### Chapter 1421

When Shui Yue heard Su Yue's cry, she looked at the little girl in Queen Medusa's arms.

She didn't expect that a little girl who was less than one year old would say this. Although the little girl couldn't speak clearly, she still couldn't speak clearly. This little girl obviously wants to protect these women

"father....daddy....beat...Beat the bad guys! Shuiyue looked at this cute little girl and threatened with a smile,"Haha, your father has escaped. He doesn't want you anymore.""

"Wow wow wow....."Su Yue cried loudly when she heard Shui Yue's words.

"If Yue'er doesn't cry, your father will be here soon."

"Yue'er, be good, don't cry!"

"Xiaoyue'er, your father will be here soon. If you cry, your father won't like you."

Queen Medusa, Hanhan, and Shi Feixuan heard Su Yue cry.

Although they couldn't move one by one, they still hurriedly comforted Su Yue.

"Wenmin, go and pick up this little girl."

"Yes, master!"

Queen Medusa saw the disciples of Qingyun Sect trying to take Yue'er away, she hurriedly shouted,

"No, Yue'er can't be taken away by you."

"It's not up to you, Wenmin, why don't you go pick up that little girl?"

"Yes, master!"

Boom!

Just when Wen Min from Qingyun Sect was about to take Su Yue away,

Su Yue's body suddenly burst out with a powerful aura, and Wen Min was immediately knocked back.

"This is?"

Shui Yue looked at Su Yue and was very surprised.

A little girl less than one year old could have such a powerful aura in her body? Even Wen Min in the Nascent Soul Realm was shocked back. This little girl looked at It's not easy.

Queen Medusa, Shi Fei Xuan and Huan Huan also looked at Su Yue in dumbfounded manner.

The powerful aura that erupted from Su Yue's body just now did not threaten them at all, and even the shadow assassins were not affected. This caused them to look at Su Yue with great confusion.

Wen Min retreated to Master Shuiyue and asked in confusion, "Master, what's going on?"

Shui Yue shook her head and replied, "I don't know, maybe Su Chen gave his daughter some defensive magic weapon, and that magic weapon is protecting this little girl."

The strong men around thought that the matter was about to end.

They didn't expect that things had changed again, which made everyone here look at Su Yue. They also wanted to know what was going on with this little girl's body.

Mr. Ling Looking at Su Yue, she asked in surprise, "Miss, what's going on?"

Xiao Xun'er glared at Mr. Ling and felt very helpless.

How could she, a fighting king, know that?

Mr. Ling was also confused.

"I don't know, maybe Su Chen's daughter has a defensive magic weapon in her body."

Mr. Ling thought for a while and guessed,

"That's right, Mr. Su Chen came from the fairy world, so his daughter must have a defensive magic weapon."

Ya Fei smiled when she saw Su Yue's change and said, "Did you see that, Yao Ye, do you still think that Su Chen is dead?"

Ya Fei did not expect that Su Yue would erupt with a powerful aura, and even the strong men in the Nascent Soul Realm could not get close. This made her guess that this must be the magic weapon that Su Chen gave to his daughter.

So how could Su Chen die? ?

Su Chen will definitely have a powerful magic weapon on his body, and that bastard can't die easily.

"You are right, Yafei, it is really impossible for Su Chen to die." Princess Yaoye looked at Su Yue and nodded.

The powerful aura that erupted from Su Yue's body just now left her with lingering fear.

This time she believed that Su Chen would not die.

A little girl has a powerful defensive magic weapon. , Su Chen must also have a powerful magic weapon to protect his body.

Nalan Yuyan looked at Su Yue and asked in surprise, "Master, what's going on? Yun

Yun shook her head and guessed, "I don't know. This may be the magic weapon of the Eastern Continent protecting that little girl." "

"How powerful is such a magic weapon for such a little girl? Master, this time you must get a magic weapon for Su Chen to compensate for the losses of our Yunlan Sect."

"Haha, you dare to open your mouth like a lion."

Xu Nian just stared at all this with dumbfounded eyes.

He didn't know what to say now.

Today's incidents happened one after another.

Is it so difficult for the people of Qingyun Sect to arrest Su Chen's woman and daughter?

And Su Chen His daughter is protected by a magic weapon, will that bastard Su Chen do it?

That bastard Su Chen will definitely not die this time, so won't he have to face Su Chen's threats in the future?

"This little girl is not simple. I will carry her here myself."

Shui Yue checked Su Yue, but she didn't find any magic weapon on Su Yue.

When she looked at Su Yue, she was very confused.

She had never seen such a thing before. Shui Yue decided to check Su Yue's situation.

Boom boom boom.....

When Shui Yue was about to get close to Su Yue, the aura erupting from Su Yue's body became stronger and stronger, but it was not a threat to Shui Yue at all, so Shui Yue still walked towards Su Yue step by step.

Everyone around was watching intently. They all wanted to know what was going on with Su Yue's body. Was there a magic weapon protecting her? Or are there other reasons?

Chirp!

Just when Shui Yue was about to approach Su Yue, a bird's song suddenly chirped from Su Yue's body. boom!

A golden giant bird suddenly appeared from Su Yue's body. After this illusory golden bird appeared, it flew into the sky above Su Yue.

After the giant bird appeared, Medusa felt that she could move.

She hugged Su Yue and looked at the giant bird in the sky and said confusedly, "What's going on? Why did a giant bird come out of Yue'er's body?" Appeared?"

"This is the black bird, the totem of our family"

"Yes, this is indeed a black bird, the totem of our black bird family."

Hanwan and Shi Feixuan also regained their freedom. They looked at the black bird in the sky and said with smiles.

They also knew that Su Yue inherited Su Chen's black bird bloodline, and even Su Yue's sealed cultivation realm. I heard about it.

Although Hanwen and Shi Feixuan were not present at the time, it was impossible for Xuanniao and the others to admit their mistake. Their clothes were all embroidered with Xuanniao patterns, and their family's totems were for them to admit their mistake.

"Black bird? Su Chen is from the Xuanniao family? No wonder you all have black bird patterns on your clothes." Queen Medusa looked at the black bird in the sky when she heard what Hanhan was talking about with her master concubine.

She had seen this black bird before.

Su Yue had such a pattern on her clothes, and even when Hanhan and her master concubine Xuan were wearing clothes. There is one in the book.

But why hasn't she heard of the Xuannio family?

Does Su Yue have Xuannian blood in her body?

"Black bird? How can this be? This little girl actually has the blood of the black bird from the ancient immortal world? What is the origin of this little girl? Did Su Chen come from the fairy world?"

Chapter 1422

Lu Xueqi was very angry when she saw that Su Chen was unwilling to tell her. Originally, she wanted to thank this bastard for saving her life, but now she wanted to strangle this bastard to death.

Su Chen threw the kettle next to Lu Xueqi and said helplessly,

"Whatever you say, Lu Xueqi, I can be considered as saving your life. Let's forget about our holiday. When you go back later, can't you let your master cause trouble for me?"

"Are you scared? Lu

Xueqi looked at Su Chen and mocked.

Su Chen glared at Lu Xueqi and shouted,"Bullshit, your master is a super strong man in the distraction realm. How can I not be afraid?"

Lu Xueqi picked up the kettle and took a sip of water and said arrogantly,"Huh, I don't need my master's help to get revenge. I will seek revenge from you again in the future."

"Let me tell you, what happened between us and Xu Nian is none of your business. It was you who provoked me because of your meddling. Do you think I am willing to offend your Qingyun Sect?"

"I can't stand it when you bully the weak"

"I'm such a bully. Xu Nian's two powerful guards wanted to kill me last night. I just want to teach Xu Nian a lesson today. Is that bullying? You idiot, you just randomly participated in the matter without understanding the whole story. I'm afraid you didn't even distinguish between the good guys and the bad guys."

"Do you look like a good person, you shameless bastard?"Lu Xueqi glanced at Su Chen and said with disdain.

Su Chen was speechless to this cold beauty,"You.....I'm too lazy to talk to you, you idiot. It's better that we never see each other again."

When Lu Xueqi heard Su Chen's words, she stood in front of Su Chen and asked,

"Don't even think about it. Don't think about your bullying of me. Also, why do you know our Qingyun Sect's Divine Sword Yu Lei Zhenjue?"

Su Chen knew that Lu Xueqi would definitely ask about this matter, but he thought of a way after using the Divine Sword and Thunder Sword Technique.

Two of the four major sword techniques of the Qingyun Sect have been lost.

Even the Qingyun Sect is suspicious. He secretly learned the Four Great Swordsmanship, but this cannot be justified at all. I believe that in order to obtain the other two swordsmanship, the people of Qingyun Sect will definitely ask for something from him.

Su Chen smiled and said to Lu Xueqi,

"It is passed down from my family that I can not only master the Divine Sword and Thunder Sword Technique, the Ghost Slaying Divine Sword Technique, the Sword Leading Canglong Sword Technique, and the Heavenly Ice Falling to the Earth Sword Technique, but I have only mastered the Divine Sword and Thunder Controlling Sword Technique to great perfection.

