

Zongwu 1441

Chapter 1441

In the palace, hundreds of police officers from Qinghe City quickly surrounded the palace, and some even began to search the rooms one by one.

The maid Xiaoguan ran in and hurriedly reported to Wang Huaiqing and A Ruo,

"Master, madam, what's wrong, many official officials came to Qinghe City. They said there is a demon in our house, and the official officials are searching our entire residence."

"Xiaoguan, don't worry, I'll go out and take a look." Wang Huaiqing comforted the maid, and then he looked at Xiaorong and walked out.

Wang Huaiqing did not expect that the official also discovered that there was a demon in his house.

In this way, Xiaorong is indeed a banshee, but Xiaorong saved him after all.

Wang Huaiqing is not a person who repays kindness with revenge.

When Xuanyuan Qingfeng heard that the official officer had arrived, she felt that Xiaorong would be dead without her taking action. If the official officer could find out that there was a banshee in Wang Huaiqing's mansion, it must be the Taoist priest who had arrived earlier..

Xuanyuan Qingfeng looked at Xiaorong and laughed,

"You still won't leave? Since the official discovered that there is a demon here, the Taoist priest from Qinghe City must have followed him. I'm afraid you won't be able to leave even if you want to."

Xiao Rong glared at Xuanyuan Qingfeng and shouted angrily, "You don't need to worry about my affairs, you meddling woman."

"you wanna die!"

Xuanyuan Qingfeng didn't expect that at this time, this banshee is still so arrogant. She couldn't stand the arrogance of the banshee. Xuanyuan Qingfeng attacked the banshee with a fist.

Boom!

Xiaorong also hurriedly waved his palm. To repel Xuanyuan Qingfeng's attack, the disparity in strength was too great, and Xiao Rong was directly blasted out of the room by Xuanyuan Qingfeng.

"Found the succubus, found the succubus!"

At this time, the official outside the room shouted hurriedly after seeing Xiao Rong. The surrounding officials ran over quickly one by one, and a Taoist priest quickly took out some talismans and scattered them into the air. Each talisman glowed golden The light completely surrounded the palace.

In Su Chen's room,

Su Chen first discovered the arrival of the banshee Xiaorong, and then a large number of official servants and Taoist priests arrived. The protagonists and supporting actors were all present. No, there was still one missing. The old witch has not arrived, but she should be coming soon.

Su Chen smiled and said to Qingniao, "The show has begun. Let's go out and take a look."

"Yes, Master!"

Su Chen shined a golden light on Su Yue who was still sleeping, and then walked out with the blue bird and the uneasy sparrow demon. In the yard, hundreds of officials surrounded Xiaorong inside and outside.

Xiaorong She was very angry.

She was probably going to die here this time.

Not only was that powerful woman here, but there were also so many official officials, and even that smelly Taoist priest was here. She couldn't escape no matter what. The

Taoist priest looked at Xiao Rong and shouted at her, "Banshee, let's see how you can escape this time. How many more banshees do you have?" Why do you want to suck essence like crazy?"

"Do you think I can say it?" Xiao Rong looked at the Taoist priest and asked expressionlessly.

The Taoist priest took out the peach wood sword and threatened, "If you don't tell me, I will kill you to pieces."

Wang Huaiqing also reacted at this time.

He did not expect that Xiao Rong would be kicked out of the room.

Now that the Taoist priest wanted to kill Xiao Rong, he hurriedly stepped forward and shouted to the leader of the official, "Wait a minute, You Captou", Xiaorong is not a demon, you are mistaken."

Captain You Yu looked at Wang Huaiqing and scolded loudly, "Wang Huaiqing, are you deaf? This succubus has already admitted it, so why are you so obsessed with it? Are you bewitched by this succubus?"

Xiao Rong looked at Wang Huaiqing and said with a smile, "Huaiqing, you don't have to worry about me. I am definitely a banshee, but I have never wanted to harm you." Wang

Huaiqing nodded and said, "I know that if you want to harm me, I won't be able to go home alive. Xiao Rong, don't worry, I will let you leave safely.""

After Xuanyuan Qingfeng helped Aruo out, she heard Wang Huaiqing's words and said disdainfully, "Pedant, Aruo, you are really blind to find such a husband."

A Ruo smiled helplessly and said, "Haha, sister Xuanyuan, maybe this banshee is really in love with Huai Qing."

"Human monsters have different paths. If Wang Huaiqing really got together with this female monster, I am afraid that she would die suddenly in less than half a year."

"What to do?"

"Kill this succubus"

"But Huaiqing would not let the officials and Taoist priests kill this succubus."

"Let's take a look first and then talk!"

At this time,

Su Chen, Blue Bird, and the Sparrow Demon also arrived. Su Chen sat on the chair brought by the Blue Bird and looked at the people in the yard, while the Blue Bird and the Sparrow Demon stood behind Su Chen on the left and right. Tou Youyu looked at Wang Huaiqing and shouted angrily,

"Wang Huaiqing, you'd better leave. Hundreds of people have died in Qinghe City in the past month. These are all the faults of these banshees. Are you stupid because of your studies?"

"Sir, there are good and bad monsters. Can you tell that those people were killed by Xiao Rong?"

"Pedantic! Get out of the way, or I'll catch you too"

"Mr. You, you come to the house to arrest people and kill people without any evidence. Even if I sue Da Chen Huangdu, I will sue you for ruthlessly killing people."

"There is no distinction between good and bad, right or wrong. Wang Huaiqing, you are simply hopeless."

Captain You Yu didn't expect that Wang Huaiqing would be so pedantic, and the banshee had already admitted it.

However, Wang Huaqing still did not distinguish between good and bad, which made him very disdainful of this former friend.

"All the detectives, please obey the order and capture the banshee for me, life or death!"

"Yes, my lord!"

After hearing You Yu's order, the detectives slowly approached Xiao Rong with weapons in hand. Xiao Rong was a banshee, and they, the detectives, did not dare to be careless.

Before Xiao Rong could react, she She was very surprised when the sparrow demon appeared next to her. She did not expect that the sparrow demon was here, but why was her cultivation sealed?

Xiaorong looked at Su Chen and Qingniao and was very confused.

Who are these two people? ?

The man is a great master, and the maid turned out to be a powerful celestial being. Did these people capture the sparrow demon alive?

Xiaorong saw that the official was about to take action, she thought about it and hurriedly pointed to the sparrow demon and said, "Wait a minute, Sir, I can capture you without any effort, but I am not the only banshee here, the one next to me is also a banshee."

"What else is a succubus?"

When You Yu heard Xiao Rong's words, he hurriedly looked towards the bird demon, but when he saw Su Chen, he was very frightened.

The nobility and noble temperament on Su Chen made You Yu guess that this might be a noble young master. , he has never seen anyone with such a noble temperament. Even Prince Chen probably does not have such a noble temperament.

Who is this young master?

Why does he appear in Wang Huaiqing's mansion?

"I'm here to check. You can tell at a glance whether she is a succubus or not."

After hearing what the Taoist said, the catcher You Yu hurriedly stopped him and said, "Xuan Yi, don't make mistakes. I'll go and ask first. Don't do anything random."

Chapter 1442

You Yu was worried that Su Chen was an official. If the Taoist priest Xuan Yi offended Su Chen, he might not be able to save Xuan Yi. He now wanted to find out who Su Chen was.

Taoist Xuan Yi looked at You Yu and shouted loudly, "You Yu, what do you mean? Can you tell whether that woman is a banshee?"

You Yu hurriedly grabbed Xuan Yi and whispered, "Ahem, I can't, Xuan Yi, that young master is not simple, let's not offend him easily."

"I know that the young master's maid is a powerful person. I am just identifying the banshee. I don't mean to offend anyone."

"In this way, I will go there with you. When the time comes, you will only check whether the maid is a banshee. Don't say anything else."

"good!"

At this moment, Xuanyuan Qingfeng curled her lips when she heard that Xiao Rong brought trouble to Su Chen. She guessed that Su Chen was going to cause trouble again. Although this was not something Su Chen took the initiative to cause, that bastard If he doesn't catch the sparrow demon, he won't be able to cause trouble. The bastard brought all this on himself. Aruo looked at Su Chen and asked doubtfully, "Sister Xuanyuan, who is that young master?" Did you bring him here?" When the maid Xiaoguan heard what A Ruo said, she interrupted and said,

"Madam, that young man was brought by Miss Xuanyuan, but that young man's temperament is very outstanding. I have never seen such a noble and noble young man before. Xuanyuan

Qingfeng looked at that bastard Su Chen and said, "Aruo, this is the bastard I just mentioned. I am also going to ask him to check your illness for you."

Aruo looked at Su Chen and said in surprise, "Is he that bastard?" Why don't I look like him? Sister Xuanyuan, can this young master really cure me? And he's not pursuing his sister, right?"

