Chapter 1431

Xiao Huohuo is very angry now.

He didn't expect that Nalan Yuyan would humiliate him like this, but he is also very helpless now.

Xiao Huohuo's strength is no match for Nalan Yuyan. If he doesn't use his master now With the help of fighting spirit, it is impossible for him to defeat Nalan Yuyan

"This Xiao Huohuo is a great fighting master, Nalan Yuyan of Yunlan Sect is a fighting king, this competition is a joke"

"Yes, Xiao Huohuo also came to slap Yun Lanzong in the face. Isn't he humiliating himself?"

"Haha, this is a farce. The small Xiao family still wants to compare with the Yunlan Sect. Is the Xiao family crazy about wanting to be famous?"

"The Xiao family is in trouble this time. After this competition, the Xiao family may no longer have a foothold in Wutan City."

"The head of the Xiao family is also an old fool. Isn't it clear what kind of fool his son is? This time, I am afraid that the position of patriarch of the Xiao family will also be taken away."

"It is not certain whether the Xiao family will exist in the future. Even if the Yunlan Sect does not embarrass the Xiao family, the other families of the Gama Empire and Wu Cheng will not let the Xiao family go." Everyone in the stands started talking when they saw Xiao Huohuo's vulnerable appearance. These strong men thought that Xiao Huohuo would be as strong as Nalan Yuyan, but they did not expect that Xiao Huohuo was a big Fighter, this makes the Enter the Dragon fight they want to see doomed to be disappointing.

"Your Xiao family is going to be famous." Su Chen said with a smile when he saw the farce in the square.

When Xiao Xun'er saw Xiao Huohuo's vulnerable look, she shook her head.

When she heard Su Chen's words, she said expressionlessly ,

"I'm not from the Xiao family!"

Su Chen said teasingly while leaning on the chair,

"Yes, you are from the Su family!"

Xiao Xun'er didn't react for a moment.

This bastard didn't know that she was from the ancient tribe.

Why did this bastard say that she was from the Su family?

The Su family?

Is there a powerful Su family in the southern continent?

"Su family? When did I become a member of the Su family?"

Seeing that Xiao Xun'er didn't react, Su Chen coughed hurriedly in an attempt to fool him, "Ahem, cough, cough, it will happen in the future!"

"you.....You shameless bastard."

Xiao Xun'er understood immediately.

This bastard was teasing her, the Su family?

Isn't this bastard's surname Su?

Damn bastard,

Xiao Xun'er kicked Su Chen angrily.

Su Chen hurriedly clamped down. When Xiao Xun'er kicked her, he quickly said, "Don't make trouble, the fighting has started again. Xiao Huohuo still has his trump card, so it's not certain who will win."

When Xiao Xun'er saw Su Chen clamping her feet, she blushed and shouted hurriedly,

"release!"

Su Chen let go of Xiao Xun'er's foot and reminded, "Don't kick me again. There are many people watching here."

"Shameless!"

Xiao Xun'er saw Mr. Ling next to him with an expression as if he hadn't seen anything just now, which made her very ashamed and angry. She glared at Su Chen and then looked angrily at the competition in the square.

Mr. Ling looked at Su Chen and then at Xiao Xun'er.

He felt that there was something going on between the two of them. If the clan leaders planned a marriage in the future, he believed that Su Chen would not object.

"The ruler that separates the waves from the sea and the sky!"

"Tianling Shenfa, Tianling Haotian Sword!"

Boom, boom, boom!

After Xiao Huohuo's giant ruler collided with Nalan Yuyan's long sword, a powerful force erupted.

The surrounding square was also destroyed with craters, and Xiao Huohuo was hit by Nalan Yuyan again this time. Yu Yan stabbed her shoulder with her sword.

Xiao Huohuo looked at the injury on his shoulder and hurriedly said to his master, "Master, help me!"

"good!"

Xiao Huohuo suddenly burst out with powerful momentum.

He broke through from Da Douzong to Dou Ling in one go, and he had no intention of stopping.

Dou Ling Two Stars.....Dou Ling Four Stars.....Dou Ling nine stars, Boom, Dou Wang two stars, Dou Wang three stars, Dou Wang four stars. Xiao Huohuo stopped making breakthroughs only after he was promoted to Dou Wang Five Stars.

"How can this be? How did Xiao Huohuo do this? Such a great fighting master reached the fifth level of Dou Wang in a short time?"

"Why do I feel like the fighting spirit in Xiao Huohuo's body doesn't belong to him?"

"I also feel it. Does Xiao Huohuo have some spiritual object that can instantly increase his strength?"

"Impossible, Xiao Huohuo is just a member of a small family, how could he have a spiritual creature?"

"Now Nalan Yuyan is in danger. Xiao Huohuo's strength is one star higher than yours, Nalan Yuyan."

"That's right, but how long can Xiao Huohuo maintain this strength? If it only lasts for a moment, Xiao Huohuo will still be defeated."

Everyone around saw Xiao Huohuo's strength instantly rising to Dou Wang. They all stood up in surprise. They looked at Xiao Huohuo in the square and started talking.

Xiao Xun'er was surprised when he saw Xiao Huohuo's change. asked

"How can this be? You bastard already knew that Xiao Huohuo would change like this?"

"good!"

Su Chen nodded and replied with a smile.

Su Chen also saw Shui Yue's expression change.

Shui Yue must have discovered the soul body in Xiao Huohuo's ring. Shui Yue is a powerful immortal cultivator of the Taoist sect. The soul body As long as it is exposed,

Xiao Huohuo will be in trouble this time.

Xiao Xun'er looked at Su Chen and asked in confusion,"How did Xiao Huohuo do it?"

Xiao Xun'er now believes what Su Chen said is true.

There seems to be nothing that this bastard doesn't know. He knows everything about her.

But Xiao Huohuo has just met this bastard, and this bastard also knows about Xiao Huohuo. Some things about this made Xiao Xun'er once again suspect that Su Chen could read minds.

Su Chen looked at Xiao Huohuo and explained,"A powerful soul is in the ring on Xiao Huohuo's hand. Xiao Huohuo's strength It was also the soul body that he borrowed from him."

"Soul body? No wonder the fighting spirit in Xiao Huohuo's body didn't seem to be his, it turned out to be that way."

Xiao Xun'er understood after hearing Su Chen's words.

Xiao Huohuo's strength turned out to be with the help of a soul body.

Is this still Xiao Huohuo's strength?

This three-year duel is really funny.

"how did you do it?"

Nalan Yuyan is also very confused now.

She didn't expect that Xiao Huohuo would be stronger than her in an instant? This made her very confused. How could a great fighting master become a five-star fighting master in an instant? King?

Could it be that Xiao Huohuo also hid his cultivation level?

Xiao Huohuo laughed happily and said, "Haha! Nalan Yuyan, I will let you see how powerful I am, but you should think about how I will humiliate you in the future, my maid!"

"You are dreaming, even if you are stronger than me, you may not be able to defeat me."

"Nalan Yuyan, I'll see if you can be tough in a moment."

Chapter 1432

Xiao Huohuo smiled and took action against Nalan Yuyan.

He quickly rushed to Nalan Yuyan's side and continued to attack Nalan Yuyan with Baji Beng.

Nalan Yuyan was attacked by Xiao Huohuo and was in a panic. After Xiao Huohuo's strength improved,

Nalan Yuyan no longer had any advantage.

Besides, Xiao Huohuo's fighting skills were better than Nalan Yuyan's. With powerful skills, Nalan Yuyan was beaten back step by step by Xiao Huohuo.

In the stands,

Yun Yun looked at Nalan Yuyan and was very worried.

She didn't expect that Xiao Huohuo and Su Chen were both bastards who pretended to be pigs and eat tigers.

"Yuyan, please don't let anything happen to you!"

After Shui Yue heard what Yun Yun said, she looked at Lu Xueqi and Shi Feixuan and asked, "Did you see anything?"

Master Fei Xuan frowned and replied, "Master felt that the fighting spirit in Xiao Huohuo didn't belong to him, so he forced his fighting spirit on another person to increase Xiao Huohuo's strength."

Lu Xueqi nodded and agreed,

"I also feel that the two strands of fighting spirit in Xiao Huohuo are fundamentally different. Over time, the two strands of fighting spirit will conflict with each other, and even Xiao Huohuo will explode and die."

"Yes, you are all very good."

Shui Yue was very happy when she heard what Shi Feixuan and Lu Xueqi said.

Her two apprentices did not disappoint her. If their strength were upgraded to the out-of-body realm, then they would all find out about the soul body.

However, they can see These are already very good.

"Master, how did Xiao Huohuo get promoted to Dou Wang all of a sudden? Shuiyue looked at Xiao Huohuo and said with a cold look in her eyes,

"There is a powerful soul body helping Xiao Huohuo. He destroyed that soul body in a short time. He was already dead. He dared to come out to cause harm. That soul body was unlucky. I am afraid that soul body did not expect that we would appear in the clouds. Lan Zong."