Lu Xueqi said angrily when she heard Su Chen's words, "You are talking nonsense. How could the four major sword techniques of our Qingyun Sect be passed down from your family?" He must have secretly learned the four major sword techniques of our Qingyun Sect."

"Is it so easy for your Qingyun Sect's sword skills to be stolen? Have you ever seen anyone secretly learn the Four Great Sword Techniques in the past thousands of years?"

"this....."

Su Chen continued without letting Lu Xueqi defend herself,

"Damn it, your Qingyun Sect has probably lost the Sword Leading Canglong Sword Technique and the Sky Ice Falling to the Earth Sword Technique. How can I steal them?"

"Even your Qingyun Sect's Ghost-Slaying Divine Sword Technique, without the Dragon-Slaying Sword, you wouldn't be able to use it."

"My Demon-Slaying Divine Sword can be used without the Dragon-Slaying Sword. Is this because I secretly learned the four major sword techniques of your Qingyun Sect?"

Lu Xueqi was confused by what Su Chen said.

If according to Su Chen's statement, would the four major sword arts of Qingyun Sect still be the four major sword arts of Qingyun Sect?

"Are you sure that the Four Great Sword Techniques are passed down from your family? Su

Chen nodded without hesitation and replied, "Of course, I suspect that the four major sword arts of your Qingyun Sect were stolen from my family."

Lu Xueqi hurriedly defended,

"This is impossible. The Qingyun Sect has been established for thousands of years. The four major sword arts have always been the Qingyun Sect's sect-suppressing sword arts. How could the Qingyun Sect secretly learn the four major sword arts of your family?"

Su Chen leaned against the giant tree and spread his hands and said, "Who knows? My family has existed for thousands of years, or even tens of thousands of years, and I don't know what happened in the meantime."

Su Chen felt that he had fooled Lu Xueqi now.

However, even the Qingyun Sect lost two great sword skills.

The Qingyun Sect shamelessly said that he had secretly learned the four great sword skills of the Qingyun Sect. This will definitely not let anyone know. People were convinced.

As long as Su Chen used the Sword Leading Canglong Sword Art and the Sky Ice Falling Sword Art on the spot, but the people of Qingyun Sect could not, I believe other sects would take the opportunity to add insult to injury.

Su Chen touched his chin and thought about whether to Is the Qingyun Sect in trouble?

If all the other powerful sects in the Shenyun Continent knew that the Four Great Swords were not the Qingyun Sect's four great swordsmanship, then the Qingyun Sect's reputation would be completely ruined.

Su Chen shook his head. After giving up this idea, although the Qingyun Sect will be his enemy in the future, it may be instigated to turn against him.

The Taoist Sect is still much better than the Buddhist Sect.

Su Chen has already offended the Buddhist Sect. If he offends the Taoist Sect again, he may not have a foothold in the Shenyu Continent.

Lu Xueqi couldn't be calm now. According to this bastard,

Qingyun Sect secretly learned this bastard's family sword skills. Qingyun Sect has lost two great sword skills, and even the Demon-Slaying Divine Sword Skills need to be passed down. Only the Dragon-Slaying Sword can be used. But Su Chen actually knows the four major sword techniques.

Even the Ghost-Slaying Divine Sword Jue can be used without the Dragon-Slaying Sword.

From this, it seems that Su Chen has mastered the four major sword techniques as if they are authentic. , and their Qingyun Sect's Four Great Sword Techniques are like castrated versions.

Lu Xueqi looked at Su Chen and said doubtfully, "You must be talking nonsense, you shameless person is a cunning bastard at first glance, Are you trying to trick me into moving?"

"Do you believe this in your heart? Girl, don't be so tough here"

"I will tell my master about this matter. If what you say is right, I believe Qingyun Sect will give you an explanation."

Su Chen waved his hand and said nonchalantly,

"That's not necessary. I'm afraid that your Qingyun Sect will kill people and silence them. After all, your Qingyun Sect has deceived everyone in the mainland. As long as your Qingyun Sect doesn't come to me to silence you, I'll be thankful."

When Lu Xueqi heard that Su Chen was afraid of murder and silence, she said seriously, "Our Qingyun Sect is a well-known and decent sect, and those dirty things will never happen."

Su Chen was also helpless towards Lu Xueqi.

Is this Lu Xueqi's first time stepping into the world?

Would she not think of such a simple thing?

"Girl, you are still too young. For the sake of Qingyun Sect's reputation and for Qingyun Sect to remain the top Taoist sect in the Shenyun Continent in the future, you will still do some dirty things. I don't believe you can't see through these."

Lu Xueqi hurriedly walked to Su Chen.

She pulled Su Chen and said, "Let's go back now. I believe my master will protect you in the future. Even if someone from the Qingyun Sect is against you, it will be better than my master. One level"

"Okay, but you better not pull me away. I'm afraid my wife will misunderstand her."

"Shameless bastard, who wants to pull a shameless person like you?"

Chapter 1423

In the forest at the foot of the Yunlan Sect Mountain, more than a dozen people in black here looked at the protector with uneasiness.

Ever since the battle that took place in the Yunlan Sect today, the protector of the Soul Palace had been sullen and motionless. They These little minions stood nearby without even daring to breathe.

The fighting that took place in Yunlan Sect today was beyond their imagination. The battle in the Nascent Soul Realm (Dou Zong) frightened all the Dou Zong here.

Although they also have four Dou Zong here, the Dou Zong and the Nascent Soul Realm of the Eastern Continent are not at the same level at all.

It is also very easy for a strong man in the Nascent Soul Realm in the Eastern Continent to kill a strong man in the Nine Stars of the Douzong in the Southern Continent. Unless there are techniques to restrain him, the Douzong will not be his opponent at the Nascent Soul Realm.

Today's battle involves the four fighting sects here taking action together, and there is no return.

Even Dou Zun's protector may not be his opponent.

A Dou Zong saluted the sullen Soul Palace Protector and said, "Protector, do we still want to implement our plan?" The

Soul Palace Protector said angrily with an ugly look on his face, "It's a waste of time. If the mission is cancelled, I will report it to the palace." Lord, report what happened here."

The protector of the Soul Palace did not expect that Yunlan Sect would have masters of the Nascent Soul Realm coming this time, and even Shui Yue, the master of Qingyun Sect's Xiaozhu Peak, would arrive.

Shui Yue is a powerful person in the distraction realm.

Even if he encounters Shui Yue, he may be slapped to death.

This mission is still necessary.

There are not enough people here to slaughter the disciples of Qingyun Sect.

This Dou Zong bravely reported again, "Dharma protector, people from the ancient tribe have discovered us, should we kill those people?"

The guard waved his hand and stopped him,

"No, the people from the Ancient Clan are all small fish and shrimps. If we kill those people, I'm afraid the Ancient Clan will send more masters, which will be detrimental to our future actions."

"Protector, what about Yunshan? He knows our plan, should we destroy him?"

"Is Yunshan still in retreat in the back mountain?"

"Yes, the protector didn't give Yunshan a soul pill. Yunshan should be breaking through the Douzong."

The protector of the Soul Palace ordered with a cold face,

"Go kill him. The Yunlan Sect's mission has failed, and the chess piece is useless. Besides, the ancient tribe has discovered us. There is no need to leave the hidden danger of Yunshan. We cannot let the ancient tribe know our plan."

"Yes, protector!"

"Go back and continue to lurk. I will inform you if there is a mission. I want to go back to the Soul Palace to report the things here to the Palace Master."

"Yes, protector."

On a small road in the Yunlan Sect,

Xiao Huohuo was coming towards the Yunlan Sect with a black giant ruler on his back. Although the powerful battle just broke out in the Yunlan Sect made Xiao Huohuo frightened, tomorrow is the time for a duel.

Xiao Huo Huo Huo didn't want to miss the time.

He also wanted to see what powerful enemy the Yunlan Sect had encountered.

Xiao Huohuo thought about the powerful battle just now.

He thought about it and asked, "Master, are you sure it was a battle with the Douzong just now?"

An old voice said from the ring on Xiao Huohuo's hand,

"No, it's the Nascent Soul realm that's even more powerful than Douzong."

"Although the Nascent Soul Realm is at the same level as the Douzong, most Douzong are no match for the Nascent Soul Realm."

"The Eastern Continent is a land of outstanding people and spiritual people, with skills, martial arts, magic weapons and aura that no other continent can possess."

Xiao Huohuoyi said with some frustration, "I know, it's just the rules of heaven and earth. Even if we want to use spiritual energy to practice, it's impossible."

Xiao Huohuo is very clear about cultivating immortals.

He is a time traveler.

He knows the power of cultivating immortals clearly. However, he was born in the Southern Continent. Even if he wants to cultivate immortals, it is impossible for him.