She looked at Su Chen who was also young and young.

Could it be that this young master is more powerful than Xuanyuan Qingfeng?

Or is he superb in medical skills?

Moreover, Xuanyuan Qingfeng gritted his teeth when he heard Su Chen.

Could it be that between them? What happened?

When Xuanyuan Qingfeng heard A Ruo's words, he hurriedly said, "Don't talk nonsense. This bastard already has a wife and a daughter. This bastard will definitely cure your disease."

Xuanyuan Qingfeng knew about Su Chen's wives.

In Yunlan Sect, she saw Queen Medusa, Shi Fei Xuan, and Huan Huan. These women were all stronger than her.

Especially Queen Medusa,

She is a master of the Nascent Soul Realm (Douzong), and even this bastard's daughter is very weird.

Aruo heard that Su Chen could cure her disease, which made her feel a little happy.

She had been sick for several years. It's been 1 month now. If Su Chen can cure her, she won't have to stay in bed anymore.

"Haha, it's not like a man can only marry one wife. What if this young man is really pursuing his sister?"

"Impossible, this bastard probably has a lot of women, and all of them are very beautiful. I'm afraid he doesn't take notice of people like me."

Aruo was surprised when he heard Xuanyuan Qingfeng's words and asked, "How is this possible? Sister, you are a stunning beauty, and you are also very powerful. How could this young man look down on your sister?"

"He's an asshole!"

At this moment,

You Yu led the Taoist priest to Su Chen.

You Yu clasped his fists and saluted Su Chen, "Sir, compared to what you just heard from the banshee, can we check on the master's maid?"

"Please!"

Su Chen took a sip of wine and nodded.

"Thank you sir!"

You Yu didn't expect that Su Chen was so easy to talk to. He hurriedly nodded to the Taoist priest Xuan Yi and asked him to check. The bird demon was very nervous now.

Su Chen just pointed at her casually. She guessed that Su Chen might be helping. She hid her evil spirit.

But she was still worried that the Taoist priest would find out that she was a banshee.

The Taoist priest first put a talisman directly on the back of the sparrow demon.

When he found that there was no reaction, he took out the peach wood sword and dropped a drop of blood on it. On the demon's head, but the Taomu Sword still didn't respond.

This confused Taoist Zou Mei.

He found that this woman was very nervous, which also made him guess that this woman was really a banshee.

It was just the talisman and the demon-killing technique. It's useless.

Is this woman really not a banshee?

Then why was she nervous just now?

The sparrow demon is relieved now.

She didn't expect Su Chen to be so powerful.

With just a finger, the Taoist priest's talisman and demon-killing Jue never realized that she was a banshee. She looked at Su Chen and decided to hug Su Chen's thigh from now on. This was a very powerful backer.

Taoist Xuan Yi gave up after trying a few more times.

He walked to Qingniao again. He wanted to give it a try, but gave up after Qingniao glared at him. Qing was definitely a human, and the powerful vitality was something that a banshee could not possess. You Yu also knew this after the Taoist priest Xuan Yi shook his head at him.

The maid is not a banshee.

The Taoist priest has checked many times but there is no response at all. He can see clearly from the side.

You Yu saluted Su Chen and said,"Master, I have offended you this time. You Yu will be useful in the future." Regarding the matter, the young master just comes to see me. Su

Chen nodded and said with a smile,"Okay, You Captou, you'd better deal with the banshee first. I've never seen a demon slayer before, so let me see it this time.""

Su Chen used the laws of space to seal the demonic body and aura of the banshee.

Even if the Taoist priest cut the sparrow demon into pieces, he would not be able to discover that the sparrow demon is a banshee.

"Yes, sir!"

Xiao Rong was confused when she saw this.

The sparrow demon is a banshee.

How could the Taoist priest not notice it?

Could it be that this woman just looks exactly like the sparrow demon?

But this is not right.

The sparrow demon looked at her just now and it was clear that She was very proud, and even very disdainful. This was the sparrow demon she knew, but the Taoist priest had done so much, why didn't he find it?

Xiao Rong was a little anxious now.

She originally wanted to let the two of them interact with each other after the sparrow demon was exposed. They cooperated to escape. Now that the sparrow demon is still not exposed, do they really want to be captured and killed?

On the way back with the Taoist priest, You

Yu asked the Taoist priest Xuan Yi, "Taoist priest, is that maid really not a banshee?" ? Xuan

Yi frowned and shook his head and said, "No, just why was the maid so nervous when I walked to her?"

You Yu patted the Taoist priest Xuan Yi and said with a smile.

"Haha, Xuan Yi, that maid has no cultivation. If a woman is checked by you like that, no matter who she is, she will be nervous. Why didn't you check that powerful maid just now? She's not nervous"

"Ahem, you're right. I don't dare to provoke that powerful maid. Besides, the vitality of that powerful maid is very powerful. It is impossible for a banshee to have vitality."

After they returned to the yard,

You Yu looked at Xiao Rong and said expressionlessly, "Banshee, you saw it just now, right? That maid is a human being. Are you going to capture her now, or will you be killed on the spot by us?."

Chapter 1443

Xuanyuan Qingfeng was very shocked when he looked at Su Chen.

Others may not know that the sparrow demon is a banshee, but would she not know?

The sparrow demon is a real banshee, but why didn't the Taoist priest find out?

The talisman attached was of no use, and the Taoist priest's demon-killing method was of no use. How did Su Chen do it?

Aruo looked at Xuanyuan Qingfeng's shocked expression and asked in confusion, "Sister Xuanyuan, why are you so surprised? What happened?"

Xuanyuan Qingfeng took a breath and explained,

"A Ruao, that maid is a banshee. This banshee was caught by Su Chen's maid, but why didn't the Taoist priest find out?"

"What? Is that maid really a banshee? Or was it caught by Su Chen's maid? Can.....But it is impossible for the Taoist priest to detect errors. Did you make a mistake?"

Xuanyuan Qingfeng shook his head and confirmed,

"Impossible, this banshee recruited all of them when Su Chen interrogated her. She is a banshee. That bastard must be hiding the banshee's evil spirit. This bastard is really going to cause trouble."

Aruo is getting more and more confused now.

Why does Su Chen hide the demonic aura in the banshee?

And there is something going on.

What kind of thing is going on?

"Sparrow demon? Then why did Su Chen do this? Making trouble? What's going on?"

Xuanyuan Qingfeng patted Aruo and said seriously.

"Aruo, you don't know, this bastard is a bastard who is not afraid of heaven or earth. On the border of the Southern Continent, there are warriors there but they all call him the Great Demon King."

"demon king?"

"Well, killing masters, destroying masters, snatching maids, daring to teach the direct descendants of top Taoist sects, and even destroying a powerful sect's station, all these things were done by that bastard in a day or two."

"hiss! Mr. Su Chen doesn't look like that kind of person!"

"Aruo, those things will be spread in the Southern Continent Border and even the Eastern Continent Border in the future. You will understand in the future. In the future, the warriors in the Eastern Continent Border and the Southern Continent Border will change their expressions when talking about this bastard. What is this bastard if he is not the Great Demon King? ?"

A Ruo heard Xuanyuan Qingfeng's words and looked at Su Chen, wondering how could Su Chen, a gentle and gentle man who even looked like a noble prince, be a person who caused trouble everywhere?

He was even called a great master by those warriors. Demon King, is Su Chen really a big demon king who kills people without blinking an eye?

At this moment,

Xiao Rong became extremely nervous after hearing You Yu's words.

She really didn't know what to do now.

Wang Huaqing looked at the uneasy Xiao Rong Rongjiu said softly, "Xiao Rong, don't be afraid, I won't let these people hurt you."

Xiao Rong smiled miserably and said, "Master Wang, you'd better leave. These things are not your responsibility at all, and you don't have the ability to do so."

"No, I can't watch you being killed by these people." Wang Huaqing looked at Xiao Rong with firm eyes and shook his head.

Xiao Rong was his savior no matter what.

He couldn't just watch Xiao Rong being killed.

Su Chen was impatient with waiting. If he didn't start fighting, it would be like watching a sadistic movie.

The hero and heroine cried and parted, while the others looked on stupidly and didn't take action. If these people didn't start fighting, how could the old monster show up?

What else would the plot have to offer ? Go down?

Su Chen was still waiting to see the old demon arrive and teach Xuanyuan Qingfeng a lesson. The emotional entanglement between Wang Huaqing and Xiao Rong made Su Chen almost spit out. Su Chen looked at Wang Huaqing and shouted impatiently,

"A weak scholar is so bold to stop the demon destroyer. Little scholar, if you want to die, you can hit the pillar. I guarantee that you will die without pain."