When Shi Feixuan and Lu Xueqi heard Shui Yue's words, they looked at Xiao Huohuo with sympathy.

They all thought about the scene where Shui Yue went to kill the soul body.

Master Shui Yue was a powerful master who hated evil as much as he hated evil. Master Shuiyue would not let go of demon cultivators, ghost cultivators, or even demon cultivators, let alone a small soul body. When Xu Nian saw Xiao Huohuo's explosion of strength, he praised this matter ,

"I guess, this brother of mine is so powerful, I didn't expect that he also hid his strength."

Xuanyuan Qingfeng looked at Xu Nian and asked doubtfully,

"Do you know Xiao Huohuo? Xu

Nian nodded and replied,"Well, I met him once at an auction before. He's a pretty good guy, but I didn't expect that the protagonist of this duel would be him.""

"Your friend is not simple. He is just like Su Chen, a bastard who pretends to be a pig and eats the tiger. However, why do I feel that Xiao Huohuo is acting weird now?"

Xuanyuan Qingfeng was very confused about Xiao Huohuo's sudden burst of strength.

Xuanyuan Qingfeng thought that Su Chen had also hidden his strength, but that bastard's burst of strength was very natural, while Xiao Huohuo's burst of strength was like It's like someone else lent it to him

"Xiao Huohuo is an upright person, how could he be like that bastard Su Chen?"

"Say what you will."

At this moment,

Xiao Huohuo punched Nalan Yuyan away and mocked, "Nalan Yuyan, aren't you arrogant now? You will get hurt too!"

Nalan Yuyan wiped the blood from the corner of her mouth, then she glared at Xiao Huohuo and said coldly and arrogantly, "As if you were not injured before, Xiao Huohuo, just use whatever skills you have."

"If you want to die, I will make it happen for you!"

Xiao Huohuo didn't dare to delay any longer.

He borrowed his master's strength but it couldn't last long. Xiao Huohuo was ready to defeat or kill Nalan Yuyan with one move.

"Heavenly fire explodes!"

Xiao Huohuo suddenly stepped into the air and shouted.

A fire lotus several feet long suddenly appeared in front of Xiao Huohuo. This fire lotus showed brilliant colors, and a powerful flame continued to condense in the fire lotus. When

Xiao Xun'er felt the presence of the strange fire, he immediately stood up and shouted, "Strange fire, Xiao Huohuo actually has a strange fire?"

"This is not his, it should belong to that soul body."

Su Chen watched Xiao Huohuo use Buddha's Wrath Fire Lotus, and he guessed that Xiao Huohuo's strange fire should be that old immortal, and that old immortal had the eleventh-ranked Heavenly Spirit Cold Fire.

This should be him Given to Xiao Huohuo

"What kind of strange fire is this? Xiao

Xun'er looked at Su Chen strangely and asked.

Su Chen smiled and replied, "It's far different from yours. This is the eleventh-ranked Tianling Lenghuo.""

"Do you know this too?"

Xiao Xun'er originally thought that Su Chen didn't know, but this bastard still knew everything.

This bastard was getting more and more mysterious.

Su Chen looked Xiao Xun'er up and down and said in a frightened voice, "I also know what underwear you are wearing today. , do you want me to say it?"

"you dare!"

When Xiao Xun'er heard Su Chen's words, she hurriedly protected her chest with her hands and shouted angrily,

"Haha, I lied to you!"

"You bastard!"

And Yun Yun of Yunlan Sect couldn't sit still.

She knew that Nalan Yuyan would definitely not be able to dodge this attack.

This attack was too powerful.

There was even an aura of destruction in the attack.

She looked around. She hurriedly walked towards Su Chen.

Yun Yun hoped that Su Chen could help Nalan Yuyan. She would definitely not be able to take action. After all, there were many strong people here, and she did not want to bully the small ones to deal with Xiao Huohuo.

"Yun Zhiji: Heaven takes care of the moon!"

Nalan Yuyan also took a step in the air and raised her long sword and shouted.

The fighting spirit around Nalan Yuyan immediately rioted, and her body also sent out circles of blue ripples.

Nalan Yuyan pointed the long sword in her hand Xiao Huohuo, the sunlight in the sky gathered on the long sword, the sword body was radiant, and the terrifying aura directly locked onto Xiao Huohuo

"burst"

"kill!"

Boom, boom, boom!

The square was filled with dust and smoke, and the smoke from the explosion was everywhere.

People around the square looked at the square one by one. They all wanted to know whether Xiao Huohuo and Nalan Yuyan had won. After a while, the smoke and dust After they dispersed,

Xiao Huohuo was the only one standing in the square.

He was now in a very embarrassed state. His clothes were in tatters and were damaged by the sword energy, and his body was even scratched in many places by the sword energy. The square The people around looked at Xiao Huohuo who was left in the square, and they started talking one after another.

"Why is Xiao Huohuo the only one left? Where is Nalan Yuyan?"

"Nalan Yuyan would have been blown up to pieces, right?"

"Impossible, such a powerful explosion is impossible to achieve"

"Then why did Nalan Yuyan disappear?"

"It's unclear. Why is this the same as the fight between Su Chen and Lu Xueqi yesterday? How come Nalan Yuyan has also disappeared?"

"Come on, look, why did Nalan Yuyan appear next to Su Chen? Did my eyes bleed?"

"Oh my god, could this be Su Chen who saved Nalan Yuyan?"

"How could that big devil save Nalan Yuyan?"

Chapter 1433

Everyone around the Yunlan Sect Square looked at Su Chen dumbfounded.

They all couldn't understand why Su Chen would intervene in this duel? This is very unfair to Xiao Huohuo, and also very unfair to this fight.

But the people here also know that Su Chen is very powerful, and he is also a big devil who is not afraid of death.

After all, Su Chen dared to offend the Qingyun Sect. No matter how dissatisfied the people here were, they would not dare to denounce Su Chen.

Xiao Huohuo was also looking for Nalan Yuyan's body.

He felt that it was impossible for Nalan Yuyan's body to be blown up. However, he did not find Nalan Yuyan's body, which made him doubt whether Nalan Yuyan was real. There are no remains of the bombed corpses?

Xiao Huohuo suddenly noticed something strange about the people around him.

He hurriedly followed their gazes and saw Nalan Yuyan intact in the stands.

This made Xiao Huohuo angry.

Xiao Huohuo looked at Nalan Yuyan and shouted, "Nalan Yuyan, you actually went back on your word. We are fighting a fair fight. Is this what your Yunlan Sect said is fair?"

Nalan Yuyan lowered her head and did not answer. Xiao Huohuo, she didn't expect that Su Chen would save her.

This was a fair fight between her and Xiao Huohuo. She had no regrets even if she was killed by Xiao Huohuo, but Su Chen saved her after all. It is impossible for her to repay kindness with evil

"I....."

"you shut up!"

Just when Nalan Yuyan was about to say something,

Su Chen hurriedly stopped Nalan Yuyan.

Su Chen was worried that Nalan Yuyan, a silly girl, would say something about the duel failing and whether she would fight or kill anyone. Follow Xiao Huohuo and other nonsense.

Nalan Yuyan's eyes turned red when she looked at Su Chen.

She was already ruined.

This bastard dared to yell and scold her, which made Nalan Yuyan so angry that she wanted to leave immediately. Next to this bastard.

Xiao Huohuo looked at Su Chen and felt familiar.

He guessed that this person might also be from Yunlan Sect, especially since this bastard was still sitting next to Xiao Xun'er.

This made Xiao Huohuo feel even more dissatisfied with Su Chen. You're welcome

"Who are you? Why do you want to ruin the fair duel between me and Nalan Yuyan?"

Su Chen leaned on the chair and asked casually, "Xiao Huohuo, do you think this duel is fair?"

Xiao Huohuo shouted when he saw Su Chen's dandy look,

"Why isn't it fair? We are fighting a one-on-one fair duel. Everyone here has seen it. Is your Yun Lan Sect going to go back on your words?"

"Really? Do you think I'm blind?" Su Chen sneered disdainfully,

"you.....What do you mean?"

Xiao Huohuo asked nervously when he heard Su Chen's words.

Everyone around him felt very strange.

They didn't expect Su Chen to say this.

Did someone really help Xiao Huohuo in the duel?

Su Chen He looked around and said loudly,

"Everyone, you don't have to believe what I say, but you can ask Master Shuiyue of Qingyun Sect whether Xiao Huohuo fought Nalan Yuyan fairly in this duel?"

When everyone around heard Su Chen's words, they all looked at Master Shuiyue. They also wanted to know whether Xiao Huohuo had a fair fight with Nalan Yuyan just now?