He cannot feel the constraints of the rules of heaven and earth at all. The spiritual energy of heaven and earth is the same even in the Eastern Continent where the spiritual energy is rich. Unless he has a special technique, he will never be able to cultivate immortality in his life. The old man in the ring looked at Xiao Huohuo's dejected look and encouraged him,

"Xiaohuo, fighting qi cultivation has the benefits of fighting qi training. As long as you become stronger in the future, when your fighting qi is strong, it can turn the world upside down. If you collect enough strange fires, even immortal cultivators cannot be your opponent."

Xiao Huohuo nodded and felt better and said,

"Thank you for your guidance, Master. I will intensify my practice in the future. I will even collect more exotic fires."

"Well, keep on your way, rest at the foot of Yunlan Zong Mountain tonight, and go straight up the mountain tomorrow to fulfill your three-year agreement"

"Yes, master!"

In the Yunlan Sect, with the intensive construction work of thousands of disciples, each house was built.

Although the houses were not well built and the items inside were not complete, they were already the best.

In one hour Being able to build such a house, the strong men here are not picky.

After all, the battle just now destroyed the Yunlan Sect, and all they need is a place to rest.

In a house,

Shuiyue and Shi Fei Xuan sat together,

Shui Yue still wanted to accept Shi Fei Xuan as his disciple, Shi Fei Xuan helplessly listened to Shui Yue's constant nagging.

Shui Yue took Shi Fei Xuan's hand and said with a smile,"Fei Xuan Xuan, you should think about it carefully. This is your opportunity. You don't want to listen to Su Chen on everything."

"Senior, I will think about it carefully."Shi Feixuan nodded to Shui Yue and replied.

Shi Feixuan didn't want to sit here with Shui Yue, but in order to reassure Shui Yue that they would not escape, Shi Feixuan had no choice but to come here as a hostage.

Still. There is that enchantress Huan Huan, why don't you share the joys and sorrows with her this time?

When Shi Feixuan thought of Huan Huan's smile when she arrived, she couldn't help but go back and have a fight with Huan Huan.

Whoosh!

"who?"

At this moment,

Shuiyue suddenly noticed a strange breath appearing in the room. She stood up in a hurry and shouted.

Shi Feixuan also nervously drew out her long sword and was on guard.

"Master, it's me!"

Lu Xueqi's voice suddenly came from the room.

"Xueqi, you....."

Shui Yue was stunned when she discovered Lu Xueqi. She didn't expect that Su Chen would appear in the room holding her apprentice. This made Shui Yue confused for a moment what happened.

"Bastard, don't let me go yet!"

Lu Xueqi saw Shui Yue's shocked expression, and she immediately realized that she was still being held by Su Chen, a bastard.

When she came to Yunlan Sect,

Su Chen carried her to Yunlan Sect in an instant, and even She also appeared directly in her master's room. Lu Xueqi blushed and stepped on Su Chen hard, yelling at Su Chen to let her go.

"I'll do it!"

Su Chen was very helpless after being stepped on by Lu Xueqi.

Su Chen discovered that Shi Feixuan was here, which made him stunned for a moment. He also forgot about Lu Xueqi who was still holding him.

"Husband!"

"Feixuan, why are you also in Yunlan Sect? Even appeared in Master Shuiyue's room?"

## Chapter 1424

After Su Chen let go of Lu Xueqi, he hurriedly came to Shi Feixuan.

He pulled Shi Feixuan and asked hurriedly, "Feixuan, why did you come to Yunlan Sect? You also appeared in Master Shuiyue's room. ?"

Shifei Xuan smiled and said with a smile,

"Husband, we came to the Southern Continent with Huan Huan to visit, but we didn't expect to meet your husband here."

"Is Huanwan there?"

Su Chen asked in surprise when he heard Shi Fei Xuan's words,

"Well, Huanwen and Queen Medusa are taking care of Yueer now"

"Let's go back. I haven't seen that little witch for a long time. ! "

"Okay,"

Su Chen took Shi Feixuan and disappeared into the room.

He was not worried that Master Shui Yue would stop them.

With Lu Xueqi here,

Lu Xueqi would explain to Shui Yue what happened before.

Shui Yue was with Su Chen and Shi Fei After Xuan left, she looked at Lu Xueqi and asked in confusion, "Xuanqi, what happened? Why were you brought back by Su Chen?"

Lu Xueqi lowered her head and replied awkwardly,

"Master, it was Su Chen who saved me during the fight, but that bastard escaped a little far away, so I had no choice but to let him bring me back."

"So this is ah!"

Shui Yue nodded when she heard Lu Xueqi's words.

She suddenly thought of Lu Xueqi's injury.

Shui Yue pulled Lu Xueqi and hurriedly checked.

"That's not right, Xue Qi, how come you weren't hurt at all? The last attack you launched would damage your cultivation foundation. Why didn't you feel anything at all? Even your mana isn't at a serious loss? Lu

Xueqi hurriedly explained to Shui Yue, "It was Su Chen who helped me heal my injuries. I was already unconscious at the time. I don't know how Su Chen saved me."

Shui Yue was very surprised when she heard Lu Xueqi's words.

She didn't expect that Su Chen would heal Lu Xueqi's injuries and even heal Lu Xueqi's injured foundation.

This made Shui Yue feel incredible.

Even if the foundation was damaged, she would not be able to save it. , how did Su Chen save Lu Xueqi?

Shui Yue thought for a while and decided to ask Su Chen later.

She touched Lu Xueqi's hair and said with concern,"As long as you are fine, don't be so impulsive in the future. Yeah, I'm worried about you to death"

"I understand, master!"

Lu Xueqi thought of what Su Chen said before, and she said seriously to Shui Yue,"Master, I have one more thing to tell you, but this matter is of great importance. Master must not go to Su Chen after hearing this. trouble"

"Xue Qi, did that bastard bully you?" Shui Yue asked hurriedly when she saw Lu Xueqi's serious expression.

Lu Xueqi hurriedly shook her head and explained,"No, no, Su Chen didn't bully her.....That bastard is not a good person either, master, what I want to say is something else."

"you say!"

"Master, this is about the four major sword arts of our Qingyun Sect. Su Chen actually knows the Divine Sword Controlling Thunder Zhenjue, and even the other three major sword arts, and Su Chen said that the four major sword arts of our Qingyun Sect are....."

Just when Lu Xueqi was telling Shui Yue about the Four Great Swordsmanship,

Shi Suchen and Shi Feixuan also came to Queen Medusa's room. He looked at Hanhan and Queen Medusa and hugged them both.

After Queen Medusa, Shi Fei Xuan and Huan Huan also told what happened after Su Chen disappeared, Su Chen did not expect that such a thing would happen when he and Lu Xueqi regretted leaving.

Su Chen held the smiling Su Yue and took a look. He did not expect that Su Yue also had the shadow of the black bird in her body. The shadow could even be touched. Is this still a shadow?

Queen Medusa looked at Su Chen with a blushing face.

She did not expect that this bastard would hug her.

This made Queen Medusa feel a little confused. She thought about the shadow assassins who had been calling her Madam and even Snake for more than a year. The snake people in the human tribe all doubted her relationship with Su Chen. Could it be that she really couldn't escape from this bastard in the future?

After Su Chen checked that Su Yue had no problem, he looked at Shi Feixuan and said with a smile,

"Feixuan, I think you can take Shuiyue as your teacher."

"Qingyun Sect has two major techniques: Heavenly Book and Tai Chi Xuan Qing Dao. Although these techniques are not as good as your ability to practice the Su Nu Heart Sutra, they are also rare techniques. After you practice them, they will also help you understand Su Nu Heart Sutra in the future. helpful."

Shi Feixuan asked with some worry, "But after I join the Qingyun Sect, what if the Qingyun Sect stands up for the Song Dynasty?"

Shi Feixuan knew that the war between Su Chen and the Song Dynasty was imminent, and would even attack Hangzhou City after the Song Dynasty prepared its army.

The Song Dynasty was the empire protected by the Qingyun Clan. If the Song Dynasty was defeated by Su Chen, the Qingyun Clan would probably Get involved.

If she joins the Qingyun Sect in the future, Shi Feixuan will be in a very difficult position if there is a war in the future. Su Chen thought about it and decided to give the two lost swords of the Qingyun Sect to the Qingyun Sect. These two great sword skills originally belonged to the Qingyun Sect. If the Qingyun Sect could turn to him in the future, then he would gain even more. Su Chen hugged Shi Feixuan and smiled and said,

"Haha, it depends on you to pull the Qingyun Sect into our camp, and this time you will bring the other two swords of the Qingyun Sect to fight against each other. I believe that the Qingyun Sect knows about our war with the Song Dynasty, and the Qingyun Sect will also choose They don't help each other."

Huanwan smiled and patted Shi Feixuan on the shoulder and said with a smile,

"Master nun, I think your husband is right. It is better for you to join the Taoist sect than to join the Buddhist sect. Besides, if you can bring the Qingyun sect into our camp, it will be very beneficial to our future wars."

Shi Fei Xuan glared at Huan Huan and said to Su Chen, "I understand, husband, I agree to worship Master Shui Yue as my teacher."