"you....."

"What are you? If you don't want to die, get out of here. I'll kill you if you dare to chirp again."

Wang Huaqing wanted to refute angrily when he heard Su Chen's words, but Su Chen interrupted him before he could say anything.

Su Chen's threat made him frightened, especially when he saw Su Chen's eyes, he turned pale with fright. Don't dare to speak anymore

"you wanna die!"

When Xiao Rong saw that Su Chen dared to threaten Wang Huaqing, she was so angry that she directly attacked Su Chen. She instantly turned into a purple light and attacked Su Chen.

Others saw Xiao Rong attacking Su Chen.

People here Neither of them took action to intercept.

The official did not intercept without You Yu's order.

You Yu and Taoist Xuan Yi were very disdainful when they saw Xiao Rong attacking Su Chen.

They all knew that Su Chen's maid Qingniao was a powerful woman. Xiao Rong's She was looking for abuse without overestimating her abilities.

Xuanyuan Qingfeng curled her lips.

A banshee at the peak of a grand master dared to attack Su Chen.

This was simply asking for death.

Aruo didn't care about Xiaorong's attack on Su Chen. She looked at Wang Huaiqing, who was pale, didn't know how to comfort him.

Su Chen sat on the chair without looking like he was about to run away. He took the wine bottle and drank it slowly.

Boom!

Just when Xiao Rong was about to attack When Su Chen arrived, the Changge in Qingniao's hand quickly picked Xiaorong away.

Xiaorong hit the pillar next to her after being picked up by Qingniao.

She vomited blood and looked at Qingniao in surprise.

Although Xiaorong guessed Blue Bird is very powerful, but she didn't expect that she was not the enemy of Blue Bird in one blow.

"Don't overestimate your capabilities!"

Su Chen said disdainfully after seeing Xiao Rong vomiting blood and falling to the ground.

Although Xiao Rong and Wang Huaiqing are good people, what does it have to do with him?

Su Chen just wants to see the old demon teach Xuanyuan Qingfeng a lesson before he kills him again. The dead old demon took the demon elixir.

Last time, the tree demon's thousand-year demon elixir was given to Xiaobai by Xiao Qing. This old demon's demon elixir, Su Chen, planned to be given to Xiao Qing for practice.

Swish, swish, swish.....

"Owner!"

At this time, white lights suddenly appeared around Su Chen. These white lights turned into beautiful women and saluted Su Chen one after another.

Su Chen nodded as he looked at these dozens of female ghosts. The female ghosts are all very strong. The lowest level of cultivation is equivalent to that of a great master. Coupled with the ghost cultivation techniques they practice, each of these female ghosts can be compared to the realm of heaven and humans. There are more than a hundred female ghosts. More than forty people have appeared now, and the remaining female ghosts should still be practicing in seclusion.

Su Chen looked at Nie Xiaoqian and asked, "Nie Xiaoqian, have you found out all the female ghosts around Qinghe City?"

"Returning to the master, everything has been investigated clearly." Nie Xiaoqian saluted and replied,

"You go back first and talk to me in detail tomorrow"

"Yes, master!"

After Nie Xiaoqian answered, she and dozens of female ghosts disappeared without a trace in an instant.

At this time, everyone in the yard looked at Su Chen in confusion, especially the Taoist priest Xuan Yi, who looked up. Looking at the mansion surrounded by talismans, his talisman didn't react at all

to the appearance of those female ghosts just now, which made him wonder if the talisman he arranged had failed. Xiaorong looked at Su Chen and laughed and said, "You There is actually a female ghost under his command. How is this different from us demons? Taoist priest, if you eliminate demons, won't you destroy ghosts?"

"Tongue is dry."

Pah!"

Su Chen slapped Xiao Rong away without moving her hand while sitting there. This banshee with a face made of human skin, Su Chen, would not spoil her.

Chapter 1444

This time, Xiao Rong was slapped by Su Chen and knocked into a room. The whole room was also hit to pieces.

Su Chen was not merciful this time.

Although he would not kill Xiao Rong, he felt like vomiting every time he thought about the disgusting faces in the plot.

Especially when Xiao Rong dared to sow discord here, Su Chen couldn't help but take action.

She is ugly and comes out to scare people.

If not, who will hit her?

Fortunately, the sparrow demon has an original appearance, otherwise Su Chen would not be able to keep this little sparrow demon.

Hundreds of people in the yard looked at Su Chen with ghostly expressions. None of them expected that Su Chen would slap away the banshee Xiaorong while sitting still. This made them frightened by Su Chen's strength.

Detective You Yu and Taoist priest Xuan Yi were so shocked that they couldn't believe it.

Does the Grand Master have such strength?

They all felt that Su Chen might be hiding his strength. A maid was at the cultivation level of the Heavenly Realm, not to mention there were dozens of powerful female ghosts. Who could get such a person?

The prince of the dynasty?

Or the direct disciple of the Immortal Cultivation Sect?

Taoist priest Xuan Yi wiped the cold sweat from his head.

He almost couldn't help but question Su Chen just now.

Fortunately, the banshee Xiaorong committed suicide in advance, otherwise the banshee Xiaorong's current fate would be his.

Xuanyuan Qingfeng looked at Su Chen with no expression on her face.

She knew very well about Su Chen's strength. He could destroy the entire Yunlan Sect's Great Demon King, which was very easy for him.

When Wang Huaiqing saw Xiao Rong being violently beaten away by Su Chen, and possibly even killed,

Wang Huaiqing exploded. Wang

Huaiqing pointed at Su Chen and started yelling,

"Bastard, you are a person who kills innocent people indiscriminately. I will definitely go to the imperial capital to sue you. I will definitely file a complaint. Da Chen Kingdom will not forgive you, a person who kills innocent people indiscriminately."

"Wang Huaqing, do you think I really won't kill you?"

Su Chen's face turned cold when he heard Wang Huaqing's scolding.

This ignorant scholar seemed to be really tired of life.

However,

Su Chen suddenly saw the sick woman next to Xuanyuan Qingfeng, which made Su Chen look at Wang Huaqing smiled sinisterly.

Whoosh!

Su Chen suddenly used space to move Aroo to his side.

Aroo looked at her in confusion as she suddenly appeared next to Su Chen. She didn't know what happened but she suddenly arrived at the big door. Demon King, this made her look even paler.

"A Roo!"

Wang Huaqing saw A Roo appear next to Su Chen, and he rushed over to save A Roo. He didn't expect that Su Chen was so shameless and even arrested his family members.

Xuanyuan Qingfeng looked at Su Chen and cursed ,

"This shameless bastard, what is going on?"

Xuanyuan Qingfeng was very angry when she saw Su Chen arresting A Roo. Although she knew that Su Chen could not do anything to A Roo.

But what does it mean to arrest a weak woman?

And she is also a seriously ill woman.

"Miss Xuanyuan, will something happen to my wife?"

When the maid Xiaoguan saw A Ruo being arrested, she asked Xuanyuan Qingfeng very anxiously.

Xuanyuan Qingfeng patted the maid and comforted her, "Don't worry, not only will nothing happen to your wife, she will also be ill. I'll be cured by that bastard too"

"real?"

"Of course, I brought Su Chen. Do you think I will hurt you?"

"No, no, you are Madam's good friend. Miss Xuanyuan will not harm Madam."

"Haha, just stay here and watch. Nothing will happen to your wife."

"OK!"

Boom!

At this time, just when Wang Huaiqing was about to run to Su Chen's side,

Qingniao suddenly burst out with some momentum, and instantly suppressed Wang Huaiqing.

This was because Qingniao only released a little momentum, but Wang Huaiqing was Without any cultivation, if the blue bird burst out with powerful momentum and pressure, Wang Huaiqing would probably explode and die immediately.

Su Chen shouted to the collapsed room, "Banshee, if you don't come out, Wang Huaiqing will be killed by me." Got it"

"you dare!"

When Xiaorong heard Su Chen's words, she hurriedly jumped up from the collapsed room. He was very angry when he saw Wang Huaiqing lying on the ground under the pressure of the momentum.

You Yu and the Taoist priest looked at Su Chen doubtfully.

They both They didn't know what Su Chen was going to do, but they didn't dare to act rashly.

If they dared to take action, I'm afraid that the maid would be able to kill them, not to mention those powerful female ghosts.

Su Chen smiled when he saw Xiao Rong Laughing, anyway, the old demon hasn't arrived yet, so

Su Chen wanted to make a game to see how the plot is different from reality.

Besides, since Wang Huaiqing scolded him, if he didn't retaliate a little, Su Chen would feel very sad. uncomfortable

"Banshee, let's play a game. Don't worry, I won't kill Wang Huaiqing. However, it depends on your choice."

"what are you up to?"

Xiao Rong looked at Su Chen and was very wary.

