful women were controlled by Master Shuiyue moment by moment. Master Shuiyue's strength made everyone around them feel frightened.

Concubine Ya, Princess Yaoye, and even Xiao Xun'er, Xuanyuan Qingfeng and the others were very surprised when they looked at Concubine Xuan and the other girls. They didn't expect that Su Chen would use so many beautiful women.

But Yun Yun and Nalan Yuyan didn't pay too much attention to the concubines and the girls.

They were very speechless when they looked at the destroyed Yunlan Sect.

Although they knew that the Yunlan Sect was definitely destroyed,

Yunlan After Zongbu was destroyed, both Su Chen and Lu Xueqi disappeared. Did they escape after questioning their guilt? Are their masters and disciples required to demand compensation from Master Shuiyue?

Xu Nian looked at the concubines and the girls with an ugly expression on his face, "How could Su Chen have so many beautiful women? And each of these women are so powerful?"

Xuanyuan Qingfeng said with a smile when he heard Xu Nian's words. , "There is no shortage of beautiful women for capable men. Su Chen is so powerful that it is not surprising that he has so many confidantes."

"That bastard is a shameless person"

"Shameless? I didn't see Su Chen being shameless. Xu Nian, I also heard about what happened last night. Your people wanted to kill Su Chen, but one of them was killed and the other was deposed. If it were you at that time, what would you have done?"

"I....."

Xu Nian didn't know what to say when he heard Xuanyuan Qingfeng's words, but now he just didn't like Su Chen.

There was no way he would not avenge Lao Huang's murder.

He and Su Chen were destined to become enemies in the future. I hope that bastard would have been struck to death by lightning this time.

"bad guy.....bad....Bad guy."At this time, Su Yue looked at Shui Yue and murmured to herself.

"Little girl, I am not a bad person, your father is a big bad person."

## Chapter 1420

Shuiyue was very surprised when she saw the black bird in the sky.

She was not a novice.

She had read a lot of ancient books on the immortal world at Qingyun Sect. The black bird, Phoenix, Qingying, and Golden Crow were all overlords of the ancient fairy world. , which is more powerful than all the immortals in the upper realm.

If this little girl grows up in the future, she will be an empress.

Chirp!

The black bird flew in the air for a while, then it became smaller and landed on the shoulders of Queen Medusa.

"bird.....bird...bird.....Bird bird."

Su Yue looked at Xuanniao and wanted to stretch out her little hand to touch Xuanniao, but Xuanniao also lowered his head and let Su Yue touch it.

The people around looked at Xuanniao one by one, and they didn't understand what was going on. However, the appearance of the black bird made all of them feel trembling in their hearts. It was like a higher race suppressing the blood of a lower race.

Mr. Ling looked at Su Yue and said excitedly,

"Miss, this is a bloodline inheritance. This little girl actually has a bloodline inheritance, and it is a very, very powerful bloodline inheritance. This is much stronger than the Dou Emperor bloodline in our family."

Xiao Xun'er nodded and said coldly,

"I know that after this bird appeared, I felt a lingering fear in my heart, and even my blood was suppressed."

Xiao Xun'er also discovered that what Su Yue burst out was blood inheritance. She just didn't expect that Su Yue's blood inheritance would be so powerful. It was much more powerful than their family's imperial blood. Mr.

Ling looked at Xiao Xun'er and said He said with a sly smile,"Miss, why don't you marry Mr. Su Chen? If you have offspring after your marriage, the blood inheritance will be even stronger.

Xiao Xun'er said angrily after hearing what Mr. Ling said,"What are you talking about?" How could I marry that bastard?"

Mr. Ling hurriedly explained when he saw Xiao Xun'er's angry look,

"Miss, you also saw it"

"Young master Su Chen's daughter can burst out with powerful aura at such a young age, and even the shadow of the bloodline totem appears, which even Master Shuiyue can't get close to."

"If this little girl grows up, she will definitely become one of the most powerful people among Master Shen Yun. If the young lady and Mr. Su Chen have children in the future, they will definitely inherit Su Chen's blood heritage just like this little girl."

"Miss, if this is known to the family, the elders will definitely not object to the marriage."

When Xiao Xun'er heard Ling Lao's explanation, she thought it was very possible, but when she thought of what Su Chen had done in Wutan City,

Xiao Xun'er said loudly and angrily,"Don't talk nonsense to me. There's no way I could marry that bastard even if I died."