Su Chen asked again after hearing Shi Fei Xuan's agreement,

"Well, Feixuan, you can have more contact with Lu Xueqi in the future, and Suru from Dazhu Peak. Suru is Master Shuiyue's junior sister. Both of them are very good people. You can ask them to help you if you need anything."

"I see."

Shi Feixuan nodded.

She knew that Su Chen was doing it for her own good.

Their family also has a Su Nv Heart Sutra for cultivating immortals.

If she comes into contact with more immortal cultivating techniques in the future, it will be more helpful for her to understand Su Nv's Heart Sutra. Easy, there is even a master who is cultivating immortals to help her explain some basics of cultivating immortals, which will also benefit her a lot.

After Su Chen handed Su Yue to the care of Shi Feixuan and Huan Huan, he came to Queen Medusa Said, "Cailin, thank you very much this time."

"This is what I should do." Queen Medusa lowered her head when she saw Su Chen arriving and replied,

"That's right. After all, you are also Yue'er's mother."

"You are so shameless!"

"Haha, am I wrong? Otherwise, we will have a beautiful daughter in the future."

"Go away, I don't want to deal with you, a shameless person."

Queen Medusa did not expect that Su Chen was so shameless.

She did not agree to marry this bastard, but this bastard was talking nonsense here shamelessly. This made Queen Medusa want to kick this bastard out of the room in shame and anger.

"Master, are you back?"

At this time, the door to the room was opened.

When Jiang Ni came in and saw Su Chen, she shouted in surprise,

"Jiang Ni, what's the matter?"

"Master, there is a lady named Yafei who wants to see some ladies. Do you want her to come in?"

Chapter 1425

When Su Chen heard Ya Fei's arrival, he knew why.

Ya Fei must have guessed that he was the fake fairy world master, and she should have come to confirm this time.

But that's fine, he should have almost collected the Najies he asked Yafei to collect.

Su Chen thought for a while and said to Jiang Ni,

"Let her in!"

"Yes, Master!"

After Jiang Ni left,

Queen Medusa looked at Su Chen and praised, "Su Chen, these three maids of yours are all very good. They did not flee or even rebel when they encountered danger."

Su Chen patted his chest and said proudly, "That's right, you don't even know who I am. The people I like are all very good."

"You bastard are not humble at all. You are a shameless person."

"Cai Lin, I will be your husband from now on. If you say this, I will be punished from home to home."

"Shameless, if you keep talking nonsense, I will be rude to you."

After Queen Medusa heard Su Chen's shameless words again, she immediately stood up, glared at Su Chen and threatened.

Su Chen hurriedly took a few steps back and whispered, "Haha, isn't this a matter of time?"

Queen Medusa didn't expect that Su Chen would dare to say this.

She was helpless to this bastard. She had no way to deal with this bastard. Fight! She couldn't beat this bastard. Argue! She is not such a shameless person. The opponent.

Queen Medusa walked towards Shi Feixuan and did not want to talk to this bastard.

After a while, when Ya Fei arrived under the leadership of Jiang Ni, she found that Su Chen was also in the room, which surprised her very much. ,

Concubine Ya hurriedly saluted Su Chen and Queen Medusa, "Concubine Ya has met Mr. Su and several ladies. Mr. Su, I didn't expect you to come back."

Su Chen waved his hand and asked Ya Fei to sit down and asked, "Ya Fei, you should have collected all the Na Rings, right?"

"Mr. Su, the Najie has been collected a long time ago, but Mr. Su never came to pick it up, and I never found Mr. Su, so I kept the Najie."

"Yafei, thank you this time."

After Yafei heard what Su Chen said, she felt that Su Chen was not as arrogant as a playboy, nor did he look down on her as a little woman.

This made her impression of Su Chen even more good.

Yafei smiled and said Najie Passed it to Su Chen and said,

"Haha, these are the Najies that the young master asked me to collect. There are six hundred and twenty in each. But the space of the Najies is not too big. The space here is basically five cubic meters, and the largest one is only twenty cubic meters."

Su Chen took the ring and checked it before saying with a smile, "This is already very good. Yafei, I can give you a reward. Tell me, what do you want?"

"Then thank you Mr. Su. Mr. Su, I have a friend who also needs a red fruit. I wonder if Mr. Su still has red fruits in his hand?"

"friend? Is she the beautiful woman next to you at the banquet?" Ya Fei didn't expect that Su Chen would notice herself and Princess Yao Ye during the banquet. This made Ya Fei look at Su Chen very strangely. Didn't Su Chen look at all the beautiful women at the banquet? ?

"Exactly, she is Princess Yaoye, the princess of the Gamma Empire."

Su Chen nodded and agreed.

Princess Yaoye is also an amazing woman. She, Huang Rong, Zhao Min, and Li Xiuning are all military geniuses.

Su Chen felt that if he could subdue Princess Yaoye in the future, he would be the best choice again. There will be no shortage of commanders when forming a combat legion.

"Yes, but I hope Princess Yaoye can no longer wage war against the Desert Snake Tribe. Queen Medusa is my woman. I hope you can tell Princess Yaoye."

Ya Fei nodded and replied, "I understand. I will tell Princess Yaoye and Mr. Su that with the strength of Queen Medusa, the Gama Empire will not dare to deal with the Snake Tribe in the future."

At this time, the blue bird came in and saluted,

"Young Master, Yun Yun, the leader of the Yunlan Sect, has arrived, and a woman named Xiao Xun'er has also arrived to miss you and your ladies."

Su Chen was very confused when he heard Qingniao's report, "Yun Yun? Xiao Xun'er? Why did they arrive together?"

"Master, do you want them to come in?"

"Let them all come in."

Su Chen thought about it and decided to let them all in.

Yun Yun's arrival may be to have a relationship with Queen Medusa and the others.

When Xiao Xun'er arrived, Su Chen couldn't guess.

Xiao Xun'er had no contact with him at all. Then Xiao Xun'er had no contact with him at all. Xun'er came to see Queen Medusa and what were they doing?

When Ya Fei heard this, she didn't care. She sat next to her and drank the tea that Jiang Ni poured and couldn't bear to put it down.

She didn't expect that it was just some tea. After drinking it, she would The increase in strength made Ya Fei's eyes light up when she looked at Su Chen. If these teas were auctioned, they would definitely cause a sensation.

At this moment,

Yun Yun came to the room with Nalan Yuyan and Xiao Xun'er. , but when they found out that Su Chen was back, they looked at Su Chen in different ways.

Yun Yun walked over with a smile in her eyes.

This time Su Chen came back, so let Su Chen compensate the Yunlan Sect. The destruction was almost certain.

Nalan Yuyan looked at Su Chen and was very curious.

This man was about the same age as her, not even a few years older than her, but there was a huge difference in strength between them.

She was just He is a fighting king, and Su Chen is at least a Nascent Soul Realm super master.

Xiao Xun'er's face turned ugly.

She did not expect that this bastard had come back.

Xiao Xun'er thought that if she had known that this bastard was back, she would not have come. Here it is, but now she has entered the room. If she leaves like this, doesn't it mean that she is afraid of this bastard?

At this moment,

Queen Medusa, Shi Feixuan and Huanyuan are also looking at the arriving girls. They don't Thinking that Su Chen had just come back, there were several beautiful beauties here.

This made them look at Su Chen with very unkind expressions.

Su Chen looked at the many beauties in the room. Each of these beauties were all charming and stunning..

The cool and cold Shi Fei Xuan, Xiao Xun'er, Nalan Yuyan.

The arrogant and cold Queen Medusa, the enchanting witch Han Wu, the charming imperial sisters Ya Fei and Yun Yun, and the delicate Jiang Ni And the three maids in blue and red

"Everyone, please take a seat. What do you want from me?" Su Chen asked

Yun Yun and Xiao Xun'er after they sat down. Yun Yun smiled and said directly,"Master Su, you have ruined my Yunlan Sect. , should you compensate?" Su Chen was speechless when he heard Yun Yun's words,"Uh! Yun Yun, I did not do this alone. The Qingyun Sect is also responsible, and the Qingyun Sect has a great cause, so they will definitely compensate you." Yun Yun shook her head and said with a frightened expression,"I don't dare to ask Qingyun Sect for compensation.

"

"Then Sect Leader Yun dares to ask me for compensation?"

"Why are we friends? Mr. Su, you won't refuse to compensate me, Yunlan Sect, right?"

Chapter 1426

The girls in the room did not expect that Yun Yun came to ask for compensation. They thought that the battle between Su Chen and Lu Xueqi destroyed the Yunlan Sect, so it was reasonable for Yun Yun to come to ask for compensation.

Rebuilding the Yunlan Sect may not be difficult.

If Su Chen and the Qingyun Sect make some compensation to the Yunlan Sect, then the Yunlan Sect will be rewarded.

Su Chen and the Qingyun Sect have many resources and treasures in their hands. Even if they give some at will, the Yunlan Sect will be disgraced. Benefited a lot.