Shuiyue was very excited when he heard Su Chen's words. Speechless, she also found out about Su Chen's rescue of Nalan Yuyan just now.

She thought Su Chen wanted to take care of this matter, but she didn't expect that this bastard would push her side again.

Shui Yue nodded to the disciples next to her,

"Xiaohuo, run!"

Xiao Huohuo suddenly heard his master's words and asked in surprise,

"Master, why?"

Xiao Huohuo's master anxiously explained to him

"There are powerful people in Qingyun Sect in Yunlan Sect. They must have discovered that I helped you just now, and Qingyun Sect is the top sect for cultivating immortals. This time we are really in trouble."

"I.....Master, I'm afraid I can't leave."

Xiao Huohuo was about to turn around and leave when he suddenly noticed six powerful women appearing in the square. Each of these women surrounded him with cold expressions.

Whoosh!

Shuiyue suddenly appeared next to Xiao Huohuo and asked expressionlessly,

"Want to escape?"

When Xiao Huohuo saw this powerful woman appear, he hurriedly saluted and said, "Senior, I haven't offended your Qingyun Sect, have I? Why are you stopping me?"

Shui Yue ignored Xiao Huohuo, the little guy.

She looked at Xiao Huohuo's ring and said coldly. "Soul body, are you coming out on your own, or should I capture you?"

"What? Soul body? Xiao Huohuo has a soul body? No wonder his strength suddenly made him the King of Fighters. It turned out that his soul body helped Xiao Huohuo."

"I said, how could the big devil save Nalan Yuyan? It turns out that the big devil and Master Shuiyue both discovered the soul body."

"fair? Isn't this fair? Xiao Huohuo is a great fighting master. I asked him how he had the courage to duel Nalan Yuyan from the King of Fighting. It turns out that Xiao Huohuo actually has the help of a soul body."

"Well, it seems that this soul body was also very powerful during his lifetime. Otherwise, it would be impossible to instantly increase Xiao Huohuo's strength to Dou Wang."

"Yes, it's just that this time this soul body is going to fall. If it dies, it will die. If it dares to make trouble next to Master Shuiyue and the Great Demon King, this time this soul body will be destroyed."

The surrounding warriors were very surprised when they heard what Master Shuiyue said.

It turns out that a fair duel has long been unfair.

When they looked at Xiao Huohuo, they were very angry. They, the masters, were almost deceived by Xiao Huohuo. Go over.

Xuanyuan Qingfeng looked at Xu Nian and laughed, "Haha, Xu Nian, is this the upright person you are?"

Xu Nian quickly replied in embarrassment, "I.....I didn't expect Xiao Huohuo to do this either."

"Humph, your way of looking at people is really not very good."

"Qingfeng, I had a relationship with Xiao Huohuo, but I didn't see what he was like."

"An upright person? Did I just say that?"

"....."

At this time,

Yaoye looked at Yafei and asked with a smile, "Yafei, this is interesting. You were very optimistic about Xiao Huohuo just now. This time Mr. Su wants to deal with Xiao Huohuo. Who are you willing to help?"

Yaoye is now also a fighting king.

After Yafei brought her the red fruit last night, she couldn't wait to eat it. Even this time, they were both late for the duel.

"this....."

Yafei couldn't answer for a while.

Xiao Huohuo had been providing her with pills this year, and she also had a good impression of Xiao Huohuo.

But this is simply impossible to compare with Su Chen.

Whether it is appearance or strength,

Xiao Huohuo is simply incomparable with Su Chen.

Xiao Xun'er saw Master Shuiyue standing up, she hurriedly looked at Su Chen and said, "Su Chen, Master Shuiyue will kill the soul body in a moment, can you give me the strange fire?"

"What you think is beautiful, why should I give it to you?"

"I.....I can give you money."

Chapter 1434

After Xiao Xun'er said she wanted to exchange money for the Strange Fire, she was also very unconfident.

Su Chen, a bastard, would not be short of money, but the Strange Fire was also very important to her family. She could not look at the Strange Fire. He was indifferent in front of her

"Tsk, do you think I will be short of money? I have so much money that I can pile it up into a mountain"

"What do you want? As long as I have it, I will definitely exchange it with you"

"Really?"

"Of course it's true, just mention it!"

Su Chen looked at this little beauty up and down after hearing Xiao Xun'er's words.

Su Chen didn't have anything to think about, and he didn't care about Yi Huo.

He just wanted to tease this lonely little beauty.

Xiao Xun'er looked at Su Chen Looking at her eyes, he cursed angrily, "You.....You are shameless, I will not agree"

"I'll do it! Did I say something?"

Su Chen shook his head speechlessly.

Although he wanted to tease Xiao Xun'er, but before he could say anything, Xiao Xun'er looked ashamed and angry.

This made Su Chen confused.

"shameless bastard?"

"Damn it, there is no way for the strange fire."

Xiao Xun'er looked at Master Shuiyue in the square, and her eyes lit up.

How could she ask for the alien fire for a bastard like Su Chen? The alien fire would definitely be obtained by Master Shuiyue in a while. She felt that she was a bit stupid.

She Turning around, he angrily said to Su Chen, "I'll ask Master Shuiyue for it later. I believe Master Shuiyue is willing to exchange it with me.""

"what ever!"

Su Chen's eyes lit up when he looked at Xiao Huohuo.

He thought that if Xiao Xun'er got Xiao Huohuo's strange fire, would they turn against each other in the future?

At this moment,

Master Shuiyue didn't think about the secret in Xiao Huohuo's ring. The soul body has not come out at this time.

This made her very angry.

Boom!

Shuiyue stretched out a hand and grabbed Xiao Huohuo.

The powerful aura made Xiao Huohuo kneel down. The people around him also stepped back a little.

"No! Master Shuiyue, let me go." A soul body was pulled out by Master Shuiyue and he shouted.

Shuiyue said with a serious face,

"If you die, you will die. Why live with the body of a remnant soul? Are you planning to seize Xiao Huohuo's body in the future?"

The soul body replied hurriedly,

"No, Xiao Huohuo is my disciple. How could I seize his body? Master Shuiyue, I don't want to seize his body and be reborn. I just protect my disciple to grow up. Shuiyue looked at the soul body with disdain and laughed,

"Do you think I believe what you say?"

"I have seen too many body snatchers. Your disciple may not snatch his body today. That is because his strength is low. Do you want to snatch his body after he grows up?"

Xiao Huohuo was also very suspicious when he heard Master Shuiyue's words.

His master taught him the skills, alchemy, and even helped him collect strange fires.

Could it be that his master wanted to seize him after he grew up?

Whoosh!

"escape? Did you escape?"

Master Shuiyue saw the soul body fleeing outside Yunlan Sect instantly.

She smiled mockingly, and

Shuiyue's body burst into white light and disappeared.

"Xiao Huohuo, do you have anything else to say now?"

Nalan Yuyan came to the square quickly.

She looked at Xiao Huohuo and said angrily.

Nalan Yuyan never thought that Xiao Huohuo would be so mean. He actually used the strength of a soul body to fight her. She At first, I really thought she was not as strong as this bastard

"I...."

Whoosh!

Su Chen suddenly appeared next to Xiao Huohuo.

When Xiao Huohuo didn't react, he put a hand on Xiao Huohuo's chest, and

Su Chen used his magic power to take out Xiao Huohuo's strange fire.

Ahhhhh.....

When Su Chen took out the strange fire from Xiao Huohuo's body,

Xiao Huohuo screamed in pain.

Nalan Yuyan was very speechless when she looked at Su Chen.

She was about to settle the score with Xiao Huohuo, but this bastard came to make trouble again.

Xiao Huohuo was in pain now, so there was no need for her to trouble Xiao Huohuo anymore. Anyway, after today, she has nothing to do with Xiao Huohuo.

Xiao Huohuo saw Su Chen take out his strange fire, which made him yell angrily, "Asshole, don't take away my strange fire."

"Tsk, it's not yours now."

Su Chen smiled after taking out the strange fire.

This will be the factor that will turn Xiao Huohuo and Xiao Xun'er into enemies in the future. If Xiao Huohuo and Xiao Xun'er turn against each other in the future, Xiao Huohuo's protagonist's luck will definitely be weakened by more than half.

"Xun'er, you want the strange fire." Su Chen appeared next to Xiao Xun'er and said with a wicked smile,

"you give me?"

Xiao Xun'er looked at Su Chen with a puzzled look and couldn't understand.

This bastard refused to give her the strange fire just now, so why did he change it now? This bastard didn't want to plot against her, right?

"uh-huh!"

"What conspiracy do you have, you shameless bastard?"

Su Chen pointed it out directly with a smile,

"I want to see if you accept Xiao Huohuo's strange fire, will Xiao Huohuo seek revenge on you in the future?"