"Yes, miss!"

Mr. Ling looked at Xiao Xun'er and lowered his head.

He will definitely report this matter to the family. In the future, it is better to let the family elders persuade Xiao Xun'er.

At this time,

Shui Yue looked at Shi Fei Xuan and said He opened his mouth and asked,"What is the origin of Su Chen?"

Shi Feixuan said awkwardly when she heard Shui Yue's question,

"We are just ordinary people, Master Shuiyue. You can't do anything to us with the Black Bird here. We can wait here for the arrival of Su Chen and your apprentice. I promise, we will not leave privately."

Shi Fei Xuan is not good at lying.

She can only stabilize Master Shuiyue like this first.

"Okay, I agree"

"Thank you Master Shuiyue!"

"Your name is Shi Feixuan?"

"yes!"

"Do you have a martial arts master?"

"have!"

Shui Yue looked at Shi Feixuan, and she became more and more satisfied.

She had accepted this apprentice. If Shi Feixuan missed it from her, it would really be a pearl covered in dust.

"Shi Feixuan, you should know that I am the peak master of Xiaozhu Peak of Qingyun Sect, and I intend to accept you as my disciple."

"I didn't ask you to betray your master and sect. I just want you to be your master again. Your former master is still your master. Do you agree?"

Shi Fei Xuan was confused for a moment.

How come Master Shui Yue has changed so much? Just now he seemed to want to capture these girls, why does he want to accept him as his disciple now?

Shi Fei Xuan looked at Huan Huan and Queen Medusa , she decided to stabilize Master Shuiyue first. If she rejected Master Shuiyue all at once, she would probably anger Master Shuiyue. It was better to let Su Chen come back to resolve this matter.

"this.....Master Shuiyue, we have to wait for my husband to come and let him make a decision. I can't answer Master now."

"Okay, then we will discuss it after Su Chen and my disciple come back."

Subsequently, the disciples of the Yunlan Sect rushed over to clean up the mess of the Yunlan Sect. There are still many strong men here. These disciples must build some residences as soon as possible. Tomorrow is the time for the duel.

These The strong men still have to stay in the Yunlan Sect for one night. The Yunlan Sect cannot let these strong men sleep in the Yunlan Sect for one night.

At this time, thousands of miles away from the Yunlan Sect,

Su Chen is giving Lu Xueqi Healing,

Lu Xueqi had damaged her foundation this time. Although Su Chen gave her some red fruits, Lu Xueqi was already unconscious.

Su Chen could only use magic to help Lu Xueqi digest the medicinal power of the red fruits.

"Huh? Why is Xuanniao's blood boiling?"

After Su Chen healed Lu Xueqi's injuries, he suddenly felt that the black bird blood in his body was moving, as if the black bird was about to come out.

Su Chen checked and found nothing. He looked around and was very speechless. Su Chen was speechless at that time.

In order to save Lu Xueqi, he forgot to use all his magic power at that time, and this time he teleported thousands of miles away.

Su Chen also didn't know what the situation of Yunlan Sect was now, and whether Shuiyue had caused trouble to Queen Medusa, Qingniao and the others. How many girls

"He escaped far enough this time!"

"Cough cough cough....."

At this time,

Lu Xueqi also woke up,

"Have a drink of water!"

When Su Chen saw Lu Xueqi opening her eyes and coughing, he handed Lu Xueqi a kettle and said.

Lu Xueqi stood up quickly when she heard Su Chen's voice.

She glared at Su Chen and cursed angrily,

"It's you shameless bastard!"

Su Chen said angrily when he heard Lu Xueqi's scolding,

"Damn it, little girl, if I hadn't saved you this time, you would have disappeared long ago. If you don't thank me, you still dare to scold me. Do you believe that I will rape you and then kill you now?"

"you dare! Huh? How did my mana come back?"

Lu Xueqi was about to find her Tianya Sword and fight with Su Chen.

She suddenly found that her magic power had been restored, and even her physical injuries had recovered.

This made Lu Xueqi very surprised.

Her injuries were not serious before, but in the end Her forced explosion damaged her foundation, but now all the injuries have recovered.

Lu Xueqi was very surprised when she looked at Su Chen.

"How did you heal my injury? I had damaged my foundation before, and even my master probably couldn't heal me. How did you do it?"

"you guess?"

"shameless bastard!"