It's just that Yun Yun only dared to ask Su Chen for compensation, but she didn't dare to ask for compensation from Qingyun Sect.

This makes all the girls here very speechless.

"Yunyun, you are really different from the Yun Yun I thought."

Su Chen looked at Yun Yun and said helplessly.

Yun Yun, the royal sister in the plot, is cold and doesn't talk much, but this Yun Yun is like a cunning woman.

Yun Yun's face turned slightly red when she heard Su Chen's words.

She There is no other way.

The Yunlan Sect may be very powerful on the border of the Southern Continent, but in other places, the Yunlan Sect is a small and dispensable sect.

Moreover, her master Yunshan was also killed, although the murderer was not yet She knew who it was, but she could unknowingly kill a master of Douhuang Nine Stars. That enemy was not something she could provoke.

Thousands of Yunlan Sect's disciples would have to rely on her to maintain them in the future. Yun Yun wanted to protect Yun Lan in the future. Disciples of the sect, she will also develop the Yunlan Sect and even become the top sect in the southern continent.

At this time,

Nalan Yuyan saluted Su Chen and said,

"Mr. Su, my master has no choice. His master was killed. Now the Yunlan Sect depends on my master. If the Yunlan Sect does not become stronger, I am afraid that there will be no Yunlan Sect in the Gama Empire in the future."

"Yunshan is dead?"

Su Chen asked in surprise when he heard Nalan Yuyan's words.

Su Chen also looked at Nalan Yuyan in surprise. This is the heroine who broke off her engagement with Xiao Huohuo. However, this Nalan Yuyan is really tall. Yes, but she is also a tragic woman.

By the way, there is also Xiao Xun'er.

Xiao Xun'er is even more beautiful, with a cool and beautiful face, a convex figure and even an outstanding temperament, which makes people look at I couldn't take my eyes away.

But what was Xiao Xun'er going to do when she arrived?

She didn't come with Xiao Huohuo, and even secretly protected Xiao Huohuo.

Xiao Xun'er's arrival made Su Chen really unable to guess.

I guessed it!

Su Chen looked at Queen Medusa, Yun Yun, Nalan Yuyan, and Xiao Xun'er, these four peerless beauties.

In the plot, they all had an inexplicable relationship with Xiao Huohuo, but now all four of them are here. In his room, will Xiao Huohuo also become his enemy in the future?

It's me!

I won't be hated by the protagonist if I meet him in the future, right?

Ning Caichen died when he met him,

Xu Nian Now he has become his enemy.

Li Xiaoyao doesn't know yet. After all, they have little contact, but if Su Chen gets rid of Zhao Ling'er and Lin Yueru, maybe Li Xiaoyao will also fall out with him.

And Xu Xian, that scholar may have put him As an enemy.

Su Chen is now involved with women such as Queen Medusa, Yun Yun, Nalan Yuyan, and Xiao Xun'er.

If Xiao Huohuo knows about it, he will definitely become his enemy.

Su Chen has a headache. He rubbed his forehead.

He felt that he would really be enemies with these lucky protagonists in the future.

The system was right, but he just didn't want to provoke these lucky protagonists. These lucky protagonists would also hate him and even want to kill him.

At this time,

Yun Yun said somewhat calmly, "Well, in the afternoon, the disciples of Yunlan Sect found my master dead in the secret passage in the back mountain."

Su Chen said nonchalantly, "If you die, just die. That master of yours is not a good person. He got together with the people from the Soul Palace. This time, the Soul Palace must kill people and silence them."

"Soul Palace? What organization is this?" Yun Yun looked at Su Chen in confusion and asked.

Su Chen pointed at Xiao Xun'er and said, "This little beauty knows, you can ask her in the future."

"Do you also know about the Soul Palace?" Xiao Xun'er looked at Su Chen unexpectedly and asked coldly.

Su Chen shook his head and said with a smile,

"I don't know, but you ancient people know that someone from the Soul Palace is coming today, Xiao Xun'er, oh, no, Gu Xun'er, don't say you don't know these?"

Xiao Xun'er was very surprised when she heard Su Chen's words, "You actually know that I am a member of the Gu clan?"

She came to the border of the southern continent, but not many people knew about it, and even those who knew couldn't tell her.

How did Su Chen know her identity?

Does this bastard have a spy in the Gu tribe?

Su Chen looked at the surprised Xiao Xun Er continued to spoil the story, "I also know that you have the fourth one on the list of strange fires, the Golden Emperor Brahma Flame. Miss Xiao, what do you want to see me for this time?"

Xiao Xun'er felt very uneasy now.

She felt that she had no secrets at all in front of Su Chen. Why would this bastard know everything about her?

Xiao Xun'er rolled her eyes at Su Chen and said coldly and arrogantly, "I Did you say I came to find you?"

Bang!

Su Chen snapped his fingers and looked at Queen Medusa and said,"I understand, you are here to see my wife, Queen Medusa, because you discovered that Queen Medusa also has strange fire, right?"

"you.....you....."

Xiao Xun'er was really frightened by Su Chen.

She didn't expect that Su Chen really knew everything about her.

This time, she had discovered the strange fire in Queen Medusa's body before, but even Mr. Ling didn't know about it.

How did this bastard know?

Could this bastard be able to read minds?

Women such as Queen Medusa and Yun Yun were very surprised. They did not expect that Su Chen would know everything about Xiao Er.

And when Xiao Xun'er arrived today, they also saw that it was the first time that Su Chen and Xiao Xun'er met. So how did Su Chen know everything about Xiao Xun'er?

Could it be that Su Chen investigated Xiao Xun'er?

Xiao Xun'er looked a little pale and asked Su Chen,"You.....How on earth did you know that?"

"you guess?"

Xiao Xun'er looked at Su Chen and cursed angrily,

"You are shameless!"

Xiao Xun'er didn't expect this bastard to be so shameless, guess?

If she could guess it, would she still need to ask this bastard?

Su Chen took a sip of tea and continued,

"Xiao Xun'er, it's useless for you to get the Tuoshe Ancient Emperor Jade from the Xiao family. The Soul Clan has already obtained several other pieces of the eight Tuoshe Ancient Emperor Jade. I also know where the ancient emperor's tomb is. Do you want to know? ?"

"over there? Su

Chen rubbed his hands and smiled evilly, "Well, you also know that the Yunlan Sect was destroyed by me. If you make some compensation to the Yunlan Sect in the future, I will tell you where the ancient emperor's tomb is?""

Xiao Xun'er shouted angrily when she heard Su Chen's words, "Don't even think about it. Why should I pay compensation if you destroyed Yunlan Sect?"

"Then there is no other way. I think the Soul Clan will definitely be willing to make a deal with me."

"Shameless, you are a shameless bastard!"

Chapter 1427

Xiao Xun'er was very angry when she heard Su Chen's shameless words, but she was also very helpless.

It was nothing for the ancient clan to give some resources to the Yunlan Sect.

The Yunlan Sect was just a small sect, and their ancient clan could do whatever they wanted. Giving some resources to Yunlan Sect can meet the needs of Yunlan Sect. But Xiao Xun'er didn't want to do it if she was asked to pay off this bastard's debt. Why should she pay off this bastard's debt? The girls in the room didn't expect that Su Chen had said so much and actually had this plan, which made them all dumbfounded. However, what Su Chen said might be very important to Xiao Xun'er,

otherwise Xiao Xun'er wouldn't do anything. anxious and angry. At this moment, Yafei and Nalan Yuyan were drinking tea and practicing their skills. Nalan Yuyan also found that Yafei was drinking tea and practicing her skills, so she wanted to try it. After taking a sip of tea , Nalan Yuyan felt a huge amount of pure fighting energy pouring into her body, which made her hurriedly start practicing. This made her understand why Yafei had been practicing Qigong while drinking tea. After Nalan Yuyan digested the pure Dou Qi Yun Gong in her body, she found that her strength had increased again, which made her hurriedly pull Yun Yun and said,"Master, come and drink tea!

"

"I'm not thirsty! Yun

Yun waved her hand and said with a smile,

"Master, take a sip before talking"

"All right."

When Yun Yun saw Nalan Yuyan winking at her, she picked up the teacup and started drinking.

"Um?"

After Yun Yun drank it, she also hurriedly started practicing. Yun Yun understood why her disciple wanted her to drink tea.

It turned out that the tea was fairy tea.

She just drank a few sips of the tea, and

Yun Yun felt The fighting energy in her body was about to overflow, which made her practice in a hurry.

Qingniao and Jiang Ni next to her were very speechless.

No one in the room drank tea at first, only Ya Fei kept drinking, They also kept refilling Yafei's tea.

But Nalan Yuyan and Yun Yun also kept drinking. They drank some tea and practiced for a while, and then drank again.

This made Qingniao and Jiang Ni also feel that something was wrong. The blue bird looked at the teapot in his hand and asked doubtfully, "Jiang Ni, isn't this tea the young master's spiritual tea?"