This young master is very powerful and she is no match for her. Besides, she doesn't want to listen to Su Chen now.

Escape?

She can't escape at all.

Besides, Wang Huaiqing is still in Su Chen. In Su Chen's hands, she was also afraid that if she escaped or didn't listen to Su Chen's words, Wang Huaiqing would be killed.

"You Yu, give the banshee a knife"

"Oh well!"

After You Yu heard what Su Chen said, he hurriedly took a knife from a policeman and gave it to the banshee.

Su Chen looked at Xiao Rong and said with a smile,

"Banshee, now you have a choice, either you cut off an arm of Wang Huaqing, or you cut off an arm of your own. In ten breaths, if you have no choice, I will cut off an arm of both you and Wang Huaqing."

Su Chen wants to test whether Xiao Rong really likes Wang Huaqing first.

It's just an arm.

It's very easy for Su Chen to connect it to them.

This is just the first step of the test.

The next step is for Wang Huaqing to take the knife.

Su Chen will let Wang Huaqing chose to chop off an arm between A Ruo and the Banshee to see what Wang Huaqing would choose.

This time,

Su Chen was 100% sure that Xiao Rong would chop off her arm.

Next time it was Wang Huaqing's choice,

Su Chen Chen's hope is that Wang Huaqing commits suicide with a knife. If Wang Huaqing randomly chooses a woman to attack, then Wang Huaqing is a ruthless and unjust person, and Wang Huaqing is not worthy of him saving him from the old demon.

Poof!

Xiao Rong did it instantly without hesitation. After cutting off her left arm, she looked at Wang Huaqing and smiled sadly.

Su Chen immediately used the law of space to stop the blood on Xiao Rong's arm. Even the broken arm Su Chen kept fresh and unchanged. This It will be much more convenient for him to help Xiaorong recover his arm in the future.

"Xiao Rong! Why are you so stupid!"

Wang Huaqing saw Xiao Rong cut off his arm without hesitation, which made Wang Huaqing hate his incompetence very much.

Xiao Rong looked at Su Chen and felt very strange, why did this human being help her heal secretly?

He What is the purpose of doing this?

Xiao Rong shook her head and didn't think about these things that she didn't understand.

She looked at Wang Huaqing and said tenderly, "Huaqing, I can do anything for you, even if it means death, I will no matter what"

"I don't deserve this, I don't deserve it, I don't deserve it."

Chapter 1445

Wang Huaqing was very sad when he saw Xiao Rong with a broken arm and bleeding.

He did not expect that Xiao Rong cut off her own arm without thinking, which made Wang Huaqing feel even more sorry for Xiao Rong.

Xiao Rong had saved his life before, and now she had sacrificed her arm for him.

Wang Huaqing didn't know how to face Xiao Rong.

So what if Xiao Rong is a demon?

Demons are sometimes kinder and more affectionate than humans.

People in the yard did not expect Xiao Rong to be so decisive.

Xiao Rong cut off her own arm without thinking.

This made people here also change their view of Xiao Rong.

Demons are also sentient, and not all demons are heinous. disciple

"The old man has enlightened."

Taoist Xuan Yi looked at Xiao Rong with a complex expression.

He realized that he was wrong in the past.

He used to kill monsters whenever he saw them, without asking whether they had harmed humans.

He felt that monsters were all bloodthirsty and cruel, and it was his life to destroy monsters. Today ,

Xiao Rong made him realize that demons, like humans, are divided into good and bad.

When You Yu, the head catcher, looked at Xiao Rong, it was also very complicated.

Demons have harmed countless humans, but Xiao Rong today His performance impressed him with admiration.

A beautiful banshee could actually fall in love with a human being, and even fight to the death. This made him a little envious of Wang Huaiqing, a brainless scholar.

You Yu patted the Taoist priest Xuan Yi on the shoulder and said , "Taoist priest, this banshee is not bad."

"I saw. Taoist

Xuan Yi glanced at You Yu and remembered to reply,

"Xuan Yi, then shall we destroy her?"

"Do we dare to take action now?"

"Forehead! That's right, now this noble master is in control here, but what exactly is this noble master going to do?"

"You will understand after reading this."

The maid Xiaoguan said to Xuanyuan Qingfeng in confusion, "Miss Xuanyuan, this monster actually likes my young master?"

Xiaoguan also didn't expect that Xiaorong would mutilate one of her own arms for Wang Huaiqing.

This made her confused about the relationship between Xiaorong and Wang Huaiqing.

The banshee Xiaorong really fell in love with Wang Huaiqing, but When did they get along?

"Read on."

Xuanyuan Qingfeng replied with a cold face.

She still couldn't figure out what this bastard was going to do. She didn't expect the banshee's self-mutilation.

But what was the purpose of Su Chen's doing this?

Isn't it very unusual to kill a banshee? Is it about disguise? This bastard Su Chen is not a sadist, right?

"Banshee, give the knife to Wang Huaiqing."

At this time,

Su Chen ignored Wang Huaiqing's grief and indignation.

He looked at Xiao Rong and ordered.

Xiao Rong took the knife and looked at Su Chen warily and asked, "What else do you want to do?"

"This is not what you should ask"

"you...."

Xiao Rong was very angry when she heard what Su Chen said, but she had no choice.

The life and death of her and Wang Huaiqing were not decided by them. Xiao Rong could only give the knife to Wang Huaiqing according to Su Chen's order.

When Su Chen saw Wang Huaiqing taking the knife, he smiled and ordered,

"Wang Huaqing, now it's your turn. What you have to do is choose a woman among your wife and the banshee to cut off one of her arms. You just need to do what I say. You and your wife, and even this banshee, I It's all ready to go. Wang

Huaiqing heard Su Chen's words and shouted angrily, "No, I won't do it even if I die."

"Then you can commit suicide! Isn't there a knife in your water? Wang Huaqing, if you take a knife and wipe it on your neck, you will die."

"You murderer, why do you do this?"

Su Chen ignored Wang Huaqing and said coldly, expressionlessly, "In ten breaths, if you have no choice, all three of you will die."

Wang Huaqing was confused when he heard Su Chen's words.

How to choose?

One is his wife, and the other is a banshee, but the banshee is not only his savior, she even mutilated an arm for him.

"If any of you dare to talk too much, I will kill Wang Huaqing."

Su Chen saw Xiao Rong and A Ruo beside him wanting to talk, so he hurriedly threatened Xiao Rong and A Ruo.

When Xiao Rong heard Su Chen's words, she lowered her head angrily.

She originally wanted Wang Huaqing to chop her. Arm, after all, she is a demon, even if she loses her arm, it will not be a serious problem. Xiaorong does not want to put Wang Huaqing in a dilemma, but Su Chen's threat makes her dare not say these words.

Aruo's face is pale and she will be unsteady.

She didn't expect that Su Chen would let Wang Huaqing make such a choice. Aruo guessed that Wang Huaqing must be very angry and helpless. She could n't help Wang Huaqing at all. She also wanted to see what kind of choice Wang Huaqing would make in the end.

Others They all looked at Wang Huaqing.

This choice was very difficult for Wang Huaqing.

On one side was his wife, and on the other was his savior and the succubus who was affectionate and righteous to him. This would probably be a bad choice for either of them.

The head catcher You Yu asked the Taoist priest Xuan Yi next to him, "Taoist priest, which one do you think Wang Huaqing will choose? lady? Or a banshee? Xuan

Yi shook his head and replied, "It's too troublesome. I can't guess."

"Taoist priest, what if you were Wang Huaqing? Would you choose this?"

"suicide"

"suicide?"

The Taoist priest looked at Wang Huaqing and explained,

"Yes, suicide. If I were Wang Huaqing, my wife would definitely not be able to do it. But the banshee not only saved Wang Huaqing's life, but she also mutilated an arm for Wang Huaqing just now. It is impossible for me to retaliate. Suicide is the best choice."

You Yu said unexpectedly when he heard Xuan Yi's words, "It makes sense. I didn't expect that a Taoist priest like you, a big and powerful Taoist, would have such an opinion. I'm a little bit underestimating you."

"What you said is all nonsense. Although I am not interested in things about men and women, I am not stupid."

"Yes, you don't kill stupid people. Xiaoguan next to her looked at Wang Huaiqing's confused look, and asked worriedly, "Miss Xuanyuan, what will my young master choose?""

"have no idea!"

"God bless you, the young master must never choose a wife, never choose a wife."

Xuanyuan Qingfeng was very speechless when he looked at the maid Xiaoguan.

What's going on with the sky now?

That bastard Su Chen is in charge here.

If Xiaoguan doesn't want Wang Huaiqing and chooses Aruo, won't she say it loudly to Wang Huaiqing?