Xiao Xun'er looked at Xiao Huohuo disdainfully and mocked, "Am I afraid of Xiao Huohuo? I accepted the strange fire, you bastard, you have worked so hard."

As Xiao Xun'er said, she directly used her strange fire to take away the strange fire in Su Chen's hand.

She would not let it go if she got the strange fire for nothing.

As for Xiao Huohuo?

Xiao Xun'er never noticed it Here, she is not afraid of Xiao Huohuo's revenge at all. Now that Xiao Huohuo has lost the help of his soul body, it is still unknown whether Xiao Huohuo can survive in the future.

Su Chen saw Xiao Xun'er accept the strange fire and He smiled and asked, "You are really rude, aren't you afraid that I will make some excessive demands?"

"Haha, I have accepted the strange fire. Even if you make conditions, I cannot agree. Is this your compensation for me?"

"compensate? Did I bully you?"

"think it yourself!"

Su Chen looked at Xiao Xun'er and couldn't understand.

Su Chen only met Xiao Xun'er yesterday. Apart from teasing Xiao Xun'er, he had never met Xiao Xun'er before.

How could he offend Xiao Xun'er? ?

Then,

Yun Yun of the Yunlan Sect sent the people who came this time to leave.

The martial arts duel was over, and the Yunlan Sect had to be rebuilt. She had no time to care about the people who came this time.

Su Chen looked at Xiao Huo. Huo left with Queen Medusa.

As for what will happen to Xiao Huohuo by Yunlan Sect?

Su Chen doesn't care at all.

He now wants to explain to Huanwen, Queen Medusa, and Shi Fei Xuan, and he is ready to return Eastern Continent.

The city of Hangzhou in the Eastern Continent, and even Zhao Ling'er and Butterfly Demon who were captured in Shushan all needed to be solved by him.

Chapter 1435

Qinghe City, this is the city where the Eastern Continent and the Southern Continent meet.

A luxurious carriage arrived in Qinghe City today, and the carriage was driven by a heroic and beautiful beauty. There were five guards wearing tight armor around the carriage. Guarding the carriage

"Young Master, will you stay in Qinghe City today?"

"Qingniao, let's live in Qinghe City today. We only need to get to Hangzhou City within a month."

"Yes, Master!"

The person in the carriage was Su Chen.

Su Chen also left after the Yunlan Sect's martial arts duel.

He didn't even interfere with what happened next.

The Yunlan Sect decided whether Xiao Huohuo would live or die.

However,

Xiao Huohuo His luck was still there, and it was impossible for him to be killed.

Shi Feixuan would go to Qingyun Gate with Shui Yue in the future, and he was very relieved about Shi Feixuan.

As for Huan Huan,

Su Chen asked Queen Medusa to take Huan Huan with her. Hanwen went to the Snake Man Tribe, and Hanwen also wanted to travel to Master Nan. With Queen Medusa accompanying Hanwen, he was not afraid that something would happen to her.

Su Chen also left the shadow assassin team led by You Ru. Queen Medusa, although Queen Medusa is not his woman yet, after what happened with the Yunlan Sect, the warriors on the border of the southern continent all know that Queen Medusa is his woman.

Queen Medusa will not deny it even Some people will believe it.

Jiang Ni and Hong Yi were also left with Queen Medusa by Su Chen. Jiang Ni just started to practice. She had no time to practice with him, while Hong Yi stayed with Jiang Ni to practice together.

As for Xiao

Su Chen didn't inform Xun'er, Ya Fei, Yun Yun and those women at all.

The relationship between those women and him was just average, and Su Chen didn't need to tell them about his departure.

"Xiaoyue'er, we have arrived in the Eastern Continent, are you happy?"

In the carriage, after Su Chen felt the aura of the Eastern Continent, he looked at Su Yue who was looking around with big eyes and asked with a smile,

"Giggles....."

"You will laugh, are you still thinking about your Queen Medusa?"

Su Chen touched Su Yue's little nose and said with a smile.

When Su Chen took Su Yue away, not only did Su Yue cry and didn't want to leave Queen Medusa, but Queen Medusa didn't want to leave Su Yue either. If not for Su Chen's laborious explanation, Queen Medusa would probably have fled back to the Snake Tribe with Su Yue in her arms.

"mother.....Mother, me.....I want a mother."Su Yue shook her little hands and shouted with red eyes.

Su Chen kissed Su Yue who was about to cry and smiled and said,

"We will see you later. You Ji Ruxi, your aunt, and your aunt Shuirou are waiting for us in Hangzhou City. We will see your aunt after a while."

"Master, the inn has arrived."

At this time, the blue bird outside the carriage reported to Su Chen,

"knew!"

Su Chen got out of the carriage with Su Yue in his arms.

He saw that the inn was not bad, so he waved to Qingniao and walked in.

"Guests please come in!"

"Waiter, let's have some good food and wine."

"Okay, guest, please wait."

After Su Chen sat down at a window seat, he looked at the people who were resting and eating in the inn.

"Master, these are some masters!" After Qingniao arrived with the talisman in red armor, he whispered to Su Chen.

Su Chen shook his head and said,

"Ignore these people, you are much stronger than these people now. If you advance to the Golden Core Realm, you can suppress these people just by bursting out some aura."

Qingniao saluted Su Chen and thanked him, "Thanks also to the young master for the red fruit."

Su Chen felt very helpless when he saw Qingniao who was always saluting. He had corrected him many times, but Qingniao never changed and even kept a cold face.

"That's what you deserve, Qingniao, don't keep a tight face, you should smile more when you are so beautiful."

Qingniao was very speechless when she heard Su Chen's words. This is her character.

Su Chen has been holding on to this matter for the past ten days.

Why is she laughing when she has nothing to do?

After the food and wine were served,

Su Chen hugged Su Yue and After eating and drinking,

Qingniao was also asked by Su Chen to sit down and eat together.

"eat.....eat....."

When Su Chen saw Su Yue struggling to eat the food on the table, he comforted Su Yue and said,

"My dear daughter, you can't eat these yet. I'll let you eat them after your teeth grow."

"Master, the woman next to Xu Nian has also arrived."

At this time,

Qingniao saw Xuanyuan Qingfeng appearing in the inn and said to Su Chen.

Su Chen looked over and said doubtfully,

"Huh? Why is this woman here too? Xu Nian is not with her? Qingniao, do you know this woman?"

"do not know!"

At this moment,

Xuanyuan Qingfeng also discovered Su Chen.

She didn't expect to meet Su Chen here.

This made Xuanyuan Qingfeng feel very surprised and helpless. She really didn't want to meet this big devil.

Xuanyuan Qingfeng arranged After gathering her more than 20 guards, she walked towards Su Chen.

Xuanyuan Qingfeng came to Su Chen and said with a smile, "Master Su, I didn't expect to meet you here."

"Who are you?"

"Xuanyuan family, Xuanyuan Qingfeng!"

"It turns out to be Miss Xuanyuan, please sit down!"

Su Chen didn't expect that this woman turned out to be Xuanyuan Qingfeng.

The Xuanyuan family in Huishan is very chaotic.

Xuanyuan Qingfeng's father is a super master, but he always hides his intention to kill the ancestor of the Xuanyuan family.

His mother is also a tragedy. Women, no, they should be stupid and ignorant women.

Xuanyuan Qingfeng's mother actually recommended herself to serve Patriarch Xuanyuan in order to take revenge on her father.

This is really despicable.

In the family, there is a struggle for power and profit, and brothers do not deal with each other. , and Patriarch Xuanyuan is even more of a sex demon, and will even take in the younger generation Xuanyuan Qingfeng in the future. These things all happened in the Xuanyuan family. This family is really tragic.

"Thank you! Su

Chen took a sip of wine and asked, "Is Miss Xuanyuan going back to the Xuanyuan family?"
Xuanyuan

Qingfeng nodded and replied, "Yes, I have been traveling outside for a few years, and now I am going back to the family.""

She looked at the expressionless Qingniao next to her, and then at Fu Jiang Hongjia, who was guarding the surroundings.

Xu Nian had told her that

Qingniao used to be Xu Nian's guard maid, and Fu Jiang Hongjia was Xu Nian's guard. Su Chen took it from the hands of those assassins.

It's just that Qingniao's strength surprised her.

Wasn't Qingniao a grand master in the early stage of cultivation?

How could he be stronger than her now? He was even one step away from being promoted to the cultivation realm. Golden elixir realm

"In this way, we are destined to be together. I didn't expect that we would meet each other as soon as we arrived in the Eastern Continent."

Destined?

Who is destined to be a big devil like you?

Xuanyuan Qingfeng doesn't want to meet Su Chen.

This Su Chen is a dandy who is not afraid of heaven or earth.

Xu Nian was greatly harmed by this big devil, and his guard died. , crippled, even three beautiful maids were snatched away.