"It's possible, haven't you seen these women drinking some tea and practicing?" Jiang Ni nodded and replied,

"What to do? This is the tea that the young master asked the ladies to make"

"Qingniao, it doesn't matter. The young master must have noticed it just now. Didn't you see that the ladies didn't care about the tea?"

"That's right, the young master must have a lot of spiritual tea, and these ladies definitely don't care."

Qingniao nodded after hearing this. She didn't care about these spiritual teas anymore. Let these women drink as much as they want.

Su Chen did not continue.

He believed that Xiao Xun'er would definitely be interested in the ancient emperor's tomb. Determined to win, the ancient clan would not give up the ancient emperor's tomb for some ordinary resources.

After a while,

Xiao Xun'er glared at Su Chen and said angrily, "I agree, you are really a shameless bastard"

"Ha ha! Xiao Xun'er, did I force you? Su Chen asked with a smile when he saw Xiao Xun'er had to give in.

Xiao Xun'er gritted his teeth and said, "No, no, you shameless bastard didn't force me."

Xiao Xun'er really wants to strangle this bastard to death.

What's so irritating about him?

This damn bastard gets benefits and doesn't forget to be angry with himself.

Xiao Xun'er really wants to use Emperor Flame to burn this bastard to ashes.

"I will tell you after the elixirs and fighting skills sent by your ancient tribe arrive at the Dou Emperor Tomb. Don't worry, I keep my word. You can rest assured."

"I hope you, shameless bastard, don't go back on your word, otherwise I will kill you to the end of the world."

Su Chen felt a little ashamed when he heard the threat from Xiao Xun'er.

This time he really offended Xiao Xun'er to death, but Xiao Xun'er was too stingy.

The Gu family has a great cause, and they only paid some pills and fighting skills. If you use this skill, you can get the coveted Dou Emperor Tomb.

This deal is very cost-effective.

Why is Xiao Xun'er so angry?

Su Chen has definitely never offended Xiao Xun'er before.

This girl seems to be very angry with her..

Su Chen thought for a moment and said hurriedly, "Me? Let's do this. I'll write the location of the ancient emperor's tomb in the letter and give it to Yun Yun for safekeeping. Is that okay?"

"Okay, I never want to see you bastard again." Xiao Xun'er glared at Su Chen and agreed.

Su Chen shook his head and said, "Don't worry, after the duel tomorrow, I will return to the Eastern Continent. Even if you want to see me, it's impossible."

"snort!" bump!

"Su Chen, I have something to ask you!"

At this time,

Shui Yue and Lu Xueqi hurriedly opened the door and shouted.

When Su Chen saw Shui Yue and Lu Xueqi arriving in a hurry, he said calmly,

"Master Shuiyue, I know what you are going to ask, so I will ask my wife, Shi Feixuan, to go with you. She knows everything, and Feixuan also agreed to become your master."

"Are you telling the truth?"

Shui Yue was very happy when she heard Su Chen's words.

Being able to take on Concubine Xuan as her disciple this time is the biggest gain.

If she can ask more about the four great swordsmanship, she can just make up for the two lost swordsmanship of Qingyun Sect. The experience she brought with her disciples this time can be said to be a gain for the Tiandang Hall.

There is also the matter of Su Chen's daughter Su Yue.

Shui Yue also has to figure it out, but this has to be done step by step. Although she wants to know everything now, she can't do it now. Not the time to talk about this

"certainly."

After Su Chen nodded to Shui Yue, he said to Master Fei Xuan, "Fei Xuan, you and Master Shui Yue go to her room and tell her our decision just now. You can also accept Master Shui Yue as your teacher. Bar"

"Well, husband, Master Shuiyue and I will leave first."

"good!"

Shui Yue smiled and nodded to Su Chen, and she left with Shi Feixuan.

Su Chen saw that after Master Shui Yue and Shi Feixuan left,

Lu Xueqi actually sat down and did not leave.

This made Su Chen confused about Lu Xueqi asked, "Lu Xueqi, don't you leave with your master?"

"I'm not interested in those"

"Lu Xueqi, help me take care of my wife from now on. After all, she will also be your junior sister in the future."

"You don't need to worry about this. No one in Qingyun Sect dares to provoke Xiaozhufeng's disciples."

"makes sense!"

Su Chen thought of Master Shuiyue's power in Qingyun Sect, and he nodded.

Master Shuiyue in Qingyun Sect is unequivocal. Even the headmaster of Qingyun Sect doesn't dare to offend Shuiyue, especially Fatty Tian from Dazhu Peak. He saw Shui Yue like a mouse seeing a cat.

Lu Xueqi looked at the baby in Queen Medusa's arms, and she asked Su Chen,

"Su Chen, is this your daughter?"

"Yes!"

"Can I give you a hug?"

Chapter 1428

Lu Xueqi also heard her master Shui Yue talk about Su Yue's specialness, blood inheritance?

Or is it the continuation of the bloodline of the ancient black bird?

This made her very curious about Su Yue.

When she saw Su Yue, she wanted to see this magical little girl.

"Okay, Cai Lin, let Lu Xueqi look at Yue'er."

Su Chen nodded and agreed.

He guessed that Lu Xueqi might have listened to her master's story and knew what happened to Su Yue.

But fortunately, there are many blood inheritances in the Shenyu Continent, like the Southern Continent. The emperor-level bloodline of Xiao Xun'er and the Nuwa bloodline of Zhao Ling'er from the Eastern Continent were not enough to make Su Yue cause a sensation.

Medusa glared at Su Chen when she heard Su Chen's words.

What nonsense did this bastard say just now? , she hasn't settled the score with this bastard yet, saying that she is this bastard's wife?

She even said it so openly. If Queen Medusa hadn't seen that there were so many people here, she wouldn't have been able to refute this bastard in front of so many people. Otherwise, she wouldn't have refuted this bastard in front of so many people.!

She had already kicked this bastard away.

Lu Xueqi was curious and walked towards Queen Medusa to see Su Yue, and even wanted to hug this magical little girl with her own hands.

Su Chen was very speechless when he looked at the three girls next to him.

"Yafei, Yun Yun, and Nalan Yuyan, don't drink tea all the time and practice. You should practice in a relaxed and moderate manner, otherwise it will cause inner demons in your future practice."

Ya Fei and the others were practicing while drinking spiritual tea.

Su Chen discovered it early in the morning.

He didn't care about these women at first.

After all, he had a lot of spiritual tea.

It was impossible for Ya Fei and the others to drink it all at once. , but he has finished his work here.

The three girls still did not stop practicing.

Su Chen was ready to chase people away.

Ya Fei stopped practicing after hearing Su Chen's words, but she is in a very good mood now, that's all Knowing Kung Fu, her strength increased by two stars.

This made Yafei very happy

"Haha, Mr. Su, are you going to auction these fairy teas? I can help you auction at no charge approx."

Su Chen shook his head and refused, "No, these are just the tea we usually drink. I have never thought about auctioning them."

Yun Yun and Nalan Yuyan also stopped practicing.

Although they did not improve as much as Ya Fei, they both made good gains. After all, they drank the spiritual tea a little late and their strength improvement was not obvious.

Yun Yun Blushing and embarrassed, she asked Su Chen, "Su Chen, what kind of tea are these? Why can fighting spirit also improve strength?"

Su Chen looked at Yun Yun's blushing and embarrassed look and said with a smile,

"Spirit tea, you have never seen these before. I will give you some in a while. However, you should not drink spiritual tea every day to practice. Drinking it a few times a month will have the best effect."

"Haha, thank you very much"

"Thank you Mr. Su."

When Yun Yun and Ya Fei heard this, they smiled and thanked them hurriedly,

"Do I have one too?"

Xiao Xun'er couldn't help but ask when she heard the conversation between Su Chen and Yafei and the girls.

She guessed that the tea must be a treasure, otherwise these girls wouldn't be able to practice while drinking tea.

Su Chen heard Xiao Xun'er asked deliberately,

"what do you have?"

Xiao Xun'er glared at Su Chen and cursed angrily, "Shameless bastard, they have spiritual tea, why don't I?"

Xiao Xun'er felt that this bastard was pretending to be confused for such an obvious thing.

Su Chen was deliberately trying to make her angry, or even teasing herself.

"They are my friends, are you my friend?"

"you....."

Xiao Xun'er didn't know how to answer for a moment.

"Sister, don't listen to Su Chen's nonsense. Everyone who came today are all friends, so I will naturally give some spirit tea to my sister."

At this time,

Huanwen came over and took Xiao Xun'er's hand and said with a smile,

"this.....Thank you Mrs. Su." Xiao Xun'er was embarrassed and thanked Huan Huan,

"You are welcome!"

Hanhan waved her hands and said indifferently.

Hanhan also felt that this little beauty was very individual, even as cool as Shi Feixuan.

So she planned to help this little beauty.

Afterwards,

Su Chen entertained these people in the room The women had a good meal, delicious food!

Spiritual tea!

Spiritual wine!