Su Chen Looking at the stunned Wang Huaiqing, he was also afraid of driving the scholar crazy. Now he could only let Wang Huaiqing choose as soon as possible.

Su Chen looked at the time and hurriedly urged, "There are still three breaths left, Wang Huaiqing, you don't have much time."."

Wang Huaiqing shuddered when he heard Su Chen's words.

He looked at Su Chen and wanted to kill this bastard with red eyes, but he knew he couldn't do it.

Wang Huaiqing looked at A Ruo, who was pale, and then looked at Duan. The banshee Xiaorong with a miserable arm, his face was twisted and he was about to make a decision. It is better to cut off one arm than to die together.

"Two breaths!"

Chapter 1446

""Two breaths"

Su Chen looked at Wang Huaiqing and reminded him.

Wang Huaiqing looked at A Ruo after hearing Su Chen's urging.

He thought that Xiao Rong had already broken one arm. If Xiao Rong's arm was broken again, Xiao Rong would not die. Will lose his arms and ruin his life

"One breath!"

"I choose Aruo, I choose Aruo!"

Wang Huaiqing said hurriedly when he heard Su Chen's voice,

"let's start!"

Su Chen shook his head when he heard Wang Huaiqing's words.

Wang Huaiqing still made the wrong choice.

It seems that Wang Huaiqing is really not a reliable person.

Although this is a multiple-choice question, it is very difficult to solve it.

Madam?

Savior?

No matter which one he chooses,

Wang Huaiqing will fail. I'm afraid Wang Huaiqing has never thought that he would replace Xiao Rong and A Ruo with their arms broken or die.

In the plot, Wang Huaiqing is a sentimental and righteous person, but the plot is a plot after all, here
But in the real world, a talented Wang Huaiqing probably never thought about death.

Since Wang Huaiqing was going to the imperial capital just now to file a petition,

Wang Huaiqing is probably also a famous talent, and even famous in the imperial capital of Chen.

Su Chen has no interest in playing anymore.

The people and events in the plot will change in reality.

Su Chen can't always rely on knowing the plot to judge whether a person is a good person or a bad person.

Aruo was stunned when he heard Wang Huaiqing's choice. She felt dizzy.

She didn't expect that Wang Huaiqing would choose her. This made Aruo lower his head with a wry smile and stretched out an arm.

The maid Xiaoguan screamed anxiously when she heard Wang Huaiqing's choice.

"how so? Why would the young master choose his wife? This is not true, this is not true."

Xuanyuan Qingfeng narrowed her eyes and looked at Wang Huaiqing coldly.

She wanted to kill Wang Huaiqing now.

Xuanyuan Qingfeng did not guess that Wang Huaiqing would choose A Ruo. A Ruo is seriously ill now. If she loses another arm, A Ruo will I'm afraid he will die in an instant.

This Wang Huaiqing really deserves to die.

No one else here thought that Wang Huaiqing would choose his wife.

Wang Huaiqing's wife is obviously seriously ill.

If Wang Huaiqing cuts off one of her arms again, will his wife survive? It's hard to say.

Banshee Xiaorong didn't expect Wang Huaiqing to choose Aruo, which made her very happy.

Wang Huaiqing chose Aruo, which meant that Wang Huaiqing already had her in his heart. Xiaorong thought that she might really be possible in the future. With Wang Huaiqing.

Wang Huaiqing walked to Aruo and said painfully, "Aruo, I'm sorry, Xiaorong has already lost an arm. I can't let her lose another arm."

"You don't have to explain, just do it." Aruo raised his head, smiled bitterly, and said to Wang Huaiqing,

"sorry!"

Wang Huaiqing shouted, raised his knife and chopped off Chao Aruo's arm.

Bang!

Just when Wang Huaiqing was about to chop off Aruo's arm, Su Chen knocked away the big knife in Wang Huaiqing's hand with one finger.

"Okay, I've had enough fun, that's the end of it." Su Chen stood up and looked at the people around him and said with a smile,

"you.....Are you playing? You are taking human life lightly." Wang Huaiqing shouted angrily when he heard Su Chen's words.

Su Chen ignored Wang Huaiqing.

He waved his hand and floated Xiao Rong's arm in front of Xiao Rong.

Su Chen looked at Xiao Rong and ordered, "Take your arm. Press on the break."

Xiao Rong looked at Su Chen and did as he said.

Su Chen directly used magic power to connect Xiao Rong's broken arm. The powerful magic power of the out-of-body realm directly emitted a dazzling white light at Xiao Rong's broken arm.

Su Chen even used the skin of a red fruit to restore Xiaorong's broken arm to its original shape.

"this....."

Xiao Rong saw that her arm was back to its original state, which made her look at Su Chen and wonder. Su Chen had been rude to her just now, so why did he save her again now?

Su Chen looked at Xiao Rong and said,

"Banshee"

"It seems that Wang Huaiqing likes you very much"

"You have also passed my test. You are free. No one here dares to embarrass you. If you want to leave, you can leave. You can stay and fly with Wang Huaiqing if you want. Don't worry, old demon, she won't live long."

"Thanks.....Thanks!" When Xiao Rong heard what Su Chen said, she was so excited that she hurriedly thanked Su Chen.

Su Chen waved his hands and said nothing.

He thought that Wang Huaiqing and the banshee Xiao Rong would really be together in the future.

If one day,

Wang Huaqing finds out

Would he be frightened to death if he discovered Xiao Rong's true ugly face ?

"A Ruo, what's wrong with you?"

Wang Huaqing saw the shaky Aruo and hurriedly went to help him.

"Get out of here!"

At this time,

Xuanyuan Qingfeng helped Aruo first. She looked at Wang Huaqing who was about to come over and shouted coldly.

Wang Huaqing didn't care about Xuanyuan Qingfeng's attitude.

He looked at the very pale Aruo and said hurriedly, " Miss Xuanyuan, if Aruo is sick, she needs to take medicine quickly."

Xuanyuan Qingfeng glared at Wang Huaqing and threatened,

"Wang Huaqing, Aruo will have nothing to do with you from now on, and your relationship as husband and wife will be terminated. I hope your divorce letter is written before dawn, otherwise I will kill you."

Xuanyuan Qingfeng was really angry this time.

If she hadn't believed that Su Chen would not harm innocent people, she would have been tempted to save Aruo just now.

Wang Huaiqing's ruthlessness made Xuanyuan Qingfeng really disdainful.

Wang Huaiqing If he were a man, he would not be able to hurt his wife even if he died, but Wang Huaiqing really wanted to chop A Ruo's arm, which made Xuanyuan Qingfeng want to kill Wang Huaiqing with a sword. Wang Huaiqing heard Xuanyuan Qingfeng

's words,

He turned pale and was stunned.

Divorce letter?

Xuanyuan Qingfeng actually asked Xiu to marry Aruo?

How is this possible?

They had only been married for less than a year, and it was impossible for him to divorce Aruo.

Su Chen didn't care about these things, he After checking the surroundings, he did not find the arrival of the old demon. This made Su Chen confused. It was almost midnight. According to the plot, the old demon should have arrived.

Could it be that the Taoist priest appeared too early?

Or was the old demon not injured yet ? Complete recovery?

At this time,

Xuanyuan Qingfeng supported Aruo and came to Su Chen. She looked at Su Chen and shouted hurriedly, "Su Chen, save Aruo quickly. Only you can cure her disease."

"Why? I'm not a doctor. You've got the wrong person." Su Chen crossed his arms and shook his head in refusal.

When Xuanyuan Qingfeng heard Su Chen's words, he yelled angrily, "You shameless bastard, do you want to watch an innocent woman die in front of you?"

Su Chen spread his hands and said with a smile, "There are many innocent people in the world, do I have to care about them?"

"Su Chen, please make some conditions. As long as you can save A Ruo, I can promise you anything."

"real?"

"I, Xuanyuan Qingfeng, keep my word. Please save Aruo first."

Chapter 1447

Xuanyuan Qingfeng couldn't do anything to Su Chen.

This bastard just refused to catch the rabbit. If Aruo hadn't been hit by Wang Huaqing and couldn't hold on anymore, Xuanyuan Qingfeng wouldn't be begging this bastard like this.

Su Chen looked at Xuanyuan Qingfeng and smiled.

Although Xuanyuan Qingfeng didn't have anything worth asking for, he could make Xuanyuan Qingfeng owe him a condition in the future.

This is pretty good too.

Su Chen also checked Aruo's condition.

Aruo was not sick at all.

She was just very weak.

This was due to her physical condition.

Moreover, Su Chen also discovered that A Ruo was still in perfect condition, which also surprised Su Chen.

And A Ruo's physique is actually a Xuanyin body, which is the same as Nie Xiaoqian's physique. A woman with this physique is with a pure Yang body, so it's strange that she is not weak.