The Qingyun Sect, the top sect in the Eastern Continent, dared to offend, and also destroyed the Yunlan Sect, and even dared to mess up the Yunlan Sect's duel.

This The big devil is a troublemaker.

Chapter 1436

In the inn,

Su Chen chatted with Xuanyuan Qingfeng for a while and became very bored. This woman looked very beautiful and very feminine, but she was a little too wary of him.

Su Chen didn't want anything to happen to Xuanyuan Qingfeng, and he didn't even want to tell Xuanyuan Qingfeng about the things in the Xuanyuan family.

In the Shenyu Continent,

Su Chen didn't know if these things would happen again, and the ancestor of the Xuanyuan family might not be low in strength either.

Su Chen has caused enough trouble.

He doesn't want to cause other troubles.

"No, it's killing, it's killing!"

At this time, chaos suddenly broke out outside the inn.

Su Chen and Xuanyuan Qingfeng also looked out the window.

They saw people running away in panic everywhere, and dozens of policemen hurriedly ran towards a brothel.

"Another demon kills someone, more than ten of them have happened in the past month"

"Yes, we warriors have suffered a lot of casualties in the past month, and we don't know what kind of monster is causing trouble in Qinghe City."

"It's better to leave, those demons are not simple in strength, we warriors are no match for those demons, even our essence has been sucked away"

"Yes, those monsters are specifically looking for us warriors, maybe they are targeting the essence in our bodies."

"Leave, Qinghe City is too remote, and we don't have a strong monster hunter here."

In the inn, the warriors next to them started talking one by one. Ordinary warriors like them were very worried.

When Su Chen heard the words of the warriors around him, he said doubtfully,

"Demon? There are monsters in a small Qinghe City?"

Xuanyuan Qingfeng looked at Su Chen's confused look and said with a smile,

"What's so surprising about this? There are no monsters in that city on the Eastern Continent? However, it is very rare for a demon to harm people so blatantly."

"Isn't your Xuanyuan family a powerful family? Demon, can you deal with it?"

Xuanyuan Qingfeng shook his head and replied,

"Our Xuanyuan family is just an ordinary cultivating family. It is impossible to compare with Taoism and Buddhism."

"We can deal with some small demons, but if they are big demons, our Xuanyuan family has no magic weapons, talismans, and spells to subjugate demons. We cannot deal with demons above the big demons."

"Unless we have cultivated to a level above the Golden Core Realm, facing those big monsters, we will never come back."

"Then your family is not that good either!"

Su Chen shook his head when he heard Xuanyuan Qingfeng's words.

The Xuanyuan family should be a family of ordinary warriors.

Their family may not be able to deal with monsters and monsters.

If it is Shushan, Qingyunmen, or even Longhu Mountain, they may be able to deal with monsters and monsters easily. , after all, subduing demons and slaying demons is the specialty of those sects.

Xuanyuan Qingfeng retorted angrily,

"you.....Huh, if we old people come out of the mountain, even the big demon will be stunned when he meets the ancestors."

"What is the strength of your ancestor?"

"The peak of the Golden Core Realm!"

Su Chen was very speechless when he heard Xuanyuan Qingfeng's words.

He thought that the ancestor of the Xuanyuan family was a Nascent Soul realm, or even an immortal cultivator in the out-of-body realm.

He didn't expect that the ancestor Xuanyuan was just a weakling, a living person. Only a hundred-year-old pervert can reach the golden elixir realm.

Such an ancestor is too cheap.

"Your ancestor's strength isn't that great either. I can destroy your ancestor with just one hand."

When Xuanyuan Qingfeng heard Su Chen belittle the ancestor of their Xuanyuan family, she couldn't help but cursed angrily, "Who can compare with you, the great devil, you are a pervert."

"Damn it, why am I a big devil?"

Su Chen didn't expect that Xuanyuan Qingfeng would call her the Great Demon King.

No one had called her the Great Demon King for a long time. The title of the Great Demon King seemed to have been called the Great Demon King at first by people in the Ming Dynasty.

As he established the empire, his status became more and more important. As he got higher and higher, his power became stronger and stronger. From now on, no one seemed to dare to call him that.

Xuanyuan Qingfeng glanced at Su Chen and replied,

"Don't you know what you are doing? How much trouble have you caused in just one or two days in Yunlan Sect?"

"You first had a conflict with Xu Nian. Among Xu Nian's guards, you killed a person in the Golden Core realm, crippled a Nascent Soul realm, and even took away three of Xu Nian's beautiful maids."

"During the Yunlan Sect's banquet, you clashed with the Qingyun Sect again, and even destroyed the entire Yunlan Sect. You also participated in the Yunlan Sect's martial arts duel and caused trouble."

"Who does these things?"

"The strong men in the Yunlan Sect who are watching all call you the Great Demon King. Are they all wrong?"

Su Chen was very speechless when he heard Xuanyuan Qingfeng's words.

Although he did all these things, he was forced to take action. Xu Nian's guards wanted to kill him, so it was impossible for him not to fight back, right?

Qingyunmen's If Lu Xueqi wants to attack him, does he want to stand and be beaten?

As for the destruction of the Yunlan Sect, he did not do it alone, Lu Xueqi also had a share.

Even intervening in the Yunlan Sect's martial arts duel, that was Yun Yunqiu He saved Nalan Yuyan, why should all of this be blamed on him?

Qingniao nodded when she heard Xuanyuan Qingfeng's words.

She also felt that Su Chen was a troublemaker, and the title "Big Demon King" was not wrong.

Su Chen Chen was very powerful, and he also caused trouble everywhere. Even those strong people did not dare to say anything against Su Chen. This big devil really was not wrong.

Boom!

On the street, five or six beautiful women were raped by a dirty Taoist priest. The Taoist priest was chasing him, and one of the beautiful women shouted at the Taoist priest, "You stinking Taoist priest, how dare you meddle in other people's business?"

"Conquering demons and slaying demons, that's so much nonsense." The Taoist priest took the peach wood sword and killed these banshees and said,

"Everyone ran away separately, this monster hunter was very powerful."

Swish swish swish"..... boom!

"Don't even think about escaping. Order to eliminate demons and exorcise demons!"

When the Taoist priest saw that these banshees were about to escape, he hurriedly took the peach wood sword and recited the talisman.

At this time, talismans emerged from the Taoist priest's body one by one, and these talisman papers instantly surrounded these banshees. The female demons. After the monsters were surrounded by the talisman papers, these talisman papers were attached to the banshee one after another and began to burn.

"Ahhhhh....."

After a while, the banshees surrounded by the talismans were killed one by one by the talismans, and their souls flew away.

Su Chen saw the Taoist priest killing those banshees outside the window, and he nodded and said, "This Taoist priest has good skills, but his strength is a bit low."

"The magic of subduing demons and eliminating demons is indeed the nemesis of demons. It seems that the Xuanyuan family will also need some changes in the future."

Xuanyuan Qingfeng saw that a Taoist priest with low strength could kill several banshees.

This made her feel that the Xuanyuan family could not only practice martial arts, but also needed to practice some Taoist techniques to subjugate and eliminate demons. This was very important to their Xuanyuan family. The family has only advantages and no disadvantages.

Su Chen sensed Qinghe City and said in surprise, "There are really many demons in Qinghe City."

"Mr. Su, are there still demons in Qinghe City?"

Chapter 1437

Xuanyuan Qingfeng was very surprised when he heard Su Chen's words.

The Taoist priest had killed five or six banshees just now.

Five or six banshees appeared in one city. This was enough. Why were there still banshees in Qinghe City?

Moreover, looking at Su Chen's expression, there seemed to be quite a few banshees, which shocked Xuanyuan Qingfeng even more.

Xuanyuan Qingfeng said to Su Chen with a serious face,

"There's something wrong with this Qinghe City"

"It is impossible for so many demons to appear in one city. If the city lord asks for help from the Great Chen Kingdom here, a powerful demon subduing master will come. This is not a good thing for those demons."

Su Chen shook his head when he heard Xuanyuan Qingfeng's words.

He won't care about any of this.

Demons and ghosts are rampant in the Eastern Continent.

If Su Chen doesn't care about these things,

I'm afraid he won't be able to return to Hangzhou City for a year.

"What does this have to do with us? I just rested for one night and left. Those demons in Qinghe City didn't want to.....Damn it, I'm looking for death!"

Boom!

Just when Su Chen said that he would not care about these things, three banshees suddenly attacked the inn.

Su Chen immediately used magic to protect Su Yue.

He was really speechless. He said just now Regardless of these things, I didn't expect that these reckless banshees would dare to attack this place.

In the inn, after the three banshees attacked, the inn was immediately shattered to pieces. The warriors here were staggered one by one, and there were even a few They were shocked to death on the spot.

A banshee saw the warriors in the inn and shouted, "Quick, suck the essence of these warriors so that we can go back and recover, otherwise the Taoist priest will come back.""