These women took away a lot of things to eat and take away.

After Su Chen and the girls left, he took out three jade boxes and three After accepting the ring, he handed it to the blue bird and said,

"Bluebird, there are three red fruits here"

"After a while, each of you will eat one. However, Jiang Ni has never practiced, so you should save hers first."

"You teach Jiang Ni to practice first, and after she develops her inner strength, let her eat the red fruit and accept the ring. You can use it after you shed your blood and recognize the master."

"Thank you, Master!"

Qingniao has heard about the efficacy of Zhu Guo nearby.

Ya Fei just asked for one specifically for her friend.

One Zhu Guo can increase Ya Fei's strength to Dou Wang. If the three girls eat it, With Zhu Guo, I am afraid that my strength can be raised to the heavenly realm.

Su Chen thought about it and took out two secret books and said to Qingniao, "These are the king-level skills, the Mingyu Skill, the king-level martial arts secrets, and the Holy Spirit Sword Technique. You should practice these first."

"Yes, Master!"

When Qingniao heard Su Chen's words, he hurriedly thanked her gratefully.

Qingniao did not expect that Su Chen not only gave them spiritual fruits, but also gave them cultivation secrets.

This made Qingniao very grateful to Su Chen.

Su Chen was among everyone. After leaving, he hugged the little witch and said with a smile, "Huanhan, you can't run away this time!"

Wanwan leaned in Su Chen's arms, touched his face, and said with a smile,

"Husband, I still can't do it. After you upgraded the Heavenly Demon Dafa to the king level, I haven't broken through to the twelfth level yet, so I can't have sex with my husband yet."

Su Chen asked Hanhan in confusion, "No breakthrough yet?" It's okay not to practice Heavenly Demon Dafa. Didn't you start practicing Su Nu's Heart Sutra?"

Wanwan shook her head and explained,

"Husband, this is not possible. Although the Heavenly Demon Dafa is not as powerful as the Su Nu Heart Sutra, I can't stop since I have practiced it. Don't worry, I will be able to break through to the twelfth level in a month or two."

"Forget it, let's take a rest and we'll talk about the rest later."

"Husband, you'd better be honest, otherwise I won't rest with you"

"Ha ha....."

One night passed, and the next day,

Yunlan Sect had cleaned up the central square. Today was the day for the duel between Nalan Yuyan and Xiao Huohuo of the Xiao family.

Early in the morning, many warriors appeared around the square.

Nalan Yuyan also appeared in the square in a smart outfit. She is now a four-star Dou Wang. Nalan Yuyan can be confident about today's competition. In the stands, Shui Yue looked at Nalan Yuyan with a happy expression and praised, "Sect Master Yun, your disciples are good, the young ones are in the Dou King Realm (Foundation Establishment Realm)." Shui Yue is in the same mood now. It was very good. Last night, she not only accepted an outstanding disciple, but also obtained two lost sword techniques. She was so happy that she didn't even have a good rest all night.

"Master, my disciple is not as good as yours. My disciple is the Dou King Realm. Your disciple is the Nascent Soul Realm (Dou Zong Realm) super strong, even stronger than me, the leader of the Yunlan Sect."

Chapter 1429

Yun Yun was very speechless when she heard Shui Yue's words.

Although her disciple Nalan Yuyan was good in strength, there was no comparison with Qingyun Sect, the top immortal cultivating sect.

A Dou Wang and a Nascent Soul Realm (Douzong), how can this be compared?

Even her master couldn't compare to Shui Yue's disciples, let alone her disciples.

Shui Yue smiled and said nothing more.

Her disciple Lu Xueqi was outstanding even in Qingyun Sect, and now she had an outstanding disciple named Shi Feixuan.

She believed that in a year or two, no disciples in the Qingyun Sect would be able to compete with her two outstanding disciples.

Shui Yue looked around but didn't find Su Chen, so she asked Concubine Feixuan beside her in confusion, "Feixuan, why hasn't your husband come over yet?"

"I don't know about this either, my husband should be arriving soon." Shi Feixuan shook her head when she heard Shui Yue's words and replied.

Shi Feixuan also didn't notice the arrival of Su Chen and Huan Huan.

She guessed that those two bitches must have done something that no one could see last night.  
matter

"Well, it's still a little early, let's wait!"

Although Shui Yue has many things to ask Su Chen, but the bastard hasn't arrived yet, she can only wait until the bastard arrives before asking.

"Yes, master!"

Around the Yunlan Sect Square, more and more warriors arrived.

These warriors were very strange when they saw the concubine Xuan next to Master Shuiyue. Especially when they saw Lu Xueqi's appearance, they all guessed that

Su Was Chen Chen killed by Lu Xueqi? After all, Su Chen was not found around the square. At this time,

Xu Nian smiled when he saw Lu Xueqi's appearance and said, "Lu Xueqi appeared, Su Chen did not appear, haha, that The shameless bastard must have been killed by Lu Xueqi."

Xuanyuan Qingfeng looked at Master Shuiyue's Concubine Xuan and was very curious.

What if Su Chen was killed?

It's impossible for Concubine Xuan to sit with Master Shuiyue. Something must have happened that she didn't know about.

Xuanyuan After Qingfeng heard what Xu Nian said, she shook her head and said, "You are overthinking, didn't you see Master Shuiyue smiling and talking to Su Chen's wife?"

"This does not mean that Su Chen is not dead."

Xu Nian also guessed that Su Chen couldn't be killed, but that didn't mean he didn't curse that bastard.

Xuanyuan Qingfeng stretched her perfect figure and said with a smile,

"Do you believe these words yourself?"

Xu Nian looked at Xuanyuan Qingfeng but didn't answer.

He hoped that shameless Su Chen wouldn't show up.

Even if the bastard wasn't dead,

Xu Nian didn't want to see that bastard's face.

In the stands,

Mr. Ling came to Xiao Xun'er The one next to me saluted and said,

"Miss, I have already sent someone to notify the family. The family will receive Miss's letter within ten days at the earliest."

Mr. Ling also didn't expect that after Xiao Xun'er met Su Chen yesterday, they would get the news about the ancient emperor's tomb.

This is an unexpected surprise.

If their ancient clan finds the ancient emperor's tomb, the ancient clan leader will be promoted to Dou Emperor. From now on, the Southern Continent will respect their ancient clan.

Xiao Xun'er nodded and said, "Well, this matter is very important. Mr. Ling, please don't make any mistakes this time."

"Yes, miss!"

After Xiao Xun'er told Mr. Ling, she looked around.

Xiao Xun'er was very confused when she didn't notice Su Chen's presence.

The duel was about to begin.

Why hasn't that bastard arrived yet?

In the square,

Nalan Yuyan looked at the time and shouted loudly, "Xiao Huohuo, the appointed time has come, why don't you show up yet?"

Everyone in the stands looked around.

It was already time for a martial arts duel, but Xiao Huohuo hadn't arrived yet, which made them all suspect that Xiao Huohuo might not dare to show up.

"Xiao Huohuo, come to your appointment!"

At this time, at the entrance of Yunlan Sect Square, a man in black robe walked towards the square step by step with his head held high.

The old man in Xiao Huohuo's ring suddenly sent a message to Xiao Huohuo, "Something's wrong, Xiaohuo, something happened now. , Nalan Yuyan is a four-star fighting king, you cannot be her opponent."

Xiao Huohuo almost fell down in fright when he heard the old man's message.

He was anxious and asked hurriedly, "What? Four-star fighting king? How can this be? Master, wasn't Nalan Yuyan a fighting master three years ago? How could she advance to the King of Fighting?"

"I don't know, but Nalan Yuyan's aura is stable, and she doesn't seem to be in a state that has been enhanced by drugs."

Xiao Huohuo suddenly thought of the Zhu Guo auction a year ago, and he asked doubtfully, "Master, will Nalan Yuyan eat the fairy fruit from the Miter Auction?"

"Impossible, the Yunlan Sect didn't get the Immortal Fruit that was auctioned a year ago at all, and it's impossible for the powerful person who got the Immortal Fruit to give it to the Yunlan Sect. I'm afraid Nalan Yuyan himself practiced and advanced."

"Am I really inferior to Nalan Yuyan?"

"Xiao Huo, just give up and leave. With your strength, you are no match for that girl."

"I'm not willing to give in. Master, can you help me?"

Xiao Huohuo clenched his fist and said angrily.

For three years, he practiced day and night, and even struggled in the dangerous monster forest all the time, but in the end he was still not as good as Nalan Yuyan. This made him Very unwilling

"well! I will pass on my fighting energy to you in a moment, and you only have a quarter of an hour, otherwise you will not be able to withstand my power and explode to death."

Xiao Huohuo heard his master's words and hurriedly thanked him,"Thank you, master, fifteen minutes is enough for me to defeat Nalan Yuyan."

At this time,

Nalan Yuyan looked at Xiao Huohuo and said coldly and arrogantly,"Xiao Huohuo, the matter between us was canceled after the competition, and the engagement was terminated. Xiao

Huohuo looked at Nalan Yuyan and shouted angrily,"Nalan Yuyan, I will defeat you today, so be prepared to be my maid!""