No wonder!

A Ruo is still a perfect body.

I am afraid that A Ruo will fall ill after marrying Wang Huaiqing.

This is not a long time. If A Ruo and Wang Huaiqing sleep in the same bed, A Ruo may not be able to last this long.

She is probably dead long ago.

Su Chen looked at the officials and Taoist priests next to him.

He wanted to send them away first.

"You Yu, Taoist priest, is here today. You don't have to pay attention to the banshee Xiaorong from now on. She will not harm ordinary people in Qinghe City. You all can leave."

You Yu nodded hurriedly and replied, "We understand, Mr. Su, then we will leave first."

"That young man, what happened to that old demon you mentioned?" Taoist Xuan Yi looked at Su Chen and asked.

Xuan Yi just heard that Su Chen was going to kill some old demon, which made him very interested.

Destroying demons is his specialty. He used to destroy some unworthy ones. He also wanted to test whether his ability could kill some big monsters.

Su Chen thought about it and said,

"Taoist priest"

"All the banshees in Qinghe City are controlled by the old demon. The banshees absorb the essence unscrupulously in order to heal the old demon. I will deal with this old demon."

"If you are interested, you can come to me tomorrow. Taoist

Xuan Yi nodded hurriedly and agreed, "Okay, I'll come back tomorrow, Taoist.""

Su Chen waved to Xuanyuan Qingfeng, and he walked towards his room.

As for Wang Huaiqing and Xiao Rong, he didn't bother to care about them.

After Xiao Rong saw everyone leaving, she was now relaxed,

Su She also heard what Chen said.

She could appear in Qinghe City openly in the future, and she didn't even have to worry about the old demon and the demon catcher. Seeing Wang Huaiqing's lost look, Xiao Rong comforted her and said, "Huaiqing, don't be sad, I believe you." Madam will understand your difficulties"

"I understand, I just feel sorry for Aruo." Wang Huaiqing looked at Xiao Rong and said with disappointment.

Wang Huaiqing didn't expect that he would hurt A Ruo so deeply just now.

If he didn't choose A Ruo at that time, would he have to cut off Xiao Rong's other arm?

All of this is that Su Wang Huaiqing looked at Su Chen's room angrily and decided to take revenge.

Although he did not have strong strength, he could ask for help from others.

He knew many powerful people in the capital of Chen, so Wang Huaiqing was ready to He wrote a letter asking his friends to help him get revenge.

In the room,

Su Chen checked Su Yue, and then looked at Aruo, who was being supported by Xuanyuan Qingfeng in a chair.

"Xuanyuan Qingfeng, Aruo is not sick, but the current situation is not optimistic. This is because of her physical condition.

Xuanyuan Qingfeng asked suspiciously when he heard Su Chen's words, "Physique?" What's A Ruo's physique?"

The weak A'ruo also looked at Su Chen.

After she knew that what Su Chen had just done was just a farce,

A'ruo was also very speechless.

Su Chen is indeed a big devil, and such outrageous things will be used. She didn't know whether to blame this bastard or thank him for making her see Wang Huaiqing clearly.

"Xuanyin body!"

"Xuanyin body? What kind of physique is this?"

Su Chen looked at Xuanyuan Qingfeng, who looked like Xiaobai.

The Xuanyin body is a special constitution in the world of cultivation. If the Xuanyin body has been cultivated to a certain level, and the Xuanyin body gets married to another person, it will enhance the man's cultivation level.

Thinking of this, he coughed hurriedly and said,

"Well, you don't need to ask more about this. You will understand later. The reason why Aruo has always been weak is because of Wang Huaqing's pure yang body. Xuanyin and pure yang are in conflict with each other."

"If they were all cultivators, this would be good for them, but they were not cultivators, so Aruo, who was in a weak position, was suppressed by Wang Huaqing's pure Yang body."

When Xuanyuan Qingfeng heard Su Chen's words, he understood that it was the mutual restraint of physiques that had harmed Aruo.

"It turns out that all this was caused by Wang Huaqing. I said that Aruo was in good health a year ago, but why did she fall ill as soon as we got married."

She looked at A Ruo and reminded her hastily, "A Ruo, you must never be with Wang Huaqing again in the future. This will kill you."

Aruo smiled bitterly and nodded.

Can she still be with Wang Huaqing now?

Today's incident was seen by many officials.

It is impossible for those officials to tell that Xiao Rong is a monster, but she will be killed by Wang Huaqing. I'm afraid the arm thing can't be stopped. How will she remain in Qinghe City in the future?

"Get off!"

Su Chen looked at Xuanyuan Qingfeng and shouted.

When Xuanyuan Qingfeng saw Su Chen walking towards Aro, she hurriedly stopped Su Chen and shouted, "What are you doing? If Aro is already so sick, what else are you going to do, you bastard? Su

Chen looked at Xuanyuan Qingfeng and said speechlessly, "What the hell, Xuanyuan Qingfeng, are you a sick woman?" How can I treat Aro if you don't get out of the way?"

"Forehead!"

Xuanyuan Qingfeng got out of the way in embarrassment after hearing Su Chen's words.

In the room, the Blue Bird, the Sparrow Demon, and even the maid Xiaoguan couldn't hold back their smiles when they saw Xuanyuan Qingfeng's embarrassed look. They also knew that Xuanyuan Qingfeng Feng was worried that A Ruo was overly worried.

Boom!

Su Chen put a hand on A Ruo's back, and he used magic to remove the mutually restraining pure Yang Qi in her body. At this moment, A Ruo's head suddenly erupted. A trace of white mist appeared, and A Ruo's face became more and more rosy.

After a while, the white mist no longer appeared on A Ruo's head, and

Su Chen also withdrew his magic power.

"husband.....No, miss, how do you feel?"The maid Xiaoguan looked at the rosy-faced A'ruo and asked hurriedly.

A'ruo stood up and felt very relaxed, and all the previous weakness had disappeared.

She looked at the maid Xiaoguan and said with a smile, "Very good. I've never felt so relaxed."

Su Chen sat back on his chair and said to A Ruo, "A Ruo, you have a Xuanyin body. If you learn to practice in the future, your cultivation speed will be twice the result with half the effort."

When Xuanyuan Qingfeng heard Su Chen's words, he looked at Aruo and said, "Aruo, this time you come back to my family with me, and I will teach you how to practice."

"Xuanyuan Qingfeng, if you want Aruo to die early, just take her back to the Xuanyuan family."

Chapter 1448

Su Chen heard that Xuanyuan Qingfeng was going to take A Ruo back to the Xuanyuan family.

This made Su Chen shake his head speechlessly.

The people in the Xuanyuan family were all perverts.

A pervert ancestor and a pervert Xuanyuan Laosan, if they let Now that the sex demons of the Xuanyuan family know about A Ruo's physique, A Ruo will probably be worse off than dead in the future, and her future destiny will be to be the cauldron of those sex demons.

Xuanyuan Qingfeng looked at Su Chen and asked angrily, "Su Chen, what do you mean?"

Xuanyuan Qingfeng did not expect that Su Chen would say such a thing.

Will Aruo die if he goes to the Xuanyuan family?

How can this be?

How could the Xuanyuan family deal with a weak woman?

Su Chen took a sip of wine and said casually,

"literal meaning."

Bang!

Xuanyuan Qingfeng slapped the table hard and asked,"Asshole, do you know our Xuanyuan family?"

"Have a little understanding."

Xuanyuan Qingfeng was about to be driven crazy by Su Chen,"Damn it, you can't finish it all at once, what happened to our Xuanyuan family? Why would our Xuanyuan family die if A Ruo went to it? Su

Chen looked at Xuanyuan Qingfeng and said with a serious face,"If Aruo goes to you, the Xuanyuan family will not only die, but life will be worse than death.""

Su Chen also planned to remind this silly girl. After all, this silly girl still owes him a condition. If this silly girl dies for no reason, then his condition will be useless.

A Ruo looked at it with a surprised expression. Looking at Su Chen,

Su Chen's words scared her.

Why would Xuanyuan Qingfeng's tribe deal with her?

She had never met other members of the Xuanyuan family. Why would those people kill her? They would even make her worse. Die?

The Qingniao girls are also very surprised.

They don't think Su Chen is joking now.

Although Su Chen is very out of tune,

Su Chen will not joke when he is serious.

What is going on with Xuanyuan Qingfeng's family? ?Why would Aruo's life be worse than death if he went to the Xuanyuan family?

Xuanyuan Qingfeng asked with a confused look, "This.....How can this be? Our Xuanyuan family is a well-known and upright family, how could we take action against Aruo?"

"A decent family? You are overthinking. Although the Xuanyuan family is not an evil sect, the Xuanyuan family cannot compete with the noble sect."

"you.....What do you know?"