"Kill them!"

Xuanyuan Qingfeng looked at these banshees and ordered angrily.

Xuanyuan Qingfeng is in a very embarrassed state now.

She is dirty all over, and there is even dust on her clothes.

She did not expect that these banshees would dare to appear. , and even attacked the inn.

Xuanyuan Qingfeng's guards held weapons one by one and quickly killed the three banshees.

The other warriors in the inn also resisted desperately.

If these warriors did not want to be sucked,

They must fight to the death

"etc!"

Just when Qingniao was about to take action with his Chang Ge,

Su Chen pulled Qingniao.

"Master?"

Qingniao looked at Su Chen and asked doubtfully.

Su Chen looked out the window and ordered Qingniao, "Qingniao, take the five-element talisman in red armor and go to the small river in the southeast outside the inn. There is a banshee there. Captured her alive"

"Yes, Master!"

Qingniao nodded and waved to the red armor of the five-element talisman. She quickly left the inn with the five-element talisman red armor. When

Xuanyuan Qingfeng heard Su Chen's words, he reminded, "Su Chen, you have to capture a banshee alive. ? These banshees are very cunning, don't be fooled by them."

"It's none of your business, just be careful that all your guards die!"

Su Chen said to Xuanyuan Qingfeng angrily, doesn't he know this?

Su Chen also discovered just now that the banshees here are all commanded by the banshee by the river. He wants to catch this banshee and question him. Why do these banshees appear in Qinghe City?

Do they even dare to appear in broad daylight and suck the essence of warriors?

"you....."

Xuanyuan Qingfeng was very angry when she heard Su Chen's words.

She also discovered that her guards were suffering heavy casualties.

Although these banshees were not strong, their mysterious appearance made her guards unable to defend themselves. Many guards were unable to defend themselves. Killed off guard

"damn it!"

Xuanyuan Qingfeng rushed over with a long sword.

If she didn't take action, all her guards would be killed in a moment. Su Chen checked the three banshees and whispered,

"These demons have practiced low-level demonic arts, and their bodies will also become insubstantial. It is impossible for ordinary warriors to kill these banshees. Even powerful warriors cannot do anything to these banshees no matter how weak they are."

"beat...beat.....beat....."Su Yue looked at the chaotic fight in the inn and shouted with a smile.

Su Chen kissed Xiao Yue'er and said speechlessly,"Yue'er, you are becoming more and more like your sister. If your mother finds out about this, I'm afraid you will Dad, I'm going to be in trouble"

"Slightly....Giggle...."Su Yue touched Su Chen's face and laughed happily.

Su Chen looked at Su Yue's happy look and shook his head helplessly.

It seemed that he was really not suitable to take care of children.

He was fighting and killing all day long. Su Yue also saw this often. I'm afraid this would be detrimental to Su. The influence of the month is very large

"court death!"

Crack!

When Su Chen was teasing Yue'er, a banshee suddenly rushed towards Su Chen.

When Su Chen saw the charging banshee, he quickly took action with no expression on his face and caught the banshee in an instant. Neck.

Under the horrified look in the banshee's eyes,

Su Chen immediately broke her neck.

"Damn it, these banshees are really ugly." Su Chen hurriedly threw her out of the inn when she saw the face of the banshee.

What kind of demons are these?

Why do they look so beautiful?

They will be so ugly after death, they won't even have a face.

I guess!

This can't be a painting, right? ?

Su Chen thought about the origins of these banshees and guessed.

In the inn,

Su Chen saw that the remaining two banshees were also killed by Xuanyuan Qingfeng, but six or seven of her men were also dead. , Xuanyuan Qingfeng is probably very angry this time

"Damn it, I will not let go of all the banshees in Qinghe City."Xuanyuan Qingfeng shouted angrily when he saw the guards who suffered heavy casualties.

Su Chen laughed when he heard Xuanyuan Qingfeng's words,

"Do you have this strength?"

"Although these banshees are not powerful, each one of them has the strength of a grandmaster. Coupled with the demonic skills practiced by these banshees, it is difficult for even a grandmaster to deal with them."

"The leader of the banshee will probably be even more powerful"

"Miss Xuanyuan"

"You'd better take a shower and go to bed."

Xuanyuan Qingfeng looked at Su Chen and yelled angrily,"Asshole, I'm in the Heavenly Realm. Am I a match for these banshees?"

Su Chen asked with a sneer,

"Is the Celestial Realm very powerful? Although I don't know the cultivation level of the demons, these demons are capable of magic. Are you sure you can deal with the demons who are capable of magic?"

Xuanyuan Qingfeng proudly said to Su Chen,

"As long as I am strong, I can kill demons even if they have magic skills. A Taoist priest at the master level can easily kill these banshees. It is even easier for me, a celestial being, to kill all these banshees."

"Then I wish you success."

Chapter 1438

Su Chen ignored Xuanyuan Qingfeng.

He was still thinking about the origin of these banshees.

They dared to show up in broad daylight and risked their lives even in the presence of a demon catcher. Suck essence, why do these banshees do this?

"Master, the banshee has been captured."

At this time, the blue bird came back with the five-element talisman red armor, and a talisman general red armor also held a charming woman in his hand.

"Sparrow demon? A little sparrow."

Su Chen saw the woman captured by General Fu's red armor, and he immediately saw her true identity.

The strength of this banshee is not weak. She has the cultivation level of a grand master at the peak of her strength, and even adds demon magic. I'm afraid it's Ordinary celestial realm warriors would not be her opponent.

The bird demon looked at Su Chen and threatened, "Human, let me go quickly, or my master will not let you go.""

When Xuanyuan Qingfeng heard the sparrow demon threatening Su Chen, she found it funny.

This banshee who was not afraid of death dared to threaten the big devil. It seemed that this banshee would be taught a lesson by Su Chen and even killed.

Su Chen Hearing what the sparrow demon said, a glint appeared in his eyes and he threatened, "A little sparrow demon dares to talk so shamelessly. If you dare to threaten me again, I will kill you.""

"you....."

The sparrow demon's heart trembled when she saw Su Chen's eyes, and she couldn't even stand still.

She now understood that Su Chen was a true immortal cultivator, and might even be more powerful than her master.

Su Chen said coldly with an expressionless face, "I'm asking you to answer. If you dare to answer wrongly or even talk nonsense, I will cut off a part of your body. Do you hear me?""

"yes.....yes."

The sparrow demon nodded hurriedly and replied.

She doesn't dare to disobey Su Chen at all now.

"Why do you go out to suck the essence in broad daylight?"

"The master is injured and needs energy to recover from the injury. We have to come out to collect energy as a last resort. If we don't do this, we will all die."

"Your master? What kind of monster is your master?"

"I don't know, I have never seen the master's true form"

"Why do you monsters become so ugly after death?"

"this.....this....."

"answer!"

Su Chen saw that the sparrow demon was dodging and not answering. He immediately showed some momentum and enveloped the sparrow demon and asked again. The sparrow demon immediately collapsed on the ground.

She felt like she was about to die just now. If Su Chen hadn't taken it back in time. With such a strong aura, she would definitely be killed.

The sparrow demon looked at Su Chen and hurriedly replied in fear,

"These low-level demonic corpses have no faces, so the master gives them human skin faces. After their death, the magic power of the human skin faces will dissipate, and they will regain their original faces."

"So this is ah!"

Su Chen understood what the sparrow demon said.

Isn't this the plot of Painted Skin?

But this is a little different.

There are not so many banshees in Painted Skin, and banshees don't dare to blatantly kill people and suck their essence.

Even The old demon didn't seem to be injured.

The sparrow demon looked at Su Chen and hurriedly knelt down and begged for mercy, "Master, I have never killed anyone, can you let me go?"

Su Chen looked at the sparrow demon and said disdainfully, "Have you never killed anyone?" You have a lot of blood in you, so you should have killed a lot of people, right?"

"Young Master, the ones I killed were all gangsters, and even some low-level demons. I really never killed innocent people."

"Even if you have never killed innocent people, you have killed many humans by ordering these demon corpses."

The sparrow demon replied helplessly after hearing Su Chen's words,

"I have no choice. If I fail to complete the task assigned to me by the master, the master will execute us. If we don't want to die, we can only act according to the master's orders."

"Nie Xiaoqian!"

Su Chen suddenly shouted after hearing the sparrow demon's words,

"Owner!"

Suddenly, a woman in white suddenly appeared next to Su Chen. After she appeared, she hurriedly saluted Su Chen.

After Nie Xiaoqian appeared,

Xuanyuan Qingfeng, Qingniao, and even the sparrow demon all looked at the woman who suddenly appeared. They discovered This beautiful woman in white is not a person or a demon, but a female ghost.

And she is also a powerful ghost cultivator.

Su Chen looked at Nie Xiaoqian and ordered, "Take your men to check the demons around Qinghe City."