"Hey, you're just a great fighter?"

Nalan Yuyan sneered disdainfully.

Nalan Yuyan saw that Xiao Huohuo was a great fighting master. A great fighting master was so arrogant. Did he think he was Su Chen?

"It's not certain who will win or who will lose. Even if I am a great fighter, I will defeat you."

"Without further ado, our duel will officially begin in a quarter of an hour."

"I'm waiting for you!"

After Xiao Huohuo and Nalan Yuyan exchanged words, he prepared for the competition in a quarter of an hour.

However, he suddenly noticed Xiao Xun'er in the stands.

Xiao Huohuo hurriedly walked over and asked,"Xun'er, I didn't expect that. You have arrived too."

Xiao Xun'er frowned when she saw Xiao Huohuo's arrival and said,

"Xiao Huohuo, I said before, we are not familiar with each other, you should still call me by my full name from now on."

Xiao Huohuo was very depressed when he heard Xiao Xun'er's words.

He didn't expect that Xiao Xun'er, who used to call him brother, had changed so much in the past few years.

Could it be that Xiao Xun'er had someone he liked?

Otherwise,

Xiao Xun'er He didn't want to break off the relationship with him.

Xiao Huohuo saw the people around him looking at him and said awkwardly, "Uh! Xun'er, after all, we grew up together, and we are even members of the Xiao family. Are you being too foreign to say this?"

"You should prepare for a martial arts competition for a while."

"this.....All right!"

Chapter 1430

Xiao Huohuo left Xiao Xun'er helplessly.

He did not expect that Xiao Xun'er really disowned him.

Was it that bastard who deceived Xiao Xun'er?

Xiao Huohuo thought with a sinister look on his face that

Xiao Xun'er could only belong to him in the future. The extremely beautiful Xiao Xun'er was the woman he had identified with since he was a child. He would not let anyone dare to touch Xiao Xun'er.

At this moment,

Su Chen was being taught a lesson by Huan Huan.

In the room,

Huan Huan grabbed Su Chen with a look of shame and anger.

She wanted to bite this shameless bastard to death. She clearly promised not to do anything at night, but this bastard went back on his word.

There is still some strange smell in Huanhan's mouth now, which makes Huanwan so sick that she wants to vomit again.

Su Chen looked at the very angry Huan Huan and hurriedly said, "Huan Huan, it was my fault. I really won't dare to do it next time."

Huan Huan let go of Su Chen and cursed angrily, "You are just one Shameless pervert, how could I fall in love with you, bastard?"

"Ahem, Huanyuan, don't be angry. The worst I can do is to ask Shi Feixuan to do the same thing next time."

"Go to hell, Su Chen, if you dare to talk about this to anyone, I will never be done with you. Also, you don't want Shi Feixuan to do this."

Huanwan became even more angry when she heard Su Chen's words.

This bastard has caused harm to her, and he still wants to take advantage of Shi Feixuan?

Although she and Shi Feixuan have always been at odds with each other

, they are good sisters after all. Huanyuan doesn't want Shi Feixuan. Xuan also did such disgusting things.

Su Chen immediately promised,"No, this matter is known to God and the earth. You know it and I know it.""

"Su Chen, what are you still doing in the room? The duel is about to begin."

At this time,

Queen Medusa shouted outside the room.

Su Chen patted his head and said in annoyance,"I almost forgot about the important matter, Huanhua, let's go over quickly, the duel is about to begin."

"I'm not going!"

"Why?"

Huanwen pointed at her red and swollen mouth and yelled angrily,"You bastard, you still have the nerve to ask, can I see anyone in my current state?"

Su Chen comforted him in embarrassment,"Uh! Then you rest in your room. I'll come back after I've seen the competition."

"Well, don't cause trouble again"

"OK! OK! "

When Huanwan saw Su Chen running out in a hurry, she said doubtfully,"OK? What nonsense is this? This bastard doesn't look serious at all."

Outside the room,

Queen Medusa hugged Su Yue and saw Su When Chen came out, she asked suspiciously, "What are you doing in the room? Why did I hear Huanwen scolding you very angrily?"

Su Chen coughed and pulled the Medusa girl and said, "Ahem, we are there Fighting means kissing and scolding means loving. Let's go to the square quickly. The duel should begin."

"Let me go and I will leave on my own"

"You are holding Yue'er. Aren't I worried about you?"

"Will I, a Douzong, still fall?" Queen Medusa shouted to Su Chen with a look of helplessness,

"No more talking, no more talking, let's leave quickly."

Su Chen didn't care so much.

He pulled Medusa and hurried towards the square.

After Su Chen arrived at the square, the duel between Nalan Yuyan and Xiao Huohuo hadn't started yet, but they were already standing in the square. The center is here, and the duel is about to begin.

"Phew, we arrived just in time."

Su Chen looked at Nalan Yuyan and Xiao Huohuo in the square before they started, and he breathed a sigh of relief.

Su Chen knew that in the plot,

Xiao Huohuo defeated Nalan Yuyan with the fighting spirit of his master. , otherwise Xiao Huohuo would not be Nalan Yuyan's opponent at all.

Didn't Xiao Huohuo defeat Nalan Yuyan by relying on his own strength?

How dare he have the nerve to talk about divorcing his wife?

And in the Godfall Continent,

Nalan Yu Yan is now a fighting king, and she is even more powerful than in the plot, while Xiao Huohuo is just a fighting master, and has not even obtained the Green Lotus Strange Fire. Su Chen feels that Xiao Huohuo has obtained his master's skills. I'm afraid it's impossible to defeat Nalan Yuyan this time.

Besides,

Shui Yue from Qingyun Sect is here.

If Xiao Huohuo dares to use the help of his soul body, Shui Yue will probably find Xiao Huohuo's master and kill him.

Su Chen looked around and saw that there were no empty seats, and there was only one empty seat left at Shuiyue's place.

Su Chen said to Queen Medusa, "My lady, you go to Shi Feixuan's place with Yue'er in your arms, and I can find one at random." place to watch"

"All right!"

Queen Medusa didn't care about Su Chen.

She didn't want to be with this bastard now. Their arrival was watched by everyone here.

Queen Medusa felt that her relationship with Su Chen could not be explained clearly, and even Everyone here probably thought that Su Yue was the child she had with Su Chen.

Su Chen looked at Xiao Xun'er and walked over. There was an old man next to Xiao Xun'er, and he decided to sit next to Xiao Xun'er.

"Mr. Su, please sit down!"

After Su Chen arrived,

Mr. Ling hurriedly gave up his seat to Su Chen and said,

"Thanks!"

When Xiao Xun'er saw Su Chen sitting directly next to her, she asked very displeasedly,

"What are you doing here?"

Su Chen leaned on the chair and said speechlessly, "I have nowhere to go. Yun Yun didn't even arrange a place for me. I have nowhere to go now."

"I don't welcome you here"

"But I'm already here?"

"Don't you understand human language?"

"Can't understand!"

Su Chen replied seriously.

Xiao Xun'er was really speechless to Su Chen, "You are so shameless and as thick-skinned as a city wall."

At this moment,

Xiao Huohuo suddenly saw Su Chen sitting next to Xiao Xun'er, and they were even talking continuously. This made Xiao Huohuo furious and immediately wanted to kill Su Chen.

Nalan Yuyan looked expressionless He said to Xiao Huohuo, "Xiao Huohuo, let's get started!"

"If you want to die, I will make it happen for you"

"God sucks the palm!"

Xiao Huohuo suddenly stretched out his palm towards Nalan Yuyan and sucked her blood.

"Thousands of winds!"

After Nalan Yuyan dodged Xiao Huohuo's sucking palm, she stretched out her five fingers and burst out five green evil winds. These evil winds attacked Xiao Huohuo like sharp arrows.

"Heavenly Gravel Fire Palm!"

Boom!

Although Xiao Huohuo blocked Nalan Yuyan's attack, he was also knocked back more than ten meters.

When Nalan Yuyan saw Xiao Huohuo being repelled by her, she mocked, "I only used five You can't resist the fighting spirit, Xiao Huohuo, I don't understand what qualifications you have to defeat me?"

"Damn it, Wings of Fighting, Heart-Breaking Palm"

"Cloud level: Heaven takes care of the moon!"

Boom, boom, boom!

When Xiao Huohuo used his flying fighting skills to attack Nalan Yuyan at close range, Nalan Yuyan directly drew out the Xuanji long sword, and she quickly struck Xiao Huohuo with one sword.

"Ahem....."

Xiao Huohuo was kicked out by Nalan Yuyan this time.

Xiao Huohuo now realized that Nalan Yuyan was playing tricks on him. Just now Nalan Yuyan could clearly hurt him with sword energy, but in the end Nalan Yuyan Yan actually sheathed her sword and kicked herself away.

"Nalan Yuyan, you deserve to die!"