"Who am I to tell you?"

"I....."

Xuanyuan Qingfeng didn't know how to press Su Chen for a moment. She already owed Su Chen a condition. If she proposed to owe this bastard another condition, he probably wouldn't agree to it.

Aruo saluted Su Chen and asked worriedly, "Mr. Su, if I don't go to the Xuanyuan family, will nothing happen to me?"

"Well, as long as you are not discovered by people from the Xuanyuan family, or even by other powerful warriors, your life is not in danger"

"Why?"

Su Chen looked at the women who knew nothing, and he slowly said to these women,

"Because of your physique, your physique is Xuanyin body, which is one of the best physiques in the world of cultivation."

"However, the Xuanyin body is also a disaster. If such a body is known to other powerful warriors, they will catch you and even train you to become a master."

"Then your misery begins"

"Powerful warriors will use you as a cauldron for training, and the Xuanyin body is the best training cauldron."

"Do you think your life will be worse than death in the future?"

After Xuanyuan Qingfeng and the Qingniao girls heard Su Chen's words, they all looked incredulous. If Su Chen said this, A Ruao would be in a very tragic future.

A Ruao was scared, she She didn't expect that her physique would be so terrifying. If other warriors knew about it, she would really be worse than dead in the future.

A Ruao said to Su Chen anxiously, "I.....When I return to my parents' home in Yihe City, I will never go out again or see any warriors."

Su Chen nodded and agreed, "This is also a way, but you may become a canary in a cage in the future."

"There is nothing I can do. This is better than my future life being worse than death, right?"

"Well, it's much stronger!"

Xuanyuan Qingfeng suddenly thought that A Ruao's physique is an extremely strong one. Then Su Chen, a bastard, would not be tempted at all?

Xuanyuan Qingfeng looked at Su Chen and asked,

"Su Chen, why are you sure that the Xuanyuan family will take action against A Ruao? Or are you trying to figure out A Ruao?"

Su Chen leaned on the chair and closed his eyes and said,

"Xuanyuan Qingfeng"

"You're overthinking it. I don't have Xuanyin physique among my men. I've never had any idea of a woman like A Ruo."

"As for your family"

"To be honest, your Xuanyuan family is in ruins from beginning to end. Except for your father, no one else in the Xuanyuan family is good, including your mother."

Xuanyuan Qingfeng shouted at Su Chen,

"you....You are talking nonsense, you damn bastard, you dare to slander the Xuanyuan family, and even my mother, Su Chen, if you dare to talk nonsense again, I will fight you."

Xuanyuan Qingfeng didn't expect that Su Chen would say this.

The Xuanyuan family is rotten from beginning to end?

Even her mother is included in it?

What this bastard means is that her mother is not a good person?

It's just that her good-for-nothing father was actually killed by Su Chen Look good, this makes Xuanyuan Qingfeng really confused

"If you don't want to hear it, I won't say it."

Su Chen didn't indulge Xuanyuan Qingfeng.

Since this silly girl wants to be stupid, let her continue to be stupid. Anyway, he will be the unlucky one in the future.

A Ruo looked at Su Chen and asked doubtfully,

"Mr. Su, why do you think so highly of Sister Xuanyuan's father? Sister Xuanyuan's father is a good-for-nothing person, even a person with no cultivation."

Aruo has heard Xuanyuan Qingfeng talk about her father before, and Xuanyuan Qingfeng also looks down on her useless father.

But why does Su Chen look down on anyone in the Xuanyuan family, but only thinks highly of Xuanyuan Qingfeng's father? ?

When Su Chen heard A Ruo's words, he knew Xuanyuan Qingfeng's attitude towards his father.

Poor people must be hateful.

A woman who treats her father at will is really hopeless.

Xuanyuan Qingfeng Feng's father at least didn't do anything against her. Just because he was a scholar and a person who didn't reveal his strength, Xuanyuan Qingfeng, his daughter, looked down upon him so much. What's the use of raising such a daughter?

"Good for nothing? Hahaha....., Xuanyuan Qingfeng, if a woman like you were my daughter, I would kill you immediately. I feel very embarrassed to have a daughter like you."

"You shameless bastard, if you dare to talk nonsense again, I will kill you first."

Chapter 1449

Xuanyuan Qingfeng drew out her long sword angrily and pointed it at Su Chen.

She didn't expect that Su Chen would insult her like this.

What did she do?

This bastard would look down upon her so much and even say it was embarrassing to have a daughter like her, bah!

Damn bastard!

How dare you compare her to being his daughter?

Why doesn't this shameless bastard die?

"Xuanyuan Qingfeng, put down your sword or die!" When Qingniao saw Xuanyuan Qingfeng pull out his sword and point it at Su Chen, she warned Xuanyuan Qingfeng expressionlessly.

Aruo hurriedly grabbed Xuanyuan Qingfeng and persuaded her, "Sister Xuanyuan, put away your sword quickly. What is this going to do?"

"Miss Xuanyuan, don't be impulsive, you are no match for Mr. Su." The maid Xiaoguan also hurriedly grabbed Xuanyuan Qingfeng and reminded him.

Xuanyuan Qingfeng put away his sword and asked angrily, "Su Chen, what do you mean? Why do you look down on me so much?"

Su Chen glanced at Xuanyuan Qingfeng, waved his hand and said, "I'm too lazy to pay attention to you. You can leave. I want to rest."

"you....."

Just when Xuanyuan Qingfeng was about to say something,

Aruo hurriedly stopped her.

Aruo looked at Su Chen and begged, "Mr. Su, why is Sister Xuanyuan's father so favored by you? Can you tell us? ?"

Su Chen stood up and stretched and said,

"A good father, the most sober person in the Xuanyuan family, and even a powerful person, met a shameless woman and a stupid daughter who thought she was smart."

Aruo looked like he had seen a ghost when he heard Su Chen's words, good father?

Only Xuanyuan Qingfeng should know this. He is the only sober person in the Xuanyuan family, what is going on?

A powerful person,

Xuanyuan Qingfeng's Doesn't his father have no cultivation?

How can he be a powerful person?

A shameless woman and a smart daughter. Does this mean Xuanyuan Qingfeng's mother and Xuanyuan Qingfeng?

Xuanyuan Qingfeng looked gloomy. Looking at Su Chen, she felt very uneasy now.

After thinking about it calmly, she felt that it was impossible for Su Chen to arrange her mother for no reason. She knew that her parents were at odds with each other and had not even said a word for more than ten years. , but she had no idea what was going on.

Xuanyuan Qingfeng also felt that there was something abnormal about her mother.

Is it true that her mother was in conflict just because her father was useless, and had not even reconciled for more than ten years?

Su Chen said A shameless woman, did her mother really betray her father?

And herself, she thought about how impatient she was every time her father talked to her , and even thought that her father was nothing. Xuanyuan Qingfeng felt ashamed because she knew about it, and Xuanyuan Qingfeng felt sorry for her father when she thought about it now. Xuanyuan Qingfeng thought of Su Chen saying that her father was a powerful man, which made her look at Su Chen and want to know urgently,"Su Chen , is my father really very powerful?" Su Chen glanced at Xuanyuan Qingfeng and told her,

"It should be possible for your father to kill your ancestor now, but if your father kills your ancestor, he may die. If another three to five years pass, it will be easy for your father to kill your ancestor."

Xuanyuan Qingfeng was very shocked when he heard Su Chen's words.

His father was actually a powerful person in the Golden Core Realm?

How is this possible?

His father, who has been studying, how could he be a powerful immortal cultivator?

Xuanyuan Qingfeng He looked at Su Chen and asked hurriedly,

"Is my father a strong man in the Golden Core Realm? How can this be? If he was so powerful, why did he pretend to be a person with no cultivation?"

"That's because your father wants to kill your ancestor, so no one dares to reveal his strength"

"This is impossible? Why did my father kill his ancestor? You are talking nonsense"

"Who said that the ancestor of the Xuanyuan family is the ancestor of the Xuanyuan family?"

"What do you mean? Why is the ancestor not the ancestor of our Xuanyuan family?"

Xuanyuan Qingfeng is completely confused.

She is now said to be completely confused by this bastard. Why is the ancestor of the Xuanyuan family not the ancestor of the Xuanyuan family?

And why does his father hide his cultivation? He even wants to kill The ancestor of the Xuanyuan family, all this confused Xuanyuan Qingfeng.

The other women were also dizzy after hearing this.

Hiding their cultivation?

Killing the ancestor?

The ancestor is not the ancestor?

They heard these things more than Xuanyuan Qingfeng. Confused.

Su Chen looked at Xuanyuan Qingfeng and reminded,

"Xuanyuan Qingfeng"

"You can secretly ask your father these things in the future. Don't be so stupid as to expose your father."