Su Chen didn't expect Nie Xiaoqian to reach the golden elixir realm.

It seems that the ghost cultivation technique given by the little fox is not bad.

Nie Xiaoqian can use the spirit stone to practice so quickly. It seems that her cultivation talent is also very good.

"Yes, master!"

After Nie Xiaoqian saluted and answered, she waved her hand, and dozens of white lights suddenly disappeared with Nie Xiaoqian.

Xuanyuan Qingfeng looked at Su Chen and asked in surprise,

"You actually have a female ghost under you? And you are also a powerful female ghost. Who are you?"

"none of your business!"

Su Chen glanced at Xuanyuan Qingfeng and scolded.

Xuanyuan Qingfeng reminded angrily,"Su Chen, humans and ghosts are in different paths. If those cultivating sects find out about this, you will be dead."

"Do we know each other well?"

Su Chen heard Xuanyuan Qingfeng's nagging reminders, which annoyed him.

Although Xuanyuan Qingfeng meant well, does he need Xuanyuan Qingfeng's reminder?

Su Chen felt that he should not return to Hangzhou slowly. , if he had taken Su Yue to teleport directly back to Hangzhou City, he would not have encountered these troubles.

But this time with Blue Bird and Five Elements Talisman General Hongjia around, it was impossible for him to teleport with many people at once.

Shi Feixuan and Huanwen also said that nothing would happen to Hangzhou City in the next few months, so Su Chen decided not to rush back to Hangzhou City.

"you....."

Xuanyuan Qingfeng didn't expect Su Chen to be so ungrateful.

However, she thought that Su Chen was not even afraid of the Qingyun Sect, the top Taoist sect. This bastard probably didn't care about other immortal cultivating sects at all.

Snapped!

"puff!"

Su Chen suddenly pointed at the sparrow demon's body, and the sparrow demon spurted out a mouthful of blood and looked at Su Chen in panic.

"Sparrow demon, I have temporarily banned your cultivation. If what you say is true, I will let you live. If you deceive me, then your soul will be gone."

The sparrow demon hurriedly replied to Su Chen, "Thank you, sir. If I had deceived you, I would be willing to die."

Su Chen saw that Su Yue had fallen asleep in his arms, and he ordered to Qingniao, "Qingniao, find another inn, it's already very late."

"Yes, sir!"

At this time, the sparrow demon lowered his head in embarrassment and said to Su Chen, "That.....Master, there are no other inns in Qinghe City. All the inns in Qinghe City have been destroyed in the past month. Su

Chen was surprised when he heard what the sparrow demon said, "I wonder, why did you destroy the inn when you had nothing to do?"

The sparrow demon hurriedly explained,

"Young Master, that's because the warriors are basically in the inn. If we want to absorb the essence, we can only go to the inn to kill those warriors."

That's his fault!

Do you have to sleep in the open when you come to Qinghe City?

Su Chen rubbed his forehead helplessly.

Xuanyuan Qingfeng looked at Su Chen and laughed, "Haha, Su Chen, Mr. Su, you are a powerful master. The master has no place to live? This is not in line with your status as the Great Demon King!"

"You seem to have a place to live, Xuanyuan Qingfeng, aren't you just like me?"

Chapter 1439

Su Chen laughed at Xuanyuan Qingfeng.

He didn't have a place to stay today.

With his strength, would it be difficult to find a place to rest?

Xuanyuan Qingfeng looked at Su Chen and said happily, "Haha, Mr. Su, I really have a place to live today. I came to Qinghe City half a year ago, and there are friends I know here."

"Then leave quickly and find your friend." Su Chen waved his hands as if to shoo away flies.

Xuanyuan Qingfeng glared at Su Chen and snorted, "You.....Humph, I originally wanted to take you to stay at my friend Aruo's house for one night. Since you are so ignorant, you can just sleep on the street."

Xuanyuan Qingfeng has nothing to do with this bastard Su Chen.

She was originally going to take Su Chen to stay at A Ruo's house for one night, but this bastard turned out to be such a bastard. When

Su Chen heard what Xuanyuan Qingfeng said, he hurriedly asked, "Wait, did you just say A Ruo?"

"yes!"

"A Ruo is Wang Huaiqing's wife?"

"How did you know?"

Su Chen pulled Xuanyuan Qingfeng and said with a smile,

"Let's go together, let's go together. It's getting dark and there may be a curfew soon. Let's go quickly."

Su Chen didn't expect that Xuanyuan Qingfeng actually knew A Ruo.

A Ruo was a plot character in the painting. Su Chen thought that as long as he waited at Wang Huaiqing's house, the old demon would come to his door automatically, and he could even take a look at Xuanyuan Qingfeng. A joke.

The sparrow demon's master is definitely not simple. With Xuanyuan Qingfeng's strength, Xuanyuan Qingfeng will definitely be beaten by that old demon.

Su Chen doesn't want to miss such a scene

"Let me go, you are such a shameless bastard." Xuanyuan Qingfeng shook off Su Chen's hand and cursed angrily.

"Don't talk nonsense, let's go there quickly"

"Shameless!"

Xuanyuan Qingfeng was very helpless when she saw this bastard pushing her away.

When Qingniao saw Su Chen's shameless look, she shook her head helplessly.

Qingniao waved her hand, and she took the bird demon and the Five Elements Talisman General with her. Hongjia followed.

In Qinghe City, it was just getting dark, but there was no one on the street.

The people in Qinghe City were also killed by demons and were so scared that they did not dare to go out at night.

"Quick, quick, all streets must be pasted with these talismans."

At this time, a team of police officers appeared on the street and began to paste talisman paper on the cross.

"ah....."

"Disperse!"

At this time, the sparrow demon walked over and was attacked by the talismans in the talisman paper. The sparrow demon couldn't help but screamed out in pain.

After Su Chen saw it, he waved his hand to disperse these talisman attacks.

Su Chen He did not destroy these talismans.

He used his magic to protect the sparrow demon and continued moving forward.

"Thank you sir!"

When the bird demon saw Su Chen rescuing her, she hurriedly thanked her.

"move on!"

"Yes, sir!"

Xuanyuan Qingfeng saw Su Chen rescuing the bird demon and mocked, "Master Su, you are really compassionate."

Su Chen sneered without looking back,

"Hey, I don't seem to have any sympathy for you, right? Xuanyuan Qingfeng, does this mean that you are not as good as the sparrow demon?"

"you....."

When Xuanyuan Qingfeng heard Su Chen's words, her chest heaved with anger.

Xuanyuan Qingfeng wanted to strangle this bastard to death.

It was so annoying.

How could she not be as good as this sparrow demon?

Xuanyuan Qingfeng wants a figure: her figure is curved forward and backward, she wants looks: her appearance is stunning, and she wants strength: her strength is at the cultivation level of a celestial being.

She is even one of the few stunning women in the world.

This bastard is a blind man.

At the palace,

Xuanyuan Qingfeng and his group arrived.

After Xuanyuan Qingfeng's guards knocked on the door, a girl from the palace opened the door.

When the girl saw that it was Xuanyuan Qingfeng, she happily took Xuanyuan Qingfeng and the others away. Brought into the house

"It's okay here!"

After Su Chen arrived, he looked at the environment in the palace and nodded.

Xuanyuan Qingfeng clenched her fists when she heard Su Chen's words. She wants this bastard to shut up now. They are coming to stay overnight. This bastard. Still being picky

"Xiaoguan, please arrange for these people to rest first, and I will go find A Ruo. The little girl nodded and replied happily, "Okay, Miss Xuanyuan, just go by yourself. I will make arrangements for your friends.""

In a room,

Su Chen put Su Yue on the bed and protected it with magic power.

He shouldn't be careless now.

If he is careless for a moment, he may make a huge mistake. This is not what Su Chen wants to see.
of

"The five-element talisman will be in red armor and guard the room." Su Chen ordered facing the Five Elements Talisman General Red Armor outside the room.

These Talisman General Red Armor are tireless and will not be careless. They will be very alert to any disturbance. The Five Elements Talisman General Red Armor is more useful than some ordinary warriors..

If Su Chen goes to Longhu Mountain, Maoshan, or even Shushan in the future, he can ask them to upgrade the Five Elements Talisman General Red Armor, or at least draw more talismans in the body of the Five Elements Talisman Red Armor.

Su Chen suddenly thought of the Five Elements Lingzhu touched his chin and guessed, "Huh? If the Five Elements Talisman General Red Armor absorbs the Five Elements Spirit Pearl, will this cause the Five Elements Talisman General Red Armor to undergo any changes?"

No!

This is too extravagant.

The Five Elements Spiritual Pearl is an innate spiritual treasure. Although it is sealed now, the Five Elements Spiritual Pearl is still a rare treasure.

Su Chen shook his head and gave up this idea.

"Master, let me take care of the young lady. You go and take a rest."

At this time,

Qingniao came into the room and saluted Su Chen.

Su Chen waved his hand and said with a smile, "No, Qingniao, we can take a look at the excitement later. Some interesting things will happen here tonight."

"Watching the fun? Interesting things?" Qingniao asked suspiciously after hearing Su Chen's words.

Su Chen took out some food and wine from the system space and explained,

"Well, Wang Huaiqing in the palace has a pure yang body, and those banshees will definitely not let Wang Huaiqing go. This time we will see Miss Xuanyuan's powerful demon slayer.

Qingniao thought for a moment and then continued to ask, "Pure Yang body?" So Wang Huaiqing has been targeted by the banshee. Why doesn't the banshee simply absorb Wang Huaiqing's pure Yang essence?"

Su Chen shook his head and said with a smile, "Pure Yang essence cannot be sucked out. It will be leaked after a man and a woman have sex. Otherwise, do you think those banshees will let Wang Huaiqing go?"

When Qingniao heard Su Chen's words, he blushed and lowered his head.

If he had known, she would not have asked.

"Come and have a drink. These are spiritual wines, which are good for your cultivation."

"Master, let me bring the sparrow demon here first"

"Well, that's fine."

At this moment, in the palace,

Xuanyuan Qingfeng was talking to A'ruo, but Xuanyuan Qingfeng was very worried when he looked at the weak A'ruo.

Xuanyuan Qingfeng looked at the pale A'ruo, and she frowned and asked, "Aruo, why hasn't your illness improved at all? Where is Wang Huaiqing? Why isn't Wang Huaiqing taking care of you at home so late?"

"Sister Xuanyuan, my husband has gone to get me some medicine. He should be back soon. I'm afraid I won't be able to recover from my illness."

Chapter 1440

Aruo lowered her head feeling a little lonely. She had been sick for several months, but she had never been able to see well. She even felt that her health was getting worse every day.

Xuanyuan Qingfeng looked at A Ruo and asked in confusion,"A Ruo, what disease do you have?"

A Ruo shook his head and said miserably.

"I don't know either"

"My husband went to several doctors but could not diagnose the cause. Those doctors said that I might have a severe cold. However, after taking medicine for several months, my condition has not improved and has even become worse."

"Let me check it out for you!"

Xuanyuan Qingfeng pulled Aruo and started to check.

With her strength in the Heavenly Realm, she could check out any incurable disease.

After a while,

Xuanyuan Qingfeng frowned.

She had checked Aruo. Ruo's body is very confusing,

A'ruo is very weak, there is no physical disease, and there are no signs of poisoning.

But why is A'ruo so weak?

"There is nothing wrong with your body? A Ruo, youWhat's going on?"

Aruo was very surprised when he heard Xuanyuan Qingfeng's words, "Nothing wrong? How can this be? I have been feeling weak in my limbs and even coughing constantly. How could I not be sick?"

"But I didn't notice anything wrong with you at all. It wasn't even a sign of poisoning."

"Sister Xuanyuan, did you check correctly?"

"How can it be? I am a master in the realm of heaven and human beings. How could I get this wrong?"

"So what happened to me?"

"I don't know, but someone should know." Xuanyuan Qingfeng shook his head and said to Aruo.

Although Xuanyuan Qingfeng didn't know what happened to Aruo, he guessed that bastard Su Chen must know.

Su Chen is a cultivator who is more powerful than the Yuanying realm. He should be able to handle these little things. Even if A Ruo got a terminal disease, that bastard could still cure it.

When A Ruo heard that someone could cure her, she curiously asked Xuanyuan Qingfeng,

"who?"

Xuanyuan Qingfeng looked ugly and gritted his teeth and said, "He's a bastard."

"asshole? Sister Xuanyuan, why can't I understand what you heard?"

"Don't ask, I'll let that bastard show you tomorrow, but you have to be careful, that bastard is very lustful, don't let that bastard take advantage of you"

"Oh Well."

Aruo doesn't believe Xuanyuan Qingfeng's words.

The person Xuanyuan Qingfeng mentioned is really a lecher.

How could she know him?

He even looks very familiar. I'm afraid this is some misunderstanding between Xuanyuan Qingfeng and that bastard.

"Madam, I came back from getting the medicine, and I heard that Miss Xuanyuan has arrived."

At this time, a man's voice came from outside the room.

Then a young man with ink all over his clothes walked in, and behind him was a beautiful woman.

"Miss Xuanyuan, I didn't expect you to come again today."

Xuanyuan Qingfeng saw Wang Huaiqing and a beautiful woman coming in.

She looked at the beautiful woman and frowned and asked, "Wang Huaiqing, who is the woman behind you?"

Xuanyuan Qingfeng felt that something was very wrong with this woman.

She felt that this woman did not look like a human being at all.

Could it be that this woman was a demon?

Wang Huaiqing patted his head and introduced hurriedly,

"Ah, I forgot to introduce that this is Xiao Rong. I thanked Xiao Rong for her help when I got the medicine. Xiao Rong was injured because she saved me, so I asked her to come over and treat the wound."

"Xiaorong has met two sisters." Xiao Rong bowed slightly to A Ruo and Xuanyuan Qingfeng.

Xiao Rong was very uneasy now.

Wang Huaqing just said that he had a sick wife, but who is this powerful Xuanyuan Qingfeng? How did she come? Wang Huaqing's home? Xiao Rong was worried that Xuanyuan Qingfeng would find out her identity.

Wang Huaqing waved to Xiao Rong and continued to introduce, "Xiao Rong, you don't have to be so polite. This is my wife A Ruo. This sister is my wife's friend." Xuanyuan Qingfeng. Xuanyuan

Qingfeng looked at Xiao Rong and asked with a serious face, "Who are you?" No, what kind of monster are you supposed to be?"

"Demon?"

"What? Demon?"

A'ruo and Wang Huaqing were very surprised when they heard Xuanyuan Qingfeng's words.

They didn't expect that Xuanyuan Qingfeng would call Xiaorong a demon?

Wang Huaqing and A'ruo knew that Xuanyuan Qingfeng was a powerful warrior, and it was impossible for Xuanyuan Qingfeng to do so. You can just call people monsters.

Is Xiao Rong really a monster?

Xiao Rong was frightened and pretended to be nonchalant and said,

"Sister Xuanyuan, I don't understand what you mean. I am just an ordinary woman, how could I be a demon?"

"If you dare to quibble, you are seeking death."

Xuanyuan Qingfeng is now very sure that this woman is a demon.

When a woman hears the word demon, she is either scared or very surprised, but this woman has a calm look on her face.

How could she be an ordinary woman?

"Wait, Miss Xuanyuan, are you really sure that Xiaorong is a demon?"

Wang Huaiqing saw Xuanyuan Qingfeng draw out his long sword and was about to take action.

He hurriedly stopped Xuanyuan Qingfeng and asked.

Xiaorong also looked at Xuanyuan Qingfeng with a wary expression.

She didn't expect that he was still exposed, and she might not be able to get close to him in the future. Wang Huaiqing,

Xiaorong looked at Xuanyuan Qingfeng and felt very angry. It was because of this woman's meddling in other people's business that she couldn't be with Wang Huaiqing.

Xuanyuan Qingfeng asked angrily when he heard Wang Huaiqing's words,

"you do not believe me?"

Wang Huaiqing hurriedly waved his hand and explained,

"No, Miss Xuanyuan, Xiaorong saved me after all. This time, regardless of whether Xiaorong is a human or a demon, I hope Miss Xuanyuan will not embarrass Xiaorong. I will let her leave now."

Xuanyuan Qingfeng shouted at Wang Huaiqing and asked,

"Wang Huaqing, if it weren't for A Ruo's sake, I wouldn't care if you were killed by a banshee. Now you actually dare to plead for a banshee?"

Xuanyuan Qingfeng felt that Wang Huaqing must have been confused by this banshee.

You must know that this banshee is also very beautiful.

Huh?

No, this banshee may also be wearing a human skin mask. She may be an ugly person without a face. Banshee.

Aruo saw Wang Huaqing defending Xiao Rong so hard, she coughed and sat up with difficulty and said, "Ahem, Sister Xuanyuan, why don't we let Xiao Rong go? Besides, she didn't hurt Huaqing, so let's Don't embarrass her"

"Xiaorong, why don't you....."

Dong Dong Dong Dong.....

"Quick, surround this place and no one is allowed in or out."

Just when Xuanyuan Qingfeng was about to say something, there were suddenly many footsteps in the palace, and then a rough voice gave orders loudly in the courtyard.

"What happened?" Aruo asked suspiciously when he heard the messy sounds outside.

"Master, Madam, what's wrong, there are many people coming from Qinghe City's officials. They say there is a demon in our house, and the officials are searching our entire residence."