"Everyone in the Xuanyuan family is from your ancestor, and your second uncle and third uncle are also greedy people. If your ancestor knows your father's cultivation, just wait to collect your father's body."

When Xuanyuan Qingfeng saw that Su Chen was going to rest, she hurriedly grabbed Su Chen and asked urgently,

"Who is the ancestor? You tell me, otherwise I will always feel uneasy"

"He is the son-in-law of your Xuanyuan family, and now he is regarded as the ancestor of your Xuanyuan family, which is really ridiculous."

Xuanyuan Qingfeng said doubtfully when he heard Su Chen's words,

"Son-in-law? The son-in-law is also a member of our Xuanyuan family, so there is nothing wrong with him being an ancestor!"

"Haha, there are still some secrets here. I'm afraid it's not good for me as an outsider to tell them. Your mother is also involved here. Let your father tell you these."

Su Chen said and nodded to Qingniao.

Qingniao immediately made a gesture to the Xuanyuan Qingfeng girls to invite them out. Xuanyuan Qingfeng, Aruo and Xiaoguan looked at the expressionless Qingniao and exited. room, they knew that Su Chen couldn't say much more.

Su Chen lay on the bed and said easily, "I finally left. Xuanyuan Qingfeng is really a stubborn woman. It's better to have less contact with such a woman." The silence of Qinghe City in the middle of the night is extremely terrifying.

Over the past month, the banshee has made people in Qinghe City panic. As long as it comes at night, the entire Qinghe City is lifeless, as if it is shrouded in a hazy black mist.

Outside Qinghe City In the mountain forest, a short figure walked out of a cave.

She looked around and cursed angrily.

"Damn it, it's been a month, and my injury hasn't healed yet. Damn it, you ruined the monk. If I recover, I'll be the first to operate on that smelly monk."

After a white figure floated over from a distance, when she saw the short figure, she hurriedly saluted and said, "Master, we lost more than twenty people today. The sparrow demon and Xiao Rong have not come back. I'm afraid they are also in danger."

"The Taoist priests who arrived today seem to be quite capable. The bird demon and Xiao Rong are not dead, they must have been caught."

Chapter 1450

The next morning, in Wang Huaiqing's mansion,

Su Chen was feeding Su Yue milk, but Xiao Yue'er kept making trouble while drinking, which made Su Chen keep coaxing Xiao Su Yue.

Su Chen looked at Su Yue playing around and frowned, thinking,

"It's strange. Yue'er seems to have changed a lot in the past ten days, and the seal has not been released. Why does Yue'er feel like she's growing a little faster?"

Su Yue now looks like a child over one year old, and her hands are not weak.

Su Chen has sealed all of Su Yue's cultivation, but the changes have been too great these days. It seems that since the appearance of the black bird After that, Su Yue had some changes every day.

Su Chen couldn't understand this.

"Master, what are we going to do today?"Qingniao tidied the bed and asked Su Chen.

Su Chen picked up Su Yue and said to Qingniao,

"We will set off after killing the old demon today. The old demon's demon elixir is a good trophy."

Qingniao asked a little worriedly,

"Is that old demon powerful?"

Su Chen thought about Nie Xiaoqian's previous report and shook his head and said,

"That old demon is at the peak of the Nascent Soul realm, but after she was injured, she can now at most reach the middle Nascent Soul realm, or even lower."

"Master, who injured the old demon?"

"I don't know, but it has nothing to do with us. We can just pick it up later. Where is Xuanyuan Qingfeng? Why didn't you see her so early in the morning?"

"Xuanyuan Qingfeng is forcing Wang Huaiqing to write a letter of divorce"

"That's it, let's leave her alone, call the sparrow demon, and let's go shopping on the street."

"Yes, Master!"

At this moment, in Qinghe City, a monk dressed in rags appeared in the city. From the moment he arrived in Qinghe City, he found that the evil spirit here was very strong, which made him look around and investigate. The old monk Suddenly opening his eyes, he looked in one direction and muttered, "Huh?" I didn't expect that there was a demon hiding in the city during the day. Could it be that he was a subordinate of the old demon? Finding the old demon this time will definitely not allow her to escape again."

The old monk fanned himself with the broken fan in his hand. He walked unsteadily in the direction of the demon.

Outside Qinghe City, in the old demon's temporary cave, there were hundreds of banshees who were all nervous. He looked at the old demon who was practicing.

Boom boom boom...

At this time, a powerful aura suddenly erupted from the old demon's body, and the aura became stronger and stronger, and the old demon's withered face quickly became rosy.

When the hundreds of banshees here saw that the old demon had recovered from his injuries, they hurriedly knelt down and said in unison, "Congratulations, Master, for your complete recovery."

The boss smiled and stood up.

"Haha, you did a good job, especially the essence you absorbed yesterday. The essence of a warrior is indeed a great tonic. If I absorb that pure yang essence again, I'm afraid I will advance to the out-of-body realm."

A leading banshee saluted the old demon and said, "Master, do you want to catch that human with pure Yang essence today?"

The old demon nodded when he heard the banshee's words.

She is determined to get the pure yang essence. With the pure yang essence, her strength will be stronger. Even if she encounters the ruined monk again, she will no longer have to run for her life..

The old demon waved his hand and ordered,

"Well, take action in a moment, which will save you a long night and many dreams. Xiao Rong's mission failed. He caught the pure yang body in a while. Xiaocai, you are responsible for sucking out the pure yang essence."

"Yes, master"

"Xiaocai, remember that you can only suck out the pure Yang essence when you are having fun together, don't screw it up for me."

"Don't worry, master, I will definitely be careful."

In Wang Huaiqing's house,

Xuanyuan Qingfeng smiled after getting the divorce letter written by Wang Huaiqing.

From today on, A Ruo will be free, but she has not thought about how to arrange A Ruo. It is impossible for Xuanyuan's family to go. Ruo couldn't go back to her parents' house.

Xuanyuan Qingfeng also had a headache about where Ruo would go in the future.

Wang Huaiqing looked at Xuanyuan Qingfeng with a livid face and said angrily, "Xuanyuan Qingfeng, you can leave my mansion. I You are not welcome here."

Wang Huaiqing didn't expect that Xuanyuan Qingfeng would use his life to force him.

If he hadn't been afraid that Xuanyuan Qingfeng would really kill him,

Wang Huaiqing would not have written a letter of divorce.

"Don't worry, we'll leave soon." Xuanyuan Qingfeng looked at Wang Huaiqing with disdain and turned around to leave.

Xiao Rong poured a cup of tea for Wang Huaiqing and comforted him.

"Huaiqing, don't be angry. Xuanyuan Qingfeng is powerful and his family is even more powerful. We can't afford to offend him."

Xiao Rong is satisfied now.

Since last night, she can be by Wang Huaiqing's side openly.

Today Xuanyuan Qingfeng forced Wang Huaiqing to divorce her wife. It is very likely that she will become Wang Huaiqing's wife in the future.

This makes her today also Very happy.

Wang Huaiqing looked at Xiao Rong and said helplessly,

"Sigh, I understand, I'm just angry. The imperial court is so tolerant of these warriors."

"If warriors kill people and set fires, ordinary warrior officials can punish them, but these powerful warrior officials turn a blind eye and don't dare to care at all."

Xiao Rong took Wang Huaiqing's hand and shook her head and said, "These are not our business. We can live a stable life in the future."

"Alas, this is all we can do now."

Wang Huaiqing shook his fist but was very weak.

His letter was only sent out today.

It will probably take more than ten days for friends in the Imperial Capital of Chen to receive the letter. No matter how unwilling he is now, he can only endure it.

Wang Mansion At the door, after the ruined monk arrived, he looked at the palace and prepared to walk in.

"Monk, this is not the place for you to beg for alms. You should go to other places for alms."

At this moment, the head catcher You Yu also arrived with more than a dozen catchers.

You Yu saw a monk wearing rags about to enter the palace. He stopped him and said, the reason why the head catcher You Yu is so early today When he arrived, he also wanted to see the scene of Su Chen and the Taoist priest exorcising the demon together. This was to eliminate an old demon.

You Yu didn't want to miss this scene.

The ruined monk saw more than ten policemen arriving, and even prevented him from entering. In this mansion, the ruined monk looked at the head catcher You Yu and gave him a Buddha name:

"Amitabha, donor, is this your home?"

You Yu looked at this ruinous monk and waved his hand.

"No, monk, as for the monk who came to ask for alms so early, you'd better leave."

You Yu said and walked into the palace with more than a dozen arresters.

He had no time to pay attention to this ruined monk.

"Amitabha!"

The ruined monk entered the palace after seeing the arrester, and he followed him in without hesitation. There was a demon in this mansion, and the monk would not let go of the demon that harmed people.
